Red Cross Lays Plans For Campaign

Tornadoes In Underdog Role With Sweetwater

Band And Pep Squad To Make Trip With Team

Sweetwater Boasts One Of Highest Scoring Teams In Interscholastic League

Like the lambs being lead to the slaughter, the Lamesa Golden Tornadoes will go to Sweetwater Friday night to pit their skill and strength against one of the most powerful football eleven in West Texas.

It goes without saying, that the Tornadoes will go into this affair as definite underdogs, with even their most ardent supporters, feeling that it will be a moral victory for the local squad if they can keep the score comparatively low.

The Mustangs tamed a stubborn Lamesa eleven last week, by the lop-sided score of 45 to 6, and mind you, this is the same Eagle machine that dumped the Tornadoes 6 to 0 in the local's first conference defeat.

San Angelo's win over Lamesa in the water and mud last Friday night killed the Tornadoes' chance for any district crown, but it failed to dampen their spirit in the least, and there is one thing that fans who follow the squad to Sweetwater are assured, and that is that the Gregg men will be giving their best.

The local squad would like nothing better than staging an upset and toppling the Mustangs from the rank of undefeated teams of the state and they will be in there "shooting the works."

While it would be nothing short of a phenomenon, there have been bigger upsets in football in the past and who knows that it may be the Tornadoes' night.

A large crowd of rooters are expected to go along with the team band and pep squad.

The Vogue Holds Celebration Of Anniversary

The Vogue, ladies ready-to-wear store, owned and operated by Mrs. Minnie McKee and Mrs. Opal Ladd are this week celebrating their 1st Anniversary in their enlarged new building on the northeast corner of the square.

They have occupied this new building for a year, having moved there from a much smaller place on the north side.

"We have enjoyed a fine patronage in this new place and we are going to celebrate with a big Anniversary Sale," they stated this week.

Your attention is directed to their ad in this issue.

Work Progresses On New Theatre

Work is progressing rapidly on Lamesa's newest theatre on the east side of the square.

The new theatre will be known as the Tower, and a high tower is being constructed atop the building.

This will be one of West Texas' most modern theatres when completed.

It is being built for Audrey Cox, owner and operator of the Palace, Majestic and Mesa Theatres in Lamesa, by J. E. Waller, local builder. The structure was designed by Harvey Allen, local architect.

They expect to have the new theatre ready for occupancy within the next few weeks, as the finish-work is now being done on the inside and it is at such a stage that bad weather will not slow the progress in any way.

Fire Hits Defense Plant

Sending billowing clouds of smoke upward, fire swept through the plant of the Universal Building Products Company in Dallas. The plant is engaged in building new-type collapsible hangars for the Army Air Corps. The roof of the structure collapsed, burying valuable machine shop equipment.

More Rain This Week Puts Total For Year To 39.51 Inches; 11.90 For October

More rain has fallen over this section following a few days of sunshine, in which farmers of this territory really put on a crop harvesting "blitz."

A heavy fog settled down Wednesday night, which later turned to mist and finally to rain, resulting in a fall of .78 inches of moisture up until 7:30 Thursday night. This brings the total for October to 11.90 inches and the total since January 1st to 39.51, which is far ahead of any previous rainfall ever recorded in this county.

With two more months to go before the year is ended, there is no way of estimating what the total will finally be.

As this is written Thursday night a heavy mist is falling and the temperature is steadily dropping.

Sideline Coats For Local Football Squad Are Here As Gift Of Local People

The following list of Lamesa citizens joined together in providing Sideline Coats for the Lamesa High School Golden Tornado football team. These garments were received Monday of this week.

Gus Ragsdale, W. D. Arnett, T. B. Fulkerson, Irvin Wright, Deluxe Barber Shop, Swanson Hurt, Randall's Lumber Co., Lamesa National Bank, Melvin Roberts, Vaughn Chevrolet, Gus White, E. E. Wright, Higginbotham-Bartlett Co., J. C. Penney Co., Inc., J. E. Barron, Dan Davis, F. T. McCollum, Bryant Pharmacy, Texas Electric Service Co., Bryant-Link Co., E. D. Langreth, Modern Dry Cleaners, Taylor-McCall Drug, D. J. Murray, Green Hut Cafe, M. C. Lindsey & Son, Jack McLaughlin, First National Bank, J. H. Harp, Clark-McDonald Drug, Dr. Sam Z. Frazier, Collins Dry Goods, Joe Alexander, Wacker's Store, Connally Baldwin, Morris Pharmacy.

Dr. O. L. McElroy, Stuart's Dry Goods, T. E. Tarter, E. R. Yates, Edw. J. R. Leuenberger, Baldwin's Store, L. C. Echols (Dal-Paso Drug), Jack Ladd.

These warm coats are for the protection of team members at games by preventing chilling and exposure in cold or damp weather. These friends have provided twenty-two of these popular protective garments—enough for two of the three team squad. The squad members and coaches are delighted with this most substantial contribution to comfort and health as well as to the appearance of Lamesa High School football players as they represent this locality at home and in the larger towns of West Texas.

Discovery of a new member of the ever-growing family of B vitamins, known collectively as the Vitamin B complex, has been made by Roger J. Williams of the University of Texas. It has been named follic acid.

Potatoes Or Yams

Proof that the large turnip reported in last week's Courier was not a "fluke", this week a sweet potato was brought in that sets a record for size.

The yam weighed 14 pounds, and measured 33 inches around. It was grown in the garden of the Dunsforth family, who live eleven miles southwest of Lamesa.

The plant was set out by Miss Melvora Dunsforth the past spring, and although a tremendous vine grew up, it was not discovered that such a giant potato was growing underneath until it was dug up a few days ago.

The yam is really a twin, being two large potatoes which have grown together at the top. It was stated that a third potato which had grown to the side, broke off when the plant was dug.

It is on display at the Courier office, along with the two large turnips which were reported last week.

Meeting Of Red Cross Workers Be Held Tuesday

Additional Red Cross workers for the Annual Roll Call for membership were announced Thursday by W. K. Crawley, general chairman for Dawson County.

The various clubs of the city were represented in this group and the complete list is given below.

From the American Legion, D. O. Blackmon and Ray Hollingshead. W. D. Arnett and C. A. Hollingsworth were chosen from the Rotary Club.

The Lions Club representatives will be Henry Norris and Dr. J. M. Harrington.

The Women's Study Club will be represented by Mrs. Cecil Bryant and Mrs. Guy Weekes.

Mrs. M. C. Lindsey will represent the Delphian Club.

The Lamesa Chamber of Commerce (Continued on Page Two)

Russell Bros. Circus Shows To Crowds Here

The big Russell Bros. Circus has come and gone in Lamesa for this year, and many a child's heart has been gladdened by their visit.

Good crowds attended both the afternoon and night performances Wednesday and everyone was highly pleased.

This is the largest circus to visit Lamesa in many years. Their acts were highly interesting and entertaining.

No Fires Here For 67 Days

The Lamesa Fire Department has set a record for length between fires, which was broken Thursday morning with a small blaze at McDonald Gin, and which had been extinguished before the department arrived.

The last call answered by the department prior to Thursday, was on August 24th, which was sixty seven days ago.

The longest time between fires as previously recorded was sixty days, set several years ago.

The department has been holding sessions at the fire station lately, studying First Aid Attendance has been good, according to reports.

Married Texas Gridders And Their Wives

Here are seven of the married men on the Texas University football team with their wives. Left to right, middle and front row: Mr. and Mrs. Mike Sweezy, Mr. and Mrs. Vernon Martin, Mr. and Mrs. Stanley Mauldin, all of Amarillo; Mr. and Mrs. Fritz Lobrey of Schulenburg; top row, left to right: Mr. and Mrs. Spec Sanders of Temple, Okla.; Mr. and Mrs. Lewis Mayne of Cuero, Tex.; and Mr. and Mrs. R. L. Harkins, of Austin.

Construction Is Begun On Migratory Labor Camp

Rain Continues To Hamper Gathering As Only 5,363 Bales Ginned To Oct. 18

As a result of the continued rains which have fallen over this entire section throughout the month of October, ginning in the county continues to lag far behind last year's figures.

According to R. S. Stanfield, Special Agent for the Department of Commerce, Bureau of the Census, there had been only 5,363 bales ginned in this county prior to October 18th, as compared with 15,151 at the same date last year.

During the first three days of this week, it is estimated that five or six thousand bales of cotton were picked in Dawson County.

All gathering was halted on Wednesday night, however, when a heavy fog turned into mist and later into heavy rain to wet the countryside.

Lamesa was well filled with pickers Thursday, when the rain made it impossible to continue the gathering of crops.

Reports from over the entire territory are that heavy rains have fallen all over West Texas, accompanied by a sharp drop in the temperature.

Estimates still place the yield for the county as high as sixty thousand bales and as low as thirty-five thousand.

Allen-Houston Post Of American Legion Plans For Armistice Program

Members of the Allen-Houston Post of the American Legion met on Monday night of this week and made plans for the observance of Armistice Day and for the annual membership drive.

Inasmuch as most of the world is at war; and in that suffering, starvation, and loss of lives prevail in many nations; and because of the gravity of the world crisis and the necessity of impressing these facts upon the American people, it was thought fitting that as much attention as possible be given to the observance of Armistice Day this year. Accordingly, resolutions were passed by the local post of the American Legion recommending a general observance of the occasion by the entire public in so far as possible. It was further recommended that business firms of the city close for the entire day and the public generally assume an attitude of Armistice observance.

A program is being planned to be held on the court house lawn from ten until eleven o'clock on the morning of November 11. Details of this program will be worked out and announced next week in this paper. The program will be concluded early enough for those who are to do so to go to Midland to attend the ball game. The public generally is urged to attend this (Continued on Back Page)

Dewey's Bargain Center Reopens In New Building

Announcement is made in this issue of the opening of Dewey's Bargain Center in their new location on the east side of the square.

