MUSIC WEEK ARTISTS

Part of the artists who will appear during Music Week, May 6 to 12, are shown here. The Quail Girls Chorus will sing twice in Wellington during the coming week, first at the Methodist Church on Sunday night, then during Music Week, on Tuesday. Members of the chorus are first row: Verna Sue Adams, Marian Wilkerson, Annie Mae Souder, Loreta Kindrick, Hattie Joyce Baggett, and Nadine Kindrick. Second row: Janelle Langford, Sharlene Saunders, Wanda Sue Vaughan, LaRue Tyler, Sonja Atkinson, Fayteen Peeples, and Shirley Ann Robinson. Third row: Erma Lee Farris, Melba Pendergrass, Joan Kirkland, Nancy Jett, Vivian Minatrea and Alice Faye Wilkerson. Back row, Mrs. Lowell Wells, director, Barbara Weaver, Virginia Miller, Jo Helen White, Elizabeth Wilson, Fern Neeley and Mrs. Jack Davis, director. Not shown in the picture is Mary Louise Robinson.

Benny Karnes, below, one of Wellington's most talented young musicians, and a student in North Texas State College, Denton, will be presented in a piano concert Monday night.

Sid Clark, One Of Area's Early Settlers, Dies

Sid Clark of Arlie, one of that small fraternity of men who had helped to shape the growth of the cattle industry in this area since the days when settlement first began, died in St. Joseph's Hospital Friday, April 27. He had been ill for about a month and was hospitalized part of the time but had returned to his ranch home. The day before his death, he was returned to St. Joseph's for treatment, and his condition continued to grow worse.

Mr. Clark was 86 years of age, and 66 of these years had been spent in the Southeast Panhandle [illegible] first in the section between here and Quanah, and since 1899 at Arlie.

Sidney J. Clark was a native Texan, born in Denton County February 9, 1865. His parents were the late Mr. and Mrs. Will T. Clark, who came to Texas from Mississippi. He grew up in Denton County, then as a young man, went to work for his brother, the late Luther Clark, who owned a herd of cattle.

In 1885, they came west with the trail herd, locating on Sandy Creek. Mr. Clark continued with his brother until about 1895, when he went into the cattle business for himself.

In 1896, he was married to Miss Mollie Price in Greer County.

Mr. Clark did not consider his

Ledbetter Child Victim of Trailer Accident April 25

Jack Wendell Ledbetter, two-year-old son of Mrs. Durwood Royal of Reed, Oklahoma, died Wednesday evening, April 25, at 6:30 o'clock, of injuries received while playing at the home of his grandparents, Mr. and Mrs. A. L. Sorrells in Wellington.

The accident occurred about

(Continued on Page Eight)

Soil Conservation Tour Thur. to Show Outstanding Work in County

A tour of a group of Collingsworth County farms where outstanding soil conservation projects have been carried out, is planned **for Thursday afternoon, May 10,** as the Salt Fork Soil Conservation District's part in observing Texas Soil Conservation District Week.

The tour is directed by Joe Grigg, work unit conservationist of the Soil Conservation Service and J. W. Thomas, county agent.

Business men of Wellington and farmers from the area are urged to take part.

Leaving the court house at 1:00 p.m. the party will visit the James Doneghy farm at Cross Roads where weeping love grass is being grown; a pasture of Mr. Doneghy's, three miles west, where grass seed was sown by airplane; a third Doneghy farm at Ring for still another weeping love grass demonstration; the Frank Coleman and Ben Farmer places at Marella; the Earl Tollett farm where a pasture mowing project is being carried out; sweet clover fields on the A. F. Wischkaemper farm at Dozier; terraces on the Alfred Knoll and Cortez Barnett farms; and a field of Brome grass on the J. M. Tindall farm in the north part of the county.

"We believe you will be sincerely surprised at some of the outstanding work that is being done in the way of building up land with grasses and legumes, as well as other conservation methods. These are places that most of you won't see ordinarily. The owners are doing fine jobs and I believe every one who goes along will get a better idea of what is being done to rebuild some of the land around here," Mr. Grigg said.

Mr. Doneghy, first to experiment with love grass plantings here, has one of the outstanding grass projects of the county, Mr. Grigg said. The field at Cross Roads, the first stop on the tour, is of approximately 20 acres and was planted in 1945. This is weeping love grass, and the growth has been outstanding. This is now one of Mr. Doneghy's seed patches.

At the second stop, the pasture seeded by plane for Mr. Doneghy in December, 1949, farmers will get to see for themselves what they may expect from this type of planting. There are seven quarter sections included in this piece of work, and a grass seed mixture was used.

Weeping Love and Sand Love grass at the Ring farm are five years old, and the larger part of three sections have been sowed. From this farm come most of the seed which Mr. Doneghy uses in seeding other fields on his farms to love grass.

Proper seed bed preparation will be featured at the farms of Mr. Coleman and Mr. Farmer. In these fields a sorghum crop was drilled last summer. The stubble was left through the winter, and in April a mixture of grass seed drilled in. These grasses have not yet begun to come through, Mr. Thomas said, but men on the tour will have an opportunity to see the seed beds in top condition.

The Tollett farm is on the south bank of Salt Fork River on the

(Continued on Page Eight)

WHAT SOIL CONSERVATION DID

These scenes are on the John Brim Farm, which last year was judged the outstanding example of soil rebuilding in the Panhandle. In the upper picture George W. Taylor, district conservationist, and Mr. Brim discuss rapid growing blue panic grass on the Brim conservation farm. The picture was taken in Mid-September, a month after the field was mowed. Most of the growth had been made in a 11-day period following a rain. In the lower picture, Brim's dairy cows graze on his alfalfa pasture. He also uses alfalfa for hogs, seed, hay, silage and to control runoff in spreader system terraces.

—Soil Conservation Service Pictures.

Norwood Stock Show Planned For Saturday

The results of the feeding program is to be on display at the Samnorwood School on Saturday, May 5. The F. F. A. Chapter of that school is sponsoring a F. F. A. — 4-H Livestock Show on that date.

One of the main features the boys will have on display are some of the commercial fed calves. There will be approximately 11 head of beef calves that the boys have fed on home grown feed plus some protein supplement and molasses.

Other animals that will be shown by the boys will be some of the best dairy cows in this section of Texas as well as breeding gilts, breeding beef animals, boars and ewes. This activity will be one of the highlights of the year's work and it is hoped that many in the community will be out to see the work that the boys have put out this year. The judging will begin at 1 p.m. The judge will be Joe Vanzandt of Wheeler.

May Day Event

Norwood Children to Give Operetta Friday

"The Phantom Ship," a children's operetta, will be presented by the students of the lower grades of the Samnorwood School Friday night, May 4, at the gymnasium. This will be the annual May-Day program, superintendent Orville Cunningham said, and will be one of the highlights of the final month of school.

Mrs. Wayne Staples is directing the production.

Queen of the Sea will be Barbara Bruton, around whom the story of the operetta centers. John Silver is H. J. Kennedy, while John Alexander portrays Captain Kid.

Others taking part are the shrimp: Paul Benton, Mary A. Bockman, Molly Hoffman, Donna Johnson, Carl D. Kellogg, Carl Knoll, Jerry Lee, Kenneth Martindale, Marie Martindale, Laverne Minatrea, Sonna Murry, Guy Newkirk, Janice Offutt, Ruby Pullum, Butch Reynolds, Kay Schaub, Frances Sheffield, Rheta Dell Smith, Arthur Taylor, Carolee Taylor, Jerry Webb, Jimmy Willard, Peggy Willoughby, Doris Woods, June Henderson.

Sea Breezes: Sherry Grogan, Judy Hooten, Elma Schoonover, Peggy Martindale, Wanda Scott, Rosalyn Morgan, Joyce Amerson, Barbara Oldham, Wanda Keeler, Odessa Kidwell, Aleta Coleman, Patricia Keeler, LeDon Terry, Bernice Minetrea, Cloma Webb, Glenda Cook, Alice Payne.

Sea Sprites: Mary Beth Simpson, Evelyn Sue Coates, Frances Wilson, Clara Scott, Ruthie Plunkett, Margaret Oldham, Sandra Browning, Carol Oldham, Charlene Schoonover, Carolyn Phipps, Rochelle Clark, Marilyn Cook, Karon Breeding, Alice Johnson.

Pirates: Michael Stephens, N. L. Vick, Shelby Vick, Harold Bradley, Tommy Buckner, David Lindley, S. L. Roberson, Donnie Brown, Ronald Schoonover, Bobby Boyd, Dennis Wayne Simpson, Junior Kidwell, Don Marchant, Jimmie Breeding, Jerry Thompson, Richard Tate, Clinton Cleveland, Gerald Darrow, Lonnie Ferril, Raymond Harvey, Coy Kendrick, Robert Simpson, Leslie Siezler, Cecil Wilson, Paul Schaub, Harvey Pat Bradley, Billy Webb, Irving Willard.

Anemones: Lois Amerson, Ellen Brentley, Betty Bradley, Roy Buckner, Elora DeBord, Nell Latimer, Roberta Ledbetter, Sue Patton, Ruetha Montgomery, Emma Morgan. Ethyl Plunkett, Etta Plunkett, Namoi Sechrist, Shirley Sherwood, Joyce Shields, Bonita Tate, Morette Taylor, Virginia Wilson, Peggy Smith, Shirley Henderson, Mazine Stephens, Mollie Scott, June Morgan, Barbara Morgan, Andra Morgan, Patricia Mayberry, Harriet Lowry, Janice Jones, Gaylea Coates, Laverne Coleman, Sylvia Payne, Wanda Schoonover, and Gladys Toylor.

Sailors: Alva Clark, Winfred Cates, Ralph Davis, Jerry Dorman, Dale Ethridge, Roy Hoffman, Fred Ketchum, Billy Morris, Leslie Oldham, Lawrence Simpson, LeRoy Pullum, Johnnie Lee Stephens, Rudolph Tate, and John Whitefield.

Mother Penguin: Merrie Woods.

Penguins: Dwight Thompson, Willie Vick, LeDonna Ross, Don Amerson, Tommy Cleveland, Gene Sherwood, Billy Kidwell, Bully Tate, Jerry Brown, Bobby King, Barbara Favor, Mary Sue Reeves,

Form Defense Mobilization Committee

Farm Agencies Joined For Specific Functions

At a meeting held in the District Court Room on April 24, the Collingsworh County Agricultural Mobilization Committee was formed.

This committee is composed of representatives from each agency having to do with agricultural work in the county. The members and the agencies represented are as follows: J. A. Coleman, chairman, PMA Committee; A. J. Peters and Lewis Morris PMA committeemen; Joe Griggs, SCS Technician; Arrel Cummings, FHA Supervisor; J. W. Thomas, county agent; Frank Kennedy, vocational agriculture teachers; Orval Couch, REA manager; Olan Alexander, Production Credit Association representative, and Millard P. Brown, secretary for the committee.

This committee will work in the interest of farmers of the county in helping to obtain scarce farm machinery and supplies that are needed to carry on the National Defense Production Program. The NPA has placed the production of farm machinery and equipment in essential category as a supporting industry of the mobilization program. Agriculture has about the same rating as our Armed Forces so far as the National Defense Program is concerned.

The Mobilization Committee will cooperate with and assist the Selective Service Board in considering deferments of workers engaged in agricultural production. The committee will also cooperate with the local civil defense authorities and furnish any assistance to them possible.

Benny Karnes to Appear Monday Night

Music Week Activities Open Sunday; Concerts Slated

Music Week opens in Wellington Sunday, May 6, with the presentation of a group of Wellington artists, and will continue through Friday, with programs scheduled each night except Wednesday, Mrs. Pat Swift, chairman, has announced.

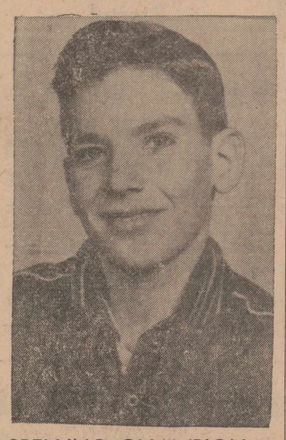

Local adult talent, student musicians, and visitors will be featured.

"Interest in music is higher just now than it has been here in many years. There will be something during the week to suit every musical taste, and the City Federation, sponsor of Music Week, invites every music lover to attend as many of these presentations as possible," Mrs. Swift said.

The opening program will be held at the First Baptist Church Sunday afternoon, beginning at 3:00 o'clock.

Dr. C. B. Jones, president of the Wellington Concert Association,

(Continued on Page Eight)

SPELLING CHAMPION

Darryl Morris, Quail seventh grade student, will participate in district spelling meet in Amarillo Saturday, after having won the county spelling championship recently. Morris is the son of Mr. and Mrs. Lewis Morris. Winner of the Amarillo meet will compete in Washington D. C. in the national meet.

Work to Begin May 15

City, School Board Contract For Survey of All Property

The City Council and trustees of the Wellington Independent School District, in a joint called meeting Monday night, April 30, entered into a contract with the George G. Ehrenborg Co., Appraisal Engineers of Dallas, for a survey of all property in the school district and city for equalization and valuation.

This action followed several separate and joint meetings of the two bodies in recent weeks.

The survey will include land, buildings and improvements, public utilities, personal property of businesses and manufacturing establishments. It will not include household property, personally owned automobiles, stocks and bonds, personal jewelry, livestock, or intangible property.

The work will be done by a group from the George C. Ehrenborg Co., who will contact every property owner in the area. Each man in the group will be fully experienced in the type of property which he inspects.

This survey will be fair in every way and will take into consideration the personal factors in each case, Duard Scott, president of the school board pointed out.

"These men take into consideration the present inflation and the appraisal is not set on today's market valuations," Mr. Scott continued.

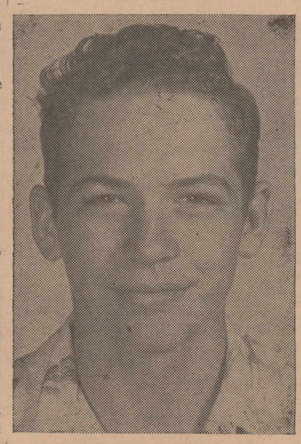

Both Mayor L. B. Bratten and City Manager Bura Handley were out of town and not available for comment.

The Ehrenborg Company, at the end of the survey will furnish the city and the school district with complete records of its survey.

Included in the survey will be the portion of the school district in the Loco area lying in Childress county.

George G. Ehrenborg and Mr. Olson of the Ehrenborg company met with the council and board Monday night. Present from the city were Mayor Bratten and aldermen Cecil Leggitt, John Coleman, J. T. Slay, O. E. Kaburn and Dr. Tom Hunter.

Present from the school board were President Duard Scott, Vice President Jim Wood, Secretary Jack Gibson, Velman Warrick, Drury Lacy, and Tom Campbell.

FFA CANDIDATE

Billy Ray Alexander, president of the Samnorwood FFA, has been selected as the representative from the Greenbelt District for Area Officer. Sixty five chapters are represented by the area.

Terraces Land at Own Expense

Tenant Farming Proves Profitable for Hall

So much is written and said about the evils of tenant farming and absentee ownership that the desirable features of this system of farming are often forgotten, but the fact remains that over the country there are many men who prefer it to buying their own farms at present costs. One of these is Kermit Hall, who operates 600 acres of good fertile land for three owners about two miles south of Wellington.

With the approach of Soil Conservation Ween, 33-year-old Mr. Hall has been pointed out not only as an ideal renter but as a land conservationist.

"I'd rather farm good land although it isn't mine, and hope to own a farm some day. At present I wouldn't consider buying," Hall told Joe Grigg, work unit conservationist of the Soil Conservation Service recently.

Mr. Hall has rented a 160 acre farm from M. K. Berry of Dallas

(Continued on Page Eight)

Our Wealth Still Lies in the Land

No one will ever know how much good Collingsworth County topsoil has gone off the land by washing rains, or how much fertility has been cropped out of the soil by bad farming, but the results are with us and will be for a long, long time.

It is true that a good many farmers started to remedy the situation some years back, and we have all over the county farms that are rich and fruitful because their land owners are farmers in the real sense of the word and every year put back into the soil something of what is taken out of it in cropping . . . who see to it that the rainfall stays where nature meant it to, the place where it falls.

But there are enough of the other kind of farms left to give us pause during Soil Conservation Week.

You don't go out and buy topsoil. When that which nature put upon the land is gone, you can put it back only by hard work over a period of years. It's expensive work at best. The topsoil is worth more than all the money in the bank, and we don't have too much of it.

In fact, some nations don't have enough of it. That's why their people are starving, and that's why this nation is called upon to feed and clothe so much of the world. But the warning is given us that unless we conserve our soil, one day we're not going to have enough for ourselves. We have lost hugh quantities and we are still losing it at an alarming rate.

This loss is unnecessary. It is criminal. It can be stopped.

It has been proved in the last 15 years that a sound, carefully planned conservation program not only controls erosion, it also makes tilling of the land easier and cheaper, increases crop yields, puts idle land to work, builds up the land, and nets the farmer more income and raises the value of his farm.

It does more than help the individual farmer practicing it. He helps the entire community, and the community extends to include the nation.

Today we have in the nation but slightly more than enough land to take care of our food needs. But conservation farming increases crop yields, on the average, 30 per cent. That increase is equivalent to adding 138,000,000 acres to our present estimated total of about 460,000,000 acres of good cropland that we have left in this country today.

That increase is needed if we are to continue living on our present standard, if we are to produce for the added demands of war, and if we are to retain our greatness and world leadership.

Other Days Familiar Names

Twenty Years Ago
1931

More than 700 students were to participate in the Interscholastic Leagus Meet.

C. C. Stinson, county agent, and Miss Paralee Brock, home demonstration agent, supervised a beef canning demonstration at the W. C. Ketner farm at Aberdeen.

Bill Sims announced that his barber shop was reducing the price of hair cuts to 25 cents.

The Lillie junior boys won the county basketball championship. Coach Tom Bolton awarded gold basketballs to Gilbert Bell, J. B. Smith, Alvin Bradley, Arthur and Howard Burkhalter.

The livestock and dairy judging teams of the Wellington vocational agriculture department won second and first places respectively at Pampa judging. Members of the livestock team were John Williams, Curtis Clement and Kenneth Stinson. On the dairy team were Roy Pepper, Leldon Hudson and Henard Gray, with Paul Bell as Alternate.

Ten Years Ago
1941

F. C. LeDerer, who had announced for re-election as mayor, withdrew from the race.

Five wild turkey were released on the Abra Game Preserve.

A hearing on the Soil Conservation District was held in Wellington under the directon of W. K. Cottingame, county agent.

District Future Homemakers met at Wellington with girls from 10 schools attending. Zonetta Moore of Wellington was district president.

