

PLANS COMPLETED FOR FIRST MONDAY PROGRAM

Tornadoes To Meet Crosbyton On Local Field Friday Night

To Meet Granbury Friday Oct. 18th

Crosbyton, winner of second place in the north half of district five last year, is to be the opposition for the Golden Tornadoes on McCollum field this Friday night, October 4th, at 7:45 p. m. Crosbyton will pit their running and passing against the locals before opening their campaign for the championship of the north half and the right to play the winner of the south half Thanksgiving Day for the District title.

Crosbyton has become quite strong in recent years, not only in football but in wrestling and boxing and other sports. The Chiefs of Crosbyton will have their warpaint on for the Tornadoes, and are reported to be backed by a strong lot of rooters.

The game with the Chiefs will be followed next week by a game with the Lubbock Cowhands to be played in Lubbock, and on the week following, on October 18, with a game with Granbury, county seat of Hood county.

It seems that Granbury has been showing a lot of strength in Class B circles in the Cleburne-Weatherford-Fort Worth territory and were up against the same problem which has confronted the Tornadoes, namely, scheduling games. The Granbury authorities sent out an S. O. S. for games and when informed that the Tornadoes were open for October 18 the Brazos River players wanted to come out with the result that the game was arranged for the local field. The game with Granbury will be the last of the non-conference games.

The games with Crosbyton and Granbury are also the only two home games to be played by the Tornadoes during October.

Attention Cotton Farmers of District

October the 23rd is the last date to file for Pink Boll Worm money. This has been so ruled recently by the Attorney General of Texas.

No one who has been paid pink boll worm money may file new claims, but if no claim has been filed or paid this may be done before the 23rd of this month. All claims that have not been paid but need readjusting may also be taken up at this time by the new board. Wm. A. Wilson, manager of the Lamesa Chamber of Commerce is chairman of the new board and he is asking that if you have problems as mentioned above to write to J. M. Del Curto, Chief Entomologist of the State Department of Agriculture at once. This is the last date, under the law that a claim may be filed so if you know of any one please have them do as above requested at once.

Mrs. Loo Randals Wins Lawn Contest

The lawn contest is over and the judges announce the winners as follows:

Loo Randals, first cash prize, \$15.00; Mrs. W. B. Collins, second prize, \$10.00; Mrs. A. M. Bennett, third prize, \$5.00.

The contest was conducted by the Lamesa Chamber of Commerce and its Civic committee. There were 26 Lamesa yards entered, with final grades being turned in on 23 which remained in the contest. The judges made four grades in as many months and turned in with their report the grade given each yard in the contest. Any contestant who desires to see their grades may do so by calling at the chamber of commerce office. The judges made good reports on the yards and stated that many were planning to make considerable improvements for next year. On the whole, the judges report that the contesting yards were kept in fine condition during the summer and it was a pleasure to visit them each month—June, July, August and September.

Out of a possible 12,000 points for the four months by the contestants the winners were as follows: Mrs. Loo Randals, 11,290; Mrs. W. B. Collins, 10,035; Mrs. A. M. Bennett, 6,805.

1936 Buick on Display At Cotten Motor Co.

The new 1936 model Buick is on display this week at Cotten Motor Company. Many new features are incorporated in the 1936 Buicks including the 1936 solid steel "turret top" Fisher bodies that have been introduced on the four new Buick lines the Cotten Motor Company rooms and see the new Buicks

Lamesa Hands Olton 54-0 Defeat Friday

The first home game of the 1935 Football season found the Lamesa Golden Tornadoes piling through a scrapping Olton team last Friday night, to run up a score of 54-0.

The combination of speed and power of the Lamesa backfield behind the fast charging and blocking Lamesa line overpowered the lighter Olton players who fought bravely all the way.

Olton went to the air for most of their tries and with the aid of an excellent passed made several nice gains for first downs. The old Statue of Liberty play was pulled several times by the Olton boys for good gains, and once nearly got away for a touchdown. This play was so old that the Tornadoes were taken by surprise and for the first few times looked bad on it, but after they caught on to it, threw the Olton boys for bad losses.

Those fans who have wanted Lamesa to have a strong club again this year bid fair to see that desire realized. The Tornadoes are readily rounding into a football unit both strong on offense and defense. Olton's passing attack showed a small weakness on the part of the Tornadoes along this line, but hard work this week has eliminated that.

Gambill's Store Bldg. To Be Remodeled

In order to take care of a constantly increasing business, the building now occupied by Gambill's Variety Store will be extended 50 feet west, making the building 140 feet long. According to Mr. Gambill the business enjoyed by their firm in Lamesa has exceeded all expectations and the building is being enlarged to take care of their fall business.

Attention is called to the Gambill Variety Store advertisement appearing in this week's issue of the Courier offering many bargains in order to make room for workmen. Remodeling work will start next week.

Pioneer West Texan Dies At Midland

Midland, Sept. 30.—Funeral services were held here early Sunday afternoon for J. W. Holder, 69, who died here early Friday morning. Holder was a pioneer West Texan having come to this country at about the age of 17. He served as county judge of Glasscock county for eight years along about 1900. He had been a resident of Midland for about two years.

He is survived by his wife and eight children, Allan, Earnest, Marion, Jimmie, Arthur, sons and Mrs. Ed Lewis, Lamsa and Mrs. Bob Sumrall, Odessa; one sister, Mrs. B. H. Settles, Big Spring; and one brother, Mr. Edgar Holder, Lovington, N. M., all of whom were present for the funeral.

Second Rental Checks Received in Borden Co

In a letter received from County Agent Cline E. Morris of Borden county this week, he stated that 146 second rental checks totaling \$5,713.95 and 15 more first rental checks totaling \$451.31 had been received at his office in Gail. These checks are being distributed by the Cotton Committee in Borden county this week.

Art Exhibit Opens Here Next Week

An exhibition of 150 reproductions of the works of famous Artists will be on display in the auditorium of the Grammar school, beginning next Monday, October 7, continuing thru the 11th.

This exhibit is from the Practical Drawing Company, Chicago, and Dallas, and is sponsored by the Lamesa Delphian Club for benefit of the school.