They have added much new merchandise to their stock, and are offering some unusual values for the opening this week end.

You are urged to look up their ad and pay them a visit on the east side of the square.

Drive Expected To Start About November 10th

W. K. Crawley As General Chairman Announces Plans For Membership Campaign

According to W. K. Crawley, 1941 General Roll Call Chairman for the Dawson County Chapter of the American Red Cross, plans are being devised for the annual Roll Call which will be held throughout the country around November 11. Meetings are being held and group chairmen are being chosen. In a few days the completed organization of Roll Call workers will be released.

Red Cross educational films have been ordered by the publicity department, of the local chapter, and plans are being made to have placards and literature distributed through the city's show windows under direction of local Boy Scouts of America organizations.

Under the direction of Mrs. Louis B. Reed, in charge of Red Cross sewing work in Dawson County, a number of white flags, with Red Crosses in the center, will be made and distributed to merchants, who will be asked to display them from their flag poles in front of their places of business.

Crawley is asking special cooperation from the various clubs and civic organizations of the city in perfecting his organization schedule, and he asks that every individual be planning now to do his share in producing Dawson County's membership quota this Roll Call.

Final Drive For Scout Funds To Close Soon

The final drive of the Annual Boy Scout campaign is under way and should be complete before this week end, according to Cecil Speck, district chairman of finance.

As has been previously reported, the drive thus far has been highly successful, and an enthusiastic start-up met Wednesday morning to start on the final campaign.

Speck stated that anyone who had not been contacted and who would like to join in this worthy move, were urged to get in touch with him and he would see that they were called upon.

He further stated that a detailed report of the drive, along with the results will be released as soon as it is completed.

The volunteer solicitors expect to have contacted their entire list before the week is out and it is hoped at that time that the report as to their activities will be ready for the public.

To Make Change In Ackerly Loop On Highway 87

Announcement was made Wednesday by the Texas State Highway Commission that the contract had been awarded for changing the Ackerly Spur to a loop and extending the 187 to extend from a connection with U. S. 87 north of Ackerly, through Ackerly and then east to a connection with U. S. 87.

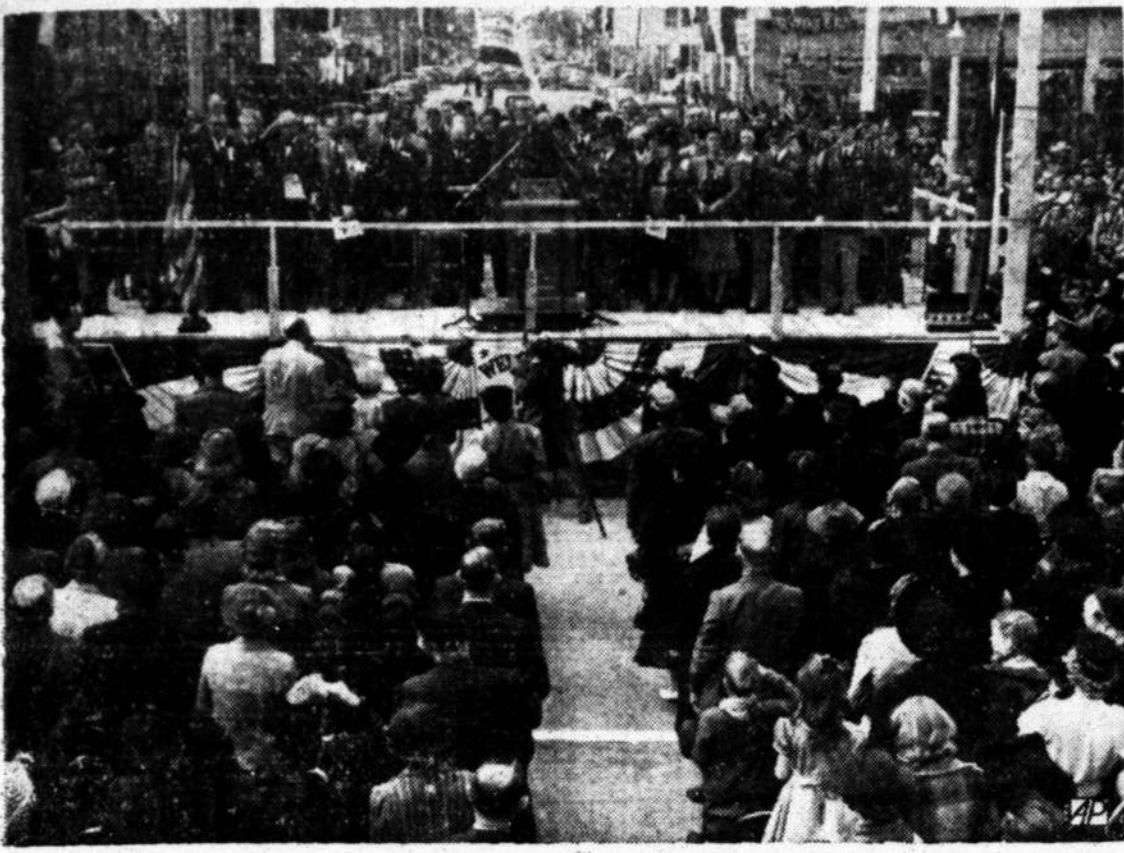

Just what this change means is not clearly indicated in the announcement by the commission.

District U.S.D.A. Meeting Be Held In Big Spring

The District meeting of the U. S. D. A. will be held in Big Spring Friday morning of this week, beginning at 9 a. m. according to an announcement released this week. The gathering will be held in the Settles Hotel.

Among those who will attend from Lamesa are W. T. Meeks, Dawson County chairman and representing the AAA; C. M. Burton, (Continued On Back Page)

O'Daniel Leads Allegiance Pledge

Senator W. Lee O'Daniel, at microphones, leads the crowd in a pledge of allegiance at downtown Wichita Falls, Texas ceremonies in connection with dedication of Sheppard Field. Second from flag at left is Senator Tom Connally; next to him, Mrs. Morris Sheppard.

Plans Are Complete For Opening WTCC Assembly In Midland Next Tuesday

MIDLAND, Oct. 24 — The curtain raiser on the 24th general assembly of the West Texas chamber of commerce, Nov. 3-4 at Midland, will be a business meeting of Westex leaders comprising the convention work committee. Jas. D. Hamlin of Farwell, committee chairman, is calling his group together at 3 o'clock Monday afternoon, Nov. 3, at the Scharbauer hotel.

The work committee's initial session probably will last several hours, running up to the directors' dinner meeting Monday evening at 7:30. Hamlin said, "Our session faces a multitude and wide diversity of problems many of them arising with swiftly changing conditions, to whose reasonable solution our convention will devote its best efforts."

Sitting on the committee with Hamlin will be the WTCC's executive board composed of its officers and district directors, with the assistant directors and six committeemen-at-large, totaling a company of 31.

The 200 directors of the regional chamber will be called into their first all-directors' session Monday evening, J. Thos. Davis, president, will be in the chair. On the agenda of this meeting are the introduction of directors by J. A. Rix, assistant WTCC manager; Hamlin's report on the work committee's afternoon deliberations; a report of the budget and finance committee covering the period from the chamber's spring convention at Mineral Wells, by M. C. Ulmer, vice president, and Rix; and the report of the nominations committee by J. S. Bridwell, chairman, at which the officers and district directors for 1942 will be chosen.

The directors' second session will be held Tuesday, Nov. 4, during the annual luncheon honoring the areas newspapermen and chamber of commerce managers of West Texas. President J. Thos. Davis will be the luncheon speaker; his subject, "The West Texas Chamber of Commerce Program." After the luncheon the

group will rejoin the convention House of Delegates for a full afternoon of addresses and consideration of resolutions presented by the work committee.

Among the speakers before the House of Delegates will be ex-Mayor T. Semmes Walmsley of New Orleans, who is now deputy director of the Office of Civilian Defense, in Washington. His talk on "Our Part in Civilian Defense" is set for 4 p. m. on Tuesday. Other afternoon session speakers are Dr. T. O. Walton, president of the A. & M. College of Texas; and Jerry Sadler, member of the Texas railroad commission. Walton will speak on West Texas agricultural production and home ownership responsibility. Sadler's address will be on freight rate equality — new developments in Texas for parity in transportation charges and the West Texas chamber's part in the long battle.

At the morning session the delegates will hear Rep. Joe Humphrey of Abilene. Humphrey, whose WTCC sponsored bill for state financial reorganization nearly became law in the last regular session at Austin, will discuss this fiscal control measure.

Dr. J. C. Loveless is attending a medical convention in Oklahoma City this week.

Pastures Which Were Fertilized Have Good Grass

Results of five years of demonstrations by Extension Service workers in the use of superphosphate on pastures in about 50 Texas counties show greatly increased carrying capacity, improvement in the quality of cattle, and enlarged calf crops. Demonstrations were begun in seven new counties in 1941.

According to M. K. Thornton, Jr., extension agricultural chemist, who directed the work, more than two million pounds of 20 percent active ingredient phosphate have been used in the counties, which are mostly in east Texas. Some of the demonstrations were carried on in cooperation with the Tennessee Valley Authority.

One of the first trials was on a 65-acre pasture block owned by Tom Bridges of the Chapman community in Rusk County. At the beginning of the demonstration in 1936, he was pasturing five to seven head on the acreage and producing poor quality calves. In 1941 he ran 46 cows on the same area and produced a 100 per cent calf crop, Thornton says. The cost of improvement was about \$12 an acre for fertilizer, seed and care.

Ed Rake, Jefferson County farmer and another early demonstrator, could not carry his dairy herd on a 78-acre pasture without substantial supplemental feeding. Treatment with 400 pounds of superphosphate to the acre, plus seeding transformed the land so that it is able at present to sustain 83 animal units with a minimum of supplemental feeding. The quality of the livestock — beef and dairy cattle, and sheep — is of the best, Thornton says. Similar results have been obtained from demonstrations in Cass, Delta, Lamar, Raines and other east Texas counties.

