William Tells

BY BILL SALTER

HAROLD ROBERTS, local Southwestern Public Service Company manager, won a doorprize at a meeting last Friday of the West Texas Chamber of Commerce in Hereford.

What's so strange about this, you ask? Well, the prize won by Roberts was nothing less than a gas barbecue grill donated by Pioneer Natural Gas!

And, quite naturally considering his job, Roberts lives in an all-electric home. Some problem, wouldn't you say?

Person drawing Robert's winning stub was Champ Rainwater, a vice-president of Pioneer Natural Gas, but it took him two reaches into the barrel to come up with Roberts' name.

He drew his own name on the first try!

YOU'LL NOTICE this week that a contest is being started by the Jaycees to come up with a good slogan for Tahoka.

Well, although I have no idea what it will take to be a winning entry, I hope someone comes up with sometring really outstanding and a little bit different from the run-of-the-mill slogans you see nowdays.

Let's put on our thinking caps and come up with something that everyone will rememper whether they're here 15 minutes or a year.

Light Rain Spots Area

A light, "drizzling rain began falling in the Tahoka area late Tuesday, continuing up until press time Wednesday.

Although the sky remained overcast and sporadic showers continued to fall, heaviest rainfall amounts reported up until Wednesday afternoon still were in the .25 inch and under category, nevertheless providing a welcome change to the weather pattern and adding needed moisture for area crops.

Hootenanny Is Saturday

The regular monthly Hootenanny will be held at 8 p.m. Saturday at Tahoka Legion Hall, sponsored this month by Piggly Wiggly No. 1 and 2.

First Load Of Lynn Grain Harvested

FIRST TAHOKA GRAIN- Leighton Knox (second from left) is pictured above taking a sample of the 14,100 pound load of grain brought to Tatum Bros. Elevators, Tahoka, Monday evening by Edgar Roberts (left). The grain was the second load reported in the county and was harvested from the E. L. Short farm a half-mile east of Grassland. Walter L. Williams earned honors for the first load of the 1967 season, taking a load to Clayton Elevators, O''Donnell, last late Thurs - day. Grain harvest operations will get into full swing in about three weeks it was thought. (News Photo)

Although harvest is not expected to get into full swing for another two to three weeks, the first load of Lynn County's 1967 grain crop was brought in last Thursday to Clayton Grain Elevators, O'Donnell, by Walter L. Williams of Rt. 2, Tahoka.

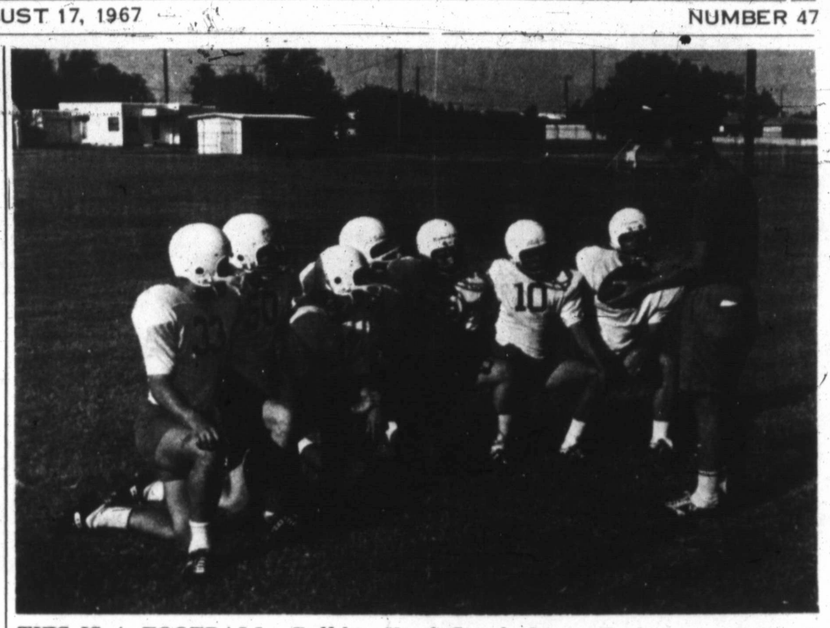

Arriving at about 6:30 p.m., the load weighed in at 6,820 pounds with a moisture content test of 16.90.

According to Williams, the Variety 608 dryland grain was planted in late April and was harvested from his farm three miles east of the Draw community. He was paid a premium price of $2.25 per hundred for the load by the O'Donnell firm.

Only other load reported in the county came in Monday at about 2:30 p.m. to Tatum Bros. Elevators, Tahoka.

The 14,100 pound load was harvested from the E. L. Short farm one-half mile east of Grassland by Edgar Roberts, Tahoka, who does custom grain harvesting in this area.

Also April planted Variety 608, the load tested 19.60 in moisture content

THIS IS A FOOTBALL- Bulldog Head Coach Jerry Taylor is pictured above talking to seven of the 31 prospective gridders who reported Monday morning for opening drills of the 1967 football season. From left to right in the photo with Taylor are Cliff Thomas, Gary Brooks, John Tyler, Doyle Schneider, Richard White, Charlie Brown and Jody Edwards. (News Photo)

Football Drills Underway

Football Drills began Monday for the 1967 edition of the Tahoka Bulldogs as 31 prospective gridders reported for the twice-daily workouts which will be held from now until the start of school.

