\$12.1 million road work scheduled in County

Highway and bridge construction underway and planned in Mitchell County during the current fiscal year Sept. 1987 through August, 1988, will amount to \$12,111,193, Bill Burnett, District Engineer from Abilene, told Kiwanis Club Tuesday. Two projects, let in September that are already underway in-

clude the reconstruction of six miles of Highway 163 from Colorado City south to FM 2836 at a cost of \$1,216,555; and widening of a bridge on FM 1808 over the Colorado River in northern Mitchell County, at a cost of \$617,165.

A \$2,423,097 project to widen SH 208 from IH20 north to the

Scurry County line was just let by the Highway Department last week. Construction on the 7.9 mile project is expected to get underway soon after the first of the year.

Three more Mitchell County projects that are scheduled to be let in December include:

- Seal coating of IH20 service

roads from FM 1229 to FM 1899, 7.5 miles, \$134,400;

- SH 208, from 7.2 miles south of Colorado City to the Coke County Line, a distance of 16 miles at a cost of \$1,769,962;
- Seal coating of SH 305 from Howard County Line to Scurry County line, 24.3 miles, portion of which is in Mitchell County, at

a cost of \$249,319;

Other projects scheduled from January through August of next year are:

- Reconstruction of FM 1229 from FM 670 to SH 350 in northern Mitchell County, 9.9 miles at a cost of \$1,478,098, scheduled to be let in January;
- IH 20 Morgan Creek exit

widening, west of Colorado City, \$711,000, to be let in February;

- IH 20 resurfacing from 3 miles west of Colorado to 3 miles east of Colorado City, total of 7.8 miles, \$2,293,1000, to be let in March;
- Widening of the bridges on IH 20 across the Colorado River, See HIGHWAYS, Page 2

Answer line...

Q. How many deer will be killed in Mitchell County this hunting season?

A. Game Warden Ronnie Aston estimates during the season, which opens Saturday and continues through January 3, that 1,000 to 1,200 white-tail deer of both sexes will be legally taken in Mitchell County.

Briefly

Get Well Card

The Chamber of Commerce is compiling a community-wide "Get Well" card for Perry Mitchell. Everyone is welcome to come by the Chamber office to sign the card, which will be presented to Mitchell by a special delegation later.

Opti-Ms. meeting

The Opti-Ms. Club meeting has been changed from Nov. 12 until Thursday, Nov. 19, at 7 p.m. at which time members will meet at the Boy's Club for a work day.

Members are urged to wear old clothes. Anyone who is interested is invited to attend.

DEFOLIATED COTTON has turned many of Mitchell County fields solid white and stripping activities are well underway. There have been extra good per cent turnout of bolls and yields have been running between 1 to 1 1/2 bales per acre. For those farmers who have not used harvest-aid chemicals, several nights of frost will open even more bolls, then after the first hard freeze they, too, will begin harvesting. Approximately 50,000 bales are expected to be produced this year.

County pays more SH208 costs

Among numerous small items considered by Mitchell County Commissioners' Court at its regular meeting Monday afternoon, one of the most important actions was approval of funds for the widening of Highway 208, and the most important non-action was to a challenge of its right to set the salary of the County Attorney's secretary.

County Judge Bill Carter reported to the Court that the

County cities get \$31,094 tax rebates

State Comptroller Bob Bullock on Friday sent checks totaling \$31,094 in local sales tax to the three Mitchell County entities that levy the one-percent city tax.

Colorado City received a check for \$28,933, down somewhat from the \$30,187 received for the same period last year. The 1987 payments to date total \$229,012, down 4.09 percent the 1986 payments to date of \$238,780.

Loraine's check totaled \$1,155, compared to \$1,175 for the same period last year. The 1987 payments to date total \$5,646, down 5.04 percent from the 1986 payments to date of \$5,946.

Westbrook's check totaled \$1,055 compared to \$1,192 for the same period last year. The 1987 payments to date total \$6,969, down 40.47 percent from the 1986 payments to date of \$11,245.

Overall, Mitchell County is behind 5.71 percent compared to the same period last year.

November checks represent taxes collected on sales made in September and reported to the comptroller by Oct. 20. This month's checks also include third quarter allocations, which reflect sales reported to the comptroller on a quarterly basis.

See REBATES, Page 2

Highway Department had under estimated the cost of moving TU Electric utility polls to allow widening of Highway 208 by over \$40,000, and the State requested an additional \$3,800 as the County's share. The County had already paid \$1,000 requested. The Court approved the additional amount. Thus, it appears that planning is moving ahead on the project to widen 208 from IH20 to the Scurry County line, at a total cost, Judge Carter estimated, of nearly \$2 million.

SALARY DISPUTE

The Court had received a letter from County Attorney Clay Strange requesting a reply by November 15 to his challenge of the Court's action cutting the salary of his secretary in next year's budget, or he planned to take the matter to District Court.

See COUNTY, Page 2

Kiwanis Clubs to fund park playground

The Colorado City Kiwanis Club, Tuesday voted to join the Kiwanians, to fund the installation of a new playground and equipment at Ruddick Park.

Portions of the \$250,000 grant received by the City for the park improvements still remain. Cost of the playground equipment being considered is approximately \$10,000. The grant funds can be utilized with 50% participation. The Kiwanians have already pledged \$2,000 toward the project. Tuesday the Kiwanians agreed to raise and contribute \$3,000 toward the project.

Thackerson sworn-in, Hoback resigns from City Council

Rex Thackerson, took his place on the Colorado City Council after being sworn in by City Secretary Kay Craghead, at the Council's regular meeting Tuesday night.

Thackerson is fulfilling the unexpired term of Phil Anderson, who has moved, until the May, 1988 election, after appointment by the Council.

However, the Council regretfully had to accept the resignation of Robert Hoback, who has

served on the Council since 1982. Hoback indicated in his letter of resignation that due to Article 12 of the City Charter, regarding conflict of interest provisions that he was forced to resign. At the conclusion of the meeting, he was presented with a plaque recognizing his service to the City.

Mayor Jim Baum appointed a committee of himself and Council members Dan Johns and Dee Hearn to receive suggested names

See CITY, Page 2

By School Board

Computers purchased new policies approved

The Colorado Independent School board of trustees Monday night approved the purchase of computer software and hardware totaling \$21,000.

Supt. Charlie Uselton explained that the school district must have attendance reports on computer beginning next school year as a part of state-mandated changes.

Also included in the software purchase Monday night was a program designed for principals and Asst. Supt. Don Nimmo to use in the teacher appraisal process.

