ROCKPORT, ARANSAS COUNTY, TEXAS, 78382, THURSDAY, JUNE 16, 1966

TEN CENTS PER COPY

No. 12

Along The Waterfront

Gus Bogan of Franklin, Texas and W. C. Ott of Rockport swear the following is true: While fishing out of Captain's Bait and Tackle Pier they wound up 150 yards off Carbon Black Bay when suddenly they saw a hog swim out from shore, circle around their boat and make off with a stringer carrying 15 speckled trout.

Other news from Captain's Pier:

R. E. Hammit, San Antonio, caught 25 trout and four flounder.

Lee Rogers, San Antonio, came in with 32 trout and four drum.

Mr. and Mrs. Noland Remmeit of Bellville, Texas, landed 18 trout and three flounder.

Rev. Ben Bohmfalk, pastor of First Methodist Church, caught a 35-pound jack, 12-pound king and a mackerel while fishing in the gulf with Danny Adams of the Sandollar Marina.

Fishermen on the Good Luck pier at Fulton made nice catches of speckled trout and drum during early morning and late evening hours of this week.

Time Extended For Cleanup at Airport

Chester Johnson requested the Commissioners Court on Monday to give an extension of time for cleanup work at Rockport Air Force Station. After due consideration, the court agreed to extend the time if cash bond was made in the amount of \$750.

In another action, the court set salaries for county employees at the level established May 9 since the court had complied with the law on such matters which requires that a public hearing be held.

Attending the court meeting were County Judge John D. Wendell, Commissioners W. B. Allen, J. M. Sparks, Jr., Raymond Owens and Albert Wolford, and County Clerk W. E. Beasley.

'PEPPER' EVERETT MOVES TO THE McLESTER BLDG.

Mrs. "Pepper" Everett, local realtor for a number of years, has moved into a newly designed office in front on the south side of the McLester Building.

A parking lot was laid out months ago for this building for clients of various tenants. "Pepper," who has taken over the management of the building, says there is still room for some additional offices and/or business in the building and that a call to her office will provide any desired information in that regard. Mrs. Alice Hilyard is the associate in the realty office.

The real estate office has been designed to take advantage of the seaside locale and has done in a somewhat tropical motif. Mrs. Everett emphasized that she hopes her friends and clients will stop by to see her in the new location.

INJURES FINGER

Director of Public Works Tom Shults nearly lost one of his fingers in an accident this week. His finger got caught in between a belt and pulley on a pump and was severely lacerated. Medical treatment was administered and Tom says he thinks he has a good chance of regaining full use of the finger.

City Council Hears Report on Water Project

Director of Public Works Tom Shults this week reported to the City Council that satisfactory progress is being made on the city's water expansion project.

He said the Carl Vickers Water Well Co. of Corpus Christi has completed drilling work on well No. 18, one of three new wells to be drilled. "The contractor is confident it will produce the specified 150 gallons per minute and may go as high as 200," Shults said. Vickers has moved to the location of well No. 17 to begin drilling here.

Vickers was given the contract to drill three wells after Texas Water Wells had been given the job on their low bid but failed to produce the required 150 gallons per minute when they drilled No. 16.

Because of the urgent need to complete the water expansion program, the Council authorized an "emergency basis" contract with E. L. Bowling, Robstown contractor, to build a 42,000-gallon water storage tank near the site of No. 16 well.

This will be a steel-reinforced cement plaster tank to be built for \$4500. The Council also authorized Shults to purchase or lease a 400-gallon-per minute pump, and to order from Johns-Manville (previous low bidder) the necessary pipe for the system.

Other actions at the Council meeting included:

—Mayor Delmar R. Hiller reported that a representative of the Southern Pacific Railroad said he sees no problem

(continued on page 8)

BOW HUNTING LIKELY FOR ARANSAS REFUGE

Hunters armed with bows and arrows probably will be permitted to "thin out" some of the estimated 14,000 deer in Aransas National Wildlife Refuge during October.

This appeared likely following a public hearing by the Texas Parks and Wildlife Department at Aransas County Courthouse last Thursday night.

R. L. Eckman, past president of the Rockport Sportsmen Conservation Association, said the estimated deer population in the refuge had risen from 9,300 in 1963 to approximately 14,000 at the present time.

"If it hadn't been for a lot of rain," Eckman said, "the grazing would have been poor and many deer would have starved."

Eckman recommended that "since the object is to deplete the stock, that while bow and arrow hunting is a step in the right direction, if you really want to deplete the stock, shotguns and rifles should be permitted."

Representing the federal government as the landowner of the refuge, L. A. Greenwalt of the U. S. Bureau of Sport Fisheries and Wildlife, Albuquerque, N.M., proposed that an archery deer season in Aransas county in 1966 be set for Oct. 1 through 31. Presently, archery deer hunting is permitted only during the regular season.

One stipulation was added by Greenwalt: That when the whooping cranes arrive at the refuge for their annual winter stay, that part of the refuge where the whooping cranes concentrate is to be immediately closed off from hunting.

Eckman proposed that the hunting regulation be changed so that during the archery deer season, the hunt would not be limited just to buck deer but also would include antlerless deer.

Regan Lee of Rockport, National Audubon Society game warden not only endorsed the proposal for bow and arrow hunting in the refuge during October but also recommended that "an even longer season be scheduled."

Bill Joliffe of Corpus Christi

(continued on page 8)

Local Student, Teacher At Science Session

Dr. W. H. Guy, Jr. (second from left), chairman of the mathematics department at the University of Texas, explains the workings of a device used in nuclear fusion research to local participants who attended the Nuclear Science Symposium in Austin this week. From the left are John Speaker of Central Power and Light Company; Dr. Guy; Roger Dennis Elliot, a student at Aransas County High School, and E. G. Brooks, a local teacher. CPL was one of the sponsors of the meeting.

PENINSULA OAKS DEVELOPMENT OPENS TODAY

John A. Lewis, president of Peninsula Oaks Development Corporation, announced the opening of the first section of Peninsula Oaks, Thursday, June 16.

Streets are paved, a central water plant, swimming pool, tennis courts, and the first of the Peninsula Oaks parks, are presently completed. All property owners in Peninsula Oaks will become members in the non-profit Peninsula Oaks Recreation Club. Land reserved for recreational facilities, as well as future recreational area, is deeded to the Club.

In the near future, a large lake, well stocked with fish, a park on the lake shore, community building, shuffleboards, and putting greens, will be completed.

The lots are restricted to protect the buyers investment, and the property is adjacent to a new school site.

For a period of two weeks, first selection will be offered to Rockport residents.

The entrance to the property is on Highway 881, one and eight-tenths miles from the Highway 35 blinker light.

FULTON FIRST BAPTIST REVIVAL

The First Baptist Church of Fulton will have a revival June 19 through June 26, with Rev. M. R. Massey of Crestmont Baptist Church, Houston, as the evangelist.

Morning services are at 10 a.m. and evening services at 7:30 p.m. each day.

"Everyone is welcome to come and worship with us," said Rev. U. S. Lucky, pastor.

Brocato's Cafe Bought By Klines

Shorty and Gloria Kline are the new owners and operators of Brocato's Cafe.

They have announced that the restaurant will be open from 4 a.m. to 9 p.m. daily, serving breakfast, lunches, a la carte dishes and orders to go.

"We cordially invite everyone to stop in and say hello, and we promise to do our best to prepare and serve delicious meals," Shorty and Gloria said.

SENIOR HIGH DANCE AT YOUTH CENTER SAT.

"The Acoustics" will play for a senior high dance at the Youth Center from 8 p.m. to midnight, Saturday, June 18. The Admission charge will be \$1.00.

City Seeks Govt. Aid for Long Range Planning

Mayor Delmar R. Hiller reported this week that the city intends to seek federal funds to assist in comprehensive long range planning for the benefit of Rockport and its residents, now and in the future.

Following a report to the City Council, Hiller said the city is interested in joining with Aransas county in developing a plan for this area.

The County Commissioners and Judge John D. Wendell already have expressed their willingness to meet with the City Council in the near future to consider the proposal.

Hiller said Bob Grossman of Bartholomew & Associates, Corpus Christi, has prepared a proposed plan covering the scope of services that his organization recommends for the program. The City Council will hear Grossman's presentation within a week or so.

