NO. 12

State Negotiating for Purchase Of Fulton Mansion to Restore It

Hopefully, purchase and restoration of the Fulton Mansion may be the major accomplishment of the Bicentennial celebration in this area, it was announced at a meeting of the Rockport Bicentennial Commission May 27 at Live Oak State Park.

Ed Harper, who has been active in the project for several years, reported the state of Texas is willing to pay a reasonable price for the property and will have additional funds available to restore and furnish it as it was originally.

So far, efforts to buy the property, restore the building and open it to the public have failed, Harper said, but he is hopeful some means may be found to accomplish this objective.

Detailed information about the Fulton Mansion will be found in next week's issue. The

Roberts, University of Texas, and printed in "The Texas Architect" in October of 1968.

Dr. J. Martin Shaw, chairman of the commission, reviewed progress to date and announced appointment of chairmen for the three principal phases of the program as follows:

Festival '76, Joe Hugenberg. This phase has to do with various festivities and other activities staged as a part of the over-all celebration during Bicentennial year.

Horizons '76, Jan Wendell. In this area are things related to the future having lasting value which are accomplished during the Bicentennial, such as new parks and beautification projects.

Heritage '76, Ed Harper. Projects in this category would be related to the history of the area, such as restoration of Fulton Mansion.

Representatives of various organizations attending the meeting presented preliminary plans their groups are considering sponsoring during the Bicentennial. These proposals will be included in the formal application of the local Bicentennial Commission to obtain official designation as an approved Bicentennial City. This application must be routed to the federal Bicentennial Commission in Washington through the Texas state commission.

Approval of both the City of Rockport administration and of Aransas County must accompany the application.

Fire Dept. Barbecue

The Rockport Volunteer Fire Department will hold a benefit barbecue Saturday, June 7, starting at 11 a.m. and continuing until they are sold out of food. It will be held at the Rockport Lion's Club barbecue pit in Navigation Park near the Turning Basin. Please plan to attend and help the Fire Department.

Blood Bank Information

Community Blood Bank, 1620 South Brownlee, Corpus Christi, reports number of blood units delivered to area hospitals last week was 336. Number of units drawn was 250. "O" negative blood is needed.

Call Corpus Christi 882-5421 for an appointment or watch for the announcement as to when the blood mobile will be in your area.

pany the petition.

Among the ideas presented was the featuring of the Bicentennial theme in Rockport SeaFair in October and again during 1976. The Rotary club plans to rename its high school scholarships for valedictorian and salutatorian as Bicentennial awards. The local civic club also will stress American history titles in the books each of its members donates to the library on his birthday.

Aransas County Woman's Club is planning a display case of historical material in the Aransas County Public Library as well as the possibility of placing markers on one or more old houses as well as sites of the first packery and first ice house. The Chamber of Commerce is considering painting fire plugs to represent Continental soldiers.

The Garden Club will extend its plantings in the Ski Basin area and attempt to use flowers that carry out a red, white and blue color scheme whenever possible. The local chapter of American Association of Retired Persons is considering setting up a replica of an old-time county fair at the Rockport SeaFair in October.

Women's groups of Holiday Beach and Lamar would like to assist in developing a brochure or map showing location of points of historical interest in this area, including old cemeteries, the "Big Tree" and similar attractions. Further, they would distribute this material to visitors as they enter the Rockport area from the north. Aransas County Ministerial Association hopes to display recently developed posters depicting religious freedom in the United States. The Young Homemakers Association also is considering a poster project.

The possibility of constructing an outdoor dance center to be used during the Bicentennial and afterwards was discussed as another possibility. Further, it was suggested that a contest with prizes be held to select a Rockport Bicentennial logo or emblem to be used on letterheads and other printed material.

It was reported that the Rockport Firemen's Auxiliary had been inadvertently omitted from an earlier list of donors to a fund to pay Centennial Commission office expenses. It was also announced that Veterans of Foreign Wars and the Business and Professional Club have contributed.

Dr. Shaw urged all local organizations to send representatives to the next meeting of the Commission which will be at 7:30 p.m., June 26, at Live Oak State Park.

FLOATS of this type and many others will be seen in the parade Saturday, June 7 in connection with the Aransas County Riding Association annual youth rodeo.

Deer Display At Bank

The life story of whitetail deer in Texas is depicted in color photographs and words as a part of a display by Texas Parks and Wildlife Department in the lobby of First National Bank.

The display, arranged by L.D. Nuckles of the local office of the state department, will be in place throughout June and is the latest in a series of lobby displays under supervision of Gladys Gibson, chairman of the bank's standing committee on art.

There are five easel-mounted panels in the current display. Four illustrate and describe four seasons of growth and development of whitetail deer.

The first panel describes and pictures perils of the first few weeks of a fawn's life, pointing out that thousands die during this period and as many as 80 per cent succumb in certain areas before the end of summer.

Next, summer is described as a time of more abundant food which is essential to body and antler growth. However, mortality rates may become high toward the end of summer because of decreasing food supply.

Fall is depicted as the season of the hunter of which there may be as many as half a million in Texas, harvesting up to 350,000 deer, worth as much as 11 million dollars in the value of venison. Reduction of surplus deer by hunters insures survival for remaining deer, it is pointed out. Fall also is the breeding season and a new start on the reproduction cycle.

Finally, the winter panel states that decreased food supplies force deer to range farther and farther in search of browse. Also, prolonged snow and ice often cover food sources, resulting in many deaths. However, it is pointed out that there are more deer in Texas today than ever before in history.

A fifth panel explains there are more than three million whitetail deer in Texas, approximately 20 per cent of all the deer of this species in the United States.

In addition to the displays there is a rack of free recipes for Texas seafood dishes.

Workshop For Garden Clubs

Mrs. D.L. Timberlake of Uvalde, Director of District 7 Garden Clubs, has announced a workshop for presidents and yearbook chairmen of local garden clubs. The workshop for Zone I will be held June 6, 1975 in the Corpus Christi Garden Center at 5325 Greely. The meeting will begin at 10 a.m. District 7 chairmen will be introduced, and club presidents will be informed of programs being stressed on the national, state, and district levels.

A meeting of the Executive Board Members of District 7 will be held June 13 in Uvalde. Plans will be made at that time for Garden Club Work in District 7 for the next 2 years. District Chairmen will also be instructed of their duties and responsibilities.

Serving as president of the Rockport Home and Garden Club for the coming year will be Mrs. Gene Garcia.

Little Bay Shores Drainage Project Approved by Council

The City Council on May 27 voted in favor of the Little Bay Shores drainage project.

The work will include installation of storm sewers and curb and gutter and paving improvements on Glass Avenue, a portion of Bay Avenue and a portion of Cochran Lane.

Before the aldermen voted

unanimously in favor of the project, Mayor Walter S. Falk, Jr., reviewed the results of two questionnaire surveys made by mail to the affected property owners about 15 months ago.

The first stipulated a payback period of one year and the second stipulated five years--both based on estimated cost to

property owners.

A third letter was mailed to property owners on May 13, 1975, stipulating the exact cost to property owners and a payback period of five years.

Falk said the results of the May 13 mailing were as follows: total letters mailed, 43; total number of property owners in favor of the project, 23; total opposed, 18; no reply, 2.

Alderman Charlie Garrett voiced his objection to the payback period of five years, saying he thought it was too long a time for the city to be reimbursed for the assessment cost that the city must pay in advance of completion of the project.

