Serving the Counties of Borden, Dawson, Garza, Howard, Lynn & Scurry

Chairman E.L. FARMER looks on as JAMES McLEROY presents past Chairman SUE SMITH with a Certificate of Merit from the Cancer Society.

Certificates presented

Mrs. Rube Smith, immediate past chairman of the Borden County Unit of the American Cancer Society was presented an award in appreciation of her service to the county in behalf of the Cancer Society.

Mrs. Smith (Sue) accepted the award from incoming Chairman E. L. Farmer. Sue served in this capacity for six years. Under her leadership, the County exceeded the per capita goal of the Texas Division each year and achieved first in the State in per capita giving in 1979 by topping the 1,000 per centile mark.

Director James McLeroy presented a similar award to E. L. Farmer, 1980 chairman of the Borden County unit. Mr. Farmer accepted the State certificate in behalf of the County. Elected by the Board of Directors in their annual meeting in February, Chairman

Farmer stated that so far the County is at the 700 per centile mark for 1980. The major amount of \$3,188.40 was donated at the annual barn dance and several sizable donations have been made since then. The fiscal year ends in August.

Democrats vote again

All Borden County Democrats who voted in the Democratic Primary May 3 are urged to exercise their right in the upcoming run-off to be held June 7.

Absentee voting began May 28 and will run through June 3. The one Absentee box will be in the County Clerks Office.

On June 7 there will be only four boxes—one in each Commissioners precinct. Boxes will be placed in the following locations: Precinct 1, Plain Community Center; Precinct 2, Commissioners Courtroom; Precinct 3, Willow Valley School; Precinct 4, County Barn, Gail.

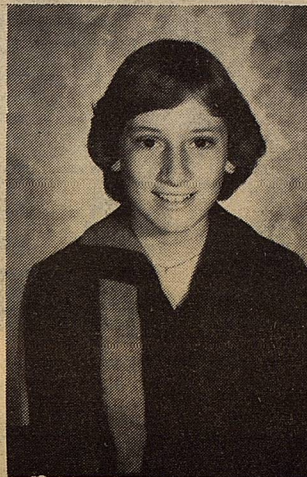

The primary run-off election will involve the offices for Supreme Court, Place 1; Criminal Appeals, Place 1; and Criminal Appeals, Place 3.

Goal reached

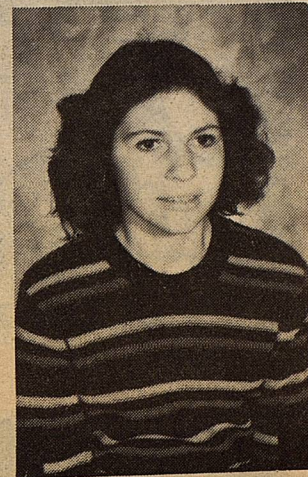

The Borden County Lions club exceeded their goal in the 1980 Blood Drive.

Held May 23 in the Borden County school, twenty-three volunteers passed the strict screening process thereby qualifying as a blood donor.

Club president Buddy Telchik expressed his pleasure at the success of the annual drive and also his appreciation to those in the county who participated in the community program.

TAMMY MILLER
Valedictorian

ROXIE WOLF
Salutatorian

Honor students

Tammy Miller is valedictorian of the Eighth Grade Class of Borden Junior High. Her grade average is 98.0714. Tammy has accomplished Beta Achievement every year since and including fifth grade. She was High Point Beta Achiever for fifth, sixth, seventh, and eighth grades. In her junior high school career she has won awards in the following U.I.L. events: picture memory, oral reading, spelling, and ready writing. Her other interests are 4-H and tennis.