Under public law 701, the federal government can give a city two-thirds of the cost of preparing a long range plan for orderly development.

County Fund Balance Higher Than In 1965

County Auditor Robert Mosier reports that Aransas county's operating balance at the end of the first five months was \$24,106 higher than for the January-May period a year ago.

In his monthly report, Mosier said that for the January-May 1966 period, the budget, as amended, totaled \$209,802.

This was for the following funds: General, road and bridge, jury, mosquito control, airport, library, and law library.

The actual money spent during this period was \$231,216, which was \$21,414 over the budget.

The fund balance on May 31, 1966 was \$342,620, compared with the fund balance a year earlier of \$318,513. Thus the operating fund balance is \$24,106 higher than it was on the same date in 1965.

Mosier said the total of other fund balances was \$113,320 (May 31, 1966) compared to \$107,015 a year ago, or an increase of \$6,305.

The total of all funds at the end of May this year was \$455,941, compared to \$425,529 a year earlier, or an increase of \$30,411.

More than 50 top South Texas high school science students and their teachers are getting a first-hand look at the work of nuclear scientists at a special four-day conference on the University of Texas campus this week.

They are attending the Sixth Annual Texas Nuclear Science Symposium as guests of Central Power and Light Company. The South Texas group is part of more than 500 outstanding students and teachers from throughout the state chosen to attend the conference.

Among those attending the meeting are two participants from Rockport. Roger Dennis Elliot, a student at Aransas County High School, and Emeley Garvin Brooks, a local instructor, went to the meeting under CPL sponsorship.

The symposium is co-sponsored annually by the University and the Texas Atomic Energy Research Foundation, composed of CPL and nine other investor-owned electric companies in Texas.

Recreation Program Attracts 121 Youths

A total of 121 boys and girls have signed up for the summer recreation program which is being sponsored jointly by the Aransas County Independent School District and the Rockport Junior Chamber of Commerce.

The program for boys and girls, 8 through 18 will be conducted through July 15. Benny Bloomer, high school football coach and one of the leaders of the recreation program, points out that the program is free and that there is still time for additional young people to sign up at the high school gym.

"The boys and girls are looking forward to competing in the track meet at Taft this weekend," Bloomer said. This meet will be sponsored by the Coastal Track Club and the Amateur Track Club and the United States.

Bloomer reports that the younger boys and girls have shown a lot of interest in volleyball and deck tennis while the older youths show preference for weight lifting and basketball.

'HEAD START' MEETING MONDAY

There will be a meeting of everyone interested in the Head Start program on Monday evening at 7:30 p.m. in the Rockport Elementary School Auditorium.

Public Hearing Set for June 25 On City Zoning

A public hearing will be held Saturday, June 25 at the City Hall in connection with the proposed new zoning ordinance which the City Council and the Planning Commission recommend for Rockport.

All interested citizens are invited to attend the session which will be a joint public hearing conducted by the Council and the Commission.

The zoning ordinance proposes "to regulate and restrict the location and use of buildings, structures and land for trade, industry, residence and other purposes;

"To regulate and limit the height of buildings and structures; to regulate and determine the area of yards and other open spaces about buildings;

"To regulate and determine the density of use of land and lot areas, and for said purpose to divide city into districts;

"To provide for its enforcement and for a Board of Adjustment; to provide for changes and amendments, and to prescribe penalties for the violation of its provisions."

Mayor Delmar Hiller R. Hiller and Fred Bracht, Jr., chairman of the Planning Commission, point out that the zoning ordinance is designed to help bring about orderly development of residential and business areas and structures as the city grows.

Rockport Jaycees To Host Junior Champ Track Team

The Rockport Jaycees will sponsor the Junior Champ Track Team, beginning at 4 p.m. June 25, 1966, at the Aransas County High School.

This meet will feature track and field events for boys and girls between six and 17 years of age. Each contestant may enter as many as three events.

Contestants will compete with others of the same age group. These age groups are: 6-7, 8-9, 10-11, 12-13, 14-15 and 16-17.

There will be registration from 1 p.m. to 3 p.m., prior to the track meet on Saturday, June 25. It is requested that a donation of 25 cents be submitted with each entry to aid in defraying expenses of this meet.

Chief Hewes Reports 28 May Law Violations

Chief of Police Bob Hewes this week reported to the City Council that 28 law violations were filed in Corporation Court in May.

The offenses were no valid drivers license, 4; allowing unlicensed person to drive, 2; changing lanes without safety, 1; improper start, 1;

Speeding, 1; increasing speed while being passed, 1; improper turn, 1; wrong side of road, 1; running stop sign, 1; intoxication, 4;

Vagrancy, 1; disturbing the peace, 3; minor in possession of alcohol, 5; theft (juvenile, to Juvenile Court), 1; theft under \$50 (to County Court), 1.

Hewes reported there were three auto accidents during the month, two persons injured and property damage estimated at \$1,250 occurred.

B&PW MEETING IS POSTPONED

A meeting of the Business and Professional Women's Club scheduled for Monday night has been postponed until July 18.

PATMAN DINNER IS POSTPONED

A dinner scheduled for June 17 to honor Sen. W. N. "Bill" Patman has been postponed. Refunds will be made for tickets purchased.

Application For Bank Denied

J. M. Falkner, Commissioner of the Department of Banking, stated Wednesday that the Banking Board had denied the application for a new bank at Rockport.

Proponents of a new state bank for Rockport had discussed what they called the low deposit-loan ratio of the only bank in this city at the State Banking Board hearing on

the application for a charter for the Bank of Rockport.

The hearing was held last Friday at Austin.

It was claimed that The First National Bank of Rockport has a ratio of 23.1 per cent, and David Bland, the applicant's attorney, said that other small-town banks in the area "manage to stay around the 50 per cent mark."

Attorney Conrad Werkenhain and James H. Sorenson, Jr., president of the First National said that the loans are "just not there."

Sorenson said Monday in Rockport that the "present deposit-loan ratio at First National is 30 per cent."

After hearing both sides, the board said it will rule on the application at a later date.

The proposed Bank of Rockport would have capital of \$120,000, surplus of \$120,000 and reserves of \$60,000. E. P. Mixon, formerly of Rockport and currently of Nordheim, is the projected president.

Rockport's need for a second

(continued on page 8)

Mrs. Helen DuPre Wins Ladies Annual Golf Tournament

Mrs. Helen DuPre, of Key Allegro Island, won the trophy for the championship flight of the annual ladies golf tournament at Live Oak Country Club Friday, when she defeated Renee Tuer, 14-year-old daughter of Mr. and Mrs. Lou Tuer, of this city, by a

score of 3 and 2, in the match play event.

Both ladies were tied through the first 11 holes. On the 12th Renee ran into trouble with a pushed shot out of bounds and she lost the hole, putting her 1 down. Both halved the 13th and 14th and then disaster struck Renee again when she had 2 out of bound balls at No. 15 and lost the hole which put her 2 down and 3 holes to play.

Mrs. DuPre was quick to take advantage and proceeded to birdie No. 16 and closed out the match at that point 3 and 2.

Both were in the low 40's for the first nine and Mrs. DuPre's score at the end of the 16 was 34 which attests to the fine golf played.

To Mrs. DuPre goes the trophy and satisfaction of defeating a fine little golfer with lots of determination.

To Renee Tuer goes the wishes of "better luck" time. She deserves much credit for the wonderful showing that she made in the tournament. It is quite an accomplishment for a 14-year-old to make the finals in the championship flight of the first tournament that you play in, and no disgrace to lose to a player of Mrs. DuPre's caliber.

Sailboat Results At Key Allegro

In the Key Allegro Sunfish sailboat races last Sunday, in the men's race, Frank Bailey was first, Vic Stuart, Jr., was second and Mike Hill was third.

In the ladies race, Caye Bailey was first, Caroline Lewis, second, and Martha Christian was third.

A free-for-all race is held prior to Sunfish races in which all types of sailboats under 21 feet are welcome.

Last Sunday it was won by Tad Bailey in the Sunfish, so he has possession of the pennant until defeated.

All sailors are welcome to these races each Sunday regardless of residence. Register at Key Allegro Marina from 12 to 1 p.m. and with race committee from 1 on.

Texas Clothing Appeal Sunday

The United Church Women of Aransas County wish to share with the community parts of a letter received from Rev. Norman A. Sundwall, field representative, Church World Service, Austin, Texas.

