"I had the great pleasure of judging your fine marching band at Lubbock last November," the letter said, adding:

"We are planning our second annual marching band workshop the week of July 6-10, 1965, and I would like to show the film of your contest performance as an example of the great work being done by the high schools in your area."

Local Office Seekers

What does it take to run for local office? It takes qualifications, ideas, ability and a willingness to work for election to the City Council or Board of School Trustees, but there are other equally important ingredients.

First, it takes boldness for one to toss his hat in a race. Although it is not disgrace to lose, a person always wants to win. Certainly, he does not wish to go down in defeat unmercifully.

Secondly, it takes a rare kind of courage. The candidate, if successful, cannot flee to Washington, to Austin, or even to the county courthouse in Littlefield—even if he wants to. He is pledged to live day by day with the problem and needs of his community. In so doing, he remains constantly accessible to his fellow citizens, sometimes for congratulations but more often for criticism.

Thirdly, it takes a person who has friends to spare when he takes office, because he's going to lose many of them as his term wears on.

The latter "ingredient" may be all too valid.

When discussing councilmen's or trustees' handling of situations, we are often prone to forget that our votes did not create "instant experts." The men who offer their contribution, large or small, to the community's well-being are laymen, our neighbors and fellow citizens.

Local government is potentially democracy's showcase. The window dressing should include gratitude for our fellow citizens' willingness to serve using government closest to home.

Girl Scout Week

A short time ago, the nation observed Boy Scout Week. Next week will be the girl's turn—and they eminently deserve it.

The Girl Scout Week observance will run through the March 7-13 period, with the purpose of celebrating the founding of the movement in this country.

It began in Savannah, Georgia, March 12, 1912. In the ensuing years, it has grown steadily and made an ever more important contribution to the basic strength and character of this country. The Girl Scouts of today will be the wives, mothers, homemakers and career women of tomorrow, and the moral and spiritual values that come from Scouting will serve them well all their lives.

