Colorado High Homecoming Celebrations Are Underway

It's that time of year again, when leaves begin to turn gold, frost nips the air and pretty girls wear large mums with red and black streamers boasting "Wolves Homecoming."

Homecoming week began Tuesday in Colo-

rado City Schools, with "Spirit Days."

Tuesday was "Sock It To the Bluecats Day," Wednesday was "Flood the Bluecats Day," today (Thursday) is "Top the Week with a Victory Day" (everyone wears funny hats) and Friday is "Color Us

Number One" (everyone wears school colors of red and black).

The traditional bonfire will be ignited at 8 p.m. today at the fair grounds on Highway 80.

The entire community is invited to attend the bonfire and join in the spirit of homecoming.

The public is again invited to attend the grand pep rally Friday at 2:15 p.m. in the high school auditorium to help cheer the Wolves to victory.

Friday at 4:30 p.m.,

the streets downtown will be filled with gaily costumed students from the four high school classes and clubs as the annual homecoming parade gets underway on Second Street.

Prize winning parade entries will be awarded for first place, \$35; second place, \$25 and third place, \$15.

One boy and girl each day during homecoming week will be selected as the best symbolic persons for that day.

These persons will be granted free admittance

to the homecoming dance to be held Friday from 10 p.m. until 1 p.m. in the Middle School gym.

This dance is open to all students and past students of Colorado High School.

C.C. Sound will be master of ceremonies for the dance.

A talk show featuring the student council will be aired on Friday at 5 p.m. and again on Saturday at 9:30 a.m. on Channel 6.

Hit-And-Run Victim Found Near Loraine

The mangled body of a transient man was discovered on Interstate 20 west of Loraine just before dawn Tuesday, the apparent victim of a hit-and-run driver.

Steve P. Snyder, 37, address unknown, was pronounced dead at the scene by Justice of the Peace Mary Lee Moore at 5:10 a.m.

The body was first re-

ported by a passing CBR. A second call was received from a man, described by witnesses as a truck driver, telephoning the police department from Trucktown. Texas Highway Patrolman Frank Costabile said.

City Police Sergeant Don Hamilton received the first report and went to the scene located 4.10 miles west of the 225 mile marker on I-20.

He reported finding the body on the access road on the westbound lane. He said at first he thought there might be some possibility the man was still alive and radioed for an ambulance.

After leaving his car, examining the body and finding it cold, he canceled the ambulance and requested the Sheriff's Office, THP and Kiker - Seale Funeral Home be notified.

Hamilton said he received the CB call at 4:24 a.m. and arrived at the site a few minutes later.

Shortly after Hamilton arrived, Nolan

County Sheriff's Deputy Jerry Heflin arrived on the scene.

Hamilton reported that Heflin said he had received a CB report at

Cowboys To Ride For Title, Saddle

Competition for the Best All-Around Cowboy will begin at 7:30 p.m. Saturday and will continue at 2 p.m. Sunday.

Competition is to be held in the Mitchell County rodeo arena this Saturday and Sunday.

In the four events offered, there are 20 teams entered in team roping; 24 men in calf roping; 20 teams in double mugging and eight bull doggers.

Four head of stock will be offered in each event.

The Best All-Around Mitchell County Cowboy title will be given to the cowboy winning the most money in two or more events. The prize for the title will be a \$700 saddle.

Winners of each event will be awarded buckles.

Tommy Marricce, renowned rodeo announcer of Snyder, will officiate in the contest.

Concessions will be handled by Liz Anderson.

Special Event Winners Named For County Fair

The Pet Show and 4-H Steer Show held Saturday in conjunction with the Mitchell County Fair were considered successes with 21 entries in the Pet Show and steers from five counties entering the Steer Show.

Kelly Beights' guinea

pig was selected as the animal with the most spots in the Pet Show.

Evelyn Smith's horned toad was the smallest animal entered. Tina Upton's ferret was the most unusual animal entered.

Billy Joe Robinette's pigeon was the bird

with the prettiest eyes and Wylie Dakan's rabbit won the award for the animal with the longest ears.

Cody Shurtliff's cat won the blackest award and Rancee Grisham's cat received the animal with the prettiest eyes award.

The laziest animal award went to Tina Upton's cat.

Debbie Hensley's cat won the animal with the prettiest coat award while Nichole Shurt-

Wheat Crop Is Looking Great

Agriculture Stabilization and Conservation Office has applied for the emergency program for restoration of terraces, diversions and waterways damaged by the recent heavy rains.

Those farms receiving cost-share in the past 10 years are ineligible under the program.

Van Mills of Soil Conservation Service noted that not much damage occurred due to the last rains although, he noted, previous heavy rains around Loraine did cause some damage.

"Overall, the rains were much more beneficial than damaging," Mills said.

"Because of the way the rains fell, farms and rangeland will benefit from the moisture," Mills said.

He estimated at least a 30 per cent chance for producers to make good crops next year due to the underground moisture created by the rains.

"Prior to the rains, pastures were very depleted. Now new green growth is evident and if the first frost will wait until late November, the

pastures will have good winter growth," Mills said.

Ambassadors Plan Ribbon Cuttings

A doctors' reception was the main topic of the Colorado City Chamber of Commerce Ambassadors meeting held Tuesday at noon in the Villa Restaurant.

The reception is to be held Sunday, Nov. 2, in the C.C. Thompson Room from 2 p.m. until 4 p.m.

The reception is in honor of the new doctors in town. All doctors of the area are also invited to attend.

The public is invited to attend the reception. Refreshments will be served and Tracy Wemack will provide background music.

Another item on the agenda was a ribbon cutting to be held Friday at 10:30 a.m. at North Side Fina for its new owner, Brad Rose. A ribbon cutting will

also be held in honor of Britton's Diesel. Carl Britton is the owner and operator of the business. The Ribbon cutting is to be held Tuesday, Oct. 21, at 10:30 a.m.

Ambassadors attending voted to have Glenn Roenfeldt as a new member of the Ambassadors.

Brad Rose asked all Ambassadors to please help with the October playday scheduled for Oct. 25.

Members also discussed future ribbon cuttings for new businesses and owners. Among these were: The Hair Place, formerly Mary's Beauty Nook and The Hair Affair, which recently changed ownership.

The next meeting for the ambassadors is set to be held on Jan. 5.

Chamber To Hire New Manager By January

Colorado City Area Chamber of Commerce Board of Directors met in regular session Monday and heard two applicants for the position of chamber manager.

Dwaina Wulfjen addressed the board first and expressed her eagerness to head the chamber and her willingness to work for progress in the community.

Joy Culwell addressed the board next and stated her qualifications

and willingness to serve.

Judy Blackstock addressed the board as representative of the Merchants' Committee.

She said the committee believes it is extremely important for the chamber to hire a new manager. She said the merchants are "up in the air" and in her capacity as chairman of the Christmas Promotional Committee, she believes that if the pro-

motional falls apart now, everybody will shop out of town for Christmas.

Board Member Van Mills noted Chamber President Brad Rose is a hard worker and willing to work with any committee on any project.

Rose said the chamber board is diligently seeking a new chamber manager. He noted the board planned to hire a new manager after January when the chamber has more cash in the bank. At this time, the chamber has \$1,397.65 in the checking account.

In other old business, the board decided not to contribute to the Clarence Taylor fund.

Board members decided the chamber responsibility is to support groups and not individuals.

Board members voted to purchase necessary PVC pipes and mate-

Merchants Discuss The Upcoming Elections

Colorado City Area Chamber of Commerce Merchants' Committee met to discuss finalizing plans for the upcoming Christmas Merchants' Packet advertising campaign Tuesday at 10 a.m. in the Civic Center.

Merchants decided to hold a regular meeting on the first Tuesday of every month at 10 a.m. in order to allow merchants interested in attending the merchants' meetings to pre-schedule plans to attend.

Merchants' meetings are open to all merchants who are members of the chamber (retail, individuals or service businesses).

