### Stores to Close for Ball Game, Armistice

Business houses of Perryton will close for the Perryton-Dumas football game Friday afternoon and will be closed all day next Tuesday, Nov. 11 for Armistice Day. The stores have been asked to close between 2:30 and 4:30 p. m. by the Retail Merchants Committee for the football game Friday. The Armistice Day closing was set earlier in the year by the Retail Merchants Committee as one of the six days in 1952 set aside for general closing.

### Over 1,000 Get Chest X-Rays During Drive

A total of 842 persons had taken the free chest X-Ray offered by the State Health Department as of Wednesday afternoon, and the total was expected to be over 1,000 when the campaign closed that afternoon.

The X-Ray survey is sponsored by the Parent-Teacher Association, which has brought the mobile X-ray unit to Perryton for the past three years.

In addition, there were 489 persons taking advantage of the free blood typing service, given at the same time. The blood typing service is also sponsored by the PTA with local technicians headed by Mrs. Jess Cudd in charge.

PHOTOGRAPHY—Mrs. Jess Cudd, right, takes a sample of blood from Mrs. Carrol McClung at the blood typing desk operated at the Ellis' Automotive building three days this week. There were over 1,000 persons receiving the blood type service, which was offered along with the chest X-Ray service.

### Citizens Group Organized for November 18 City Election

Citizens for Continued Good Government, with Paul Loftin as secretary, has been organized to present facts and figures of government to local voters at the city election set for Nov. 18. At that date, citizens will vote either for or not to keep the manager form of government.

The annual membership drive of the Farm Bureau, conducted by the Ochiltree County Home Demonstration Council, will be launched at the same time.

Delegates to the state Farm Bureau convention next Tuesday will be elected, and resolutions will be passed for the delegates to take to the state convention. The local organization will have four delegates represented at the state convention.

A complete new set of officers and directors for the county Farm Bureau will be named, Lance said.

All members and prospective members are invited to attend.

All members and prospective members are invited to attend.

Seven men were accepted and two rejected in the Oct. 24 physical examination call of the local draft board, reports Mrs. Norma G. Phelps, clerk. Two men, Irvin Buchanan, Jr., and Louis Heil of Foillett, transferred to other boards and the results of their examinations are not known.

Accepted were Robert C. Green, Gruver; Clinton Don Clark, Perryton; Henry Schmidt, Jr., Perryton; Jim A. Trenfield, Higgins; Randal Demons, Canadian; Donald C. Rogers, Perryton; and David J. Johnson of Booker. Rejected were James L. Welch of Canadian and Donald Chain of Spearman. All three men sent for induction on Monday, Nov. 3, were taken into the Army and reported to Fort Sill. They are William Dutcher of Perryton, Afton Watts of Darrouzett and Robert Palmer of Spearman. Fifteen men will go for physical examinations on Nov. 14 and the December call for physicals is 36 men, the largest in nearly two years.

### Make Plans for Christmas Scene in City Park

Plans were made for the painting of another Christmas Nativity Scene for the city park at a meeting of the Perryton Sorosis Club committee last Thursday. The Christmas scenes, originated last year, will be expanded each year with other lighted scenes at the park display.

The project is sponsored by the Sorosis Club and is financed by the Chamber of Commerce. Work will start Friday, Nov. 7 at 1:30 p. m. on making the next scene.

Attending the meeting were A. P. Spicer, Mrs. Howard Holt, Mrs. Bluford Johnson, Mrs. Jess Russell, Mrs. Loyd Phillips, Mrs. O. A. Schuster, Mrs. Luther Wade and Mrs. A. S. Brillhart.

### Building Permits Total Only \$3,800

Building permits for the month of October totaled \$3,800, a check of city hall records reveals. There were three permits taken out during the month, including a frame house by Jim Anderson, \$3,000; a garage by See No. 5, Page 8.

### Seven Accepted in Draft Call Of October 24

Seven men were accepted and two rejected in the Oct. 24 physical examination call of the local draft board, reports Mrs. Norma G. Phelps, clerk. Two men, Irvin Buchanan, Jr., and Louis Heil of Foillett, transferred to other boards and the results of their examinations are not known.

Accepted were Robert C. Green, Gruver; Clinton Don Clark, Perryton; Henry Schmidt, Jr., Perryton; Jim A. Trenfield, Higgins; Randal Demons, Canadian; Donald C. Rogers, Perryton; and David J. ### Open House at Local Schools to Be November 14

"Back to School Night," annual feature of National Education week, will be held at the Perryton schools on Friday night, Nov. 14, and all patrons of the schools are invited to attend, superintendent Gilbert Mize has announced.

The open house begins at 6:45 p. m. Friday and teachers will be in their home rooms to meet parents of the students. A program will be presented in the school auditorium at 8:15 p. m., featuring the band, choral groups, speech departments and other student groups.

### Irrigation Expert Here November 14

Robert Thurman, irrigation specialist of the Extension Service, will be in Ochiltree county on November 14 to confer with owners of irrigation wells and to hold a meeting with farmers interested in irrigation.

County agent Delbert Timmons said that Thurman will spend that morning visiting irrigation wells in the county and that the meeting will be held in the afternoon.

Considerable interest in irrigation is being generated in the county and Thurman's appearance is being anticipated.

# County Sets Vote Record In Going for Eisenhower

LOTS OF BALLOTS—Sam Hergert, right, election judge at the school voting box Tuesday, is not stuffing the ballot box—he's taking out a load of completed ballots to the counting teams, and is being assisted by W. H. Lance, left. A record number of 1238 votes were cast at the school box.

### 'Light A Bumper for Safety' Campaign Opened by Jaycees

The Perryton Jaycees opened this week a "Light a Bumper for Safety" campaign designed to cut down night highway accidents as part of a state Jaycee safety campaign endorsed by the Texas Department of Public Safety.

Jaycees are selling strips of weatherproof luminous tape to be put on the rear bumper of automobiles. The tape sells for \$1 per automobile and the Jaycees install it.

The state safety campaign will be launched next week at the board meeting of the state Junior Chamber of Commerce in Waco. The local Jaycees have received a supply of the luminous tape, however, and are starting the local campaign a week ahead of the state drive.

### Disaster Hay Expected Soon

The first shipment of disaster hay for Ochiltree county is expected by November 15, according to Elliott Lee, county PMA secretary. Lee said that he has been informed that a delay in loading hay in the Midwest due to corn harvest is holding up shipments to this area.

There have been over 1,900 tons of hay ordered by county stockmen under the disaster area program which provides hay at a lower cost than it is delivered ordinarily.

### Give 4-1 Lead to Republican Nominee As 2,190 Votes Cast

General Dwight D. Eisenhower won the Presidency of the United States Tuesday with the largest popular vote in history, and Ochiltree county voters set a record themselves in supporting him. There were 2,190 votes cast, with Eisenhower getting a 4-1 majority locally over Democrat Adlai Stevenson.

### Halloween Spooks Take It Easy On City Property

Halloween damage was not as severe this year as in previous ones, and officers of the city and county report that they had little difficulty in controlling destruction of property.