It main purpose is to create greater interest in worthwhile pictures, to offer a knowledge of pictures and artists, also to stimulate elf expression, discover and encourage local talent.

Students may be shown exhibits in groups or classes each will be accompanied by a teacher, who may serve as hostess for their particular group.

The showing will be open to the general public each afternoon from 3 until 5 o'clock, throughout the week. Capable hostesses will be on hand to show you through. A very small admission charge will be made and the funds thus raised will be used to purchase pictures for the school. Children have been instructed not to be over insistent, but public kindly asked to encourage these children by buying a ticket, thereby helping them to see educational and worthwhile pictures.

Publicity Committee: Mesdames, Matt McCall, A. E. Jacobs, C. E. Cameron, W. A. Stephens; Misses Thurman and Odum.

A. H. Blanks Buried Here Last Saturday

Funeral services were held here on last Saturday afternoon for A. H. Blanks, 57, who passed away in Sterling City on Friday. Services were held at the Higginbotham Funeral Home, burial was made in the local cemetery.

Mr. Blanks home was in Rivera, Texas, and was enroute to Portales, N. M. when he became ill in Sterling City.

PROGRAM AT McCARTY SUNDAY, OCTOBER 6

Everyone is cordially invited to come to McCarty Sunday morning, October 6, at which time the monthly missionary program will be given immediately after the Sunday school hour. Two interesting talks are promised:

"Methodism Serves the World", by J. M. Peterson.

"Mow We (as individuals) Can Serve" by Mr. Calloway Huffaker.

Song: "Jesus Calls Us" led by Mrs. Josh Bostick.

Dismissal Prayer, Mrs. N. F. Peterson.

PRUITT'S SHOE SHOP INSTALLS MODERN DYEING MACHINE

Pruitt's Shoe Shop, located on the south side of the square has recently installed an Omega Dyeing Machine which dyes shoes with a factory finish. Visit this shop and inspect the work being done by this machine.

MARRIAGE LICENSE ISSUED

Marriage license issued the past week were to Anson Coats and Miss Gertrude Oneal on September 25; and to Dr. N. H. Price and Miss Asa Key, September 29.

NEW CARS REGISTERED

New cars registered the past week were to J. H. Hoag, Hobbs, Terraplane coupe; Robert Orson, Dodge Commercial Express; and to M. L. Burrus, Ford pick-up.

Mr. and Mrs. Arthur Clark and family have returned to their home in California after a visit here with Mr. and Mrs. Ralph Stuart.

STATE SENATOR

NELSON WINS SENATORIAL RACE

Truett Smith Appointed District Attorney

G. H. Nelson, district attorney for the 106th judicial district, won a decisive victory Saturday in a special election to name the successor to the late State Senator Arthur P. Dugan, and will be seated in that place in the immediate future.

He took an early lead in the race and at the close of the balloting was leading his closest opponent by 738 votes. The 30th Senatorial District is composed of 24 counties, Andrews, Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Motley, Stonewall, Terry and Yoakum. Mr. Nelson's four opponents were Wm H Evans and Pink L. Parrish of Lubbock county, B. Reagan of Howard county and Jess Mitchell of Bailey county.

Truett Smith District Attorney According to information available and as reported by the Lubbock Journal, Truett Smith, county attorney of Lynn county, was appointed district attorney for the 106 judicial district to succeed Mr. Nelson. Just who will succeed Mr. Smith is not known at the present time.

Nelson Issues Statement "I didn't win the race—my friends won it—and to them goes the credit," the newly elected Senator stated publicly immediately after returns made it clear that he had won the race.

"I appreciate the opportunity to be of greater service to this section, and I will do everything in my power to serve well every other part of the thanks for their clean races and good district. To my opponents I offer my sportsmanship."

Unofficial returns gave Nelson, 3342 votes, Parrish 2614; Mitchell, 1592; Reagan, 1270; and Evans 1085 votes.

Mrs. Rhoda Virginia Stockton Died Friday

Mrs. Rhoda Virginia Stockton, 82 years old, passed away at her home in the south part of town on last Friday, September 27.

Funeral services were held at 2 o'clock on Saturday afternoon at the home with Rev. C. C. Morgan, pastor of the Church of Christ officiating. Burial was made in the local cemetery.

Survivors are one daughter, Mrs. Miller and one grandson, H. H. Miller, both of Hico, a half-sister and on half-brother.

To Attend State Convention Drs. McIlroy and McIlroy will attend the State Chiropractic Convention in Dallas October 11, 12, and 13.

Mrs. M. M. Alexander of near O'Donnell is ill in a local hospital.

Congressman Mahon Adresses Club Tues.

The Lamesa Luncheon Club had a fine attendance Tuesday noon, with some forty members present.

Good violin music was furnished by Miss Gladys Alsbrook, accompanied at the piano by Mrs. Carl Runtree, the club musician. Miss Alsbrook's music was much enjoyed by all present.

Louis B. Reed presented Congressman George Mahon who was the principal speaker. In his affable and usual pleasing manner Congressman Mahon gave an account of his first presentation of this new district in Washington and told of how he thought the country was "coming back." He said the members of Congress were mere cross-sections of the country they represented and as the people wanted this country to go so it went by the Congressmen. He expressed faith in the administration, the new deal, and the democratic party. He said there had been more laws held unconstitutional during Republican rule than during democratic regimes. He said that there were more laws held unconstitutional during Grant's administration than during any other administration. He said he felt that the Constitution of the United States was in no danger and the President was doing no more than extending to the people the constitutional guarantee of peace, liberty, and happiness.

Changes Made In Local School Faculty

Miss Thelma Merrick of the Lamesa High School faculty has resigned to accept a position in the Lubbock schools. Mr. Henry Norris of the Lamesa Elementary school was assigned to high school classes and Mr. Jeff Dean was assigned to the Elementary school to complete the faculty. Mr. Dean has been teaching in the Mullins school.

Miss Merrick has been with the local schools some ten years teaching first in the third grade and after graduating from Baylor University she has been teaching English and History in the high school. She reported to Lubbock for beginning her work on Monday, September 30. Messrs. Dean and Norris started their new assignments last Monday.

