FATHER ARTHUR N. KALER
... Assumes St. Ann's Duties

STATE PRISON

Chaplain Becomes Busy Parish Priest

BY RUTH COFFEY
Record News Editor

From prison to parish, from Huntsville to Colorado City, has meant quite a change in the routine of St. Ann's Catholic Church's new pastor and priest, Father Arthur N. Kaler, O. M. I.

Father Kaler, of the order of the Oblate Mary the Immaculate, a missionary order of the Roman Catholic Church, assumed his new duties here recently after serving six years as Catholic chaplain at the Texas prison in Huntsville.

"It is quite a change and quite a treat," he admitted this week, "and I'm going to love this town." Father Kaler busies about, full of plans—for a monastery garden, for reorganization of the C.Y.O. for a boy scout troop for the fellows of St. Ann's Church and its area.

His schedule is growing fuller by the hour with his duties at St. Ann's, the parochial school here and his duties in Lorraine's St. Joseph's mission church.

Regular mass will begin with the new pastor as officiant, Sunday. At St. Ann's the mass said in English will be at 8 a. m. Spanish language mass will be said at 9:30 each Sunday morning here. In Lorraine, every mass is spoken in Spanish and will be held at 11 a. m. each Sunday.

Home study club course with Father Kaler as director begins this week. High school and Junior high students will meet each Wednesday evening at 7 o'clock in the church library. Married couples meet Tuesday night in the home of Mrs. George Hudson, 908 East 13th St. Each Friday afternoon, primary children will meet from 3 to 4 elementary age children from 4 to 5, for study of the catechism.

His big hope, the new pastor, said Tuesday, "is to do more work with youth." Father Kaler was an ardent Boy Scout leader from 1933 until his assignment sent him to Huntsville to work with men. He also was chaplain for the some of 480 women serving terms at Gore.

The Echo, monthly paper published by and for inmates of the Texas Department of Corrections, gave extensive space in its July and August issues to the departure of Father Kaler.

A two-column feature in July began, facetiously: "Yes, Father Kaler finally made 'parole.' His Supervisor sentenced him to five years but, for some reason, he's done six flat. Time added on for good behavior."

August issue of the Echo, telling of a 9-transistor radio and gift certificate presented him by the Huntsville Unit inmates, reported: "In a short simple ceremony, Captain Durbin made the presentation on behalf of the inmates to a man who had become, for many of the inmates, a symbol of man's love for man."

Cancer Meet Honors Name Frank Kelley

District Two of the Texas Division of American Cancer Society paused in a meeting at Snyder today to pay tribute to the memory of Frank H. Kelley.

The late Mr. Kelley was at the time of his death District Director of District Two Texas Cancer Society Board, and was the one-man force behind organization of the Mitchell County unit.

Reading of the resolution "In Memoriam" followed. "Frank Kelley, volunteer ex-treasurer, was interested and would support any cause which would benefit his community or his fellow man. No activity was too small and no effort too great if the result was good for someone. District Two of the Texas Cancer Society and the Texas Division have suffered an inestimable loss."

Mayor H. I. Bowman, now District Director of the Texas Cancer Society in the post formerly held by Kelley, presided at the afternoon session.

Mitchell County delegates to the District Two meet, held in Martha Ann's Women's Club in Snyder this afternoon, were Mrs. Hoyt Roberts, Mrs. Bennett Scott, Mrs. J. P. Nunn, Mrs. C. S. Martin and Mrs. George Mahone.

Also attending were Martin Weaver, president of the Mitchell County Cancer Society, and See CANCER MEET Pg. 7.

Pat Bullock To Address '63 Old Timers Reunion

HOMEMAKING ARTS

Fair to Include Open Class for All Women

Women who shine in home-making arts can enter the '63 Mitchell County Fair's open class, Mrs. Sidney Compton said Thursday.

Mrs. Compton, who heads the Women's Division for the fair, said that any woman may enter exhibits in the needlework department or the cooking department—or both.

Rules and regulations for exhibitors in all Women's Division classes are available at the Chamber of Commerce office.

The fact that certain exhibits will be featured and judged by club or organization does not limit the exhibits and competition for ribbons to such organizations, the Chamber pointed out this week. Individual women are invited to participate with their needle-

and culinary art handwork. Youth division, with judging and ribbons separate from women's classes, are not limited to 441 Club or FHA members, Mrs. Compton added.

Deadline for entering the Women's and Youth's Division is 12 noon Thursday, next week. Exhibits will be housed in the south portion of Mitchell County Agriculture building.

Classes open to organizations and to individual women include: canned fruits and vegetables, peas, beans, soups, pickles, breads, pastries, preserves and jellies, punch, peach, pear and other preserves, cakes and breads class gives homemakers a chance to com-

pete for ribbons with breads, muffins, white yeast bread, steamed brown bread, coffee cake, rolls and cinnamon roll.

Needlework classes for women are embroidery, cut work, applique, infants' and toddlers' clothes and coverlets; quilts.