Under the by-laws of the chamber, the merchants' committee's function is to "make in-

vestigations, conduct studies and hearings, make recommendations to the Board of Directors and to carry on such activities as may be delegated to them by the board."

Board Member Chris Hubbard, acting as a liaison between the board and committee, addressed the merchants on the subject of the by-laws and upcoming board member elections.

He reported that, according to the by-laws, the board of directors is composed of 15 members, one-third of whom is elected annually for terms of three years.

Elections are held annually between Dec. 1-10.

A nominating committee of not less than

three persons is appointed by the president from non-board members with the president serving as a non-voting advisor.

The by-laws state, "they (the nominating committee) shall select an equal number of nominees to fill the upcoming vacancies."

Additional names of candidates for directors can be nominated by a petition bearing the signatures of at least 15 qualified members of the chamber. This petition must be filed within 10 days after notice has been given of the names of those nominated by the board, Hubbard said.

In his explanation of the by-laws, Hubbard commented, "I see the

Cattle Fencing Not Budgeted By City

The City Council of Colorado City, meeting in emergency session Tuesday morning, decided to make repairs at the Northwest Airport rather than building a new fence to keep cattle off the runway.

City Manager Brenda Tarter said cattle were discovered on the runway and a number of people, including Mrs. Tarter and a number of council members, went out Tuesday evening to get the cattle off the runway and check fences.

Mrs. Tarter said she checked with Dell Barber, owner of adjoining land and also part of the land where a portion of the runway is, and he requested that a permanent fence separating his land from the airport not be constructed now.

The council voted to make repairs on the fences and by consensus agreed to enter into negotiations with Barber about the possibility of the city getting a clear title to the airport. See CITY Page 2A

 The Homecoming Wolves' Football Game will kick off at 8 p.m. Friday against Coleman in Wolf Stadium. Tickets for the game are \$3 at the gate.
 During halftime of the game, the 1980-81 Homecoming Queen will be crowned.
 Candidates for the crown are five seventeen-year-old girls who are seniors in high school.
 They are: Toni Hutto, daughter of Carol Hutto; Tammy Agullon, daughter of Dr. and Mrs. Thomas Agullon; Kim Fuller, daughter of Mr. and Mrs. Tommy Fuller; Laurie Mercer, daughter of Mr. and Mrs. Joe Mercer and

Marjori Maddox, daughter of Mr. and Mrs. Joe Maddox.
 Teresa Bertl, the reigning Homecoming Queen for 1971, will also be presented during the halftime festivities.

 The council was told there is only \$148.26 in the airport budget and the repairs will cost about \$200, Mrs. Tarter said. She had gotten estimates on building a fence and it would cost about \$1,500.
 Mrs. Tarter reported that the city has not yet received compensation for runway lights destroyed at the east airport before the city gave it up. She said the amount to be received will probably be about \$350 and not the \$1,000 earlier projected as it did not cost that much to repair the lights.

 No set-aside for 1981 wheat is in effect this year.
 The target price is anticipated to be at least \$3.81 and the loan rate at least \$3, according to ASCS County Executive Director Don Stewart.

A report was made that the lawn at the workshop had been mowed by A.R. Straub. Work Needed By Center Is Topic During Board Meeting

The Woodland Activity Center Advisory Board met in the Medical Center Conference Room for their September meeting.
 The meeting was opened with a prayer by Mrs. Jess Small and a treasurer's report was given with a report of the club being in good financial shape.
 Elmer Martin, president, stated he would check on insurance for the van to fix a dent in the body and would also check with Kenneth Rogers about the electric stove in the workshop.

Scientists Find New Use For Birth Control Pill When Added With Water

The Self Culture Club held its Oct. 3rd meeting in the home of Mrs. E.J. Stockton.

Mrs. Paul Beeman discussed plans for attending the District

Board meeting in Albany on Oct. 18 and the members contributed to the San Angelo Center.

The prayer and pledge of allegiance was led by John Brown.

Mrs. Wilfred Fox reported on "Water Chemistry Problems Could Threaten Vegetables," stating Dr. Hons, a researcher at Texas Tech University, reported that Knox and Haskell Counties produce millions of dollars worth of

potatoes and other vegetables. He said they may be in danger because of the nitrate concentration in their water.

He added that high contents of nitrate in water can cause slow suffocation among infants and immature livestock.

Mrs. C.P. Gary reported that Bob Kundtz, known as the wizard of Florida's Express Gardens wanted

the pill, not to prevent conception but to get some plants to reproduce. He found that with a solution of one birth control pill and one quart of water that a plant soon sprouted offshoots which were separated and repotted.

So, plants on "the pill" propagates. Kundtz is now trying the pill solution on trees, fruit trees and berries.

Those attending the meeting were Jewell Tiller, Lucretia Small, Dona Reed, Louise Logsdon, Ida Keith, Elizabeth Elliott, Ellen Brown, Della Fox, Pearl Watson, Mrs. Gary, Mrs. Beeman and the hostess, Mrs. Harvey Stockton.

A SURPRISED Dell Barber, right, Tuesday night was named Kiwanian of the Year during the annual awards night and officer installation ceremonies for the Colorado City Kiwanis Club. Presenting the award was newly inducted Club President Bob Hoback.

Nashville Singers To Perform

Walter Oden, pastor of the Lighthouse Assembly of God, said a talented family will soon appear in Colorado City in the Lighthouse Assembly of God located at 11th and Hickory Streets.

The Singing Deweys of Nashville, Tenn., will present a gospel music presentation Oct. 16 at 7:30 p.m.

The family group consists of Levey and Cleon Dewey and their two daughters, Cindy and Susie. The Deweys have travelled as a family unit since 1967, singing across the United States at denominational conventions, churches, colleges, fairs and have been seen on such TV programs as the PTL, 700 Club and the Jimmy Swaggart Show.

They have sung at the Grand Ole Opry, at the People's Church in Toronto, Canada and in the Avon Shakespearean Theatre.

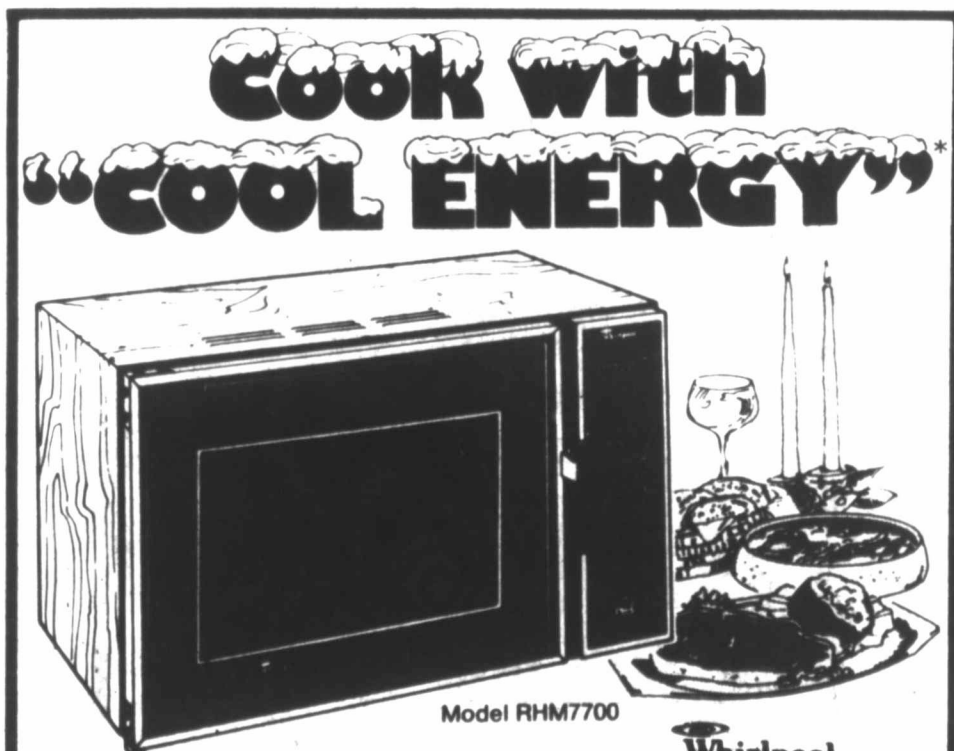

Recent trips include several visits to Central America, Pacific Islands, India with Dr. Mark Buntain and Europe; one of which resulted in a fund raising effort to help build a church for missionary work among the Indians of San Blas Islands.

