Lamb, Swine, Steer Divisions

Mitchell County Livestock Show To Open Thursday

The 42nd Annual Mitchell County 4-H and FFA Livestock Show will be held Thursday, Friday and Saturday. Sponsored by the Mitchell County 4-H and FFA Livestock Show Association, the livestock show will be held at the Mitchell County Agriculture Barns located on West Hwy. 80. Judging will begin Saturday at 8:30 a.m. Lambs will be judged first. At 10:30 a.m., swine will be judged and at about 1:30 p.m., steers will be judged.

Bob Benson, Mitchell County extension agent, noted that there will be a 30 minute break between divisions. Don Ballard, vocational agriculture teacher from Tahoka, will judge the swine division. Sheep will be judged by Kyle Smith, county extension agent from Seminole and steers will be judged by Ronnie Wood of Big Spring. Boys and girls who will be nine years old and who will not be 21 years old before the day

of the livestock show may enter competition. Each exhibitor must be a member of 4-H or FFA and must have cared for the animal under supervision of the Mitchell County agent or a vocational agriculture teacher. In the lamb division, Benson said about 70 entries are expected. Donald Smith is sheep superintendent and Harry Dockrey is assistant superintendent. Each contestant may enter six lambs in the show and exhibitors must have owned and been caring for the lambs three months prior to the day of the show. The lambs must weigh 80 pounds or more, except 65 pounds for Southdowns. All exhibitors must have their lambs in the show barn by 6:30 p.m. Thursday, said Benson. Classes for the lamb division will be as follows:

Trophy for Grand Champion Lamb will be donated by First State Bank, Lorraine. Colorado City Record will donate the trophy for the Reserve Grand Champion Lamb. Best Lamb Bred in Mitchell County will receive the Jim Maddox Memorial trophy, donated by Jay Adams Chevrolet. Some 90 entries are expected in the swine division, said Benson. Aaron Carpenter is swine superintendent for the show. Assistant superintendents will be Stanley Moore, Dwayne Harris and Eldon Harris. See SHOW, Page 10

only school district over which the county superintendent had any jurisdiction and was one of the few remaining rural school districts in the state. Westbrook had been a rural school district since 1949 and was the last vestige of a time when rural school districts were the rule rather than the exception. Caddo Matthews, the present superintendent, has held the position for the past four years. Prior to Matthews' term, Roy Davis Coles had served in the job for some 40 years. The abolition of the position was brought about by the 65th legislature when a law was passed stating that the county superintendent's office and his salary would no longer be funded by the state as of Jan. 1, 1979. As a result of this law, voters in the Westbrook School District, the only remaining rural school district in the county, went to the polls on Aug. 12, 1978 and voted 59-0 to convert Westbrook to an independent school district. Westbrook was the

Shepherd, North Champion, Lowe, Horn's Chapel, McKenzie, Conway, Little Sulphur, Baumann, Landers, Silver and Hyman. These school districts began consolidating after this time and by 1949 there were only three school districts in the county, the Colorado Independent School District, the Lorraine Independent School District and the Westbrook Rural School District. The three school districts had remained as they were since that time until Westbrook's decision to become independent. Mitchell County Judge Bill Carter said Tuesday that the abolishing of the county superintendent's position would cause no great changes or difficulties. Carter said that he would take over the few remaining duties of the superintendent and that the equipment in the superintendent's office would be distributed among the three school districts. The other county school board members who in addition to Matthews will be leaving office are C. C. Thompson, Chairman, J. M. Templeton, Tom Moore, A. F. Ellis and Willie Bell. Thompson has served on the board since 1931.

Council Conducts First Interview

"A city is big business and must be treated as such," City Manager prospect Rick Kuehler told the city council as he went before them in a job interview Thursday night.

Kuehler was the first applicant to be interviewed by the council and he and they carried on a detailed discussion, most of which concerned his qualifications and his feelings about the city's present finances.

At the beginning of the meeting, the council members stated plainly that they were aware that the city's current money situation was not the best.

Council Member Jody Neff stated that the current budget deficit had been caused by inflation and the demand for increased city services.

City Secretary and acting city manager Brenda Tarter added that "in the shape

we're in now, we'll be more than lucky if we come out with a black zero on April 30."

At that point Kuehler admitted that it made him uneasy to see so big a deficit. He was referring to the city's Nov. 30 general fund cash balance deficit of about \$75,000.

Before the end of the session, the money matters were again brought up with Kuehler stating that he thought that the financial deficit could be turned around, but not by April 30. He further added that it would take the total cooperation of everyone involved to solve the problem.