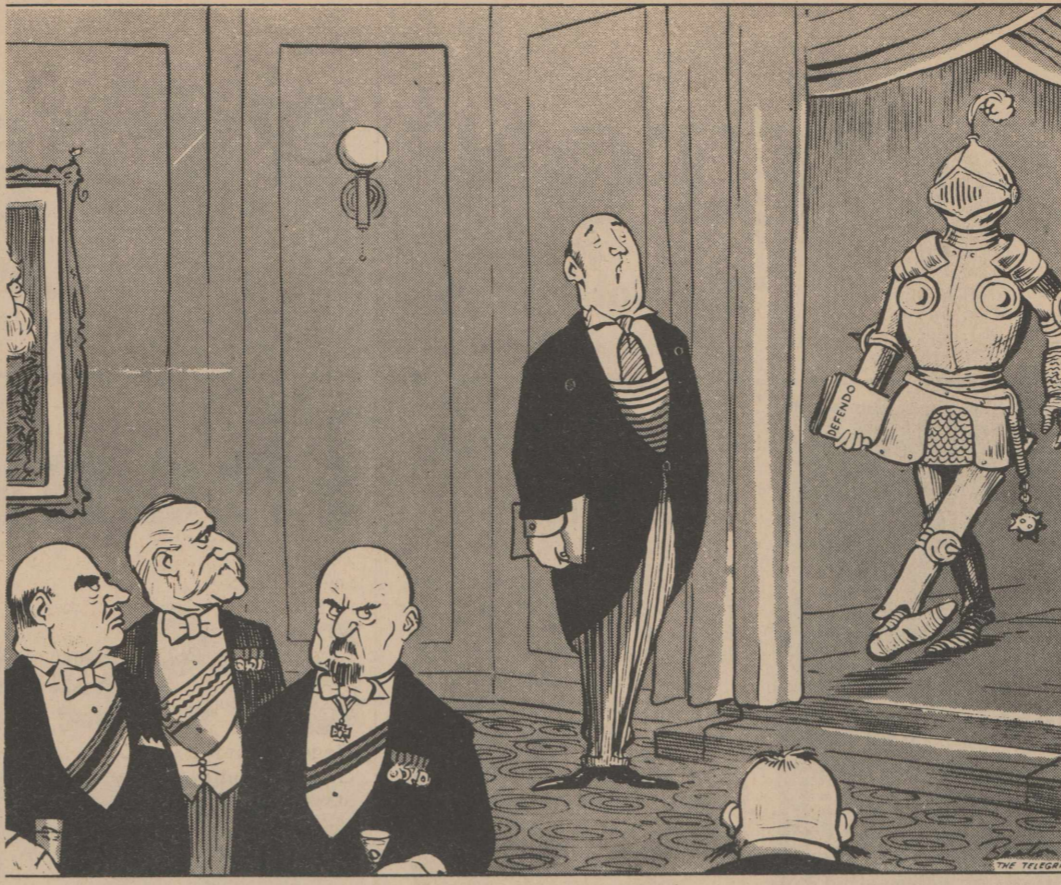

It's interesting to note that Girl Scout experience refutes those critics who say that

the modern girl is losing her taste for domesticity.

In the past year, nearly one million Scouts -- Juniors and Cadettes -- chose to work on badges for demonstrated skills in homemaking. The largest number of Juniors--ages 9, 10 and 11--picked the "Cook" badge out of 47 badges offered in a wide variety of subjects. The Cadettes--12, 13 and 14 years old--can choose from some 60 badges, but more "Hostess" badges were earned than any other.

Woman's role in the world has broadened enormously over the generations, but the traditional feminine interests and aptitudes remain.

The Girl Scouts are a major force in developing and perfecting them.

Ask Amy

CUSTOMER GIVES HIM BAD TIME

Dear Amy:
I run a drug store that has a small luncheonette in it. I think I'm rather easy to get along with, but there is one customer who is taxing my patience no end. There is this one woman with two children who comes in every day, rain or shine, for lunch. What these two children do to my place is a crime and a shame. Menus are either spattered with food or torn. The mirrors behind the booths are smeared from their sticky hands. They don't stop banging the door, and let's not mention the floor.

Amy, how can I handle her without offending her? She still is a customer. Incidentally, her husband is a physician and a very nice guy. Should I tell him?

Dear Mort:
I wouldn't suggest you tell her husband. He probably can't stand it from them either. The only prescription for your dilemma is to tell HER in the nicest way you know how... but tell her. If she is offended (and she shouldn't be), so you lose her. You have everything to gain and little to lose. There are worse pills to swallow. She and her children need a doctor, but not the one they have.

Dear Amy:
A long time ago you printed a letter from a man named "Al" who owned a neighborhood grocery store. I wanted to cut it out with your reply in rhyme to hang in my store for everyone to see, but the paper was thrown out before I got to it. Now things are so bad with my business, I want that letter very much. Would you please print it again for me?

Thank you kindly,
Joe G.

Dear Joe:
It took quite a bit of looking but here it is:

"I own a small grocery in a new neighborhood. I try to carry a full line of meats, fish and poultry to accommodate my customers but I have a gripe. These people who shop in the big supermarkets pay cash but they come in my store and expect me to give them credit. They know they can't get away with it in the big markets but they try to pull it on the little grocer who is struggling to make a living. I need

the business but I also need the cash. If you agree with me, Amy, print this letter. All the small businessmen will thank you.

Al's Grocery
"Deal Al:
"I do agree! And suggest the following slogan, prominently displayed:
"If you like to find this store Stocked with your favorite fish and fowl
Don't say you'll pay me later I need the CASH right now!"

Dear Amy:
I have a problem and I hope you can help me out. My mother opens and reads every letter I receive. I am 15 and I write to a soldier, but his letters are not that personal that she can't read them... after I have. But by the time I get home from school, she has them already opened.

I love my mother dearly and I wouldn't hurt her for all the money in the world. I have asked her many times please not to read my mail, but it does no good. How can I discourage her from reading my mail?
Irish

Dear Irish:
It is wrong and inconsiderate for a parent to open or read a son's or daughter's mail without permission. To be curious is a poor excuse. And not to trust indicates to me that there is something wrong in their relationship. If you have done nothing wrong for mother to question her trust in you, show her this reply and hope for the best.

