County Commissioners Call Hospital Bond Election Dec. 3

In the regular meeting of the Dickens county commissioners held Monday night at the courthouse in Dickens, a petition to call a special election for hospital bonds was presented.

Placing the petition on the order of business, the commissioners called a special election for December 3, 1949, notice of which is printed in this issue of the SPUR. Calling for a \$125,000.00 bond issue, the election will present the following propositions to the voters:

"FOR THE ISSUANCE OF HOSPITAL BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF HOSPITAL BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF."

The proposed bonds of \$125,000.00, to mature annually within any given number of years not to exceed thirty, bearing interest at a rate not to exceed 3 1/4% per annum.

Monday Nov. 28, is the final date for bringing Christmas presents to be sent to the Veterans Hospital in Dallas, Texas, by the Williams-Puckett Unit 161 of the American Legion.

Presenters should be the veteran himself, or gifts that he may send to members of his family. Bring your gifts wrapped in plain wrapping paper and the members of the local auxiliary will gift wrap the packages after they are selected by the veteran. Gifts of Christmas cards with stamps will also be welcomed by these boys.

Mrs. Nell Davis is the local chairman of the "Christmas in November for Veterans' Hospitals in Texas" campaign.

Gifts may be brought to Mrs. Davis, Weldon Grimes at the Post office or to Joe Jeffers at the Hill Top Cafe.

"GIVE A GIFT TO A YANK WHO GAVE."

Billy W. Suggs, of Salem, Oregon, is visiting his mother, Mrs. J. A. Suggs, his sisters, Ila Well Wright, and Mrs. J. P. Wright all of Spur.

Billy is the assistant Property Clerk and Warehouseman of the Government Indian Service of Chemawa Indian School of Salem, Oregon. This is Billy's first visit home in 17 months.

The following members were present: Mesdames Wilburn Ball, Fike Godfrey, J. C. Payne, W. F. Gilbert, Nelle Davis, R. E. Dickson, Clark Forbis, Tom Johnston and J. E. Berry.

Dennis Bingham, visited with his parents Mr. and Mrs. Abbe Bingham and attended the Ralls and Spur football game, the past weekend.

Those enrolled on the Canyon campus from Spur are: Marlene Waggoner, freshman; Joyce Johnson, freshman; Jimmy Draper, Junior; Darold Roberson, sophomore; and Deane Wright, Junior.

Bulldogs Ready For Fri. Title Tilt

The top rung is the goal to be shot at tomorrow night as the Spur Bulldogs face a strong Floydada whirlwind team in Floydada.

Plans are completed for the big pep rally and band fire to be held tonight as an added display for the people of Spur as well as every student of the Spur schools, are behind the team and the coaches all the way.

A large number of fans for students is expected to gather at the Leon Ice Co. to lead the pep rally at 6:45 p.m.

The mums are ordered, the blankets packed and the old car is gassed up ready for the mass migration that is expected to accompany the team to Floydada territory. The largest crowd ever to attend an out-of-town ball game is anticipated by observers as the city of Spur braces for an undisputed title in the rugged District 3-A race.

For the Bulldogs, the following lettermen will be wearing the blue and gold for the last time in conference play: Clyde Blair, Melvin Lindsey, and Joe King. These boys are, by the way, the co-captains of the 1949 machine. Other squadmen playing their last game for Spur will be Wayne Smith, Charles Lee and William North—all regulars this year.

Mr. and Mrs. L. R. Barrett had as their guests, Mr. Barrett's mother, Mrs. C. W. Barrett, his sisters, Mrs. Vernon King of Arlington, and Mrs. Elmer Stevens of Poolville; their son Billy Ray Barrett who is attending a Mortuary School in Dallas; their daughter-in-law, Mrs. Horton Barrett of Santa Fe, N. Spur Honors Football Coach For Devoted Service To Young Men

Dr. Marshall Speaks At Rotary Meet

Dr. Bill Marshall, president of Wayland College, was the guest speaker for 150 Rotarians, their Anns and visitors, Thursday evening November 10, at the High School auditorium. The topic of Dr. Marshall's address was "World Peace."

Musical numbers were also presented for the group. Bill Sweeney of Wayland College sang "On the Road to Mandalay" and "Because." A coronet solo was played by Mrs. Rex Carlisle accompanied by Mrs. Rex Carlisle at the piano.

The stage of the auditorium was attractively decorated with fall flowers by Mrs. Geo. Gabriel. Many Rotarians and the honor guests enjoyed fellowship following the program at the home of Mr. and Mrs. Geo. Gabriel, 601 N. Trumbull, Mr. and Mrs. Melvin King served sandwiches, coffee and tea to the guests.

Friday, November 18, 1949, has been proclaimed Sam Hawkes Day in Spur by Mayor Ned Hogan.

With the district championship game on that night, the people of Spur, including the Spur Lions Club, Spur Rotary Club and the Williams-Puckett American Legion Post are paying tribute to Coach Hawkes for the work that he has done with the young men of Spur.

Coach Hawkes, a graduate of Kingsville State Teachers College, rounds out his fourth year as coach of the Spur Bulldogs this year. During his four years he has won 25 games and lost 13, for a percentage of 66.6%. Of conference games he has lost only 5 games and has won 20, a percentage of 80%.

During his college career he was a star halfback for the Kingsville Javalinas.

Although he really hates to lose, Coach Hawkes is primarily interested in building character and leadership. These he vows, are more important to the boys as well as to the school and the community which they represent.

The team, school and community have learned to love and admire the coach for the splendid job he has done, and the town as a whole expresses hopes for many more successful seasons for Hawkes in Spur.

In a statement from Superintendent C. F. Cook, the following was stated:

"The Spur School Board, faculty, students and myself are proud of our Coach Sam Hawkes. Sam has been in our school four football seasons and has done a very fine job with our teams."

"What we like most about Sam is that he is a fine Christian gentleman. At all times he teaches fair play and good sportsman-like conduct. We are behind a man like this to coach our boys."

In basketball, Hawkes' teams have played 42 games in conference play and have lost only 7, which gives them a percentage of 86%. In baseball his teams have played 20 conference games and lost 3, a percentage of 85%. The baseball team of 1949 lost to Ellington for the regional title.