Kuehler stated that he thought that one of Colorado City's problems was the time of year during which the taxes come in. In Gladewater, property taxes are due in August, whereas here they aren't due until January. He went on to add that it is much easier to see where you are and what you can spend when you already have the money collected.

Kuehler, 28, is a native of Munday, Texas. He received a bachelor of science degree in Political Science from North Texas State University in 1973 and also received a masters degree in Public Administration from North Texas State.

During his summers while in college, Kuehler worked as an administrative intern with the East Texas Council of Governments in Kilgore and also as an administrative intern for the city of Hurst, Texas.

After graduation, he returned to the East Texas Council of Governments as Regional Planner-Manpower Ser-

vices. He stated that his responsibilities at this time included "the planning, research and operation of coordinating public service jobs for the unemployed and underemployed in a 14 county area."

Since 1975 he has served as Director of Finance-City Secretary for the City of Gladewater. Kuehler stated that as of Jan. 1, 1979, he will assume the position of Assistant City Manager of Gladewater.

He stated that during his time at Gladewater, he has handled all of the city's applications for federal grants and that it has received 3.2 million dollars in

federal grants during the past three years. This figure included a 1.2 million dollar airport which was 95 per cent federally funded.

He also said that he has been responsible for personnel matters and has worked with the city departments "even to the point of laying asphalt with the street crew."

When asked why he was applying for the position, Kuehler simply said that he thought it was time "to look for a city of my own." He also stated that he was interested in moving to West Texas because he would be closer to his family.

Kuehler finally said that at present he is receiving a salary of \$18,000 a year plus \$2,000 per year car expenses. When asked what his See COUNCIL, Page 3

Chamber Banquet Jan. 18

A limited number of tickets are still available for the annual Chamber of Commerce banquet.

According to Chamber Manager Larry Winders, a total of 306 tickets will be sold for the banquet.

"Ticket sales were moving well but slowed down a little during Christmas. We're expecting sales to pick-up again," said Winders.

The banquet will be held Jan. 18 at the Colorado City Civic Center and will begin at 7 p.m.

Tickets are on sale at the Chamber office, Free's Friendly Shop, City National Bank or from any Chamber director or officer.

Cost of tickets is \$8 per person.

Guest speaker at the banquet will be Don Maynard, famed wide receiver for the New York Jets and former Colorado City resident.

New Year Holiday Monday

Most Mitchell County businesses will be closed tomorrow (Monday) in observance of New Year's Day.

The Colorado City Record will be closed for New Year's Day but will reopen Tuesday at 8:30 a.m. Thursday's edition of the Record will contain a review of activities which have taken place throughout the year.

Classes for Westbrook and Lorraine students and faculty will resume Tuesday at the regular time.

Colorado City students and faculty will return to classes Wednesday at the regular time.

Britton's Expands 4,500 Square Feet

A total of 4,500 square feet will be added to Britton's Furniture and Accessories with renovations now being made.

According to J. C. Britton, owner and operator of the business, the expansion should be completed by mid-April.

Britton has purchased the Majors building and will expand his store to that area and build a warehouse behind the Majors building.

Some 3,200 feet will be added to the sales area of Britton's and 1,300 feet will be added for storage space.

The dining room section will be enlarged for display and a larger gift and accessory line will be added.

"It will give us a good increase in room and allow us to handle more items," said Britton about the expansion.

The rustic frontier-looking storefront at

Britton's will be expanded across the Majors building. Charles Ezell of Colorado City is the contractor handling the construction.

Britton's has been in the present location since February 1976.

EXPANSION OF BRITTON'S Furniture and Accessories has begun with April set as the expected time of completion. Some 4,500 square feet will be added to the sales area and the storage area.

A New Year- A New Leaf

Rev. Bob Grayson

Pastor

Calvary Baptist Church

Today is the last day of 1978, and tomorrow by God's grace we will begin a new year-1979. One of the great things about a new year is the opportunity for a new start; or a fresh attempt at doing better in life. Paul says in the book of Philippians that he still hasn't become what he wants to be, but he is forgetting the things of the past and concentrating on what he desires to be true in the future. New resolutions are healthy and helpful.