Gene Hayes of Austin, a representative for TECS, a computer company specializing in designing programs for school districts, was at Monday night's meeting to explain the various programs and what equipment is needed to be used in conjunction with the central computer system.

"Texas has unique reporting requirements," said Hayes of the state-mandated requirements, adding that his company works only with schools in Texas.

He said the aim of the new reporting requirements is so that the state can obtain a "true cost of education".

Hayes' company does not have the appraisal program required by Nimmo. Nimmo said the appraisal program is available from another company.

Nimmo further said that the computer appraisal program will be save time as well as be more accurate.

Included in Monday night's purchase are computers for each of the four principals and the high school counselor.

In other business, the board approved the 1987-88 textbook committee for selection of textbooks for the 1988-89 school year.

See SCHOOL, Page 2

More than 500 deer hunters expected here

More than 500 hunters are expected to swarm into Colorado City by Friday for the opening of deer and turkey hunting seasons in Mitchell County, Saturday, November 14.

In addition, hundreds more are expected to be passing through the County enroute to other hunting sites. Highway 208 is expected to be carrying near bumper-to-bumper traffic throughout the day.

Local motels, restaurants, grocery stores, and beverage outlets as well as the landowners, are expected to enjoy good added business from the hunters.

Game Warden Ronnie Aston said that every available acre in south Mitchell County has been leased for the season by hunters. No day hunting privileges are available.

He reported that there is an excellent crop of both deer and turkey, as well as quail for which the season opened last Saturday.

"We have the best deer, turkey and quail populations we have in over three years," Aston said.

For The Record...

by M. Gene Dow, GM

FROM THE SCRIPTURES—"You shall not lie with a male as with a female: that would be loathsome." Leviticus 18:22.

In 1985 the Adopt-a-Highway program was begun, allowing groups of private citizens to adopt two-mile sections of highway for litter pickup. The highway department provides the groups with safety vests, litterbags, safety instructions, and installs signs at each end of the adopted section giving credit to the group. In June the highway department stopped accepting any new groups, pending a review of the program, regarding political organizations and the program's cost-effectiveness. I recalled that the program reportedly was stopped because application was made by a group of lesbians and gays. A news release was received this week announcing the resumption of the program, but no mention was made of the lesbian/gay problem. I contacted the highway department and was told that the question was not the lesbians and gays but the word "political" appearing in the name. The program cannot be used to further any political cause, like litter picked up by "Com-

mittee for John Doe, candidate for dog catcher." Or by "CATS—Citizens Against Tomcat Spaying". It was determined that the Austin group had no political motivation, so now driving into Austin you will see the signs that the next two miles have been adopted for litter control by "Austin Lesbian/Gay Political Caucus." I'm glad we got that problem solved.

THE LONE WOLF SAYS, There are people who can talk sensibly about a controversial issue without taking sides. They are called humorists.

A guy with high boots bought a drink for a nice looking gal sitting at the far end of a bar. She acknowledged with a nod. Later he sent her another drink. This time she accepted but gave him a wave off. When it happened a third time, she got up, came over to the guy and said:

"You don't seem to understand, I am a lesbian ... I like girls."

"Golly," said the guy, "I must be one, too, I like girls... I thought I was an Aggie."

DID YOU KNOW? By early summer of 1987, more than 2,300 groups had adopted 2-mile sections of state highways for litter control.

Gene Dow

COUNTY

From Page 1

The Commissioners' believing it was their legal right to set salaries, took no action.

Justices of the Peace Joan Merket and Ruby Claxton told the court they had selected the best software program out of four investigated, to computerize their offices. However, since the \$30,000 cost was out of the price range anticipated and on TI equipment, not compatible with the County's main IBM system, the Court recommended that they continue investigating other possibilities.

Adult Probation Officer Donna Starr reported that the criminal probation population in Mitchell County was up to a local case load of 216, almost twice recommended level for this size office. However, she said the biggest problem at the present time was lack of privacy for investigator interviews in the office which is divided off now by a temporary screen. She requested that the office be petitioned off with a permanent wall. Commissioners Ed Roach and Johnny Shackelford were appointed to check into costs and feasibility of the request.

The Court canvassed the ConstitutionAL Election returns, which were approved as previously reported.

In other action:

- Current bills totaling \$47,492.86 were approved for payment.
- CISD bus routes were placed into the minute records of the County, and the same would be

requested of Loraine and Westbrook schools.

- An expenditure of \$360 was approved to exchange 8 dry chemical fire extinguishers in the Courthouse for Halon liquid type. Reason for the exchange is to meet insurance requirements, since dry chemical cannot be used on computer equipment.

- Court approved an expenditure of \$240 from welfare funds for dental needs of a local indigent person.

- Needing to make a report to the State, the Court requested a report from Sheriff Wendell Bryant to confirm that the violations received during the inspection of the jail had been corrected.

- A Lamesa woman had requested cleanup of the White Cemetery in northeast Mitchell County. Court indicated that the County is responsible only for the Mitchell County Cemetery, but would investigate to see if anything could be done to help.

- A resolution supporting Snyder and Scurry County's quest for a TDC prison facility was approved.

- Purchase of two filing cabinets and two inexpensive calculators for County Clerk Joan Beach's office was approved.

- Commissioner Ed Roach requested that estimates be requested on costs of repainting the interior of the Courthouse.

- Regular monthly reports from the various county officers were approved.

- All members of the Court were present.

REBATES

From Page 1

Arca counties also are receiving lower payments this year. Howard County is down 2.74 percent while Nolan County is behind 3.50 percent and Scurry County is behind 16.22 percent.

HUNTERS

From Page 1

Both antlered and antlerless deer, including does, can be taken in Mitchell County south of IH20. Limit is 4 deer with no more than 2 bucks, and two turkeys. Limit for quail is 16 per day.

Aston cautioned hunters to follow the hunting regulations, since maximum fines have been increased from \$200 to \$500, with a minimum of over \$50. The most numerous violations in the past have been improper filling out of the tags and attaching the tags, Aston said.

HIGHWAYS

From Page 1

\$1,018,500, to be let in August, 1988.

Of the total cost of \$12,111,193, Burnett said about 35% or more than \$4 million will go for labor, and since contractors for the jobs typically use as much local labor as possible, the planned highway work should be an economic boost to Colorado City and Mitchell County during the coming year.

Members of Mitchell County Commissioners Court and the City Manager were also on hand for the report.

CITY

From Page 1

to be considered as possible Councilman Yprospects, and the Committee would make recommendations for a replacement of Councilman Hoback.

A second public hearing on a Block Grant application for sewer improvements was postponed until next Tuesday night to comply with publication date of the hearing.

