Absentee Voting Begins Oct. 17

Absentee voting for the Tuesday, November 6 General Election began Wednesday, Oct. 17 and will continue through Friday, Nov. 2, according to Helen Gollihugh, county-district clerk. At the same time she announced a school to be held for election workers.

Absentee voting will be in the office of the county-district clerk, between the hours of 9 a.m. and 5 p.m., with the office open through the noon hour.

Mrs. Gollihugh outlined the procedure for voting absentee in person at her office and by mail.

Anyone wanting to make an application for an absentee ballot to be cast by mail can call the clerk's office, 447-2408, and request the application be sent. The application card will be mailed, and must be filled out and mailed back to the clerk's office.

On Oct. 17, Mrs. Gollihugh will mail absentee ballots to all those whose applications have been received up to that time. On applications arriving later, the absentee ballots will be mailed immediately.

Applications for absentee ballots must be in the clerk's office by Nov. 2.

Ballot must be mailed back to reach the clerk's office by Election Day, Nov. 6.

Mrs. Gollihugh said that to be sure all ballots by mail that arrive on Nov. 6 are delivered, she will check the clerk's post office box on that afternoon.

Voting by personal appearance is much simpler, as the individual comes to the clerk's office, makes application for a ballot, votes the ballot and turns it over to Mrs. Gollihugh all in a few minutes.

The election school will be held Tuesday, Oct. 23, at 7 p.m. in the county-district court room.

A representative from the office of the secretary of State's office will conduct the school and answer any questions that election officials may have.

The school is for all election judges and alternate judges or clerks and all others who are interested.

The write-in procedure, which will be used in two races in the general election, will be discussed in detail.

Samnorwood Festival to be Saturday

The annual Samnorwood School Fall Festival will be held Saturday, October 20, with the climax coming when the 1984 Festival Queen is crowned shortly after 8:00 p.m. The overall theme is "A Look at the Last 50 Years."

The festival will open with a turkey dinner and all the trimmings. Serving hours will be 5:30 to 7:30 p.m. About the same time, fun and all the Halloween fun booths will be in full swing scattered around the high school building. An original patriotic musical program will start between 7:30 and 8 p.m., to be followed by drawings for class gifts and door prize, and finally, just after 8, the coronation ceremony in which three Queens will be named, one each from High school, junior high and elementary.

The PTO is sponsor and this is its major fund raising event of the year.

The turkey dinner will include all the traditional trimmings and will be served in the school cafeteria.

Tickets are on sale by PTO members and will be available at the door. The cost for adults is $4 and for students, 6th grade and under $1.50.

Halloween fun rooms and booth will offer a spook house, softball throw, basketball pitch, cake walk, and a variety of other games and scary events. Somewhere outside the building there will be an honest-to-goodness dunking board.

The musical was written and directed by LaDonna Oldham, Janice Thompson, Mary Waters, Gail Coleman and Sandra Hogan. It is also titled "A Look at the Last 50 Years," spotlighting major happenings in the United States in the last 50 years.

"It is to make the children appreciate the freedom they have in America," said Mrs. Hogan.

The Festival Queens will be chosen from among the princesses nominated by the various classes. Others from her class will be the escorts.

They are:

Kindergarten: Princess Christy Henard, Prince Dane Martindale; Duchess Mandy Gross, Duke Jackie Bell.

1st and 2nd grades: Princess Nandy Henard, Prince Lance Lindley; Duchess Christi Oren, Duke Jason Lindley.

3rd and 4th: Princess Melanie Martindale, Prince Tory Thompson; Duchess Sharlie Rainey, Duke David Breeding.

5th and 6th: Princess Leslie Lindley and Prince Alex Brown; Duchess Denise Rainey, Duke Don Sanderson.

7th grade: Princess Paula Raines, Prince Bobby Stice; Duchess Linda Del Bosque; Prince John Bentley.

9th grade: Princess Annie Vargas, Prince Craig Brown.

10th grade: Princess Leslie Brandvik, Prince Shaun Coleman.

11th grade: Princess Sandy Henard, Prince Steve Bently.

12th grade: Princess April Costillo; Prince Tony Kidd.

A refreshment booth will be open in the gymnasium foyer from 7:30 until 8 p.m. and again after the coronation.

School for Election Officials October 23

An election school will be held Tuesday, Oct. 23, for all election judges, alternate judges, and anyone else who is interested, Helen Gollihugh, county-district clerk, has announced.

The new location is in the Wellington High School auditorium, starting at 7 p.m.

As election judges and alternates have already been notified of the school, but with a different location, Mrs. Gollihugh urges them to note that a change was necessary and to come to the high school.

