COMFORTING TO HAVE SUCH A TRUE FRIEND

Yesterday, 20 Years Ago, It Happened

By HAL BOYLE
NEW YORK (AP)—Only yesterday it happened—20 years ago yesterday.

It was then the second World War reached a great turning point as the Allies landed in force in Algeria and French Morocco. The African campaign became, as one war correspondent described it, "the back door to Berlin."

Looking back across the mists of two decades to those days of dust and blood and glory, each survivor of that vanished prime has his own particular memories now.

I was in the convoy that sailed from an eastern U.S. port to strike in three places along Morocco's famed "Casablanca Coast."

The troops were high-spirited, well-trained, but strange to combat. They were sure it would take them no time at all to whip the Nazis.

Leaning on the ship's rail, a grizzled colonel who two weeks later won the Medal of Honor for valor, looked at the infantry men around him and sighed.

"These men have no idea what they will be called upon to do before we're through," he said.

"The night before we landed watching a group of officers gazing at the young lieutenant with a fine voice.

Before dawn the next morning we struck at Fedala Beach north of Casablanca. Some of the landing craft hit coral reefs and overturned. Weighed down by their gear, dozens of soldiers drowned in the heavy surf.

Others formed human chains and pulled each other ashore through artillery fire. They had gone through the first of many baptisms.

At 2:30 that afternoon I saw for the last time the young lieutenant with the fine voice. He lay spread-eagled, eyes turned sightless to the sky, in the back of a peasant cart. A big red stain spread from his chest to his knees.

Soon a tank roared up in which stood a two-star general wearing a pistol on each side of his fatigues. He glanced over at a middle-aged colonel who still wore his green dress uniform ornamented by several rows of brightly covered ribbons.

"What the hell are you—a Christmas tree?" demanded the general in a voice like a screeching buzz-saw.

From that day on no one ever had to ask where George S. Patton was on a battlefield. They could hear him.

In three days Morocco and Algeria had been taken. In six months, after a momentous setback at Kasserine, Tunisia had fallen. Field Marshal Erwin Rommel's great Afrika Corps was behind barbed wire, and all Africa became a great Allied springboard.

But few American troops, now trained veterans, talked of going home soon. Their eyes looked older than their faces, and they would never feel truly young again.

Still ahead of them lay beaches like Gela, Salerno and Anzio and Normandy to be taken; Tunis had fallen. Palermo, Rome, St. Lo, Aachen and Cologne; and rivers like the Volturno, the Po and the Rhine to be crossed.

Albania Red Boss Reveals Rift In Communist World

By WILLIAM L. RYAN
AP Special Correspondent
Who is "the sworn enemy of the Socialist camp and the international Communist and worker's movement?"

Who prevents "the friends of the U.S.S.R. from profiting by the great benefits of Soviet science?"

Who is a traitor, a "renegade anti-Marxist?"

According to Enver Hoxha, boss of the Albanian Communist party, the culprit is Nikita S. Khrushchev.

And that seems to mean that the rift between the Soviet Communist party and the Red Chinese has become even deeper, and that there is division and confusion in the world Communist camp.

One of the reasons for the widening of the chasm appears to be Khrushchev's performance in the recent Cuban crisis. But there is more to it than that, and Hoxha seems to have let the cat out of the bag.

Hoxha has been quarantined by Moscow's ruling Communists for disagreeing with Khrushchev and siding with the Red Chinese in the squabble within the world Communist movement. He has just let go with the most violent

blast yet launched by any Communist leader against the Soviet premier.

Little, isolated Albania's economy is choking because of a Moscow bloc embargo. Hoxha made the new attack this week at a Tirana meeting of professional workers. A partial text of the diatribe has just become available in this country.

Ordinary Communists are careful about exposing the real sources of their troubles. But Hoxha appears to be a little careless. According to him, Khrushchev is guilty of a whole list of sins.

Here are some of Khrushchev's transgressions in the eyes of the Albanian Communists, which means also in the eyes of the Red Chinese:

Khrushchev believes there have been changes in capitalism and it no longer resembles the capitalism of which Marx wrote a century ago.

Khrushchev has revised Marxist-Leninist "revolutionary strategy and tactics" under what Hoxha calls "the pretext of new circumstances." This means the Soviet boss adopted the notion that it was dangerous to be actively in-

involved in the so-called "national liberation movement," meaning the fomenting of revolutions which can be infiltrated and captured by Communists.

Khrushchev refuses to accept the Albanian-Chinese view that "the East wind is prevailing over the West wind" to such an extent that conditions are ripe for aggressive movement forward on all fronts. He does not acknowledge that the risk is small despite the existence of nuclear weapons. He does not see the West, and particularly the United States, as "the paper tiger" pictured by Red Chinese propaganda.