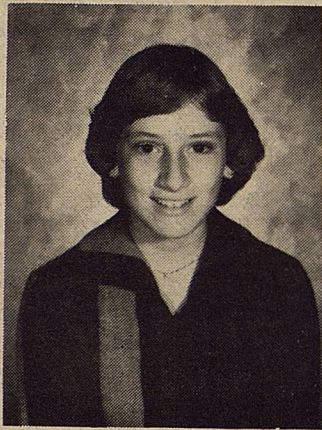

She has held various class offices and has been elected freshman cheerleader for the school year 1980-1981. Daughter of Mr. and Mrs. Ralph Miller of Fluvanna, Tammy will deliver the valedictory address when her eighth grade class graduates during ceremonies at 8:00 p.m. Friday, May 30, 1980.

Salutatorian of Borden Junior High School Eighth Grade Class is Roxie Wolf, daughter of Mr. and Mrs. Vernon Wolf of Vincent. Roxie graduates with a grade average of 96.1666. She has been named TO Beta Achievement list since fifth grade and was runner-up to High Point Beta Achiever three of those four years. She has served her class as cheerleader for three years and has held several class offices. Her interests are varied and include U.I.L. events, 4-H, basketball and piano. Roxie will serve as freshman cheerleader for the school year 1980-1981.

Baccalaureate Services

"Go and live your life. The promise land is before you and if you remember, it will be yours," were the encouraging words given by Rev. Steve Hillhouse to the Class of 1980. The fifteen members of the senior class were honored with Baccalaureate Services Sunday, May 25.

The seniors marched into the auditorium wearing their blue caps and gowns, as Mrs. Sallie Wilson played the processional. The mood for the morning was set by Mr. Fred Wilmer as he sang "At the Cross." The invocation was given by Mr. Stentson Carpenter from the Gail Church of Christ. He urged the graduates to "Live a life on this earth well-pleasing to you. Be happy and prosper."

Mr. Mickey McMeans welcomed parents and friends to the services and Mr. McLeroy introduced the speakers-Fred Wilmer and The Rev. Steve Hillhouse. The seniors were asked to remember "Who You Are, Who brought you here (parents, teachers, classmates and all who helped you), and most of all remember your God."

Senior Trip

The senior Class of Borden High School embarked on a journey to Arkansas on May 16, 1980 with hopes of conquering the Ozarks.

The first day began at 5:00 a.m. as the sleep-starved crew of eighteen (fifteen seniors, Mrs. Netta Jarrett, Mr. Bob Bagley and Mr. Dennis Teeters) departed from Gail.

Breakfast was in Clyde, lunch was in Greenville and dinner was at Pablo's Restaurant in Hot Springs, Arkansas. The remainder of the day was spent swimming, playing tennis, jumping rope and riding the merry-go-round.

After having breakfast at McDonalds on the morning of the 17th, the day was spent skiing, swimming, riding paddleboats, playing ping-pong, pool, and the pinball machines. Dinner that evening was at an exclusive restaurant, Seven Hills.

The crew attended church Sunday morning and spent the afternoon at Magic Springs Amusement Park,

President, Jack McPhaul, gave the benediction and the Class of 1980 were ushered from the auditorium by Suzanne Walker, Heather McPhaul, Cole Herring and Van York, all juniors at Borden High School.

The honorees included class officers Carla Jones-President; Troyce Wolf-Vice President; Tim Taylor-Secretary; Ben Murphy-Treasurer; Mayme McLaury-Reporter. Other members of the class are Glynda Burkett, Blane Dyess, Carley Doyle, Janna Love, Craig Peterson, Travis Rinehart, Brad Smith, David Smith, Mark Walker, Karen Williams.

State guests were Mr. Bob Bagley and Mr. Dennis Teeters, senior sponsors; Mr. James McLeroy, Superintendent of Schools; Mr. Mickey McMeans, High School Principal; Mr. Ben Jarrett, Elementary and Jr. High Principal; Mr. Jack McPhaul, Board Vice President; Mr. Fred Wilmer, music major at Texas Tech; Mr. Stentson Carpenter, pastor of Gail Church of Christ; Rev. Steve Hillhouse, pastor of Gail Baptist Church.

then ended the day viewing the movie, The Long Riders or The Nude Bomb.

