Record Vote Believed Cast In Hot Race

By B. L. LIVINGSTONE

PORTLAND, Ore., May 21— Gov. Thomas E. Dewey appeared to be taking a commanding and swelling lead tonight over Harold E. Stassen for Oregon's Republican presidential preference in today's primary election.

Jumping into the lead on the very first returns, the New York governor held a steadily growing margin that approximated 6,000 when a third of the state's 1,861 precincts had reported.

The count from 604 precincts was: Dewey 26,561; Stassen 20,699.

This represented about a fourth of the anticipated total vote in Tuesday's record balloting.

Voters Stand In Line

Dewey took an immediate lead on the strength of a heavy vote from Portland and Multnomah county, and forged slowly though less impressively ahead in upstate areas where Stassen was credited with his greatest strength.

As the count encompassed a third of the total precincts, Dewey was making an unexpected showing in non-metropolitan areas and was ahead in 22 of the 36 counties. Stassen was leading in 11 counties, and three were unreported.

Voters turned out in what appeared to be an all-time record number under the spur of the Dewey-Stassen campaign. In Portland they stood in line to vote on the Republican presidential preference.

Weather Favorable

Overcast but generally favorable weather favored predictions of an all-time high vote in the wake of the state's biggest political spree in history.

Early reports showed uniformly heavy voting in almost all parts of the state. As high as 15 to 20 per cent of the registered Republicans had cast ballots in the first two and a half hours after poll opening at 8 a. m.

In Multnomah county (Portland), which casts about a third of the state's total vote, balloting in the first three hours accounted for 15 per cent of the registered voters.

James Gleason, Multnomah county election registrar, assayed it as likely to be the heaviest vote in the county's history. He forecast fully 75 per cent of eligible Republicans and 65 per cent of the Democrats would mark ballots before poll closing at 8 p. m.

Both contenders for Oregon's Republican presidential preference wound up their barnstorming campaigns in Portland last night, and today observed Oregon tradition by departing before the vote was tallied.

Air Power Bill Signed Into Law

WASHINGTON, May 21 (AP)—President Truman signed the 70-group Air Force bill into law today but served notice that he may not approve spending of the full $3,198,100,000 voted by Congress for aviation.

Mr. Trumans' statement reopened a controversy which began when his administration recommended keeping the present 55-group airmada but strengthening it. Congress, by an overwhelming vote in each house, upped the nation's future air strength to 70 groups.

Officials To Assist HST

"The Congress has seen fit," the President said, "to provide $822,000,000 beyond the amount which I considered necessary in submitting my request for the acceleration of the (air) program.

"Provision has been made, however, that the funds shall not be spent without a finding by the President that the 'contracts let are necessary in the national defense' and that the procurement results in the 'maximum utilization of improvements in aircraft and equipment consistent with the defense needs of the U. S.'

"To assist me in discharging this responsibility, I have asked the secretary of defense and the director of the bureau of budget to formulate and recommend appropriate procedures."

The officials Mr. Truman named are Secretary of Defense Forrestal and Budget Director James Webb.

House Group Considers Holding Up Action On UN Legislation

WASHINGTON, May 21 (INS)—The House Foreign Affairs committee today considered the advisability of holding up action on United Nations legislation until the Senate has passed on the Vanderberg collective security plan.

Because of the Senate's constitutional responsibility in the treaty-making field, many members of the House committee feel that the Senate should have the right-of-way in formulating a policy of American military guarantees to the Marshall plan countries or other regional groups.

Building Plan Vote Upheld; Appeal Seen

By MAC ROY RASOR
Associated Press Staff Writer

AUSTIN, May 21— The election at which Texans adopted by a close vote a constitutional amendment to finance a $60,000,000 College Building program today was declared "sufficient and constitutional" by a 126th District Court decision.

The decision was handed down by Judge Roy C. Archer in the eight-months old suit brought by one Dallas and three Lubbock citizens challenging the election's validity.

Injunctions Are Denied

Judge Archer's decision denied injunctions sought against Secretary of State Paul Brown to nullify his canvassing of the election. Thereby nullifying the election, and against Attorney General Price Daniel to prevent him from approving any bonds issued under the amendment.

The decision, however, was not expected to clear the way immediately for the approval of bonds to permit the 15 state-supported colleges and University of Texas to get their building programs underway. The election contestants are expected to appeal from the Third Court of Civil appeals. As long as litigation exists against the amendment, and thereby on bonds issued under authority of the amendment, a long-standing rule in the attorney general's department prevents approval of the bonds.

Election Is Hit

The Court ruling came nine months after adoption of the amendment at the polls. The suit was brought one month after the election by Clarence W. Whiteside, Spencer A. Wells, and Homer Maxey, all of Lubbock, and H. E. Speer of Dallas.

A one-hour trial was held April 23, after attorneys for both sides had consumed much of the intervening time in reaching an agreement on the facts involved in the case.

