

Preparing 'Money Trees'

Mrs. Mary Ann Holman, Chamber of Commerce office secretary, is surrounded by "Money Tree" posters as she prepares display cards that will list winning numbers for shoppers on the trees in 86 business and professional firms here Saturday.

EACH WORTH \$1 TO \$100

'Money Tree' Numbers On Display Saturday

Colorado City's first "Money Tree" day is scheduled Saturday with 258 winning numbers certain to be posted.

Any person whose motor vehicle license number matches one of the 258 "Money Tree" numbers will win cash certificates ranging from \$1 to \$100.

"Money Tree" posters will be displayed at 86 firms. Each poster will display three numbers. Every number will be different and every number will be a winner.

A total of 89 business, industrial and professional firms are participating as sponsors of the "Money Tree" program, which will offer \$3,000 in cash certificates to shoppers in the period from Saturday through Christmas Eve.

But three of the firms — Root Hospital, Rhode-Cowan Clinic and City National Bank — will not display tree posters with numbers.

Numbers posted on the poster trees Saturday will be selected at random from a master list of motor vehicle license plates in Mitchell County and this vicinity.

New numbers for all 86 participating firms will be changed again Tuesday when the second "Money Tree" event arrives on the calendar.

Persons whose license plates match winning numbers posted on "Money Trees" will obtain the poster numbers from the businesses where they are displayed, then take the num-

bers to Chamber of Commerce.

They will not know the amount of their prize until their numbers are checked with a secret prize list at the chamber office.

Prizes will be cash certificates good as money for purchase at any of the participating firms.

Each certificate will be redeemable as cash for purchases in any of the "Money Tree" firms.

BE CERTAIN

You must ask in person for your winning number if it is displayed. No information about numbers will be given over the phone.

Persons under 16 years of age cannot ask for numbers on display.

Winners will be from license number lists of area cars. If your motor vehicle was registered in another county, register your license number on the list by phoning Chamber of Commerce, RA 8-2211.

County Attorney Reveals Magazine Clean-Up Policy

Mailing Permits Are Necessary

County Attorney Frank Ginzel Thursday announced a three-point policy for permanent crackdown on magazines suspected of being immoral and corruptive.

The policy, aimed at removing dozens of magazines from news stands within the county on a "voluntary" basis, was decided upon by the county official after a study of several weeks.

Study of the problem — which included conferences with Oklahoma and Texas attorneys representing magazine distributing firms — began after Ginzel, Police Chief Leon Yeager and Deputy Sheriff Lewis Claxton removed bundles of "samples" from magazine racks more than a month ago.

The policy announced by Ginzel Thursday as the decision of law enforcement authorities here in Colorado City and Mitchell County is:

1. No magazine would be distributed or offered for sale in this county that did not have a second class mailing permit. Under our state law, you do not have to take any magazine that you do not desire, as we have a state statute which makes it a criminal offense for any distributor to compel, under the guise of obtaining good magazines, questionable and illegal magazines along with the good.

2. Certain other magazines, which are Swank, Pose and one or two others which have second class mailing permits, were requested to be withheld from the news stands in as much as the publications purport to be devoted mainly to intrigues between men and women and to immoral and depraved conduct.

3. There are several magazines which are at present on the doubtful list, and they will be checked another time or two. They are as follows: Night and Day, Gent, Escape, Playboy, Scene, Man to Man, Man's Life, Sensation, Whisper. Subsequent issues will be checked to see if they improve and if not, the distributors will be requested to

Square dancers from more than a dozen West Texas cities will whirl to the tune of Western music Saturday night in Civic House.

They will be members of the Westerners Square Dance Association, whose membership stretches over almost half of Texas.

Callers for the dances will come from 11 different West Texas cities.

