## The SDN Column

The energy and enthusiasm of American Magnesium Company's management was contagious here Tuesday and Wednesday, as local residents and visiting representatives of other firms tried to keep pace with rapidly unfolding events.

Arriving here in late afternoon, the American Magnesium Company officers and directors had a rather brief period to get their feet on the ground before they went to the Country Club for dinner as guests of the local industrial board. The big public meeting in the coliseum followed at 8 p.m., but the evening was just beginning for the AM people when they walked out of the coliseum shortly after 9 p.m.

A session with Texas Electric Service Company officials followed at the TESCO offices here, during which they negotiated a contract for electric power for the new AM plant.

They were on the go again at a rather early hour Wednesday, making a tour of leases in Borden County where the raw material for their plant will be mined.

Then, back to the plant site at around 11 a.m. for the groundbreaking ceremony.

The next big event in Snyder, which turns the corner this evening, is the convention of District IV of the Texas State Teachers Association.

School pupils over the district will get a holiday tomorrow while their teachers, principals, etc., are in Snyder for the convention. The district has a membership of nearly 4,500 and there could be as many as 4,000 on hand for the convention here. Some of them will arrive today to attend the house of delegates dinner tonight at the high school cafeteria. The general session of the convention follows tomorrow in the coliseum.

This is the last year for Scurry County in the district that extends westward. Beginning with the coming year, schools here will be in a district including Sweetwater, Abilene, etc. The TSTA has re-zoned its map in an effort to equalize membership in the various districts. — WACIL McNAIR

## Today In History

Today is Thursday, March 7, the 67th day of 1968. There are 299 days left in the year.

Today's highlight in history: On this date in 1876, a patent was granted to Alexander Graham Bell for the first telephone.

On this date: In 1849, the American horticulturist, Luther Burbank, was born.

In 1850, Sen. Daniel Webster made a famous speech against secession.

In 1926, the first successful transatlantic telephone conversation was held between New York and London.

In 1932, during the great depression, four men were killed as job hunters rioted outside a Ford Motor Co. plant in Detroit.

In 1936, Adolf Hitler ordered his troops to march into the Rhineland.

In 1945, during World War II, the U.S. 1st Army crossed the Rhine River south of Cologne, Germany.

Ten years ago — Reports from Algiers said the French had given up hope of a quick victory over Algerian nationalists.

Five years ago — Pope John XXIII granted a private audience to Alexei Wdzhubexi, the editor of the Moscow newspaper Izvestia and son-in-law of Soviet Premier Nikita Khrushchev.

One year ago — President James R. Hoffa of the Teamsters Union was sent to prison after being convicted on charges of tampering with a jury.

# US Combat Casualties Soar

## Bombardment Tapers Off

By GEORGE ESPER
Associated Press Writer

SAIGON (AP) — A near-record 542 Americans were killed in combat in South Vietnam last week, only one less than the highest weekly toll of the war, the U.S. Command announced today.

The toll continued this week, with 24 Americans killed in ground fighting Wednesday and another 48 presumed dead in the crash of a C123 transport shot down five miles from the U.S. Marine combat base at Khe Sanh. But the U.S. Command said its troops killed at least 158 Communists in the clashes Wednesday.

The Viet Cong's bombardment of towns and military posts in South Vietnam tapered off today, with attacks by mortars and rockets on only three points reported.

In the air war, U.S. Navy pilots made coordinated night attacks Wednesday on six targets in the Hanoi-Haiphong area, including a battery plant seven miles south of Hanoi and a transshipment point hit several times before.

Hanoi claimed three U.S. planes were shot down, but there was no report of any losses from the U.S. Command.

The command's weekly report of casualties said 2,191 Americans were wounded last week, relatively high number although well below the previous week's 2,675. The U.S. death toll was exceeded only by that of the week of Feb. 11-17, at the height of the Communists' lunar new year offensive.

The Americans said 3,849 Communist troops were killed last week, while South Vietnamese headquarters put enemy casualties at 5,681 killed and 827 captured. There was no explanation for the discrepancy.

South Vietnamese headquarters also reported a sharp drop in government casulties last week—139 killed and 770 wounded, compared with 434 killed and 1,435 the week before.

The report brought U.S. casualties in seven years and two months of war in Vietnam to a total of 19,251 killed and 117,335 wounded. Another 1,137 Americans are listed as missing or captured.

Ground fighting was reported Wednesday in the vicinity of Con Thien, just below the demilitarized zone; at Ban Me Thuot, in the central highlands, and along the coastal lowlands in the north, below Da Nang.

U.S. Marines at Con Thien reported killing 81 North Vietnamese three miles northeast of their base and another 10 two miles west of the base. Seventeen Leathernecks were killed and 35 wounded in the two clashes.

North Vietnamese gunners at the western end of the demilitarized zone hit another American C123 transport today—their second plane — as it was landing at the Khe Sanh Marine combat base. The plane was put out of action although not destroyed, officers at Khe Sanh said, and no one was hurt.

Two helicopters flew over the wreckage of the C123 shot down Wednesday with 48 men aboard and reported no sign of life. Marine officers at Khe Sanh said no attempt would be made to recover the bodies because of the thousands of North Vietnamese troops massed close around the base.

A U.S. F100 Super Sabre fighter-bomber also was shot down Wednesday while supporting government troops at the southern end of the country, but the pilot was rescued. The F100 and the C123 raised the total number of U.S. planes lost in combat in South Vietnam to 235.

In the attacks on North Vietnam Wednesday night, U.S. Navy all-weather Intruders from the carriers Enterprise and Kitty Hawk flew low through 1,600-to 1,500-feet overcasts to attack at least six different targets.

**FIRST STEP** — Breaking ground is the important first step in constructing a new industrial plant. Here, the board of directors of American Magnesium Company take that important first step at the site of the firm's future plant souhwest of Snyder. From left, are Wayne English, John Barry, Robert Allen, William Bovaird, Harry Fair and Roger Wheeler (president). Harry Reed, co-chairman of the Scurry County Industrial Development Corp., presided at the brief ceremony in which three Snyder ministers participated. The Rev. John Bollinger, pastor of Grace Luthern Church, gave the invocation; the Rev. John Gordon, pastor of First Presbyterian Church, led the prayer of dedication, and Dr. A. B. Lightfoot, pastor of First Baptist Church, gave the benediction.

