Construction on state jail to begin soon

Construction on the new state jail facility to be located in Colorado City is expected to begin soon with completion slated for late June or early July.

The first phase of construction on the facility began when FINA started relocating a pipeline that is presently running through the proposed site.

Lone Star Gas will follow suit by rerouting gaslines that also run through the property.

Colorado City is one among many other communties that will be providing locations for new state jail facilities.

The other areas involved are Dayton, Houston, Humble, San Antonio, Plainview, Bonham, Georgetown, Austin, Raymondville, Jacksboro, El Paso, Gateswille, Edinburg, Henderson and two more in Dallas.

The total state jail construction program will cost $428 million from bond issues approved by Texas voters in 1991 and 1993.

Operating costs of the total system when completed are expected to be approximately $250 million a year.

This new era in Texas criminal justice began earlier this month with the arrival of the first "confinee" at the new state jail in Beaumont.

The facility is the first of 18 designed to be less expensive to build and operate for housing nearly 25,000 non-violent offenders within the next year.

The state jails will house criminals convicted of a new class of fourth degree felony crimes, including non-violent property and minor drug offenses.

This innovation in Texas' approach to crime was authorized by the legislature in last year's penal code revision.

The state jail system is a division of the Texas Department of Criminal Justice, but it is operated separately from the traditional prisons.

Use of state jails for offenders convicted of non-violent crimes will allow more regular prison space to be used for violent criminals.

State jail felons may be sentenced to serve up to two years "upfront" time in the state jail and then be placed on probation for up to five years. There is no parole from state jails.

The concept is a blend of punishment and rehabilitation with intense emphasis on such programs as substance abuse treatment, education, job training and behavior counseling.

Christmas parade plans underway

This year's annual Mitchell County Christmas Parade will take place Saturday, November 26 at 4 p.m. This year's theme is "A Cotton-Pickin' Tumbleweed Christmas."

The parade will start at the Roundtop, proceed through downtown Colorado City and finish at the Mitchell County Courthouse.

The Chamber of Commerce wants to encourage anyone who wants to enter a float, equestrian group, antique car, marching band or as a pedestrian to fill out the form found on page 3 of today's *Record*.

The deadline to enter is November 18.

Cash prizes will be awarded to the first, second and third place floats and a trophy will be awarded to the best antique car.

Also found in today's edition of *The Record* is an application for the Little Miss Merry Christmas contest.

According to Chamber Manager Dori Shutt, this will be the first time in many years that the Little Miss Merry Christmas has been held.

Any young lady in kindergarten through the 5th grades may enter the contest. She will be responsible for finding a sponsor, putting her penny jars out and then bringing her penny jars to the Chamber.

The sponsor can be any business or individual and will be responsible for providing and helping the candidate with a float.

The penny jars will be used as a voting system by the public. Each candidate may place five one quart jars in businesses throughout Mitchell County.

People will vote for the candidates by putting pennies in the jar.

The candidates will be

Youth Center donations trickle in

Last month the Mitchell County Law Enforcement Association donated $100 to the Mitchell County Youth Center, challenging other organizations, civic clubs and businesses to do the same.

So far, the center has received three $100 donations from individuals in the community and several smaller donations from various other individuals.

The Youth Center was established in October 1992 to help provide Mitchell County youth with a safe place to go and to provide them with various activities.

Some of the activities include dances, playing pool, ping-pong and video games. The center is also equipped with a concession stand.

Currently, the center is asking for donations to help with much needed repairs to the roof, floor and air conditioning system.

According to its director, Sheriff's Deputy Tommy Dill, the center has the financial means to maintain operations but the need for repairs to the building cannot be fulfilled with its current budget.

The center is non-profit and can be used by church, civic and school groups at no charge.

The center may also be used to host birthday parties and other special events.

Dill said that over the past two years participation in center activities has decreased.