But before we concentrate fully on the future and the new year of 1979 we need to evaluate the past and 1978. We shouldn't live in the past but we shouldn't fail to learn from the past. None of us are the same person today that we were on January 1, 1978. Our minds, bodies, and personalities have all changed. Because of good diets and exercise some of us are healthier today than we were a year ago. Because of neglect, or an accident, or just older age, some or most of us are not as healthy as we were a year ago. In the same way we have changed in our spiritual health or maturity. Some of us have grown spiritually and are walking closer with the Lord, but some of us have drifted and dried up in our spiritual walk with the Lord. The difference a year makes is the result of how we think and act during 365 individual days.

After we evaluate this past year then we are ready to forget the past with its defeats and failures and to press on to becoming more like Christ in 1979. New habits and patterns of life can be developed. The power of God is available to enable me to change. This new year can be the best year of my life. Tomorrow is the first day of the rest of my life. But to let the failures of the past precondition me to expect and accept failure in the future is to guarantee failure. That is why we always benefit by making new resolutions or plans each new year. The following poem states it well.

THE NEW LEAF

He came to my desk with a quivering lip;
The lesson was done.
"Dear Teacher, I need a new leaf," he said.
"I have spoiled this one."
I took the old leaf, torn and blotted,
And gave him a new one, all unspotted:
And into his sad eyes smiled,
"Do better now, my child!"

I came to the Throne with a trembling heart,
The year's work was done;
"Dear Father, I want a new year," I said,
"I have spoiled this one!"
He took the old year, torn and blotted,
And gave me a new one, all unspotted:
And into my sad heart smiled,
"Do better now, my child!"

The Colorado City Wolves dropped a five point, 43-38 decision to Sweetwater Friday night, but despite the games outcome, Coach Mike Hart called it a "moral victory" for his team.

"We hadn't been playing well lately and we really needed a good

ballgame," Hart stated and then went on to say that he "was proud of the way the boys came through."

According to the coach it was mostly a slow, deliberate game with neither team being especially hot from the floor. Colorado City shot 38 per cent from the hardwoods.

The Wolves only lead in the contest was a one point advantage briefly in the third quarter. They had several chances to go ahead in the final frame but, according to Hart, "The shots just wouldn't fall."

Colorado High who now has a 4-6 record, was led by Dwayne

Staats with 12 points. Ricky Sanchez tossed in nine while Tony True-love had eight and Gene Carter had six.

Sweetwater led 23-18 at halftime.

Hart stated that he was especially proud of Rodney Wheeler, Russell Noel and David Rivera who came off the bench in the last half and played good defense.

Hart said that he didn't let Ronald Proctor get into the contest because he didn't want to risk Proctor reinjuring his knee at this point in the season.

Above all, Hart stated that it was a good, clean ballgame.

Coach Mel Gierhart's Wolf junior varsity basketball squad took on Sweetwater on the road Friday night and chewed up the Mustangs thoroughly in an easy, 57-29 win.

Publication Recognizes Local Team

The November issue of "Texas Basketball, Big Country Edition," devoted three short paragraphs to the Colorado City Wolves boys basketball team and to an analysis of their prospects for repeating as District 6-AA Champions.

Texas Basketball had the following to say about the Wolves.

"Coach Mike Hart has four excellent players back and could repeat as district champs. Ballinger should be the Wolves highest hurdle."

"Ronald Proctor and Rickey Sanchez are all-district performers from last season. Ron and Rick carried 16 points averages. Gene Carter is back with a 10 point average as is David Rivera."

"Coach Hart is an excellent basketball coach. Texas Basketball feels that he may have the inside track to the 6-AA throne room again this year."

Colorado City was the only team in the district that was given any space in the magazine.

Chuck Claxton led the Wolves with 16 points and was aided by Clay Hammond with 13 and Charles Edwards with 11.

Gierhart stated that his team played a tremendous game on defense and did very well rebounding. He especially noted the efforts of Hammond and Doug Johnson on the backboards.

The amazing thing about the contest how-

ever, Gierhart said, was that Colorado City shot 63 per cent from the floor. He stated that he couldn't remember a team of his ever having had that high a percentage before.

The Wolves led 8-5 after the first quarter and 28-18 at halftime.

Colorado City's ninth grade boys team were also supposed to play Sweetwater Friday night but because of schedule difficulties, the game was cancelled.

★ COUNCIL, from page 1

salary requirements would be before he would consider accepting the position here, he declined to give a specific figure but said that he would expect some kind of a raise.

Former City Manager James Campbell was receiving a salary of \$19,200 per year plus \$2,400 car expenses when he resigned.