A Dodson man made the mistake of selling a pint of liquor to two strangers--who immediately announced themselves as officers of the State Liquor Control Board. The man, however, was sick and could not be taken to jail.

Cary Clement of Samnorwood was rebuilding the house on the Walter Darlington farm.

James Eiland of Lillie left for Hereford to work in the AAA office.

Miss Margaret Hix, East Ward teacher, broke an 8-year perfect attendance record when she was ill for two days.

The American legion registered 91 ex-service men now living in the county.

T. J. Way of Haskell, Okla., became cashier of the City State Bank.

Vollie Bass received a spinal injury when his car overturned near Wellington.

Sammy Berryman, three-year-old son of Mr. and Mrs. Sam Berryman, received a deep gash on one jaw when he fell on a butcher knife.

Miss Mildred Slough and Charles Butler were married.

Sherman, in Grayson County, was named for General Sherman, reputedly the first to utter the battle cry, "Remember the Alamo, Remember Goliad!" at the battle of San Jacinto.

Sudan, in Lamb County, was so named because of the adaptability of the soil for growing Sudan grass.

Milford, in Ellis County, was so named because of a mill was located on a creek bank near a ford in the stream.

Slocum, in Anderson County, was named by an early settler who thought the development would be "slow" but the people would eventually "come."

Solitary trees are struck by lightning more often than trees in a group.

Certain Records Every Business Must Keep

FEW EXCEPTIONS TO COVERAGE BY OPS REGULATIONS, OFFICE SAYS

LUBBOCK — In bringing West Texas business men up to date concerning the pricing program of the Office of Price Stabilization, C. J. Taylor, District price executive, said that every buyer and seller of goods or services, with "very few exceptions," is covered by regulations issued by OPS. Taylor heads the price division of the Lubbock district which includes merchants of Collingsworth county.

Contrary to the belief by many merchants that they are exempt, Taylor emphasized that practically every one of them falls under the General Ceiling Price Regulation or the "tailored" ceiling price regulations which have removed them from the general freeze.

"There are certain records which every business must keep," Taylor said, "so that they are available to OPS representatives; and there are filings which many should make with their district office." The district offict for merchants of this town and county is in the Broadway Building, 1202 Texas Avenue, Lubbock, Texas.

"By May 14," the price executive continued, "retail grocery stores should be in full compliance with the regulations. They are covered, in the main, by Regulations 15 and 16. They should have already filed with the district office OPS form 5 placing them in a certain category based on 1950 gross sales volume. Full compliance should begin Monday, May 14. Grocery stores operate under a tailored margin-type price program."

Restaurants, cafes, soda fountains, and other eating and drinking establishments should have already filed with the district office their base period food costs per dollar of sales, Taylor explained. Their deadline, too, was April 30. Briefly, the eating establishments are, by regulation 11, obligated to keep their food costs in proportion to their total sales.

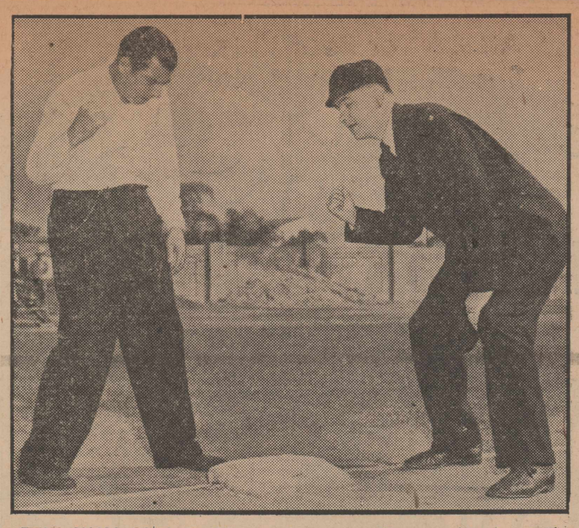

Another large segment of business, large and small, comes under the tailored, margin-type Ceiling Price Regulation 7 and its amendments. The regulation governs firms handling so-called consumer goods, including soft goods and durables.

"Department stores, variety stores, all kinds of wearing apparel firms, and furniture stores are among the operations falling under CPR 7," Taylor pointed out.

There are record requirements for this type firm to maintain, and they, too, have a filing to do with the district office. The regulation requires that retailers of these type goods file pricing charts by categories with the district office. However, the deadline for filing these charts has been extended to May 30. The former deadline, which no longer holds, was April 30.

Ceiling Price Regulation 13 sets out the pricing procedures for gasoline service stations and retailers of petroleum products. New and used car dealers have definite pricing patterns, too.

Questions concerning all pricing regulations, records keeping, and filing procedures should be directed to the pricing division of the district OPS office if they cannot be answered by local chambers of commerce. Adequate supplies of applicable regulations also are available from the district office and will be called on request to those desiring them.

THE WAY OUT—Rookie umpires as well as rookie baseball players often get their break during spring training. Umpire Jim Duffy, at left, up from the American Association, received a few tips from veteran American League diamond arbiter Art Passarella at a Lakeland, Fla., training camp. Duffy imitates Passarella who demonstrates the way to call a runner out.

Group Here For Poff Service

A group of out of town relatives and friends were here Wednesday, April 18, to attend the funeral services of W. T. Poff.

These included Mrs. Bailey Worley, Parker, Arizona; Aubrey Poff, Mr. and Mrs. Coy Burton and Mrs. Ernest Flint of Tulia; Mr. and Mrs. Ewell Goswick and daughters, Wynell, Nila Jean and Ellene, Mr. and Mrs. Louis Haynie, and Mrs. Cecil Moore of Corsicana; Mrs. Roy Posey of Barry; Mrs. Juanita Baxter of Athens; Mr. and Mrs. Earl Nipper of Hereford; Mr. and Mrs. Earl Tolleson, of Ashtola; Clyde Algabright of Jacksboro; Charles Poff, Tulia; Mr. and Mrs. J. L. Poff and daughters, Bobbie Rea and Mary Gail of San Antonio; Mrs. Buck Judd of Amarillo, Mr. and Mrs. W. B. Sanders and Mr. and Mrs. A. T. Sanders of Levelland.

CARD OF THANKS

We take this means of expressing our deepest appreciation to our many friends for their expressions of sympathy at the illness and death of our husband and father, W. T. Poff.

Especially do we appreciate the beautiful floral offering, the food that was brought to our home and to the ladies that served the meals.

The many ways in which you expressed your friendship during our great loss and sorrow will always be remembered.

May God bless each of you.

Mrs. W. T. Poff
Mr. and Mrs. Bailey Worley
Aubrey Poff
Mr. and Mrs. L. E. Goswick
Mr. and Mrs. Ewell Goswick and family
Mr. and Mrs. W. C. Sanders and family
Mr. and Mrs. Arthur Belew and family

Mr. and Mrs. H. C. Terry are the parents of a daughter, Carolyn Sue, born April 28, 1951 in St. Joseph's Hospital. She weighed 5 pounds 14 ounces. Carolyn Sue's grandparents are Mr. and Mrs. Duard Scott and Mr. and Mrs. Joe Terry.

Janell Marie Holloway, daughter of Mr. and Mrs. Lloyd J. Holloway of Wheeless, Okla., was born in St. Joseph's Hospital in Clayton, N. M. Thursday, April 12. The baby weighed 7 pounds 1 ounce. Grandparents of Janell Marie are Mr. and Mrs. Charles Ross Moore of Clayton, N. M. and Mr. and Mrs. Lloyd Holloway of Wellington.

Mr. and Mrs. Phillip Wynn of Big Spring are the parents of a son, Marvin Alfred, born April 15, at that city. He weighed seven pounds and two ounces. The baby is the grandson of Mr. and Mrs. H. E. Wynn, who live between Wellington and Dodson.

Mr. and Mrs. Warren Cudd of Perryton are the parents of a son, Thomas Warren, born Sunday, April 22, and weighing seven pounds and fourteen ounces. The baby is the first grandchild of Mr. and Mrs. Tom Berry, and his mother will be remembered as Miss Betty Margaret Berry.

Mrs. Leonard Hoyt went to Amarillo Monday to be with her mother, Mrs. Blanche Long, on her birthday Wednesday, May 2.

Jerry Bollen, who is attending school at West Texas, Mr. and Mrs. Doc Taylor and children, Clifford and Faye, of Amarillo visited Mr. and Mrs. G. B. Hopper Sunday. Mr. Bollen and Miss Taylor are to be married here July 1 in the First Baptist Church.

Society

Tickets on Sale For Dinner May 9

Tickets are now on sale for the public dinner to be served in the fellowship center of the First Christian Church the night of Wednesday, May 9, Mrs. Archie Gray, wife of the pastor, announced this week.

The dinner will be prepared by the ladies of the church, and a cordial invitation is extended to everyone to attend.

Circle 3 of WMU Meets Monday

Circle 3 of the Women's Missionary Union met in the fellowship hall of the First Baptist Church Monday afternoon, April 23, with Mrs. N. W. Murray in charge of both the business session and the program.

Mrs. J. L. Hays read the minutes of the last meeting, after which Mrs. R. L. Porter gave the opening prayer. Theme of the program was "Pray Ye Therefore, The Lord of Harvest."

"Wanted: Me, Lord" was given by Mrs. Dick Isaacs; Mrs. Olan Lowe gave "Recruits"; after which Mrs. Gene Holloway gave "Take One Step At A Time." For her part of the program, Mrs. Murray gave "The Story Is Just Beginning." "Purposeful Living" was given by Mrs. J. L. Hays. Mrs. Rufus Sweat gave the closing prayer.

Present were Mmes. Hattie Clifton, N. W. Murray, R. L. Porter, Gene Holloway, McMinn, Dick Isaacs, Charles Motsenbocker, J. L. Hays, E. M. Fletcher, Olan Lowe, and Rufus Sweat.

Pvt. Umfress Dies in Oklahoma Car Accident

Pvt. Riley L. Umfress, 19-year-old soldier stationed at Sheppard Field, died at 3:00 a.m. Saturday, April 28, of injuries sustained in an auto accident two hours earlier near Randlett, Oklahoma.

He was the son of Mrs. B. C. Umfress of Wellington.

According to information from Wichita Falls, Pvt. Umfress apparently started to light a cigarette and lost control of the car he was driving, which overturned three times. His companion, also a Sheppard Field soldier, was uninjured.

Funeral services were held Tuesday morning, May 1, at the First Baptist Church with the Rev. Howard Jones, pastor, in charge. Military graveside rites were held. The Ellis Funeral Home was in charge.

Pvt. Umfress never lived here, although as a small child he lived at Twitty. For a number of years, the family lived at Bakersfield, California. His parents returned to Childress during the winter and around January 1 came to Wellington. Mr. Umfress died suddenly a few weeks later.

Pvt. Umfress enlisted in the Army at Los Angeles in March 1950.

Survivors, in addition to his mother, who lives at the Jenkins Courts, are a sister, brother and step brother, Mrs. Carl C. Barnes of Harlingen, Brice Umfress of Wellington, Mrs. Lena Shuway, Los Angeles; Mrs. W. C. Hoyles, Harlingen, Earl Umfress, Ago, Ala.; Clarence Umfress, Red Bay, Ala., and Jesse Stroud of Amarillo.

Feed Phosphate to the soil.

I Saw-

By VIRGINIA ROBEY

Dr. C. B. Jones asking a group, "Where do all you women go in the morning? I tried to call twelve of you the other day to get your opinion on the Wellington Concert Association drive and couldn't get a one of you. So I sent in my own notion to headquarters" . . . J. W. Laycock saying that even if the farm-to-market road west of Abra isn't finished, it's mighty fine. Monday, he didn't have to pull mud more than a mile to get to it, in fact, he can go anytime he wants to now.

•

Madge Jones — Mrs. Howard Jones if you didn't know her first name — urging members of the Music Club to come to Choral Group Practice to do some more work on the number they're to sing during music week . . . Mary Alston back after being in Dallas several weeks with her mother, who was quite ill.

•

Effie Lee Richards, who is getting the addresses of the class of 1920 for the alumni reunion, saying she lacked only one of having her entire class located, Alma Browning, whose father was a Methodist pastor here then. "It's unusual, but my class hasn't scattered like some of the classes have, and most of them are living not far from here," she said.

•

Betty Welch saying her husband, Bernice, still hospitalized after having one leg amputated, can now have company . . . and there's nothing he enjoys better . . . Mrs. M. J. Lowe saying she and Mr. Lowe are living in town for the first time since they were married.

•

Loring Campbell, a magician who appeared before the high school students Thursday, coming by The Leader to buy a copy of the History of Collingsworth County, which Deskins Wells wrote 26 years ago — and which is the only history of the county ever written. From Burbank, California, he explained that he is a collector of Southwestern books, and finds histories of Texas counties especially interesting. He'd heard of the Collingsworth County history for some time before getting here.

•

Mrs. Bill Reeves saying that by the time you graduate your second child from high school, you feel like you've graduated again yourself. She was picking up daughter Jerry's senior invitations.

CARD OF THANKS

We want to thank each and every person who was so thoughtful, kind and helpful during the illness and at the death of our beloved mother and sister, Mrs. Molton.

Your friendship and your help did much to cheer her during her illness and to comfort us at her going.

May God bless each of you.

Mrs. Ray Johnson, Gainesville
Athal Molton, Ozark, Ark.
J. H. Molton, Borger
Eugene Molton, Wellington
Arthur Molton, Bangs
Oscar Molton, Borger
Jim Casey, Savanah, Okla.
Mrs. Myrtle Hulse, Fort Smith, Ark.
Mrs. Emma Bush, Pampa

CARD OF THANKS

We take this means of expressing our deepest appreciation for the kindness shown by every one of our host of friends and neighbors at the death of our little son and grandson, Jack Wendell Ledbetter. We are especially appreciative to the Rev. Howard Jones for the splendid service held, and for the comfort he brought us.

May God bless each of you.

Mr. and Mrs. D. E. Royal and family.
Mr. and Mrs. A. L. Sorrells and family.

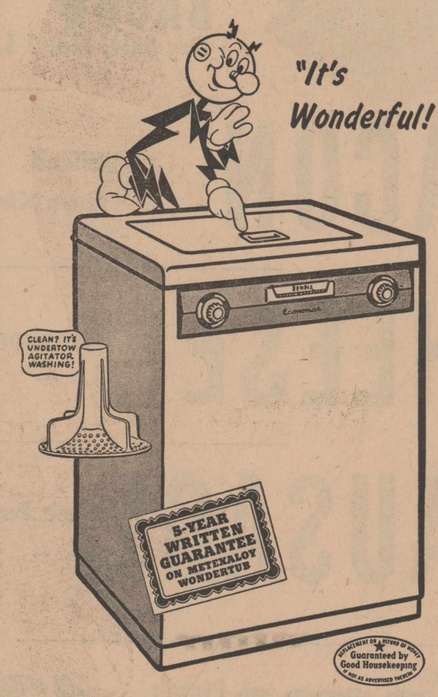

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks and appreciation to all of you who were so kind and thoughtful at the death of our son and grandson, Thomas Ervie McKinney.

Especially do we appreciate the beautiful floral offerings that was sent and the food that was brought to the home.

May God's richest blessings rest with each of you.

Mr. and Mrs. B. E. McKinney
Mr. and Mrs. R. L. Perdergraft
Mr. and Mrs. W. T. McKinney

The New 1951 BENDIX Economat Work-free Washer

with the exclusive RINS-SAVER that saves up to 56 gallons of water every washday

NO WRINGER! NO SPINNER! NO BOLT DOWN!

Washday is simple when you own a Bendix Economat Washer. You simply set the dial, add soap and clothes . . . and walk away! All the work is done automatically by the Economat. And when washed in a clean-water Economat, your clothes are washed *clean*.

Undertow Agitator Washing

The familiar agitator combines with Bendix's exclusive Wondertub to create an amazing new washing action. Clothes and suds are drawn deep into hot, cleansing undertow currents.

Floataway-Flushaway Draining

Heavy soil drains out the bottom; light soil rises to the top, and drains down through the hollow agitator. Dirty wash-water never filters back through your clothes.

Vacuum Drying

The wonder-working Wondertub (it's guaranteed for five years) gently extracts water from clothes. There are no deep creases, no broken buttons, and your hands never touch water!

You're invited to see the Economat today!

Deck's DIDACTICS

—By Deskins Wells

So you think we have been hurt by the dry weather. It is nothing as compared to what has happened in the Rio Grande Valley and along the Gulf Coast.

* * *

The King ranch in south Texas is moving more cattle than at any time in the last 30 years. Some 2,700 head have been shipped to pastures in Pennsylvania and Oklahoma. Some 5,400 will be on their way to other pastures in the next few weeks. The report says that it has not been since the drouth of 1917-18 that the King ranch has been forced to move this many cattle at one time.

* * *

On the other hand Bill Hughes tells me that the grass is fine on the Mill Iron in Collingsworth County following our recent rains. He says that it is not so good in parts of the range in Cottle and Hall; but he thinks it is looking good for this time of the year.

* * *

Most of the county had adequate moisture for this time of the year although there were some dry spots such as those in the Samnorwood area. But in the Shinnery section there was a spot that received 4 inches on Friday night and 4 inches on Sunday. Wellington had about 1.70 and some other sections ranged from 2 to 3 inches.

* * *

It is a good start. One of our principal rainy seasons ranges from April 20 to June 15.

* * *

There was water covering a lot of the farms and the sand was blowing at a destructive rate that made midday seem like eventide in the Quail area May 1. As far as I know, the Russians had nothing to do with this particular May Day event. May 1 is the Communists' day to celebrate.

* * *

It seems to me that Tom Crabtree and his community are going to have to practice more soil conservation or else his store and his more precious school will suffer more and more through the years.

* * *

And since soil conservation week is coming up, this might be a good time to reprint the prayer of an Indian Chief given at a recent conservation meeting. Here is is as printed in the Weekly Livestock Reporter:

* * *

Hear us, Oh Great Spirit in the Sky:

Our people are very old people. We lived in this land thousands of moons before the white man came. His way of life dffered from ours and for many seasons there was bitter strife between us. Now, there is peace, but the heart of the Red Man is sad for the White Man has destroyed many of nature's most bountiful gifts and has forgotten that all things come from Mother Earth and go back to her.

Our sons lived like their fathers and grandfathers. We did not make many things. Our poems and our stories were spoken but we did not record many of them on paper. Words of wisdom were spoken in the councils of our elders and our young men remembered.

We lived simply and near to the earth. In the voices of the earth and the running waters and the wind in the sky we heard the sayings of the Great Spirit who made all things and gave them to us. We lived happily in a land where grass and trees never failed for thousands of moons and where meat and skins were plentiful.

Sad were our hearts when the White Man made great wounds in the earth in his haste to take riches from the soil of our fathers. We were sad, for with the wisdom of a thousand moons we knew that when the water runs red or brown our land is losing its strength and out grass and trees wither. We knew that in a few short years the work of nature for thousands of years would be no more.