Rev. Oden said the whole family is invited to attend because it will be a musical experience to remember.

Money Available For Weatherization

The State of Texas has been awarded a grant of \$1,504,300 to continue implementation of the U.S. Department of Energy's (DOE) Weatherization Assistance Program for low-income persons in Texas. It was announced by Curtis E. Carlson, Jr., acting regional representative for DOE.

The grant will allow Texas to continue weatherizing homes of low-income residents under the FY 1980 plan developed by the Texas Department of Community

Affairs. This will be the fourth year that weatherization assistance has been provided to low-income Texans under the DOE Weatherization Program which has resulted in the weatherization program of more than 9,300 homes.

The Texas program is part of nationwide effort to reduce energy consumption and improve the dwelling unit environment of the low-income persons in the nation.

Mrs. Wiley Walker Brings Devotional

The Willing Workers Sunday School Class of the Loraine Methodist Church met Sept. 25 with Mrs. Wiley Walker. The opening prayer was led by Mrs. Nola Bennett.

Mrs. Walker brought the devotional using as her subject, "What America Needs Today." She used scriptures from Matt. 11, Psalms 18 and John 8. She completed her talk by saying America's greatest need is a spiritual revival. In closing, she read

a poem "Thank You God."

Minutes of the previous meeting were read by Mrs. Givens and a brief discussion session was held. This was followed by a Bible quiz. Mrs. Jack Linam gave the closing prayer.

Mrs. Walker served ice box pie and nuts to Mmes. Lily Bennett, Frank Crownover, Mable Givens, Nola Bennett, Jack Linam, Harold Martin and Mattie Neely.

Plainview Baptist Church Youth Class Elects Officers

The Youth Sunday School Class began their new year Sunday morning at Plainview Baptist Church.

Officers elected were Beth Howell, president; Robert Bradbury, vice president; Melissa Gorham, secretary and treasurer; Jeff Boone, reporter; Charles Lindsey and Cheryl Brad-

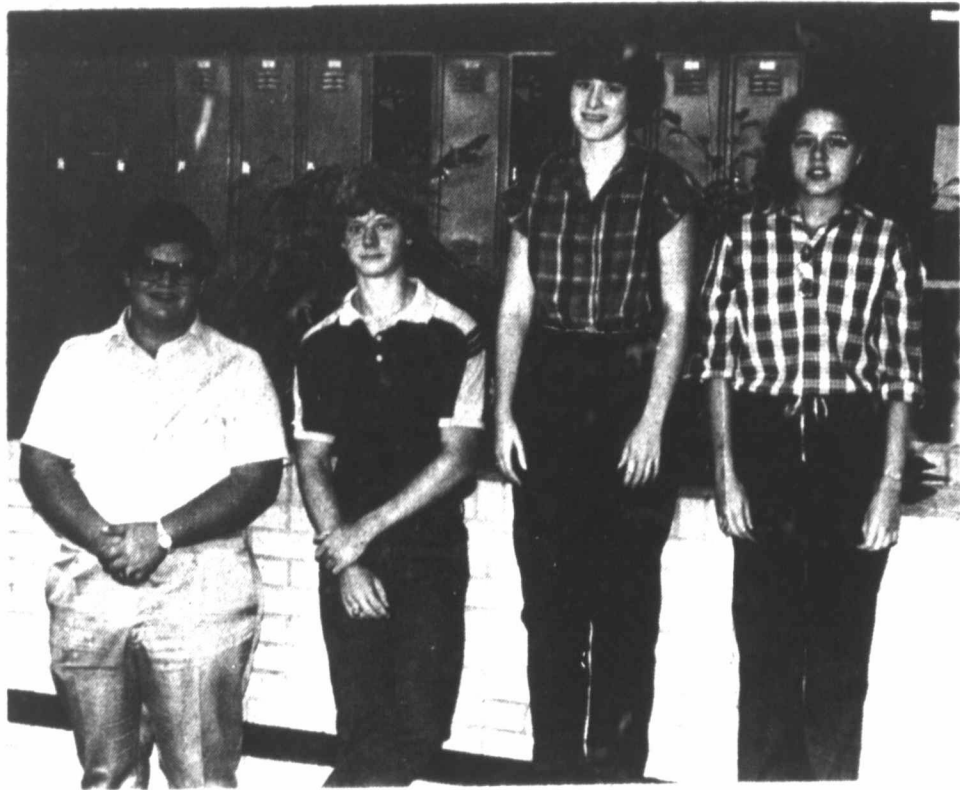

bury, social chairpersons.

Other members of the class are Tammy Huff, Jodi Huff, Kevin Roe, James Boone, April Liverette, Mrs. Lillian V. Vest, teacher and Rev. Jim Wells, pastor.

They would like to encourage young people to attend and be a part of their Sunday School.

They had a foreign missionary, Bro. Larry Henry of Spain, as the guest speaker during Sunday night services. He gave a slide presentation and discussion on the church mission work in Spain.

A fellowship with games and refreshments followed the presentation.

PICTURED ABOVE are the National Honor Society officers for Colorado High School for the 1980-81 school year: Kelley Dockrey, president; David Wilson, treasurer; Susie Moore, secretary and Melissa Gorham, vice president.

PENNY ORONA, bride-elect of Pete Orona, was honored with a bridal shower in the C.C. Thompson Room on Sept. 30. Pictured above is Connie Orona, mother of the groom; the honoree; Pam Jarnigan, mother of the bride and Gladys Pedigo, grandmother of the bride.

Penny Orona Honored

Mrs. Pete Orona, the former Miss Penny Laws, was honored with a bridal shower Sept. 30 in the C.C. Thompson Room.

The couple exchanged wedding vows Sept. 6.

The refreshment table covered with a white cloth featured a candleabra centerpiece accented in the bride's chosen colors of blue and yellow.

Centered on the table was a white sheet cake decorated with blue and yellow flowers. Completing the setting were crystal appointments. Cookies and nuts were also served.

Hosting the occasion were Nina Baker, Mary Paul Proctor, Toni Everett, Mary Ellen Beasley, Mary Ann Fincher and Carol Hutto.

Presentation On I Corinthians On "Love" Presented To Group

The nominating committee recommended officers for the new year when Women of the First United Methodist Church in Loraine met

Wednesday, Oct. 1 in the home of Mrs. Lily Bennett.

In giving the devotional readings, Mrs. Roy Wells read scrip-

ture from the 13th chapter of I Corinthians on love and Mrs. Harold Martin read from "Christianity Today" with Mrs. S.E. Meadows giving a prayer.

Mrs. Raymond Wheeler, president, presided over the business meeting at which time she reported on attending the district meeting held in Colorado City recently. Loraine Methodist Women gave a \$28 love offering at this meeting to go to the Mcurdy School along with \$50 previously given to this school.

Minutes were read by Mrs. J.M. Templeton and Mrs. Bennett

Blair gave the treasurer's report.

New officers elected were: President, Mrs. Raymond Wheeler; Vice President, Mrs. Harold Martin; Secretary, Mrs. J.M. Templeton; Reporter, Mrs. Roy Wells; Study Chairman, Mrs. Alva Bennett; Local Treasurer, Mrs. Bennett Blair and Connectional Treasurer, Mrs. K.L. Taylor.

