PRESENTS MEDAL — T. V. Early (right), commander of the local VFW Post, presents the Purple Heart medal to Herman T. Deere, father of Sgt. Donald T. Deere, while other members of the family appear in the background. The presentation was made during Memorial Day Rites at Hillside Memorial Gardens here Tuesday.

UNVEIL MARKER — Maj. Bill York (left) USMCR of Snyder and Sgt.-Maj. Jerry M. Pierce of Abilene unveil a memorial marker in honor of Sgt. Donald T. Deere. The unveiling ceremony also was the dedication of the Field of Honor at Hillside Memorial Gardens.

Memorial Day Rites Here Honor Sgt. Donald Deere

Over 200 persons were present to witness the dedication of the Field of Honor at Hillside Memorial Gardens on Memorial Day yesterday with the unveiling of a bronze memorial plaque in honor of Sgt. Donald T. Deere, a Snyder soldier who gave his life for his country in Vietnam.

The ceremony was part of a military funeral service for Sgt. Deere, who officially was declared dead May 18 by the Defense Department after being missing in action one year. He was last seen in a battle with Viet Cong forces at Lac Ninh near the Cambodian Border while serving as a volunteer advisor to friendly units.

Sgt-Maj. Jerry M. Pierce, ROTC instructor at Hardin - Simmons University in Abilene, and Maj. Bill York, USMRC of Snyder, unveiled the plaque. Pierce delivered the main address at the military service.

A detachment of Green Berets from Lubbock — A8 operational detachment, Company C, 12th Special Forces Group — presented the American Flag to Donald's mother, Mrs. Herman T. Deere of Snyder. 1st Lt. Larry Edwards of New Home was in charge of the presentation.

The presentation followed a 21-gun salute and the playing of Taps by Army units from Fort Hood and Brooke Army Medical Center at San Antonio. Seven riflemen fired three successive volleys over the memorial marker. Those present ignored a storm cloud overhead in the solemnity of the occasion.

T. V. Early, commander of the local VFW post, presented the Purple Heart Medal to Sgt. Deere's father. Describing the reason for the award, Sgt. Pierce stated:

"This award, first established by General George Washington in 1782, is presented to you as a tangible expression of your nation's gratitude and everlasting appreciation for your son's gallantry and devotion in the service of his country.

"Donald stands in the unbroken line of patriots who have given their lives that our nation's goal of freedom and peace may be maintained. I hope that this award and the knowledge of your son's invaluable contributions will serve to comfort you in the days that lie ahead."

Donald's father also won the Purple Heart while serving with U. S. troops in France during World War II.

The VFW and Auxiliary and the American Legion also participated in the service, and the regular VFW memorial service in honor of all American war dead was held at the conclusion of the military service. Main speaker for this service was Father Herman Valladares, pastor of Our Lady of Guadalupe Church.

Others participating in the military service were Don Browning, minister of the East Side Church of Christ; Rev. Jerry Speer, pastor of the Green Hill Baptist Church; Rev. Samuel Delgado, pastor of Templo Bautista Mission; Rev. Allan Forbis of the Fluvanna Methodist Church; and, Rev. Otis Archie, Jr., pastor of the New Hope Baptist Church. They also participated in civilian rites in Bell - Seale Chapel prior to the military servce.

The family had requested that contributions for a Christian (non-demoninational) church be given in lieu of flowers. A fund for this purpose has been established at West Texas State Bank. The church will be built in South Vietnam some 200 miles south of Da Nang at Dalat.

Bell - Seale Funeral Home was in charge of arrangements for the civilian service. A large portrait of Sgt. Deere appeared in the chapel.

Born Sept. 6, 1944 at Roscoe, Sgt. Deere attended Snyder Schools and Ranger Junior College prior to his entry in the Army in July of 1963. He was selected for specialized training with the famed Green Berets following a tour of duty at Okinawa. He went to Vietnam Jan. 20, 1966.

Surviving are the parents of Snyder; two brothers, Charles Deere of the U.S. Army and D. Leon Deere of Arlington; one sister, Ms. Roy D. Sanderford of Arlington; the maternal grandparents, Mr. and Mrs. Leonard E. Thorpe, Sr. of Dallas; the paternal grandmother, Mrs. Delphiah Deere of Lamesa; and four nephews and one niece.

WEATHER

SNYDER TEMPERATURES: High Tuesday, 92 degrees; low, 57 degrees, reading at 7 a.m. today, 57 degrees.

North Central Texas: Partly cloudy and little change in temperatures through Thursday. Widely scattered showers and thunderstorms. Low tonight 60 to 67. High Thursday 80 to 90.

Northeastern Texas: Considerable cloudiness and little change in temperatures through Thursday. Widely scattered thundershowers tonight and Thursday. Low tonight 60 to 68. High Thursday 75 to 85.

Northwestern Texas: Partly cloudy and little change in temperatures through Thursday. Widely scattered afternoon and evening thunderstorms. Low tonight 54 to 64. High Thursday 80 to 90.

Coast: Southerly winds 15 to 25 knots through Thursday locally gusty and variable in scattered showers and thundershowers.

South Central Texas: Considerable cloudiness with scattered showers and thunderstorms some locally heavy through Thursday. Low tonight 65 to 78. High Thursday 84 to 96.

Southeastern Texas: Considerable cloudiness with scattered showers and thunderstorms some locally heavy through Thursda. Low tonight 65 to 72. High Thursday 82 to 88.

Southwestern Texas East of the Pecos: Considerable cloudiness with scattered eastern and southern portions and fair remainder areas through tonight. Partly cloudy Thursday. Low tonight 60 to 72. High Thursday 85 to 96.

US-Red Confrontation Looms In Middle East

CAIRO (AP) — Soviet warships began sailing through the Bosporous today, raising the threat of a naval confrontation with the British and Americans in the Middle East crisis, Turkish reports said.

Naval sources in Istanbul said the advance party consisted of a submarine repair ship and four armed escort vessels bound for the eastern Mediterranean.

The Turkish navy command said the Soviet government reported it will send 10 warships, in all, through Turkey's strait to the Mediterranean, where the powerful U.S. 6th Fleet and British ships are deployed.

One source said that even if these ships join a Soviet flotilla of about a dozen ships, the naval balance would remain strongly in favor of the United States. The Soviet flotilla, which has been shadowing the 6th Fleet, includes submarines, spy trawlers and destroyers.

In other developments:

Syria, whose charge that Israel planned an invasion touched off the current crisis, ignored the new Jordanian-Egyptian defense alliance and issued virulent propaganda attacks against King Hussein of Jordan.

Iraq announced that troops had left Baghdad, the capital, to join other units en route to Egypt to face an Israeli build-up on the border. Baghdad radio said other troops will leave soon to join other Iraqi soldiers in Syria.

Israel, already mobilized, announced the extension of the 47-hour work week to a possible maximum of 71 hours to help make up for a manpower shortage.

The Jordanian Parliament in Amman, the capital, adopted a resolution hailing the Egyptian-Jordanian defense pact as "the first step toward the liberation of Palestine and the regaining of the usurped land."

The Turkish naval command said the bulk of the Soviet naval force is expected to sail through the strait June 3. They are destroyers No. 626, 383 and 514.

The command said another destroyer, No. 355, and the ice-breaker Verdusanov are expected to pass through the Bosporus. They will be accompanied by a torpedo boat.

According to a sailing schedule of Soviet warships through the strait handed to the Turkish government and disclosed by the strait command, an ocean-going tug will follow them June 7.

Call For Restraint Is Expected

UNITED NATIONS, N.Y. (AP)—Some diplomats predicted today that the U.N. Security Council will adopt a resolution before the weekend calling on all sides for restraint in the Middle East crisis.

They said the resolution might be handed in after the council's fifth meeting on the crisis this afternoon and might be adopted Thursday.

The council meeting was scheduled to start at 3 p.m.

The informants said ideas for the resolution were put on paper at a conference Tuesday among Bulgaria, Ethiopia, India, Japan, Mali and Nigeria, who redrafted a working paper originally submitted Saturday by Denmark.

The informants said the expected resolution would propose that the council do substantially what Nigerian Ambassador J. T. F. Iyalla suggested it do.

At an extraordinary Memorial Day council meeting Tuesday, Iyalla stressed that "the council should issue an appeal for restraint."

"The council should endorse the recommendations of the secretary - general, particularly for the reactivation of the Egypt-Israeli Mixed Armistice Commission," Iyalla added.

46 Texans Lose Lives

BY THE ASSOCIATED PRESS

Violence in Texas during the lengthy Memorial Day weekend took at least 46 lives.

The tabulation beginning Friday night showed that 23 died in traffic, three drowned and the others died from many causes. The tabulation ended Tuesday midnight.

Latest reported deaths were of two Wharton youths, Walter E. Miller, 15, and Anthony Mark Wisnieske, 14.

They died Tuesday night when their motor scooter and an automobile collided at Wharton.

Teacher Pay Hiked; Tyrone Head Coach

Snyder School Trustees last night approved salary increases for the school's professional staff and other personnel and hired Wayne Tyrone as athletic director and head football coach at the high school.

The salary for teachers and other professional staff members will be increased by $600 per year across the board. Salaries of school secretaries will be increased by $35 per month, maintenance personnel salaries will be increased by $25 per month and cafeteria workers' salaries will be increased by $20 per month.

