Most Local Sales Taxes Up

State Comptroller Bob Bullock on Friday sent checks totaling \$57.6 million in local sales tax to 852 cities that levy the one-percent city tax.

Bullock said this month's allocations showed an increase of \$3.3 million over last year's December allocations, an increase of 6.2 percent.

However, statewide year-end totals for the monthly city allocation decreased to \$850.7 million from the 1986 total payment of \$886.3 million, Bullock added.

"The increase in this month's payments is the result of two factors—statewide economic recovery and a widening of the state's tax base," Bullock said. "Our economy is recovering, but it's going to take some time," he added.

December checks represent taxes collected in October and reported by November 20. October was the first month that the broadened tax base went into effect, according to Bullock.

The tax base was widened as a result of state legislation passed during last summer's special session.

This month's largest allocation, \$9.2 million, was to Houston, an increase of 9.4 percent. Dallas received the second-largest allocation, \$6.9

million, a decrease of three percent. San Antonio's check totaled \$3.7 million, an 8.7 percent increase from last year.

Locally, Bogata received \$1,098.74 for a 15.67 percent decrease over total payments to date for the same period last year. Clarksville received \$14,861.35 for a 0.51 percent increase while Detroit received no payment for this period.

Mt. Pleasant received \$74,732.88 for a 5.71 percent decrease. Talco received \$1,354.80 for a 75.72 percent increase over total payments to date for the year.

Blossom received \$636.82 for a 14.30 percent increase over last year's payments to date.

Deport received no payment for this period, as compared to no payment for the same period last year while Paris received \$156,418.31 for a 0.58 percent increase from last year.

Bullock sent checks totaling \$26.2 million to the state's six metropolitan transit authorities, an increase of 5.6 percent over December 1986 allocations. Dallas' DART payment of \$10.4 million was highest, while Houston's MTA received a payment of \$10.2 million.

Dora Frye Cans, Fishes, Cheers For Her Football Favorites!

By Jelu Binion and Nanalee Nichols

Dora Frye of Talco is 79 years old. That doesn't stop her from leading an active, useful life.

This year she tried something new for the first time...she entered her canned goods in the Titus County Fair. She brought home a whole handful of ribbons.

Canned pears won Best of Class, her pear preserves captured first place, and she earned two second place ribbons for sweet cucumber pickles and hot tomato relish. She is an expert at canning, and her hot, homemade rolls are a legend in the Talco area. She takes rolls to the sick.

Mrs. Frye has lived in Talco for 44 years. She and her husband, Edward, moved from Redwater so that he could work in the Talco oil field. He was manager of Talco Well Service upon his death in 1982.

She has two sons and nine grandchildren, all of which are recipients of her homemade goodies.

One son, Edward Jr., is a school teacher in Guthrie, while the other son, Bob, owns a tool packing business in Palestine.

She remembers vividly incidents from her girlhood. Born next to oldest in a family of 12 children, growing up in Arkansas meant that everyone worked. She recalls singing as she picked cotton, and milking the cows with her sister.

She was born in 1898, and her father was a commercial fisherman during the summer and trapped and hunted in the winter. He also worked as a carpenter.

"My mama was the sweetest person," Dora smiles, "she always said if you couldn't say something nice about a person, they don't say it."

Her eyes get a far away look as she

recalls big breakfasts every morning, with jelly and jam. Helping her Mama is where she learned her canning skills.

She married Edward Frye in 1928, and they were married for 54½ years, until his death.

She counts her canning and cooking skills among her hobbies, but also loves camping and fishing. When Edward was alive, they went fishing at Daisy, Arkansas and Palestine.

An 8½ pound bass mounted on the wall attests to her fishing skills, and she professes that whether it is rod and reel, cane pole or trotline fishing...she just loves to do it.

Smiling, she admits to having all her own teeth, and that she has never drunk nor smoked. She is an avid sports fan and loves football.

Dora has led an active life, and still does her own yard work. She looks forward to entering more canned goods in the fair next year.

At 79, she hasn't slowed down much...and one hardly expects that she ever will.

Probation Revoked On Bogata Youth

On December 14, District Judge Leon Pesek revoked the felony burglary probation of Gary Lynn Herring, age 17, of Bogata and heard Herring's plea of guilty to unauthorized use of a motor vehicle and taking a controlled substance into a County Jail. Pesek sentenced Herring to five years in prison.

Judge Pesek sentenced Emma Dillard, age 50, of Clarksville to five years probation and \$228.00 restitution for Welfare Fraud.