## Return Of Defector Demanded

VIENNA (AP) — Czechoslovakia announced today it is demanding the extradition of a Czech general who has defected to the United States.

CTK, the official Czechoslovak News Agency, reported: "The Czechoslovak Foreign Ministry announced that on the basis of a valid agreement on mutual extradition of criminals between Czechoslovakia and the United States, steps are being taken through the Czechoslovak Embassy in Washington to secure the extradition of Jan Sejna."

"Maj. Gen. Jan Sejna is wanted in Czechoslovakia for offenses concerning property and misuse of authority of a public official," it said.

Sejna's defection is expected to have far-reaching repercussions in Czechoslovakia.

It may lead to the resignation of the ministers of defense and the interior. High-ranking military officers could also lose their positions.

The committee of Communists in the army held a plenary session to discuss the Sejna case and demanded that "both the minister of defense and of the interior should take a public attitude on the case."

They said: "Those whom it concerns should make self-critical conclusions after they have quit their posts."

### Cattlemen To Urge Tighter Meat Imports

WASHINGTON (AP) — The National Cattlemen's Association says that despite the Johnson administration's opposition, it will press Congress to tighten quotas on meat imports.

Under current law imports of certain meats—primarily beef and veal—would have to reach 1.45 billion pounds this year before quota restrictions would go into effect.

The legislative committee of the association has informed Secretary of Agriculture Orville Freeman it will seek legislation to reduce the quota-triggering level to 950.3 million pounds. The secretary has said imports this year are not expected to reach the base quota level, but some cattlemen believe differently.

## School Election Ballots Complete

The deadline for school board candidates to file passed last night, leaving Snyder and Ira districts with four candidates each, while Hermleigh and Fluvanna wound up with six candidates each.

Snyder will fill three posts on its school board and the others will fill two each.

The Snyder School ballot on April 6 will include the names of the three incumbents, Kenneth Wilson, William J. Schiebel and Dan Cotton, along with Darrell Sims.

At Ira, the two incumbents, Harold Hester and C. C. Sellars Jr., are in the race with Jimmy Layne and Robert Erwin.

The incumbents at Hermleigh, Albert Kuss and W. B. Etheredge, are not seeking reelection. However, Hermleigh has the only women candidates in the county. Mrs. Irene Hudgins and Mrs. Linda Roemisch filed along with Forest Hess, W. T. Parker, Walter Stirl and Rex Glass.

At Fluvanna the field includes the two incumbents, Ray Herring and Guy Turner Jr., along with Donald Gill, Roy Lee Beaver, Jimmie Joe Key and Bob Jordan.

There are no contests for posts on the county board, with three incumbents the only ones filing for the three places up for a vote. They are Blake Walker in Precinct No. 1, Charlie Bley in Precinct No. 2, and Hugh Taylor, county at-large.

### School Pupils Get Holiday Tomorrow

Public school pupils will get a holiday from the classrooms tomorrow while their teachers attend a convention.

District TSTA convention time is a holiday on the school calendar each year for the pupils. The teachers will be holding their convention at the Scurry County Coliseum tomorrow.

### No Information Yet On Jobs At Plant

Information concerning employment on the American Magnesium Plant project will be passed along whenever it becomes available, the Chamber of Commerce reported this morning.

Gene Merrifield, Chamber Manager, and Karl Mawhorter, director of community development, said telephones in their respective offices were ringing constantly yesterday as people sought information on employment. No information has been released, but it will be made public whenever it is, it was promised.

## Congress Reserves Studies Strength

By CARL P. LEUBSDORF

WASHINGTON (AP) — Senate investigators have quickly launched a study of U. S. troop levels in Korea and at home to see if the Vietnam war has drained reserve strength below safe levels.

The study by aides of the Senate preparedness subcommittee could provide new fuel for congressional demands that ground Reservists and National Guardsmen be mobilized to fill gaps caused by continuing increases in Vietnam troop strengths.

It comes against the background of new talk that military leaders in Vietnam want 100,000 more fighting men.

Sources said subcommittee aides have been in the Far East about a week and are expected to return to Washington next week.

Their emphasis, the sources said, is on Korea, where the United States has some 50,000 ground troops. Most are concentrated in the 2nd and 7th Infantry Divisions.

Troop strength in the United States, which totaled about 10 Army and Marine ground divisions when the big Vietnam build-up began in 1965, is now down to about half that number and faces further reduction if the Johnson administration agrees to send more troops to Vietnam.

Meanwhile, Sen. John G. Tower, R-Tex., a member of the Armed Services Committee and a leading advocate of stepped-up military action in Vietnam, said he thinks call-ups of reservists and guardsmen will be necessary in the weeks ahead.

Tower told reporters the troops would be needed to fill gaps in the strategic reserve in this country and possibly in the U. S. force in Europe, if more men are sent to Vietnam.

The current U. S. troop ceiling in Vietnam is 525,000, scheduled to be reached this summer. Troop strength is now about 505,000. But Gen. William C. Westmoreland, the U. S commander, is reportedly asking for another 100,000 troops.

AT LUNCHEON SESSION — Law enforcement was the topic of an address by Bill E. Caffee, second from right, at the Kiwanis Club's luncheon meeting Wednesday. Caffee spoke in local schools also. His appearance as a "Public Schools Week" speaker was sponsored by the Masonic Lodge. At left is Dave Harlin Jr., president of the Jaycees who met with the Kiwanis Club for the program, and second from left is Arel Faver, Kiwanis President. At right is Snyder Police Chief Steve Clark who introduced Caffee.

# Law Enforcement Protects Rights

Law enforcement agencies do not make laws, and their function is to help guarantee rights of protection by enforcing the laws that the people themselves have made, declared Bill E. Caffee, director of security at Southern Methodist University.

Caffee appeared here Wednesday at junior and senior high school assemblies and at the Snyder Kiwanis Club's regular luncheon meeting as the featured speaker of the Masonic Lodge "Public Schools Week" program.

Jaycees met with the Kiwanis Club and local law enforcement officers were special guests at the luncheon meeting of the service club.

Caffee said there could be no guarantee of any right without the protection of law enforcement agencies.