Most serious instance of vandalism was done at the new home of Mr. and Mrs. Kenneth Gibson, 1508 S. Colgate, where the front door was chopped with an axe, the screen door was ripped, and a window pane broken. The damage was in excess of \$100 and the two youngsters who did the damage confessed to it after being questioned Monday.

Their parents will pay the damages and no charges have been filed. A pen of steers at the stock yard pens owned by Bill McLanahan and Brooks Fletcher were turned loose Friday night, and See No. 4, Page 8.

### U. S. Highway 83 Meeting Set At Garden City

Anyone interested in the future of U. S. Highway 83 is invited to attend the annual meeting of the Great Plains Highway 83 Association at Garden City, Kansas on Monday, Nov. 10.

W. B. LaMaster, national president of the association, said Tuesday that he would especially like to have Perryton represented at the meeting since this city has been national headquarters for the past two years. John Mayfield is national secretary-treasurer.

Harold Simpson, Wesley Bryan, Van W. Stewart and several other men have indicated they will attend the meeting, along with LaMaster and Mayfield.

A progress report of highway 83 from Canada to Mexico will be heard, and the governor of Nebraska has been invited to be on the program.

### Rangers Open District Play With Dumas Friday Afternoon

The Rangers open their district 1-AA schedule at Ranger Field Friday afternoon, and they start the district race against one of the top teams of the Panhandle. The Dumas Demons invade Ranger Field this week, boasting an undefeated team which has been ranked at the top of the Panhandle almost since the season began.

Dumas has won seven games this season with a balanced team that features a big line and the leading scorer of the Plains in halfback Pat Mowery. The game begins at 2:30 p. m., and is the only afternoon game of the season for Perryton. The Demon line averages 190 pounds, some 16 pounds per man larger than the Rangers. The backfield is lighter by some 20 pounds per man. Dumas has won over Price College, Tulsa, Shamrock, Little-

The county vote went 1760 for Eisenhower and 430 for Stevenson in a victory which placed Ochiltree county at the top of the 32-county Panhandle vote which also gave the GOP nominee a whopping majority.

In the Panhandle, Eisenhower carried 29 of the 32 counties, with Hall, Cottle and Moore counties in the Democratic column. The new President carried Texas for the Republicans for the first time since 1928.

He carried 39 states with 442 electoral votes while Stevenson won 9 states with 89 electoral votes.

Ochiltree county had 2,131 poll taxes paid this year and 99 exemptions, for a total qualified voter list of 2,230. There were 2,190 votes cast for one of the best records in the state.

There were 671 ballots voted straight Republican and 1,089 ballots split for Eisenhower and the state Democratic nominees. The only Republican office holders elected locally were Ray McWilliams, precinct 2 constable, with 517 votes; and Frank Shockley, constable of precinct 1, with 221 votes.

There was one ballot cast for the Prohibition party and one for the Progressive party. General Douglas MacArthur, heading the ticket for two parties on the ballot, failed to get a vote. Ochiltree county followed the See No. 2, Page 8.

### Equity to Hold Open House at New Feed Mill

An open house at the new Equity feed mill will be held on Tuesday, Nov. 18, general manager Aldon Bell has announced, and the public is invited to be Equity guests on that day.

The open house has been planned to show the machinery and the production capacity of the feed mill, which has been expanded in the past few months until it is now the largest of its kind in the North Plains area.

There will be personally conducted tours through the mill, and coffee and doughnuts will be served during the day. The open house will begin at 9 a. m. and continue through 5:30 p. m. Door prizes will be given during the day.

field, Hereford, Wellington and Canyon. They beat Wellington 20-14, while the Rangers lost a 20-0 decision, and the Demons trimmed Shamrock 26-0 compared with a 13-13 tie for the Rangers.

Still, coach Peterson is not too pessimistic about the game. He said Wednesday that the Rangers are capable of playing Dumas a close ball game, and expects a good contest if the Rangers are not hit any more by injuries. Out of action this week are Charles Parker, center, and end Dick Haar, although both boys are expected to play Friday. One favorable factor might be the mental attitude of the Demons. They meet Phillips next week in a game toward which they have been pointing all season, and might let down for See No. 1, Page 8.

# HEALTH FOR ALL

## Bifocal Spectacles

Benjamin Franklin, famed in American history, is remembered for his discovery of the principle of electricity. Few Americans realize, however, that it was he who invented bifocal spectacles.

Why are bifocals worn anyway? Usually the normal eye reaches its peak of efficiency at about the age of 8 years. At that time a person has the greatest power of accommodation, meaning that his ability to change from seeing objects in the distance to those up near is at its best. From then on, he begins to lose accommodation. Ordinarily, however, its loss is so slow and gradual that he doesn't have any trouble until about 40 or 45, when he first begins to notice that his arms don't seem long enough to read the evening newspaper and that looking up numbers in the telephone directory is becoming increasingly hard.

If his distance vision has been good and he hasn't been wearing glasses, he may be able to manage with a pair of single-vision reading glasses, but to avoid the annoyance of having to pull off his glasses to see across the room, he might want bifocals. These glasses are a combination of lenses: the smaller ones at the bottom being for close vision and the ones at the top for dis-

tance. Another kind of lens which will allow him to see at different distances is called a trifocal lens. In it there are three layers: the one at the top for far off, the one at the bottom for reading, and the one in the middle for a distance in between of about arm's length.

Some people object to wearing the usual glasses perched on their nose, either because of their appearance or because such spectacles interfere with their work. They may find contact lenses to be the answer. A contact lens is a curved plastic shell on which is ground the patient's optical prescription. It fits over either the cornea, the central part of the front of the eyeball, or the entire front of the eye, including the sclera, the white of the eye. The scleral type of contact lens has to be filled with a fluid that is similar to the tears of the individual patient.

Contact lenses are not an unmixed blessing. First, they are costly. Next, they cannot be worn indefinitely, as can ordinary glasses. The time for which they are comfortable varies from about two to eight hours, depending on the individual patient, after which he sees colored haloes around lights and his vision becomes hazy. Removing the lens for a half hour or so gets rid of the symptoms.

Contact lenses are prescribed for patients suffering from eye diseases such as a pronounced bulging of the cornea (keratoconus); absence of the eye's lens after a cataract operation (aphakia); and extreme nearsightedness, farsightedness, and astigmatism. They also are recommended for certain occupations in which the wearing of ordinary spectacles is dangerous. Athletes in rough sports and factory workers who are exposed to possible eye injury from broken spectacles are examples. Another "occupational" indication is for actors and opera singers, persons who need good vision but who would appear out of character for the role they portray if they wore spectacles.

Even though contact lenses may be worn for cosmetic reasons, for the average patient the physician probably would recommend ordinary spectacles for their relative inexpensiveness and ease of wearing.

Ordinary glasses may be colored or tinted for several reasons. One is to protect against excessive glare from the sunlight such as in driving, boating, and snow sports. In addition to color, other qualities of the lens may screen our harmful or annoying light rays. Sunglasses should be worn only when there is discomfort from the intensity of the light and only outdoors. Many people are not uncomfortable without them even when the sunlight is very bright. However, even with sunglasses it is unwise to gaze directly at the sun.

NEW YORK—The U. S. Equestrian team will defend American honors against the best international jumpers of Ireland, Canada, Mexico and possibly France and Italy at the 64th National Horse Show opening No. 4 at New York's Madison Square Garden.