Greeting the players on their arrival was Head Coach Jerry Taylor, who is in his first year at the helm of the Bulldogs, plus assistants Dean Andrews, Bill Jeffries and Cecil Robinson. Andrews and Jeffries are also in their first year at Tahoka.

Basics of a new Wing-T formation to be installed by Taylor this year are among the varied drills which compose each day's workout pattern. Drills are conducted beginning at 8 a.m. and 5:30 p.m.

Sixteen returning lettermen from last year's 8-2 season were among those reporting for practice, including six offensive and six defensive starters from the 1966 team which won seven straight games before absorbing a loss.

Among the returning starters is Cliff Thomas, a 180-pound halfback who earned All-South Plains honors as a junior last year before being sidelined with injuries late in the season.

Other starters back include Halfback Doyle Schneider, defensive back John Tyler, end Chris Roberts, tackle Jody Edwards, guard Richard White and center Gary Brooks.

Other returning lettermen include Larry Arnold, Joel Inklebarger, Randy White, Charlie Brown, David Rogers, Billy Curry, Buz Owens, Tim Walker and Jim Adams.

All players now engaged in drills are from the top three grades with freshmen slated to begin formal drills at a later date.

Teachers Hired, Insurance Programs Approved By Board

Hiring of two teachers, approval of school insurance program and awarding of a cafeteria contract were main items of business August 10 at the regular monthly meeting of the Tahoka School Board of Trustees.

Teachers employed included Mrs. Carol Hamilton for Junior High reading therapy and Mrs. Patricia Anderson for an elementary assignment.

Mrs. Hamilton holds a B. S. degree in secondary education with a major in English from Texas Luthuran College and has three years of teaching experience.

Mrs. Anderson is a spring graduate of Texas Technological College with a B.S. degree in elementary education.

In action on student insurance for the coming year, a Dallas firm was approved as underwriters of the group insurance with three plans to be offered.

Under an "At School" plan, students will pay a $5 premium for the school year with a "24-Hour" plan avail-

Farmers Co-op Annual Meeting Slated Friday

$90,000 in dividends and stock retirements will be handed out tomorrow (Friday) to stockholders of the Farmers Cooperative Association No. 1 of Tahoka at their annual meeting slated to begin at 10 a.m. at the Tahoka School Cafeteria.

First item on the morning's agenda will be registration and entertainment furnished by local talent, followed by the association's business meeting at 10:30 a.m.

A barbecue meal will be served beginning at noon with drawings for door prizes to conclude the activity.

The ginning association is marking completion of their 38th year of operation.

PCG Meeting Slated Here

Lynn County cotton producers and business men will elect a businessman director to Plains Cotton Growers, Inc. for the coming two-year period August 31 at 8:30 p. m. in the Lyntegar Room, Tahoka, according to a joint announcement from Joe D. Unfred, current PCG producer director, and Ardis Pace, 1966-67 businessman director from Lynn County.

The 23-county cotton producer organization has two directors from each county one a businessman and the other a cotton producer. Businessmen directors are elected on odd-numbered years and producer directors on even years, each for a two-year term.

Both farmers and businessmen participate in the election of all directors.

The PCG staff will direct a discussion of the current

Slogan Contest Started

Tahoka's Jaycees have announced a month-long contest to find an official slogan for the City of Tahoka.

Prize offered for the winner of the contest is a $30 gift certificate which will be redeemable at Tahoka stores. Co-donors of the prize are the Jaycees and the Tahoka Chamber of Commerce.

According to Guy Witt, chairman of the Jaycee committee which is conducting the contest, the purpose of the contest is to "find a short, catchy slogan promoting Tahoka history, products, potential or other noteworthy feature of the city."

Once the slogan is found, it will be used to advertise and promote the city on signs, billboards, printed material and in other ways.

Anyone residing in Lynn County may enter the contest. Entries may be deposited in containers at Tahoka Drug, Collier-Parker Phar-, and Lynn County News or mailed to the Jaycees at Boy 241, Tahoka. A contest entry blank is printed in this week's paper, but slogans may be submitted on a

Bill Griffin, County Agent Says.....

Lynn County's cotton crop made rapid progress during the last two weeks.

Fruiting was normal and insect damage was very light. Some early cotton needs rain to hold fruit and continue to improve as August is a critical month.

Early cotton is in peak bloom and using about .4 inches moisture per day. Late cotton is in good condition, but needs rain to continue growth and fruiting.

Grain sorghum in some areas has started deteriorating and needs moisture. Generally, the grain sorghum is in good condition, but needs some rain to insure the crop.

Without proper controls, sorghum midge could increase to damaging numbers. Growers should check early sorghum which is close to heading for possible midge which could damage the grain sorghum heading or in the bloom stage.

To check for midge, place a plastic bag or a wide mouth fruit jar over a head and shake. Midge, if present, will be visible in the bag or jar. They are small and red in color.