In Erath, Mills, and Young counties, among these in central west Texas used for demonstrations, carrying capacity twice and three times that of normal have been obtained thru fertilizing and seeding.

"The demonstrations have proved that it is profitable to spend money for pasture improvement," Thornton says. "It is desired to get the work out of the demonstration zone by having other farmers, on their own behalf, follow the lead of those who cooperated in the demonstrations and bring phosphate into wider and more general use."

Mrs. Jim Little and son left Wednesday for Floydada, where they will make their home. Mr. Little is employed with the CCC camp in that city.

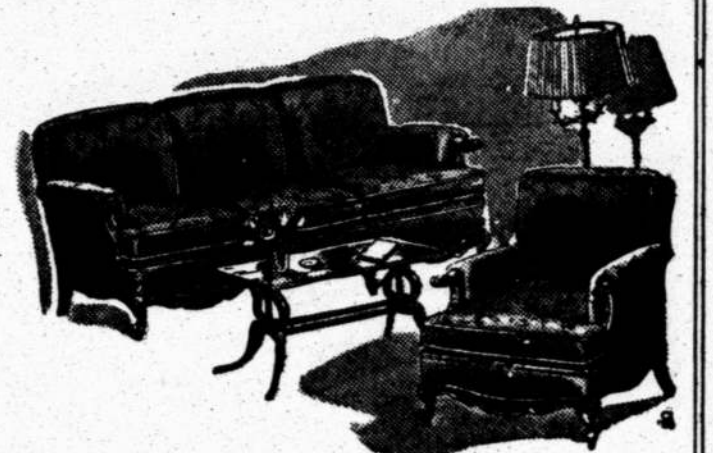

Gloriously New FURNITURE for a Glorious New Season

BUYING NOW IS URGED BY ALL THAT HAVE ADVANCE INFORMATION ON PRICE TRENDS IN FURNITURE AND HOUSE FURNISHINGS. BUY OR TRADE WHILE SELECTIONS ARE BETTER AND PRICES LOWER. REFURNISH FOR GREATER COMFORT AND SATISFACTION FOR THE LONG WINTER NIGHTS AHEAD!

SHOP EARLY - AVOID THE RUSH

RURAL CORRESPONDENCE

SHUMAKE

Gladys Whitmire

Bro. Davis, who was to preach for us last Sunday, was unable to get here because of bad roads. He will preach at Shumake, Sunday, Nov. 9. Mr. and Mrs. Buster Grissom entertained a crowd of young folks with a dinner Sunday, the occasion being Ed's birthday. Mr. and Mrs. Leon Callahan are the proud parents of a baby boy. Audrey Whitmire of Lovington, N. M., spent last week with her parents here. K. Whitmire of McCarty and F. M. Whitmire of this community visited their father at Megargel last week end.

THREE LEAGUE

Gladys Russell

The farmers of this community are behind in gathering their crops

due to the heavy rains of the past few weeks.

Mrs. Jenny Boren of Dallas is visiting Mr. and Mrs. W. C. Holcomb.

Mr. and Mrs. J. M. Russell and son, Jarvis Ray, made a business trip to Big Spring Friday.

Thelma Lee Dennis spent Sunday with her aunt, Mrs. C. T. Trammell of Lamesa.

Mr. and Mrs. E. G. Elrod spent Saturday with Mr. and Mrs. Coy Elrod of Ackerly.

Mr. and Mrs. J. M. Russell spent Sunday with Mr. and Mrs. Amos Painter of Wilson.

Mr. and Mrs. Jack Cenner and daughter, Jacqueline of Lamesa, spent Sunday with Mr. and Mrs. Walter Dennis.

Mr. and Mrs. E. G. Elrod spent Sunday with their son, Earston of Sanatorium, Texas.

Mr. and Mrs. W. C. Holcomb had as their guests Sunday, Mr. and Mrs. Earl Holcomb and family of

WELCH

Hazel Greer - Jeane Smith

Sunday School and B. T. U. were well attended Sunday morning and Sunday night. Rev. Leech from Forsan is to preach here next Sunday, Nov. 2.

Church was good at the other churches, also, Sunday morning and Sunday night.

Mrs. Green is visiting her daughter, Mr. and Mrs. Wiseman at Forsan.

Mr. and Mrs. Griffin visited in Ropesville Sunday. Their little granddaughter, Paula, came home with them for a visit.

Mr. and Mrs. Hollman and Mr. and Mrs. Trammell of Corsicana, Texas, have been visiting Mr. and Mrs. Herbert Eastham.

Mr. and Mrs. L. C. Pyle, Mr. and Mrs. Raymond Jones, Mr. and Mrs. W. C. Smith and Miss Duke, visited in Lubbock Saturday.

Mr. Knight and Mr. Adams of Dallas visited B. J. Jones Sunday evening.

Mrs. B. J. Jones and Mrs. R. G. Broughton made a trip to Lamesa Monday morning.

Mr. and Mrs. M. J. Kee and daughters and Mr. and Mrs. Jim Greer made a business trip to Goldsboro, Texas. Hazel Greer visited with Mr. and Mrs. Floyd Greer while they were gone.

Georgia Mae Gibson spent Sunday with Hazel Greer.

Mrs. Everett Smith, Jeane and Roger, visited in Odessa Sunday.

The farmers are glad to see the pretty weather for their crops. The rains have done considerable damage to the cotton and feed.

Mrs. Homer Kelly has been visiting her sick mother at Loop.

FIVE MILE

Amelia Foster

Mr. and Mrs. Louis Berry and L. H. Foot of Lubbock, spent the week end with Mrs. A. S. Berry and family.

Mr. and Mrs. George Schruers of Ballinger visited Mr. and Mrs. M. B. Foster Sunday.

Miss Beatrice Crow of Stanton visited Mr. and Mrs. T. M. Crow last week.

Mrs. T. M. Crow has been visiting in Seminole with her daughter, and family. Mr. and Mrs. Lloyd Coats, Her grandson Billie, returned home with her for a visit.

Mr. and Mrs. M. B. Foster and Amelia, visited Mrs. Foster's aunt, Mrs. Grace Thomas and son Harlan, who have recently moved to Lamesa, Sunday afternoon.

Mr. and Mrs. Woodrow Rosewell visited relatives in this community over the week end.

Loyola, Mr. and Mrs. Clyde Davis and family of Munger.

SPARENBERG

Sherman Moulton Jr.

Rev. Marvin Leach of Forsan brought two inspiring messages to the congregations at the Baptist church Sunday.

Mr. and Mrs. Arthur Green and daughter of Frederick, Oklahoma, are visiting in the home of her parents, Mr. and Mrs. F. D. Eason.

Bedford Sutton of Ackerly was a guest of Charles Sutphen Sunday.

Mr. and Mrs. J. A. Flache were guests of his parents over the week end.

Mr. and Mrs. E. A. French and little daughter of Big Spring spent Sunday with Mr. and Mrs. J. T. Pruitt.

Mr. and Mrs. Ed Lauderdale and baby of Brown spent Sunday with her mother, Mrs. Anne Mabry and family.

Mr. and Mrs. Vernon Sutphen of Lamesa spent Sunday with his mother, Mrs. W. A. Sutphen and family.

Mrs. Jeff Dean and little son and Phyllis Ann Green spent the week end in San Angelo with Mrs. Dean's parents and other relatives.

Mr. and Mrs. Otis Green and sons and Mr. and Mrs. Shorty Donham were Midland visitors Sunday afternoon.

Walter Reithmayer, who is a student at Tech, Lubbock, spent the week end with his parents.

Mrs. R. E. Cowart attended the funeral of S. A. Mauldin at Lovington, N. M., last Wednesday.

Mrs. A. L. Cole received word Saturday of the passing away of her aged father at Yuma, Arizona.

Interment was to be at his old home near Boaz, Ala. Monday afternoon. Our deepest sympathy goes to Mrs. Cole in her bereavement.

Mr. and Mrs. R. E. Cowart and son attended church at Ackerly Sunday.

A large crowd of football fans attended the game in Lamesa last Thursday night played between the Klondike team and the Yellow Jackets of Sparenberg. We are happy to report that our boys won by a score of 32 to 18.

Mrs. E. E. Klenk of Olney, Texas, is visiting in the home of her son, Rev. Elmer Klenk and family.

MIDWAY

Mrs. W. E. Love

We had sixty-seven in Sunday School Sunday morning. Brother Coffman delivered the sermon both Sunday morning and evening.

The birthday collection for missions Sunday morning was \$71. After the service Sunday evening the members of the church and Sunday School gave Bro. Coffman and wife a poultice. Many useful gifts were received.

Mr. and Mrs. Curtis Woodward

and children visited relatives in Stanton Saturday.

Mr. and Mrs. Charlie Mullins and daughters visited Mr. and Mrs. Hubert Goff Sunday afternoon.

Mr. and Mrs. Leroy Holliday and son of Flower Grove spent Saturday night with her parents, Mr. and Mrs. Henry Robison of this community.

Mrs. Woodward of Santa Anna is spending this week with her son, Curtis Woodward of this community.

Mr. and Mrs. Henry Robison and Avice, and Mr. and Mrs. Leroy Holliday and son, were dinner guests in the home of Mr. and Mrs. Audry Robison Sunday.

Miss Bonnie Jo Ballard, who is in training at the Hendrix Memorial Hospital, Abilene, spent last week end with her parents, Mr. and Mrs. J. M. Ballard.

Mr. and Mrs. Curtis Woodward and children were dinner guests in the home of Mr. and Mrs. Loyal Schooler, Sunday.

Bud Reece of Brownwood, is making his home with his daughter and her husband, Mr. and Mrs. H. P. Bullion, while he is employed at the Midway Gin.

Mr. and Mrs. Roy Love made a trip to Abilene Sunday.