As the Bulldogs—and most of Spur—inade Floydada Friday night with the district title on the line, win or lose, the City of Spur is saying "Thanks" for a wonderful job with the future leaders of Spur to a really wonderful Coach.

Spur Boys Cinch Tie In 29-0 Win Over Ralls

Those fighting Spur Bulldogs pulled out in front by defeating Ralls Jackrabbits 29-0. Before the game Spur was rated only a 50-50 chance, but immediately following the kick-off Spur showed its supremacy.

Spur took the opening kick-off and marched to their own 49 yd. line before being forced to punt. Lindsey kicked out on Ralls 8 yd. line. A penalty put them back to the 1 and on the next play Dean Watson crashed through to make the tackle behind the goal. This gave Spur a 2-0 lead.

Ralls punted from their 20 and Spur immediately went 50 yards to score. Watson sparked the drive most of the way and Blair made the last 11 yards to score and Lindsey converted. A few moments later Blair again went over from the 10 after a sustained drive of 60 yards, and Lindsey again converted. The score at the end of the first period was 16-0 in favor of Spur.

Spur after an exchange of kicks, again put on a march and Blair that carried to Ralls 16. Joe King scored on an end around with the half time ending 22-0.

Early in the 3rd period quarterback Lindsey ended the scoring by going 11 yards to score and then converting. Spur substitutes played almost entirely the fourth period.

Spur's outstanding defensive players were Dean Watson, Dick Gibson, and Wayne Alexander, while Dean Watson and Melvin Lindsey along with halfbacks Blair and Smith sparked on defense.

Mr. and Mrs. Cleo Lindsey are the proud parents of a baby boy, Michael Wayne, born Nov. 11 weighing 9 lbs. 2 ozs. at the Nichols Hospital.

Mr. and Mrs. Orville L. Holmes are the proud parents of a baby girl Joe Lynn, born Nov. 10 weighing 11 lbs. at the Nichols Hospital.

Ginnings Exceed '48 Tally In County

According to a report received this week from the U. S. Department of Commerce, Dickens County gins have ginned 11,400 bales of cotton as of November 1.

With the large crop still being ginned at a maximum at all county gins, the 1948 number has been passed and is expected to be nearly doubled before the crop is in. On Nov. 1, 1948, the county had ginned 8187 bales.

With late planting, several spells of bad weather, and a serious picker shortage, the predicted record crop is running somewhat behind schedule with much cotton in the fields waiting for pickers.

Many Rotarians and the honor guests enjoyed fellowship following the program at the home of Mr. and Mrs. Geo. Gabriel, 601 N. Trumbull, Mr. and Mrs. Melvin King served sandwiches, coffee and tea to the guests.

Results In Recent Cattle Feeding

The results of recently completed cattle feeding experiments at the Big Spring Field Station should be of interest to cattle feeders in West Texas. The 1948-49 experiments were a continuation of the research work that has been underway at the station for several years and was a study of the influence of mineral supplements in grain sorghum rations for fattening steer calves.

J. M. Jones, professor of animal husbandry, Texas Agricultural Experiment Station, N. R. Ellis and W. H. Black (deceased) both of the USDA Bureau of Animal Industry, and F. E. Keating, superintendent of the Big Spring Field Station, conducted the research work.

Six lots of steers, with 6 steers to the lot, were used in the experiments and were fed similar rations for 182 days. Lot one received no mineral supplement and the check or control group and the other five groups received varying amounts of mineral supplements—bone meal and limestone flour.

The best performing group was one that received 200 grams of bone meal per head per day as a supplement to their ration of ground threshed milo, cottonseed meal, sunflower silage and salt. This was the same ration that was fed to all lots. This lot had the highest daily gain, the lowest feed cost per hundred pounds gain and the best net return per head when they were sold, says Jones.

Normally sorghum silage contains enough carotene to take of the vitamin A requirements but the silage used in these tests was low in carotene due to the droughty conditions and the late harvest that prevailed in the Big Spring area in 1947 and 1948. A number of the steers developed marked symptoms of vitamin A deficiency during the latter part of the feeding period but fully recovered after the treatment of 2 ounces per head of a commercial cod liver oil containing 2,000 units of vitamin A per gram was administered. Jones recommends the feeding of good alfalfa hay or the cod liver oil treatment for steers that are being fed on silage or roughage from sorghum crops that were produced under droughty conditions and harvested late.

None of the steers in the 1948-49 feeding test at any time displayed any outward symptoms of urinary calculi trouble.

Jones says that the results of the feeding tests at Big Spring over a period of years indicate that the feeding of 200 grams of bone meal per head per day is a good practice for feeders to follow. It tends to hold down the urinary calculi trouble, cattle make slightly higher gain, and have a better finish than those not getting the bone meal supplement. The increased income per animal will more than pay for the cost of the bone meal, says Jones and the other benefits go in for good measure.

Dr. Young Has Method To Keep "Dust Bowl" Down

Lubbock, Nov. 17. Although the "dust bowl" years of the early 1930's are faint recollections to many West Texans, a Texas Technological college scientist warned today that lean years might return to many Great Plains farms unless progressive agricultural methods are adopted at once.

Dr. A. W. Young, head of the plant industry department at Tech, said he has noted visible evidence of neglect in recent months which has led to wind erosion. Constant vigilance, it seems, is the price of good crops and better soil.

Solving the wind and water erosion problem is not a local matter, Dr. Young pointed out. It is a challenge facing agricultural areas from Texas through the Dakotas. But in West Texas sweeping winds act as a constant reminder to scientists that every means available must be used to preserve the fertility of the soil. One solution has appeared in the form of proper management of crop residues. Dr. Young says that every piece of crop residue left on the surface of the soil serves as a natural wind-break or dam.

"Each piece of stubble left on a field helps to simulate water penetration of the soil, and organic matter which decomposes in the field acts as a binding agent which holds soil particles together in spite of strong winds," he said.

Soil tests at Tech indicated that once native sods are broken for cultivation, as much as 50 percent of the organic matter may disappear in two years. Removal

or plowing under of crop residues furthers wind and water erosion and organic losses. As long as crop residues are left on the surface to disintegrate, conservation of soil and water are aided.

This brings up an important question. Can crop residue, if properly managed, eliminate the dust storm menace?