Mabel Smith Is Judge For 'Tall Tale' Contest

Pat Bullock of Austin will speak the welcome address for the Old Timer Reunion here Thursday morning.

Bullock, former State Senator and now chairman of the Texas Pardon & Parole Board, is a former Colorado City citizen and was in his young manhood an "old timer" school teacher in rural schools of this county and area.

Reunion is planned each year to coincide with the first day of exhibit-showing of Mitchell County Fair in Colorado City.

The 1963 version of the Annual Old Timer's Reunion is set to start with registration at 9 a. m. Thursday in the Colorado City Historical Museum.

Features gathering momentum this week include a large number of entries in the contest to choose the best "Tall Tale about Early Colorado City."

Lone Star Gas. Co. Transfers Porter

Appointment of Alvin A. Ransener, manager at San Saba, as new manager of Lone Star Gas Company's Colorado City district was announced Oct. 1 by Louis B. Hulcy, vice president of the company's General Division of Distribution.

Ransener will succeed Roy J. Porter who has been named Lone Star's district manager at Ennis. Both appointments are effective Nov. 1.

With headquarters in Ennis, Porter will direct gas service and maintenance operations for more than 4,500 residential, commercial and industrial customers in Ennis, Barwell, Sonoma, Garrett, Ferris, Palmer and Trumbull.

Porter is a longtime Lone Star man who began his career as laborer in Wichita Falls, back in 1932. He advanced to the position of plant engineer in Wichita Falls before leaving Sept. 1, 1940 to become sub-district manager at Snyder.

Miss Mabel Smith, Retired Teacher, To Judge 'Tall Tale' Contest

Miss Mabel Smith, retired Colorado High School and Texas Technological College teacher, has agreed to judge the "Tall Tale" contest. Deadline for entering is Monday. "Tall Tale" entries must be true and must be written. Address for mailing entries is Box 1026, Colorado City.

Mrs. R. P. (Peter) Ainsworth is general chairman for this year's reunion day. Mrs. Douglas Burris is chairman of registration. Mrs. Oscar B. Price heads the day's reception committee.

Colorado City and all Mitchell County citizens are reminded by Harry Ratliff, president of the Historical Museum Association, that the term "Old Timer" applies to anybody who has lived here from one week to "anything up to 100 years."

PET CROW WINNER

300 Children Parade For Prizes Saturday

Kiwanis Klub Day parade proved the biggest, gayest and best dressed in the history of the event, as more than 300 children took part in the gala celebration Saturday afternoon at 2 o'clock.

After prizes were awarded Kiwanis treated "the kids" to a warmmelon feast on the courthouse parking lot. Mitchell County grown-leaf melons were gifts of Sam Thompson, Huron Dorn, Warren Anderson and Dorey Turner.

Junior High School Band played marching music as part of the procession.

Prizes went to Bill Loftis for his entry in the most unusual pet class. Bill's pet was a crow.

Best-dressed pet prize went to Brenda Conrad, first place; Christine and David Conley, second; and Charlie Green, third.

Charles L. Snider, 908 Rusk St., took fourth prize and was awarded two tickets to the Palace.

WOLF STADIUM

C-City vs. Ballinger Game Here Friday

Colorado City Wolves, with two losses and one win for the season, face the Ballinger Bearcats here at 8 o'clock Friday evening in Wolf stadium.

Ballinger High School's team for '63 is being rated by area sports writers as "fourth or fifth" in the AA competition.

Coach Sam Christy and his aides Jeff Walker and Howell Vineyard will be gunning for the Bearcats with a Wolf team handicapped with respiratory illnesses still troubling first string men.

Nike Mundy, center, was missing from the practice line again Thursday (today.) Mundy is one of several players who has been kept away from scrimmage because of a virus type flu attack. Tailback Dale Walker is also still "injured," said Christy.

Out for the season is Bill Boren, fullback, who received a knee injury early this fall. Also expected to be benched for the season is Paul Yeager, 175-lb. tackle, who suffered a head injury in the first game of the year played at Winters.

Wolf lineup on offense tomorrow night will likely be Coach Christy said, David McKay, quarterback; Roger Proctor, fullback; Dale Walker, tailback; David Boarden, left end; Danny Kenemur, right end; Melvin Morgan, left tackle; Bill McGuire, right tackle; Dee Dearen, right guard; Terry Redwine, left guard; Skipper Warren, center.

Defense plays will see McKay, Redwine and Larry Damborsky as the three linebackers; Mundy (if he is able) McGuire, Dearen and Milisap as line backers; Conky McAdams, Morgan, John Miller and Kenemur in the line.

The battle with Ballinger is the second of a series of See WOLVES Pg. 7

Civic Clubs to Hear Oil Company Men

"Oil and Gas Appreciation Week" has been designated for next week—Oct. 6 through Oct. 12—by the Chamber of Commerce Oil & Gas Committee here.

Art Dibble, chairman of the committee, has announced guest speakers for special programs at all civic club meetings.

Kiwanis Club members will hear Tom Cook, general sales manager of American Petroleum Co. of Dallas, address the club.

