

City Election Set For Tuesday, November 29th

As I See Ranger

By GENE TOWNSEND

The deer stories keep coming in. The latest one is from a group that went to Mason County for their hunt. The group included Ray Neely, Spad Summers, Joe Dakevich and Dr. Douglas Mims. It seems that the group lacked only one deer to fill their limit (two bucks each) on the day they were to return. Dr. Mims was the only hunter that hadn't gotten two deer. The morning they were scheduled to return, Dr. Mims shot his second deer. He dragged it up close to the hind to dress it out, and when he turned around to get his skinning knife the deer jumped up and ran off. So the party had to return minus one deer for their limit.

Speaking of hunting, there was quite a hunting expedition went on in Hodges area a few days ago. It seems that Leonard Arterburn sent one of his bird dog pups off to school. The dog remained at school for a month and when Leonard brought the dog home she decided that she needed more schooling. He discovered a few mornings after getting her home that she had deserted the kennel. Two days later he found her at the Hodges Oak Park School. Now Leonard, how about taking back all those things you said about the type person who would steal a person's bird dog?

Mrs. W. J. VanBibber, president of the Ranger Garden Club, is urging all members and associate members to plan to enter an exhibit in the forthcoming Flower Show to be held December 2. Last year's show was a great success and members of the club are working hard this year to put on even a greater show. Mrs. VanBibber has also stated that some changes have been made in the chairman for some of the Flower Show committees. Mrs. Robert Jackson is chairman of the Horticulture entries committee and Mrs. W. A. Lewis is co-chairman. Also Mrs. David Allsup is co-chairman of entries in the Artistic Design division.

Final Rites Are Held Tuesday for Otis F. Dunnam

Final rites were held in the Beckville Methodist Church Tuesday at 2 p.m. for Otis F. Dunnam, 68 former resident of Eastland, who made his home in Carthage.

Mr. Dunnam was born in Bartlett but was reared in Eastland and is the son of the late Mr. and Mrs. F. P. Dunnam. He died Monday in a Carthage Hospital following a lengthy illness. Burial was held in the Carthage Cemetery.

Pythian Lodge To Hold Annual Roll Call Monday

All Knights of Pythias are urged to be present for the annual roll call Monday at 7 p.m. at the Castle Hall, in Eastland.

The Pythian Sisters will serve the dinner promptly at 7:30, and arrangements have been made to have Brother Horsemann and some of the children from our Pythian Home here.

Clyde Fisher and his quartet will be on hand to give us some real good music and entertainment.

As every one knows, the roll call is when we make up our Christmas gift to the Pythian Home for the children in the home, so every one is urged to be present, bring your wife, or friend, and let's show those children that we do care for them.

Cisco Completing Plans For Annual County Show

Plans are rapidly being completed for the eighth annual Eastland County Pecan Show to be held in the Rawson Building in Cisco, December 14 and 15 according to Hank Sims, Eastland, President of the County Pecan Growers Association who with the Chamber of Commerce in Cisco is sponsoring the annual affair.

"We are most happy to again have the show in Cisco," said Sam Kimbrell, president of Chamber of Commerce recently when commenting upon the affair. Anton White, Chairman of the Agriculture Committee and his group have been active in plans for which promises to be the best show ever held.

The show has been held in Cisco since its inception except one year when it was held in Ranger, according to County Agent J. M. Cooper.

Dora Alexander, Pioneer, is vice president of the grower group; Ben McKinnis, Eastland, is secretary-treasurer. Directors include C. E. Smith, Rising Star; J. W. Sittin, Cisco; W. D. Thurman, Cisco and C. T. Barton, Rising Star.

Site for the annual show is determined by a vote of the members of the pecan association and those who exhibited entries at the previous years show.

The pecan bake show always held in conjunction with the affair will again be under the direction of the County Home Demonstration Council.

Mrs. Peggy Gallagher, Cisco, will again head a committee to select the county pecan queen. This pecan queen contest has attracted wide attention in the past. The county has furnished the first two pecan queens in the state as sponsored by the Texas Pecan Growers Association. Miss Loretta Whitehead, Cisco, is the present queen.