Two approaches to chemical control in late planted sorghum may be followed:

1. Automatic or insurance method-Apply a recommended insecticide after 90% of the heads have emerged from the boot. A second and possibly a third application may be necessary at 3 to 4 day intervals if the field doesn't head uniformly.

2. A required method-carefully check for midge in early sorghum in the field If midge are present in the early heads, control should begin when sorghum begins to head. Heavy midge will require two applications, 3 to 5 days apart.

Rites Held For Henry Shofner

Funeral services were held at 4 p.m. Saturday for Henry M. Shofner, 80, retired farmer and resident of Muleshoe for 42 years. He died Thursday in West Plains Hospital.

Officiating at services were Rev. J. Frank Perry, pastor of the First Methodist Church, and Rev. J. H. Wimberly. Burial followed in Memorial Park

A native of Ellis County, he moved to Muleshoe from Brown County, was a member of the Woodsmen of the World and First Methodist Church.

He is survived by his wife, Alva, a son, J. T., Muleshoe; two daughters, Mrs. D. E. Beller, Muleshoe, and Mrs. J. H. Wimberly, Longmont, Colo.; three sisters, Mrs. Maude Huffaker, Tahoka, Mrs. Irene Vardeman, Lubbock, and Mrs. Blanche Allison, San Bonita; five brothers, Olcy, Lamesa, Ralph and Horace, Harlingen, Willie, New Orleans and John H., Levelland; nine grandchildren and seventeen great grandchildren.

Kidwell, 1900 Avenue L He will speak on the culture and people of Nigeria, and show colored slides for the program that begins at 8 p.m.

Members are invited to bring a picnic supper and may bring guests if they wish.

Party Honors Marci Miller

Miss Marci Miller, 2, was honored August 1 with a birthday party in the home of her parents, Mr. and Mrs. Billy Miller, and was hostess to two sets of five generations in her family.

On her grandfather's family side were Mrs. Minnie Lindsey, Mrs. Roy Miller, Jack Miller, Billy Miller and Marci, all of Tahoka. The other five generations on her grandmothers side, include Mrs. Lillie Todd, Mrs. Homer Aldridge, Mrs. Jack Miller, Billy Miller, and Marcie, all of Tahoka.

Other grandparents, not included in the five generations, were Mr. and Mrs. Luther Wood and Roy Miller. A total of 8 grandparents were included among the other birthday guests.

Former Area Resident Buried At Grassland

Funeral services for Mrs. Monroe (Mary) Turner, 64, were held at 2 p.m. Tuesday in Monterey Church of Christ. She died early Monday in Methodist Hospital.

Mrs. Turner had lived in the Gordon-Grassland area since 1939, and moved to Lubbock in 1963.

Bob Reynolds, minister of the Monterey Church of Christ, officiated, assisted by Clinton Drake. Burial was in Grassland Cemetery.

Survivors include her husband, a son, Roger, minister of the New Boston Church of Christ, a daughter, Mrs. Robbie Sharp, Lubbock, six brothers, W. T., Ben, Robert, Clarence, and Jim Parrish, all of Dallas, and Willie Parrish of Birmingham, two sisters, Mrs. J. E. Clopp, Ft. Worth and Mrs. Frank Goss, Atlanta, Ga. and five grandchildren.

Mothers Club Elects Officers

The Bulldogs Mothers Club met Tuesday afternoon to select officers for the coming football season.

Named as president was Mrs. Truett Schneider with Mrs. James F. Roberts as vice-president.

Tahoka Group Spends Week Camping Out In Colorado

A Tahoka group composed of youth from the First Methodist Church, their guests and sponsors spent July 31-August 5 camping near Antonita, Colo., in the Rio Grande National Park.

The jaunt began at 5 a.m. July 31 for the nineteen youth and six sponsors who loaded their packs and themselves in two pickups, one car, a horse trailer and one Honda.

During their stay, they lived in tents, slept in sleeping bags and cooked over open fires with inspirational singing and fellowship around each evening's campfire.

Varied activities made up the week's stay including the rapids on the Conejas River, playing baseball and football, swimming, hiking and cooking and washing dishes by the camper method.

Several of the group also fished the mountain streams. Elmer Owens, one of the group's sponsors, landed a 16-inch German brown trout, the largest caught in that area this summer.

A side trip was taken to the Pentacles where snow was seen, with a stop at Santa Fe for sight-seeing and souvenir shopping on the return trip.

According to those making the trip, "The most important part of our trip was the wonderful lessons learned. Morning devotionals and talks at night helped each person gain something they had not found before God strengthened each person and we are looking forward to next year's camping trip."

On Sunday, August 20, a program will be presented by the youth making the trip beginning at 6:30 p.m. at the First Methodist Church. Slides of the trip will be shown as an added attraction. Everyone is invited to attend, according to Hugh Daniel, pastor of the church.

cotton situation and possible changes in the 1968 government cotton program.

"There is going to be a need for increased cotton production in the U. S. in 1968, and the manner in which this increase is brought about under the terms of the present law is going to have a direct and significant effect on all cotton producers," Unfred said, "so this discussion should prove highly interesting and worth while to Lynn County people."

