Collingsworth County Farmers Union members will meet for their annual convention Monday, September 17, in the Heritage Room, President Donald Langley has announced.

The meeting will begin at 8:00 p.m., and all members are urged to be present.

Two major pieces of business will come before the group.

Officers and directors for the coming year will be elected, and afterwards, resolutions will be adopted. These will be presented by county delegates before the state convention December 6 through 8.

Mr. Langley is in his second term as president of the Collingsworth County FU. Doug Seal is first vice president; Delbert White, second vice president; and Mrs. Dudley Phipps, secretary.

Refreshments will be served at the close of the meeting.

Services for W. L. Cannon Held Monday

William Leslie Cannon, 69, of 1406 Amario Street, died in Collingsworth General Hospital at 10:05 Sunday, September 9. He had been ill since December, 1972.

Mr. Cannon, with his wife and youngest daughter, moved here from Borger 5 years ago following his retirement.

He was employed as a stillman for Phillips Petroleum Company at Phillips for 10 years, 1945 to 1955. During the three and one-half years following that, he worked for the government of Iraq in newly-built oil refineries, teaching men of that country to operate the facilities.

The family lived in Bagdad, Iraq, during that time, and traveled extensively in the middle east and through Europe.

Upon returning to the United States, they again made their home at Borger, which was the family home altogether for more than 20 years.

Mr. Cannon was a Baptist and before his retirement, was active in civic work.

He was born at Caddo, Oklahoma, September 3, 1904, the son of Joseph S. and Mary E. Farmer of Cannon.

He was married to Pauline Coble March 15, 1939, at Ontario, Calif.

Funeral services were conducted at Kelo Chapel at 2:00 p.m. Monday, September 10. Officiating was by Rev. J. L. Langley.

AWARD WINNING AGRICULTURAL BOOTH

The booth prepared by Quail Future Farmers of America Chapter was awarded the grand champion's purple rosette at the Collingsworth County Free Fair. Twenty different vegetables, grass

C-C Membership Drive Slated to Open Oct. 1

The Collingsworth Chamber of Commerce will launch a county-wide membership drive Monday, October 1, seeking to draw into the organization additional talent that lies within the area, President Dan Hiett announced following a directors meeting Monday night, September 10.

Charles Floyd was named as membership chairman and Mrs. Esta Glenn co-chairman. Mr. Hiett will work with them. Plans for the drive were begun in the meeting.

Pat McAlister was installed as a director to fill the unexpired term of Garner Altom and will serve until July 1, 1974. The vacancy was created when Mr. Altom was moved up to vice-presidency.

Banquet plans will be made by a committee appointed by Mr. Hiett in the meeting, and headed by Mark Saied, Jr. Other members are Bill Hatch, Tra-

vis McGuire and Jimmie Kelso.

The Chamber will buy additional bunting to decorate business houses on festive occasions. Mr. Hiett said. Some of that now in use is becoming worn. Vandals tore the bunting from two store fronts on the second night of Fair Week. Merchants will be contacted and asked to co-operate in this.

Two new projects will be upcoming in the immediate future, Mr. Hiett said.

Brackets for the new Christmas lights along Highway 83 through Wellington will be put up well ahead of time for the decorations to be placed.

Boys and girls of the three county schools have a part in the chamber work, too, the president explained as he announced that a contest will be conducted to select a slogan appropriate for the county. An a-

ward will go to the student writing the winning entry.

C-C Directors expressed themselves well pleased with the interest shown in the Fair which ended Saturday evening, Sept. 8.

The carnival, principal money raising event for financing the Fair, was successful in spite of being rained out two nights. It lacked only \$40 of reaching last year's total. Mr. Hiett said.

The Jost Amusement Company of Stamford, owner of the carnival, also was satisfied with the outcome and gave a verbal return for the 1974 Fair. A contract will be signed within a short time.

"These people told us that when they come to Wellington, they feel like they are at home," commented the Chamber head.

Counselor to Speak At Alcohol Meeting

A well known alcoholism counselor will share the alcohol abuse meeting with two local people, Thursday, September 13, in Bura Handley Community Center. The time is 8:00 p.m.