First place entries in the pecan show will be sent to Texas A&M College to be entered in the state show to be held there in January. It was announced. This has been the custom in the past and local county growers have more than won their share of honors.

Farm Bureau's National Policy Recommendations

Texas recommendations to the national convention of the American Farm Bureau Federation call for a gradual elimination of government regulation of individual farming operations.

Voting delegates from Texas and 48 other state Farm Bureaus will consider recommendations for national policies at the 42nd annual meeting of the AFBF Dec. 11-15 in Denver. Texas Farm Bureau state policies and recommendations to the AFBF were adopted by 678 voting delegates to the TFB meeting Nov. 9-12 in Dallas.

On the subject of a national farm program, the TFB delegates approved a recommendation which said: "Price supports should take account of competitive conditions, supply and demand, and market trends." The resolution added that price supports should neither be based on arbitrary formulas nor left completely to the discretion of the Secretary of Agriculture.

THAT LONG, HIGH LOOK—Early morning motorists in downtown Miami, Fla., were surprised when they found a Navy Neptune bomber blocking a heavily traveled highway. The plane, a gift to the city's children, was en route to its resting place in a municipal park, but didn't beat the rush-hour traffic.

County Bond Sales In Oct. Total \$32,596

October F and H Savings Bonds sales in Eastland County totaled \$32,596 according to Guy Parker, Chairman of the county Savings Bonds Committee.

Sales for the first ten months of 1960 were \$447,356 which represents 86.6 percent of the county's 1960 goal. First ten months sales in Texas were \$129,501, 248 or 78.2 percent of its 1960 goal of \$165,500,000.

"Savings Bonds are an investment in the future. For years the Treasury Department sold bonds as a doorway to opportunity—a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The hope of the age is for peace—for some guarantee that there will be a future to look forward to. We must have PEACE POWER—the strength to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," Parker concluded.

Mrs. D. E. Pulley Presents Trophy To Garden Club

Mrs. D. E. Pulley announced today the presentation of a trophy to the Ranger Garden Club to be awarded to the Sweetest winner of the Christmas Flower Show to be held December 2.

The trophy is presented in memory of Mrs. Pulley's late husband, D. E. Pulley. Mrs. Pulley said, "this is a fitting tribute to my late husband who had a great love for beautiful flowers and shrubbery."

This will be the fourth trophy Mrs. Pulley has presented to the Ranger Garden Club. Winners of previous trophies were Mrs. W. F. Creager, Mrs. A. W. Braxda, and Mrs. W. J. Van Bibber.

The Sweepstakes award goes to the exhibitor who earns the largest point total in the show.

"Holiday Interpretation" will be the theme of this year's show.

The 4-H Achievement Banquet Will Be Held December 3

Ranger Christian Youth Program Shows Results

The Ranger Christian Youth who participated in the CROP program fund drive recently can feel assured that their efforts have begun to show results, according to a report from the Christian Rural Overseas Program.

Here is the announcement: First shipments of rice, contributed in the CROP Rice for Relief campaign, will be sent to Hong Kong in the post-Thanksgiving season for a school lunch program for undernourished Chinese children in the British colony.

The campaign to raise gifts of rice from this year's harvest in Arkansas, Mississippi, Louisiana, Texas, and California will continue until the needed three million pounds have been contributed or purchased with cash donations.

Of almost half a million children in the Hong Kong schools, 150,000 are too weak to do their school work. Some 70,000 are classified as hard core cases and will benefit first from the program which will be jointly undertaken by a number of relief agencies from various countries under the general direction of Hong Kong Church World Service.

Each child in possession of a medical certificate attesting to the fact that he or she is dangerously near starvation will receive one meal of rice, vegetables, and meat daily for one year.

The children are from five to 14 years old. Most of them are refugees, who have escaped from Chinese communist tyranny.

Their parents belong to a wide range of social classes, although all are now on the lowest economic level. Many were former landowners, merchants, professional people as doctors, dentists, teachers, writers; many others were industrial and agricultural laborers. They have lost everything and have only the few items they could bring with them when they fled.

Hong Kong Church World Service while reporting the above also states that "most of the parents are trying to exist on less than US \$20 a month which is US \$240 a year" if they have any income at all.

