STEW THOUGHTS regarding the inauguration that our country

Tuesday on Friday, January 20, off the you missed them: the oath of office repeated by President George Bush was the very same oath administered in 1789 to George Washington.

It was a fitting inauguration for the bi-centennial of presidential inaugurations, and was billed in Washington, D.C. as the "George to George Inauguration."

Maybe it's a bit unusual that the incoming president on the 200th anniversary of the beginning of our nation's government is also named George—he also is the only other of the now 41 presidents to have the name George in his name than the Father of Our Country.

President Reagan broke a jinx involving every president elected during a year ending in zero since 1840 to have died in office. Reagan survived. Here's what happened to the others:

William Henry Harrison was elected in 1840, but died of pneumonia just a month after taking office. Harrison gave a speech that lasted more than an hour in a cold, driving rain. Then he danced into the wee hours of the morning at the inaugural balls following the inauguration, contracted pneumonia and never recovered.

Abraham Lincoln was elected in 1860, was then elected to a second term in 1864, but was assassinated in 1865 while in office.

James A. Garfield, elected in 1880, was assassinated a few months later at the age of 50.

William McKinley, who was elected to office in 1900, was assassinated in 1901 at the age of 58.

Warren G. Harding was elected president in 1920, but died of a heart attack in 1923 at the age of 58.

Franklin D. Roosevelt, the only president to be elected four times, was the president elected in 1940. He was re-elected in 1944, but died of a cerebral hemorrhage in 1945 at the age of 63.

John F. Kennedy, who had been the first Roman Catholic elected president, was elected to office in 1960, but was assassinated in 1963 at the age of 46.

Reagan, who was the oldest man ever to be elected president when re-elected in 1984, was first elected in 1980. He had to survive an assassination attempt early in 1981, and then underwent successful surgery for cancer of the colon in 1985.

POLITICAL EXPERTS point out that our nation is unique in that the presidency changes without incident, and that the old president always leaves "on time."

However, it was pointed out that the custom of the outgoing president to pick up the incoming one for a ride to the White House, which has been going on for quite some time, made for a cold, quiet ride in 1953 when the Eisenhowers and Trumans were in the automobile together.

The two had been bitter rivals during the campaign, during which Eisenhower had vowed to go to Korea, if necessary, in order to end the Korean conflict.

President and Mrs. Bush were the first "first couple" to open up the White House to the public the day after their inauguration in this century.

Historians noted that when Andrew Jackson hosted a reception for the "common people" in 1829, thousands of people mobbed the White House, smashing china, dumping food onto the floor and tracking mud in on rugs and silk sofas. Jackson himself was almost crushed against the wall before friends could escort him out through a side door.

Jr. Stock Show Set Here Sun.

The Bovina Junior Livestock Show is scheduled for Sunday, January 29. Lambs and swine will be weighed-in beginning at 12 noon, Saturday, January 28. They ask that all swine be washed prior to entering the barn.

All animals should be weighed-in no later than 4 p.m. so that they can get the programs printed. The show will begin at 1:30 p.m. on January 29.

The judge for this year's show will be Chris Miller, agriculture science teacher from Dimmitt. As in the past, an exhibitor may enter as many animals as he or she desires. The entry fee will remain the same at \$1.00 per animal. Please pay the entry fee when you weigh-in on January 28.

The show order will be as follows: 1. lambs; 2. pee wee lamb show; 3. gilts; 4. barrows.

Showmanship awards will be made immediately following the selection of Grand and Reserve Champion barrows.

As in the past, the exhibitors will sell tickets on a picnic table to help pay for the stock show. All participants express appreciation to the Bovina Lions Club and Chamber of Commerce for their help and support of the show.

HAT DAY was a fun day for students in elementary school, as they had the observation last Friday. Prizes were awarded for the most unusual hats.

MILD WEATHER CONTINUES

Drought Conditions Limit Wheat Grazing

The drought which has been plaguing the area for more than three months has begun to affect certain aspects of agriculture, as cattlemen are running out of wheat pasture far earlier than they normally would.

Only .88 inch of moisture has been received in the area since October 1, and much of the .61 total which was measured in December came in the form of blowing snow, which brought very little beneficial moisture.