This was because vidio equipment, which will be used, is available at the high school.

A representative of the office of the Secretary of State will conduct the school and answer any questions that election officials may have.

The write-in procedure, which will be used in the general election in two county races, will be discussed in detail.

Hospital Board Okays New Computer Purchase

Collingsworth General Hospital Board, after months of discussion, approved a new $75,000 computer system at regular board meeting Tuesday, Oct. 16.

The new hardware and software system, purchased from CPS Business Systems of Wichita Falls, will have 4 terminals which can be used simultaneouslv.

The hospital will use the computer for payroll, general ledger and accounts payable and receivable functions.

In addition to those functions, the system will give the hospital the ability to file claims electronically for Medicare, Medicaid, and Blue Cross, thus eliminating the need to file a paper claim.

It will also generate the paper forms for all other insurance claims that are now being prepared by hand, and it will keep some medical records reports that are now being compiled by hand.

Hospital administrator Perry Foster said that Medicare would pay for between 60% and 70% of the cost of the new system, whereas Medicare would not pay the cost of additional personnel who might be used to do the same jobs.

In other business, the hospital board renewed the contract to furnish a chemotherapy clinic for local treatment of cancer victims. And the board approved a new clerical position during evenings to help with emergency room collections.

William Meyers, president of St. Anthony's Hospital in Amarillo, and St. Anthony's staff member Gary Moore also met with the board and said that they were eager to continue St. Anthony's advisory capacity with Collingsworth General. Meyers asked the board how St. Anthony's might help most, and board members said their top priority was recruiting a new physician for Wellington when Dr. Carter Holcomb retires next year.

Present were board members Loretta Wright, Bill Patrick, Corku Bowen, Emory Ewing, Dr. J.M. Orr, Yates Parker and Robert Owens.

Rockets to Meet the Bucks

Wellington Skyrockets will be traveling Friday night, Oct. 19, to meet White Deer on the Bucks field. It will be the Rockets second week of district play with game time at 7:30 p.m.

"I look for a real tight football game. It's going to be close," declares Head Coach James Williams.

"Our young team last week cut down on a lot of mistakes we have been having in non-district, but we still have to improve some this week if we are going to win the ball game Friday night."

In last week's games--the first week of district competition--Memphis defeated Clarendon 9-6, White Deer won over Shamrock 6-0, and Wellington defeated Quanah 20-13.

"In the pre-season polls, Clarendon was picked to win district and Quanah picked to come in second. So as things progressed through the weeks, some of the teams performed as pre-season polls predicted and some did not. "In my opinion, this week's team is one of the dark horse teams in the district." Their record is 4-2. The only losses they have had are to Panhandle, 33-0, and to Sunray, 21-7.

They defeated Spearman in the first game 7-6, and Spearman this week defeated Stratford 61-14. They beat Claude by about 30 points, then defeated Stinnett 14-13.

"White Deer linemen are similar to the linemen we faced at Hale Center," says Williams. They have pretty good size. Some of their linemen are Andrew Rapstine, 210 and a senior; Will Wessner, who is 220 and a senior. Other outstanding linemen they have are Max Hinds, nose guard on defense, 160 and a junior.

Their backs include a senior, Will Brown, who is probably one of the best quarterbacks in this part of the state. He is a senior.

The Bucks best running back is Ron McIntosh, 155 and a junior.

They will always use a multiple type offense, where they spread their people all over the field for deceptive, Williams points out. "They don't line up for power plays and run over you. They try to move around and utilize the material they have," the coach continued.

"They have been real successful with this in the last three years, and the last time we met them was in the bi-district game two years ago at Canadian, in which we defeated them 21-7. That is one real incentive for them to play well Friday night. Plus it's the second round of the district race and they feel they have a chance to win the district.

"At the same time, we feel we have a chance to get in there, although we have to overcome some injuries, especially the injury to our center, Kendall Harris, who broke his arm Friday night."

He was the starting center and also starting defensive tackle, making him one of the key men.

"Other than Harris, Kacy Davis has a bruised shoulder that he received in practice Monday.

"As far as eligibility, we are at the same strength as last week. We have all the kids we had last week," said Williams.

Fr. Sauerbier Priest of Our Mother of Mercy

Father Paul Sauerbier, C.M., a Vincentian priest, has been appointed pastor of Our Mother of Mercy Catholic Church and its missions, St. Patrick's at Shamrock and St. Mary's at Wheeler. He began his work October 1 and is living in Shamrock.

Besides his work as pastor of the three churches, Father Sauerbier will develop and serve as the director of the "DePaul Parish Project," a team plan and method for moving into an area and preparing parishes and missions to be selfnurturing in spite of a limited priestly presence.