"No," Dr. Young admits. "It can't. Science accepts the theory that the Plains had dust storms long before man ever touched the soil with a plow. But it isn't a hopeless case, and the proper use of crop residues can prevent those 'black dusts' which drew hundreds of tons of top soil off of our best farm land."

One of the best ways to conserve moisture in the soil is to leave residues on the surface as a barricade against runoff water, thereby permitting more water to penetrate the soil. Moist soil will produce a vegetative cover which can prevent wind erosion. The crop residues are returned to the soil as organic matter in the cyclical process.

"Right now, it's simply a matter
of convincing the farmer that he
should leave crop residues on the
surface and use a chisel-type plow
with sweeps which will work the
soil underneath the residue with-
out turning it under," Dr. Young

said. "The effect in greater fer-

National Farm Hour Tells News on Crops

The story behind this year's 10 million acre harvest of the Texas grain sorghum crop, one of the state's big money crops, will be told on the National Farm and Home Hour, Saturday, November 19 (NBC, 12:00 noon CST), by Texans who pioneered in the development and growth of the industry.

The broadcast will originate from the studios of Station KGNC (Amarillo, Tex.) with farm radio editor J. B. Linn interviewing R. E. Karper, of the Lubbock Agricultural Experimental Station, a leader in grain sorghum breeding; Dr. J. C. Miller, head of the animal husbandry department of Texas A. and M. College; D. A. Adam, radio editor of the Texas Extension Service of Texas A. and M.; and J. R. McNeil, farmer, of Spur, Tex., who pioneered in the production of grain sorghum.

Grain sorghum, labeled the "little giant of grain crops," is used as livestock food, for making synthetic rubber and for human food, and came into new prominence with recent developments in mechanical harvesting methods.

Highlight of the musical portion of the program will be a trombone solo of "Flight of the Bumblebee" by Earl Hoffman, of the Homesteaders orchestra. Other selections will be presented by the orchestra and the Farm and Home Quartet. Commentator Everett Mitchell will present his weekend market roundup, and Dana Reynolds will report U. S. Department of Agriculture news headlines.

Fred Kinney Makes Report

"Dickens County now has 66 young men and women serving in the Armed Forces, and through the medium of the USO we here at home have an excellent opportunity of seeing to their welfare and maintaining strong ties with them wherever they are," Mr. Fred Kinney, Spur, Tex., County Chairman of the USO's reactivation campaign, reports.

"We will as good Texans look after our own whether they are serving in this country or on foreign soil," Mr. Kinney said, "and the USO provides us with the opportunity we need, for it will continue as it did during the war to provide our young men and women in the Armed Forces with a home away from home." The County Chairman added that this county is being asked to contribute its share toward the \$500,000 campaign in Texas for the reactivation of the USO as requested by the President and the Secretary of Defense. The half million dollar figure is Texas' quota of the USO's national campaign for \$10,000,000.

Selective Service Board Announces New Registrants

Mrs. Ada Lou Joiner, clerk for Selective Service Local Board Office for Kent, Dickens and Stonewall Counties, states that the Office is open only on Monday and Tuesday of each week from 1:00 P. The following registered upon their separation from the Armed Forces: Dyess, Billy Wayne, Spur in Army; Gregory, H. D. (to), McAdoo, Texas in Navy; Hemphill, J. E. (to), Spur in Army; and Williams, Glenn Thomas, Spur in Navy.

Mrs. C. A. Fagan left Spur early Tuesday morning on a business trip to Dallas.

American Legion Host Armistice Bar-B-Q Feed

Williams-Puckett Post No. 161, The American Legion, was host to approximately two hundred veterans and guests at its annual barbecue November 11th. Rev. Cal C. Wright, pastor of the First Methodist Church, delivered the memorial address immediately after Taps was sounded at 11 a.m. Hugh Swearingen, Dickens, presented hand-made spurs to

Barbara Ann Spears, Dickens, who has served as the Post's sponsor the last two years at the annual rodeo. Rev. Willis Jernigan, pastor of the Church of Christ, was program chairman.

The Post wishes to express its sincere appreciation to Cliff Bird who donated the beef, to Robert MacAteer who prepared the barbecue and to Lynn Arnold who donated the bread.

Dr. and Mrs. M. H. Brannen visited with their son and daughter Mac and Jane who are both students at Texas University last weekend.

What a wonderful bargain!

Mrs. J. E. Brasac, 118 Graft Street, Houston, Texas

Tuesday—Ordered a baby gift, to be gift wrapped and delivered. Saved 10 miles.

Wednesday—Mrs. M. can make my new slip covers. Only 2 blocks, but lucky I phoned before she started another job.

Thursday—Felicia, my daughter, asked my advice on new refrigerator. 12 miles to her office.

Friday—Felicia called. Some good buys advertised in morning paper.

