

County Rejects McKinney as Deputy Officer

The commissioners court in meeting Monday, Jan. 16, rejected a petition asking that Claude McKinney be appointed deputy constable of Precinct 1 on the grounds that since McKinney is a Wellington resident, an appointment would be of no benefit to Dodson area residents whose names made up most of the 46 on the petition.

The petition was presented to the court by W. E. Brewster of Wellington.

Upon the recommendation of the county road administrator, the court voted to advertise for bids on a maintainer and three trucks, and also on road department supplies, materials, gas, oil, grease and diesel fuel.

The court then amended the 1961 budget to include \$16,000 to be placed in the disaster item in the Road and Bridge fund and to further amend the budget to include a \$5,600 balance of the disaster funds not spent in 1960 in the 1961 disaster item.

In other business, the commissioners voted to renew insurance on county vehicles with Eli Wolf; set the salaries in

Funeral for Bill Gibbons Set Thursday

W. H. (Bill) Gibbons, retired farmer and county resident 37 years, died in St. Joseph's Hospital Tuesday, Jan. 17 at 9 a.m. He was suffering from a heart condition and had been seriously ill about a week. He was 66 years of age.

Funeral services will be conducted Thursday at 2:30 p.m. in West Avenue Church of Christ, with Minister J. R. Patterson officiating. Burial will be in North Wellington cemetery under the direction of Kelso Funeral Home.

Mr. Gibbons was born July 17, 1894, in Montague county. He was married Jan. 5, 1913 to Miss Nannie Barker at Nacoma, and they made their home in that area until moving to Collingsworth county. Mr. Gibbons farmed in the Quail area for many years and later around Wellington. He and Mrs. Gibbons had lived in town for 12 years.

Surviving Mr. Gibbons are five daughters and four sons: Mrs. Tommy Murdock and Mrs. D. F. Downs of Wellington; Mrs. Eunice Stubbs of Sunnyvale, Calif.; Mrs. Oscar Molton of Black Hawk, Colo.; Mrs. Ervin Sasser of Vernon; Doug Gibbons of McLean; Dick Gibbons of Amarillo; Jack Gibbons of Fritch and R. H. Gibbons of Borger. Other survivors are four sisters: Mrs. Ira Finnell of Wichita Falls; Mrs. Lula Rosenbalm of Selma, Calif.; Mrs. Laura Tonguet of Shamrock; and Mrs. Nettie Weaver of Vernon. There are 32 grandchildren and four great grandchildren.

Booster Shots for Diphtheria Suggested

The Wellington schools are recommending to parents that they check the dates their children received diphtheria inoculations and if necessary, see that they are given DPT booster shots.

The recommendations came from J. L. Harper, incoming superintendent, who pointed out that this is not required, but it is recommended as a precautionary measure.

There has been no case of diphtheria here, so far as is known, but the number of cases on the Plains and in other Texas points has made caution advisable.

GREENBELT DISTRICT CHOICE

Jennifer Singley, Wellington Future Farmer chapter's sweetheart, was chosen sweetheart of the Greenbelt District at the annual banquet held here recently. She will compete in the area contest later this year. Jennifer, a junior, is the daughter of Mr. and Mrs. Jones Singley.

For Two Years

Greenbelt Water Rights Extended

An extension of the water rights of the Greenbelt Municipal and Industrial Water Authority for two more years has been granted by the Texas Board of Water Engineers, it was announced at a meeting of directors of the Greenbelt Tuesday night.

The permit, under which the authority was operating, expired in December.

The new dam site which will be core drilled within the next few weeks, will impound approximately 50,000 more acre feet of water than the old dam, it was announced.

The lake at the old damsite would produce 25,000,000 gallons of water a day, it has been estimated. No estimate on water from the new proposed dam has been released.

Further exploration at the old damsite was halted when core drilling showed there was no red clay banks on the sides of the river to close the dam.

"We can see the red clay banks at the new site, which should indicate that the dam will hold water," said Dr. S. H. Townsend, president of the authority.

Both damsites are on the

Salt Fork of Red River above the gyp and salt beds. The first site was north of Hedley and the second site down the river about two miles.