Meanwhile, farmers and stockmen are finding that the grazing that they normally depended upon up into March is already running out.

Jim Roy Daniel, who farms in

the Lazbuddie community, said that the situation was very serious in that area. He pointed out that in normal years, farmers have the decision to make as to whether to "graze out" their wheat or take the cattle off and make a wheat crop.

"This year, I think the decision has been made for us," Daniel said, indicating that the grazing potential has virtually been used up.

Jim Dixon, who farms in the Rhea community, said that the cattle walking across a wheat field are leaving a trail of dust, a good indication as to how dry it is in the area.

Dixon said there still was a chance that the wheat could come

out of it, if we get some moisture in the near future.

"Wheat is a very hardy crop. It seems like it will die three or four times before it bounces back. It has a dormant season that allows this," he said.

Weather Continues Very Mild

The weather continued to be very mild for January during the past week, although at the Blade's press time, a system was threatening to bring colder weather, with even a promise of possible moisture.

Through the first 23 days of 1989, there had been not even a trace of moisture recorded in Farmer County's only official weather station.

The temperature reached 66 degrees on Monday, marking the 12th day during the month for the mercury to climb into the 60s. The high reading has passed 50 degrees on seven other days, and was above 55 five of those days.

TICKETS AVAILABLE.... Shown is a picnic table built by members of the FFA and 4-H Club. Chances can be purchased from any member for \$1 and proceeds will be used for the expenses of the local stock show.

CANDIDATES FOR BHS basketball king and queen are: left to right, Robert Guevara, Anna Flores, Kenny McLaughlin, Marci Dale, Shaun Pinkston, Keri Mitchell, Manuel Porras, Donna Griggs, Scott Sudderth, Tonya Chisom and Corey Kirkpatrick. Not pictured is Jennifer Beauchamp.

Mustangs Holding District Cage Lead

The Bovina High School Mustangs held onto first place in District 5-A with a pair of wins during the past week.

The Mustangs have a 5-0 district record and won their 20th season victory on Friday against only three losses.

The Mustangs took a tough win at Lazbuddie last Tuesday, by a score of 64-58.

Scott Scaff sank three field goals, and Scott Sudderth matched his production helped by a four-for-four performance at the foul

line as Bovina was clinging to a 16-15 first-quarter lead.

Brian Glover of Lazbuddie had an eight-point second quarter, but BHS had better balance. Scaff scored seven more points, and had six points added by Denver Riddle as the Mustangs went to intermission with a 36-27 lead.

Miller and Wes Jarman scored 14 points between them in the third quarter, and Lazbuddie outscored Bovina, 18-12 to pull to within three points at 48-45.

But the Mustangs responded when Scaff hit eight points in the fourth quarter to keep the Mustangs in the lead.

Scaff led the scoring with 25. Lazbuddie's Glover had 24.

"We didn't play too well on defense, and we missed some shots offensively (the Mustangs missed 15 free throws), but we were still able to win. When you play below your capability but still win, that's a sign of a good team," said Mustang head coach Marks Lanham.

Bovina's game at Nazareth on Friday could have been billed as "The Scott Scaff Show," as Scaff rang the bell with 44 points for the game.

This is the second time in his high school career that Scaff has hit the 44-point mark. He scored

that same amount in a game last year against Farwell.

Scaff was sizzling from the field, hitting 17 two-pointers and one from three-point range. He connected on seven of ten from the foul line (70 per cent), and 18 of 31 from the field (58 per cent) in his record-setting performance.

"The kids did a good job of getting the ball in to Scaff for some fairly easy shots on fast breaks, and he took advantage of his chances," Lanham said.

Scaff scored at least eight points in every quarter, getting nine in the first, 13 in the second, 14 in the third and eight in the fourth.

The final score was Bovina 81, Nazareth 71. Nazareth had a 25-point performance by their Schilling, but that was 19 points below Scaff's total. Riddle had ten and was the only other Mustang in double figures.

MUSTANGS 64, Lazbuddie 58
Scott Sudderth 3-10-16; Corey Kirkpatrick 1-1-1-6; Manuel Porras 0-2-2; Denver Riddle 5-1-11; Scott Scaff 12-1-25; Kenny McLaughlin 1-0-2; Shaun Pinkston 0-2-2.

