Jack Elizey, who is representing the Colorado City Ministerial Alliance in recreation program planning, and Warren Costin, school board member. (Record Staff Photo)

EASTER WEEK END TRAGEDY

Odessa Fisherman Drowns Near Shore at Cherry Creek Bridge

Tragedy Friday night interrupted an Easter week end fishing trip for five Odessa Nursery Company employees at Lake Colorado City.

Drowned in the lake's murky waters at the foot of Cherry Creek bridge was Fred Marlin Honeycutt, 24.

He was drowned at about 11 p. m. as he apparently fell or walked fully clothed into the lake after awakening from a nap on the lake shore.

Two companions, who had been asleep with Honeycutt on the northern bank of the lake under the bridge, said they were awakened by the splash of water.

And two additional members of the fishing party were attracted by the splash of water as they stood on the opposite bank at the bridge.

But Honeycutt, they said, disappeared under the water before they could go to his rescue.

The body was recovered one hour later at midnight by grappling hooks of Colorado City Volunteer Fire Department's emergency unit. It was taken from water about 10 feet deep about 20 feet from shore.

Howard Barger, Harvey Stiles Sr., Elmer Wadley and Harvey Stiles Jr. were other members of the fishing party. All employees of the Odessa Nursery, they had arrived at the lake about two hours before sundown and set up camp at the Cherry Creek bridge, just north of Cherry Creek Fishing Camp.

Barger and Stiles Sr. said they fished and then went to sleep with Honeycutt under the bridge. "I heard a splash," Stiles Sr. said, "and as I awoke I grabbed for my fishing rod beside me."

"Then I saw him (Honeycutt) with only his hands and wrists

out of the water—and then he went under."

Barger said he was awakened by yells.

"I heard someone yell that Marlin had gone down," he said. Wadley and Stiles Jr., who were on the opposite side of the narrow creek channel, said they heard a splash and then saw Honeycutt in the water, sinking.

They ran to the Cherry Creek Camp and notified Kenneth Newbold, camp employee. All three men got into a boat and went to the scene in attempt to pull Honeycutt from the water with fishing lines and hooks.

After those tries appeared doomed to failure, Newbold returned to camp and notified police here in Colorado City.

"We heard that some good bass had been caught here," said Stiles Sr., "and decided to drive down for the week end and give it a try."

"And then this happened." The companions said Honeycutt had been separated from them during the last few months.

"He had appeared not like himself at times—sort of despondent," Barger said, "but he was

NE OF OTIS CHALK

Odessa Operator Stakes Wildcat

A new 3,500 wildcat oil test has been staked in Mitchell County about nine miles northeast of Otis Chalk.

In other areas of the county four producers have been completed and drilling sites spotted for two tests in proven oil areas.

Ed's Drilling Company of Odessa No. 1 Otis Chalk is the wildcat. It will be drilled with cable tools at a site 330 feet from north and 1,650 feet from east lines. Section 91, Block 29, W&NW Survey.

Leading county fields in the number of well completions during the week was the Sharon Ridge-1700 Field. It counted 3 new oilers—Stallworth No. 1-B Strain, Stallworth No. 4 Hardee and DeCleva No. 6-A Strain.

pumped 69.4 barrels of 29 gravity oil in 24 hours from perforations between 1,710 and 1,730 feet. Site is 330 feet from north and west lines, Reiger Subdivision 182, O'Keefe Subdivision.

No. 4 Hardee pumped 70.21 barrels of 28 gravity oil in 24-hour test from pay zone topped at 1,622 feet over total depth of 1,690 feet. Location is 330 feet from south and west lines, Section 99, Block 99, H&TC Survey.

No. 6-A Strain has a daily pumping potential of 48.45 barrels of 27 gravity oil plus 15 per cent water pay zone topped at 1,665 feet over total depth of 1,732 feet. Site is 990 feet from south and 330 feet from west lines of east 80 acres, northeast quarter, Section 82, Block 97, H&TC Survey.

Blue Danube No. 2-A Simpson is a Westbrook Field completion with 81.33-barrel potential of 28 gravity oil plus 17 per cent water. Pay zone starts at 3,097 feet and total depth is 3,247 feet. Location is 330 feet from south and west lines of northeast quarter, Section 1, Block 26, H&TC Survey.

Spotted as new drilling site is Iatan-East Howard Fields is Guthrie No. 1-A Watson, a 3,250 foot rotary test six miles south of Iatan at a site 330 feet from south and west lines of Section 21, Block 29, T-1-S, T&P Survey.

In the Sharon Ridge-1700 Field the Revilo No. 2-D Strain is staked 15 miles northwest of Colorado City on a 60-acre tract at a site 2,332 feet from south and 330 feet from east lines, Section 82, Block 97, H&TC Survey.

Westbrook Schedules Little League Meeting

Persons interested in working with the Little and Pony League teams in Westbrook are asked to attend a meeting, Tuesday, 7:45 p. m. at the School lunch room.

Majors And Landau File For Ballot Places In School Trustee Election

Five Candidates To Seek Three Posts

A five-candidate ballot shaped up Saturday for the April 7 election that will name three trustees for Colorado Independent School District.

Filing for places on the ballot before Saturday's deadline were Willie Landau, clothing store owner, and Dr. Marvin Majors, optometrist.

They joined Warren E. Costin, incumbent, Virgil Moser and A. C. Benson on the list of candidates.

One prospective candidate, rancher Jimmy Maddox, dropped from the list because of technicalities. He had not been a resident within the district for the required period to qualify as a candidate.

Majors and Landau were the third school board candidates to file for ballot places during the week. Benson, an employee of Col-Tex Refinery for 31 years, filed earlier in the week.

First to ask for a place on the ballot was Warren E. Costin, farm implement dealer and a member of the board since his appointment in September 1954. He was followed by Moser, a resident of Horn Chapel community and a partner in Moser Wholesale Produce here.

Both the new candidates—Landau and Majors—are parents of school children and are natives of Colorado City.

Landau has a daughter in the fifth grade at Hutchinson Elementary School. He is the father of a son, four.

Majors has a daughter in the seventh grade and one in the ninth grade at Junior High.

Majors, 43, is member of the board of stewards at First Methodist Church, member of the Lions Club, Chamber of Commerce, Band Boosters Club and immediate past president of the Do-Si-Do Square Dance Club.

He also is a Mason and immediate high priest of Colorado City Council No. 114.

Landau, 37, is a member of the Masonic Lodge, Lions Club, board of directors at Colorado Country Club and former vice president of Chamber of Commerce.

Three board places, each for three-year terms, will be elected in the district's April 7 voting. Costin is the only incumbent candidate and he is seeking his first elective term.

Two other incumbents declined to seek re-election. They are W. R. (Jinks) Powell, board president, and V. T. (Vic) McCabe.

The trustee election comes as the district is preparing to take bids on one of its largest building program in history—a project that will provide a new gymnasium and physical education plant, remodeling and expansion of Colorado High, expansion of Hutchinson Elementary.

A \$500,000 bond issue will provide financing for the improvements.

35 Firms Join Bargain Parade For Dollar Day

Tuesday offers shoppers the biggest Dollar Day in Colorado City's history.

Thirty-five firms have joined the parade of bargains with special prices for the event.

It's a new date for Dollar Day—Tuesday instead of the usual first Monday. But it only means more and better values.

Colorado City merchants are joining together under sponsorship of the Chamber of Commerce merchants committee to offer the gigantic Dollar Day.

And this first giant Dollar Day comes just on the heels of the Easter Parade so that the finest merchandise for spring and summer is available to shoppers at special, budget-saving prices.

The Dollar Day specials are in every category—clothes for the entire family, household articles and items, drugs and notions, jewelry, hardware and fishing tackle, automobiles and accessories and even cafe menus.

That's another reason why Tuesday's Dollar Day is such a fine attraction for shoppers. Special bargains and values in quality merchandise are not limited to one or two categories—they are in all retail fields.

It has been the aim of the merchants committee to develop the Dollar Day observance into a gigantic shopping feature for the entire family for its every need. And with 35 business firms participating, that aim has been accomplished.

Many of the bargains that will be offered as Dollar Day specials Tuesdays are advertised in this edition of the Record.

So check the Record pages and map your shopping tour ahead of time. Thirty-five firms have Dollar Day advertisements in this edition of the Record.

Duplissey Gets Area Position

Jesse D. Duplissey, formerly Sun Pipe Line Company's district foreman at Silver, has been named area superintendent for the company's crude lines department at Corpus Christi.

He succeeds James N. Fuquay, who becomes assistant chief engineer for the pipe line's crude lines department, which is headquartered in Beaumont.

Duplissey transferred to the Jameson Field at Silver as district foreman in mid-1952. He advanced to assistant superintendent at Beaumont Sept. 1, 1954.

For the last six months he was acting area superintendent for the southwest area with headquarters in Corpus Christi while Fuquay was out of the county on special assignment.

Pioneer Dies In California

Louis Pond, 79, long-time resident of Colorado City, died Friday night in Huntington Beach, Calif.

Pond, who usually resides here during the summer months, has lived in California for the past 10 years.

Funeral services will be held Monday, 2 p. m. in Huntington Beach.

Pond moved here with his family from Alabama in 1900. Mrs. Pond, who survives, was born in Colorado City.

Survivors include three brothers, J. P. Pond of Colorado City, Howard Pond of Meridian, Miss., and Ellis Pond of Biloxi, Miss.; a sister, Mrs. Alma Vaughan of Ranger.

