Elmer Hawkins Announces Opening Of Medical Practice At F.C. Clinic

Dr. Elmer J. Hawkins, a Stamford physician for the past 11 years and area doctor since 1948, will be returning to Fisher County on November 7th to open a private practice.

The 61 year old Doctor began his area medical practice in Roby in 1948. He moved his practice to Hamlin in 1949 and remained there for 23 years until 1972. In 1972 he moved to Stamford and remained there until deciding to make his move to

the Fisher County Doctor's Clinic.

In making the announcement concerning his move to Fisher County, Dr. Hawkins said "I am extremely pleased to be moving home. I grew up in Sylvester, practiced in Roby and look forward to returning to Fisher County to continue my medical practice".

Dr. Hawkins was born in Jayton. He and his wife, Gabie, originally from Sweetwater, have 4 children.

The oldest, LouAnn Trull of Abilene; Jim Hawkins of Abilene; Sharon Gustafson of Ruidoso, New Mexico and Johathan age 15 of Stamford.

Jim Hawkins will be moving to Fisher County with Dr. Hawkins and will be employed as his business manager.

The doctor will be opening a private practice at the Fisher County Clinic. He will be doing surgery.

Dr. Hawkins did his internship at Methodist Hospital in Madison, Wisconsin from 1945 until 1946. He was Chief of Surgery at Fort Francis E. Warren in Cheyenne, Wyoming while in the military service.

Fisher County Hospital Administrator Gary McGee in making the announcement concerning his move said "His decision to practice within Fisher County is certainly welcomed by citizens, administration, staff physicians

and longtime followers who recognized Dr. Hawkins commitment to the medical profession".

Glen Copeland, President of the Fisher County Hospital Board, said "We are very fortunate to have Dr. Hawkins coming to this area."

We know that his addition to the staff, coupled with the already fine staff of local physicians, will mean Fisher County residents will continue getting quality medical care."

ACT Assessment Testing Dates For Area Released

As the new school year begins, more than one million high school juniors and seniors across the nation are preparing to participate in the ACT Assessment Program.

The ACT Assessment, which consists of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 2,700 post-secondary institutions and scholarship programs.

School guidance counselors recommend that students participate in the ACT Assessment Program during the junior year or early in the senior year, so their results will be available in time for use in planning for postsecondary education and careers.

Students can obtain registration packets that contain all the information necessary to register and

prepare for the Assessment from their high school guidance offices. The basic registration fee for the Assessment is \$9.50. For 1983-84, ACT has established this test date schedule:

Test Dates
October 29, 1983
December 10, 1983-Rotan
February 11, 1984
March 31, 1984-Rotan
June 9, 1984

Registration Deadlines
September 30, 1983
November 11, 1983
January 13, 1984
March 2, 1984
May 11, 1984

It takes about three hours to complete the four ACT examinations in English, math, social studies, and natural sciences. A sample copy of a full-length test is available in every high school. Students who would like to have copies of additional tests may obtain them at cost from ACT.

Texas Rep. Steve Carriker To Host Fund Raising Event On October 11th

Seventy-eighth District State Representative Steve Carriker will host an open house in his District Legislative office in Roby Tuesday evening, October 11th.

The office, located on West Highway 180, serves as legislative headquarters for the Representative

during the interim between sessions. The public is cordially invited between hours of 5 and 6:30 P.M. to meet and visit with Representative Carriker and his staff.

Following the open house, friends and supporters of Representative Carriker are sponsoring a bar-b-que and fundraiser at the Fisher County Fair Grounds in Roby. The County and Western music of the popular Cole Younger

band of Abilene will provide the back drop for a home-cooked bar-b-que

meal, starting at 6:30 PM. Tickets are available at the door.

ACCEPTS ROTY AWARD: Kismet Terry, manager of the Terry Gin in Roby and active in numerous county civic affairs, accepts the "Citizen of the Year" award from his son Mike Terry during the Business Meeting of the Roby Homecoming Association.

PRESENTS CHECK: Dave Williams, right-manager of the Farmers Gin in Rotan, presents a check to R.H. Scherwitz, left, Roby area farmer in the amount of \$250.00 for ginning the first bale of cotton. Scherwitz planted his cotton around June 1st, had it defoliated on September 23 and harvested it on September 28th. The cotton planted was Tamcot #21. He made 3/4 of a bale to the row acre or 23 bales on 35 acres. The first bale weighed 560 pounds and yielded 960 pounds of seed.