Directors from the six towns in the Authority were present: Townsend from Hedley, Ross Springer from Hedley, Sam Breedlove from Quanah, Carroll Knorrp from Clarendon and Wendell Harrison from Memphis. Councilmen and mayors from the towns were present also. Representing Childress were City Manager Louis Sally and Councilmen Arvane Bellah and Charles Mock.

Dr. Townsend and Breedlove, who is vice president of the Authority, reported on their trip to Austin recently for a meeting of the governor's state wide water committee.

The Greenbelt directors voted to endorse at least three of the resolutions passed by the water committee: 1. The resolution increasing the amount the state could participate in a water project from \$5 million to \$15 million and eliminating the one-third limit the state could help finance; 2. The resolution which would authorize the state to acquire conservation storage; 3. The resolution which would establish a special committee on Abating Water Pollution.

Dr. Townsend pointed out that, should the Legislature pass the legislation requested in the first resolution, it would enable the state to give the Greenbelt project 100% backing.

S. K. Parsons Ill at Home

S. K. Parsons, who is ill at his home here, was described Wednesday morning, January 18, as improving slowly.

His son, Sandy Parsons Jr., said his condition was "very serious" Sunday and Monday.

Mrs. Ansel McDowell of Hereford, daughter of Mr. and Mrs. Parson, is here with them, and her son, Dan, was here for a short time.

Banks Re-Elect All Officers and Directors

All officers and directors of the county's three banks were re-elected in annual stockholders meeting held during the last ten-day period.

Floyd Teutsch is president of First State Bank at Dodson, with Dewey Malone as vice president, Nadine Birchfield as cashier and Edith Bayless assistant cashier.

Directors are Mrs. Birchfield, Malone, Grover C. Mitchell, Rachel Deahl Stinnett, and Teutsch.

James Doneghy heads the City State Bank, while Zook Thomas is vice president; Joe C. Terry is cashier and Jack Aaron assistant cashier.

On the board of directors are Doneghy, Thomas, Terry, Sandown Smith and John Nash.

Judge Luther Gribble again is president of Wellington State Bank. C. T. Hubbard is executive vice president; Earl Hunter and Paul Bell, vice presidents; Richard Bailey, cashier, and Estelline Glenn assistant cashier.

Directors are Hubbard, James Sullivan, John Holton, Dr. J. M. Orr, Judge Gribble, Dee McDowell of Shamrock, and Lewis Morris.

Assembly of God Names New Pastor

The Rev. A. D. Stewart has been chosen the new pastor of the Assembly of God, and he and his family will arrive on Feb. 1 from Duncan, Okla., to begin their duties.

The Rev. Mr. Stewart succeeds the Rev. L. A. Buck, pastor here for 17 months, who has accepted a pastorate at New Braunfels. Rev. and Mrs. Buck have moved to their new work.

The Rev. Mr. Stewart, 50, has been in the ministry 22 years, the last 19 of these as pastor of the church at Duncan. He and Mrs. Stewart have two sons, Calvin 17, and Doyle, 12.

The members of the church invite the public to get acquainted with their new pastor.

Dr. Richardson Evangelist

Revival Opens at First Baptist Church Sunday

Winter revival services will open at First Baptist Church Sunday, Jan. 22, and continue through the following Sunday, Jan. 29, with Dr. O. Byron Richardson of Dallas as the evangelist.

The Rev. Glenn Hickey, pastor, announced revival plans this week.

Returning as song director is Dr. Joe Trussell, and Mrs. Trussell will come with him as his accompanist.

Services will be at 10 a.m. and 7:30 p.m.

To initiate the revival, Dr. Richardson will conduct a Saturday afternoon street service if weather permits, using this method to preach to many who would not attend regular religious services.

Another special feature will be the prayer service at 7 p.m. each evening at the church.

Dr. Richardson, who will be in his first revival here, is director of revival evangelism of the Baptist General Convention of Texas, a post he accepted last year after more than 20 years pastoral work.

Dr. Trussell has directed the singing in two revivals here in the past, in 1950 and 1953, and he is known for his evangelistic singing throughout the south.

The public is cordially invited to all these services, the Rev. Mr. Hickey said.

County Gins 39,600 Bales as Harvesting Crop Nears End

Ginning figures neared the 40,000 bale mark this week as Collingsworth prepared to close out the harvest of its biggest crop in recent years, and second above average crop in a row.