MUSTANGS 81, Nazareth 71
Sudderth 3-1-7; Kirkpatrick 2-1-5; Porras 0-1-2-5; Quiroga 0-0-0; Riddle 3-4-10; Scaff 17-1-7-44; McLaughlin 1-0-2; Pinkston 2-0-4; Stone 1-2-4.

Sr. Citizens Will Meet

The Senior Citizens will be meeting on January 25 for their regular meeting. A spokesman for the group wanted to remind members that it is time for their regular dues.

The group always enjoys a good time visiting and playing games. All new members and guests are welcome.

L.D. Signup Is Underway

The Little Dribblers Basketball program will be starting soon for children between grades 3-6.

The youngsters will bring forms home for parents to sign and return with their entry fee of \$8, before February 9.

The tryouts will be held Friday, February 10 at 5:30 p.m.

7th Grade Girls Win Tourney Title

The Bovina seventh grade girls won first place in their own Bovina Tournament this past Saturday.

The Colts met Muleshoe Black in their first game and won, 29-17. Scoring for the Colts were: Kimberly Kirkpatrick, eight points; Ione Molinar, six; Darla Stormes, five; Josie Pena, four; Sophia Espinoza, four; and Candy Hernandez, two.

Espinoza with 13 points. Others scoring were: Kirkpatrick, eight; Stormes, three; Pena, two; Molinar, two; Laura Saenz, two; and Hernandez, two.

CPR Classes Are Available

CPR classes are available for those who would like to learn. Classes are being held at the Eagles Lodge on Industrial Park Drive in Clovis.

You can go to Clovis for the classes anytime between 10 a.m. and 5 p.m. (Texas time) and there is no charge.

TOURNEY CHAMPS...The Bovina seventh grade girls won the championship in their own tournament last weekend. Shown are (back, l-r) Coach Kathy Rundell, Laura Saenz, Ione Molinar, Kimberly Kirkpatrick and Josie Pena. Front: Candy Hernandez, Angela Beauchamp, Darla Stormes and Sophia Espinoza.

Jr. Girls Lose Contest

The Bovina Junior High girls played Happy Monday night and lost in a well-played game, 22-27.

"The girls played very well. We ran a good zone defense to slow down their key inside scorers. We handled their press well and executed our offenses fairly well, also. This was the second time to play the district leading, undefeated Cowgirls. They had beat us by 15 points in our first outing, so I felt we played very well," Coach Rundell commented.

Cindy Quintana and Sophia Espinoza were the offensive stand-outs for the game, scoring eight points and six points, respectively. Also scoring were: Nancy Vargas, two; Teresa Stone, two; Jo Linda Hodnett, two; and Lorena Saenz, two.

"The 'Max Hustle Award' went

to Jo Linda Hodnett. Jo Linda played good defense and also did an excellent job of bringing the ball down against their press."

Bride-Elect To Be Feted

Samie Garrison, bride-elect of Steven Corse, will be feted with a bridal shower on Saturday, February 4 from 2-3:30 p.m. at the Fellowship hall of the First Baptist Church.

42nd Annual Junior Livestock Show Set

The 42nd annual Parmer County Junior Livestock Show will be held January 30-February 2 at the Community Center-Showbarn in Friona.

Judging will be held on Wednesday and Thursday, with the premium sale scheduled for Thursday night.

Animals are to be weighed in from 3-7 p.m. on Monday, January 30.

Classification of lambs and steers will begin at 7 p.m. Monday, following the weighing in.

Tuesday, January 31 will be an off day so as not to conflict with varsity basketball games.

Judging begins on Wednesday, February 1 with the annual free breakfast sponsored by Friona State Bank at the Showbarn, from 6:30-8 a.m.

Judging begins Wednesday at 8 a.m. with the lamb show and judging of the barrows will follow immediately the conclusion of the lamb judging.

On Thursday, the steers and heifers will be judged starting at 5 p.m. The premium sale starts at 7 p.m.

Judging the lambs will be Denny Balew of Tahoka, vo-ag instructor at Tahoka High School. Lanny Tucker, vo-ag instructor at Memphis, will judge the barrows. Both Balew and Tucker have judged the county show previously.