4-H Building On Experience

"4-H: Building on Experience" is the yearlong theme of the 4-H program in Texas and across the nation, and that theme will get special emphasis during National 4-H week, October 2-8, 1983. Displays in Roby are at the Roby Flower Shop by Mrs. Maxine Burk and a display at Davis' in Rotan done by Mrs. Cindy Green.

"4-H: Building on Experience" highlights the educational projects which help young people gain practical skills, develop good nutrition and health habits, explore career opportunities, generate leadership capabilities, and become involved as citizens in their local communities, the state and the nation.

The 4-H program is built on experiences of an impressive past. By providing useful knowledge to help youths develop as leaders of tomorrow, 4-H

has enabled many young people to gain insights and experiences in careers they would enjoy. 4-H has also contributed to international understanding

through exchange programs with countries around the world.

Youths from all back grounds and walks of life can enjoy the unique learning

experiences that 4-H has to offer. Through their 4-H experiences, these young people can play an important part in a more satisfying and rewarding future for all Americans.

Young Farmer Dove Hunt Set

The Fisher County Young Farmers will hold their annual membership drive and dove hunt Sat. 8. Everyone will meet at the Silver Spur Cafe Sat. morning at 7:00 am.

Anyone interested in becoming a member is encouraged to attend. The dove cook out will be held at a later date.

Other items discussed at the last meeting were having a short course by the Texas Education Agency. One has not been set as of yet, but further information will be available as soon as possible.

The Young Farmers also discussed having a group ski trip in late January. No date or place has been set, but a committee was set up to look at resorts offering group rates.

The winner of the recent raffle held by the Young Farmers was Ardis Stephens. Mr. Stephens selected the 870 Wingmaster 12

ga. as his choice. The Young Farmers would like to thank everyone who purchased a chance in this drawing.

The group also discussed

attending the State Convention of Young Farmers to be held in Austin this year. Several members said they were interested in attending.

Roby Defeats Bulldogs, Klondike Next

The Roby Lions won a big victory Friday with a sound win over the Miles Bulldogs. The Lions again played good ball both on offense and defense, they suffered 4 turnovers, and with the good team effort allowed Miles only 6 points.

Miles opened the game on offense with their 1st possession beginning on their 29 after the opening kickoff. Miles made 6 yds. on their first play-then on 2nd down they lost 1, then on 3rd and 5, good pressure on the Miles quarterback by Roby's Mike Meek. Resulted in an incomplete pass and on 4th they punted to the Lions. The Lions began their first possession on their 21 and on the first play they lost the ball on their first fumble of the night. The fumble gave the Bulldogs a 1st at the Lions 24, but the Lions defense held Miles 5 yds. on two plays, then on 3rd and 5, Roby's Nyle Field and Mike Meek teamed up to stop Miles for a gain, then on 4th and 5 at the Lion 19, Roby's Pache Parks lead the defense in stopping Miles short of the 1st.

The Lions then began their 2nd possession on their 15 yd. line, with good runs by Joe Carreon, and John Etheredge, and a pass to Frankie Gonzalez, Roby had moved to their 44, a penalty against Roby moved the ball back to the 38, then on the 10th play of the drive, Roby's Stevie Rivas made a good run of 62 yds. for the Lions first TD, Rivas broke several tackles on scoring run, the PAT kick was good and Roby led 7 to 0 with 4 minutes and 50 seconds left in the quarter Miles began their 3rd possession on their 33. After a

penalty against Miles and a pass good for 5 yds., the Bulldog runner was met by Roby's Chad Terry and Steve Turpin for no gain, Miles punted on 4th. The Lions ran 2 plays and made 6 yds. and on 3rd and 4th, the Lions suffered the second fumble of the 1st quarter. Miles started their 4th possession on their 47 yd. line and on the 1st they tried a little razzle-dazzle, but good pursuit by the Lions resulted in 6 yd. loss, when Roby's Dennis Owens tackled the Miles quarterback. Miles ran one more play and the first quarter ended. The Lions dominated the first quarter. Roby made 2 first down and rushed for 90 yds. and passed for 16. Miles had no 1st and rushed for 6 yds. and passed for 5.