Polo Games Here Sunday and Monday

Ed Hatch's polo team, consisting of Ed Hatch, Ed Cleveland, Walter Lawrence and Elmo Smith will meet the famous Plainview quartet composed of Lloyd Phillips, Bob Crenshaw, Bill Sheppard and Button Stephens in a two game series Sunday and Monday, October 6-7 on the local field. The game Sunday will start at 2:30 p. m. Many thrills are promised spectators in the full eight chucker game, with the celebrated Mexican field. The game Sunday will start at 2:30 p. m. The public is cordially invited to attend these games. No admission will be charged.

Congressman Mahon Visits In Lamesa

Congressman Mahon of the 19th Congressional District was in Lamesa the first of the week visiting his many friends. Mr. Mahon was favorably impressed with the prospects for this section of the country and forecasts a bright future. While here Mr. Mahon addressed the Luncheon Club, visited the CCC camp and the Lamesa schools.

Mrs. Ed Havnes is visiting friends in Lubbock this week.

\$200 In Prizes To Be Given Winners

According to Ed A. Noret, local business man, plans have been completed for one of the biggest and best First Monday's in the history of Lamesa. Plenty of entertainment and prizes that will be in Lamesa on that day.

Horse racing, tail races, model T races, bronco busting, horse pulling contest, free dance, amateur contest, battle royal, a polo game and many other entertainment features will be staged.

A stage will be erected on the court house lawn for the amateur contest. Contestants from five counties have signified their intentions of entering the contest. The amateur contest promises to be one of the feature events of the day so be on hand early for the fun.

All events will be announced over a loud speaker arrangement installed on the court house lawn through the day. Don't forget that Lamesa merchants are offering exceptional bargains for First Monday, so come early and do your shopping and enjoy the program that has been arranged.

All races and contests must start on schedule time or entrance fee will be forfeited.

Program for the Day 10:30 Program starts on Court House lawn.

11:00 o'clock horse pulling contest (back of Army Store).

12:00 lunch.

1 p. m. Amateur contests starts, court house lawn.

2:00 p. m. Program starts at polo grounds.

2:00 p. m. Saddle Race.

2:15 2-year old race.

2:30 Tail race.

2:45 Free for all.

3:00 Model T Race.

3:00 Polo game starts.

3:30 Battle Royal, court house lawn.

5:00 Finals in Amateur contest.

7:00 Free Dance.

Majestic Theatre To Open Sunday Oct. 6

The Majestic Theatre, owned and operated by Audrey Cox, announce its opening date as Sunday, October 6, at 1:30 P. M. The Majestic has recently been remodeled and has installed new equipment and fixtures. Popular prices of 10c and 25c will be the admission charges. Special inducements will be offered on Tuesday and Wednesday nights which will be known as "bargain nights."

Thanks to the progressiveness of Mr. Cox, Lamesa now has two Theatres second to none in West Texas. A full program will be offered at the Majestic Theatre each week as well as at the Palace. Watch the Courier each week for the programs.

O. Lambeth Buys The Dykes Gin

O. Lambeth, local gin man, has purchased the Dykes gin located just south of the Compress. Levy B. Rice will be manager of the new enterprise. Mr. Lambeth and Mr. Rice need no introduction to the people of Dawson county having been engaged in the gin business here for a number of years. Complete new cleaning machinery has been installed throughout the plant in addition to a factory overhaul of all other parts and the farmers of this territory are assured of the best to be had in ginning. According to Mr. Rice the plant is ready to go and cotton raisers are invited to visit the O. Lambeth Gin and inspect the modern equipment installed.

Delphian Centennial Banquet Oct. 8th

The Delphian Club's Texas Centennial Banquet will be held at the Williams Hotel, Tuesday evening, October 8th at 8 p. m.

Mrs. Drigus, of Texas Technological College, Lubbock, and also chairman of Texas Writers of the State Federation will be the speaker for the evening.

NOTICE TO DAWSON, HOWARD AND MARTIN COUNTY SINGERS

On account of the Dawson County Singing Convention meeting the third Sunday in October, the Sparenberg District singing will be omitted on the second Sunday in October, and will meet in joint session with the Dawson County convention on the third Sunday. All the singers in the north part of Martin and Howard counties are requested to be on hand and have a part in their convention.

Yours for a bigger and better convention. J. L. Garrett, president, of Sparenberg District.

See Page 4

KLONDIKE

The fifth Sunday singing was attended by a large congregation. We had singers from out of the county and quite a few from over the county.

The girls and boys basketball teams from Brown school in Martin county came last Thursday night. The Klondike girls beat Brown 21-11 and the Brown boys won by a few points.

L. A. Lewis of Ballinger is here on business.

Mr. and Mrs. Sprawls of Stanton were visitors in the home of D. Slatten and family Sunday.

Hazel Self who is teaching at McClintic in Martin County spent the week end at home.

Farmers in this part of the county are busy gathering their crops. Some few have started to picking cotton and almost every one is heading maize.

J. H. Foster made a business trip to Big Spring Monday.

The Workers Conference meets with the South Side Church the second Thursday in October. Everyone come and meet with us.

—Louise Foster, corres.

SPARENBERG

Bro. Wayne Cook filled his regular appointment Sunday morning and night.

Mrs. Weatherford of Midland was in our community this week.

Mrs. Forrest returned home last week from Arkansas, where she has been visiting.

Mr. and Mrs. Freeman are in Willson this week.

Klondike girls played basketball with our girls last Wednesday. We were defeated 11 to 22.

Most farmers are busy having their crops gathered.

Mr. Boren of Lamesa was here on business Monday.

—Mable Burdine, corres.

McCARTY

Sunday school was well attended Sunday morning.

We did not have League Sunday night as we elected new officers for the coming year.

Bro. Bill Hart preached for us Sunday night. He is one of McCarty's old pastors.

Several in our community have started gathering crops.

Mr. and Mrs. Ovid Walls, Mr. and Mrs. Otis Walls of Abilene visited in the H. P. Baze home over the week end.

Geneva Baze returned Saturday from Gail where she has been visiting.

SUNSET

Mr. Giffis of Lamesa spent the week end in this community.

Several of our community are on the sick list this week.

Mr. and Mrs. Ralph McDougle are visiting in New Mexico this week.

Mr. and Mrs. Luther Lee visited in Pampa a while Sunday.