The increases apply to all employes of the school district, except the superintendent and the athletic director, whose salaries are set separately in their respective contracts.

The base pay for a beginning teacher with a bachelors degree will be $5,600 per year under the new scale. The maximum salary for a teacher with bachelors degree will be $7,100 per year, which is attained after 11 years of experience. At present the range is from $5,000 to $6,500 for teachers with bachelors degrees.

The pay range for teachers with masters degrees will be $6,000 to $8,200, with the maximum being attained after 18 years experience. The present scale for teachers with masters degrees begins at $5,400 and tops out at $7,600 after 18 years experience.

The board voted unanimously to promote Tyrone to the position of athletic director and head football coach following an interview with the full board. He was extended a two-year contract, which will run to June 15, 1969, at a salary of $10,200 per year.

At the same time, the board formally accepted the resignation of Keith Miles, which had been submitted a week earlier, effective June 15 this year. Miles has served as athletic director and head coach since Feb. 1, 1966.

Tyrone has been in the Snyder School System six years. He served as head of the athletic program at Travis Junior High School for five years, coaching the ninth grade football team there. Last year, he became varsity backfield coach at Snyder High School, and after football season he coached the basketball B team.

In all, he has 10 years of experience as a coach, having served as junior high coach for four years at Sweetwater before coming to Snyder.

Tyrone, 36, is a graduate of Texas Tech. He is married and has two children, David 13, and Taressa 7.

The board action on the salary increases came on the heels of action by the 60th Legislature increasing the minimum pay scale for teachers in the foundation program. As a budget balanced school, Snyder does not participate in the foundation program. However, it usually keeps salaries well above the state minimum to remain competitive in the recruitment of teachers.

In other business at the special meeting, the board voted to pay Dr. Robert Clinton for vacation time which he will be unable to take before his resignation becomes effective on July 1. Dr. Clinton will continue here through most of the month of June to help prepare the local school's budget for the coming year. On July 1 he will become assistant commissioner of higher education in Texas.

Rain, Wild Wind In North Texas

BY THE ASSOCIATED PRESS

Up to nearly 10 inches of rain, hailstones that whitened the ground and flattened many South Plains crops, and lightning that disrupted power service struck Texas Tuesday night and today.

Tornado funnels in widely separated areas added to the turbulent weather picture.

The long-awaited rains came with such force that they wiped out some vegetable, cotton and wheat crops in the South Plains area around Lubbock.

In other parts of Texas, where the rains were sizable and steady through today, little damage was reported outside of temporary inconveniences from blocked roads and bridges.

Decatur in Wise County counted up to 9.75 inches by today and Slidell nearby had 7.10 inches. Eighty per cent of the wheat crop in this North Texas area had been harvested before the deluge.

Heaviest rains fell in North Central and Northeast Texas but rains of a half inch were reported in many places in the Panhandle.

The Dallas Fire Department rescued a woman from her car where high water had built up in northeast Dallas. At least two reports of tornados in the county were made but apparently caused no damage.

A short section of State 360 at Grand Prairie was closed briefly by high water.

Near Bonham, the rains sent Bois 'Arc Creek on a rampage in Fannin County. Highway water closed numerous rural roads in the area.

The little town of Penelope just northwest of Waco reported 3 inches of rain in an hour today. Creeks went out of their banks.

Official Weather Bureau rainfall reports included Avalon 1, Bowie 2.30, Boyd 2.50, Burleson 1.15, Carrollton 2.70, Crandall 1.40, Decatur 6.97, Slidell near Decatur 7.10, Ennis 1.04, Wichita Falls 1.88, Dallas 1.32, Texarkana 1.59, Tyler 2.09, Farmersville 2.65, Frost 1.03, Justin 2.27, McKinney 3, Maypearl 1.05, Muenster 3.36, Pilot Point 5.08, Roanoke 2.95, Rockwall 2.35, Sherman 4.64, Springtown 2.12, Trenton 5.55, Valley View 5.09, Waxahachie 1.24, West 2.17, Sherman 4.22, Rosser 1.62 and lesser amounts at Ferris, Terrell, Dalhart, Amarillo, Abilene, Waco, Junction and Childress.

Walt Leaves Viet Command

DA NANG, Vietnam (AP) — Lt. Gen. Lewis W. Walt relinquished command of the 75,000-man U.S. Marine force in South Vietnam today, expressing sorrow at leaving "the finest, most challenging command the Marine Corps has ever had."

Walt's successor as commander of the 3rd Marine Amphibious Force, Maj. Gen. Robert E. Cushman Jr., was promoted to lieutenant general at the ceremony. His third stars were pinned on by Walt and Army Gen. William C. Westmoreland, commander of all U.S. forces in South Vietnam.

Westmoreland presented the Distinguished Service Medal to Walt and then praised the 54-year-old Marine as a man "almost unique in professional ability and an officer of great courage."

Walt will become personnel director of the Marine Corps in Washington after having served two years in Vietnam.

Group Boasts Of Blast Detonation

MIAMI, Fla. (AP) — A militant anti-Castro group claimed credit for detonation of magnesium capsules near the Cuban pavilion at Expo 67 in Montreal.

Expo security officials called the incident "a prank" and said no harm was done. They said a bag was found beneath the producer pavilion Tuesday on Notre Dame Island near the Cuban pavilion.

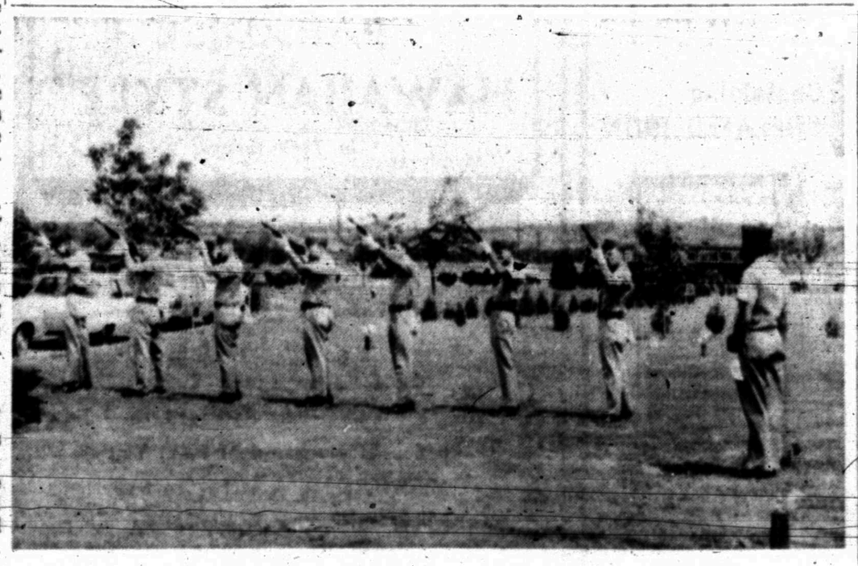

A security official retrieved the bag but when he opened it and noticed it contained a clock device, he dropped it and withdrew. In seconds the device detonated with a small bang and a flash.

Panel Sessions Set By Chamber

Two committee sessions have been set this week by the Snyder Chamber of Commerce.

Chairman Loren Sullivan has called a meeting of the Merchants Committee for Thursday: That session is set for 9:30 a.m. at the city hall.

Bentley Baize, Chamber President, has called a meeting on tourism for 9:30 a.m. Friday.

21-GUN SALUTE — Army riflemen discharged three volleys over the bronze memorial marker of Sgt. Donald T. Deere at Hillside Memorial Gardens Tuesday in special honor of their fallen comrade-in-arms. Sgt. Deere was killed in Vietnam while acting as a Special Forces (Green Beret) advisor to South Vietnamese troops.

CARRIER-BASED JETS

Haiphong Fuel Dumps Blasted

By GEORGE MCARTHUR

SAIGON (AP) — U.S. Navy jets from the carrier Hancock flew through a hail of missiles and antiaircraft fire today to bomb two fuel dumps less than four miles from the center of Haiphong.

The daylight raid on the dumps just across the Kua Kam River was the closest attack to either Hanoi or Haiphong in more than a week. There had been reports from Washington that U.S. raids on the immediate areas of North Vietnam's two major cities were being suspended temporarily while U.S. planes concentrated on less well defended targets.

Heavy ground fighting was reported in South Vietnam Tuesday and today. U.S. Marines were fighting near the demilitarized zone, troops of the 1st Cavalry, Airmobile, Division had a rough fight south of Da Nang, and South Vietnamese forces reported they killed 106 Communists, also south of Da Nang, and 41 Viet Cong in a battle 15 miles southwest of Saigon.

U.S. headquarters reported three U.S. planes lost in the past 24 hours, two over North Vietnam, and a helicopter shot down and destroyed in South Vietnam. This raised the total losses to 564 combat planes in the war against North Vietnam and 181 in South Vietnam. One Navy pilot was missing and one Marine pilot was killed.

Connally Signs Road Safety Bill

By ROBERT HEARD

AUSTIN (AP)—For all reckless drivers who have been jacking up the auto insurance rates, more hazards are ahead.

Gov. John Connally signed into law six traffic-safety bills Tuesday that will make it more difficult to obtain a driver's license for the young and easier to lose at any age for bad driving.

A person cannot even get a license until 18 unless he has completed a course in driver education and is at least 16.