The team is expected to be allied at the big show with two other members of the American Olympic equestrian team in Miss Marjorie Haines and Capt. Robert J. Borg. They will present their mounts in highly trained dressage maneuvers.

Heading the U. S. squad will be Team Captain Arthur McCashin. The jumpers will be Mrs. Carol Durand and William Steinkraus. Norman Brinker will be the alternate.

### Hotels Improve Guest Facilities

NEW YORK (AP)—A national survey of hotels reveals that the average hostelry is spending time, effort and money to brighten up guest facilities.

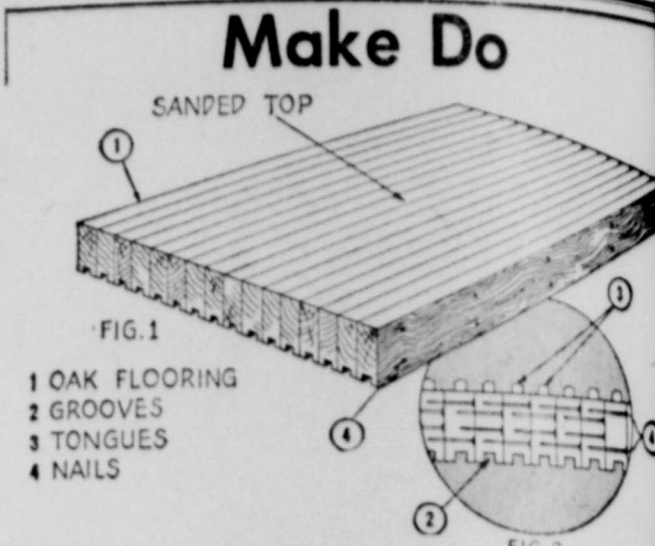

The hotels, which average 323 guest rooms, will spend an average of \$17,500 for guest-room improvements, including carpeting, draperies, furniture, beds, bedding and air-conditioning.

Air-conditioning is a major modernization factor, especially in construction of wings or additions, says the Ahrens Publishing Co., trade journal of the hotel industry who made the survey.

## County Sets Vote Record In Going for Eisenhower

### Give 4-1 Lead to Republican Nominee As 2,190 Votes Cast

General Dwight D. Eisenhower won the Presidency of the United States Tuesday with the largest popular vote in history, and Ochiltree county voters set a record themselves in supporting him. There were 2,190 votes cast, with Eisenhower getting a 4-1 majority locally over Democrat Adlai Stevenson.

The county vote went 1760 for Eisenhower and 430 for Stevenson in a victory which placed Ochiltree county at the top of the 32-county Panhandle vote which also gave the GOP nominee a whopping majority.

### Seven Accepted In Draft Call Of October 24

Seven men were accepted and two rejected in the Oct. 24 physical examination call of the local draft board, reports Mrs. Norma G. Phelps, clerk. Two men, Irvin Buchanan, Jr., and Louis Heil of Follett, transferred to other boards and the results of their examinations are not known.

Accepted were Robert C. Green, Gruver; Clinton Don Clark, Perryton; Henry Schmidt, Jr., Perryton; Jim A. Trenfield, Higgins; Randal Demons, Canadian; Donald C. Rogers, Perryton; and David J. Johnson of Booker.

Rejected were James L. Welch of Canadian and Donald Chain of Spearman.

All three men sent for induction on Monday, Nov. 3, were taken into the Army and reported to Fort Sill. They are William Dutcher of Perryton, Afton Watts of Darrouzett and Robert Palmer of Spearman.

Fifteen men will go for physical examinations on Nov. 14 and the December call for physicals is 36 men, the largest in nearly two years.

Mrs. Jess Cudd, right, takes a sample of blood from Mrs. Carrol McClung at the typing desk operated at the Ellis' Automotive building three days this week. There were over 1,000 persons receiving the blood type service, which was offered along with the chest X-Ray service.

LOTS OF BALLOTS—Sam Hergert, right, election judge at the school voting box Tuesday, is not stuffing the ballot box—he's taking out a load of completed ballots to the counting teams, and is being assisted by W. H. Lance, left. A record number of 1238 votes were cast at the school box.

### 'Light A Bumper for Safety' Campaign Opened by Jaycees

The Perryton Jaycees opened this week a "Light A Bumper for Safety" campaign designed to cut down on highway accidents as part of a state Jaycee safety campaign endorsed by the Texas Department of Public Safety.

Jaycees are selling strips of weatherproof luminous tape to be put on the rear bumper of automobiles. The tape sells for \$1 per automobile and the Jaycees install it.

This tape can be seen at least a half-mile away and up to 75 per cent quicker than the average tail lights. It completely outlines the rear bumper of the car and enables the motorist to know in advance where the car is located and how much space it occupies on the highway.

Adverse weather conditions do not affect its efficiency, and scientific tests made at Iowa State college prove that night driving is made safer through the use of this tape.

The state safety campaign will be launched next week at the board meeting of the state Junior Chamber of Commerce in Waco. The local Jaycees have received a supply of the luminous tape, however, and are starting the local campaign a week ahead of the state drive.

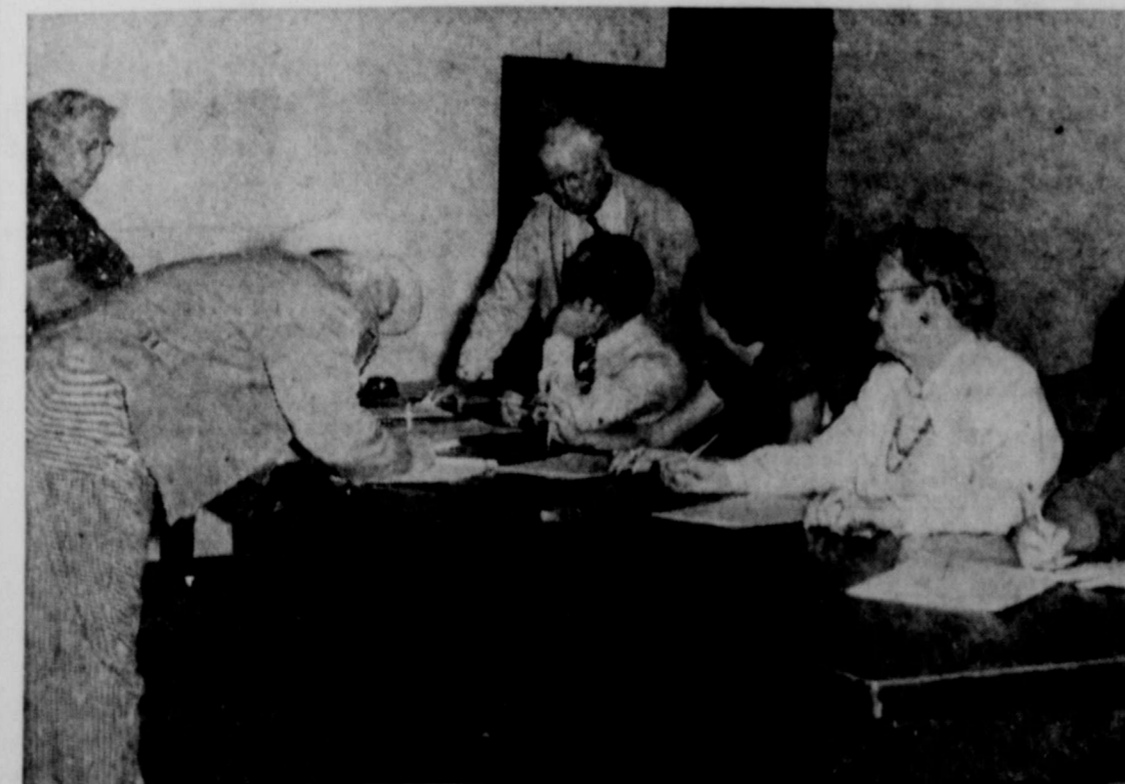

Two teams, headed by Bob Schuster and Coke Harlow, are contesting in the campaign. The drive is under the chairmanship of Sidney Jines.