"We need your help" comes the word from the overseas program of our churches through Church World Service to the tune of some 230,000,000 pounds of clothing, food, medical and self-help supplies. This means 5,960,945 pounds of clothing—a million pounds short of the foreseeable supply.

"In order to help answer the calls we urge your church to unite with the other churches of your community in a United Clothing Appeal Sunday, set aside by the Texas Council of Churches as "Texas Clothing Appeal Sunday."

The Rev. B. H. Bohmfalk has again made the Methodist Church available as a collection center for the June 19th appeal.

Jimmy Webb Dies In Auto Accident

Funeral services for Jimmy Glenn Webb, 20, a life-long resident of Rockport, were held at 4 p.m. Tuesday at the First Baptist Church with the Rev. Charles Fake, pastor, officiating. Burial was in the Rockport Cemetery.

Webb died Saturday night from injuries received in a one-car accident on Highway 44 one mile west of Agua Dulce a short time earlier. He was a boat engineer for Caspary & Wendell Co. of Rockport.

Survivors include his father, Bernard Webb of Rockport and two sisters, Mrs. Bernice Avery of El Paso and Mrs. Delores Tumilson of Rockport.

Pallbearers were Billy Ormand, James and Jack Russell, Sidney L. Webb, Nathan Sprinkle and Hugh "Bubba" Morrison.

Funeral arrangements were under the direction of Cagle-Marshall Funeral Home of Rockport.

Richard D. Stewart, 25, who was in the car with Webb, was seriously injured and remains in serious condition in the intensive care unit at Spohn Hospital.

Rural Traffic Accidents Rise

During the first five months of this year there were 32 rural traffic accidents in Aransas county compared to 22 during the same period in 1965.

Statistics released by Lt. F. C. Carpenter, Texas Highway Patrol, Corpus Christi, also revealed that in Jan.-May, 1966 there were 20 persons injured compared to 13 last year.

Accidents involving injuries totaled eight this year; six in 1965; accidents involving property damage were listed at 24 in 1966 and 16 in 1965. There were no fatalities during the first five months of either year.

CITATION BY PUBLICATION
THE STATE OF TEXAS
To: Jeffie McMillan, Burton McMillan, Harold McMillan, Mrs. Rose Rawson, Jeffie Collins Allen, Willie Allen, and Nelly Allen; Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable District Court, 36th Judicial District Court of

Aransas County at the Court-house thereof, in Rockport, Aransas County, Texas, by filing a written answer at or before 10:00 o'clock A.M. of the first Monday next after expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of July A.D. 1966, to Plaintiff's Amended Original Petition to Plaintiff's

Petition, which Petition was filed in said Court on the 7th day of May, 1965, in this cause, numbered 3930 on the docket of said court and styled William H. Bloch, Plaintiff vs. Estate of Riley Sanders, Deceased, et al, Defendants.
A brief statement of the nature of this suit is as follows: A suit to partition land out of the J. W. Paup Survey in Aransas County, Texas, in which Plaintiff alleges he is the owner of 43/48ths undivided interest and Defendants collectively are the owners of 3/48ths undivided interest, said land being more particularly described as follows, to-wit:

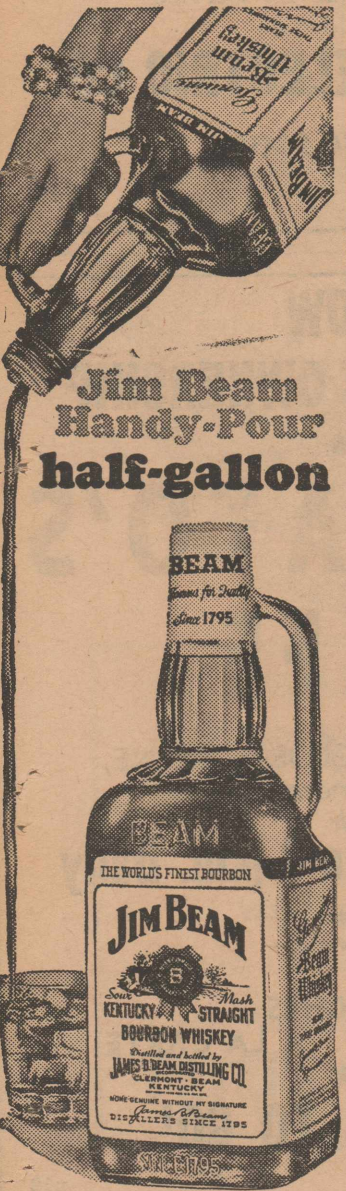

46.493 acres, more or less, being the same tract described as a 60 acre tract conveyed to Clara O. Riley by G. O. Ellis et al by partition deed dated February 21, 1910, recorded in Volume Y, pages 247-250, Deed Records of Aransas County, Texas.
The aggregate of the undivided interests of all Defendants is allegedly by Plaintiff to comprise 4.4305 undivided acres in and to said tract. Plaintiff prays partitioning and award of all of said tract to Plaintiff excepting 4.4305 acres to be set aside to Defendants as tenants in common as a single contiguous parcel of land partitioned out of the whole thereof; or in the alternative that Plaintiff be awarded all of the lands owned by Plaintiff and Defendants and the Court award a sum of money to the Defendants as consideration payable by Plaintiff to Defendants for Defendants' undivided interest in said lands, said sum of money diminished by Defendants' cost of court and other charges properly allocable to Defendants: All as is more fully shown by Plaintiff's Amended Original Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the

same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Rockport, Texas, this the 31st day of May A.D., 1966.
Attest: W. E. Beasley, Clerk, District Court, 36th Judicial District of Aransas County, Texas. (SEAL)
W. E. Beasley, Clerk.
By: Ruby Hart, Deputy c13

REV. BOHMFALK REASSIGNED HERE
Rev. Ben H. Bohmfalk, pastor of First Methodist Church, has been reassigned for another year here.
The action was taken last week at the annual conference of the Methodist Church in Dallas. Ministerial assignments are made each year for a one-year period.
Mrs. E. N. Adams was the lay delegate from First Methodist Church to the conference.
Mr. and Mrs. Hershel W. Harper and sons of Shreveport, La., spent last week in Rockport with Mr. and Mrs. W. B. Allen and visited other friends.

ENTERTAINS AT BRIDGE
Mrs. Del P. McLain was hostess to the Thursday Bridge Club at her home last week.
The hostess was high and Mrs. Wesley Morgan second high.
Members playing were Mrs. James Bracht, Mrs. Russell Itchner, Mrs. Harold Picton,

Mrs. Tom Rogers, Mrs. Lynn Wendell; and guests Mrs. Wesley Morgan and Mrs. Jerry Anderson.
Miss Denise Washburn visited in Houston last week. She attended the Astro-Giant ball game Thursday night and then left for Kilgore where she will visit her grandmother.

LOCAL CONSTRUCTION TOTALS \$1.5 MILLION

Two local construction projects totaling more than \$1.5 million are making rapid progress.

The new courthouse foundations are almost ready for pouring, and a number of buildings for the ACW station being built at the airport are being constructed on schedule.

KEEP IT CLEAN

"The thing we need to do," said president Arthur Bracht at a meeting of the Chamber of Commerce Civic Affairs Committee, "is to keep right on going and make clean-up week an every day affair, carried on throughout the year. Clean-up week is fine, but clean-up, year after year, would be better."

ATTEND DEMOCRATIC CONVENTION

Roy Hinton and R. D. Torres, Aransas county delegates to the state Democratic convention, were in Dallas for pre-convention conferences.

FORMER RESIDENT DIES

George Benjamin Hensey, prominent here during Rockport's boom days and associated with Col. George Fulton at one time, died recently in Tucson, Ariz.

VISITING HERE

Leonard May of New Jersey is visiting for a week with his parents, Mr. and Mrs. J. H. May.

TELEPHONE COMPANY INSTALLING CABLE

Southwestern Bell Telephone Co. has been installing underground cables on Austin and Wharf Streets during the past two days.

OPEN HOUSE AT CAMP COPANO

Camp Copano, serving the tri-county Whooping Crane Girl Scout Council, will celebrate its opening with an open house Sunday and everyone interested is invited to attend.

HOME FROM KINGSVILLE

Mr. and Mrs. Johnny Atwood are home from Kingsville for the summer until the fall term at A&I.