These include Jack Fomby of Sweetwater, Kenneth Wood and Ned White of Snyder, Jack Webb, Harvey Blakeway, Ralph Bradford, Asa Largent and Peggy Lane of San Angelo; Owen Renfro, Opal Renfro, Jack Chaney, Helen Chaney Ralph McMullen and Bill Adams of Abilene; Bart Westfall of Barnhart, Ivy Witt of Hamlin, Tyrus Davis of Robert Lee, Claude Newborn of Merkel, Dr. Bruce Johnson of Lorraine, B. HERE IN COUNTY

Voters Defeat 5 Amendments

Mitchell County voters favored only four of nine proposed constitutional amendments in Saturday's general election.

And at the same time, the 1,171 voters who went to the polls handed the Democratic candidates tremendous margins over Republicans.

Suffering the heaviest defeat at the hands of the voters in the county's 10 boxes was

amendment No. 1 for annual sessions and adequate salaries for state legislators. It was voted down, 673 to 295.

Meeting favor with county voters were:

Amendment No. 3 (666 to 298) — to allow county commissioners court to fill vacancies in the office of county judges and justices of the peace only until the next general election;

Amendment No. 4 (569 to 402) — to provide for automatic resignation of a district, county and precinct official who announces for any other public office more than one year before the end of his term in office.

Amendment No. 6 (496 to 488) — to provide pensions, not to exceed \$80 a month, for retired Texas Rangers and widows of Rangers.

Amendment No. 8 (625 to 372) — to allow legislature to appropriate money to pay for medical care for people who receive old age assistance, aid to the blind and aid to dependent children.

Narrowly defeated were amendments No. 7 and 9. No. 7, providing for state advertising money, was defeated by county voters 500 to 466 while No. 9, providing for creation of hospital districts in certain counties, lost out here by five votes, 463 to 463.

Other amendments defeated, in addition to Nos. 1, 7 and 9 were No. 2 (647 to 319) providing for county retirement benefits, and No. 5 (557 to 364); allowing longer terms for city officials.

Mitchell County's vote did not conform to the state wide trend where only two of the nine proposed amendments were voted down — amendments No. 1 and 2.

In the race for governor, Price Daniel received 1,090 to 77 for Edwin Mayer of Sonora.

Senator Ralph Yarborough polled 1,060 to 71 for the GOP's Wittenburg and one for the Constitutional Party's Logan.

Mrs. Welch, 89, Dies at Local Home

Mrs. L. L. Welch, 89, long-time Mitchell County resident, died Tuesday night at the home of a daughter, Mrs. C. P. Gary, 544 Chestnut.

Funeral services were conducted at 10:30 a. m. Thursday in First Baptist Church with the pastor, Rev. J. F. Selcraig, officiating, assisted by Rev. W. D. Green of Lorraine and Rev. W. C. Ashford of Abilene.

Mrs. Welch was born in Leesville, Gonzales County Feb. 1, 1869.

She was married to Lynton Lee Welch in Del Rio May 3, 1887. The couple crossed the Rio Grande into Old Mexico by ferry boat and rode horse back for two days to reach the camp that was to be their home for the next two years.

They moved back to Texas and lived in Edwards and Llano Counties before moving to Mitchell County in 1902.

Mr. Welch died in 1938, one year following the celebration of their golden wedding anniversary.

Mrs. Welch has been a member of the Baptist church for

GUARD INSPECTION

Army Rates Unit Here 'Excellent'

Colorado City's National Guard unit has earned a rating of excellent from U. S. Army inspectors.

Letter informing Battery C, 648th Armored Artillery Battalion, 49th Armored Division, of its rating was received this week by the battery commander, Capt. Etheridge E. Howerton.

Inspection of the unit was conducted here recently by Lt. Col. Byron K. King of the IG Section, Headquarters, Fourth Army, Fort Sam Houston.

The excellent rating — one of the highest levels a National Guard unit can obtain — was cited as even more outstanding for Battery C because the local unit is under strength.

Few units can achieve excellent rating without minimum number of personnel.

Rating for the unit was based on the regular Army officers' inspection and grading of the battery's efficiency in training, progress of the

unit as a whole, administrative records, supplies and maintenance of weapons and vehicles, plus regular drill inspection.