Best costume prizes were first in the best decorated box class with Stephen Riley, second and Patti Minatra third.

Mounted Patrol prizes went to Rogena Doss, Jan Lindsey and Wayne Banks.

'64 Jet-smooth Luxury CHEVROLET

Besides looks, ride and power—what's so special about it?
(It's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-ristened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.
A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice of four smooth transmissions to go with them. And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.
Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.
Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

Chow Line on Farm Tour Day

Mitchell County farmers and business men who made the 1964 Farm Tour last week are pictured here in Lone Wolf Electric Cooperatorium joining the chow line for a noon meal of barbecue. Dinner was provided through courtesy of a number of the county's business men and firms. Three busloads of tour-goers observed in the morning irrigated pastures, variety testing of cotton, 4-H calves and waterways.

"I was glad when they said unto me,
LET US GO INTO THE HOUSE OF THE LORD"

"... in thy presence is fulness of joy ..."

Open up your heart, sing praises joyfully unto the Lord. The feeling of being and sharing with others in worship is at its highest in the Lord's house. Hear a message from God's dedicated servant. Know the satisfaction of praying to the Lord with others. Attend church regularly and ... "Praise the Lord; for the Lord is good; sing praises unto His name; for it is pleasant."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Jetstar I, Oldsmobile's new Number

Pictured is the new medium priced car Jetstar I, model for 1964. The car features sharp, sculptured styling with roof design similar to Starfire coupe. It is powered by Olds' 345-horsepower Starfire engine and equipped with a new chambered dual exhaust system. Bucket seats and center console are standard on this new Oldsmobile model.

JAY ADAMS CHEVROLET CO.

New Oldsmobile Models To Be Shown Here Friday

Oldsmobile makes its 1964 debut with its Starfire, 98's, Dynamic and Super 88's F-85's and the all new Jet star.

Oldsmobile entry in the low price field, the F-85 for 1964 will be displayed along with all other 1964 Oldsmobile models, at Jay Adams Chevrolet and Oldsmobile Company Friday.

The F-85 for '64 is styled for more beauty, designed with greater interior measurements for maximum utility, and powered by a brand new engine for more performance. The new model boasts more leg room, headroom and entrance room.

In engineering design too, the F-85 is a completely new car, with its own new chassis and power train and independent body-frame construction.

The F-85's new Jetfire Rocket engine, Adams said today, "gives exceptional performance in this car. The engine, a light-weight cast-iron V-8, uses the most advanced foundry techniques and is produced in Oldsmobile's Rocket Engine plant."

Adams said the new 330 cubic inch engine for F-85 models delivers 230 horsepower and uses regular grade gasoline. The Cutlass Sports coupe and Cutlass convertible, along with the newly introduced Cutlass Holiday coupe, are powered by an ultra-high compression, 290 h. p. Cutlass engine, equipped with a four-barrel carburetor and designed for use with premium fuels.

Oldsmobile continues to offer wide selection of other recently developed optional equipment items, including such popular accessories as Tilt-A-Way steering wheel, AM-FM radio, Reverbatone speaker and Cruise Control.

There are ten interior colors for 1964, including fresh hues of bright red, aqua and green. Customers may choose from 15 exterior colors, among them six new ones, two new shades of green, a dark aqua, beige, yellow and light blue.

Looney HD Names Fair Chairman

Mrs. W. E. Harris was named chairman of fair booth committee for Looney Home Demonstration Club at regular meeting last week.

Meeting, hosted by Mrs. Maggie Hamrick, was conducted in Medallion Room of Lone Wolf Electric Coop. Prayer was said by Mrs. Henry McGuire. Program included election of officers for 1964.

Election were Mrs. T. L. Holman, president; Mrs. Harris, vice president; Mrs. J. D. Gibson, secretary-treasurer; Mrs. W. F. Jarman, council delegate; Mrs. Charles Williams, reporter.

Refreshments were served to Mrs. Holman, Harris, Gibson, Jarman, Williams, McGuire, J. H. Carlock, Bill Thompson, N. O. Brown.

Next meeting is set for Oct. 9 at 2 p. m. in Medallion Room. Mrs. Holman will be hostess.

Primary P-TA Plans Open House Tuesday

Primary Parent Teacher Association will host open house at the school Tuesday night, 7:30 o'clock.

Guest speaker will be Dr. Ratliff of McMurry College, Abilene, who will speak on "New Methods of Arithmetic." The public is urged to attend, as are the parents of school-age children.

BY YEARBOOK COMMITTEE

President's Luncheon Hosted For Hesperian Study Club

Members of the yearbook committee of the Hesperian Study Club were hostesses for a President's Luncheon Saturday noon in Terrace Room of Baker Hotel.

Mrs. Perry Barber, committee member, presided as master of ceremonies. Other committee members are Mrs. J. W. Watson and Mrs. F. N. Thomas.

Special music was presented by Mrs. Curtis Baker. Invocation was spoken by Mrs. Bennett Scott, with pledge to the flag led by Mrs. J. D. White.

Messages were brought by retiring president, Mrs. Charles C. Thompson, and new president, Mrs. J. A. Sadler.