Dick Martin of the Amarillo Hospital District will open the meeting to be followed by County Attorney R.L. Templeton and Mrs. Jimmie Sessions, Coordinator of the C.A.C. programs in the eastern Panhandle.

Mr. Martin has twenty-one years experience working with the alcoholic and is widely known for his work.

Prior to joining the treatment program in Amarillo, he was one of the three authors of the State of Virginia's overall alcohol abuse and alcoholism plan.

Martin, one of the pioneers in the alcohol treatment and rehabilitation field, will speak on "What is an alcoholic and what makes him drink?"

County Attorney Templeton will discuss how Wellington and Collingsworth county are affected by excessive drinkers. Thirty or more DWI charges

are filed in the county each year.

Mrs. Sessions will speak on the connection of alcohol abuse to other social and financial problems.

County Judge Zook Thomas will again open the meeting. The Judge has been very active in obtaining this series of meetings for the citizens of this area.

"Alcohol abuse affects the lives of millions and is rated the number one health problem in America at this time. Public knowledge of the problem is the first step in combatting it," declared the judge.

RSVP Center Needs Listed

Mrs. Carroll Reynolds has been named office secretary for the Retired Senior Volunteer Program, according to an announcement by Mrs. Haskell Manuel, program director.

This federally funded program covers Collingsworth and Wheeler counties and is aimed at keeping retired persons in the mainstream of community life.

Mrs. Reynolds has been employed at Ace Hardware for eight years and has participated in a number of community activities.

At the same time, Mrs. Manuel asked for the donation of used chairs, tables, folding tables or sofas which local residents may have and do not need. These are to be used in furnishing the RSVP office at 915 West Avenue.

This will serve as headquarters for the two-county program, but it will also be a meeting place for senior citizens, Mrs. Manuel said.

Voters Approve Sales Tax for City 255 to 24

Wellington voters approved by a more than 10 to one vote, a city sales tax for Wellington, and with it a lowering of the city property tax rate.

The vote for the sales tax was 255 with only 24 voting against it. Total ballots cast were 279.

Collection of the sales tax will not begin until January 1, 1974, according to City Manager Lyman Daniel.

He will submit the election returns to the Comptroller of Public Accounts by October 1, and the remaining three months will be required to complete the collection procedure for Wellington.

The city will receive its first sales tax checks from the comptroller June 15, 1974, and quarterly thereafter.

In the meantime, the City Council will lower the 1974 tax rate from the present \$1.30 per \$100 valuation to \$1.05. The 1973 tax rate has been set already at \$1.30.

Mr. Daniel said he anticipates a minimum of \$32,000 annually in sales taxes for the city. Property taxes collected by the city will be lowered by the loss of tax revenue from the resident homestead exemption for persons over 65 years and homestead exemptions for certain disabled veterans.

After these are equalized, the

city manager anticipates the city will have a minimum of \$21,000 revenue increase over the present figure.

Property valuations within the city were \$4,100,117, for

1972, the latest complete figures, according to Mr. Daniel. He pointed out, however that there will be some increase in valuations due to new building within the city.

Skyrockets Idle, Others Meet Irish

The Skyrocket Junior Varsity holds the spotlight this week, opening their season schedule against Shamrock Junior Varsity at Powell Field. Game time is 7:00 p.m. The Skyrockets have their only open date Friday, September 14.

Gasoline Fire Destroys Pickup

Gasoline spilled in the back of a pickup was believed to be the origin of a fire that destroyed the vehicle Sunday, Sept. 9, 5 miles south of Wellington on US 83, about 11:00 p.m.

Patrolman Jackie Gunnels said the driver of the pickup, Billy Satterfield of Altus, Oklahoma, reported that he put on his brakes to keep from hitting a small animal that ran across the highway. When he did, a can of gasoline he was carrying in the pickup bed turned over and the blaze flared up almost simultaneously.

The 1969 Chevrolet was a total loss, the patrolman said. The driver of a car behind Satterfield stopped to help him call for help.