Only one rating — superior — is higher than the excellent mark received Battery C. And the superior rating goes to only one unit within a battalion — this fall to 648th Battalion's headquarters battery in San Angelo, which is up to strength.

Battery C now has 43 officers and men — a slight gain since the unit was placed on probation last month because it was below the minimum for personnel.

However, the unit still needs 51 officers and men to meet the minimum, which is 50 percent of full strength allowance of 101 officers and men.

Battery C has added nine new members to its ranks during the last month, but at the same time has lost seven members who have transferred to units in other cities.

\$199,119 GAIN SINCE OCT. 1

11 More Permits Jump Building to \$741,810

Eleven additional building permits have spiraled new construction in Colorado City up to the three-quarter million dollar mark.

The new permits, all registered at City Hall during the last week, amount to more than \$124,000 in construction within city limits.

These boost the 1958 total to \$741,810 — all in private business or residential projects.

Approximately \$200,000 of this year's total has been added since last Oct. 1.

Nine residential building projects, and two commercial jobs are included in the latest \$124,000 list of building permits.

Largest is the \$40,000 permit obtained by Virgil E. Stone, building contractor, for expansion of Rhode-Cowan Clinic, 505 Chestnut.

The addition to the clinic with concrete tile and masonry, adding 3,000 square feet of floor space to the building.

Two local and one Abilene firms were among contractors listed for the residential building projects. Heading the list was Allied Contractors Inc., which obtained permits for five new residences plus an addition.

Here is the list of the latest permits: Allied Contractors Inc. frame residence with brick trim, 1107 square feet, at 912 Rusk, \$12,000.

Allied Contractors Inc. frame residence with brick trim, 1082 square feet, at 920 Rusk, \$12,000.

And that amounted to a net profit of \$700 for the P-TA according to Mrs. Virgil Brown, treasurer.

"The Halloween Carnival" started for a record crowd of approximately 1300 parents, students, grandparents and friends. "Was the greatest financial success in the history of the school," Mrs. Brown emphasized.

"Proceeds from this project will be used for various phases of the school program which will be voted on at future Primary P-TA meetings," Mrs. H. Jene Steakley said.

Biggest money makers for the night were "Gunsmoke" and pantomimes — netting

Parachute Drops

An object dropped from 16 miles high in the sky last Thursday to the ground at the residence of Jackson P. Ellis, 1537 Waco.

Ellis watched the object, a box attached to parachute, touch the ground at exactly 9:14 a. m.

It was a weather instrument released two days earlier from the U. S. Weather Bureau's Midland Station.

Data recorded in the sky flight revealed that the weather instrument, carried upward by balloon, had reached an altitude of 84,480 feet—16 miles high—before beginning its trip downward into the Ellis yard.

Ellis mailed the instrument and its data to Ollet, Ill., per instructions listed by the Weather Bureau.

LAKE VIEW FAVORED

Chiefs, Wolves Battle In Angelo Friday Night

Lake View High School Chiefs will be trying to break a three year drought when they meet the Colorado High Wolves football team Friday night.

Lake View has never beaten the Wolves since they began playing each other four years ago, but they will probably be favored to break that record when they host C-City in Chief Stadium at 7:30 p. m. Friday.

Lake View's record of four wins and three losses against C-City's mark of one win, five losses and one tie is justification for the Chiefs' role as favorites in the District 3-AAA battle.

For the Wolves, it will be a test — to determine if two weeks without a game has lessened their ardor displayed in the 12-12 tie with Snyder in the district opener.

If the Wolf coaches can rekindle that fire in the team, the Wolves will probably continue to hold that jinx over Lake View.

It started back in 1955 when the Wolves edged the Chiefs, 9-0, in the season opener.

In 1956, Wolves had gone under in defeat nine times before they whipped past the Lake View team, 19-7, in the season finale.

Last year, when the Wolves had a fine 7-3 mark, they had to rally in the last half to squeak by the Chiefs on a snow-covered field, 14-13.

Lake View has been a football doormat for years, but this year appear to have hit the trail upward.