Father Sauerbier was in Amarillo September 23 to participate in the

Lions Sponsor Annual Broom and Mop Sale

Wellington Lions Club will hold its annual mop and broom sale Friday, Oct. 19, from 8 a.m. to 4 p.m. on the southside of the court house square.

Lions members will do the selling.

Tommy Thomas, club president, urges the people of the Wellington area to come by and support the project.

On sale will be cleaning items for the home as well as for commercial and industrial customers.

They will range from a wide variety of mops and cleaners, to garage and floor brushes, dish cloths, pet dishes, ironing board covers, and commercial and industrial cleaning equipment.

Band Boosters Meet With School Board

Representatives from the Band Booster Club met with Wellington school board at regular meeting Monday, Oct. 15 to ask what could be done to encourage larger participation in band activities.

Tom Wilkins said that Band Booster members were interested in the band, and were willing to help in any way they could to improve the band.

Band Boosters and other members of the community have expressed concern over the size of the high school band which is marching only 19 students in football game halftime shows this fall.

Charles Britten said that he thought the band needed more support from the school board, but school board members said they had approved all budgetary requests from the band director this year and had tripled the band's budget from last year.

The board also discussed scheduling conflict which have prevented some freshmen from taking band this fall. High school principal Eddie Hankins said that he and counselor Louis Graham had worked with as many as different scheduling schemes, and that the final schedule presented the least amount of conflicts.

Both board members and booster club members said that they did not have any specific recommendations at this time that would improve the band and that they were open to suggestions.

In other business the board appointed a new textbook adoption committee and heard a report on the Texas Association of School Boards convention. Board member Carroll Nunnelley said that Wellington ISD seemed to be handling the school reform transition period better than many of the districts he heard about at the convention.

Elementary principal Melvin Cardwell reported that between 30 and 35 students were attending elementary tutorial sessions each week.

Present at the meeting were board members Frances Schmidt, Reed Souder, John Barton, Kirby Campbell, Carroll Nunnelley, Dan Langford and Bill Spillman.

Campbell Recovering From Hip Injury

Childress County rancher Tommy Campbell is recovering from a chipped hip bone injury which occurred Friday evening when a horse that he was riding while rounding up cattle fell on him.

Campbell was taken to Collingsworth General Hospital and transferred to Amarillo.

His wife, Donna, said he would be in traction for one week and then be on crutches, but she said doctors said they would not have to perform surgery on the hip.

A good bicycle is expensive today--worth $250, $300, or more. Once stolen, a bike is hard to recover: all a thief has to do is repaint it, or change the handlebars.

* * *

One way to protect your bike is to register it with the police. They will record the serial number and, in many cases, imprint or engrave a registration number right on the frame. This helps identify it in case of theft.

* * *

It's smart to lock your bike in a highly visible area. Make sure the post you lock it to is securely in the ground and has a protrusion on top or is high enough so that the lock cannot be slid off the top. Lock the frame and at least one wheel to the post.

* * *

Some locks come with renewable warranties that will pay if the bike is stolen because of lock failure. Be sure you meet registration requirements to validate the warranty.

In some cases, your homeowner's policy will cover your bike, too. Update your insurance with us at 1st Wellington Agency.

Skyrocket JV to Meet White Deer Thursday Night

Skyrocket Junior Varsity will host White Deer JV Thursday, Oct. 18, at 4:30 p.m.

White Deer beat Wellington JV 28-0 in the first of the two meetings between the teams this year.

"They've got a real good team and we've got to be able to move the football and to stop them. We're playing better defensively than when we played them before, and we've got a chance to play them tough now. We've showed from the other games that we'll do our best and give them a good shot," said Coach Tom Johnson.

JV Downs Indians 12-7

Wellington Junior Varsity took a 12-7 victory over Quanah on the Indians Field Friday, Oct. 12.

Again it was Alex Johnson who accounted for Rocket scoring.

He took the ball across for the first TD early in the second quarter on a four-yard run. This was set up by a consistent downfield drive with Johnson and Chuck Brown making substantial runs.

Late in the second quarter, Quanah scored on a 40 yard pass, then made the extra point and the Indians took the lead 7-6.

The third quarter was scoreless, just as the first quarter had been.

Then about the middle of the 4th period, Johnson scored again, this time on a 25 yard run around end. The extra point try missed and the score was 12-7.

Quanah got the ball and the Rockets had to hold them and in spite of good Wellington defense, the Indians got to the Rocket 25 yard line.

The Indians attempted three passes during this time, and Wellington sacked the Indian quarterback three times.