The suit claimed that the constitution-required procedure to amend the constitution had not been followed in the August election. The state contended that there had been "substantial compliance."

The Amendment levies a 5-cent per $100 valuation ad valorem tax to finance $45,000,000 worth of buildings for 14 state-supported colleges. It would also permit the University of Texas to issue $10,000,000 worth of building bonds and Texas A. and M. to issue $5,000,000 worth to be paid off with income earned by the University permanent fund. Life of the program covers a 30-year span.

Opponents complained that the amendment favored the University and Texas A. and M. and would not provide sufficiently for the building needs of the other 14 schools.

Committee Named On Tech's SWC Request

DALLAS, May 21 (AP) — The committee to study expansion of the Southwest conference with a view to admitting Texas Tech has been named by conference President Robert A. Leflar of the University of Arkansas.

James H. Stewart, executive secretary of the conference, said today Dean Leflar had named Dr. J. D. Bragg of Baylor, D. W. Williams of Texas A. and M., Howard Grubbs of Texas Christian, John Barnhill of Arkansas and Stewart, the latter as chairman.

This committee will investigate the situation and report next December at the winter meet of the conference faculty committee.

Several schools have been mentioned as wanting in the conference but only Tech has made a formal bid. This was done several years ago. At the spring meeting of the conference at Houston last week, a delegation from Lubbock, where Tech is located, came before the committee and urged that the Technological school be admitted.

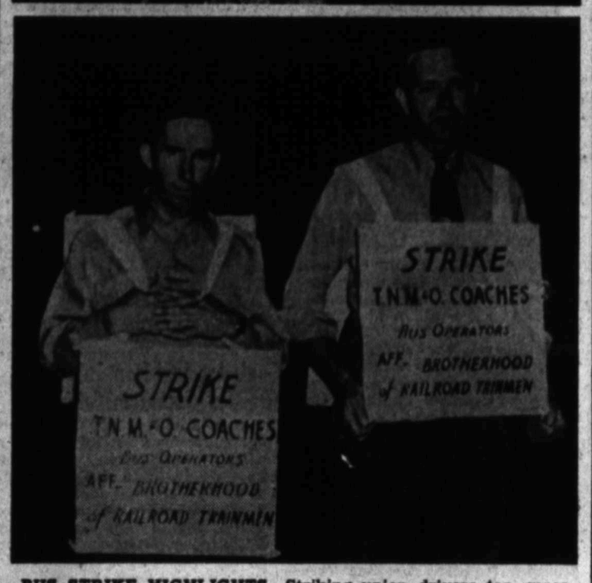

Hardin-Simmons university of Abilene inquired regarding a place in the conference several days before the meeting but did not make an application.

TO MAKE RACE

HOUSTON, May 21 (INS — Holmes A. May, 42-year-old former official of the teamsters union, today filed his candidacy for governor with Robert W. Calvert, state chairman of the Democratic executive committee. May, a Houston resident since 1926, said from Kerrville today he intended to wage a "serious" campaign.

BUS STRIKE HIGHLIGHTS—Striking union drivers top, mass against the rear of the backing Amarillo-bound bus in a futile attempt to halt its pulling out of the station here Friday night. One picket was reported injured when the bus pulled away from the station. Mrs. J. F. Edwards, of Olney, (center), remained calmly in the station crocheting during all the excitement on the loading ramp. Observing all the empty seats around her, she observed, "I don't see why everyone gets so excited." Bottom picture shows two union drivers, Hulen Henderson, [illegible] and Barney Boyd as they pace the picket line set up around the station. Boyd was the picket reported injured when he joined other members of the union in an attempt to stall the Amarillo-bound bus. (Staff Photos).

ARAB NATIONS ARE WARNED

U. S. Demands Arabs Release 41 Citizens Taken Off Ship

(By The Associated Press)

WASHINGTON, May 21. —The United States today demanded the release of 41 American citizens taken off the American steamship Marine Carp by Lebanese authorities under threat of force.

At the same time the State department served notice, in effect, on the Arab world that this country will "view seriously' any discrimination against U. S. citizens on grounds of race, creed or color.

The 41 Americans, all Jews, were removed from the Marine Carp at Beirut on Wednesday, along with 28 passengers of other nationalities.

All 69 were of military age and were bound for Haifa in the new Jewish state of Israel. Lebanese officials took the position that they might join Jewish fighting forces there.

Today's sharp American protest was disclosed in the form of instructions to Lowell Pinkerton, U. S. Minister at Beirut.

State department press officer Michael J. McDermott said the "whole purpose" of these instructions was to get the Americans released. They were last reported interned in former French barracks at Beka, Lebanon.

The State department announcement said this country "considers that all bearers of American passports, irrespective of race, color or creed, are entitled to an equal extent to the protection of the government of the United States."

Meat Strike Is Settled

(By The Associated Press)

THE 67-day-old nationwide meat strike ended today against all major packers but Wilson and Co.