Woman's Plea Fails to Dent Speeding Fine

Justice of Peace G. C. Lemons Friday opened this letter from an Amarillo housewife charged with speeding on a Mitchell County highway.

"Please don't give me a fine to pay. This is the first time in 25 years I've been married that my husband has allowed me to take the car out of town."

"If I have to pay the fine, he will never let me do it again. I haven't told him yet and do pray I won't have to. But if you ask me to pay a fine I will have to tell him for that is my only source of income."

"I beg, most humbly beg, for you not to assess a fine. Please," the letter concluded.

That wasn't quite all. The woman explained that she was only going 70 miles per hour in a 60 mile zone, and that was because she was traveling down hill just after passing another car.

Lemons, who has seen or heard just about every kind of excuse, admitted that this one was near top.

But the justice of peace didn't waver. In return mail went his reply that the fine for 70 miles per hour in a 60 mile zone would be \$20.50, no higher.

That is, if it was paid immediately.

TV CONTESTANT — Mrs. Arvus Udell Crockett, former Loraine resident, pauses between appearances on the network TV show, "The \$64,000 Question," to mail her contribution to the Crippled Children's Fund. (Photo Special to Record)

SAFE KNOB KNOCKED

Trio Arrested in School Burglary

Three Colorado City youths, all with previous encounters with the law, Saturday faced burglary charges.

They are W. Lee Shannon, 17; Jerry Wayne Hopson, 19, and William Isaac Winter, 17.

All three were taken into custody by city police after a burglary Thursday night that failed to break open a safe in Colorado High School.

Taken in the school burglary was about \$2 in cash from a Coke machine.

The three suspects were arrested Friday and remained in county jail Saturday.

Shannon, twice an inmate at Gatesville State School for Boys, received a two-year suspended sentence here in 32nd District Court for auto theft after declaring that he wanted to "go straight."

Hopson and Winter in January pleaded guilty in County Court to theft of gasoline from a farmer's fuel tank and served out \$15 fines in jail.

The burglary at Colorado High was discovered at about 7:15 a.m. Friday by the school janitor.

Entrance to the school was gained by prying open a door on the building's north side, at the old gym area. The door to the principal's office was pried open and the force of the act knocked out a small window adjacent to the door.

The two rooms in the principal's office were ransacked and

effort was made to open the safe. Although the safe knob was knocked off, the safe was not opened.

Filing cabinets and the Coke machine were forced open during the raid.

NBC Telecast To Show Kin Of Wulfjens

The grandson of Mr. and Mrs. Bert Wulfjens will be featured Sunday afternoon on the network TV production, Wide World.

Also on the same program will be the Wulfjens' son-in-law and daughter, Mr. and Mrs. Sam Geisenberger Jr.

The Wide World program will originate from Natchez, Miss., where Mrs. Wulfjens is now visiting the Geisenberger family.

The NBC telecast of Dave Garraway will begin at 3 p. m. on KMLD-TV, Midland, and will feature the final day of the traditional pageant of homes in Natchez.

Sam Geisenberger III, the Wulfjens' grandson, will be a herald for each separate pageant scene. His parents will be guests at the event to be telecast.

AT CITY HALL

Council Balloting Set for Tuesday

City voters will begin going to the polls Tuesday at 8 a. m. to elect three councilmen.

And the balloting is certain to surpass the meager total of 57 ballots cast in last year's municipal election when candidates were without opposition.

However, it appeared doubtful if the turnout will be more than 505 ballots cast in 1954 when four candidates sought three council places.

There are four candidates listed on the ballot this year, too. Three are incumbents—Mayor Trevor Crawford, who is seeking his second council term; Jeff Taylor, oldest member in point of service on the council and candidate for his third term; and

St. Hamm, appointed to the council only last January and

therefore, seeking his first elective term.

Claude Robinson, manager of Hammond Lumber and Supply, is the non-incumbent and is making his first race for a public service position.

A recent council action calling for additional freeway planning in the immediate area of Colorado City may have bearing on the election's outcome.

Crawford and Taylor voted for the continued freeway planning while Hamm opposed the action at the council table.

And Robinson, along with Hamm, has received support from a group of freeway opponents.

The City Hall polling place will close at 7 p. m. Election judge will be Roy Warren.

PRESIDENT'S GREETING — Mr. and Mrs. Hale Kincaid of Silver, right, are greeted by Mrs. George Witten and Mr. Witten, local Lions president, at the Lions zone dinner recently in Civic House. Mr. Kincaid is president of the newly-organized Silver Lions Club. (Record Staff Photo)

FOR CHAMBER MEMBERS

Breakfast Opens Tuesday Roundup

Fifty volunteer workers Tuesday will conduct a one-day roundup here for more than 100 new Chamber of Commerce members.

And their goal in the membership campaign is to provide increased financial support that will boost the chamber budget to \$15,000.

They also will be competing against Snyder in a special inter-city contest.

Kickoff for the membership roundup will be a 7 a. m. breakfast in Civic House. But the meal won't cost the chamber budget a penny because the volunteers have agreed to pay for breakfasts out of their own pockets.

Members of the chamber's continuous membership committee, chaired by J. Ralph Lee, will direct the roundup. And teams of volunteers will work under

the various committee members. Lee and H. I. Berman, chamber president, will outline the chamber's membership and budget needs at the breakfast. And roundup assignments will be given out by Lee.

Approximately 130 "prospects" will be listed in the assignments. Those "prospects" will be called on by the various teams of volunteers and urged to join the chamber as a beneficial business investment and as an aid for community progress.

Letters and other data, mailed to the "prospects" have emphasized that the chamber's budget now is large enough to provide only for minimum office operation. A budget increase to \$15,000 will provide the necessary funds for numerous projects important to the community's growth and welfare.

ON CIRCLE PROGRAM

Playlet Presented

Program for a monthly meeting of the Business Women's Circle of the First Presbyterian Church Tuesday evening was a playlet directed by Mrs. Earl Clary.

Program topic was "Creating a Christian Atmosphere in the Home". Scriptural basis was Ephesians 4:1-7.

Women participating in the playlet were Mrs. Clary, Mrs. Roxie Witten, Mrs. Walter Gaylor and Mrs. C. L. Jeffries. Hostess for the meeting in the church parlor was Mrs. C. E. Smith.

Bible study, led by Miss Nellie Riordan, was the 29th chapter of Genesis, the story of Jacob and his family.

After the program refreshments were served by the hostess and her daughter, Betsy Smith.

Members attending were Mrs. Clary, Mrs. Gaylor, Mrs. Jeffries, Mrs. Adolph Wood, Mrs. Steve Pond, Mrs. Witten, Mrs. Riordan and Mrs. Smith.

Jane Long And Seneca Cowan To Wed in May

Engagement and approaching marriage of Miss Barbara Jane Long of Colorado City and Seneca Cowan Jr. of Lubbock were announced Saturday by the bride-elect's parents, Mr. and Mrs. Travis Long of Goldthwaite. Cowan, a recent resident of Colorado City, is the son of Mr. and Mrs. Seneca Cowan Sr. of Detroit, Tex.

Wedding of the betrothed couple will take place the latter part of May in the First Baptist Church of Goldthwaite.

Rev. Ray V. Mayfield will read the wedding vows. The bride-to-be was graduated from Goldthwaite High School and attended Providence Hospital School of Nursing in Waco. She is now employed as a technician at Rhode-Cowan Clinic.

Cowan, a graduate of Texas A & M, is enrolled as a graduate student at Texas Technological College in Lubbock.

Howells Visit Parents

PASTOR READS CEREMONY

Addie Marie Klas Becomes Bride Of Carl Howk in Church Rites

Austin Street Baptist Church Sunday afternoon was setting for the marriage of Miss Addie Marie Klas and Carl Edward Howk.

The bride is the daughter of Mr. and Mrs. T. R. Klas of 1437 College Avenue. Howk is the son of Mrs. Bertha Howk of Midland.

Rev. Rayon C. Hester, church pastor, officiated in the single ring ceremony before an altar centered with a large basket of white gladioli. A palm tree marked each side on the altar.

The bride was given in marriage by her father.

She wore a navy blue street-length dress accented by a white collar and cuffs. She carried a white carnation bouquet with a white Bible. Her accessories were white.

Wedding music included "Savior Like a Shepherd Lead Us". Pianist was Mrs. L. L. Walraven. Vocalist was Miss Judy Golden, cousin of the bride.

Miss Joyce Klas, sister of the bride, was maid of honor. She wore a white nylon street-length dress accented by blue and red. She wore blue shoes and carried a blue carnation bouquet.

Wayne Howk of Monahan served as his brother's best man. The couple returned to Colorado City Wednesday night following a honeymoon trip to Dallas.

Mrs. Burdine Named President of Mu Pi Chapter of Beta Sigma Phi

Incoming president of the Mu Pi Chapter of the Beta Sigma Phi is Mrs. Hazel Burdine.

Mrs. Burdine was elected Tuesday evening during a business meeting in the Magnolia building.

Serving as vice president in the ensuing year will be Mrs. Jerry DeVore.

Others listed on the new officer slate are Mrs. Frank King, treasurer; Mrs. R. E. Dayton Jr., recording secretary; Miss Mary D. Hickman, corresponding secretary, and Mrs. R. H. (Bob) Ratliff Jr., extension officer.

Miss Sallie Tharp, current president, was hostess to the regular meeting.

Members voted to sponsor a cake sale next Saturday. Proceeds will go to the Muscular Dystrophy Foundation. Mrs. Ratliff was appointed to chairman the sale.