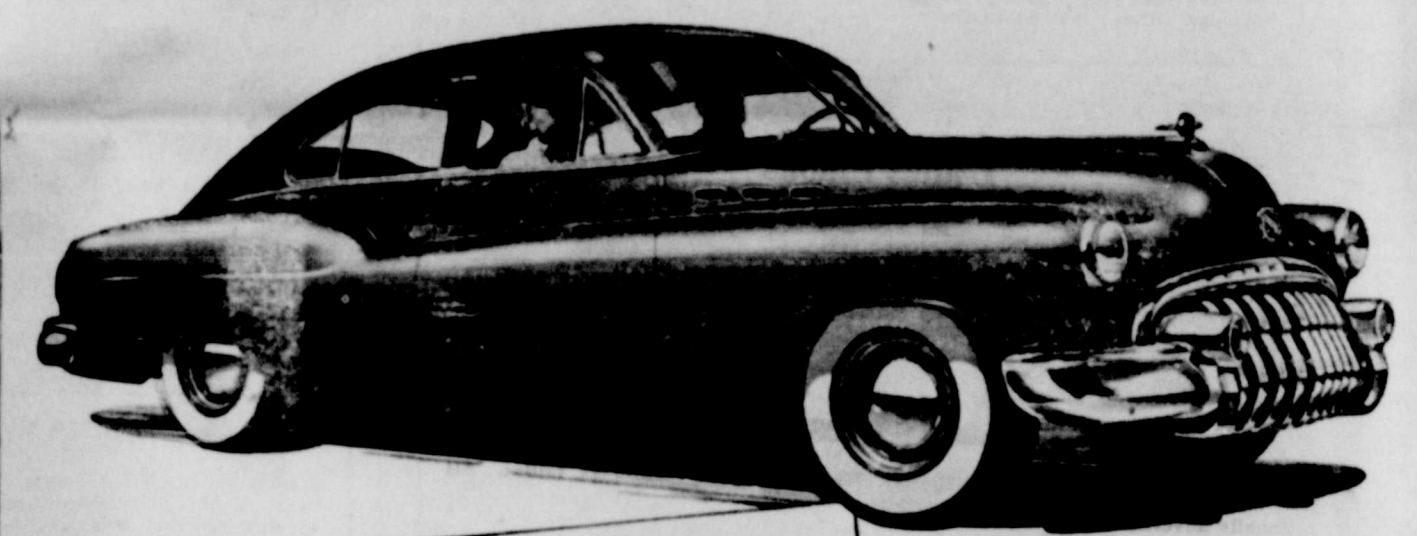

Saturday—Evening paper wasn't delivered. Complained to circulation department. 3 miles to their office.

For five days Mrs. J. E. Brasac kept an accurate record of all the telephone calls she made and received—and here's just a sample of the shopping she did and the steps she saved. Altogether, she carried on 44 telephone conversations, figures they cost her less than 2¢ each and covered a total of 183 miles.

"I don't know where you'd get a bigger 2¢ worth," she comments. "My telephone keeps me in touch with my family and friends, helps me run my household, and it's always there to call for help in an emergency. Thanks for a wonderful bargain!"

Thank you, Mrs. Brasac, for your kind words. We are working constantly on technical improvements so you can hear better, get your calls through quicker, enjoy more trouble-free service. Every year we're adding new telephones so that you can call more people, more people can call you. Our aim is to give you the best possible bargain today... and to keep it growing in value every year. Southwestern Bell Telephone Company.

What else gives so much for so little?

What's YOUR price tag on happiness?

JUST what do you see in this handsome, tidy-sized Buick SPECIAL pictured here?

The smartest bit of automobile styling on the road today? The standout beauty of tapering fenders—the sturdy protection of a wholly new front-end design?

The prestige that's in the Buick name—the solid, road-wise steadiness Buick has always stood for?

Your chance to get in on the perfect smoothness of Dynaflow Drive*—this being the lowest-priced car on which that sensational new transmission is available?

They're all there, every one of those things. And for a good reason that may go a bit beyond the usual idea in designing an automobile.

For, a long while ago, we graduated from the idea that a motorcar is merely a means of getting about.

The way you travel is pretty important too. The lift that's yours in knowing there's no prettier picture anywhere on the highways. The "kick" there is in a power plant that's lively and eager and always ready to get in on the fun.

The comfort that's found in all-coil springs, a husky, steady-traveling understructure, cushions that are deep and soft and wide enough to let you spread yourself a bit.

Even that extra swelling of the chest that comes from owning a car you know everyone respects and admires.

In a word—your happiness. It's never out of our mind in planning this car—nor in making very sure each dollar of cost gives you the greatest possible benefit.

That's why we rather proudly ask you to go see—and try—this Buick SPECIAL. It's priced like a six, in spite of the fact that like all Buicks, it's a big-powered Fireball valve-in-head straight-eight.

And we honestly believe that it puts a lower price tag on your motoring happiness than any other car you can buy today! See your Buick dealer and find out about that.

Williams-Aldredge Exchange Vows

Mrs. Dollie Williams announces the recent marriage of her daughter Jessie to Max Aldredge son of Mr. and Mrs. W. S. Aldredge of White River community. The wedding vows were exchanged at the home of Rev. Doc Love, pastor of the Bethel Baptist Church, Wednesday Nov. 9 at 8 p. m.

The bride wore a wool street length dress of powder blue, with brown accessories and a white carnation corsage. For something borrowed and blue she wore a pair of garters belonging to Miss Nina Havens; and for something old she wore an Indian Head penny in her shoe for luck.

Immediately following the ceremony the bride and groom left for a brief wedding trip to Carlsbad, N. M. after which they will make their home in Spur.

Mrs. Aldredge is employed by the Spur Security Bank and Mr.

Junior Music Lover Club Organized

Mrs. Geo. Gabriel, District Junior Counselor and Miss Faye Middlebrooks announced today the organization of the Junior Music Lovers Club. The group met in the home of Mrs. Geo. Gabriel Tuesday night at 7 p. m. for the purpose of electing their officers. Those elected were Connie Garcia, president; Carolyn Kelley, vice president; Kathleen Kelley, recording secretary; Dean Reagan, treasurer; and Alice Crockett, reporter.

The purpose of the club is learning to understand and appreciate music. The group will meet every first and third Monday of the month from 7 p. m. to 8:30 p. m.

Cookies and cakes were served to the following girls: Marilyn Miller, Shirley de Graffenried, Dean Reagan, Carolyn and Kathleen Kelley, Margaret Latham, Clara Moffett, Wyatt Mayo, Virginia Conner, Connie Garcia, May Barr, and hostesses and sponsors Miss Faye Middlebrooks, and Mrs. Geo. Gabriel.

Tommy Aldredge visited with his parents Mr. and Mrs. C. Aldredge this weekend.

Mrs. T. P. Marion from Honolulu, Hawaii Territory of Hawaii has been visiting with her son, Mr. Paul Marion and his family for the past few weeks. Mrs. Marion is in the U. S. for an extensive visit.

Virginia Ruth Shugart freshened at Baylor, visited with her parents Mr. and Mrs. Elmer Shugart and her many friends, this past weekend.

Clive Baber of Spur is visiting his sister Mrs. Leslie Sturgis of Laguna Beach, Calif. for a few weeks.

Local Women Guests Of Quannah Music Clubs

Mrs. W. T. Andrews, president of the seventh district federation of Music Clubs and Mrs. George Gabriel, Junior Counselors were honored guests of the Music Lovers Club at Quannah, Texas Monday Nov. 7 at 4 p. m. at the home of Mrs. T. H. Garner.