Unfred and Pace emphasized that directors to PCG are the men who set the producer organization's policy on Legislative, research, promotion, financial and other activities which help to determine the state of the area's cotton economy.

"So we hope all interested persons will make the necessary effort to attend and take part in our county election meeting", they said.

4-H Members Win Blue Ribbons In Records Contest

Five Lynn County 4-H Club members, all from O'Donnell, earned blue ribbons Tuesday in the District 4-H Records Contest held at Lubbock.

In the contest, 4-H youth were judged on their records and projects in both senior and junior divisions, Blue ribbon winners in the senior division will compete at state level for additional honors in September.

In senior competition, LaNita Wood earned the National 4-H Conference Award for her work while Benny Barton won the swine award.

In the junior division, Billy Jack Wood was honored for swine projects: Kelvin Wood earned a blue ribbon in the electric category; and Tandy Barton received the clothing award.

The 4-H youth are under the supervision of Bill Griffin, county agricultural agent, and Ann Davis, county home demonstration agent.

Mahon Comments On Riots

Rioting and looting are threatening the very foundation of our government. Unless effective action is taken, pockets of anarchy will continue to develope and get out of hand. The rampaging criminal minority which is responsible for the frightful events which are bringing our nation inao shame. This minority can be stopped through firm action by law enforcement officials if enforcement officials are given firm support and encouragement by officials at all levels of government and citizens generally. To get results, law enforcement officials must not be hobbled in pursuing proper courses of action. Appeasement of a criminal minority is not the answer.

The great majority of our citizens of whatever race are law abiding. It is the small criminal minority which is resorting to violence and retarding progress.

Law and order cannot be bought with money. The more the Federal government has expended to promote education, job opportunity, and progress generally, the more lawless a criminal element has become. This does not mean we should abandon our efforts or scuttle worthwhile programs. They should be improved, but the problem is not one of dollars but of dicipline. According to the President's January Budget, it is estimated that Federal benefits and services which aid the poor will be provided this year in the sum of about 25 billion dollars.

I want to emphasize my strong personal opinion that riots and looting, accompanied by mass destruction, murder and violence generally, should not be used as a basis for a big splurge in Federal spending. It is not money that we need but the moral courage and determination to do our duty as a Nation in halting anarchy and re-establishing law and order.

Mrs. Pat Chamblee and daughters visited Mr. and Mrs. Austin Chamblee in Atlanta, last week.

Lynn Has Eight Rural Accidents

The Texas Highway Patrol investigated 8 accidents on rural highways in Lynn County during the month of July, according to Sergeant A. E. Roberts, Highway Patrol Supervisor of this area.

These crashes resulted in ten persons injured and an estimated property damage of $41,820.00.

The rural accident summary for this county during the first seven months of 1967 shows a total of 36 accidents resulting in no persons killed, 33 persons injured, and an estimitated property damage of $64,043.00.

"School days" are almost here again. Many of the schools in this area will be starting classes before Labor Day. Many drivers have become accustomed to ignoring school zones and signs during the summer months with the thought, "why bother, school's out anyway." But now the time is rapidly approaching to start paying close attention to signs warning of school zones and buses.

Many parents will attempt to make the forth coming Labor Day their final vacation outing. "Don't let this outing be fatal," the Sergeant stated. Thirty-two lives were lost in traffic over the Labor Day weekend in 1966.

Traffic Costs

Texas 1966 traffic costs soared to an all-time high, according to the Texas Department of Public Safety. There were 524,972 traffic accidents, an increase of 53,984 over 1965, and a record of 3,406 human lives in traffic accidents, an increase of 378 over 1965.

Another 208,310 were sent to doctors and hospitals, an increase of 22,248 over 1965, some of the injured being maimed for life. Some 800,000 automobiles were damaged or demolished. The economic loss came to an astounding figure of $557,414,000, an increase of $59,327,000 over 1965.

Lynn County's contribution to the 1966 Texas traffic cost was two killed, 44 injured, and an estimated property damage of $59,650.

If the problem is serious today, what about tomorrow? The state will continue to grow. The population will increase, which means more drivers and automobiles and more miles driven.

Civil Service Exam To Be Given

"Cotton For Christmas" Program Is Planned

A most interesting "showing" was discussed at a meeting of the community representatives at the Lynn County Cotton Club Monday afternoon. A meeting will be held October 16 in Lyntegar Meeting Room, when members, business and other interested persons are invited to bring items for the showing how to use "Cotton for Christmas." This will include items made from cotton, you may have made, that businesses have for sale, or something that you just "have", using cotton in decorative ways. Clothing, aprons, centerpieces, party decorations, jewelry, foodstuff, home use products, anything using cotton in interesting ways will be shown.

Persons who are not members of the club may bring their items on the day of the show, and join at the meeting. membership fee is $1.00, and gins are also invited to join the club as Corporate members, at a cost of $5.00 per year.