Mrs. Thompson began her message by asking a question: "Do we seriously accept our responsibility as a member of the largest organization for women?" she asked her fellow club women.

"Leadership for all organizations seems at times to be at a low ebb. We get so involved and spread ourselves so thin that we often wonder if we are contributing anywhere. We are busy people but does that become our alibi in evading our job as club member, community leader? It takes the efforts of each of us to build a better world," Mrs. Thompson said.

Speaking of activities of the Hesperian Club, Mrs. Thompson mentioned such collective efforts as a loan fund for worthy students and support to the local museum, along with numerous other projects.

She quoted Astronaut John Glenn's answer to the question of why he had volunteered for space exploration when he said that it was because he had never grown up. "I still have a fair size remnant of the most priceless possession of childhood—curiosity," he said.

"Inquiring minds are the root of learning, and the new knowledge we acquire forms the basis for more," Mrs. Thompson added. She concluded her address by challenging club members to enter the new year with sincere dedication, an inquiring mind, and full support to the new president, Mrs. Sadler.

Incoming president, Mrs. Sadler, greeted the assembly and praised last year's officers and their work. She outlined the club's history and past accomplishments. Club projects for the new year will be continued support of student loan fund and county museum.

Guests present at the luncheon were Mrs. Jean Camp, Irene Robertson, E. L. Henderson, Baker, Ben Elliot, all of Colorado City; Mrs. J. Frank Jones, Abilene; Mrs. Harry Hall, Lubbock; Mrs. A. D. Barry, Midland.

Members attending were Mrs. Arthur Barry, Lynn Halbert, J. E. Hale, Otto Jones, E. M. Majors, Raymond Perdue, Sadler, Scott, V. V. Shropshire, O. L. Simpson, Charles C. Thompson, Sam Thompson, White, E. H. Winn, R. J. Wallace, Claude E. Cawell, Misses Mable Smith, Clyde Stickney.

Club to Have Luncheon

First meeting of the new study season for the Shakespeare Study Club will be Friday afternoon at one o'clock in Mural Room of the Baker Hotel.

Mrs. Fielding Lee, Sr. will be hostess for the luncheon meeting. Club is beginning their 54th season of study. They are a non-federated group.

Original name of the club was The Bayview. It was organized in 1909. In 1924 the name was changed to The Shakespeare Club.

Course of study this season will be the play of "Othello." Mrs. W. R. Motley is 1963-64 president.

New members of the club for this year are Mrs. Bob May and Miss Louise Hardison.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

CONVERSATION CORNER

TELL you what: American men—statesmen, politicians, business tycoons and husbands—can all just stop worrying about prosperity in this country, if Washington-D. C. really does decide to "cut the tax."

Women of this nation, with their flair for feminine high finance, will start such a boom as hasn't been seen in these parts since the last time new dresses had to be mid-calf-length and women had to toss out their entire knee-length wardrobes.

MEN and money are too literal and too practical to get along well together. It's no wonder the world is six generations behind in fiscal affairs of government, with men figuring finances.

The feminine approach to balancing budgets, maneuvering money and fixing figures is far, far superior. With the average family assured of tax cuts amounting to, say, anything from \$475 to \$895 a year, there'll be such savings-shenanigans that this whole country will prosper.

AVERAGE woman is born knowing how to save. So she can splurge. Most of us are already planning what to do with that nearly \$1,000 a year we won't have to give up before we get it—if, as and when Congress cuts taxes.

Women have all had lots of practice with credit, debit and lay-away management of unexpected windfalls. Women have know-how with such things as dividing dividends.

Way we do it is to cut one corner, then move full-speed ahead in the spending, shopping traffic.

WOMEN have been known to dress themselves and their daughters and refurbish the entire house just by being reasonable.

To be reasonable, any woman just learns to reason that if she saves \$50 by buying the less expensive coat of the two she likes, than she is logically and legally entitled to spend that \$50 she saved, to buy that knit suit. She's only being sensible. Frugal.

PRACTICAL application of such financial acumen is extremely important.

Best way to make it work is to start at the top, then gradually come down. If a woman tries on a ravishing \$25 hat, then settles for a \$7.95 little number, she has a perfect right to figure she has saved \$17.05. It's a dividend she clearly earned.

The \$17.05 comes in pretty handy for the \$18 shoes she needs—and anybody can manage for the 95c by fixing hamburger instead of airloin just this one more time.

CHANGE-OF-LIFE...

does it fill you with terror
...frighten you?

READ HOW COUNTLESS WOMEN HAVE FOUND
THE WAY TO OVERCOME CHANGE-OF-LIFE FEARS

Have you reached that time of life when your body experiences strange new sensations—when one minute you feel enveloped in hot flushes and the next are clammy, cold, drained of energy, nervous, irritable? Are you in an agony of fear? Too troubled to be a good wife and mother? Don't just suffer from the suffocating hot flashes, the sudden waves of weakness, the nervous tension that all too frequently come with the change when relief can be had.