### Disaster Hay Expected Soon

The first shipment of disaster hay for Ochiltree county is expected by November 15, according to Elliott Lee, county PMA secretary. Lee said that he has been informed that a delay in loading hay in the midwest due to corn harvest is holding up shipments to this area.

There have been over 1,900 tons of hay ordered by county stockmen under the disaster area program which provides hay at a lower cost than it is delivered ordinarily.

# BALKO News

Carolyn McGlamery

Leslie Morehead was called to Laverne Thursday evening to be at the bedside of his father, John Morehead, who passed away at his home Thursday night, October 30. Interment was in the Laverne cemetery.

Those from this community who attended the funeral were Mr. and Mrs. A. M. Blackweider, Mr. and Mrs. F. D. Humphrey and Mrs. E. (Grandma) Humphrey and Mrs. Nell Beatty. We wish to extend our sympathy to the bereaved families.

Mr. and Mrs. Harold Jackson took their small son, Danny Ray, to Wichita, Kansas, Saturday, November 2, where he will undergo surgery.

Word has been received here that Mrs. Max Comer, a sophomore at A. C. C., Abilene, Texas, is ill at her home following an attack of muscular paralysis. She is somewhat improved at this writing, but will be unable to continue her studies for this semester. Mrs. Comer is the former Marolyn McGlamery.

Mrs. R. E. Retherford, long-time resident of this community,

passed away at the Perryton Hospital following a two weeks illness. Mrs. Retherford suffered a stroke about two weeks ago and had been confined to the hospital since that time.

Funeral services were conducted at the First Baptist Church in Perryton Tuesday afternoon, November 4, and interment was in the Balko cemetery. The entire community extends sympathy to the bereaved families.

Rev. John Whipple, pastor of the Apostolic Church was called to Joplin, Missouri Tuesday, October 28, because of the sudden death of his father. We extend sincere sympathy to Rev. Whipple and his family.

Mrs. E. (Grandma) Humphrey, Mrs. Nell Beatty, Mrs. Leslie Morehead and Mrs. Marie McGlamery left Wednesday morning, October 28, enroute to Canon City, Colorado to visit in the home of Mr. and Mrs. W. N. Humphrey. The group visited many places of interest including Wolf Creek mountain pass and Cripple Creek canyon pass, Colorado Springs, Manitou and old Victor gold mines. While there they visited in the home of Mr. and Mrs. Floyd Phelps and Mr. and Mrs. Melvin Ives. They returned Saturday, November 1.

FARM SALE—Almost everyone likes an auction sale, and the grounds were full of people Monday afternoon at the farm sale of Albert Schade, six miles north and two miles west of Perryton. All of the machinery, livestock and miscellaneous articles were sold in spirited bidding all day Monday.

elation meeting at the Balko high school auditorium will be held on Tuesday night, November 11, instead of Monday night as scheduled. The faculty will present a play, entitled, "Life of the Party." Supt. D. L. Boyer is coaching the play, which promises to be one of the best programs of the year. Come and boost our P. T. A. programs.

The Balko basketball squad has organized a Pep Squad, with a membership of twenty-four. Alberta Pearson, Norma Baker and Doris Claybrook are the leaders.

### To Join Husband In Philippines

Mrs. David Green and son Larry will leave Nov. 15 for Manila, Philippine Islands, to join S. Sgt. David L. Green, who is stationed at Clark Air Force Base. They expect to remain in the Philippines for the next two and one-half years.

Mrs. Green and Larry have made their home in Perryton since May with her parents, Mr. and Mrs. Russell Martin, 614 S. Coigate.

Abraham Lincoln was elected captain of a volunteer company in the Black Hawk War.

### Cecil Regier to Represent Texas In Ag Contest

Cecil Regier, an outstanding Ochiltree county 4-H Club boy, has been selected to represent Texas in the national contest for the Alpha Gamma Rho scholarship award, according to an announcement this week from Texas A&M College. The award is a \$200 college scholarship, given by the national agriculture fraternity.

Cecil is the son of Mr. and Mrs. Dave Regier and is a freshman agricultural student at Panhandle A&M College, Goodwell.

He began his 4-H career in 1944 by feeding an Angus steer for the Ochiltree Junior Livestock Show. He bought an Angus cow and calf in 1946 and has added others until he now has a registered Angus herd of 23 cattle. He has won many ribbons and awards with his cattle.

He had the local calf champion in 1949 and won fourth at the State Fair that year. He has been a member of the State 4-H Council and has been president of the local 4-H Club twice. Cecil won a Talent Club trip in 1952.

Cecil also raises hogs, sheep and poultry and is a certified wheat seed grower.

His record will be sent to Washington, D. C., where the final selection for the scholarship will be made.

Q—After World War II, I went to college under the GI Bill where I used my 48 months of entitlement to get my BS degree. After graduation, I went back to active duty. Now I hear there's a new GI Bill for Korean veterans. When I am discharged again, will I be able to use this new GI Bill to go ahead with graduate studies?

A—No. The law states that veterans like yourself, who have trained under earlier veterans' training programs, may be entitled to a total of 48 months of training under the old programs and the new GI Bill combined. Since you've already used that maximum under the World War II GI Bill, you are not entitled to any further GI training under the new law.

Q—I was divorced by my wife, and naturally I want to change the beneficiary on my National Service Life Insurance policy. My former wife, however, won't give me the policy so that I can make the change. What can I do?

A—You don't have to have the policy in your possession to change the beneficiary. Either go to your nearest VA office and fill out a change of beneficiary form, or write to the VA district office where you pay your premiums and state how you want the insurance paid in the event of your death.

Q—I understand that down payment requirements have been lowered for GI home loans. But even so, I still don't have enough money to make the down payment on the house I'd like to buy. May I borrow money for the down payment?

A—You may borrow on your life insurance policy for this purpose, but that is all. Other than this, you must certify that you have not borrowed to make the required down payment.

Q—I have been authorized orthopedic braces for leg wounds I received in World War II. If I ever need emergency repairs, must I get VA's approval before I have them made?

A—Not necessarily. You may get emergency repairs costing up to \$15 from any commercial

brace or repair shop prior VA approval, provided you have the newly-issued "Service Card—Orthopedic Braces". These cards are available by VA regional offices.