MRS. JAMES SOLOMON

Carroll-Solomon Vows Read Saturday

Miss Andra Sue Carroll and James Arthur Solomon were united in marriage at 8 p.m. Saturday, August 12, in the First Methodist Church, Tahoka. Rev. Hugh Daniel, pastor officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. John Eldon Carroll, Tahoka, and the bridegroom is the son of Mr. and Mrs. Ridd J. Solomon, Stamford, Conn.

Given in marriage by her father, the bride wore a pure white gown of organza and peau d'ange lace. The Empire bodice was designed with a wide oval neckline and long petal point sleeves. The slim skirt of lace was defined at the waistline with appliques, highlighted with seed pearls. Her swirl train of organza fell from the waist to Chapel length, and she wore a tiered veil of illusion gathered to a wreath of pearlized orange blossoms. She carried a cascade arrangement of stephanotis and lace centered with a large white cattleya orchid.

Miss Cindy Carroll, sister of the bride, was maid of honor. Bridesmaid were Kate Grotte, El Paso, Eva Wheat, Cisco, Chisie Jan Ruffaker, Matia Bray and Janis Cattin, Tahoka. Bridesmatron was Mrs. Susan Harper, Stamford, Conn., sister of the groom. The attendants were identically gowned in petal pink ottoman and chiffon. The Empire bodice of ottoman was styled with wide oval neckline and short fitted sleeves and was accented at the waistline with self fabric daisies. Slim chiffon skirts were complimented with Watteau panels of ottoman. Matching headpieces of organza petals with Mallne veils completed their ensemble. They carried cascade bouquets of pink mums and pink pom pom mums accented with pink feathers.

Attending the groom as best man was Jack Brownfield, Deming, N. M., and groomsmen were Allen Rogers, Waterbury, Conn., Mark Kastner, Riverside, Calif., John Bomberger, Chicago, Ill., Andy T. Wilson, Morton, Jim Wells and Tommy Kidwell, Tahoka.

Lajd Roberts and Jeff Roberts, cousins of the bride served as candle lighters.

Miss Sharon Patterson provided the wedding music and accompanied Mrs. E. W. Patterson, soloist.

Following the ceremony, a reception was held in Fellowship Hall of the church with Sarah Wells registering the guests. Assisting in the house party were Betty Kawasaki, Loretta Foster, Paula Carroll, Lori Carroll, Becky Green, Cindy Howard, and Paige Verner.

For travel, the bride chose a sheer brown dacron dress accented with tucks and a large fabric bow at the oval neckline. She wore brown accessories and the orchid from her bridal bouquet.

Mr. and Mrs. Solomon will make their home in Storrs, Conn. where Solomon is attending the University of Connecticut as a business finance major. He is a graduate of New Mexico Military Institute in Roswell, N. M. Mrs. Solomon is a graduate of Tahoka High School and attended Southern Seminary, Buena Vista, Virginia, and Patricia Stevens College in Dallas.

Out of town guests included Miss Ellen Moore, Waterbury, Conn., and Mr. and Mrs. A. M. Solomon, Burley, Idaho, grandparents of the groom, and Gary Hyde of Wisconsin.

MRS. RONALD WARD

Crawford-Ward Vows Solemnized Saturday

Miss Sandra Kay Crawford and Ronald Keith Ward were united in marriage in a double-ring candlight ceremony at 8 p.m. Saturday, August 12, at the First Baptist Church, O'Donnell with the Rev. Calvin Partain officiating.

The bride is the daughter of Mr. and Mrs. Elbert Crawford, O'Donnell and the groom is the son of Mr. and Mrs. Paul M. Ward of Lubbock.

The bride was given in marriage by her father. She wore a full length gown of white peau de soie with a gently flowing skirt. A bridal lace overblouse covered the bateau neckline bodice and featured a high scalloped neckline decorated with seed pearls. The long lace petal point sleeves were also enhanced with seed pearls. Bridal lace scallops were also used below the empire waist bodice and at the bottom of the flowing skirt. Her train was also of white peau da soie, trimmed with lace and seed pearls.

A crown of pearls held the silk illusion chantilly lace veil. She carried a cascade bouquet of gardenias showered with satin streamers and English ivy atop her White Bible.

Mrs. Paul Todd, Lamesa, cousin of the bride, was matron of honor. She wore an ice blue satin full length gown, adorned with self material, streamers and bows accented with pearl petal points.

Bridesmaids were Mrs. Weldon Bessire, O'Donnell, Miss Charlotte James, Lubbock, Miss Gay Lynn Harris, O'Donnell and Miss Judy McKinney, O'Donnell. They all wore sleeves-empire full length gowns of powder blue satin adorned with self material streamers, bows and pearl accented petal points. Satin pill-box hats held their white illusion veils. Each carried a long stem yellow rose.

Best man was Jim Foy, Lubbock. Groomsmen were Randy Williams of Lubbock, Richard Monsell of O'Donnell, Dwight and Wayne Crawford, brothers of the bride of O'Donnell. Guests were seated by Richard Mensello of O'Donnell and Dwight and Wayne Crawford of O'Donnell.

Miss Janet Mires and Troy Mires of O'Donnell were candlighters. Miss Jona Robinson, Lubbock and Miss Sherry Means of Ropesville, cousins of the bride, were flower girls. Travis Mires of O'Donnell was ring bearer.

