4-H Project Fair Will Conclude Week

As an appropriate way to wind up National 4-H Week, the Bailey County 4-H members will hold their annual project fair and auction sale on Saturday, October 10.

The exhibit will be in the building formerly occupied by Poynor's White Store.

Displayed will be home-canned foods, garden products, homemade clothing, arts and crafts, baked foods and field crops. Each year, the 4-H youth of Bailey County go all out to provide a top project fair.

County Home Demonstration Agent Robin Taylor reminds all 4-H members to enter their projects before 10:30 a.m. on the day of the fair. She said judging will be completed and the show will be open to the public at 1 p.m.

Prizes will be awarded at 6:30 p.m. and the bake sale and garden product auction will follow immediately.

Proceeds from the auction will be used to finance county-wide 4-H projects and activities, such as trips for members to comp and the state round-up.

Mrs. Taylor said, "Everyone is invited to come by and see the show and stay for the auction which winds up the 4-H project fair."

COLLEGE STATION--White and green, the symbolic 4-H colors, are likely to be noted with regularity during the week of October 4-10. 4-H Club members in Texas and the nation during this period will be observing National 4-H Club Week.

Governor Preston Smith in proclaiming 4-H Week said, "The purpose of 4-H Club work is to give equal training to the Head, Heart, Hands and Health of Texas young people and to help prepare them to be better leaders and citizens who will fit into the society where their life's work may take them.

"4-H is a part of the educational program of the Texas A&M University Cooperative Extension Service and is supervised at the local level by county Extension agents along with the help of 16,000 local volunteer 4-H leaders who are outstand-

around muleshoe

with the journal staff

Dale Newsom at the Needmore Co-op Gin reported that their first bale of cotton was ginned last week.

He said the cotton was produced by Ray Bevers, who farms seven miles east of needmore in Lamb County. There was 2,100 pounds of seed cotton on the trailer which turned out a 555 pound bale and 850 pounds of seed. The cotton was Gregg.

The regular monthly meeting of the Businessmen's Activities Committee of the Muleshoe Chamber of Commerce will be held Monday, October 5 from 10-11 a.m.

Chairman R.A. Bradley said the meeting will be held Monday because of the All-Texas Air Show expected in Muleshoe Tuesday morning.

* * * *

Jerry Boudreaux, chairman of the George White District of the Boy Scouts of America, announces that the monthly District Committee Meeting is scheduled for Tuesday October 13th at the First National Bank in Levelland at 7:30 p.m. This meeting is open to all persons wishing to know more about the Boy Scouts of America.

Phil Garrett Readies For Local Campaign

Byron Fullerton, candidate for Lieutenant Governor of Texas, named Phil Garrett of the West Camp community as his campaign manager in Bailey and Parmer counties.

The former public school teacher who received a master's degree in education before entering University of Texas Law School, is highly regarded by Bailey and Parmer County Republicans who met him at the recent convention in Fort Worth.

The Republican nominee is running opposite Democratic incumbent Ben Barnes for the second-in-command post in the state.

An Associate Dean of the University of Texas Law School, Fullerton backs up his candidacy for lieutenant governor with fourteen years experience in private law practice and three years as Assistant Attorney General of Texas. He was recently appointed by President Nixon to the National Advisory Council for Education Professions Development. Fullerton and his wife Marilyn live in Austin with their two sons.

Garrett joins an enthusiastic organization of volunteers promoting Fullerton for the lieutenant governor position,

Procedure Given For Registration Of 18-Year Olds

Bailey County Tax Assessor-Collector Jean Lovelady has received a letter from Martin Dies Jr., Secretary of State, outlining procedures for registration of eighteen year old youths for voting.

Although the United States Department of Justice has asked for assurances that Texas will register eighteen year olds beginning this October, the secretary of state has asked that certificates not be mailed to applicants under 21 years of age until the United States Supreme Court rules on the constitutionality of the federal law, stated Dies. He also said that the case should be settled by January 1, 1971.

Applications will be accepted in the office of the county tax assessor who will hold the application until the supreme court rules on whether or not

Cont'd. on Page 3, Col. 4

FIRE PREVENTION HIGHLIGHTED--Fire Marshal Owen Jones of the Bailey County Volunteer Fire Department points out one of the fire hazards noted around Muleshoe. Fire Prevention Week begins today and Fire Marshal Jones said a great percentage of the fire calls are a direct result of such fire hazards as open trash cans where trash is burned. He reminds that such containers are contrary to city ordinance and city law provides for fines where open trash cans are used. The fire marshal has urged everyone to practice fire safety, not only during Fire Prevention Week, but throughout the year.

Roughriders Fall To Muleshoe Mules

How 'bout that sports fans! The Muleshoe Mules are strutting their stuff and showing their new, winning ways. But, it wasn't all that easy for the Mules when they bounced off slightly more than 100 miles to Boys Ranch. Muleshoe had been given a slight edge over the Boys Ranch Roughriders, but, the Mules had to gouge out every foot and by the time the game was over, the Mules were well aware of their hard won 34-27 victory.

With the Mules receiving the toss and electing to receive, a deceptive evening of football was underway. Playing a ground game almost all the way, the Mules moved the ball well for more than 40 yards before a fumble recovery by the Roughriders set up potential disaster for the Mules. At the time, the Mules had controlled the ball for most of the first quarter.

Roughrider quarterback Brad Berg, who has to be one of the best passers in this part of the state, quickly put the pigskin into the air and with 1:35 on the field clock in the first, a Berg-Tony Sparks 24-yard pass led to the first Boys Ranch touchdown. A kicking attempt for the PAT failed when kicker Henry Perry angled the ball off to the side of the goalposts.

Coming back in the first, Berg again passed the ball. This time to Boys Ranch receiver Don Brecht in the end zone from approximately the eight. Perry's PAT attempt was good to take Boys Ranch into a 13-0 lead at the end of the first stanza.

The Roughriders stretched their lead to 19-0 at 8:27 of the second with a one-yard plunge by Brecht. Perry's PAT attempt failed.

With one minute, six seconds left before halftime, Mule back Bobby Hayes broke into a clear field at the 26-yard line and headed for home. He was tabbed by a Roughrider at approximately the 12 yard line, but just dragged the Roughrider along with him until he crossed the goalline. The young Roughrider, who truly had found a 'shirt-tail to hang on to' did not release Hayes' shirt until the goal line was crossed.

Don Wheat, who ended the evening with himself quite a ballgame, slipped across the line to add two extra points on the Mules' side of the score ledger. At halftime, the score was 19-8.

Mule quarterback Mike Riley, who shines as quarterback and is an outstanding defensive player, and along with all that, can run, broke loose at 7:26 of the third and had clear sailing downfield for a 60-yard touchdown. The PAT attempt failed, but the score narrowed to 19-14.

At 4:53 of the third, the Mules took the lead for the first time in the game when back Don Wheat, not content to let his teammates do all the scoring honors, blasted loose and rammed through for a 75 yard touchdown. This made it a 20-19 score.

The elusive lead slipped away from the Mules again when Don Brecht made a 40 yard touchdown run and a Berg-Sparks pass into the end zone edged the Mules temporarily 27-20.

With less than a minute in the third, the lead changed once again when Wheat eluded the Roughriders for a 13 yard TD run. Mike Riley ran around the end to add two extra points and the Mules had a slim 28-27 lead.

Tightened up defenses marked the fourth quarter, with the Mules holding the Roughriders until 6:48 of the fourth. Wheat added the third TD of the evening to his credit at that time when he put the wings on his

Cont'd. on Page 3, Col. 1

Grain, Corn Harvest Well Underway Now

With the 1970 grain sorghum harvest well underway, trucks loaded with the grain are moving in a constant stream in and out of elevators at this time.

Most grain producers are getting into their fields around 1 p.m. after the morning dew has evaporated in the sun and are cutting the grain until approximately 8 or 9 p.m.

One of the larger grain yields has been from the Lewis Scoggin farm in west Bailey County, according to Bailey County Agent J.K. Adams. He said that Scoggin has harvested 7,500 pounds per acres on one field of grain sorghum.

Early Friday morning, a backlog of trucks lined along a two block area near an elevator waiting to be unloaded. Harvesters have been taking advantage of summer-like weather which has prevailed this week following a drippy-drizzly Monday.