Khrushchev, in the words of Hoxha, "prevents the friends of the U.S.S.R. from profiting from the great benefits of Soviet science, but he is generous to his revisionist friends (Tito of Yugoslavia) and to the scientists of capitalist countries."

It is obvious that this is a raw nerve with the Red Chinese, whom Hoxha and his party now extol as their only real friends in places of power.

Soviet science has refrained from aiding the Chinese to join the nuclear weapons club. The U.S.S.R. apparently has no desire to see Peiping possess the ability on its own to plunge the world—including the Soviet Union—into a thermonuclear holocaust.

The break is there, for all to see.

The world's largest wildlife sanctuary is the Etosha Pan Conservation Territory in Southwest Africa. It covers 28,000 square miles, the size of Delaware and West Virginia combined. The area protects spectacular herds of antelopes, zebras and elephants.

Junior Editors Quiz on SCIENCE

QUESTION: How come you can stroke a piece of metal with a magnet and turn it into another magnet?

ANSWER: Metal which is "magnetized" possesses a marvelous force which we use in all kinds of ways (compasses, radios, electric equipment) without fully understanding it. The bar and horseshoe magnets at the left in our picture have "poles," one of which pulls towards the North Magnetic Pole and the other toward the South Magnetic Pole. Put the north poles of two magnets together and they repel each other; but a north pole and a south pole are attracted to each other. An unmagnetized piece of metal has no such forces at work. Most scientists explain magnetism this way: each molecule of a metal is a magnet with a north and south pole (1). In unmagnetized metal, these molecules are facing in all different directions so their magnetism cancels itself out (2). But if the metal is slightly magnetized, the molecules begin to face the same way, so the north forces can operate together, and those of the south can do likewise. When completely magnetized, the molecules are neatly lined up (4). When such a magnet is stroked over unmagnetized metal, its force straightens out the molecules and so turns the second piece of metal into a magnet.

FOR YOU TO DO: Take a steel screw driver which probably is not magnetized (check by seeing if it will pick up a paper clip or needles). Stroke one pole of a magnet over the steel, each stroke in the same direction. Now it should be able to pick up several paper clips.

Tigers, Mustangs In District Battle Here

Katy, bar the door! The Sweetwater Mustangs are coming to town, and you might as well forget the rest for the time being. This is the "big one," and past history proves that season records can't always be relied upon when the Mustangs tangle with Snyder's Tigers.

Kickoff time for the District 3-AAA battle in Tiger Stadium is 7:30 p.m., and to put a little more icing on the cake is the fact that it's homecoming in Snyder. The traditional bonfire sets the mood of things in ceremonies of last night, and halftime ceremonies tonight will be highlighted by the crowning of the homecoming queen.

The queen will be chosen from a field of six finalists which includes Sherrea Bell, Mary Brien, Diana Ator, Kay Smith, Connie Robinson, and Terry Alexander.

The Pónies will come steaming into town in hopes of prolonging a perfect district slate after leveling a pair of broadsides in the direction of Lake View and Colorado City, 36-14 and 32-6. Those two easy decisions have tended to place them on the top of the 3-AAA heap along with Lamesa and Brownfield.

Snyder, winless after two outings, is currently deadlocked with Lake View and Colorado City for the number four slot. Tiger losses have been sustained at the hands of Lamesa and Brownfield by scores of 23-36 and 12-21.

For the entire campaign Sweetwater is all even with the world at 3-3-1, while the Bengals of Coach Horrace Bostick stand 2-3.

while fullback Bob Pena is still limping due to a knee injury. A pair of halfbacks—Jimmy Taylor and Eddie Kirby—have also been on the injury list and it is doubtful that either will be inserted into tonight's game.

—Herd Has Upper Hand—
 Over the years, wins and losses between the two schools have been fairly evenly divided, with Sweetwater holding a 27 series edge.

There have been no tie games since inception of the rivalry in 1926.

Both the offensive and defensive starting units for the Tigers are identical to those listed last week against Brownfield. The defensive unit will be composed of Larry Lee, middle guard; Paul Daniel and Riley Boothe, tackles; Billy Stewart and Tim Hardin, ends; Darrell Aldridge, Tom Kincaid and

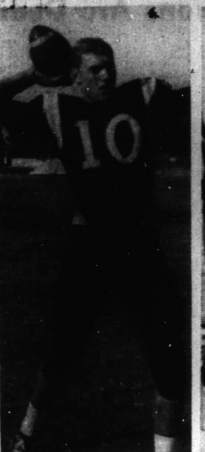

Pete Greener, linebacker; Gail Potter and Jim Marcum, halfbacks; and Walton, safety.

Game captains for the night are tackles William Robinson and Paul Daniel and quarterback Wilson.

The contest marks the final home clash of the year for the locals, who finish off their regular season on the road against Colorado City and Lake View.