Oh Great Spirit, bring to our white brothers and to us all the wisdom of nature and knowledge that if her laws are obeyed this land will again flourish and grasses and trees grow as before. Guide those who through their councils seek to spread the wisdom of their leaders to all people. Heal the raw wounds in the earth and restore our clear and beautiful streams. Bring again the sparkling waters from our springs and restore to our soil the richness which strengthens men's bodies and makes them wise in their councils. Bring to all, the knowledge that great cities live only through the bounty of the good earth beyond their paved streets and towers of stone and steel. Amen.

CROP Film Here Wednesday Night

Two short films showing the work of CROP, the Christian Rural Overseas Program, will be shown at the First Methodist Church Wednesday night, May 2, beginning at 7:45 p.m., the Rev. Lester L. Hill, pastor, has announced.

The public is urged to attend.

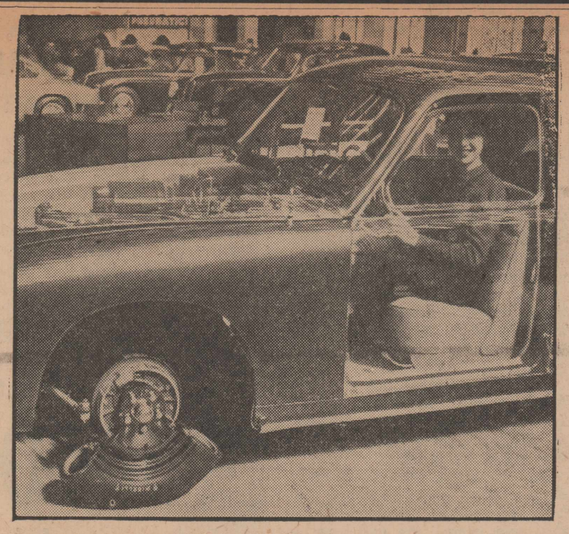

CROP is sponsored by the Church World Service, the Catholic Rural Life, and Lutheran World Relief.

Black Cats to Paducah Sunday

The Wellington Black Cats go to Paducah for their first out of town game Sunday, May 6, Earl Shamblee, manager, has announced.

In their second game of the season, played here Sunday, April 29, the Cats defeated Borger 10 to 7. This was their first win, having lost the opener to Hobart.

Mr. and Mrs. M. C. Cleveland were visitors in Holllis Monday.

TO GO WITH GLASS HOUSES—The transparent plastic doors and hood on the car, above, may not please those desiring privacy, but Italian producers of the auto can be sure they have something different, if nothing else. The vehicle was on display at an international exhibition in Turin, Italy. Seven countries participated, including Germany for the first time since World War II.

New Rural Surfaced Road Proposed

Road Group Optimistic Over Austin Meeting

A group of Wellington men, representing the county, city and Chamber of Commerce, successfully appeared before the State Highway Commission in Austin Thursday morning, April 26, in behalf of two road projects sought for the county.

These include the surfacing of a newly proposed road, four miles in length, extending from Highway 83 at the Allan Peters farm east to the Mill Iron pasture gate. The other project was the surfacing of the south half of Haskell Street.

Making the trip were Mayor L. B. Bratten; Jack Gibson, president of the Chamber of Commerce; City Manager Bura Handley; J. B. Stevenson, Duard Scott, Monk Leggitt, Dr. C. B. Jones, and commissioners Jack Brewer, Alfred Knoll, Pat O'Hair, anl Cortez Barnett.

Assisting them were the Hon. C. C. Small, Senator Grady Hazelwood and Carroll Lebough of Plainview, chairman of the House Farm-to-Market Road Committee.

D. C. Greer, State Highway Engineer, told the group that the commission had set up $9,900 to surface Haskell Street from 8th to 15th Streets. This will give an alternate route to the business section for those coming into town from the south and west.

The proposed new farm road would begin at the Peters farm 3 miles north of Wellington and would run due east. A petition bearing a number of signatures, which had been presented the Commissioners Court, was placed before the commission. It was pointed out that this is a school and mail route, and a way for all the people living in that area to get to the pavement.

The Commission told the local group that the road would come in the over-all program of the county and would be taken up in its turn. This of necessity would place it in a later program than the current one, but members of the Wellington delegation reported they were optimistic of securing it.

"Clint Small, who grew up in Collingsworth County and formerly practiced law here, was of great assistance to us, and when we tried to pay him for his work, he replied that he owed Collingsworth County more than he could ever repay," Mr. Gibson said.

Quail Chorus to Sing at Church

The Quail high school girls chorus will present a program of religious music at the First Methodist Church Sunday evening, May 6, the Rev. Lester Hill, pastor, has announced.

Directing the girls are Mrs Lowells and Mrs. Jack Davis.

One of the outstanding choruses of the lower Panhandle, the Quail girls have sung before numerous groups, both in the county and elsewhere.

The service will begin at 8:00 p. m., and will be from 30 to 45 minutes in length.

The public is invited to attend.

Mrs. Myrtle Ray visited her sister, Mr. and Mrs. Bob Miller, in Amarillo over the week end.

All Castor Bean Seed Distributed

The entire shipment of 20,000 pounds of castor bean seed allotted this county has been sold, Frank Kennedy of Quail, who was in charge, has announced. Of this, 14,000 was sold in Collingsworth County and the remainder in the area immediately surrounding.

This is sufficient seed to plant 2,500 acres, Mr. Kennedy said.

The seed was made available by the Baker Castor Bean Corporation of Oklahoma City, a unit of the Baker Castor Oil Company of San Diego, Calif.

Saied Assistant Explorer Advisor

Mack Saied Jr. has been named Assistant Explorer Scout advisor for Post 32, sponsored by the First Methodist Church. In this position, he will assist Henry Sullivon, Advisor, in the work with the boys.

His appointment was made with the Post committee, composed of Lester Smith, chairman, John Glasscock and Lawrence Warrick.

Explorors include the older group of Boy Scouts.

Mr. Saied was a member of the Boy Scout troop in Wellington for three yeors, where he did outstanding work. In Texas Tech, he was a member of Alpha Phi Omega, a national service organization for men, composed principally of former Boy Scouts.

OPS Official Here May 9

Price Specialist L. R. Shaddix of the district OPS Office will be in Wellington Wednesday morning, May 9, 1951 to assist business men of this area in complying with the federal pricing program, according to the local chamber of commerce. He may be contacted at the County Court Room. on that day.

Mr. Shaddix is a specialist in the Consumer Durable Goods branch of the Office of Price Stabilization, but he will be able to give information concerning other regulations, particularly the General Ceiling Price Regulation.

"Practically all business men, excepting those specifically removed by "tailored" regulations, are covered by the general ceiling price regulation," he said.

The OPS Office plans to have a price specialist here every Wednesday morning to assist businessmen of this area. Specialists from different branches will rotate in order to cover completely the regulations within the shortest time possible.

All businessmen are invited and urged to consult with the OPS representatives regarding specific problems.

Mr. and Mrs. Roy Calcote of Winters spent the week end with his parents, Mr. and Mrs. John R. Calcote, and family of Lillie, and his sister, Mr. and Mrs. Pate T. Lester and children of Quail.

Kiwanis Ladies Night May 10

Roy Bass, district lieutenant governor of Kiwanis International, will be the guest speaker ot the Kiwanis Club's annual Ladies Night Thursday night, May 10, Howard Oliphint has announced.

This event will be one of the highlights of the year for the club.

Edmond Schaded went to Amarillo Sunday to attend the concert of the United States Navy Band held at the City Auditorium there. Mr. Schaded said the concert was very good.

GREEN CHIROPRACTIC OFFICE

501½ 9th Street Just West of First Christian Church
PHONE 526 FOR APPOINTMENT

Things You Should Know ... About "Slipped Discs"!

While Chiropractors agreethat surgery may be desirable in extreme "slipped Disc" cases, there is a preponderance of evidence that "slipped disc" is a catch-all phrase often used to explain many back ailments, that in reality are cused by vertebral subluxation.

The outward symptoms of a "slipped disc" case and one which results of a vertebral subluxation (slightly displaced vertebra) are often the same. The Science of Chiropractic has specialized in the treatment of such spinal conditions for more than fifty years and has developed methods which have afforded relief to many "back-sufferers" without resort to surgery. This fact is attested to by the results of a recent nation-wide survey involving thousands of cases.

If you suffer from frequently recurring low back pain, which may extend into the legs or if you have been told that you have a "slipped disc", consult a Chiropractor and have him examine your spine.

The Chiropractors today are licensed by the State of Texas, and are required to meet high educational standards.

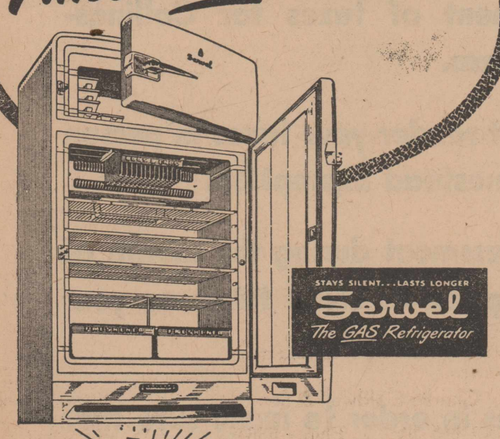

CAUSES

The three most probable causes of true rupture of a disc are:
1. Great traumatic force, such as a fall.
2. Pathological weakness of a disc resulting from deminished nerve energy supply.
3. A combination of the two above conditions.

GREEN CHIROPRACTIC OFFICE

Monday, Wednesday, Friday 10 A. M. to 12 Noon; 2 P. M. to 4 P. M.; 6 P. M. to 8 P M
Tuesday 10 A. M. to 12 Noon; 2 P. M. to 4 P.M., Saturday 10 A. M. to 12 Noon; Thursday & Sunday Closed.

Lord Jim Says--

By Bill Hughes

According to Henry Drummond "The Greatest Thing in the World" is love.

As he sees it "The Spectrum of Love has nine ingredients:—

Patience — "Love Suffereth long."

Kindness — "And is kind."

Generosity — "Love envieth not."

Humility — "Love vaunteth not itself, is not puffed up."

Courtesy — "Doth not behave itself un-seemly."

Unselfishness — "Seeketh not her own."

Good Temper — "Is not easily provoked."

Sincerity — "Rejoiceth not in inequity but rejoiceth in the truth."

He also said, "We hear much of love to God; Christ spoke much of love to man."

I propose to you the thought that not love to God alone but love to man is mankind's basic hope of peace on earth, the only real foundation upon which a United Nation can succeed.

Measure your love honestly against this spectrum and that will give you an idea of how very far we have yet to go to win the peace; and how very limited are the powers and capabilities of the United Nations today.

Its beginning is a step in the right direction, but out of sheer necessity created by reality we must see and understand its limitations for they are no different than those of a new born baby. Man never has and never will give birth to anything that arrives in this world full grown, physically strong, mentally matured, fully experienced, with all the wisdom of the ages at its command and perfect love in its heart.

I ask you in the name of just plain common "horse sense," how many of you are willing, how many of you have ever placed the burden of your labor and the security of your lives into the hands of a five day old child? If you did so would you expect to survive and succeed, and what would it do to the child? Think about this, because it is fundamental in the issue that we are debating so strenuously today.

Former Resident Gets FHA Degree

Sue Watts, daughter of Mr. and Mrs. J. D. Watts and a Senior student in Childress High School, was notified Friday that she has been recommended for the State Degree of Achievement. She will receive the award at the state convention in Fort Worth on the afternoon of May 4.

Miss Watts, who formerly lived here, is the granddaughter of Mr. and Mrs. J. W. Watts.

The presentation ceremony, at which time the honor will be awarded to several Texas high school girls, will be held in the Will Rogers Coliseum.

The award is presented by the state committee of the Future Homemakers of America, to a student who has done outstanding work, not only in her school, but in her community. Before she is eligible for the award, a student must have received the Junior and Chapter degrees.

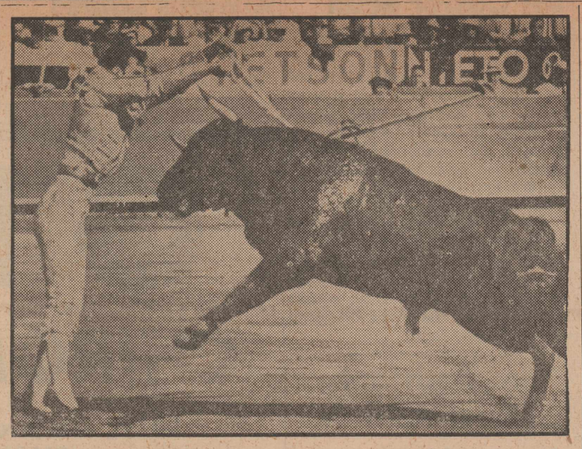

A Senior student in Childress High school, Miss Watts has had four years of homemaking. She is the president of the local chapter of the FHA. She was chosen for the state honor because of her leadership, ability and dependability in her school and home.

NEW CARS AND TRUCKS

Purchasing new cars and trucks this week were:

Wesley Wauer, Route One, City, Dodge 4-door sedan; R. S. Green, Memphis, Chysler 6 passenger coupe; E. H. Dodson, Dodson, Dodge coupe; William L. Smith, City, Oldsmobile coupe, J. M. Morgan, Jr. Dozier Route, Shamrock, Chevrolet deluxe sedan; John E. Norman, Jr.. Route Five, Pontiac 4-door sedan; Frank Turley, Route Three, Ford 2-door sedan; Bill Owens, Dodson, Ford 2-door sedan; Ermer Lineburger, Route Three, Shamrock, Bel Aire Chevrolet; J. D. Throckmorton, Dozier, Plymouth 4-door sedan; H. O. Carter, City, Chevrolet 3-4 ton pickup.

Cotton farmers are urged to apply now, through organized groups, for the free classing and market news services offered under the Smith-Doxey Act.

THROWING THE BULL—Carlos Arruza recently set a world record in bullfighting by killing ten bulls in one day. Traveling by plane, he accomplished his record in three cities, killing three bulls in Mexico City, three in Morelia and four in Acapulco. Arruza, above, sinks his banderillas into the animal's shoulders as it lunges He then speedily sidestepped to avoid those horns.

"Kim" a Picture For Adults as Well as Children

Errol Flynn, having recently spent three months in India for Technicolor filmization of Rudyard Kipling's "Kim," at the Ritz Theatre Wednesday, Thursday and Friday, May 9, 10, and 11, is one motion picture star who knows from experience that today's Hollywood has no boundaries, thanks to the telephone and the airplane.

Illustrating his point, Flynn reveals that less than a week after Victor Saville boarded a plane in Hollywood, he was directing principals of the cast of "Kim" on the main streets of Delhi.

"While we were hopping from one province to another," says the actor, "filming on the actual sites described by Kipling, another location company was making a 5000-mile safari in Africa for 'King Solomon's Mines.' And, like us, they were only a few minutes from the studio by phone. This convenience, incidentally, proved somewhat inconvenient to our producer, Leon Gordon, who once was routed out of bed at three a.m. because of the time difference!"

Flynn was particularly impressed at the welcome given the Hollywoodites, and tells of an incident in which he was invited to visit the Maharajah of Mysore.

"Before being admitted to the Throne Room," he relates, "I was coached on how to enter, where to stand, how to bow and, above all, when to leave, for no one stays longer than ten minutes. For the first few minutes, conversation was slow and difficult. Then we got started on film talk. That did it. It turned out the Maharajah was an ardent Red Skelton fan. He actually knew more about films and had seen many more than I had in his own projection room in the heart of the Mysore jungle!"

Flynn, who was supposed to leave after ten minutes, remained for two hours. He noted a similar reaction when the "Kim" company lived in the royal palace at Bundi, where many of the picture's spectacular outdoor scenes were filmed.

"We were honored to be taken in as guests," says the star, "but Prince Peter, aged twelve, and the Princess, whom we nicknamed Kitten, treated us like visiting royalty."

When Flynn returned to Hollywood, he promptly mailed the Prince and Princess cowboy outfits complete to junior-sized ten-gallon hats, six-shooters, holsters and spurs.

"The acoustics of the palace," he says, "will be ideal for a few Western 'Yippees!' "

Twenty-five percent of the land owners in Texas hold less than two percent of the land; on the other hand, 20 percent of the owners hold 80 percent of the land. These are findings from a recent study, "Ownership of Farm Land in the Southwest."

News of Men in Service

Lloyd L. Wilkins, TESA, U. S. Navy, son of Mr. and Mrs. T. B. Wilkins, is here on a 10-day leave, after completing a Class A Teleman School at San Diego, Calif.

After the completion of his leave, he will be stationed at the communication station at Pearl Harbor.

Mrs. R. S. Montague of Wellington talked with her son, First Lt. R. S. Montague Jr., who was in Tokyo, Japan, by phone Friday night, April 27.

Lt. Montague, who has been in Korea since late September, had been returned to Tokyo for a five-day rest period. He had been on the front lines of the Korean fighting since March 18, and he told his mother that the Chinese Communists had nick-named his unit the "Ridge-Runners," because so much of their fighting was done on the ridges and hills. He added that he had the best fighting platoon in action.

Under the rotation program, Lt. Montague told his mother he would be eligible to come home probably in May or the first of June.

Mrs. Pearl Hill visited with friends in Fort Worth, where she formerly lived, last week.

Lowry With ENMU Students Honored

PORTALES — Nearly 50 students and faculty members of Eastern New Mexico University will leave Saturday morning, April 28, for Ruidoso where they will participate in a four-day "Leader's Retreat."

The group will convene at Navaho Lodge to discuss problems which have arisen on the campus during the year and to work for better campus programs and faculty-student relationships.

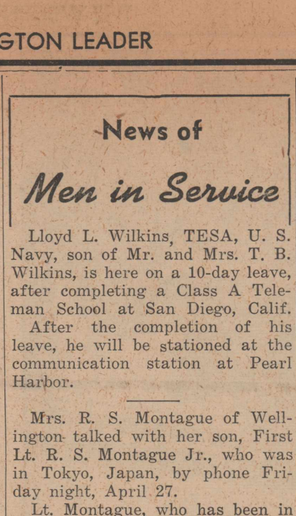

Students from various campus organizations have been chosen to participate in the retreat. In addition, the entire council of the Associated Students will participate.

The committees and the students taking part in the discussions include Royce Lowry, son of Mr. and Mrs. Possum Lowry, Lutie.

Denzil Bevers Studt. Bar Officer

AUSTIN — Denzil Bevers of Wellington has been elected vice-president of the University of Texas Bar Association, a student branch of the State Bar of Texas.

Bevers, a law student, is the son of Mr. and Mrs. John Bevers.