The walkout ended on company terms. Members of the CIO United Packinghouse Workers union voted in favor of a back to work movement at all plants but Wilson's.

Ralph Helstein, union president, said the Wilson plants would remain struck because the company insisted it reserve to itself the decision as to whether or not to reemploy strikers, and that it refused to rehire strikers charged with unlawful acts.

Nine-Cent Hike Accepted

Ending of the major portion of the strike will put nearly 92,000 workers back on their jobs. Wilson's seven plants normally employ another 8,000.

The union accepted a nine-cent hourly wage increase—the same offer it had rejected in calling the strike March 16. It originally sought a 29-cent increase.

In a purely local settlement, 200 Armour & Co. meat handlers in Detroit also accepted a nine-cent increase and will end their three-week strike Monday, an Armour spokesman said. The workers are members of the CIO-UPWA.

Rail Talks Off

The remainder of the nation's labor picture was spotty.

Negotiations to settle the railroad wage dispute which almost precipitated a nationwide strike last month broke down Friday in Washington. No further talks were scheduled. The unions which originally threatened to strike are the engineers, firemen and switchmen. The strike threat was allayed, however, when the government took over operation of the roads April 27.

John L. Lewis Friday ignored an invitation by the soft coal operators to resume negotiations on a new contract. Talks between the disputing parties collapsed Wednesday night, at their very outset. The present one-year contract expires June 30.

Nearly 100,000 auto workers were idle because of strikes, walkouts and shutdowns.

The major factor was a strike of 75,000 Chrysler production workers, which went into its 11th day with no signs of any settlement.

Cause of death was not immediately known.

A native of Graham, Tex., he joined the Santa Fe in Weatherford, Tex. He started as a cashier during summer vacations from Texas Christian university.

He was stationed at Amarillo, for 15 years before coming to Chicago. He is survived by his widow and four children.

Mrs. Golding was informed of her brother's death late Friday afternoon. Mr. Gallaher was widely known in this area and had visited in Lubbock last fall.

Grim Jewish Force Defies Arab Shells

By DANIEL DE LUCE
Associated Press Staff Writer

INSIDE THE OLD CITY OF JERUSALEM, May 21.—A desperate band of Jews clung to a rubbled fortress 300 yards square in the old city of Jerusalem tonight after four days of the Arab legion's efforts to crush or dislodge them.

Arab artillery screamed over the religious city of Jerusalem in all directions as legion gunners raked at Jewish lookouts and gunposts on high points supporting the small grim band of Israelites penned against the 400-yard-old walls.

Walls Dynamited

Five times Arab dynamite squads set off charges in Tiferet Yisrael synagogue, tallest building in the Jewish quarters of the old city, which the Arabs thought they had captured yesterday. But Jews clung to the domed roof and underground chambers and crawled out for sniping shots today. The five huge charges blew down the north wall of the old synagogue.

Arab artillerymen for the second day turned shellfire on American-financed Hadassah hospital and Hebrew university on Mount Scopus and demanded that the 400 Jewish fighters there surrender or die. The mount overlooks the old city from the north. Arabs said Jewish machine-gunners and mortars crews in entrenchments at the hospital and university opened up on Arabs in the Sheikh Jarrah and Wadi El Joz quarters at the base of the mount this morning.

Jews Launch Attack

Legion howitzers also battered Jewish positions on Mount Zion in the vicinity of Dormition church, reputed scene of Virgin Mary's death, and Crusader hall where the Last Supper is supposed to have been held.

Demo Lines Are Set For Meeting

By DAVE CHEAVENS
Associated Press Staff Writer

AUSTIN, May 21—Candidates for offices on which the state Democratic convention Tuesday may test the strength of warring factions were fairly well established today.

Organization Democrats— opposing the re-nomination of President Truman and fighting his civil rights program—will probably back Fred H. Minor of Denton as temporary chairman of the convention, and Wright Morrow of Houston as national committeeman.

Pro-Truman Democrats—all-out for the President's renomination —have advanced former mayor George Sergeant of Dallas for the temporary chairmanship, and Mayor Tom Miller of Austin or Matt Davis of Gilmer for national committeeman.

Test Vote Seen

Because Minor has a clear record of party loyalty dating back to the presidential elector row in 1944, the test may hinge on Morrow. There is also a possibility the executive committee itself may balk at Morrow. The Trumanites have labelled him as the "Texas regular" candidate.

Company Continues To Operate Coaches

Picket Is Injured; Attempt To Halt Non-Union Drivers Made By Workers

By BILL HAMS
Avalanche Staff Writer

LAST minute efforts to avert a walkout of Texas, New Mexico, and Oklahoma Coaches drivers Friday afternoon failed, and at one minute past the 10:45 strike deadline last night pickets took their places on the north and west sides of the Union bus station at the corner of Thirteenth Street and Avenue L.

Several hundred persons, including travelers and townspeople, jammed the sidewalks and loading area as the Amarillo bound bus began loading at 10:50 p. m. The first incident connected with the strike came when the bus attempted to back from the loading ramp and start its "run" to Amarillo.