NAMED TRI-CAPTAINS — Tackles William Robinson and Paul Daniel flank quarterback Jimmy Wilson, the trio of whom will serve as tri-captains tonight when the Snyder Tigers take the field for a homecoming duel against the Sweetwater Mustangs.

Panthers Ax Ira, 53-34

HOBBS—The Hobbs Panthers kept alive their hopes for a share of the District 4 six-man title here Thursday, unleashing an awesome offensive attack in sinking the Ira Bulldogs, 53-34.

Trigerman Ruben Mijares, Panther quarterback, led the way to the win, as Hobbs rushed to a 46-6 halftime lead in coasting home. Mijares scored a pair of touchdowns on his own hook on ramblings of 50 and 21 yards and passed for two more to Richard Radliff on a 56-yard gainer and to Walt Cave on an 11-yard strike. He also pinpointed Chester Campbell on a conversion toss to wind up his efforts for the evening.

Radliff accounted for two other TDs on runs of 14 and seven yards and Rudy Casias chipped in with still two more stats of three and five yards.

Tommy Lay, booted a pair of two-point conversions round out Panther point making.

The Panthers are to entertain McCaulley a week from tonight at 7:30. Going into tonight's game against Divide, the McCaulley "six" is leading the district with a 3-0 mark, while Divide and Hobbs are both breathing down their necks with only one district defeat.

Jr. Highs Suffer Triple Thumping

"Black Thursday" arrived on the scene last night, when a trio of local junior high teams drew as many blanks in appearances against Lamesa and Big Spring Runnels.

Two of the outfits tasting defeat—the eighth graders of Lamar and Travis—had entered their games with only one defeat apiece for the season.

Details on each game follow:

Lamesa 8, Lamar 9th 6

Lamesa's whirlwinds took advantage of a third quarter safety here Thursday night in nudging out the home team, 8-6, in a game played under clear but chilling skies.

The Texans struck first, thanks to some fancy stepping by Bill Blum on a second quarter punt runback. Blum gathered in the victory here Thursday night in nudging out the home team, 8-6, in a game played under clear but chilling skies.

Lamesa 14, Lamar 8th 8

Lamar 8th struck first, saw its advantage whiffed away, and failed in a final hour bid for a 6-6 tie and Margie Lammert third.

The defeat was only the second of the year for the Texans, who may boast of five victories.

Travis Home; Pee Wees To Perform

Saturday afternoon and evening will have a definite air of football in it from a local angle, with three games of note on the menu.

First of all—at 2 p.m. on the Tiger Stadium turf, the Travis 9th Elite Devils will engage Big Spring Runnels, a team that rocked them back on their heels last week with a 22-6 pasting.

The site of the contest was switched from the Junior High field late in the week when plans were revealed of intentions of several busloads of Big Spring students to make the trip over.

The Blue Devils are 4-3 for the year following victories over Lamesa, 5-0; Angelo Lee, Sweetwater and Goliad coupled with losses to Big Spring Goliad, San Angelo Edison, and Runnels.

Pee Wee gridlers will be in the limelight at Tiger Stadium during the evening and night, when a grid doubleheader will be reeled off there.

Kicking off the activity at 6 o'clock will be a clash matching boys not named to the All-Star team. Following that at 7:30 is the All-Star contest matching teams representing Scurry County Boys' Club and Panther Boys' Club of Fort Worth.

Tickets for the Pee Wee clashes are a dollar for adults and 50 cents for students, with proceeds earmarked for the covering of expenses, repairing of present football equipment, and the attaining of additional equipment for next year's Pee Wee program.

Bengal B Faces Tors Tomorrow

Snyder B's Tigrs are hoping that history may repeat itself in Lamesa tomorrow night at 7:30 when the Bengals go up against Turney B of Lamesa High.

The particular bit of history referred to reverts to an earlier meeting a month ago when Snyder won out, 22-8.

The Black and Golders will enter the game sporting a 3-3 record. In addition to the victory over Lamesa, they have also come through to defeat the B teams of Sweetwater and Colorado City.

The Bengals will cap off their season Thursday in Colorado City in another return match.

Ducats For College Tilt On Sale Here

McMurry College of Abilene will lock horns with Louisiana College Pineville, in a grid battle slated for the night of November 17 in Tiger Stadium here, and tabs are now on sale to Tiger season ticket holders at the Ben Franklin Store located on the west side of the square.

By purchasing the ducats now, season tab holders will be assured of the same seats as they have for Tiger games.

Priced at \$2 each, the sale will be thrown open to the general public Monday.

Turkey Shoot Planned By Canyon Gun Club

The Canyon Gun Club announces that it will be sponsoring a turkey shoot at the club range Sunday beginning at 1 p.m., and invited everyone interested to participate.

Two turkeys for each event will go to the winners. Those events include trap shooting, pistol shooting, rifle, small bore and large bore at 100 yards.