"The defense just held them out there," said Coach Tom Johnson.

"We moved the ball down to their end of the field quite a bit," Johnson continued. "We were inside Quanah's 20 once in the first quarter and fumbled. Fumbles and penalties hurt us a lot. In the third quarter we had the ball three times and gave it back to them three times. It hurt us quite a bit.

"Quanah had a lot bigger team than us, but we played our defense real well. Everybody played well."

Pep Rallies Now Set for 9 a.m. Fri.

Pep rallies for Wellington High School football games will be held between 9:00 and 9:30 a.m. Fridays for the remainder of the season.

School officials have been experimenting with various schedules for pep rallies this fall since time may not be taken from regular classroom work under new state regulations.

On Fridays, the first period will begin at 8:10 a.m. rather than the usual starting time of 8:27. The first period will end at 9:05 and students will be dismissed to the pep rally. After the pep rally they will go back to their second period class.

The new schedule will not have an effect on bus students, school officials said, because buses must arrive at school at 8 a.m. in order to have students at school for the breakfast program.

Billy Graham Film Oct. 21

"The Living Word," a new film produced by World Wide Pictures, will be presented by the Church of the Nazarene, Wellington, on Sunday, Oct. 21 at 6 p.m. The showing is free and open to the public.

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art, music, and some of the most stunning color footage ever filmed in the Holy Land. The film touches the heart and mind of the viewer with its relevance to twentieth-century mankind.

Rich in visual beauty, and enhanced by a powerful, original, musical score, "The Living Word" brings the pages of the Bible to life in a fresh new way.

The Reverend Don Bland, pastor of the Church of the Nazarene, is extending an invitation to all to attend.

8th Loses to Quanah 42-4

Eighth Grade Firecrackers traveled to Quanah, then took a 42-14 loss Thursday evening, Oct. 11.

"Quanah 8th grade showed a lot of strength. They have a good offense and moved the ball well against us," said Coach Gano Wilson. "We couldn't stop them."

The halftime score was 28-0. The team had played poorly during the first half, their coach indicated.

Wellington scored twice in the second half, with Carter Nash making long runs of 30 and 35 yards. One extra point run by Shane Black was good for the two points, but the other try missed.

"We played well the second half and matched Quanah touchdown to touchdown," said Wilson.

The Firecrackers will meet White Deer 8th grade here Thursday, Oct. 18. It is the second time this year the teams have played, with White Deer winning the first 6-0.

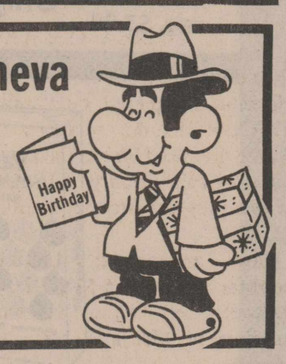

The first woman governor in the U.S. was Nellie Taylor Ross, elected governor of Wyoming in 1925.

Phil Gramm stands with us on issues important to Texas!

The differences in the U.S. Senate race are sharp. Phil Gramm will stand, fight and win for the views held by Texans. His opponent is out of step with Texans. If you don't think there are any differences, perhaps you should take another look.

Washington Exes Fund Student Aid Program

A Wellington group of Ex-Students of former Booker T. Washington School raised enough money this summer in a variety of activities to give financial help to 7 students who are attending college or technical schools.

The group operated for the first time and is the local organization of the National Booker T. Washington Ex-Students Association, explained Beulah Powell, coordinator.

The funds for this financial aid program were raised from the concession stand the group operated at the softball games during the summer season; from the rummage sales held in recent months, and from membership dues paid by the 21 members of the local group of Booker T. Washington Ex-Students. The funds were divided with the national ex-students Association.

R.L. Hunnicutt is president of the organizations, and Bobbie Shrubs is local president, Dorothy Massey, secretary.

Ruth Bishop and Ella Mae Jones were in charge of the rummage sale; Mrs. Shrubs and Louise Powell in charge of the concession stands.

A cash donation was made by Charles Michael, Wellington insurance broker and former junior college president in Nebraska.

Students now receiving funds Robert Powell, Cameron State University, Lawton, Okla.; Vernita Shrubs and Rodney Bishop, both students in Texas State Technical Institute, Amarillo; Tonya Archie, Prairie View State University, Prairie View; Wanda Thomas, Texas Southern University, Houston; and Dwayne Culpepper, Phoenix Junior College, Phoenix, Arizona

The Nose Knows.

An aromatic chemical is added to natural gas to give it a distinct odor. One that's easy to detect.

It's this distinct odor and knowing what to do when you detect it that keeps gas safe.