Club members also discussed plans for sponsoring a public western supper for the purpose of raising money for the Muscular Dystrophy Foundation.

Miss Tharp appointed a committee to recommend a high school girl who will receive the sorority's annual scholarship award.

The group voted to subscribe

to the National Geographic magazine for the Wallace School.

Following the business session Mrs. Trevor Crawford, guest speaker, was introduced.

Mrs. Crawford's topic of discussion was "A Struggle with Art." She discussed the painting of "The Last Supper" by Leonardo da Vinci.

"Some people think he was the best painter who ever lived," Mrs. Crawford said, "and yet he was so interested in doing so many other things besides painting that he painted only a few pictures in his long lifetime."

The painting of The Last Supper was begun in 1495 when da Vinci was 43 years old. Sometimes for weeks or months he did not touch it, the speaker explained, but he always returned to it. Though he left many works unfinished, he seemed to be driven to complete the painting of "The Last Supper."

Refreshments were served to Mrs. Crawford, Mrs. Ratliff, Mrs. Eula McClure, Mrs. Harry Bish-

Mmes. Logsdon McSpadden Win in Bridge

Mrs. H. A. Logsdon and Mrs. A. McSpadden were high scorers in master point duplicate bridge Thursday evening at Colorado Country Club.

Winning second high score were Charles Nunn and Mrs. Bill Carson of Sweetwater.

Mr. and Mrs. Joe Curry of Sweetwater were third place winners. H. E. Goodwin and Ross Dixon Jr. won fourth high.

Others attending the weekly bridge session were Mr. and Mrs. L. L. Armour, Mr. and Mrs. Jimmy Maddox, Mrs. Ingrid Griggs, Mrs. Turner, Mrs. Charles Nunn, Mrs. Jones, Mr. Carson and Maurice Reich of Sweetwater.

Also, Mr. and Mrs. Fritz R. Smith of Snyder, Mr. and Mrs. W. R. (Jinks) Powell, Mr. and Mrs. Carey Prude, Miss Martha Earnest and Mrs. J. C. Windham of Colorado City.

WMU Holds Visitation Day

Women's Missionary Union of Thursday conducted a visitation program during their weekly meeting.

The group met in the educational building of the church for prayer prior to visits.

Members participating in the program were Mrs. Earl McMullen, Mrs. E. G. Banks, Mrs. Guy Hooks, Mrs. J. B. Buckner, Mrs. O. R. House and Mrs. A. L. Fowler.

ANNOUNCE ENGAGEMENT—Mr. and Mrs. Travis Long of Goldthwaite have announced the engagement and approaching marriage of their daughter, Miss Jane Long of Colorado City, to Seneca Cowan of Lubbock. Wedding will take place in May in Goldthwaite.

Local Attorney Speaks To Hesperian Members

Guest speaker for the Hesperian Study Club March 23 in the home of Mrs. J. D. White was Johnny M. Moore, local attorney.

Topic of Moore's talk was "Our Heritage."

"All that is uniquely American rests upon the basic promise of the Declaration of Independence that all men are endowed by their creator with certain unalienable rights," the attorney began, "and further that government exists only to secure to men rights that are God given."

Totalitarian regimes know this and they can tolerate no higher authority than themselves, the group heard.

If men can be made to deny God or prevented from knowing God, he explained, there will be an end to a demand and belief in God given rights.

"To deny God is to deny America," the speaker continued, "and should America lose its religious faith, it would lose itself. 'Our heritage is a confidence in ourselves, a belief in our fellowman and a religious faith in God,' Moore concluded.

The attorney was introduced by Mrs. Lynn Halbert, Program leader for the afternoon was Mrs. F. N. Thomas.

Members answered a safety traffic roll call. In the business session members discussed plans for the forthcoming federation tea in Civic House. Mrs. Arthur Berry, president, will chairman

Mrs. Deregibus Is Top Scorer

High scorer Wednesday in the Dessert Bridge Club hosted by Mrs. Johnny Grubbs was Mrs. Frank Deregibus.

Following games the hostess served pineapple cake, topped with whipped cream, and coffee to two guests, Mrs. Howard Kenyon of Dallas and Mrs. Doug Keith, and 11 members.

Members were Mrs. John Chinn, Mrs. Deregibus, Mrs. Goodwin Simpson, Mrs. Bob Reilly, Mrs. James Kelley, Mrs. Ronald Services, Mrs. Robert Kirschbaum, Mrs. Ben Sparks, Mrs. Rose and the hostess.

Next meeting April 11 is to be hosted by Mrs. Kelley.

This is the third in a series of articles telling the story of the Christian Church—

DISCIPLES and

RELIGIOUS INDEPENDENCE

● Disciples of Christ believe that each Christian is a free person in Christ. The individual's religion is a matter between himself and his Lord. The contemporary church has never been delegated, by Scripture or otherwise, the right to judge any man.

Disciples therefore practice OPEN COMMUNION. Participation at the Lord's Supper is left entirely up to the wish of the individual. This is done because of the truth that one man is better than another only in the matter of degree and because Christ never told the church to close communion to any person.

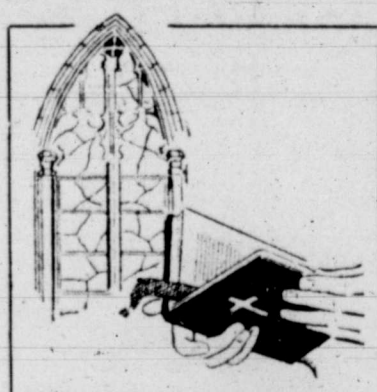

● Also, Disciples do not believe in the right of a body of imperfect believers (which all believers are) to vote persons in or out of membership. This right of distinction lies entirely in the realm of God's privilege. Even Jesus said, "I judge no man".

If you desire a church that practices liberty in Christ, you are invited to attend the First Christian Church.

Mrs. McQuerry Is Program Chairman

Program leader for Women's Circle I of the First Presbyterian Church Monday afternoon in the home of Mrs. A. H. Dolman was Mrs. B. McQuerry.

Bible lesson was conducted by Miss Nell Riordan. Her topic was "The Home and Its Rule Book" based on the fifth chapter of Deuteronomy.

Mrs. Bernice Grable spoke on "Ways of Sharing Christ with

Others."

Mrs. J. O. Jarman reviewed the Survey article, "Easter in the Home". Mrs. A. L. Maddin, circle chairman, presided during the meeting which was closed with the Mizpah. Following the program Mrs. Dolman served refreshment plates to Mrs. Annie Aycock, Mrs. Maddin, Mrs. McQuerry, Miss Riordan, Miss Mildred Coleman, Mrs. Grable, Mrs. Jarman and Mrs. Jerold Riordan.

Honey Grove Visitors

Mr. and Mrs. A. M. Holman and daughters were visitors in Honey Grove last week end.

MISS NORMA PARKHURST, to wed in June.

Engagement Revealed for Miss Parkhurst

The engagement and approaching marriage of Miss Norma Lee Parkhurst of Midland to Thomas S. Winton of Chickasha, Okla., were announced Saturday by the bride-elect's parents, Mr. and Mrs. A. B. Parkhurst of Midland. The prospective groom is the son of Mr. and Mrs. C. J. Winton of Chickasha.

Mr. and Mrs. Parkhurst are former residents of Colorado City.

Wedding of the betrothed couple is to take place June 9 at 8 p.m. in the First Methodist Church in Midland.

Dr. Marvin Boyd, church pastor, will officiate in the ceremony.

Miss Parkhurst, a 1955 graduate of University of Oklahoma, is now teaching in Midland Public Schools. Winton will be a June Graduate of the University of Oklahoma College of Business Administration. He is a member of the Lambda Chi Alpha.

IN PALMER BAPTIST CHURCH

Wanda Schwartz and Benton Cain Exchange Vows in Church Rites

Miss Wanda Nell Schwartz of Palmer became the bride of Benton Warren Cain of Colorado City Friday evening in the First Baptist Church in Palmer.

The bride is the daughter of Mr. and Mrs. J. Q. Schwartz of Palmer.

Cain, minister of music and education at the First Baptist Church here, is the son of Mr. and Mrs. A. B. Cain of Yoakum.

Rev. Jack Merritt read the double ring ceremony. Altar was flanked with arrangements of woodwardia fern, fern trees, palms and groupings of white gladioli, interspersed with ivory tapers burning in branched candelabra. Grecian urns of Easter lilies marked each side of the prayer bench.

The bride, given in marriage by her father, wore an antique silk wedding gown. She carried a white Bible topped with a white orchid, starlight roses and satin leaves edged in pearls.

Traditional wedding marches were presented by John Schwartz, brother of the bride, at the organ. He also accompanied Sidney Robert and Mrs. John Earl Seelig, soloists, as they sang "I Love You Truly", "Saviour, Like A Shepherd", "Because" and "The Lord's Prayer".

Matron of honor was Mrs. Bobby L. Schwartz of Corpus Christi, sister-in-law of the bride. Bridesmaids were Miss Beula Wynne Love of Abilene, Miss Betty Crow of Dallas, Miss Martha Christmas of Dallas and Miss Ann Cain of Yoakum.

Bride's attendants carried identical bouquets of white carnations edged in white velvet leaves.

A. B. Cain served as his son's best man. Groomsmen were Bobby Schwartz of Corpus Christi, B. J. Barclay Jr. of Houston, B. H. Tucker of Dallas and P. R. Whidby of Dallas.

Bobby Jack Bates and Douglas

MRS. BENTON W. CAIN, nee Wanda Schwartz.