KEY

Denver Truitt

Sixty-nine were on time for Sunday School Sunday. More came in later for church. We urge every one to come next Sunday for Sunday School.

Mr. and Mrs. Cecil Lynch and family, Mrs. Spencer of Klondike, visited in the home of Mr. and Mrs. J. A. Lynch Sunday.

Mr. and Mrs. W. H. Zeck made a business trip to Lubbock last week.

Claud Elkins, who has been away for some time, returned home last week.

Mr. and Mrs. Joe Unfried and sons of New Home, spent Sunday in the home of Mr. and Mrs. R. H. Stricklin.

Mr. and Mrs. Hub Spraberry and son spent the week end in Matador visiting Mr. and Mrs. Edward Smith and daughter.

Mr. and Mrs. H. A. Shipp are the parents of a new daughter. The young lady has been named Sarah Elizabeth. Both mother and baby are getting along nicely.

Mr. and Mrs. R. H. Stricklin and

family made a business trip to Lubbock last week.

Mr. and Mrs. R. N. Moffett opened the doors of their new home Oct. 21 honoring Mrs. Moffett's mother, Mrs. Brown, with a delightful dinner on her 84th birthday. A delicious white cake, decorated with all the trimmings, was served to Mr. and Mrs. Dement, Mr. and Mrs. H. L. Jeter, Mr. and Mrs. Parker and daughter of Cloudercroft, N. M., Mrs. Brady and daughter, Mrs. S. C. Shipley, Mrs. J. M. Riley, Mrs. Brown, and the host and hostess, Mr. and Mrs. Moffett.

Miss Nellie Mae Bailey of Dallas spent the week end here visiting with relatives and friends.

Conscience Hurts
So He Sends
\$595 To Railroad

Galveston, Oct. 25.—Somewhere in this land of ours lives another honest man and the Santa Fe railway is \$595 richer for it. This sum, enclosed in a letter, was received at the railroad's office here by Treasurer W. D. Sawyer. An unsigned note read: "Enclosed find \$595 for which I was not due. It was received years ago. As my life has changed I want to clear all things up." Postmarked Fort Worth the letter is puzzling Santa Fe officials. "We often receive sums of money through the mail from persons who wish to make restitution," Sawyer said "but in nearly fifty years with the railroad this is the largest amount I have ever received."

The money consisting of four 100 dollar bills, three fifties, a twenty, two tens and one five, will be turned over to Santa Fe's "conscience fund." Hundreds of dollars have been contributed to this fund over the years by conscious-stricken persons all of whom have remained anonymous, Mr. Sawyer said.

Navy Offering
Commissions

NEW ORLEANS.—The Navy Department has authorized the commissioning in the U. S. Naval Reserve of 1,230 men, now in civil life, who possess qualifications which would be of value to the naval reserve in the current emergency. In general, the services of these newly commissioned officers may be utilized chiefly ashore, thus releasing to our expected fleet other more experienced officers now assigned to shore establishments.

Men who possess degrees in chemical, electrical and mechanical engineering are particularly desired, and considerable numbers of doctors and dentists are also needed. Men who have college degrees in other subjects, backed by practical experience in civil life, may find billets for civil engineering, communications or administrative duties. Physical fitness is essential, although minor defects may be waived. The rank to which a candidate may be appointed depends upon his age, qualifications and attainments in civil life.

Interested persons should apply to the nearest Naval Reserve Recruiting Station, or write the Director of Naval Reserve, Federal Office Building, New Orleans.

CHURCHES

AN INCENTIVE TO
CHURCH GOING

"What must I do to be saved?" Left to themselves, men can never answer that question correctly. They always give the wrong answer—an answer that centers in man and his efforts, instead of God and His grace.

In the scripture we read "For all have sinned and come short of the glory of God, being justified freely by His Grace through redemption that is in Christ Jesus." Romans 3:23, 24. To that truth, the Great Reformer Luther clung; to the spreading of that to other sin-distressed souls, Luther dedicated his life; upon that truth the Protestant Reformation was grounded. This is a truth that effects our peace of mind now and our blessedness throughout all eternity. It teaches that God saves sinful men who believe that Christ has died to set them free from the penalty and power of sin, and cling to that truth as their one hope of salvation.

All have sinned, so writes the Apostles. But when the condemned sinner comes to faith in Christ, Christ's righteousness becomes his, and God no longer sees a guilty sinner who must be punished, but a redeemed sinner, cleansed in Christ's blood and wearing Christ's righteousness, so that God in all justice can say to him, "I pronounce thee just." This Bible truth deals the death blow to all answers to the opening question that center in man and his efforts, and tells us that "Therefore we conclude that a man is justified by faith without the deeds of the law." Rom. 3:28, and should we in the last great day plead our own good works as a ground for entering heaven, we shall find to our sorrow the truth which Paul plainly states in Romans 3:20 "Therefore by the deeds of the law there shall no flesh be justified in His sight, for by the law is the knowledge of sin." But the just shall live by His faith." Habakkuk 2:4. But "Faith cometh by hearing and hearing by the word of God." Romans 10:17.

"The people that sat in darkness saw a great light."

And to them that sat in the region of shadow and death, To them did light spring up."

—Matt. 4:16.

In these days of the world's darkness, the Church is vital in each individual life. Come; worship with us.

WOMEN MAKE TROUBLE
CONQUERORS WILL TELL YOU
AP Feature Service

For harboring fallen RAF crews in the German-occupied zone French women are being deported to German concentration camps. French women treat with contempt any French girls seen with Germans. Mothers embarrass Germans by demonstrating to demand milk for their children.

The printing of clandestine newspapers and pamphlets by seven Belgian women brought them severe jail sentences from a German military court. In London, Czech officials say: The temper of the Czech women has had much to do with the strong will of our people to resist.

Sniping by a Russian girl named "Olga" killed 14 officers and men in occupied territory, Russians say. She had captured the pistol she used. In Yugoslavia a Serbian girl has been leading a guerilla band of "Chetniks." Three other Yugoslav girls dynamited German shops.

Wrecking activities behind Japanese lines is carried on by Chinese feminine guerillas said to number 20,000. In North China peasant women had a contest to see who could cut down most telephone poles along a Japanese held railway in one night. The winner chopped down thirty-six.

The Chinese jubebe, sometimes called Chinese date, is extremely hardy and produces a crop of fruit yearly. It grows well in West Texas areas having 18 inches rainfall.

Agricultural wage rates on Oct. 1 had advanced to 165 percent of the 1910-14 average, five points over July, 36 points over a year ago, and were at the highest level since 1930, says the United States Department of Agriculture.

Study Canned
Goods Before
Buying Them

With food prices soaring from week to week, Texas people who can't produce and conserve most of their food at home need more than ever to get full value for their money when they buy canned foods.

Grace I. Neely, specialist in food preservation for the A. and M. College Extension Service, points out that whether the consumer's pocketbook is plump or lean, it pays to buy canned goods wisely.

Since there are thousands of brands available in retail stores, neither the homemaker nor the retailer can be sure of the quality each brand is supposed to represent. That's where the Department

of Agriculture's Agricultural Marketing Service has come to the rescue. Regardless of the brand name, the quality classes for canned fruits and vegetables established by the Department of Agriculture provide a reliable means of identifying quality. Only products packed in plants under the "continuous inspection" of the Agricultural Marketing Service can be labeled as a "U. S. grade."

Here are the four grades, guideposts to consumers:
Grade A (Fancy) — Only the finest canned fruits and vegetables are in this grade. They are carefully selected as to size, color, degree of maturity and freedom from blemishes.

Grade B (Choice) — Products in Grade B are of excellent quality but not so carefully selected or so tender or succulent as those in Grade A.

Grade C (Standard) — Products in Grade C are of good quality but

not uniform in color, size and maturity as B.

Below Grade C — Some canned fruits and vegetables which fail to meet the requirements of Grade C in certain respects may be wholesome, nutritious and acceptable in flavor. If labeled to meet regulations under the Federal Food, Drug and Cosmetic Act, they may be sold on the retail market.

The Navy Department has announced that during the first half of August six vessels were launched and eighteen new keels laid.

Since bacterial canker may be spread in nursery stock, young plum, peach, nectarine and apricot trees purchased for planting should be carefully inspected.

A minimum height of 64 inches is required for enlistment in the U. S. Navy.

Price, Billy Ridgeway, Jimmie Norris, Jack Barrett, Johnnie Jo Barrett, Sarah Hollingshead, and the honoree, and Mrs. George Gable, Mrs. Hardy Jones, and Mrs. H. J. Nelson.

BOBBIE GENE FOUTZ
CELEBRATES 11TH
BIRTHDAY MONDAY

Mrs. Paul Foutz entertained with a birthday party for her son Bobby Gene on his 11th birthday, Monday afternoon at their home.

Various games and contests were enjoyed during the afternoon. Red, white and blue color scheme was carried out in the decorations and refreshments.

Cake and punch were served to the following guests: Otis Harold Arnett, Edwin Harold Jacks, Harold and Carol Putrell, Charles Henry Smith, Elton Moore, Vane Martin, T. J. Corbin, Harold Parsons, David Lawrence, Arthur Bizzell, J. A. White, Rex Burns, Euland Beck, Floyd Hodges, Thomas Rogers, Suzanne Goen, Gloria Simmons, Gerry Renner, Caroline Lou Tilman, Reta Nell Bearden, Nelda Jo Duncan, Betty Ann Serface, Jo Ann Mathews, Lucille Ballew, Billy Lawrence, Barbara and Paula Foutz, and the honoree Bobby Gene.

P-T. A. TO MEET
NOVEMBER 12TH

Due to the State Convention in Austin the first week in November, the Elementary P-T. A. will not meet on the first Thursday, but will meet at 2:30 p. m., November 12. Mothers, please remember.

MRS. FRANK ROSE
HOSTESS TO TUESDAY
BRIDGE CLUB

Chrysanthemums and roses decorated the entertaining rooms of Mrs. Tom Burnside's home Tuesday afternoon when Mrs. Frank Rose was hostess to members and guests of the Tuesday Bridge Club.