Present at the Council meeting were Mayor: Walter S. Falk, Jr.; Aldermen: Seth H. Steele, Joe Zambrano, N.F. Jackson, Charlie Garrett; City Sec'y/Tax A-C: Herman C. Johnson; Asst. City Sec'y: Helen B. Braffett; Director of PW: Tom Shults; City Attorney: David B. Connery, Jr.

Visitors: Jack R. Acton, Merritt L. Hulett, Joe Cavitt, Mrs. W.C. Cutchner, Mrs. R.W. Landrum, W.C. Underwood, Arthur C. Roloff, Vernon Kleypas, Mrs. Dana Taggart, Mrs. Jackie Shaw, Mrs. Doris Allison, Dr. J. Martin Shaw, Gene Urban of Urban Engineering.

Mayor Falk requested Council's wishes as to awarding of bid for installation of underground storage tanks and pumps; bids opened at last meeting and tabled for study. Question asked if specifications called for new or used pumps. Shults stated that same called for used pumps; Matlock's bid included \$1,200 for two pumps and Service Station Equipment included \$800 for two. Shults further stated that he had checked with other businesses as to price of a used pump and received quote of \$550. Discussion had as to Jackson's suggestion of rejecting all bids and readvertising, need for one or two pumps at this time, and necessity of burying tanks as soon as possible. Urban stated that tanks could sustain damage the longer they remain laying outside. It was determined that only one pump needed at this time; piping for second pump would be installed for hook-up later on. Jackson moved to award contract to low bidder for installation of two fiberglass storage tanks and one pump. Steele seconded the motion. All voted in favor. Motion carried.

Following report on sales tax receipts presented for Council's information: Check received 4/16/75 (for taxes collected by Comptroller from 1/1/75 to 4/4/75) \$2,396.30. Check received 5/16/75 (for taxes collected by Comptroller from 4/4/75 to 5/2/75) \$10,466.50. Total \$12,862.80.

Following explanatory information received from State Comptroller's office: "The great bulk of the January-March quarterly payments from the merchants will be in our hands by the time we establish our June cutoff, and therefore the June monthly payment will reflect the "clean up" for the January - March quarter. Therefore, with your June payment you should be able to add up the monthly payments of April, May and June and have a useable total for the first quarter."

With reference to proposed grant application through Texas Parks and Wildlife, Johnson presented following list of improvements for Council's consideration and approval: Proposed improvements - Memorial Park - estimated cost: Bike trails, \$1,000; 4' fence (east side) 1,550' at \$2.50 ft. - \$3,875; 6' north fence - 1,050' at \$5.40 ft. - \$5,670; lights - tennis courts - \$3,850; softball diamond - \$2,135; engineering fees (lights, trails, diamond) \$559; contingencies (4%) \$661. Total estimated cost \$17,750. City's portion - 50%, \$8,875. Council in agreement as to proposed improvements being included in grant application.

NOTICE

The First Assembly of God Church, 812 Laurel St., begins a revival Sunday night, June 8 with Rev. Elbert Smart. Plan to attend at 7 p.m. nightly.

Commissioners Approve Use Of Park for Softball Games

There was a special meeting of the Commissioners Court on May 22 with the following members present: John D. Wendell, County Judge; Erie Eller, Commissioner Precinct No. 1; Ray Longino, Commissioner Precinct No. 2; Raymond Owens, Commissioner Precinct No. 3; C.L. Hale, Commissioner Precinct No. 4; and Ruby Hart, County Clerk.

Joe Conlin appeared before the Court requesting permission for temporary power along 8th street to Club House construction in Goose Island Lake Estates. Permission was

granted by the Court.

Howard Murt requested permission to use County Park for softball games, to be able to make improvements as needed and have priority for games. Motion was made by Commissioner Owens that permission be granted for use of the County Park, being Lots 1 through 16, Block 298, Smith and Wood Division, City of Rockport, as a softball park as requested and that this park be named the Aransas County Softball Park. Motion was seconded by Commissioner Longino. It is so ordered.

Came on for discussion application by St. Clair Steel for ROW Easement for pipeline. Motion was made by Commissioner Owens that St. Clair Steel be granted a right of way easement down and along Pueblo Street to Omohundro Street for 4" pipeline for sewage. Motion was seconded by Commissioner Hale. It is so ordered.

Gulf Shrimp Season Closed June 1 - July 15

Austin -- In anticipation of the annual migration of brown shrimp from Texas bays into the Gulf of Mexico, Parks and Wildlife Department Executive Director Clayton Garrison has announced the closing of the Gulf shrimp season from June 1 to July 15.

The Texas Shrimp Conservation Act provides for a mandatory 45-day closed season during the migration and the Parks and Wildlife Commission has the authority to move the season forward or backward.

Department coastal fisheries personnel who monitor the growth and abundance of juvenile shrimp in the bays say that the annual migration probably already is underway.

"Tides have dropped along the coast," said Terry Leary, P&W Shellfish Program Director, "and the outward flow of water from the bays has started pushing the small brown shrimp into the Gulf."

"There is a wide difference in the size of juvenile brown shrimp. The larger ones are already moving out of the marshes and bays. Many small, two-inch browns are being found in department sampling nets along the coast."

Leary said that the sampling stations are picking up large numbers of shrimp and prospects are good for a successful summer Gulf shrimp season.

"We anticipate a long migration period," said Leary, "with a correspondingly long shrimp season after July 15."

Shrimpers in the Gulf of Mexico are refraining from taking the small browns. Parks and Wildlife Department game wardens along the coast are standing by to enforce the Shrimp Conservation Act.

The season closes each year to protect these shrimp until they reach harvestable size, which according to the Shrimp Conservation Act is a minimum of 39 whole shrimp per pound.

Deadline is Tuesday Noon

Periodically, The Rockport Pilot finds it necessary to remind all its friends that:

THE DEADLINE FOR ALL NEWS ARTICLES, CLASSIFIED ADS AND DISPLAY ADS IS 12 O'CLOCK NOON ON TUESDAY.

It is essential for us to adhere to this deadline because of our operation schedule which, of course, includes setting up the ads, writing and editing the news articles, writing headlines, getting all written material and ads ready for printing, including proofing, and finally the actual printing on a huge offset press at Sinton.

We do our best to accommodate all who bring in news items and ads, so please help us to do the best possible job for you, and still keep on our schedule so the readers will get their papers on time.

NEW GROCERY OPENING -- The new JP's Grocery opens Thursday, June 5 in the new shopping center just north of the high school entrance road from Highway 35 North. Personnel associated with the store are (left to right) owners Joe and Pat Mikeska, and Betty Kelly, Debbie Cox, Linda Kelly, Judy Valdez, Jessie Rodriguez and Roger Ramirez. Fred Rinche, another employee, was not present for the photo.

The Mikeskas are moving here from Mathis where they own another grocery. He has been in the grocery business for 33 years and reports that he and his wife are pleased to be moving to this area to open a new store which contains 4,200 square feet and which will be open from 7 a.m. to 11 p.m., seven days a week.

Mrs. Mellinee Shults Retires

A long-time member of the staff of First National Bank retired last week to spend more time at home with her sewing, crocheting, and perhaps to do some traveling.

She is Mrs. Mellinee K. Shults, widely known bank teller who started with First National 25 years ago when the bank was located in a three-story brick building at Main and Water Streets, and had only nine employees. She had become an assistant cashier at a time when family responsibilities compelled her to go on part-time status for three years. She returned to full-time employment in 1969.

Because of her long-time association with the bank and because of her love for people, she knows and greets by name hundreds of customers she has

served as a teller through the years. Even though officially retired as of last week, she has agreed to help out occasionally part-time.