Mr. Wyrick visited his father in Tulsa Sunday.

Mr. and Mrs. Knox and daughters, Mr. and Mrs. Verdis Welty, and Mr. and Mrs. Grayson an children visited Mr. and Mrs. Adams of Bartlett Sunday. Everyone enjoyed the dinner.

—Bessie Ola Grayson, corres.

CARD OF THANKS

We are in this way thanking the many friends that rendered us so much help and sympathy. May God Bless you, in your time of need, with some good blessings.

Mr. and Mrs. B. H. Lewis and family.

FARM NOTES

By Joe C. Williams, county agent

Trench Silo Demonstration

Thirty-three men attended the trench silo demonstration on J. E. Debnam's farm in Ballard school district. E. R. Eudaly showed the way of filling trench silos with bundle feed, stressing the importance of having the feed that is put into the silo ripe. According to Mr. Eudaly every man who has as many as two horses and four cows should have a trench silo. He stated that actual tests have been made in comparison with bundle feed in the stack and silo, and that bundle feed in the silo is worth twice the amount of bundles in the stack. In other words an acre of milo that will head out a ton of heads will produce from three to four tons of silage and all will be saved whereas if the heads alone are saved and stalks left in the field the roughage will be lost.

Eudaly stated that the proper time for cutting the milo or other grain sorghums for filling silo should be at the stage when the grain is completely ripe, that the bundles put in silo before the heads are mature will cause acid condition in silage.

The bundle were put down in the silo on the same principle as shingles on a house top. The silage may be cut with an ensilage cutter or else put down in whole bundles. In case bundles are used it is not necessary to pack the feed, but if the feed is cut with a silage cutter it is necessary that it be packed to exclude the air.

Mr. Eudaly stated that when the silo filling is going on that it is impossible to get too much water in the pit over the silage whether in bundles or in the cut stage, as the surplus water will be absorbed by the ground.

Prairie Dogs

Farmers who have prairie dogs may get them killed out by getting in touch with this office. All the farmer or rancher will be required to do is furnish the poison grain. The local CCC camp can furnish labor for putting the poison out without cost to the farmer or rancher. The boys this week are working the Weaver ranch in the manner mentioned above.

1935 Bale Tags

The 1935 model bale tags are in the agent's office for distribution to those producers who want to get them. Producers who have non-resident landlords are asked to write their landlords for power of attorney in order to get the tags to be used on the rent portion of the crop this year. Producers who have surplus tags and will want to sell them may list with the agent the number of pounds that he has for sale, also the ones who want to buy tags may list the name and number of pounds that he wants to buy. This list will be posted and as usual there is of course no charge for this service.

Sales may be made now by those producers who have buyers. The price set for the tags is five cents per pound or \$25 per bale. All transfers must be made in the agent's office and the cash must pass between buyer and seller in the presence of Mr. Worley, assistant in cotton adjustment.

Tags Issued

There is quite a lot of confusion as to just how the bale tags were issued this year. Below is the way you can figure your own issue of tags. Example:

The base acres or average for the five year period is 100 acres. The yield allowed per acre is 100 pounds. Multiply the average acres by the pounds allowed per acre the result is 10,000 pounds. The adjustment figure is .56122. 10,000 multiplied by .56122 gives 5,612 pounds the amount of tags issued.

The above rule applies to those with the five, four and three year base. Other bases are figured differently.

PERSONALS

Cloyce Tune, Will Morris and Cecil Tune attended a young peoples rally Sunday in Slaton.

Mr. and Mrs. Ed Hatch, Rube Kelly and Roy Bryant attended the Lubbock Fair Wednesday night.

M. E. Boren spent the week end with relatives in Fluvanna.

Miss Josephine McWhorter has been on the sick list for the past week but is again able to be back at work.

Mr. and Mrs. Frank Vestal are expected to return soon from Dallas where Mr. Vestal underwent surgery on his eye. Mr. Vestal is superintendent at the local CCC camp.

Mr. and Mrs. Bernie Holt spent last Wednesday in Lubbock attended the South Plains Fair.

Mr. and Mrs. Gus Ragsdale, Mrs. W. B. McWhorter, and Mr. and Mrs. Murry McWhorter were in Lubbock one night last week attending the fair.

Mrs. Maurice Small and sons of Sudan are here visiting her sister Mrs. Raymond Hatch for a few days.

LAMESA STEAM LAUNDRY

NAILING OUR FLAG TO THE MASTHEAD

—In the largest single self-contained motor car factory in the world, thousands of veteran Buick workmen have focused for two years on perfecting four new series of phenomenal automobiles, and now they offer these to the public in full confidence that they dramatically verify the traditional Buick pledge: "When better automobiles are built, Buick will build them."

ONE LOOK AT THESE PHENOMENAL FOUR AND YOU'LL SAY

"BUICK'S THE BUY!"

TWO years ago Buick deliberately leveled its sights on 1936.

It coolly set its aim on bringing to market for that year a line of motor cars that would startle the world.

It purposed to do that, not by freak or superficial design, not by skimping quality to make a price, but by sheer merit as expressed in automobile beauty, value, ability.

It submits to you now the eminently satisfying results of that fruitful two years of concentrated endeavor.

Here are four separate series of sensational new Buick cars—cars called *phenomenal* by experts in the trade who previewed them.

Each is a feast to the eye schooled in mature modern styling, as you can see.

Each has under the smooth flowing planes and surfaces of its smart exterior, the solid, tough, durable, beautifully engineered chassis that underwrites Buick dependability.

And each offers you from the stepped-up power of its big thrifty valve-in-head eight-cylinder

engine such safe, thrilling performance as you have never known.

These cars are big cars every one—built to almost lavish dimensions of body room and head clearance—yet they handle with the fingertip lightness of small cars.

They are literally breath-taking in power and speed and take-off, yet under their new tiptoe hydraulics and easy-steering knee-action they are almost as manageable as a telephone.