The Altus man operates a well servicing business.

will be played in the Shamrock High School stadium, with seventh graders playing at 6:00 p.m. and eighth graders at 7:00 p.m.

The Wellington youngsters will be pitting their strength against two of the stronger junior high teams in the area. Shamrock defeated Wellington twice last year, and in addition, they have one game already behind them this season, having met McLean last week.

More Veterans Attend College

A 14 percent increase in fiscal year 1973 pushed GI Bill school enrollments past 2.1 million to the highest level in 22 years, reported Jack Coker, VA Regional Office Director.

Included among the 2.1 million veterans who trained under the GI Bill in fiscal year 1973 were 1.2 million in college, 756,

Saturday and Sunday will start at 8:00 p.m. Admission will be \$1.50 for adults and \$1.00 for students and children. All funds will go to benefit the scholarship funds for "Texas" Originals, West Texas State University, and the Ballet Companies.

000 in other schools, and 189,000 who took apprenticeship or other on-job training.

Coker commented that increased enrollments had been expected, and "reflect, in part, efforts of many veterans discharged prior to enactment of current benefits to make use of them before the eight-year May 31, 1971, expiration date."

It was explained, however, that these same veterans have until August 30, 1975, to complete on-the-job training, farm cooperative, flight, and apprenticeship programs, because these programs did not become available until October 1967.

VA has paid \$27.1 billion to educate or train 14.3 million veterans and servicemen since World War II. A breakdown reveals \$14.5 billion went to 7.8 million World War II veterans, \$4.5 billion to 2.4 million Korean Conflict veterans, and \$8.1

billion to 4.1 million Post Korean Conflict veterans (service after Jan. 31, 1955, including Vietnam Era veterans.)

The agency currently pays \$220 monthly GI Bill benefits to eligible single veterans who train fulltime, with higher allowances to those with dependents.

To be eligible, a veteran must have received an other than dishonorable discharge after at least 181 days of active duty, any part of it after January 31, 1955, or be released for a service connected disability, regardless of length of service. Servicemen on active duty also become eligible after at least 181 days of active service.

FARMERS FEED THE WORLD

Traditionally Collingsworth County Farmers Union carries out the theme of the farmer's part on the world scene. The food and fiber provided by American farmers was shown on this float, which placed first in the Fair parade division for adult organizations.

Quail FFA Has Champion Agricultural Fair Booth

Agricultural exhibits at the Collingsworth County Fair mirrored the condition of county crops, and individually, they were some of the best seen in recent years.

The Grand Champion agricultural products booth was entered by Quail FFA, while the reserve champion was Samnorwood FFA. Third place went to Wellington FFA. Each of these had 20 products. In addition, Monty Mitchell of Marella prepared a booth which later will represent the county at the Tri-State Fair, Amarillo. Another booth was made up of a variety of products.

Individual entries were featured together in still another booth.

Two days of heavy rain immediately preceded the Fair opening, and some of the crop entries had to be gathered in the downpour. Nevertheless, when they appeared in the booths, they were in prime condition.

Some classes were smaller, but this is due to the lateness of some crops, which were not ready at this point to be gathered for showing.

Lung Association Scholarship Goes To AC Student

Mrs. Jimmie Sessions of Wellington announced today that the American Lung Association of Texas has approved a scholarship of \$200 in Christmas Seal funds to be granted a student of respiratory therapy at Amarillo College.

She said that recipient of the scholarship grant, given to help to close the professional manpower gap for hospital care of patients suffering from such conditions as emphysema, pneumonia, asthma and bronchitis, will be announced later.

Mrs. Sessions serves with Mrs. Tessie Burba of Wellington as Collingsworth County representative for the Lung Association. The Association this year changed its name from TB and Respiratory Disease Association, calling it "a shorter name for a broader aim," including not only tuberculosis, but all lung diseases.

Group Attends Annual Blood Program Meet

Mr. and Mrs. David Baumgardner, Mr. and Mrs. Garner Altom and Mrs. Ernest Harwell attended the 56th annual meeting and report of the Red River Regional Blood Program of the American National Red Cross Friday night, August 31.