The gentle medicine with the gentle name **LYDIA E. PINKHAM**

Find comforting relief this way: countless women have, with gentle Lydia E. Pinkham Tablets. Especially developed to help women through this most trying period. In doctor's tests 3 out of 4 women who took them reported welcome effective relief. And all without expensive "shots."

Don't brood. Don't worry yourself sick. Get Lydia E. Pinkham Tablets at your druggists. Take them daily just like vitamins.

REMINDER...

I'm marking a reminder on my calendar right now. Maybe you had rather tie a string around your finger or something like that.

But whatever the manner, be sure you are reminded to attend our annual Mitchell County Fair next week in the County Agriculture Buildings west of the city.

There'll be plenty of attractions for everyone, no matter whether your interests run from flowers to paintings to homemaking or just plain ole fun.

And, you know, I'll bet you enjoy just being out with the crowd... visiting with our good family of homefolks.

Henry Bilberry,
CORNER DRUG

KNEW a woman, once, who carpeted her whole house and managed for matching draperies with money she bravely saved by not buying a full-length mink in which she really looked just darling.

Course she was, by nature, the self-sacrificing type who always put family comfort before personal vanity. And that takes character.

IF we actually do wind up with a substantial tax cut—for whatever reason or amount—there is sure to be a resurgence of refiguring on every family's budget.

It will benefit the national economy and bolster the financial structure of all average American homes. Furthermore, it will give a fine lift to feminine financial flagging of the future. We're naturally in favor of that.

LOCAL SCENE lately—Favorite office visitor was a handsome gentleman named **Ricky Ornelas**—a dashing brunet with big brown eyes. Ricky, six-months old, is the Record baby who saw fit to be born one busy press day. Forgive him when we encountered that baby grin he wears. Daddy is **Herman Ornelas** of the Record force and mama is named **Mary Victoria**.

Long-time-no-see department included **R. J. Wallace** on the downtown scene... **Mildred Truman** getting beautified... **Mrs. Lucky Allen** of the China Grove community... and **Erna Lou (Merrill) Burt**, wife of Mike, attending to her banking chores.

SAW, too, at separate times but on the same day, **Mrs. Dale Warren** fall wardrobe trying, and her son **Pete Warren** who was office visiting.

Elton Burson (Mrs. Guy) was saying that 175 high school youngsters showed up for the feast in First Baptist after Friday night's football game.

Spied Glenn Nolte (Corner Drug's new boy) and his mighty pretty little wife **Deedee** lurching "a la deux."

Alan Conley (the Rev.) was spinning around trying to locate a stronger base to keep the Jaycee little ducks afloat, come the Fair next week. Jaycee duck-pond is a more modern version of the old-fashioned fish-pond kids used to love, he sez.

Saw Roy Holland... **Ida Kirschbaum (Mrs. Maurice)**... **Elizabeth Kirkpatrick Jones (Mrs. Jesse L.)**... and **Nell Scott (Mrs. Bennett)**.

Met for the first time **Sam Woolcock** (also the Rev.) pastor of Central Baptist... Ditto the young pastor of First Assembly of God, **Elwayne Schaeffer** (another the Rev.)

Had the fun of a short visit with **Marie and Marvin Majors**... **Lena Strange (Mrs. Gwan)**... and **Bonnie Brown**... **Myra Brown Robinson (Mrs. Bob)** and a long-time F. P. (Favorite Person) named **Evelyn Bowles (Mrs. Perry)**.

Tax Coordination, Not Competition

Anybody who has attended even one City Council session in any Texas city within the last year, should know that financing and equitable taxation is a continuous growing problem for municipalities.

That's the fact of life as avenues for tax income continue to be limited to cities, yet their needs for more money expand and expand as citizens demand better services.

Mayor Robert Willis of Livingston, president of Texas Municipal League, had this problem in mind the other day when he mailed letters to mayors and chief administrative officers of more than 600 municipal governments, including Colorado City, within our state.

Although the problem is too extensive to talk point-by-point in a space so short as this, we can't let his letter go by without mention. Because we liked, in general, the way he approaches the problem—calling for coordination, not competition, for state and local revenue policies.

Willis emphasized what numerous city officials have been saying for a long time: that the growing stress on local government revenues, created by booming urbanization since 1950 and the public's desire for more and better public services and facilities, is making it

imperative that municipal revenue policies of the state be revised.

In another words, cities need fair and equitable fields for broadening its tax income without putting more burden upon the individual property owner, who already is taxed heavily in most cases.

"We have a real pioneering opportunity to develop a sound municipal revenue policy without a desperate, piecemeal scramble," the TML president stated. "Our cities can avoid most of the mistakes blighting older regions."

In his point-by-point statement to city officials Willis emphasized:

1. Need for cooperation between governments in solution of local revenue problems,
2. Opportunity to solve the problems at a comparatively early stage in the state's rapid urban development,
3. Desirability of uniformity in tax policy statewide,
4. Danger of hodge-podge nuisance taxes to which local governments in some regions have had to resort,
5. Need to retain, but to supplement, the property tax, almost the sole source of local revenue,
6. Need to maintain local self-sufficiency,
7. In general, the need for immediate reconsideration of the state's municipal revenue policy.