The Council voted its 387.50 votes for its nominee, Elmer Martin, to serve on the Mitchell County Appraisal District Board.

Other than approving for payment current vouchers (totaling \$30,769.20, rest of the meeting consisted of a series of reports and inquiries.

COMMITTEE REPORTS

City Manager Brenda Tarter reported that the Mayor's Committee had met and had made some progress on recommended revisions to the City Charter, and the Police Committee had met, but was not ready to present its report.

FINANCIAL REPORT

Secretary Kay Craghead reported income the past month amounted to \$106,456 to the general fund and \$65,802 to the Water and Sewer Fund. End of month balance of the general fund was \$96,546, and \$161,857 in the water and sewer fund.

CITY MANAGER'S REPORT

Tarter reported meeting with the District Highway Department Engineer who had indicated funds may be available for City Street Paving from a federal/state 75%/25% grant. The City needs to apply for specific projects, listing first and second priority projects;

Problems with heavy vehicles, truck-trailer rigs, parking in residential areas are being studied;

Congratulations had been extended to Snyder upon securing the TDC Regional Correction Center;

In compliance with federal regulations involving handicapped persons access to the City Hall, inline ramps will have to be constructed, restroom facilities made available, and the Council will probably be moving from its second-story meeting room, to the Civic Center in the near future;

The City Manager also asked City Attorney Rees about whether or not it was necessary for a city employee to resign to run for a county office. Rees indicated it depended a lot on the circumstances and position, but in general, to avoid any conflict of interest problems, such resignations are requested.

MAYOR'S REPORT

Mayor Baum advised the Council of a planned regional meeting with Senator Phil Gramm on Nov. 30, and invited the Council's attendance;

Robert Alford had advised the Mayor that City National Bank has a tract of land west of the City's Landfill that the Bank is willing to deed to the City. Council indicated that it would gratefully accept this valuable land.

COUNCIL MEMBER'S REPORTS

Councilman Johns asked if the Charter revision recommendations would confront the "conflict of interest" provisions, and was advised that the Article is being considered.

Hoback reported that the Ambulance Committee was still awaiting completion of the audit before reporting to the Council.

Tom Carlock inquired of City Attorney Tom Rees about a \$823 bill that had been received from his firm in addition to the regular \$600 per month retainer. Rees explained that most of the extra charges, which had been cut back considerably from the firm's normal charges, were for representation at Municipal Court trials and representation and research required at several meetings concerning the proposed prison. Rees also review the retainer contract with the Council.

Dee Hoarn reminded the Council that budget time is rapidly approaching and that the Capital Improvement Committee needs to be studying possible needs of the City.

Don Webb indicated that due to the upcoming busy season, plans by the law enforcement personnel to demolish additional buildings will be delayed until after the first of the year.

New Councilman Thackerson, expressed his appreciation for the opportunity to serve on the Council and hoped that he could contribute to the betterment of the City.

Snyder gets 1000-bed prison unit

Neighbor Snyder and Scurry County lost the bid for a 2,250-bed maximum-security prison, but won one of four 1,000-bed regional correction units that were approved by the Texas Department of Corrections Monday in Austin.

Two larger prison units went to Amarillo and Gatesville. The 1,000-bed medium to minimum-security units were approved for Snyder, Marlin, Woodville and a special training unit to Liberty County.

The smaller unit which will cost an estimated \$30 million, is expected to provide over 300 jobs and better than \$6 payroll. The Snyder site is located about 5 miles northeast of the city.

Nearly 200 Snyder and Scurry County residents were on hand in Austin for the hearings.

SCHOOL

From Page 1

Members of the committee include Lovceta Riley, Carolyn Weaver, Nancy Moore and Jane Horton, social studies; Patty Pharis, Susan Scott and Janie Lou Greenlee, spelling; Susan Farrar, reading improvement; David Shelton, choral music; Katherine Walla, speech; Connie Huddleston, analytic geometry; Walt Staats, introductory physical science; Rick Robinson, economics; and Carl Moore, introductory speech communications.

Uelton will also serve on the textbook committee.

The board also approved a number of new and/or updated school board policies, including:

- A new policy limiting extra-curricular events when they interfere with six-week or semester tests;

- A new policy concerning the training and orientation required of school board members;

- A new policy concerning school board member compensation and expenses;

- A new policy concerning the posting and conducting of executive sessions;

- An updated policy concerning board member election procedures and changing the date of the election to the first Saturday in May;

- An amended policy concerning reporting of campaign funds by school board candidates;

- An amended policy changing the organization of the board following an election;

- An amended policy concerning board vacancies and removal from office;

- New policies concerning communicable diseases and health requirements for students and personnel, and;

- A new policy concerning the appraisal period for teachers.

Letter to Editor

Tip courtesy TO THE GENERAL PUBLIC:

It has always been assumed by most people that all working people are paid at least minimum wages. This is NOT true!

One example is your waitress. She only makes minimum wage IF she is a good waitress and her customers show their appreciation for good, courteous service by leaving her a tip. If she makes enough in tips on each shift, she can make minimum wage.

Some establishments use to make up the difference in pay by giving the employee a meal each shift. They don't do this in most places anymore.

Some customers will tip their waitress for the very least amount of service, others (and these are the people we would like to reach) do not show a minimum amount of gratitude with any tip whatsoever, even when they have asked for and received all kinds of extra service and menu changes.

Remember, too, the waitress' service is not finished when you leave your table, she still has to clean up what you left behind.

So say thanks, by leaving her a reasonable tip, to help her make minimum wage, at least.

Thank you for thinking about it.

At your service,
Some of your local waitresses
(Names withheld by request)

Briefly

Mitchell fund

Funds have been established at City National Bank and First National Bank to help defray medical expense for Perry Mitchell who was seriously injured when a bulldozer ran over him.

Mitchell remains in St. Mary's of the Plains Hospital in Lubbock.

Ornaments

The Tumbleweed Lioness Club is selling limited edition Christmas ornaments again this year.

The 1987 ornament features a picture of the first railroad station in Colorado City.

Contact one of the Lioness members to purchase an ornament.

Buddy Poppies

The week of Nov. 9-13 has been set aside as Buddy Poppy week in Mitchell County.

Donations received from the sale of the poppies can only be used for disabled veterans and their families. The poppies are made by disabled veterans.

VFW Post 9178 and its Ladies Auxiliary will be selling the poppies.

Ebony Society

The Colorado City Ebony Society will meet Saturday, Nov. 14, at 6:30 p.m. in the meeting room of the Housing Authority, 439 Oak.