"It is the duty of every citizen to make an effort to understand the function of each law enforcement agency and to do their part in seeing that the best men possible are hired for these jobs," Caffee declared.

The speaker was introduced by Snyder Police Chief Steve Clark, who cited Caffee's career of 13 years with the Texas Department of Public Safety and his duties in training police personnel.

## Two Vehicles Are In Mishap Here

Considerable damage resulted from a two - vehicle mishap in the 4000 block of Irving at 4:10 p.m. Wednesday.

Involved were the parked 1966 Model Plymouth of Eula Sumpter Hanfache, Route 1, Loraine, and the 1966 Model Ford of Thomas Darrel Faver, 4012 Irving.

Damage to the Plymouth was estimated at $300, and damage to the other car was placed at $200.

Policec Patrolman Ruben Gonzales investigated the collision.

## Package Store Operator Is Killed

HOUSTON (AP) — An elderly package store manager was slain Wednesday night in a shootout with a gunman who tried to rob him.

William Johnson, 71, died of two pistol wounds in the chest.

Johnson's wife said that after the exchange of shots, the would-be robber fled the store, dragging his right leg.

When police arrived they found a man near the store who was shot in the left shoulder and upper right leg. He was taken to a hospital and his condition was reported fair.

The element Chromium was discovered in 1797 by Vauquelin.

# 9 Enlistees Missing In Icy Potomac

QUANTICO, Va. (AP) — Nine enlisted men, lost in the icy waters of the Potomac Riv ", were the objects early today of a massive ground-water-air search.

Eight Marines and a sailor stationed at the Quantico Marine Base were training in a 25-foot canvas conoe on the river Wednesday afternoon. The capsized canoe was spotted hours later.

Helicopters, boats and Marines on foot joined a massive search at daybreak after an all-night effort turned up no trace of the missing men.

The canoe, which the men were to paddle across the river and back near the base, was retrieved shortly after the search began about 6:30 p.m.

A base spokesman said four helicopters, two Coast Guard cutters, six Marine and Navy boats and four 12-man ground crews joined the search at daybreak.

Two Marine crash boats from Quantico and three ground crews searched through the night.

The water temperature in the river was about 35 degrees Wednesday. One source estimated a man in top physical condition would be frozen within 15 minutes at such temperatures.

## Fine Is Paid In Theft Case Here

A 37-year-old Snyder man paid a $25 fine and made restitution after he was charged in JP Court Wednesday with misdemeanor theft.

He took a pump jack motor from the farm of Chris Sellars, south of Ira, sometime Tuesday, according to Sheriff's authorities, who made the arrest Wednesday.

## Williams Rites Set

Funeral service has been set for 2 p.m. Friday at Breckenridge for Mrs. Pearl Williams, 79, who died Wednesday at Midland. Mrs. Williams was a sister of Albert Buchanan of Snyder.

# Refugees In Laredo

LAREDO (AP) — Another planeload of refugees from Cuba crossed the Mexican border into this country Wednesday night.

There were 73 persons in the monthly quota permitted to leave Fidel Castro's island country en route to the United States, including 36 U.S. citizens and 37 Cubans with American relatives.

A DC6 airliner operated by Mexico's Ministry of Communications and Transportation delivered the party to Nuevo Laredo, just across the Rio Grande, at 7:10 p.m. All proceeded to Laredo by 8:20 p.m.

As with earlier groups who flew to Matamoros, Mexico, and came on to Brownsville, the refugees were bound for homes of relatives or friends at various points in this country.

TO APPEAR HERE SUNDAY — The Munich Chamber Orchestra, which began a tour of North America in February, will appear here Sunday afternoon in the Scurry Concert Association series. The program will begin at 3 p.m. Sunday in the Snyder High School Auditorium.

# Pickets Fail To Disturb Hershey

AUSTIN (AP)—Lt. Gen. Lewis B. Hershey, Selective Service director, did not let a dozen anti-war pickets disturb him Wednesday. He cracked jokes.

The difference between protesters today and protesters "in my day," Hershey told the Armed Forces Luncheon Club, is in pay. They did not get paid a generation ago, he said. "They protested for nothing."

He implied that some protestors today may lack complete sincerity. "One young man let me know he was going to oppose the draft laws as soon as his deferment was up," he said.

It was a rambling off-the-cuff speech. The audience, about 200 former servicemen, ate it up. "If you don't know what I'm talking about," he said, "I share your lack of knowledge. I don't know what I'm talking about either."

The pickets departed after reporters and cameramen went inside to hear the general.

"A lot of people would prefer to fight in their own streets than to fight in Vietnam," Hershey said.

He likened men who object to having their deferments canceled to a man who is deferred to take care of his wife and three children and who starts breaking into houses. The "contract" of deferment is broken, he said.

"The Selective Service System does not defer people to violate the Selective Service law. We can get people to violate our law even without deferments," he said.

People who object to the draft laws should not take it out on him. Hershey said. "I do not pass laws. I am not in the legislative branch."

Those who say the draft laws are unfair should keep in mind that only half the eligible young men can qualify for service, he said.

"It's pretty hard to run something on the up and up when 50 per cent of your people aren't up—they're down," he said.

Hershey got a standing ovation before and after his speech.

## Dog Bites Child

A white dog bit Benny Puente, 8, on the upper lip while he was playing in his back yard at 711 Twenty - seventh Street about 4 p.m. Wednesday.

Owner of the dog was - not known, according to City Police.

The Secret Service arrested 1,072 people for counterfeiting in fiscal 1967.

MRS. VONDELL KING

## Mrs. King Is Named Top Awards In Insurance Co.

Mrs. Vondell King has been notified by Mr. L. R. Gordon that she was the leading agent in the 1967 Rio Grande Founder's Club of Rio Grande National Life Ins. Co. The company recently merged with Kentucky Central Life Ins. Co. and will be known as Kentucky Central in the future.

Mrs. King will be presented a cash award, a Founder's Club ring, and a piece of Rogers Heritage Silver. This will be the last such award to be presented by the company.

Kentucky Central Life Insurance Company commenced the current year with life insurance in force in excess of $1.5 billion after posting a record 12-month increase of $147,940,531, or 14.1 percent, Garvice D. Kincaid, president, announced recently.