The Director of Arkansas State Parks escorted the bunch to Petit Jean Park on Monday. They saw Winthrop Farms and toured the Museum of Antique Cars. Eureka Springs was the next stop and Pine Mountain Jamboree.

Christ of the Ozarks was visted the next day as well as The Great Passion Play. (The play was viewed in a down-pour.)

Wednesday morning was spent traveling and the afternoon was spent at Silver Dollar City. The gang visited Ole Matt's Cabin and The Shepherd of the Hills that evening.

Thursday found the seniors and escorts beginning the long journey home. Everyone living in Gail must have heard them arrive at 12:30 a.m.

The seven day trip created a closeness among the travelers that they had never known in their 12 years together.

State Twirling Competition

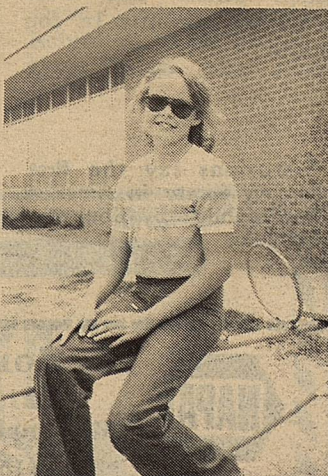

Stephanie Stephens will represent Borden High School at the Texas State Twirling competition in Austin, Monday, June 2, 1980. She will be competing with twirlers who also received top ratings in the regional competitions back in the Fall.

Stephanie has served as twirler for 2 years at Borden County and has invested hours of practice into becoming a top-notch twirler. The band extends its congratulations for qualifying for State and wishes Stephanie the best of luck in competition.

Expresses

Appreciation

The music department would like to extend thanks to all those who made the musical production, "Broadway Highlights", a success. Cast members, crew, and the producers appreciate interested parents who made their time and talent available for make-up, Mr. Jarrett, who rescued the Sound of Music set with his artistic talents, and the administration and faculty for their support and cooperation.

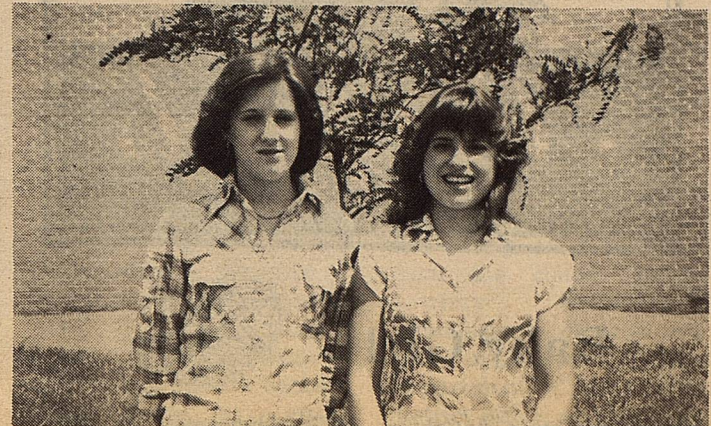

Jr. High Twirler

Former Student Graduates

Janice Browne Wells, daughter of Dorothy Browne was recently awarded a Bachelor of Science degree from Angelo State University.

Janice was a 1973 graduate of Borden High School. She resides in San Angelo where her husband, Joe Wells is employed with C&C Trucking Inc.

Attending the graduation ceremony were Dorothy Browne of Gail, Joyce and J.J. Kincheloe of Snyder, Joe and Julie Wells of San Angelo and Bill and Nina Wells and Bobby Smith of Austin.

Fred Wilmer Special Music

Fred Wilmer, a music education major from Texas Tech provided special music for Baccalaureate Services last Sunday. The cove of his singing style is the old black Baptist moan and spiritual songs, as evidenced in Sunday's service.