All members and interested persons are encouraged to attend.

Bazaar set

The Jesus Name Pentecostal Church will hold two bazaars this year instead of its usual Christmas gift shop. The first bazaar will be Saturday, Nov. 14, at the Wallace Center's "Christmas in November". The second bazaar will be sometime in December with a definite date announced later.

The bazaar will feature handmade items and gifts for all.

VFW auxiliary

The Ladies Auxiliary to VFW Post 9178 will meet Thursday, Nov. 12, at 7 p.m. at the post home.

All members are urged to attend.

Cub Scouts

Applications for Tiger Cub Scouts will be taken until Nov. 30. A meeting for Tiger Cubs parents will be Thursday, Nov. 12, at 6:30 p.m. in the Lone Wolf Medallion Room.

All prospective leaders will be at 7:30 p.m. to organize dens.

For more information, call Irene Graham at 728-2310 after 5 p.m. or Renee Culpepper at 728-2346.

PARADE P... RAME... STILWEL... HUSH

Local News

Local teen helps avert likely tragedy

Colorado High School Jennifer Holguin's quick action may have saved two Sweetwater youngsters from serious injury recently.

Jennifer, 17, was in Sweetwater with her mother Rose and sister Pat, 22, when the incident occurred about a month ago on a Thursday afternoon.

Mrs. Holguin had gone inside a store while Jennifer and Pat stayed in Pat's car parked in the store's parking lot.

"A van started rolling backward towards us," Jennifer recalls. Pat honked her horn, but the van kept coming toward their car.

As Pat started to back her car out the way of the van, Jennifer got out and walked toward the van.

"When I got out of the car, I noticed no one was driving the van," she recalls. "I jumped into the van, hit the brakes and put it in park."

It was then she noticed there was a small boy on the front seat and a baby strapped in a baby seat in the back. The boy apparently had been playing with the van's gear shift, knocking it out of park.

"The little baby was about eight or nine months old and slept through the whole thing," said Jennifer. The little boy, who was about five or six, immediately starting screaming.

Pat rushed into the store to tell Mrs. Holguin what had happened and Mrs. Holguin shouted out for the van's owner.

"The mother came out of the store just screaming," said Jennifer.

The mother's first reaction was

Jennifer Holguin
...quick action averts tragedy

to ask Jennifer and Pat if their car was all right. Their car was slightly bumped, but not damaged. Two other cars were also slightly bumped.

Jennifer said if she had not stopped the van, the van would have probably ended up in the street in front of the store because Pat's car was the only thing in the way until Pat moved it.

"I don't know how I did it, I just did," said Pat of the incident during a break at her afternoon job at Anthony's Monday.

Jennifer said during the confusion, she failed to get the name of the woman and her children.

After she got home, "I couldn't believe what had happened," she said. "I sat down and thought about it and felt really good."

Activities set in honor of day

The Wallace Community Education Advisory Council, in recognition of the Sixth Annual National Community Education Day Tuesday, Nov. 17, will sponsor a number of activities.

A poster contest will be held for students in grades kindergarten through fifth and a poster or essay contest will be held for students in grades six through 12. The theme will be the "Generation Connection". Posters will be

displayed on the windows of a downtown building. Retired teachers will be contest judges.

Older citizens are slated to serve as lunch room monitors at Kelley and Hutchinson elementary schools during the American Education Week, Nov. 15-21.

Teachers will be recognized for their dedication to education with refreshments in their respective lounges on Tuesday.

Two scholarships for adults will be established for continuing adult education classes held at the Wallace Community Education Center.

A free night of skating for all ages will be held Saturday, Nov. 20, at the center. Refreshments will be provided.

Pineda receives Marine citation

Marine Lance Cpl. Manuel Pineda, son of Rinaldo and Maria Pineda of Colorado City, recently received a Letter of Appreciation.

He received the citation in recognition of his outstanding performance while stationed at Marine Corps Air Station, Yuma, Ariz.

A 1984 graduate of Colorado High School, he joined the Marine Corps in May, 1984.

Keith

Leslie Adam Keith, 89, of Colorado City died Monday, Nov. 9, at Mitchell County Hospital.

Funeral services were Wednesday at 10:30 a.m. at the First United Methodist Church with Rev. Julius Early, pastor, officiating. Burial was in Protestant Cemetery in Rowena.

Mr. Keith was born Aug. 2, 1898 in Barnum, Wyo. He married Ida Emilie Gergardt Oct. 5, 1929 in Miles. He was a member of the First United Methodist Church. He was a 50-year member of Masons and was a member of the Eastern Star. He was a retired store owner.

Survivors include his wife of Colorado City; a daughter, Ida Mae Shawn of San Angelo; a sister, Esther Bezona of Oregon; a brother, William J. Keith of Glendale, Calif.; and a granddaughter, Judy Marie Fowler of Austin.

Pallbearers were Henry Bilberry, Rick Perkins, Elmer Martin, Bob Ratliff, Bob Riley and Arlene Morris. Honorary pallbearers were Gus Armstrong,

L.B. Elliott, Willis Tilley, Willis Hargrove, L.C. Morris and Ray Mason.

Robison

L.E. (Ler Enis) Robison, 91, of Snyder died Saturday, Nov. 7, at Snyder Nursing Home.

Funeral services were Monday at 2 p.m. at Kiker-Seale Funeral Home Chapel in Colorado City with Rev. Jim Mosley, pastor of Union Baptist Church, officiating. Burial was in Colorado City Cemetery.

Mr. Robison was born Sept. 28, 1896, in Gustine. He married Hazel Christine Courtney June 19, 1918 in Graham. She preceded him in death Jan. 6, 1978. He was a member of the Methodist Church. He was a former city employee having worked at Ruddick Park for many years.

Survivors include a daughter, Mary Herring of Snyder; a son, L.E. Robison Jr. of Bowie; a sister, Hattie Gross of Lubbock; six grandchildren and nine great-grandchildren.

Pallbearers were Lester D. Robison, Robert Clements,

Hubert Clements, Harvey Clements and Loyd Smith.

Standefer

Clarence Grady Standefer, 85, of Stanton died Saturday, Nov. 7 at Stanton Care Center after a lengthy illness.

Funeral services were in the First United Methodist Church of Stanton with Tommy Ewing, pastor, officiating. Burial was in Westhaven Memorial Park in Midland under the direction of Gilbreath Funeral Home.

Mr. Standefer was born March 10, 1902 in Arkansas. He moved to Martin County in 1936 and to Stanton in 1951. He married Mary Louise Harper on Oct. 15, 1922 in Colorado City. He was a retired farmer and a member of the First United Methodist Church.