He said it was the greatest in-force gain in the company's 65-year history, and "percentagewise was well above the industry - wide average increase of nine percent recently reported by the Institute of Life Insurance."

Life insurance in force as of January 1, 1968, amounted to $1,506,931,943, which included $310,296,319 of business obtained in the company's recent acquisition of Rio Grande National Life Insurance Company, of Dallas, Texas.

Kincaid said Kentucky Central also established new records in sales, income and earnings last year.

The company's life insurance sales in 1967, topped the half-billion mark for the first time, rising to a total of $526,829,931, for a gain of $40,372,882, or 8.3 percent, over the previous year.

Kentucky Central's premium income set a new record of $43,311,844, an increase of $2,397,909, or 7.8 percent, and investment income rose to $5,496,973, for a net yield of 5.05 percent, compared to the previous high of 4.85 percent set in 1966.

He said the company's investment yield last year also was better than the industry average of 4.85, estimated by the Institute of Life Insurance.

Kincaid said Kentucky Central's gain from operations in 1967 was the highest in the company's history — $2,533,884, or 56 cents per share — but he added that "this figure will be reduced by estimated Federal income taxes of $330,000."

The company had an operational gain of $2,354,005, or 54 cents per share, in 1966, but was not required to pay any Federal income taxes that year.

Kentucky Central reported year - end capital, surplus and securities valuation reserve of $27,683,239, an increase of $2,576,630, or 10.3 percent, over 1966. Admitted assets advanced 4.9 percent, up to $119,782,599.

With the company's acquisition of Rio Grande, Kentucky Central's assets at the start of the current year were $155,000,781.

Kincaid described 1967 as "another highly successful year" for Kentucky Central, and he added that "with our most recent acquisition — which gives us a strong marketing spring - board in the fast - growing Western and Southwestern states — we are ready to launch a period of even greater growth and profitability."

The company now has a total of 200 sales and service offices coast-to-coast, representing an increase of more than 60 during the past year, including those added by the Rio Grande acquisition.

In addition, the company's sales organization has increased from 1,200 to 1,700 in the past 12 months.

Kentucky Central, which maintains national headquarters in Lexington, Kentucky, currently serves a 35-state area and the District of Columbia.

## Musical To Be Presented At CC

The Colorado City Playhouse will open its annual spring musical Friday, March 8, at 8 p.m. in the Colorado High School auditorium.

The 1968 musical comedy is "Lil Abner" under the direction of Curtis Baker with George Womack assisting. Music and lyrics is written by Johnny Mercer and Gene DePaul, with adapted dialogue by Norman Panama and Melvin Frank. This is Baker's third musical and contains the largest number of musicians and characters involved thus far in any production of the Playhouse.

Appearing in "Lil Abner" is Marilynn Hicks as Daisy Mae; Don Richard as Lil Abner; Betty Bills as Mammy Yokum; Bruno Kaulfus as Pappy Yokum; Porter Richardson as Marrying Sam; Bob Riely as Earthquake McGoon; Tandy Curlee as General Bull Moose; Sharon Hammond as Appassionata Von Climax; Jim Harris as Mayor Dog Meat; Sonney Pawkett as Jack S. Phogbound; Danny Majors as Evil Eye McFlegal, plus a host of citizens of Dog Patch USA.

Accompanying the performances will be an orchestra conducted by Curtis Baker. Mrs. Curtis Baker has been the attending pianist for all the rehearsals and will play with the orchestra during the production.

Choreographer for the musical is Mrs. James Payne. Stage management has been under Porter Richardson, costuming by Shirley Dulaney with makeup supervised by Charlotte Northcutt.

"Lil Abner" will be on the stage March 8-9 and 15-16. Tickets will be on sale at the door for $2.

### Clogged Drains

If frequent shampooing is clogging the drains, try this suggestion. Place a scouring pad over the drain. Water drains through the pad without a bit of trouble, but each hair gets caught in the fine wires. Removing the hair from the pad is really quite simple if you let it dry for a few minutes. Between shampoos, keep the pad in a plastic bag so it is easily distinguished from other pads.

# High School Net Team Trips Steers

The Snyder High School tennis team won 6 of 10 matches with Big Spring here yesterday afternoon.

Coach Ken McAllister also found matches for all of his junior high boys, but they were competing against older youngsters and consequently they won only four of 21 matches.

Results of the high school pairings:

Wayne Anderson defeated Tim Childress 6-3, 6-1.

Tommy Faver defeated Richard Macklin 6-2, 6-0.

Max Falls defeated Tim Childress 7-5, 6-3.

John Phillips and Ronnie Maddux defeated Craig Frank and Scott Porter 6-3, 6-3.

Maddux and Terry Book lost to Frank and Porter, 7-5, 3-6, 4-6.

Deanna Boles lost to Collette Took 6-0, 6-0.

Carolyn Tyree defeated Ginger Adams 6-1, 6-2.

Linda and Patsy Miller defeated Janice Richardson and Wanda Heckler 6-1, 6-2.

JoAnn Braziel and Cheryl Stevenson defeated unidentified team, 6-2, 6-4.

**GOLF TEAM** — The Snyder High School golf team left this morning for Laredo where it will compete in the annual Border Olympics Tournament. Team members are, from left to right, Front Row, Glen Clarady, Steve Henderson, Steve Boydstun, John Lacik, Trey Cooper and Terry Rannefeld; and, Middle Row, Jay Kidd, Ronald Ward, Phil Ator, Jamie Boren, Johnny Powell and Ted Donaldson; and, Top Row, Dave Dennis, Gary Terrell, Clark Bostick, Randy Dollins, Paul Zeck, Dennis Wolfe, Benny Ward and Mitch Rambin and Coach J. P. Ward. Not pictured is Jerry McKinney.

# Hot Battle In NBA

BY THE ASSOCIATED PRESS

(Editors: As there was only one game played in the American Basketball Association Wednesday, there will be only one pro basketball roundup.)

The battle for fourth place in the National Basketball Association's Eastern Division rapidly is turning into a battle for third place.

Cincinnati, Detroit and Baltimore have been staging a furious battle for the final division playoff spot — the top four teams make the playoffs — but now they all are creeping up on third-place New York.

The Knicks were beaten by Boston Wednesday night for the second straight day, this time losing 103-91. Cincinnati, which beat Philadelphia 108-106, now is only 2½ games behind the Knicks. Detroit, a 140-118 victor over San Diego, is just 3½ games back.