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"

says Arnold B. Bangerter, Jr. Owner, Radio Cab Company Salt Lake City, Utah

"Since I changed my 14 cabs over to Conoco Super, I've cut oil consumption almost 50 per cent. With at least 85,000 miles on each, there's no sign of needing new engines yet!"

"It's a pleasure to have satisfied customers, thanks to Conoco Super," says Walt Winters, Chrysler-Plymouth Dealer, Westside, Iowa. "My customers depend on my judgment about the oil to use in their cars, and Conoco Super is the one I recommend."

"When I purchased my new Pontiac, I put in Conoco Super," says Melvin L. Beyer, Traveling Salesman, Pampa, Texas. "I average about 4,000 miles a month and Conoco Super has given me the best of service—even helped to increase the miles per gallon of gasoline."

"50,000 Miles-No Wear!" Proved Here:

After a 50,000-mile road test, *with proper crankcase drains and regular care*, engines lubricated with new Conoco Super Motor Oil showed *no wear of any consequence:* in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super can keep your new car *new.*

Save Your Soil

And Your Soil Will Save You

Hold on to your topsoil. In those precious few inches lies the whole wealth of Collingsworth.

Case is Best For Conservation Farming

In these days of high farming costs, you want a tractor and implements that are sturdy and will hold up on the long pull. Case is the tractor for you. For performance and long wear, there is no better machine on the market.

In Texas Soil Conservation Week, we extend sincere congratulations to every farmer in Collingsworth County who is employing soil-saving methods—for saving the soil is the business of everyone of us.

J. E. Warrick & Company

HOMESTEAD EXEMPTIONS

I am now making 1951 assessment of taxes for Collingsworth county and the State of Texas.

The law provides that you must render your taxes in person if you wish to claim credit for Homestead Exemption.

We urge you to make your assessment during the month of May in order to secure this exemption of state taxes on your Homestead.

Please call at one of our offices in order to make sure that you have proper credit on your homestead for your taxes of this year.

Hubert Mauldin

Tax Assessor and Collector, Collingsworth County, Texas

DR. H. H. BENNETT REMAINS WITH SCS PAST RETIREMENT AGE

Retention of Dr. Hugh H. Bennett, chief of the Soil Conservation Service, past his retirement date was announced today by Secretary of Agriculture Charles F. Brannan.

Dr. Bennett has been with the U. S. Department of Agriculture since 1903, as soil chemist and soil surveyor, and as chief of the Soil Conservation Service since its establishment in 1935. He was on loan to the Department of Interior from September 1933 until March 1935, where he organized and headed the Soil Erosion Service before its transfer to the Department of Agriculture as the renamed Soil Conservation Service.

The veteran of nearly 48 years' service in the Department was 70 years old on April 15.

In announcing Dr. Bennett's extension, Secretary Brannan said: "Particularly today, when agricultural production is so important in the mobilization program, Dr. Bennett's long experience is invaluable. His continued services will contribute greatly to the further advancement of soil and water conservation, which is so important in the mobilization of our agricultural resources."

Dr. Bennett has been a soil conservation advocate and leader since shortly after he graduated from the University of North Carolina in 1903 and entered the old Bureau of Chemistry and Soil as a soil chemist. He turned a temporary assignment to field duty into permanent field work. It took him eventually into most of the agricultural counties in the United States and on special assignments to Cuba, Alaska and Central and South American countries.

His specific interest in soil conservation dates back to 1904, when he concluded, during a soil survey of Appomattox County, Virginia, that accelerated, or man-made, soil erosion had been an important farm problem since the days before the Civil War. He built up a supporting background of information through subsequent surveys and observations over the country, which he presented at every opportunity in publications before Congressional committees and otherwise.

Largely on the basis of Dr. Bennett's recommendations, Congress in 1929 authorized setting up 10 erosion control experiment stations in cooperation with the States in representative agricultural areas. They carried on studies of the causes and effects of water and wind erosion, and methods for its control. When the Soil Erosion Service was created in 1933 to demonstrate soil and water conservation methods on actual farms and watersheds in erosion control projects, Bennett was named to head the program.

He continued as chief of the renamed Soil Conservation Service when it was transferred to the Department of Agriculture, where it became a permanent agency under the Soil Conservation Act of April 27, 1935.

Dr. Bennett has traveled into various parts of the world since that time, to consult and advise on soil conservation problems. He is the author of various books and other publications on the subject of his life-long work, and holds many awards for distinguished service in the conservation and related fields.

ROUNDUP

By THELMA WAYNE JOHNSON

Mr. and Mrs. Carr Scott spent Thursday with Mr. and Mrs. J. T. Scott and son.

Mrs. Kenneth Strickland of Wellington was a guest of her uncle and aunt, Mr. and Mrs. Jim Light, recently.

J. T. Scott reported that he saw Grady Williams of Mobeetie recently. The latter said his father, J. H. Williams, is quite ill in the Shamrock hospital. He is also almost blind in both eyes. Mr. and Mrs. Williams came here from Eastern Oklahoma in the fall of 1923 and lived in this community until 1939. They lived at Aberdeen until 1948, when they moved to Wheeler county. Mr. Williams was 80 years old March 16.

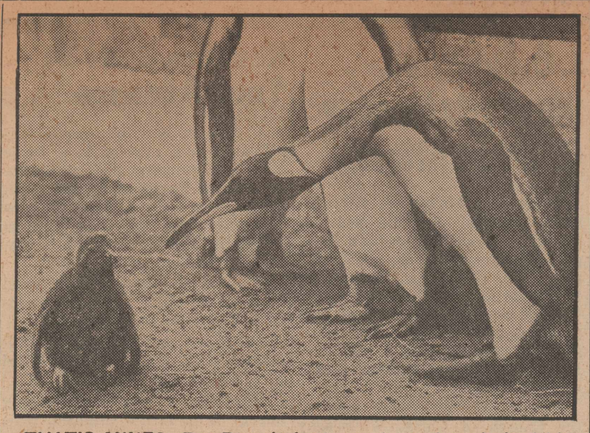

James A. Hall, Junior Hale and J. T. Scott have one-wayed their land.

Grass in this section looks pretty green now, but the wheat needs more rain badly.

Rev. and Mrs. Bill Hankins of near Luckenback spent Tuesday and Wednesday with her parents, Mr. and Mrs. G. M. Thompson and other relatives. They have adopted a little girl.

Mr. and Mrs. Elmer Smith are getting ready to have their house torn down and rebuilt into a new five room house.

Mr. and Mrs. Erman Waller and son of San Jon, New Mexico, were guests last Sunday of his mother, Mrs. E. Smith and brother, E. R. Smith of Wellington, and his sister and brother, Mrs. Nathan Thompson of Samnorwood and Elmer Smith of Aberdeen.

THAT'S MINE?—Pop Penguin bent over for a closer look at his new-born son at the London Zoo, but wasn't convinced that it was his offspring. As the little fellow took his first steps, his Daddy couldn't help but wonder how any self-respecting Penguin could permit himself to be seen in a scraggly dark suit instead of a tuxedo.

Mrs. Wesley Ammons spent last Saturday evening with Mrs. John Webb and Mrs. Jodie Sanders of Wellington.

Mr. and Mrs. Mish Dukeminier of Wellington have built two more rooms onto their lodge near here.

Ill this week are Dorothy Roberson, who has mumps, and her brother, Junior, who has measles. They are the children of Mr. and Mrs. Elmer E. Roberson.

Mr. and Mrs. John H. Deger attended a family reunion in South Texas last week.

Miss Waunetta Johnson of Amarillo spent the week end with her parents, Mr. and Mrs. Wayne Johnson and other relatives.

Mr. and Mrs. Russell Marsh have received word from their son in service, Pvt. Jasper Edwin Marsh, RA 18389826, Btry. AFTS, FAFPB, 5th Armd. Div., Camp Chaffee, Ark. He would like for his friends to write to him.

Mr. and Mrs. Glenn Moody, along with Mr. and Mrs. Eugene Young and Odis Bradley of Samnorwood, spent last Sunday with Mr. Bradley's brother, Mr. and Mrs. H. Bradley and son, Harshey Ray, of Duncan.

Mr. and Mrs. William Sheffield and children and Mr. and Mrs. Jewel Sheffield and daughters visited during the week end with relatives and friends at Atoka, Oklahoma.

Miss Alma Leta Clement and Miss Mildred Johnson visited last Sunday with the former's brother, Mr. and Mrs. Ed Clement and family of Borger.

Julia Plunkett is now attending a beauty school in Amarillo. She is the daughter of Mr. and Mrs. Robert Plunkett.

Misses Betty Patton, Bonnie Simmons, Florence Johnson, Ramona Johnson and Iona Johnson of Amarillo and Mildred Johnson left Thursday evening for Nashville, Tennessee, to visit. While there they will attend the Grand Ole Opry.

Revival services sponsored by the Assembly of God, started at the Needwood school April 15. Services are held at 7:30 p.m. each evening. Rev. Clyde Martin of Wellington is doing the preaching.

Wayne Johnson spent a while Saturday night with his father, Warren E. Johnson in Wellington.

Real Estate Transfers

Robert L. Williams and wife, Frankie, to Webb Washington, all of lots 12, block 62, City.

H. L. Lowrie and wife, Roxie, to E. W. Fain, all of a tract out of the northeast one fourth of section 3, block 16.

O. C. Cook and wife, Darline, to F. O. Masten, all of the south 30 feet of lot 3, and all of lot 4, block 4, E. W. Cocke addition, City.

Mr. and Mrs. Gordon Adams of Amarillo spent the week end with Mrs. O. O. Adams.

Soldier Promoted To Pfc. in Korea

APO 301., 1 April, 1951, Glen Honeycutt of B Company, 194th Engineer Combat Battalion, son of Mr. and Mrs. Andrew L. Honeycutt of Dozier, Texas, has been promoted to the grade of Private First Class.

Before his entry in the Service on 22 September, 1950, he attended school at Samnorwood, Texas. He farmed near Wellington, Texas before entering the service.

The 194th Engineer Combat Battalion of which he is now a member is a National Guard Unit of the U. S. Army, fhich was inducted into the Federal Service from Oak Ridge, Tennessee. The unit is now serving in Korea.

Peggy Langford on TSCW Staff

DENTON — Miss Peggy Jean Langford of Wellington has been selected as a member for the Daedalian Annual staff for the 1951-52 session at Texas State College for Women. She will be business manager.

Daughter of Mr. and Mrs. Frank Langford, Miss Langford is a sophomore journalism major and is now circulation manager of the Daily Lass-O, college newspaper.

LUTIE

By MRS. JACK LOWRY

(Intended for Last Week)

This vicinity received light showers Friday, some moisture is very much needed at this time. A number of farmers have already plowed up some wheat in preparation to planting row crop.

Mrs. J. W. Banks is receiving treatment at this time in the hospital at Wellington.

P. M. Simpson went Saturday to Amarillo to visit for a few days with a niece, Mr. and Mrs. Leonard Larson.

Mr. and Mrs. Louis Maddox and Mrs. W. B. Maddox of Breckenridge are here for a few days with Lewis Maddox, father of Mr. Hyman and children. The Maddox are former residents.

Mr. and Mrs. Bill Simpson and daughter of Amarillo were here over the week end with friends and relatives.

H. L. Lowry returned Sunday from Glenrose where he had been for two weeks taking treatments.

SO LONG AS MEN SHALL BUILD HOMES UPON THE LAND, DEEP-ROOTING THEIR CHILDREN TO THEIR NATIVE SOIL, NOT WIND NOR GALE SHALL TEAR THEM LOOSE AGAIN

Through good times and bad, through periods of war and unrest; in times when some have seemed to falter in their beliefs, the men and women of Collingsworth soil have gone steadily forward, firm in their faith in their community, knowing that as surely as the sun shall rise, the precepts which have made us great shall endure.

Now, they are engaged in a struggle to maintain the topsoil of the land and having won, will go on to even greater accomplishments, helping feed, clothe and support the world, earning and deserving the gratitude of all of us, who because of the foresight of these farmers, are living in a land of plenty.

We have pamphlets on Soil Conservation that we will be glad to give to anyone who is interested.

Something greater than "One Foot In Heaven" or "Stars In My Crown" is here. The story of a circuit-rider preacher and, even more, the story of his lovely radiant wife, has been filmed with dramatic authority. Technicolor has made this picture, in its field, the finest ever made. The scenes are laid deep in the Red Hills of Georgia. Here is a down-to-earth portrayal of a fated period of life of a courageous "Just-Married" couple who lost themselves in service to their fellow man, but found-the abundant life.

County Boys to Market Project Show Animals

The market study tour of the F. F. A. and 4-H boys of Collingsworth County to Oklahoma City is to get underway Sunday, according to O. L. Christie, vocational agriculture teacher at Samnorwood, who is in charge of making arrangements for the tour. Any boy who showed in the Collingsworth county Project Show held on April 7th will be eligible to go on the tour. The transportation of the boy and his market animals will be paid by the local Chamber of Commerce. Various farmers organizations of the county have contributed to a fund to pay most of the room expenses while the boys are there.

The group is to leave at 11:00 a.m. Sunday, May 6. The animals are to be shipped by truck and the boys will go on a school bus. These arrangements have been made by the transportation committee, which is composed of Willie Knoll, Jim Clark and Zook Thomas.

It is expected to arrive at the Oklahoma City Stockyards about 4:00 p.m. Sunday. At this time the animals will be consigned to the commission firms. Following this the boys will be briefed on the activities while at the stockyards. On Monday, May 7th, the day will be spent in watching the animals sold and studying the activities of the stockyards. On Tuesday the boys will go to the packing houses to observe their activities.

It is planned to have the animals slaughtered and the carcasses graded of the animals that the boys sell on the market on Monday. It is hoped that the boys will be given an opportunity to learn of the activities and functions of the stockyards and packing houses. As a result of this effort it is expected to help the boys understand more about the feeding and marketing of livestock.

Tenant Farmer -

(Continued from Page One)

for the past seven years on an annual basis. For the last three years he has operated a 160 acre farm belonging to J. B. Williams and a 160 acre farm owned by Robert Posey. This year he added another 110 acres owned by Mr. Posey.

Mr. Berry got him started on soil conservation six years ago, Mr. Hall says, and he put in a system of terraces. He later found they were not put in correctly, but nevertheless, he got a considerable increase in crop yields over similar land that was not terraced. Three years ago he began working with the Salt Fork Soil Conservation District and receiving help from the Soil Conservation Service. The entire system was redone, this time correctly.

Mr. Hall then terraced the Posey quarter section. The 110 acre place which he is farming for the first year was terraced when Mr. Posey bought it, but Mr. Hall built these up during the winter. He now has completely terraced 430 acres of farm land and intends to terrace the Williams quarter next year.

But one remarkable point in all this is that except for the PMA payments for terracing and $160 paid by Mr. Posey, Mr. Hall has paid for the work himself — more than $1,000 in cash. He considers it was a good investment.

Terracing is not his only soil conservation practice. Crop rotation comes in to his plans, although this is always worked out in accordance with the landlords' wishes.

Results of all this soil conservation work were shown graphically last fall when cotton opened. On 57 acres of terraced land, Mr. Hall harvested 41 bales. On 48 acres of unterraced but similar land, he raised only 17 bales.

"There's no other way to account for it," he commented.

Tenant farming has its drawbacks, even to a renter like Mr. Hall. He keeps fences, barns and other outbuildings in better repair than most renters, but non-ownership of land practically prohibits building of permanent structures or house remodeling. He would like to raise more alfalfa and other legumes, for soil building, but the present high price of cash crops makes this undesirable to owners.

Mr. Hall has mechanized his farming in every way possible, and now has around $12,000 invested in farm machinery. He uses one hired hand full time and another part time, in additional to seasonal labor during cotton chopping and cotton pulling.

Mr. Hall was born in Fannin County and came with his family to Collingsworth County 26 years ago.

The land that he farms is good to look at, even in an unfavorable year. He's making money for himself and the three men who own the land he works. And Joe Grigg, who has a hand in all this too, comments,

"Now he automatically terraces every piece of ground he gets his hands on."

Jack Ledbetter -

(Continued from Page One)

1:30, shortly after the family had finished dinner, and the small grandchildren of Mr. and Mrs. Sorrells were playing around a two-wheel trailer in the yard, Mr. Sorrells said. In some manner the tongue of the trailer came down, striking the little boy on the back of his head, fracturing his skull.

He was rushed to St. Joseph's Hospital for treatment.

Funeral services were held Friday at 3 o'clock at tht First Baptist Church, with the Rev. Howard Jones officiating. Pall bearers were Charley Francis, J. Henry Ford, Tolbert Painter and Gene Winters. Flower bearers were Nancy Ellis, Ferna Faye Royal, Janie Sue Sorrells, Jackie Powers, Mary Nell Birchfield, Doris Sue Painter and Jimmie Ford. Burial was in the Wellington cemetery under the direction of the Kelso Funeral Home.

Jack Wendell was born here December 7, 1948.

Surviving are the mother and step-father, Mr. and Mrs. Royal; two sisters, Sharon Kay Ledbetter and Clarice Louise Royal; the grandparents, Mr. and Mrs. Sorrells and Mr. and Mrs. S. C. Ledbetter of Wellington; and the step grandparents, Mr. and Mrs. C. W. Royal of Dodson. The child's father, the late Jack Ledbetter, was killed in a traffic accident in Amarillo in September, 1948.

Rockets in State League Meet Events at Austin

Two Skyrocket athletes will enter the state Interscholastic League Meet at Austin this week end, Coach Maxey McKnight said.

Seldon Wood will compete in the 100 yard dash and the 220 yard dash, and Virgil White will compete in the high jump.

These two men competed in the invitation Sandie Relays at Amarillo Saturday night, when only those who are qualified to enter the state meet took part.

Seldon Wood placed first in both 100 and 220 yard dashes, and also received the Outstanding Competitive Award. White placed third in the high jump.

All classes of schools competed together, including AA, A and B schools.

Coach Maxey McKnight will accompany the two boys to Austin, leaving Thursday morning.

Soil Conservation-

(Continued from Page One)

road from Marella to Dozier. Mr. Tollett had his pasture mowed of sage brush last summer, and while the full effect will not be seen until this fall, there has been time enough to see an improvement.

Mr. Wischkaemper is one of the best known clover growers in the area. His fields vary in age up to five years, and he sold considerable seed during the past season. Mr. Wischkaemper and his father, A. F. Wischkaemper Sr., planted sweet clover to kill Johnson grass and build the fertility of the land. They believe it has successfully done both, and in addition seed washed down into a creek bed is providing permanent pasture.

The Knoll and Barnett farms northwest of Nicholson join. Originally one place, these farms were classified as worn-out when the present owners bought them. Their terrace systems are considered by the county agent and the Soil Conservation Service as outstanding.