Mrs. Shults was born in Rockport and was graduated from Rockport High School. She has completed several courses on banking given by the American Banking Institute. She is an active member of First Baptist Church.

Her husband is Tom W. Shults, Rockport's Director of Public Works. They have a daughter, Loyce Landrum, widely known manager of Rockport Chamber of Commerce, and a son, Tommy Shults, who is associated with Urban Engineering Co., of Corpus Christi. There are also four grandchildren.

Mr. and Mrs. Shults have long been enthusiastic about horses. They are members of

South Texas Trail Riders and Aransas County Riding Association.

A reception and dinner was given last Saturday night at Port Bay Club in honor of Mrs. Shults and Clifton H. Brown, assistant vice president of the bank, who will retire at the end of June. Approximately 50 members of the bank staff and their spouses attended the party.

Sunburn -- "Well Done" Is For Steak

Having a beautiful tan is a status symbol to most Americans. Too much roasting, however, results in more burn and less status.

The Texas Medical Association points out that the sun has little or no health value and can sometimes cause more or less serious skin problems, including cancer. There may be psychological gain—a sense of relaxation or well-being—from basking in the warm sunshine. But don't over-do it!

Over-exposure over a period of years can cause the skin to look weatherbeaten, wrinkled, leathery and coarse.

If you are going to "Catch some rays", the time of day is all important. The burning ultraviolet rays are most intense from 10 a.m. to 2 p.m. Sunburn is unlikely before 8 a.m. and after 5 p.m. High noon is the hottest time of day. Rays reflected from sand or water can burn, even if you are not directly exposed.

Your first time out in the sun should be for a minimum amount of time. Ten minutes on each side is enough. If you must "bake" longer, do it before 10 a.m. or after 2 p.m. Increase the time of exposure about five minutes on each successive day. Don't be fooled by a cloudy or hazy sky. You can burn on cloudy days too.

Most suntan lotions contain chemicals called sunscreens, which absorb various wave lengths of burning ultraviolet rays. The better lotions allow you to stay in the sun longer with less risk of burning. They do not, however, shut out all the radiation, or else you wouldn't tan at all.

Choosing an effective sunscreen is difficult. Your best bet is the product made by a reputable manufacturer. For a day at the beach, one coat of lotion is not enough. Apply it as directed, after each swim, and whenever it seems to have rubbed off.

Your eyes and hair need sun protection too. Wear dark glasses and don a hat when possible.

If you do get sunburned, treat it as you would any other burn. Use soothing lotions to ease the pain. If the burn is unusually intense, see your doctor.

The best prescription for sunbaking is to use a large measure of moderation -- no fast or slow burns!

Wood And McElveen Unite

Miss Carrie Sue McElveen and Michael Lee Wood were married in an impressive double ring ceremony May 24 at First Baptist Church. Rev. Charles Fake officiated, assisted by Father Michael Lenihan of Saints Cyril and Methodius Church in Corpus Christi.

The bride is the daughter of Mr. and Mrs. C.E. McElveen, Sr., and the groom is the son of Mr. and Mrs. Donald G. Wood of Corpus Christi. Traditional wedding music was provided by Mrs. Norman McLead. Mr. and Mrs. Eddie Bradley sang "Somewhere" and Rev. Fake sang "The Lord's Prayer."

The altar was decorated with greenery and white candles, flanked on each side by white baskets of white gladioli and blue and yellow daisies.

Given in marriage by her father, the bride wore a floor-length gown of white alencon

lace over taffeta. Her illusion veil was waist-length held by a seed pearl headpiece. The bride wore at her neck a strand of pearls, gift of her father, and her mother's locket.

Mrs. Ellen Murph, sister of the bride, was matron of honor. She wore a gown of floor-length yellow and white checked gingham with a flocked sheer apron and carried a nosegay of blue daisies.

The bridesmaids wore identical dresses of blue and white checked gingham. Bridesmaids were Mary Ellen and Annalisa Wood, sisters of the groom, B.J. Marshall, Molly Jackson and Rene LaBounty. They all carried nosegays of yellow daisies.

Donald Wood, father of the groom, served as best man. Groomsmen were Gene McElveen, brother of the bride, Paul Wood, brother of the groom, Max Kuempel, Jr.,

Howard Murph and Kenneth Whittaker.

Jennifer Garrison, cousin of the bride and David Wood, brother of the groom, served as flower girl and ring bearer.

Ushers were Michael McElveen, Will Alford, cousins of the bride, Jeff Miller and Gene Caballero.

The bride's mother wore a fitted full-length white knit skirt with a long sleeve red and white blouse. She wore a white orchid corsage. The bride presented her mother with a long stemmed red rose as she proceeded to the altar.

The groom's mother wore a floor-length dress of yellow knit with matching jacket. Her

corsage was a white orchid. The bride presented her mother-in-law with a long stemmed red rose after the vows were exchanged.

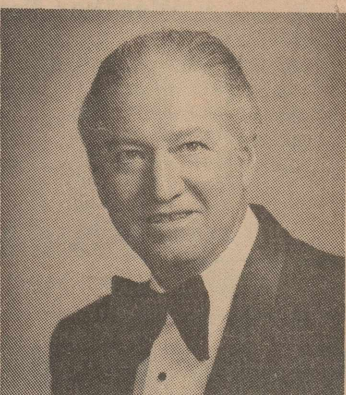

Following the ceremony a reception was held in the church fellowship hall. The bride's table was laid with a floor-length white lace tablecloth. The white four-tier wedding cake was served by Mrs. Will Alford. Punch was served from a cut glass punch bowl by Miss Pamela Rowan.

The groom's table was laid with a yellow cloth. Chocolate cake and coffee were served by Misses Patty and Sharon Wood. Rice bags were distributed by Katherine and Lorris Morgan.

The bride's traveling attire was a long denim skirt with a red and white checked gingham blouse with navy accessories. She wore a white orchid corsage.

Members of the house party were Mrs. Norman McLead, Mrs. Del McLain, Mrs. M.D. McNorton, Mrs. Z.T. Washburn and Mrs. Steven Russell.

Out-of-town guests were: Mr. and Mrs. Max Kuempel, Jr., and family from Pflugerville; Miss Agnes Frisch of Fort Worth; William Schwartz, Mrs. Joanna Schwartz and Mrs. Lena Silaff, all from Leroy; Mr. and Mrs. J.R. Simmons and family from Plano; Mr. and Mrs. Jeff Miller of Waco; Mrs. Mary Cline, Mrs. Catherine McElveen, Mr. and Mrs. M.L. McElveen, Mrs. Claudia Wendell, Mr. and Mrs. Will Alford, Mr. and Mrs. Lester Garrison, Mr. and Mrs. Ernest Simmons, Mr. and Mrs. Michael McElveen, all of Corpus Christi.

MAGIC ACT AT LIBRARY
--Del Edwards will present a free 30 minute magic act June 9 in conjunction with the summer reading program registration. Visiting children and those who wish to register for the reading program are welcome to attend.

Fix-It Tip

The material for the project is first class, you have the proper hardware, your tools are good and you know how to use them -- and yet the project is unmistakably a do-it-yourself job.

Everyone can tell. Shelves are not level. Installations are not plumb. Cuts are not square. Holes are slightly off center.

Sloppy measurements will result in sloppy work. Measuring tools are as important as any others. They are less expensive than most and last a lot longer. Learn to use them.

One rule to remember: measure everything twice. Measure it again if you are the least bit in doubt.