On the first play of the 2nd quarter Roby's Lance Green picked off a Bulldog pass to give the Lions possession on their 33. Roby was unable to make a 1st and punted back on 4th and 5. Miles next possession ended with Miles only score. The drive covered 54 yd. in 6 plays, the last began a good 21 yd. run for the TD. The PAT run was no good. With 7 minutes and 16 seconds left till half the Lions led 7-6. Roby's next possession began on the Lions 27, and again with good blocking and running, the Lions had moved to the Bulldogs 12 in 8 plays, but penalties against the Lions in the next 6 plays resulted in Roby ending up with a 4th and 25 from the 27. The Lions pass was incomplete on 4th. The Bulldogs ran 2 plays before the 1st half ended.

In the 2nd quarter the Lions made 4 first downs and had 50 yds rushing

and 10 passing, Miles made 2 firsts and rushed for 57.

The Lions started the 3rd quarter with a 1st at their 32. The Lions again began to move the ball, in a 3 play, Roby made 15 yds., then a penalty and a 3 yd. loss Roby had a 2nd and 18 when they suffered their 3rd turnover of the night, when the Lions pass was picked off by the Bulldogs. Miles then had the ball on their 44 and in 3 plays had moved it to the Lions 44 for a 4th and 2, when a good tackle by Roby's Noel Field stopped Miles short of the 1st down. Roby was unable to make a first and punted on 4th back to Miles. The Bulldogs also were unable to make a 1st,

but a bad punt on 4th gave the Lions good field position. Roby was on the Bulldogs 35 yd. line, and in 3 plays the Lions scored. The TD run being a 5 yd. run by Lance Green, the PAT was no good and with 2:22 left in the 3rd quarter, the Lions led 13-6.

Miles last possession of the 3rd quarter ended when they punted on 4th and 5.

Roby ran 3 plays before the 3rd quarter ended. The Lions made 4 first downs, rushed for 56 yds. and passed for 23, Miles made 1 first down and rushed for 25 yd and passed the 3 yds.

The 4th quarter started

with the Lions in possession with a 2nd and 4 at the Bulldogs 47. Again the Lions drove the ball. In 12 plays Roby, had moved from their 35 yd. line to the Bulldogs 1, when on

4th and goal at the 1, the Lions were stopped short of the goal by the Miles defense. Miles had the ball 3 times in the final quarter, but were never

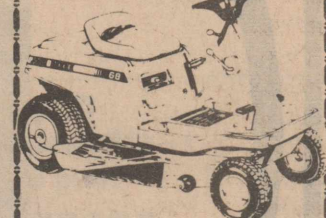

able to sustain a drive. Their last possession ended when Roby's Lance Green picked off his 2nd interception of the night.

Roby had 2 more possessions with their last possession ended with a fumble. In the final quarter

Roby made 4 first downs and rushed for 55 yds. and passed for 5, Miles had 2 first downs and rushed for 26 and passed for 9 yds.

The Lions travel to Klondike this Friday to start district plays. The game will start at 7:30. Support the Lions.

Rotan Yellowhammers Defeat Merkel, Open District Friday At Munday

The Rotan Yellowhammers picked-up their winning ways last week as they defeated the Merkel Badgers by the score of 32-0. After defeating their first three opponents of the 1983 season, Rotan lost to Clyde 7-6 in a tough game, and last week defeated the Badgers in the final non-district clash of the season.

This week the Yellowhammers travel to face a strong Munday team on the road in the first district encounter of the 1983 season.

Against Merkel, the Yellowhammers won the coin toss and elected to receive the ball. Randy Martinez took the opening kickoff and returned it from the 20 yard line to the 44 yard line. Connell Johnson, Sammy Turner and Char-

les* Williams alternated carries to the 9 yard line before Turner received the

call that resulted in a touchdown Turner scored with 9:44 left in the first

quarter from 9 yards out. Ben Bryan kicked the extra point and the Yellowhammers jumped to a quick 7-0 lead.