CHURCHES FORM JUNIOR BASEBALL LEAGUE

Local churches are forming a new baseball league for young people, and at a meeting this week First Presbyterian, First Methodist, First Baptist, Sacred Heart Catholic and Fulton Baptist signified their intention of fielding teams.

DISCUSS REROUTING HIGHWAY 35

The City Council discussed rerouting Highway 35 business route with County Judge John D. Wendell and County Commissioner W. B. Allen.

As the matter rests, the city has agreed to concur with the county in whatever route the commissioners consider most satisfactory and approved by the Highway Department.

Tentatively, an agreement was reached to abandon a portion of the old road now being used, between Heldenfels Shipyard and the present junction of the business route with Highway 35 at the southern end of town.

YOUTHS INJURED AS CAR OVERTURNS

James Boone, 19, and Eddie Morrison, 17, were treated at Aransas Pass Hospital for injuries received when their car overturned several times.

The car hit a soft shoulder on Farm Road 1791 and went out of control, police said.

Boone sustained multiple bruises and was released from the hospital after treatment. Morrison was admitted for treatment of head lacerations and a possible concussion.

CARL OSBORN RECUPERATING FROM SURGERY

Carl Osborn underwent surgery at Aransas Pass Hospital and is recovering satisfactorily. He is expected to be able to return to his home next week.

From The Pilot Files — 20 Years Ago

CITY BARRED FROM NAVIGATION VOTING

What started out as a joint session of the City Council and the Commissioners Court, sitting as the Aransas County Navigation Board for the purpose of filling vacancies on the Navigation Commission, turned into a one-body conference, with the mayor and aldermen barred from voting in the selection of Navigation Commission members.

Apparently the move came as a complete surprise to the council and some members of the Commissioners Court. Judge B. S. Fox called the meeting to order, reminded those present of the purpose for which they were in session, then requested an opinion from County Attorney Emory M. Spencer on the appointive powers of the board.

Spencer read a brief prepared by J. T. Vaughan, attorney at law from Aransas Pass, setting forth the history of the formation of the Navigation District by election and the laws governing appointment of members to the three-man commission.

According to Vaughan, the law stated that only the mayor and aldermen of cities operating under special charter in Texas could sit with the Commissioners Court as a Navigation Board.

Since Rockport has been operating under the general laws of the state since 1900, the City Council had no authority to sit in on such a board, Vaughn's brief stated.

SUPT. OF SCHOOLS SUCCEEDS BLACKWELL

At a meeting of Chamber of Commerce directors, Supt. of Schools Morgan C. Wheeler was appointed manager of the Chamber of Commerce to succeed Jack Blackwell, who resigned due to the press of personal affairs.

GREGORY NEW ASSISTANT GAME WARDEN

Jack W. Gregory, a young veteran who recently graduated from the game warden school at Texas A&M, has been assigned to this district to assist M. B. Mullinax, resident warden in charge.

TWO PLACES BURGLARIZED

The Tourist Grill was broken into, and Leonard B. Scully's Package Store, owned by Charlie Thomson, also was burglarized.

At the Grill, the thieves stole beer, wine, cigarettes and a small amount of change. At the Package Store they took about \$100 worth of liquor.

COUNCIL PASSES ORDINANCE AGAINST FIREWORKS SALE

The City Council passed an ordinance prohibiting the sale and explosion of fireworks within the city. An old ordinance prohibited the explosion but not the sale of fireworks.

EATN' WAS CHEAP

A restaurant ad listed the following prices: Spaghetti and meat balls, 60c; special hamburger steak, 50c; Mexican lunch, 50c; breaded veal cutlets, 50c. The restaurant was Shoop's in Corpus Christi, an air conditioned establishment.

PRESBYTERIAN GROUP MEETS

The Presbyterian Young People's group met, with Jimmy Little conducting the devotional.

Welder Refuge Attracts Summer Research Students

Activities at the Welder Refuge in Sinton have been accelerated by arrival of students from a number of universities. They will be involved with a variety of research problems through the next several months.

Mr. and Mrs. Wm. M. Samuel, natives of Pennsylvania, came from the University of Wisconsin, where he is a Ph. D. candidate in the Department of Veterinary Science. His Research problem has to do with internal parasites of deer and other wild species.

Mr. and Mrs. Lynne Drawe, of Texas Technological College at Lubbock, are back for a second summer at Welder. Lynne is majoring in range management and his special problem is a study of forage preference value for deer and cattle.

Larry Brown of Texas A&M University has also returned for a second summer of field work on his study of the genetics of a species of wind-mill grass. He is working toward a Ph. D. degree.

Gene Grubitz, University of Arkansas, will spend a few weeks working out from the Welder Refuge in connection with a study of the behavior of ground squirrels.

Marshall White of Purdue University, will also spend about two weeks in the vicinity, consulting with other students engaged in deer research activities. Following that period, he will return to Purdue to complete his doctoral dissertation.

Later in June, Mr. and Mrs. J. du P. Bothma will arrive to spend the remainder of the summer studying the ecology of the cottontail rabbit. They are from South Africa, and he is a doctoral candidate at Texas A&M University.

Summer residents also include two advanced undergraduate students who are on special assignments. Bruce Fall has begun his second summer of field work at the Refuge, on an underground fellowship from Purdue University, Lafayette, Indiana. His primary interest is in ornithology. The other undergraduate is Stephen Nesbitt of Howard Payne College, Brownwood.

He worked at other refuges the past two summers, and is rounding out his experience in a new setting. In addition to the "newcomer" named, several others have been in residence since last September, and will be on hand through 1966 or longer. They are:

Mr. and Mrs. Wm. A. Low, University of British Columbia and the University of Texas. Bill is concentrating on research associated with the javelina, and Babbi is investigating the speciation of certain toads by color chromatography of glandular secretions.

Mr. and Mrs. C. R. Watts, Utah State University, and natives of Montana and Pennsylvania, respectively. Bob's research has to do with the behavior of wild turkeys.

Duane C. Gall, Texas A&M University, is following up on the complicated problem of radio tracking of deer. Working on a budget far less than that supporting current moon probes, but the common difficulties are surprisingly similar.

'HEAD START' MENUS

Following are the menus for the lunches that will be served next week in connection with the "Head Start" program at Rockport Elementary School:

Monday: Frito pie, buttered mixed vegetables, Harvard beets, bread, butter, butter-scotch squares, milk.

Tuesday: Meatballs with gravy, spaghetti, cole slaw, bread, butter, spiced applesauce, milk.

Wednesday: Hot dogs with pickle relish, French fries, buttered spinach, chocolate cake, milk.

Thursday: Breaded steakettes, whipped potatoes, green beans, hot rolls, butter, ice cream, milk.

Friday: Boiled pinto beans, macaroni and tomatoes, head lettuce salad, bread, butter, pineapple cake, milk.

VISITS IN LOCKHART

Mrs. Jerry Wendell and son, Shawn, visited Mrs. Wendell's parents, Dr. and Mrs. C. W. Littlefield in Lockhart last week. Shawn remained in Lockhart.

Mrs. Wendell was judge for the Miss Caldwell County and Miss Lockhart Beauty contests during homecoming last week.

Job Corps Offers Many Opportunities

Stepped up interviewing is in progress for the remainder of this month to give as many young men as possible the opportunity to learn and train in a Job Corps center, according to Don Hawkins, manager of Texas Employment Commission, Corpus Christi.

Hawkins stated any young man between the ages of 17 and 21 can apply for Job Corps training and spending money of \$30.00 a month. Also when they leave they will get \$50.00 for each month of satisfactory service in the Job Corps. If the Corpsman wants to send some of that money home instead of saving it, he can send up to \$25.00 each month. The Job Corps will send the same amount. The Corpsman will still be saving \$25.00 and his family will be getting \$50.00 for each month he is in the Job Corps.

There are two kinds of Job Corps centers where a young man can go. One kind is located on public lands such as National Parks and Forests. At these centers Corpsmen will do carpentry and forestry work, build roads and make trails. They will also learn to read and write better. They will learn how to handle employment interviews and other skills that will help them get a job.

The other kind of Job Corps center for young men will be located in or near large cities. At these centers they will receive more specialized job training.

At all of these centers, movies, athletics, games, libraries and various kinds of entertainment will be available.