Pharmacy Topics

By RICHARD BECK

It's a natural -- bartenders in Racine, Wis., are being trained to spot patrons who need professional psychological help and to steer them to it. Next: beauty salon operators.

By the time you know you're sick with the flu, it's too late to isolate yourself. You've been spreading flu germs for at least 24 hours.

They're using water beds to prevent bedsores at the Jersey City Medical Center. It seems the hospital-size waterbeds support the body evenly all over, instead of making contact with just a few pressure points (which get sore).

In San Francisco, there's a day-care program for psoriasis. Patients spend the day in the hospital and are treated; at night they go home. Result is remission.

Researchers from the State University of Buffalo have found evidence linking diabetes mellitus to mumps virus. It explains, they say, why diabetes occurs in cycles, like an infectious disease.

Diabetics who need insulin know they can depend on the fresh, refrigerated stock at

YOUNG BOWLERS HONORED — Members of the Rockport Bantams Bowling League proudly display the awards they received for outstanding bowling achievements.

Young Bowlers End Season

The Rockport Bantams ended their 74-75 season on May 24. The parents had a picnic for the bowlers at Rockport Memorial Park and the trophies were presented by Joe Lister, president of the Chamber of Commerce. All the bowlers received a participation trophy and special awards were presented to the following:

High game bowler: 178-Johnny Sanchez. 2nd high game: 167-Pee Wee Solis.

High series: 362-Joe David Martinez. 2nd high series: 350-Timothy Redden.

Most improved bowler: Gain of 34 pins in average - Leighton Iles. 2nd improved bowler: Gain of 26 pins in average - Tass Stubbs.

High average: 90-Aaron Commander. Best attendance: Joe David Martinez. Two sportsmanship awards were presented to Eric Commander and Darren Gurley.

A gift was also presented to Mrs. Louise Ziesler who has taken a carload of children to Aransas Pass every Saturday because she cares about the children.

The bowlers all donated money to buy a palm tree for Rockport.

Individual bowling as follows for 3 games series - scratch: Chris Iles, 331; Darren Gurley, 261; Kevin Langley, 236; Carl Ray DeForest, 154; Joe D. Martinez, 362; Joe Cantu, 247; Johnny Martinez, 253; Jerado Oliverias, 217; Aaron Commander, 270;

Tass Stubbs, 197; Gene Baham, 267; Pee Wee Solis, 264; Eric Commander, 276; Tim Redden, 267; Leighton Iles, 218; Johnny Sanchez, 328; Sharon Pina, 217; Norena Solis, 172.

LOCAL GRADUATE RECEIVES HONORS

At the Seventy-Second Annual Spring Commencement of Texas Woman's University, Denton, Texas, Honor Graduate Martha Kay Lindenmayer Shaw received her B.S. Degree in Nursing.

Martha Shaw, graduating from Rockport-Fulton High School in 1971, will enter the graduate nursing intern program in June at St. Luke's Hospital in the Houston Medical Center, where she has studied the past two years.

No Uniform

The President of the United States does not wear a uniform since he is a civilian, despite the fact that he is commander-in-chief of the armed forces. Tradition forbids his appearing in the uniform of the military or naval services.

SOCIAL SECURITY REPRESENTATIVE TO VISIT HERE

A representative of the Social Security Administration will be at the Courthouse in Rockport on Tuesday, June 10 at 9 a.m.

You may obtain information about your rights and duties under the Social Security Act. Eligible persons can secure assistance in applying for old-age, survivors, or disability insurance payments, and for Medicare benefits, from the representative at that time.

Gaslighting may have been used first in China in the 10th century when natural gas was captured in bags or bladders as it escaped from the ground. When they wanted light, the Chinese pricked holes in the bags and ignited the gas as it leaked out.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, food and other kindnesses, we are deeply grateful.

The Kinsey Report

I knew a man in Chicago who daily put into practice the principles of the now famous prayer composed by the late theologian, Reinhold Niebuhr, which states:

"God grant me the serenity to accept the things I cannot change, the courage to change those things that I can, and the wisdom to know the difference."

One day the man who followed the "teachings" of this prayer was having coffee with a group of friends and he gave a specific example of how he practiced what Niebuhr preached.

"As is the case with everyone I know," he began, "I find myself disliking certain individuals who I know in business or social circles. For a long time I applied only the first part of the prayer to this situation—God grant me the serenity to accept the things I cannot change."

"One day I got to thinking that maybe I should try the

second part of the prayer—Grant me the courage to change those things that I can—to this problem of disliking some people.

"So I decided to contact these individuals, one by one, set up luncheon dates, and try to get to know them better to find out if maybe it was me who was at fault in our relationship and not the other guy."

He concluded by saying that in almost every case, after having lunch and really getting to know the other guy, he found himself liking the fellow much better. It didn't work 100 percent, but it did in most instances.

The only problem that developed was that later whenever he asked any of the fellows who heard the story, to have lunch with him, they would say:

"Sure, I'll be glad to have lunch with you, but don't you like me?"

Woman's Club Will Meet

The Woman's Club of Aransas County will hold its regular monthly meeting on Tuesday, June 10, at 10 a.m. at the home of Mrs. Fred Bracht.

Members are urged to attend as the Club's Bicentennial plans will be discussed.

VETERANS NEWS

Q - I'm a service disabled veteran, and I have Veterans Administration Mortgage Life Insurance coverage on my specially adapted home. How long will this coverage last?

A - The insurance will cover your "wheelchair home" until the mortgage is paid off, the home is sold, or until you reach age 70.

Q - I'm eligible for the Veterans Administration health care program, CHAMPVA, because I'm a 100 percent service-connected disabled veteran. My wife is entitled to Medicare. Can she have her prescriptions filled under CHAMPVA?

A - No. Dependents eligible for Medicare are not entitled to benefits under CHAMPVA.

Q - I was discharged from military service in 1965 before the current GI Bill was enacted, and my eligibility expired as of May 31, 1974 - eight years after the bill was passed. Does the 1974 law which extended GI Bill benefits from eight to 10 years for veterans separated between 1955 and 1966 apply to me?

A - If you hadn't exhausted your benefits by the former May 31, 1974, deadline, PL 93-337 (July 1974) extended them by two years, or until May 31, 1976.

New Agent For San Patricio And Aransas

Sinton - William T. "Billy" Paul, who went to far Southwest Texas for his college education after being raised on a Coastal Bend ranch, has been named assistant County Extension agent for San Patricio and Aransas Counties effective June 1.

The appointment was announced jointly by Judge Percy A. Hartman and Associate District Extension Agent M. Lin Wilson, Corpus Christi, for the Texas Agricultural Extension Service.

Paul replaces Korky Wise, who transferred to Vernon in North Texas, May 1 as Wilbarger County Agent.

The new San Patricio-Aransas agent attended Sul Ross State University, graduating in August 1973 with a B.S. in range animal science.

His daily classroom education supplemented by an equally rigorous introduction to physical labor, which was acquired while working part-time on seven ranches in Alpine area. For one employer he groomed, trained and prepared Charolais cattle for exhibit all over the U.S.

For another large operator he was general ranch foreman and proudly maintained an overall 90 per cent calf crop in his registered Charolais herd.

Paul, 24, also worked for several months as a self-employed guide for big game hunters on a Brewster County operation.

After graduation in August a year ago, he signed on as foreman of the 06 Ranch at Alpine, and in mid 1974 he resigned to work for Jack Ryan's Rocking R Ranch near Beeville.