Corn has been rolling into the elevators at a steady pace also, with one farmer reporting 174 bushels per acre on a 14 acre plot of test corn.

John and Byron Gunter began the harvest of their sugar beets Tuesday, but no reports have been received as yet on sugar content.

Carrots and tomatoes are being harvested at a good clip, with good crops being reported in most areas. Peppers, watermelons and pumpkins are also coming out of the fields at this time.

Cotton is getting off to a normal start, with two bales reported within the past 10 days and other cotton nearing the stage where it will be ready for harvest. Within another week, the 1970 cotton harvest is expected to be well underway.

TOMATO HARVEST WELL UNDERWAY--Field workers are harvesting tomatoes in this area, and bumper crops are being reported. Pictured here on the Ira Martin farm are harvesters, Joe Morales, Gilbert Morales, Jesse Olaniz and Mrs. Gilbert Morales. Tomatoes are just one of the many phases of harvesting being conducted and warm, sunny weather is aiding the steady harvest of field crops.

Muleshoe Will Get $25,000 Park Grant

Funds Are For New Playground

Congressman Bob Price announced Tuesday afternoon that an open space grant by HUD (Housing and Urban Development) in the amount of $25,000 has been made to Muleshoe.

The funds are to be used for the development of 111.65 acres of land under the open space land program for park and recreational purposes.

City Manager Albert Field said that as soon as the grant is officially confirmed, work will begin within a short time and improvements will get into full swing on the new city park in southwest Muleshoe.

Voters gave their stamp approval to the proposed park on September 19, 1968, when they approved a bond issue to build the park.

The city officially gained title to the land on March 3, 1970, when city officials received a matching grant from HUD for the land purchase price. Field said the original contract as signed was for $27,207 from HUD, but actual money received was slightly more than $26,000 toward the purchase of 109.4 acres of land.

The proposed park is within the boundaries of approximately West Seventeenth Street on the west; Avenue D on the north; West Avenue J on the south and West Eighth, Ninth and Tenth Streets on the east.

The Muleshoe Park and Recreation Board, under leadership of Rev. Walter Bartholf, chairman, has worked for several months with preliminary

Fire Prevention Is Everybody's Concern

With Fire Prevention Week beginning today (Sunday) Bailey County Volunteer Fire Department Fire Marshal Owen Jones has given several thoughts on what happens in a disastrous fire.

Fire Marshal Jones commented, "The problem of man and his environment is very much in the forefront these days. There is concern - rightly so - with the air we breathe, the purity of the water in our rivers and lakes, the ugly blot of pollution on so many of our resources.

"What tends to be overlooked is the effect of destructive fire on our environment. A good example of this would be the recent tragic series of fires in the Los Angeles-San Diego areas in southern California. The fire aftermath left at least three deaths; hundreds of homes destroyed; numerous business establishments; and several hundred thousand desolate fire blackened acres of rolling hills.

"Racing out of control, not only were thousands of persons left homeless in California, but the destroyed brush and trees leave the hills unprotected when California's winter rains begin. Flooding is expected to become rampant this winter without the growth to slow flood waters racing down the hillsides," he added. "This is just another example of the disaster in a fire's wake.

"Anyone who has seen the aftermath of a fire which has wiped out even a block of homes housing scores of families, or gutted a plant employing hundreds of persons, can testify that fire is an important environmental factor. Pollutants can destroy, and fire destroys-thousands of lives each year, and billions of dollars of our natural and man-made resources."

Jones added, "As with other kinds of pollution, the answer to the fire problem begins with individual actions and reactions. We must change the habits that so commonly cause fires-careless smoking, negligent handling of gasoline, for example. We must become intolerant to conditions that lead to fire-like defective heating

Texas Air Tour Stop Scheduled Here Tuesday

The 22nd annual All Texas Air Tour has scheduled a coffee stop in Muleshoe for Tuesday, October 6. Approximately 45 planes will land at Muleshoe Airport and around 100 people will be greeted by the Muleshoe Red Coat delegation and local dignitaries.

To greet the flying delegation will be the full red carpet treatment and coffee and donuts will be ready to serve during the brief rest stop.

Muleshoe Chamber of Commerce Manager Jerry Hutton said this is the first year for Muleshoe to be included in the tour.

The tour originated in Temple on Saturday, October 3 and will wind up October 10, with the final stop being Kerrville.

E.M. Anderson Jr., president of the All Texas Air Tour Inc. said the tour is a non-profit corporation dedicated to the development of general aviation through the promotion of aviation appreciation and aviation education. The Air Tour's annual mass flights are planned to stimulate the community interest and appreciation for local airport facilities, he added, and to help impress upon the citizens the great use and potential of air transportation.

Air tourists, businessmen, manufacturers, ranchers, far-

Wreck Injury Sends Youth To Lubbock

Richard Marinez, two year old son of Mr. and Mrs. Willie Marinez of Muleshoe is receiving treatment in Lubbock Methodist Hospital for injuries he received in an accident near Muleshoe Sunday night.

He is one of four injured in the 8 p.m. accident four miles north west of Muleshoe. The accident occurred at an unmarked intersection on dirt roads.

Willie Marinez was the driver of a 1966 Ford stationwagon which was in the collision with a 1962 Chevrolet pickup driven by Pedro M. Castaneda of Muleshoe.

The station wagon was traveling north on the road and the pickup was going east on a dirt road.

Officers and ambulances were once again hampered going to and from the accident by numerous sightseers who thronged to the wreck site. One of the investigating officers said it was difficult to keep traffic moving and the officers plan an extensive crackdown on persons who go to tragedy or violence sites without specific business there.

Injured in the accident were two year old Robert, who has a broken arm and leg and head injuries; his mother, Lyda Marinez; and sisters, Cynthia Ann, six; Cheryl Lyn, five and a brother, Kurtis, four. The other injuries were minor.

OVER THE TOP--In a desperate leap, Muleshoe quarterback Mike Riley (No. 10) makes it almost over the top with the ball as he attempts to make it downfield Friday night. Assisting him in the play are Randy Field (No. 33) and Don Wheat (No. 22). The Mules downed the Boys Ranch Roughriders by a 34-27 score. This leaves a 2-2 record for the Mules for this year to date.

heels in action and made it over from the 13. The PAT attempt failed, but the score had widened to a Mule 34-27 lead.

A key pass interception by Johnny Hayes with 1:27 on the clock ended a possible additional touchdown for Boys Ranch. Hayes made the catch on approximately the three yard line when he slipped just out in front of the Roughrider receiver.

The Friday night game brought the Mule's season record to a 2-2 with Portales next on the list. The Muleshoe-Portales game will be played at 8 p.m., Friday, October 9 in Benny Douglass Stadium in Muleshoe.

with all of Texas, 254 counties represented in the "Back-Fullerton-instead-of-Barnes" campaign. Chairman of Bailey County Republicans is Clarence E. Mason, with Glen Lust the Parmer County Republican chairman.

According to the State 4-H Leaders, observances are being planned throughout the state, either on the local community or county basis. A primary objective, they say, is to acquaint youth who are not now 4-H members with programs and activities available to them through 4-H. Also to acquaint the general public with the work the members are doing and their plans for future events and activities.

Local county Extension agents and adult leaders can supply information on all phases of 4-H Club work.

Air Tour...

plans for development of the new park. Extensive work has been underway revamping and remodeling the existing park in east Muleshoe. Trees were removed, new grass, playground and picnic equipment have been added, along with new ball facilities.

The Muleshoe city manager expects park work to be in full swing in this area in from three to six months.

Fire...

Cont'd. From Page 1

equipment, frayed electric cords. We must take protective action-like preplanning escape measures, never leaving children unattended.

"Now, during Fire Prevention Week," he concluded, "is a fine time to remind ourselves that fire hurts, both physically and financially. Above all, this is a time to realize that whether we have an environment free of destructive fire is largely up to us."

True

Mother (sagely)--You can't eat your cake and have it too, you know.

Small Daughter--Well, mother, if I want cake just to look at there's plenty in the baker's window.

Dear Editor:

Dear Editor,

Recently I had a friend from Muleshoe (I still have a few there) to visit me and in the course of the conversation he brought up the Hospital district.