In the only other NBA game Wednesday night, St. Louis downed Los Angeles 112-96.

In the American Basketball Association, Denver edged Minnesota 102-100.

The Knicks' point total was the same low one they had in losing to the Celtics the night before. The Celtics overcame a slow start and a 20-9 New York lead behind John Havlicek's 25 points and Bailey Howell's 24. Cazzie Russell led the Knicks with 24.

Oscar Robertson scored 35 points and had two straight jump shots in the closing minutes to lead the Royals past the 76ers. Wilt Chamberlain appeared to tie the game in the closing seconds, but the buzzer had sounded. Chamberlein's 22 points led Philadelphia.

The Pistons won their third straight on the strength of a big second period. Eddie Miles scored 37 points, Len Chappell 25 and Dave DeBusschere 22 for Detroit while Henry Finkel had 26 for the Rockets, who lost their 25th game in 26 starts.

Zelmo Beaty had 25 points and Don Ohl 21 as the Hawks ended the Lakers' seven-game winning streak and reduced their own magic number for clinching the Western Division title to two. Elgin Baylor led the Lakers with 20 points.

## *Report Of Theft Is False Alarm*

EAU GALLIE, Fla. (AP) — The case of the missing cannon has been solved. Second Vice Commander John Keller reported to police Tuesday that a Civil War cannon had been stolen from in front of the local American Legion post.

However Wednesday night, Keller told police the post commander had sent the cannon for a new paint job and didn't tell him about it.

## Charged With Failure To Render Aid

DALLAS (AP) — Officers charged Wednesday that Gailya Ballew, 32, failed to stop and aid a Dallas youth killed on a freeway early Sunday after he changed a tire for another motorist.

Police said Marvin Pearson, 18, was struck and killed as he walked on a shoulder of the R.L. Thornton Freeway. This occurred, they reported, shortly after he replaced a flat tire on the halted vehicle of Mr. and Mrs. John Clinkunbroomer, 53.

THIS WEEKEND

# Most Tiger Teams Slate Road Trips

There's a full round of activity involving Snyder High School sports teams this weekend.

Coach Speedy Moffett's baseball team is scheduled to tangle with Lubbock Monterey at 4 p.m. Friday in the Hub City. Saturday, the Bengal nine goes to San Angelo for a doubleheader that begins at 1 p.m.

Tuesday's tilt with Estacado was rained out. Therefore, Steve Holder, who was slated to take the mound against Estacado, probably will draw the starting assignment against Monterey tomorrow.

The golf team left this morning for Laredo where it will be competing in the annual Border Olympics Tournament against many of the top teams in the state.

Coach J. P. Ward said the Tiger team will include Mitch Rambin, Benny Ward, Jay Kidd, Ronald Ward and Johnny Powell. Team members were determined after qualifying rounds held earlier in the week.

Coach Kay Echols and the Tiger volleyball team will host Big Spring in a couple of matches tomorrow. The program begins with a junior varsity match at 6:30 p.m. in Tiger gym.

The tennis team of Coach Ken McAllister is scheduled for a tournament at Odessa Friday and Saturday. Play probably will begin Friday morning.

The tennis traveling squad includes John Phillips, Ronnie Maddux, Terry Book, Deanna Boles, Linda Miller, Patsy Miller, Carolyn Tyree, Joann Braziel, Mamie Braziel, Cheryl Stevenson, Shirley Krueger, Kathy Martin and Becky Sims.

Coach Bill Hartsfield's track team, originally scheduled to compete in the Border Olympics, will go to Denver City in a change of schedule. The track meet begins Saturday morning with finals on tap that afternoon. Tiger entries will be announced tomorrow.

gym will be the scene for a Saturday night, the Tiger regional girls basketball clash between the Canyon Eagles and the Stephenville Honey Bees. Tipoff is set for 7:30 p.m. Tickets will be available at the door at the rate of $1.50 for adults and 75 cents for students.

OF STATE TOURNEY

# Panthers, Seguin Vie In 1st Round

By JACK KEEVER

AUSTIN (AP) — Texas' 48th annual schoolboy basketball tournament, opening today, is guaranteed a spot in athletic history tonight.

An 8:50 p.m. tipoff in the Lubbock Dunbar game will be the first time an all-Negro school has a team in the state meet.

Dunbar, 27-5, will wind up the first day of the three-day tournament with a Class AAA semifinal game against Seguin, 23-12.

The first game of the tournament is between Bronte and Friendswood, two Class B teams.

State champions in five divisions—B, A, AA, AAA and AAAA—will be decided Saturday.

Another all-Negro team — Houston Wheatley—is the favorite in AAAA, the big city conference, and the go-go Wildcats may be the best squad in the tournament.

Wheatley, unbeaten in 34 games this season, will open its bid for its first Texas Interscholastic League basketball title Friday afternoon against Odessa Permian, 23-11. The Wildcats have won 11 state championship in the past 22 years while competing in the Negro schoolboy league.

But Texas high school athletics were fully integrated this year, and Wheatley has raced through the season with hardly a scare. Eight times the Wildcats scored over 100 points, reaching their season high in a 147-32 victory over Edinburg. Their closest game was a 75-69 victory over Houston Yates, also an all-Negro team, and the Wildcats later beat Yates 103-82 and 95-61.

Wheatley accomplished all this despite losing three starters by midterm graduation, including two guards coach Collin Briggs throught were the best in the state.

Eleven of the 22 teams have been to the tournament before, and 11 are making their first trip.

There are several returning champions, including Kennard the 1967 winner in B; San Antonio Brackenridge, a 1926 winner; Dallas Thomas Jefferson, the 1962 AAAA champion; West Sabine of Pineland, which won class A in 1963 and 1965; and Avoca, the 1955 winner and returning this year as a consolidated school, Lueders-Avoca, in Class B.

The favorites look like Wheatley, San Antonio Cole or Kirbyville in AA, West Sabine in A and Kennard in B. Dunbar, Richardson Lake Highlands and Conroe all appear to have a good chance at the AAA title, and Seguin, the fourth team, has been getting stronger week-by-week.