The last stop will be at the Tindall farm in the north part of the county. Mr. Tindall, who lives in Shamrock, planted some 11 or 12 acres of smooth brome grass two years ago. It is pointed out that this is an experimental plot. So far as is known there is none other in the county. Mr. Tindall is simply trying to see if the crop will grow sufficiently in this section of the country to pay for further plantings. It is not generally considered adapted to this area.

Brome grass comes out early in the season and grows until late fall. The seed resemble oat seed.

Music Week -

(Continued from Page One)

will officially open music week with a short talk. A discussion of music will be given by Mss Katherine Boverie. The choral group will sing two numbers during the afternoon, "America, The Beautiful," and "Battle Hymn of the Republic."

The Four F's, James Frederick LeDerer, Fred Alexander, Fred Saied and Phil Handley, will sing two variety numbers. Mrs. Darvin Nix and Mrs. Argie Jones will give a piano duet, "Deep Purple," and Mrs. Kelly Pigg and Mrs. Frank Anderson will give "Blue Danube" as a two piano duet.

Benny Karnes, student in North Texas State College, and one of Wellington's most talented younger musicians, will be presented in a concert Monday night at the First Baptist Church. The program opens at 8:00 p.m.

Karnes is the son of Mr. and Mrs. R. L. Karnes of Houselog.

The first part of his program will include "Toccata in E Minor" Bach and "Sonata, Opus 10, No. 3," Beethoven.

Following a short intermission, Mr. Karnes will play "Rhapsody in B Minor," Brahms; "Etude, (Harp Etude) Op. 25, No. 1," Chopin; and "Premiere Ballade," Chopin.

Tuesday is Chorus Caravan Day for the choruses of three schools, Elizabeth Nixon junior high, Amarillo, Wellington high school and Quail high school.

The group will sing at Quail at 10:00 a.m. and at Wellington at 1:00 p.m. During the afternoon, they will sing at other schools in the county.

Tuesday night will feature the Wellington High School A and B bands and the high school chorus in a program at the high school auditorium, beginning at 8:00 p.m. The program has not been announced, but Rufus Johnson, band director, said that numbers new to this group are being worked up, and that several selections on which the band and chorus have won honors in interscholastic league and festival contests will be included.

On Thursday night, May 10, the county music festival is scheduled, with students from all schools taking part.

The Harmony Club of Memphis, a group of approximately 25 voices, will sing in the closing program of music week.

Mrs. Johnny French, Sr. spent the week end in Lubbock with her son and family, Mr. and Mrs. Johnny French, Jr. and daughter, Randy Eve. Mr. French will receive his master's degree from Tech in June and the family will move to Borger where he will be employed by the Phillips Petroleum Co. as a chemist.

J. O. Finley, 68, Dies Early Monday Of Heart Attack

James Otis Finley, 68, Collingsworth resident for the past 35 years, died at St. Joseph's Hospital Monday, April 30, about 6:00 a. m. Mr. Finley had been in ill health for approximately six years, but his condition had been as well as usual until Sunday night when he was stricken with a heart attack. He suffered another attack early Monday.

Funeral services were held at the Church of Christ Wednesday morning at 10:00 a. m., with Minister Paul Lusby, pastor, officiating. Pall bearers were Carl Estes, Frank Thomason, L. A. Gilmore, Rufus Hays, Claude Killingsworth and Osa Black. Burial was in the Wellington cemetery under the direction of the Ellis Funeral Home.

Mr. Finley was born July 26, 1882, at Ridgeway, near Sulphur Springs, ond at the time of his death was 68 years, nine months and days of age. He grew up at Ridgeway and he and Mrs. Finley were married there. They would have observed their 50th wedding anniversary June 23.

Both at Ridgeway and after moving to this county, Mr. Finley farmed, although he retired from active work several years ago.

He had been a member of the Church of Christ for forty years. Widely known over the county, he had a host of friends through this section.

Surviving are his wife of Wellington; and seven children, Mrs. E. R. Robinson and Mrs. Frank Dodson of Perryton; Mrs: J. C. Berry of Corpus Christi; Earl Finley and J. T. Finley of Wellington; Mrs. Joe Newman and Leon Finley of Oklahoma City. Other survivors are 19 grandchildren, 21 great grandchildren, and one sister, Mrs. Ada Ross of Sulphur Springs.

Handley Speaks at Waco Meeting

City Manager Bura Handley was one of the speakers on the program of the spring meeting of the City Managers of Texas, held at Waco from Sunday night, April 29, through Tuesday, May 1. Mr. Handley spoke Tuesday.

This meeting is in the nature of a workshop and was attended by city managers from all parts of the state.

Reunion Ends 34 Year Absence

A reunion here of special significance was that of Mrs. Susie Holt of Wellington and her brother, Eugene Payne of Fresno, California, who Friday, April 27, saw each other for the first time in 34 years. The two did not renognize each other on meeting.

Mr. Payne remained here until Monday morning, when he returned to his home in California.

Their last meeting was in Dallas when their father was killed in a cement plant accident.

Mr. Payne was able to see only one of Mrs. Holt's children, Mrs. Roy Hardin of Hollis, and that was by coincidence. Mrs. Hardin, suffering with ear-ache, came to Wellington to see a doctor, and also got to see her uncle for the first time.

Sid Clark -

(Continued from Page One)

life or the part he had to play in the development of the area unusual, but his sturdiness, his honesty and integrity in his business dealings was of that pioneer type that contributed strength to the area.

Support to the development of the schools, churches, and other community enterprises were a part of Mr. Clark's life.

He remained active and his interest in his ranching activities, as well as what went on in wider spheres did not fail. It was only in recent years that he did not ride horseback daily over his holdings.

Funeral services for Mr. Clark were held at the First Methodist Church in Hollis, Sunday afternoon, with the Rev. Wilford Jones, pastor, in charge. Pall bearers were Jake Lawrence, Cliff Campbell, Tom Campbell, Frank Campbell, Raymond McCurry, Wilbur Bilbrey, Hilliard Scott and Tom Darnell.

Honorary pall bearers, a few of them friends from his earliest days in the Panhandle, included Jobe Darnell, Tom Ratliff, J. C. Gambell, Ross Cox, Carrol Scott, Harry Brock, Virge White, Ross Bennett, Ed Bennett, Herman Reeves, Jap Coursey, R. D. Miller, Tom Darnell, George Campbell, J. M. Coley, L. E. Stinson, all of Hollis; Elmore Dodson, Hugh Painter and Hilliard Scott of Dodson; Emery Sager, Henry Hankins, and Tom Hardin of Childress, Glenn Putman of Altus, Al Walker and Zerl Lowe of Mangum, and L. C. Hill of Wellington.

Hoffman Infant Buried Sunday

By MRS. E. L. RANKIN

Funeral services were conducted Sunday afternoon from the Church of Christ for the infant son of Mr. and Mrs. Roy Hoffman. Services were directed by Minister Darnell of Borger. Burial was in the Dozier cemetery.

The baby was born Thursday, April 26, in the Shamrock General Hospital and was given the name Albert Marcos. He passed away nine hours after birth.

Survivors include the parents, Mr. and Mrs. Roy Hoffman; a brother, Roy Allen; a sister, Mollie Ann; and the grandparents, Mr. and Mrs. Albert Montgomery of Amarillo and Mr. and Mrs. Marcos Hoffman of Dallas.

Burial was in the Hollis cemetery under the direction of the Ellis Funeral Home.

Mr. Clark is survived by his wife; three children, Granville Clark of Arlie, Mrs. G. W. Charlton of Shreveport, La.; and Mrs. W. D. Ewing of Hollis; seven grandchildren and one great grandchild.

High School PTA Installs Tuesday

Officers of the high school Parent-Teacher Association for 1951-52 will be installed at the final meeting of the year, Tuesday afternoon, May 8, at 3:45 p.m., at the high school. This meeting will be in the form of a tea.

Stanley Brooks will be installed as president, succeeding Mrs. Darvin Nix. Miss Nell Davis will take the office of vice-president, and Mrs. Nix as secretary-treasurer.

Dr. E. K. Jones Medical Speaker

Dr. E. K. Jones was one of the speakers at the State Medical Association of Texas, in session at Galveston from Saturday, April 28 through Tuesday, May 1.

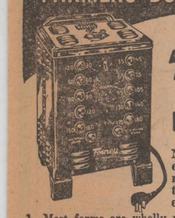

Dr. Jones discussed a paper before the session on internal medicine concerning the use of insulin mixtures in the treatment of diabetics.

He will remain in Galveston through this week, returning Monday, May 7.

Local Girl Representative to A & M Cotton Ball

Miss Neeta Ball of Wellington, senior student at Texas State College for Women, will represent the Texas A&M College Memorial Student Center Council as their duchess to the 17th annual Cotton Ball Style Show and Pageant at A&M College this week end, May 4 and 5.

Miss Ball is the daughter of Mr. and Mrs. Jack Ball of Wellington and is studying journalism at TSCW. She will be escorted to the ball by Joe Fuller, A&M College student.

Mrs. Kenneth Strickland Is Honored at Shower Here

Mrs. Kenneth Strickland, the former Miss Jimmie Faye Light, was complimented with a bridal shower in the home of Mrs. Hubert Bowen Friday night, April 27, from 8 to 10 p.m. Co-hostesses with Mrs. Bowen were Mmes. Walter Deger, Jess Deger, Tiffin Young, Jr., John H. Walker, Velman Warrick, Dick Sweat, and Miss Alice Faye Lowrie,

In the receiving line were Mrs. Bowen, Mrs. Strickland, the honoree, her mother, Mrs. Frank Light, and Mrs. E. M. Strickland, mother of the groom. Each wore a lovely corsage of yellow rose buds.

Mrs. Young presided at the white satin bride's book, while Mrs. Walter Deger and Mrs. Sweat displayed the gifts in the adjoining bedrooms.

The refreshment table was laid with a white lace cloth centered with two interlocked wedding rings. Written on them were "Jimmie and Kenneth" in gold. Flanking the rings were bouquets of yellow roses.

Presiding at the crystal punch service was Mrs. Sam Lindsey, sister of the honoree. Angel food cake, mixed nuts, and mints were also served. Silver and crystal appointments completed the service.

Registering during the evening were Mmes. Jimmy Terry, Hiram Cudd, Joe Coleman, Dave Walker, Mae Harris, Fred Williams, Jim Light, George Mahaffey, E. M. Strickland, Joe Terry, Austin Deger, Buster Hughes, Earl Bowen, L. C. Vaughn, S. L. Lindsey, Jack Morris of Pampa, Noel Cudd, Jr., Sam L. Lindsey, Luther Irwen of Dalhart,

Misses Virginia Robey, Joyce Dell Wood, Pattie Hughes, and Eloise Bowen.

Those who sent gifts were Mmes. Enis Schaded, Claude Howe of Claude, Bob Bowen, Bill Hutt, E. R. Smith, Rudell Wood, Nettie Hill, Fred Walker, George Clark, Mack Saied, Sr., J. G. Tidwell, E. Smith, C. S. Bearden, Norma Jolley, E. C. Puryear, Jack Hiett,

Mmes. A. L. Cochran, Dennis Harrison of Bowie, L. A. Manzer, P. E. Starr, Bobo Castleberry, J. R. White, A. Y. Bell, Joe Rountree, Bob Glenn, Deskins Wells, Cal Sugg, Clarence Ward, Howard Riggs, D. E. Fulton, Dewey Ellis, Jack Brisbin, Charley Hill,

Mmes. Tom Caldwell, Pink Sullivan, Jack Brewer, J. W. Deger, A. B. Clark, Earl Clark, H. B. Martindale, Joe Terry, Bill Hill, Ernest Nunnelley, J. B. Stevenson, Alvin Horton, Earl Alexander, Bill Adams, Mickey Kendrick, Roy Horn, Buel Taylor,

Mmes. Bill Janes, Blayne Branum, Jim Woods, Red Simpson, Austin O'Neil, J. H. Williams, Harmon Elliott, Beryl Faulkner, Denzil Dezer, Ike Robert, G. E. Van Pelt, U. U. Baxter, Jess Young, S. B. Smith, T. D. Nored, and C. A. Rudy.

Quail Junior-Senior Banquet Held Here Saturday Night, April 28

The senior class of Quail High School was honored by the members of the junior class at the annual Junior-Senior banquet held in the community building in Wellington Saturday night, April 28.

The interior of the building was decorated with a southern theme. At the front, there was placed a mural of an old southern mansion, complete with colonial posts. To each side could be seen the log cabins and cotton fields in other murals. The banquet tables were laid in the garden of the mansion, with each bountifully decorated with pink snapdragons and white carnations.

Gene Peggram gave the invocation, after which the meal consisting of southern fried chicken, gravy, creamed potatoes, green beans, hot rolls, pecan pie and ice cream, and iced tea was served. Waiters and waitresses for the occasion were members of the sophomore class.

The welcome address was given by Virginia Miller, with the response given by Paul Spears. Jesse Young introduced the guests.

The Senior Class Prophecy was given by LaRue Tyler. Helen Wischkaemper gave the Senior Class Will.

Herman Moseley introduced the guest speaker, C. A. Cryer, superintendent of the Borger schools, who told the group to work diligently today, and tomorrow will be well provided for. He stressed the fact that too many people look to the future instead of making the most of the present. He pointed out that it was well to look to the future, but in order that the future may be of your greatest expectations, work now.

Howard McGill, president of the Junior class, was toastmaster for the evening.

Music was given by the Booker T. Washington chorus, which rendered a number of southern melodies.

At the conclusion of the banquet, the junior class presented Mr. Cryer with a tie clasp and cuff link set in appreciation of his coming to Wellington to address the group.

Favors for the group were miniature Negro mammies and men and clay log cabins.

Attending were Mr. and Mrs. Herman Moseley, R. E. Bradley, Miss Naomi Neeley, Mr. and Mrs. B. C. Duncan, Mrs. Lowell Wells, Miss Ellna Duce, Mr. and Mrs. Delton Vaughn, Mr. and Mrs. Charles Duvall, Mr. and Mrs. Monty Mitchell, Mr. and Mrs. Frank Kennedy, Mr. and Mrs. John Driskill,

W. L. Howard, Bill Phillips, Olan Richards, Mr. and Mrs. Lewis Morris, Mr. and Mrs. J. I. Morgan, Mr. and Mrs. Lovett Noble, Mr. and Mrs. Woodrow Wilson, Mr. and Mrs. Jim Lowe, Mr. and Mrs. John Bishop, Mr. and Mrs. Fred Bourland, Mr. and Mrs. J. C. Emmert, Mr. and Mrs. Jim Tidwell, Jo Blevins, Rosetta Burney, Jeaunell Lacy, Betty Duckworth, Virginia Miller, Barbara Davis, Gene Peggram,

Garland Fielding, Jack Neeley, Loyd Parker, Billy Winkler, Douglas Little, Jesse Young, Howard McGill, Mr. and Mrs. Boge White, Mr. and Mrs. C. A. Wright, Mr. and Mrs. Jack Phipps, Mr. and Mrs. A. L. Robinson, Mr. and Mrs. Henry Wischkaemper, Mr. and Mrs. George Stephens,

Mr. and Mrs. Johnny Parker, Mr. and Mrs. Joe Miller, Mr. and Mrs. Peggram, Mr. and Mrs. Clarence Blevins, Mr. and Mrs. Dennis Lacy, Helen Wischkaemper, Ruth Koen, La Rue Tyler, Zella Prince, Mary Robinson, Reba O'Hair, Fredia Harrison, Jack Aaron, Juanita Tipton, Buddy Price, R. C. Owens, Robert Duckworth, Kenneth Gosnell, George W. Stephens, and Gene Robinson.

C. H. Caperton Is Birthday Honoree

By MRS. E. L. RANKIN

The home of Mr. and Mrs. C. H. Caperton in the Dozier community was the scene of a double celebration Sunday, April 29, that of a family reunion and the birthday of Mr. Caperton.

A family style dinner was served at noon, highlighted by the honoree cutting his large birthday cake.

The afternoon was spent in visiting and singing.

Present were Mr. and Mrs. J. S. Fischer and J. F. Williams of Amarillo, Mr. and Mrs. Jim Caperton, Jimmie, Janet, and Sallie Coffman, Mrs. Fleener, Harry Hurt, Mr. and Mrs. Robert Caperton, all of Shamrock, Mr. and Mrs. Robert Baxter and sons, Bob and Kenneth, of Samnorwood, Claude Caperton Jr., and the hosts, Mr. and Mrs. C. H. Caperton.

Mmes. L. B. McNeil, Earl Brinkley, Ray Crownover, R. H. Gibbons, E. M. Fletcher, Gene Holloway, S. C. Ledbetter, J. L. Branch, Ruby Havron, and James Underwood.

Those sending gifts were Mmes. Haskell Essman, Luther Greeson, Johnnie Baird, Leroy Ayers, Loyd Branch, Clyde Wisdom, L. A. Gilmore, Elmer Hiett, Arthur, C. O. Wilkerson, Jackson, Felix Hunt, Harry Jackson, George Nevals, Leon Miller, and Adlia Jackson.

Mrs. T. B. Sledge Has Eighty-Fifth Birthday Sunday, April 29

Mrs. T. B. Sledge, one of the older residents of Collingsworth County, celebrated her 85th birthday Sunday, April 29, in her home, with her seven children and a number of her grandchildren gathering to honor her.

Mrs. Sledge was born Sally Boston, the daughter of Mr. and Mrs. J. M. Boston, in a small town in Lee County, Mississippi, on April 29, 1866, only a few years after the close of the Civil War. At the age of three, the family moved to Texas, settling near Whitesboro. Here she attended school, and at the age of nine, she became a member of the Methodist Church. Few churches have been so fortunate to have such loyal members as Mrs. Sledge.

At the age of 18, she became the bride of T. B. Sledge on a lovely September morning of 1884. To this family was born seven children, six girls and one boy.

They moved to Collingsworth County in 1909, where Mr. Sledge was a rancher and farmer.

Mrs. Sledge received a number of lovely gifts from friends, as well as gifts of flowers. Since a fall last year at which time her hip was broken, she has not been able to be out a great deal, but surely enjoys company.

A family style dinner was served at noon. The honoree made a wish and cut a lovely birthday cake at the end of the meal.

Present for the celebration were Mrs. W. G. Metz of Oklahoma City, Mrs. J. T. Baumgardner of Austin, Mr. and Mrs. W. O. Higgins and Mr. and Mrs. Marion Elms of Littlefield, Mr. and Mrs. John Sledge of Sweetwater, Mr. and Mrs. S. K. Parsons, Jr., Sally and Mary, Mr. and Mrs. S. K. Parsons, Sr., Mr. and Mrs. Ansel McDowell, Jim and Dan, Mr. and Mrs. Tom Campbell and Tim, and Mr. and Mrs. N. R. Cocke and N. R., Jr., all of Wellington.

Elmer James took the week end off from playing with Clyde Miller's dance band at Clovis, New Mexico, to visit his mother, Mrs. Flora James. Mr. James will be remembered because he has played with many bands in this section of the country.