In the discussion that followed he remarked that he "didn't have much sympathy for the large land owner complaining about taxes. If he was speaking of me I should have thanked him for the compliment because I don't own but 93 acres that

18...

Cont'd. From Page 1

the law is constitutional. If the law is constitutional, then the application will be completed and sent to the registrant.

Eighteen year olds eligible to register will be any person who will be 18 years of age before the close of the 1971 voting year, or who is presently 18 years of age.

Further information can be obtained from Mrs. Lovelady in her office in the Bailey County courthouse.

are in Bailey county. I and many like me are opposed to this issue on principle and with an eye to the future. We hope to be "large land owners" sometime, but this Hospital tax could be so high that we will have to buy in a county without a Hospital district.

He went on to add that he was opposed to the issue and that "it could become a millstone around the neck" of Bailey county and could slow progress raher than improve it. I hope that each of you will seriously consider this.

Sometime ago there was a series of stories in your paper on different District hospitals and I think that Castro county's hospital was reported and was described as a great success. In my next letter I will discuss the tax rate of the Castro County Hospital District. Success, like beauty can be in the eye of the beholder.

Richard E. Black

MRS. CHARLES MAYHUGH

Mrs. Charles Mayhugh Plans One-Man Show

A life-long resident of Muleshoe, Mrs. Charles Mayhugh, has a very special love for the Southwest and West Texas area. From these surroundings she has been able to capture on canvas her first love-the landscape.

Her favorite mediums, she says, are watercolor and oil. She also enjoys tempra, charcoal and pastels. Her techniques create a special style which are noted especially in the vast expansion of sky and dramatic cloud formations.

Her talents are not limited to paintings alone, but also include being a wife; mother to a teenage daughter, Karen; and a civil service employee. Her husband, Charles, works at Muleshoe Motor Company where he is a salesman and their daughter, Karen, is a senior at Muleshoe High School. Mrs. Mayhugh is employed at the Selective Service office where she has worked for 11 years. She is the daughter of Mr. and Mrs. Vance Wagnon and a graduate of Muleshoe High School.

Other hobbies besides painting are sewing and playing bridge. The Mayhughs attend the Trinity Baptist Church.

On Sunday, October 11, from 2:00 until 5:30, she will have a one-man show at the Art Loft Gallery, 1021 American Blvd. Her paintings will hang for three weeks.

Jo's studies have been directed by Dr. Emilio Caballero, West Texas State University, Canyon; Valentine and Blanch Lenderson of Muleshoe and Harold Scott of Amarillo, Texas.

Her florals and still life paintings reflect the vitality and self expression of the artist. Her still life paintings show definate fasiciantion for glass and reflections on glass are predeominate, with a mood of "light plays into patterns."

RECEIVING GIFT CERTIFICATE . . . Mrs. Doyce Turner looks on as Mrs. Travis Bessire receives a $10 gift certificate from Mrs. Pat Bobo of the art Loft. The certificate was donated to the Ladies Auxiliary of West Plains Hospital for the bridge benefit to be held October 8 at 2:00 p.m. at the day room of the Muleshoe Nursing Home. Other certificates have also been donated by various other Muleshoe merchants to be given to the winners of the bridge benefit.

Homemakers Have Meeting

The Young Homemakers of the Sunday school class of Trinity Baptist Church met Tuesday night in the home of Mrs. John Payne for installation of new officers for the coming year.

Mrs. Charles Bratcher was installing officer. Those installed were: Mrs. Claude Coffman, teacher; Mrs. Eva Ashford, assistant teacher; Mrs. Doyle King, president; Mrs. Teddy Eason, vice-president; Evelyn Moore, secretary-treasurer; Mrs. Pat Vinson and Mrs. Darrill Kennemer, group leaders.

Others present were Mrs. Jane Brazell, Mrs. Charles Mayhugh, Mrs. Ted Millsap and the hostess, Mrs. John Payne.

The next regular meeting will be October 20.

Scott Swafford's To Celebrate Fiftieth

Mr. and Mrs. Scott Swafford, Muleshoe residents since January of 1958, will celebrate their Fiftieth Wedding Anniversary on Saturday, October 10.

The couple will be honored by their children with a Golden Anniversary Reception to be held from 6:00 to 8:00 p.m. Saturday evening at the Fellowship Hall of the First Methodist Church.

Scott Swafford and the former Adelyn Hayes were married October 15, 1920 at Corsicana, Texas. They lived in Dallas and the Dallas area for the first 25 years, coming to Muleshoe from Albuquerque, New Mexico.

The Swafford's have two children, Porter of Peru, Indiana and Mrs. Jack Morris, Plainview. They have three granddaughters, Gail Swafford of Virginia Intermont College, Bristol, Virginia; Lynette Morris of S.M.U., Dallas; and Patti Morris of Plainview.

Swafford has been a Mason for 50 years and received his fifty-year pen last June. He is a member of the First Methodist Church of Muleshoe.

Mrs. Swafford is a member of the Friendship Club and the First Baptist Church.

All friends of the couple are invited to attend the Golden Wedding Anniversary reception for the Swaffords.

Square Thru News

By Donna Shaw

The Muleshoe Square Thrus squared up to the calling of Eddie Gunnels, club caller, September 28, at the American Legion Hall. Eddie was in full form and ready for the night with new records and new calls. Square dancers are always eager to learn new calls. New spirit came to the dancers when Betty, the wife of our caller, took her turn at the mike. This was the first time Betty has called for our group. We are looking forward to the next time. The Square Thru's feel very fortunate to have Eddie as their caller, along with Betty and their daughters, Leigh Anne and Elaine. Leigh Anne, age twelve, is also a caller, starting at the ripe old age of six. They are all an asset to our club.

Refreshments of cookies and punch were served by Sherry and Hilbert Wisian and Lottie and John Bickel to Mary Janice and Curby Brantley, Stephanie and Curby; Nelda and Robert Hunt, Sheila, Curtis and Tori; Laverne and Willie James, Tonya, Bill and Tim; Laura Jean and Jimmy Presley, Sherman and Melinda; Donna and Eugene Shaw, Delia and Darin; Ben Roming, Jo and Keva; Pat and Arnold Prater, Derek and Misti; Gail and Ike Wilcox, Ricky and Ginger; Betty and Eddie Gunnels, Elaine and Leigh Anne; Jim and Mike Wisian.

The door prize was won by Ricky Wilcox. The winning ticket was drawn by Keva Roming.

Our guests were Mrs. L.H. Wall and son Dan Lee of Crowell, Texas. Mrs. Wall is a cousin of Laura Jean Presley.

Square Thru members' children seem prone to accidents Monday as Benneta Roming broke her leg while playing on the monkey bars at school. We understand she will be in a hip cast for 16 weeks. Also Derek Prater received a broken toe when a table accidently tipped over striking him on the tip end of his toe. Our prayers are with the Ben Roming and Arnold Prater families.

A group of Square Thrus are planning on visiting the Cannon AFB Club, Saturday night, when the Swinging Wings have their fourth anniversary dance. Square dancing will start at 7:30 (New Mexico Time). Caller will be Leroy Coffee.

Alisa Dollar is the Square Thru's new reporter. We are looking forward to reading her reports and know she will do a good job.

Laura Jean and Jimmy Presley, Sherman and Melinda along with Joey Carpenter visited the Swinging Wings Club, Saturday, September 26. We always encourage visiting when over our square dancing families have the opportunity. It promotes good fellowship with the other clubs. You also learn new calls, dancing to other callers and in turn become better square dancers.

Remember anyone interested in taking lessons, contact one of our club members, we are all listed in the phone book.

Our next dance will be October 12 at the American Legion Hall at 7:30. Notice the new time.

Not only are the men of the Square Thru's good dancers, they are carpenters as well. A few of our men have been helping with the remodeling of the American Legion Hall. Working Tuesday and Wednesday nights were Robert Hunt, Eugene Shaw, Willie James and Hilbert Wisian.

Mrs. Dale Is Shower Honoree

Mrs. Donald Dale was honored at a bridal shower from 10:00 to 11:30 a.m. Saturday, September 19, in the home of Mrs. O. R. Watkins on Country Club Drive, Levelland, Texas.