## Scotland Yard Seeks Rich London Robbers

LONDON (AP) — Scotland Yard hunted today for six armed men who broke into an armored car company's depot, shot a guard and escaped with $261,000 in cash.

Officials of the firm, Securicor Ltd., Britain's biggest armored car delivery service, said early estimates showed a loss of $72,000 but a check of cash boxes showed the robbery was more than three times as big.

Blonde bomber Jack Nicklaus this year won the U. S. Open, Bing Crosby, Westchester Classic and Western Open golf tournaments.

# Army Vs. Notre Dame In NIT First Round

By TED MEIER
Associated Press Sports Writer

NEW YORK (AP) — Marshall's Thundering Herd and the St. Peter's Peacocks have been paired in the opening game of the 1968 National Invitation Tournament, one of the two major postseason extravaganzas in college basketball.

The official pairings for the eight first-round games in the 16-game tourney opening March 14 are expected to be announced this afternoon. However, the athletic directors at several of the participating colleges disclosed Wednesday night that they had been informed of their first-round opponents.

Their revelations showed these first round pairings:

Thursday night, March 14 — Marshall vs. St. Peter's, 7 p.m., EST. Second game pairing not disclosed.

Friday night, March 15 — Kansas vs. Temple, 7 p.m. Wyoming vs. Villanova, 9 p.m.

Saturday afternoon, March 16 — Army vs. Notre Dame, 2 p.m., expected to be televised. Second afternoon game pairing not disclosed.

Saturday night, March 16 — pairing for 7 p.m. first game not disclosed. West Virginia vs. Dayton, 9 p.m.

No information was given out by the other teams in the field, Bradley, Duquesne, Long Island, Fordham, Oklahoma City and the Atlantic Coast Conference representative expected to be either Duke or North Carolina.

"I have no comment on that," said Asa Bushnell, commissioner of the Eastern College Athletic Conference, when told that Eddie Barnett, athletic director at Marshall in Huntington, W.Va., had announced the pairing with St. Peter's. The ECAC is in charge of the NIT.

"All the pairings, along with what brackets the teams are in, will be announced Thursday afternoon," said a spokesman for Madison Square Garden where the games will be played.

The information on the Kansas-Temple pairing came from KU at Lawrence, Kan., on the Wyoming-Villanova pairing from Wyoming at Laramie, on the Army-Notre Dame pairing from Army at West Point and on the West Virginia-Dayton pairing from Robert Brown, the Mountaineers' athletic director at Morgantown, W.Va.

West Virginia only a few hours earlier had become the 15th team in the tourney which ends Saturday afternoon, March 23. The quarter-finals are scheduled for Monday and Tuesday night, March 18-19, with the semifinals Thursday, March 21.

There were only a few major games played Wednesday night. St. Peter's beat Fairleigh Dickinson 106-80, Duquesne conquered St. Francis, Pa., 109-103, Texas-El Paso edged Arizona State 85-81 and Tennessee landed second place in the Southeastern Conference by defeating Auburn in overtime 63-54.

George Reynolds, one of the starters for Houston's top-ranked and unbeaten Cougars, was declared ineligible for the NCAA championship tourney because he lacks sufficient credits to play in postseason games.

Houston plays Chicago Loyola at Salt Lake City in one of the NCAA first-round games Saturday night.

Trainer Downey Bonsal, who won the 1964 Widener with Mongo, will race John E. duPont horses at Hialeah this winter. Young duPont inherited the Foxcatcher Farm racing silks from his father, William E. duPont.

# Present US Draft System Seems To Satisfy No One

By JOHN BECKLER
Associated Press Writer

WASHINGTON (AP) — Mounting American casualties in Vietnam and the prospect that more yong men will be sent there are building pressures for changes in the draft system.

Anytime there are more youths of draft age than the military needs, the choice of who goes and who stays home is hard to make, and the present system appears to satisfy no one.

More than a year ago the Defense Department said the policy of drafting the oldest registrants first "was not desirable from any standpoint." Yet it continues.

The president of Harvard recently told Congress the new regulation wiping out deferments for graduate students was bad for the Army, the colleges and the nation.

President Johnson has asked that national standards be applied for draft classifications and congress gave him authority to issue them. But the 4,089 local draft boards still set their own standards and they can vary from county to county.

There is blame enough for everyone in the goverment for the failure to draw up and implement a system as fair as can be devised, but for congress the failure has been most abject. It had the chance last wear to carry out a comprehensive revision of the law and threw the opportunity away.

A presidential commission had spent a year drafting recommendations and Johnson asked that most af them be enacted. But the House Armed Services Committee decreed that no great changes were needed and its view prevailed.

In an xhibition of legislation-by-default, the House rubber-stamped the committee's bill at a session begun late in the day and chopped off peremptoril so members could depart on a long Memorial Day week-end—some on a junket to Paris.

The House had sat until 2 a.m. the night before working on a controversial school bill. The members were tired and crotchety when the draft bill cam up and cries of "Vote! Vote-" were heard within an hour.

Sensing his colleagues' mood, Chairman L. Mendel Rivers, D-S.C., of the Armed Services Committee put through a debate-limiting motion. It left members with less than a minute to explain major amendments intended to carry out some of the commission's recommendations. All were shouted down.

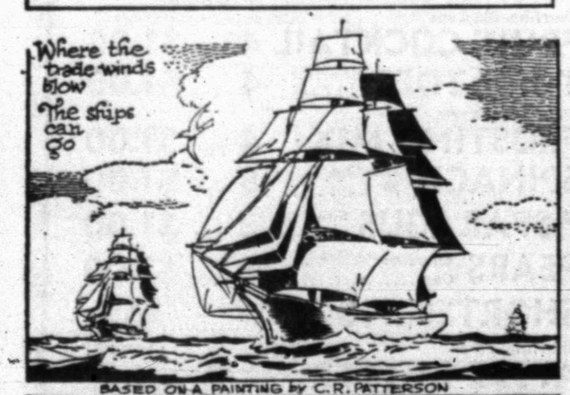

"We're asking young men to give up two years of their lives," said one unhappy member, "and we won't even give two days of our time to consider this."

The bill resulting from that session will be the law of the land until June 30, 1971, unless the House or Senate Armed services committees can be persuaded to reopen the matter.