E. C. Barnett of Lakeview spent the week end in Wellington visiting his son, Mr. and Mrs. Joe Barnett and Joe Marie.

Business and Professional Women Honor Employers Tuesday Night

The members of the Business and Professional Women's Club held their annual Bosses' Banquet Tuesday night, April 24, at 7:30 p.m. Guests of each of the members were their employers or their husbands.

Mrs. Dick Richards, chairman of the banquet, acted as toastmistress during the evening. Mrs. Nita Brantley, president of the club, gave the welcome address, after which members of the club introduced their guests.

A male quartet composed of Fred Saied, Fred Alexander, James Frederick LeDerer, and Phil Handley sang several popular selections. Phil Handley also offered a piano solo.

Miss Katherine Boverie, charter member of the club, was speaker for the evening. She gave the history of the B. & P. W. Club here. The local club was organized in 1938, with only three of the charter members remaining with the club — Mrs. Pink Sullivan, Miss Hattie D. Wells, and Miss Boverie. She traced the organization of the professional clubs from the national standpoint, down to the state clubs, and then to the local chapters.

The guest list included Mrs. Dora Ryan, Miss Boverie, Mr. and Mrs. Alfred Knoll, Mr. and Mrs. Heber Brantley, Mr. and Mrs. Dick Wiley, Mr. and Mrs. Earl Hunter, Mr. and Mrs. John D. Glenn, Mrs. Lottie Brock, Dr. and Mrs. J. M. Orr, Mrs. Pearl Hill, Miss Priscilla Chase, J. W. Thomas, Jack Gibson,

Mr. and Mrs. Dick Richards, Miss Bessie Rainer, Orval Couch, Miss Dorothy Robertson, H. Deskins Wells, Mr. and Mrs. Eddie Smith, Mr. and Mrs. Pink Sullivan, Mr. and Mrs. Cal Sugg, Mrs. W. W. Sugg, Mrs. Cleo Templeton, Mrs. L. C. Hill, Sr., Miss Bonnie Willis, Miss Mary Foreman of Memphis, Mrs. Ralph Word, Mrs. Christine Cooper, Mr. and Mrs. Maxie McKnight,

Mr. and Mrs. Howard Oliphint, Mrs. Kathleen Gray, Mr. and Mrs. Jack Davis, Mr. and Mrs. Charles Roberts, Mr. and Mrs. Lee Plante, Miss Norma Akin, anl Mrs. Bill Roberts.

Members of the decorating committee for the banquet included Mmes. Cal Sugg, Clark Anderson, Lee Plante, and Howard Oliphint.

Peggy Yarbrough Gives Recital at Bethany College

Miss Peggie Jean Yarbrough, a junior music major of Bethany Penial College, Bethany, Oklahoma, was presented in a certificate music recital April 17, 8:00 p.m., in the Fine Arts Building at the college.

Miss Yarbrough, daughter of Mr. and Mrs. Fred Yarbrough of the Shinnery community, offered a number of selections during her recital. Included were Beethoven's "Sonata in G Minor;" Mendelssohn's "Rondo Capricceoso;" four selections from Schumann's "Childhood Scenes Op. 15," which included "Perfect Happiness," "An Important Event," "The Poet Speaks," and "Catch Me."

In the second part of the recital, "Maiden's Wish" by Liszt, "Reverie" by Debussy, "Budlin" by Grieg, and "Mozart Matriculates" by Alec Templeton were included.

Professor Carroll Harville, renown music teacher, has been Miss Yarbrough's instructor for the three years she has been at Bethany.

Assisting Miss Yarbrough was Miss Harriette Dunn of Bethany, who gave several vocal selections.

Miss Yarbrough graduated from Wellington High School with the Class of 1947, where she was active in extra-curricular work. Prior to her music work in college, she studied with Mrs. John C. Harper here for four years.

Miss Peggy Yarbrough

A reception honoring the young ladies was held immediately following the recital in the home of Professor and Mrs. Lester L. Dunn.

Attending the recital were Mr. anl Mrs. Fred Yarbrough, Mrs. Forrest Overton, Miss Glennafred Yarbrough, and James Conway.

Parker-Calcote Vows Read April 7

Miss Dixie Faye Parker, daughter of Mr. and Mrs. G. S. Parker of Winters, became the bride of Roy Calcote, of Winters, son of Mr. and Mrs. John R. Calcote of Lillie, in a quiet double ring ceremony read in the Dresco Baptist Church Saturday, April 7, at 8:00 p.m. Rev. W. D. Ward, pastor of the church officiated.

For her wedding, Mrs. Calcote chose a blue crepe dress complimented with white accessories.

Attending the couple were Mr. and Mrs. W. E. Brown, also of Winters.

Mrs. Calcote received her education in the Ryan, Alabama, schools, while the groom, who has lived near Wellington most of his life, attended the Kelton and Dozier schools.

They will be at home in Winters where the groom is employed by a drilling company there.

Mr. and Mrs. Ervin Compton of Winters complimented the couple with a bridal shower recently. Approxmately fifty guests registered.

Mrs. Brummett Has 1924 Study Club

Mrs. Warland Brummett was hostess to the last meeting of the season of the 1924 Study Club, which met in her home Thursday afternoon, April 26.

Guest speaker for the meeting was Mrs. John Lee, who reviewed the book "The Form Divine," which is one of the new humorous novels on the market today. It concerns a housewife and mother who was not content with the way she looked, so she took matters into her own hands and enrolled in a beauty school. The book deals with her trials, tribulations, and the price she paid for her discontentedness.

Arrangements of spring flowers were used throughout the entertaining rooms. A delicious dessert course and coffee was served to the guests.

Present were Mmes. C. B. Anderson, Tom Campbell, Chester Fires, John D. Glenn, E. K. Jones, M. M. Kern, Ansel McDowell, Jones Singley, J. W. Wells, Miss Katherine Boverie, the guest speaker, Mrs. John Lee, and the hostess, Mrs. Warland Brummett.

Miss Reeves Has Wesleyean Guild

The Wesleyan Guild of the First Methodist Church met in the parlor of the church for their regular meeting Wednesday night, April 25, with Miss Gay Reeves, president, as hostess of the meeting.

R. F. Curry was guest speaker for the evening, discussing the book "The Mature Mind."

Following the review, a short business session was held, after which refreshments of cookies and soft drinks were served.

Present were Mmes. John Glasscock, Frank Anderson, Mack Saied Jr., Lester Hill, Byron Duncan, Howard Oliphint, Maxey McKnight, Misses Inez Leach, Effie Lee Richards, visitors, Mr. and Mrs. R. F. Curry, Mrs. S. S. McKay of Lubbock, and the hostess, Miss Gay Reeves.

Mrs. Clark Has Circle 1 of WMU

Mrs. A. B. Clark was hostess to the regular meeting of the Circle 1 of the Women's Missionary Union of the First Baptist Church Monday afternoon, April 23, at 3:00 p. m.

Mrs. W. W. McClaskey gave an interesting devotional using "To Your Knees, America" as her theme. Others taking part in the program were Mmes. Lester Hunter, L. P. Mathis, W. M. Tucker, and W. R. Brantley. Closing the meeting, the ladies repeated The Lord's Prayer in unison.

From a lace covered table centered with an arrangement of lilacs, Mrs. Clark served dainty refreshments of open sandwiches, cookies and punch. Other arrangements of lilacs were placed throughout the entertaining rooms.

Present were Mmes. Jess Cook, Judge Holton, Ben Wilhelm, L. P. Mathis, W. W. McClaskey, J. A. Lowe, Henry Davidson, W. M. Tucker, Ed Miller, Lester Hunter, A. F. Elliott, W. R. Brantley, and the hostess, Mrs. A. B. Clark.

Mrs. S. S. McKay of Lubbock visited her daughter and son-in-law, Mr. and Mrs. Mack Saied, Jr. last week. She returned home Sunday.

Miss Zada Cook

Engagement of Zada Cook Pvt. McGill Announced

Mr. and Mrs. Jim Cook this week announced the engagement and approaching marriage of their daughter, Miss Zada Cook, to Pvt. George Ray McGill of Camp Chaffee, Arkansas, son of Glenn McGill of Quail.

The exact wedding date has not been set, as it depends on the groom's furlough, but it is expected to be early in May. The place of the wedding is also uncertain, but Rev. Howard Jones, pastor of the First Baptist Church in Wellington will perform the double ring ceremony.

Miss Cook is a member of the Class of 1951 in Wellington High School, and will continue her studies until graduation. Pvt. McGill graduated with the Class of 1950 from San Benito High School and has attended Brownsville Junior College for one semester before his enlistment.

Men's Bible Class Honor Wives

The Men's Bible Class of the First Christian Church honored their wives with a breakfast in the fellowship center of the church Sunday morning at 9:00 a.m.

Chief Cook preparing the ham and eggs and all the trimmings was Emil Kersten, assisted by Rev. Archie Gray, pastor of the church.

Approximately fifty members and their wives were present.

Excelsior Club Has Last Meeting

Miss Katherine Vines was hostess to the last meeting of the season of the Excelsior Club Wednesday evening, April 18.

Members attending were treated to a movie at the Ritz Theatre, after which refreshments were served at Jay's Drive-In.

Present were Mmes. Esdel Bartlett, R. N. Barnett, Misses Bonnie Willis, Mary Alston, Sara Jones, Nell Davis, Inez Leach, Loeva Pierce, and the hostess, Miss Katherine Vines.

Mrs. Ray Wolf Is Bridal Shower Honoree April 26

Mrs. Ray Wolf was honored with a bridal shower Thursday night, April 26, in the home of Mrs. B. F. Evans, with Mmes. Leonard Hoyt, Edward Young, J. M. Strong, Jr., Bill Dennis, J. M. Strong, Sr., Misses Virginia Evans, and Bethie Duke as co-hostesses with Mrs. Evans.

In the receiving line were Mrs. Evans, Mrs. Wolf, and Mrs. W. L. Scarberry, mother of the honoree. Mrs. Wolf wore a corsage of white carnations while Mrs. Scarberry wore pink carnations.

Registering the guests was Mrs. Young. The white satin bride's book lay open on a small table, with tall iris in bud vases on each side of it. Placed in the living room were arrangements of pink tulips, blue iris, and white bridal wreath.

The gifts were displayed in a bedroom by Mrs. Strong, Jr., and Miss Evans.

During the evening, Miss Nathan Ann Watson and Miss Evans offered several piano solos.

The refreshment table was laid with an ecru lace cloth edged with deep scallops. The centerpiece was of stately blue iris surrounded by bridal wreath. The crystal punch services was placed at one end, from which Mrs. Hoyt poured lime punch for the guests. Individual squares of white cake topped with white icing and rosettes were also served. Crystal and silver appointments and white napkins with "Peggy and Ray" in gold completed the service.

The guest list included Mmes. Eli Wolf, John D. King, John Roberts, Howard S. Riggs, F. A. Hatch, Ernest Nipper, U. O. Jett, Norris Hoyt, G. B. Hopper, Eugene Martin, Alton Wilkins, Gladys McPherson and Joyce, Fletcher Curry, Darrell Tompkins, W. E. Leach, Bill McCarver, Lee Huey, Eddie McClaskey, Joe Terry, Bob Stephenson,

Mmes. Everett Bell and Frances, G. W. Adkins, T. D. Nored, L. E. Ward, Mack Saied, Sr., V. P. Robertson and Vickie, J. B. Jett, Kate McInnis, Grady Phillips, Bill Sims, Floyd Hood, Horace Small, Joe Barnett, Bill Towns, D. F. Langley,

Windom, in Fannin County, was named for Thomas H. Windom, a conductor on one of the first trains through the place.

White City, in San Augustine County, was orginally a lumber camp, so called because of the of the white tents which housed the employees.

Seminole, in Gaines County, was named for an Indian tribe who formerly inhabited the region.

Waxahachie, in Ellis County, was named from an Indian word meaning "Cow Creek."

Saragosa, in Reeves County, was named for a Mexican general.

WE ARE
CONCERNED ABOUT
SOIL CONVERSATION

We have a business interest in the conservation of our soil and water resources because we sell materials, supplies, tools and equipment for conservation farming.

We know that we can't sell all these things in large quantities unless the farmers are earning enough to buy them. And we know that conservation farming brings in more earnings while it makes the farm worth more.

In fact, every customer we have depends in a large measure on the success of the farmer for their prosperity. So the more our land is built up, the more prosperous everyone of us will be.

That is our business interest in soil conservation.

John Deere Tractors and implements are designed for the farmer who is doing Conservation farming. It's the line that will help you to more profitable agriculture.

Farmers Supply

LOOKING AHEAD

BY GEORGE S. BENSON
President—Harding College
Searcy, Arkansas

CHALLENGE TO 4h STATES

The people of Indiana have started something that could conceivably develop into the most important citizen action of this century. In a 1951 "Declaraion of Independence," they've asked Congress to put a stop to so-called Federal "aid" of all kinds and restore to the states the taxing sources "that rightfully belong to them." The action was taken on behalf of all Indiana citizens by Indiana's 85th General Assembly. Copies of the enabling Concurrent Resolution were sent to the governors of every state with requests that similar resolutions be adopted.

If enough people in enough states should become interested in such a grass-roots declaration and shoold it be backed up by widespread legislative action, the Congress would give heed. There certainly is nothing unrealistic or fanciful about the Indiana legislature's action. The Hoosiers contend that if Congress could be moved to act on their full request, the states would have no difficulty whatever providing—and indeed improving and expanding—all essential services for the benefit of their citizens. Official figures from Washington seem to prove this contention.

ONLY DRIBBLE RETURNS

Federal grants-in-aid to the state government and he people of Indiana during 1950 totaled $40,969,791. During the 12 months this Federal "benefit" was flowing in Indiana, the people of Indiana, the people of Indiana were paying out $973,000,000 in Federal taxes. They contend that only half of this, or $486,500,000, they could give adequate aid to the Indiana people who need aid, and have money left over to improve Indiana's public school system, etc.

"We have decided," says the Indiana General Assembly, "that there is no such thing as 'federal' aid. We know there is no wealth to tax that is not already within the boundaries of the 48 staes. So we propose henceforward to tax ourselves and take care of ourselves." Legislators emphasized that the Indiana people were not protesting reasonable taxes to maintain the Federal government establishment, national defense, the Federal courts and other needed government services for the protection of life, liberty and the pursuit of happiness.

ENCROACHMENT NOTED

"The people of Indiana," the message to Congress said, "resent the encroachment of the Federal government into the field of education, highways, employment, agriculture, medicine, banking, welfare and local civic projects. They hold that those activities are the resposibilities of the states, the local communities, or private individuals, and that Federal participation in these fields, both financial and managerial, should be abandoned throughuot this nation of ours."

The Arkansas General Assembly has just convened in a Special Session to struggle with the vitally important problem of financing nine months of public schooling—when there isn't sufficient revenue to meet the school budget at the state and local levels. When we examine the Federal tax figures for Arkansas, a basic factor contributing to our school finance problem is apparent. Arkansas taxpayers, from whom public school money comes, are paying $105,425,486 in Federal taxes (not counting excise and others) and the state is receiving back in grants-in-aid in all categories only $36.267,955—or 34 per cent.

DANGEROUS TEMPTATION

If Arkansas could keep $30-to-$40 million difference, instead of sending it to Washington, vast improvements could be made in our school system at the local level where our taxes are paid; and in our other essential services that are the proper responsibility of state and local governments. As it is, our taxpayers are staggering under Federal taxes, and sufficient money for our local needs is not in sight. The temptation is to hold out our hand to Washington for more Federal aid.

But the Indiana legislature wisely observes, in its message to Congress: "The states, deprived of their sources of revenue to perform their proper functions, become dependent up on the Federal government for grants-in-aid, and thus they become slaves of a guardian whose regulations and controls they cannot resist." The political philosophy underlying the Indiana legislature's action is that of local self-government and local responsibility. That is the essence of the American system. Should it be lost, through centralizing of our government, our freedom ultimately would be lost too—and with it, our prosperity and our capability to progress.

A monkey is the only wild animal that will use sticks, stones or anything handy as a weapon.

POUNDING THEIR EARS—The roar of cannon and the high-pitched shriek of heavy shells whistling toward enemy positions failed to disrupt the catnap of these two exhausted members of a UN howitzer crew. They caught their 40 winks during action on Korea's central front.

Will Your Land "Take Off" When Hard Rains Fall?

When it rains it runs!

Is that true of the topsoil on your farm? says J. A. Coleman, chairman of the Collingsworth county PMA committee.

The chairman raises the question to call attention to the tons of topsoil which have left Collingsworth county this season, with some of the county's best land going down the river with every heavy rain.

The county chairman points out that too many farmers unwittingly help prepare their land for those trips to the sea by keeping the topsoil pulverized so that it doesn't take too much water to carry it away. Many farmers also make it easier for the runoff to take the soil with it by running the furrows up and down the slope.

The chairman points out that when the soil is broken up into fine particles and the furrows run up and down the slope, a good heavy rain may take away more plant food than is needed to grow 15 to 20 bumper crops.

In the chairman's words, the "business side" of the farm is the top side--the layer of topsoil in which the roots of growing crops obtain moisture and essental minerals. When it is washed away, it may take years to restore the land to productivity.

The chairman explains that about the best way to keep land from "taking off" in a rainstorm is to tie it down with sod. It is only necessary to compare the runoff from a sodded field and from a field in a cultivated row crop, to see the difference.

"But, it isn't practical to have all the land in sod. So, the next best way to keep land from washing away is to run the furrows on the contour. This checks the runoff, holds the water back and allows more of the water to soak into the ground. Sometimes terraces and sodded natural waterways are necessary to control erosion, "Mr. Coleman said.

One f the big jobs of the Agricultural Conservation Program, the chairman points out, is to help farmers do the things which will keep their topsoil at home and many of the conservation practices are primarily for this purpose.

Whitesouse, in Smith County, was named for an early Methodist church, the only painted house in the settlement.

Weslaco, in Hidaglo County, was derived from the initial letters of the W. E. Stewart Land Company, early day promoters.

Wellington, in Collingsworth County, was named for the Duke of Wellington by British cattlemen who owned nearby ranches.

Winter cover crops blanket the soil protecting it from erosion.

Farm Better Today
Live Better Tomorrow

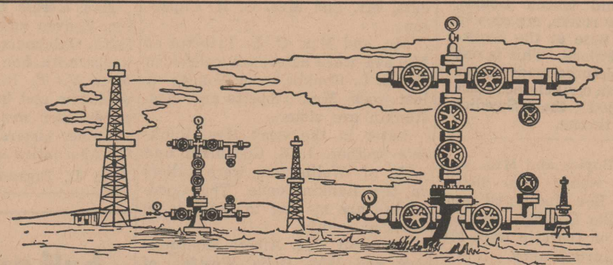

How will you live depends on the top-soil of your farm. When you conserve your soil, you conserve your future. When you let your farm run down, you are selling yourself—and your children down the river.