There are two exceptions: hardship cases and where a student has completed the classroom portion of a driver education course and will always have an adult licensed rider in the front seat beside him. In these cases, a license can be obtained at 15. The previous minimum age for any license was 14.

For persons under 21, all licenses will be provisional and will have a different color than licenses for adults. The different color, plus a color photo of the driver on the laminated card, will make it easier for liquor store operators to make sure he is not selling to a minor.

Licenses will be renewable on the driver's birthday every four years. The fee will be $6 instead of the present $3.

The driver's license portion of Connally's program, which goes into effect Aug. 27, will not apply until June 1, 1969 to students at schools that do not offer driver education courses. Those students will be able to get licenses at 16.

Only 27 per cent of high school students now take driver education.

Another bill in Connally's program is designed to keep Texas from losing $22 million a year in federal highway funds. The federal highway safety act of 1966 requires all state governments to establish highway safety programs administered by their governors or lose 10 per cent of the federal money.

After Dec. 31, 1967, all motorcycle operators and passengers will have to wear crash helmets or be subject to a $10-$50 fine.

Another bill signed by Connally requires the state health department to investigate the medical aspects of driver licensing, traffic safety enforcement and traffic accident investigation.

The department will make recommendations to the department of public safety relating to these medical aspects.

Vehicle inspection checklists will add steering, wheels, rims and front seatbelts in vehicles where seatbelt anchorages were part of the manufacturer's original equipment.

The inspection fee will be $1.75 instead of the present $1.

The final bill in the governor's safety program requires the department of Public Safety to license and regulate driver training schools and their operators.

Mandatory suspension of licenses has been increased from six to 12 months for the first major traffic violation and from 12 to 18 months for subsequent violations, subject to the orders of a state court. State law allows suspension of license for a number of reasons following an accident in which there was death, serious personal injury, and serious property damage. There is automatic suspension of license on conviction of drunken driving or narcotics addiction and for habitual reckless drivers and habitual violators. A habitual violator is defined under the new law as one who has four or more moving violations of traffic laws within 12 months or seven or more in 24 months. Those with suspended licenses would have to attend rehabilitation schools.

At the discretion of the Department of Public Safety, a driver could be required to take a new examination before getting his license renewed. This provision replaces a section of the original bill that required reexamination of persons over 65, a much-criticized stipulation.

"I know these bills have caused consternation in some circles because they are strict," Connally said, "but if you look at the deaths (more than 3,000) last year, you will see that we need them."

Connally said, however, that his safety program and the new safety features in automobiles will not "protect the fool from his own folly."

HOSPITAL NOTES

Chaplain: Dr. John English

ADMISSIONS: Gradine Sterling, Rt. 1: Juanita Eckert, Rt. 1; John McGinnis, 3107 Hill Ave.; Willard Ervin, 1900 Scott; Ross Riley, 4406 Ave. R; Irene Hermosillo, 807 Nineteenth.

DISMISSALS: Odessa James, Leo Schattel, James Rhodes, Marie Dollins.

TODAY'S MARKETS

FORT WORTH (AP) — Cattle 250; calves 200; cows steady to weak; other represented classes steady; good steers 24.90; good heifers 24.80-24.90; utility and commercial cows 16.00-18.50; standard and good calves 24.00-25.40; good and choice feeder steers 21.40-24.00, good and choice heifers 22.00-23.00, good and choice steer calves 27.25-28.60, good and choice heifer calves 23.30-25.00.

Pollution Study Moved To Angelton

BARNHART (AP)—Plans for an air pollution study here have been dropped by a Texas A&M University graduate student.

Maynard E. Hill, said "dust-storms and distance" didn't fit in with his plans for the study, moved now to Angelton on the Gulf Coast and changed in emphasis to a study of industrial pollution.

Hill is working under a $20,000 Public Health Service fellowship and plans to use the results of his current project for his doctoral dissertation at A&M.

Film Star Claude Rains Dies At 77

LACONIA, N.H. (AP) — Watching the replay of his first Hollywood screen test, Claude Rains cringed.

"I was horrified," the actor said. "I stank. I knew immediately that I hadn't the slightest chance for a film career."

A director at another studio, casting "The Invisible Man," saw the test and said: "I don't care what he looks like. That's the voice I want."

So the mellow-voiced Rains, a suave sophisticate who was already a star of the London and Broadway stage, got the role. It launched a motion picture career that spanned a quarter of a century.

Rains died Tuesday at Lakes Region Hospital of abdominal bleeding and shock after a lingering illness. He was 77.

In an acting career that began with an appearance at age 11 in a London stage production of "Sweet Nell of Old Drury," Rains played charming lovers, ruthless villains, sympathetic scoundrels and doting fathers.

His Hollywood success came in 1938, when Rains starred—but seldom appeared—in "The Invisible Man." He did appear at the end, when he died and materialized.

Rains went on to star in over 30 films. His Oscar nominations were for "Mr. Skeffington," in which he played Bette Davis' lover, "Notorious," "Deception," "Mr. Smith goes to Washington," and "Casablanca."

Movie fans may remember Rains best for his portrayal in "Casablanca" of Louie, the urbane and cynical chief of police in tacit complicity with Humphrey Bogart.

Because he was only 5-foot-6, the worldly leading man played some film close-ups on a ramp.

Despite his stature, Rains enjoyed stage triumphs in England, Australia and the United States. Working his way from call boy to stage promoter to assistant stage manager to actor, Rains made his U.S. debut before World War I in "Androcles and the Lion" in Hartford, Conn.

During the war, Rains was gassed as he served with the London Scottish Regiment.

Rains returned to the London stage and acted in several plays of George Bernard Shaw. He also starred in the English film version of Shaw's "Caesar and Cleopatra," but later said he did not receive a celebrated $1.3-million paycheck. He said he was paid about $100,000.

Other films included "Anthony Adverse," "King's Row," "Rope of Sand," and "This Earth is Mine" in 1958, Rains last screen performance.

Born in London, Rains shunned city life in later years, living on a farm in Pennsylvania, then in Sandwich, N.H.

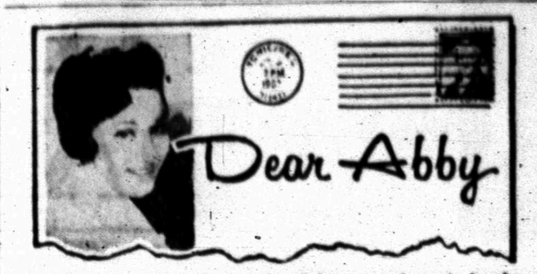

The veteran star underwent abdominal surgery in 1965 in Boston and was brought to the hospital last Wednesday from his rustic home nearby.

Private services are planned.

Snyder Teacher In Science Institute

Ray Courtney of Travis Junior High School will be among the 100 secondary teachers of physics, chemistry, earth science, mathematics and biology to participate in a Summer Institute of Science and Mathematics at Texas Christian University from June 5 to July 14.

Made possible by a grant from the National Science Foundation, the six-week session will be directed by Miss Ina Mae Bramblett, associate professor of mathematics. The institute is the ninth in a row to be sponsored at TCU by the National Science Foundation.

DEAR ABBY: Randy and I both have full time jobs and we are tired when we get home at night. There is dinner to prepare, cleaning up afterwards, and the million and one other things that require time and attention to run a home properly. Abby, I know this is supposed to be a woman's job, but I need help.

My day time job is every bit as demanding of me as Randy's is of him, so why should I have to come back to more work after a hard day's work, while Randy comes home to "relax"? I think since I'm also working, my husband should share in the housework. This leads to arguments. Please answer soon as the kitchen sink is still piled with dishes from two nights ago.

BUSHED

DEAR BUSHED: One question: Why are you working? If you must work to put food on the table, then Randy shouldn't mind helping with the housework. But, if you're working for extra luxuries, you'd be wiser to eat beans and work harder at making your home one which your man will enjoy coming home to.

* * *

DEAR ABBY: I am a girl of 16. I have short hair and I like it that way. Today I went into a drug store, and the man said, "He'lo, Sonny," (He actually mistook me for a boy!)

I used to like long hair on a boy (not down to his shoulders, of course, but "long") but now that I am wearing mine short I feel funny going out with a boy who has longer hair than I have.

Some of the boys wear their hair so long I have to look twice to see if they're boys or girls.

I don't understand how a boy would want to even take the chance of being mistaken for a girl. Can you explain this to me?

SHORT - HAIRED GIRL

DEAR GIRL: No. It doesn't make any more sense than the girl who would wear her hair so short she would chance being mistaken for a boy. I don't care which argument you counter with (I have heard them all from Jesus to George Washington,) I maintain that long hair is feminine and short hair is masculine, and the kind of impression one wants to create (consciously, or unconsciously) is his own business.

* * *

DEAR ABBY: When I send a gift and it isn't acknowledged within a month, I don't telephone a relative to find out if that person ever received my gift. I simply call that person directly and say, "Last month I sent you a gift and had it charged to my account, which is now due. Before paying my bill I would like to be sure the article was delivered." It never fails. And by the way, I have yet to be told that my gift wasn't delivered.

Gunman Gets Bank Loot

MOUNT ENTERPRISE, Tex. (AP) — A nervous gunman held up the Merchants and Planters State Bank today, fleeing with an estimated $5,000.

The gunman left in a white 1963 or 1964 model Chevrolet but his direction was not certain.