The bride's chosen colors of pale and deep pink were used for decorations. The table was overlaid with a lace cloth over pink and a floral arrangement of the chosen colors was used for the center piece. Mrs. Ralph Treadway presided at the silver service.

Gifts were displayed and hostesses escorted guests to view the gifts.

Greeting guests at the door were Mrs. Watkins, Mrs. Dale, Mrs. Joy Moore, mother of the bride, and Mrs. Lora Dale, mother of the groom.

A number of out-of-town special guests attended the post-bridal event.

Clever

Father: Well, son, how are your marks at school?
Son: Underwater.
Father: What do you mean?
Son: Below C level.

Plans Made For Bridge Benefit

The Bridge Benefit, sponsored by the Ladies Hospital Auxiliary at West Plains Memorial Hospital, will be held Thursday, October 8, at the Day Room of the Nursing Home. Play will begin at 2:00 p.m. and they will play rubber bridge. Tickets will be $3 each. Please contact Sue Bessire, 965-2757, or Janelle Turner, 272-4642, no later than October 6.

Winners in the benefit will receive $10 gift certificates. Donating the gift certificates are the Art Loft, Damron Drug, Western Drug, Poynor's, Cobb's, Higginbotham-Bartlett, Williams Brothers Office Supply and Perry Brothers.

Committee chairmen are Sue Bessire and Janelle Turner. Refreshment committee-Marilyn Wilson; decorating-Patsy Poyner; tallies-Sidna Flowers and Marilyn Clark; tables-Jeanie McVickers; tickets-Becky Miller.

TRASH-CAN THEFTS

Manhattan--Stealing city trash baskets from street corners has been so widespread that as many as ten blocks were without baskets at one time. A city spokesman said an experiment was underway to curtail thefts by bolting a new type basket to the sidewalk.

MUSKIE & WELFARE

Senator Edmund S. Muskie has praised the Nixon Administration in seeking major welfare reform. He added that Congress must seek a way to eliminate the need for welfare assistance by strengthening provisions for work opportunities and work incentives.

MAKING TALLIES . . . Mrs. John Clark and Mrs. Charles Flowers are shown as they were making tallies for the Bridge Benefit to be held October 8 sponsored by the Ladies Auxiliary at West Plains Hospital. Mrs. Clark and Mrs. Flowers are both members of the Auxiliary.

Propelling Metal

Many of the American-built workboats—tugs and ferries—operating in coastal and fresh waters are equipped with cast nickel stainless steel propellers.

Jamless Locks

To prevent sticking and jamming of door locks that must operate in corrosive atmospheres, cylinders of high-quality locks are made from a copper-nickel-zinc alloy called nickel silver.

Hobby Club Will Show Prize Articles

The Muleshoe Hobby Club met Thursday, October 1, with Mrs. Myrtle Wells as hostess. The hostess gift was drawn by Dellie DeLoach. Mrs. Charlie Phipps donated $10 to muscular dystrophy in the name of the Muleshoe Hobby Club.

The ladies who took part in the Clovis and Lubbock Fairs will display the articles that won honors Wednesday, October 7, from 2:00 until 5:00 p.m. in the Muleshoe State Bank Community Room. The exhibits have won at least 60 ribbons and the display is open to everyone in the community.

Those attending the meeting and displaying articles were: Allie Barbour, Eva Dell Gillis, Blanche Cash, Mrs. E.V. Bartlett, Levina Pitts (art foam chicken and Pennsylvania folk art), Myrtle Wells (rose quartz rock), Mrs. Scott Barry, Myrtle Chambless, Bernice Amerson, Mrs. H.H. Snow, Mrs. W.D. Dement, Dellie DeLoach, Mrs. Louis Henderson (beer caps belt and pillow top), Mabel Caldwell (dried arrangement, christmas ornament and an old brass spittoon).

The next meeting will be October 15 with Myrtle Wells as hostess.

Engagement Announced

Rev. and Mrs. J. Waid Griffin, Lubbock announce the engagement of their daughter, Miss Tischa Gail Griffin, to Scotty Neal Oliver, son of Mr. and Mrs. William Martin Oliver of Muleshoe.

The couple is planning a November 7th wedding in Bowman Chapel of the First United Methodist Church, Lubbock.

The bride-elect is a 1967 graduate of Monterey High School, attended Texas Wesleyan College, Fort Worth, Texas Tech and is presently employed by Blue Cross - Blue Shield, Dallas.

Oliver received a B.A. degree in English from the University of New Mexico in 1969, attended the University of Houston Law School and is now employed in Muleshoe.

ROBBS BUY HOUSE

Charlottesville, Va.--It has been reported Mr. and Mrs. Charles Robb have moved into a newly acquired $50,000 home near the University of Virginia, where Mr. Robb, husband of the former Lynda Bird Johnson, will attend law school. It's a 10-room, three bath brick colonial house.

ESA DIGNITARIES . . . Attending the installation ceremony of Sigma Upsilon, the new chapter of Epsilon Sigma Alpha in Friona, are l. to r. Mrs. Doug Stephenson, charter member of the Friona chapter; Mrs. Frank Matthews, of Amarillo, formerly of Muleshoe, president of Etta Epsilon; Mrs. Charles Faulkner, president of Sigma Upsilon; Mrs. Jack Hardin, Amarillo, State Council president; and Mrs. Mac Brown, vice-president of Epsilon Chi in Muleshoe. Mrs. Brown was in charge of forming the sister chapter which was organized by Epsilon Chi here in Muleshoe. Mrs. Hardin conducted the chartering ceremony and Mrs. Matthews installed the officers.

"Open Houses" Planned For 4-H Leaders

SPECIAL - In its continuing program of educational support of volunteer 4-H leaders, The Singer Company is hosting a series of "open houses."

Marking 16 years of sponsorship of the 4-H leader training program, YOUR SEWING MACHINE, the company is offering to set up special 4-H programs during the weeks of Sept. 20-26 and Oct. 25-31.

The special 4-H open houses will be held in selected Singer Sewing Centers across the country in cooperation with the Extension Service. Junior and teen leaders as well as adults are expected to participate.

The half-day events are planned as recognition for volunteer leaders as well as a refresher course in the operation of sewing machines and use of new equipment. Fabrics, fashion, notions and creative sewing techniques are to be discussed. A sound film, "Know Your Sewing Machine," also will be shown to the 4-H leaders. Instruction will be given by the store manager and his staff.

More than 125,000 4-H volunteers have been trained in the Singer-sponsored program since 1955. The leaders in turn have shared their sewing skills with hundreds of thousands of 4-H members.

Over the years, The Singer Company and the Cooperative Extension Service have developed educational manuals, visual and demonstrational materials for 4-H leaders. Currently, the company provides three manuals on knowing the sewing machine, how to regulate and care for a machine and how to use it to its fullest potential.

For information about this training program for leaders and other 4-H activities, contact the county extension office.

No Match!

"How close did it come to you?" asked the farmer, driving up to the shattered tree where his hired man had taken shelter from an electrical storm.

"Well," gasped the victim, "I don't know, but my pipe wasn't lit before."

Rosebuds Selling Newest Cookbooks

By Darlene Henderson

The weeks are going fast for the Future Homemakers and Rosebud officers. In class this week the girls have been memorizing material for their Junior degrees. They have really been working hard on it. They have also been discussing and seeing films on dating.

September 30, after school, the Rosebud officers met. They had many things to discuss. The officers chose three members each to serve on their committees. First Vice-President Cindy Posey chose Mariann Madrid, Sammye Mardis, and Roxanne Street. Second Vice-President Brenda Weeks chose Glenda Harlin, Jeanie Putman, and Gayla Hooten. Third Vice-President Leticia Rogers chose Kim Cowan, Donna Herring, and Kim Milner. Fourth Vice-President Pattie Nickles chose Donna Lambert, Leesa Sanderlin, and Susan Head. Fifth Vice-President Darlene Henderson chose Terina Whalin, Sharon Wrinkle, and Denette Mann. Historian Robbie Sue Kelly chose Jim Ella Norman, Viola Jackson, and Esther Beversdorf.

At the meeting, the girls also chose Connie Daniels to be chairman of the Bulletin Board Committee in the FHA department. Bonnie Sain was elected to be chairman of the baby-sitting committee for the P.T.A.