Hunting Requires Responsibility With Fun

Know how many hunters there are in Texas? Imagine a city the size of Dallas and each resident a nimrod, gun in hand, ready for the hunt. This is the picture.

To the hunter, fall has special significance. Dove season opened September 1 in north zones and October 1 in south zones. Deer and turkey seasons follow, opening November 16. During these months—September through December—statistics show a rise in accidental fire-arm deaths. In a year's time, a total of 184 persons die from accidents with guns.

Some hunters never live to enjoy the season. In the last three years, 38 died cleaning and handling guns, perhaps in anticipation of opening day. Twenty-four died transporting fire-arms into the field. Theoretically, a gun is not dangerous itself. But in the hands of an inexperienced, unskilled or careless person it becomes a deadly weapon.

Texas across the state recognize this problem and are doing something about it. Some local health units and National Rifleman Association instructors work at the grass-roots—teaching home gun safety to children.

This is an excellent step in the right direction but there is no substitute for

individual practice of fire-arm safety, with the hunter consciously alert to the hazards of gun handling from the time he dresses for the first hunt until he stores his rifle at the end of the season.

Even his choice of hunting clothes is a factor in safety. Clothing ideally combines warmth, comfort and safety features. Red or yellow outer garments and caps help distinguish the hunter from wildlife.

Proper fire-arm care and cleaning are vitally important. A speck of rust or dirt in the delicate mechanism may trigger an unexpected discharge, barrel eruption or other mishaps.

Maneuvering barbed-wire fences poses less problem for the hunter if a companion holds the gun. Otherwise, the rifle should be placed carefully on the ground while the hunter climbs through or over the fence.

The hunter who "thinks he sees a turkey" and shoots without determining absolutely, pronounces a possible death sentence for some person.

Ideally, the sportsman returns home with bag-of-game in hand. Fatigued or not, his responsibilities aren't ended. Cleaning and storing the fire-arm away from the hands of children—ammunition in a separate place of course—completes the event.

Governor Sees Chaos' If Poll Tax Isn't Repealed

BY VERN SANFORD
Texas Press Association

Gov. John Connally spiked increasing rumors of a "near future" special legislative session on congressional redistricting and made clear that he plans to await the decision of a federal court on this touchy issue.

In a specially-called press conference, the governor also emphasized his support for poll tax repeal.

He said "chaos" will result at the polls if the state constitutional amendment is rejected and the federal amendment to ban the poll tax requirement for voting in presidential and congressional elections is ratified.

Connally was in Washington this week to discuss U. S. financing of the screwworm eradication program, oil imports, forest lands around Toledo Bend Dam, the Jefferson County seawall project, a possibility of a national park in the Guadalupe Mountain Peak area.

He said that President Kennedy may come to Texas on or about Nov. 21-22.

Connally indicated no surprise at a recent statewide Beiden poll which showed that 16 per cent of the voters interviewed approved of the way he is running his office. That's an increase of seven

per cent since May. Survey revealed that Mexican-American, Negro and labor representatives liked the governor by about the same percentage as other voters.

REDISTRICTING SUIT—A federal court took under advisement a Republican group's suit for Texas congressional reapportionment. Suit alleges discrimination against big cities in present representation.

Atty. Gen. Waggoner Carr argued that the U. S. Supreme Court has furnished the legislature no real guideline for carving out new districts.

Rep. Menton Murray of Harlingen, chairman of the House Committee on Congressional and Legislative Districts, testified that this was a key factor in the legislature's failure to redistrict this year.

AWAIT ACTION—Carr told newsmen he plans to take speedy action to enforce the Texas Communist registration law after the federal government winds up its present proceedings against John W. Stanford Jr. of San Antonio.

U. S. Subversive Activities Control Board held lengthy hearings on Reged-Communist Stanford's activities at the request of U. S. Atty. Gen. Robert Kennedy.

Stanford refused to register under either State or Federal Communist control laws. Recently he wrote President Kennedy: "The government has no business telling me what my politics should be."

NEW APPOINTMENTS—A Governor's Committee on Eradication of Tuberculosis in Texas, headed by Dr. Charles A. LeMaistre of Woodawn Hospital, Dallas, has been appointed by Governor Connally.

He also appointed Louis A. Scott, El Paso attorney as Rio Grande Compact Commissioner and J. C. Wilson, Pecos rancher, as Pecos River Compact Commissioner.

Jack Valenti, Houston advertising man, was picked by the University of Houston Board of Regents as its representative on the Committee of the Governing Boards of State Colleges and Universities.

VACANCY CLAIM—Guerry Strong of Austin contends that a land "vacancy" exists in Victoria County. However, his claim has been turned down by Land Commissioner Jerry Sadler.

So Strong will file suit in Victoria County within 90 days, seeking to have some 6,300 acres of land declared the property of the public school fund, instead of private owners. Since the land involved contains much oil and gas production, the claim is being hotly contested by the landowners and oil and gas companies with interests in the area.