Present were Mmes. Claud Neely, James Bennett, J.M. Templeton, J.D. Norman, S.E. Meadows, Frank Crowner, Wiley Walker, Roy Wells, Bennett Blair, Raymond Wheeler and Harold Martin.

Henderson Presides Over Church Meeting

Women of the First Baptist Church in Loraine met for their regular monthly meeting at the church at 2:30 p.m. Monday with Mrs. T.L. Holman bringing a talk on "A Responsible Christian Lifestyle for My Family."

The meeting opened with the group singing "Take My Life." Mrs. Clifton Henderson read Psalms 35:15 and Mrs. L.E. Crutcher read names of missionaries whose birthdays were on this day and gave a prayer.

Mrs. Henderson presided over a short business session and Mrs. Clara Butler read minutes of the last meeting. Mrs. Leach gave

the Mission in Action report.

Mrs. Henderson announced the mission study book for Foreign Missions will be reviewed in November. The book "Missions For Tomorrow" was written by Bill O'Brian, who was former choir director and youth leader here.

Mrs. Holman talked on the "Family Life" and told about Baptist women all over the U.S. and their desire to lead their families toward a more responsible Christian lifestyle. She gave the story of one family, the Don Anders of Springfield, Mo. Don and Sharon are Christian social ministries missionaries. They have four children, ages, 17, 15, 10 and 7. They view their children as gifts from God and say "We love and share with them and help them to mature and begin to live their own lives away from the nest. They are taught to share in tasks around the home, but most of all they are trained in God's ways."

Everything is not perfect. They say their lives are hectic as others. When all are getting ready for school and work at the same time in the mornings, sometimes it's very confusing as in any household.

The Bible and Mission Study lesson will be held at the home of Mrs. Henderson Wednesday, Oct. 15, at 9:30 a.m.

Present were Mmes. Henderson, Bernice Hallmark, Crutcher, Hal Bennett, Butler, Lynne Compton, Pauline Smiley, Holman and Leach.

Loraine Resident Dies

Owen Morgan Liles, 73, of Loraine, a retired farmer, died at his home in Loraine at 6 p.m. Monday.

Services were at 2 p.m. Wednesday at the Smiley Street Church of Christ directed by Kiker - Seale Funeral Home in Colorado City.

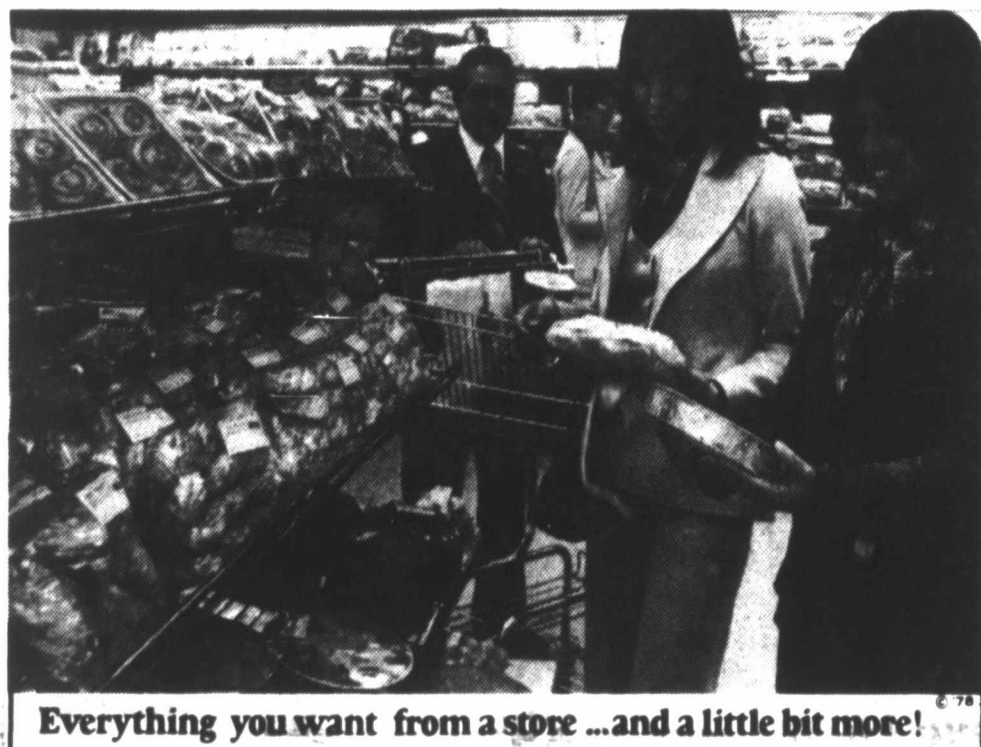

Claud Woods officiated assisted by Lynn Fisher of Snyder. Burial was in the Loraine Cemetery.

Born Jan. 25, 1907 in Winsboro, he married Pauline Brasher Sept. 8, 1933 in Alba. He had lived in Roscoe 35 years before moving to Loraine seven years ago. He was a member of the Smiley Street Church of Christ.

Pallbearers were Jay Doyle, Don Richey, Pat Denson, Ace Lee, Marlin Moore and Stanley Moore.

Bob Banta was admitted to the Veterans' Hospital in Big Spring last week and was due to undergo vascular surgery on Wednesday of this week.

xxx
Charlie Hamilton underwent eye surgery in the Veterans' Hospital in Albuquerque, N.M., last Wednesday and reported to be recovering satisfactorily with a

good report from his trouble.

xxx
Mrs. Al Walker of Crane spent the weekend with her mother, Mrs. Harvey Leach.

xxx
Mr. and Mrs. Gus Armstrong arrived home Sunday after a month's trip in the Northwestern states, which took them to Calgary, Canada where they spent a week with

friends, making trips all around that area which Mrs. Armstrong will tell us about when she tells of the trip in this paper next week.

xxx
Earl Browing underwent major surgery in Hendrick Memorial Hospital in Abilene Tuesday. He has been a patient there several days.

Alice Vasquez, daughter of Mr. and Mrs. Raymond Vasquez, Loraine, was born October 1 in Root Memorial Hospital. She weighed 6 lbs., 10 ozs., and was 19 inches long.

Mrs. L. Crutcher Returns From Trip

Mrs. L.E. Crutcher of Loraine and her daughter, Mrs. Camille Alford, and a friend, Miss Letha Aggers of Abilene, have returned after a trip to Denver, Colo., where they visited Mrs. Crutcher's grandchildren and their families. Miss Aggers visited a niece.

This was a planned reunion for the three children and their families of Mrs. Crutcher's son, the late Gordon Grigsby, and was held in the home of a granddaughter, Mr. and Mrs. Lawrence Wembling and their two children where they visited several days. Also, present were Mr. and Mrs. Jerry Grigsby and four daughters and Mr. and Mrs. Gene Dunn and three sons. There were 35 present for the reunion dinner and visit held on Sunday. Mrs. Crutcher had never seen

eight of her great-grandchildren.

While there, the Wimbings took them around that area where they visited many places of interest in the city which now has a population of 1,200,900 people.

Piland Installs Officers

The Lois Sunday School Class of the First Baptist Church had its yearly officer installation with a salad supper Tuesday evening in the home of Mr. and Mrs. A.W. Rowe.

Mrs. Joy Piland conducted the installation of officers by presenting "Keys" to Spiritual Life Development to each officer and member present.

After the installation of officers Mrs. Billie Roenfeldt, class teacher, shared her dreams for her spiritual growth in the coming year and challenged each member to have a goal.

Members present were Mmes. Piland, Jo Miles, Lena Marcom, Ruby Jackson, Elizabeth Fuller, Betty Shawn, Rowe, Gene Coldeway, Roenfeldt, Ernestine Stubblefield and Vera Mills.

Latimer Is Guest Speaker For Club

Mrs. Margaret Latimer, Home Economic teacher in the Loraine Schools, was guest speaker when the north Loraine E.H. Club met in the home of Mrs. Clifton Henderson at 2:30 p.m. Oct. 1 for a regular meeting. Mrs. Raymond Wheeler presided.