Hawkins stated a young man may spend anywhere from a few months to two years in the Job Corps will pay the cost of one visit home a year. Corpsmen can also visit home at their own expense. Parents may visit Corpsmen at the center.

The Job Corps is entirely voluntary and anyone can leave anytime, however the Corpsman is requested to stay at least three months. If he stays in the Job Corps and completes his training, he will be better able to get a job, return to school or join the armed services.

Hawkins stated the Job Corps uses the newest training methods. Each Corpsman will be able to learn at his own rate according to his own abilities and interests.

Each center will have qualified people available to every Corpsman for guidance and counseling. The Job Corps will help every Corpsman get a job after graduation from the corps. The program is planned to give young people a better future.

Hawkins stated that young men applying should have been out of school at least three months. Those who are in apparent good health will not have to undergo a physical examination until they arrive at the Job Corps center. Those with no police record or a minor record can expect to be assigned to a center in about a week after their interview at TEC.

Young men interested should apply immediately at the TEC office at 820 Buffalo Street in Corpus Christi, Monday through Friday, 9:00 a.m. to 4:00 p.m.

ROCKPORT ELECTRIC HIRES TV TECHNICIAN

Rockport Electric Co. is proud to announce the recent employment of Henry C. Mills, a television technician from San Antonio.

Mills has had 13 years experience servicing black and white TVs and seven years experience with color sets.

Although Mills has only recently become a permanent resident of Rockport, he has been a property owner here for ten years. He is the father of five children, three of whom will attend school here this fall.

GLENN ZIMMERMAN DIES

Funeral services for Glenn Zimmerman, 73, who died Saturday following a sudden illness, were held Tuesday at Cage-Marshall Funeral Chapel with Rev. U. S. Lucky, pastor of the First Baptist Church of Fulton, officiating. Burial was in Prairie View Cemetery in Aransas Pass.

Zimmerman had lived in the Aransas Pass and Fulton area since 1942. He is survived by his wife, Elsie, of Fulton.

Oil News

Kiowa Minerals Co. and Aluminum Co. of America No. 1 State Tract 203, proposed wildcat three miles southeast of Rockport, was making hole below 9,455 feet.

Royal Oil & Gas Corp. has successfully completed its No. 1 State Tract 111 as a new pay in a wildcat field for Aransas County.

The producer was gauged for an absolute open flow of 12 million cubic feet of gas a day with a gas-condensate ratio of 16,600-1 and liquid gravity 52.5 degrees.

Bottomed at 10,097 feet the strike produces from perforations at 9,044-56 feet through 5-inch casing set to 8,93 feet. Flowing pressure on 5-32-inch choke is 3,425 pounds and shut in pressure is 3,867 pounds. Location is in Copano Bay four miles southeasterly of Bayside.

Standard Oil Co. of Texas No. 1 State Tract 833, Aransas County wildcat 8.5 miles south of Rockport, is waiting on cement after setting 4 1/2 inch casing to 11,948 feet. Total depth is 11,950 feet.

MRS. McNORTON DIES

Funeral services for Mrs. Dora McNorton, 76, Corpus Christi, who died Sunday, were held Tuesday at the Cagemills Chapel in Corpus Christi, with Rev. Claus Rohlf, pastor of St. John's Methodist Church officiating. Burial was in Memory Gardens Cemetery.

Mrs. McNorton was born in Georgetown, but had lived in Corpus Christi 44 years.

She was the widow of J. R. McNorton, a retired farmer and businessman who died in June 1960. At the time of his death he was director and vice president of the Gulf Coast Trust Co. and the Winship Development Co. of Clarkwood.

Survivors include four sons, Merle D. McNorton of Rockport; J. R. McNorton Jr. and J. B. McNorton, both of Corpus Christi, and Monta McNorton of McAllen; four brothers; Walter Shedd of Amarillo and Richard, Elmer and Arthur Shedd, all of Sweetwater, eight grandchildren and five great-grandchildren.

DeWITT GRANDDAUGHTER NAMED VALEDICTORIAN

Miss Betty Jean Hinson, Belleview, Mo., granddaughter of Mr. and Mrs. Jim DeWhitt, was valedictorian of the 1966 Valley High School senior class.

Among her other outstanding honors was the Betty Crocker Award, FHA award and football queen.

Jimmie Hinson, her brother, who is in the Marines and stationed at San Diego, Calif., was there for graduation exercises and will soon leave for Viet Nam.

Betty and Jimmie are well known in Rockport.

Mr. and Mrs. Henry Camehl had as their guests over the weekend, her mother, Mrs. Grace Roberson; brother, Donovan Roberson and nephew Milton Wayne Roberson and his wife, all of Dallas.

PRESBYTERIAN CIRCLE MEETS

Circle No. II of the Women of the Presbyterian Church met June 9 in the Assembly Room of the church, with Mrs. J. S. Tennent as hostess.

After a brief social hour, during which Mrs. Tennent served delicious refreshments, the chairman, Mrs. W. R. Pettit called the meeting to order and opened with prayer.

Eight ladies answered roll call with a Bible verse pertaining to the lesson.

Since the meeting in May, 94 visits have been made and 43 cards sent.

Two cards were signed by all present and sent to members who were ill.

The Circle voted to donate five dollars to the Aransas County Literacy Council.

The Circles will furnish for the Vacation Bible School on Tuesday, June 14.

Mrs. Setterbo moderated the lesson, the subject of which was "An Expanding Church."

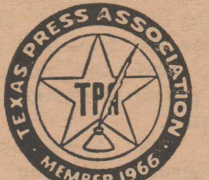

Mrs. Morrison gave the Emphasis on "General Fund Agencies."

The July meeting will be in the home of Mrs. Pettit with Mrs. Hight as moderator.

The meeting closed with the Misspah benediction.

Seven 18-year-old youths from Aransas county registered with the Local Board at Sinton in May. They were Larry G. Barnett, Ray M. Brown, Charles H. Green, Alfred Pina, Jr., Cleve W. Purdy, Russel D. Swan and Charles H. Walters.

Announcing Rockport's Largest (and Newest) Land Development**Peninsula Oaks**

Peninsula Oaks Will Be Open For Your Inspection Beginning

THURSDAY, JUNE 16

We invite you to drive out and see our paved streets winding through oaks, our large swimming pool, tennis courts, and the Peninsula Oaks park.

In the near future we will complete a large lake—well stocked with fish, a beautiful park on the lake shore, riding stables, a community building, shuffleboards, and putting greens . . . All available to you at no extra cost, when you purchase one (or more) lots.

These lots are restricted to protect your investment, have high elevation, gas and electricity, fire protection and a central water plant.

Whether you desire a lot for vacation purposes, weekend living, retirement, investment, or a permanent resident, Peninsula Oaks is suited to your needs.

Our Lots begin at \$750.00. Convenient terms are available as low as \$25.00 down and \$15.00 monthly.

DIRECTIONS

The Peninsula Oaks entrance is located on Highway 881, one and eight tenths miles from Highway 35 blinker light.

CITY COUNCIL—

(Continued from Page 1)

in the railroad dedicating "as public street" the extension of North Street, east from Austin for 200 feet. The city hopes to have this done to provide proper drainage and maintenance.

—City Tax Assessor-Collector Herman Johnson reported that at the recent session of the Board of Equalization only three taxpayers came before the Board seeking explanations about their taxes. Each person seemed satisfied after the explanation was given, Johnson said.

—The council voted to have the city provide \$185 to pay the expenses for City Fire Marshal Elva Mullinax and two volunteer firemen to attend the firemen's training school at Texas A&M, July 17-22. The request was made by Fire Chief Coy Truelove, who was accompanied by Bill Matchski, vice president of the Rockport Volunteer Fire Department.

—The council approved a request by R. D. Wood to have 200 feet of Lamar Street paved, extending from S. Church to S. Live Oak.

—A request from a resident for a street opening was denied. The request was to open James Street from Live Oak to the waterfront. The denial was based on the land use study made for the city which emphasized that Rockport has too much land being used for streets.

—A request from Kenneth

Jurgens for a \$27 refund for and overcharge for sewer service was granted.

—R. A. R., Inc., Corpus Christi building contractors, requested approval of a variance (from the building ordinance) in roof construction for the new United Savings Association building. The State Insurance Commission already had approved the design. The council also approved it and granted a building permit.