He added that the center was established to help fulfill a need within the community, but without

Red Ribbon Week begins Monday

On Monday, October 24, students of Kelley Elementary, Hutchinson Elementary and Colorado Middle School will kick off the 1994 Red Ribbon campaign with a parade.

The parade will begin on Monday, October 24 at approximately 8:45 a.m. on the Hutchinson and Colorado Middle School campuses and will proceed to the courthouse.

Kelley students will travel by bus to the courthouse.

There, the program will include the high school band, cheerleaders, flags, a speaker, music, rally activities and a balloon lift-off.

There will be approximately 1,000 Colorado ISD students on the courthouse lawn on Monday morning. Students will appreciate a good turnout of community members to show support for them in their war against drugs.

Hutchinson Elementary will celebrate Red Ribbon Week October 24-28. The theme for the week will be "Happy to be Drug Free."

Events highlighting the week include a poem contest, candy sales, a magic show, door decorations and a parade to the courthouse ending with a balloon release.

There will also be face painting, toppings (hat day), skits, awards and the annual clown circus.

Parents and friends are invited to join students in celebration of being drug free.

Stenholm bus to stop here

Charlie and Cindy Stenholm are once again coming to Colorado City.

On Tuesday, November 1, as part of a campaign bus tour originating in Sweetwater, the Stenholms will stop at the Westbrook Post Office from 1:25 to 1:35 p.m.

They will arrive at Colorado City's Civic Center at 1:50 and stay until 2:10.

During 1993, Stenholm visited each of the 32 counties in the vast 17th Congressional District an average of more than five times.

Stenholm has often said he was elected to represent the people of our area, which requires frequent visiting and listening.

Make plans now to meet with Charlie and Cindy Stenholm.

Youth Services group receives recognition

The Mitchell County Sheriff's Department Youth Services recently received special recognition in the 1994 Criminal Justice Awards Program.

In a letter to Tommy Dill, director of the youth programs, State Attorney General Dan Morales said, "The community service programs across the state provide a tremendous service to educators, law enforcement officials, and most importantly, students.

"Because of your efforts, we know the future of our children and our communities is in good hands," he said.

Morales said it was his hope that the Mitchell County Sheriff's Department Youth Services program receive increased public support and respect.

Dill said he was proud of the accomplishments made by the DARE program and the activities at the youth center and that he was especially proud that the county's program would be recognized statewide.

JAIL

FROM PAGE 1

"A state jail confinee has a golden opportunity to turn his life around, change his behavior and map out a realistic plan for living his life on the straight and narrow," TDCJ executive director James A. (Andy) Collins said.

"The state jail and the community corrections concept will provide every resource he needs to do that, and if he fails the opportunity, he's coming back here to do his time, hard time without parole," Collins added.

The Beaumont jail opened 700 of the 2,000 beds that will be available when construction is finished next month. Construction costs are $37.2 million.

On opening day, the facility received only 10 offenders—called "confinees" to distinguished them conceptually from regular inmates.

These confinees have committed and been convicted of fourth degree felonies since the September 1 effective date of the new law.

Regular prison inmates will be housed in the balance of the Beaumont unit until it fills up with state jail confinees, but the confinees and regular inmates are kept strictly separate.

community support the center's doors would not remain open.

"I'm not saying that we're about to close the doors," Dill said. "What I really want to know is, does the community want to keep this youth center or do they want something else?"

He added that as director of the center he was open to any suggestions that would help improve attendance at the center's functions or any other community input.

There are currently plans to host a Halloween dance geared toward middle-school aged youth.

The dance is tentativly scheduled for Saturday, October 29 at 7:30, with adult supervision provided.

Public invited to attend meeting

The public is invited to a meeting about private property rights on Tuesday, October 25 at the Abilene Civic Center.

The meeting will feature speakers who are experts in Texas private property issues and elected officials representing counties in the Texas midwest that are facing a wide range of property rights challenges.