A check with gins of the county Tuesday, Jan. 17, showed that approximately 39,600 bales have been ginned so far. By gin managers' estimates, there may be 1,000 bales remaining

of the 1960 crop, still in the field.

No crop ever surprised both the growers and ginners more as to yield, and the total will be around 10,000 bales more than was thought possible in the late summer. Last year's crop was approximately 36,000 bales.

In all parts of the county, dry land cotton has produced almost as much as the irrigat-

ed cotton, with much of this as high as a bale per acre. Little of the irrigated cotton has been above a bale and a quarter.

This year's crop at Dodson will be between 1,500 and 2,000 bales more than last year. This is due to the good production on dry land and the fact that less of the cotton blew out, was damaged by insects, or was in the soil bank.

"The financial situation of most of the farmers around Dodson is improved," Ed Crowder of the Dodson Farmers Co-op said. "Most of them have made more and got in better circumstances than in recent years." Part of this, he explained, is due to the good grain crop. "They gathered their cotton cheaper. But they got lower prices. It has made us realize that it is nearly impossible to hand gather cotton and stay in the business." He estimated approximately 75% of the cotton in that community was machine gathered.

Also at Dodson, Fred Boyd, veteran gin man, called this "the best crop this community has made in a lot of years. I don't know whether we ever did make this good a crop before."

Higher yields than expected prevailed through the Wellington area, J. N. Glasgow of the Farmers Co-op reported, adding that the crop is getting close to the end and that a lot of growers are getting through every day.

Throughout the Wellington section overall yields will average around three-quarters of a bale, as nearly as can be figured.

Jim Langley estimated that not more than 5% of the cotton remains in the field in the Quail section. Most of the cotton is now being machine gathered, although hand pulling prevailed here, in the sandy soil, until the bulk of the harvesting was over.

Yields of one-half to three-fourths of a bale were frequent on dry land cotton, with irrigated cotton making up to one and a quarter bales, Bill Oldham of the Lutie gin said. It is estimated that not more than 200 bales remain in the field through that section and a similar amount was reported by Don Marchant at Dozier.

On the whole, the big snow in December did no great harm to the cotton remaining in the field. Some growers found the cotton pulled after that was a little better in grade, due to the hard freeze opening bolls and the bleaching action of water and sun.

While the Farmers Co-op Gin in Wellington, the county's largest plant, was still running a 24-hour schedule and unable to keep up with the cotton, several other gins reported they will probably close out their 1960 season in a week or ten days.

District THDA Training Meet Here January 31

Wellington will be host to the District 1, Texas Home Demonstration Association training meeting Tuesday, Jan. 31, when leaders in this work for 22 counties gather for an all-day session.

Miss Kathryn Potter, home demonstration agent, and members of the county clubs are in charge of local arrangements. Mrs. T. J. Parsons of Hereford, District 1 THDA chairman, will preside, and a distinguished guest will be Mrs. Milton McGeehee of Wayside, state chairman.

The purpose of the meeting, Miss Potter explained, is to train council chairmen and county THDA chairmen in home district work. They, with

Mrs. Bartlett in C-C Office

Mrs. Joe Bartlett has begun work in the Collingsworth Chamber of Commerce office as secretary to Manager N. M. Higdon, he announced this week.

She succeeds Mrs. Billy Moseley, who resigned to devote full time to her home.

Mrs. Bartlett, with her family, lives in the Lutie community, where her husband farms. Reared in Pendleton, Oregon, she is a graduate of the high school there and before coming here two years ago she did secretarial work for insurance and farm implement companies. Her husband formerly lived here. They have one daughter, Kathleen, 5. The family attends First Christian Church.

Junior High Tourney Slated Jan. 26 to 28

The annual Wellington junior high school basketball tournament will be held Thursday through Saturday, Jan. 26, 27 and 28, with 16 teams participating, Coach Harvey Millsap announced.

The tournament will be held in Rocket gymnasium.