On Merkel's first possession, a 4th and 1 run by their quarterback, the Badgers picked up the first down but the next play, a fumble recovery by Randy Martinez gave Rotan the ball on the 34 yard line. Williams scampered to the 29 yard line; Greg Gruben

Loraine Team Outscores Roby Cubs

The Roby Cubs hosted the Loraine Bull Pups at Roby Thursday night. Both teams played well, with Loraine outscoring Roby 14-0.

Early turnovers by the Cubs let the Pups take the game with both touchdowns being made in the first quarter.

The Cubs did a good job of containing the Pups the rest of the game, but were never able to score.

The final score, Loraine 14, Roby 0.

Rotan 7th Gr. Defeated By Merkel Team

The 7th Grade took on Merkel here Thursday and were defeated 26-0. The players did not tackle well against Merkel. The players have a week now to prepare for Munday.

Rotan 8th Gr. Suffers Loss To Badgers

The 8th Grade took on Merkel and was defeated 20-2. The 8th Grade played a poor first half allowing 20 points. The Rotan Yellowhammers played a better second half showing signs of moving the football. Donnie Gruben looked good running the football. Rotan scored on a safety in the second half while Merkel was held scoreless in the second half. Rotan however, came up short on the scoreboard 20-2.

LOOKING AT PLAY: Coach John Smith and Ben Bryan survey the play at Merkel last week. The Yellowhammers will face Munday this week in the first district game for both teams.

tossed a completed pass to Larry Messick at the 9 yard line; Charles Williams got the call to the 8 yard line and on 4th down needing 1 yard from the 9 yard line Williams scored Rotan's second touchdown. The extra point kick was blocked.

After Ben Bryan's Kick to Roby Must Verify Free Lunches

NOTICE: Due to new federal regulations verification of income must be obtained from 3% of free/reduced lunch application.

Parents will receive letters within the next two weeks concerning verification of income.

Methodist Country Store Moves Site

Roby Methodist County Store is now one half block west of traffic light in Roby. In back part of building. Lots of bargains.

Merkel the Badgers began operating from their 30 yard line. Charles Adkins stopped a sweep and two plays later Larry Messick recovered a Merkel fumble that gave Rotan possession for their third offensive

series.

The Hammers scored again early in the second quarter when John Pease, substituting for an injured (ankle) Sammy Turner, scored giving Rotan 19-0 lead. The extra point

increased the score to 20-0. Early in the 3rd period Charles Williams took a Merkel punt and returned it 48 yards for a score. The final score of the night came when Turner scored from the 5 yard line.

Hustling Around Hobbs

By Joy Walker

Well I thought we might be going to get a shower Sunday night, but all we got was a light sprinkle. I haven't talked to anyone who got very much moisture out of the cold front that blew in late Sunday, and this morning was an absolutely perfect morning, bright sunshine and just about right temperature wise.

Mr. and Mrs. D.H. Hornsberger and Mr. and Mrs. Gene Hornsberger all from Sweetwater visited with the J.D. Kincaids on Saturday. We are sorry to hear that J.C. Cave is in the Fisher County Hospital and isn't feeling very good at all. Mrs. Billy Carter from Brownwood is here staying for a short while; she came Sunday evening. We hope that J.C. will soon be feeling very much better.

Mr. and Mrs. David Etheredge from San Angelo spent the week-end visiting with Mr. and Mrs. J.W. Etheredge. Randy and Vicky Etheredge went to Lubbock on Saturday and Randy rode and showed a horse in the big Horse Show they had there.

Vicky Hardin from Lubbock visited all last week with Mrs. Bea Hardin and Mr. and Mrs. Morris Hardin from Lubbock spent last weekend here visiting with Bea. Mrs. Hardin visited over the week-end with Mr. and Mrs. Morris Hardin and Todd in Lubbock, and with Vicky Hardin. She went to Lubbock with Mrs. Marcus Medrano and they returned home on Sunday.