Attempted To Halt Bus

Striking members of the local union of the Brotherhood of Railway Trainmen, which represents the drivers, rushed to the rear of the backing vehicle and attempted to prevent its movement. Despite the protests of the union men, the bus was backed into the street and sped down the street.

One member of the union, Barney Boyd, was treated at Lubbock hospital for a bruised arm, which other members of the union said he received when the vehicle sped away.

Tom Armstrong, chairman of the local grievance committee of the union, said he attempted to get an officer to halt the bus after it allegedly struck Boyd. Police reported that the bus was halted north of Lubbock by members of the State Highway Patrol who checked the driver's license.

Officers Making Runs

A special officer and an extra driver were aboard each of the first three buses to leave the terminal after the strike began.

The El Paso bound bus pulled away from the station at 12 midnight without incident while pickets marched on the sidewalk and ramp.

J. W. Thompson, of Kansas City, representative of the BRT, ordered the pickets placed after union and management officials met in the offices of Mayor W. H. Rodgers late Friday afternoon in a futile last minute effort to reach an agreement.

Thompson said that he understood that company buses leaving after the strike deadline were manned by non-union men. He said that all of the local union members are "out" and that as soon as all schedules arrive in Lubbock and unload the strike will be complete. The last schedule manned by a member of the union is expected in at noon today.

To Continue Operations

Jess Levens, vice president and manager of the company, refused to comment on the strike last night except to say "buses will continue to operate regardless."

Company machinists continued to work last night after the walkout deadline, but Thompson said if "non union drivers are used to maintain service, I expect the local to extend its picket lines to include the garage area. I do not think the maintenance men will cross the lines if such action is necessary."

E. A. Walker, commissioner with the Federal Mediation and Conciliation service, requested Mayor Rodgers to aid in the negotiations after two earlier talks had failed to produce an agreement. Rodgers told the group that he was not familiar with details of the issue and requested that the strike be postponed 24 hours in order that he might study the demands of the union and the stand of the company.

Thompson attempted to reach BRT headquarters by long distance telephone early Friday night, but said that he was unable to reach the proper official, to convey the mayor's request for postponement.

Mayor Rodgers said that his "office was open to both sides, strike or no strike. I am anxious to do all I can to settle this matter as quickly as possible." Whether or not the mayor's offer would be accepted and negotiation resumed today, neither union or company officials would say.

Union Lowers Demands

At a conference Friday morning the union scaled down their earlier 6.5 cent a mile demand to 5.5 cents, in what Thompson described as a "final" effort to reach an agreement with the company. The union drivers are reported to be receiving 5 cents a mile pay now. The proposal also gave in detail the conditions under which the drivers were to operate, including working hours.

It was reported after the ses-

Tech Students Protest Hikes

About 500 students gathered at Memorial circle on Texas Technological campus Friday afternoon to discuss complaints arising out of a rent increase announced for Tech's dormitories effective in the fall term. The increase was decided on by the college Board of Directors at their last meeting in Lubbock, May 8.

The increase, from $47.50 to $60.00 per month, effective September 1, will affect approximately 2,000 dormitory dwelling students in an amount of over $100 per student in the next full term.

Immediately after the meeting was called to order, Bill Nugent, president of the Student Council, was asked to conduct the discussion. He said that the purpose of the meeting was to do something about getting the rent increase nullified, and that the only way to do this was follow the proper procedure in approaching the Board of Directors.

To Protest To Board

"The Student Council was formed for the purpose of representing the students in all matters pertaining to administration," Nugent said, "and a committee of four has already been appointed to look into the matter."

The committee is composed of Gene Nowlin, commander of the Tech War Veterans Association; Joe Meador, former commander of the Tech War Veterans Association; Clint Formby, president-elect of the student council for the coming year and present business manager of the student council, and Earl Sears, vice president of the Student Council.

NOT MUCH CHANCE FOR DRAFT LAW

Solons Try To Avert Showdown

PROSPECTS do not appear bright for passage of a military draft law before Congress adjourns within the next few weeks. If final action is not taken, politics will be almost solely to blame. It will be due almost entirely to the fear of many members of Congress to put themselves on record as to this controversial legislation during an election year.

The attitude of the congressman seeking re-election is understandable if not commendable. He has a good job he wants to keep. He knows that, regardless of how he might vote on a proposed draft law, it might jeopardize his chances of re-election. So many members of Congress obviously are trying to avert a showdown.

Their conduct merely emphasizes the courage of those congressmen—of whom there are a good many—who are attempting to force the showdown at once. Most of these support the draft law—and observers agree that support for the bill will cost more votes at the polls than opposing it.

Even so, it is heartening to have evidence that Congress does contain members who want to do what they think is best for the country, regardless of personal political consequences.

It would be shameful if they should be driven from office because they have the courage to declare their convictions. Congress and the nation need such men.