The speaker was United States Senator John G. Tower.

"When this part of our nation was being settled," said Mr. Tower, "people helped each other and you could always count on your neighbor to come to your aid in time of need. The Red Cross has taken the place of that neighbor and daily cares for the needs of millions throughout the world."

Dr. Arthur F. Beyer of Wichita Falls is the chapter

chairman.

Harold Bristol, chairman, gave the report on the blood program, that part with which this county is most closely associated.

The Red River Regional Blood Center is a cooperative venture of some 25 Red Cross chapters and 32 separate hospitals located in 18 Texas and 7 Oklahoma Counties.

Last year, some 9,000 people voluntarily donated their blood and in addition 2,700 volunteers participated in the Blood Program.

Over 12,400 units of blood were collected and processed to meet the needs of the people of our region and certain other needs such as Veterans Administration Hospitals. The 25 per cent increase in collection of this Center was the third highest in the United States last year.

The only centers with larger increases were in Illinois, where a state law requiring blood to be labeled as coming from paid or volunteer donors has greatly reduced commercial blood collections and boosted volunteer donations.

The Blood Center's annual budget of approximately \$240,000, which is separate from the Wichita County Chapter budget, is met primarily through hospital participation fees from the hospitals served. The balance of the budget is provided, on a fair share basis, through the fund campaigns of the various participating Red Cross Chapters.

Mr. and Mrs. James R. Bowen visited recently with their son, Pfc. Reece Bowen, who is stationed at Ft. Leonard Wood, Missouri.

Hollis Wins Over Skyrocket Punch

By COLQUITT NASH

Wet skies greeted the Fighting Skyrockets as they launched their 1973 Gridiron Campaign in Hollis, Oklahoma last Friday evening. And as the smoke cleared from the field, the Rockets were on the short end of the 6 to 0 score. However, this was not by their own choosing or by their lack of punch on the field.

Randall Hodges began the Wellington attack by taking Hollis' kick-off on the 15 and turning it back upfield to the 45. Then came half of the combination that was to keep Wellington off of the scoreboard, bad breaks. Mike Williams took the ball up the middle but fumbled it at the 50 yard line. The ball was picked up by Raymond Butler of Hollis. After a two yard dive, Hollis called on Kevin Seddon, their workhorse for the evening, to pick up their first down on two six yard gallops. Raymond Butler then made up for his fumble recovery by losing the ball to Neal Cochran on Wellington's 35 year line. Coming up under the ball, Randall Hodges tried unsuccessfully to move the ball against the Hollis defense. Punting away a 30 yard kick Wellington stopped Seddon after a two yard return to the Tiger 27. The Hollis drive was slowed down by a 15 yard holding penalty and on the punt, a 5 yard offside penalty.

Taking over on the 40, the Rockets promptly gained a first down on a 14 yard run around the end by Hodges. Wellington then picked up another six yards before the other half of the deadly combination struck. After an end sweep that gained a first down, Randall Hodges drew a penalty for not having his protective mouthpiece in his mouth as the new rule states. So from 15 yards back the Rockets began again only to be intercepted by John Green. Hollis took three plays to mark up another first down, then after a holding and penalized 15 yards,

five yard gain was called for Hollis decided to try the air and fell incomplete. The next pass was cancelled as Richard Sanders sacked Craig Cummins on the Tiger 35. Seddon kicked to Hodges who bobbled the ball on the 48 yard line but kept possession of the ball. An unsuccessful series caused Wellington to punt again. Hodges boomed one down to the Tiger 20 where Cummins began to laterally run the field. He turned the corner on a good block by Doug Parker but was only able to fight his way to the Tiger 26. Seddon was elected to carry for the next three plays and on the third one gave the ball to Kickie Johnson on the Tiger 34. Wellington began to threaten as Mike Williams rambled to the 21. Sammy Gonzales then drove to the 10 but a clipping penalty brought it back to the 30. Three futile pass attempts gave the ball up to Hollis again. The seasaw battle continued until with only 13 seconds left on the clock Hollis crossed the goal line on a questionable pass which deflected off of Willed Dixon into the hands of Raymond Butler who then raced the 10 yards to the end zone untouched. The ball was set for an extra point kick but was blocked as Richard Sanders crashed through the line to deflect the ball. Hollis kicked off but quickly drew a piling on penalty as Joel Everett hit Randall Hodges late. Hodges was injured on this play and was pulled from the game. Taking over on the Tiger 42, George Brewer was sacked for a seven yard loss as the half drew to a close.