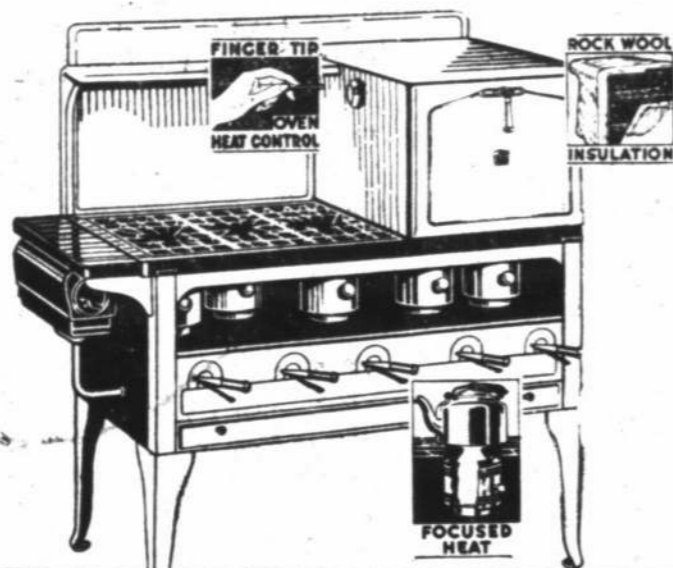

They are thew and sinewed by that quality which springs from Buick's third of a century of manufacturing experience, advantaged by \$14,500,000 worth of new tools, dies and factory re-equipment devised for these cars alone.

These things are so true and so obvious that everywhere you will soon hear the motor-wise saying, "BUICK'S THE BUY!"

MR. AND MRS. J. B. ADAMS OF BARTLETT HONORED

Several friends of Mr. and Mrs. J. B. Adams very pleasantly surprised them with a visit and picnic lunch at their home in the Bartlett community, Sunday, September 29. They arrived about noon, each bringing a lunch, which was eaten picnic style. In the afternoon watermelon and ice creams were enjoyed. Those present were Mr. and Mrs. Emmett Grayson and children, Mr. and Mrs. Ed Knox and daughters, Mr. and Mrs. Verdie Welty, Mr. and Mrs. E. M. Boles and son, G. A. Lloyd of Big Spring, E. A. Boles, Miss Jimmie Earl Temple, and Mr. and Mrs. Adams and children.

WOMANS STUDY CLUB MET FRIDAY IN REGULAR MEETING

The Womans Study Club met Friday, September 27, in their regular meeting. Mrs. Eugene Yates, presided over the meeting. Several items of interest were presented before the club.

The members voted to cooperate with the Delphian Club in permitting the new 1935 club the use of the club house for the year.

In appreciation for Mrs. E. T. Bailey's services as past president, she was presented with a historic plaque by Mrs. Yates in behalf of the club.

Complying with requests from State club at Austin for a chair for the new building, Mrs. Kate Weaver Rose personally donated this chair as a gift from the club.

Mr. Henry Norris gave a very interesting talk on the early history of Texas. His address was very educational and enjoyed by all.

Mrs. Elzie Burleson was hostess. The next meeting will be October 11.

ORGANIZE W. M. S. ON LAMESA CIRCUIT

Fourteen ladies, representing the four churches on the Lamesa Circuit met at the parsonage with Sister Carmack Saturday afternoon, Sept. 28, for the purpose of organizing a Missionary Society.

After the song, "Blest Be the Tie", Mrs. N. F. Peterson brought the devotional from the "Love Chapter" 1 Cor. 13. Mrs. Carlston lead in prayer and Mrs. Carmack gave a most interesting talk taking her subject from 1 Cor. 10:12. "Wherefore let him that thinketh he standeth take heed lest he fall."

Business brought before the meeting: "The motion was made and carried that Mt. Olive, McCarty, Patricia and Ballard should organize a Missionary Society, to meet every two weeks, on Saturday afternoon, at the parsonage. Sister Carmack was elected president of the combined societies, and each society as a circle is to keep its own officers and meet at home the alternating weeks if its members so desire. Mrs. George Hardisty was elected secretary and Mrs. Slover, reporter.

The program for the Saturday meetings are to be sponsored alternately by the ladies of the four churches, which promises an interesting series of worthwhile and spiritually uplifting programs. The vote was made and carried that the Mc-

Carty ladies have charge of the program for the next meeting, Oct. 12.

Delicious refreshments of ice cream and cake were served to the following Mesdames: J. M. Peterson, N. F. Peterson, Joe Peterson, White, Cox, Carleton, Shillingburg, Moore, Cox, Whitmire, Hamilton, Shipp, Carmichael, Slover and the hostess.

Every lady, young and old, is cordially invited to come and join our society, or to meet with us, regardless of denomination. Bring visitors whenever you can.—Reporter.

KLONDIKE 4-H CLUB MET SEPTEMBER 24

The 4-H Club met in a called meeting September 24. Miss Phenix our demonstration agent met with us. She gave a talk on the foods that we should eat. We all enjoyed the talk very much, and are looking forward to the time that she will meet with us again.

There was a good number present and we hope that they are all back next time.—Reporter.

Mrs. Mary Parkinson has accepted a position at the Loveless and Price Hospital.

Bennie Hendrix, who enrolled in A. C. C. Abilene a few weeks ago has returned to his home here.

Miss Mary Helen Abbott of Seminole attended the Lamesa-Olton football game here last Friday night.

Miss Irene Wright spent the past week end in Lubbock.

Miss Thelma Merrick left Sunday for Lubbock where she has accepted a position as English teacher in the Dupree School.

Miss Nannie Billingsley and her sister Mrs. Price left the last week for Coleman where they will make their home. Miss Billingsley has been employed at the Baldwin Store here for the past several years.

Mr. and Mrs. Ovid Walls, Mr. and Mrs. Otis Walls of Abilene spent the week end here visiting friends.

Rev. Leroy Smith and wife visited relatives at Lockney over the week end.

J. D. Andrews of Colgate, Okla., has been employed as clerk in Mr. George Lee's store for the fall season.

Glenn Esmond and family of Lamesa visited his father W. A. Esmond and family Saturday night.

Quite a few friends enjoyed a birthday dinner in the T. L. Shults home Sunday, given in honor of Mr. Shults birthday.

Mr. Hayhearse and family have moved into our community from Lamesa. He has been employed as cotton buyer at the Keisling Gin.