MAD BOMBER'S TARGET—A police inspector looks over the subway car that was demolished by another mysterious bomb explosion in New York. Two died in the blast.

Two Seek City Council Post

A special City Election will be held Tuesday, November 29 for the purpose of electing a City Commissioner to fill the unexpired terms of H. E. Angus in Place Number one as the Police and Fire Commissioner of the City of Ranger, according to an order of election issued by Mayor W. F. Creager in October.

The election will be held at the City Hall with W. W. Paschall serving as election judge.

Two candidates have filed for the vacancy. They are Carl Black and Lee Cantrell.

The place was vacated due to the resignation of H. E. Angus, who is no longer a resident of Ranger. Angus's term of office was to expire in April 1961.

Carl Black has been a resident of Ranger for three years and is vice president and general manager of the Featherlite Corporation in Ranger.

Black is married and has two children. He is a member of the First Baptist Church and the Rotary Club. Mrs. Black is active in the Ranger P-T-A and other women's organizations.

This is the first time that Black has ever sought public office. In answer to the question, "Why do you want to get involved in city government?" he said, "My answer has been that I believe any public minded person should be interested in serving in any post if he is qualified. No one person should voice criticism without being willing to offer suggested courses of action or even be a part in planning a course of action. He is then placing himself in a position to take criticism and should be quite willing to do so."

O. L. Cantrell has been a resident of Ranger since 1941 except

Junior High Basketballers Go Monday Night

The Junior High Seventh and Eighth grades will officially get the basketball season underway Monday as they host the Eastland Seventh and Eighth grades in games at Ranger's Recreation Building.

This will be the first actual game for the two teams this season, although the eighth grade scrimmaged the Freshmen in a game last week. The eighth graders looked impressive in a game they lost to the more experienced boys by a score of 13 to 25.

The roster for the Seventh grade team includes: Johnny McGee, Lefroy eParson, Terry Sutton, David Mahaffey, Mike Landtroop, Dan Collins, Joel Jimenez, Alberina Garcia, David Dunson, Darryl Swinney, Jimmy Gryder, Theo Hale, Eddy Howton, Alfred Hutchins, Roy Barrett and Willie Cantwell.

The Eighth grade roster includes Tommy Rose, Terry Melton, Ray Newnam, Bob Townsen, Jesse Renteria, Butch Seymour, L. H. Pounds, Billy Matthews, Terry Huffman, Lee Auburn, Gilbert Nail, Larry Herrington, Melton Kennedy and Wayne Hale.

Last Rites Are Held Friday For George Kimbrell

Last rites were held Friday at 3:30 p.m. in the Hamner Funeral Home Chapel for George Curtis Kimbrell, 63, local rancher who died at 1 a.m. Wednesday in the Eastland Memorial Hospital following an illness of 10 days.

Born Sept. 24, 1891 in Woodland, Miss., he came to Eastland in 1921 following his discharge from the Army. He worked for the Texas Co. for a few years. He was in the hardware business for 15 years before becoming a rancher.

He married Audrey Collins here June 6, 1926.

Rev. M. A. Treadwell, Sr. officiated the services with burial in the Eastland Cemetery.

Survivors include his wife, four sisters, Mrs. Eltha Hardin of Durma, Miss., Mrs. Lera Wright of Woodlawn, Miss., Mrs. Lois Davis of Mantee, Miss., and Mrs. Thelma Carroll of Fulton, Miss.

News From Area Towns

Dam Groundbreaking Set

At a meeting in Comanche Monday the General Committee and committee chairman laid final plans for groundbreaking ceremonies to be held on the site of Fractor Dam Dec. 3. The program will start with a barbecue at noon, followed immediately by speakers and ceremonies. Vice President Elect Lyndon B. Johnson is expected to give the principal address.

Cisco to Tax REA

Some 75 miles of REA lines within the boundaries of the Cisco Independent School District have been added to the tax roll for taxation. Using a formula which the valuation of electric lines of West Texas Utilities and Texas Electric Service Co. has been set, it was indicated the REA's valuation for tax purposes would be set in the neighborhood of \$500 to \$600 per mile, or about 40 percent of the actual value.