Survivors include his wife of Stanton; two sons, Clement Standefer of Stanton and Elmer Truett Standefer of Monahans; three daughters, Maxine Minter of Amarillo, Lois Alves of Hobbs, N.M., and Jannie Linney of Stanton; two brothers, Harry Standefer of San Diego, Calif. and Edgar Standefer of Stanton; four sisters, Mabel Hines of Midland, Reva Koone and Lois Church, both of Stanton, and Hazel Hamm of Lenora; 11 grandchildren, 23 great-grandchildren and one great-great-grandchild.

PROCLAMATION SIGNED - Mayor Jim Baum signs a proclamation declaring Tuesday as Community Education Day as Billie Forbes, right, chairman of the Wallace Center Community Education Council, and Ann Ingram, council member, look on.

Community Education proclaimed

Colorado City Mayor Jim Baum has signed a proclamation declaring Tuesday, Nov. 17, as Community Education Day.

The proclamation reads: "WHEREAS, President Reagan will issue a proclamation on Tuesday, Nov. 17, 1987, calling upon the people of the United States to observe that date as National Community Education Day.

"And whereas, Community Education Day is sponsored by the National Community Education Association annually during American Education Week. It is conceived as a day set aside to celebrate strong relationships between schools and colleges and the communities they serve. American Education Week is Nov. 15-21.

"AND WHEREAS, the theme is 'Community Education - Connecting the Generations,' this is an important way to focus attention on the tremendous contributions Community Education can make, for it has become an integral part of our Colorado City Schools and an important way of

improving community life; hereby designate Nov. 17, 1987 as Community Education Day in Colorado City."

TECH PARENTS HONORED - Bobby and Jan Lemons of Colorado City were honored Saturday prior to the Texas Tech-TCU football game for having the most children enrolled in the Lubbock university during this fall semester. Their daughter, Dawn Chaney, is a senior while son Robert is a sophomore and son Blaine a freshman.

Westbrook News

CHARTER MEMBERS - Members of the newly chartered Westbrook High School chapter of the Future Teachers of America included, from left, Mrs. Judy Chitsey, sponsor; Veronica Lopez, reporter; Jeran Ware, secretary; Wendy Snowden, president; Linda Cantu, treasurer; and Chrystal Kelly, vice president. Not pictured is Gabriel Fuentes, historian.

FTA members attend meeting

Members of the newly chartered Westbrook High School Chapter of the Future Teachers of America attended the annual District 18 meeting of the Texas Future Teachers of America at Seminole High School Saturday. Theme of the meeting was "Molding Minds - Moving Mountains". Attending were Westbrook

charter members Wendy Snowden, president; Chrystal Kelly, vice president; Jeran Ware, secretary; Veronica Lopez, reporter; Linda Cantu, treasurer; Gabriel Fuentes, historian; and Mrs. Judy Chitsey, advisor.

Members attended two workshops, one entitled "Relationships" and the other en-

itled "SAT and ACT Testing". Veronica Lopez entered the Miss FTA contest and placed third in the competition.

Jeran Ware was elected financial secretary for the district and will attend the state FTA convention Feb. 8-9 in Dallas where she will be seated in the House of Delegates.

Westbrook Wanderings

...by Ruby Claxton

The Ruth Class of the First Baptist Church met October 27 for a time of fun and fellowship.

Hostesses were Rhonda Morris and Nell Shackelford.

Decorations were pumpkins and orange and black balloons. They all dressed "tacky."

Winnie Putman presided over the short business meeting where the class voted to adopt a family for Thanksgiving.

Nell Rollins presented the program on "Small Words with Power". She presented the class with magnets in the shape of explosives with "TNT" on them which stood for "Today Not Tomorrow."

Peggy Manning closed the meeting with prayer.

Those present were Winnie Putman, Becky Manning, Peggy Manning, Nell Rollins, Edith Dawson, Belinda Rich, Diane Petty, Pansy Fernandez, Rhonda Morris, Judy Moore and Marlana Rice.

Mrs. A. L. Young, a former resident of Westbrook, is a patient in a Midland hospital and had a leg amputated after falling and breaking a hip recently.

Baptist Women met Monday at 2 p.m. November 2nd at the church.

Peggy Manning led the program on "Families Pray for Missions - Malaysia". Those taking part in the program were Peggy Manning, Nell Rollins and Blanche Bell.

Lucile had the call to prayer and also led in prayer.

The business meeting was led by Blanche Bell. They voted to attend the Book Study at the First Baptist Church in Colorado City on November 17.

Ruth Buchanan led in prayer for those who were sick.

Those present were Peggy Manning, Nell Rollins, Blanche Bell, Edith Dawson, Lindsey Webb, Bessie Shaw, Lucile Stone, Ruth Buchanan and Marlana Rice.

Mrs. Ruby Claxton is home af-

ter visiting several days in California and New Mexico.

She visited a brother, Mr. and Mrs. Floyd Coe and a nephew, Mr. and Mrs. Floyd Coe Jr., in Wrightwood, California, then visited a brother, Mr. and Mrs. Melvin Coe in Albuquerque, N.M.

She returned home Tuesday.

Mrs. Irene Lang of Kerrville has returned home after spending several days with her cousin, Mrs. Lucile Stone.

Mr. and Mrs. W. A. Bell were in Odessa Sunday of last week visiting their son, Mr. and Mrs. Larry Bell, Brad and Cory.

Mr. and Mrs. Jim Pounce of Bloomington, California visited Mr. and Mrs. Alvin Byrd last week.

The Golden Age Club met Tuesday with 26 present.

Bill Proctor presided in the absence of the president, Mrs. Minnie Anderson.

Refreshments were served by those having birthdays in November.

Mr. and Mrs. James Coldewey and Mrs. Juanita Candler of Monahans and Steve Candler of Austin visited Mr. and Mrs. Alvin Byrd over the weekend.

Mr. and Mrs. Lloyd Claxton and Mr. and Mrs. Allen McGee, Chris and Maleah of big Spring visited Mrs. Ruby Claxton Saturday afternoon.

Mr. and Mrs. Sonny Hollis visited Saturday in Abilene with their daughter, Mr. and Mrs. David Ward and April.

Mrs. Georgia Lankford was a dinner guest Sunday of her daughter, Mrs. Darlene Pirkle, Jay and Chris of Coahoma.

Rev. and Mrs. Bob Manning left Monday for Fort Worth where they will attend the Baptist Convention this week.

Two more plan campaigns for public office

Two more persons have made campaign treasurer appointments with County Clerk Joan Beach.