Dear Amy:
Some time ago you wrote an article about a woman writing an anonymous letter to her neighbor telling her of her husband's affair with another woman on their street. Doesn't the writer realize that someone else can be blamed for writing such a letter. Some innocent person can have her name turned into mud. You must feel sorry for people like that because they know not what they are doing.

IDEAL CAFE IS OLTON'S "COFFEE HEADQUARTERS"

"Coffee headquarters" in downtown Olton is the Ideal Cafe operated by Mr. and Mrs. Charles Bowers. They're better known as "Opal and Charlie." Above, Charlie is being served a cup of coffee by Evelyn Mason, right as Opal and Faye Findley, second from right, look on. Mrs. Findley and Mrs. Mason serve as waitresses at the cafe and they're joined by Nan Teague. Dora Ellis and Mary Nolan are the cooks. All together, this staff puts out what Charlie describes as the house specialty--"Just good food." One of the features at the Ideal Cafe is Mexican Food, served each Friday from 5 to 9 p.m. "Lots of people are finding they like to dine out on Friday

nights and eat our Mexican Food," said Charlie. Another fine time to try the food at the Ideal is Sunday, when lots of Olton people dine out after church. "Fried chicken and chicken fried steak are our most popular orders," says Charlie, "and they're always on the menu." But he added that the cafe tries to present a varied menu from day to day, with vegetable orders changed daily. A dining room which seats a maximum of 36 is available to the public at any time, free of charge. Charlie and Opal took over the cafe Jan. 1. Before that they operated Charlie's Drive-In about a year. Charlie was in the cafe business in South Texas before he came to this area. He farmed about 12 years.

Green, Todd Wedding Vows Are Exchanged In Slaton

The First Baptist Church of Slaton was the scene Thursday Feb. 25 of the wedding of Miss Peggy Joyce Green and Tommy A. Todd with the Rev. Bobby Paynor officiating at the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Weldon Green, formerly of Olton and now of Slaton, and Mr. and Mrs. John Todd, also of Slaton.

Escorted and given in marriage by her father, the bride chose a white delustered satin street-length dress, featuring a lace bodice over satin accented with long tapered sleeves and full skirt. Her bridal veil of illusion flowed from a tiara of beads and rhinestones and her ensemble was completed with a bridal bouquet of white roses.

Miss Judy West was her maid of honor and her sister, Miss Judy Green, served as her bridesmaid. Flowergirl was her niece, Miss Tammy Kay Green, and candlelighter was Elton Weaver.

Her attendants wore street-length dresses of blue brocade with elbow-length sleeves and full skirts. Their headwear were eyebrow-length veils of blue maline attached to matching brocade bows. Bouquets of carnations accented with white ribbon streamers highlighted their dress.

The groom was attended by Nicky Patterson as best man. Groomsman were Don Threadgill of Lubbock. Ushers were Tommy Green of Hereford, brother of the bride, and Freddy Merriett of Plainview.

J. E. Todd, brother of the groom, and Sandie Heinrich, accompanied by Miss Carol Todd, rendered the musical background.

The reception followed in the fellowship hall of the church with Mrs. Donna Green, sister-in-law of the bride, presiding at the guest register. Attending at the serving table were Miss Charmaine Heinrich and Janice Scott.

The bride chose for traveling a two piece green floral knit suit. Her corsage was roses from her bridal bouquet.

The couple reside in Slaton. Todd is employed by Bairds Bakery of Lubbock.

'65 CHEVROLET
These great performers are the lowest priced models at our One-Stop Shopping Center

Top to bottom: Chevy II 100, Corvair 500, Chevelle 300, Chevrolet Biscayne. All 2-door models.

Each of these beauties is the lowest priced in its line. But the ride doesn't show it. Or the interior. Or the performance.

That luxurious Biscayne is as roomy as many expensive cars, has color-keyed interiors, plush vinyls, fine fabrics, full deep-twist carpeting.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

Chevy II got a lot smarter for '65—but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

Or get a sporty rear-engine hardtop in a Corvair Sport Coupe or Sport Sedan for fun in the months ahead.

Chevrolet, Chevelle and Chevy II are available with the Turbo-Thrift Six for fuel economy, quick warmups, quiet idling. It's light, efficient, smooth and spirited.