If you're outdoors and smell gas, you should call your local Lone Star Gas office.

If you're indoors and detect faint whiffs, check to see if a pilot light has gone out or a burner valve has been left partially open. These are corrective steps you can take yourself.

If your equipment is working properly and you still smell gas, please follow these precautions:

1. **Don't switch anything electrical on or off. Don't strike a match or do anything that could cause a spark.**
2. **Have everyone leave immediately, leaving door open to help ventilate.**
3. **Go to a nearby phone and call Lone Star.**

Help us keep natural gas one of the safest energies available. Use your nose. Then use your head...and follow the proper precautions.

(Just a reminder: Before you do any digging, call your local Lone Star Gas office so they can inform you on pipe locations.)

Vey Hightower, Former Dodson Woman Honored on 80th Birthday

A former Dodson woman, Mrs. Vey Hightower, was honored with a surprise party Sunday, Sept. 20 on her 80th birthday.

The party was given in the Bronze Room of First National Bank in Memphis, where Mrs. Hightower now makes her home.

Her children were hosts and more than 80 family members and long-time friends called between 2 and 4 p.m.

Of necessity, Mrs. Hightower became a business woman, in a field which few if any women in this part of the southwest have entered--cotton gin management.

This was thrust upon her with the death of her first husband, Marvin Wynn, who operated Davis Gin in Dodson many years. His wife had worked in the gin office and now she took on the work of managing the gin, which she continued to do with efficienty and by sound business principles for a number of years until she, too, retired.

She was then married to another Dodson resident, Hank Hightower. Both were longtime area residents.

After his death, Vey Hightower moved to Memphis to live near a daughter, Margaret (Wynn) Gilbert.

Mrs. Hightower has three children, Mrs. Gilbert, Mayrene Darnell of Roswell and Kenneth Wynn of Logan.

The reception table was covered with a satin cloth which had a blue lacy overlay. Crystal candelabras holding peach colored tapers centered the table. The birthday cake was presented by a granddaughter, Debbie Wood and decorated in peach and blue.

Among Mrs. Hightower's gifts was an album with quilted cover, filled with pictures of the honoree from the time she was three years old until the present. This also was made by Mrs. Wood.

In addition to her children, Mrs. Hightower has 16 grandchildren, 18 great-grandchildren and one great great grandchild.

Grandchildren present were Paulette Evans and husband and Richard Darnell and wife all of Hobbs, N.M.; Becky Johnson and family of Goodnight; Debbie Wood and family of Hobbs, and Mileney Martin and husband of White Deer. Collingsworth County Deputy Sheriff Billy Gilbert is a grandson.

COLLINGSWORTH COUNTY AGENT REPORT

by Nancy Janes

STEAM BLANCHING VS. MICROWAVE BLANCHING

In recent USDA tests, microwave blanched vegetables lost flavor, nutritional content, color and texture when compared to water or steam blanched vegetables. For the comparison studies, vegetables were washed, either steamed or microwaved blanched, cooled in water, packaged in plastic pouches and frozen. Then both objective and subjective quality tests were made. In both tests, the microwave products were less acceptable. In addition, no significant time was gained by using microwave blanching, since both water and steam blanching take only about two minutes.

Most vegetables must be heated to about 190 degrees F. before freezing in order to destroy enzymes that change sugars to starches. Timing this blanching process is very important. Overcooking causes the vegetable to become mushy and undercooking does not adequately destroy the enzymes. If the enzymes are not destroyed they will continue to be active during the freezing time, and make the vegetable less sweet and more starchy, which creates an over-mature taste.

For more information concerning food preservation feel free to stop by the 2nd floor of the Courthouse or call 447-2313.

Mr., Mrs. Steve Owens Honored on 50th Wedding Anniversary

In celebration of 50 years of marriage, Mr. and Mrs. Steve Owens were honored on Sunday, October 7, in the home of Mr. and Mrs. Robert Owens.

The couple's three sons and daughters-in-law were hosts for the celebration. They were Mr. and Mrs. Robert Owens, Mr. and Mrs. Ralph Owens, all of Wellington, and Mr. and Mrs. Richard Owens of Memphis.

A family dinner was served to 28 family members, followed at two o'clock by a reception when friends joined members of the Owens family.

The reception table was covered with a sheer white linen cloth with an elaborate embroidered design. The centerpiece was an arrangement of yellow and bronze chrysanthemums and crystal appointments were used. Mrs. Richard Owens served the decorated anniversary cake, made in two tiers. Mrs. Ralph Owens poured.

Steve Owens was born in Waco in 1904 and came to the Lonnie Community in Childress County with his family in 1907.