Earl Esmond and family of Mt. Olive spent Sunday evening in the

W. A. Esmond home.

Jeff Dean has resigned as principal of the Mullins school and has accepted a position in the Lamesa Grammar school.

We are sorry to report Cleve Austin Riddle on the sick list.

Several from here attended the play at McCarty Saturday night.

—Mrs. T. L. Shults, corres.

MISS LAVERNE CARSON AND DOUGLAS HILL MARRIED

Miss Laverne Carson became the bride of Douglas Hill in a ceremony performed last Saturday evening in Lubbock, with Rev. W. R. Vivrett, First Christian Church minister reading the ceremony at his home. Robert Moore acted as best man and Miss Jack Hart was maid of honor. Mr. and Mrs. Carl Hart were wedding guests.

Mrs. Hill is the daughter of Mrs. Marvin Mitchell. She graduated from the local high school last year and is now employed at the Collins Dry Goods company. Mr. Hill, son of Mr. and Mrs. R. Hill, is a graduate of the local high school and a former student of Texas Tech, and is now employed with the state highway department. Mr. and Mrs. Hill will make their home at the Westland Hotel.

MR. AND MRS. SAM SMITH HONORED WITH DINNER MONDAY EVENING

Mr. and Mrs. Lex Brock entertained with a dinner on Monday evening at their home, honoring Mr. and Mrs. Sam Smith, who will leave soon for California to make their home. Members of Mrs. Smith's sewing club and their husbands were guests. A lovely pair of Maderia pillow cases were presented the honorees from the club.

Those attending were Messrs. and Mesdames, John Allen, Leonard Scott Leslie Pratt, Murray McWhorter, the honorees and host and hostess.

PERSONALS

Mr. and Mrs. Ralph Stuart returned Sunday night from Merkel where they attended the funeral of Mrs. Stuart's brother-in-law, Mr. Lynn Sublett.

Buster Clifton of Lubbock was a guest here Sunday of Mr. and Mrs. Shelby Dalmont.

Mr. and Mrs. John Hardy Morgan and son of Big Spring were visitors here Sunday.

Mr. and Mrs. R. D. Simpson of Beverly Hills, California are here this week visiting friends and transacting business.

Dr. and Mrs. Lawrence Rudd of Burleson were week end guests of Mr. and Mrs. M. Q. Martin and Miss Louvenia Estes.

Mr. and Mrs. Carson Echols, Miss Katie Lee Clement, Miss Josephine Clement, Boyd Echols and Grady Robertson were in Lubbock last Thursday attending the fair.

Misses Oma Lena Medlin, Myrtle Herderson, Opal McDonald and Buster Herndon attended the South Plains Fair in Lubbock last Thursday.

Mr. and Mrs. Carl Rountree and daughter were in Lubbock last Thursday attending the Fair.

Russell Walden of Wickett, Texas visited friends in Lamesa this week. R. L. Gilbert is transacting business in Dallas this week.

"Proven Worth Is Preferable to Risky Experiment"

Ten years ago, in the early days of radio, there may have been some excuse for the radio industry to conduct experiments outside the laboratory, for asking the public to assume the expense of testing new radios, new tubes, new circuits. For one thing, adequate laboratory facilities for testing and sorting-out innovations had hardly been created.

Today there is no excuse for the radio industry to experiment on the public, and at the public's expense. Philco, with its great Research and Engineering Laboratories, like those of the great motor car manufacturers, is definitely committed to lifting this load from the public.

Philco experimentation is confined to the Philco Research Laboratories. New features constantly appear in Philco radios. But every new Philco feature must have real scientific merit, proven in the Philco Laboratories at Philco's expense, and must add definitely to performance and reliability.

The 1935-36 line of Philco radios is entirely equipped with glass tubes for the very simple reason that metal tubes are still in an experimental stage and that glass radio tubes are of the highest radio performance value today.

PHILCO USES GLASS TUBES BECAUSE:

1. Highly perfected high efficiency tubes are available in every single and multiple function type. Using these tried and proven tubes, Philco receivers give better performance than can be obtained with a greater number of metal tubes.
2. With the wider choice provided in glass tubes, a much greater output of pure tone may be enjoyed than with metal tubes.
3. Glass tubes have proved their ruggedness. They are universally shipped installed in sockets ready for use. And millions of radios using glass tubes are in daily use in automobiles driven at all speeds over all kinds of roads.
4. Less of vacuum is practically unknown in glass tubes.
5. In short-wave foreign reception the prime requisites are good dielectric properties and good insulation. Glass is inherently a good dielectric and good insulator. Glass tubes give better short-wave foreign reception.

PHILCO DOES NOT USE METAL TUBES BECAUSE:

1. In metal tubes, bulb size is reduced. With the same amount of heat to dissipate, the smaller metal tube operates at a higher temperature.
2. This higher temperature tends to shorten tube life. It also changes the characteristics of nearby coils, resistors, etc., which impairs the delicate balance of all the various parts—a balance that is essential for fine performance.
3. Many highly desirable multiple function tubes . . . now in general use . . . are not available in metal.
4. More metal tubes than glass are required. Metal tube sets cost more money and deliver less.

THE PUBLIC IS ENTITLED TO KNOW THE FACTS; THEREFORE THESE FACTS AND CONCLUSIONS ARE PRESENTED BY

Philco Radio & Television Corporation
CANON'S VARIETY STORE

performance. And the replacement cost of a set of metal tubes is approximately double that of glass.

5. The inability to see inside a metal tube is a real disadvantage. The transparency of glass often allows the user, the service man, and the factory inspector to determine when a tube is not functioning.

6. Loss of vacuum is a serious hazard in metal tubes. An air leak at any point . . . and there are over twice as many points to seal in metal tubes . . . stops a radio from working.

7. At first glance, and until one remembers the proven ruggedness, power, tone, dependability and long life of glass tubes, metal tubes may make a superficial sales appeal. However, Philco never has and never will adopt any innovation merely for "sales ballyhoo" appeal.

If Philco were making bread, Philco could legitimately offer the public both wheat bread and rye bread—one as high in quality as the other. Part of the public would get greater satisfaction from wheat bread. Another part would find rye bread more to its taste.

But Philco cannot legitimately offer the public both glass and metal tubes. The metal tube is not as high in quality as the glass tube.