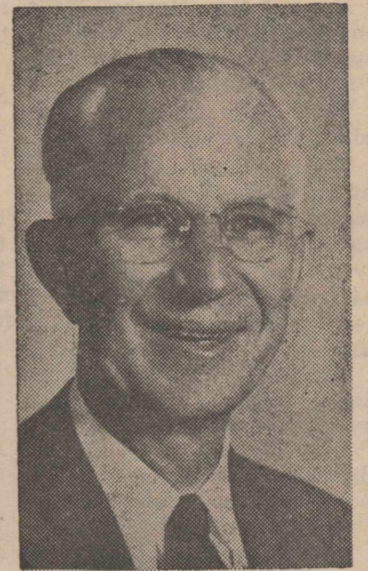

There will be both boys and girls divisions, and handsome trophies will be awarded to the winners of first, second and third places, and the winner of the consolation bracket.

Boys and girls teams will be entered from Wellington (A and B teams), Quail, Samnorwood, Lelia Lake, Lakeview, Clarendon and Shamrock.

Sessions on Thursday and Friday will be at 1 and 6 p.m. and the Saturday sessions will be at 9 a.m., 2:20 p.m. and 5:30 p.m. Coach Millsap said.

The tournament will get underway with Wellington A team boys meeting Lakeview, then at 2 p.m. Thursday Wellington B girls will meet Lakeview.

First round games will continue at 6 p.m. when Quail and Shamrock boys meet, then

CONDUCT REVIVAL

This evangelist team will conduct the winter revival at First Baptist Church, beginning Sunday, January 22 and continuing through Sunday, January 29. Dr. O. Byron Richardson, left, will preach and Dr. Joe Trussell will conduct song services. Dr. Richardson is director of revival evangelism in the evangelism department of the Baptist General Convention of Texas. Dr. Trussell has helped with revivals here twice in past years.

Choose Quail Queen at Annual Pie Supper

The annual Quail pie supper and school queen coronation will be held Monday night Jan. 23 Supt. Herman Moseley announced. This was postponed from a mid-December date due to the heavy snow.

Entertainment begins at 7 p.m. in the gym, with the sale of boxes and pies coming first. Rudell White will be master of ceremonies and music will be by the high school and junior high choruses and the Five Flats.

There will be a pie eating contest.

Candidates for high school queen and their escorts are Patsy Norman and Denzil Ray, seniors; Jerri Stephens and James Boen, juniors; Jenny Ann Kennedy and Richard Keller, sophomores; Sue Ward and David Phipps, freshmen.

Elementary queen candidates and their escorts are Patricia Kimbro and Joe Harris, eighth; Linda Sue Peters and Don Morris, seventh; Rebecca Holiman and Coy Stephens, sixth; Mary Joe Gilbreth and Cary Don Neeley, fifth; Rita Cummings and Jerry Barton, fourth.

Spearman and Quanah on Rocket Schedule

Rockets and Rockettes have a full week of home games, Coach E. W. Clement announced, meeting the Spearman teams Friday night, Jan. 20 and the Quanah Indians Tuesday, Jan. 24.

All remaining district games will begin at 6:30 p.m., Coach Clement said.

This will be the first time the Wellington and Spearman teams have met in district competition, as the Lynx came up from District A only this year.

Very little is known of the boys team, but the girls have defeated some of the major smaller schools of the Panhandle—Claude, Friona and White Deer—in non-conference play.

Spearman boys are coached by George Stephens, who grew up at Quail and was one of Quail's outstanding stars of his era. He later played with Texas Wesleyan University before returning to Quail to coach. They are considered one of the larger teams of the district.

The Quanah game will be boys only, with the A and B teams of the two schools meeting. The Indians defeated the Rockets last year and still have an advantage as to size.

Coached by T. J. Bailey, the A team has split a series with Triple A Pampa, captured the Iowa Park tournament and lost to Crowell, Vernon and Seymour.

Wellington Elementary School Sets a Standard of Excellence

Congratulations are in order to the Wellington Schools as the Elementary School is accepted for accreditation by the Southern Association of Colleges and Secondary Schools. Added honor comes from the fact that it is among the first 25 elementary schools in an eleven-state area to be accepted for accreditation. It was one of six in Texas.

This gives Wellington Elementary School rank and prestige in the educational world and especially in the South. It is a measure that can be applied by anyone wishing to know the standard of our schools.

The acceptance for accreditation by the Southern Association in itself tells of the work and the long-range planning that has gone before. The accreditation team that visited the school months ago had to consider many things.