RAIDS FROM AFL UNIONS SEEN

Murray To Sign Anti-Red Pledge

BY RAY TUCKER
Special Correspondent

WASHINGTON—President Philip Murray will soon break down and sign the anti-Communist affidavit required under the Taft-Hartley Act because his C.I.O. unions are losing thousands of members week by week to compliant American Federation of Labor units.

Mr. Murray swore a Scot's oath when the measure became law that he would never stultify himself by taking this pledge, although he is as bitter against the troublesome Reds as United Mine Workers President John L Lewis. More astute and yielding than his rivals, William Green agreed to comply after some hesitation and his A. F of L. is now engaged in mass raids against his opponents' unions.

TUCKER

The Scotchman does not like to about-face and has tried to conceal the fact that he is shifting ground from necessity rather than from choice. Few weeks ago, he announced that he was meeting pressure from locals which had suffered from the NLRB's ruling that they enjoyed no legal rights or privileges under federal legislation unless they enlisted in the anti-Communist campaign. It was the first intimation that Phil was about to surrender, and it drew cynical howls from the Green and Lewis camps.

* * *

OBEY: It is true that C.I.O. locals were complaining over the mauling they have been receiving in the rough-and-tumble scramble for membership but they were willing to string along with Mr. Murray's original stand, if only to express their distaste and resentment against the statute. But he feared that he might lose his post if his unions continued to crumble under the NLRB ruling and the A. F. of L. battering.

So, he gave out a tentative I-will-sign statement in order to save his face. He was ready to change his attitude openly at last week's convention of the United Steelworkers at Boston but at the last moment his advisers decided that they should not give in too publicly and ostentatiously.

* * *

RULINGS: Although NLRB's general counsel, Robert N. Denham, was opposed for confirmation by some Republican Senators on the ground that he had shown himself as pro-labor during the Roosevelt regime, it is his hard-boiled rulings which are forcing the unions to disavow formally any taint of Communism among their officials.

Mr. Denham has interpreted the T-H Act to mean that a union is outside the law if its heads do not sign the anti-Communist declaration. They cannot ask the federal agency to hold an election to decide whether they should be certified as the bargaining unit in a factory.

In fact, they cannot even obtain a hearing on charges that an employer is guilty of alleged unfair practices. Two of Mr. Murray's largest unions, the steel and electrical workers, have suffered because corporations have refused to deal with them in any way and have been upheld in their attitude by Counsel Denham.

* * *

TURMOIL: Moreover, C.I.O. groups are raiding one another as a result of the turmoil which Mr. Murray's attitude has created. Walter Reuther's workers are claiming jurisdiction over electricians engaged in the manufacture of cars on the ground that every member contributing to the construction or assembly of an automobile should be affiliated with their group.

It is this intra-union bitterness and quarrelling, as well as his inability to repulse invaders through use of legal weapons provided in the NLRB body of legislation, that has forced Mr. Murray to bow to the measure which he has denounced as a "slave law."

With the C.I.O.'s compliance, John L. Lewis will remain as the only topnotch labor leader outside the law. Although grimacing quietly because of A. F. of L. gestures against his own organization, he still swears in Shakespearean language that he will not "crook a knee" to "this foul enactment."

FBI Probe Of Officials Out

(By International News Service)

WASHINGTON, May 21—The Senate sustained a presidential veto today and killed the Republican-sponsored bill authorizing the joint congressional Atomic Energy committee to order an FBI investigation of U. S. Atomic Energy commission appointees.

The vote was 47 to 29 to pass the bill over President Truman's veto. This was four votes less than the two-thirds majority necessary to override a veto.

Nine Democrats, most of them southerners, voted with 38 Republicans to override the President's veto. Two Republicans and 27 Democrats opposed. Republicans voting to sustain the President were Sens. Langer, N. D., and Morse, Ore.

Senate Action Set

The Senate action effectively disposes of the legislation. The House would have voted only if the upper chamber had overridden the veto.

The vote gave President Truman victory in one of the two running battles he has been carrying on with the Republican-controlled Congress over atomic energy.

The other concerns reappointment of the five Atomic Energy commissioners. Mr. Truman asked for staggered terms running up to five years for Chairman David Lilienthal but the Atomic committee approved a bill containing two-year extensions.

The bill is now on the Senate calendar awaiting action.

The President's veto was sustained after a bristling debate during which Republican sponsors of the legislation argued that an FBI investigation was necessary to enable the Senate to pass on Atomic Commission appointees.

The proposed legislation would not have affected the current commissioners. The bill's proponents stated they had no doubts of the incumbents' loyalty and added that it would not make any difference if they had because the commissioners "already have all the atom secrets."

Added Work On Carlsbad Project Hit

Texas Group Seeks Pact On Water Use

(By The Associated Press)

WASHINGTON, May 21—Texans insisted today that a New Mexico-Texas compact on Pecos river water should be signed before any further work is done on the Carlsbad, N. M. reclamation project.