Jimmy Walker, county extension agent for Oldham County, will judge the steers and heifers.

Exhibitors of grand champion animals in the 1988 show were Clint Hurst of Friona in the barrow division, Michael Head of Friona for steers and heifers, and Guy Ellis in the lamb show.

Hurst, who won his second barrow title in a row at the county show, gave Friona showmen only their tenth county title in the barrow show's 41-year history, but fifth in the past 11 years.

Hurst's animal was a Hampshire

barrow, marking the sixth straight year for a Hamp barrow to claim the county title and stretching that breed's overall lead to 14 titles since the county show began.

Duroc barrows have won eight times, crossbreds have been tapped on seven occasions, Polands have won six titles and Chester Whites four.

Head won the steer title with a 1300-pound exotic steer. It was the tenth time for an exotic or exotic crossbred steer to win the county steer title, and stretched Friona showmen's record in that division to 23 titles of the 41 awarded.

Stock show boosters and buyers are urged to attend the premium auction sale. The animals placing on the top portion of each class will be eligible for the sale.

Texas Beef Cook-Off Is Set April 27-28

The beef industry is one of the biggest in Parmer County and here is your opportunity to promote that industry.

This year, the Texas CattleWomen organization is sponsoring the biggest and best Texas Beef Cook-Off in 1989! Prizes have increased from a total of \$500 in 1988 to \$6,000 in 1989! The first place winner will receive

\$3,000 in cash.

Another change in the Cook-Off is in size. This year, ten finalists will advance (all expenses paid) to the state finals on April 27-28 at the Prude Ranch, Fort Davis, Texas.

In addition to the cash award, the top winner in Texas will receive an all expense-paid trip to the National Beef Cook-Off in Portland, Oregon in September.

At the Prude Ranch, the 1989 Cook-Off Program will enable you to turn back the calendar to the day of pioneers as we climb on board a mule-drawn covered wagon and enjoy a sunset ride in scenic west Texas. The evening on the range will be complemented by a typical chuck-wagon meal of ranch steak, biscuits, gravy, beans, potatoes, squash, and fruit cobbler.

Nearby the Prude Ranch is old Fort Davis, the McDonald Observatory, museums and the Chihuahuan Desert Research Center plus scenic drives in the mountains.

What have you got to lose? All you need to enter is an entry card, and your recipe. The recipe must contain at least three ounces of beef per serving and must be exclusively beef. More details are available in brochures at the Extension Office.

Call now for more details and entry materials. Simply contact Rochelle White, the Home Economist with the Parmer County Extension Service at 481-3619; P.O. Box 285, Farwell, Texas, 79325 or drop by the Extension Office at the County Courthouse, Farwell.

7th Girls Win Plaque At Friona

The Bovina seventh grade girls participated in the Friona Junior High tournament recently and came away with the consolation plaque.

The Colts met host Friona in their first game and lost a close one, 21-22. "The game was tight to the end. There was never more than three points separating us. Key free throws by Friona in the fourth quarter won it for them," said Coach Kathy Rundell.

Scoring for the Colts were: Josie Pena, six; Kimberly Kirkpatrick, four; Laura Saenz, four; Sophia Espinoza, three; and Ione Molinar, two.

The Colts came away with a narrow victory in their second game against Nazareth, 28-24. "Nazareth played an excellent game against us. They led the whole game until the last four minutes of the game. We played a sloppy first half, trailing by five at half. The girls played much better the third quarter, and came up with a fired-up fourth quarter and outscored their opponents, 10-1 for the win. The girls played good the last quarter, running the press well and rebounding well," Coach Rundell stated.

Scoring for the Colts were: Kirkpatrick, eight; Espinoza, eight; Saenz, five; Pena, four; and Darla Stormes, three.

No Need To Pay For SS Services

People in the Clovis service area have been receiving direct mail solicitations asking that they pay \$7 to join an organization that says it will provide many services related to Social Security, Carl Thompson, Social Security manager in Clovis, said recently.

First, Thompson said, there is no need to pay any firm money to obtain any of the services provided by Social Security.

In return for the \$7 payment, this firm offers to provide a statement of a person's earnings covered by Social Security, a plastic Social Security card, and a guide to Social Security.