We at City State stand ready to help you make your financial plans to save and build your soil. Your soil conservation District and SCS will give you technical advice.

This bank extends best wishes to all who are working to make the soil conservation district a success.

CITY STATE BANK

40 Years of Safe, Dependable Banking

There's Plenty for You and Industry, Too

Yes, in the Gulf South there's plenty of

NATURAL GAS FOR YOU and INDUSTRY, TOO

In each of the past 21 years, much more gas was found than was used in all of the United States. For years now the amount of known gas reserves has climbed higher and higher. The consumption of gas is increasing, to be sure, but annual discoveries have met the current requirements and added trillions of cubic feet more to the known supply.

Nearly two-thirds of all the deposits of natural gas known to exist in the country are in gas fields in Texas, Louisiana and Mississippi—and more than 200 of those fields are connected to the great integrated pipe line system of United Gas. Each year more fields are tied in to the United Gas system . . . to the end that we can assure our customers, now and in the future, there's *plenty of gas for you and industry, too.*

Industries seeking locations in the area served by United Gas can rely on an adequate supply of natural gas at fair and reasonable rates.

UNITED GAS . . .
SERVING THE Gulf South

SAMNORWOOD
By MRS. C. W. FRITTS

Local showers still continue to fall in different parts of the community which helps. But we need a general rain badly.

Mrs. Roy Shirley and Mrs. Mary Jackson of Lubbock visited Mrs. Shirley's sister and brother-in-law, Mr. and Mrs. Walter Fritts, a short time Sunday afternoon.

Mr. and Mrs. Charlie Austin of Denton visited from Sunday until Wednesday with Mrs. Austin's sister and brother-in-law, Mr. and Mrs. S. J. Carrell, and with friends. Mr. Austin tended business. Mr. Austin's sister, Miss Luella Austin, of Fort Worth owns a farm three miles south of Norwood that is farmed by Hick Morrow. A new house has been built on this farm recently.

Mr. and Mrs. Ted McCutchtn and three sons of Amarillo and Mrs. Donnie Bradley and Mrs. Effie McCutchen of Amarillo visited Mr. and Mrs. Tom Cunningham and sons, James Allen and George, and daughter, Mrs. Rouena McBrayer and small daughter Sunday. Also visiting with them was Don Cunningham of Childress.

Paul Browning of Denotn is visiting his parents, Mr. and Mrs. W. L. Browning and Nolan. He is installing a cooling system for his parents.

The Senior play "Shoot The Works" Thursday night at the High School Gymnasium, was well rendered. It was a good comedy and full of laughs.

A few showers have fallen in this area this week, but were heavier at Dozier and Nicholson, and light south of Norwood.

We regret to lose Mr. and Mrs. H. L. Lowry as our grocery store owners at Lutie, and welcome the Fains, present owners.

Misses Patsy and Willie J. Griffin of Spade visited their grandparents, Mr. and Mrs. S. J. Carrell.

Mr. and Mrs. M. A. Craven moved Saturday from the Orville Cunningham farm three miles south of Norwood to one of the barrack apartments. Mr. Craven will be school janitor the remainder of the school year.

Mr. Overcast, who has been janitor the past two years, and his family are moving to Wheeler county.

Marriage Licenses

Only one marriage license was issued during the following week by County Clerk J. M. Moore, and that was to Melvin Leon Hill and Miss Barbara Ann Seymour, Collingsworth County, April 26.

B. F. Evans, Jesse Motsenbocker and Cecil Shanks returned Thursday evening from a fishing trip to Devils River near Del Rio. The men reported they had good luck.

ROYAL PAIR — King Gustaf Adolf VI and Queen Louise, Sweden's new rulers, are seen in an informal pose at the Stockholm Royal Palace. This is one of the first pictures made of the royal couple in civil clothes since they assumed the Swedish throne.

Miss Opal Boyles and Mrs. Virgie Atkinson visited their sister, Mr. and Mrs. Bob Moore and family, in Amarillo Sunday. Accompanying them on the trip were Mr. and Mrs. Willard Tinney.

DOZIER
By MRS. E. L. RANKIN

This area had two light showers last week. Some hail fell with the first shower. The amount of moisture in both was only 32/100 of an inch.

Dozier will soon be almost surrounded by hard surfaced roads. The farm-to-market road built last year has been extended north three miles and west four miles. The new road bed is almost ready for the topping.

Miss Effie Rankin was a recent visitor in Quanah and Fort Worth.

Donald Bradley, son of Mr. and Mrs. Pat Bradley, who is with the Armed Forces stationed at Camp Carson, surprised his family early Sunday morning by dropping in on them just for the day. He had brought a buddy to Borger in answer to a message.

Claude Caperton, student of Texas Tech at Lubbock, spent Sunday in the home of his parents, Mr. and Mrs. C. H. Caperton.

Mr. and Mrs. O. L. Tibbetts of McLean were afternoon callers in the E. L. Rankin home Monday of last week. Mrs. Tibbetts and Mrs. Rankin are sisters.

Later in the week Mrs. Rankin's brother, J. B. Goodnight and wife of Wellington, were callers in the Rankin home. The Goodnights are moving to Wayside in Swisher county.

Mr. and Mrs. Albert Montgomery and Miss Delia Westfall of Amarillo and Mr. and Mrs. Marcos Hoffman of Dallas were here Sunday to attend the funeral of the Hoffman infant, Albert Marcos Hoffman, who passed away Friday, April 26, a few hours after birth.

Roy Billingsley, his mother, Mrs. Billingsley, and his niece, Miss Laverne DeViney, went to Clarksville last week to attend the funeral of Turner DeViney, grandfather of Miss DeViney.

Twelve of the FFA boys of the Samnorwood school and their instructor, Mr. Christie, went to Lubbock Friday to an area meeting. The boys in the livestock judging team were Troy Clark and Joe Schaub of Dozier and Eugene Eagle.

The rain Sunday night gave us 8/10 inch of moisture here on the Rankin farm about a mile north of the river. If this is general for the community farming should be getting under way in earnest this week.

Mr. and Mrs. J. D. Loter had as guests in their home this week end their daughter, Mr. and Mrs. A. Z. Hayes and family, of Abilene.

City Manager Bura Handley was a business visitor in Lubbock one day last week.

Miss Elizabeth Gillentine, who has been visiting her father, R. L. Gillentine, here for several weeks, returned Saturday to Los Alamos, New Mexico, where she is employed by the Atomic Energy Commission in the personnel department. Mr. Gillentine took her to Hereford, where they spent Saturday night with Mr. and Mrs. Jimmie Gillentine and children.

Mr. and Mrs. W. W. Whitson are the parents of a daughter, Alice Kay born April 11 in St. Joseph's Hospital. She weighed 7 pounds 7 1-2 ounces.

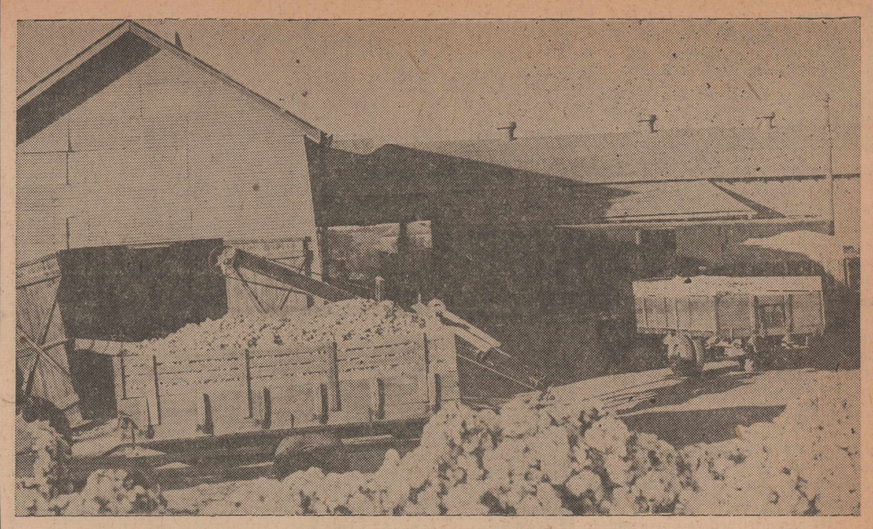

Mr. and Mrs. Rayford Holtman are the parents of a daughter, Janice Kay, born April 15 in St. Joseph's Hospital. She weighed 8 pounds 11 1-4 ounces.

Mrs. Gerald Squyres and children, Sharon and Waymond, of Alfalfa, Oklahoma, are spending two weeks with her parents, Mr. and Mrs. V. P. Robertson Sr. Last week she and her children accompanied her mother to Snyder to visit her sisters, Mr. and Mrs. F. C. Abernathy and Mr. and Mrs. John D. Ingram.

I'll match my Dodge
with any car on the road for
Value and Dependability
—says MICHAEL OPPENHEIM

"Sure, I've owned and driven other make cars," says Michael Oppenheim, Bellerose, N.Y. "But since 1941 my cars have all been Dodges. I know how *dependable* Dodge cars are, how little they cost to run."

Specifications and equipment subject to change without notice

You could pay up to $1,000 more and not get all the extra room, comfort and rugged dependability of Dodge

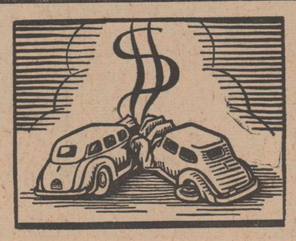

Compare what Dodge gives you . . . with what other cars offer. You'll understand why Dodge owners say they'll match Dodge with any car on the road.

Take riding comfort for example. You could pay far more for a car and still not get the almost unbelievable *smoothness* of the new Oriflow ride. Even on roughest roads there's no wheel "hop" or bounce.

You get the relaxing comfort of extra head room, leg room and shoulder room . . . the safety of "Watchtower" visibility. Dodge Gyro-Matic—the *lowest priced* automatic transmission—lets you drive without shifting. See and drive Dodge today.

It Required A Million Years to Build Top Soil. YOU Can Lose It In One. Let's Conserve It!

Terracing, deep plowing and chiseling are three leading soil conservation practices. They help your land hold every drop of water that falls. They assure that the precious fertility of your top soil will not be washed away when hard rains come.

Old and worn out land can be renewed by deep plowed turning up fertile soil and needed minerals that previously were too deep to benefit your crops. It gives you a chance to profit from higher yields. Farmers all over Collingsworth county have found this to be true.

During Soil Conservation Week, visit some of the Collingsworth County farms . . . go on the soil conservation tour, and see what is being to save our land.

Darvin Nix
TERRACING — DEEP PLOWING — CHISELING

Seed a Big Factor

BIG PROBLEMS POSED IN GROWING THIS YEAR'S BUMPER COTTON CROP

LUBBOCK—Cotton farmers in Texas face a critical condition this year in getting a good stand of cotton producing a large crop.

Normally the West Texas cotton farmer likes to start the season with an average of one plant every three inches in the row. He may want to thin this stand or leave it, depending on several factors.

A plant every three inches in the row provides some 60,000 plants per acre. To get this stand requires the planting of about 16 lbs: of the fuzzy seed with high germination. If the farmer plants one-half bushel of cooton seed with a germination of 60 per cent, he will be putting into each acre some 38,400 seed which can be expected to produce plants. But he begins with about 40 per cent less plants than he should have. Insects, weather and cultivation may further eliminate plants during the growing season so the farmer cannot expect the maximum yield.

Area seed testing labortories are finding that the majority of cotton seed samples submitted for germination tests are below the usual average viability considered satisfactory. Good cotton seed should germinate above 80 per cent, while much of the 1950 seed germinates below 60 per cent.

Two major factors contributing to this situation are first: the trend toward machine harvesting, and second, the early 1950 freeze which killed the plants and prevented many seeds from maturing.

Machine harvesting results in a high percentage of immature seed of no value for planting. Proper cleaning and grading out of these undesirable seed is necessary for good planting seed.

Many of the seed of the 1950 crop which were frozen appear to be good but may not germinate. Under normal fall weather conditions many of these seed would have matured.

These factors have led to the present cotton and seed problem. The large acreage of cotton expected to be planted in 1951 heightens the problem. Reports from the Texas Tech branch laboratory of the State Seed Testing Division and the Seed Testing Labororatory of the Lubbock Grain Exchange indicate that some 2,500 seed samples were tested since Janurary 1, 1951.

The range in germination was from below 10 per cent to over 90 per cent, with the average just under 60 per cent.

The grain sorghums--hegari, kafir, millet, cane and sudan grass seed--have generally shown a normal germination. Small grains alfalfa, clover and grass seed tested by the laborortie have shown a normal germination percentage.

Farmers should heed the warning of these figures. The seed germination percentage should be known, and the amount of seed germination percentage should be known, and the amount of seed planted per acre must be increased. Otherwise, farmers can expect only a partial stand of cotton to start the season.

Every precaution should be taken by the farmer so that he can start the season with as nearly a perfect stand as possible.

Farmers can secure germination tests on their cotton seed by taking representative samples to the seed testing laboratory in room 116 of the Agriculture building at Texas Technological College where the branch laboratory is located, or the Lubbock Grain Exchange Laboratory in Lubbock.

The State Laboratory makes this test free, but due to the many samples, there is about a week's delay in getting the samples into the germinator.

The Lubbock Grain Exchange Laboratory makes a niminal charge for each test since it operates on a commercial basis, but it can start the germination tests immmediately. A minimum of 10 days is required to determine the percentage of germination of a sample after it has been placed in the germinator.

STILL A QUEEN—Mrs. Mary Butler Brown, 91, who was named Miss Colorado in 1876, will repeat in her title role this summer when she will rule over the state's 75th birthday party. Mrs. Brown received her crown again at Pueblo, Colo., from Virginia Smith, 1949's Miss Colorado.

PERSONAL

Mr. and Mrs. Noel Cudd Jr. and baby daughter of Clarendon were here Friday night to visit her parents, Mr. and Mrs. Frank Light. She also attended the shower honoring her sister, Mrs. Kenneth Strickland.

R. L. Gillentine returned Wednesday of last week from Buffalo Lake, near Umbarger, where he spent several days fishing. His grandson, Buz Gillentine of Hereford, accompanied.

Mr. and Mrs. Dave Walker of the China Grove community were business visitors at Holly, Colorado, last week.

Here during the week end were Mr. and Mrs. Luther Irwen of Dalhart, who visited his mother, Mrs. Carson Irwen. Mrs. Luther Irwen also came to attend the shower honoring Mrs. Kenneth Strickland, the former Miss Jimmie Faye Light.

Mr. and Mrs. George Shanks and family of Hollis, Mr. and Mrs. J. D. Shanks of Littlefield, Mr. and Mrs. Elmer Shanks and daughter of Clarendon, Pfc. Herbert Shanks who is stationed with the Air Force in Tulsa, Mrs. B. F. Evans, Miss Virginia Evans and Nathan Ann Watson, Mr. and Mrs. J. T. Bishop, and Mr. and Mrs. Earl West of Hollis visited in the H. H. Shanks home Sunday.

Mr. and Mrs. Raburn McKee and daughters, Suzette and Angela, of Borger visited in the home of her parents, Mr. and Mrs. V. P. Robertson, Sr., over the week end.

Wellington High School Honor Roll Announced

The Wellington high school honor roll for the fifth six-weeks period was announced this week by C. T. Roberts, superintendent of schools. The list included seventy boys and girls from the eighth through the 12th grades.

Eighth grade: Billy Agee, Donna Black, Mary Sue Crawford, Martha Crane, Jeanne Drummond, Hugh Kutch, Scotty Kester, Barbara Lowrie, Gary Phillips, LaNora Stall, John Thomas, Renee Thomason, Nelda Terry, LaJuan Wilson and Vera Ward.

Freshmen: Jo Ann Aaron, Janetta Bruce, Edward Bawcom, Genevieve Bartlett, Lynn Couch, Patsy Doebner, Sharon Elbert, Beatrice Hutchins, Betty Karnes, Doris Lewis, Sally Langley, Roberta Posey, Jackie Steward, Doolen Starkey, Tanya Smith, Diane Schaded, Roy Savage and Royce White.

Sophomores: Calvin Aaron, Rugene Black, Priscilla Baumgardner, Cecilia Elbert, Nadyne Howell, Jimmy Hartman, Phil Handley, James LeDerer, Jimmy Leggitt, Twana Scott, Grazell Scott, Jimmy Thompson, Peggy Taylor, Virgil White, Jocelyn Wells and Glennafred Yarbrough.

Juniors: Ronald Coleman, Norma Jean Howard and Ella Hill.

Seniors: Jimmy Agee, LaDwain Bowen, Barbara Bagwell, Vada Cook, Zada Cook, Josephine Kutch, Thomas Kutch, Cliffa Jean Langford, Mary Beth Lamkin, Galyea Needham, James Posey, James Slay, Jennie Scott, Fred Saied, Mona Tarter, Barbara Wells and Billy Wauer.

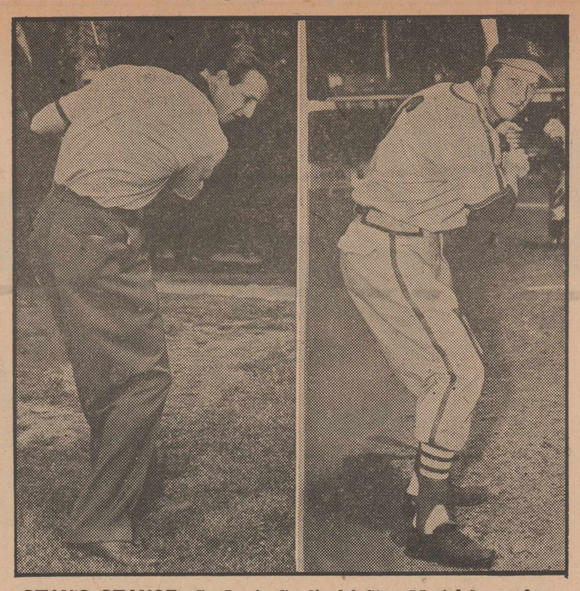

Welcome to Wellington

Temporary residents here are Mr. anl Mrs. S. T. Johnston, who changed a Wellington, Kansas, address for that of Wellington, Texas.

Mr. Johnston is employed as a plasterer on the St. Joseph's Hospital construction job.

They had as their guests recently Mr. and Mrs. Warren Hill, their daughter and son-in-law, also of Wellington, Kansas.

Save top soil and you save all.

STAN'S STANCE—St. Louis Cardinals' Stan Musial has only a slightly different stance on the golf course from the one he has on the baseball diamond. However, from the position at left, he collects only birdies, while the stance at right brings him about $75,000 a year. He has won the National League batting championship four times, a record for lefties.