There was the quality of education that was being dispensed, did it measure up? The teachers, their abilities and their education came under the team's scrutiny. What is taught the children? How is it taught? Are they learning? There had to be a satisfactory answer to all these questions. The school plant was examined and it came up to the requirements set forth.

All of this is one part of Accreditation by the Southern Association. It remains for Wellington Elementary School to live up to this standard. In none of the departments judged can it fall below its present place. This assures to the community, and especially to the parents, the quality of education their young children will receive. It is something to point out to prospective residents. It is something to let the Panhandle-Southwest Oklahoma area know about.

Each of us should extend our congratulations to Elementary Principal Jack Davis and each of his teachers; Supt. Bennett Goodloe who directed the work; and incoming Supt. J. L. Harper, who already is working for its continuance.

...AND "LAYS MONEY ON THE LINE"
TO BACK UP THE BELIEF

Why is our faith backed by dollars?

Very simply, it is because the Southwest is growing 25% faster than the nation, and the WTU service area is the CENTER OF THE SOUTHWEST.

As a result, one of our major projects is designed to stimulate this growth, and another is designed to add service facilities to meet it. These projects are described briefly below. We will keep you informed of their progress as we go along, since they are of vital importance to this community.

It is our conviction that with faith, vision and cooperative effort on the part of all of us, the Center of the Southwest has a sound foundation for GROWTH UNLIMITED in the years ahead.

OUR AREA DEVELOPMENT PROGRAM PROMOTES

Growth Unlimited

For many years we have been engaged in a program designed to inform business executives about the industrial advantages of the Center of the Southwest.

This activity is being continued in 1961 with an expanded area development program. It includes a new series of ads running in a number of national publications, which depict the growth potential of this area and the states it serves.

The national advertising schedule, the information brochures we are publishing, the trips we will make to industrial centers, and the fine cooperative spirit of communities like this one, all combine to promote GROWTH UNLIMITED.

\$50 MILLION EXPANSION PREPARES FOR

Growth Unlimited

On the shores of Oak Creek Lake in Coke County, construction is progressing rapidly on a large new WTU generating station. It is tangible evidence of the expansion being made in our generating and distribution facilities, in anticipation of coming growth in the Center of the Southwest.

An area expansion program, costing in excess of \$50 million, is well under way, and will continue through the months ahead. It will permit us to keep pace with the growing needs of this growing area.

It is proof that here is GROWTH UNLIMITED.

CROSSROADS REPORT

Dear Editor:

I see where one of the first targets of the new Congress is to conjure up some relief for folks in depressed areas.

My ill-windy neighbor expects this move will be a great success, on account of our lawmakers are very expert at relieving people, especially relieving them of money.

Says it may take a while to get this project moving, though being as Washington has had lots more experience at depressing people than it has at un-depressing them.

I see where Mrs. Kennedy has been picked as one of the world's best dressed ladies and the men's stylemongers have elected Mr. Kennedy as world's worst.

Seems they figure his out-of-style dressing will hurt US prestige and their business, so they point rudely to his wide

lapels and coats with only two buttons.

My slouchy neighbor says he don't believe in making cracks about a man's clothes, and he is personally willing to live with a two-button coat President as long as he has got all of his other buttons.

I see where there is general flabbergastment in Washington as the Federals note that our gold count keeps going down.

But my caffendi neighbor says lots of crossroads economists have said all along this would come to pass if we didn't quit giving the stuff away.

Says maybe we need to move Washington out here in sticks somewhere, away from that Potomac climate, which seems like is just too hot, or too wet, or too foggy for horse sense to take root.

I see where one of the numerous task forces now busy at solving our problems wants a National Fuels Policy, to get more people to use coal so more coal miners can go back to work.

My federalradical neighbor says this will work out fine if the

penalty is made stiff enough on slacker citizens who don't buy their quota of coal.

Says having Washington to ukase up the demand for slow-moving items would do away with lots of unemployment; like if we had a National Moustache Cup Policy all depressed moustache cup makers could get back on the income tax roll.

I see where it looks like the next depressed area problem will be Harvard, on account of so many of their teachers now moving to Washington.

My acadumbic neighbor says, though, if they have to close up the joint, maybe Congress will appropriate a couple of billion dollars to make it into a National shrine, sort of like the Moslem folks' Mecca.