Glandon of Palmer served as ushers.

Following the ceremony the wedding couple was honored at a reception in the home of Mrs. John Schwartz, grandmother of the bride.

White gladioli in a silver epergne formed a centerpiece adorning the bridal table. The wedding cake was flanked by ivory tapers in silver candelabra. Baskets of white gladioli were used throughout reception rooms.

Hurricane lamps lighted the entrance.

The couple will live in Colorado City.

The bride, a graduate of North Texas State College, was formerly a youth director of First Baptist Church in Vernon. Cain is a graduate of Rice Institute and Southwestern Baptist Seminary.

Mrs. Jarman Hosts Merry Matrons Club

Mrs. Hall Jarman Tuesday afternoon was hostess to the Merry Matrons "42" Club in her home.

Guest for the regular "42" session was Mrs. W. A. White. Members attending were Mr. G. B. Slaton, Mrs. A. F. King, Mrs. Georgia Phillips, Mrs. W. G. DeLaney, Mrs. Ludie Wilson, Mrs. D. L. Buchanan and Mrs. O. I. Griffin.

Mrs. Phillips is to host the next meeting April 10 at 3 p.m.

Revival Opens Here Tuesday At Nazarene

A revival series will begin Tuesday at the Church of Nazarene here and continue through April 15.

Conducting the revival services will be Mrs. Betty Jane Wagner, evangelist from Carrier Mills, Ill.

Song evangelist and musician will be Miss Helen Lavelly, also of Carrier Mills.

Services will be conducted daily at 7:30 p. m., according to Rev. B. Edwin Perkins, Church of Nazarene pastor.

Mrs. Wagner, who was educated at Bethany Nazarene College and Nazarene Academy in Texas, is devoting full time to evangelism after serving pastorates in Texas and Illinois.

Miss Lavelly is a soprano soloist and also sings duets with Mrs. Wagner with accordion accompaniment.

REVIVAL LEADERS — Mrs. Betty Wagner, left, and Miss Helen Lavelly will conduct revival services at the Church of Nazarene here during a 13-day period.

Wolves Edge Andrews To Win Basin Relays

Colorado High set three new school records in winning the annual Permian Basin Relays at Kermit Thursday night.

Wolves wound up with 30 points, edging Andrews by one point.

Deciding race was the mile relay, final event on the night's schedule.

Hobbs, N. M. with 20, McCamey 15 and Fort Stockton 11 were top contenders.

Remainder of the points were split among 15 other schools.

Wolves set only one new record for the Kermit meet. That was Doyle Herring's 50.7 performance in the 440-yard dash, breaking the old mark of 51.1 set by Helvy of Andrews in 1954.

Herring's time also set a new C-City school record which Herring held. It was a time of 51.1 turned in earlier in the year at Cimarron Relays in Fort Stockton.

Jim Windham set a new Colorado High record in the discus with a throw of 139 feet 8 inches, but this wasn't enough to win first place at Kermit.

Winner was Elton Marr of Hobbs who threw the plate 145 feet 1/2 inch.

Delbert Lewis set a new CHS record in the mile event, running the four laps in 5:04.4.

But Lewis' time wasn't even good enough to place at the Kermit meet.

Winning mile time was by Dyson of Fort Stockton in 4:42.5, a new record.

Wolves won only two other first places besides Herring's quarter mile.

One first was by Don Fite in the 100-yard dash with a time

of 10.2 seconds.

The other first was in the mile relay with Fite, Herring, Frank Mackey and Bancker Cade turning the four laps in 3:32.4.

Wolves' 440-yard relay team felt defeat for the first time this season when Andrews edged the Wolves at the wire in the time of 44.3.

Key to the Wolves' win was probably unexpected points coming from Clarke Jones' performance in the 880 yard run.

Jones, a senior, finished third with a good time of 2:06.6. Winning time was 2:04.3 by Wolf-forth of Seminole.

Frank Mackey turned in a good overall performance with second in the 220-yard dash, tie for third in the high jump and an excellent race in the mile relay.

Mackey was edged by a hair in the 220 by Donnie Benham of Andrews. Benham's winning time was 2:22 with Mackey turning in a 2:23.

Mackey leaped 6 feet in the high jump to tie with two other performers. Winning leap was 6 feet 1 3/4 inches by Linne of Pecos.

In the mile relay, Mackey took the baton in third place and passed the other two runners, giving anchorman Herring a good lead.

The Andrews' anchorman gained on Herring but the Colorado senior beat him to the tape.

Windham took second in both the discus and shotput. He heaved the shot 50 feet 8 inches to finish behind McIlhenny of McCamey who threw 52 feet 5 inches.

This was the second consecutive year for the Wolves to win the Kermit meet.

Next competition on the Wolves' agenda is the District meet at Snyder, Saturday.

Trio Honored At Banquet In Dallas

Three auto salesmen at Harvey Chevrolet were entertained by the Chevrolet Company this week at the Adolphus Hotel in Dallas.

They attended the annual 100-Car Club banquet in the hotel, Wednesday.

The three are J. M. (Pete) Ellis, Charles Joe Owen and J. Homer Moon.

Membership in the club is gained through sales of new and used cars.

This is the first year for Owen and Ellis in the Club, but this was the 14th year for Moon.

Each received a diamond which is added to a pin also awarded. Moon now has 14 diamonds for his pin.

Approximately 600 salesmen from the Dallas zone attended the banquet.

Ralph Dye, parts manager at Harvey Chevrolet, recently attended the Chevrolet Record Club banquet in Texas Hotel, Fort Worth.

Around 175 parts managers from the Dallas zone were present.

Safeway Sales Climb to Record High

Safeway Stores in its annual report for 1955, includes a comparative breakdown of net earnings of the Company for the last 16 weeks of 1955 and 1954.

The report showed that, after dividends on the preferred stock, consolidated net earnings for the last 16 weeks of 1955 were \$5,027,205 or \$1.44 per share on the average number of shares of common stock outstanding during the period compared with net earnings for the same 16-week period in 1954 of \$3,203,180 or \$.92 per share.

Total aggregate net sales of Safeway and all subsidiaries during 1955 of \$1,932,243,202, the greatest in the company's history, were reported to stockholders. This was an increase of \$118,726,566 or 6.55 per cent over the previous record set in 1954.

FOR PERMIAN BASIN

TESCO to Build New Power Unit

One of the largest single power generating units in West Texas will be installed at the Permian Basin power plant of Texas Electric Service Company near Monahans, J. B. Thomas, president and general manager of the electric company has announced. The 115,000 kilowatt turbine-generator unit will more than triple the capacity of the Permian Basin plant.

Recent growth of the Permian Basin oil fields and the growth of Odessa, Midland, Monahans, Andrews and other cities in the area, were determining factors in placing the order for the new unit, Thomas said.

Equipment is being ordered and construction work will start this summer. The new unit is scheduled to be in operation before the summer of 1958. Approximately 200 men will be employed by construction firms that will erect the new unit.

As a part of the plans for the new power unit, a 138,000 volt power line recently was completed by Texas Electric Service Company from the Permian Basin plant to Wink and Andrews, where rapid oil field development has been under way.

The Permian Basin power plant is located on US 80, four miles west of Monahans. It is one of seven steam-electric generating plants of the company's power system that extends from Grand Prairie on the east to Wink on the west. Other steam-electric generating plants are located here at Colorado City, Wichita Falls, between Eastland and Ranger and three plants are at Fort Worth.

The boiler of the new unit at Permian Basin plant will be 130 feet high with two steel stacks 150 feet high attached to the back of the boiler. The plant will use gas as boiler fuel, but the boiler will have sufficient clearance underneath for using coal if at some future date the use of gas or oil becomes uneconomical. This new type furnace would allow the switch to solid fuel without extensive alterations.

The new unit will increase the capability of the Permian Basin plant to 167,000 kilowatts, which added to the 158,000 kilowatts at the company's Morgan Creek power plant at Colorado City, will bring the company's steam-electric generating capability in the Permian Basin of West Texas to 325,000 kilowatts. This will be approximately one-third of the total capability of the system at that time.

Page 6 Colorado City (Tex.) Record, Sunday, April 1, 1955

pany's power system, into which the output of all the power plants is fed. This system consists of 65,000-volt and 138,000-volt lines, more than 900 miles of which have been built in the last 10 years.

AT MONTHLY SOCIAL

B&PW Judge Most Unusual Easter Hats

Highlighting the monthly social for members of the Business and Professional Women's Club last week in the home of Mrs. M. L. Kirschbaum was judging of the most unusual Easter hats.

The two winners were hats worn by Miss Ruth Hightower and Mrs. Charles Wakefield. Mrs. Hightower's hat was a tangerine hand-painted velvet with a birthday cake eye crown and large brim, accented by artificial flowers.

The brownish gray velvet hat worn by Mrs. Wakefield is owned by Mrs. A. A. Herrington and was made by Mrs. B. S. Mills of Colorado City, mother of Miss Neal Mills of 725 Elm Street. Velvet fringe marked the rectangular shaped brim of the hat which was worn at an angle and extended about six inches over her right eye.

Original modern hats worn by other members featured the Easter motif.

Co-hostesses for the evening were Mrs. Maude Charters and Mrs. Travis Pritchett. Games of "42" and canasta

served as entertainment. Decorations included Easter baskets, spring flowers and Easter bonnets.