The Rockets began the second half by kicking to the Tiger 30 and converging on the ball carrier, Parker, at the 32. Seddon could not find his way on the ground so the Tigers again hit the air. A pass to Butler was fumbled but managed to roll out of bounds before a Rocket could pounce on it. Forced to

gained 22 yards in the last half of the contest.

The battle rolled on until with only a little over two minutes left, Hollis punted away.

The Tigers drew a penalty for interfering with a fair catch and were made to kick again. This time Paul Hanna picked up the ball on the 25 and fought his way to the 30 only to fumble to Hollis. A clipping penalty against Wellington was denied and Hollis began to run out the clock. The Rockets held the Tiger offense and with less than a minute left began to pass. The first pass was just off of the fingertips of Bobby Cantu as he was racing for pay dirt. The second was intercepted by Joel Everett who picked has way back downfield but fumbled the ball. A Wellington defender fell on the loose ball just as the final gun sounded.

Although disappointed at the score, Coach Williams praised his team because of their good hitting. He continued that their problem in sustaining their drives was the penalties. But the boys played a good game and shouldn't be ashamed of that. Eventhough a group of tired, disappointed players got on the

Deck's DIDACTICS

—by Deskins Wells

WRITING from Houston last winter, I wrote more than once that we should have acquired some of the Russian gold or oil in exchange for our wheat. Instead we loaned them \$750 million dollars to buy our wheat. Now they are selling this same wheat to Italy and other nations for double what they paid for it.

RUSSIA has come close to cornering the world grain market with the U.S. Taxpayers dollar.

NOW THE Secretary of the Treasury, George P. Schultz, admits that we got burned on the Soviet wheat deal. And he adds that it won't happen again. Let us hope so. Deals more one sided than this were made with the Soviets under Roosevelt and the U.S. has never been paid for those supplies either. Will our leaders never learn that a give away program is not appreciated?

THE GRAIN sales and the declining value of the dollar did raise the price the grower receives for wheat, maize and corn. It could have been done just as well by demanding something tangible in return instead of loaning the Russians the money.

SOME HAND picked cotton sold in Hollis last week for 71¢ a pound. It is no wonder that the growers here are moving around in a state of bewilderment. It is no wonder either that growers in Texas, Oklahoma, Arkansas, Mississippi and Louisiana are trying to break the contracts they made to sell 1973 cotton for 28¢ a pound.

CONGRATULATIONS to all the people who had a part in The Fair of 1973. I thought the parade was most interesting and many of the agricultural exhibits were superior. The flower show was damaged by the needed but heavy rains that fell the day before. The calf show had animals some of which would have looked good in Amarillo, Dallas or Houston. Best wishes for another successful fair next year.

GLENN SHELTON in The Wichita Falls Record News.

(1) Smoking of cigarettes is blamed these days for virtually every ill that besets the human race, and while the habit undoubtedly causes many ills, it doesn't cause "crow's feet" to develop around one's eyes. That's the findings of three Navy doctors who made their report in the current Journal of the American Medical Association.

Though I am an habitual non-user of cigarettes, this news leaves me cold. I like crow's feet around the eyes. They are honest lines. They denote character. I prefer people with those happy wiggly lines around and under their peepers.

(2) You don't get those lines, however, from smoking, contrary to earlier reports from doctors. Smoking "plays no important role" in the development of wrinkled skin, says the Navy researchers.