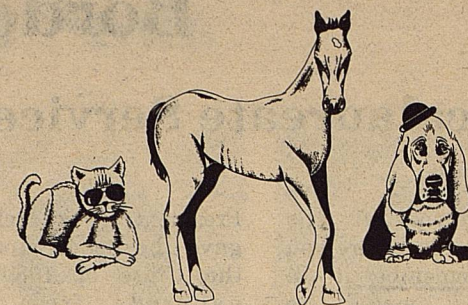

Fred is the son of Mr. and Mrs. Archie Wilmer of Mineral Wells, Texas. He was a 1975 graduate of Mineral Wells High School. He is a senior at Tech and is active in the Texas Tech Goin Band from Raiderland. He served the band as assistant drum major in 1977/79; Drum Major in 79-80 and is Drum Major elect for 80-81.

Fred would like to continue gospel singing, teach school and take seminary training in the future.

Historians say the first lending library in America was founded by Benjamin Franklin.

Jere's Greetings

Say, friend, when given instructions you get right down to business don't you? But something went wrong--I either expressed myself poorly--or the printer mis-printed--or you misunderstood. What I said was, if each DAR would write one letter supporting one or all NSDAR resolutions, we could turn this country around. Well, you wrote one letter, friend--but somewhere along the line you missed the point. Kinda funny tho, you using the old liberal tactic of attacking the source and ignoring the facts.

Let me quote from the DAR handbook--"Resolutions become the policy of NSDAR when favorable action is taken by Continental Congress. Therefore, it is important that they adhere to the objects of the Society--historical, educational and patriotic--thus to 'enlighten public opinion' and preserve our republican form of government under the Constitution of the United States. Resolutions are non-partisan and non-political. This Committee welcomes resolutions from members, chapters and State Societies in line with our objects and each resolution received is given earnest consideration. Resolutions presented to Congress for action represent research, factual data and the combined thoughtful analysis, evaluation, judgment and consideration of the members of the Committee as to what is best for DAR and for our country with its heritage of freedom."

From that definition you can easily understand that resolutions are not made up from hot air. No resolution is ever presented for acceptance that has not been researched and documented. And, friend, do you realize that DAR has never been in error with a resolution or a national defense report? You may not agree with the facts and

conclusions presented, but that is your privilege.

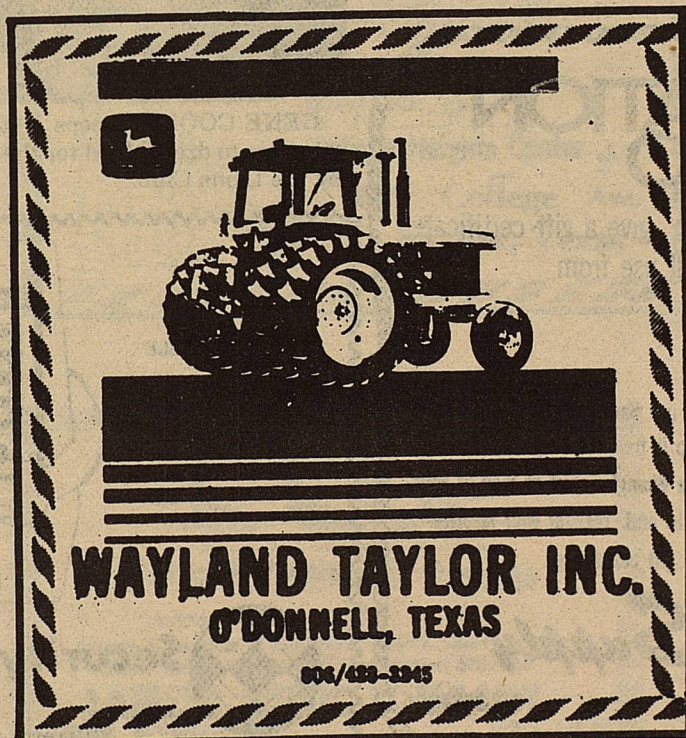

I bet your eyes really bugged when you caught that phrase, "resolutions are non-partisan and non-political". That's true, friend--non-partisan and non-political. Action taken on any resolution is not done in the name of DAR, but in the name of common sense. It only stands to reason that once armed with the facts, any patriotic defender of our heritage will act accordingly. And I quite frankly am grateful to have such a reliable source for my facts.