They lost the season opener in the last 10 seconds to Kerrville, one of the top ranked Class AAA teams in the state. After dropping the next game to Brownwood, the Chiefs caught fire.

They ran over Ballinger, a team that beat C-City 22-0; whipped Del Rio and Pecos before being edged by Odessa Ector, 20-14.

Chiefs Coach Floyd Elkins has a veteran letterman at every position. And his backfield has speed, something C-City has lacked desperately this season.

A smooth passing attack is one of the main offensive features of the San Angelo team.

Providing the pass catching are three large ends — William Keel, 6-6, 170; Jerald Martin, 6-5, 180, and Billy Winans, 6-3, 170. Martin is ranked the top pass receiver while Keel stands out on defense.

Another rangy lad is tackle Roland Perry, 6-4, 186, while his running mate at the other tackle is Burt Terrill, 164, seeking his third letter with the Chiefs.

At guard along with his twin brother is Burl Terrill, 162, rated the best guard and blocker on the line.

David Norred, 172, holds down the other guard slot. At center is Jimmy White, 160, one of 16 lettermen who returned to the team this year from the 1957 squad.

The Lake View backfield lost its great Rex Wilson, who singlehanded almost beat the Wolves last year.

But they still retain plenty of size, experience and speed.

Three Lake View backs have scored a total of 86 points this year with halfback Lawrence Mixson, 147-pound scat-back leading the way with 44 points, fourth highest in the district.

Gary Warren, 162-pound full-back, has marked up 26 points while mighty mite halfback Martin Mosely, 123-pounder, has racked up 16 points.

This is in comparison with C-City's top scorer, Freddie Womack, who has scored 12 points, followed by fullback James Shoemaker with 10.

James McCall, 133-pounder, guides the Chiefs at quarterback.

Coach Homer Jefferson has worked the Wolves for the past two weeks on stopping the Chiefs' passing attack and slippery little backs.

The team was reported in good physical shape this week with Shoemaker recovering from a flu attack.

Dickie Richardson has recovered from the leg injury

Indian Hunters

Two quarter backs, a halfback and a guard on the Colorado High football team will be among the Wolf pack trying to stop the Lake View Chiefs Friday night in San Angelo. Left to right are quarterbacks Jay Shimer and Jerry McKay; halfback Don Welter and guard Bobby Caffey. Both Welter and Caffey were switched from quarterback to halfback and guard this season.

and will probably start on defense Friday night.

Jefferson will probably go along with the same offensive and defensive lineup he used against Snyder.

The offensive starters will be Mike Schoolcraft and Philip Bates at ends; Raymond Weaver and Ken Simmons at tackles; Bobby Caffey and Larry Hardcastle at guards; Burnaldo Lujan at center; Jay Shimer at quarterback; Womack and Lucky Merket at halves and Shoemaker at full.

Weaver and Simmons are expected to lead the Wolf

defense. Snyder Coach John Conley was high in his praise of the rugged twosome following that game. They combined for 17 unassisted tackles and five assists against the Tigers.

Expected to come in on defense will be Mike Wheeler, Richardson, Jerry McKay and Don Welter.

Starting game time is 7:30 p.m. at the stadium, located in North San Angelo near the Sterling City Highway.

Practice of barbecuing originated in the South.

Hayes Tops District In Point-Making

Dick Hayes, Snyder half-back, leads the scoring race among District 3-AAA players.

