IMPORT BEETLES TO
COMBAT FRUIT SCALE

(By International News Service) - AUSTIN, Nov. 14.—Beetles will be used to combat the cottony-cushion scale with which fruit trees on the Gulf Coast and in the Rio Grande Valley have become infested, J. M. Del Curto, state plant pathologist of the department of agriculture, has announced.

A colony of Vedalia lady beetles, imported from Australia, has been received by the department of agriculture. After three weeks of propagation, they will be distributed over fruit sections of Texas.

"Medical sprays have no effect on the cottony scale which is menacing the fruit industry," Del Curto said. "We have found the blight can be destroyed by these beetles only. After gorging themselves on the scales, the beetles turn cannibalistic and eat each other."

The three year old son of J. C. Scottie died Saturday evening at 5:20 o'clock, at the home four miles west of Miles. The little fellow had been sick for about two months, being carried to Temple, Galveston and other places, but nothing could be done for him.

Funeral services were held from the home at 2:00 o'clock Monday afternoon. The services will be conducted by the Baptist pastor of Miles. Interment was made in the Miles cemetery. Higginbotham Bros. & Co. undertakers prepared the body for burial and were in charge at the cemetery.

DAUGHERTY DRUG GETS DEATH
IS BURGLARIZED FOR MURDER

Efforts were being made Monday to obtain the services of a finger print expert, said to be in this section, to get pictures of impressions left on tables at the Daugherty Drug Store some time during Sunday night by a burglar, who, with the aid of a confederate broke a sky-light and entered the store to steal \$35.96 in silver. This money was all that has been missed. L. C. Daugherty, owner of the store, stated Monday afternoon.

The burglar entered through a high sky-light and it is believed his pal was on the roof and let him down to a table with a rope, as it would have been impossible for a man to jump that distance without being injured in some way. He went out the back door, leaving it wide open.

Officers are working on the case. No other burglaries had been reported to the authorities Monday afternoon.

Schenck Says English

(By International News Service) LONDON, Nov. 14.—The man of forty is the ideal screen lover, according to Joseph M. Schenck, the American movie magnate and husband of Norma Talmadge.

"If you see a man of 23 falling in love with a girl of 18," Schenck told London interviewers, "you can't help thinking it's puppy love, and that they will soon fall out of it again. But when you see it happen to the man of forty, you are really impressed."

Schenck considers Englishmen to be the best screen actors.

COLORADO COAL STRIKE
AIDS OKLAHOMA OIL

(By International News Service) TULSA, Okla., Nov. 14.—The strike in the coalfields of Colorado has opened a new outlet for Oklahoma petroleum products. Smelter mills and other industrial plants at Pueblo and other adjacent places are substituting fuel oil for coal, according to officials of oil companies in Oklahoma.

A natural gas pipeline is being constructed from the Panhandle to Colorado, but it will be late in 1928 before this project is completed.

It is indicated the Colorado companies, including the Colorado Fuel and Iron Company, about which much of the strike centers, may continue to consume a great deal of petroleum from Oklahoma, and in the event a favorable settlement cannot be reached, may turn exclusively to its use.

"The Return of Peter Grimm" at Palace Today-Tuesday

Of great interest to local theatre patrons is the announcement that Fox Films version of David Belasco's outstanding stage triumph, "The Return of Peter Grimm," will be shown at the Palace Theatre today and tomorrow.

"Can the dead return and commune with the living?"

This is the question with which the intense drama deals. This picture is bound to cause considerable controversy, to say the least. In addition, there is as tender a love story as has ever been unfolded on the silver sheet.

Alec B. Francis, who knows no peers in the realm of character actors, plays the title role. The selection of Mr. Francis by the Fox officials was indeed a happy one. Critics who have previewed the production declare that the veteran actor rises to great heights as Peter Grimm. The role is that made famous in the legitimate by David Warfield.

Janet Gaynor, fascinating little ingenue, has a romantic part, playing opposite handsome Richard Walling.

Victor Schertzinger is responsible for the masterly direction.

Schools

An Explanation

It is but proper and right to inform parents that the school does not foster or assume responsibility for any social affairs of its pupils or affairs given in the name of organizations of pupils.

School organization names are used only to designate school activities and should not be confused in strictly social matters.