AN ORGANIZATIONAL meeting for the Bogata Kiwanis Club was held Tuesday, Dec. 15. Roy Welch of Paris, left, new club organizational chairman, and Lt. Governor Tom Hymer of Leonard, right,

organized the new club. Twenty-five men joined and H. Drue Pirtle was elected president. Other officers are to be elected at a later date. The newly formed club's first meeting will be Wednesday mor-

ning, January 6 at 7 a.m. at Bogle's Cafe. Anyone interested in joining is urged to attend this meeting. (Staff Photo by Mollie Williams)

Merry Christmas

NICHOLS' WORTH
By: Nanalee Nichols

How about a real Christmas story? Not one that someone made up to fit the season, but one that really happened.

In a time when the news seems bad, sad or makes you mad, this story is a pleasant change of pace.

It came to me through a friend in Paris, and happened to the mother of one of her friends. (Yes, I know that's a little complicated.)

The central figure in this story is an elderly lady, frail looking and a resident of New York. She flew down last week from New York to visit with her daughter in Paris for the holidays.

Through a mix-up in reservations...which was neither the fault of the carrier nor the woman, when she arrived at Dallas-Ft. Worth Airport, she had no ground transportation to Paris. An attempt to call her daughter met with no answer, and the elderly lady dissolved into tears. Anyone who has ever dealt with the hustle, bustle and sometimes bewildering pace of a huge airport knows that feeling!

On the way from New York, she sat beside a middle aged man, and during the flight had chatted with him, as people on planes tend to do.

He happened to pass by as she stood crying by the telephone, and inquired what the matter was. She told him...he said "I'll get you a taxi."

"You don't understand," she sobbed. "It's over 100 miles from here to where my daughter lives." He assured her that he would take care of her, set her down and told her to wait.

Shortly the gentleman returned, placed the woman in a taxi cab, handed him over \$100 in cash and stressed to the taxi driver that the lady was to receive the best of care...then disappeared!

When the daughter looked out in Paris, there was mom, being helped from a Dallas taxi, fare paid!

It's easy to say that the man must have had plenty of money to do this...but how many people, even with money, would have spent that much to take care of an elderly woman they had never seen before? Perhaps he really didn't have that much to spare, but simply felt the need to help.

Whatever the financial status of the kindly samaritan, the deed was one of kindness, and while it did not involve saving a life, feeding the hungry, or bringing gifts to those who did not expect it, it was nonetheless a marvelous thing to do.

Christmas spirit...in spite of the "bah, humbugs", it's alive and well, and pops up in the unlikelyst of places. Merry Christmas to all!!

To help you use your refrigerator to its best advantage, TNP has developed this list of operation tips. Follow these suggestions to get the most from your energy dollar.

1. Make sure your refrigerator is installed away from heat sources such as a range, dishwasher, direct sunlight or a heat vent.
2. Open and close doors quickly. If possible, remove or return several items at once.
3. Keep condenser coils clean by regular vacuuming. Dust can reduce cooling efficiency.
4. Replace worn door gaskets. A tight seal will prevent the cool from leaking out.
5. Do not overcrowd or block air circulation in the appliance. However, keep it full for best operating efficiency.

Bring back the "Good old days"
...with GTE CLASSIC SERVICE.

GTE TURNS BACK THE CLOCK WITH CLASSIC SERVICE.
Remember "the good old days?" Whatever problems you had with your phone service, you'd just call GTE and we'd take care of it. No second thoughts. No repair bill. Your regular phone bill covered everything.
Now, under recent FCC rulings, you're responsible for the cost of repairs to the wiring and jacks inside your home or business. This makes things a little more complicated.

CLASSIC SERVICE HELPS KEEP THINGS MORE LIKE THEY USED TO BE.
We can't bring back "the good old days" entirely but, with new CLASSIC SERVICE, we can make things more like the way they were.
With CLASSIC SERVICE, you pay only \$1.25 per month to have GTE repair your telephone wiring and jacks during normal working hours, at no additional charge.
Just \$1.25, per telephone number, on your monthly phone bill (about 4¢ a day) covers you, no matter how many jacks you have. And if you sign up before JANUARY 1, 1988, you can avoid the one-time sign-up charge.
Here's how you'll save with CLASSIC SERVICE ...

NO SERVICE CALL CHARGES
Without CLASSIC SERVICE, if you have a problem with your phone service, and a GTE service call is needed to locate the trouble, you will be charged for the visit if the problem turns out to be in your wiring, jacks, or telephone instrument.
With CLASSIC SERVICE, there is no service call charge during normal working hours.