Attending the Council meeting were the mayor, Aldermen Charlie Garrett, N. C. Vandagriff, Earnest Harritt and N. L. Jackson, City Atty. Richard Hatch, Johnson, Bob Hewes, Truelove, Matchski and Shults.

MRS. ELLIOT HOSTS HI-LOW BRIDGE CLUB

Mrs. H. F. Elliot entertained the Hi-low Bridge Club with three tables of bridge June 8 at her home. Mrs. Chester Johnson was high and Mrs. Harry McDow low.

Members playing were Mrs. Arthur Bracht, Mrs. Charles Cleveland, Mrs. H. H. Dick, Mrs. Johnson, Mrs. E. W. Means, Mrs. J. H. Mills, Mrs. F. L. McCord, Mrs. Harry McDow, Mrs. Lois Rozzell, two guests, Mrs. Roy Woods, Mrs. Don Gray, and the hostess.

Mrs. Christine Kilgore of San Antonio, visited the girls at the D&R Bait Stand and left her 15-year-old daughter Helen, to spend the summer, and help operate the concession stand.

Rites Held For Victim of Accident

Funeral services for Santos E. Morales, 48, a resident of Rockport since 1951, were held Wednesday at Sacred Heart Catholic Church.

Morales died Monday of injuries suffered in a highway accident when his pickup truck left the road and overturned three times south of here on State Highway 35. He died about three hours later in a Corpus Christi hospital.

Morales was a native of Mexico and was a painter.

Among his survivors is a sister, Mrs. Marie de Lueo of Corpus Christi.

Other survivors include his wife, Nona; a daughter, Miss Rosa Linda Morales of Rockport; his mother, Mrs. Encarnacion Sepulveda of Rockport; a brother, Jose Morales of Dallas, and two other sisters, Mrs. Josefa de Viera of Mexico and Mrs. Josefina de Taria of Rockport.

Officiating at funeral services were the Rt. Rev. J. William Hennel, pastor of Sacred Heart Church. Burial was in Rockport Cemetery under direction of Cage-Marshall Funeral Home.

Guests in the home of Mr. and Mrs. R. E. House this week are Mr. and Mrs. Ralph Dowdy and children of Midland, Texas. The two families met while living in Canada. This is the first trip to the Gulf Coast for the Dowdys and they are really enjoying their visit.

Julia Thompson, James Duncan Wed

Julia Alice Thompson and James G. Duncan were married in a beautiful ceremony Tuesday evening at First Baptist Church. The bride was given in marriage by her father, as Rev. Charles Fake performed the service in a setting of baskets of white gladioli forming the altar arrangement.

The bride is the daughter of Mr. and Mrs. Julian C. Thompson of Rockport, and the bridegroom is the son of Mrs. Riley Webb, Jr., of Oklahoma City, Okla.

The bride wore a formal gown of candlelight silk organza veiled over peau de soie. The fitted bodice, appliqued in pearl encrusted chantilly lace, was fashioned with a portrait neckline and above elbow sleeves with split detailing. The skirt flowed forward from a corded waistline in controlled fashion displaying a center panel of pearl encrusted lace. A full cathedral train emerged from the French buttoned back and flowed gracefully from beneath an exaggerated bow. Her crown of sculptured roses held her illusion veil. The only accessory was a single strand of cultured pearls, a gift from the bridegroom.

She carried a bouquet consisting of a cascade of yellow roses centered with a white orchid.

Miss Priscilla Carleton of Rockport was maid of honor. Bridesmaids were Miss Courtney Johnson and Miss Mary Lou Atchley of Rockport. The maid of honor and the bridesmaids wore aqua peau de soie sheath dresses with matching lace sleeves and white gloves. Their veils of illusion were held by matching circles. They carried yellow roses.

William Ormand was best man. Groomsmen were Eldon Mackey and Wesley Purdy. Ushers were Tommy Thompson, brother of the bride, and Roy Jurica.

The soloist, Katherine Allgood, sang "Portrait of My Love." The organist was Mrs. Norman McLead.

The bride's mother wore pink lace over silk crepe with matching hat and carried an orchid corsage. The bridegroom's mother wore a beige two-piece suit with matching accessories and carried an orchid corsage.

Following the wedding ceremony, a reception was held in the Fellowship Hall at the church.

The bride's table was covered with white lace over satin and centered with yellow and was made by the bride's aunt, Mrs. Calvin Peterson of Odem.

In charge of the guest register was Miss Donna Moody, and at the serving table were Miss Anna Belle Casterline, Mrs. Calvin Peterson, Mrs. Bennie Moore, Mrs. Vernon Miculka, Mrs. Z. T. Washburn, Mrs. John Huckabee, Mrs. Bobby Landrum, Mrs. Lillie Funderburk and Mrs. Norman McLead.

After a short wedding trip, the couple will be at home in Rockport.

James E. Webb, head of the National Aeronautics and Space Administration, was in the news recently when he said that the nation is facing a crisis in space planning. The question is what to do with the vast, \$20-billion Apollo project after men have landed on the moon. Mr. Webb said Apollo is a high-risking program with no reserves for failure. He also noted that neither Congress nor the public has given enough thought to the problems of the Apollo project or to what we will do after landing a man on the moon.

WHAT YOU CAN EXPECT UNDER MEDICARE

(Editor's Note: This is the first in a series of articles from H. M. Cleveland, District Manager, Social Security Administration, Corpus Christi, Texas, explaining what you can expect when the health insurance benefits go into effect. The series is based on the Medicare Handbook to be released in June.)

By: H. M. Cleveland District Manager

On July 1st, about 19 million older Americans will be protected under medicare's hospital insurance program. More than 17 million—slightly over 90 percent of the total who have signed up for the supplementary medical insurance—will also have protection for the payment of doctor bills and other medical services, even if they do not go to the hospital.

The Social Security Administration, which is responsible for administering the program, has been hard at work since last summer informing Americans 65 or over of their rights under medicare, enrolling them in the voluntary medical insurance plan, and setting up the machinery that will begin to roll on the first of July.

Records have been set up for everyone 65 or over who is eligible for hospital and medical insurance under medicare, and health insurance identification cards have already been sent to most of the people who have signed up for both parts of the medicare program. Cards for people who have hospital insurance protection, but did not sign up for medical insurance will be sent out during June.

Also being sent to medicare beneficiaries during June is a book on health insurance under social security. It is called "Your Medicare Handbook," and contains all the information each person over 65 should need to take part in medicare when it begins on July 1st.

The medicare hand book explains how the two health insurance plans work and tells what services are covered and how payments will be made. It also includes a copy of the simple form to be used in requesting payment of doctor's bills under the medical insurance program. The Blue Shield organization will be handling medical insurance claims in Texas.

"Your Medicare Handbook" is designed as a ready source of information and guidance for each person covered by medicare. Along with the red, white, and blue health insurance identification cards, it is the older American's key to his medicare protection.

Because of the importance of medicare to all Americans, those 65 or over, those with a parent 65 or over, and anyone who is thinking about his future health care needs, will want to know how the program is going to work. So that people may have the information ahead of time, H. M. Cleveland, District Manager, Social Security Administration, 1802 South Staples, Corpus Christi, Texas, has released a series of articles based on the medicare handbook. This newspaper will print the series over the next several weeks. Readers may want to clip and save the articles as they appear. Any questions that may come up should be addressed to be the Social Security Office in Corpus Christi, Texas.

There's nothing so traditional as a pair of traditional trousers worn all day in the rain.

Eastern Star Installs Officers

Rockport Chapter No. 479, Order of the Eastern Star installed the officers for 1966-1967. Seventy-five guests and members registered. O. Roy Hill was installing officer; his assistant installing officer's were Mrs. I. E. Allemang, marshal; Mrs. J. D. Donaldson, secretary pro-tem; Mrs. Walter Thorman, chaplain; and Mrs. Anthony Del Rocco, organist.

Participating in the program were: Mrs. Mary Cooke, musical prelude; Presentations at the Altar, Mike Tyler and Beth Bakus, grand children of the worthy matron, Mrs. O. W. Brymer and O. W. Brymer. Welcome address, retiring worthy matron, Mrs. Falba Brown. Pledge of Allegiance to the Flag, retiring worthy patron, R. L. Wofford, Jr. Greetings, worthy matron, Mrs. O. W. Brymer. Greetings, worthy patron, A. G. Gardner. Solo: "I Believe," Rev. Cecil Lang, accompanied by Mrs. Del Rocco. Presentation of a fine handmade gavel by Mr. O. R. Hill to worthy matron, Mrs. Brymer. Benediction, Rev. Cecil Lang, Jr.