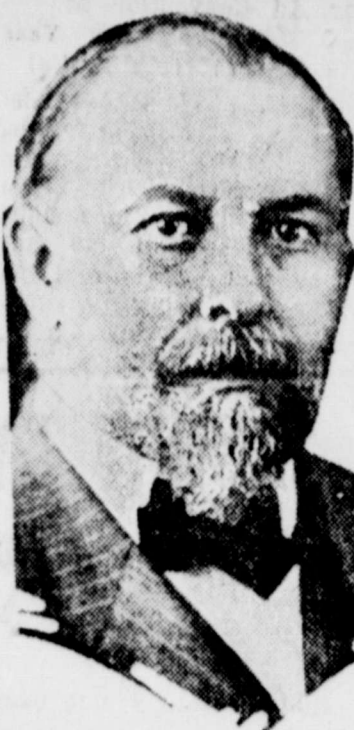

Once in a while the school promotes a banquet for the football boys or some other affair of like kind. Due announcement of such events is always made in the local paper and need not be confused with events originating outside school.

Inquiry on the part of parents will determine these matters.

Respectfully,

H. C. LYON.

PLANNING FOR THANKSGIVING

Rev. J. H. McClain, pastor of the Ballinger Baptist Church, will preach the annual Thanksgiving sermon on Thursday, November 24, at the First Presbyterian Church, it was announced Monday morning following a meeting of the Pastors' Association held at the Eighth Street Presbyterian Church. The sermon will be delivered at 10 o'clock.

A report of the charity board will be heard and new members will be elected for the ensuing year.

The service will last only one hour and Ballinger citizens are urged to turn out and attend the program.

JURY COMMISSION WORKING TODAY

John Currie, of Ballinger, Frank Paxton, of Winters, and G. Schuhmann, of Rowena, were named by District Judge J. O. Woodward as a jury commission to name the grand jury and petit jury lists for the next term of district court, to be held in February, and the commission began work Monday morning.

Court will be adjourned here this week, it was stated, with all the criminal cases either continued, dismissed or tried.

The court will hear only civil cases this week although not many are expected to come up.

TICKETS FOR GAME ON SALE

Tickets for the most interesting game of the season, that between Ballinger and Winters, to be played Friday of this week, are on sale and will remain on sale until 7 o'clock Thursday night, H. C. Lyon, superintendent of the city schools, announced Monday.

Tickets are on sale at all drug stores for the Ballinger-Winters game next Friday," Mr. Lyon said. "The price of the tickets will be 75 cents for adults and 35 cents for children, until 7 o'clock Thursday evening, after that hour adults tickets will be \$1 and children's tickets 50 cents.

"This game will be the most interesting and hotly contested of the season."

The Bearcats are primed for this contest. They have been working hard all season and have lost only two games, one to Brownwood and one to the San Angelo Bobcats, a Class A team.

The Winters eleven have also been working toward this game and it is reported that the squad from the north end of the county is in good shape and ready to take out the Bearcats for the 9 to 0 defeat handed the Blizzards last season in Winters.

Henson Allagood, back, who went out of the squad on the day that San Angelo played here during the Runnels County Fair in October, will be in condition to play next Friday. He suffered a fractured right arm and last Friday was the first time he had been in a suit since the San Angelo game. His arm is healed

and he is ready to play. He went in a few minutes in the last period of the contest with Brady last week and made one good return of a kick-off, for 40 yards.

Willie Cervenke, another back, who was injured in the Eden game two weeks ago, will be in condition for the game with the Blizzards. Cervenke suffered an injured ankle. He was not in the Brady contest last Friday but was suited and would have played had the Bearcats needed him.

Coach Felton Wright is working the Bearcats hard this week and there probably will be a few new plays the Bearcats have been saving for the Blizzards. They have not yet opened up for their old rivals and the Ballinger fans believe the Winters squad cannot get the proper drift of the plays next Friday to stop the locals, and prevent them from running up a good score.

Extradition papers were granted by the governor of Oklahoma and the local officers went after the prisoner.

Miller, it is said, will plead guilty this week in district court here.

Sheriff McWilliams stated they left Oklahoma City at 9 o'clock Saturday morning and drove into Ballinger Sunday morning at 2 o'clock. The speedometer registered 482 miles.