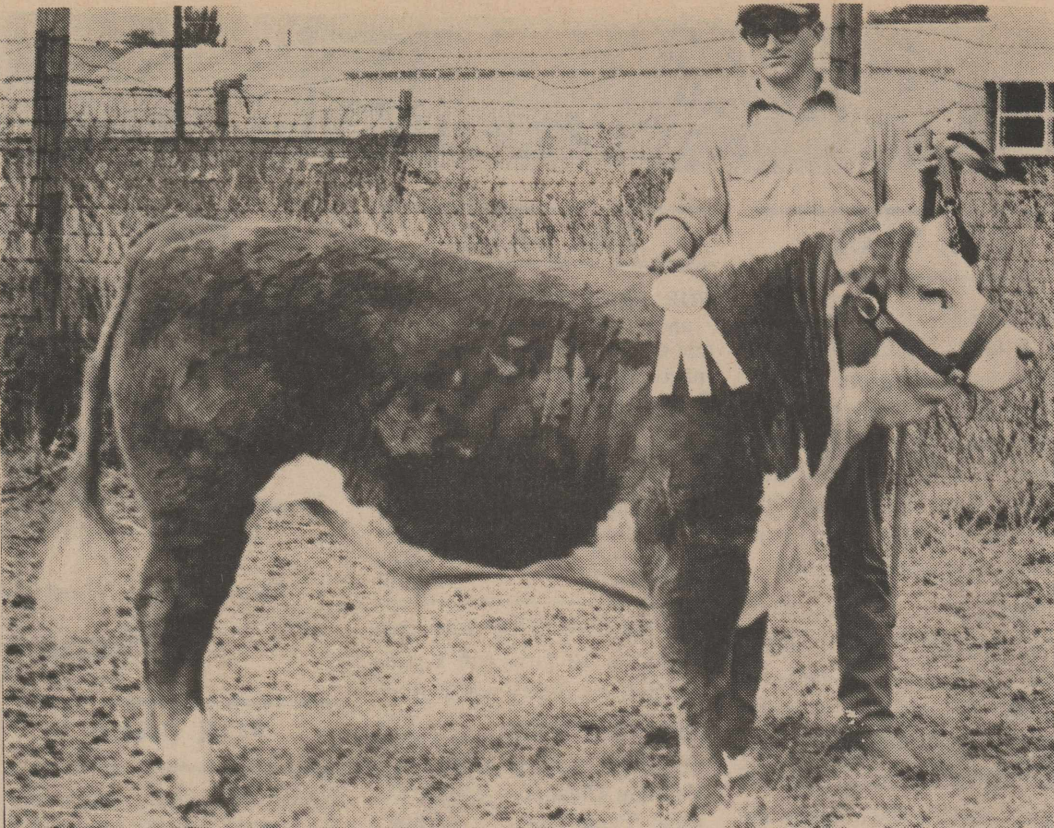

Exposure to sun rays, long known to have destructive effects on skin, remains the true villain, if a villain exists, and chief foe of men and women who seek smooth, unlined faces.

Billy Graham Film Slated

The young people of First Baptist Church in Samnorwood are sponsoring a Billy Graham movie Friday evening, September 14.

This will begin at 8:00 p.m., according to the Rev. Bill Rushing, pastor.