Such persuasion is now being attempted, particularly in the Senate, where Sen. Edward M. Kennedy, D-Mass., recently offered a complete overhaul of the law, trying again to put in many of the provisions recommended by last year's commission.

Johnson could institute many of the recommended changes by executive order but he has chosen not to do so. Supporters of the change hope the need for expanded draft calls to meet Vietnam requirements will prompt the President to act.

## Junior Editors Quiz on TRADE WINDS

**QUESTION:** *Why were trade winds of such value to merchantmen?*

* * * *

ANSWER: Merchandise, in the old days, was carried overseas by sailing ships such as the ones in our picture. These vessels, with sails set crossways to the mast, were slow going toward the wind; but when the wind was behind them, as in the picture, they spread out extra sails (studding sails) on both sides and almost flew. There is a special zone, extending about 28 degrees both north and south of the equator where the winds blow with remarkable steadiness either from the northeast or southeast. The sailing ships tried to take advantage of these steady winds. Eventually, the winds came to be known as trade winds ecause the old meaning of **trade** was **tread,** or **steady on course.** Since the trade winds moved goods more quickly, they made more money for both merchants and shipmasters, and so were highly valued. Trade winds are caused by air currents which blow down or up from both polar regions toward the equator. But because the earth spins toward the east, the trade winds blow from northeast or southeast, rather than simply from the north or south.

## Time For Drill In Double Talk

By HAL BOYLE

NEW YORK (AP) — The class in double-talk will please come to order.

As you will remember, students, double-talk represents the final evolution of language in one of its chief functions—the avoidance of meaning.

All successful civilizations are built on double-talk, which is the art of saying one thing while thinking the opposite. Only in savage or barbarian societies do people frankly say what they mean or mean what they say.

Here, for class study, are a few typical examples of modern double-talk—followed by their actual meaning.

"If ever I can be of any possible assistance to you—," Don't call me; I'll call you.

"The beef stew here is said to be the best in town. Shall we try it together?" If I could afford steak, I'd tell you to order steak.

"This is one of the cosiest apartments in the building. We cal it the Junior Executive Suite." It has a pull-out bed under the refrigerator.

"If you don't mind my saying so, professor, I thought that was the most interesting lecture you've given all this semester." If I flunk your course, Mr. Lamebrain, my sorority will never initiate me.

"I wouldn't marry him if he were the last man on earth." He's already got a wife anyway.

"If it is of any encouragagement to you, I don't mind letting you know right now that I have mentioned you in my will." I had to leave my debts to somebody.

"Haven't you been losing a little weight lately, George?" Boy, this guy is really putting it on. He must eat with a shovel.

"I was just passing through town and thought I'd surprise you with a call." Every other girl I phoned either didn't answer or already had a date.

"It's such a nice night out, Millicent, it might be more pleasurable if we walked. "If this dame thinks I'm going to spend the rest of my life renting taxicabs for her, she's out of her mind.

"I love to dance with you, Walter, you're so light on your feet." But so heavy on mine!

"It is always heart-warming to hear from a constituent." Anybody who doesn't have anything better to do than write dopey letters to his congressman is sure leading a misspent life.

"You are one of those lucky people whose face is their fortune." Or, in your case, a disaster area.

"Now don't wait for a specific invitation. Phone me anytime." But when you try to, Buster, you'll find I have an unlisted number.

"When all is said and done, Jim, there's no friends like old friends." Maybe if I ask him for a 10, he'll lend me a five.

"Long time no see." Maybe if I just close my eyes he'll disappear.

### *Cumberland Curtails Use Of Fire Horn*

CUMBERLAND, Maine (AP) — Cumberland residents at the annual town meeting complained about the noise of their fire horn.

Fire Chief Philip A. Chase said testing of the horn has been reduced to once a day, and that when the horn is needed, its signal is sounded only twice, instead of four times as in the past.

He added that the horn is no longer used to announce such things as neighborhood suppers.

### *Separate Checks For Cafe Dinnerware*

DALLAS (AP) — A couple dining at a restaurant got separate checks recently—one for the food, one for crockery.

The manager told police the couple began arguing just before midnight and the woman opened fire with a table-load of dishes. Her companion retreated.

The bill: $4.45 for the dinner and $4.75 for ammunition.

### Receive Medallions

WASHINGTON (AP) — Sen. Ralph Yarborough, D-Tex., and Rep. W.R. Poage, D-Tex., have received bronze medallions from the Federal Land Bank for "outstanding contributions to agriculture." Another went to President Johnson.

RECEIVE AWARDS — Recipients of "Voice of Freedom" awards at Snyder High School yesterday afternoon are, from left to right, Front Row, Terry McNair, Loretta Bryce and Mike Levens; and, Top Row, Ben Brock (principal) and Jerry Worsham (speech teacher). T. V. Early (upper right) represented the VFW (the sponsoring organization) at the program, held in the school auditorium.

# Freedom Awards Made To Students

Three Snyder High School students were honored at an awards assembly program in the school auditorium yesterday afternoon, sponsored by the Veterans of Foreign Wars of the U. S. and the Ladies Auxiliary to the VFW, Scurry County Memorial Post.

Recipients of the awards are Loretta Bryce, Terry McNair and Mike Levens.

Loretta, 17, a senior and the daughter of Mr. and Mrs. L. C. Bryce was first place winner in the annual VFW "Voice of Freedom" contest for Snyder students. She also won second place in the district contest. Ribbons, medals and arm patches were presented to the local winners, and Loretta won a $25 savings bond for taking second in district.

Runnerup in the local contest was Terry McNair, 16, a junior and the son of Mr. and Mrs. W. D. McNair. Third place was won by Mike Levens, 17, a junior and the son of Mr. and Mrs. C. H. Levens.

Entrants had to write and then tape-record a three - to - five minute broadcast script expressing their personal views on freedom.

The state winner, Gary Thatcher of Beaumont, won a $1,000 scholarship and a week's trip to Washington D. C. From among the state winners, five national winners are chosen to receive a total of $13,500 in scholarships.

Token awards also were presented to Ben Brock, high school principal and to Jerry Worsham, speech teacher at the high school in recognition of their encouragement in the contest.

The three local winners all are active in speech and drama activities. The boys are on the speech debate team. Loretta is a member of the National Honor Society.