You say DAR members "are a typical bunch of club women". We should be so lucky. It would indeed be comforting to think that all the club women of America were as dedicated and knowledgeable as are the 210,000 DAR members. Naturally there are those DARs who are mis-directed and some who simply don't care. And some who even get their assignments mixed up. But the tools are there and I repeat, if each would act on these facts, we could turn this country around.

Now, about Bruce and me running for Vice President--hmmm, not a bad idea, now that you mention it. Bruce can do whatever he likes, but if I had a choice, I believe I'd prefer running with James Earle Carter--he needs all the help he can get.

Hats Off

TO OUR GRADS

WAYLAND TAYLOR INC.

You May Qualify

The Texas Department of Agriculture is looking for Plains farmers and ranchers that are descendants of the earliest area settlers. Their property may qualify in the Family Land Heritage Program.

Ag. Comm. Reagan V. Brown acknowledged that it will be some years before there are many applicants from the Plains and West Texas areas because they were settled late. "We want people to be award of the program in case there are some whose families have been farming or ranching for a century," Brown said.

The registration period for the 1980 program opened this month and will extend through August 15.

The Department is entering its seventh year in sponsoring the program to honor those who have maintained continuous agricultural production on the same land for 100 years or more.

So far there have been 1,294 families who have qualified. The county farthest west in the program is Howard, Brown said. The Roberts Ranch in Big Spring qualified in 1977.

Those who qualify are honored in state ceremonies and receive a certificate and a copy of the Family Land Heritage Registry, in which are printed old photographs of the family and homes as well as a brief history of the land.

We have had excellent cooperation from county historical commission chairpersons and from county judges who have helped to locate people in their areas who might

MR. LACKEY looks a bit skeptical as he gives his medical history prior to his blood donation. In the background STEVE HILLHOUSE acts as if there is nothing to it.

qualify," Brown said.

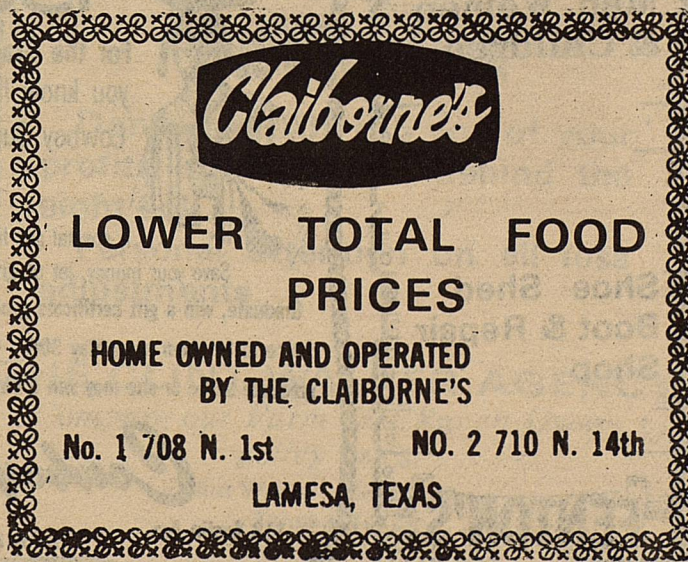

Basic requirements include the following: Continuous agricultural production on the same land for 100 years, ownership of the land remaining in the family, complete operation or supervision of the farm or ranch production by family members, and a size of at least 10 acres with a minimum of \$250 income from farm or ranch products. If all of the land has ever been rented out, the property is ineligible.

Timber and recreational leases do not qualify. The Texas Department of Agriculture is the final judge of eligibility.