By MRS. J. E. BURKHAM

Both Mrs. Jim Karber and infant son were taken to the Perryton Hospital last Monday. They are expected to return home Saturday.

Mrs. Elmer Cagle was hostess to club, last Tuesday. There were twelve present.

Mrs. Myrtle Wilson was on the sick list last week. We're happy, though, that she was able to attend church Sunday.

In order that the teachers would be free to attend the teachers' meeting at Oklahoma City, school was dismissed at noon Wednesday for the remainder of the week.

Mr. and Mrs. Edgar Burkhardt and Judy left Wednesday afternoon for a few days' visit with their daughter and family in Wichita, Kansas.

Edward Blair was very sick Wednesday night. We're glad he is feeling better now.

Mrs. Alice McDonald visited in Shamrock last week.

Mrs. J. D. McDonald and Elvin spent a few days in Wheeler last week.

Mrs. India Washburn is visiting relatives in Oregon.

Mrs. Ted Lehman and children, Donnie and Patsy, of Beaver, spent Wednesday and Thursday in the home of her sister and family, the Raymond Leathermans.

Mr. and Mrs. Raymond Leatherman were pleasantly surprised when Mr. and Mrs. Wesley Leatherman and family, and Mr. and Mrs. Charlie Wagner, of Alva, Oklahoma, arrived to visit with them Thursday and Friday.

Donnie Doshier and Jeannie Brown participated in a musical recital given by pupils of Mrs. L. J. Godley at the U. B. Church of Hardesty, last Thursday evening.

Thursday guests in the home of Mr. and Mrs. Ewing Phelps were their grandson and family, Mr. and Mrs. Wayne Wyson and daughter of Hardesty.

Clifford Miller is looking forward to the return of his parents who have been on a vacation for three weeks. No doubt, "mother's cooking" will really taste good.

Mr. and Mrs. Elmer Cagle and Charles, and Rev. and Mrs. Burkham and Elston, called at the home of Mr. and Mrs. Ewing Phelps Thursday evening.

Guests in the home of Mr. and Mrs. Jimmy Blair last Friday, were Mr. and Mrs. Dewey Frim, Mrs. Jackie Brown and baby, Terry Joe, of Liberal, Kansas.

A good time was had by all who attended the Halloween party in the Bethel Church basement Friday evening. Some "queer" looking creatures were

present. Little Dennis Gibson of Perryton, won first prize on his costume; and Mrs. Len Karber and Mrs. Myrtle Doshier (an

odd looking couple) won second prize. After the party, a few of the young people went out for "tricks or treats", chaperoned by Mrs. Myrtle Doshier.

We appreciate the work of Sharon Blair, who decorated the church basement for the Halloween party.

Sherriell Leatherman started taking piano lessons from Mrs. J. E. Burkham last week.

J. D. McDonald was a Sunday dinner guest in the home of his relatives, Mr. and Mrs. King, who live near Perryton.

Mr. and Mrs. Arden Neff and daughter of Guymon, were Sunday visitors in the home of Mr. and Mrs. Jimmy Blair.

Raymond Leatherman, Jr., was sick Sunday night. We hope he is feeling better now.

Extreme Nervousness, Stomach Ills, and Constipation Corrected For Local Lady

For the past eight years I had been in poor health and suffered several symptoms such as extreme nervous tension, blind pain of top of head, stomach spasms and sickness, low back pains, severe constipations. In addition to this I had a disturbing and aggravating foggy feeling and pressure and pain of eye.

HEALTH FOLLOWS THE X-RAY PHOTOGRAPHS SPINAL CONDITIONS ACCURATELY CHIROPRACTIC ADJUSTING CORRECTS DISEASES WITH SCIENTIFIC PRECISION IN THE FOLLOWING ORGANS: HEAD, EYES, EARS, NOSE, THROAT, ARMS, HEART, LUNGS, LIVER, STOMACH, PANCREAS, SPLEEN, KIDNEYS, BOWELS, APPENDIX, BLADDER, LOWER LIMBS.

I took my troubles to Dr. George Mayfield of Perryton who examined me and x-rayed my spine—he found several places in my spine where pressure on nerve trunks interfered with functions of the nervous system.

Many other disorders including Headaches, Arthritis, Rheumatism, Bed Wetting, Nervousness, Neuritis, Neuralgia, Stomach Troubles, Menstrual Difficulties, etc. have been relieved and are successfully being handled every day.

Dr. Mayfield is a graduate of the Palmer School of Chiropractic, in Davenport, Iowa—the Texas Chiropractic College in San Antonio—and had internship and actual training at Spears Chiropractic Hospital in Denver.

## Chemists Get Smuggled Opium

SINGAPORE (AP)—Opium confiscated in Singapore is sent to the Crown agents for the colonies in London for sale to manufacturing pharmaceutical chemists.

Last year 8,000 pounds of the drug was seized by Customs Department officers, the 1951 report of the Customs and Excise Department said. Despite continued activity against opium smugglers and keepers of opium-smoking saloons, the smoking of opium was still rife in the colony, the report said.

**Takes \$80,000 Per Year for U. S. Senator**  
WASHINGTON, (AP)—Exact figures are not available but senate records indicate it takes roughly \$80,000 to maintain a U. S. senator from Texas for a year. Approximately that amount of federal funds went to each of the Texas senatorial offices, for salaries and expenses, from July 1, 1950 to June 30, 1951, the last fiscal year which records have been made public.  
The amount may be a little lower for the current fiscal year because Congress adjourned in July instead of remaining in session three or four months longer, as has been customary in recent years. Because of the long adjournment, both Sen. Tom Connally and Sen. Lyndon B. Johnson have reduced the number of office employees for the rest of the calendar year. Connally is retiring from Congress at the end of this year.  
Each senator gets an annual salary of \$12,500, plus a \$2,500 tax-free expense allowance. (Beginning in 1953 they will get \$15,000, all of it taxable.)  
Individual salaries of office employees of Connally's office in the year ending June 30, 1951 was \$59,517. Johnson's office staff cost \$62,537 in the same period.  
The basic allotment for this purpose is \$47,640 for each senatorial office. But pay increases which have been voted by Congress to supplement the basic pay brings the total to roughly \$60,000 for each office.  
The top man in a senator's office, next to the senator himself, is his administrative assistant. This job is listed for a base salary of \$8,400 a year. Actually, with cost of living increases, the salary is \$11,646. The cost of living increase for a \$2,400 a year clerk would be a much greater, proportionately.  
Salaries for senatorial aides are not paid through the senator. Each employee receives his pay direct from the Senate finance officer twice a month.  
Although the number varies monthly, the average senator has about a dozen staff employees.  
Each senator is allowed 20 cents a mile each session of Congress for one trip from his home to Washington and return. This figures out about \$630 a year for the Texans.  
Each Senator is allowed 300 minutes of long-distance telephoning a year from Washington, with no limitation on dis-