In the games of the afternoon Mrs. Elzie Burleson was awarded the high score prize and slam prizes were awarded to Mrs. W. A. Wallace and Mrs. Burleson.

Guests attending were Mesdames Elzie Burleson, Tom Burnside, Chas. Procter, J. E. Garland, Gordon B. McGuire, Jr., J. L. Sybert, W. A. Wallace, and Gilbert Watson.

MRS. A. M. BENNETT
HOSTESS TO CLUB
TUESDAY AFTERNOON

Chrysanthemums decorated the home of Mrs. A. M. Bennett Tuesday afternoon when she entertained for members and guests of the Pioneer Club.

During the afternoon games of 84 were enjoyed after which a refreshment plate consisting of Spanish salad, fritos, pie and coffee, was served to the guests.

Attending were Mesdames Ray Williams, Johnson, Dixie Kilgore, D. S. Day, Walter Barfoot, W. V. P. Baker, Joe Barron and N. E. Bartlett.

MISSISS COOK AND
SIMPSON HOSTESSES
AT PARTY MONDAY

Miss Vivian Cook and Miss Nell Frances Simpson entertained Monday evening for a group of friends with a bridge party at the home of Mrs. Z. T. Davis.

During the games of the evening Mrs. Roy Powell was awarded the high score prize and Miss Lavenia Estes was awarded the cut prize.

At the conclusion of the games a delicious refreshment plate, consisting of a salad, sandwiches, sand tarts, and hot chocolate, was served to Mrs. V. Lawson, Mrs. Roy Powell, Mrs. Z. T. Davis, and Misses Valda Moore, Marguerite Flanken, Bess Shanks, Billie Ruth King, Emma Hill, Fern Tombs, Lavenia Estes, Geraldine Smart, and Ruth Magee.

JUNIOR DEPARTMENT
ENTERTAINED WITH
PARTY MONDAY

Teachers and officers of the Junior Department of the First Baptist Church, entertained for members and guests of the department, Monday evening at the church with a Halloween party.

Various games, contests, and fortune telling furnished the fun for the evening. At the refreshment hour hot dogs were served to the guests.

Ninety-eight members and guests attended.

MRS. RAY WILLIAMS
HOSTESS TO 42
CLUB THURSDAY

Mrs. Ray Williams was hostess to members and guests of the Thursday 42 Club, Thursday afternoon at the Williams Hotel.

The entertaining rooms were attractively decorated with bouquets of chrysanthemums and roses. During the afternoon games of 42 were enjoyed, after which a delicious salad course was served.

Those attending were Mesdames T. L. Higginbotham of Dallas, A. G. Waugh, A. H. Smith, Bill White, Lee Billingsley, Herbert Caudle, Walter Barfoot, Irvin Wright, Dee Hull, Walter Jones, Lanan Bissett and Ross Boardman.

MRS. DORMAN KINARD
HOSTESS TO ESTHER
CLASS THURSDAY

Thursday evening from 6:30 until 7:30 the Euzeland Sunday School Class of the First Baptist Church held a business meeting at the home of Mrs. Dorman Kinard. The class name was changed to "The Esther Class" and new officers were elected.

Anita Carlile was elected president; Juanita Merritt, membership vice president; Lois Howard, stewardship vice president; Peggy Speck, social chairman, and Lorene Mitchell, reporter.

At the close of the meeting, refreshments of cookies and lemonade were served to Peggy Speck, Lois Howard, Laverne Smith, Belva Lou Burks, Juanita Merritt, Lorene Mitchell, and the teacher, Mrs. Kinard.

European Russia is virtually one vast, rolling plain.

JUNIOR B. T. U. DEPT.
ENTERTAINED WITH
HALLOWEEN PARTY

Mrs. Elmo Smith, assisted by Mr. and Mrs. Homer Alexander, sponsors of the Junior B. T. U. Department of the First Baptist Church, entertained with a Halloween party for the members of the department.

Various Halloween games and contests were enjoyed during the afternoon. Popcorn balls and candy were served at the refreshment hour.

About 30 members attended.

PAULA JO FOUTZ
CELEBRATES 8TH
BIRTHDAY

Mrs. Paul Foutz honored her daughter, Paula Jo, on her 8th birthday, with a party at their home Saturday afternoon.

Various Halloween games and contests were enjoyed. The Halloween motif was carried out in the decorations and favors.

At the conclusion of the games, cup cakes and punch were served to Royce Dyer, Don Mitchell, Ernestine Baldwin, Madge Ann Lawrence, Juanita Scott, Gladys Davis, Bobbie and Barbara Foutz, and the honoree, Paula Jo.

WEEK OF PRAYER TO
BE OBSERVED BY
LADIES OF F. M. C.

Week of prayer will be observed by the ladies of the First Methodist Church, Friday from 10:00 a. m. until 3:00 p. m.

A covered dish luncheon will be served at the noon hour. All of the ladies of the church are urged to attend this meeting.

Mrs. Doyle Shillingburg and daughter Linda Sue of Brownfield, are visiting in the home of Mr. and Mrs. Blaine Wiggins this week.

Mrs. Lester Billingsley, Betty Billingsley, Mrs. Lester Neimeyer and daughter of Seagraves spent Tuesday in Lubbock visiting with friends.

MRS. DURWIN ECHOLS
HOSTESS TO 42
CLUB WEDNESDAY

Mrs. Durwin Echols was hostess to members and guests of the Wednesday 42 Club Wednesday afternoon at her home.

The entertaining rooms were attractively decorated with bouquets of chrysanthemums. During the afternoon games of 42 were enjoyed, with a delicious refreshment plate being served at the conclusion of the games.

Those attending were Mesdames Joe Whitlow, Nelson Williams, Joe English, Jop Baldwin, Blaine Wiggins, Elmer Cope, Barney McKinney, Ebbie Lee, Carl Peterson, J. T. Agre, Hardy Jones, Stancell Clements.

SPEECH CLASS TO
REVIEW BOOK

At an early date a group of Mrs. Valeria Sharp Pratt's speech students will appear in a good will program, presenting as the main feature of the entertainment a review of "Timothy Taylor."

The many Americans who found "The White Cliffs" a moving tribute to England will enjoy this story of a little British boy who comes to visit in America for the duration of the war.

It is the plan of the speech class to charge a small admission and use funds procured for the adoption of a British refugee child.

Through the American Relief Club there is a plan which makes it possible for any group or private citizen to sponsor a British child's care in a British refugee home for the small sum of thirty dollars.

Letters and pictures may be exchanged. The speech students are entering the project with much enthusiasm and are to be commended for the kind gesture toward British children.

WHAT MAKES A SILVER
PATTERN A BEST SELLER?

"The outstanding success of 'Adoration' stems from its rich sterling-like design. The greater height and depth of each lovely detail gives sculptured effect never before achieved in any silver plate."

Mrs. Adams of the Adams Jewelry store continues to say: "Before it was put into production, 'Adoration' was shown to hundreds of women all over the country. The enthusiastic reaction to this pattern proved in advance that it would be a winner with the public."

"We cordially invite the public to see this pattern of 1847 Rogers, which is now on display in our window." — Adv.

Texas 4-H Boys
Win Third In
National Contest

Texas 4-H Club dairy judging team from Ellis County won third place in the nation-wide dairy judging contest held recently during the National Dairy Show in Memphis, Tenn., according to information received by L. L. Johnson and J. W. Potts, state club agents of the A. and M. College Extension Service.

The team, composed of Boyd Couch, Davis Sutherland, and Edwin Prather, was coached by Assistant County Agricultural Agent John Whitfield of Ellis County.

First place in judging Jerseys was awarded the Texas team, and they placed seventh in the Holstein and Guernsey divisions. Young Couch ranked fourth in judging Jerseys and Guernseys, while Sutherland was fourth in Ayrshires and Prather was eighth in the Jersey class.

MRS. J. E. MORRISON
CELEBRATES BIRTHDAY
SUNDAY

Mrs. J. E. Morrison of Ackerly, was honored October 26th with a birthday dinner at the home of her son, Mr. and Mrs. Preston Morrison.

Mrs. Morrison was born in Hill County in 1860 and remembers the return of her father from the Civil War in 1865. She is truly a Texas pioneer and recalls many incidents of early years. At one time her grandfather killed calves to feed the Indians that the government was sending to Oklahoma.

Mrs. Morrison was present when the lots were sold for the town of Whitney, also saw the first train come to the town.

After her marriage to J. E. Morrison in 1879 they moved to Hamilton County. Several years later they moved to Bosque County, leaving there in 1906 for Mitchell County. The trip was made in a covered wagon and required ten days.

Mr. Morrison passed away in 1924 at Lorraine, Texas. Last January she and her daughter moved to Martin County where they now reside.

Two children, Mrs. K. K. Boyce of Lella Lake, Texas, and Mrs. Oscar Haygood of Roscoe, were not present for the celebration.

At the noon hour dinner was served picnic style on the lawn.

Those attending were her sister, Mr. and Mrs. Enoch Hays and Mrs. Inez Thompson, of Whitney, Texas; a brother, Mr. and Mrs. Sam Myers of Aspermont, and the following children, grandchildren and great-grandchildren: Mr. and Mrs. Ed Manning and Calvin Manning of Albuquerque, N. M.; Mrs. Roy Kidd and son Kenneth, Lakeview, Texas; Mr. and Mrs. W. D. Jones, Royalty, Texas; Mr. and Mrs. Denzil Jones, D. D. and De Lynn, Wink, Texas; Mr. and Mrs. Velmer Hamilton, Cleon, Jewel and LaRue, Lubbock; Mr. and Mrs. Donald Parrott, and Eddie, Mr. and Mrs. Tennis Alderson, Mr. and Mrs. Jack Boyce, J. K. and Daymon Lee Boyce, Mr.

and Mrs. Tom Manning, Janice Frances, Bobbie and Louis, all of Midland; Mr. and Mrs. Seth Morrison, Ronell, Glen and Reba Dell, of Stanton; Oliver Boyce, Johnnie Britton, Nannie Morrison, and the honoree, Mrs. J. E. Morrison of Ackerly.