Persons who meet the basic qualifications and wish to enter the program can obtain an application from the county judge, county historical commission chairperson, the nearest Texas Department of Agriculture district office, or they may write the Department, P.O. Box 12847, Austin, Texas 78711.

Subscriber Submits Poem

Dear Friends

Since a vast number of your readers are "ranch people", I thought you might be interested in the enclosed poem. It was sent to me recently by a Grand-son, Danny Lloyd,

who is presently working on a ranch near Kenton, Oklahoma. He found it in a 1946 Stockmans Magazine in an old house while working in Montana.

-s- Mrs. Raymond Lloyd

A Habit

Now most old cow punchers don't take off their had, They nacherlly wear'em wherever they're at. There ain't nothin' he really should take it off for; Some wears 'em in bed if they're sleepin out door.

Now this here old feller is washin' his hide, It's likely the cabin ain't chilly inside. He's got him some soap and has started to rub; He kept his hat on when he got in ths tub.

His head isn't cold and he hasn't been drinkin'; He just put on his hat without even thinkin', He mebbly ain't used to a bath tub at that, But he's sure plum accustomed to warin' his hat.

But there ain't no reason to worry that, When he washes his head he'll ruin his hat. And when he does find it; I really don't know, If he'll take off the hat, or just let his head go.

Spring is almost gone and summer is drawing near. But if you're like me, I still have a lot of "Spring Cleaning" to do. Start today by making a date with you're closet!

Have you ever been mashed by an avalanche upon opening your door? If so--now is the time to reorganize and update your wardrobe! Try these few suggestions to make your date a great success!

Remove everything from your closet you haven't worn in 6 months. Did you remove more than you left? Were most garments not worn?

For unwearables divide by:

...Recycling or make over possibilities.

...Sell or giveaways (Do so)

...Store for later (Do so!)

...Throw aways (Do so!)

For wearables:

...Organize in closet by garment types like blouses, pants, skirts, etc.

...Organize into major categories.

This was one of the main ideas discussed at a clothing Workshop I attended last Tuesday, May 20th entitled "Looking Great and Feeling Terrific" Another interesting area covered was our wardrobe needs and planning our wardrobes to suit our lifestyles. I've mentioned the possibility of doing this workshop in Borden County to several people, if you're interested in something like this, let me know and we can work toward doing it!! Call me at 915-856-4201, or stop by the office.

Wild West Show Success

Summer weather and good entertainment drew big crowds to fill the grandstands in Justiceburg for the Miller Brothers Wild West Show.

The two hour performances began at 2 p.m. Saturday and Sunday in the circular arena on the Riley Miller ranch. The crowds were thrilled with scenes from days gone by including -- a buffalo stampede, an Indian war dance, bronc and bull riding, a stage coach holdup, trick riding and trick roping, besides trained animal acts, and a country singer, Johnny Seay of Cleburne.

Some of the best riders in the country were on hand including Jesse Knight, Tom Miller, Darrell Jones, Jack Himes and Jay Himes.

Final tabulation had not been completed on the gate receipts at press time. However, \$1,000 was raised by the sale of the Painting by Robert Chennault and an auction of various donated items.

All proceeds benefit Amy Pratt, eight year old former Post girl who is scheduled to undergo cancer surgery at M D Anderson Hospital in Houston the later part of this month for the removal of a lung.

News

By JERRY STONE

FINAL CERTIFICATION DATE

The final certification date for all spring seeded crops such as cotton, grain sorghum, corn, etc., has been extended to August 1, 1980.

MEASUREMENT SERVICE AVAILABLE

The best way to guarantee your certification is to let us measure your planted acres. Measurement service is available through the county office for a nominal fee. The final date to request this service will be July 1, 1980.

1980 PAYMENT LIMITATION

A payment limitation of \$50,000 for deficiency payments and \$100,000 for disaster payments is the total amount a person can receive under a combination of the wheat, feed grain, and upland cotton programs, on all farms in which you have an interest.