Strong has filed another claim in Hidalgo County on a long, thin stretch of land which has 1,800 landowners. Should Strong be successful, the "good faith claimants" will have the right to buy back the land they thought they owned, at a price to be set by Sadler. Strong will get one-sixteenth of the oil and gas, and the

Stamford will be one of hundreds of communities which will kick off United Fund drives on Oct. 10. Drives designed to gather at one time money needed to meet several community responsibilities.

Here, all of us citizens will be given the opportunity to be "good Joes" and to demonstrate that we are able and willing to take care of our own. Through the means of one gift, we will be able to meet our obligations to eight different local endeavors.

Not since more than ten years ago has Stamford tried to wrap up in one drive the major activities which call for community financing. Many times the idea has been advanced but each time it was rejected because it was felt that sufficient money could not be raised in one master drive.

This objection has been heard this year also but it is being countered with the plea that everyone pitch in and carry his fair share of the load so there will be no difficulty in getting together, or getting pledged, the needed funds.

Those who expressed fear that the United Fund drive could not raise the necessary money suggested that citizens who give an average of \$10 to \$15 to each of the eight drives will not give \$80 to \$120 at one time. Not many businesses can stand the shock of this much giving at one time, these folks have said.

This is a recognized truth but local United Fund leaders have been assured that the answer to this is pledges with monthly payments either made direct or through bank draft authorization. Payroll deduction also is a must, these experienced leaders declare.

Acting upon this advice, local drive officials have made arrangements for all to have a part, and employers are being asked to canvass their employees with the suggestion that they make a pledge and have the amount deducted weekly or monthly from their pay checks.

Small businesses as well as individuals will be asked to take a look at how much they have given in the past and then pledge this amount, making the payments as they wish over the next 12-month period.

SHINNERY PHILOSOPHER

Dirt Farmer on Way Up—Socially

Editor's note: The Shinnery Flats Philosopher on his Johnson grass farm on Bone Hollow Creek discovers he has a new standing his letter this week reveals.

Dear editor: In my time, I have called this Johnson grass farm a lot of things which you wouldn't be interested in printing, but it was only last night I found out the correct thing to call it.

It's a status symbol. According to an article I read in a magazine, owning a farm or ranch is a status symbol, and a status symbol, as I understand it, is something to prove you're a notch ahead of somebody else.

Like white sidewall tires or a \$6000 automobile that won't go any faster or smoother than a \$2500 one.

With an aging number of city people, land ownership is a status symbol, the article claimed, adding that formerly a city man, when asked what he was going to do on the week-end, would say he was going to play golf but now he says he's going out to his farm or ranch. This is supposed to add to his

status; it proves he has luxurious tastes.

Well now, while I'll admit I'd just as soon stay on this farm as play golf, I didn't know till now it was improving my social position to do it.

However, if going up one row and down another on a tractor without springs makes me the envy of city people, if greasing a tractor makes a tired business man wish he could join me, if fighting the weather and insects and high costs looks like a hobby, I will accept this new status with all the grace befitting a man of my position in the society world.

I figure if it helps the standing of a city man to be able to go out to his farm or ranch on the week-end, it must send my rating over the top to be able to stay out here seven days a week the year around.

There is a catch, however, and farming won't reach its full social standing until a farmer can stand with a city man. Well, I think I'll go into town for the week-end to check on my bank.

Yours faithfully,
J. A.

ERASEROPHAGIA

—THE MYSTERY OF NIBBLED PENCILS

Do you scold your children when they chew their fingernails?

You may also find yourself scolding them about "eraserophagia," a frequent childhood habit of nibbling—and swallowing—erasers.

Take a look at your child's classroom pencils. Signs of toothmarks or chewing, and absence of chunks of the eraser, could indicate your youngster has been inadvertently adding to his diet.

Could a child become ill and require an x-ray examination, the doctor may observe these bits of eraser as unexplained opaque, white spots on the radiograph.

In a recent report to the medical profession, two medical colleagues of mine detailed the discovery of these unusual white spots scattered throughout the colon (large intestine) of young children. No medical history could provide the reason for the spots.

Led by the clue of a

nibbled pencil, the medical detectives were so intrigued by their findings that they chewed some erasers themselves, proving their diagnosis and labeling the disease "eraserophagia."

Erasers show up on x-ray film only if they contain certain substances, such as "lithophone," which is a harmless, ingredient but clearly evident on the film.

While erasers do not have much flavor, it has now become evident through the diagnostic use of x-rays that "eraserophagia" is probably a rather common habit among school children.

MISS KATHY ANDERSON installed Worthy Advisor

Kathy Anderson Installed Rainbow Worthy Advisor

Miss Kathy Anderson was installed Worthy Advisor of Colorado City Assembly 174, Order of the Rainbow for Girls in a formal ceremony Saturday evening. She is the daughter of Mr. and Mrs. Warren Anderson, Route 3. A sophomore student at Colorado High School, she is a member of the Wolverines, annual staff, Future Teachers of America, and Future Homemakers of America. She is a member of First Methodist Church.