For their first year in FHA and their first year in Muleshoe High School, the girls are very determined to really get things done. For the last few weeks, the Rosebud members have been busy going from house to house selling cookbooks. The Rosebud officers have been working hard this past week and they seem to be very well organized and plan to make the very best of the coming year.

Babs Haire

National Merit Commendation To Babs Haire

A Letter of Commendation honoring her for her high performance on the 1970 National Merit Scholarship Qualifying Test (NMSQT) has been awarded to a student at Muleshoe High School, Principal Fred Mardis has announced.

The Commended student is Babs Haire.

She is among 35,000 students in the United States who scored in the upper two percent of those who are expected to graduate from high school in 1971. The Commended students rank just below the 14,750 Semi-finalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC, said: "Although Commended students advance no further in the Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the NMSQT gives promise of continued success in college.

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Both these students and our nation will benefit from their continuing educational development."

The Commended students' names are reported to certain scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1970. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSC encourages these students to make every effort to continue their education.

The taste of Victory against Friona should help give the Mules added incentive against Boy's Ranch. Bobby Hayes, 3-AAA leading scorer, was given helpful blocks by the other Mule running backs Donnie Wheat and Randy Fields. Outstanding defensive secondary plays were turned in by Johnny Hayes.

The Muleshoe Booster Club will be showing the Boys Ranch film at 7:00 p.m., Monday, October 5, in the High School Cafeteria.

Juniors Order Senior Rings November 13

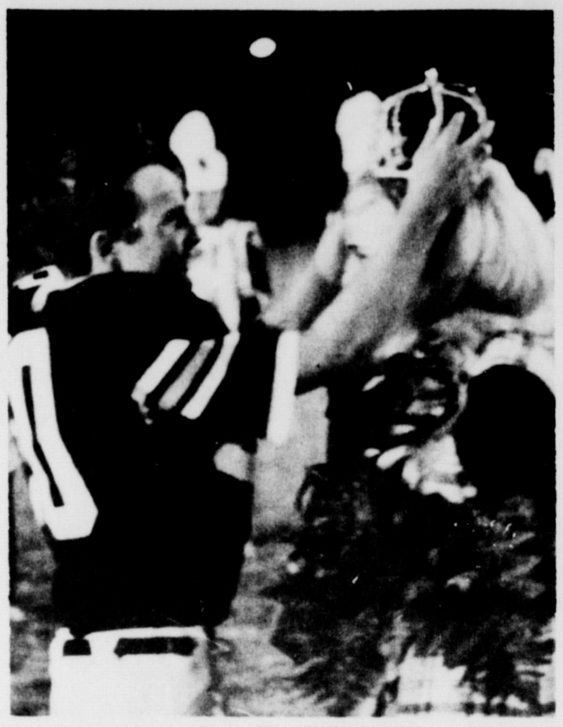

By Marilyn Pool

The Class of 1972 met Thursday, Sept. 24. The meeting was called to order by President Lonnie Ferris.

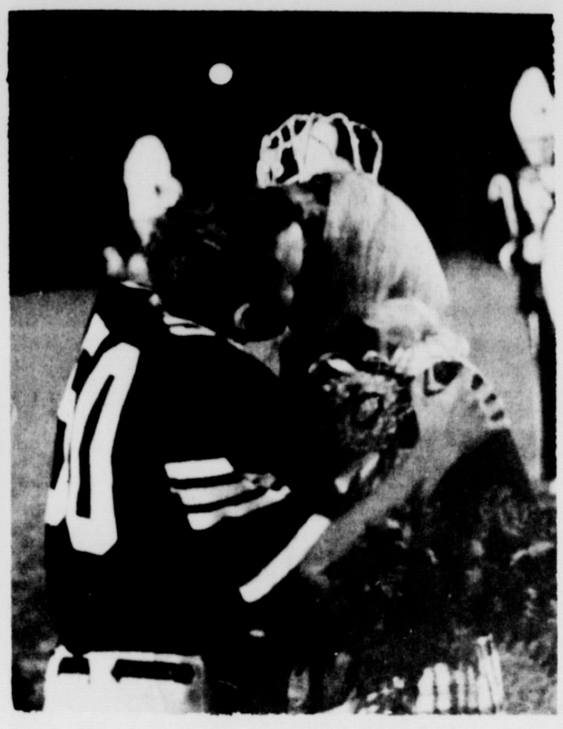

The completion of Homecoming hall decorations was discussed.

It was announced that we will order senior rings November 13. The rings have been changed this year. The stone is still red, but the band has a new look. They are really pretty. Juniors can stop by Mr. Mardis' office to see them.

The Junior Class urges everyone to support the Mules not only at the games, but everyone is invited to attend the pep rallies on Friday afternoons. They begin at 3:15 p.m. in the High School gym. The Mules are doing a great job, so everyone show them they're behind them all the way!

SHE'S A WINNER--Football's Mark Dillman smiles as he crowns the 1970 Football Homecoming Queen Judy Winn. Other contestants for the honor last Friday night were Cathy Mardis and Marilyn Pool.

CONGRATULATIONS!--Mark Dillman congratulates Judy Winn after he crowned her queen of the 1970 Football Homecoming last Friday night.

Winn Named 1970 Homecoming Queen

By Karen Mayhugh and Babs Haire

Meeting on the high school parking lot at 7:00 p.m. Thursday, September 24, were members of the MHS band, the football team, FHA, cheerleaders, and the pep squad. Along with other students of MHS, they made their way to the Boy Scout grounds where everyone enjoyed the homecoming bonfire. Atop the flames, an Indian was burned in effigy. Delivering the pep talk to the ecstatic students was Lindal Murray, a local merchant.

Friday afternoon the students of MHS, with their trimmings of beat tags and jinx dolls, followed the band down the halls to the gym for the homecoming pep rally. Further igniting the spirit of victory was Coach Morgan's speech.

The most exciting event was the homecoming game featuring the crowining of the homecoming queen. Candidates were Cathy Mardis, Judy Winn, and Marilyn Pool. Escorting the pretty trio were Tommy Taylor, Jon Cole, and Jack Allison. Lucky Mark Dillman had the honor of crowning and kissing the queen, Judy Winn.

Many MHS exes were present to help cheer the team on to their 20-7 victory over the Friona Chieftains.

EXES RETURNED FOR HOMECOMING

Among those exes seen around Muleshoe for the Homecoming weekend were:

Vicky Henexson, Sam Feagley, Brent Tanner, Debra Hayes, Karen St. Clair, Richard Fox, Donna Locke, Chuch Roming, Arlene Brown, Diane Washington, Ann Douglass, Steve Woodard, Leland Ferris and Daryl Sprayberry.

Also Sandy Noble, Bill Bruns, Diane Crawford, Lana Moore, Gayetta Gable, Gary Harris, Gary Ethridge, Jerry Raney, Dennis Morgan, Bucky Taylor, Jim Mardis, Dana Damron, Sherry Moore Barrett, Ronnie Barrett, Norma Sowder, Royce Harris and Fred Allison.

Also John Pitts, Gus Taylor, David Dillman, Dennis Beene, J.C. Slaughter, David Henderson, Darrell Wilson, Lindy Kerr, Charlotte Davis, Charlotte Wagnon, Terry Fields, Roy Dubose, Larry Kitchens, Melanie Precure and Nelda Finley.

Also Narssia Otwell Lackey, Randy Lackey, Debra Rudd, Carolyn Wedel, Prentice Griffiths, Rick Bomar, Bill Goodwin, Jim Putman, Darla Kendall, Kathy Seymore, David Lambert, Jeff Chapman, Joe Pat Riley and David Lee.

Rose Blossoms Making Plans For FHA Party

By Sharron Kay Martin

The officers of the Rose Blossom FHA Chapter met Tuesday night for a called meeting in the home of Mrs. Roland McCormick.

Plans for an FHA-FFA party on October 16 were discussed. Plans for future projects were also discussed.

Members are reminded that dues of $1.50 must be paid to Debbie Glover or Mrs. Roland McCormick by Monday, October 5.