According to Senator Bill Sims, many Texas land owners have relaxed since U.S. Fish and Wildlife officials have ceased their efforts to designate 33 central Texas counties as habitat for the endangered Golden Cheeked Warbler.

"Property owners came together for the first time to express their anger over federal efforts to assume control over our lands," said Sims.

"Now we must continue our efforts to stop future unconstitutional intrusions and assure balance in conservation issues."

State officials will be available for discussion following the formal program. They are inviting input on specific land and water problems constituents in this region should anticipate.

COUNTY AG NOTES

By Joe Raff

There will be a turn-row meeting at 1 p.m. on October 24 at Carl Guelker's field on the corner of Dorn Road and I-20.

After evaluating Carl's field, we will have one more stop, at Shorty Boyds. There will be two CEUs offered.

The two plots will have the same harvest aid treatments. However, Shorty's plot was sprayed with Roundup prior to a harvest aid application and Carl's was not. This will give a good comparison between the fields.

Six different treatments were applied on both fields on October 17: Ginstar at two oz., Ginstar at six oz., Ginstar at eight oz., Cyclone at one pt., Cyclone at one and a half pt. and Prep and Def at half pt. and one pt., respectively.

I also want to remind everyone that there will be an all-day CEU training on December 7 at the Mitchell County Farm Bureau office. The training will offer five CEUs (exact starting times will be forthcoming).

Those who have a pesticide license that will soon expire may need the five CEUs, so plan to attend.

If you are unsure how many CEUs you have, call the TDA at 1-800-TELL-TDA (835-5832).

Brownfield presents program to Colorado City Garden Club

The October meeting of the Colorado City Garden Club was held on Thursday, October 6 at the Villa Restaurant.

After a Dutch treat lunch, Brenda Aguillon, the club president, introduced Dovie Brownfield, who presented the program, "Think Spring: Underground Beauties for Spring."

Mrs. Brownfield explained that bulbs are unique in that they contain the fully-formed adult plant and blossoms. Therefore, care should be taken when buying them.

For instance, the small tip on a tulip bulb is the flower and if it is broken the plant will never bloom.

Mrs. Brownfield said that complete instructions for planting are available in leaflets from nurseries and on the sacks the bulbs are put into when purchased.

Planting clusters of bulbs so that the blooming plants make an impact is more effective than planting more formal lines.

Now is the time to plant daffodils and crocus, which do not need to be cooled before planting.

Other bulbs should not be planted until temperatures are not over 60 degrees Fahrenheit, generally in December.

A bulb should be planted at a depth of about three times its width so it has a base for withstanding the wind.

Brenda Aguillon presided over the business meeting, when she reported that the horticulture exhibit at the fair was very successful and the judges had been very complimentary.

The fall district meeting will be in Stamford on November 4 and 5.

The next Colorado City Garden Club meeting will be November 3 at the Villa Restaurant, when horticulture teacher Mrs. Taci Ellis and her class from Colorado High School will present the program, "Decorating with Flowers." Anyone who is interested is invited.

Those attending were Frances Myers, Peggy Ratliff, Glenda Alford, Erna Lou Burt, Catherine Bell, Jeanine Bodine, Mary Ellis, Dovie Brownfield, Marjorie Kolman, Brenda Aguillon, Betsy Aycock and guests Ava Hardcastle and Puddy Neff.

Golden Age Club starts membership drive

The Westbrook Golden Age Club will begin its membership drive with a meeting and Thanksgiving dinner on November 1.

Turkey and ham will be provided by the club, with members asked to bring side dishes of potatoes, vegetables, salads and desserts. Tea and coffee will be served.

Children are welcome at the meeting.

There will be a door prize of $25 cash.

The Westbrook Golden Age Club was organized in 1958 by Mrs. Margaret Lasseter Powell.

Although its original purpose was to give older citizens a place to meet and enjoy fellowship, games and music, members range in age from 34 to 93.

The Westbrook Golden Age Club is 25 members strong.