Members attending were Mrs. J. Ed Richardson, Mrs. Jewell Richter, Miss Louise Hardison, Miss Effie Copeland, Mrs. Howard Rogers, Mrs. Mildred Truan,

Mrs. Will Berry, Miss Hightower, Mrs. H. I. Berman, Mrs. James Paye, Mrs. Wakefield, Mrs. Virgil Morgan and the hostesses.

Holiday Guests

Easter holiday visitors of Mr. and Mrs. M. A. Dillard are their daughter, Miss Sue Dillard, and Miss Alice Bunte, both students of Waco University in Waco.

Miss Bunte's home is in Kankakee, Ill.

Here's Your Week TV Guide

Check this Colorado City Record guide for the time of your favorite television programs.

Programs for the entire week are included in the special guide for key TV stations telecasting into the Colorado City area.

And log is listed conveniently by stations so Record readers can cut it out and keep it on hand for convenient program guide throughout the week, from Sunday through Saturday.

The telecasting schedules have been prepared for

the Record by the TV stations and those stations furnishing the logs are responsible for their accuracy.

Included in the guide are KBST-TV, Channel 4 in Big Spring; KPAR-TV, Channel 12 in Sweetwater, and KMID-TV, Channel 2 in Midland. All three provide clear-view telecasting for the Colorado City area.

The Record is printing the all-week program guide as a special convenience for its readers. It furnishes a complete log for every hour, all week long, of the best telecasting channeled into Colorado City area.

UNITED NATIONS AID

Class Donates to Children's Fund

LORRAINE, Home of Mrs. Harold Martin was the scene for monthly social meeting of Lorraine Methodist Church's Willing Workers Class.

Co-hostesses with Mrs. Martin were Mrs. W. A. Taylor and Mrs. E. L. Hamrick.

Mrs. Floyd Coffee, who read the devotion from 14th chapter of Luke, spoke on the works of United Nations' International Children's Emergency Fund.

She related successful humanitarian projects carried out by the agency for needy children in all parts of the world, but emphasized that more work is needed.

After Mrs. Coffee's talk the class voted to send a donation to the fund.

Mrs. Doris Martin, class president, presided at the business session and reported progress in projects for Negro children in Lorraine.

Quiz games were led by Mrs. Martin during the social period.

Refreshments of Easter basket cupcakes, ribbon sandwiches and punch were served to Mrs. Lily Bennett, Mrs. Kirk Taylor, Mrs. Otis Muns, Mrs. Ralph Lankford, Mrs. Jim Johnson, Mrs. Doris Martin, Mrs. Jack Linam and the hostesses.

Regular monthly social meeting of Lorraine Baptist Church's Ready Class was in the home of Mrs. Garland Cary.

Invocation was by Mrs. Bob Horton following the singing of the class song.

"Cleansing the Heart" was the topic of the devotion by Mrs. W. D. Green, class teacher. Her talk was based on scripture from Proverbs.

Mrs. Elwood Graham presided at the business session and Mrs. E. D. Miles directed games during the social period.

Easter decorated cupcakes and punch were served to Mrs. Graham, Mrs. reed, Mrs. Miles, Mrs. Price Hall, Mrs. Horton, Mrs. Ed Small, Mrs. Jack Richey, Mrs. Leroy Lucas, Mrs. J. C. Wells and the hostesses.

Mrs. W. T. Brooks conducted the devotional study on 13th chapter of First Corinthians. Invocation was by Mrs. Clinton Eastman.

The class selected Mrs. Monroe Steward and Mrs. Saunders as their "class mothers" for April, May and June.

Refreshment plate of sandwiches, cake squares and punch were served by the hostesses, Mrs. Hardcastle, to Mrs. W. A. Bell, Mrs. Troy Lankford, Mrs. Eastman, Mrs. Harry Dockrey and son, Bill; Mrs. Brooks, Mrs. H. H. Crenshaw, Mrs. Arlie Moore, Mrs. Tommy Lewis and daughter, Patsy.

Mrs. Altis Clemmer will be hostess for the class' social meeting April 19.

Mrs. Keith Williamson entertained with a dinner recently honoring her daughter, Janella.

The dinner marked the honoree's ninth birthday.

Guests for the fete were Jane Williamson of Big Spring, Glenda Jo Rees, Patsy Rees and Jimmy Tay Rees.

Mr. and Mrs. R. O. Lee and daughters, Karen and Kathy and Kyla, of Westbrook and Mrs. Mayfield Check of Lorraine visited Tuesday night and Wednesday in Abilene as guests of Mr. and Mrs. M. D. Cheek.

Mr. and Mrs. R. O. Lee and daughters, Karen and Kathy and Kyla, of Westbrook and Elvin Lee of Little Rock, Ark., visited Saturday and Sunday in Odessa and Midland.

Mrs. Rogers Returns
Mrs. L. A. Rogers of 816 East 11th Street returned this week from Big Spring where she has been a medical patient in Hogan-Malone Hospital.

Mrs. Altis Clemmer will be hostess for the class' social meeting April 19.

Mrs. Jocoy Is Out of Town Host for WSCS

By MRS. F. R. PICKENS, Record Correspondent.

DUNN—"Practice of the Presence of God" was the theme for the Monday afternoon meeting of the Dunn Methodist Church Women's Society of Christian Service.

The WSCS meeting was an out-of-town event hosted by Mrs. G. E. Jocoy in her Sweetwater home.

Presenting program topics were Mrs. Jocoy, Mrs. Nat Billingsley and Mrs. F. R. Pickens. Mrs. Pickens introduced the program study, based on the WSCS study book, "The Five Spiritual Classics" and led the invocation.

Following the group singing of "Jesus Calls Us," Mrs. Jocoy spoke on "The Monastic Life."

A Reader's Digest article on Easter, based on a sermon by Peter Marshall, was presented by Mrs. Billingsley, who also spoke on the life of Brother

Lawrence. A talk by Mrs. Pickens concluded the program. Mrs. Hugh Billingsley, WSCS president, was in charge of the business session. Welcomed as visitors were Mrs. Davidson of Ennis Creek, Mrs. J. D. Shackelford and Karen Costin of Sweetwater. Prayer by Mrs. Shackelford closed the meeting.

A salad and sandwich plate with angel food cake squares and punch were served by the hostesses to Mrs. Hugh Billingsley, Mrs. Nolan Bolding, Mrs. Hoyt Murphy, Mrs. L. E. Russell, Mrs. Ollie Richardson, Mrs. T. E. Grimes, Mrs. Nat Billingsley, Rev. and Mrs. F. R. Pickens, Mrs. Davidson, Mrs. J. D. Shackelford, Karen Costin.

Guests of Mr. and Mrs. C. A. Noon here last week were their son-in-law and daughter, Mr. and Mrs. Paul Johnston, and Mr. and Mrs. Doe Johnston of Houston.

Mr. and Mrs. Adrian Harvey were in Sweetwater last week visiting Mr. Harvey's father, W. H. Harvey, who was a hospital patient there.

Vinegar in the water used to boil or poach eggs will keep the eggs firm.

LONE STAR FARMER

Investment Return Is Farm Problem

By JOHN WHITE, Agriculture Commissioner.

Texas and U. S. farmers are just like business men—every one is interested in making a return on invested capital.

How did the farmer come out in 1955?

Miss Barber To Direct Stage Lights

Miss Barbara Barber, a graduate student in drama at Baylor University, will be in charge of the switchboard in the intricate set-up of lighting in the Baylor Theater production of "Hamlet."

Which will have Burgess Meredith in the title role.

The play opens in Waco, May 7.

Meredith, who will leave the Chicago company of "The Teahouse of the August Moon" in April, is one of the most skilled actors currently at work on the American stage.

Meredith first appeared on the stage in 1929, and by 1935 was a Broadway personage, enjoying his greatest opportunities in "Winterset," "High Tor," "The Star Wagon," Prince Hall and King Henry V in "The Five Kings," and Marchbanks in "Candida."

This will be an experimental "Hamlet" prepared by Paul Baker, head of the Baylor Theater, and his staff. Assistant director will be Miss Mary Sue Birchhead.

Those acquainted with Baker's "Othello" three years ago will recall that the speeches of each role were divided between three actors who traveled around five stages as a team. Four "Hamlets" will roam around the stages designed especially for "Hamlet" by Virgil Beavers, Baylor Theater designer. Meredith will play the lead Hamlet.

Miss Barber is the daughter of Mrs. Laura Barber, 705 Houston.

AGRICULTURE STUDY REVEALS

Retail Beef Price Drops Only 3.5 Cents While Price Paid at Farm Dips 9 Cents

During the last quarter of 1955, the farm value of choice grade beef was down an average of nine cents a pound, while the retail price dropped only 3.5 cents a pound.

A beef study by the U. S. Department of Agriculture shows that the difference between what the farmer receives for U. S. choice grade beef on the hoof and what the consumer pays for the meat has fluctuated widely during the seven years 1949-1955.

Retail prices remained relatively stable during the latter half of 1954 when farm cattle prices were rising, and during 1955 when farm prices generally declined. Marketing margins, therefore, narrowed substantially below the long-run average in the latter half of 1954.

In 1955, however, they widened markedly, exceeding the high levels of 1953. The comparisons are based on the price of a pound of beef at retail and the price of its equivalent weight of 2.16 pounds in the live animal.

Marketing margin is the difference in price received by the livestock producer and that paid by the consumer.

During 1955, the spread between the farm marketing price and the retail marketing price was about five cents a retail pound more than at the start of the seven year period. In the last quarter of 1955, the margin was 27 per cent wider than in the same quarter of 1954.