The man was about 5 feet 10 inches tall and had blond hair and blue eyes. He was about 35 years old.

Bank officials said he was armed with a small pistol and appeared to be very nervous as he held up a teller.

Mount Enterprise is a cattle and timber center 50 miles southeast of Tyler in East Texas.

The same bank was robbed of $17,000 during a snowstorm Feb. 24, 1965. A gunman used a pistol and escaped with two bags of money. The streets were glazed with ice and snow and there were few pople about. No one saw the robber enter or leave. He was about 30 years old.

Cars In Mishap

Late model Chevrolets operated by Raymond Murphy and John D. Walker, both of Snyder, were involved in a minor motor vehicle accident at the baseball field in Towle Park at 8:55 p.m. Tuesday.

Damage to Murphy's car, a 1965 Model, was placed at $100, and damage to the other vehicle, a 1963 Model, was set at $15.

Four Bodies Discovered In Home

GAINESVILLE, Tex. (AP)—The bodies of three Gainesville residents and a Muenster physician were found Tuesday in the home of a local couple.

Chief of Police Lewis Theobald said death apparently was caused by a faulty gas air-conditioner. He said officers noticed a heavy smell of gas when they opened the door of the rsidence.

The victims were Mr. and Mrs. R. L. (Bob) White, Gainesville; Dr. B. F. Headuk, a member of the staff at nearby Muenster, Tex., Memorial Hospital; and Mrs. Verna Brannan, Gainesville.

All were in their early 60s, officers said, and they were found at the White home. White was a retired Sun Oil Co. employe and an independent oil operator.

Justice of the Peace Don Carden said he would withhold death verdicts until autopsies were completed.

The bodies were found when a search was started for Dr. Headuk after he failed to show up for scheduled surgery at the Muenster hospital. Headuk was described as a former Polish Freedom Fighter.

Police said a fully prepared meal still was untouched on an electric range. A television set was switched on. All but Mrs. Brannan, a widow, apparently had been watching it. She was on a bed in another room.

Jack Ferraro of Rochester, N. Y., captains Dartmouth's golf team.

JOINS CHURCH STAFF — Mike Bedford has begun his duties as summer director of music and youth at the First Baptist Church in Snyder. He is a religious education major at Hardin-Simmons University and for the past 20 months has served at Oak Street Baptist Church in Colorado City as youth and music director. He is currently youth director of the Mitchell-Scurry Baptist Association.

NO BIG WATER BILLS!
ferti-lome Containing CHELATED IRON
You don't have to run up a big water bill to enjoy a beautiful lawn. The way to save money on water and still enjoy lush green grass is to feed with ferti-lome organic base plant food. ferti-lome's organic base of cottonseed meal, bone meal and blood meal improves the physical condition of the soil, increases water holding capacity and serves as a source of certain plant food elements. An application of ferti-lome helps grass develop long roots that find their own moisture — your grass stays green with a minimum of water. Feed Nature's Way — with ferti-lome — organic base plant food.

ferti-lome products are sold only by QUALIFIED dealers who can give you professional guidance

Girls Recreation Sets Registration Dates

The Scurry County Girls Recreation Program will begin its ninth season with registration Thursday, June 1, from 1 to 3 p.m. and Friday, June 2, from 10 a.m. to 12 noon in the Towle Memorial Park Barn. Activities will begin June 12 and will end August 5 with a swimming party.

Girls ages 8 to 18 living in Scurry County are invited to become members of the Girls Recreation program. Membership fee is 50 cents for the summer. Registration forms have been distributed to girls at the elementary schools. These forms should be filled in and presented at registration.

The Board of Directors for the organized summer recreation program include Guy L. Sullivan, president; Mrs. James Wesson, vice - president; Mrs. Jacquelyn Taylor, secretary; Miss Barbara Sojourner, treasurer; Mrs. Lee Smyth and Doug McGlaun. Co-directors of the program will be Mrs. Dorothy Miller and Miss Ila Ruth Newton.

Programs directors for gym activities are Miss Susan Ivison, Travis Junior High School; Miss Empress McFarland, Stanfield Elementary; and Miss Tommie Simmons, East Elementary.

Tennis and tumbling lessons will be instructed by Miss Patsy Rainwater. Free tennis lessons will be offered for girls ages 12 to 18 twice a week in each gym. A date for a tennis tournament will be announced later. Tumbling lessons will be conducted in each gym.

Girls interested in running track will meet at the High School football field on Monday, Wednesday and Friday. Girls Recreation will sponsor a track meet, and out of town meets will be attended by girls in Girls Recreation. Track instructor will be Miss Barbara Schiebel.

The Let's Pretend class will be held in the West Elementary auditorium from 2 to 4 p.m. on Monday, Wednesday and Friday. Girls will play games, learn songs, and present plays under the direction of Miss McFarland and Miss Susan Miller.

Badminton and trampoling lessons will be taught by Miss Miller. Both of these classes will be conducted in each gym.

Miss Ivison and Miss Helen Rios will be softball instructors. Softball practice will be held at the Travis gym Monday, Wednesday and Friday morning at 9.

Two sessions for twirling classes have been scheduled. The first session will be from June 19 to June 30 and the second session will begin July 3 and end July 14. Miss Sharlot Rose will instruct beginners from 2 to 3 p.m. and advanced twirlers from 3 to 4 p. m. in the Towle Memorial Park Barn.

Universities Get Funds

AUSTIN (AP)—Six Texas universities have received $464,378, including $304,391 in federal funds, for community service and education programs, the College Coordinating Board announced Tuesday.

Total grants were University of Texas, $99,302; Texas A&M, $166,664; Texas Tech, $82,718; North Texas State, $13,025; Texas Woman's University, $22,667, and University of Houston, $80,002.

Included are short courses for urban and regional planning officers, programs in water pollution control, education in local law enforcement, seminars in public administration and urban affairs, continuing education in nursing and a Houston television project on community problems and government processes.

Texas Tech received $82,718, including $60,000 in federal money, for "a study to determine the economic and social impact of parks in a metropolitan area."

A. Meynig To Hold Art Exhibit

A former Snyder resident, Anita Meynig, in private life, Mrs. R. D. Hill, will have a one-man art exhibit including oils, watercolors, acrylics and graphics, at the Art Palette Gallery, 112 West Taylor, Hobbs, New Mexico, June 4 to June 17.

The public is invited to a reception Sunday June 4, from 1 to 5 p.m.

Miss Meynig has a fine arts degree from Texas Tech in Lubbock, is a graduate of the Famous Artists School of Westport, Conn., and has studied with Ramon Froman of Dallas, Harold Roney of San Antonio, and Bud Biggs of Richardson. She taught art at a private studio in Hobbs in 1964-65, and currently teaches in Roswell, N.M.

WOMEN'S CALENDAR

THURSDAY

Snyder duplicate club, 1:30 p. m. at Martha Ann Woman's Club. Open.

FRIDAY

Friday duplicate bridge at Country Club, 9:30 a.m. Open.

SUNDAY

Duplicate bridge at Snyder Country Club, 1:30 p.m. Open.

Rumpus Room

The rumpus room, which is the center of family activity in many an American home today, should have a comfortable and inviting atmosphere and at the same time should be built to stand up to hard and constant usage. This makes it ideal for ceramic tile which comes in a wide range of sizes, colors and shapes to enable you to conjure up as warm an atmosphere as you would want; and which is noted for its performance and durability.

Fluvanna News

By MRS. J. R. JONES

Mrs. Dena Price, Bill Price and Drew of Snyder, and Mr. and Mrs. Robert Warren were dinner guests last Sunday of Mr. and Mrs. Ralph Price, Sara Ann and Bilinda.

Mr. and Mrs. R. B. Wills attended the graduation exercises at the Lubbock High School in Lubbock Thursday. Their granddaughter, Sandra Lynn Norman was a member of the class.

Mr. and Mrs. D. C. Gordon of Denison visited recently with Mr. and Mrs. Bob Jennings.

Mrs. Sandy Holder visited in the home of her daughter, Mr. and Mrs. Fred Williams and Kim of Hobbs, N. M. Kim returned home with Mrs. Holder to spend a few days.

Mr. and Mrs. Lee Lavender visited Friday night with Mr. and Mrs. Earl McDow in Snyder.

Mrs. Eva Roberson and Mr. Clarence Robertson of Friona and Mrs. Johnny Jacobs of Clovis, N. M. returned to their respective homes on Saturday after spending several days with Mr. and Mrs. J. M. Hunnicutt.

Mrs. James Stansell and Mrs. Bill Stansell and Sandra attended the funeral of Mr. Mote Owens in Post Wednesday.

Mrs. W. F. Mathis, Mrs. Leo Beaver and Mrs. Allen Forbes attended the district WSCS meeting in Big Spring recently.

Mrs. Joe Landrum was a delegate to the Methodist Conference in Abilene last week. Mr. Landrum and Mike went to Abilene on Wednesday night spending the night with Mr. and Mrs. Charles Cates. On Thursday Mrs. Landrum returned home with her husband and son.

Mr. and Mrs. Frank Arnett of Snyder and Welch Scrivner attended the funeral of their cousin, Mr. Clarence Scrivner in Tatum, N. M. last Sunday.

Mrs. Allen Forbes visited last week with her parents in Arkansas.

Mr. and Mrs. Royce Summers, Ricky and Duane of Dumas returned to their home on Sunday.