They asked the Senate Irrigation subcommittee not to approve legislation introduced by Senators Hatch and Chavez, New Mexico Democrats. This would provide for rehabilitation of the project, principally by building a channel to by-pass 11,000 acres of Salt Cedars which are drinking up the flow of the Pecos.

Texas witnesses were Senator Connally (D-Tex), A. H. Woolverton, chief engineer of the State Board of Water engineers; Charles H. Miller, Pecos River Compact commissioner for Texas, and J. E. Sturrock, general manager of the Texas Water Conservation association.

Woolverton said the by-pass channel might save upwards of 30,000 acre feet of water, but that all would be consumed in New Mexico by bringing 4,000 to 5,000 acres more land under cultivation in the Carlsbad project.

He said the net flow of the stream into Texas might be reduced in by-passing the leaky McMillan reservoir, from which Texas gets substantial benefit.

Senator Hatch contended that New Mexico has no plans for claiming any of the extra water beyond that sufficient to irrigate the full 25,000 acres authorized in the Carlsbad project.

He and Wesley R. Nelson, assistant reclamation commissioner, said the improvement of the Carlsbad project, estimated to cost $4,597,000, will increase the flow of the Pecos available to the Red Bluff project in Texas, and at no expense to Texas water users.

R. T. Spence of Carlsbad, a director of the irrigation district, said New Mexico has not been able to irrigate the full 25,000 acres in recent years because of lack of water, but had surrendered no water rights.

He said Hatch assured the Texans that New Mexico is "diligently pursuing" a compact with Texas over division of the waters of the Pecos between the two states.

The Texans said Texas twice had approved a compact, but that New Mexico had refused to ratify it.

Rep. Lusk (D-NM) told the committee the project should be approved to give a dependable water supply to farmers in the Carlsbad project who have struggled for many years to overcome the arid conditions through irrigation farming.

Sentences Are Assessed Here

One man was sentenced to seven years in the penitentiary here yesterday on a charge of forgery, and another man received a five-year suspended sentence on a swindling charge.

A Houston negro, Tony Don Juan Pier, 23, pleaded guilty to the forgery charge. He waived a jury in the 72nd district court of Judge Dan Blair.

Five of the seven years will run concurrently with three concurrent five-year sentences assessed by courts at Austin, San Angelo and Quanah, officers reported. They stated that the negro also is wanted for trial at El Paso and Cleburne.

Four Charges Faced

Walter R. Thomas, 24, of Lubbock, was assessed a five-year suspended sentence by Judge G. V. Pardue in 99th district court. He was charged with swindling by worthless check. According to records of the district attorney's office, Thomas allegedly passed a worthless check for $93.95 about February 27 to a local department store.

Chester Beckwith Summers, 35, of Slaton faced four charges today after his car had been stopped. In county court he was charged with pistol carrying. In corporation court the charges were speeding, passing a vehicle on a hill, and having in his possession no operator's license. He posted $100 bond on each of the corporation court charges, but had not entered a plea in the county court case, officials said.

A companion posted a $100 bond on a charge of drunkenness.

Luke Silas, described as a 44-year-old negro, was fined $100 and costs for liquor law violation, as was Jack W. Slats, about 35. A charge of liquor law violation naming Sam George, 41, of Beaumont, was dismissed when, officials said, they learned that a cache of whisky taken Tuesday night at a carnival here belonged to Slats, not George.

Police said they fined two young men, 25 and 20, $15 each for disturbance and, in addition, fined the younger $10 for having no operator's license. The men allegedly disturbed inhabitants of the 2000-block Twenty-eighth at 5:30 a. m. by loud and boisterous language. They attempted to leave when police drove up in answer to complaints, officials said, but were arrested.

STOCK RALLY SLOWER

NEW YORK, May 21. (AP)—Stocks took a short whirl upward today, almost reaching 21-month highs before beating a fast retreat.

For a time, after an early flurry that put the ticker tape briefly behind actual transactions, it looked like a broad revival of bullish control of the market.

When automobile shares joined in an afternoon advance, however, traders with accumulated profits turned to some quick cashing-in sales. This unsettled portions of the list; steels slumped, and the close was no better than irregularly higher.

With 1,154 issues traded, it was the second broadest market on record. Transfers totaled 2,670,000 shares, compared with 2,470,000 Thursday.

Bonds were steady.

Cotton

NEW YORK REPORT

NEW YORK, May 21 (AP) — Cotton futures turned steady following an irregular pattern in early dealings today. Mill buying, along with short covering supported the market. Some selling was influenced by indications that export buying will get under way slowly and talk that domestic carryover stocks on August 1 may be well above present expectations. There was further switching between nearby July and October.

A private crop survey estimated cotton acreage in the eastern belt 12½ per cent per cent above last season, with increases of 8 to 17 percent forecast in the central belt.