A series of studies is now under way in the Department of Agriculture dealing with the cost of processing and distributing food. This particular report, Beef Marketing Margins and Costs, publication 710, analyzes the trend of prices and margins for U. S. choice grade beef at different stages in marketing process.

The report states that fluctuations in dollar margins come about because cattle and beef prices do not maintain a fixed relationship to one another at

any point in the marketing channel.

Flock replacement costs, determined by pullet costs and rate of lay, next to feed are the largest expense item in producing eggs.

Therefore, says Ben Wormell, extension poultry husbandman, the cost of producing pullets is a major consideration in a successful poultry operation.

Generally, points out Wormell, pullet costs are figured on the basis of the number of days required for the flock to reach 50 per cent production. At this rate of lay the pullet will normally pay a return over the current feed costs.

In the 1955-56 Texas Random Sample Test the pullets averaged 172 days (24½ weeks) of age when they reached 50 per cent egg production. The range of the entries tested was from 157 to 181 days.

Wormell estimates the major cost of producing pullets at about \$2.16 per bird. He breaks the figures down this way: 110 pullets \$66 (10 extras to provide for 1 per cent mortality); feed \$100; \$25 for labor and the same for other costs other than feed, chicks and labor.

Thus \$216 would be needed to get 100 pullets to the stage of 50 per cent production.

The costs will vary, he adds, depending upon prices and practices of individual poultrymen. A high figure will make the replacement cost per dozen of eggs high during the laying year.

Excessive mortality of feed wastage during the pullet growing period must be avoided if costs are to be kept low, says Wormell. He advises a daily check for spotting "off-condi-

State Capital NEWS

Dept. of Agriculture announced.

Accounting for most of the reduced acreage will be drops in cotton, rice, peanuts, corn and oats. Flaxseed, Irish and sweet potatoes also will be curtailed.

Only hay acreage will be increased and wheat will remain unchanged.

Short Sports

Fifty students from the State School for the Blind are receiving swimming lessons. The Austin Lions Club is paying all custodial fees, and the Girl Scouts and Red Cross Water Safety Service Corps are taking part in the project.

Dr. J. E. Peavy of the State Health Department announced that polio cases this year showed a gain over 1955. Cases reported total 140, against 92 last year. More than 40 per cent of children under 10 have received at least one anti-polio shot, he said.

Public hearing on a petition of Railway Express Agency for increased first and second class express rates on intrastate traffic, is set by the Railroad Commission for April 4.

The female sea spider has six pairs of appendages, the male, seven, the extra pair to carry the eggs until hatched.

Acreage of principal Texas crops will be reduced by about 660,000 acres this year, the U. S.

Wormell estimates the major cost of producing pullets at about \$2.16 per bird. He breaks the figures down this way: 110 pullets \$66 (10 extras to provide for 1 per cent mortality); feed \$100; \$25 for labor and the same for other costs other than feed, chicks and labor.

Thus \$216 would be needed to get 100 pullets to the stage of 50 per cent production.

The costs will vary, he adds, depending upon prices and practices of individual poultrymen. A high figure will make the replacement cost per dozen of eggs high during the laying year.

Excessive mortality of feed wastage during the pullet growing period must be avoided if costs are to be kept low, says Wormell. He advises a daily check for spotting "off-condi-

Telephone Growth Boosts Prosperity

Here are some facts about what's behind your telephone, what it takes to meet the needs of people all over Texas for telephone service.

Last year Southwestern Bell spent \$91 million on new construction and \$150 million for day-to-day expenses in Texas. In one way or another, nearly everyone in Texas benefited from this expenditure to keep your service going—and growing.

One result, we hope, was the best telephone service you've ever enjoyed. Another result, we are sure, was a healthy boost to the prosperity of the entire state.

For example, \$104 million (one of the state's largest business payrolls) went into the pockets of 26,000 Texans who work for the telephone company. And most of this was spent in communities like ours for all the many goods and services which local merchants and businessmen provide.

How Others Benefited From Telephone Activity

Another \$1,500,000 went to Texas service stations and garages to help keep the company's fleet of 3,529 trucks and automobiles rolling. This included the cost of 2,919,880 gallons of gasoline, as well as tires, accessories, repair parts and \$500,000 in direct labor costs.

Three hundred twenty-six Texas automobile dealers profited from the sale of 589 new trucks and 110 new automobiles to the company.

Those in the building industry were paid \$7,500,000 for their work on new buildings, additions, and major improvements. New building activity alone involved 254 different contractors directly and provided enough work to keep 4,500 skilled carpenters, bricklayers, plumbers, electricians, and other craftsmen busy full time for a year.

In addition, we paid \$4,665,000 to independent contractors for jobs ranging from tree trimming to laying underground cable conduit.

Another \$2,618,000 went to local suppliers of office furniture and fixtures, printing, office supplies, and the hundreds of sundry items to carry on our business. And \$840,000 additional went to local people and firms outside the company for building maintenance and odd jobs, ranging from window washing to trash handling.

'56 Construction to Break All Records

This year's construction program will add up to \$106 million, the largest in our history.

Many long months of planning and engineering have gone into this 1956 program. It is based on the company's faith that the Texas communities we serve will continue to grow and prosper—and on our ability to attract more, new investment dollars from outside the business.

To meet your needs for more and more telephone service, we must depend on finding people in all parts of the country who are willing to invest their savings in our business.

So, you see, one of the very important factors of good telephone service is the faith of investors that their savings can earn a safe and reasonable return in the telephone business. Another is the public's faith in us as one of the state's most necessary citizens, an important contribution to continuing prosperity.

DESPITE BAD YEAR

Farmer Due Social Security Credit

Most operators of small farms and even those farmers who had a bad year because of the drought or other reverses will get social security credit for 1955 if their net earnings, either actual or by use of a special option, in the year amounted to as much as \$400.

These facts were reported by R. R. Tuley, District Manager of the Social Security Administration in Abilene.

"The important thing to remember," he said, "is that an income tax return must be filed by April 15. A self-employment tax of 3 per cent for social security is due even if the earnings are not enough to require the payment of any income tax. This is a requirement of the law and it is not optional."

Form 1040 and Schedule F are used by farmers to report their earnings. The blank forms should be secured by those who have not already received them from the Director of Internal Revenue, Dallas.

In Colorado City district the

forms can also be obtained from local offices of the Internal Revenue Service, which are located in Abilene and Brownwood. It is from the reports of income which are filed with the Internal Revenue Service that social security insurance payments are figured for older workers, and for the families of those who die.

A special provision for low income farm permits a farmer whose net earnings are less than \$400 to still get social security protection by filing the required reports, which he can do, if his gross earnings are at least \$800 for the year," Tuley added.

Farmers, like all other workers, need social security numbers. The account number cards are issued by the Social Security Administration, 766 Cedar, Abilene, Texas. They may be requested by mail. Application blanks for the numbers are stocked by all post offices.

Grasshoppers ears are on the basal joint of the abdomen.

ATTEND MISSION PROGRAM—Among those attending an all-day mission study by the Women's Missionary Union of Oak Street Baptist Church Thursday were, left to right, Mrs. Alfred Chambers, Mrs. W. C. Greaves and Mrs. O. R. House.

(Record Staff Photo)

AT FOUR KEY POINTS

Tornado Warning Net Circles City

Texas will meet the 1956 tornado season with one of the world's most complete storm warning systems, and with a well-oiled disaster relief organization.

Radar storm warning sets are in operation in 16 of the state's 20 first-order weather bureaus. Four sets circle the Mitchell County area.

All state highway patrolmen have been carefully schooled in the wily ways of the weather and are keeping a sharp eye on the sky as they patrol the state.

A patrolman is credited with sounding the first warning of the awesome San Angelo storm of 1953.

Texas "local severe weather warning system," the first established anywhere in the world, is made of sets operating around the clock in key areas of the state.

Sets are strategically placed on all four sides of Mitchell County—in Abilene, San Angelo, Midland and Lubbock—to assure adequate warning for the Colorado City area.

Other sets are operating in Amarillo, Wichita Falls, Fort Worth, Waco, Austin, Port Arthur, Galveston, Houston, Corpus Christi, Victoria, San Antonio and Brownsville.

Only four of the state's first-order weather bureaus—El Paso, Laredo, Del Rio, and Dallas, are without warning networks.

All stations are connected by teletype and radio. Any station is able to instantly appraise all other stations of a tornado traveling in their direction. When such a warning is given, the weather bureau in the storm's line of approach immediately notifies all communities in the area.

The sets were offered to local

areas by the U. S. Government from war surplus stock. Each one was converted into a storm warning set at a cost of \$10,000, borne by the cities.

Louisiana and Oklahoma are cooperating in the southwestern warning net work by operating limited networks of their own.

"We now have what we consider one of the best local severe weather warning services possible to render at this time," said the U. S. Weather Bureau's regional office in Fort Worth.

Dallas is reported to be considering installing a set. Heretofore the set in Fort Worth has served both cities. A set is said to be badly needed in Del Rio.

State Health Commissioner Henry A. Holle said his department stood ready to provide vaccine and public health engineering and emergency nursing know-how to stem the threat of disease in event of weather disaster.

Meanwhile, the Commissioner urged these precautions if and when a tornado is sighted.

Take shelter in a storm cellar, cave, or underground excavation. When underground protection is not available, take protection along the inside walls on the lowest floor of a strongly reinforced building, or against the southwest corner of a house.

In open country, move away at right angles to the path of the storm. If there is not time to escape, lie flat in the nearest ditch or depression to avoid flying debris.