Indicating their intentions to run for office are:

Larry Hale for Commissioner Prec. 3.

Ed Roach for Commissioner Prec. 1.

Four others have also made the required appointments, prior to formal announcements with party chairmen.

Lorraine Personals

...by Lela Lucas

Mr. and Mrs. Max Irwin of Houston visited her parents, Mr. and Mrs. Kenneth Butler, and attended the Lorraine homecoming. They also attended a gathering of the class of 1957 which was in charge of the homecoming program.

Mrs. Cullen Payne accompanied her brother, Mr. and Mrs. Otha Scarborough of Colorado City, to Wichita Falls over the weekend to visit their sister, Mrs. Donny Miller.

Mrs. Pearl Preston is visiting in Temple with her daughter, Marie Miller, and in Salado with her son, Carol Preston, for a few days.

Ann Preston is spending a few days with her mother, Loretta Voss, in Snyder. She has been in St. Mary's of the Plains Hospital in Lubbock where she underwent tests. She will be home in a few days.

We are happy to report that Willie Taylor is much improved at this time in Mitchell County Hospital.

Lorraine council slates meeting Thursday

The Lorraine City Council will meet in regular session Thursday, Nov. 12, at 6:30 p.m. at city hall. Items on the agenda include:

- Consideration of a resolution authorizing the submission of a Texas Community Development Program application to the Texas Department of Community Affairs;
- Acceptance of resignation of council member Jackie Walker;
- Discussion of incinerator behind Green Grocery;
- Discussion of a sewer line on Frank Garcia farm;
- Discussion of vacant buildings and residences, and;
- Set workshop to review ordinances.

The council is also scheduled to go into executive session.

SWCD to sell windbreak trees

Applications are now being taken for windbreak trees at the Mitchell SWCD office in Colorado City. Hardwood species include Arizona Ash, Bur Oak, Cottonwood, Desert Willow, Flameleaf Sumac, Green Ash, Hackberry, Honeylocust, Little Walnut, Osage Orange, Pecan (Burket), Native Plum and Russian Olive. Prices range from 50 to 85 cents per hardwood seedling.

Evergreen species include Afghan (Mondell) Pine, Arborvitae, Arizona Cypress, Austrian Pine, Eastern Redcedar and Ponderosa Pine. Price is \$1.60 per evergreen seedling. Mondell Pine is also offered in 1 gallon containers at \$3.95 per seedling.

LHS class of '67 has reunion

The Lorraine High School graduating class of 1967 met last during the recent homecoming at Lorraine.

The reunion began at the football game on Friday night with Betty Rankin, John Munoz, Mary Munoz, Thomas and Ann Garcia Flores in attendance.

On Saturday, several of the group attended the homecoming meal at the high school. They then met in the home of Mrs. Billie Ruth Tartt for the official gathering.

The members and guests were Anastacio and Alice Alvarez, R. J. Baumann, Sharon Byrne Sadler

and children, Jeanette Chamness McGowan, Marilyn Forbus Davis, Harold Davis and daughters, Ann Garcia Flores, Keith Hackfeld and sons, George Lee and Faye Lee, Herman Mitchell and Penny Mitchell, Mary Munoz Thomas and children, Donnie Phillips, Judy Tartt Brown, Donny Brown, Ben Virgil Trout, Gayle Trout and daughters, Billie Schroeder, Christine Mearse, Grady and Elnora Mitchell, Willa Dean Forbus.

The group caught up on what had been happening in their lives of their classmates and reminisced over old pictures. Refreshments of cookies, punch and coffee were served to the group.

Baptist women have meeting

The Lorraine Baptist Women met at the church annex at 9:30 a.m. Monday for their general meeting. Mrs. G.L. Holman presided and led the opening prayer.

The program, "Families Pray for Missions", was presented by Mmes. Holman, Baird, Porter and Compton. In the discussion which quoted missionaries, it was noted that through the prayers of friends back home, missionaries feel strength for the many daily tasks in their lives among people in Malaysia.

Clara Butler read Matthew 5:21-26 in giving the prayer calendar and gave a prayer for missionaries whose birthday was on that day.

During the business session, the secretary's and treasurer's reports were approved.

The group voted to take bingo

gifts to the nursing home as their November project. It was announced that the week of prayer for foreign missions will start Nov. 29.

Mrs. Butler will host the circle meeting on Nov. 18 at 9:30 a.m.

Mrs. Porter led the closing prayer.

Important safety tips from Lone Star Gas
 You can take comfort in Natural Gas.

Trusting gas for your home is a natural. After all, Lone Star Gas Company has been faithfully serving its customers for

more than 75 years. Through the years, we have worked to earn your trust by providing safe, dependable natural gas.

Do you know why gas has a strong odor? Because we have added a harmless odorant to the gas that lets you know it's there. This is for your safety, so if you ever smell the strong odor of gas in your home, follow these rules:

1 Do not switch anything electrical on or off. Do not use your own telephone (telephones use small amounts of electricity). Do not strike a match, and do not do anything that might cause a spark.

2 Have everyone leave the house immediately, leaving doors open for ventilation.

3 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause before returning to your home.

Since gas lines run underground, you should also take precautions against disrupting these lines, particularly if you plan to:

- 1 Put in a new fence.
- 2 Install an underground sprinkler system.
- 3 Perform any major landscape renovation.

Before you dig, call your local Lone Star Gas office. If you smell a gas odor while you're outside, immediately contact Lone Star Gas.

In our continuing effort to provide better, safer service, local Lone Star Gas offices are ready to answer any questions that contractors may have concerning the location of gas lines in their areas.

The safety record for natural gas is impressive, and peace of mind is an important part of what natural gas has

to offer. By following these simple rules, you can take even greater comfort in natural gas.