Powder Puff Football Game October 13

By Sonnie Glaze

FTA once again is sponsoring the Powder Puff football game. It will be held October 13, 1970, at Benny Douglass Stadium. The tickets will be 75 cents for everyone.

The Senior-Freshman coaches for the upcoming game are Terry Gunter, Steve Black and C.L. Myers. Junior-Sophomore coaches are Keith Turner, Danny Noble, and Gary Merriott. These teams should show the spectators a good game, so ya'll come!

Advance Sale Of Muletrain Begins Soon

Advance annual sales will begin Monday, October 5. These will be on sale before school each morning and at certain times during Orientation period. Annuals will be $6.20. Purchase your annual early and be assured of having one next spring when the annual-signing party is held. You may pay for your annual in full or you may make a $3.20 deposit, with the $3.00 balance to be paid upon delivery of the Annual.

Local Teacher TSTA Official

By Betty Chandler

Mrs. James Jennings, a Muleshoe High School teacher, attended the annual Texas State Teachers Association workshop Wednesday, September 16, at Coronado High School in Lubbock. The TSTA is an organization consisting of all people connected with the teaching profession. Its purpose is to help improve the educational system in Texas. There are 20 districts in Texas and Muleshoe is in Dixtrict XVII.

The meeting began with registration at 5:00 p.m. followed by dinner at 5:30 p.m. The guest speaker for the dinner was Mr. Archie Roberts, Superintendent of the Beeville Public School System. General Assembly convened with the President of District XVII, Margaret Barrett, presiding. Seven discussion groups were assembled with Mrs. Jennings presiding as chairman over the Legislative Committee.

Mrs. James Jennings

The closing session of the TSTA evening workshop was entitled "The Mind Stretcher . . . Where Do We Go From Here?"

Mrs. James Jennings is one of seven TSTA members on the State Legislative Committee. She has previously served on this committee and was recently appointed for a two-year term by the state president of the Texas State Teacher's Association.

Mrs. Jennings attended a State Legislative Committee meeting in Austin, September 22. Discussed at the meeting were the major items to be included in the legislative program for 1971. These items are: (1) A lesser number of years on which to calculate the average base salary for retirement; (2) A cost of living increase for those teachers who are now retired; (3) A resolution to amend the Constitution to provide a vested interest in the retirement system for teachers with a minimum of less than 10 years of service; (4) Career contracts for professional personnel and an orderly procedure for the employment and dismissal of professional personnel; (5) Standards for supervising and regulating private, trade, technical, and business schools; (6) A program designed to meet the needs of additional staffing to insure an adequate public school system; and (7) Cooperation with the Committee of Eighteen to provide a more equitable program of fiscal support for public education.

All-American Mule Wins Hall Contest

By Rhonda Bland

The Super Sophomores won the Homecoming Hall Decoration Contest with the theme of the "All American Mule." Red, white, blue, and black were the colors used with about 30 Sophomores staying after school to help decorate. The halls were judged by teachers from Muleshoe Junior High School. The results were reported at the pep rally. The Juniors won second place; the Seniors third place; and the Freshmen fourth place. The Sophomores are really backing the Mules and have lots of spirit!

A Sophomore class meeting was held Tuesday, September 29, in the lunchroom. David Harris, president, announced that Mule book covers were being sold by Student Council members Melita King, Christy Ford, and Brent Blackman.

Rose Chapter In Discussion FHA Projects

By Betty Chandler

The executive committee of the Future Homemakers of America Rose Chapter of Muleshoe High School met Tuesday, September 29. Presiding over the meeting was Mrs. Doreen Harbin, the chapter sponsor.

Topics discussed at the meeting were the deadline on dues, ideas for the Halloween Carnival, area workshops, and future projects.

The FHA goal for the month of October is the "Strengths and Weaknesses of Our FHA."

Kerry Wagnon New President

By Babs Haire

The Art Club met Wednesday in the Auditorium to elect officers and choose a Halloween queen candidate.

Elected were President Kerry Wagnon, Vice-President Jimmy Evans, Secretary Cynthia Wrinkle, Treasurer Ruby Page, and Reporter Babs Haire. Voting was not completed on the other officers.

Chosen as queen candidate was Debbie Burns. Her escort will be Jimmy Evans. Debbie's campaign managers are Vicki Crenshaw and Pam Copeland.

The Art Club is looking forward to a year of fun-filled activities and a deeper understanding of art.

Mighty M Band AAA First Place Parade Band

By Cynthia Wrinkle

Monday, September 28, the Muleshoe Mighty M Band marched in the South Plains Fair Parade. Thirty-four bands participated. The 80 members of the Mighty M Band received first place in the AAA division in the parade under the direction of Drum Majors Cynthia Gable and Jeanie Putman. Twirlers are Monica Griffiths and Marilyn Pool.

DRUG ABUSE GROUP VISITS SCHOOL--These five Amarillo school students and their adult coordinator visited Muleshoe Thursday and spoke on drugs and their effects during special school assemblies. They spoke to high school students in the morning, junior high school in the afternoon and held an open session for adults Thursday evening. Pictured from left are Sandy Neusch; Kathy Dodgen; Sally Lampe; Adult Leader Ronnie Roberts; Donnie Romer and Jack McMahon. They were well received by local students, educators and adults who heard their three sessions.

BURNING INDIANS--With a cheerily burning bonfire in the background, head cheerleader Cathy Mardis leads a large pep rally group in spontaneous cheers for the Muleshoe Mules. The Mules defeated the Friona Chieftains last Friday, 21-7, before an overflow homecoming crowd in Muleshoe.

you are

INVITED

co—together; **operative**—doing work: **co•op•er•a•tive**

TO CELEBRATE AND OBSERVE

COOP

A better life in the 70's

NATIONAL COOPERATIVE MONTH

DURING OCTOBER WITH US

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

Eighth Grade B Wins; A Team Ties Levelland

Before a surprisingly large and enthusiastic crowd of football fans in Benny Douglass stadium Thursday, the Muleshoe fans watched the Muleshoe Junior High School eighth grade teams play the eighth grade from Levelland.

Th 'B' team copped a close win, lopping off a 6-0 score and the 'A' team tied the Levelland team.

An offside penality nullified the first touchdown of the game for the B team when Scotty Burton scampered all the way from the Mules' own 21 for the far end of the field. The 79 yard run went for naught and the first half of the game ended 0-0.

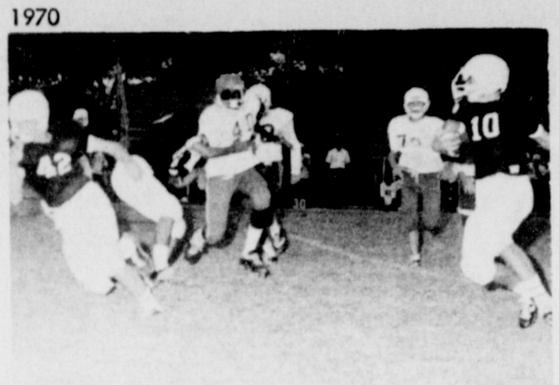

Scotty rambled back in the fourth, near the end of the game and broke loose on a 61 yard run which put the only score of the game on the board.

In the second game, the Levelland 'A' team drew first blood in the first from the Mules' one foot line. Gary White put the young Mules on the scoreboard in the second when he blasted his way downfield on a punt return for 75 yards. At halftime the score was tied, 6-6.

In the second half, White again scored on a quarterback keeper from the two yard line and a pass from White to Jimmy Wisian in the end zone added two more points to stretch the score to 14-6.

Shortly before the end of the game, Levelland took up the slack by slamming over from the four yard line and making their try for extra points good to tie up the game 14-14.

Both teams of young players for Muleshoe displayed good defenses and the teams appeared to be fairly evenly matched.

GANGWAY--Out in front clearing the way is Mike Bland (No. 42) as he makes way for Gary White (No. 10) as the eighth grade quarterback is on his way to add points against Levelland last Thursday night.

From Congressman Bob Price

President Nixon appeared generally optimistic about the future of the United States during a two and one half hour breakfast meeting I had the pleasure of attending shortly before he left on his European trip.

Mr. Nixon, his foreign affairs adviser Henry Kissinger, and Herbert Stein of the Council of Economic Advisors, gave members of the 90th Club a briefing on a wide range of topics.