Cotton futures turned easy and declined into new low ground for the day on a late flurry of commission house and local selling. Reports that export buying may be slow for next few months, and the domestic cotton carryover may be well above expectations influenced the selling.

Futures closed 40 to 95 cents a bale lower than the previous close.

Accord Reached On German Government

LONDON, May 21 (AP) — The United States, Great Britain, France and the Benelux countries have reached a hard-and-fast agreement on creation of a provisional government for western Germany this year, responsible diplomatic sources reported tonight.

The source reported only technical details stand in the way of a formal communique which now is expected early next week.

There are still some details to be ironed out on just what procedure will be taken to establish the German government.

However, it was reported that a tentative decision had been reached by the six countries to call a constituent assembly about September 1, which would be granted broad powers to draft a constitution for western Germany.

Baptists Reaffirm Opposition To Universal Training Plan

MEMPHIS, Tenn., May 21 (AP)—Southern Baptists reaffirmed their opposition to universal military training today and agreed to withhold any comment on President Truman's civil rights program.

The convention adopted without opposition the report of its Social Service commission, covering these and other recommendations.

The body rejected a proposal by Dr. S. G. Posey of Berkeley, Calif., that it assure the people of Israel of "our sympathy for them in this struggle."

On race relations, the Social Service committee reported "highly significant progress" in the South and referred to a convention statement on negro rights adopted last year.

The commission said there had been a "general expectation" that it would make recommendations on the issue of civil rights but, it said, "We have no recommendation beyond the unanimous action of this convention in St. Louis one year ago."

Curious Spectators Crowd Scene Near Bus Walkout Here

Approximately 500 curious spectators complicated the efforts of traffic policemen at the scene of the TNM&O bus strike Friday night. About a dozen officers were posted in the area at midnight as the second bus since the start of the strike departed for El Paso.

Several people who were questioned for their opinion expressed indifference or no knowledge of the issues which caused them some inconvenience. The buses were somewhat later in leaving the station than on normal schedule.

A middle-aged woman, Mrs. J. F. Edwards of Olney, waiting for a bus to Olney said that she wasn't worried about the strike. She was waiting patiently in the station with her knitting in hand. While most others had crowded near the buses.

Striking bus operators gave every appearance of unity. When asked whether they thought the strike would last long, or whether the union could hold out indefinitely, they replied: 'I'm not allowed to give out statements, you'll have to see the head man.'

and Nugent. A girl student also is to be appointed to the committee.

"Students who wish to participate in the procedure should get facts that will stand up, and give them to the committee," he told the group.

When questioned by one of the students as to what the committee would do with these facts, Nugent said that they would comprise a letter from him to the president of the college, Dr. W. M. Whyburn, who would then present the letter to the Board of Directors.

In an interview with Nugent after the meeting he said that he hoped to have the letter ready for presentation at the next meeting of the board in Lubbock June 7. The letter will ask for a statement from the board concerning their actions, Nugent stated, adding that the student council has found in the past that the Board of Directors have the best interests of the college in mind, and that he believes they will give this matter their sincere consideration.

Mills Gets Win In Relief Role

By JOE KELLY
Avalanche Sports Editor

Fireman Royce "Rooster" Mills pitched superlative relief ball for six and one-third innings last night, as the Lubbock Hubbers fought from behind to tie the score and go on to defeat the Clovis Pioneers 9-7 at Rosenthal Field.

The victory enabled the Hubbers to split the four-game series and sends them into a four-game series against the Borger Gassers, whom the Hubbers are battling for second place in the West Texas-New Mexico league.

BORGER HERE TONIGHT
The Borger Gassers invade Lubbock for a four-game series with the Hubbers starting tonight with a single game at 8:15 at Rosenthal Field. Lefty Frank Cobo will start for the Hubbers. Two games will be played with Borger Sunday, the first game beginning at 2 p. m. with a 15-minute intermission between games.

Mills Gets Win

Mills hurled a great game last night. He took over with the Pioneers threatening and proceeded to let them down on three singles He struck out five batters, only walked one and never was in trouble.

His hurling gave the Hubbers a new lease on life and they rallied to take charge of the ball game. Clovis had gone into a three-run lead in the top half of the first inning, only to have the Hubbers knot the count in their half.

Clovis went ahead in the third with a big rally. Ray Sanders singled, Gene Machado singled and Hal Hutchinson walked. Tootie Dobbs' pinchhit fly to left scored Sanders and Manager John Bottarini cleared the bases with a homer over the left field wall hitting the first pitch. That brought on Mills and he quieted the enemy.

Hubbers Get Two

Lubbock got back two of the runs in the third when Wilcox singled and went to second on an error by Hutchinson. Richardson and Don Moore walked, both advancing on a wild pitch. They scored on Frank McAlexander's clean single to left.

Westerners to Meet Bulldogs

Lubbock High's undefeated Westerners go after their eighth consecutive victory in District 1-AA conference play at 3 o'clock this afternoon when they battle the Plainview nine on the Bulldogs' home diamond.