Plans were finalized on their work schedule at the fair in Colorado City.

Mrs. Latimer brought a program on where the schools stand from a basic standpoint in the United States at this time. She compared the familiar "Henny-Penny" story to many of the stories and distractions in the news media that say, "Our Educational System is in Mortal Danger." She did state that the lowering of the standards within our schools has not been good. The challenge for the ambitious student has been lessened because of it.

There was the liberal movements in the 60's which proved disastrous in many areas; and the return to a more conservative trend occurred in the 70's. She said we found we were over-reacting, possibly from guilt, to take care of the poos, underprivileged, etc; spending excessively with little results showing. She stated

there had been a 150 per cent increase in the cost of education in the past decade. The high school graduates on college entrance exams, 13 per cent were found to be functionally illiterate.

Today, many of our voters and taxpayers are older citizens and they are dissatisfied with result of their tax dollars. More than 80 million dollars is being spend annually on education and a high school graduate is only expected to read at sixth grade level. In 1972, a poll showed that 48 per cent of the public had confidence in the educational system. In 1978, this confidence has fallen to 36 per cent.

Some of the problems confronting the parents and schools at the present are sex education, prayer in school, amorality, family breakdown and environmental problems.

Return to the three R's for the elementary grades, as a foundation is good, but in preparing for a livelihood, the high school and college graduate must be prepared to be competent and functional in the society about him in today's world, she said.

The standardized tests have many drawbacks in determining what is right for the individual. It is proven that a large per cent cheat on tests. Oregon was one of the first states to begin the movement on "back to basics"—being able to function in all phases of life, they considered the individual, the learner, the producer, the citizen, the consumer and the family member.

Many of the regulations imposed on our schools has hemmed them in and endangered us to a cultural sterility.

She also stated the home is basically where the greater responsibility lies and the schools cannot be held responsible for the breakdown in home life or other problems beyond their control.

She gave many other factual accounts that were startling and challenging to the concerned parent and teacher.

Refreshments were served by Mrs. Henderson to Mmes. Latimer and J.D. Norman and the following club members: Mmes. J.M. Templeton, J.E. Price, Jack Linam, Roy Wells, Hubert Meadows and Raymond Wheeler.

Loraine Football Team To Begin District Games Friday

Loraine football team will begin the first of their District games this Friday night against Sterling City. The game will be played in Loraine at 7:30 p.m.

Loraine is rated 11 power points under Sterling City's 97 by the Harris Rating System.

"We will stay with our offense," said Coach Ted Wiley. "We will throw the ball more if we have the opportunity."

Sterling City will run Power I offense, Power Lead and Isolation Play, reported Coach Wiley.

"They have an unusual defense. They set up in a split four formation," said Wiley. "This

should be no problem for us. We played Irion County earlier in the season and they also set up in a split four defense."

"Sterling City has one good back, Billy Greenfield weighing 186 lbs., Greenfield is Sterling City's ball carrier most of the time," said Wiley.

Up until Loraine's game with Gorman last week, they had the leading defense in their District. Sterling City is now rated as the number one defense in their district.

"Both teams are good and pretty evenly matched," said Wiley. "It all depends on who wants the game worse."

"This is the beginning of District for both teams. It is like the beginning of the season. I think if we get after it, we can win this game," said Wiley.

Ratings of the teams Loraine has played and will play are as follows:

Gorman	9
Roscoe	28
Roby	46
Miles	69
Sterling City	80
Robert Lee	84
Loraine	112
Sands	115
Garden City	123
Water Valley	140

Wolves Varsity And Junior Varsity Defeat Irion County

Wolves varsity and junior varsity won both of their games Tuesday against Irion County.

Scores for the varsity games were 15-2 and 15-2, in Wolves favor.

Scoring for the first game were Kim Hardegree with one, Stacy Hamrick with one, Diana Castillo with one and Pam Wilson with 12.

Second game scorers were Kim Hardegree with two, Carolyn Green with six and Pam Wilson with seven.

Karla Herm had nine sets for the game and Pam Wilson, four.

Girls with spikes downed were Kim Hardegree with five, Sidney Stewart with four and Rachael Lujan with two.

Dinks for the night were Kim Hardegree with one, Sidney Stewart with two and Karla Herm with four.

Sidney Stewart made one block.

Saves for the game were made by Kim Hardegree with two and Karla Herm with one.

"Breckenridge was tough. We were ready to get after it," said Coach George Martin. "We play Clyde there Monday. Just because it was easy the first time doesn't mean it will be easy again. We won't take them lightly and the girls know this."

"We have two more matches left. The one with Clyde and then Breckenridge on Oct. 20 for the District Championship," said Martin.

"The girls have been playing excellent all year long. They have been moving like they should and they all have a super attitude for this far in the season. They are looking forward to playing Breckenridge again and hopefully going to Lubbock for regional on Nov. 15."

"As for Tuesday's game, Karla and Pam did a super job of setting up the ball for the spikers. Kim Hardegree, Sidney Stewart, Stacy Hamrick and Diana Castillo all did a super job in the first game. This allowed us the opportunity to play some of the other girls in the second game. These girls also did a fine job. Other girls doing a great job were Rachael Lujan and Carolyn Green," Martin said.

"We have carried nine girls on varsity all year, but when it comes time to go to regional playoffs, we will move three or four up from the junior varsity team so they will get to be associated with the playoff atmosphere," he said.

"We would like to invite everyone to come and watch our girls. They just don't know what they are missing," he said.

Accumulative totals for all 12 of Colorado City's volleyball games are as follows:

Points scored: Kim Hardegree, 78; Sidney Stewart, 38; Karla Herm, 42; Diana Castillo, 29; Della Ausbie, 34; Stacy Hamrick, 50; Pam Wilson, 34; Carolyn Green, 45; Rachael Lujan, five; Mona Molina, five and Tomika Randle, two.

Successful serves for the girls are presently: Kim Hardegree, 93; Sidney Stewart, 53; Karla Herm, 70; Diana Castillo, 45; Della Ausbie, 51; Stacy Hamrick, 70; Pam Wilson, 36; Carolyn Green, 49; Rachael Lujan, six; Mona Molina, five and Tomika Randle, five.

The six girls of the team with aces are: Kim Hardegree, six; Sidney Stewart, one; Stacy Hamrick, three; Pam Wilson, two; Carolyn Green, one and Mona Molina, one.

Set-ups for the games were: Kim Hardegree, one; Sidney Stewart, one; Karla Herm, with 115; Diana Castillo, one; Della Ausbie, 38; Stacy Hamrick, three; Pam Wilson, 13; Carolyn Green, one and Mona Molina, one.

No spikes, spikes not returned, are: Kim Hardegree, one; Sidney Stewart, one; Diana Castillo, two; Stacy Hamrick, one and Rachael Lujan, one.

Spikes down by girls are: Kim Hardegree, 26; Sidney Stewart, 30; Karla Herm, six; Diana Castillo, six; Stacy Hamrick, 25; Carolyn Green, five; Rachael Lujan, one and Tomika Randle, one.

Spikes that have been blocked have been by Kim Hardegree, 10; Sidney Stewart, 12; Karla Herm, four; Diana Castillo, one; Stacy Hamrick, six and Rachael Lujan, one.

Total dinks for the games are: Kim Hardegree, 20; Sidney Stewart, 13; Karla Herm, 22; Diana Castillo, 11; Stacy Hamrick, two; Della Ausbie, 10; Pam Wilson, two and Carolyn Green, three.

Coach Martin had these comments on the girls after their games Tuesday. "Super great, we're on our way to the District 7-AAA Crown. We cannot stop working until the last second or point of the match. The magic is in teamwork and helping one another. We have only two more matches before regional in Lubbock."

Junior varsity volleyball team won their games against Irion County 15-10 and 15-10.