Because of the long adjournment, both Sen. Tom Connally and Sen. Lyndon B. Johnson have reduced the number of office employees for the rest of the calendar year. Connally is retiring from Congress at the end of this year.  
Each senator gets an annual salary of \$12,500, plus a \$2,500 tax-free expense allowance. (Beginning in 1953 they will get \$15,000, all of it taxable.)  
Individual salaries of office employees of Connally's office in the year ending June 30, 1951 was \$59,517. Johnson's office staff cost \$62,537 in the same period.  
The basic allotment for this purpose is \$47,640 for each senatorial office. But pay increases which have been voted by Congress to supplement the basic pay brings the total to roughly \$60,000 for each office.  
The top man in a senator's office, next to the senator himself, is his administrative assistant. This job is listed for a base salary of \$8,400 a year. Actually, with cost of living increases, the salary is \$11,646. The cost of living increase for a \$2,400 a year clerk would be a much greater, proportionately.  
Salaries for senatorial aides are not paid through the senator. Each employee receives his pay direct from the Senate finance officer twice a month.  
Although the number varies monthly, the average senator has about a dozen staff employees.  
Each senator is allowed 20 cents a mile each session of Congress for one trip from his home to Washington and return. This figures out about \$630 a year for the Texans.  
Each Senator is allowed 300 minutes of long-distance telephoning a year from Washington, with no limitation on dis-

**Wanted so long as the call is on official business, plus \$450 a year for long-distance telephone calls originating outside Washington.**  
Each senatorial office gets \$800 a year for stationery and office supplies. The office suites, complete with furnishings and equipment, are rent-free. Mimeographing service is supplied without cost to the senator.  
And senators also get free haircuts, except for whatever they tip the barber in the senatorial barber shop. Nobody except a senator can get a haircut or shave in this shop in the basement of the Capitol.  
Members of the House don't enjoy an exclusive barber shop. They have to pay for their haircuts, but they get them at about half price in shops on the House side of the Capitol.  
Otherwise, without the exception of lesser amounts for office salaries and expenses, a member of the House draws about the same allowance as a Senator. House members don't get as many employees as a Senator, hence they don't need as much money for office salaries.

SETTING UP A TEXAS SCORE—Texas back Billy Quinn ducks his head as he slants off his right tackle for a five-yard gain against Southern Methodist University to take the ball to the one-yard line in the first period of the game in Austin, Texas. Texas scores its second touchdown of its 31-14 victory. SMU center Bill Fox (52) tries to stop Quinn. Other players shown are SMU fullback Bill Forrester (38) and back Val Joe Walker (20) and Texas quarterback T. Jones (21).

## Rangers Rack Up Fifth Victory With 26-13 Win Over White Deer; Strong Running Game

The Rangers racked up their fifth victory of the season Friday night, trimming the White Deer Bucks by a 26-13 score. The Rangers displayed a strong running game, marching 327 yards on the ground and added 111 yards through the air for their strongest offensive showing of the season.

White Deer challenge inside their 3-yard-line and they held the visitors to a net of 120 yards rushing.

Cordell Pugh, White Deer halfback, ripped off 79 yards in the second period, being hauled down by Doc Carter on the Ranger 5, for the longest sprint of the night. White Deer also had the longest pass completion, a 66-yard beauty from Roy Eller to Don Denham in the third quarter.

White Deer displayed some stout running by a veteran backfield, but the Ranger line was too much for the visitors to handle. Twice the Rangers stopped a

kickoff, marching 71 yards to paydirt, with a 42-yard pass from Don Dietrich to Dick Haar on the second play of the game placing the ball in scoring position on the White Deer 28. It took five plays for the touchdown, with Gene Devers and Don Dietrich carrying the ball. Dietrich pounded over from the 1-yard-line for the initial tally. Dietrich added the extra point and it was 7-0.

The second Ranger score was set up in the second quarter when Don Cooper recovered a White Deer fumble on the Bucks 9-yard-line. Cummings and Drake worked the ball to the 1, where Cummings plunged over, making it 14-0, and Dietrich added the extra point.

Late in the second quarter, Cordell Pugh of White Deer broke through the Ranger line from his 16, and went down to the 5 before Doc Carter hauled him down. Two plays later Pugh scored the touchdown, and added the extra point to make it 14-7 at halftime.

The Bucks moved to the Ranger 3 shortly before halftime but a stout Ranger defense and a recovered fumble snuffed out that scoring threat.

In the third quarter, the Rangers took the ball on their 39 and marched down the field to score, making five first downs on the way. Cummings scored from the 1, after Cummings and Williamson had alternated in carrying the ball to that point. Dietrich's try for extra point was blocked, and it was 20-7.

The Bucks drove to the Ranger 4 on a long pass from Roy Eller to Don Denham, but Perryton stalled the White Deer drive on the 3 and took the ball.

Midway in the final period the Bucks took advantage of a Ranger blocked punt on the 40 and drove to the 1-yard-line where Ray Eller scored to make it 20-13.

The Rangers came right back and marched 75 yards for a final touchdown, marked up when Gene Devers slipped around right end from the White Deer 19 for the tally. The try for extra point was missed to make it 26-13.

## Darrouzett to End Schedule Friday Night

DARROUZETT—The Darrouzett Longhorns close out their conference football schedule here Thursday night when they meet the strong Mobeette Tigers. The Longhorns have one more non-conference game with Tyrone, Oklahoma, which will be unreeled at Longhorn Field on Nov. 14 at 7:30 p. m. The Mobeette game was originally scheduled for Friday night, but by mutual agreement will be moved up to Thursday night.

The Longhorns suffered their third conference defeat last week at the hands of the Miami Warriors. The Warriors, sparked by their fine 190 pound fullback, Alonzo Mitchell, turned on the steam in the fourth quarter to whip the Longhorns 45 to 20. The Longhorns were leading 20 to 19 as the final quarter opened but Mitchell and his mates roared to four rapid-fire touchdowns, two on pass interceptions in the final ten minutes of the game to ice the game away.

DREW ELLIS, Mayor  
City of Perryton  
Perryton, Texas

DEAR SIR:

I have been auditing the books and records of the City of Perryton, Texas for approximately 15 years with the exception of the years during World War II and from this experience along with my experience with other cities in the Panhandle I would like to offer a few facts and comments as to the progress of your City management and financial conditions.

Until the last two years the City of Perryton had never prepared a budget or attempted to operate within a budget, consequently every City improvement of any major size was financed by an issue of bonds. In the past two and one-half years the City has increased the value or cost of their permanent improvements by \$62,349.72, increased their Interest and Sinking Funds by \$16,779, increased their Operating Funds by \$17,043.29 and reduced their bonded indebtedness by \$41,000.00. Financially the City has improved their condition the amount of \$136,504.80 during this period. **THIS IS A GREATER IMPROVEMENT THAN THE PREVIOUS TWELVE AND ONE-HALF YEARS COMBINED.** It is my opinion that intelligent planning and the operation of the City on a business like basis is accountable for this amazing record. **I KNOW OF NO OTHER CITY IN THE PANHANDLE OF COMPARABLE SIZE THAT HAS ACCOMPLISHED SO MUCH IN SUCH A SHORT PERIOD.**

Yours very truly,  
F. E. COAN,  
Public Accountant

I hereby certify that the foregoing statements and facts are true to the best of my knowledge and belief.