The alter featured a white gladiola covered archway with greenery and baskets of gladiolas and daisies.

Wedding music was provided by Mrs. E. A. Doss, pianist, and Mrs Carr Sprayberry organist Soloists were Miss Linda Terrel of O'Donnell who sang "More" and "I'll Walk Beside You" and Mr. Vaughn Tatum of Abilene who sang "Whither Thou Goest" and the "Wedding Prayer". Guests were registered by Misses Donna Dunn and Peggy Eason of Farwell.

A reception in the church Fellowship Hall followed the ceremony. Serving the brides and grooms tables were Mrs. Carol Pettitt, cousin of the bride from Ropesville, Miss Sharon Payne of O'Donnell, Mrs. Sandy Pierce, Tahoka, Mrs. Randy Williams of Lubbock and Miss Rebecca Brunette of O'Donnell.

Her going away suit was of white ribbed knit and her accessories of yellow.

The bride is a graduate of O'Donnell High School, attended Wayland Baptist College, Plainview, and Texas Tech. She will attend North Texas State University in Denton.

The bridgroom is a graduate of Brownfield High School and the National Electronics Institution in Denver, Colo. He attended Texas Tech and at present is employed by Texas Instruments in Dallas.

After a short wedding trip, the couple will be at home in Dallas.

Cotton Club In Membership Drive

The Lynn Cotton Club is bursting into bloom with the cotton harvest season to come. Members of the club are working hard to gain new members, so that the club may reach more people and be more influencial in the county. Local representatives leading the drive are as follows: Mrs. Leroy Nettles, New Home, Mrs. Carl Sanders, O'Donnell, Mrs. Roy Lynn Kahlich, Wilson, Mrs. Cleve Littlepage, Tahoka, Mrs. Charlie Ellis, Grassland, Mrs. Weldon Martin, Draw, and Mrs. Donald Hancock, Lakeview. Any of these ladies may be contacted for membership or for more information as to the club and its planned work.

Lynn, along with Lubbock, Hale, Yokum, and Crosby Counties have formed the "Women's Cotton Promotion Association" for that very reason, to promote the use of cotton by those who use it most, women! These clubs will soon have available, stickers promoting the club.

Each member will receive one, and others may be purchased for only 25c sach.

Included on the agenda for the coming year is a booth at the South Plains Fair, Sept. 25-30, when each county club will work the booth for one day. Articles will be displayed showing uses of cotton, information may be gotten on the club and its activities, and one may even sign up for membership at the booth, to be located in the women's building.

Cotton for Christmas will be the theme for a meeting to be held October 16 in the Lyntegar Meeting Room, when many gift ideas will be displayed, and Pete Brown, local representative of the National Cotton Council, will be on hand to give everyone a firsthand look into cotton product use for the near future. All women and businesses are invited to bring something for display, using cotton and cotton products. It will be open to the public.

October 3 will be the date for a style show at Plains Cotton Growers in Lubbock, when each county will be represented with a model in new cotton clothing. Everyone is invited to attend the show, and more information can be obtained by calling any of the listed community representatives.

A tour of Postex Cotton Mills has been planned for January with a luncheon included on the trip. The sewing contest, planned for late March or April should be of interest to all homemakers. July will bring a summer coffee, and election of officers for the new year, as well as a report of the club's first year of progress.

Ann Davis, CHDA Says:

One-stop shopping, at one time unique to the days of the pioneers, is again entering the American scene.

Take a look at the average grocery bill. It will likely show an average of $20 spent for food and another $4.60 for non-food items, says Ann Davis, county home demonstration agent.

In the past 10 years, food sales have increased 51 percent, while non- food sales in grocery stores have increased 140 percent.

Much of the grocery money today goes for items to stock the bathroom, cleaning closet, toys for the children, magazines and all of the hundred and one other items found in the modern market.

One such item, cigarettes, is purchased in the grocery store because of convenience and economy of the carton. The supermarket is, in fact, the greatest single outlet for cigarettes. Today, 30 to 40 percent of the nation's sales are in grocery stores, whereas five years ago, supermarkets accounted for only 28 percent.

Small kitchen utensils and gadgets, snack sets, patio furniture--all are frequently labeled as impulse items in the grocery store. Magazine sales have increased as much as 38 percent in one year in the supermarket.

And the trend is for more and more non-food items to be bought through this market. In 1948, 11 percent of the grocery dollar went for non-food items. In 1959 the figure stood at 15 percent; today's figures show 23 percent.

A tasteless, colorless fat is now going into "packages you can eat. USDA's Southern utilization research laboratory in New Orleans developed this new fat in their search for new ways to use cottonseed oil.

The fat protects foods from oxygen, freezer burn, drying out, and discoloring during refrigeration and freezing. Spraying on the food in a thin film, it locks out oxygen and retards rapidity for long periods. At temperatures below 115 degrees F., the fat is pliable, waxy, and solid.

This chemically modified fat is edible, can be left on foods such as meat, fish, and poultry to become part of the cooking fat or gravy. Those who prefer to remove it before cooking can hold the coated food under hot running water for a few moments. This melts and washes away the coating.