High point for the first game was Lisa Rivera with five. Others scoring in the game were: Loretta Morris with three; Hollie Taplin with one; Michelle Franco with two and Mona Molina with three.

High points for the second game were Kerry Spivey and Venita Johnson, each with five points. Other girls scoring in the second game were Hollie Taplin with two; Loretta Morris with one; Tomika Randle with one and Mona Molina, one.

na Molina, one.

"We had excellent team effort by all the girls," said Coach Laura Wiley. "Everyone played and contributed to the win."

"We had some excellent saves by Loretta Morris, Kerry Spivey and Mona Molina," said Wiley. "This group has worked hard all season and their efforts finally paid off."

Junior varsity plays their next game Monday against Clyde at 7 p.m.

Colorado City Sports Booster Club To Introduce Wolves Varsity Team

Colorado City Sports Booster Club introduced the freshman and junior varsity football teams in their meeting Tuesday.

Participants viewed the Coahoma game film and listened to a scouting report of this week's game with Coleman.

The next meeting will be held Tuesday at 7:30

p.m. in the Middle School cafeteria.

Wolves varsity football team will be introduced and those attending will view Colorado City-Coleman game film. A scouting report will also be given for the Wolves game with Wylie.

Meetings are held every Tuesday at 7:30 p.m. in the Middle School cafeteria. All meetings are open to the public.

Everyone is invited and urged to attend to support your Wolves team. Parents of the players are especially asked to attend.

Colorado City To Face New Opponent Friday, Coleman

Colorado City will face another opponent the Wolves have never faced before when they take the field against the Coleman Bluecats Friday night for the Wolves homecoming game at Wolf Stadium.

Kick-off is set for 8 p.m. in the nondistrict tilt.

Earlier this year, the Wolves played Denver City for the first time ever.

The Wolves are picked to win the contest by 13 points by the Harris Rating System.

Coleman has won two games this year while losing three including one loss and one win against future opponents for the Wolves in district play.

The Bluecats won over Early 18-6 in the first ball game of the year then lost to Rotan 48-8; lost to Eastland 28-7; lost to Clyde 34-6 and won over Wylie 35-8 last week.

The Wolves have lost two, won two and tied

one and the two teams have not yet faced a common opponent.

About Coleman, Wolves Athletic Director and Head Coach Tom Ramsey said the Wolves are slightly larger on offense while Coleman is bigger on defense. In regards to speed, both teams stack up about even, Ramsey noted.

Coleman has a new quarterback who started for the first time last week and hit six of eight passes in the win over Wylie.

They have two good running backs, Ramsey said, and will run behind a 245-pound right guard, the Wolves Coach said.

Coleman runs on offense out of the 1-Stack I, Power I and Wing I. On defense, they line up in a "5," Ramsey said.

The Coleman defense has shown it is susceptible to the pass in past games, Ramsey said, so the Wolves are planning to use their passing attack.

Coleman has been improving, Ramsey said, as they have gotten back some of their players injured early in the season.

The Wolves also will be nearly at full strength as all players except for Running Back and Defensive Back Jay Green who is still suffering from a knee injury and will miss the game.

Ramsey said the game film with Coahoma looked good as it was a real hard hitting contest.

Here is how the Harris Rating System has the Wolves rated along with past and future opponents of the Wolves:

- 1. Breckenridge.
- 3. Stanton.
- 15. Stamford.
- 30. Colorado City.
- 31. Coahoma.
- 36. Clyde.
- 63. Denver City.
- 113. Post.
- 145. Ballinger.
- 156. Coleman.
- 174. Wylie.

Freeman Is New Conservationist Trainee For County Soil Conservation

A new range conservationist trainee with the Soil Conservation Service is Mark Freeman. Freeman reported for work Sept. 15. He will be working in the field under Van C. Mills.

"Freeman will be working with our department for about a year to gain practical experience knowledge," Mills commented. "Our office functions as a training base because we have a wide variety of land types on farm and ranches. Here, he will be exposed to all phases of conservation," Mills stated. "He has spent the last three weeks becoming familiar with Mitchell County and learning the policies and procedures

of the SCS," Mills noted. Freeman comes to the SCS from the Texas Agricultural Experiment Station at San Angelo, where he was a research associate in weed and brush control.

Freeman holds a Bachelor's Degree in Range and Wildlife Management and a Master's Degree in Range Management from Sul Ross State University.

A native of San Angelo, he and his wife, Minerva, have a two-week-old daughter, Jaclyn Michelle. They live at 154 East 21st Street and attend church at 22nd and Austin Street Church of Christ.

Freeman is scheduled to give a talk on Chemical Control of Lo-

weed and Garbancillo in the Davis Mountains of Texas at the National

meeting of the Society for Range Management in Tulsa, Okla., in February.

Full Gospel Men's Fellowship Is Set

J.E. Newsom will be the guest speaker Saturday for the Colorado City Chapter of the Full Gospel Business Men's fellowship.

The fellowship will be held in the C.C. Thompson Room beginning at 7 p.m.

Newsom was born in Shawnee, Okla., and grew up on a farm near Cotton Center, Tx. As a boy, he attended a Methodist Church. He learned to play a guitar at the age of 14 and began to play and sing with rock groups.

He attended Texas Tech University and married a student attending the university.

He will give his testimony on how Jesus salvaged his life in marriage and put him in the Christian ministry after a downward slide while trying to make it as a nightclub entertainer.

Men, women and youth of all denominations are invited to attend.

LIKE YOU, THEY'LL HAVE ALL OF THE NATURAL GAS THEY'LL NEED.

Just as you do today, your children will have a dependable supply of natural gas for their homes — if they're served by Lone Star Gas Company.

In other words, we aren't about to run out of natural gas. The facts are strong and very reassuring.

Our supply is based on purchase contracts for the gas from more than 19,000 wells in Texas and Oklahoma. And because no well lasts forever, we prepare for your future needs by steadily buying new long-term reserves.

The fact that we're well established in Texas and Oklahoma also works in your

favor. Nine basins in these two states are estimated to contain 50% of the nation's remaining onshore gas reserves. And Lone Star's pipeline system gives us excellent buying opportunities in eight of them.

Producers drilled thousands of wells in these major basins last year. They're drilling more this year. And we'll be shopping hard, just as we always have, for the best energy values for your future.

We'll Be Happy To Explain Value and Economy For Your Tire Dollar

Every Michelin 'X' tire is backed by a 40,000 mile warranty for tread wear on domestic cars. That's just about twice the mileage you'd expect from a conventional tire under the same driving conditions. Also, because of its radial design the Michelin 'X' rolls with less road resistance than conventional tires, and that means you can save up to 10% on your present gas consumption (pretty good considering today's fuel crisis.) Plus, every Michelin 'X' tire gives you all the distinctive radial tire advantages over conventional bias-ply tires: smoother ride, easier handling, better traction and firmer road holding. And, they add up to a lot of comfort and safety. Invest in better driving. Stop in and have a set of Michelin 'X' radials installed today.

Heflin identified the body as matching the description he had been given.

Traffic was moderate at that time of morning, Hamilton reported.

A truck driver in a car stopped to offer assistance, but had not been a witness to the accident. Sheriff's Deputy Jim Reynaud reported.

rials for poles to be used on playdays. A price of \$125 was suggested and Board Member Travis Cawthron said he believes the materials can be purchased cheaper.

The chamber needs six poles by Oct. 25 when the next playday will be held.

The last playday made a profit of \$700 for the chamber.

Merchant David Easter suggested a list of active merchants and chamber projects should be distributed to merchants so that they can plan their advertising campaign for the year by indicating which projects they wish to sponsor.

He said the way the system works now, the merchants are hit for support repeatedly.

The board voted to publish a list.

A report was given on the proceeds from the Mitchell County Fair.

The chamber received 10 per cent of the proceeds from the carnival which amounted to \$800 and \$10 from each booth which equaled \$195.

Total proceeds from all events equaled \$2,048.05 with some booth fees still not turned in.