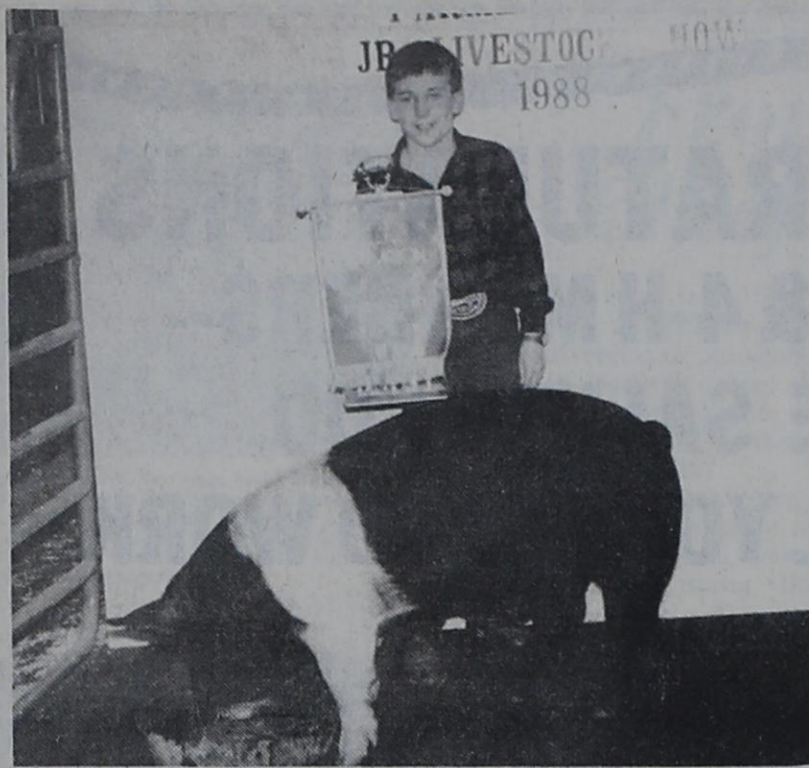

Any person can obtain a statement of Social Security covered earnings without paying anybody. All a person has to do is call any Social Security office and ask for a

request for statement of earnings form. After completing the form and mailing it, the person will receive the statement in a few weeks. This firm can do no more.

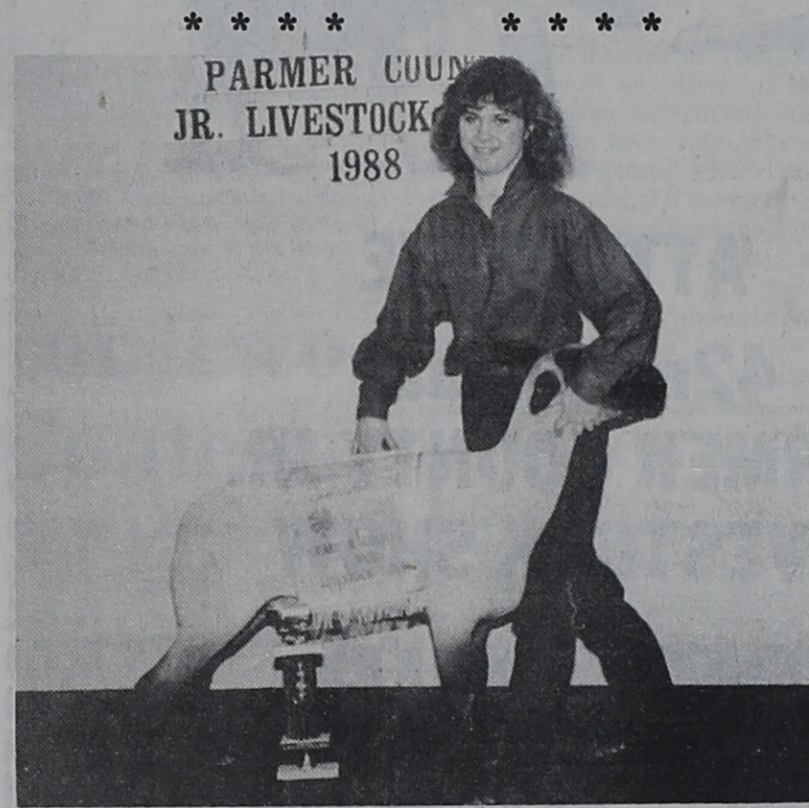

In addition, there is no need for a plastic Social Security card, Thompson said, it is of no use for Social Security purposes. The Social Security number card issued by the Social Security administration is the only official card and should be used whenever a Social Security card is needed.