The Westerners need only three more wins to close the district title chase with an unmarred record—but the final three games are against teams which have shown rapid improvement since the early part of the season. After the tilt with Plainview today, the Lubbock schoolboys are scheduled to tangle with the Brownfield Cubs Wednesday afternoon at Brownfield, then close the season with a Friday night encounter with the second-place Golden Sandies from Amarillo.

Davidson May Start

Little Denny Davidson, ace of the Westerner mound staff, will probably get the starting assignment for the Lubbock crew, since he has been idle for the last two weeks and has another week before the crucial tussle with the Sandies. Davidson has chalked up three wins in district play and the fireball right-hander is rated as one of the top schoolboy hurlers of the state.

Plainview is expected to counter with youthful Jackie Howton, who has turned in several creditable games this season. Howton has been the victim of poor fielding in numerous games and is a much better pitcher than his record indicates.

The Lubbock lineup will probably be the "regular" group of players, according to Coach Fred Taylor, with Bobby (Rip) Griffin at third; Billy Tatum at shortstop; Charles Galey, second base; Jack Alderson, center field; Dorrance Guy, first base; Dwight Moore, left field; Royce Jones, right field; and Bill Wylie, catcher.

District Executive Committee To Act On Protest Today

Action on Amarillo's protest concerning the eligibility of Bobby Griffin, Lubbock High school baseball team member, will be taken at a special meeting of the District 1-AA executive committee at 10:30 o'clock this morning at Plainview.

The protest, recently filed by Amarillo school officials, charges that Griffin violated the Interscholastic league amateur rule when he played in a game between Post and Memphis in March, since, the Amarillo officials have alleged, several of the players on the Memphis team have "admitted" that they were paid for playing in the contest.

Mel Patton Is Winner Of Relays Dash Event

LOS ANGELES, May 21 (INS)—Mel Patton, America's brightest dash hope in the forthcoming Olympic games, repeated his victory over Panama's Lloyd LeBeach in the Los Angeles Coliseum Relays tonight.

Someone made a mistake in measurements and what was to have been a 100-meter event—LaBeach's best distance—turned out to be closer to 100 yards, the distance at which Patton beat the Panamanian in Fresno last week.

The distance actually was 99 yards and Patton won in 9.4. He was moving away from LaBeach at the finish and bested him by about a yard.

A crowd of 59,661 turned out for the eighth renewal of the Relays, lured chiefly by the rematch between Patton and LaBeach. It was the largest track and field turnout since the tenth Olympic games in the coliseum in 1932.

In triumphing over LaBeach, Patton also defeated an international field that included Australia's John Treolar.

The Australian left fans bug-eyed by finishing seventh among the nine entrants. He had been expected to finish among the first four.

Treolar got off to a poor start and was unable to pick up speed to overcome that initial disadvantage. He finished about four yards behind Patton.

Don Anderson of the University of California finished third and Charles Parker of Texas was fourth. Bill Carter of Lackland Air Base was fifth and Barney Ewell, ex-Penn State, sixth.

In another high-light event, Craig Dixon of UCLA upset Northwestern's vaunted Bill Porter in the 110-meter high hurdles.

The crack Texas team of Johnny Robertson, Perry Samuels, Allen Lawler and Charley Parker, rated one of the fastest in the nation, repeated its 1947 win here with victory in the 400-meter relay in 40.6 seconds.

Herb McKenley of Jamaica, as expected, captured the 400-meter run in the fast time of 46.9.

Art Harndern of Texas A. and M. scratched from the race, and his team mate, Roy Holbrook, dropped out at the 200 meter mark.

Dukes Shut Out Lamesans, 9-0

LAMESA, May 21 (Special)—Don Cantrell's brilliant one - hit, shutout hurling gave the Albuquerque Dukes a 9-0 victory over Lamesa Loboes here tonight, and two wins in the three-game series.

Cantrell, a lanky right-hander, was touched for a single in the first frame by the Loboes' I. B. Palmer, then held the home nine hitless for the remaining eight innings. He struck out eight and walked five in chalking up the impressive triumph.

Paul Cook hurled a creditable game for the Lamesans, but four Lobo errors let in seven unearned Duke runs.

The Loboes will meet the Amarillo Gold Sox in a split twin bill Saturday, with the afternoon tilt slated to start at 2:30 and the night setto at 8:15.

Earhart Tops Loop Hitters

SAN ANGELO, May 20 (Special)—Ralph Earhart, Texas Tech athlete, took over the top spot in batting in the Texas Softball league for players who have participated in every game, with a .387 average.

Earhart raised his average several points while the other batting leaders were running into trouble against the better than average hurling over the week end. In seven games last week, only 23 runs were scored and in only one game was the total score more than four runs.

The Bluebonnet-Sunbeam laundry team from Lubbock still retains its wide margin in first place, followed three games in the rear by Ragsdale of San Angelo. One game only separates the other six teams in the race, which grows tighter each week.