Last January he returned to Sul Ross to work on his master's degree. Since then he's been an instructor in advanced clinical assistance while once again keeping his hand in with livestock production on a part-time basis.

Raised on his father's ranch north of Robstown, Paul is a 1969 graduate of Calallen High School.

He and his wife, the former Karon Leigh, have a year old son, Cody Travis.

Engagement Announced

ENGAGED — Mr. and Mrs. Antonio Moreno, Jr., announce the engagement and approaching marriage of their daughter, Maggie, to Gaspar Covarrubias, son of Mr. and Mrs. Joe Angel Covarrubias. The wedding will take place Saturday, July 5 at the Assembly of God Church.

DAVID VARGAS DIES

David F. Vargas, 39, died May 29 at his residence.

He was born in Beeville, Texas and had lived in Rockport for ten years. He was a cement contractor. He was a member of the Bethel Baptist Church of Rockport.

Survivors include his wife, Mary, Rockport; one son, Lionel Vargas, Rockport; one daughter, Lillian Mae Vargas, Rockport; his parents, Mr. and Mrs. Abel Vargas, Sr., Rockport; two brothers, Abel Vargas, Jr., Havlock, North Carolina and Daniel Vargas, Rockport; one sister, Elodia Vargas, Rockport.

Funeral services were held May 31 at the Marshall Funeral Home Chapel. Interment was at Evangelico Cemetery in Beeville.

A.A.R.P. MEETING

About 50 members and visitors attended the picnic dinner at the Airport Recreational Building on May 28. Croquet and horseshoe pitching along with cards and dominoes were enjoyed by all. There was no business meeting.

At the next meeting, June 11 at 9:30 a.m., guest speaker will be LeRoy E. Hixson, dean of the A.A.R.P. Institute of Lifetime Learning from headquarters in Long Beach, Calif.

At 1 p.m. the same day, Hixson will address a called meeting of community civic leaders.

Maybe, what the nation needs is large crops of good watermelons.

RECEIVES DEGREE

Huntsville -- A Rockport student received a degree from Sam Houston State University during spring commencement exercises on May 14.

Graduation exercises were divided into three parts, each preceded by a reception in the Lowman Student Center lobby and dining room.

Donna Patricia Hadley received a Bachelor of Science Degree.

ARTEX CLASS

The Artex class will meet on Friday morning, June 6 at 10 a.m. with Mrs. Jewell Clinton as instructor. This class is free. Everyone is invited to attend. This is most interesting paint and can be applied to almost anything. This is at the Airport Recreational Building.

RECIPE

By Sarah Anne Sheridan

Casseroles are the answer to a prayer if you do not have a maid and yet want to be free to enjoy your guests while the food stays hot and appetizing. A casserole can be prepared before your guests arrive. All you need to do after they arrive is heat and serve.

With a casserole, to make a complete dinner, all you need is a salad, hot bread, coffee and a dessert. Include a relish or jelly if time permits.

Oysters Claremont

- 1 c butter
- 1 t English mustard
- 1/4 c stock or bouillon
- 1/4 t salt
- 1/4 t celery salt
- 1 1/2 c diced celery
- 3 c heavy cream
- 2 dozen fresh oysters, drained
- 2 T sherry or Madeira
- parsley
- 6 slices buttered toast

Melt butter in two-quart, flame-proof casserole; stir in mustard; add stock or bouillon, seasonings and celery. Cover and cook on top of range, or in moderate oven (325 degrees F.) until celery is tender, about 25 minutes. Add cream, stirring slowly. Bring to boiling point, but do not boil. Add oysters, let cook for 3 to 5 minutes. Add wine, and stir. Remove casserole and keep warm until ready to serve. Toast bread and garnish with parsley. Serves six.

Ratliff Takes Bank Course

Thomas E. Ratliff, vice president of First National Bank, spent last week at a banking training course at Texas Tech University in Lubbock.

It was the second annual session of a course which was titled "Intermediate School of Banking" and was designed to "expose active bankers to all areas of operations in the banking industry rather than provide specialized training in a few subject areas."

Ratliff reported that class sessions ran from 7:45 a.m. to 6 p.m. Monday through Friday. Included were lectures, problem solving and preparation of work books.

Approximately 75 banks were represented, including two from out of state.

CADETTE TROOP #361

Cadette Troop #361 met at the Girl Scout Hut on May 27. This was the first Cadette meeting in over a year as there was no Cadette Troop last year.

The requirements for becoming a Cadette are to be 12 years old or entering the 7th grade in September.

The troop elected Frances Ramirez as Patrol Leader for the summer months. They also elected to meet each week on Tuesday nights from 7:30 p.m. to 9:00 p.m. The amount of dues was also decided upon at this meeting.

On June 3rd the troop elected their other officers and made plans for the summer months. The meeting was very productive and many suggestions for summer fun and badge and challenge work were discussed.

The parents of the girls were invited to this first meeting and those attending were Lola Bills and Mrs. Patricia Bills; Maria Garcia (new Girl Scout Cadette); Stephanie Hattenbach; Frances Ramirez and Blas and Emma Ramirez (Assistant Leaders); Kathleen Tillison and Mrs. Gladys Tillison; Venus Watkins and Mrs. Janice Watkins; Miss Linda Fisher (Assistant Leader); and Tony Mills and Melvin and Darlene Mills (Assistant Leader and Leader).

Leaders thank the parents for attending this meeting and for all the helpful suggestions that they contributed to this meeting.

Darlene Mills
Troop #361 Leader

Nursing Home News Items

Aransas Pass Nursing and Convalescent Center activities May 26-June 1 included:

Our week at the Center began with Monday being a holiday. However, the G.A.S. from the Mission Baptist Church of Ingleside came over Monday evening and put on a very nice program.

Tuesday morning the First Assembly of God Church of Aransas Pass was there to have a program and to observe the birthday honorees for May by presenting each one with a gift.

Tuesday afternoon the W.M.U. ladies from the First Baptist Church of Aransas Pass came out for their monthly "Birthday Party" for those having birthdays this month. They served ice cream and cake and presented each one with a gift and then they played games.

Wednesday morning Bonnie Fletcher was here to instruct them in their paint class. Bonnie presented a picture she had done, saying "Down With Pollution," to the residents and staff of our home.

Wednesday evening at seven the members of the LULACS #630 came out for their monthly game night which all of our "little ones" really do enjoy.

Thursday morning the First United Pentecostal Church group were out for their weekly program.

Saturday morning Father Hamilton was out to give Holy

Communion to all of our Catholic residents and also to visit with others.

Saturday afternoon we were honored to have come to our Center "The Watchmen," the gospel singing group from this area, who are really making a name for themselves. All of our residents really look forward to this group of young men.

Sunday morning church services were held in the dining area. Rev. Bankert had a nice attendance.

Sunday afternoon Rev. Tom Smith and his people from the Portland Baptist Church came over for their monthly program.

The ladies from the Ingleside garden club came over and our patio already looks better. Again may I say "thank you" to all who make my people happy.

ABC's Of Bicycle Safety

College Station -- Economic and health benefits from bicycling have increased the number of riders lately.

So it's more important than ever to remember that Always Be Careful is the ABC of bicycle safety, reminded Dorothy Taylor, family life education specialist.

"Bicycling shouldn't be a game of chance, nor should the ride end in the hospital emergency room if bicycle safety rules are observed," the specialist with the Texas Agricultural Extension Service, The Texas A & M University System, said.

More than 15 per cent of bike accidents are caused by mechanical and structural problems. This makes it important for the rider to observe safety rules—but it's also his responsibility to ride a safe bike, she said.