The president of the Music Club, Mrs. Glenn Ross opened the meeting with a short business session. Mrs. Gabriel sang the "Open Road" with Mrs. Andrews at the piano.

Mrs. Andrews brought the club a federation message from the convention which was recently held at Spur. She also emphasized how music can be common bond to unify the world. Mrs. Gabriel closed the program with the beautiful song "Indian Love Call".

During the tea hour the members of the Junior Music Club of Quannah provided musical entertainment.

Bouquets of fall flowers were used in the house decorations. An artistic fruit arrangement combined with autumn leaves was the central decoration on the refreshment table. Approximately 35 members and guests were present.

Annual Library Tea Features Review Of Famous Biography By Mrs. McGinty

An outstanding program, both instructional and entertaining, was presented at the library benefit tea, culminating the observance of National Education Week, Sunday afternoon, Nov. 13, in the dining hall of the Spur Inn.

Greeting the guests as they arrived at the entrance were persons dressed as book characters. Represented in this group were "Tom Sawyer", "Ichabod Crane", "Priscilla Mullin", "The Barefoot Boy", "Becky", "Alice-in-Wonderland", and "Amy". "Jo", "Meg" and "Beth March" of "Little Women".

An a capella choir composed of fifth grade boys and girls, under the direction of Miss Faye Middlebrooks, sang "Home", an American folk song, and "Thwarted Romance", by Phyllis McGinley.

The book "Dolly Madison, Her Life and Times" by Kathleen Anthony, was reviewed by Mrs. O. M. McGinty. The review was presented from a scholarly and understanding point of view. It was of an interesting study which revealed the strong influence of the life of Quaker-reared Dolly Madison on the social and political history of the United States as well as other nations of the world.

Mrs. McGinty quoted critics as saying that Anthony's biography of Dolly Madison was authentic and very well written. She urged that her review serve as an incentive rather than a substitute for reading the book.

The City Federation of Women's Clubs wishes to thank Mrs. McGinty for this masterly piece of public service. More than ninety people heard the review and enjoyed a social hour following the program.

The library benefit tea is an annual affair sponsored by the City Federation of Women's Clubs. The city library which is a City Federation project, receives the books as well as the money derived as admission fees to this book review each year. Mrs. J. R. Laine is the local librarian.

All citizens of Dickens County are urged to take advantage of the services offered by this library. The library is located on the second floor of the bank building and is open between the hours of 1 p. m. and 5 p. m. on Wednesday and Saturday of each week.

Mrs. Cook Host 1933 Study Club

Mrs. C. F. Cook was hostess to the 1933 Study Club Tuesday afternoon, Nov. 15 at her home at 123 W. First.

The president of the club, Mrs. V. C. Smart, Jr. was in charge during a brief business session. Mrs. J. C. Payne made a report of the City Federation meeting and on the library tea given by the federated clubs.

The guest speaker, Mrs. Bob Blackshear was introduced to the group by Mrs. Grady Lackey. The program was in the form of a book review of "Victoria Regina" by Lawrence Houseman. The book, written as a drama, is a biography of Queen Victoria of England.

The review was presented in a most novel and interesting manner. As a part of her review Mrs. Blackshear gave several scenes from the play in complete dialogue and her character portrayal was superb. The dignity and inflexible spirit of this historical character was made to live by her remarkable performance.

Refreshments of pumpkin pie topped with whipped cream, olive nut, and coffee were served by the hostess. Plate favors were tiny coronas of dwarf mums.

Those members present were Mesdames, Geo. Gabriel, C. P. Scudder, Coy McMahon, J. C. Payne, Walter Carlisle, V. C. Smart, Jr., C. H. McCully, Everett McArthur, Leon Huff, Grady Lackey, Hunter Wilson, T. E. Springer and guests Mrs. E. D. Engleman and Bob Blackshear.

1931 Study Club Has Book Review

The members of the 1931 Study Club and their guests met in the American Legion Hall, Tuesday, Nov. 15 at 3:30 p. m. for a book review. Mrs. Bert McGinnis who is the local librarian.

Little Theatre group of Lubbock was the honored guest speaker. Mrs. McGinnis gave her review on the book, "Glass Menagerie", by Tennessee Williams.

The large reception room was attractively arranged with white and yellow mums and greenery for the background.

Refreshments of coffee, open face sandwiches, and nuts were served to approximately 35 members and their guests.

Ladies Of WMS Have Joint Meet

The First Baptist WMS met at the church, Monday afternoon Nov. 14 for the monthly joint meeting of all circles.

Mrs. C. P. Scudder, president of the organization, presided during the regular business session. Reports of standing committee chairmen were made and plans for filling Thanksgiving baskets for needy families were discussed.

The program, "Christ and Men Lands" was introduced by L. M. Huff, program chairman.

Mrs. Walter Grubben sang the devotional for the afternoon on "One Door-One Way", Mrs. C. P. Scudder, Grady Lackey, and E. E. Caudle also sang parts on the program.

Those present were Mesdames, Walter Johnson, Jr., L. W. Langston, T. J. Seale, Franklin Patrick, L. M. Huff, C. Melvin Rathel, Walter Grubben, Myrtle White, C. P. Scudder, Elmer Hag-Grady Lackey, W. S. Patrick, E. E. Caudle, E. H. Carpenter, Walter Grubben, and Miss Jennie Ellis.

Twentieth Century Club Have Meeting

Continuing the selected study for the year, "Seven Phases of Education", the Twentieth Century Club met on Tuesday Nov. 13 at 3:30 p. m. in the home of L. D. Ratliff.

Mrs. J. R. Laine, county librarian was a guest of the club in the home of "The Library in Education". She spoke on "Our Library Today" and reported that Dickens County Library contains about 2391 books as well as magazines and useful bulletins.

Mrs. E. B. Crockett discussed at materials, other than novels should be in our library and how should our children's reading be directed.

Mrs. Geo. S. Link presented an interesting paper on "An Ideal Library". Mrs. E. C. Nichols suggested many ways that "The Twentieth Century Club Could Help Our Library".

Mrs. T. H. Blackwell directed the discussion and summarized the information by saying, "Books whisper to the heart".

The members of the club were entertained by two popular selections sung by Estell Ralph Gibson and accompanied by Carolyn Kelley. The selections were "Let's Take An Old-Fashioned Walk" and "I Don't See Me In Your Eyes Anymore".