The club meets at the Ocotillo Cactus building the first Tuesday of every spring and summer month at 7 p.m. and during the fall and winter months at 6 p.m.

The club's song is "Blessed Be the Tie that Binds." Their flower is the ocotillo cactus and the club colors are green and gold.

Officers are Lula Leach, president; Roy Petty, vice president; Francis (Bill) Proctor, treasurer and Helen Ogelsby, secretary.

The club trustees are Louis (Choppy) Rees, Carl Guelker and Jake Leach.

The Westbrook Golden Age Club contributes to the community in many ways. It is available for city meetings, reunions and get-to-meet-your-candidate rallies, and members celebrate special occasions each year.

The club building is also used as a meeting place for friends and families in times of loss of loved ones; the club provides meals at those times for the people of the community.

Anyone can become a member of the Golden Age Club, although officers must be at least 50 years old.

Members must also be 50 or over to vote in an election of officers.

Dues of $1 per year are required.

It is not necessary to live in Westbrook to be a member; some members have lived as far away as Austin.

Everyone is welcome to join the fun and fellowship of the Westbrook Golden Age Club.

Feaster reunion held

The 1994 Heirs of L.F. Feaster Reunion took place in the C.C. Thompson Room of The City National Bank on Saturday, October 15. Terri Sue Brock of Snyder was hostess.

Dondi Sue Brock and Kayla Hartzog of Snyder; Ronny and Jimmie Lou Forbes and Christopher and Crystal Forbes of Panhandle; Doyle (Lefty) and Wanda Cooper, Cecil and Evelyn Odom, all of Kermit.

Helen Joy and Arles Cotton of Hermleigh; Mrs. Vernon Koen of Sheffield, Ala.; Mrs. Nathana Haines of Los Alamos, N.M.

Joe and Allison Stinson; Marie Feaster; Hilda Mae Feaster; Sherry, Lauren, Tristan and Nicholas Hanks; Bill Stinson; Belinda and Bethany Blassingame; Fanny Fay Feaster, Leo and Fern Thompson and Glenda Stinson, all of Colorado City.

The hosts for the 1995 reunion will be Cecil and Evelyn Odom of Kermit.

LETTERS TO THE EDITOR

Dear Editor:

The first of this month Shady Mitchell opened the old Palace Theater and presented a musical show. To those of you who were there, didn't you enjoy it!

To those of you who were not, please try to go to the next one. You will be surprised at the improvements to the theater, and you will certainly be entertained with the pickin' and singin'.

Next month there will be another show. Let's get behind Shady and support him in what he is doing for all of us.

With enough support and enthusiasm, no telling how far this will go.

See you at the Colorado City Hay Ride on November 12.

Gloria Erwin

Dear Editor:

This is to whomever took our quilt:

We do not know who you are. Only you know that. But we want you to know what you have done.

You took something that did not belong to you. You took the quilt from the gift shop at the hospital, which was being used as a fundraiser for our organization.

In doing so, you took not only from Mitchell County Hospital Auxiliary, but the county as well because the money raised would go into an account to be used to purchase equipment for the hospital.

Perhaps one would be a lifesaver for you or some member of your family.

We are giving you an opportunity to right a wrong. If you will return the quilt or see that it is returned, we would be most grateful and no questions would be asked.

Thank you,
Mitchell County Hospital Auxiliary

Looney Club F.C.E. meets

The Looney Club F.C.E. met October 12 at 10 a.m. in the Villa Inn party room for their craft day.

Mrs. Lucile Driver led the group to make small shirts from six one dollar bills. Each member made a shirt.

At noon a covered dish meal was served.

After lunch the business session was led by Lou Ella Hall. Minutes of the last meeting were read and approved and the prayer was led by Linnie Williams.

Club members will attend the annual council on October 20 and hear state reports from delegates. The convention will be held in Lubbock September 13-15.

The next club meeting will be Wednesday, November 2 in the Villa Inn party room.