Corvair's air-cooled rear-mounted Turbo-Air Six delivers the best balance and traction for this size car.

So be practical. Only you will know. Because it sure won't show!

Drive something really new—discover the difference at your Chevrolet dealer's

MRS. A. B. JEFFREY

Recipe Of The Week

Mrs. A. B. Jeffrey has submitted the recipe for this week. She and her husband attend the First Baptist Church. They have one son, Joe, Fort Worth and two grandchildren, Vance and Kim, also of Fort Worth. The Jeffreys moved to Olton 20 years ago and own and operate Jeffrey Lumber Company.

Mrs. Jeffrey is a member of the Ladies Leisure Bowling League and the Traveling Queens. Her husband bowls in the Men's Classic League. **STEAK SUPREME**
1 1/2 lb. round steak (1/2 inch thick)
1 c. diced onion
1 10 1/2 ounce can cream of mushroom soup
1 c. sour cream

Tenderize (or get butcher to do this for you) meat. Season to taste with salt, pepper, garlic or your favorite tenderizer.

Start oven at 450 degrees. Place steak in pyrex or ovenware dish. Sprinkle part of onion of half of meat. **FOLD OVER.** Sprinkle remainder of onions. Combine soup and sour cream and heat. Pour over steak and cover baking dish with foil tightly. Place in hot oven and cook for thirty minutes. Lower temperature to 350 degrees and cook about 45 minutes or until meat is tender.

Serve with rice or creamed potatoes.

HUSH PUPPIES

1 1/2 c. white cornmeal
1/2 c. sifted flour
2 t. baking powder
1 t. sugar
1/2 t. salt
1 beaten egg
3/4 c. milk

Sift dry ingredients all together. Add milk and egg and stir lightly. Just mix well. Drop by teaspoon or roll the size of your little finger and drop into hot fat. Fry until golden brown.

For extra flavor add one small onion chopped very fine.

Governor's Teacher Pay Plan Blasted By Olton Supt. Clark

Supt. Clark said that Rep. Bill Clayton of Springlake co-authored the governor's bill on teacher pay, but that it is his understanding that Clayton does not now intend to vote for it.

Clark said the governor's bill on teacher pay is a direct slap at rural areas, and that a vote for the bill is a vote against teachers and against agriculture.

"Our representative, although he co-authored the bill, has since learned how it will affect the school districts of this area and I do not believe he will vote for it."

Clark solicited the help of Olton citizens in defeating the governor's teacher pay plan, by contacting their legislators and telling them they are against the governor's plan on teacher pay.

He said the plan on teacher pay advanced by the Texas State Teachers Association is "much more realistic" and more favorable to rural areas.

"If the governor's bill passes, it will put \$12,000 in cir-

ulation here next year, with \$9,000 of that to be paid by the local district," Clark said.

"This would necessitate a tax increase."

"If the TSTA plan is adopted, it would put \$26,000 into our school district and our share would be \$5,000," he concluded.

The battle lines are drawn for a battle of agricultural areas against industrial areas and rural areas have the short end of the stick.

That, in summary, was the theme of a talk by School Supt. Johnny Clark Jr. at the Lions Club Tuesday.

Clark said this fight is being staged on both the national and state levels and he is concerned about the course of events now taking place in the state legislature.

"The most powerful organization in Texas is the Texas Manufacturers Association, and this group is the one which recommended the governor's plan for teacher pay legislation," he said.

The TMA, said Clark, wants to put financing of schools on the local level, their object being to lessen the tax burden on industry.

Girl Scout Week Slated March 7-13

Olton Girl Scouts will join more than 5,000 girls of the Caprock Girl Scout Council and three and three-quarter million Girl Scouts throughout the country in celebrating Girl Scout Week from Sunday, March 7, through Saturday, March 13.

"A Promise in Action" is the theme of Girl Scout Week and of the Girl Scouts' 53rd birthday March 12. This date marks the anniversary of the first meeting of the first troop organized in Savannah, Ga., by Juliette Gordon Low, founder of the movement in the U.S.A.