Other food uses for this fat include coatings for cheeses and emulsifiers in cake mixes, icings, and cream fillings.

This fat now costs about 50 cents a pound but this is expected to drop with increased consumer demand and improved production methods. Economists say today about 35 million pounds of edible coatings--packages you can eat-- are used on food and they expect this to double in a few years.

****

No, potatoes aren't fattening. No food is fattening until your body's need for calories has been met, points out Ann Davis, county home demonstration agent. Surplus food from any source is changed to fat and stored in the body, she says.

This is how it figures out: One medium-sized potato, 5 ounces, supplies 90 calories. This is about the same as a medium-sized apple, pear, grapefruit or orange, none of which is considered a high-calorie food.

Added fat and gravy, often served with potatoes, do increase the calorie count considerably. For example, fried potatoes may be two to three times as high in calories as the same weight in boiled or baked potatoes. And the sour cream or butter or margarine added to the baked potato for tastiness also add up in the calorie category.

But, it's not the potatoes that add pounds, it's the surplus calories from other sources.

Beware of instant flour. There's more in the cup than meets the eye.

When baking with instant flour, take 2 level tablespoons out of each cup of flour called for by the recipe.

A full measure of instant flour in a cake or cookie recipe, designed for regular flour, may alter the shape, texture and flavor of the final product.

Instant flour is processed with steam or hot water after regular milling to make tiny granules stick together as larger particles. This takes up less space in a measuring cup. Therefore, instant flour mixes more readily with water without forming lumps and is a handy product for making gravy.

In baking, instant flour weighs more per cup and takes up liquid faster than regular flour, leaving too much flour for the dough in relation to the liquid.

For example, in popovers, the batter doesn't contain enough for the product to "pop" properly.

The Agricultural Research Service suggests improving the taste and appearance of pastry by adding more fat to the dough. Some companies making instant flour suggest that extra fat be added to the product to help overcome the tendency of instant flour to soak up water.

Although a little extra fat helps, researchers warn that adding extra water to the dough is no solution. This destroys the proper balance between ingredients and tends to ruin the baked product.

Jerry Don Brown Accepts Position As Albany Coach

Jerry Don Brown, well-known Lynn County coach, has accepted a coaching position at Albany High School, moving there with his family last week.

Brown, head coach last season at O'Donnell, coached in 1959 at New Home and was Tahoka assistant in 1960-61. He served one year at O'Donnell as an assistant before moving up to the head coaching position last year.

At Albany, Brown will serve as line coach during football season and as head boys basketball coach.

Before leaving, Coach Brown stated, "My family and I have enjoyed our stay in Lynn County and will always value the many friendships we have made here. We hope to have the opportunity of renewing these acquaintances in the future."

Replacing Brown as head coach at O'Donnell is Jeff Bearden. Bearden served last season as junior varsity coach at Lubbock High School.

Other members of the O'Donnell coaching staff include Glenn Hopkins, Phil Guinn and Allen Harmon.

Dr. and Mrs. K. L. Durham and granddaughters, Sharon Sparks, Lubbock and Laura McMeans, Greenville returned last week after their vacation. They visited Grand Canyon, Yosemite Park, Sequoia Park, the Petrified Forest, Painted Desert, Disneyland, Laguna Beach, San Diego, Sea Walls, White Sands and other interesting places. While in Las Angelas they visited Mrs. Durhams brother, sister-in-law, and family, Mr. and Mrs. James S. Hutchison.

O'Donnell 4-H Rally Day Will Be Held Friday

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pictures are made by fools like me. But it took an architect-friend to help me appreciate this one.

"I'm always impressed," he said, "when someone puts beauty and meaning where otherwise there would have been nothing. That's what God did when he made this tree!"

Photographers like to pretend they're philosophers. So I titled my picture *Where There Was Nothing . . .*

Next Sunday my architect-friend invited me to church. A bit overwhelmed by this sudden solicitude for my long-neglected spiritual welfare, I went. And there a remarkable discovery awaited me!

It is a drab expanse of broad, flat years which I call my life. And only God seems able to put beauty and meaning where otherwise there was nothing. Every Sunday a new truth grips me. Every Sunday I discover a new tree!

CARDS OF THANKS

We bid farewell to all of our friends in Wilson and Lynn County. We have enjoyed our life and work here with all the fine people in this area.

We leave with mixed emotions, sad to leave so many friends, but with joyful anticipation of the new challenges and opportunities to serve our Lord.

We leave with the prayer in our hearts that God will continue to bless and keep you, and make you a blessing to many. We go to serve two congregations in Sumner, Iowa. If you travel that way, be sure to stop in and visit with us.

Rev. Robert Kamrath and family, St. Paul Lutheran Church, Wilson. 47-1tp

I want to thank my many white as well as colored friends for helping me to win again as Queen of Caprock District Association of Women's Work. We are using the money for a very good purpose. We are going to be able to go into our center at Littlefield in August of 68.