Jim and I have been busy this week, as Tuesday an old Army buddy of Jim's visited with us. He and his wife, Mr. and Mrs. Tom Sawyer, and another couple, Mr. and Mrs. Bud Mabius, all from Batesburg South Carolina visited here Tuesday and Wednesday. We really enjoyed their visit and sure got lots of reminiscing done. We hadn't seen Tom in 40 years, but I knew him when he was stationed in England with Jim, and so we had lots of old times to talk over. We sure had a wonderful time and really

enjoyed their visit. Then Thursday we were at the 7th, 8th and Junior Varsity ball games which were at Rotan, and then Friday we went to Merkel to watch the Varsity play. From Merkel we went to Melody and Mark's, and what a long drive it was; we got to Italy about 2:30 Saturday morning, and we didn't stop once. We had such a good week-end visiting Mark and Melody and Mark's parents came from Lytton Springs, also his sister and her husband from Bryan, and we visited with Patti and Art Hammonds in Fort Worth where they are living; they had just returned from their honeymoon in Colorado. Saturday we drove all over the older part of Fort Worth, and sure enjoyed seeing the town, its much better to go with someone who knows their way around. Saturday night we all went to Mansfield to a rodeo and Mark roped and Melody rode, just an exhibition run on her young horse, but we sure saw lots of rodeo. Mark and Melody now live about 8 miles from Italy on 150 acres and they just love it out there. They keep their horses out there and can ride whenever they want to. We are so pleased for them, and its really pretty and green there as they have had lots of rain. Sunday we spent the day just relaxing and

cooked out, and then we all returned to our various homes. We really enjoyed the weekend, although its a long drive, but we had plenty of time to rest before we had to start the long drive back home.

I received the nicest letter from Brad Maule in Hollywood, and he said he really enjoys getting the Rotan Advance every week and looks forward to the Hobbs news. Its nice to learn that our news goes that far, and its always good to hear from old friends, although Brad isn't that old.

Well, this is about all this week, see you next Thursday.

Tax Planning by Gerald Rodgers CPA

TAX SHELTERS (AVOID SURPRISES)

The term "Tax shelter" has been used and misused to get into the wallets of many high bracket taxpayers. True tax shelters possess one or more of the following elements:

1. Special tax credits for a particular type of investment
 2. The conversion of ordinary income to long-term capital gain
 3. The deferring of taxes to a later year
 4. The investment in tax-free governmental securities
- A tax shelter can be as simple as postponing the receipt of income to a future year, the use of accelerated depreciation, or various other tax reduction techniques. The term "tax shelter," however, has taken on the connotation of being something so sophisticated that it is beyond the comprehension of the average person and possibly the individual selling it.

Most high-bracket taxpayers have been approached by tax shelter salespeople. Some of these proposals are legitimate investment schemes designed to maximize benefits under the tax laws. Some, unfortunately, are designed almost solely for the benefit of the promoters. A tax shelter should not be viewed as satisfactory simply because the promoters have permission from the Securities authorities to sell their product.

Know what you are buying, know who you are buying it from, and check references of the promoter and the selling company.

Even though you may be investing in a "limited partnership" (a common tax shelter entity), you may be signing letters of credit or other obligations which could increase your true financial losses beyond your initial investment.

A good tax shelter salesperson will involve your financial and tax advisors in your investment decisions.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

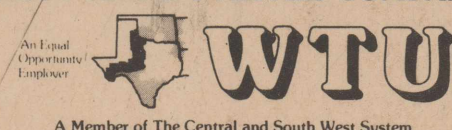

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.

(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

Six At Rotan Write Accepted Stories

Mrs. Whit Clark, Jackie Martinez, Tish Fowler, and Mrs. Rudy V. Hamric attended the West Texas Schools American Heritage Project meeting at K-Bob's in Abilene Tuesday evening. Volume VII of Big Country People, Events, and Places was distributed by Dr. Ed Kirk, coordinator of the Big Country area. Mr.

Ray Pruitt, Eastland superintendent, called the meeting to order and the invocation was given by Terry Harlow, Albany superintendent. Forty-two participants were welcomed to the dinner meeting. These participants were from Albany, Anson, Abilene, Eastland, Woodson and Rotan.

Six articles, written by

Rotan High School students, are included in Volume VII.

Raymond Baker writes "Cotton-pickin' Wagon Train," the story of the Rains family's experience during the 1918 drought. Jackie Martinez tells the adventures of her great-great-grandfather, John Hittson, in "A Texas Heritage."

"The Town Barber," by Rocky Roberts shows the importance of the barber shop in early Rotan history.

Joe Mike Sparks preserves a bit of family history in "Tom Sparks and His Boys."