Those present were Correne Barnett, Lou Ella Hall, Linnie Williams, Etta Lee Gibson, Ruth Myers, Billie Woods and one visitor, Lucile Driver.

Cancer Society meets

The American Cancer Society held their monthly meeting at noon on October 18 at the Villa Inn. Anna Staats opened the meeting with a prayer.

Mildred Free asked for the Treasurer's report, which was given by Anna Staats. Laverne Chalker reported for the Road to Recovery and advised that one person had been transported to Lubbock for treatment during September.

Cherie Meguire, public education coordinator, made several suggestions concerning ways the community can best be served in coming months.

Wanda Braune, staff director from Abilene, led the group in a discussion concerning goals for fundraising. Fundraisers planned at the present are the sale of holiday greeting cards, memorials, the community crusade, the annual golf tournament and golf passes.

Wanda reminded the group that October is Breast Awareness Month. The television, radio and newspaper media have been very cooperative in alerting the public to the danger that exists if women do not have mammograms at least once a year.

In 1993, an estimated 182,000 women heard the diagnosis, "You have breast cancer," and in all probability 46,000 of those women have died or will die from this killer disease.

The Great American Smokeout will be in November and plans were made to distribute the material.

The next meeting of the American Cancer Society will be November 15 and an invitation is extended to anyone who is interested in becoming a member.

Members present were Anna Staats, Cherie Meguire, Wanda Braune, Mildred Free, Laverne Chalker and Phyllis Lane.

8th grade Wolves win first game

The eighth grade Colorado Wolves won their first game Thursday night, 32-16, against the eighth grade Kermit Yellowjackets in Wolf Stadium. The Wolves improved to 1-4.

The Wolves came roaring out of the proverbial tunnel from the beginning by putting up 26 first half points while allowing none.

The Wolves recovered a fumble at the Kermit 33 and three plays later, runningback Terry Green exploded across the goalline from seven yards away.

Colorado came back again with a 28-yard pass to Eddie Hernandez from Armando Rocha. Green carried for the touchdown and, this time, the two-point conversion for a 14-0 lead.

Abel Bonilla recovered a Kermit fumble at the Wolf 36 and two plays later, Rocha threw 63 yards to Gene Emerson for a touchdown. After the Wolves recovered another Kermit fumble, they drove 44 yards, ending on Rocha's one-yard plunge, for another score, which was 26-0, Wolves at halftime.

Coach Yardy Powell said, "I think we are improving week to week. We had the week off and put positive things in the kids' heads.... They were fired up to play this week."

The Wolves took the second half kick-off and Green ran for another seven-yard score. Kyle Hammond picked up a quarterback sack to force Kermit to punt to end the third quarter with Colorado ahead 32-0.

Kermit put two touchdowns in the fourth quarter to end the scoring at 32-16, Wolves.

"Next week, we play Midland Greenwood and they are always tough," Coach Powell said. "I think they'll play better now that they've seen their potential."

7th graders remain winless

By Anthony Chastain

The seventh grade Colorado Wolves remained winless Thursday night in Wolf Stadium by losing to the seventh grade Kermit Yellowjackets, 32-0. The Wolves fell to 0-5.

The Wolves never mounted a scoring threat, keeping the Wolf defense on the field most of the game.

The second half was all Kermit as the Yellowjackets recovered two Wolf fumbles and had two of their three touchdowns called back because of penalties.

The Kermit defense stiffled the Wolves' running attack and refused to allow a pass to be thrown.

The Wolves will play Midland Greenwood next week in Wolf Stadium, Thursday night at 5 p.m.

JV girls lose to Kermit

Game two scorers were Lupita Zermeno, six; Crystal Nelson, five; Christina Ornelas, one and Shakei Ausbie, one.

"The girls came back with an attitude to win [in game two]! They played really well together and showed a lot of teamwork," Coach Susan Gaona said.

In the third game, Lupita Zermeno scored one point; Marka Fambro, three; Christina Ornelas, two and Rachel Foster, one.