Grandson of Minister Wins European Trip

The 16-year-old grandson of Rev. and Mrs. F. R. Pickens will be a guest this summer in the home of a European family.

Ted Moore, who lives in Hereford, has been awarded the trip under auspices of American Field Service Summer Program.

He is the son of Mr. and Mrs. Don W. Moore of Hereford, son-in-law and daughter of Rev. and Mrs. Pickens.

Rev. Pickens is pastor of Buford and Dunn Methodist Churches.

The student, a junior in high school, will have expenses for his overseas trip underwritten by Hereford Rotary Club.

The American Field Service Summer Program sends American students abroad for the summer months to live with families in other countries. To be a candidate for the trip a student must be at least 16 years of age and have studied a foreign language two years.

Moore last year studied on a scholarship at Hotchkiss School, a college preparatory in Lakeville, Conn., and was third ranking student at the school with enrollment of 350 boys.

He applied for and was awarded the Hotchkiss School scholarship after reading about the school in Life magazine.

Moore, although he prefers France, has not been informed as to what country he will be assigned this summer.

Newest American name in the Antarctic regions is "Atka Bay," so named by the crew of the

Buford Church Children Set Easter Program

By MRS. F. R. PICKENS, Record Correspondent.

BUFORD—A special Easter program will be presented Sunday at Buford Methodist Church. The program will be presented at 10 o'clock in the morning by children of the church.

Last Sunday the young people directed the opening services for the Sunday School.

Mrs. John Hooks was in Wortham this week as a guest of her son-in-law and daughter, Rev. and Mrs. Frank Turner Jr.

Rev. and Mrs. J. E. Yelding were hosts over the week end here to Mrs. Yelding's parents, Mr. and Mrs. Brown of Brownwood.

Mrs. Della Stell of Colorado City visited here Sunday with her brother-in-law and sister, Mr. and Mrs. Mack Holt.

A group from Buford Methodist Church this week are at

Antarctic in an area where the ice is known to be hundreds of feet deep.

Page 4 Colorado City (Tex.) Record, Sunday, April 1, 1956

tending Holy Week services at First Methodist Church in Colorado City. With the group is Rev. F. R. Pickens, pastor.

GET SUPER CHICK GROWTH ON PURINA SUPER STARTENA

Super Growth. Your chicks should grow up to 5.6% faster on 7.4% less feed per pound of gain than ever before on Purina Startena! That's the kind of results they've been getting on many thousands of chicks in Purina Research tests.

Super Safe. You can order Startena with a built-in coccidiosis control. It's the best control ever tested by Purina Laboratories.

Super Vigor. You can actually see the brighter yellow shanks, perkier red combs, and fast, smooth feathering.

Super Economy. It takes only 2 pounds of Super Startena per light breed chick, 3 pounds per heavy. This is a real saving, because most feeds recommend 3 to 4 pounds of Starter—or more—before the chicks are ready for a growing ration.

water safer with Purina Chex-R-Tabs. Bring this ad in and take advantage of the 25c discount. This offer expires July 1, 1956. Cash value 1/10 cent—void where restricted.

SAVE THIS AD—IT'S WORTH 25c on the purchase of Purina Disinfectant and Purina Chex-R-Tabs, when bought together. Disinfect the brooder house with Purina Disinfectant. Keep drinking

Picture Of A Woman Who Found The Best FOOD BUYS

By Reading The
Colorado City Record

"Market Guide for Mitchell County"

Yes, sir she's a thrifty woman—one who is interested, from the standpoint of the family pocketbook, and of providing her family with the best in menus, in getting the best in food values. And she turns to the pages of the Colorado City Record as her best and most reliable market guide! She knows that the leading stores offer their outstanding values, and establish their best attractions in the Colorado City Record. She's a smart woman—for she knows that the Colorado City Record ads can save her time and money, and that they're right there before her when she wants to consult them, to check them, to read them again, to be sure of description and price. This all means savings to her, for the Record costs only \$5.00 a year delivered in Mitchell County or 10c a copy on the newsstand.

Women Readers
Look To
the
Colorado City Record
For Values!

And she benefits from the Colorado City Record in other ways, too—in the informative dry goods and clothing advertising as well as keeping posted on theatre schedules, club news and happenings around the town. She is accustomed to finding information that interests her, and helps her, in the news and advertising columns of the Colorado City Record. Those are some of the reasons why this smart and thrifty woman uses the Colorado City Record as her weekly companion and shopping guide!

NEW TROOP, PACK ORGANIZED

Lions Club, PTA Group Expand Scouting Program for Loraine

LORAIN— Civic club and Parent-Teacher Association leaders are expanding the Boy Scout program in Loraine.

J. W. King, president of Lo-

raine Lions Club, has announced that the Lions are sponsoring a new Boy Scout unit, Troop 124.

And Mrs. Earl Phillips, Loraine PTA president, reports that re-registration of PTA-sponsored Cub Scout Pack 124 with prospects for organization of a second Cub den.

Dan D. Morgan Jr. is the scoutmaster for Boy Scout Troop 124 and assistant scoutmaster is Raymond L. Holt. Troop committee chairman for the Lions troop is Dr. Joe C. Terry.

Scouts who are charter members of the troop are Kenneth Ray Johnson, Billy J. Long, Stanley Martin, Jackie Harrell, Henry Ross, Jerry Dale Templeton,

Johnny Belvin and Jerold Epperson.

Other boys between the ages of 11 and 17 are invited to join the new Boy Scout troop which meets each Monday night in the Loraine Lions Building.

Varnell Templeton has been appointed institutional representative of the Lions Club to the Boy Scouts of America. Serving with Dr. Terry on the troop committee are Herbert Mearse, Gene Baird and Troy Kegans.

Mrs. Phillips reports that Billie B. Bowles has been appointed as PTA institutional representative to Boy Scouts of America for Cub Pack 124.

B. W. Tarrt is chairman of the Cub pack committee that includes Lynn Hamilton, Howard Tarrt and B. W. Tarrt.

Cubmaster is Rev. A. C. Polk, who is assisted by James T. Green.

First two den mothers for Pack 124 are Mrs. Jack Brewer and Mrs. Rosie Lee Angel. And Cub scouts are Stanley Moore, Don Small, Sidney Dillon, Harold Brewer, Mickey Epperson and Kenneth Brane.

Additional boys of Cub age have expressed interest in joining the new Cub Pack. And plans are being completed for organization of another den with approximately 21 Cub Scouts in the pack program.

First pack meeting is scheduled in the near future. And it will be for all Cubs and their parents and others interested in the program.

"A pack meeting is a community meeting," according to Joe T. Bohannon, district Scout executive, "and friends and relatives are invited in addition to the Cub scouts and their parents."

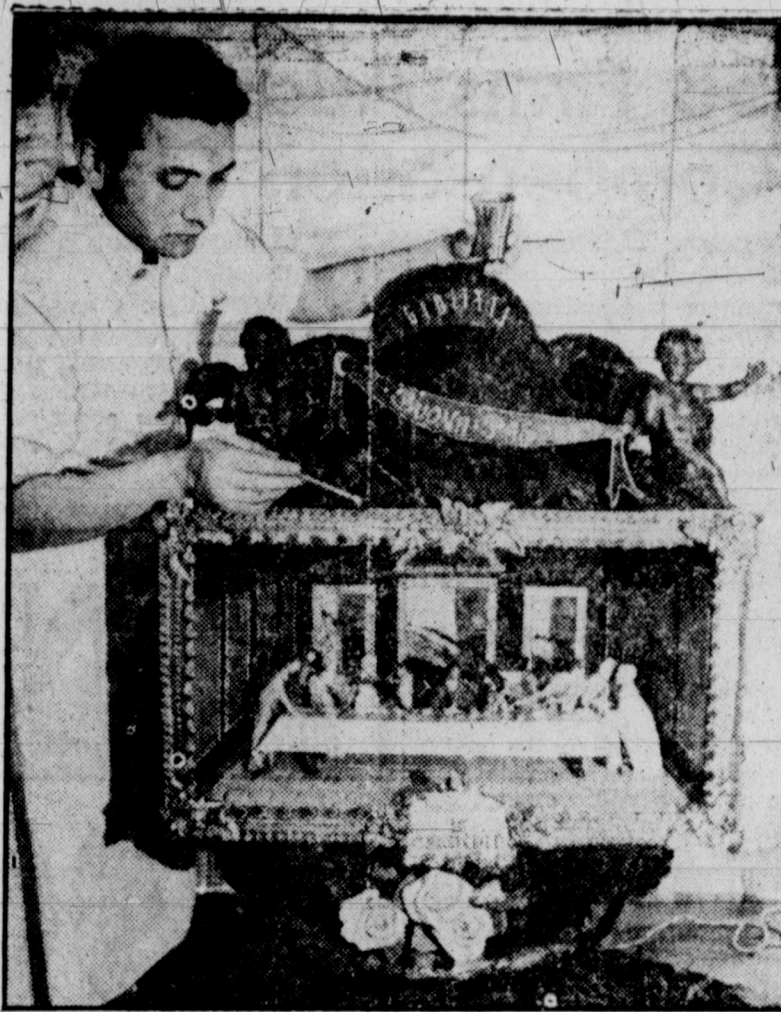

The eight-year-old Cubs are working on their Wolf Badge requirements while the nine-year-olds are working on their Bear book. Projects of the 10-year-olds are in the Lions Cub Book.

Randle Cited For '55 Sales

J. W. Randle, local zone manager for Investors Diversified Services Inc., is among the company's first 50 production leaders in the southern region.