Bicycles come in different sizes, just like people.

--Sidewalk bikes are for beginners (children) and may have training wheels to steady the child's balance.

--A middle-weight bicycle has one or two speeds, balloon tires and coaster brakes. It offers stability and strength for everyday riding.

--High-rise bicycles usually have high-rise handle bars, banana seats and are small in size. High-rise bikes are fun and easy to handle, but are hard to pedal long distances.

--Lightweight bikes have more gears, complex parts and

Engagement

ENGAGED — Mrs. Eva Brinkman of Rockport announces the engagement and approaching marriage of her daughter, Brenda Sanders, to David Samford, also of Rockport. A July 26 wedding is planned at the Church of Christ in Rockport.

"High-quality vegetables on the market are squash (yellow, zucchini and white), potatoes, corn, cabbage, beets, collards, mustard greens, cucumbers, green onions and radishes," Mrs. Clyatt said.

Fruit buys this week range from lemons and oranges to bananas, strawberries, pineapples, avocados and apples.

CONSUMER WATCH-WORDS: Ice cream packed in an ordinary waxed-cardboard carton will keep quality longer in a home freezer if you wrap the carton in heavy aluminum foil.

Also be sure the freezer is holding a 0 degree F., or lower, temperature.

'FUFU' SMITH HEAD A&I CHEERLEADER

Jackie "Fufu" Smith of Rockport recently presented Sessie Wyche III a plaque for his assisting the cheerleaders at Texas A&I University in Kingsville during the past year.

Miss Smith has been elected head cheerleader at A&I for 1975-76. Wyche is assistant director of financial aid at A&I.

A few years ago a French army truck driver entered the ranks of motoring immortals. He struck a tree in the Sahara Desert — the only one in a 1,000-square-mile area.

That Vacation

This is the time of year to remind yourself a summer vacation can be as tiring as any event of the year—and as dangerous.

The energy crunch, thankfully, has lessened the death toll on our highways but in many states the June and July fatalities begin to rise again.

Aside from the danger of accidents, congestion, hot weather, rushing to and from holiday choices can wear out a family quickly—and make mom and dad happy summer comes but once a year.

Summer can be great fun—if one can escape the heat. And escaping it might mean planning this year to avoid the rush, long trips, fast schedules, congested highways, cities, and activities in the middle of the day. If you can do all that, you're almost certain to enjoy the sunny days and warm temperatures of the summer of '75.

SUSAN PICTON GETS DEGREE

Susan Patricia Picton, daughter of Mrs. Thomas D. Picton, Rockport, was one of 356 graduating seniors at Saint Mary's College, Notre Dame, participating in the College's 128th annual Commencement exercises Saturday, May 17. She received a bachelor of business administration degree in business.

Dr. Elizabeth Sewell, poet and author, delivered the Commencement address. She received an honorary Doctor of Humanities degree from the College.

Saint Mary's College, the nation's first legally chartered Catholic college for women, offers four-year courses in the liberal arts and sciences, leading to degrees of bachelor of arts, bachelor of science, bachelor of business administration, bachelor of fine arts and bachelor of music.

Time isn't so scarce, what is rare is the proper and intelligent use of time.

Home & Garden Club Luncheon

The Rockport Home & Garden Club met in the Thomas Rogers home on May 15th. The hostesses for the luncheon meeting were Mrs. Thomas Rogers, Mrs. Joe Myers and Mrs. Donald Meek.

Before the business meeting a short social was enjoyed by all members and guests. The president, Mrs. B.F. Street, Jr., conducted the business meeting and introduced Mrs. John Cowan as a new member, and the following guests: Mrs. J.M. Spriggle, Mrs. M.C. Baird, Mrs. Buckingham, Mrs. C. Want and Mrs. Roy Calvert.

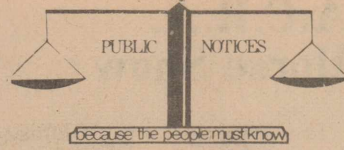

Reports from all standing committees were given and Mrs. Street reported on the convention she had attended representing the garden club. A buffet luncheon was served with spring flowers decorating each table.

The officers for the coming year were installed by Mrs. Roy Calvert from Ingleside, who is District Corresponding

Secretary. Mrs. Calvert presented a ribbon with colors of the rainbow to each incoming officer and a short introduction of duties to each. The new officers are as follows: President, Mrs. Gene Garcia; 1st Vice President, Mrs. Lewis Caton; 2nd Vice President, Mrs. Donald Meek; Treasurer, Mrs. Wm. Walston, Jr.; Recording Secretary, Mrs. Drew Harrell; Corresponding Secretary, Mrs. R.W. Moore; and Parliamentarian and Auditor, Mrs. Ronald Levy.

The club presented Mrs. Calvert with a plant and Mrs. B.F. Street, Jr., out-going president, was given a gift certificate from Pearson's Nursery. This will be the last meeting of the garden club until the September meeting.

CONGRATULATIONS
S/Sgt. and Mrs. C.D. Barganski of Lynchburg, Virginia, proudly announce the arrival of a baby daughter May 21. The young lady has been named Cassie Danette and is welcomed by a sister, Tara D'Ann. Maternal grandmother is Mrs. Fred Huffmeyer. Paternal grandparents are Mr. and Mrs. Leonard F. Barganski.

THE STATE OF TEXAS

TO: JESSE W. PADGETT GREETINGS:

YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, 36th Judicial District, Aransas County, Texas, at the Courthouse of said county in Rockport, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of WILLIAM ALBERT PADGETT, Petitioner, filed in said Court on the 20th day of March, 1975, and said suit being number 5236 on the docket of said Court, and entitled "In Re: WILLIAM ALBERT PADGETT, A Minor," the nature of which is a suit to change the sur-name of a minor. Said minor was born the 29th day of January, 1960, in San Antonio, Bexar County, Texas.

The Court has authority in this suit to enter any judgment or decree in the minor's interest which will be binding upon you, including the termination of the parent-child relationship and the appointment of a conservator with authority to consent to all matters affecting the minor, WILLIAM ALBERT PADGETT. Issued and given under my hand and seal of said Court at Rockport, Texas, this 3rd day of June, 1975.

S/ AGNES A. HARDEN Clerk of the 36th District Court of Aransas County, Texas. c12

NOTICE

To Whom it may concern: I, Gilbert Hill, Jr., do hereby give notice of the termination of that partnership known and doing business as HILL HOME MAINTENANCE, at 212 South Church Street in Rockport, Texas; and I do hereby give notice that I will not be responsible for any services or work performed by that partnership after the 1st day of June, 1975, nor will I be responsible for any liabilities, financial or otherwise, incurred by that partnership after the 1st day of June, 1975.

I further represent that I will be and am now self-employed in home maintenance and may be contacted at 729-6883 in Rockport. c12

FACTORY FRESH

Our factory (the milk cow) has no assembly lines, no whistles, no smokestacks, time clocks or even computers. Yet it operates on a 24 hour a day basis to produce the most delicious wholesome milk you can buy.

Another thing about our factory, no matter where you live in Valley Gold Country, it's always close by. So you get the freshest milk you can buy. Valley Gold milk. Direct from the factory to you.

VALLEY GOLD

FALKS HONORED

A dinner party was given June 2 by Mrs. Frank J. Kirk at her home on Copano Ridge for the wedding anniversary of Mayor and Mrs. Walter S. Falk, Jr. Other guests included Mr. and Mrs. James Bibb, Jr.