Frosh defeat Kermit

The Colorado City freshman volleyball won their match against Kermit on Tuesday, October 18.

Kermit stings Wolves

The Kermit Yellowjackets swarmed Wolf stadium Friday night and stung the Colorado City Wolves for their 8th straight loss of the year.

Kermit's 55-14 victory was the worst defeat suffered this year by the Colorado City Wolves. The loss puts the Wolves at 0-8 for the year and 0-3 in district play.

The Wolves got an early break on Kermit's first offensive play of the game as sophomore linebacker Joe Ross Jameison intercepted a pass on Kermit's first offensive play of the game. But it didn't take long for the Wolves to give it back. C-City fumbled on the 3rd play of their first possession and the turnover cost the Wolves as Kermit took it 70 yards in 14 plays for their first score of the game.

Colorado City got another break when Ty Henderson recovered a fumble at the start of the second quarter. The Wolves offense stalled and were forced to punt.

Kermit then marched 85 yards to score their second touchdown of the night and led 14-0 with 9:12 to go in the second quarter.

In the second quarter the Wolves got another break when Daniel Silva intercepted a Kermit pass.

Senior quarterback Jason Castillo hit sophomore Jamie Gutierrez for a long gainer that put the Wolves in good shape at the 30 yard line.

A couple of plays later Castillo hit senior Daniel Silva for the Wolves first touchdown of the night.

Sophomore Chris Ramirez kicked the P.A.T. and with 6:51 left to go in the second quarter the Wolves trailed 14-7.

Kermit then drove the length of the field on their next possession and scored with 4:25 left in the second quarter. The P.A.T. was blocked and Kermit led 20-7.

Kermit added another touchdown with 1:15 left to go in the second quarter and was good on a 2 point conversion and led 28-7.

However, the Wolves would come back to score their second touchdown of the evening. The Wolves scored on a beautiful 42-yard Castillo touchdown pass to Daniel Silva with 29 seconds left in the first half. The P.A.T. by Ramirez was good and the Wolves trailed at half-time 28-14.

The Wolf offense made only 3 first downs in the first half.

Scoring in the second half was all Kermit as the Yellowjackets added 27 more points handing the Wolves their worst defeat of the year.

Head coach Mark Howeth was disappointed following the game, "We didn't play very well, we couldn't generate any offense." However, Howeth did single out Daniel Silva and sophomore defensive tackle Zack Love as having played good games.

League leading Midland Greenwood visits Wolf stadium next Friday night for the Wolves 4th district game of the year. Kickoff is at 7:30 p.m.

Varsity Lady Wolves defeated by Kermit

The Colorado City Varsity volleyball team fell to Kermit after a good first game on Tuesday, October 18. The scores were 12-15, 12-15.

Colorado City is now 2-1 in district play.

In the first game, points were scored by Freda McKnight, one; Krissy Crawford, two; Marie Rivera, one and Christina Mendoza, one.

Bethany Bridgford brought the team back into the game with seven points. The girls showed excellent teamwork.

In game two, Bethany Bridgford and Christina Mendoza each scored a point.

The Lady Wolves appreciate the community support they had at the game; the home side was full!

JV Wolves beat Kermit

The JV Wolves beat Kermit Thursday night in Kermit, 12-6 for their second district win in a row. The JV Wolves are now 3-4-1 for the season.

Runningback Tony Walthall put the Wolves on top in the first quarter when he scored on a 30-yard run.

The Wolves' second touchdown came in the third quarter when Chris Fambro scored from 10 yards out. Both Colorado City's PATs failed.

Coach Larry Hartwick was extremely pleased with the defensive effort.

"We played great defense. Our defensive unit continues to improve," Hartwick said.

Hartwick said Blake Oden, John Erwin and John Castro played a great defensive game.

Also contributing to the win was Jesse Rios with a pass interception and John Jones with a fumble recovery.