The leaders will be given awards for top sales and service achievements, including membership in the IDS President's Club, an annual honor roll of the company's leading representatives.

Randle and the other leaders won the club membership in competition with more than 2,300 representatives of the company. The company reported record 1955 sales of face-amount investment certificates and mutual fund shares of its subsidiary and affiliated companies.

EASTER SPECTACULAR— This huge display piece, with Leonardo da Vinci's painting of The Last Supper as its inspiration, is representative of elaborate window displays fashioned by confectioners of Rome, Italy, for showing during the Easter season. Months of work went into fashioning the figures of Christ and the disciples in multicolored sugar. Chocolate cherubs adorn the huge candy egg, used as a mount for the confection.

Letters to the Editor

The Colorado City Record
We thank you for the complete and accurate coverage you gave the library problems.

The information given to your readers helped to arouse greater interest in the library and its needs.

The efforts of the clubs of Colorado City and of Mitchell County and of the many other friends enabled us to secure the required number of signatures for the petition presented to the Commissioners of Mitchell County. This petition was acted upon favorably by the County Commissioners.

Since the funds allowed by the County Commissioners and by the City Council have been increased, the library will be kept open two mornings of each week in addition to the usual afternoon hours.

Beginning Friday, April 6, the librarian will be at her desk from 10 a.m. until 1 p.m. each Friday and Saturday. We hope this will be more convenient for some patrons.

We extend to the Record staff a cordial invitation to use the reference books of the library at any time you need them.

Sincerely yours,
U. S. Navy icebreaker on her 1954-55 reconnaissance trip to Antarctica.

The Trustees of the Mitchell County Library,
Mrs. Curtis Latimer, Mrs. John Brown, Mrs. Laurence Radd.

YOU CAN REFINANCE YOUR CAR TO INCLUDE

air conditioning!

GIFTS TO MRS. McDONALD

Loraine Club Has Anniversary Party in Frank Johnson Home

By MRS. C. C. HAMILTON, Record Correspondent.

LORAIN— Home of Mrs. Frank Johnson was the scene for the 15th anniversary party of Wednesday Afternoon Club.

Former members joined with present members of the club to celebrate the anniversary.

The party rooms were decorated in Easter theme. Centerpiece for the serving table was a bunny surrounded by small candles, pink and white daisies among grass.

Individual Easter baskets with tiny eggs and miniature chicks among grass marked foursome tables.

Games were played and gifts presented to Mrs. J. D. McDonald, who recently moved from a farm two miles west of Loraine to a new home in Loraine purchased from N. L. Crownover.

Refreshments were served by the host to Mrs. O. D. Griffin, guest from Colorado City; Mrs. Lily Bennett, Mrs. Jim Johnson, Mrs. Dee Finch, Mrs. R. R. Waggoner, Mrs. Cora Hall, Mrs. W. S. Thomas, Mrs. George Hutchins, Mrs. Josephine Marshall, Mrs. Lester Webb, Mrs. W. F. James, Mrs. W. I. Barron, Mrs. Tom Finley, Mrs. Anna Hantche, rs. Wade Preston, Mrs. Henry Howell and Mrs. McDonald.

Members of the Women's Society of Christian Service continued their study of peace Monday at Loraine Methodist Church.

Mrs. Frank Crownover, accompanied by Mrs. Earl Hallmark, led the group in singing, "We've A Song to Be Sung to the Nations," as the meeting opened.

Devotion, based on 14th chapter of John and other scriptures,

was read by Mrs. Jim Johnson. Mrs. McDonald with two lamps Prayer was by Mrs. J. E. Price, as gifts from the church organization for her new home in Loraine.

Mrs. Crownover and Mrs. James Bennett sang a duet, "Sweet Peace."

Rev. Harold Morris talked to the group on the subject of "Peace With God, Yourself and Your Fellow Man." And Mrs. J. G. Bruce discussed the "bridge" for understanding.

Benediction was by Rev. Morris.

Following the meeting the group went to the home of Mrs. J. D. McDonald. Mrs. Harold Martin, WSCS president, presented

FOR HD CLUB MEETINGS

Mmes. Hutchins, Linam Are Hosts

LORAIN — Home of Mrs. Jack Linam was the scene for an all-day meeting of North Lorraine Home Demonstration Club. Members of the club at noon served hunters who participated in the community's annual rabbit drive.

Eighteen hunters killed more than 300 rabbits in the drive. During the afternoon members of the club quilted. In a brief business meeting Mrs. Henry Taylor reported on the program of Mitchell County Home Demonstration Council.

Others attending the club meeting were Mrs. J. E. Price, Mrs. Otis Hamrick, Mrs. W. A. Taylor, Mrs. Ralph Lankford, Mrs. Harold Hallmark, and a visitor, Mrs. W. C. Jacobs, and the hostess.

Mrs. Stanton Hutchins was hostess to the Baumann Home Demonstration Club at a social meeting in the home of Mrs. George Hutchins.

Principal speaker was J. C. Hall Sr., who discussed the importance of individuals to have wills and then conducted a question and answer period on the subject. He was introduced by Mrs. Garland Cary, program chairman.

The meeting opened with the club prayer. Roll call was answered with each member relating a laundry tip.

Council report was given by Mrs. Price Hall and Mrs. Lester Webb, club president, reported

REV. J. E. EASTHAM, ... revival leader.

Easter Service Opens Revival

An Easter Revival opens Sunday at Eleventh Street Missionary Baptist Church, located at corner of E. 11th and Austin St.

Conducting services in the revival will be the pastor, Rev. J. E. Eastham.

The revival will continue during the ensuing week, ending Sunday, April 8.

Services are scheduled daily at 7:30 p.m. and the public is invited to attend, according to Rev. Eastham.

New Tractors Have Power Steering

Costin Bros., Ford tractor and implement dealer in Colorado City announces that all new Ford tri-cycle tractors now in display in his dealership feature power steering as standard equipment at no additional cost.

"Steering effort is reduced by 80 per cent," Warren Costin said, "and the new Ford linkage type power steering unit makes for easier control of the tractor in rough fields or in precision row crop work, and materially reduces driver fatigue."

Costin said the unit is installed at the factory on all new Ford 700 and 900 series tri-cycle tractors, and is available at Costin Bros. as an accessory for installation on Ford tri-cycle tractors already in use.

"The new Ford power steering unit applies hydraulic 'muscles' to the conventional Ford tri-cycle tractor steering gear, and absorbs bumps and shocks before they can reach the driver," Costin explained.

The conventional steering linkage is replaced with a special link which connects to the hydraulic cylinder, providing the power assist.

The entire power steering unit is mounted on the right side of the engine compartment, with the hydraulic cylinder connected by a special bracket to the tractor side rail. The unit does not interfere with the mounting of implements, and is easily accessible for servicing.

The unit consists of a rotor type pump and reservoir assembly with an integral combined flow control and relief valve, a double acting cylinder and control valve assembly, double crankshaft pulley and connecting hoses and linkage.

'50 Club Entertained In Hutchins Residence

LORAIN — Members of the 1950 Club were entertained Monday night in the home of Mrs. G. A. Hutchins.

Mrs. Hutchins hosted two tables of canasta.

Refreshments of icebox cake, whipped cream, jello and punch were served to Mrs. Vanda Martin, guest of the club, and to the following club members — Mrs. Frank Johnson, Mrs. Lily Bennett, Mrs. Max Caswell, Mrs. Josephine Marshall, Mrs. Pauline Smiley, Mrs. Elnora Baumann, Mrs. Cora Hall and Mrs. J. D. McDonald.

Five hundred years ago, the Italian inventor Leonardo da Vinci drew plans for an aerial screw for vertical flight, the first sketch of a helicopter.

DEPARTMENT STORE

IN MITCHELL COUNTY

58 Firms Added to Compensation Class

Fifty-eight employers in Mitchell County became liable this year under the amended Texas Unemployment Compensation Act.

And D. E. Harlow, office manager for Texas Employment Commission for the Sweetwater, Colorado City area, Thursday advised those employers to establish payroll reporting accounts with the state office of the Texas Employment Commission.

The accounts with the state office in Brown Building, Austin, will help avoid penalties and assessments of back taxes, he explained.

An amendment to the state's unemployment compensation laws as of Jan. 1 extended coverage to all employers with as many as four employees on 20 days in 20 different weeks, Harlow said. Prior to Jan. 1, only firms who hired eight or more were affected.

"The expanded program also covers a small business which has four people working only Saturdays, or one which regularly has two employees during the day and two others at night."

The state program was extended by the 1955 legislature to conform with federal statutes already enacted.

"Otherwise," stated Harlow, "Mitchell County employers of four to eight people would not have the advantage of the Texas system of possibly reduced taxes because of employer experience ratings."

Combined federal and state taxes begin at three per cent of each annual wage up to \$3,000. However, the state's program provides for a possible minimum rate of 1/10th of one per cent, and the 1955 average rate for rated employers was .222 per cent. The net federal tax is

Former Resident Wins Easter Outfit on TV

Mrs. B. G. (Bob) Craig, former Colorado City resident now living in Casper, Wyo., won a complete Easter fashion ensemble recently on a national TV quiz show.

The Easter outfit was a prize for questions sent to the "Big Payoff" in New York. The questions were selected for the show and Mrs. Craig won the same as the contestant to whom the questions were asked.

Her husband, who is the son of Mr. and Mrs. A. C. Craig, sub-

mitted the questions. He is employed by Shell Pipe Line and transferred to Midland.