Since that first troop of a few girls, more than 20 million members have made the Girl Scout Promise to do their duty to God and country, to help other people at all times, and to obey the Girl Scout Laws of loyalty, honesty, courtesy, cheerfulness, usefulness, kindness, and thrift.

This year, Girl Scouts are paying special attention to the "bridges" which give continuity to their program. The program adapts activities related to the arts, the home, and the out-of-doors, to the changing interests and needs of girls ages 7-17, thus "bridging" the four age levels: Brownie Girl Scouts (ages 7 and 8) to Senior Girl Scouts (ages 15 through 17).

Special days are earmarked throughout Girl Scout Week to

illustrate the various aspects of the Girl Scout program. They are: Girl Scout Sunday; Monday Homemaking; Tuesday, Citizenship; Wednesday, Health and Safety; Thursday, International Friendship; Friday, Arts; Saturday, Out-of-doors.

In observance of Girl Scout Sunday March 7, thousands of Girl Scouts are expected to attend religious services in uniforms.

Many schools throughout the West Texas area will join in the celebration of Girl Scout Week.

SCOUT NEWS

Junior Troop 50 is now working on their personal health badges.

At their recent meeting, a discussion of good grooming was held. This included care of the hair and good posture.

Also included was "Why Should You Take Part In Activities?"

Refreshments for this meeting were served by Marsha Parker.

TOP SOLOISTS--Gayle Gunter and Richard Hall were rated Division I for solos at the Region I solo and ensemble contests at Texas Tech last weekend.

Girl Scout Cookie Sale Is Scheduled March 4-18

All Girl Scouts of the Caprock Council will begin their annual cookie sale on Thursday, March 4, at 4 p.m., Mrs. Dale Grimes of Lubbock, Council cookie chairman, has announced. Scouts will sell cookies in the Council's 18 counties through March 18.

Mrs. Bo Patton will serve as Neighborhood Cookie Chairman for Olton.

Goal for this year's cookies sale is 60,000 boxes, or 5,000 cases of Girl Scout Cookies to be sold.

"The success of the cookie sale is vital to the Girl Scout camping program," Mrs. Grimes said. "Local Community Chest and United Fund drives provide support for the operating budget of the Council, but the annual cookie sale provides funds to improve and maintain camps in the Caprock Girl Scout Council."

Chocolate and vanilla sandwich cremes, sugared shortbread, cookie mints, and lemon lime sandwich cookies are the varieties of cookies which the girls will sell for 50 cents per box. Profits from sales are divided between troops and the local council. Each troop retains six cents, while 23 1/2 cents will go to the camps. Cost of cookies are 20 1/2 cent per box. Girls from seventh grade up will be selling peanuts.

Troop profits are used for troop registration, cook-outs, service projects, and other troop activities.

While girls are selling cookies, they will wear their Girl Scout uniforms or pins. They will give each customer a window sticker to indicate purchase.

WIN CHOIR HONORS--Second division winners in choir contests were from left, Paula Brooks, Glynda Turner, Pam Hair, Deena DeBerry, Paula Jones, Johnny Meyer, Darrell Guy Daughtrey and Dale DeBerry.

School Board

CONTINUED FROM PAGE 1

Olton athletic department is the only one in the district that is self-supporting.

A need for additional coaches was discussed with plans calling for the hiring of a track coach, basketball coach, football line coach and backfield coach.

The board heard reports on attendance, lunchroom, tax collections and Williams and Merriman, an auditing firm, which was retained by the board for another year's work.

Attendance report at the end of the fourth six weeks showed a total of 1,305 students in the white schools and 140 in Bohner. Elementary school total was set at 717, junior high at 316 and high school at 272.

Results of pre-registration at Olton schools showed a total of 1443 students registered for next year.

Four Negro students registered to attend present all-white schools next year, one in 10th grade, one in 7th and two in the eighth grade.

Registering at Bohner were 125 scholastics within the district. At Hart, 20 Negro students have indicated a desire to return to Bohner next year if transportation can be arranged. It is expected that 25 Negro students from Springlake who are now attending Bohner will not return next year.

In other action, the board discussed the hiring of a bus foreman with no action taken, reviewed the building program, approved the textbook committee's selections, and discussed salary and possibilities for securing a director of science.