Hospital News . . .

O. L. Woody is a medical patient this week.

Mr. and Mrs. Raymond Honeycutt are the parents of a baby boy born October 29.

Next Month Last
For Dog Poisoning

The month of November will be the last opportunity farmers and ranchers of Dawson County will have to rid their places of prairie dogs, with the supervision of the Fish and Wildlife Service.

J. B. Gibson, now stationed at Lamesa, will remain until the last of November. Anyone desiring to rid their property of dogs may contact J. B. Gibson at the County Agent's office in Lamesa.

Cyanide flakes are used to kill the prairie dogs. This type of poison has been found to be more efficient than any other used to date by the Fish and Wildlife Service in eradication of prairie dogs.

PERSONALS

Mrs. Don Altman of Brownfield spent Tuesday here visiting with her parents, Mr. and Mrs. J. C. Hart.

Mr. and Mrs. Mike Key, who have made their home in Littlefield for the past several weeks, have returned to Lamesa.

What's it got you haven't got in your present automobile?

HERE stands an automobile — the automobile, we believe, of 1942.

What's in it to lay claim on your attention? Well, among other things:

A valve-in-head engine — the same type of engine used in every modern airplane.

FIREBALL compression — specially contoured Domite pistons that wring more good out of every drop of gas.

Compound Carburetion — a compound available at slight extra cost on Buick Special models, standard on all other Series.

stant check and double check on gas usage to see that you get both power and range from the fuel you buy.

There are longer-lasting bearings, stouter connecting rods, broadrim wheels that steady the ride and deliver top tire mileage.

There's a torque-tube drive such as

you find in America's fastest fighting planes, and soft, gentle all-coil springs that never need any mothering care.

There are ruggedness, dependability, frugal use of gas and oil, and as for life and action and ability — why not see for yourself?

In short — go try out this Buick and see why it is the automobile of 1942 — and your smartest buy considering the times.

No other car has ALL THIS FOR YOU IN '42

FIREBALL STRAIGHT-EIGHT VALVE-IN-HEAD ENGINE

* COMPOUND CARBURETION (standard on most models)

* OIL-CUSHIONED CRANKSHAFT PINS AND JOURNALS

* STURDILY CONNECTING RODS * STEPCON PARKING BRAKE * BROADRIM WHEELS * FULLY ADJUSTABLE STEERING POST & BODY BY FISHER * WEATHERWARDEN VENTILATOR (optional)

"BETTER BUY BUICK"

EXEMPLAR OF GENERAL MOTORS VALUE

CAMPBELL MOTOR COMPANY

216 NORTH MAIN STREET

LAMESA, TEXAS

The first commercial tung nut Southwestern Louisiana, is estimated mill in Texas, but there are two crop for Southeast Texas and ed at 500 tons. There is no tung oil or more in Louisiana.

NOT MUCH CHANCE
for you to go clocking different brands of motor oil to prove which one flows fastest in Eskimo season. Yet the quicker the lubrication at every cold start, the less "dry rub" on delicate surfaces in your engine. Then why not change now to Conoco Nth oil for Winter and get an OIL-PLATING engine? OIL-PLATING is up in the cylinders to fight fierce grind, much sooner than any plain oil-flow alone could even start wiggling.

Conoco Nth oil, you see—all in addition to speed flow—fastens OIL-PLATING to inner engine surfaces, as if by "magnetic attraction." This closed-body OIL-PLATING is up to its topmost point before you even touch the starter—and that's "faster than fast," to aid you toward anti-friction starting.

Even up in Iceland, of course, any engine's normal firing is hotter than the Land of the Hottentots. Yet you don't want to "burn up the oil." And Conoco Nth proved it could last for more than twice the mileage averaged by the five other big-name oils in the impartial Death Valley Death-Test. When all five others were used up—engines ruined as each

strict 5-quart fill gave out—the Conoco Nth oil that competed under identical conditions was still up at 2.7 quarts! Certified!

A known economy record... plus a known aid to safe prompt starting... when you change to Conoco Nth for Winter OIL-PLATING, at Your Mileage Merchant's Conoco station. Today, Continental Oil Company

GAVE TWICE THE ENGINE LIFE!

This oil that OIL-PLATES gave its engine more than twice the life averaged by the engines using the other oils in the Death-Test.

In these times use your car prudently. And use oil that's great for engine life — changing regularly as recommended.

Good starting — good lubrication against all needless wear — helps conserve gasoline, too.

There's a torque-tube drive such as

you find in America's fastest fighting planes, and soft, gentle all-coil springs that never need any mothering care.

There are ruggedness, dependability, frugal use of gas and oil, and as for life and action and ability — why not see for yourself?

In short — go try out this Buick and see why it is the automobile of 1942 — and your smartest buy considering the times.

No other car has ALL THIS FOR YOU IN '42

Senator Josh Lee To Talk At Baptist Brotherhood Meeting Next Month

ABILENE, Oct. 24 — Senator Josh Lee, Washington, D. C., will climax the first day's program of the annual Baptist Brotherhood Convention, Monday night, Nov. 10, with an address on "America, the Arsenal for the Cause of Christ." It is announced by Judge E. S. Cummings, Abilene, State Brotherhood president.

Acceptance by Senator Lee (D., Okla.) of the invitation extended by the Brotherhood completes one of the best programs ever offered Texas Baptist laymen, according to officers of the group. More than 3,000 are expected in Abilene for the convention. R. A. Springer, State Baptist Brotherhood secretary, said today.

Dr. W. R. White, Abilene, Thomas J. Pitts, Odessa attorney, and Rev. Roy S. Holloman, El Paso, will speak Monday afternoon.

Monday night, Dr. W. W. Melton of Dallas, secretary of the Baptist

General Convention of Texas, is to address the group. A Brotherhood demonstration will be conducted by the First Baptist Church Brotherhood of Abilene, Lacy Beckham, president.

Speakers Tuesday morning include Dr. Homer P. Rainey, president, University of Texas, Austin; Dr. Perry F. Webb, pastor, First Baptist Church, San Antonio; Dr. F. M. McConnell, Dallas, editor, Baptist Standard; Dr. T. J. Watts, Dallas, executive secretary, Relief and Annuity Board; Clarence A. Morton, Ballinger; and Lyman Wren, Snyder.

Dr. George W. Truett, Dallas, will close the Convention Tuesday afternoon with an address on "The Church in the Present Day Crisis." After the session Tuesday afternoon, a tour of Baptist institutions, mission stations, and Camp Barkeley, has been arranged. This will be followed by a "big barbecue" at 6:00 p. m.

Workers Lose If Employer Fails To Give Report

The amount of wages credited to each worker's account by the Social Security Board is taken from employers' reports and if the employer fails to furnish a report or if his report is incomplete, the Board's record will be incomplete, according to Robert M. Mayne, manager of the Big Spring Social Security Board field office. This doesn't happen very often but it can and does in some instances, he said.

"Any employee can check his wage record and if the amount of wages shown is found to be incorrect, he can have a correction made; however, the time in which he can do this is limited by the law to 4 years after the year in which he received the wages. There is still time to obtain correction in wage records for the first year of the system—1937—but it must be done before the end of this year. Any employee who has good reason to doubt that his wages were fully and correctly reported for the year 1937 should immediately check with the Board to find out. Then if it should be found that all of his wages were not reported for that year, there is the rest of the year—until the end of 1941—to get the matter straightened out."

Mayne explained that every Social Security office has post cards for workers to use in asking for a statement of the wages credited to their accounts. These are furnished without cost upon request and require only a one-cent stamp to mail. Or the worker can write a letter to the Social Security Board, giving his name, social security number and date of birth, and request a statement of his account. In either case, he will receive in reply a statement showing the amount of wages credited to his account not only for 1937, but for every year since then.

If the worker has reason to believe the statement he receives is not correct in any way, he should immediately get in touch with the nearest Social Security Board office, Mayne stated.

Mrs. M. C. Lindsey spent the week end at Waco visiting with her daughters, Frances and Virginia, who are students at Baylor University.

Mrs. Hilda Whittle returned Tuesday from Dallas where she had spent several days visiting with friends.

Mrs. Bernard Moore will leave Friday for San Antonio where she will join her husband who is employed there.

Mrs. Ralph Fry has accepted a position with the Lamesa General Hospital.

Mr. and Mrs. J. R. Weaver spent Wednesday in Lubbock attending to business.

Federal Savings And Loan Associations Reach An All-Time High On Loans

LITTLE ROCK, Ark. — A new all-time high record in the volume of lending done has been established since January 1 by the 120 insured savings and loan associations in Texas, the Federal Home Loan Bank of Little Rock reported today.

The Texas associations loaned \$22,523,360 to 11,523 Texas home owners in the first nine months of this year which was an increase of \$3,030,000 over the high water mark reached in 1940. The figures compiled by the bank include the lending activities of the Lamesa Federal Savings and Loan Association by which the local area is served.

Month by month, throughout the year the figures have shown steady gains over the old records. The bank reported, September being the fifth consecutive month in which the loans made exceeded \$2,500,000. Of the loans granted this year, \$8,484,000 was used toward the construction of new homes, while \$6,955,000 was applied by the borrowers towards the purchase of existing dwellings.

"It is gratifying to see the fine part the Texas associations are having in the encouragement of home ownership," an official of the Bank said, "for through the home financing they are doing, they are making it possible for thousands of thrifty people to become home owners who otherwise would be merely renting houses on a month to month basis."