Theme for the new term is "Faith Unlocks the Door" and chosen colors are aqua and yellow. Miss Anderson was attired in a floor-length gown of white peau de soie, featuring a jewel neckline and controlled fullness in the skirt.

A large basket containing a fall arrangement centered the East in front of the dais. Speaker's desk, covered with a white cloth embroidered with the Rainbow emblem, also stood in the East. Programs were printed in aqua on white.

Installation program, conducted in Medallion Room, opened with retiring officers drill, led by Carol Cooper and Peggy Guitter. Patti Harrison, outgoing Worthy Advisor, called the meeting to order. Frank Wilson, superintendent of schools, spoke the invocation.

Miss Harrison welcomed all guests, and introduced Guy Burson, Worshipful Master of Mitcenc Lodge No. 563, AP & AM. She expressed her appreciation to her officers and the assembly and gave a tribute to new Worthy Advisor.

Installing officers were presented by Mrs. Charles Godwin, Mother Advisor. Mary Smith was Installing Officer, with Myrna Feaster, Installing Marshal; Patti Harrison, Installing Chaplain; Arla Jo Payne, Installing Musician. These officers wore corsages of aqua feathered mums, a gift of the Worthy Advisor. Mrs. Godwin was presented with a corsage of white mums.

Elective officers installed for the new term are Miss Anderson, Worthy Advisor; Gloria Merket, Worthy Associate Advisor; Dana Der e gibus, Charity; Carol Cooper, Hope; Joyce Godwin, Faith.

Officers appointed by the new Worthy Advisor are Debbie Baker, Chaplain; Joyce Allen, Drill leader; Carol Ginzler, Love; Bobbie Bedford, Religion; Reggie Long, Nature; Pam Orr, Fidelity; Patricia Allen, Confidential Observer; Cathy Dibble, Outer Observer; Kay Putman, Musician; Janice Edison, Choir Director. Each new officer carried a long stemmed yellow rose, a gift from Miss Anderson.

Choir members are Peggy Guitter, Jennifer Holbert, Susan Kirschbaum, Cheryl May, Delza Kaye Moore, Mary Jane Murdy, Jill Richards, Candy Curlee and Wilma Currie.

Miss Harrison presented a traditional arm bouquet of rainbow colored carnations to the new Worthy Advisor, from the assembly. Miss Anderson introduced her parents and brothers, Woody, Leslie and Randy and grandparents, Mr. and Mrs. W. W. Anderson and Mrs. Mattie Anderson. She wore a corsage and her father with a boutonniere. Anderson in turn, presented his daughter with a gavel, as symbol of her office.

Mrs. J. C. Garrett soloist, sang "Faith Unlocks the Door," accompanied by Arla Jo Payne. Rev. Darris Egger

gave an address on Miss Anderson's theme.

Presentation of Merit Awards was made by Guy Burson, Advisory Board, to Joyce Allen, Jill Richards, Peggy See MISS ANDERSON Pg. 5

ONLY ELECTRICITY GIVES YOU FLAMELESS CLOTHES DRYING

the cleaner the heat... the cleaner the clothes

Women who dry clothes electrically agree it is the cleanest of all methods of drying. There is no flame, none of the by-products of combustion. Clean flameless electric heat adds nothing but warmth to the inside of the dryer, so white clothes stay white, colored clothes stay bright. And electric heat is so gentle and so precisely controlled that even the most delicate fabrics dry with complete safety. See your favorite appliance dealer soon for a flameless electric dryer that will save time, work, clothes and money. Electric drying is one of the nicest features of living better . . . electrically!

Awards for Summer Reading

Among thirty recipients of state certificates awarded for completion of summer reading program were these five school-age children. Proudly holding their well deserved awards are, from left to right, Leah Spiller, Pat Graham, Janice Edison, Lynn Northcutt and Ann Robinson. Participants in the summer reading program at Federation Library numbered 110 for the local program.

Reading Certificates Awarded

Final results of the Federation Library's summer reading program have been tabulated and certificate winners announced by Mrs. Boyd Dozier, librarian.

Local reading program had 110 participants. Thirty others went on to win state reading certificates. Qualifications for state level are that students read one book each on travel, biography and career, plus nine other books of their choice on their age level.

Winning state certificates for a summer full of reading were Johnny Brewton, Pete Brewton, Barney Brewton, III, Crockett, Eric Conrad, Kirk Dibble, Janice Edison, Mike Everett, Don Feaster, Pat Graham, Sara Beth Guitler, Jennifer Holbert, Sid Hardegree, Martha Kinard, Susan Kirschbaum, Charles Light.

Mary Ann Lipps, Dale Morris, Dan Morgan, Frank Morgan, Leann Moore, Lynn Northcutt, Pam Orr, Ann Robinson, Martha Spivey, Kathy Standefer, Sally Smith, Leah Spiller, Robert Thomason, Shirley Tidwell.

Mrs. Dozier requests that all students who earned reading certificates come to the library and pick up their certificates.