REPORTS FOR DUTY

Marine Private Dennis W. Woods, son of Mr. and Mrs. D.R. Woods of Fulton, has reported for duty with Marine Aviation Training Support Group-90, Naval Air Station, Memphis, Tenn.

O.E.S. NEWS

The Rockport Chapter No. 479, O.E.S. will hold open installation Saturday, June 7, at 8 p.m. at the Masonic Temple, Hwy. 35 N. The public is cordially invited to attend.

Senior Citizens Admitted Free to Most Parks June 2

Austin -- On June 2, persons 65 years of age and older are eligible for free entry to state parks in Texas.

The 64th Texas Legislature recently passed an act which gives such persons access to parks without paying an entrance fee.

Parks authorities at the Texas Parks and Wildlife Department are prepared to issue a "State Parklands Passport" to those 65 and older who can verify their age. A driver's license, birth certificate, military discharge papers or other suitable identification must be presented to verify both the age and identity of the individual at the time the passport is issued.

Passports are available at all state parks where entrance fees are charged with the exception of Copano Bay, Port Lavaca, Queen Isabella Causeway, Eisenhower Birthplace, Longhorn Cavern, San Jose Mission and Varner Hogg

Plantation State Parks. The passport also will be issued at P&W Austin headquarters in the John H. Reagan Building, Room 108.

A holder of a State Parklands Passport will be admitted to a park when the windshield sticker passport is displayed or a Parklands Passport registration receipt is presented.

All persons riding in the vehicle at the time of entry will be admitted free of charge in accordance with the legislative action.

DEAN'S HONOR ROLL

Wharton County Junior College included on the Dean's Honor Roll this spring the name of Robert Alvin Gillis of Rockport. Dr. Ora E. Roades, dean of the college, said students with a semester grade point average of at least 3.5 qualify for the Dean's Honor Roll.

A.C.R.A. Horse Show

The Aransas County Riding Association will have its second horse show of the summer for

points on June 21 at 4 p.m. The points are given on a 1 horse 1 rider basis.

They are looking forward to a good show and hope all of you who attended the first show will be back to add to your total points and enjoy the activities.

Current Statistics Oceanologists place thousands of bottles in the sea each year to study currents. One bottle released in 1962 at Perth, Western Australia, was recovered almost five years later near Miami, Florida.

Honored on 2nd Birthday

Jesse Rios III was honored with a birthday party at his parent's home May 31. He was two years old.

A wiener roast, cake and punch were enjoyed by Roland Ray Rios, Anna, Joe, Jr., and Adrienne Zambrano, Patty and Julie Buenano, Tommy Martinez,

Juanito Sanchez, Debbie, Jo Ann, and Elma Valdez, Priscilla Rios, Armanda Romero, Mike Guthrie, Jessica and Jesse Corpus, Rosie and Ricky Zamudio, Velma Jean, Mary Lou and Jesse Torres,

Jane and Domingo Sanchez, Kathy Canchola, Mary Zamudio, Anna Solis, Rosa and Elena Torres, Kay Guthrie and Suzanne Buenano.

Prizes were given to Tommy Martinez for breaking the pinata and Rosie Zamudio who pinned the tail on the donkey.

TOP GRADES

Kingsville -- Dean's List or Honor Roll recognition for the spring semester has been attained by 702 students at Texas A & I University in Kingsville.

Dr. Mario A. Benitez, vice president for academic affairs and dean, announced names of 252 on the Dean's List and 450 on the Honor Roll.

To make the Dean's List, a student must compile a grade point average of 3.65 (4.0 scale) for all work for a semester, with a minimum of 15 semester hours completed. Honor Roll requirements include a 3.5 average, with a minimum of 12 semester hours completed.

Only undergraduate students are eligible.

Represented are 126 Texas towns, nine other states plus the Canal Zone and four foreign nations. Included are California, Florida, Illinois, Indiana, Missouri, Nebraska, North Dakota, Oklahoma and Pennsylvania as well as Costa Rica, Hong Kong, Iran and Mexico.

Those from Rockport making the Dean's List were: Royce Glenn Itschner, Robert Milton Jackson, Robert Lee Little, Nancy Marie Smith.

NOTICE

Newly appointed notaries public who have not qualified must come to County Clerk's office before June 16, present bond and take oath of office.

OUTDOORS

'n things

by L. D. NUCKLES

With very little effort on your part you can be a tremendous help to the Parks and Wildlife Department this summer. You can help not only us, but the Highway Department, your neighbor, and, as far as that goes, you can help yourself. Where you throw your litter can make the difference.

The department has to keep a full-time crew busy in every park, and hire extra people in the summer, just to clean up the mess left behind by the people using the parks. Highway crews are kept busy picking up whole newspapers, cans, bottles, and a thousand and one other kinds of debris, and there is no one to pick up all the trash that is thrown into our public parks.

You'll find it just as easy to keep your litter corralled to put into a trash barrel as it is to scatter it around the countryside. Put litter bags in your car and in your boat, and use them. If you're walking and you finish a pack of cigarettes, stuff the empty pack into your back pocket until you pass a trash can.

Don't go to a park for a picnic and leave the place looking like a trash dump for the next fellow. The park crews are busy, and it may be a while before they get around to your area, so try to leave the place looking as you would want it to look if you were just arriving.

I find it hard to understand why people will go on throwing their trash out on the highways, the waters and the streets of America. Don't they realize that this is their home? If they strew things around their house like that, they sure must have a messy place.

We have some very strong anti-littering laws but, for the most part, they are not enforced. You can be fined up to \$200 for throwing out any kind

of trash on our highways, yet when was the last time you heard of any one being fined for littering? I think these laws should be enforced. After all, part of those millions of dollars in tax money that are spent each year to try to clean up the face of America are mine.

Won't you make sure that there is a litter bag in your car, and in your boat, and that you and all the passengers use them. If you will help us keep your parks clean we'd appreciate that too. If every person who visited our parks would do their best to keep them clean we would have a lot more money and manpower for other things and you would have more and better equipped parks.

LIVE OAK PICNIC

The Fourth grade classes of Live Oak Elementary School held a picnic on May 29 to celebrate the end of school. The children enjoyed a picnic lunch on the playground. They also participated in relay races, tire rolls, sack races and three-legged races.

A.A.R.P. CARD PARTY

The weekly card party sponsored by the A.A.R.P. was held May 29 with 7 tables of bridge and 1 table of canasta. Hosts and hostesses were Mrs. Louise Zeisler, Mrs. Fay Russell, Dr. and Mr. J.F. Benjamin and Casey Admiston.

High in bridge was won by Mrs. Max Gardner with Mrs. Mary Harle taking second. High in canasta won by Mrs. Dan Ward and second by Mrs. Sadie Smith.

Women's consolation - high, Mrs. Ila Wood of Aransas Pass and second, Mrs. Irma Starkey. Men's consolation - Mike Nolan took high and Stan Heath got second.

Bingo prize was won by Karl Smith.

Next party will be on Thursday, June 5, at 1:30.

MRS. HENDERSON DIES

Mrs. Dorothy LaDow Henderson of Box 34, Rockport, died in an Aransas Pass hospital May 27 after a short illness.

A resident of Aransas County for a year, she was born in Philadelphia, Penn. and was a retired private secretary, retiring in 1973.

Mrs. Henderson is survived by her husband, Thomas D. Henderson of Rockport.

Graveside services were held May 29 at Memory Gardens in Corpus Christi with the Rev. Arnett Ward, of Jackson Wood Presbyterian Church, officiating.