Total expenses were about \$636, according to Chamber Secretary Patricia Denison.

Board members decided no audit would be necessary because of the change in chamber management because the manager did not have the right to sign Chamber checks.

The merchants' committee reported only 14 per cent of the 52 members contacted by let-

skid marks made by the body and the location of the body, it was surmised that a truck and trailer hit the man as he stood on the shoulder of the road.

Costabile reported the dead man had received massive head wounds and extensive facial, chest and leg injuries.

From identification taken from the body, the man was identified and his mother, Betty Jo Snyder of Kewanee, Ill., was notified.

Officers speculate that the trucker who telephoned from Trucktown may have been the driver who hit the transient.

Investigation into the hit-and-run is continuing.

ter attended Friday's merchants' meeting.

The by-laws governing the appointment of a nominating committee by the board president and election of board members was discussed.

Rose read the by-laws which state: "The board of directors shall be composed of 15 members, one-third of whom shall be elected annually for a term of three years."

"A nominating committee of not less than three persons shall be appointed by the president from non-board membership with the president serving as a non-voting advisor."

"They shall select an equal number of nominees to fill the upcoming vacancies."

"Additional names of candidates for directors can be nominated by petition bearing the genuine signatures of at least 15 qualified members of the chamber."

Board Member Chris Hubbard was appointed to appear before the merchants' committee Tuesday to explain the by-laws in regard to electing board members.

Board Members decided to sponsor an autograph party for a local author, Viola Iglehart, who recently had a book published entitled, "Trapper Lady."

A speaker for the Annual Chamber Banquet was discussed by the board. Board Member Carl Beery Moore commented he had recently had the privilege of hearing a very humorous speaker, Doug Manning. He said the speaker was the most entertaining he had ever heard.

Board members suggested Moore contact the speaker to see if he would be available.

A closed session was called to discuss chamber personnel.

Rose held a press conference Tuesday morning to disclose the results of the meeting.

Rose said the board had voted to seek applications for Chamber Manager until Jan. 1. He noted three applications have already been received.

Applications will be accepted from men and women, local and out-of-town.

One of the current applicants is a woman from Grand Prairie.

Rose noted the board had voted to increase the secretary's salary and give her a car allowance until a new manager is hired.

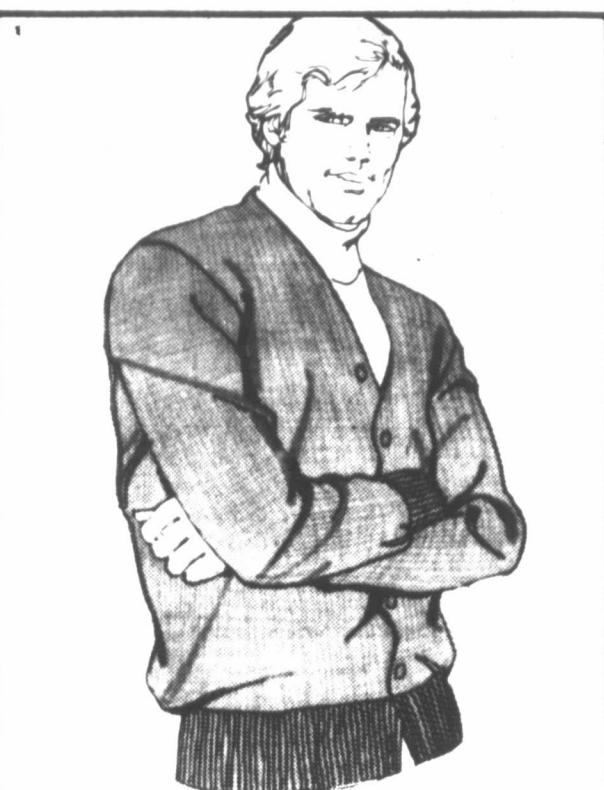

The by-laws of the chamber do not make provisions for closed meetings, although they do not prohibit them, Rose said.

The board will propose an amendment to the by-laws, allowing for closed meetings. This will be brought for a vote to the general chamber membership.

city looking at the chamber to see what's being done. This is a time for pulling together and positive thinking."

He suggested everyone present for the meeting should list the names of persons they wished nominated for the board or nominating committee and return the names to him.

He noted that last year, he and Carl Beery Moore had been appointed to the nominating committee and had contacted 15 individuals to see if they would be willing to serve on the board of directors.

He said 13 of the 15 persons refused to serve, giving various reasons. He said when he and Moore reported back to the president that they did not have the needed number of nominees, he and Moore were appointed. Hubbard was appointed to fill the unexpired term of Ken Godsey.

Committee Member Leslie Perkins noted that she believed the board should consist of more merchants who actively work for the chamber as members.

She said there were a lot of people who would accept the position because of the title who had never helped with chamber projects.

Mac Perkin noted she had asked for a position on the board and had been refused.

Mrs. Perkin also said when she had gone before the board with a request, the board seemed unattentive and uninterested.

She said she believes this was the case because the board members were not retail merchants and had little knowledge of what is going on in the projects.

Board Member Joe Kirschbaum said he believes that directors and their wives really carry

the load at chamber functions such as the "Fly-In" and Rodeo.

Merchants appointed David Feaster to contact retail merchants to see who will be willing to serve on the no-

minating committee and board.

Feaster will contact retail merchants on the current list of members and report back to the committee Tuesday at 10 a.m., during the

next scheduled meeting.

Merchants discussed the upcoming Christmas promotional. They had previously set \$30 as the fee for the advertising campaign. They are investigating the

possibility of changing the format of the advertising used last year.

Merchant Omero Valdez was appointed to report during the next meeting about the campaign used last year.

Present for the meeting were: Valdez of C.R. Anthony Co.; Mildred Free of Free's Friendly Shop; Mrs. Perkin and Mrs. Perkins of Perkin's Apothecary; Hubbard of H&H Sound

Systems; Kirschbaum of Kirschbaum Clothiers; Robert Trammell of Perry's; Betty Williams of Little Critters; Feaster of Landau's and Judy Blackstock of Ste-reo Corral.

Community Committee Nominees Sought By Agriculture Stabilization And Conservation Service Prior To October Deadline

Petitions to place candidates on the ballot for the Agriculture Stabilization and Conservation Community Committee are being requested by the ASCS Office until Oct. 27.

Letters notifying producers of the upcoming election and requesting nominations for positions on the ballot have been mailed to eligible voters.

The ASC Community Committee election will be held on Dec. 1.

Ballots will be mailed to voters about 10 days prior to that date.

The ballots must be mailed or returned in person no later than Dec. 1.

Mitchell County is divided into three communities: "A" Community is west of the Colorado River; "B" Community is north of Interstate 20 and east of the Colorado River and "C" Community is south of I-20 and east of the Colorado River.

Producers will be sent a ballot for the community in which their principal farming interest is located.

A slate of at least ix

nominees will be developed for each community.

If six or more eligible candidates are nominated by proper petition no further nominations will be made.

If, however, less than six persons are nominated by petition, the present Community Committee will add the number of nominees needed to complete the slate.

A person who is nominated by petition and found ineligible will be notified and given seven days in which to appeal.

To be eligible for nomination, a person must be currently engaged in operation of a farm or ranch and must be well qualified by committee work.

In general, a farmer is eligible to be a community committee member if the farmer lives in the community in which he is eligible to vote.

Duties of the Community Committee member include informing farmers of the purpose and provisions of the ASCS Programs; keeping the county commit-

tee informed of local conditions; recommending needed changes in farm programs; participating in community meetings as necessary and performing other duties as assigned by the county committee.

In each community, three regular and two alternate committee members are elected each year.

After community committees are elected, each county holds a convention in December to elect County ASC Committee members.

Community committee members serve as delegates to this convention.

This year Tom Moore is the County Committee member whose term of office expires.