All officers and members introduced their guests and families. In addition to local residents attending were three from San Antonio, Belton, Woodstock, Temple, Kingsville, Odessa, Corpus Christi, Kerrville, and Charlotte, N. C.

Mrs. Mary Jurgens was mistress of ceremonies. Mrs. A. G. Gardner and Mrs. Robert Armstrong were receptionists. Hostesses were Mrs. Paul Rogers, Mrs. A. L. Bachman, Mrs. Anna Falk, Mrs. Alex Scott, Mrs. Raymond Owens and Misses Roberta and Ida Crossman.

THREE LOCAL YOUTHS ON DEL MAR DEAN'S LIST

For high scholastic achievement, Phyllis Striano, Shelley P. Roatan, Jr., and Jay Brooke Doegey, earned places on the Dean's list at Del Mar College during the spring semester.

FOREIGNERS INVITED

The Republic of Texas and the state encouraged foreigners to settle in colonies. There are German communities just west of Houston and the towns have such cheerful names as Industries, Sublime and Welcome.

Other well-known German areas include the hill area of West Central Texas, in such towns as Fredericksburg, Mason, New Braunfels and many more.

Quite often towns contain residents of both German and Czech descent, such as Schulenburg, West Bleiberville, Cat Spring, Hallettsville, Shiner and others.

DIFFERENT YEARS

The Athenians began the year in June, the Macedonians in September, the Romans first in March and afterwards in January, the Persians on Aug. 11, the ancient Mexicans on Feb. 23.

The Chinese year, which begins late in January in having 12 months of 29 and 30 days alternating, while in every 19 years there are seven years which have 13 months. This is not quite commensurate with planetary, hence the Chinese have formed a cycle of 60 years in which period 22 intercalary months occur.

Mr. and Mrs. Mack Anderson and grandson of Gonzales left Wednesday after a short visit with Mr. and Mrs. C. L. Thomas. Anderson is a brother of Mrs. Thomas.

APPLICATION DENIED— (continued from page 1)

bank is determined by how many of the city's residents are permanent residents and how many own only vacation homes in the area and bank elsewhere.

Bland maintained that the Aransas County population is approximately 12,000, but Werkenkith said that was a "chamber of commerce estimate" and quoted what he said were University of Texas figures that put the population at approximately 9,000 with little growth.

"The existing bank has let the community seek it out, instead of seeking them out, as a good bank should," Bland said.

Fred A. Bracht, Jr., a Rockport retailer and a proposed director of the new bank, said that only 20 percent of the checks cashed in his business are First National checks.

Werkenkith countered by producing Roger Cloud, former president of the First State Bank of Aransas Pass, who upheld the banking policies of First National of Rockport.

Sorenson said that his bank is "seeking all bankable loans," but that "there is not a great loan demand in Rockport." He listed several cities in the area which he said were comparable to Rockport with only one bank.

Supporting the application at the hearing were Mr. and Mrs. Mixon, Mr. and Mrs. C. E. Frenzel of Fulton and G. C. Pittman of Victoria. Pittman and Frenzel are proposed directors.

Other opponents present were Thomas D. Picton, Fred W. Heldenfels, James R. Heldenfels, officials of the First National of Rockport and Jeff Bell, Jr., president of the Portland State Bank.

BOW HUNTING— (continued from page 1)

Christi, representing the Texas Field Archery Association, said this organization has a membership of 1500 archers. Twenty members, most of them from Victoria, attended the hearing.

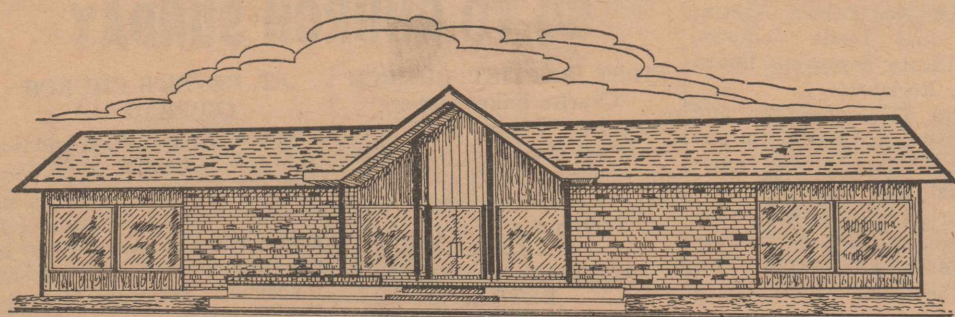

"Naturally, we are in favor of the proposal," Jolliffe said, "but more important, we stand ready to assist in planning and carrying out the program."

"For example, I am sure no one would want to permit inexperienced archers to participate because of the inherent danger of crippling and losing deer. To prevent this, you might like for us to set up some kind of special test to make certain that only qualified archers will be permitted to take part."

The hearing was conducted by L. D. Nuckles, information and education officer of the Texas Parks and Wildlife Department. Other Department heads taking part were Charles Winkler, wildlife biologist; Billy Weaver, game warden; Tom Heffernan, marine biologist; and Kenneth C. Jurgens, inland fisheries supervisor.

All comments, in the form of proposals, suggestions and recommendations, were transcribed by a tape recorder. This material is to be converted to typewritten data which, with the actual recording, will be submitted to the Texas Parks and Wildlife Commission for action.

This procedure is the result of action by the Texas legislature assigning to the Parks and Wildlife Commission the responsibility for setting seasons, bag limits, and means and methods of taking certain game, fish and fur bearer species in Aransas County.

JOHN MOSES ON A&I HONOR ROLL

John Moses was one of 208 students who distinguished themselves by making the Honor Roll at Texas College of Fine Arts and Industries at Kingsville during the spring semester, according to announcement by Dean Robert D. Rhode.

To be named to the Honor Roll requires a student to maintain a grade point average of 3.5 (4.0 is the highest possible) on all work attempted for a particular semester, with a minimum of 15 semester hours completed.

When you drive seventy per hour you'll get there faster, but it may be in another kind of vehicle.

This and That
*
JOHN KINSEY

Organizations such as the Rotary Club and the Lions Club and many other civic and fraternal groups do much more good than the average person realizes.

Almost every organization of this type conducts one or more activities that benefits people far removed from the headquarters of the local club.

For example, one of the practices of Rotary is to have clubs in the United States maintain correspondence with clubs in foreign countries. One of the objectives of this activity is to promote better understanding between the peoples of the U. S. and other countries.

Currently the Rockport Rotary Club is keeping in touch

with the Rotary Club in Santo Antonio da Platina, in the state of Parana, Brazil, South America, with a club in South Africa and a third club in England.

John Ross, president of the local club, recently received the following letter from Antonio Haswani, president of the club in Santo Antonio da Platina:

"It is a great pleasure for me to send you this letter with information about our Rotary Club and our city.

"Santo Antonio da Platina is one of the largest agricultural cities in Parana, which is the fourth state in importance in Brazil. The population of the city is about 35,000 inhabitants.

"The basis of our economy is farming, stock raising and dairying. The principal agricultural products are coffee, beans, rice, maize, cotton and sugar cane.

"The annual production is about: 14 million pounds of coffee; 6.5 million pounds, beans; 6 million, rice; 60 mil-

lion, maize; 450,000, cotton; and 380,000 pounds of sugar cane.

"There are 38,000 head of cattle and 90,000 hogs. As you can see, it can be said that Santo Antonio da Platina is an active and productive city.

"There is only one Rotary Club here and the meetings are held in a hotel. We have 28 members and we are holding regular meetings every week. The rate of attendance is about 85 per cent.

"We have a Rotary School which is attended by more than 100 pupils.

"I hope that you will keep up a regular correspondence with us which will promote a better understanding between our people and yours and deepen our friendship."

Obviously, this type of activity isn't going to solve all international problems or cause people in all countries to love us, but it's bound to do some good.