Tish Fowler records much of the history and folklore of "The Double Mountains."

Another article of family history included in Volume VII of Big Country People, Events, and Places is "The Oliver Loving Family in Texas" by David Stevens.

Rotan Nursing Center

Another week has gone by and we are getting ready to go to Austin this Friday.

We will leave about 8 o'clock. We want to thank everyone who helped us make the money to go on. The residents are going to be busy practicing this week, so they can win. Win or lose, we are going to have a lot of fun trying.

The Stonewall Senior Citizens Rythum Band came over and played for us last Tuesday. We enjoyed

them and they seemed to have a lot of fun playing for people. The residents said that they really enjoyed that kind of music and hoped that they could come back.

We started making Christmas decorations this week. We put some of them in our garage sale. Our garage and bake sale turned out really good thanks again to all of the donations and help.

Extension Homemakers Report

By Alice Ballenger

Several Fisher County Extension Homemakers attended the recent state meeting of the Texas Extension Homemakers Association in Lubbock, according to Alice Ballenger, County Extension Agent.

Voting delegates from Fisher County were Mrs. James Cave of Center E.H. Club and Lisa Carey of Rural Wrens E.H. Club. Others attending from this county included Elizabeth Billingsley, Mrs. Bill Hardy, Mrs. Dale Cave, Mrs. J.P. Phillips and Mrs. Lowell Thornburg.

Mrs. Thornburg, as chairman of the State Health Committee of T.E.H.A. with assistance from Mrs. Cave and other members of the committee conducted a workshop on Life

Style and Health and eating habits and health. Workshops were conducted on Thursday of the three day meeting.

Mrs. Billingsley was in charge of a party for all

members from the Rolling Plains District-3 on Wednesday night.

The program concluded with a banquet on Thursday night.

Hospital Auxiliary Planning New Drive

The Fisher County Hospital Auxiliary volunteers met Sept. 12 for a regular meeting with 8 members present. Plans are being made for the Blood Pressure day downtown for Oct. 12 and a bake sale. We are asking all members to please make a great special effort to bake a cake, pie or whatever

you wish and bring it downtown. If you can not work or attend the meetings, we ask you as a member to participate in this very worthy organization we belong to.

Rena Colwell has made and donated a beautiful afghan to the Auxiliary, for fund raising. Donations of \$1.00 are being accepted and will be on display Blood Pressure day.

We need funds for buying special life saving equipment, so let's all work together and raise some money.

The next meeting is Oct. 3, please come.

Roby Garden

Club Meeting Is

Conducted

The Roby Garden Club will meet Thursday, October 13th, 9:30 a.m. at the Midwest Electric Company.

A workshop on Flower Arranging will be conducted.

Hostess will be Mrs. L.L. Stuart and Mrs. Edd Carter.

THE ROTAN MARCHING YELLOWHAMMERS: The members of the Rotan Marching Yellowhammer Band, under the leadership of Band Director Kay Kennedy, daughter of Mr. and Mrs. Hubert Kennedy, will be performing at the first district football contest of the 1983 season when Rotan faces Munday this Friday night on the road.

Sylvester Garage & Bake Sale Set

The Community of Sylvester, Texas will have a huge garage and bake sale Saturday, Oct. 8, 1983, from 9:00-5:00 at the Community Center on the main highway in Sylvester. Doors will open at 9:00. The monies raised will be used to help in building our park. Already some things have been built for

the park but much more is needed. Recently we had an old fashion box supper that was a great success and we want to thank everyone who had a part in it. We want to thank all who have helped in anyway on our park.

To the citizens of our community, we ask that

you bring all sale items up Friday evening if at all possible. To everyone else come see us Saturday morning at 9:00 a.m.

NOTICE OF INTENTION

To Engage in Weather Modification Operations Within the State of Texas

Prepared: September 19, 1983

NOTICE IS HEREBY GIVEN THAT the Colorado River Municipal Water District of P. O. Box 869, Big Spring, Texas, 79720, holder of Weather Modification License No. 83-1 of the State of Texas, has applied for a permit to engage in an operation to change or attempt to change by artificial methods the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere. An application has been filed with the Texas Department of Water Resources for consideration to conduct a weather modification operation to increase precipitation within the area described and by the method stated below:

1. The equipment, materials and methods to be used to conduct this operation include: a weather radar set, meteorological analysis information, a twin-engine aircraft, air-to-ground radio communications and wing-mounted racks to hold silver iodide flares; a meteorologist directs the aircraft to a radar-selected cloud to begin cloud-seeding at cloud base to increase rainfall in the target area.