People can obtain many publications about Social Security free at any Social Security office. Just call or drop by to pick it up, he said.

Free information about Social Security and free Social Security cards can be obtained at the office, just call 1-800-432-5900 for more information.

SWCD Has Windbreak Tree Offer

Living in the Texas Panhandle, everyone knows the wind never stops blowing. That's why there are many values to having a properly planned windbreak. An effective windbreak may provide protection from the hot, dry winds of summer to the icy winds of snow and winter.

A windbreak may reduce wind speed to one-third its normal velocity, thus saving up to 30% on home heating and cooling costs. Not only will the fuel bill be less costly, a windbreak will also be helpful in preventing wind damage by protecting homes, gardens and even lawns, as well as livestock.

A windbreak is an excellent method of protecting livestock from the icy blasts of winter winds and snow.

Location and arrangement are important considerations in planning an effective windbreak. A windbreak is most effective when placed in a shape of an "L," "U," or "E" around that which is to be protected. By planting a windbreak, this will also furnish a nesting place for numerous types of birds as well as other wildlife.

In short, an effective windbreak is an inexpensive way to not only beautify a home, but also to reduce home heating costs by providing protection.

The Parmer County Soil and Water Conservation District can assist you in planning and designing your windbreak. This free technical assistance provides you with a design and cost estimate. To keep your windbreak growing healthy, full and beautiful, a trickle watering system is easily installed and can be used for flower beds, gardens and lawns, as well as windbreaks.

Windbreak trees and trickle systems can be ordered through the Parmer County S.W.C.D. All services are offered regardless of sex, race, creed, color, national origin or handicap.

For more information, call (806) 247-2220 or come by 1306 West Ninth Street in Friona. Deadline for ordering trees is March 3, 1989.

For the calendar year, DPS officers investigated three fatal accidents in Parmer County, 36 personal injury accidents and 57 property damage accidents.

Assistance May Be Available

AUSTIN—Some low-income Texans may be eligible for help in paying heating bills this winter through the Home Energy Assistance Program, according to Texas Department of Human Services Acting Commissioner Charles Stevenson.

Stevenson said the one-time payment is available to many low-income households. Applications for energy assistance were mailed to households that received food stamps, Aid to Families with Dependent Children, or Supplemental Security Income in December. Other low-income individuals may request an application from local DHS offices during the enrollment period of Jan. 16 through Feb. 16.

Eligibility is limited by gross income and resources. Aid is available for a one-person household having less than \$589.49 gross income per month. The gross income limits are \$781.49 for households of two persons, \$973.49 for three, \$1,165.49 for four, \$1,357.49 for five, and \$1,549.49 for six.