Local VFW chairman of the contest committee is Don Ginbey. His wife, Dolores, is chairman for the Ladies Auxiliary.

Also appearing on the program were County Attorney George Killam, T. V. Early, commander of the local Post, and Bonnie Timora, president of the Auxiliary.

In the six years that the VFW has been sole sponsor of the Voice of Democracy contest more than 1,000,000 high school students have participated.

"One of the greatest benefits to young people who take part in the contest, is that through reflecting seriously on freedom, they gain a better appreciation of their heritage of freedom," said Ginbey.

## Dear Abby

By ABIGAIL VAN BUREN

DEAR ABBY: Four years ago, while serving with the United States army in Korea, I read an item in your column that impressed me so much that I clipped it and posted it on the bulletin board.

Several G. I.'s copied it and sent it home to their wives. Later many others told me that their wives had read the same item in their hometown papers and had sent it to them.

I still think it is one of the best pieces of advice I have ever read concerning the very real problem of remaining faithful to one's spouse when many miles and many more months separate young married couples.

I am enclosing a copy of this piece with the hope that you will reprint it, for it is just as timely today as it was four years ago. Perhaps more so. May God bless you.

Very truly yours,
The Rt. Rev. J. D. H., D. D.
Former Army Chaplain

**My dear Reverend J. D. H.: With pleasure. And here it is:**

DEAR ABBY: My problem is one that bothers thousands of other G. I.'s so I hope you will print your answer because it is needed badly. I am a happily married man with a wonderful wife and two small children back in the States. I've been in Korea for four months. After living a normal married life for three years, what is a young, healthy man supposed to do for his physical needs?

There are 12 women for every G. I. over here, and the women practically throw themselves at our feet. Don't get me wrong, Abby. I love my wife and always will, but I have a long hitch over here and I am only human. This letter is sincere, and I am not ashamed to sign my name, but if you use it, please sign me,

"JERSEY"

And my reply:

**DEAR JERSEY: Assume for a moment that I received the following letter:**

DEAR ABBY: I am a happily married woman with a wonderful husband and two small children. My husband has been in Korea for four months. After living a normal married life for three years, what is a young, healthy woman supposed to do for her physical needs? There are plenty of men around, and when they learn that my husband is in Korea they practically throw themselves at my feet. Don't get me wrong, Abby. I love my husband and always will, but he's going to be gone a long time and I am only human.

(Signed) JERSEY'S WIFE

**Well, Jersey, I would tell that woman to keep as busy as possible with her duties and as many wholesome activities as her time and energy permit. I'd suggest reading, exhausting physical exercise, and yes, even prayer! I'd tell her to stay sober and to avoid temptation, and to write to you every day! And that, Jersey, is my answer to you, and to all our buddies in the same lonesome boat.**

**Sincerely, ABBY**

* * *

DEAR ABBY: I would like your comments on the new "emancipated fashions" for men. They are now showing new styles for men; shirts with colorful ruffles, to be worn with — get this — SKIRT-TROUSERS, and kilts!

Without his pants, where is a man supposed to carry his cash, credit cards, wallet, and pocket comb?

NOT SURE

DEAR NOT: **In his purse, of course.**

* * *

**Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69700, Los Angeles, Cal., 90069 and enclose a stamped, self-addressed envelope.**

## Young Farmer To Meet At Fluvanna

FLUVANNA — Fluvanna Young Farmers are to meet tonight at 7:30 at the community center. A short business meeting will be followed by serving of refreshments.

## Has New Plan For Drunk Calls

DALLAS (AP) — Don Yarborough, Democratic primary candidate for governor, today suggested that Texas could better conserve its human resources by having retired policemen handle the majority of drunk calls.

Speaking to a breakfast meeting of supporters, Yarborough said approximately one-third of all arrests in major cities are for drunkeness.

"We could accomplish exciting results if these victims of alcohol were then taken to new established deintoxication centers for help instead of being placed behind bars to shakily await a new bout with the bottle when released," he said.

"We must conserve humanity as we must conserve our natural resources. It is time to turn our imagination to reclaiming these people," he said.

Retired policemen could handle the majority of drunk calls because the subject is usually just intoxicated and not causing a disturbance, he said.

"If the subject is acting meaner than a snake then regular policemen should be called," he said.

"Retired officers would be paid a salary supplemental to their pension," he said, "and regular officers would be free to spend more time on crime prevention and detection."

## *Church-Going Count Made*

How many people in Snyder attend church services and Sunday School?

While it is known that a majority are affiliated with churches, the Snyder Ministerial Alliance is promoting a campaign to determine how many actually attend services.

The attendance figures are being checked this month, and for March 3, the first Sunday in the month, 24 churches reported. The total showed 2,917 in Sunday School or Bible classes, and a total of 3,986 in morning worship services.

Spokesmen for the Ministerial Alliance said they hoped the information gained in the survey this month will stimulate those who are not attending and that they will become active in their respective churches.

AN APPROVING SMILE — Mrs. Roger M. Wheeler, wife of the President of American Magnesium Company, smiles her approval of the project at groundbreaking ceremonies at the plant site southwest of Snyder yesterday. Behind Mrs. Wheeler is C. T. McLaughlin, owner of Diamond M Ranch, from which land for the plant site was given.

## Snyderites' Kin Dies At Goldthwaite

Word was received here early this morning of the death of Mrs. Harvy (Florence) Willson, 76, at Goldthwaite.

Mrs. Willson was a sister of Mrs. Leslie Hudman and aunt of Glendon Bynum of Snyder. Funeral arrangements had not been made at noon today, but rites will be held at Goldthwaite where Mrs. Willson was a member of the Church of Christ.

You say you fell out of a tree and it'll be eight weeks before you're back in school?

Cheer up. Even Tarzan mis-times a leap now and then.

And don't give up on your school work. We've made it possible for many shut-in students to attend classes even though they're confined to bed. Our school-to-home service is the answer. It's a two-way communications system that lets the student speak and listen to anyone in the classroom.

It's helped many a bright youngster through some pretty gloomy confinements.

After all, we've had years and years of practice in developing phone arrangements for special problems. We offer phones for hard-of-hearing people, blind people, people who can't use their hands—phones so kids in bed can be in school.

We'll be glad to tackle *your* problem, too. Just call the telephone business office.

Maybe we can help.