F. E. COAN,  
Public Accountant

Here's What Your  
Elected Councilmen  
Have to Say --

To the Citizens of Perryton:

We, your elected City Councilmen, have served you under both the Mayor-Council form and the City-Manager form of government. We have found through working with both that under City-Manager government the operations of your city have been much more EFFICIENT and ECONOMICAL. Records prove that MORE PROGRESS has been made under the present form of government than the old method.

As your elected Councilmen, we urge EVERY CITIZEN of Perryton to VOTE to RETAIN the City-Manager government.

Signed:

DREW ELLIS, Mayor  
CLYDE COFER, Councilman  
G. T. LEATHERMAN, Councilman  
DEAN McCUTCHEON, Councilman  
JIM ANDERSON, Councilman

## Something You Should Know!

Under the City-Manager form of government, the Council (elected by you) hires a manager who is to act in an administrative capacity. His job is NOT a political one. He may be replaced at any time by your council. Your city council sets the policy for the city and the manager is instructed to carry out that policy. The manager IS NOT a voting member of the city council, but may only make recommendations. Your elected council RETAINS ALL CONTROL, but they have a RESPONSIBLE manager to carry out the details of your city's business.

The Old method (Mayor-Council) government has NO responsible person to execute your policies. Council members themselves, individually and collectively, must supervise the city's business. Persons desiring to do business with the city must contact each councilman. With SO MANY BOSSES the conducting of the city's business becomes very cumbersome.

## From the SIDELINE

with HAROLD HUDSON

We were in Austin last Friday and Saturday for the dedication of the new \$365,000 journalism building at the University of Texas and had the privilege of hearing one of the world's great journalists speak. He was Dr. Alberto Ganza Paz, the editor of Argentina's "La Prensa," newspaper which was confiscated by Juan Peron in 1951.

"La Prensa" was one of the world's great newspapers, one known everywhere as an honest paper, and had built up its reputation through more than 100 years of service in Argentina, and emphasized that its target of a dictatorship is always the free press. The confiscation of "La Prensa" did not happen overnight—it came as a series of nibbles, beginning in 1943, and ending March, 1951, when the paper was taken over and Dr. Ganza Paz was thrown in jail.

To begin with, Peron acted against "La Prensa" by withholding government information from its reporters—censoring the news that the government wanted printed and suppressing that which it didn't want the people to know. Then came a series of newspaper restrictions, until the paper had to cut from 36 to 18, to 12, then to 6 pages daily. Still the circulation increased as people bought the one newspaper which gave them the truth about Argentina government.

"La Prensa" had always had excellent labor relations until Juan and Eva Peron combined all labor unions of Argentina into one large federation operated by the government. Then came a series of strikes, unreasonable demands, destruction of property, etc., in an attempt to bring its editorial policies under the thumbs of Juan Peron.

Finally came a strike by the pressmen's union, demanding a pay increase amounting to 20 per cent of the classified advertising revenue. Obviously, with eight unions in the plant the paper could scarcely afford to meet this demand, for every other union in the plant would be entitled

to the same increase. Things went from bad to worse until finally a strike vote was called, where 1,100 of the paper's 1,300 employees voted not to strike, but the government union bosses declared the strike was on.

During the strike, the equipment of the newspaper was torn up, hoodlums were allowed to move in and out of the plant at will, and Dr. Ganza Paz was fined for defying the government strike order. Finally, the government took over "La Prensa," and appraised its worth at 18 million pesos, a fraction of its worth. At the same time, the government levied fines of 32 million pesos against it, leaving the owners with a deficit after turning over their newspaper.

Dr. Ganza Paz managed to escape the country and is now in America, where he is sheltered by friends, hoping that some day he can go back to his native land.

There is no more free press in Argentina. Could such a thing happen in America? Seems preposterous, but Dr. Ganza Paz said he, too, though such a thing impossible in Argentina ten years ago.

The new journalism building on the Texas U. campus is ultra modern with all the latest newspapers and radio equipment needed to properly educate youngsters. Those who studied journalism there in former years can really appreciate the new building. Formerly, the journalism students occupied a building built years ago for the engineers and which actually had some bats in its belfry.

## Wolf Creek Philosopher Worries About Doing Own Work

(Ed note: The Wolf Creek Philosopher has shifted from politics to farming, if you want to call it that, his letter this week reveals.)

Dear editor:  
 Now that the election is over and I have woken up to the grim reality that regardless of all the golden promises that have been made to me I'm probably still gonna have to do my own work if it ever gets done, although I am glad to be livin' in a country where it doesn't have to get done unless I feel like it and I'm the sole judge of how I feel, I was highly interested in an article I read in a magazine last night.

According to this article, a seed which was buried fifteen feet deep in rock for 2,000 years has been found and watered and it sprouted, making a flower just as pretty as any we get today. I consider this welcome news.

It's a perfect answer to people who accuse me of being lazy, who like to ask: "What's the matter with that crop of yours? Looks like mostly weeds. No garden? Why don't you plant one?"

Under this new system, all these critics are doin' is demonstrating a lack of patience and

classmates at this dedication affair—but we must admit that we didn't sparkle with achievements like some of them did. Being in the weekly newspaper field, where we always have wanted to be, we were sorta looked down upon by those who have gone on to greater things on daily newspapers. We met fellows who were proof readers or wire editors on the Dallas News or Austin American Statesman, and a couple who worked for the Associated Press, but we didn't meet a single one with whom we would trade jobs.

The housing shortage is apparently over in Austin. We were quite amazed to drive over the town and see countless "for rent" signs on houses, along with plenty of apartments and rooms for rent. Either the boom is slipping in Austin or the town overbuilt for housing during the war.

We saw the Texas and SMU freshmen play football Friday afternoon and of course saw Texas beat SMU Saturday afternoon. We were not very impressed with the varsity game Saturday and have decided that we are losing the old college spirit. We had just about as soon see the Rangers play.

foresight and a knowledge of plant life. I remember as plain as if it was yesterday plantin' all kinds of seeds in my garden back in 1928, and the fact they haven't come up yet is nothing to get alarmed about. What's 20 years or so compared with 2,000? I planted a good crop of wheat eight years ago and the fact that it hasn't come up yet is nothing, unless you're ignorant of the scientific facts on seeds. I never was selfish. If I don't get to harvest that crop, there's a great satisfaction in knowin' somebody in the next 2,000 years may, and as far as I'm concerned, he's welcome to it. I've never seen a crop yet that wasn't easier to plant than to gather.

In fact, if the people living years ago had been more thoughtful of future generations, particularly the one I'm in, they'd have gotten more seed in the ground and we could be sittin' back now watchin' em sprout.

I hope this new discovery will silence a lot of people who like to drive around critizin' farmers and home gardeners. Just because a plot of ground is barren ain't no sign something ain't planted there. Come back in 2,000 years and see for yourself and just don't be quick to criticize.

Your faithfully,  
 J. A.

**Left Ham Sandwich -40¢**

Ambled over to Bob's Restaurant Tuesday for lunch and noticed a new sign "Left Ham Sandwich, 40¢... Right Ham Sandwich, 30¢."

"Why the sign, Bob?" I asked. "Don't tell me you believe hogs scratch more with their right leg than with their left—so's the left ham is more tender?"