SALT FORK

By MRS. R. H. ISBELL

(Intended for Last Week)

April keeps playing tricks on us. And we keep wanting rain. Weather man tells us every cold spell will be our last, but they keep coming. Looks like we can not have things to suit us. Isn't it wonderful we can keep hoping.

Most of our Sunday School group attended quarterly conference at Aberdeen Sunday, but a few of us met and had a good lesson, a very inspirational lesson.

Those going to Aberdeen from here were: Mr. and Mrs. J. P. Cummings, Mr. and Mrs. J. W. Gollihugh and family, Mr. and Mrs. C. A. Wright, R. H. Isbell and Charles Wright attended in the afternoon.

Mr. and Mrs. Frank Gillespie and Kay of Roaring Springs came Sunday night after her mother, Mrs. G. C. Wright, to visit them in their home they have just completed at Roaring Springs. Mrs. May Gillespie, Frank's mother, has moved her home adjoining the Gillespie home.

Mr. and Mrs. Bill Barber, Mr. and Mrs. Charles Baber Wayne and Linda of Augusta, Kansas, also Mrs. Buddy Poteet and boys of near McLean were dinner guests of Mr. and Mrs. G. C. Isbell and Billy Saturday night.

Mr. and Mrs. G. C. Wright and Charles, and Mr. and Mrs. R. H. Isbell visited in the Ted Isbell home Saturday.

Mrs. Earnest Maxwell, Don, Earnest Lee, and Johnnie spent the week end with relatives out on the plains.

This community is saddened by the passing of Fred Rodgers. Mr. Rodgers has been ill a long time but was up and going most of the time lately, so his death came as a shock to his family and friends. Mrs. Rodgers is the former Miss Blanche Turner and was reared in the Salt Fork community and has many friends here.

Mr. and Mrs. R. H. Isbell attended church in Wellington at the Nazarene Sunday night.

Mr. and Mrs. Oran Starkey and son and Mr. J. B. Starkey were in our community Sunday afternoon.

Marriage Licenses

Lonzo Jackson Cooper and Mrs. Annie Allene Baker, Blair, Oklahoma, April 18.

Viboras, in Starr County, is derived from a Spanish word meaning "rattlesnake."

Wichita, a county in north Texas, is derived from an Indian word meaning "fond of corn."

1-Plow Pony—62-cubic-inch, 4-cylinder engine, 3 speeds forward.

2-Plow "22"—140-cubic-inch, 4-cylinder engine, 4 speeds forward.

2-3-Plow "30"—162-cubic-inch, 4-cylinder engine, 5 speeds forward.

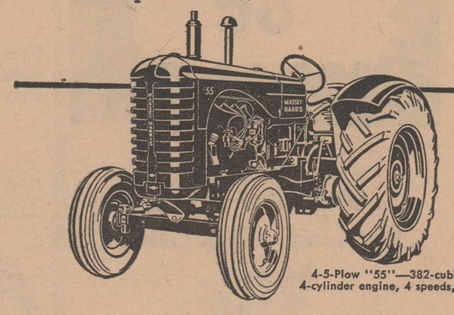

3-4-Plow "44"—260-cubic-inch, 4-cylinder engine, 5 speeds forward.

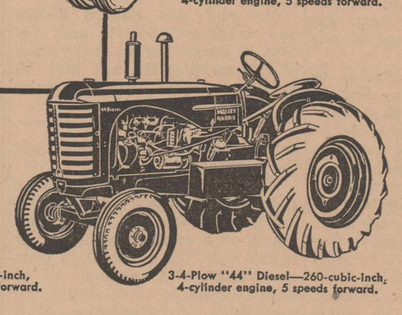

It's out in the field, on your own farm, that you discover the real power in a Massey-Harris. Out in the field doing your regular work . . . watching it lick the tough spots only you know . . . feeling the quick response of a lively engine that's ready to dig in from the word "go."

That's the big test. The test a Massey-Harris likes. The test that will convince you there's more power in Massey-Harris high compression engines . . . more power-saving economy in Massey-Harris straight-line transmission design. It's out in the field where you learn about economy too. The real dollars and cents kind that lets you do more work on less fuel. Economy is built right into a Massey-Harris. Better design in the engine, the transmission and distribution of weight let you cover more acres at less cost.

But try it for yourself. Get on a Massey-Harris. Drive it. Discover a new thrill in better tractor performance.

4-5-Plow "55"—382-cubic-inch, 4-cylinder engine, 4 speeds, forward.

3-4-Plow "44" Diesel—260-cubic-inch, 4-cylinder engine, 5 speeds forward.

FARMERS - RANCHERS

Register for our big Free Prizes

We will give away, absolutely free, at 4:00 p.m. three big prizes. All you have to do is register. This drawing open only to farmers, ranchers and their wives.

1st Prize — Dormeyer Food Mixer 2nd Prize — Sunbeam Electric Iron
3rd Prize — Pair Lawn Chairs

We take this opportunity of thanking our friends for their continued patronage during the time we have been your Massey-Harris dealer.

We think you'll like our new location and we want each of you to come to see us.

We handle MASSEY-HARRIS Tractors, Implements, Combines. in addition to a complete line of parts. Remember, MASSEY-HARRIS is the machinery that is the farmer's best friend.

The Public Needs to Act.

PRESSURE GROUPS MAY DEFEAT TAX ON TEXAS' NATURAL GAS

(Editors Note—Below is a reprint of a letter recently sent to County Judges and Commissioners in Texas concerning the proposed tax on natural gas. We feel it's comments are of interest to the public.)

Gentlemen of the Court:

As you have already noted from the press, the House of Representatives have passed the Natural Gas Tax bill by a vote of 87 to 52. This bill proposes a new tax of one cent per thousand cubic feet for the privilege of gathering natural gas in Texas. It allocates the funds collected on the basis of 1-2 to a rural road fund, 1-4 for incorporated cities for street building and 1-4 for public schools.

Pressures are being applied on legislators in dtvious ways, by thoset who oppose this bill and nothing will be left undone to defeat its passage by the Senate.

Arthur H. Samish, a former legislator of California had this to say, "It isn't my fault that the lobbyist and pressure groups have made a grab bag out of the legislatures and Congress too, but it's the fault of the people and their indifference o public affairs. It's this sort of neglect of the best system of government on earth hat will determine it quicker than Communism or any other kind of isms."

Our Association has gone on record several times, advocating that the tax on natural gas be increased, in order that it may bear its fair share of the State's and its sub-division's administration.

The average price of natural gas at the well head is approximately 5c per MCF in Texas and is taxed at the rate of 5.72 per cent or a little more than 1-4 of one per cent per thousand cubic feet. In Oklahoma the minium price at the well head is 7 cents and in Kansas 8 cents. You can readily see even with an increase of one cent, Texas natural gas would remain the most competitive for the Eastern and West-Coast markets.

Members of the Railroad Commission state that the tax on natural gas should be increased 6 o 8 times its present rate to be comparable to the present tax on oil, using the heat content or BTU as the factor.

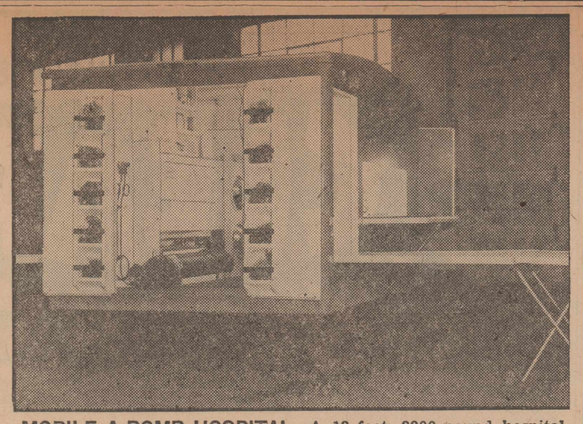

From the Federal Power Commission's release No. 5295-02109: "Washington March 13, 1951—Operating revenues of Natural gas companies reporting to the Federal Power Commission totaled $140,812,532 in December of 1950, an increase of 31.8 per cent over last December. For the 12 months ending Dec. 31, 1950, gas perating revenues aggregated $1, 211,960,354, an increase of 24 per cent over the total reported for the 12 months in 1949.

Net income for the period amounted to $170,259,419 compared to $132,070,625 a year before.

Yes, this industry can pay the one cent, and it will be too late to close the gate when the horse is gone.

CONTACT YOUR SENATOR NOW, as to your opinion of this measure.

Signed, O. F. Dent

MOBILE A-BOMB HOSPITAL—A 12-foot, 2200-pound hospital trailer for treating A-bomb victims was recently displayed in Chicago. Featuring two operating tables that fold out from its sides, oxygen equipment that can handle 10 patients at a time, plasma and transfusion equipment, as well as water tanks for serving hot coffee and tea, the self-contained hospital on wheels can care for up to 100 patients when it rolls into a disaster area.

TSCW Installs New President

DENTON—When Dr. John A. Guinn is inaugrated president of Texas State College for Women April 27, he will offically assume the leadership of one of the best-known state-supported colleges for women.

TSCW, though only 48 years old, has long been established as a college of "firsts." It was the first Texas institution to offer degrees in subjects that train women for careers as well as for the home, such as various home economic fields, music, speech, commercial education, health and physical education, home demonstration for county agents, library science and art subjects.

It was the first state college to establish home economics laboratories, to raise academic standards for entrance, to establish a summer school in Mexico, to erect a chapel on its campus, to establish a kindergarden, to provide residence cottages in home management and to install a complete academic advisory system for its students.

On a beautifully-wooded 220-acre campus, students find fecilities which provide a complete academic, social and religious life. Some 50,000 ex-students have attended TSCW which is now affiliated with all major accreditng organizations and approved by the Association of American Universities. It has awarded 669 master's degrees and 11,056 bachelor's degrees. Nearly half of its faculty hold doctorate degress.

A native Texan, Dr. Guinn came to TSCW from the presidency of San Angelo College. He previousy was superintendant of the Alice, Texas public schools and was head of the English department and dean of students at Scheiner Institute, Kerrville.

Serving in World War II with the U. S. Navy and discharged with the rank of lieutenant-commander, the 45-year-old educator holds bachelor, master and doctor of philosophy degress from the University of Texas. His wife is the former Miss Bessie Alice Mitchell of Bay St. Louis, Miss., and they have three small children.

Dr. Guinn is the sixth president of TSCW, succeeding Dr. L. H. Hubbard who retured Sept. 1, 1950, after 24 years as head of the college.

Norwood Honor Roll Includes 155 Students

One hundred and fifty-five boys and girls were listed on the Samnorwood honor roll for the fifth six-weeks period, Superintendent Orville Cunningham has annuonced.

Thirty-four of these boys and girls had a scholastic average of A. Two of the number came from high school and the remainder the grades.

The list includes:

High school, A roll: Jean Ethridge, Patsy Roark. B roll: Bob Baxter, Jimmy Boyd, George Cunningham, Troy Clark, Laverne Diviney, Shirley Gleaves, Jan Mounger, LaDawn Mayberry, Jerry Martindale, Ray Newkirk, Kay Newkirk, Joyce Offutt, Janice Oldham, Sue Pritchard, Billy Seago, Tom Whitson, Helen Woods, LaVerda, Wiggley, Mazie Benton, Dolores Browning, Ronnie Gooch, Wendell Phillips, Ruby Plunkett, Joan Tanner, Loretta Barnett, Nora Pearl Honeycutt, Martha Kidwell and Catherine Kirklin.

Eighth grade: A roll: Odessa Kidwell. B roll: Sherry Grogan, T. C. Newkirk, Joyce Amerson, Floyd Minatrea, Alice Payne, Carrol Favor, Patricia Keeler, Rosalyn Morgan, Jennell Ferrell, Melvin Woods, Jerry Reynolds, Douglas Thompson, Tommy Jones, Bill Tippie, Truman Ledbetter, Betty Sheffield, Neva Joy Willard, Barbara Oldham, Wilma Cornell, Aleta Coleman.

Seventh grade: A roll: LeDon Terry and Glenda Cook. B roll: Bobby Tippie Judy Hootan, Wanda Scott, Peggy Martindale, Keith Whitfield, Wanda Keeler, Eugene Henderson, Joyce A. Knoll, Elmer E. Willard, Elma D. Schoonover, Bernice Minatrea and Doris Whitson.

Sixth grade, B roll: Roy Hoffman, Mellie Woods, Emma Morgan and Naomi Sechrist.

Fifth grade, A roll: Peggy Smith, Laverne Coleman, Barbara Bruton, Sylvia Payne and Janice Jones. B roll: Harriet Lowry, Patricia Mayberry, Audra Morgan, Barbara Morgan, June Morgan, Jerry Thompson, Harvey Pat Bradley, Virginia Wilson and Jimmy Breeding.

Fourth grade: A roll: John Alexander, Marilyn Cook, David Lindley, Karon Breeding, Francis Wilson, Margaret Oldham, Carol Oldham. B roll: Charlene Schoonover, Bobby Boyd, Bennie Kellogg, S. L. Roberson, Mary Beth Simpson, Alice Johnson, Carolyn Phipps, Tommy Vuckner, Evelyn Sue Coates, Junior Kidwell, Donnie Brown, Billy Gene Marsh, Dennis W. Simpson, Sondra Browning, Helen Vick, Harold Bradley, Rachelle Clark, Don Marchant and Ronald Schoonover.

Third grade: A roll: Marie Martindal and Doris Woods. B roll: Mary Ann Bockman, Mary Lou East, Molly Ann Hoffman, Donna Beth Johnson, Kenneth Martinlale, Lavern Minatrea, Guy Newkirk, Kay Schaub, Arthur Talor, Carolee Taylor, Jimmie Willard.

Second grade: Patricia Oldham, Annie Latimer, Elaine Tate, Joel Lowry, Virginia Henderson, Carleen Myers, Marilyn Plunkett, Rose Bradley, Jackie Oldham, Dean Marchant, R. B. Bockman. B roll: Huey Oldham, Mary K. Elder, Barbara Plunkett, Linda Garner, Joyce Vick, Ruby Wilson, Joy Kindrick and Virginia Young.

First gral: A roll: Randall Murry, Jerry Brown, Barbara Favors and Pete Smith. B roll: Linda Webb, Sue Lathem, Billy Kidwell, Dorothy Roberson, Gene Sherwood, Bully Tate, Mary Sue Reeves and Etta Lou Harvey.

More Feed Needed

Farmers Urged to Plant Sorghums If Wheat Fails

Collingsworth County farmers are urged to plant grain sorghums in areas where the wheat crop has been lost due to drought and insect damage. J. A. Coleman, chairman of the county PMA committee, today pointed out that American consumers are displaying a strong demand for meat. And in order to assure this demand for meat ample supplies of feed must be on hand.

Feed is the essential factor in maintaining livestock numbers and meat production at their present high levels. Meat production is now at a high level and output in 1951 is expected to exceed last year's about 5 per cent. Prospects are that demand for meat will call for further increase in production.

"While feed supplies are available at the present time, it must be remembered that livestock numbers are high and represent a heavy drain on these supplies," Mr. Coleman said. In fact, this year will probably see declines in reserves of many feed concentrates. For instance, with a near-record corn crop of more than 3 billion bushels in 1950, our reserves of this most important feed grain may be reduced by 250 to 300 million bushels by October of this year.

In Texas, the wheat crop has been seriously damaged by drought, and insect damage. This loss, as far as feed is concerned, can be replaced somewhat by planting grain sorghums in areas where cotton is not adapted.

"We can readily see the importance of this grain sorghum program when we realize that if feed grain production in 1951 turns out as indicated by the BAE report of farmers March 1 intentions to plant, production in 1951 will be six per cent less than last year," Mr. Coleman said. "We hope that farmers in Collingsworth county will review their planting intentions and decide to plant more grain sorghums so vitally needed in the defense effort."

Two state meetings are being held this week under the direction of the Texas Agricultural Mobilization Committee, which will highlight the need for increased production of grain sorghums. These meetings are being held in Amarillo on May 2, and in Abilene on May 3.

Those attending the Amarillo meeting from Collingsworth county were: J. A. Coleman, A. J. Peters, Lewis Morris, J. W. Thomas and Millard P. Brown.

SALT FORK

By MRS. R. H. ISBELL

By the time you are reading these items the blustery month of April will be gone, and most of us will be glad. May is considered the nicest month of the year. This part of the county has had several showers the past few days. We are hoping the sandstorms will stop now.

It is cotton planting time. Farmers will surely be busy planting now.

Sam Gholson was our speaker Sunday, April 29, everyone really enjoyed his good talk, and hopes he will come again soon. Mr. Gholson was accompanied by his daughter and Myrett Henry.

Mr. and Mrs. G. C. Wright has returned home from visiting her daughter and family, Mrs. Nellie Gillespie, at Roaring Springs. She also spent a few hours in Lubbock Wednesday with Mrs. Lila Mae Bolton and family and Mrs. Geraldine Spears.

Mrs. Ray Maxwell and children vsited Mrs. C. A. Wright and Mrs. Edna Maxwell last Thursday.

Among those attending the REA meeting last Friday from here were Mrs. G. C. Wright, Mrs. Bell Mitchell and two grandsons, Mrs. Willie Morris, and Mr. and Mrs. Isbell.

We were all so shocked at the tragic death of the Sorrell's grandson. Our sympathy goes out to all the loved ones.

We saw a number of folks from out of town at the REA meeting last Friday. Among them were our long time friends, Mr. and Mrs. T. E. Trostle, of Lela, Texas.

Mrs. Opal Maxwell and boys were callers in our community one afternoon last week. They were just back from a visit with her grandfather out on the Plains.

Little Billy Leon Isbell is improving rapidly now.

Mr. and Mrs. Dee Harris spent last week with the J. W. Gollihughs. They had been visiting with Mr. and Mrs. Dave Brewer down in Childress county. Mrs. Harris is feeling lots better now and is walking very well to have been in such bad shape for so long with a broken hip.

We regret very much that Mrs. Walter Needham was so ill last Sunday. We hope she is soon up again.

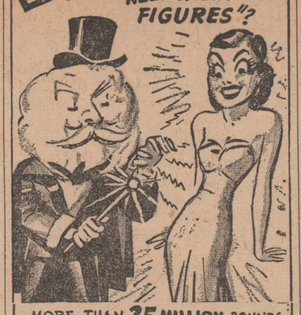

Mr. and Mrs. Ted Isbell and family, Mrs. G. C. Wright, and Mr. and Mrs. R. H. Isbell all attended church in Wellington Sunday night at the Assembly of God church.

Folks please do not forget our Bake Sale Saturday, May 12. We need your help.

Mrs. Arthur Dakil and Rose Shadid attended the wedding of Mrs. Dakil's cousin, Tommy Alex, Sunday at Elk City. He married Blanche Elbert of that city in a beautiful Nuptial Mass at the Catholic church there.