The place is for our annual session. We women do all we can through our mission to help raise the money at the close of our session. We have raised enough to write a check for the amount to pay the building and with you to help me, I raised $142.40 and am still Queen of the Caprock District Association of Women's Work.
Mrs. Mary Davis, Pres. Council, Box 13, Tahoka. 47-1tp

Proposed CONSTITUTIONAL AMENDMENT

NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars ($100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxpaying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."

"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

Proposed CONSTITUTIONAL AMENDMENT

NUMBER FOUR ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III to be known as Section 52e, reading as follows:

"Section 52e. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that while said Sheriff, Deputy Sheriff, Constable, Deputy Constable or other county or precinct law enforcement official is hospitalized or incapacitated that the county shall continue to pay his maximum salary; providing, however, that said payment of salary shall cease on the expiration of the term of office to which such official was elected or appointed. Provided, however, that no provision contained herein shall be construed to amend, modify, repeal or nullify Article 16, Section 31, of the Constitution of the State of Texas."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of this state at an election to be held on November 11, 1967, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

"AGAINST the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

Proposed CONSTITUTIONAL AMENDMENT

NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars ($75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund; or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the folowing words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

Membership Drive For Theater Now Underway

The Lubbock Theater Center has announced plans for the membership drive for the 1967-68 season which will be held from August 31 through September 12, 1967. Chairmen for this year's drive will be Mrs. Donald Tankersley, Mrs. W. J. Kilpatrick and Dr. Donald Andress. Division chairmen and workers are being chosen. Anyone interested in aiding the growth of the theater is urged to call any of these people and offer their services. Slogan for the drive is "100th Opening Night", and the purpose of the drive is to acquaint the Lubbock community and area with theater art, in order to promote its expansion and growth. The schedule of plays for Lubbock Theater Center's 1967-68 season has been announced.

The musical comedy "Music Man" will open the season on September 14. A rousing, joyous, oom-pah delight, filled with captivating nostalgia, this Meredith Willson success was chosen to inaugurate the season as the 100th production presented by LTC.

"The Innocents", a tale of terror, fears and phantoms, shadows and spirits, based on Henry James "Turn Of The Screw" opens in late October.

Opening on November 30 is "Dear Me, The Sky is Falling" a bright, endearing and humorous comedy, which starred Gertrude Berg on Broadway.

Last season's Pulitzer prize winning drama "Delicate Balance" by Edward Albee, which presents the story of people used up, tormented and empty is the late January offering.

"Who Was That Lady I Saw You With" a Broadway hit farce, which starred Peter Lind Hayes, promises to be a laugh-filled evening.

William Inge's pulitzer prize Critics Circle award winner "Picnic," a humorous and touching study of the yearnings of the women in a small Kansas town, will be presented in late March and early April.

Closing the season in May will be a bubbling, rib-tickling comedy "Barefoot In The Park", which has only one aim-to be diverting.

Those who purchase season tickets during the drive are assured substantial benefits during the coming season. Memberships are broken down into the following categories: Patron memberships, 15 tickets, plus program listings, $30, instead of $42 purchased individually at the box office; couple membership, $22, over $30.80 at the box office; one season ticket, $12.50 instead of the box office price of $17.50; student membership, seven tickets, is $6, instead of the box office price of $8.40. Members also have the privilege of phoning their reservations on Friday of the week before the box office opens to serve the general public. Workshop rates are reduced to members. The Lubbock Theatre Center is a non- profit organization and a community service.

Notify Mary Rumbo in Tahoka, Phone 924-4387.

Proposed CONSTITUTIONAL AMENDMENT

NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars ($400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars ($400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars ($200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided; or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces abovenamed and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT

NUMBER SIX ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State or the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold any other office or position of profit under this state, or the United States."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

"AGAINST the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

Rodeo Slated At Boys Ranch

The twenty-third annual rodeo will be held at Cal Farley's Boys Ranch, Sunday, September 3 and Monday, September 4 at 2:30 p. m. when the 348 boys will take part, with nearly 100 of them riding for awards and honors. Ranchers who will not ride will serve as ushers, help in the parking area, work at concession stands, or help around the chutes.

The climax of the rodeo will be the naming of the Junior and Senior All-Round Cowboys, two of the highest honors that can be earned by the boys. Professional stock will be used in the events, and a special stick horse race will be featured for the four to six year olds.

Tickets for either performance are available in advance from the Boy's Ranch office, Box 1890, Amarillo. Reserve box seats are $2.50, and general admission is $1.50. Servicemen and children's tickets are 75c. All proceeds will be used for future expansion of the Ranch.

Pep Squad Names Officers, Picks Uniform Patterns

The Tahoka High School Pep Squad met Thursday, August 3 to choose uniforms and elect new officers which are:

Lexi Adams, President; Melanie Leverett, Vice-President; Mary Beth Kiser, Secretary-Treasurer; Altah Hale, Publication Chairman; Lana Grogan, Assistant Publication Chairman.

The patterns (7210 Simplicity) and materials will be at Anthony's Department Store in Tahoka. They are blue cotton jumpers with circular skirts and white cotton blouses.

Girls planning to be in the pep squad should make a uniform, if possible, before the first game, it was announced.