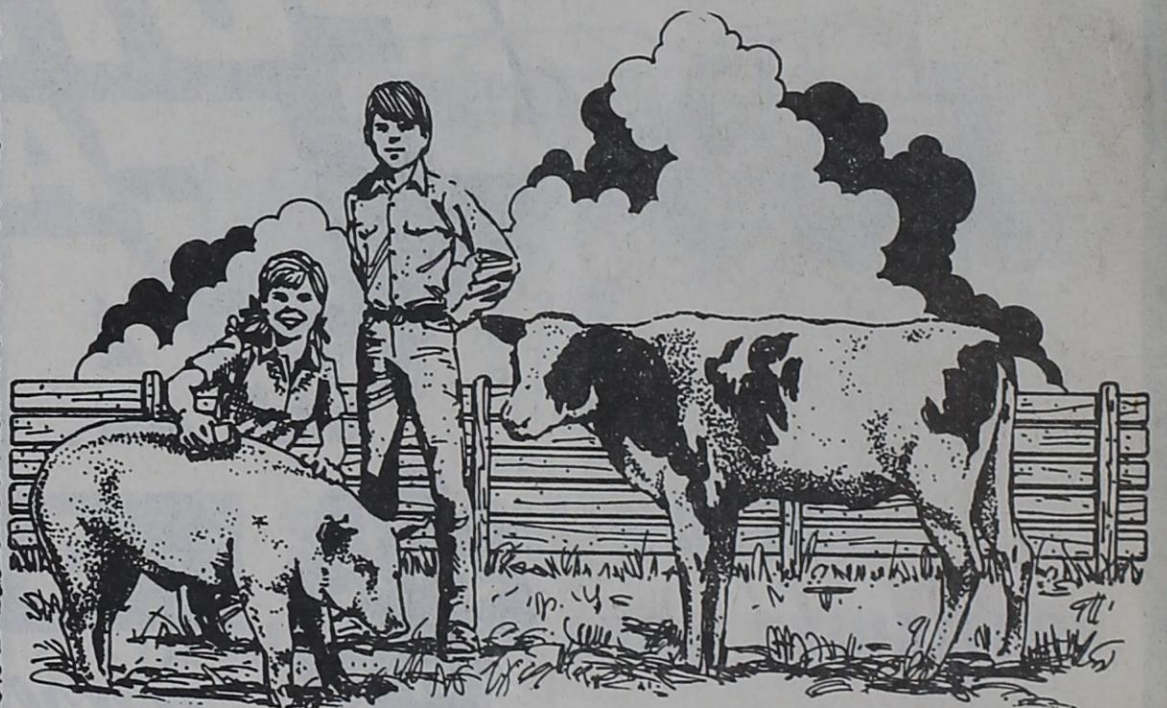

Households are eligible if the cost for heating is included in the rent payment or if the household pays a portion of its home energy costs.

Energy assistance checks are sent directly to the people who are eligible for assistance. However, the checks are made payable to the energy provider.

People receiving one of these energy assistance checks should mail it or take it in person to the energy provider business office with their regular energy bill. The check can be cashed only by the energy provider. If the HEAP check is more than the energy bill, the additional amount will be credited to the person's account for the next month's bill. If the energy bill is higher than the check, the person is responsible for paying the difference.

From The Chief's Desk

This week's topic is the tinting of windshields and windows. The use of sunscreening on automobile windows is intended to keep the sun's rays out during the hot months of summer and to enhance the beauty of the vehicle.

When unauthorized screening is used, it hampers the vision of the driver and endangers the lives of others. The law states that sunscreening has a light transmission of not less than 35% and a luminous reflectance of not more than 35%.

Section 134C(b) of the Uniform Act states: a person commits an offense if the person operates a motor vehicle with any object or material placed on or affixed to the windshield or to a side or rear window of the vehicle so as to obstruct or reduce the driver's clear view through the windshield or side or rear window.

Section 134C(c): a person including an installer or manufacturer, commits an offense if the person places on or affixes to the windshield or to a side or rear window of a motor vehicle any transparent material if the material alters the color or reduces the light transmission of the windshield or side or rear window.

Section 134C(g): a sunscreening device must have a label, containing information required

by the Department of Public Safety regarding the levels of light transmission and luminous reflectance of the device, that is permanently installed between the material and the surface to which the material is applied or affixed and is legible.

In other words, if the sunscreening on your auto windows doesn't have a label between the sunscreen and the window, then it's not authorized. If you have questions about your sunscreen, please feel free to call me.

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!

Scooter's Scoops

By Scooter Russell

Snow is in the forecast, so just maybe we'll get some moisture by the end of the week. Five years ago, we had two big snows in a month. Eleven inches fell in January and about that much the day after Christmas. Anyway, maybe we'll have a good one and everyone will get happy.

NEWS AROUND TOWN....

Laverne Thatcher is getting along real well and will be going to Lubbock for further tests in the next few days. At first it was

thought that they would be going to Albuquerque, but she said they had decided to go to Lubbock.