Martha Dickson Owens was born at Paris, Texas and moved with her family to Collingsworth County in 1928.

They were married October 6, 1934 in the Nazarene parsonage at Wellington. They lived at Dodson, where they owned and operated a retail store.

Not more than one or two merchants can look back with pride on such a long and distinguished career in the retail business.

He opened his first retail store at Lonnie in 1923--when he was 19 years old. It was located on the old Childress and Wellington highway--then unpaved.

He then moved to Dodson and in 1934 opened a gasoline business in Wellington, soon expanding this to include a retail business. The couple moved to Wellington in 1937. Here they operated the Wellington Creamery from 1940 to 1966 along with the gasoline business and a general store, which continued to grow.

MR. AND MRS. STEVE OWENS

They are presently at the same location, operating Owens Enterprises, Inc. They have been in the retail business continally for 61 years.

Mr. Owens was one of the original group that started the Affiliated Food stores. He has served on the Wellington City Council--one son, Ralph Owens, has held the same position and is now Mayor of Wellington.

He has been an active participant in a number of other community enterprises.

Mrs. Owens is a past president of Business-Professional Women's Club and of the Parent-Teacher Association of the Wellington Schools. Both have lived their adult lives in Collingsworth and Childress Counties.

They are long-time members of First Baptist Church, Wellington.

Besides their three sons, Robert and Ralph of Wellington and Richard of Memphis, they have 6 grandchildren, Renee Hays, Bob Owens, Steve Owens, Dudley Owens, Jill Owens, and Jack Richard Owens, and one great grandson, Eddie Barrett Hays.

Ron Long Discusses Family, Home for La Paisana Chapter DAR

The LaPaisan Chapter, National Society of the Daughters of the American Revolution, met October 1 at the Heritage Room. The Regent, Mrs. Walter Pendleton, presided.

The National Defense Chairman, Mrs. Rufus Dodgen, gave a five minute talk on the resolutions and other defense articles from the National Defender. Mrs. John McDowell's report was on division meeting at Lubbock, College Station and Victoria which she and Mrs. Pendleton, state nominating committee members, attended.

The speaker was Ron Long, Music and Youth Director, as well as Associate Pastor, of the First Baptist Church. His topic was "Grow-in Family", presenting the purpose of the family from the spiritual angle: 1---man and God communicate--from the beginning all was good; second--woman was created to walk by the side of man--because man alone was not good. This was the establishment of the home, Long said.

Home transmits moral and spiritual values--and most of all, love, Rev. Long continued.

The home is being threatened, religious education is left to the church and discipline to the schools. If the family fails, society fails, church fails, government fails. This is what happens when society withdraws from the right line of authority and communication with one another, the speaker believes.

The hostesses, Mrs. J.D. Coleman and Mrs. Boyd Derryberry, served refreshments to Mrs. Dan Henard, Sr., Mrs. H.H. Bowen, Mrs. John McDowell, Mrs. Bura Handley, Mrs. Walter Pendleton, Mrs. Louise Templeton, Mrs. Henry Holcomb, Miss Hattie D. Well, Miss Zacharita Lowrie and Miss Maudie Coffee.

Other Editors Say . . .

LeAnn Popwell brought us a copy of Andrews County News publisher James Roberts' column on Ross Perot and school reforms:

We feel sorry for H. Ross Perot.

We noticed yesterday where in the list of the richest Americans in the country he ranked only fourth.

For a front-runner like Perot, it must be downright humiliating to wind up in fourth place.

Gordon Peter Getty, the son of the late billionaire J. Paul Getty, led the list with something like $4.1 billion. The founder of Wal-Mart stores, Sam Moore Walton, was in second place with $2.3 billion, and David Packard, co-founder of Hewlett-Packard, was in third place with $1.8 billion.

And Texas' own Perot, of Dallas, was shown with a paltry $1.4 billion.

Of course, that $1.4 billion explains one peculiar facet of the recently-passed education bill in Texas.

All the new rules pertaining to students enrolled in public education in Texas will not apply to Perot's daughter — she attends private school. It's probably just as well, too. Perot's daughter missed 23 days of school last year showing horses.

Under the new rules for public schools, insisted upon by Perot and his reform group, and aided in passing the legislature by the 20 professional lobbyists hired by Perot, a student like his daughter would flunk — no matter how good her grades.

Kinda reminds us of our people in Washington who insist that we "do as they say, not as they do."

Goldsborough Autograph Party Slated Thursday

J. Carter Goldsborough, the 80-year-old author of "Only 40 Miles of Pavement" will be in Wellington for an autographing session Thursday, Oct. 18, in Bura Handley Community Center. The hours will be from 2 to 4 p.m.