The Rockport Pilot

PAGE ELEVEN

Revival in Aransas Pass

The public is cordially invited to hear Evangelists Mike and Linda Murdock from Lake Charles, La., in revival services at First Assembly of God in Aransas Pass, beginning Saturday night, June 7, and continuing through Monday night, June 9. The Sunday morning worship will begin at 10:40 a.m., the Sunday night service will begin at 7:00 p.m.; all other services will begin at 7:30 p.m.

Evangelists Mike and Linda Murdock have traveled throughout America and in foreign countries conducting successful revival campaigns. They have ministered in many youth conventions and summer camps as well as in hundreds of churches across the country.

They have recently returned from Nairobi, Africa, where they conducted a four-month "Good News Crusade."

The evangelists are very accomplished musicians and singers. They will be playing and singing songs from their gospel albums each service. The public is extended a cordial invitation by the pastor, John C. Gall, to attend the services each evening. First Assembly of God is located at 417 N. Houston in Aransas Pass.

KILL BOBCAT — Mr. and Mrs. John Aleman, who live on Eighth Street in the south section of the city, killed a four-foot long bobcat weighing 55 pounds on May 14. He first was in the Aleman chicken coop where he killed several chickens before he was killed in a tree above the coop.

New rates for long distance calls within Texas.

With Discount Periods and a new One-Minute Rate, you may be able to save money.

Rates for Long Distance calls within Texas have just changed.

For you — the telephone customer — it means most rates are going up.

But you may be surprised to learn that rate changes won't necessarily bring higher telephone bills.

Because with our new discount for dialing your own calls, you can better control your Long Distance costs.

In some cases, you may be able to save money on your Long Distance bill by taking advantage of these rates.

For example, there's a new one-minute rate on all calls that you dial yourself — without the operator's help.

Under the old rate, the initial rate period was for three minutes. Now on One-Plus dialed calls the initial rate period is one minute.

That means you can save by reducing the length of your call.

*DISCOUNT RATE PERIODS FOR ONE-PLUS CALLS WITHIN TEXAS

	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
8 a.m. to 5 p.m.	Day Rate Period Full Rate						
5 p.m. to 11 p.m.	Evening Rate Period 25% Discount						Eve. 25% Discount
11 p.m. to 8 a.m.	Night and Weekend Rate Periods 35% Discount						

NOTE: The Evening rate applies all day on the following holidays: New Year's Day, July 4, Labor Day, Thanksgiving and Christmas Day, except in instances where the holiday falls into Night/Weekend period. In this case, the lower rate applies.

*On operator-assisted calls, the same rate applies at all hours on all days.

Nights and Weekends there will be a 35 per cent discount.

So, if you call later in the day or night, or on weekends, you're going to get the lowest rates possible.

But if you place calls through an operator, rates for these Zero-Plus calls will be higher, at any time — night or day. These include calls from a coin phone, collect, credit card and calls billed to a third number.

The initial rate period of three minutes will continue for these and other operator-assisted calls.

And, person-to-person calls will cost more than any other type call.

*EXAMPLE OF NEW RATES FOR MAXIMUM DISTANCES

	#One-Plus	Each Additional One-Plus Minute
DAY RATE	50c or less	42c or less
EVENINGS 25% Discount	38c or less	32c or less
NIGHTS AND WEEKENDS 35% Discount	33c or less	27c or less

#One-Plus charges for 1 minute.

NOTE: One-Plus rates also apply on station-to-station calls placed with an operator where One-Plus facilities are not available.

*Rates quoted do not include taxes.

Simply put, if you dial the call yourself, you are going to get a lower rate. If you place your call through an operator, it will cost more.

Now our new rates offer you a choice.

By dialing your own calls and by taking advantage of our discount rate period, you can still get low rates and fast service.

Southwestern Bell

TIPS ON HOW TO SAVE ON LONG DISTANCE

To save on your Long Distance calls within Texas, follow these tips:

- (1) Dial all your Long Distance calls the One-Plus way. Dial 1, plus the Area Code, if it's different from your own, plus the seven-digit number.
- (2) The new one-minute rate for One-Plus calls is in effect 24-hours a day. If you talk 60 seconds or less, you pay for only one minute — not three.
- (3) When possible, call Nights and Weekends the One-Plus way. You'll be getting a 35 per cent discount from the Day rate.
- (4) If you call Evenings, you will save 25 per cent from the Day rate on One-Plus calls.

Scott Gillis Named to Attend Nuclear Science Symposium

Scott Gillis of Rockport, a student at Rockport-Fulton high school, has been selected to attend the 15th Annual Texas Nuclear Science Symposium for High Schools at the University of Texas at Austin, June 4-7.

Barney Buchhorn, science teacher at the high school, will accompany him to the symposium.

Central Power and Light Company, a member of the Texas Atomic Energy Research Foundation which is joining with the university in putting on the symposium, will sponsor them.

Some 500 outstanding science students and their teachers from throughout the state are selected by their schools to attend the four-day meeting. Scientists and engineers for industry and educa-

tion will discuss nuclear physics, nuclear engineering and related topics.

Two afternoons will be spent touring the science laboratories at the university, including those where experiments sponsored by the Texas Atomic Energy Research Foundation are being carried on in thermonuclear (fusion) research.

"Attending this symposium should be a most interesting and education experience and a chance to learn more about the latest achievements in nuclear science for these participants," W.W. Janacek, Manager of Central Power and Light Company, said. "We are pleased to provide them with the opportunity."

Included in the list of speakers during the symposium are Dr. Norman Rasmussen, professor of nuclear engineering at

Massachusetts Institute of Technology and director of a recent intensive nuclear reactor safety study by the Atomic Energy Commission; Dr. Roger Linnemann, president of the Radiation Management Corp. of Philadelphia, Pa.; and Dr. Mark Kac, professor of mathematics at Rockefeller University of New York.

Also, Dr. Frank Salisbury, professor in the department of plant science at Utah State University, and Dr. Harvey Cromroy, professor of entomology and nematology at the University of Florida, Gainesville, Fla.

Speakers from the University of Texas on the program include Dr. Linn Draper, director of the Nuclear Reactor Laboratory, and Dr. Sidney Medley, research associate in the Nuclear Fusion Research Center.

Dr. Paul Olum, dean of sciences at the university, is chairman of the steering committee for the symposium.

The Texas Atomic Energy Research Foundation is made up of ten investor-owned electric utility companies in Texas including Central Power and Light Company. The foundation was created in 1957 for the advancement of knowledge of energy, particularly nuclear energy, through scientific and educational activities. Its research efforts are presently directed towards controlling fusion reactions through programs being carried out at the University of Texas at Austin laboratories, with the ultimate goal of using energy from nuclear fusion for the generation of electricity.

HONORED — A/C Wanda Wright, daughter of Mrs. Jonell Wright of Rockport, was awarded the Airman of the Quarter award. Wanda is stationed at Randolph AFB, San Antonio, Texas with the 12th Air Base group transportation Squadron.

COMMUNITY CALENDAR

Daily, Monday thru Friday

Make the Change to Efficient Cooling...

WITH A CARRIER THRIFTY-WATT ROOM AIR CONDITIONER

Your old air conditioner may be operating inefficiently. Using more electrical power than necessary. And increasing your electric bill. If this is the case, consider owning a Carrier Thrifty-Watt room air conditioner. With their high Energy Efficiency Ratios (EER's), these room air conditioners will use less electricity than an ordinary room air conditioner of comparable capacity. With 15 models to choose from, there's a Thrifty-Watt in just the right capacity to fit your needs. And budget, too!