I discussed my recent talks with the North Vietnamese in Paris with the President and Mr. Kissinger. They both urged me to follow-up on my efforts to get permission from the Communists to visit American POW's being held in North Vietnam.

In the foreign policy area, the President expressed confidence in the success of the Vietnamization program and noted that the South Vietnamese are gaining more confidence in their ability to defend themselves. Mr. Nixon also predicted that he would be able to continue the planned withdrawal of American troops from Vietnam.

With regard to the highly volatile Middle East situation, the fact is that Japan and the European countries receive approximately 85 percent of their fuel supplies from the Middle East. This means that Russia would be in an excellent position to blackmail much of the free world if these oil producing countries come under its domination. Thus, it is in the interest of the United States to prevent such a Russian takeover.

Mr. Kissinger explained that President Nixon is taking the current trip to Europe mainly to rebuild U.S. relationships with the people of that continent. He and the President both stated that the trip was necessitated by the fact that many nations have lost faith in the United States because this country had no definite foreign policy during the 1960's. The Nixon foreign policy for the 1970's will not be aimed at playing policeman to the world but at providing material rather than American men to countries who request our assistance. We will no longer have a commit and withdrawal policy.

On the subject of the economy, Mr. Stein noted that the rise in the cost of living during August was the lowest since September, 1967. He also noted that housing starts are the highest since 1954, which is another good economic indicator.

The economist pointed out that the overheating of the economy caused by the $68 billion deficit in the last decade, $25 billion of which was in the last Johnson budget, has made it extremely difficult to "wind-down" the overheated economy.

The present Nixon budget calls for 41 percent spending on domestic problems and 37 percent on defense spending. This is the first time in many years that domestic spending has been greater than defense spending. The President has been able to reduce defense spending without reducing our military capabilities. This recordering of priorities has resulted in the transition of approximately one million people from the defense industry to non-defense employment. However, 96 percent of all people normally employed in this country still have jobs.

Sincerely,
Bob Price

Muleshoe Implement Celebrating Birthday

Thursday, October 1, was the 30th anniversary for Muleshoe Implement and Supply in Muleshoe. Mr. and Mrs. Earl Ladd moved to Muleshoe from Sudan in 1935 and opened the doors of the implement company on October 1, 1940.

In the five year interval before he opened the first Muleshoe Implement and Supply Co. handling Allis-Chalmers farm equipment, he worked for Muleshoe Elevator. The first location of the implement company was on the corner of American Blvd. and Main Streets where the present St. Clair parking lot is located. Occupying part of the building was a service station and another small business. He moved to his present location in 1945 after he had the large building constructed.

Since 1952, Ladd has also had the Pontiac and GMC dealership in Muleshoe.

Ladd is a native of Arkansas, and moved to Memphis (Tex.) in 1922. From Memphis, he moved to Sudan in 1929, then on to Muleshoe in 1935.

Mrs. Ladd originated around Denton (Tex.) and lived around Memphis and Turkey in Hall County before she and Earl Ladd were married on July 6, 1930 in Turkey.

The Ladds have two children. Earl Jr., and his wife, Ellen, live in Muleshoe and have two sons. They are Earl III, 15, a sophomore in Muleshoe High School and Tom, 13, a student in Muleshoe Junior High School. Earl Jr. is an agricultural engineer and is the owner-operator of Ladd Engineering in Muleshoe.

John C. Ladd and his wife, Robbie, live in La Porte where he is a chemical engineer for DuPont. They have four children; Paula, Bob, Donald and David.

Earl Ladd Sr. is the chief of the Bailey County Volunteer Fire Department and his son, Earl Jr., is a team captain with the fire department.

The Ladds have no plans to retire from active business in the near future.

Quail Season Date Is Set

AUSTIN (AP) -- Nov. 14 will be the opening day of Texas' quail season this year under regulations adopted Tuesday by the Parks and Wildlife Commission.

The commission agreed to "the Saturday nearest Nov. 15" for the opening of quail season.

A.J. Springs of wildlife services noted that the limits of quail had been changed in the Permian Basin Regulatory District where, he said, "they had a bumper crop a year ago and an increase this year."

The daily limit was raised from 12 to 15 and the possesion limit from 36 to 45 quail.

Here are the seasons for quail, by districts:

Panhandle Regulatory District--Nov. 14 through Jan. 31, except in Briscoe, Childress, Cottle, Hall, Hardeman, Motley and Wheeler counties, where open season will be Dec. 1 through Jan. 31. Bag and possession limit, 12 per day and 36 in possession.

Possum Kingdom Regulatory District--Nov. 14 through Feb. 15, with 12 per day and 36 in possession.

Trinity Brazos, Edwards Plateau, Southeast, Oak Prairie and Northeast Regulatory Districts--Nov. 14 through Jan. 31, with 12 per day and 36 in possession, except in Hunt, Lamar and San Patricio Counties where open season will be Dec. 1 through Jan. 31 as established by statute.

South Central Regulatory District--Nov. 1 through Jan. 31, with 12 per day and 36 in possession.

Lieutenant Governor Challenge Issued

Excerpts of remarks by Byron Fullerton, Candidate for Lieutenant Governor at a Houston Fund-raising dinner recently:

During John Tower's campaign for re-election to the United States Senate in 1966, Ben Barnes - then Speaker of the Texas House - butted into the race to say: "I doubt the wisdom of people who are interested in responsible government allowing a two-party system to get underway."

Dallas Times-Herald, 8/23/66)

Obviously he was much out of tune with Texans, because voters interested in responsible government went right ahead anyway and demonstrated their wisdom by re-electing our now senior Senator to another full term...just as I am sure they will do again in 1972 if he still wants the job!

One might think that Barnes, as he grows older, would mature in his own wisdom, and understand that --after all-- the only absolute similarity in Texas citizens is that we are all taxpayers, and that he is our employee...and that he is supposed to be working for all of us instead of condemning us. But, beyond that, we are individuals with varying viewpoints, with individual identities...but without identical ideas.

Apparently he has not learned that...

Earlier this year (in an interview with Flora Lewis) he said: "It's a whole new ballgame and everybody's going to wear the same color uniform if I have my way about it."... still refusing to grant any individual anywhere the slightest margin of disagreement with him.

Now he has grown totally silent on my challenge to him for the office of Lieutenant Governor. Aside from getting his name on the ballot he has not even bothered to ask publicly for re-election. I did hear that on radio he admitted he wants to run for Governor or Senator in 1972...

But for 1970 he is letting others do his talking for him, which, in view of prior rash statements just quoted, might be the smartest thing he could do under present circumstance.

School Officials At Conferences September 30

Neal Dillman, superintendent; Tom Jinks, director of special programs; Fred Mardis, high school principal; Wayland Ethridge, junior high principal and Elizabeth Watson, curriculum director, attended the Conference on Teacher Education, Wednesday, September 30, at West Texas State University, Canyon.

The meeting was held in the new Activities Center Building. Kenneth M. Laycock, dean of the School of Teacher Education, presided and welcomed the area educators. Bill E. Reeves, head of the Department of Education at Pan American College briefed the participants on the four year project expected to bring a completely new approach to teacher certification.

Bruce Joyce of Teachers College, Columbia University described the ten pilot projects sponsored by the United States Office of Education.

On March 1, 1968, ten institutions of higher learning commenced an attempt to build system models from which teacher education programs could be constructed.

More Like It

Sometimes we wonder why the season isn't called simmer instead of summer.

BUNDLE UP FOR WINTER...

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS... FREE!

■ Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating, because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirments for your home.

■ Modern electric comfort heating is already being enjoyed by over 4 million American families!...almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating...and now is the time to do it.

■ Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

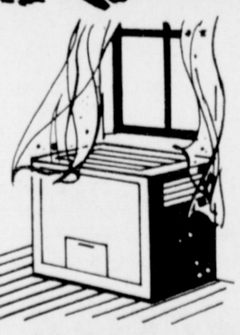

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installations, do not despair—we have a special, most attractive plan for you, too.