Mrs. Russell Jones of Seminole spent the weekend with her sister, Mrs. Wallace Jones while Mr. Jones is in San Antonio.

Mr. and Mrs. James Stansell and Sandra, Mr. and Mrs. Bill Stansell, June, Gwin and Tresia attended the graduating exercises in Wichita Falls Friday night. Their niece, Linda Padilla was a member of the class. The Stansells also visited the ladies mother, Mrs. Pearl Mosley in Jacksboro. The group returned home Sunday afternoon.

Mr. and Mrs. Robert Jones and Mrs. Robert Warren spent Monday and Tuesday with Mr. and Mrs. Bobby Warren and Nelda Jo of Tye and attended the graduating exercises at Abilene High School of which Nelda Jo was a member.

Mr. and Mrs. Ralph Price, Sara and Bilinda visited Saturday with his mother, Mrs. Dena Price in Snyder.

The high school seniors and their sponsors are in Colorado Springs, Colo. for 10 days enjoying the sights.

Mrs. Bessie Maynard spent Sunday night with her son, Don Cox, Donna and Rex of Gail.

Rinda Bruner hosted a party for the senior class of which she is a member in the home of her parents, Mr. and Mrs. Sam Bruner, after graduating exercises Tuesday night.

Some of those attending Mr. Clay Reeder's funeral on Friday were Mrs. Reeder's brothers, Mr. and Mrs. Fred Taylor and Travis of Grapevine and Mr. and Mrs. Frank Taylor of Midland, Mr. and Mrs. Rodney Summers and Debby, Mrs. Clinton Gregory, Mrs. Peggy Vernon, all of Snyder, and Mrs. Bill Cade of Rotan.

Mr. and Mrs. I. N. Hataway and Mr. and Mrs. Mert Jones helped Mr. and Mrs. J. W. Love move to their new home in Snyder on Saturday.

Mrs. Dena Price and grandson, Jerry Price of Snyder, visited her son, Mr. and Mrs. Ralph Price, Sara and Bilinda and friends Sunday.

Hate, Prejudice And Deceit Make Middle East Crisis

By JAMES MARLOW
AP News Analyyst

WASHINGTON (AP) — The Middle East is a can of worms, and not nice ones. It's now a mixture of hate, religious prejudice, face-saving, egotism, throne-saving, legalisms, and probably dirty tricks not yet discovered.

The ill will between Jordan's King Hussen, who got a lot of help from the United States, and Egypt's President Gamal Abdel Nasser, who got a lot of help from the Soviet Union, was so intense that on May 2 Nasser called Hussein a stooge for the American CIA.

Tuesday Nasser called him brother after Hussein traveled to Cairo to sign a mutual defense pact with him against Israel.

Hussein probably did it because he was afraid he'd lose his throne if he didn't since his Jordanians are hopping with hatred for the Israelis and full of steam for Nasser, who forced a showdown with Israel.

This was fairly typical for Nasser. Since his humiliation by the Israeli-British-French attack on Egypt in 1956, Nasser has been pretty mousy and lost prestige with the other Arab leaders.

But now, since he is in this critical situation with Israel, they have felt it necessary to rally around him, some of them probably for the same reason as Hussein's. Nasser's ego needed something like this, even within his own country, where the economy is bad and complaints were growing.

Although the Jews and the Moslem Arabs who surround them are all Semites, it's their religion which separates them. The Arabs have vowed unrelenting enmity since the Israelis set up their government in the middle of the Arab world in 1948.

Meanwhile, Moscow is giving a classic example of temperamental politics, a repeat performance.

Immediately after North Korea invaded South Korea in 1950, the U.N. Security Council went into session and passed a resolution calling for a cease-fire. This paved the way for the United States to get into the war with U.N. approval.

The Soviets might have blocked the council action then — if it had only been there. But it had been boycotting the council for months because Nationalist China was represented on the council and Moscow insisted that the newly created Red China should have the seat.

Now comes the Mideast crisis, and until Thursday, the first of June, the Nationalist Chinese delegate is the council president, a job which rotates among the 15 council members.

Although things have changed since 1950, and the Soviets and Red Chinese now are bitter enemies, Moscow still insists Red China should have Nationalist China's seat. This time the United States is urging fast action by the council to preserve peace in the Mideast. The hope is that all 15 members will approve some kind of cease-and-desist resolution.

But diplomatic sources say any agreement like that is unlikely to include the Soviet Union so long as Nationalist China has the presidency.

And Nasser, who made the Mideast crisis totally critical by banning Israeli shipping from the Gulf of Aqaba, an action President Johnson calls illegal, has tangled the crisis in legalisms.

Egypt had barred Israeli shipping from the gulf from 1948 until the war of 1956. Since then Israel has depended on U.N. peacekeeping forces in Egypt to keep the gulf open. But Nasser this month told the U.N. troops to get out and they did. Now Nasser says he wants things to be as they were before 1956—meaning Israeli shipping banned from the gulf.

And the crisis might not be half as bad as it is if Israel itself had not refused to let the U.N. peacekeeping force operate inside its territory. Nasser did and, because he did, he could order the U.N. troops out when he wished.

And nobody knows yet whether Moscow, which says it backs Nasser, cooked this up with him as a double deal: to let him regain prestige and try to force the United States, if it wants Mideast peace, to make concessions on Vietnam.

Remarks That Patients Can Do Without

By HAL BOYLE

NEW YORK (AP) — Remarks that hospital patients get tired of hearing — and overhearing:

"Well, well, well. And how do we feel this morning?"

"You're being put on a 800-calorie-a-day diet. While you're here you might as well take off a few pounds."

"If he tries to pinch me just one more time, you'll have to assign him another nurse."

"Naughty, naughty boy. If you don't eat all your breakfast prunes, sir, I'll just have to bring them back to you again for lunch."

"I don't know who brought that bottle to you, sir, but I'll have to take it from you. The only beverage you're allowed is lukewarm water. Shall I bring you a fresh glass? You're allowed as much as you want."

"Wake up, wake up! It's 6 o'clock."

"This is the day the doctor takes the bandage off. Some of the patients really scream when that happens, but in your case I don't think it will hurt that bad."

"The doc won't let you smoke yet, eh, Jim? Well, as a visitor, I guess that rule doesn't apply to me. You don't mind if I light up a cigar, do you?"

"I don't know why you complain so much about the bedpan, Mr. Cadwallader. There's nothing to it, once you get the hang of it, and after all you can't expect to be quite as comfortable in a hospital as you are in your own home."

"Remember, when we go into his room, tell him he looks swell — no matter how you really think he looks."

"After all, I am merely your nurse — not your wife or your mother."

"They may tell you you'll feel as good as new in a couple more weeks, but I had a pal who had his gallbladder out, and he didn't get his golf game back to normal for a full year.

"Just as a friendly tip, Jim, I'd get back on the job as soon as I could if I were you. That new guy they got doing your work is going at it like a house afire."

"Since this is only a semiprivate room, sir, Im afraid we'll have to move another patient in. But don't worry, he won't be any trouble to you. He's in a coma."

"Ah, so you're leaving us, Mr. Cadwallader. Your bill for the 14 days, counting medicine and incidentals, will be $976.50. Help, help! Quick, someone. Mr. Cadwallader has fainted. Better take him up and put him back in bed again."

Huge US Economy Shows Effect Of 'Small' Viet War

By JOHN CUNNIFF
AP Business Analyst

NEW YORK (AP) — The proud boast so often heard that the war in Vietnam is one that the nation's huge economy can accommodate with little effort is being shown more and more today to be highly inflated with air.

It is a small war relative to a big economy, but it is having its effect.

Vietnam will cost something more than $22 billion this coming fiscal year, less than 3 per cent of the gross national product of about $765 billion. But this financially "easy" war contributed to inflation last year and it might force a general tax hike this year. That is impact.

The budget deficit, it now appears, will top any previous deficit, totaling perhaps $30 billion, a good deal of it the result of the Vietnam war.

And, since the budget deficit will be potentially inflationary, pressure has increased for a cut in federal domestic spending. Parts of the Great Society, including the slogan, could become victims.

There is no question, therefore, that Vietnam is having its impact; no nation can afford such spending without consequences.

Vietnam is, however, only a fraction of our total commitment to military or defense spending. President Johnson's budget provides for $73 billion to be so spent, a figure that likely will swell.

Since projections for the gross national product, the total of a nation's goods and services, range from $740 billion to $790 billion for the year, defense spending still is likely to be no more at any time than about 10 per cent of GNP.

In the Korean War, when defense expenditures were lower, they represented a far higher percentage of gross national product, which then was about $265 billion. Again, although Vietnam is big in relation to Korea, it is smaller than Korea in relation to GNP.

It is this enormous size of the American production machine, many times larger than most other nations, that hides much of Vietnam's impact. But that impact is there. There is no debate about it.

What is still debatable is the extent of the pressure on the economy. Some critics of the administration maintain the pressure could have been lessened had been foreseen and arrangements made earlier for paying the bills.