CORRECTION

Two corrections should be noted on the County Fair results. L.C. Morris won a blue ribbon in the men's preserves for his blueberry elder jelly and Rhea Webb won the rosette for her original harp songbook.

Oil Report

A Mitchell County wildcat and a Martin confinner were making oil on production tests.

Marshall & Winston, Inc., Midland, No. 2 J. F. McCabe, wildcat, one location south of an undesignated Odom lime gas discovery, 3/4-mile east and northeast of Strawn production and 1 1/2 miles northeast of Ellenburger production in the Dixon field of Mitchell County, 1 1/2 miles northwest of Ellenburger production in the Jameson, North multipay field and 5 1/2 miles northwest of Silver, swabbed 60 barrels of fluid in 3 1/4 hours from an unidentified zone, probably Ellenburger.

Recovery was through

perforation at 7,126-136 feet, which has been acidized with 5,000 gallons. Fluid was 30 per cent oil on the first swab run and 75 per cent on the second. Testing continued.

RK Petroleum Corp., Midland, No. 1 RK-Union, 1 1/2 mile southwest and a two-mile east out-post to Strawn production in the Breedlove, South multipay field of Martin County, eight miles north of Tarza, flowed 13 hours, making 17 barrels of oil.

Flow was through a 20-64-inch choke and perforations at 10,862-878 feet, which had been acidized with an unreported amount. Testing continued.

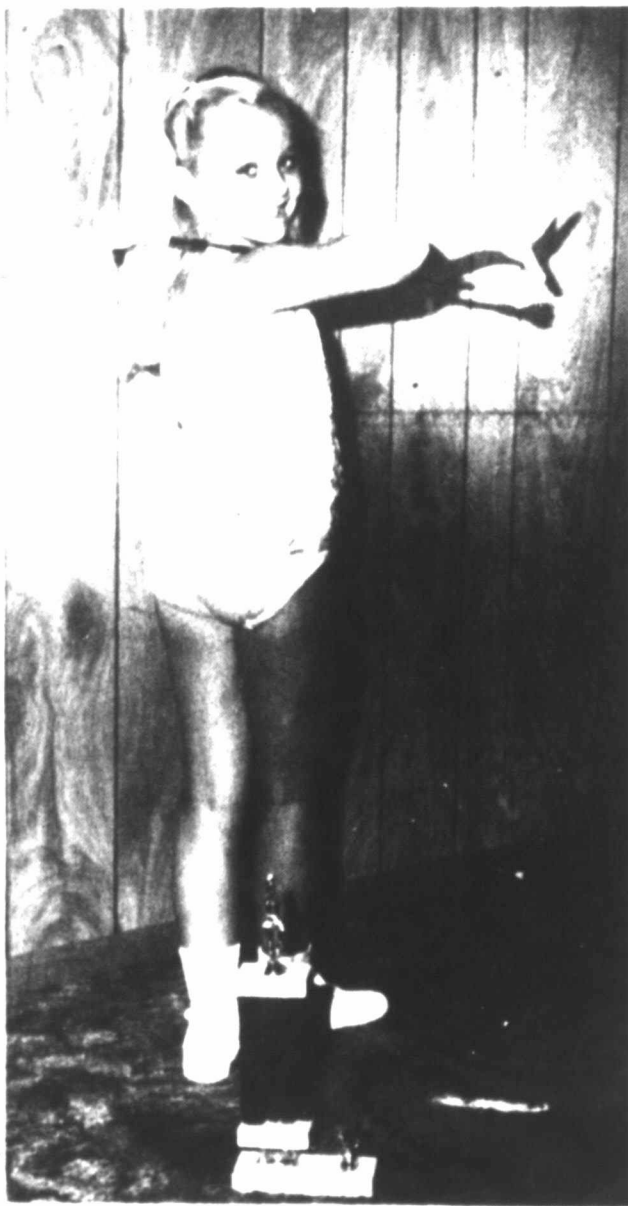

Shelby Hildebrand Takes Top Honors

Shelby Hildebrand, eight-year-old daughter of Mr. and Mrs. Max Hildebrand of Snyder, won top twirling honors in the 27th Annual West Texas Twirling Festival of the National Open Contest in Lubbock on Sept. 27.

She is presently Snyder's "Our Little Miss" and she won her latest honor with a solo routine, a third place medal for basic strut and a fourth place medal for military strut.

Miss Hildebrand has taken contest twirling lessons for one year under the direction of Sandi Pavlik of Snyder.

She is scheduled to participate in another twirling contest the last of this year.

GI Loans Available

The Veterans Administration Regional Office said despite rapidly changing mortgage rates adding to the confusion of an often chaotic housing market, they believe its GI loans guarantee program continues to offer significant benefits to home-seeking veterans.

Birdie Kidd, VA officer in Mitchell County, said the program, which offers guarantees of up to \$25,000 or 60 per cent of the loan, whichever is less, has a number of advantages for eligible

veterans, stating they are: lower interest rates than conventional mortgages; long amortization periods; right of repayment without penalty; no points to be paid by the home-buying veteran; one year builder's warranty for new homes; no down payment in most cases; limitations on closing cost for loans and VA valuation appraisal.

She said VA loan officers across the country report that recent fluctuations in mortgage interest rates have surprised veterans who believed they had nailed down one mortgage rate only to be confronted with a higher rate at settlement.

She concluded by saying the VA interest rate is changed to meet the demands of the mortgage market and to minimize the cost of home ownership to the veteran while ensuring that mortgage funds will be available.

Texas A&M Aggies Graduate

Texas A&M University honored the largest Summer graduating class in the school's history on Aug. 16 in G. Rollie White Coliseum.

Receiving a Bachelor of Science in Animal Science was Dee A. Rickman, son of Mr. and Mrs. Glendon T. Hemphill of Colorado City. He is also the grandson of Mr. and Mrs. Bill Bloomer. Dee will be returning to College Station on Sept. 1 to enter graduate school.

Mr. & Mrs. W. Jones Honored With Party

Mr. and Mrs. Willis A. Jones were honored with a dinner party Sept. 30 in honor of their 45th wedding anniversary.

Hosting the occasion were their children, Mr. and Mrs. Clarke Jones of Midland and Mr. and Mrs. Lynn Rich of Sterling City.

The celebration took place in the Broken Spoke Restaurant in Midland. The party included dinner and dancing with the special guests being honored by singers Jim Whitted and Lucky Parker during the evening.

License Office Closed Monday

Junior Class Report

From Westbrook High School

Pat Harris, junior class representative from Westbrook High School, gave the following class report.

Lary Beth King and Max Ragland are the junior students competing for the king and queen coronation and will be crowned after their Halloween Carnival. They are competing against the freshmen, sophomore and senior classes.

She also said the class was selling raffle tickets for a grocery basket full of food to be given away at the carnival. She added they will also sponsor games.

Miss Harris said the carnival was set for Friday, Oct. 31, beginning at 8:30 p.m.

She added that the following had entries in the Mitchell County Fair: Rosie Vigil, decoupage bird plaque; Kelly Adams, decoupage of a poem; Hontas Hines, trauma needle point picture of a rabbit and a crocheted bedspread and she made a stuffed cat pillow and a

cross stitch of a farm. In concluding, Miss Harris said they would like to thank all the people who donated cans to

the class and asks if anyone else with cans to donate to phone Judy Chitsey at 728-3053 or Hontas Hines.

Now you can relive those days with Southwestern Bell's new Country Junction* telephone — a happy blend of yesterday's spirit with today's technology.

Lovingly handcrafted in natural oak and antiqued nickel trim, the Country Junction phone is a classic that blends with period settings and makes an attractive statement with the crisp, cool lines of contemporary taste.

No matter where the telephone is placed — kitchen, den, family room, living area — this is a phone that will be seen and admired. Because it has modular components, installing it is as easy as hanging a picture.

In a busy, bustling world, the Country Junction telephone is a pleasant reminder of those times when all phone conversations began with the voice that smiled.