Refreshments were served to the following members, Mesdames: Cliff Bird, T. H. Blackwell, E. L. Caraway, F. B. Crockett, Eric Foster, Henry Grubben, O. L. Kelley, J. A. Koon, E. S. Lee, George S. Link, O. M. McGinty, J. C. McNeill, P. C. Nichols, W. S. Patrick, L. D. Ratliff, A. M. Walker, J. R. Laine, and Miss Margaret Elliott.

Mrs. Vivian Gibson, and daughter Doris, and Mrs. L. E. Abernathy visited with relatives Mr. and Mrs. Jim Gresham and sons Joe Max, and Jimmy of Waco, Mrs. Buford Mayfield of Lorens, and Mrs. Toll Mayfield, of Bruceville. They returned home late Sunday night.

Miss Anita Reid spent the weekend in Lubbock where she visited Mr. and Lloyd Holly.

THAT'S WHAT I CALL REAL SERVICE

And You ALWAYS Get It When You Use McCormick Equipment

One day, right in the middle of harvest, a customer hurried in and asked for a replacement part for his 10-year-old combine. I went to the parts bin, and as I came back and plunked the part down on the counter, he grinned and said: "That's what I like about using McCormick equipment. When I do need a part, you always have it or can get it right quick."

He started to walk out, and I said, "How about letting our service man put that part on for you? Your machine might need a little adjustment here and there, and he can do that at the same time."

He thought it over for a minute, and laid the part back on the counter. "Go ahead," he grinned. "I've got a couple of other things to take care of here in town anyway. The combine is standing in the field south of the house."

He turned to go, and I mentioned, "If you're not at home by the time he puts on the part, I'll have him try the combine and look it over thoroughly and give you a report. Maybe we can get together and arrange to fix it ahead of time for next season and save you time and trouble."

"Go ahead," he agreed again. "That's what I call real service!"

"Just a part of our service."

McMurry To Crash Southwestern U.

ABILENE, Nov. 14.—With the purpose of capturing a second straight clear-cut Texas Conference championship, the McMurry Indians invade Georgetown for their season's finale against the Southwestern University Pirates Saturday night.

At least a share of the title has already been assured the Indians, who tied for the championship with Hardin in 1947. Their victory last year was outright.

Although the Indians are the state's highest-scoring team, a victory over the last-place Pirates is by no means a certainty. Southwestern last week was doped to lose heavily to the Texas A&I Javelinas, but the Wild Hogs from Kingsville had to huff and puff before gaining a final quarter, 7-3 win.

It will be the last game of their college careers for three ends—Les Cowan of Hamlin, Rudy Hiale of Plainview, and Wesley Daniels of Lefors—and a tackle, Elmo Cummins, co-captain from Uvalde.

For the season McMurry has won seven and lost two, the defeats being to Tulsa University and Mississippi Southern.

McMurry played a Homecoming crowd last week in turning back the Howard Payne Yellow Jackets, 27 to 6.

Payne set its defense for Brad Rowland of Hamlin and held him scoreless for the first time this season. But Floyd Sampson of Anson slipped through for two touchdowns, Weldon Day of Anson added another, and Cowan took a pass from Rowland. Payne's touchdown, with the count 27-0 in the third quarter, came on a 69-yard pass play, Curtis Davenport to Frank Barnett.

Radio Station KSNV Opens At Snyder

Snyder's new radio station KSNV is now on the air. The 500-watt station may be found at 1280 kilocycles, reception of KSNV is good here.

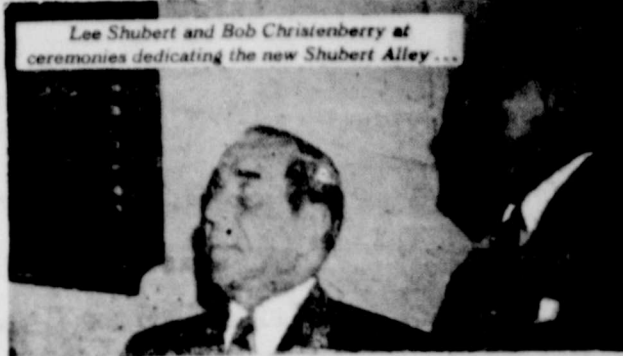

KSNV, in the town now enjoying the nation's hottest oil boom, is owned by John Blake of Brownwood and Marshall Formby, formerly of McAdoo, Dickens County. The two men also own and operate KPAN at Hereford.

Roy Johnson is Chief Engineer, Clint Furnby is Commercial Manager. Seven members comprise the staff. A 24-hour leased United Press wire provides news for the several news casts throughout the day.

Livestock number should be adjusted to fit the grazing capacity of the range and this should be based on the number and amount of good grasses present. Low producing and poor quality animals eat more than their share of the range vegetation. They should be replaced with quality livestock.

YOU MEET SUCH INTERESTING PEOPLE

by Robt. K. Christenberry
President of the famous Hotel Astor

Last June, when the Broadway Association imbedded its permanent plaque to the famous Shubert theater producers in the new Shubert Alley, as president of the civic group I had the pleasure of making the presentation to Mr. Lee Shubert. It read: "In recognition of their many contributions to the culture, progress and stability of Broadway, and for their part in developing and stabilizing the city as the nation's legitimate theater center."

Lee Shubert, now 75 years old, was deeply affected by the tribute. The son of a humble Syracuse tailor, he was stage struck even as a little boy, and in 1885 got a job as actor for \$1 a week. When he found that the program seller made \$1.50, he switched to the commercial side. Today, along with his brother Jake and other members of the family, he is the colossus of the theatrical world, yet one of the least known men among his fellows.

In the early 1900s, Mr. Lee came to Manhattan to buck the big theater syndicate. It was a fierce fight, but his shows were so good that he came out on top, and by 1929 the Shubert properties were worth \$400,000,000! He lost it all in the depression.

In 1933, he started all over again, and today the Shuberts run 15 top Broadway theaters, grossing an estimated \$60,000,000 annually. The man is phenomenal. Because of his youthful battles, he became silent and secretive. He was married for 12 years, and not even his best friends knew it. He would rather see a bad drama than a good musical, although he admits he likes South Pacific, which is in one of his theaters. His business is his hobby. He has an amazing memory. He never forgets a business detail.