In the delicate scientific radio mechanism, the public is not in a position to decide which is better. The Philco Engineering and Research Laboratories, with their trained engineering staff and extensive and costly testing apparatus, must make such decisions for the public and select for Philco radios all parts best suited to produce maximum performance.

Performance is what counts. It is of no importance to Philco—nor to the public—whether tubes are made of glass, metal, wood or porcelain, so long as they do their full share to enable the radio as a whole to give maximum performance.

Philco has experimented with, tested and re-tested metal tubes. They have been "weighed in the balance and found wanting". Their performance is inferior to glass, their cost is higher, their reliability in service is less. So Philco uses glass.

"PROVEN WORTH IS PREFERABLE TO RISKY EXPERIMENT"

This basic Philco policy may not be spectacular but it protects Philco buyers, and the American public has approved in no uncertain tones.

1. They have bought more Philcos than any other make for the past six years.
 2. They have bought over 6,000,000 Philcos.
 3. At the present time they are buying more Philcos than ever before. Factory employment is 40 per cent above employment a year ago—over 10,000 workers at the highest wage in the industry.
- In addition to glass tubes, Philco radios give you many other Philco features which will multiply your radio enjoyment over the years and which make Philco truly a Musical Instrument of Quality.

MISS ASALIE KEY BECOMES BRIDE OF DR. N. H. PRICE

Miss Asalie Key became the bride of Dr. N. H. Price in a very impressive ceremony performed last Saturday evening at 6 o'clock on the spacious lawn at the home of the brides parents, Mr. and Mrs. V. O. Key.

Rev. E. B. Bowen, pastor of the First Methodist Church read the ring service in which the bride was given in marriage by her father.

Dr. G. L. Necesra of Big Spring acted as best man. Flower girls were little Misses Leannette Carroll and Ann McGuire.

The bride wore a black velvet dress with silver metallic cloth tunic and a black velvet turban. Her bouquet was of Talisman roses.

Preceding the reading of the vows, Miss Evelyn Jackson of San Angelo played two violin selections, "At Dawning" and "I Love You Truly". She was accompanied at the piano by Cecil Key, the brides brother, who also played the wedding march.

Several hundred guests, including both relatives and friends of the bridal couple, were present for the wedding.

After a short honeymoon trip to Dallas and other points, Dr. and Mrs. Price will return here to make their home.

Mrs. Price is a graduate of the local high school and of McMurry Col-

lege of Abilene. She has studied voice in Chicago Musical College and for the last three years has been a teacher in Lamesa Public schools.

Dr. Price holds a bachelor of Science degree from Harvard University and is a graduate of Tufts Medical School. He has been associated with Loveless and Price Hospital here for the last two years.

MISSIONARY SOCIETY GIVES LUNCHEON FOR MRS. SMITH

Members of the Ladies Missionary Society of the First Methodist church entertained with a covered dish luncheon on Monday honoring Mrs. Sam Smith, who will leave soon to make her home in California. The luncheon was given at the home of Mrs. Arthur Hull.

After the most pleasant luncheon Mrs. Smith was presented with a lovely gift from the society.

Guests attending this enjoyable affair were Mesdames M. R. Haile, Middleton, V. O. Key, Carl Rountree, A. G. Waugh, W. T. Webb, J. C. Loveless, Gus White, W. K. Crawley, Walter Jones, W. L. Marr, O. H. Morris, Russell Clark, J. L. Sybert and Rev. Bowen.

MRS. DIXIE KILGORE HONORS GUEST WITH TEA

Complimenting Mrs. R. D. Simpson

of Beverly Hills, California, who is here with her husband visiting with friends. Mrs. Dixie Kilgore entertained with an informal tea on Monday afternoon at her home.

Mrs. R. E. Simpson presided over the attractive tea table. Twenty five

guests called during the afternoon. Mrs. Homer Bartlett of Dimmitt was an out of town guest present.

M. Q. Martin and Jesse Paulk made a business trip to Temple this week.

KLONDIKE H. D. CLUB MET SEPTEMBER 17TH

The Klondike Home Demonstration Club met September 17, with five members and one visitor present. Plans were made to entertain the Wilson Club September 25. Those present were given labels for jars to be sent to the fair.—Reporter.

FAIRVIEW H. D. CLUB WILL MEET OCTOBER 1

As the Fairview H. D. Club has had a vacation of six weeks they will meet in the home of Mrs. Dick Lattin Tuesday afternoon October 1, at 2:30.

We urge that all members be present and be ready to go to work again Miss Phenix will be with us. Remember visitors are always welcome.—Reporter.

WELCH H. D. CLUB MET SEPTEMBER 17TH

The Welch Home Demonstration club met Tuesday afternoon September 17th, with Mrs. Earnest Fortenberry. Fifteen members and four visitors were present. We completed our plans for the Fair exhibit, after which Mrs. Martin was honored with a miscellaneous shower. She received many practical gifts. After the club adjourned cantaloupe was served.—Reporter.

BYPU ORGANIZED AT HANCOCK

The Juniors and Intermediates of the Hancock Sunday School met and organized a BYPU last Sunday. Every Junior and Intermediate is urged to attend each Sunday night and help us to make our work what it should be.—Reporter.

BROTHER AND SISTER CLUB ORGANIZED AT WOODY

The students of the upper grades of the Woody School have organized a "Big Brother and Sister Club." A committee of three, Wayne Reeves, Pharene Vinzant and Nadine Drennan, have been elected to meet with the sponsor and carry on the business of the club.

The purpose of the club is to foster a kindly feeling among all students, more especially among the younger students. Some of the daily activities are to see that the "adopted" brother or sister is happy, not to see that he enters some play activity and is never "left out" and to plan interesting things for his or her benefit.

A large picture of the group is to be made soon. The motto of the club is "I am my brother's keeper."—Reporter.

PREVENT DISEASE BY CHIROPRACTIC

Very much has been said lately relative to the merits of the various methods used in the prevention of disease, however, little attention has been given to the important work along this line by Chiropractic. The value of Chiropractic reaches its greatest worth in keeping a person healthy and thus warding off disease.