Bula News

By Mrs. John Blackman

Despite the inclement weather the Bula School homecoming was well attended Friday. Not many of the exes were in attendance for the speaking and afternoon program but following the game a large group gathered in the school lunchroom for coffee and donuts. About 150 plates of barbecue were served by mothers of the senior class preceding the game. Miss Diane Crume, daughter of Mr. and Mrs. Edd Crume was crowned homecoming queen at half time. The runners-up were Carolyn Turney and Pamela Layton. New president for the exes will be Junior Austin and secretary Sandra Austin.

* * * *

Donna Crume, student at Wayland, spent the weekend with her parents, the Edd Crumes, and attended the homecoming. All of the 1969 graduates were present for the homecoming.

* * * *

Mr. and Mrs. W.R. Adams spent several days recently visiting with her brothers and their families Mr. and Mrs. G.C. Jaynes and Mr. and Mrs. S.E. Jaynes of Bonham. They also spent some time with his sister Mr. and Mrs. Roy Foreman at Hugo, Okla.

* * * *

Mr. and Mrs. Earl Shields and children of Lelia Lake spent the weekend visiting her mother and brother, Mrs. R.E. Jones and Wendell. They also attended the homecoming Friday night.

* * * *

Visiting over the weekend in the Buck Medlin home were Mr. and Mrs. Glenn Salyer and daughter Shelly of Lubbock and Mr. and Mrs. Dennis Medlin and children of Brownfield.

* * * *

School turned out early Monday and two school buses took school children from the seventh grade thru high school to the South Plains Fair.

* * * *

Company first of the week for the Bill Brewers were his parents Mr. and Mrs. E.W. Brewer of Amarillo and her mother Mrs. W.L. Clawson of Littlefield.

* * * *

Mrs. Jones had charge of the class Tuesday morning when the Ladies Bible Class of the Church of Christ met. The study was taken from the current study book on Corinthians with the seventh chapter being studied. Attending were Mrs. J.D. Rowland, Mrs. John Hubbard, Mrs. John Blackman, Mrs. J. C. Withrow and Mrs. Jones.

* * * *

Mr. and Mrs. J.D. Rowland visited Monday with Mrs. James Fine at the Methodist Hospital, Lubbock.

* * * *

Mr. and Mrs. Donald Grusendorf, Mrs. Rowena Richardson and Miss Vina Tugman visited Saturday in Plainview with Mr. and Mrs. Sammie Nichols and new baby daughter Tanya Lynn. The little lady is a granddaughter of the Grusendorfs and a great granddaughter of Mrs. Richardson.

* * * *

Mrs. Lula Harlan is a patient in the Amherst Hospital, she is in for a series of tests and observation.

* * * *

Mr. and Mrs. R.B. Wright spent Sunday night with his mother Mrs. Alta Mae McKinney at Odessa.

* * * *

Mrs. Johnnie Jackson, Mr. Nellie Baker and small son Jonnie and Miss Alma Lou Pierce all of Lubbock spent Wednesday visiting their parents Mr. and Mrs. P.R. Pierce.

* * * *

Mr. and Mrs. Paul Gordon and small son Chris visited Thursday and Friday in Perryton with a friend Mrs. Herbert Key.

* * * *

Weekend company for the W.T. Thomas' were her brother and wife Mr. and Mrs. Felix Woodard of Kerrville.

* * * *

WMU met Tuesday at 2:30 with Mrs. Williams in charge of the study which was a study of the book of Acts. Following the lesson study, a short business session was held. Mrs. Locker opened with prayer and Mrs. Richardson read the call to prayer calender, Mrs. Williams gave the closing prayer. Attending were Mrs. Rowena Richardson, Miss Vina Tugman, Mrs. Fred Locker, Mrs. C.A. Williams, Mrs. E.O. Battles, and Mrs. P.R. Pierce.

* * * *

Mr. and Mrs. C.A. Williams spent the past week visiting in El Paso with their daughter Mr. and Mrs. James Couder and son Steven.

* * * *

Mr. and Mrs. J.L. Latham left Wednesday accompanied by her uncle from Bell Gardens, California for a visit with her mother Mrs. Lillie Flowers at Lake Thomas and other relatives in the area.

* * * *

Paul Young, Guy Sanders and Ralph Beasley left Tuesday for a few days of fishing down on the Rio Grande river.

LEGAL NOTICE
PUBLIC HEARING NOTICE

Chow-Tex Feed Lots, Inc., Rt. 1, Box 134, Muleshoe, Texas 79347, has applied to the Texas Water Quality Board for an initial waste control order pertaining to a variable amount of rainfall runoff water containing wastes from its existing feedlot operation which is located approximately five (5) miles north of U.S. Highway 70 in Bailey County, Texas. The rainfall runoff water containing wastes is wholly retained in a natural lake on separately adjoining property owned by the lessor of the feedlot property. A public hearing on this application will be held in the Texas Water Development Board, Third Floor Auditorium, 301 West Second Street, Austin, Texas at 10:00 a.m. on November 6, 1970 to receive evidence on the conditions, if any, under which the order may be issued. Additonal data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, 1108 Lavaca Street, Austin, Texas 78701.

Chamber Corner

Jerry Hutton
C of C
Manager

We would like to commend the Ladies Auxiliary of the Chamber of Commerce for bringing the Amarillo Narcotics and Drug Abuse Team to Muleshoe. Sheriff Dee Clements told us we do not have much of a problem with drugs in Muleshoe at this time. We were glad to hear this and we feel we can continue to keep the problem in hand with the cooperation of the law enforcement officers, school personnel and students as well as parents being well informed of the hazards of drug abuse. Thank you, Ladies Auxiliary, for your work in preventing a problem rather than waiting to solve a problem.

Too Late

"Halt! Who goes there?"
"American."
"Advance and recite the second stanza of the "Star-Spangled Banner."
"I don't know it."
"Proceed, American."

Obituaries

Jimmy Ivy

Jimmy Ivy, 63, of the Lazbuddie community, was dead on arrival around 5:30 p.m. Wednesday at the Castro County Memorial Hospital in Dimmitt. He had suffered a heart attack earlier at his home near Lazbuddie.

Ivy had lived in Lazbuddie for the past 50 years moving there from Anna. He was born February 10, 1907 in Blueridge, Tex. and was a farmer and a member of the Lazbuddie Baptist Church.

Funeral services for Jimmy Ivy were held at 3 p.m. Friday in the Lazbuddie Baptist Church with the Rev. Johnny Tims, pastor, officiating. Burial was in Bailey County Memorial Park.

Survivors include his wife, Artis; two sons, Jimmy, Muleshoe and Ronald, Lazbuddie; two daughters, Mrs. Ronny Smith, Earth and Mrs. Jack Tompkins, Dallas; two sisters, Mrs. B.H. Wagnon, Muleshoe and Mrs. Bill Garrett, Las Cruces; six brothers, Henry, Olen, Leland, D.B. and R.V., all of Lazbuddie and Tony, of Vanita, Okla. and six grandchildren.

Not Many

He who falls in love with himself has no rivals.
-Wall Street Journal.

J.W. Lee

Funeral services for J.W. Lee, 43, of the Stegall community, were held at 3 p.m. Thursday in Singleton Funeral Home Chapel of the Chimes in Muleshoe. Officiating were Rev. C.T. Jordan, Baptist minister from Southland and Rev. Jim Green, pastor of the Immanuel Baptist Church, Portales. Burial was in Plainview Memorial Park.

Lee was killed in an two pickup accident approximately 15 miles east of Dora, N.M. Tuesday morning. He was a passenger in a pickup driven by his father-in-law, Orbie Phillips, also of the Stegall community. Phillips was critically injured in the same accident. Also killed was Mrs. A.J. Blackman of Causey, N.M., driver of the second pickup involved. Her grandson, Bryan Green, of Levelland, received serious injuries.

Lee was born June 16, 1927 in Bula and had lived in the Stegall area since 1962, moving there from Boulder, Colo. He was a farmer.

Survivors include his wife, Laverne; three sons, Jimmy, Twin Falls, Idaho and Jearl and Jorby, both of the home; a daughter, Mrs. Roy Lynn Strickland of Rogers, N.M.; his parents, Mr. and Mrs. O.E. Lee of Lockney; two sisters, Mrs. W.T. Criswell, Plainview and Mrs. G.V. Tanner, Ocala, Fla.; one brother, Joe D. Lee of Rankin.