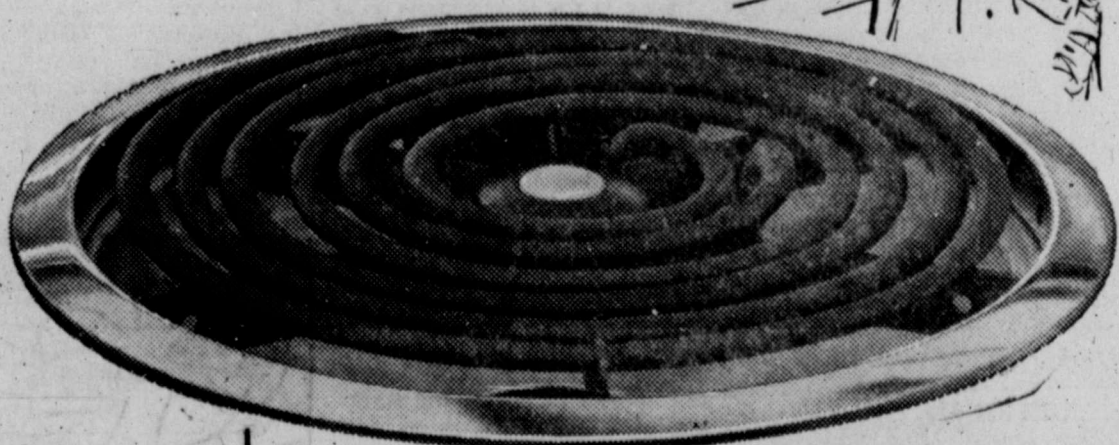

Hayes has scored nine touchdowns and kicked an extra point for a total of 56 points this season.

Larry Marshall of Lamesa is close on his heels with 51 points followed by Sweetwater's James Parker with 46.

Lawrence Mixson of Lake View has 44 points for fourth high.

H-SU TICKETS TOP PRIZE

Tough Games On Football Contest

Football guessing contestants will wade through a tough field of games this week in an effort to win the first prize — two reserve seat tickets to the Hardin-Simmons vs. West Texas State game.

The Border Conference contest is scheduled Nov. 15 in Abilene.

Key game is Colorado City vs. Lake View, a game scheduled Friday in San Angelo.

Snyder at Lamesa is scheduled to a tough game in District 3-AAA while Sweetwater goes outside the district to battle Littlefield.

Hardin-Simmons will try to knock off Arkansas in a game of interest to this area.

In key Southwest Conference games, Texas A&M goes to S. M. U. while Texas tangles with Baylor at Waco.

Army at Rice will be the top intersectional game of the week. McMurtry may find unexpected trouble at New Mexico A&M after the New Mexicoans almost beat strong Arizona State last week.

Texas Tech will be favored over weak Arizona U. in Lubbock.

Contest blanks should be mailed prior to 7:30 p. m. Friday or brought to the Record office by 5 p. m. Friday.

The first settlement at Baltimore was made in 1662.

Packers Try Bears Sunday In TV Tilt

The hapless Greenbay Packers, fresh from a humiliating defeat at the hands of the astounding Baltimore Colts, will try to make a comeback in Sunday's CBS Game of the Week when they meet the Chicago Bears. In last Sunday's game the Los Angeles Rams halted a fourth period surge by the Bears to win 41-35.

The Bear line features some of the top ground gainers in the pro ranks in Rick Casares, J. C. Caroline, and Willie Galimore. Ed Brown, versatile Bear, will probably run his team again this Sunday, with relief from Zeke Bratowski. The Packers will be hoping to be more effective than last

Sunday when quarterback Babe Parilli was stopped cold when it came to the payoff. Bart Starr will relieve Parilli for the Packers.

Both teams feature liberal sprinklings of Southwestern stars, such as Bill Howton, Bill Forester, Bobby Dillon, Willard Deveau, and numerous others.

The game can be seen in this area over Station KPAR and KEDY-TV.

Rice-Army on TV

The Rice-Army football game will be televised in this area Saturday 1:45 over KEDY-TV, Big Spring.

Kern Tips and Alex Chesser will describe the action.

Chapter VII in the Borden Quality Story

Cindy finds out why Borden's is the best-tasting milk!

"There's this loud room with big machines in it. Here's what it does. Mixes the cream all up with the milk to where they can't come apart and the Borden man said that's why it tastes so rich and smooth. I drink Borden's Milk even in my pajamas."

HERE IN COLORADO CITY . . .

Borden's Milk more than meets the highest standards of wholesomeness, richness and purity. That's because of Borden's strict quality control program followed consistently on the farm . . . during processing . . . even in delivery. And that's why you'll want to make sure the milk your family drinks is Borden's — the best-tasting milk in town!