DISASTER PROGRAM

A request for low-yield disaster credit must be filed within 15 days after harvest is completed or the date the crop is abandoned. Reember the abandoned crop must be inspected before plowing or making some other use of acreage.

FARM CHANGES

You are requested to report any changes in

operator, ownership, purchases, sales and new addresses to this office. These changes are needed in order that an accurate record can be kept for your farm.

1979 CROP LOANS

May 31, 1980 is the final date for requesting 1979 commodity loans for eligible Cotton, Soybeans, Corn, and Grain Sorghum. The interest rate is 13 percent per annum.

FARM STORAGE FACILITY LOANS

CCC loans for storage facilities and drying equipment may be approved for eligible producers. The loans are for a period of eight years to be repaid in seven annual installments. The maximum loan is 85 percent of the cost, not to exceed \$100,000. The interest rate is 13 percent per annum on the unpaid balance.

OBITUARY

Elizabeth Rhea

Funeral services for Elizabeth Rhea, 89, of Fluvanna were held at 2 p.m. Tuesday in the Fluvanna Church of Christ with Don Browning of Canyon officiating. She was the sister of R. B. Wills of Post.

Burial was in Fluvanna Cemetery under the direction of Gilliland-Watson Funeral Home.

Mrs. Rhea died Saturday afternoon at Deaf Smith General Hospital following a long illness.

A native of Bell County, the former Elizabeth Wills married Claud E. Rhea on May 14, 1917 in Canyon. He died in 1961. Mrs. Rhea was a teacher and a nurse and had lived in Hereford from 1933 until 1945, when she moved to Fluvanna.

Survivors include three sons, Claud Jr., of Canyon, J. K. of Amarillo and Harte of California; two daughters, Melva Fortenberry Ford of Hereford and Elizabeth Fangio Gary of Amarillo; a brother, R. B. Wills of Post; a sister Myrtle Austin of Lubbock; 20 grandchildren; and 25 great-grandchildren.

BORDEN COUNTY JUNIOR RODEO
GAIL, TEXAS — JUNE 12 - 13 - 14

PUBLIC NOTICE

Texas Electric Service Company, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of its intent to implement new rate schedules for electric service in areas served by the company, effective June 19, 1980, or as soon thereafter as permitted by law.

The new schedules will result in a 17.7 percent increase in the adjusted gross revenue of the company.

A complete copy of the new rate schedules is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality. Copies also are available for inspection in each of the company's public business offices.

Your County Agent Says by Sam Field

Plan now for an
accident-free planting and
harvesting season.

Tractor safety depends on
how well you operate and
manage your equipment.
The following practices are
recommended:

--Operate and maintain
tractors according to
instruction manual
recommendations.

--Allow only trained,
competent people to run
your equipment.

--Stay clear of ditches, steep
slopes, holes, obstacles and
other tractor trippers.

--Keep children off and
away from tractors and
other equipment; enforce
the "no riders" rule.

--Cut your speed when
turning, crossing slopes
and on rough, muddy or
slippery surfaces.

--Hitch heavy loads only to
the drawbar. Add front
weights if needed for
stability and good steering
control.

--With front-end loaders,

keep the load low and the
speed slow. Add rear weight
if needed for stability and
good steering control.

--Keep the PTO shielding in
place.

--Turn off the power before
dismounting.

--Drive with extra care on
public roads, obeying all
traffic laws.

--Check out lighting, tire
inflation, hitch, load
security and slow-moving
vehicle emblem before
leaving your driveway.

--Wear personal protective
equipment such as safety
shoes and a bump cap. Use
the proper respirator when
spraying or if conditions are
dusty. Use ear protectors if
your tractor is without a
noise-controlled cab.

--If your tractor has roll-over
protections (ROPS), always
buckle your safety belt.

--Watch where you are
going. Distractions,
inattention and drowsiness
add much to the risk of an
accident.