As evidence of the value of the associations to persons of modest means, it was pointed out that the 11,523 loans made this year were for an average amount of \$2,000, and are repayable in small monthly installments over a long period of time. The associations are reported to have ample additional funds available for all types of home financing, and are well prepared to continue their activity in the lending field. In addition to their own resources, they have available to them the facilities of the Federal Home Loan Bank System of which they are members.

AND WAS HE BURNED UP COLUMBIA, Mo. (AP) — After Paul Christman, colorful University of Missouri passing star had whipped favored Nebraska two years running, the Cornhuskers heckled him hard from the bench and on the field.

In his senior year, a particularly vicious tackle dropped him near the sidelines where the red-shirted Husker bench-warriors continued to pour it on.

Nonchalantly—as usual—Christman picked himself up and, ignoring the reserves, addressed Major Lawrence (Biff) Jones, the Nebraska coach:

"Say, Major, what are you teaching these guys—touch football?"

Miss Mary Clements of Goldthwaite, is visiting with her mother, Mrs. Duke Clements here this week.

LET'S GO TO COLLINS

It's the saving event of the season and people from miles around will find that it pays to Go To Collins for everything you and your family will need, and you will further find that selections in all lines are complete and the prices are absolutely right.

Dr. and Mrs. J. C. Burleson of Camp Wallace spent the week end here visiting with friends.

Catholic Bishop

The Rt. Rev. Laurence J. Fitz-Simon, appointed by Pope Pius XII as Bishop of Amarillo, looks after one of the largest Catholic dioceses in the United States. It embraces 73,000 square miles.

Employers Must Give Report Of Worker's Pay

Complaints recently received from workers indicate that some employers are not familiar with the requirement that a statement of wages paid must be given to each employee, according to Robert M. Mayne, manager of the Big Spring office of the Social Security Board. "The Social Security Act provides that every employer shall furnish a written statement to each of his employees, in a form suitable for retention by the employee, showing the amount of wages paid," Mayne said.

No special form is prescribed, but the statement should show the employer's name, the employee's name and account number, the total wages paid, and the amount of tax deducted. The statement may be given for any period not exceeding one year; if given on each pay day, the date should be shown, but if it covers more than one pay period, the statement should show the period of time covered. When a wage earner's services are terminated for any reason, a final statement must be given by the employer at the time of the final wage payment. Willful failure of an employer to comply with these requirements, makes him subject to a penalty of not more than \$500 in each case.

Centennial Of Texas Statehood Be Celebrated

AUSTIN, Oct. 24 — Celebration of Texas' Centennial of Statehood was implemented today by the appointment of Karl Hoblitzelle, of Dallas, as Chairman of the Texas Centennial of Statehood Commission.

The appointment of Mr. Hoblitzelle, widely known philanthropist and theatre head, followed a conference between Governor Coke R. Stevenson, Statehood Commissioner A. Garland Adair, Col. Paul Wakefield, and other leaders in the celebration movement.

The regular session of the 47th Legislature gave approval to a plan for state-wide observance of the 100th anniversary of Texas' admission to the Union.

The celebration will be held in 1945-46, marking the centennial of the occasion when the Republic of Texas became the 28th state admitted to the Federal Union.

Designation of Mr. Hoblitzelle as Chairman by Commissioner Adair was approved by Governor Stevenson in a statement praising Mr. Hoblitzelle for his work in numerous civic and cultural undertakings. Governor Stevenson said:

"Mr. Hoblitzelle's valuable services during our 1936 Centennial, his production of A Cavalcade of Texas, shown at two world fairs, and his sponsorship and pioneering to success the Texas School of the Air, as well as many other public services to his State, have given him rightfully the description — 'one of Texas' most useful citizens.'"

Legislation enacted by the recent regular session of the Legislature which extended official state sponsorship for the celebration plan was supported by Governor Stevenson, at that time Lieutenant Governor and President of the Senate. Both House and Senate gave unanimous approval of the statehood celebration resolution.

This resolution named A. Garland Adair, Curator of the Texas Memorial Museum, as general commissioner to appoint associates and will develop a program and plans to be submitted to the 48th Legislature. Members of the Texas Centennial of Statehood Commission will serve without pay.

"The selection of Mr. Hoblitzelle as chairman of the commission has provided history-proud Texans with the highest caliber of leadership in the celebration of our statehood," said Commissioner Adair. "I know the people will respond to his leadership and join in the appropriate observance of one of the most glorious events in Texas history."

Mr. and Mrs. Gilbert Watson will leave Friday for Waco where they will spend the week end visiting with friends.

LOYOLA
Mrs. L. M. Wiggins

Several from here attended the Fair at Lamesa Friday and Saturday.

Woodrow Thomas of Colorado City is here visiting his sister, Mrs. E. L. Wade and family.

Mr. Proctor and son of Lubbock visited O. Phelan and son J. D. Sunday.

Mrs. Robert Dunn, Mrs. Bass, Mrs. William Stass and daughter, Doris, Mrs. Leo Phelan and Mrs. Loyd Wiggins visited Mrs. Charlie Butcher Wednesday afternoon.

Several from our community attended the Fair at Stanton Friday. Our home demonstration club and school went together and fixe da booth and won first place. We won lots of first, second and third places.

Mr. and Mrs. Lloyd Wiggins and son Wayne visited his parents, Mr. and Mrs. C. L. Wiggins of Klondike Sunday.

Frank Walker and son Hershel of Dallas, are visiting with Mr. and Mrs. Leo Phelan and family.

Mrs. Johnnie Corbin and son made a business trip to Lubbock and Slaton Friday.

Dean Dauley of Texas Tech. Lubbock, spent the week end here visiting with his parents.

The school children are planning a carnival to entertain the community Friday night. Everyone is invited to come and do their part.

Mr. and Mrs. A. E. Dauley made a business trip to Big Spring Saturday.

WHO'S THE GOAT?

MADISON, Wis. (AP) — Coach Harry Stuhldreher of the University of Wisconsin's Badgers is the goat of this story.

Stuhldreher was waxing a bit sarcastic during a recent scrimmage session. One play backfired three successive times and Harry, exasperated, yelled:

"Makris, Makris, where were you on that play?"

"Not me, coach, not me," came the voice of the junior guard who, at Stuhldreher's side all the time had watched the maneuver fizzle. Even Stuhldreher had to laugh.

Mr. and Mrs. W. C. Foutz of Abilene spent the week end here visiting with Mr. and Mrs. Paul Foutz.

Eddie Guynes of Dallas is visiting with friends in Lamesa this week.

Mr. and Mrs. Jack Moreland of Artesia, New Mexico, spent the week end here visiting with his parents, Mr. and Mrs. G. F. Moreland.

Move Out As Rio Grande Moves In

A boat piled high with belongings, residents of Rio Rico, Mexico moved to higher ground as Rio Grande flood waters moved in. The international bridge leading to Mercedes, Texas, is in the background.

STATEMENT OF THE OWNER-SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933

Of Dawson County Courier published Semi-weekly at Lamesa, Texas for October 1941.

STATE OF TEXAS:
COUNTY OF DAWSON: ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Joe Alexander, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Dawson County Courier, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse side of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher Joe Alexander, Lamesa, Texas; Editor J. W. Smith Jr., Lamesa, Texas; Managing Editor Joe Alexander, Lamesa, Texas; Business Manager, Lamesa, Texas.
2. That the owner is Joe Alexander, Lamesa, Texas.
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Mergenthaler Linotype Co., Brooklyn, N. Y.
4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

Joe Alexander, Publisher.
Sworn to and subscribed before me this 25th day of October, 1941.

(My commission expires June 1st, 1943.)

Japanese Eyeing Western Hemisphere As Fulfillment Of Dream Of Fifty Years

By MORGAN M. BEATTY
AP Feature Service Writer

WASHINGTON — Japan is eyeing the western horizon of her traditional hemisphere again. That's the explanation behind the Tokyo cabinet crisis.

The Japanese hemisphere is a dream of all Japanese statesmen—a dream more than 50 years old; a dream nearer to reality today than ever before in the history of the land of the rising sun.

That hemisphere is a great half-circle which centers at Tokyo, and with a radius that extends 2,200 miles westward to Lake Baikal; 2,000 miles southward to Canton; and 2,200 miles northward to include the bulk of Kamchatka peninsula.

The army and the navy have been champing at the bits—especially the army—since 1890, to break out of the Japanese islands, and bring the Japanese hemisphere into reality.

The army first got its way in 1895 in the war against China. Helpless China gave up the Korean peninsula, and set the Japanese for the next step toward their coveted hemisphere. Ten years later they burst through the restraints of Japanese statesmen again and fought a war with Russia. Out of it Japan increased her hold on Korea, and grabbed the Kwantung peninsula. She got the southern half of Sakhalin Island, too, with its valuable fisheries and oil.

The pressure of the great powers including the United States, prevented further expansion until the world war, when the Japanese took the Shantung peninsula from the Chinese—but were forced by the Allies to give it up.

The world wide depression was the next signal for Japanese expansion toward the hemisphere they wanted. In 1931, the Japanese invaded Manchuria, and in 1935 began subduing the northern section of China around Peking.

In the midst of this operation—which carried the Japanese closer to the Lake Baikal extremity of the hemisphere than they ever dared dream they'd get in this generation—the western nations went to war against each other.

This time, Japan joined the Axis, and as soon as France fell began a march toward the southern limits

of the hemisphere. Indo-China fell into Japanese hands.

Next came the Russo-German war. As long as the Russians held the Germans back, the Japanese waited, but as soon as the Reich's armies began to menace Moscow, the Japanese moderate statesmen began to lose their hold on the army and navy again. For the Japanese army saw the possibility of pushing toward a part of the hemisphere they most desired—toward Vladivostok, which is a Russian point aimed at the heart of Japan.

And so, General Eiichi Tojo became premier in mid-October. General Tojo has publicly stated that Japan must be prepared to fight both Russia and China at the same time.

As matters stand, Japan is blocked in the south by the United States and Great Britain, on the southwest, she's blocked by the persistent Chinese. And on the north there's a Russian army, but much of it may have been moved to the Western front.