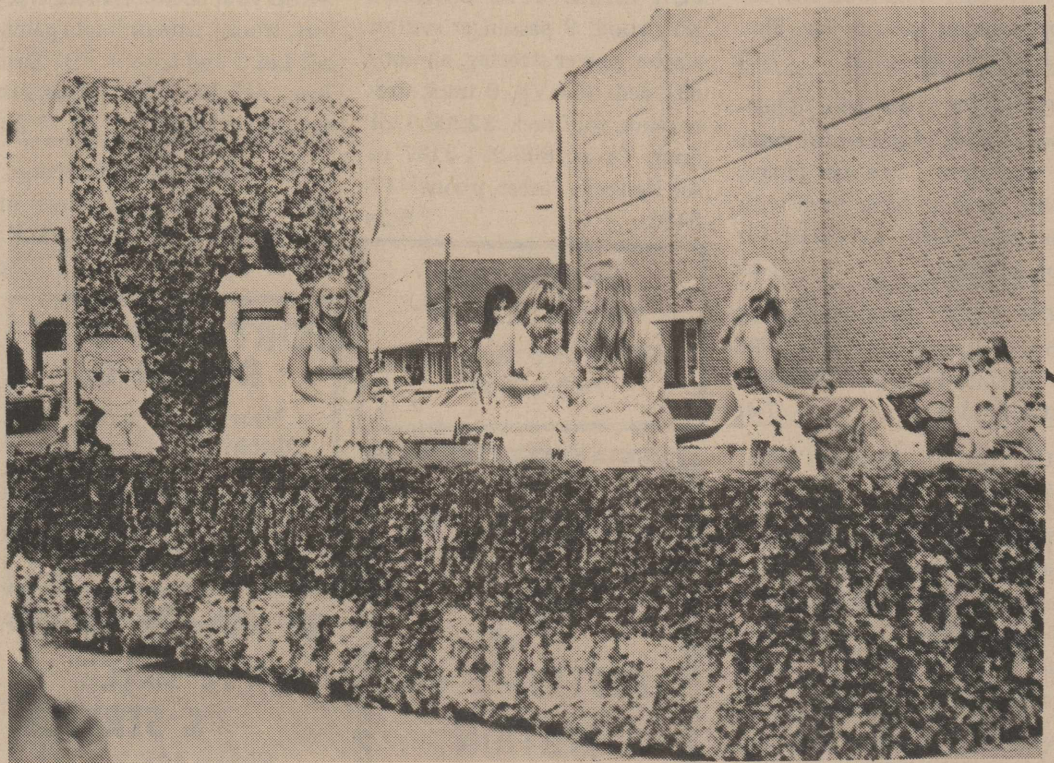

The movie to be featured is "The Restless Ones," which has been shown throughout the nation.

RESERVE CHAMPION

This Hereford steer exhibited by Jim Bob Nall was judged the Reserve Champion in the Youth Steer Show of the Collingsworth County Fair.

Weighing 870 pounds, the steer's name is Jim Dandy. Nall is the son of Mr. and Mrs. Richard Nall.

YOUTH ORGANIZATION WINNERS

Love was the theme of this float, entered by Ko Shari, high school girls organization.

It received a second place award from the Parade judges in its category.

Graveside Rites Held Here for John Hayhurst

Graveside rites for a Wellington native were conducted at 10:00 a.m. Wednesday, September 12.

John Hutchins Hayhurst, 77, of Littlefield, died at a hospital there Sunday morning, September 9.

Funeral services were conducted at 2:00 p.m. Tuesday in Hammons Funeral Home Chapel. Officiating was the Rev. Dennis Heard, pastor of Trinity Baptist Church in Lamesa. Kelso Funeral Home was in charge of arrangements here.

Mr. Hayhurst was born at Wellington February 14, 1896, and was a member of the pioneer families of the county. He married Miss Ura Vise, a member of another family to settle early in this area. She died in 1969.

Mr. Hayhurst was a retired farmer and moved from this county to the Plains. He had lived at Littlefield 31 years.

Survivors are a son, W.M. Hayhurst of Amarillo; two daughters, Mrs. Dora Lou Madison of Edenburg, Indiana, and Mrs. Mary Ellen Feagley of Littlefield; a brother, Ken Hayhurst of Fresno, Calif.; two sisters, Mrs. Julia Jones of Modesto, Calif., and Mrs. Louise Strentz of Conway, Ark.; 10 grandchildren and 16 great grandchildren. Mrs. Jeff Johnson is a sister-in-law.

Attend Funeral Of Houston Kin

Mrs. B.E. McKinney and John Pendergraft returned from Houston, where they attended the funeral of their sister, Mrs. Jane Clark, who died September 1 in M.D. Anderson Hospital and Tumor Institute.

Her parents, Mr. and Mrs. R.L. Pendergraft, were unable to attend, due to Mr. Pendergraft's illness. He is hospitalized here.