FUTURO Patient-Aids **A COMPLETE LINE OF QUALITY PRODUCTS FOR THE HOME CONVALESCENT**

WHEELCHAIRS
• Easily maneuvered over carpeting, grass or rough surfaces
• Attractive chrome plated finish
• Padded armrests and heavy-duty vinyl upholstery
• Comfortable 5" tilt designed in seat and back
• Folds compactly for travel or storage

RENTAL RATES ON REQUEST

WALKERS REGULAR AND FOLDING MODELS
• Lightweight anodized aluminum for easy handling
• Double bar strength for exceptional stability
• Adjustable legs for proper height
• Convenient for storage or travel

RENTAL RATES ON REQUEST

CRUTCHES UNDERARM AND FOREARM STYLES
• Sturdy wood underarm crutches in four sizes
• All adjustable for a comfortable fit
• Also available in lightweight aluminum, both underarm and forearm styles

RENTAL RATES ON REQUEST

CANES VARIETY OF STYLES AND FINISHES, BOTH REGULAR AND CURVED CANES.
• Complete selection of ladies' and men's styles
• In solid woods or tubular aluminum, both regular and adjustable
• Quad canes also available for people needing maximum walking assistance

THESE OTHER QUALITY FUTURO PATIENT-AIDS CONVALESCENT PRODUCTS ARE ALSO AVAILABLE FOR YOUR CONVENIENCE:
• Adjustable Commodes
• Bedpans
• Incontinence Pads
• Elevated Toilet Seat
• Shower Safety Stools
• Bathroom Safety Rails
• Invald Rings
• Sitz Bath
• Urinals
• Cervical Collars
• Waterproof Sheeting
• Cane/Crutch Accessories

PERSONAL EMERGENCY RESPONSE SYSTEM
Proven Life Saving Service for In-Home Patients!

A PUSH OF A BUTTON ON AN ATTRACTIVE HAND HELD REMOTE CONTROL WILL BRING RAPID RESPONSE TO UNEXPECTED PERSONAL AND MEDICAL EMERGENCIES... WITHIN SECONDS HELP IS ON THE WAY.

IT'S AS SIMPLE AS 1...2...3

1 Upon receipt of a medical alert at the EMERGENCY RESPONSE CENTER, the monitoring operator immediately calls the premises to determine the medical emergency. This call by AMCES's experienced operator reassures the patient that the "critical event" signal has been received and help is on the way. It also clearly identifies why the patient signed the Response Center. All information is automatically recorded as a permanent record.

2 Once verified as a medical emergency, the experienced operator immediately dispatches the patient's latest medical history, medications and location particulars on the computer screen. This information, as well as the patient's doctor's name and regular preference, is relayed to the appropriate responding agency.

3 A pre-designated relative, friend or neighbor, authorized by the patient with house or apartment keys, is notified of the medical emergency and responds to the scene. This "Responsible Party" meets the responding agency at the scene and offers any and additional medical information if the patient is disabled.

Colorado City, Ballinger 5AAA runners-up

The Sonora Broncos found out Friday what a lot of other West Texas football teams already knew—that the Colorado City Wolves possessed a top running game and a tough defense to match it.

The Wolves stomped the Broncos 34-7 for a final 1987 record of 7-3. The win gave the Wolves a 5-2 record in 5AAA play and a tie for second place with the Ballinger Bearcats.

Abilene Wylie slipped by Clyde 17-14 in another contest Friday to claim the district championship. Ballinger will represent 5AAA as the runnerup because of its 14-7 win over the Wolves.

Wylie will take on 6AAA runnerup Decatur in bi-district

playoff action at 2 PM Saturday in Breckenridge. Ballinger meets 6AAA champion Iowa Park at 8 PM in Stamford Friday.

Junior fullback Beau Rees rushed for over 200 yards Friday and scored on runs of 64, 1 and 5 yards. His 64 yard score came on the second play of the game.

"We have Beau with 199 carries for 1367 yards and 15 touchdowns," said Wolves coach Tom Ramsey. "We're probably the number one rushing team in district and our defense allowed the fewest points."

Rees also served as punter this year and his first punt Friday resulted in a Sonora fumble

recovered by Mark Russell. Russell also made an interception in the second half.

Among the many other defensive plays Friday was a blocked punt by Jerry Bob Hulme that was recovered by David Garcia. It was one of two fumble recoveries by Garcia Friday. Other defensive plays were an interception by Victor Luera and a quarterback sack by Steve Smith that led to Colorado City's last score—a 13 yard run by quarterback Ismael Silva with 13 seconds left in the third quarter.

Silva also connected with Russell for a 71 yard aerial score. Lost in the shuffle was a 50 yard scoring run by Sonora's Robert Harris.

Ricky Arispe continued his clutch kicking after taking over the duties in midseason. Arispe kicked two extra points Friday. Sophomore running back Pat Tillis ran for two points after the Silva to Russell scoring strike.

"It was an option," said Ramsey. "The receiver was covered. Pat did a good job of getting into the endzone. We did pretty good scoring that many points. It was 34-7 going into the fourth quarter. If we had left our starters in there it could have been worse than that. We wanted to play mainly seniors in the fourth quarter because it was their last game."

"The kids played well," said Ramsey. "We had a couple of scoring opportunities we didn't do anything with but still led 34-7 after three quarters. We were pretty well back on our game. Sonora was ready to play. Our defense did a good job and the offense was clicking."

"It was a good year," said Ramsey. "Anytime you win seven ballgames it's got to be a good year. We came close to winning a district championship and didn't

pull it off. It was one of our goals. We thought we could do it with the number of skill people and senior linemen coming back."

Ramsey doesn't see 5AAA representatives Wylie and Ballinger advancing very far in the playoffs. "I don't think Ballinger played very well the last four weeks," said Ramsey. "Their injuries showed. They're probably the weakest they've been all year and they're going to play a strong

team. It's going to be tough. I don't think Ballinger can stay with Iowa Park. Wylie doesn't play the best defense in the whole world. That could be the tell-tale of the playoffs."

As for post-season recognition for individual Wolves Ramsey said "We'll nominate them. We'll throw them out and see what happens. There's a lot of good athletes in this district. I don't think there's any team dominant or

head and shoulders above the other teams like there has been in past years."

The Wolves lose 17 seniors this year but on the other hand will return 16 lettermen. Graduation will severely deplete the line but skill will return in abundance. "A lot of our second team linemen were seniors, too," said Ramsey.

The Wolves have not set a date for the annual Football Banquet to honor the 7-3 Pack.

Lorraine Bulldogs beat Midland 66-14

The Lorraine Bulldogs ended their second season of Six-man football with a 66-14 win over the Midland Baptist Eagles at Bulldog Stadium Friday night.

Lorraine ended 1987 play at 5-5. Friday's game was stopped at halftime because of Lorraine's lead of at least 45 points.

The Bulldogs jumped out to a 30-0 lead. Casey Cooper's touchdown pass of 40 yards to Quentin Merket got things rolling for Lorraine with 9:53 left in the opening period. Shawn Finley scored from 21 yards out at 8:22 of the first quarter and kicked the extra point to make it 14-0.

Rudy Sanchez' one yard run at 7:38 of the first quarter made it 22-0. Finley kicked the PAT. Finley scored from 35 yards and kicked the PAT to make it 30-0 with 5:54 remaining in the opening quarter.

