There has been a slight change made in the "marking" of the report cards this year, in the high school. The letter "D" has been added, to give the parents better information in regards to their child's progress: 70-74 is D, 75-80 is C, 81-89 is B, and 90-100 is A. Below 70 will be an F.

Arrangements have been made for all children to see the "Prince of Peace" Thursday or Friday through the courtesy of Ed Barnard. All students over 12 years of age will be admitted for 40c and under 12 for 10c. The man who produced this picture died before he saw it and he asked that all children see it.

The second grades will be moved into the Presbyterian Church as soon as the furniture ordered for the rooms arrives.

Another Humble development this one a boon in barge drilling, is a new type portable rig. Formerly, when a rig was used for drilling from a barge, it was attached more or less permanently, and could not practically be removed and used on land. Now a rig has been developed which can be used equally well on barge or land. One is already in operation in Southwest Texas, off the coast of Rockport. The Corpus Christi Little Oil Show, to be held on the T-Head in that city, October 13 through 17, opens at noon Saturday.

Rockport Plays West Oso Here Friday Night

On Injured List Pirates Have Several

The Rockport Pirates meet West Oso here Friday night in a non-conference game. Game time is 8:00 p.m.

The Pirates lost last week to Bishop 32-0. Despite the odds against them they played and fought harder than any Pirate team in the past two seasons. The blocking and tackling was the best this year as the Pirates gave their best and battled until the final whistle.

The injury list increased in the game, however, as the Pirates lost the services for about three weeks of Ozzie Williams, Gary Smith and Billy Joe Davis. Williams and Smith have injured knees and Davis has a bad ankle. Sideliner this week in addition to these boys are Gerald Huffman, with a broken foot, Charlie Garrett, with a bad knee, will see limited action as will Ernest Russell.

Despite these injuries the Pirates have hustled practice this week and show determination to break their win drought this week. It will be a tough test, a fight of it. Lets all get behind the Pirates and support them.

The coach and the football team wish to express their appreciation to Mr. Floyd Huffman and Mrs. Emory Spencer for the fine steak dinner following last week's ball game.

Lightening Strikes

From where I sit... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

too. At the end of the day the totals are never more than a couple of cents under — or over — the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else — we all usually try to live up to the trust others have in us.