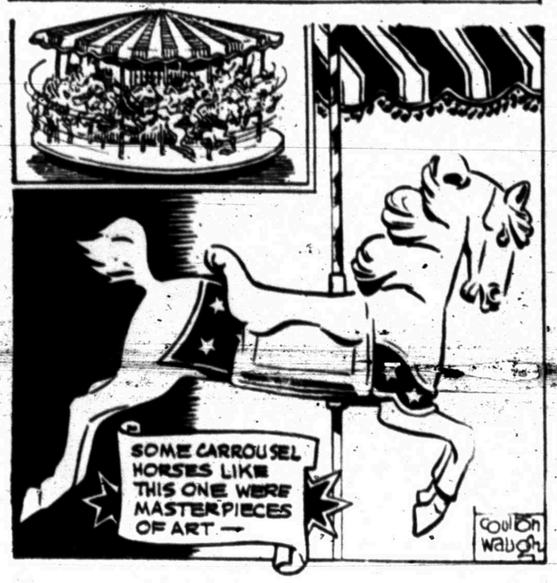

It is possible that under perfect administering, and with a lot of luck, the impact could have been nearly hidden. This would have assumed more accurate projections of expenditures and better timing on fiscal measures meant to hold down inflation.

As it is, we have found that prices are higher than housewives are willing to pay and probably will go higher; interest rates are under upward pressure again after reaching 40-year highs last year; high mortgage rates are delaying a forecasted housing boom.

Perhaps as a consequence of tight money and rising rates, stock prices plunged last year and some blue chips remain depressed. The stock decline, in a limited sense, can therefore be blamed partly on Vietnam.

Some economists say, in defense of administration efforts, that the fact the economy still continues to support Americans in a manner that neither they nor any other people have ever before enjoyed is compliment enough to the administration's wisdom. Even in nonwar years, they say, we have had high taxes and interest, inflation and housing problems.

Junior Editors Quiz on MERRY-GO-ROUND

QUESTION: *When did merry-go-rounds originate?*

* * *

ANSWER: In the days of the French King Henry IV, entertainment with jousting on horseback was given at the royal court. Some time in the late 1700's, a kind of imitation of this was made to amuse more common folks. It was called a carrousel, after the real tournaments, but wooden horses were used in place of real ones. This was the origin of merry-go-rounds, still seen in carnivals and amusement parks. You climb onto the back of a gaily painted horse or other animal and hang on to the pole in front as the machine begins to turn through the operation of a piston or electric engine. As the merry-go-round turns, your horse moves up and down, giving an exhilarating feeling of galloping along. We show a beautiful white horse which once thrilled American children in such a merry-go-round. Like many of the popular statues of earlier days, such as figureheads and cigar-store Indians, it was carved out of pieces of soft white pine fitted together and then painted with bright colors. Collectors today treasure such pieces as works of folk art.

DOGGONE HAPPY — Thunder, a 3-year-old collie, is reunited with his mistress, Mrs. Rosalie Sherter of Pontiac, Mich. The Shorters lost Thunder in February and had almost given him up for good. But the dog was discovered in the experimental laboratory of a Veterans Hospital in Ann Arbor, Mich. He had already gone through one experimental operation but he was all right except for being stitched up here and there. (AP Wirephoto)

MEAN HAM JAMMING SERVICEMEN'S CALLS

ABOARD U.S.S. SANCTUARY, Off Vietnam (AP) — A "mean ham from Watts," in Los Angeles, is jamming calls from wounded servicemen aboard the Sanctuary to their families in the United States.

The Sanctuary, a hospital ship just off the Vietnamese coast, is filled with wounded American Marines and soldiers from the battlefields.

Every night about 20 radio calls from patients on the ship are picked up by ham operators on the U.S. West Coast. The hams place long distance calls to the families of the wounded men and connect the radio signals into the telephone line.

"All the hams are great except for that mean guy from Watts," said Navy Lt. Val Galasyn of Canterbury, Conn., a doctor who is largely responsible for the service.

When the Sanctuary arrived in mid-April, the operator from Watts was helpful.

"But once he get our confidence, he started jamming our calls," Galasyn said. "He would take our call, patch in the telephone line to a guy's family and just as the conversation began there would be this terrible racket so nobody could hear. It sounded as if he was playing an oscillator into the transmitter.

"You can imagine what that meant to a wounded guy out here thousands of miles from home trying to talk to his mom or wife. We don't know why he does it, he just does it."

The Watts operator sometimes does not show up for days. Then he comes on and follows the Sanctuary station as it tries to escape him by changing frequency.

"All the other guys are fantastic," said Galasyn. His team of operators are Radiomen George Beaver of Palatka, Fla., Frank 'Smokey' Stover of Rome, Ga., and Electrician Jim Lencioni of San Leandro, Calif.

Among the hardest working hams on the other end who receive only personal satisfaction for their long hours of work are Jim and Dean in Los Angeles, George in Hollywood, Frank in Van Nuys, Syd in Berkeley, Cal in Portland, Ore., and Gerri in Seattle.

The hams are known only by their first names and their call cards stuck on the wall of the Sanctuary's ham shack.

Gerri in Seattle has an arrangement with a local Veterans of Foreign Wars post to pick up the tab on the long distance [illegible] other hams are trying to set up the same deal. Otherwise, all calls are made collect.

Father, Son Reunited By Accident

DANVILLE, Ky. (AP) — It was only natural that painter Chester Sparkman should ask his young co-worker, "What's your name, boy?"

Chester was hardly prepared for his reply: "Oscar Sparkman."

It was the first meeting of the father and son since Oscar, an older brother and three younger sisters were taken to an orphanage in 1957 after the death of their mother.

The reunion came in the Sparkmans' home town and on a job where the father and son worked for more than a week before finding out who each other was.

After placing his children in the Soldiers and Sailors Childrens Home in Knightstown, Ind., Chester Sparkman migrated to Ohio, Virginia and finally to Colorado for work.

"There never seemed to be enough money left over to get back to Indiana," he said. "And I ain't much for writing.

"I finally got back to Indiana last year and went to see the children but they weren't in the home any more. Every time I found out where Oscar was working I went to look but he had moved to another job by the time I got there."

Oscar, now 19, came back to Danville and last January went to work at the Pioneer Playhouse. His brother and a sister live nearby. Two other sisters were adopted by a family in Boswell, Ind.

The father said he recognized Oscar though the boy had no idea of his dad's identity.

Now that they're together again, the Sparkmans are a little unsure of their plans.

"We've been spending a lot of time together this week, but I guess I'm a little like my father," said Oscar.

"When my foot itches I got to move on."

Board Eyes Migrant Plan

MIDLAND, Tex. (AP) — The State Board of Education plans to decide Saturday whether to continue the six-month migrant school program.

State Education Commissioner J. W. Edgar asked the board to continue the program in up to 20 school districts.

The program is designed to give children of migrant farm workers the equivalent of nine months of school in six months before they go on the road with their parents.

Edgar also asked to participate in a federally financed program sending 24 Texas teachers, mostly Mexican-Americans this summer to 18 states where Texas migrants are working. Edgar said $89,400 is available from federal funds, providing each teacher $600 a month for three months.

The program is designed to "assure continuity in the educational program for migrant children," he said.

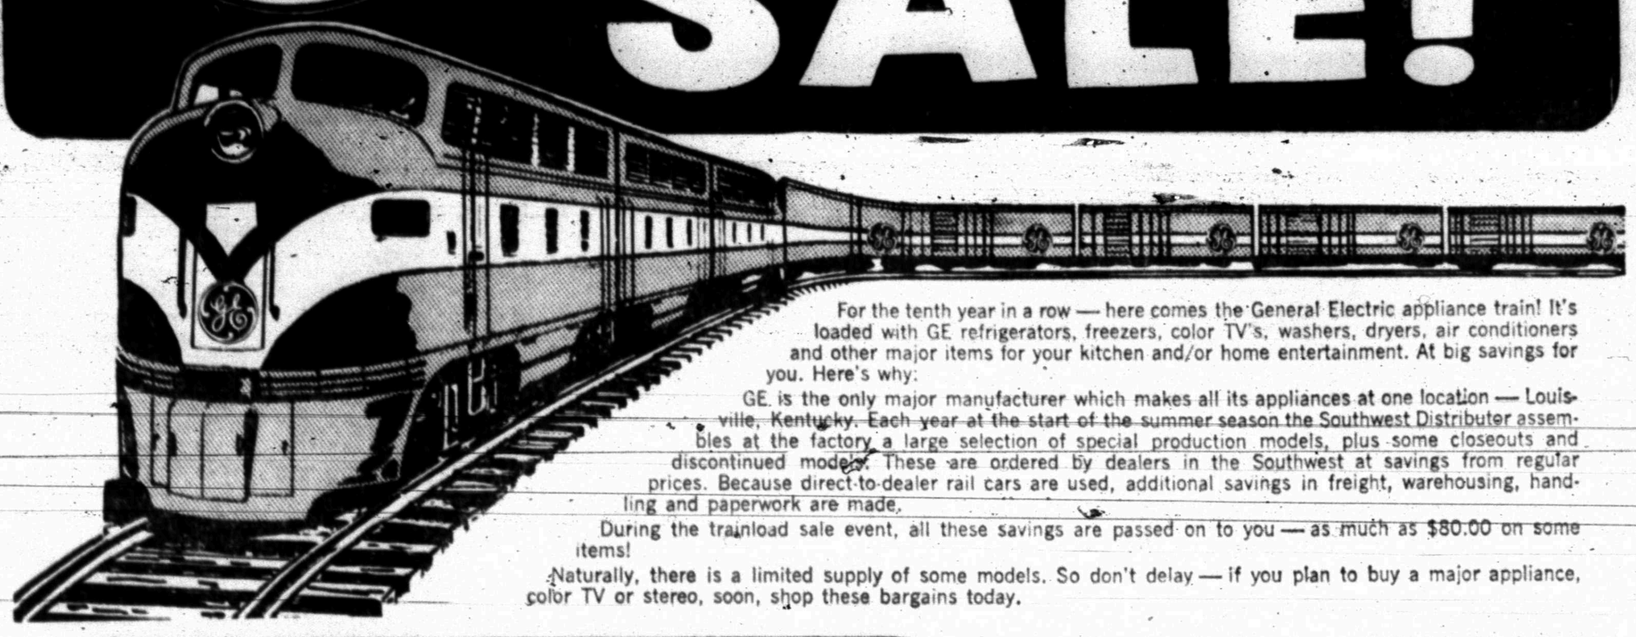

Suspect Transferred For Safe Keeping

BONHAM, Tex. (AP) — Charles Frank King, 22, charged in the rape-slaying of an aged Bonham woman, was captured Tuesday and transferred to the Grayson County Jail in Sherman for safe-keeping.