Midland got the next score for a 30-7 score on a 60 yard pass from Chris McKinney to Bill Floyd with 5:42 left in the first period.

Lorraine scored twice more in the first period to make it 44-7. Sanchez scored on a 6 yard run with 3:38 left in the period and Joe Alvarez scored on a 40 yard run with 57 seconds left in the period. Finley kicked the PAT.

Lorraine continued the assault in the second period with a 25 yard pass from Cooper to Sanchez with at 7:59 of the period. R. Sanchez followed that score with a 17 yard scoring pass to David Sanchez at 7:35 of the

second quarter. R. Sanchez kicked the PAT to make it 58-7.

Midland made it 58-14 with a 7 yard pass from McKinney to Floyd at 4:33 of the second period.

Lorraine ended the scoring with a 33 yard run by R. Sanchez with 1:59 left in the first half. R. Sanchez kicked the PAT.

Lorraine gained 287 yards on the ground and 92 through the air for a total of 379 yards. The Midland Eagles rushed for 7 yards and passed for 215 for 222 yards.

R. Sanchez rushed 7 times for 115 yards to go over the 1000 yard mark. Finley had 56 yards on 3 carries. J. Alvarez ran twice for 55 yards.

Cooper completed 3 of 4 passes for 75 yards.

The loss also gave the Midland Eagles a 5-5 record.

"I told everyone at the start of the season that if we went 5-5 I'd be tickled to death," said coach Tommy Meredith, who has been at Lorraine for two seasons and guided the Bulldogs to an undefeated record in 1986.

The next important date for Bulldog football is January 27. That's the date the University Interscholastic League re-aligns the state's districts. Lorraine dropped from 11-man to Six-man football after the 1985 season. The decision was a late one, though, and cost Lorraine membership in a district. The Bulldogs have played the last two seasons as an independent but should find a home come January.

"I don't care which district they

put us in," said coach Meredith, "I think we're going to the playoffs next year. Harrold and Goree are both headed to the playoffs."

Goree was a 6 point winner over Lorraine while Harold slipped by the Bulldogs by 2 points.

"Early on it was our offense that was our strong point," said Meredith. "It was the defense later on in the season. Our offense has been more consistent."

"We started developing a little more depth later on in the year," said Meredith. "Ten people scored and ten got to carry the football. We'll have to get stronger on our weights and hope everybody gets a little faster during track season. If we do that we'll be a lot stronger."

"Almost everybody we played is losing at least 6 players," said Meredith. "We're only losing three. Quentin Merket, David Sanchez and Charlie Alvarez were our seniors but this was Charlie's first year so I considered him more as a freshman. I'm looking to have 23 or 24 out for football next year. That's enough for a junior varsity team, plus we get a bunch from our undefeated junior high team."

"In the future they're going to be pretty tough," said Meredith. "If I can keep them together and

passing their grades. There are no individuals on this team. Everybody plays as a team."

"Our backfield will be intact and will have a lot of depth. The

two ends and center will easily be replaced."

"Everybody seems to like it(Six-man)," said Meredith. "The kids get to compete at their own

level. They're not very big."

"We haven't been drawing as big a crowd as I'd like to," said Meredith. "Our fan support hasn't been what it can be, yet."

LORLAINE BULLDOGS for 1987 are, front row, left to right, David Sanchez, Joe Martinez, Charlie Alvarez, Joe Alvarez, Luis Leija, Josell Williams, Anthony Williams and Robert Munoz. Back row, left to right, are coach Tommy Meredith, Martin Solis, Casey Cooper, Quentin Merket, Ruben Vasquez, Rudy Sanchez, Shawn Finley and coach Jim Nau.

Hudson cited for Play of the Week

Curtis Hudson, son of Colorado High School coach Larry Hudson, was cited in Tuesday's Abilene Reporter-News Players of the Week section.

Hudson, a sophomore quarterback for the Coahoma Bulldogs, was cited for the Play of the Week.

Hudson completed a one yard pass to Donnie Paige with no time left in a contest with Merkel Friday. Hudson then threw to James White for two extra points to pull Coahoma to a 14-14 tie. The tie kept Coahoma from going 0-7 in district 5AAA play.

County officials give monthly reports

Summaries of the various monthly reports from County offices, received by the Commissioners' Court at its regular meeting Monday are as follows:
TREASURER
Ann Hallmark reported that the balance of funds on hand at the beginning of the year was \$6,010,704.32. As of October 31, total receipts for the year have amounted to \$3,875,254.31. There have been \$2,072,285.15 in fund transfers and \$2,233,052.05 expenditures, leaving a balance on hand of \$5,580,621.43.
COUNTY CLERK
Joan Beach reported that 14 criminal cases were filed in County Court, six appeals from lower courts, and 3 revocations of probation. Forty one cases were disposed of including 19 DWI, 2 theft or worthless check, 14 traffic, and 6 other causes, leaving 124 cases pending at the end of the month. Criminal fees collected during the month amounted to \$4,232.50 and civil and recording fees totaled \$5,347.85.
PUBLIC LIBRARY
Nancy Mayo reported that 2,771 books and 29 magazines were circulated, 131 new books added, 28 new members registered and 23 old members re-registered.

MENTAL HEALTH
Scott Augustine reported 3 additional cases and one inactivation, leaving active cases at the end of the month at 76. Sixty individuals were served, 92 client visits and 312 client services during the month.
DISTRICT CLERK

RIBBON CUTTING - Simone Stewart, owner, her son Rick Stewart and nephew Glenn Hill cut a red ribbon Saturday marking the grand opening of Birdbaths & Etc., located at 288 West Second. On hand for the occasion were employees Vicky Lopez, Bobby Lopez and Charlotte Clemmer, friends and members of the Ambassadors of the Colorado City Area Chamber of Commerce. The business makes and sells birdbaths, statues, ceramics, plaster and hydrostone and greenware.

Bill H. Erwin reported receipts from 15 cases in September at \$1,066, coming from \$691 Clerk Fee, \$150 Sheriff Fee, \$5 Jury Fee, \$10 copies and passports, \$200 from Law Library Fund, and \$10 from R&B Fund.
SHERIFF
Wendell Bryant reported a total of 367 jail inmates during October (down from 513 in September), averaging 11.8 inmates per day. Cost of feeding inmates and medical expenses during the month amounted to \$3,358.21.
JUSTICES OF PEACE
Ruby Claxton of Prec. 2

reported 108 cases filed with fines and fees amounting to \$4,252.50. Joan-Merket in JP #2 reported handling 228 cases that generated \$11,031 in fines and fees.