Kuehler was not the only applicant scheduled to be interviewed Thursday night. The meeting had been set up because Charles Walker, acting city manager of Palo Alto, California had requested that time. However, Walker failed to show up and also failed to contact city officials here to give a reason as to why he was unable to appear.

Another interviewing session is scheduled for Jan. 5 in which Steve Sundby, assistant city manager at Littlefield and Glenn D. Brown, assistant city manager at Abilene are scheduled to appear.

In addition to the interviewing session, Certified Public Accountant Joe Morren appeared before the council to give an audit report of the city's cash balances as of Nov. 30. What he had to say was mostly old news to the city leaders.

As of the end of last month, the city had a deficit in its general fund account of \$75,706.42. Added to this at that time was accounts payable of \$18,999.88 giving a total deficit of \$94,706.30 for the general fund.

Brenda Tarter did point out one bright spot amidst the problems city hall has been having. December tax collections have amounted to around \$40,000, far more than had been anticipated. She said that this should bring the city's general funds December deficit down to around \$69,000. It had been feared that it would rise to around \$100,000.

In addition, the water and sewer account also showed a cash balance deficit of \$2,722.38 and an accounts payable deficit of \$6,906.38 giving the city a minus zero figure here of \$9,628.76.

Morren did say that the accounts payable had been paid in December.

On the last page of his report, Morren prepared a column of figures which laid out in black and white the reason for the city's present situation.

A comparison of expenditures for the different areas of the general fund for November 1977 and November 1978 showed that there had been an increase in spending of \$76,640.18 during November 1978 over the same month last year.

During November 1977 total general fund expenditures were \$341,150.58, a year later they amounted to \$417,790.76. A breakdown of the amount of increase in each area is as follows: City Council Special Services, \$11,214.63; Police-Labor, \$4,862.96; Fire Maintenance

Equipment, \$4,154.09; Street-Labor, \$8,553.45; Street-Tools & Supplies, \$10,870.12; Street-Street Lights, \$3,897.75; Insurance-General Fund, \$4,706.77; various other funds, \$28,380.41.

There was also a \$4,045.49 increase in the amount spent in the water and sewer fund during November 1978 as compared with the same period last year.

Another interesting chart presented by Morren was a comparison of the property taxes collected through Nov. 30 of this year with the past two years.

Through Nov. 30, 1976, there had been \$147,868.17 collected, at the end of that month in 1977 the figure was \$76,077.73 and the amount collected at the end of last month was \$71,230.17.

The difference in the 1976 figure from the two latter years can be explained because in 1976, the city gave discounts for those who paid their taxes early, a three per cent discount in October, two per cent in November and one per cent in December. This brought in some of the money earlier, however, the practice was discontinued because of the great amount of extra paperwork required. The discounts also did not bring in any more total collections.

In 1976 with the discount, 88 per cent of the taxes were collected. In 1977 without the discount, 94 per cent were collected.

Chamber Board To Elect Officers

The Colorado City Chamber of Commerce board of directors will meet Tuesday to elect officers.

Nominated to serve as officers for 1979 were Mac McKinnon, president; Shirley DeLaney, vice president; Ken Godsey, vice president; Loyd Ledbetter, secretary, and Larry Blassingame, treasurer.

Besides electing offi-

cers, the board of directors will also work on the budget for next year.

Chamber Manager Larry Winders noted that the 1979 budget will be larger than last year's because the Chamber has planned more activities.

The meeting will begin at 7 p.m. at the Chamber office located in the Civic Center.

Increase In Admissions

Root Memorial Hospital Business Manager George Witten reported to the hospital board Tuesday night that there had been a seven per cent increase in the number of admissions to the hospital for the months of October and November over the same period last year. October and November were included in the report because they are the first two months of the hospital's 1978-79 fiscal year.

Witten reported that the hospital had had 334 admissions during the two months mentioned this year as compared with 313 admissions for the same period last year. He also reported a total of 1,739 inpatient days spent in the hospital's 39 rooms as compared with 1,617 days for October and November of last year.

Root Memorial Hospital has 36 general care rooms and three special care rooms, a room for intensive care patients, a room for coronary care patients and a room for patients in isolation.

Other figures which the business manager noted were an average daily census of 28.5 patients for the 39 rooms as compared with 26.5 for October and November of 1977 and a percentage occupancy of 73.1 for the hospital as compared with 68.0 with

the same period last year.

Finally, Witten said that there had been 57 operating room visits so far in the fiscal year as compared with 67 last year and 41 obstetric deliveries as compared with 31 for last year. There have also been 1,107 outpatient visits as compared with 1,372 for last year.