Mr. Goldsborough will have his books for sale. The public is invited to come by and meet him.

He is traveling alone through the same territory he traveled during his years as a salesman in the Panhandle when there was only 40 miles of pavement on his entire tour .

It was Wellington residents, Mr. and Mrs. Macy Sanders, who were able to pinpoint the location of the 1928 tornado when the author was not certain if it occurred in Wellington or Wheeler. Other Wellington residents and former residents contributed memories of this tornado which are included in the book. In fact, a large section is given over to the story of Wellington and the tornado.

"Only 40 Miles of Pavement" is written with Margaret G. Bigger, a professional writer of Charlotte, N.C., where Goldsboro lives. She is also a correspondent for the Charlotte Observer and the Charlotte News.

Mr. Goldsborough will leave Wellington imemdiately after the autograph party in order to reach his next stop, Elk City, Okla, before dark.

Some of the present and former Wellington residents who helped him with the Wellington tornado information include:

Mary Frances Templeton Walker, presently from Midland, had been taking final exams at East Ward Elementary School and recalled how calm the teachers were. The cyclone hit on the birthday of her mother, Cleo Small Templeton, and on the first wedding anniversary of her cousins, Marian and Deskin Wells. Mr. Wells was the former editor of the Wellington Leader.

City Secretary Nell McKinney, who had been Goldsborough's first contact in Wellington, did not know of the even until the newspaper article. Then several people called her at her office to describe their memories of the storm which crazily rearranged the town..

All of these are residents as well as Editor Henry Wells are listed in the Acknowledgements of "Only 40 Miles of Pavement."

"It surely would have been embarrassing to have told that tale about the wrong town," said the white-haired bespectacled author. "After my trip to Wheeler, I was almost convinced it happened there."

In the book, he writes about a house "smack in the middle of the highway" five or more miles outside of town. Two hundred yards farther was a gas station. Its roof was lying askew in a field.

Several Wellington natives suggested names of gas stations, but, because Goldsborough was uncertain from which direction he was coming, he could not determine the name of the station nor the proprietress who let him change his wet and muddy clothes in the roofless building.

Once into town on that stormy day, he checked into the Wellington Hotel and was soon asking the clerk for directions to a dry cleaner.

"The most amazing answer to my question came from Mrs. Harkleroad. Her husband, O.W., remembered me " said Goldsborough, shaking his head.

O.W. Harkleroad had been staying at the Wellington Hotel while he helped clean up debris from the high school which had burned earlier. When he and another man returned to the hotel after surveying the damage, he noticed an unfamiliar car. Inside was a young man inquiring about where to get his muddy clothes cleaned.

"The dry cleaner was probably The Toggery. I wrote in the name of that place in my second draft, but when Ed Eakin wanted me to cut 40 more pages, that and a few other details went to save the rest of the tale," Goldsborough explained.

"If the people of Wellington want to know what else I said about their town and their grandparents, they will have to read "Only 40 Miles of Pavement,"" the writer added, with a wink.

Seven of his 14 chapters are about Goldsborough's first territory in the Texas Panhandle and Western Oklahoma where he sold building materials for the United States Gypsum Company (USG). He covered 19,000 square miles in 19 counties.

"There were only 40 miles of paved roads in the whole territory--and that included the main streets of the towns. Woodward, Oklahoma, my headquarters, had ten percent of those," he said.

Although, in a USG reorganization, he lost the seven Texas counties late in 1928, he makes many references to Texas towns and residents. One entire chapter is about the oil-boom town, Borger. He went to Borger on business four times even though it was never in his territory.

Another chapter is about eleven months in a tuberculosis sanatorium in Oklahoma City. From there, he left the area in 1932, returning first to his hometown, Culpeper, Virginia, and eventually to North Carolina.

A widower, he now lives alone at 2201 Malvern Road in Charlotte (28207). He had been transferred there to open a USG district office in 1939 and remained district manager for 30 years.

J. Carter Goldsborough will be exchanging tales with Wellington residents and signing copies of "Only 40 Miles of Pavement" in the Community Building, 10th and Amarillo, from 2:00 p.m. until 4:00 p.m. on October 18. The public is invited.

The Everlasting Arms

This tiny child looking with trust into his mother's loving face and cradled in the safety of her arms feels that her care will be eternal and everlasting. When one matures, one very quickly finds that the securities provided by the transient helps of this world do not offer everlasting security. No matter how much of this world's goods we accumulate, they cannot make life secure against the hazards of it. There is only one place where eternal security is available, and that is within the bounds of a trusting relationship with God who extends to man in love the everlasting arms. Go seek Word of His love in the Church.