"No," he says. "I don't take any stock in it. But, some people have ordered those 'left' sandwiches. When I explain to them that there's nothing to that fable, that the sign is just a business-getter, and I've only one price, they enjoy a regular, old fashioned, plain sandwich all the more!"

From where I sit, stories "right" hams being tougher "left" ones are with us as some people get ideas into head and hang onto them for life. It's like those who think an adult like myself hasn't the right to a glass of beer with my meal. I say let's keep our opinions from being "sandwiched" by misinformation.

## An Amazing Victory

General Dwight D. Eisenhower's victory for the Republican Party in the general election Tuesday was an amazing one for all but the most optimistic GOP supporters. Few people thought that Eisenhower would sweep the nation as he did in this election, and his victory is all the more convincing in that more people voted than ever before and the new President has the solid support of the American people when he goes into the White House.

The victory can be interpreted not only as a vote for one of America's most respected military leaders and private citizens—it is also a protest against an administration in which the people have lost confidence.

Governor Stevenson's chances were not helped by Harry Truman's assistance in the campaign, but the victory belongs to the principles and character of the next president—Dwight D. Eisenhower.

## Amateur Home-Building Encouraged

ROCHESTER, N. Y. (AP)—About 100 men in Monroe county, which includes Rochester are building homes for their families, according to Edwin A. Gordon, a high school history teacher and organizer of the Build Your Own Home Club.

The club meets once a month and hears talks by experts in the

fields of lot selection, financing, carpentry, masonry, insulation and other subjects. During the school year the club has a three-hour class each Friday in a local trade school.

During the past three years more than 300 Rochester area families have undertaken their own home building, says Gordon, thus saving a substantial percent of construction costs.

## Perryton vs. Dumas

### Must Increase Salaries for Teachers, Speaker Declares

The House must increase the minimum wage scale of the teaching profession in order to insure the future of the children of Texas, Speaker John H. Lovelady, Service Officer of the Texas Teachers Association, announced in an address to the T. S. T. A. unit of Ochiltree County Monday evening.

The Ochiltree County Unit of T. S. T. A. met Monday night, 8 in the Fellowship Hall of the Methodist Church. A supper of sandwiches, pie and coffee was served on tables decorated with yellow pumpkins, autumn leaves and flowers.

Members of the local unit, members of the school board and Perryton High Chapter of the Teachers of America were present. Mrs. Raymond Bowen,

president, called the meeting to order. Cecil Robison gave the invocation. Norma Davis, president of the F. T. A., introduced the officers of the Future Teachers in Perryton and told something of their organization.

Ronnie Waide and Shirley Smith have been chosen "King Pedagogue" and "Queen School Marm" to represent the Perryton chapter at the district meeting of F. T. A. Nov. 12 at Canyon. Gilbert Mize, superintendent of schools, introduced John H. Lovelady, speaker of the evening.

Lovelady's talk, "The Legislative Program for T. S. T. A. of 1952-53", included four major points of the legislative program of the Texas State Teachers Association.

In order to encourage new teachers to enter the profession to fill the ever-increasing shortage of teachers in Texas, the minimum wage schedule must be raised from the present \$2400 to a \$3000 base for new teachers Lovelady said. Since the Gilmer-Aiken minimum salary was set in 1949, the cost of living index has risen 21.9%. While 8000 new teachers were needed to fill the vacancies and provide for the increase in the number of students in Texas in 1952, only two thousand qualified teachers were graduated from Texas colleges in 1952. The only other sources of potential teachers are those teachers moving to Texas from other states, numbering 894 this year, and the possibility of enticing former teachers to return to the ranks of the teaching profession. The average salary of teachers in Texas at the present time is \$2000 a year below the average for all wage earners in the state. For this reason many teachers are leaving the profession for higher paying positions, and there is little encouragement for college students to become teachers, the speaker pointed out.

Teacher retirement, certification improvements and teacher contracts were other subjects discussed by Lovelady.

**Chlorophyll Extract Duty Rate**

NEW YORK, N.Y. — After due consideration the Bureau of Customs has classified imports of certain extracts of chlorophyll at the higher of two possible duty rates because they are used chiefly for deodorizing, medicinal and therapeutic purposes, says the current Commerce and Industry Association bulletin.

They will be classed as chemical compounds rather than extracts and preparations of vegetable origin used for dyeing, coloring, staining or tanning. The duty rate will be a 12½ per cent ad valorem whereas 7½ per cent would have been the rate as an extract.

**COSDEN PRODUCES NEW PRODUCTS**—This is the Cosden Petroleum Corporation's new 3½ million dollar BTX plant east of Big Spring which has begun producing benzene, toluene, and xylene, as the company has ventured deeper into the petro-chemical waters. Delivery will be made on initial orders of the products in advance of the scheduled date October 15. The plant is operated as an adjunct to the Cosden Refinery at Big Spring and is the first of its type in the nation to go into production. (L.P. Photo)

**GOD'S LIVING LETTERS**

By Kirby Page  
Sponsored by PERRYTON MINISTERIAL ALLIANCE

That every honest Englishman should enjoy a standard of living equal to that of prisoners in English jails was considered Utopian in the year 1890. In that year William Booth published his famous book, "In Darkest England and the Way Out." The maximum degree of optimism expressed was the hope that the day would come when "every worker on English soil will always be as warmly clad, as healthily housed, and as regularly fed as our criminal convicts—but that is not yet." He complained that "more minute, patient, intelligent observation had been devoted to the study of Earthworms" than to the study of the Sunken Section of the British people.

William Booth was born in 1829 and lived until 1912. His wife Catherine was born in the same year and died in 1890. They moved into the slums of East London and founded the Christian Mission, which in 1878 became The Salvation Army. They combined evangelistic meetings with rescue and relief work. Catherine Booth was one of the earliest women to engage in public speaking. She set an example for the many thousands of Salvation Army lassies who were to come after her.

In 1880 the work of The Salvation Army was begun in the United States. It is now operating in ninety-two countries of the earth, and has become a vast network of social services and religious activities. The Christian message is presented in countless street meetings and halls. Because of the conviction that "they serve God best who serve their fellow men," the social service program has been expanded and now includes rescue homes, children's homes, men's industrial homes, employment agencies, homes for the

aged, clinics, hospitals, youth centers, summer camps.

This mighty movement which encircles the globe is the lengthened shadow of William Booth and his illustrious wife Catherine, who found their lives as they threw them away in the slums of London.

God has given man dominion over all the earth and this heritage affords protection from evil. The Christian Science Lesson Sermon titled "Adam and Fallen Man" to be read on Sunday brings this out.

Paul saw that Adam's mistake could not doom mankind, for Christ Jesus came to show us the way out of misery. The Golden Text is taken from Paul's letter to the Romans in which he says, "If by one man's offense death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ" (5:17) in life by one, Jesus Christ.

Mary Baker Eddy, the author of the Christian Science textbook asserts that only one of the records of creation in Genesis can be true, and says, "Popular theology takes up the history of man as if he began materially right, but immediately fell into mental sin; whereas revealed religion proclaims the Science of Mind and its formations as being in accordance with the first chapter of the Old Testament, when God, Mind, spake and it was done" ("Science and Health with Key to the Scriptures," p. 537.)