Often, when a visitor is in his office, he speaks with him, listens to someone on the telephone and reads a newspaper, all at the same time. If you ask him about a script he owned 10 years ago, he can tell you every business provision connected with it without referring to the contract.

He likes to reward people for kindnesses that they think he has forgotten. He wears \$225 suits. He loves children.

He's always in such a rush that whenever he comes into the Astor barbershop he has two manicurists working on him—one on each hand.

He's a hard businessman, but inside he's full of sentiment. Once, in 1923, he dropped into a rehearsal of a play in which a boy leaves his mother at the end of Act Two. Lee rushed to the author and demanded: "How can you have a boy leave his mother?" The author replied that it was all right, because five minutes later, at the beginning of Act Three, the boy would return. But Shubert wouldn't allow it, not even for five minutes, and he cancelled the opening until the play had been rewritten.

He's the head man, and everyone doesn't always love the head man, but everyone respects and admires him. Top authors and directors tell me that in all their years on Broadway they have never dealt with a more honorable man.

He is small, silent, has a perennial suntan and is so lonely looking, he's been described as the man with the face on Stone Mountain. He could have quit long ago and never had to worry about money, but he has chosen to keep going, to continue creating jobs for thousands of writers, actors, stagehands and musicians, and to do his great part in maintaining the glory of Broadway.

One of my most cherished possessions is a stunning solid gold Tiffany cigarette case Mr. Lee gave me last Christmas. "To Bob Christenberry," it reads, "with sincere admiration, from Lee Shubert." You know, this Christmas I think I'll present one to him, for I can think of no more fitting or true inscription than this: "To Lee Shubert, with sincere admiration, from Bob Christenberry."

CARD OF THANKS

We wish to express our appreciation for every sympathetic act of kindness shown us in the death of our baby girl, Sharon Lee. Your thoughtfulness made our sorrow

HEALTH NOTES

Austin, Texas, Nov. 17, 1949 Dr. Geo. W. Cox, State Health Officer, declares there's hardly anyone who hasn't caught cold at one time or another. The common cold is common indeed! Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illnesses. And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses. So, do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

When you have a cold:

1. Get as much rest as possible.

Stay in bed or indoors for the first day or so if you can.

2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling when overheated.

3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.

4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs or paper napkins that can be burned. Wash your hands frequently with soap and water.

5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses or middle ear and develop sinus trouble or serious ear infection.

6. If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower, quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

**NEW SOUND CONDITIONING**

New sound conditioning in floor, doors and body panels insulates Ford's "Life-guard" Body against road noise. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

There's a Ford in your future

...with a future built in

**NEW "HUSHED" RIDE**

Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while traveling at highway speeds. So smooth with its great team of "Hydra-Coil" and "Para-Flex" Springs that it virtually erases every bump.

NEW QUALITY FEATURES

New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

NEW DRIVING COMFORT

Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-level driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

LEGAL NOTICE

NOTICE OF ELECTION FOR THE ISSUANCE OF HOSPITAL BONDS THE STATE OF TEXAS COUNTY OF DICKENS

TO THE RESIDENT QUALIFIED ELECTORS OF DICKENS COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 3rd day of December, 1949, within Dickens County, Texas, to determine whether or not bonds shall be issued by said County in the following amount and for the following purpose:

\$125,000 bonds for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, pursuant to authority conferred by the Constitution and laws of the State of Texas, and whether or not valorem taxes shall be levied annually on all taxable property in said County for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity, in obedience to an ELECTION ORDER passed by the Commissioners' Court of Dickens County, Texas, on the 14th day of November, 1949, and which said order is in words and figures as follows, to-wit:

ELECTION ORDER HOSPITAL BONDS THE STATE OF TEXAS COUNTY OF DICKENS

ON THIS the 14th day of November, 1949, the Commissioners' Court of Dickens County, Texas, convened in regular session, at the regular meeting place thereof in the Courthouse at Dickens, Texas, the following members being present and in attendance, to-wit:

A. C. SHARP, COUNTY JUDGE, presiding, and ROY WARD, COMMISSIONER, Precinct No. 1; E. J. OFFIELD, COMMISSIONER, Precinct No. 2; ARNER WATSON, COMMISSIONER, Precinct No. 3; G. C. PIERCE, COMMISSIONER, Precinct No. 4; and the following proceedings were had:

It was moved by Commissioner Watson and seconded by Commissioner Pierce that there be submitted to the qualified voters of the said County, who own taxable property in said County and who have duly rendered the same for taxation, the proposition for the issuance of the bonds of said County, in the following amount and for the following purpose, to-wit:

\$125,000 bonds for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, pursuant to authority conferred by the Constitution and laws of the State of Texas.

The motion carried by the following vote: Commissioners Ward, Offield, Watson and Pierce voting "AYE"; and none voting "NO."

WHEREUPON the following ELECTION ORDER was passed

by the Court:

WHEREAS, a petition has been duly presented to the Commissioners' Court of Dickens County, Texas, wherein the petitioners, alleging themselves to represent more than ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation, and praying this Court to order that an election be held in said County at the earliest date practicable, to determine whether or not the bonds of said County shall be issued in the total principal sum of \$125,000, bearing interest at a rate not exceeding 3 1/4% per annum, and to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to provide a sinking fund sufficient to pay the principal thereof at maturity, and

WHEREAS, this Court, upon due advice and investigation, has ascertained and determined that said petition is signed by more than ten per cent (10%) of the resident qualified property taxpaying voters of Dickens County, Texas, who have duly rendered their property for taxation, and that such petition should be granted, and that the election as prayed for in such petition should be ordered; therefore,

IT IS ORDERED BY THE COMMISSIONERS' COURT OF DICKENS COUNTY, TEXAS, that an election be held in said County on the 3rd day of December, 1949, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified electors who own taxable property in said County and who have duly rendered the same for taxation, for their action thereupon:

"SHALL the Commissioners' Court of DICKENS COUNTY, TEXAS, be authorized to issue the bonds of said County in the total principal sum of \$125,000, to mature serially within any given number of years not to exceed thirty (30) years from the date thereof, bearing interest at a rate not to exceed 3 1/4% per annum, for the purpose of establishing and equipping a county hospital and for all necessary permanent improvements and buildings in connection therewith, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, pursuant to authority conferred by the Constitution and laws of the State of Texas, particularly Section 9, of Article 8, of the Constitution, and Chapter 1, Title 22, Revised Civil Statutes of 1925?"