The Chiropractor works on the principle that all parts of the body function as a result of the life which travels over and thru the nervous system. He knows that the nervous system comes about as a result of the lack of receiving this force by his patient. He promptly locates the obstruction takes place and remove it, is to place his patient in true bodily relationship and he will get well as soon as Nature can repair the damage.

In our daily contact with diseases and maladies of the people, it is evident that perhaps ninety per cent of them are due to improper spine alignment. This being true, it is clearly the part of wisdom to have a regular examination made of your spine as a natural preventative of bad health.

Through a spinal analysis any misalignment or abnormal position of the vertebrae comprising the spinal column will be promptly detected. When they are adjusted to normal the irritation on the nerves is relieved and arrested life force once more restored to normal.

Disease cannot make headway when a full free flow of vital nerve energy is supplied to every part of the body.

AGE LIMIT FOR CCC IS LOWERED TO 17 YEARS

Austin, September 30.—Minimum age limit for CCC enrollees has been lowered from 18 to 17, State Enrollment supervisor Neal E. Guy announced Saturday.

The ruling will apply for the October enrollment, when every eligible person in the state is expected to be given a chance to enlist in the CCC. Enrollment will be open for all unmarried men between 17 and 28 whose families are on relief rolls. The dates are inclusive, and a person who has passed his 17th birthday is eligible, as is one who has not reached his twenty-ninth.

Mandatory discharges have been discontinued, and enrollees may stay in camps indefinitely. Also, persons honorably discharged may re-enlist, provided their previous service was not less than four months. Eligible enrollees, however, honorably discharged prior to October 21, 1933, may be re-selected without regard to length of previous service.

Guy advised persons in the lower age brackets, particularly the 17-year olds who are in school, to continue their schooling as long as possible, with the hope of enlisting later. For those who cannot continue in school, the CCC conducts an educational program in each camp, he said.

SOX SUPPER AT KEY SCHOOL FRIDAY NIGHT

There will be a sox supper at the Key school house on Friday night, October 4, at 8:00 p. m.

The proceeds will go to the girls' athletic team. Everyone invited.

NEW BUICKS HAVE MANY IMPROVEMENTS IN DESIGN

With safety the governing factor in their design, the 1936 solid steel "turret top" Fisher bodies being introduced on the four new Buick lines afford the greatest protection ever offered the motoring public, according to E. F. Fisher, general manager of the Fisher Body division, of General Motors Corporation.

Wider, deeper seats, more headroom and leg room to increase bodily comfort and further reduce fatigue, safety glass, dual windshield wipers, the sloping V-type windshield to eliminate hazardous reflections, Fisher no-draft ventilation, further improved to provide fresh air for the car occupants even in inclement weather and prevent clouding of the windows and windshield, and the one-piece seamless steel roof, offer protection overhead where it is most needed, are cited among the safety features incorporated in the new designs.

The overall length of the bodies

found on the new Buicks, from the dash to the trunk, in every instance is greater than it was a year ago. The widths of the seats have likewise been increased, with the 2- and 4-door sedans now providing accommodations for six passengers instead of five.

Mrs. Jiggs Tipton was a Lubbock visitor last week.

CARD OF THANKS

We wish to thank our many friends for their kindness and sympathy in the loss of our baby. May God's richest blessings be yours.

Mr. and Mrs. E. W. Riley.
Mr. and Mrs. O. H. Williams
Mr. and Mrs. J. M. Riley.

POLYMERIZATION

A Supreme Achievement in Gasoline Chemistry

An Amazing Stride Forward in Gasoline Quality

THIS is the story of a new . . . decidedly different . . . decisively superior gasoline.

A gasoline made by a process utterly novel in the petroleum industry.

A process developed, proved, and perfected in the Phillips laboratories and refineries. A process which not only gives you a vastly improved motor fuel, but also plays an important part in conserving our country's valuable petroleum reserves.

Pioneered by Phillips, this miracle of modern chemistry rearranges the atoms of high-explosive vapors and transforms them into stable, high-octane, outstandingly active gasoline.

This is the superlative product which will now enrich and fortify every gallon of Phillips 66.

The result is a gasoline more obedient to your wishes than ever before . . . a gasoline which actually steps up pick-up and peeps up power still further . . . a gasoline which yields more mileage because

it gives up more of its energy to each piston stroke . . . a gasoline so lively that it sets new records for fast starting.

Note well the name of the process: Polymerization—or POLY, for short. Mark the word well in your memory,

because it is acclaimed as today's greatest advance in gasoline manufacture. Never before in the history of refining has any invention excited so much attention and interest. Again, Phillips has blazed a new trail! Again, Phillips leads in lifting the quality of motor fuel to higher levels of performance and value!

Remember, Phillips 66 is everything it has always been, PLUS! That "plus" is POLY. Hence, when you *Phill-up with Phillips 66 POLYmerized*, at no increase in cost, you can confidently expect that this greater gasoline will set new standards of service and value for your money.

Inevitably, this sensational gasoline will be the talk of motordom. It is now obtainable at all Phillips 66 Stations. Why not be among the first to try a tankful, and benefit from its unrivaled excellence and economy?

PHILLIPS 77 AVIATION POLYmerized
2¢ extra per gallon
Today's Biggest Value in Premium Gasoline

AN INVITATION FROM THE PRESIDENT
Polymerization is a scientific revolution in the making of gasoline. This newly invented process produces premium quality motor fuel, not by physical separation of the crude petroleum as heretofore, but by chemical reconstruction of the lighter gases.
Based on my 31 years' experience in the oil business, I can assure you that Phillips Gasoline plus POLYmerization is the finest motor fuel that can be produced by the most modern refinery methods.
I invite you to try a tankful of this unprecedented gasoline. After you do so, I will be glad to have you write me any comments you care to make.
J. D. Phillips
PRESIDENT, PHILLIPS PETROLEUM COMPANY, BARTLESVILLE, OKLA.

DOLLAR DAYS

Saturday and First Monday, October 5 & 7

Choose your Dollar Day Needs from a large stock of fresh, new fall merchandise. The fall season brings new necessities and we have met the issue with quality merchandise for the entire family. Fitting out your children for school is made easy here, and many of the items advertised here are just what they will need. The prices are always RIGHT at COLLINS DRY GOODS COMPANY.