F-M Roads Approved

Officers of the DeLeon Community Club received notice this week that two farm-to-market roads had been approved for this vicinity. One of the roads will start at Downing and run in a westerly direction for approximately four miles. The other will leave FM Road 587 at a point one mile south of DeLeon and run southwesterly for approximately three miles.

Peanut Grade Free

Nearly 1,900 tons of peanuts had been graded by the Rising Star grading station through Saturday of last week. Grades were averaging well—between 65 and 70—and the yield was turning out much better than had been anticipated.

Christian Science

Spiritual alertness based on an understanding of freedom from evil of every kind. This theme will be set forth at Christian Science church services Sunday.

Introducing the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" will be the Golden Text from Matthew (24:4): "Take heed that no man deceive you."

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (20:7): "Truth makes a new creature, in whom old things pass away and all things are become new." Passions, selfishness, false appetites, hatred, fear, all sensuality, yield to spirituality, and the superabundance of being is on the side of God, good."

From the Bible will be read (Isaiah 1:16,17): "Wash you, make you clean; put away the evil of your doings from before mine eyes; cease to do evil; Learn to do well."

 over faculty and curriculum.

6. Opposed any increase in or expansion of college "by inter-pretation or otherwise" of the minimum wage.

7. Favored increased research by proper agencies to develop mechanical equipment that can be adapted economically to the harvesting and handling of fruits and vegetables to the end that hand labor requirements be greatly reduced.

8. Favored more realistic tolerances be established in the use of chemicals on all crops and asked that action be taken "to curb the actions of overly-ambitious bureaucrats who may, on the basis of mere suspicion of disease-causing materials, prohibit the use of an effective farm chemical."

9. Favored continuation of the 1954 Wool Act, as amended, with the exception of Section 708, the section providing for a compulsory check-off of funds to finance wool and lamb promotion.

10. Opposed a proposal to increase present income tax exemption from \$600 to \$1,200 and, instead, favored mandatory retirement of the federal debt.

I Give You Texas-

(Continued from Page One)
 after supper and talked, and all I had to do was take down his words for he unfolded a vivid and exciting story. Blue Book bought it for its true adventure department.

Pet peevs of mine are radio and TV announcers who feel they must pronounce every letter in a word whereas in English, if spoken correctly, a letter is sometimes ignored or slurred. For example there is no "tain" in captain; no "ment" in entertainment; no "man" in gentleman and the "o" in women isn't pronounced that way—but I expect to hear some announcer of ultra-precise enunciation sound them just as spelled.

What is misfortune? Sir Walter Scott was the most popular poet of his day. Everyone read and quoted "Lady of the Lake", "Marmion" and "Lay of the Last Minstrel." Then along came young Lord Byron with "Childe Harold" and Scott was overshadowed. So he turned to the writing of novels. Today, a century or more after his death, Scott is still recognized as the greatest romantic novelist in English literature.

There's nothing like the challenge of competition—even in the field of writing.

Old Fashioned Way of Life Not Completely Gone

This is the jet age, the space age, the age of new things and things not yet known; however, there is still a hint of the old time way of living.

Everyone enjoys the old fashioned get-togethers of the neighboring towns and counties. Such an affair is held on the first Friday of each month at the Adams ranch about 15 miles north west of Eastland.

Hosts for this event are Tobie, Paul and Claude Bales, who is of Eastland. Present are people from Eastland, Cisco, Breckenridge, Throckmorton, Moran and Ozona, in addition to the neighbors of the community.

Those present enjoy unlimited amounts of food, music and merry-making. One of the highlights of the evening is the fiddling of Edd Glenn, 90, of Throckmorton along with the music of about 20 other musicians.

A roller skate & a visitor—cost \$10,000

All accidents are ridiculous. But a ridiculous accident like the above may bring you a \$10,000 damage suit.

If your dog bites somebody — if your child causes injury to somebody — if you hit a caddy with a golf ball — you may get a big lawsuit that may almost ruin you.

But for as little as \$10 a year an America Fore policy will protect you up to \$10,000* and also insure medical payments up to \$250* for non-family injuries even if you are not legally liable. Ask us.