METHODIST EVENING FELLOWSHIP PLANNED

Instead of formal evening worship services, the First Methodist Church plans to have an "Evening Fellowship" period Sunday, June 19.

The Youth Fellowship group will meet in the Youth Building at 6 p.m. for the election of officers. Other groups will meet informally.

Refreshments are to be served at 6:30. Then the entire group is invited into the Fellowship Hall at 7 p.m. for a program that will feature the motion picture, "Crossroads."

Plans are underway to have some similar Fellowship Evening on the third Sunday of each month.

Mr. and Mrs. Lloyd Smith had as their guests last week their daughters, Mrs. Ray Roden of Port Lavaca and Mrs. Dewey Wilson and children Lissa and Lesli of Patterson, La. Mrs. Wilson and girls are still in Rockport visiting.

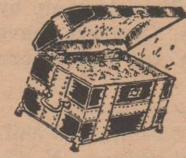

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Jim Adams were Mr. and Mrs. Casey Jones, Kit and Della of Winnie, Texas; Everett Adams and son Dennis of Rosenberg and Charles Dozier of Victoria.

FRIDAY BRIDGE CLUB MEETS

The Friday Bridge Club met at the home of Mrs. Jimmy Hunt Friday afternoon. Those attending were Mrs. George Dickey, Mrs. Arlo Hansen, Mrs. R. E. House, Mrs. Frank Lenoir, Mrs. W. H. McCoy, Mrs. R. C. Naper and Mrs. L. G. Wood. High was Mrs. R. E. House and second high was Mrs. George Dickey.

SALVATION ARMY CAMP WILL HAVE SIX LOCAL BOYS

Approximately 800 young boys from 299 Salvation Army Service Unit Committees operating in Texas cities and communities will attend a full week of outdoor activities at the Salvation Army's Camp Hoblitzelle near Dallas.

Local boys who will attend are Joseph Perez, Michael Perez, Richard Montemayer, Jimmy Reyna, Joe Ramirez and George Ramirez.

Mrs. Roy Lee Hart is camp chairman for the Aransas County Service Unit Committee.

The boys will go to camp by chartered bus. Campers leave Sunday, June 19, and return June 26.

Mrs. R. E. Nesbitt and children of Elizabethtown, N. C., will arrive Sunday for a visit with her parents, Mr. and Mrs. H. J. Gurley.

Jerald Sowers Weds Miss Kuske

The First Baptist Church was the setting last Friday evening for the wedding of Jerald Norbert Sowers of Rockport and Miss Elvira Kuske of Weltersbach, Germany. Rev. Charles Fake officiated in a double ring ceremony.

Others participating in the ceremony were Harold Sowers, the bridegroom's brother, best man; Jerry Sowers, the bridegroom's sister, maid of honor; and Tony Tomison, usher.

The bride wore a gown of chantilly lace and net with an underskirt of white silk. A cluster of white flowers studded with pearls and rhinestones held her fingertip length illusion veil. She wore a single strand of pearls and a corsage of carnations.

The maid of honor wore a white sheath with black and white accessories.

A reception was held afterwards for the family and friends at the home of the bridegroom's parents. The couple will make their home in Rockport.

Mrs. Cleo Smith returned home Monday after two weeks' visit in Abilene with her sisters and brothers.

Coming Events

June 17: Square dance every Friday night at Fulton Beach. Commissioners Court will meet. Happy birthday to Ernie Beasley and Buddy McDowell. Best wishes to Mr. and Mrs. Robert Bauer on their wedding anniversary.

June 18: Jane Moore and Nancy McCabe became one year older today.

June 19: Today is Father's Day. It is also the day to go to church.

June 20: Fulton Lions Club, Masonic Lodge No. 323, Eastern Star, City Council and the Business and Professional Women's Club will hold meetings. Wedding anniversaries will be observed by Rev. and Mrs. Ben Bohmfalk and Mr. and Mrs. Floyd Smith.

June 21: Birthday greetings to Mike Tedder and Mrs. H. F. Elliot.

June 22: Sherry Demory and Becky Hale will celebrate their birthdays. Mr. and Mrs. Exa Givan will observe their wedding anniversary.

June 23: Rebekah Lodge No. 88 will meet. The Rockport Duplicate Bridge Club meets every Thursday night at the Island Club at Key Allegro, and invites interested players. Birthdays will be observed by Sandra St. Clair, Lynn Griffin and Mike Huffman.

Mrs. Marcy Hoffman and children of Victoria left Tuesday after a short visit with her parents, Mr. and Mrs. Ingle Turner.

Lone Star State timberlands grow wood for 1,800 mills and factories that make a large variety of products.

CAPT. MARKOW GETS AIR FORCE MEDAL

CAPT N. M. MARKOW

Capt. Nicholas M. Markow, whose wife, Marilyn, is the daughter of Mr. and Mrs. Henry A. Hale, has been awarded the U. S. Air Force Commendation Medal at Keesler AFB, Miss.

Captain Markow received the medal for meritorious achievement as a squadron project officer at Giebelstadt Air Station, Germany. He was cited for his outstanding skill, knowledge and job proficiency.

Mr. and Mrs. Kenneth Harwick and children spent the weekend in the Hill Country.

Miss Sarah Belle Smith is in Room 2, Aransas Pass Hospital. Miss Smith fell and broke her hip last Thursday.

LEGAL NOTICE THE STATE OF TEXAS COUNTY OF ARANSAS, CITY OF ROCKPORT

NOTICE OF PUBLIC HEARING ON PROPOSED ZONING ORDINANCE OF THE CITY OF ROCKPORT, TEXAS.

Notice is hereby given by the City Council of the City of Rockport, Texas, and the Planning Commission of the City of Rockport, Texas, that a joint Public Hearing will be held in the city hall in Rockport, Aransas County, Texas, on the 25th day of June, 1966, at 10 A.M., at which hearing all parties interested and citizens of Rockport shall have an opportunity to be heard on a proposed Zoning Ordinance and map of the City of Rockport, which Ordinance is titled as follows:

AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION AND USE OF BUILDINGS, STRUCTURES AND LAND FOR TRADE, INDUSTRY, RESIDENCE AND OTHER PURPOSES; TO REGULATE AND LIMIT THE HEIGHT OF BUILDINGS AND STRUCTURES; TO REGULATE AND DETERMINE THE AREA OF YARDS AND OTHER OPEN SPACES ABOUT BUILDINGS; TO REGULATE AND DETERMINE THE DENSITY OF USE OF LAND AND LOT AREAS, AND FOR THE SAID PURPOSE TO DIVIDE THE CITY INTO DISTRICTS; TO PROVIDE FOR ITS ENFORCEMENT AND FOR A BOARD OF ADJUSTMENT; TO PROVIDE FOR CHANGES AND AMENDMENTS, AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS.

The complete text of the proposed Ordinance and Map may be seen in the office of the City Secretary in the City Hall between the hours of 8:30 A.M. and 4:00 P.M. weekdays.

By order of the City Council this 7th day of June 1966, and by order of the Planning Commission on this 7th day of June 1966.

Mr. and Mrs. Clyde J. Townsend and children left Friday for Urbana, Ill., where he will attend the University of Illinois until Aug. 25.

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: CELIA BENAVIDES, Defendant, Greeting: YOU ARE HEREBY COMMANDED to appear before the Honorable 156th District Court of Aransas County at the Courthouse thereof, in Rockport, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 11th day of July A.D. 1966, to Plaintiff's Petition filed in said court, on the 24th day of May, A. D. 1966, in this cause, numbered 3885 on the docket of said court and styled NASCARIO BENAVIDES, Plaintiff, vs. CELIA BENAVIDES, Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

SUIT FOR DIVORCE as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Rockport, Texas, this 24th day of May, A.D. 1966

Attest: W. E. Beasley, Clerk 156th Judicial District Court, Aransas County, Texas.

(SEAL)

The business end of a bargain

Plug it in. You get plenty of service for a little bit of money with CPL electricity. It cooks, cleans, washes, dries and irons, cools and heats—all for just pennies a day. So it's smart to live better, electrically. If you're planning to buy or build, investigate a total-electric Gold Medallion Home. It's your best buy. CPL's Guaranteed Electric Operating Cost program lets you know before you move in just what your electric service bill will be. For complete details, ask your builder, realtor or CPL about a Gold Medallion Home, now with Guaranteed Electric Operating Cost.