EVERYONE IN THE CHURCH ... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Rockets Come From Behind for 20-13 Win

The Wellington Skyrockets came from behind in the fourth quarter to defeat the Quanah Indians 20-13 in the opening game of district play at Powell Field Friday, Oct. 12. It was the first win for the Skyrockets this year, but it gave the Skyrockets a share of the district lead with a 1 - 0 record.

The Skyrockets got off to another sluggish start by fumbling the ball away to Quanah early in the opening period deep in Skyrocket territory. On that same play Kendall Harris of the Skyrockets suffered a fractured arm and was taken to the hospital. Kendall will most likely be out for the remainder of the season.

After the fumble recovery, Quanah speedster Stanley Payne carried the ball into the end zone from the 11 with 8:08 remaining in the first quarter. Craig Moore kicked the extra point and the Indians held an early 7-0 lead.

After a punt exchange, the Skyrockets began their first scoring drive with good field position on the Wellington 42. The Skyrockets moved the ball well on the ground and advanced to the Indian 28 yard line. On 3rd down Michael Souder hit Tracy Day across the middle for a 1st down on the 14. Johnny Nash burst through the line on the next play for a 14 yard touchdown run with 0:15 remaining in the opening period. The two-point try was no good and the Indians held on to a slim 7-6 lead.

The Skyrockets showed improved defensive play early. Quanah was forced to punt the ball away on three consecutive possessions with little or no yardage gained. Quanah tried to run the ball up the middle but Kenny Peeks, Marvin Brown, Kacy Davis, Shawn Davis and Michael Souder relinquished little ground down in the pit. James Patterson, James Benton, and Maugro Villanueva contained the outside threat to shut down Quanah's running game.

The Skyrockets started their next scoring drive from their own 20 after a Quanah punt traveled out of the end zone. On 3rd down from the 25 yard line, Michael Souder passed to Tracy Day again for a 13 yard gain out to the 38 yard line. Excellent running by James Benton and Johnny Nash took the Skyrockets down to the Indian 36 yard line. With 2:58 remaining in the first half, Michael Souder hit Jamie McKay on a 36 yard touchdown pass to give Wellington a 12-7 edge. The two-point try was no good and the Skyrockets took a 12-7 lead into halftime.

The third quarter was a defensive standoff with neither team being able to move the ball. Late in the period a bad Skyrocket snap on 4th down zipped between Tracy Day's legs and Quanah took over on the Skyrocket 22 yard line. The gun sounded and the score remaind 12-7 in favor of the Skyrockets.

On the first play of the fourth period Quanah took advantage of the turnover and Stanley Payne sprinted around the right side for a 22 yard touchdown scamper with 11:53 remaining in the game. The two-point conversion was no good and the Indians regained a slim lead of 13-12.

After a change of possessions, the Skyrockets started their final scoring drive with 90 yards to go. The play that gave the Skyrockets breathing room was a 55 yard pass from Michael Souder to Tracy Day down to the Indian 30 yard line. Eating up the clock and inching toward the end zone, the Skyrockets scored the final touchdown on a 4 yard run by Johnny Nash. Michael Souder connected on a pass to James Benton for the two-point conversion and the Skyrockets took a 20-13 lead.

Quanah returned the ensuing kickoff out to midfield but the Skyrockets shut down their aerial game. Under a strong rush, Indian quarterback Robby Harris attempted a screen pass in the flat but Maugro Villanueva read the play and sacked the receiver for a 6 yard loss. On 3rd down and long, Quanah went to the air again but Maugro Villanueva stepped in front of the Indian receiver to grab an interception at midfield. The Skyrockets ran the clock out to make the final score 20-13.

The Skyrockets had twice as much offense as the Indians had. Wellington had 246 yards rushing while Quanah was held to only 125 yards. Johnny Nash accounted for 145 yards rushing while James Benton had 78 yards on the ground. The Skyrocket offensive line composed of Rodney Saldana, Geronimo Molina, Mike Skelton, Kenny Peeks, and Shawn Davis opened the Indian defensive line up for several long ground gains. Michael Souder connected on 4 passes for 118 yards through the air while Quanah only passed for 45 yards.

These Pigeons Burn Bridges Behind Them

Pennsylvania pigeons are literally burning bridges behind them. Apparently, pigeon droppings mix with rain to form acids potent enough to eat through steel girders. According to state bridge engineer Jerry Jackson, over several decades the droppings rot the steel, weakening structures to the point where a weight limit must be imposed or the bridges closed altogether.