2. The area intended to be affected by the operation is the target area which is bounded by a line beginning at a point of origin at Big Spring, Texas and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County, thence east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The area in which the equipment is to be operated includes the operational area and the target area. The operational area is the land-area between an outer boundary which is defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Coke, Sterling, Glasscock, Martin and Dawson, and an inner boundary which is that of the target area.

4. The persons approved by the Department to be in control and in charge of the operation are Ray Pat Jones and Owen H. Ivie, P.E.

5. The period of the operation is expected to be March 1 through November 30 during the years 1984, 1985, and 1986 and 1987.

6. The initial Texas Weather Modification License was issued to the Colorado River Municipal Water District Dec. 18, 1974, and has been renewed each year.

The Commission shall, if requested by at least 25 persons, hold a public hearing in the area where the operation is to be conducted prior to the issuance of the permit. No public hearing will be held on this application unless a

request for a hearing is made within 20 days following the date of publication of the first of three consecutive weekly notices of intention to engage in weather modification operations.

Request for further information concerning any aspect of the application should be submitted in writing to the Weather and Climate Section, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas, 78711. Telephone (512) 475-6318.

Requests for a public hearing should be submitted in writing to the General Counsel, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7836.

Editorial Comment

By Kim Pease

It is not our intent to "sprinkle salt on a raw wound"; just possibly present another view in light of what was recently published in the newspaper in Aspermont. Apparently Aspermont fans, coaches and the newspaper editor feel Rotan did an injustice by defeating them 76-0 a few weeks ago. I'm going to make a few personal observations about the game, then for what it's worth, re-print the comments made by the Aspermont paper.

Coach John Smith and the other coaches need not carry any guilt feelings, in my opinion, concerning the outcome of the game. There was no reason for them to plot a slaughter of Aspermont. Like any other coach, they try to instill a winning attitude in each player-try to motivate each player to do a good job, and try to teach good sportsmanship.

In the case of Aspermont, I overheard Coach Smith, in the third period express displeasure in the unbalanced score. He played most of the 2nd and 3rd string players the entire second half and they still scored. Many of the points were directly credited back to the defense. Intercepted passes run back for scores, recovered fumbles for scores, etc.

In playing backup players for the second half it appeared to me that Coach Smith was purposely trying not to let the score get completely out of hand. Had the first team stayed in the score may have been 150-0.

I don't think Coach Smith or any other Rotan coach needs to feed his ego. They're doing a super job, giving young boys confidence, expressing their pride in what each boy does and in so building citizens for tomorrow.

Back in 1924, Rotan defeated Aspermont 86-0. That's when Conner Robertson was playing. Rotan, if investigation was held, has probably lost games by high scores-but no one is harboring any ill feelings.

I personally hope the citizen's of Aspermont don't all hold the same feelings as are reflected in the front page news article the week of September 22, 1983 in the Aspermont News.

Rotan didn't deliberately set out to humiliate Asper-

mont. They lost a football game-not their respect as young men. Rotan may get defeated 76-0 this Friday night. If they do, I hope they accept responsibility for the loss, keep their chins held high and prepare for the next game. Trying to place the blame on someone else is trying to escape reality.

Below is the article from the Aspermont News:

The Aspermont Hornets will be taking a well needed rest this Friday night, trying to heal up for the game the following week.

They were well trounced last Friday night by the Rotan Yellowhammers.

The Rotan Coach pointed out that he played all his boys in the game, but what he failed to point out was that he did not even suit up his junior varsity boys for the encounter.

In the opinion of most unbiased observers, there is no excuse for any coach running up a 76-0 score in a football game. About the only explanation for such an event is that the coach is feeding his ego.

Most Aspermont Hornet fans are pretty upset by the way Rotan deliberately ran up such a high score, in what seemed to be a deliberate effort to humiliate the Aspermont team and coaches.

But, you know, fate has a way of catching up with these kind of people.