Parade Floats Have Beauty, Originality

Beauty in decoration and originality of theme marked the winners of the parade divisions Friday morning, September 7, as the Collingsworth County Free Fair opened.

Winners were announced by Mrs. Margaret Vines, Chamber of Commerce secretary.

First place in the commercial division went to the Wellington State Bank, with a salute to the agriculture of the area. A western theme was used for this float, complete with an oversize cowboy boot, lariates, and saddles. Eight tiny cowboys and cowgirls extended the invitation "Come Grow with Us." They were Shelly Thomas, Tony Bell, Sheri Cassiot, Vanda Wood, Kristi Killian, Daron Brown, Marty Felts and Dana Hiatt.

Second place went to Wellington Livestock Commission Co. Owner Rusty Henard drove an authentic covered wagon, drawn by a pair of mules. The wagon itself has seen years of use as a farm wagon. With Henard were granddaughters, Sandy and Tammy Henard.

Third place winner was Owens Auto Salvage, adding color with a rich gold dune buggy. Riding in it were owner, Robert Owens and his two young sons, Bob and Steve, both wearing crash helmets.

ADULT ORGANIZATIONS

First place in the adult division went to Collingsworth County Farmers Union, with a green and white float laden with country products. It declared "Farmers Feed the World" and "Our Youth Is Our Wealth." Riding on the float were Nancy Graham, Sheri White, Donna Langley, Candy Canada and Randy Langley.

Collingsworth County Gospel Singers received second place, with a group singing gospel hymns and Mrs. Rob Isbell at the piano.

Weight Watchers received third place, with a group of members riding on a float that urged parade viewers to Eat to Lose. "Before" and "After" signs were used.

YOUTH ORGANIZATIONS

Ko-Shari, high school girls social club, placed first in the Youth Organization division with a float urging "Love". All members were aboard. Brownies from Troop 201 placed second with members forming a bicycle brigade. Gay decorations marked the bicycle contestants, and

when the judging was over, Lori Lacy placed first; Tina Jenkins second and Ralph Dudley Owens was third.

There were two entries in the motorcycle division, with both machines bearing decorations. First place went to Clay Don Lacy and second to Jo Ed White.

HORSES

Not in many years have the riders been so colorful as in this year's parade.

First place went to Mrs. Jack Campbell, dressed as a pioneer woman, and riding in a side saddle.

Second place went to Frank Coleman Jr.

The Chamber of Commerce is still trying to identify the third place winner. It is the rider of Horse No. H-6.

Forty Riders In Red River Races Sunday

Forty riders participated in rough and tough motorcycle competition on the Red River Raiders Track Sunday afternoon, September 9.

Adult Classes Will Start September 25

Thayne Amonett has announced that Adult Basic Education classes will be conducted in the Wellington High School this year beginning September 25. These classes are for adults 18 and over who for some reason did not complete their education. Studies will be individualized for each student in order that they might learn at their own speed. Teachers for the two classes are Mrs. Lorraine Parker and Larry Henard. Assisting them will be Mrs. J.B. King and Andy Henard.

School superintendents of the Panhandle met August 30 at the PESO Regional Service Center in Amarillo and voted to ask that PESO be the Fiscal Agent for all Adult Basic Education in the Texas Panhandle. Roy Nichol, Texas Adult Continuing Education of Texas Education Agency, met with those present and explained how the program worked and told of the new state and federal funds now available for this type of work. Mr. Nichols encouraged every school district to consider the great need in the area of Adult Basic Education.

Classes were started last April and ran for 8 weeks with Mrs. Lorraine Parker, instructor and Mrs. J.B. King as Teacher's Aide. There were 20 people enrolled and one of those received a GED (General Equivalency Diploma). Classes were a joint effort of Pampa, Shamrock and Wellington Independent School Districts and Collingsworth County Community Action Center. Mrs. Tessie Burba, Coordinator of the Community Action directed the program in both Shamrock and Wellington and will again act as director of the two programs.

Anyone wishing further information may contact Mrs. Burba at the Community Action Center 612 East Ave. - phone 447-2840.