Perhaps Japan will continue to wait awhile yet, perhaps not.

WE WON! WE WON!

PATERSON, N. J. (AP) — It was on the deadline of the last edition when the telephone rang in the Paterson Evening News sports department. A schoolboy correspondent was on the line.

"We won! We won!" he shrieked with Flatbush frenzy—and hung up.

Just who "we" were, and who "we" beat" is still unknown.

Mrs. J. D. Fisher returned the first of the week from a visit with friends in Big Spring.

Farmers Of County Urged To Earn All Payments From AAA By Co-operating

Unless farmers of Dawson County take immediate steps to earn their maximum soil-building assistance, they will lose the opportunity to use this money for improvement of the soil on their farms.

Fair Exhibits Prove Attractive

More interest was expressed by the general public in the educational exhibits of the 1941 Dawson County Fair, than has ever been noticed before since the beginning of the event five years ago.

Attracting special interest was Company A, 97th Quartermaster Battalion (Bakery), sent to Lamesa from Fort Sam Houston, San Antonio, to demonstrate army methods of field cooking and baking, and to explain camp life and to display various types of soldier's equipment. The unit was commanded by Major Carroll R. Davis.

Something new insofar as the Dawson County Fair is concerned, was the omission this year of competition among the educational exhibits. Each booth was guaranteed \$5.00 and all booths were rated satisfactory or unsatisfactory, with the understanding that only those given satisfactory rating should be allowed space in the 1942 Fair. Educational booths were sponsored by, and all given satisfactory rating, the Dawson County 4-H Club Boys, Dawson County 4-H Club Girls, Spangenberg Future Farmers, Spangenberg Future Homemakers, Union Future Homemakers, Dawson Future Farmers, Dawson Future Home makers, Klondike Future Home makers, and the Women's Home Demonstration Clubs of Dawson County.

Not in this class, but having educational booths, were the State Game Management Department, Dawson County A.C.A., Dawson County Health Department, and the Farm Security Administration.

Ammonia is vital to the making of military explosives.

this year, according to Vernon Martin, Dawson County Administration Officer.

Since 1941 program ends November 30, all practices must be completed by that date if payments are to be received under this year's program.

Last year farmers of Dawson County failed to earn 43 per cent of the soil-building assistance allowed under the AAA farm program, Martin said, while farmers of Texas fell short of earning the maximum by two and one-half million dollars.

The big issue is not the amount of money earned, but the amount of soil-building practices farmers failed to use.

Improving the fertility of the soil is all the more important now, the official said, since the demands of consumers in this country and the needs of nations resisting aggression require still greater food production in the interest of national defense.

Practices which still can be completed by the end of the contract year include planting winter legume and terracing, contour ridging, listing, chiseling and furrowing non-crop pasture, and building earthen tanks and reservoirs.

These practices tend to preserve soil and moisture, prevent erosion and improve grass supply.

Dawson Man To Return Home From Army

Camp Polk, La.—(Special) Elbert H. Caviness, Private of Co. "C," 33rd Armored Regt. (L) of the 3rd Armored Division is to return to his home after having spent four months in the United States Army. It was announced today by Colonel Robert W. Strong, commanding 33rd Armored Regt. (L). He is among the first of those to leave Camp Polk because of recent legislation relieving selectees that are over the designated age limits, or with dependents, from active duty.

Overplanting Of Any Wheat Means Losing All Of It

Wheat farmers overplanting their 1942 wheat acreage allotments by any amount will be ineligible for full parity and conservation payments and wheat loans, according to Vernon Martin, Administrative Officer, Dawson County.

Under the 1941 program, farmers who exceeded their allotment by not more than the larger or three percent of three acres could dispose of the excess acreage within a prescribed length of time and qualify for maximum payments, Martin said in explaining that this tolerance would not be permitted under the 1942 program.

The deduction rate for excess wheat under the 1942 Agricultural Conservation program has been raised from six times the payment rate specified under the 1941 program to ten times the payment rate. The new deduction rate applies to parity as well as agricultural conservation payments.

If allotments are exceeded by as much as ten per cent, the penalty rate will wipe out the entire wheat parity and conservation payments. If the acreage allotment is exceeded by more than ten per cent, deductions will be applicable to other payments earned unless the non-allotment wheat farm option was followed, the AAA official said.

Marketing quota restrictions will apply to producers on farms subject to quotas on which wheat acreage allotments have been exceeded in the event a marketing quota on wheat is approved in a referendum next spring. In explaining wheat regulations further, the chairman said that if wheat acreage allotments are overplanted and marketing quotas are in effect, producers will be eligible for loans on only the marketing excess for the farm provided wheat loans are available.

Meeting—

(Continued From Front Page) merce will be represented by Homer St. Claire and Wright Boyd.

This group has been called in a special meeting Tuesday afternoon November 4th at 4 p. m. at the City Hall. At this time definite plans will be announced for the drive which is expected to get under way about November 10th.

U. S. D. A.—

(Continued From Front Page) vice-chairman and representing the REA; J. R. Payne, Secy, and representing the PSA; Roscoe Holton, representing the Production Credit Corporation; B. J. Baskin, County Agent, representing the Extension Service; Mattie Phenix, Home Demonstration Agent; Mrs. C. W. Shaffer, County Council representative and Miss Ruth Magee and Pete Pederson of the PSA.

Labor Camp—

(Continued From Front Page) crete foundations, of frame construction, finished on the outside with 105 pattern siding and panel board on the inside, with shingle roofs.

Mr. Scott and his son, representing the contractors, Fox Rig and Lumber Company of Ardmore, Oklahoma, have been in Lamesa for the past several days, and will actually have charge of the construction of the camp.

The entire cost of this project, which is near \$200,000, is being borne by the United States Government, and after the camp is in operation, it is supposed to pay for itself from the rentals charged, it was stated by Mr. Jelinek. The county has agreed to maintain the roads from the camp to town.

Armistice—

(Continued From Front Page) program.

In view of the possible interference which might result with the Red Cross work now being carried on in the Legion Hall, the idea of a breakfast or luncheon was dispensed with. Whole-hearted support was given to the Red Cross work and cooperation was offered. Plans for the membership drive will be worked out and announced at a later date.

Miss Wilma Tabor of Abilene Christian College, Abilene, spent the week end here visiting with her parents, Brother and Mrs. O. H. Tabor.

State Health Dept. Returns Much For Tax Money Spent

AUSTIN, Oct. 27 — Detailing some of the ways the State Department of Health is aiding each county in the prevention and control of communicable disease, Doctor Geo. W. Cox, State Health Officer, today revealed that the number of specimens examined and the amount of vaccines distributed free to Dawson County in 1940 by the State Hygienic Laboratory would have cost \$1125.00 if purchased through private laboratories.

"The service rendered to this County is but one of twelve organized services set up to help you," Doctor Cox added.

The other services maintained by the State Department of Health include Vital Statistics, Food and Drug Inspection, Venereal Disease Control, Public Health Education, Tuberculosis Control, Sanitary Engineering, Maternal and Child Health, Nursing Service, Local Health Service, and Administration.

"The assistance rendered this one County in this one division of service will convey to you some idea of the scope of Texas' health program," Doctor Cox stated. "The State Department of Health operates on a state appropriation of Four Cents per person, which amounts to \$614.68 for this county. When compared to the return from only one of the twelve divisions in the State Department of Health, it is readily seen that Texans are getting much

more health protection than they are paying for."

Fair Winners In Women's Section Are Announced

Winners in the 4-H Club Girls Division at the Dawson County Fair last week, as reported by Miss Mattie Phenix, county home demonstration agent, were:

Quart canned tomatoes: 1. Bennie Jo Melton, Spangenberg; 2. Phyllis Green, Spangenberg; 3. Bernice Davis, Spangenberg.
Quart string beans: 1. Phyllis Green, Spangenberg.

Quart pumpkin: 1. Phyllis Green.
Quart Okra: 2. Phyllis Green.
Quart pickled peaches: 2. Bernice Davis; 3. Phyllis Green.
Quart peaches: Bernice Davis.
Quart pickled beets: 2. Phyllis Green.
Quart Plum jelly: 1. Bennie Jo Melton; 2. Phyllis Green.
Quart Plums: 1. Phyllis Green.
Quart other jelly, prune jelly: 3. Phyllis Green.

Dresser scarf: Phyllis Green and Maryola Dunsforth of Union, tied for first.

Pot holders: 1. Phyllis Green.
Hand towel: 1. Phyllis Green.
Cotton Slip: 1. Phyllis Green.
Cotton school dress: 1. Phyllis Green; 2. Ola Faye Thorp, Klondike.

Pillow case: 1. Maryola Dunsforth, Union; 2. Melvora Dunsforth, Union; 3. Phyllis Green.

Mattress Pad: 1. Phyllis Green.
Hat Rack: 1. Phyllis Green.
Crocheted Spreads: 1. Mrs. Wayne Echols, Lamesa; 2. Mrs. Florence Broughton, 607 N. 4th, Lamesa; 3. Mrs. M. F. West, Lamesa.
Knitted Spreads: 1. Mrs. Florence Broughton.

Pieced and Quilted Quilt: 1. Mrs. Bart Davis, Spangenberg; 2. Mrs. Homer St. Clair, 808 S. 1st, Lamesa; 3. Mrs. Wayne Echols.

Old Quilts: 1. Mrs. Wayne Echols; 2. Mrs. W. R. Chilton, Lamesa; 3. Mrs. R. E. Echols, Lamesa.
Comforts (cotton): 1. Mrs. J. C. Stewart, Lamesa; 2. Mrs. A. Boswell, Lamesa.

Comforts (wool): 1. Mrs. J. Fred Dahneke, 1307 South 1st, Lamesa.

Miss Maude Caviness of Mineral Wells is spending this week with her niece, Mrs. Bob Wade.