Officers had conducted a wide search for King since the slaying Saturday. Mrs. Ella Bowen Hamner, 74, was found beaten to death in her backyard.

King was taken into custody soon after he was seen running into a barn on a farm near Ector. He surrendered without resistance when Sheriff Dudley Jackson and his deputies surrounded the barn.

"GET SOMETHING EXTRA"
DURING GENERAL ELECTRIC'S 10th ANNUAL
Trainload SALE!

For the tenth year in a row — here comes the General Electric appliance train! It's loaded with GE refrigerators, freezers, color TV's, washers, dryers, air conditioners and other major items for your kitchen and/or home entertainment. At big savings for you. Here's why:

GE is the only major manufacturer which makes all its appliances at one location — Louisville, Kentucky. Each year at the start of the summer season the Southwest Distributer assembles at the factory a large selection of special production models, plus some closeouts and discontinued models. These are ordered by dealers in the Southwest at savings from regular prices. Because direct-to-dealer rail cars are used, additional savings in freight, warehousing, handling and paperwork are made.

During the trainload sale event, all these savings are passed on to you — as much as $80.00 on some items!

Naturally, there is a limited supply of some models. So don't delay — if you plan to buy a major appliance, color TV or stereo, soon, shop these bargains today.

TAX ANSWERS

This column of questions and answers on federal tax matters is provided by the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

* * *

Q — We are thinking of renting our house this summer while we're away. If we do, will the money we get be taxable?

A — Your total income from this rental must be reported but only the amount in excess of allowable expenses will be taxable. Heat, light, repairs and depreciation are some of the expenses that may be deducted. Since you will be renting the house only part of the year, annual expenses such as taxes must be pro-rated.

Be sure to keep good records on both income and expenses so you will be able to file an accurate return next year.

Q — My wife and I are taking in an under-privileged child this summer. Will we be able to claim her as a dependent?

A — If you plan to have the child with you for only a few months no dependency claim may be taken. To qualify as a dependent, the child must be a member of your household, live with you the entire year and obtain more than one-half her support from you.

Q — I got a letter from your service center asking for some more information so they could process my return. Can I give this to my local IRS office instead?

A — Because the information is needed by the service center it should be sent directly there. When you reply, return the form requesting the information so that both can be quickly associated with your return. In all correspondence with IRS pertaining to your return be sure to include your Social Security number.

Q — I'm a waitress and have to pay Social Security tax on my tips. Does my boss match these payments as he does on my wages?

A — The law does not require employers to match Social Security payments on your tips.

Q — Some of my expenses were disallowed when my tax return was audited. Is there anybody besides the agent that disallowed them that I can talk to? I still think I'm right.

A — You may request a district conference to discuss the disallowed deductions. Procedures for doing this are explained on the notice you receive which proposes the adjustment.

This conference will provide you with an independent review of the items questioned. Legal counsel is not needed but you may bring someone to represent you if you wish.

In a district conference the taxpayer meets with an experienced conferee. This provides an opportunity for the taxpayer to present his case before someone not associated with the audit group that examined the return.

There are additional appeals procedures available to you. A full explanation of these is contained in IRS Document 5202. Send a post card to your District Director for a free copy.

Q — If my 15-year old son works this summer will he need a Social Security number?

A — Anyone with income, regardless of age, should have a Social Security number. Application for a number may be made on Form SS-5 available at local IRS and Social Security Administration offices.

NEW TIGER COACH — Wayne Tyrone has been promoted to the position of athletic director and head football coach at Snyder High School. He will succeed Keith Miles, who has resigned effective June 15. Tyrone, who has been coaching in the local school system six years, was extended a two-year contract last night by the board of education, which he accepted.

Clippers Rip C. City, 6-3

COLORADO CITY — The Snyder Teenage League baseball team made a successful debut here Tuesday night with a 6-3 verdict over Colorado City in an extra - inning game that went eight innings.

The Snyder Clippers jumped into a 3-0 lead in the 1st frame on five successive singles by Rob Golden, Dink Foree, Terry Holt, Buddy Powell and Mickey Almond. Powell's hit brought in Golden and Foree, and Holt scored on Almond's single.

Colorado City narrowed the gap to 3-1 in the 3rd as Lamb singled and scored on an error. They tied it up, 3-3, in the 5th on two unearned runs after Parker walked and Herrera reached first on an error.

The Clippers didn't score again until the last inning. Holt and Powell walked and then came in on Almond's double. Mickey stole third and scooted in himself when the catcher's throw to third base went into left field. Almond was the leading hitter with three safeties in four trips to the plate.

Big Roy Hunter went the distance for the Clippers, giving up only two hits — singles to Hoyle and Lamb. He cut down 16 on strike outs and walked only three. Parker and Key combined forces to fan 18 and walk two for Colorado City. Key was charged with the loss.

The other hit for the Clippers was a single by Hunter.

Colorado City also threatened in the 6th and 8th frames, but Hunter put out the fire each time, although opposition runners reached third.

The Clippers will be at home Friday night against the Sweetwater Blue.

Roche Has Uphill Task

PARIS (AP) — Tony Roche, the defending champion from Australia, faced an uphill task today to gain the semifinals in the French Tennis Championships.

He had lost the first two sets to Cliff Drysdale of South Africa, 6-2, 6-2 and had won the third 6-3 before rain Tuesday postponed the remainder of the match until today.

The winner will join Roy Emerson of Australia, Istavan Gulyas of Hungary and Nikola Pilic of Yugoslavia in the round of four.

Emerson beat Pierre Darmon of France 6-0, 6-4, 6-4, Gulyas turned back Owen Davidson of Australia 5-7, 6-3, 6-3, 6-0 and Pilic ousted Tom Okker of Holland 6-3, 11-9, 6-2 in the quarter finals finished before Tuesday's rain.

Mrs. Billie Jean King, the top seed from Long Beach, Calif., reached the quarter-finals in the women's singles by crushing Gail Sherman of Australia 6-1, 6-3.

Rosemay Casals of San Francisco was upset, however, by Helga Schultze of Germany 6-1, 6-4. The match was played on a slippery court after being delayed two hours by rain.

Ward, Emerson Win Club Shoot

Harry Ward won the 50-yard rimfire rifle match of the Canyon Gun Club last Sunday with a score of 100-10x. Second place went to John Thomas of Midland, who fired a 100-9x. The same score was posted by Snyder's Pat Gilstrap. There were 14 contestants entered in this match.

Bill Emerson of Snyder took first in the slow fire pistol match at 25 yards with a score of 63. Thomas won second with a 60, and Charles David, also of Midland, copped third with a 58.

Tribe, Cards Triumph In Farm League

The Indians collected one more hit and one more run than did the White Sox and thereby gained a 15-14 decision in a Farm League slugfest held in Towle Park Tuesday night. In the other game, the Cardinals beat the Giants, 10-5, although they were outhit, 3-4.

Willie Tippins and David Justice each rapped out three singles for the Indians. Randy Hardy hit safely twice, and one of them was a double. Kevin Jones also doubled, and Chester Corr tripled for the victors.

For the White Sox, Charles Stansell was outstanding. He knocked two doubles and a single. Randy Gressett and Kyle Sikes both hit two singles, and Alvin Porter and David Reed each were credited with one single.

The White Sox rallied for two runs in the last inning, but the rally fell short.

The Cardinals benefitted from several free passes to take their verdict over the Giants. Walter Caddell, Nicky Neves and Jal Dennis each stroked singles for the Cardinals.

For the Giants, Sam Stevens socked a double and triple while teammates Howell and Tracey Lammond each singled.

Larsen On Spur Staff

BY THE ASSOCIATED PRESS

Don Larsen, whose claim to fame was a perfect game in the World Series, has knocked around quite a bit in baseball since that day.

He finally was released this year by Phoenix of the Pacific Coast League and caught on with Dallas-Fort Worth of the Texas League.

General Manager Dick Butler of Dallas-Fort Worth says Don has found himself a home. "If the big fellow keeps on pitching like he has in relief for three games he might even own the home.

Tuesday night Larsen pitched 5 1-3 innings and struck out 10 although Dallas-Fort Worth lost 3-2 to El Paso.