Witten noted that outpatient visits include such things as people coming in for physical therapy and respiratory therapy but does not include doctor's patients coming to the hospital for treatment or any kind of tests.

Graveside Services Saturday

Rhonda Kay Childers, infant daughter of Mr. and Mrs. David Childers of Sonora, died Friday morning at Angelo Community Hospital in San Angelo one hour and fifteen minutes after birth.

Graveside services were at 10 a.m. Saturday in the Loraine Cemetery under the direction of Kiker-Seale Funeral Home.

Survivors include her parents, David and Jeannie Childers and her maternal grandparents, Mr. and Mrs. Gene Smith of Loraine.

Mitchell County Hospital District Balance Sheet September 30, 1978

Board of Directors
Mitchell County Hospital District
Colorado City, Texas 79512

Gentlemen:

We have examined the Balance Sheet of the several funds of the Mitchell County Hospital District as of September 30, 1978, and the related income statement for the period then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such test of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Explanations and comments on accounting procedures are explained in the "Notes to Financial Statements."

In our opinion, the accompanying balance sheet and income statement present fairly the financial position of the Mitchell County Hospital District at September 30, 1978, and the results of its operations for the period then ended, in conformity with generally accepted accounting principles applied on the basis consistent with that of the preceding year.

Respectfully submitted,

Joe H. Morren
Certified Public Accountant

★ SHOW, from page 1

Each contestant in the swine division is entitled to enter six barrows in the show. Each barrow exhibited must weigh no more than 250 pounds nor less than 190 pounds.

Exhibitors in the show must have owned their animals prior to Nov. 5 and must have cared for their entries from that time until the day of the show.

Pigs must be weighed in by 6 p.m. Thursday.

There will be seven classes in the swine division with the superintendent deciding the classes.

Trophy for the Grand Champion Barrow will be donated by Lone Wolf Electric Co-op. Trophy for the Reserve Grand Champion Barrow will be donated by Colorado Feed and Seed.

In the steer division, Benson noted that about 32 entries are expected.

Steer superintendent is Eddie Mitchell and assistant superintendent is Jim Dockrey.

Each contestant is entitled to enter only four steers in the show and must have owned their steers for at least five months prior to the show date.

All calves entered in the show must be in the barn by 6:30 p.m. Thursday and will be weighed in beginning at 7 p.m. First prize steers of each class will compete for Grand Champion steers.

Classes for the steer division are as follows:

-Class 1, heavy, equal according to weight.

-Class 2, medium, equal according to weight.

-Class 3, light, equal according to weight.

The trophy for Grand Champion Steer was donated by City National Bank. For Reserve Grand Champion Steer, Agri Supply donated the trophy and for Best Calf Bred in Mitchell County, American Breeders Service donated the trophy.

A special showmanship trophy will also be presented at the show. Presented by the Mitchell County 4-H and FFA Livestock Association, the Robert Cooper Memorial trophy will go to the outstanding showman who exhibits in two or more divisions and must own animals in at least one division.

Showmanship awards—given by Hutchins Ford Sales—will be presented in the lamb, swine and steer divisions.

Herdman awards will also be presented to exhibitors in each division who maintain their pen or stall area to keep it neat and clean. Dink Rees is furnishing the Herdman Award for steers and heifers, Jimmy Moody is providing the award for swine and

Bobby Lemons for sheep.

Benson noted that about \$3,200 in prize money will be awarded at this year's stock show.

Show committees and officers for this year's show include the following: David Stubblefield, president; Charlie Light, vice president; Jim Dockrey, secretary; Bobby Lemons, treasurer and Joe Weaver, finance chairman.

Superintendent of weights and tags is Don Stewart, assisted by David Marion and Bob McClure. Mitchell County Commissioners are in charge of building and grounds.

Awards will be presented by Mitchell County Judge Bill Carter. Assisting him will be FFA Sweethearts Karen Brown from Colorado City, Jill Linam from Loraine and Jana Shackelford from Westbrook.

What is replacement cost insurance on your home?

In most cases, homeowners are fully protected against partial losses. However, in the case of losses of significant size, they must be sure to have maintained their coverage at 80 percent of current replacement cost to collect the maximum amounts permitted under their policy. This means no depreciation will be taken on the house in case of a loss.

Rising costs, inflation or other factors can leave you short of this 80 percent minimum. You could be disappointed to discover that you are not covered to the extent to thought.

Your independent agent will be happy to discuss this subject with you.