Buck Ellison and his brother, Aubra Ellison of Brownwood, celebrated their birthdays which were Thursday, January 19, with a luncheon held at the Old Spirits Restaurant. Besides the meal, the group enjoyed birthday cake and ice cream. Those present were: Buck and Dorothy Ellison; Aubra and Ruby Ellison of Brownwood; Howard and June Ellison of Logan, New Mexico; Jeanene Grissom of Taiban, New Mexico; Pat Read, Tom and Nanie Rhodes, Thomas and Virginia Rhodes and Bessie Trimble. The group enjoyed a good time and Nancy Knight taped about an hour of the party.

Julia Olona of Santa Fe was in Bovina visiting with her mother, Sid Lloyd. She also visited with Jim and me and she is getting along fine. We enjoyed being with her for a short time.

I talked with Glen Kelley on Friday of last week and he said his son, Richard, is still getting along real well and his condition is improving every day.

On Friday of last week, Buck and Dorothy Ellison, Aubra and Ruby Ellison of Brownwood and Bessie Trimble drove to Lubbock and spent time visiting with Buck's, Aubra's and Bessie's brother and his wife, Hubert and Katie Ellison, who are both in the Quaker Villa Nursing Home.

Bessie said Hubert is facing more surgery for kidney stones. Said the nursing home is a beautiful place and if you wish to send cards, the address is: Aubra and Ruby Ellison, Quaker Villa Home, 4403 74th St., Room 118, Lubbock, Texas 79424.

Glen Ritchie was released from the Clovis High Plains Hospital on Sunday. He entered the hospital on Monday of last week with an infection in his arm. Florence said he is taking antibiotics and will be going back for a checkup.

Gene Snodgrass came home last week from the Friona hospital where he had been a patient following heart problems.

June Patton was released from the Friona hospital on Saturday where she had been a patient for a few days.

Nola Read was released from the Friona hospital on Thursday of last week where she had been a patient for over a week. She said she is feeling better.

Lois McCutchan was released from the High Plains Baptist Hospital on Monday of this week following back surgery for the third time. She said she was still in a lot of pain but glad to be home.

Lawrence Jamerson underwent eye surgery a couple of week ago at St. Mary's Hospital in Lubbock. He spent time with his sister in Lubbock and his grandson, Kirk, said he would be coming home on Monday of this week.

Nettie Rhinehart is a patient at the Clovis High Plains Hospital. She has pneumonia, according to her daughter, Joyce Hammonds. Nettie is a resident of the Golden Age Nursing Home in Clovis.

Our sympathies to Esther Steelman, whose grandmother passed away. She was Elida Gonzales of Littlefield. She died after a brief illness and services were held Sunday.

Maggie Terry spent a week in Amarillo babysitting her two

great-grandsons who are four years old and fourteen months old. Their mother is Alison Kirkpatrick and she had to go to a seminar out of town. Maggie said the boys' father was with them at night, so they made it fine and enjoyed keeping them.

SMILE: Did you hear about the boss who was a firm believer in fireside chats?

If you don't take his side during the chat, you're fired.

Have a great week and thanks for helping with the news...appreciate you...Scooter.

Jr. High Girls Beat Earth Teams

The Bovina Junior High Colts came away with two victories Monday night against Springlake-Earth. The seventh grade girls improved their district record to 5-0 as they defeated their opponents, 35-14. The eighth grade girls improved their district record to 4-3 as they won, 34-33.

The seventh graders used a tough press and good man-to-man defense to create a lot of turnovers against Springlake. The girls also shot very well. High scorer for the Colts was Kimberly Kirkpatrick with 15 points. Others scoring were: Darla Stormes, six; Sophia Espinoza, four; Candy Hernandez, four; Josie Pena, two; Ione Molinar, two; and Laura Saenz, two.

The eighth graders beat the Wolverines in a very close game. "We were behind at the end of the

By the end of the third quarter, it was a one point game and it was that close for the rest of the game. The girls showed excellent composure the last 30 seconds of the game as they stalled to hold on to their one point lead."

Scoring for the Colts were: Cindy Quintana, 12; Jo Linda Hodnett, six; Nancy Vargas, six; Teresa Stone, three; Christina Noriega, three; Monica Rodriguez, two; and Lorena Saenz, two.

"The 'Max Hustle Award' went to seventh grader, Sophia Espinoza. Sophia guarded Springlake's quickest player, and did an excellent job. She moved her feet really well," Coach Rundell stated.