Trouble was Larsen didn't go in until El Paso took a three-run lead. Although the Sun Kings got no more tallies with big Don firing them in there, Dallas-Fort Worth didn't have the batting punch to help itself.

Larsen now has worked 10 1-3 innings, hasn't allowed a run or walk and has fanned 16. Chances are they'll begin starting him shortly.

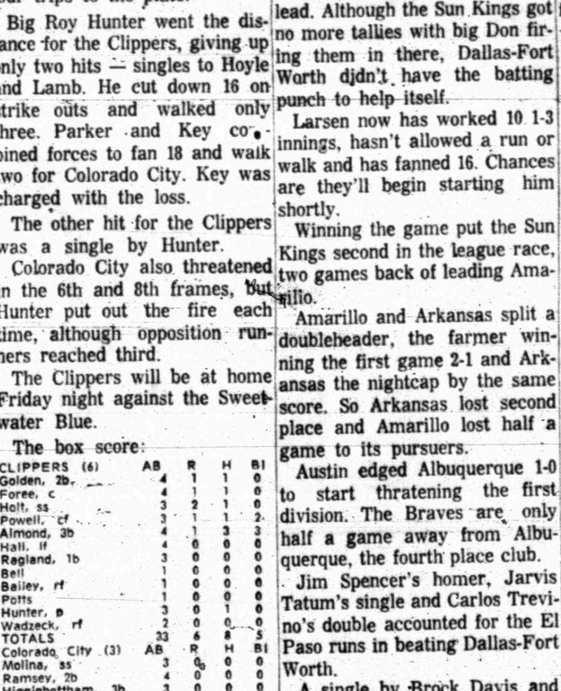

Winning the game put the Sun Kings second in the league race, two games back of leading Amarillo.

Amarillo and Arkansas split a doubleheader, the farmer winning the first game 2-1 and Arkansas the nightcap by the same score. So Arkansas lost second place and Amarillo lost half a game to its pursuers.

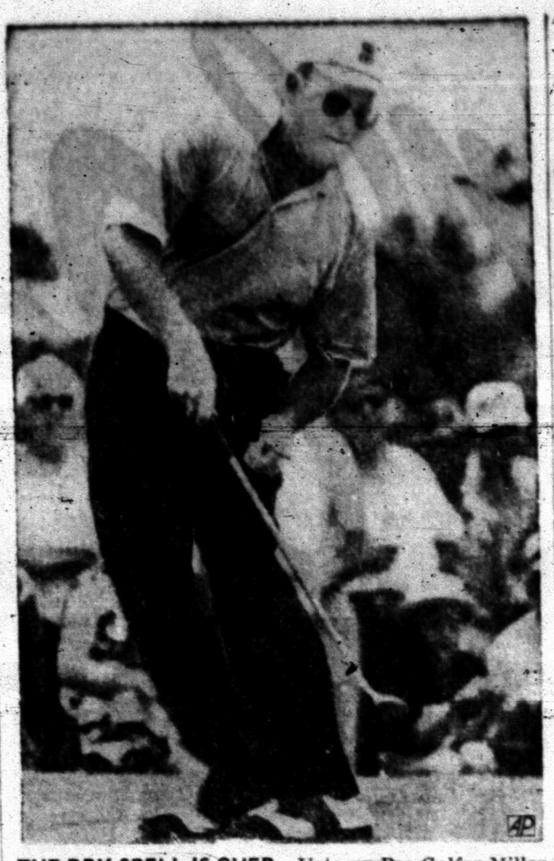

Austin edged Albuquerque 1-0 to start thratening the first division. The Braves are only half a game away from Albuquerque, the fourth place club.

Jim Spencer's homer, Jarvis Tatum's single and Carlos Trevino's double accounted for the El Paso runs in beating Dallas-Fort Worth.

A single by Brock Davis and a double by John Griffin drove in Amarillo's two runs in the fifth inning of the first game in the victory over Arkansas. The Travelers won the nightcap.

EYEBALL TO BASEBALL — Sister Rose Mary, laboratory supervisor at St. Mary's hospital at Kansas City, takes time out for batting practice with some young women employes of the hospital on its east lawn. They traded turns batting, fielding and throwing. (AP Wirephoto)

THE DRY SPELL IS OVER—Veteran Pro Golfer Miller Barber cracks a nine-year dry spell in Oklahoma City as he wins the $66,000 Oklahoma City Open Golf tournament. His take was $13,200. Barber edged South African Gary Player with a birdie on the third hole of a sudden-death playoff after they tied with 10-under 278s in regulation play. Both shot birdies on the 18th to take 68s in the final round. (AP Wirephoto)

IN JR. TEENAGE LOOP

Rebels, Buffs Win Openers

The Rebels blanked the Sports, 4-0, and the Buffs whacked the Braves, 10-5, in inaugural games of the Junior Teenage League in Towle Park Tuesday night.

Jimmy Patrick allowed the Sports only two hits — singles by Larry Wall and Don Light. He put down 14 batters on strike outs. Terry Bell, the losing pitcher, was relieved by Robert Phariss in the 5th.

There were no extra - base hits in the Sports - Rebels affray, but the Rebels collected one run on one hit in the 2nd and three runs on two hits in the 3rd. They threatened again in the 4th after another single, but the runner died on 3rd.

Hitting safely for the Rebels were Jesse Speer, Randy Levens, James Hood and Brent Beall.

The Buffs were never behind in their tilt with the Braves, scoring three times in the 1st and 4th frames and four times in the 6th.

Wesley Bishop and David Thompson tripled for the victors, and Brad Morgan cracked a double. Brad and Stewart Sims each collected two hits and drove in a tally each. Bishop's triple brought in two runs, and the other one resulted from a single by Mike Hodge. Mike Morris and Bobby Thompson also hit safely for the Buffs. Morris' hit was a double.

Joe Wilson drove in two runs in the 7th for the Braves with a double, and Ronnie Lewis blasted in one in the 1st with a single. The other Brave tallies were unearned. Willis Harrison collected two singles, and Bill Branson was credited with one.

Wesley Bishop, the winning pitcher, was relieved by Morgan in the 6th.

Indians Edge Sox, Cards Trip Giants

The Indians edged the White Sox, 5-3, and the Cardinals trounced the Giants, 14-1, in important Little League baseball games contested in Towle Park Tuesday.

C. Anderson, the winning pitcher, and B. Hollis sparked the Indian attack with two hits apiece. None of the Indians' eight hits were for extra bases.

Anderson limited the Sox to two hits while striking out 10. K. Jones hit a home run in the 5th for the Sox, and their other hit was a single by Scotty Sullivan. R. Braziel, the losing hurler, fanned 13.

It was a pitcher's duel most of the way. The Injuns were able to collect three of their eight hits in the 5th to push across three runs and put the game on ice.

The Cardinals put together seven singles and six walks in the 3rd to take a commanding lead in their tilt with the Giants. Tim Holder hit three for four to pace the attack, and one of his safeties was a double. Allen Knight also posted two hits, including a three run home run in the 1st frame.

Johnny Gardner clouted a home run in the 4th for the Giants. The only other Giant hits were singles by Bobby Burleson and Randy Dryden.

Knight was credited with the win while the pitching chores for the Giants were divided between Wesley Key, Steve Wittie and Charlie McCarty.

The box score:

Astros Open Home Stand

HOUSTON (AP) — The Houston Astros open a five-game home stand hoping to get out of the National League cellar.

The New York Mets, who are just above the Astros in the standings, are the opposition and a victory tonight would do the trick.

Dave Giusti will be the starting pitcher for the Astros with Don Cardwell on the mound for the Mets.

Houston is one something of a surge, having won three of its last four games.

The Astros split doubleheader at Pittsburgh Tuesday, taking the first game 3-2 on Rusty Staub's homer and losing the nightcap 4-3 as Donn Clendenon doubled in the eighth to drive in Roberto Clemente with the winning Pittsburgh run.

Houston had rallied for three runs and a tie in the top of the eighth, with Ed Mathews hitting a two-run homer. Clemente led off with a single in the Pirates' half of the inning. He was sacrificed to second and driven in by Clendenon.

Davis Team Wins Semis

MEXICO CITY (AP) — The U.S. Davis Cup team, fresh from winning the North American Zone Davis Cup semifinals from Mexico, flew to Tulsa, Okla., for a weekend of nontitle play.

Cliff Richey of San Angelo, Tex., was the final winner in the Americans' 4-1 victory over Mexico when he defeated Marcelo Lara Tuesday in five sets, in a match which had to be postponed from Monday due to torrential rains.

The Richey-Lara match was broken Tuesday when the score was virtually tied at one-set each.

Affidavit of Depository Officer
THE STATE OF TEXAS
COUNTY OF SCURRY

Before me, the undersigned authority, on this day personally appeared H. W. Cargile, who, after being by me duly sworn, deposes, says, and certifies as true the following:

1. That he is President of West Texas State Bank, Snyder, Texas, the Depository named in the above Notice.

2. That the foregoing is a full and complete list of the names of all depositors and creditors for whom dormant deposits or inactive accounts have been held for more than seven (7) years and whose existence and whereabouts are unknown to the Depository.

3. That such listed depositors and creditors have not asserted any claim or exercised any act of ownership with respect to their depostis or accounts dur the past seven (7) years.

(s) H. W. Cargile

Sworn to and subscribed before me this the 30th day of May, 1967.

(S. Syble Bley
Notary Public Scurry County, Texas