GTE CLASSIC SERVICE

NO REPAIR COSTS
With CLASSIC SERVICE there is no additional charge for repair or replacement of inside wiring and jacks*. If you elect not to subscribe to CLASSIC SERVICE and need inside wiring or jack repairs, you have three options:
• As a full-service telephone company, GTE will be happy to make the repairs. But under the new FCC ruling, if you have not subscribed to CLASSIC SERVICE, you will be charged.
• Or, you contract with a third party for repairs, but rates and qualifications vary widely.
• Or, you can make the repairs yourself, but you'll have to supply your own materials.
With CLASSIC SERVICE, there is no service call charge. No repair charge. No worry. That's why we call it "CLASSIC."

HERE'S WHAT CLASSIC SERVICE COVERS ...
• Service call charges
• Identification of the problem.
• Repair or replacement of inside wiring and jacks.
Like anything else, your telephone wiring can deteriorate with age and exposure to air and humidity. CLASSIC SERVICE covers this damage, as well as damage caused by natural disasters such as floods or lightning.
*Coverage does not include ...
• Willful damage
• Damage due to negligence
• Telephone instrument repair

AND NOW, NO SIGN-UP CHARGE UNTIL JANUARY 1, 1988.
Whatever problems you may encounter with your phone service, we urge you to call GTE first, even if you don't have CLASSIC SERVICE, because in many cases we can correct the problem from "our end." But if the problem does turn out to be inside your premises, won't it be nice to have CLASSIC SERVICE protection?
Sign up for CLASSIC SERVICE before JANUARY 1, 1988 and avoid a sign-up charge.

Rebelettes Take Two Wins

By Stan Anderson

The Rebelettes opened district play last week as they walked away with a pair of victories over Wolfe City and Como-Pickton to give the Reb team a 2-0 conference record going into the

holidays.

Last Tuesday, the Rebelettes entered the wolfe den in Wolfe City, facing last season's district champion Lady Wolves. Last year's version of

the Wolves swept both games from the Rebelettes in conference play. But a determined Reb team turned the tables on the pack this season.

Both teams started sluggishly as they battled to a 10-7 Rebelette advantage. Six of the Reb points coming from the free throw line as Rivercrest made only 6 of 13 FT attempts.

The second quarter was almost identical to the first, with Reb coach Randy Copeland utilizing his entire bench to outdistance the Wolves 22-15 at the half.

The defensive struggle continued into the third quarter as both teams chipped in 17 points each to make the score 34-27 going into the final period.

Wolfe City made a charge at the Rebelettes lead during the fourth quarter as both teams picked up the tempo. A sloppy effort by Wolfe City netted the Rebelettes 17 trips to the free throw line of which they converted 14. But the fourth quarter was not without it's scary moments as Wolfe City pulled within one point only to have Rivercrest forge ahead 52-49 in the waning moments. A last second shot by Wolfe City went in making the score 52-51 as the Rebelettes hung on to win.

Rosie Norman led the Rebelette scoring with 17 points, Amy Gladden had 11 and Kim Clark followed with 10 points. Tonya Hawkins finished with eight points. Kristie Stansell and Cindy Thompson finished with four and two respectively.

Friday night the Rebelettes hosted a weak Como-Pickton Eagle team. Surprisingly the Eagle fens hung tough with the Rebelettes in the first and second quarters, only trailing the Rivercrest team 27-16 at the half.

In the third quarter an inspired Rebelette team out-shot, out-rebounded and out-hustled the Eagles enroute to a 22-6 run by Rivercrest that had seven Reb players getting in to the scoring and rebounding action as the Rebelettes pounded out a 47-22 lead going into the final quarter.

The fourth quarter looked like a Rivercrest practice as the team ran a various mixture of plays, seemingly scoring at will as the Rebelettes fine-tuned their offense in what could be the toughest girls district in Class 2A roundball in the state.

The Rebelettes rode a balanced scoring attack in taking a 63-42 win as the entire Reb bench contributed to the scoring effort. Rosie Norman

Church Class Has Christmas Luncheon

The T.E.L. Class of the Calvary Baptist Church met Dec. 17 at noon in the home of Elsie Weatherall for a salad luncheon.

After placing the gifts under the tree, which was decorated with hand-

made ornaments, the group enjoyed a lunch served in the dining room where the Christmas motif was carried out. At each place setting were handmade place mats and napkin

rings and a gift of a poinsettia pin to wear. After the gifts were exchanged, a Merry Christmas was wished by all.