THAT the said election shall be held under the provisions of the Constitution and laws of the State of Texas, particularly Chapter 1, Title 22, Revised Civil Statutes of 1925, and all persons who are legal voters of said Dickens County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election.

It is further ordered that the ballots for said election shall be prepared in sufficient number and in conformity with House Bill Number 357, passed by the Fifty-first Legislature in 1949, and that printed on such ballots shall appear the following proposition:

"FOR THE ISSUANCE OF HOSPITAL BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF HOSPITAL BONDS AND THE LEVY OF TAXES IN PAYMENT THEREOF."

EACH VOTER shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his or her vote.

THE POLLING PLACES and Presiding Officers of said election shall be, respectively, as follows:

THE MANNER of holding said election shall be governed by the General Laws of the State of Texas as regulating General Elections. A COPY of this order, signed by the County Judge of said County, and certified to by the County Clerk of said County, shall serve as proper and sufficient notice of said election.

NOTICE of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words, "NOTICE OF ELECTION FOR THE ISSUANCE OF HOSPITAL BONDS." Said notice shall be posted in each of the election precincts of the County of Dickens, and at the County Court-house, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks, in a newspaper of general circulation published in the County of Dickens, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

PASSED AND APPROVED, this 14th day of November, 1949.

American agriculture has never come out winner from wartime inflationary periods. It has been the same story after each war; prices paid farmers have gone down faster and lower and stayed longer than the prices for things the farmers had to buy.

LEGAL NOTICE

CITATION BY PUBLICATION
THE STATE OF TEXAS

TO GEO. W. POWELL, defendant in the hereinafter styled and numbered cause:

You are hereby commanded to appear before the 110th District Court of Dickens County, Texas, to be held at the courthouse of said county in the City of Dickens, Dickens County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M. of Monday the 31st day of December 1949, and answer the petition of plaintiff in cause Number 2107 in which BESSIE POWELL is plaintiff and GEO. W. POWELL is defendant, filed in said Court on the 19th day of October 1949, and the nature of which said suit is as follows:

Being an action and prayer for judgment in favor of Plaintiff, an against Defendant for decree of divorce dissolving the bonds of matrimony heretofore and now existing between the parties. Plaintiff alleges cruel treatment on the part of Defendant towards her of such a nature as to render her further living together as husband and wife insupportable; Plaintiff further alleges that no children were born of said union and no community property was accumulated; Plaintiff further prays for relief general and special.

All of which more fully appears from Plaintiff's Original Petition on file in this office.

WITNESS: L. J. Varnell Jr., Clerk of District Court of Dickens County, Texas.

Issued and given under my hand and the seal of said court at office in the City of Dickens, this 19th day of October 1949.

L. J. Varnell Jr., Clerk of the District Court, Dickens County, Texas.

Mrs. Dopson Hosts Dry Lake HD Club

The Dry Lake Home Demonstration Club met for their regular meeting Wednesday, November 9, at the home of Mrs. Coy Dopson.

Members answered roll, call with a "step-saver". A discussion followed on easier and better methods of doing tasks in the home. After a short business session was held, games were played. Game prizes were awarded to Mrs. Len Bass and Mrs. Paul Hotcho.

Refreshments were served to Mmes. Ethel Ballard, Let Bass, Gordon Smith, McMahon, Paul Hotcho, and the hostess Coy Dopson.

Mrs. Neal Chastain is visiting with her son Neal in Austin where he is enrolled in Texas University as a Freshman.

All pork, regardless of the cuts should be cooked to the well-done stage. For the large cuts of pork such as hams, etc., one-half hour of cooking time per pound is a good allowance.

Nut meats and a small amount of whipped cream combined with bits of jelly and whipped until light makes a delicious sauce for puddings and ice cream.

The lives of thousands of children could be saved every year if parents took the same precautions to prevent fires as are taken in most of our schools.

1917 Study Club Has Guest Speaker

The ladies of the 1917 Study Club met in the home of Mrs. E. C. McGee, at 206 W. Hill St. Nov. 13 for their regular meeting. The president introduced the

speaker of the evening Miss Sadora Hawkins of Abilene. Her lecture was on "Palestine in History and Prophecy". She brought out that Palestine was the oldest and youngest nation today. A film was presented showing the Jews returning to the Holy Land and re-establishing the

country as a nation; the sand dunes being converted into rich farm land by irrigation with the waters from the River Jordan; figs and olives growing as they did long ago with grapefruit recently added.

Following the picture a brief business session was held. Those present at the meeting were Mesdames: R. C. Forbis, S. L. Benefield, Fred C. Haile, Clark Forbis, Durwood Woodward, Nellie Davis, R. E. Dickson, Tom Johnston, Wm. Ligon, and Mrs. McGee's mother, Mrs. S. H. Kelcy.

to 29.30 at Galveston. Last year on the same day cotton ranged from 30.95 to 31 cents per pound at Dallas, Houston and Galveston, or \$8.50 to \$9.25 per bale higher than this year.

Domestic and export demand for spot cotton continued to be very good last week. Best demand was mostly for the better grades and staples.

Joe Max Barclay son of Mr. and Mrs. C. W. Barclay visited with his parents and friends Armistice Day.

R. C. Little, a student at Texas Tech, visited his mother, Mrs. Nettie Littlefield of Dickens this past weekend.

Oklahoma-Texas Cotton Review

Trading in spot cotton showed some increase in Oklahoma and Texas last week compared with the previous week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Sales at the 10 spot markets reflected this increase with 414,000 bales sold last week compared with 367,000 the week before and 169,000 during the same week last year. Sales at Dallas alone accounted for 108,593 of the 414,000 bales sold at the 10 spot markets.

Prices went up and down within a narrow range of about 5 points between Monday and Tuesday. Markets were closed Friday for Armistice Day. Thursday's quotations on Middling 15-16 inch offerings ranged from 29.10 cents per pound at Dallas