And five times per day we can all pause in our labors and face Harvard and say a

prayer for the country.

I note that our Certified Economics Experts all seem to differ on how sick our economy is, what ails it, and what treatment it needs.

My expert expert neighbor says if two experts put out different dope on the same problem, it proves one of them is no expert, and maybe both.

Says we ought to have an anti-fraud law that economics experting licenses must be renewed every year by showing a financial statement that had got better since the last time, not counting inheritance or stealings.

Farmers Must Prepare Social Security Returns

This is the time for local farmers to prepare their social security tax returns for reporting their employees for 1960, Hal Gelden, manager of the Amarillo social security office, said today.

He added: "Farm wages are reported on a yearly basis. The report covering employees who worked in 1960 must be filed with the Director of Internal Revenue during January 1961." The report must be filed for: any employee who was paid \$150 or more in cash wages during the year; or any individual who worked on 20 or more days in 1960 for cash wages figured on a time basis (for instance, by the hour, day, week, etc.) regardless of the total earnings for the year.

It is important that the employee's correct social security number be shown on the report, Gelden said.

There was a sharp increase in the number and quality of reports filed by area farmers last year. Gelden advised that correct and complete reporting helps guarantee that the employee receives full social security credit for the work he has done.

Aptitude Tests at West Texas

Canyon. — College aptitude tests will be given here at West Texas State College Feb. 25 for high school seniors of the area who expect to enter college following graduation.

Deadline for applications for the test is Feb. 4, when they must be received in Waco by the state director for the testing program. Applications must be sent to Alton Lee, registrar at Baylor University, who is state director.

Scores on the tests are now required for admission to West Texas State and more than 500 other colleges and universities. Students of the Panhandle area may take the test at WT, even though they plan to attend colleges elsewhere in the Southwest.

Applications may be obtained from the principal's office at the student's high school and are mailed to Waco. The state director sends a list of eligible students to all colleges in the state which are testing centers. A fee of \$3 is required.

One other testing date in the spring has been set for April 22. Application deadline for that date is April 1.

The girls learned to do ten embroidery stitches and will continue this at their next meeting.

Attending were a visitor, Jan Smith, and these members: Glenda Ivy, Linda Moore, Vickie Bergvall, Judy Millsap, Sharon Daves, Patricia Wilson, Evelyn Fields, LaJuanda Peters and the sponsor, Mrs. John Brown.

Mr. and Mrs. Wallace Shiflett of Dimmitt were here over the week end quail hunting and visiting with Mr. and Mrs. Dick Sweat.

Senator Roberts New President Pro Tem

Austin.—Sen. Ray Roberts of McKinney is president pro tempore of the Senate for the present session.

His job, largely honorary, is to preside over the Senate in the absence of the lieutenant governor. Also, he is second in line of succession to the governorship. By tradition, during each president pro tempore's term, the governor and

the lieutenant governor leave the state so the senate president can serve as "governor for a day." Senator Roberts, a World War II Naval hero, is a farmer and realtor.

Mrs. J. E. Farris

Friends Honor Mrs. J. E. Farris of Dodson on her 94th Birthday

Mrs. J. E. Farris recently celebrated her 94th birthday when her friends and family gathered in the home of Mrs. B. T. Webb near Dodson to honor her on Dec. 18, 1960.

Mr. and Mrs. Farris came to Harmon county in November 1916, settling on the C. C. Boyd farm, later buying and moving to the Cochran place in the Kelley community. Mr. Farris passed away there in November 1941. Mrs. Farris then lived for a short time in Dodson, and since, has made her home with her daughter, Mrs. Webb.

All of her living children were present at the celebration except one daughter who is ill.

Mrs. Farris looks much younger than her 94 years and is a good example of "growing old gracefully." She was born in Mississippi on Dec. 20, 1866 and moved with her family to Texas in 1867. There were several families in the caravan of wagons being drawn by oxen. Her family settled near Cleburne, Texas; later moving to Young county, buying land there. They then moved to Tarrant county near Fort Worth in 1884 where she met James Farris and they were married in 1889.

Nine children were born, two dying in infancy; Washington E. Farris was wounded and died in France in 1918 in World War I. The others are Mrs. B. T. Webb (Maggie); Curtis Farris, J. J. Farris, Mrs. E. O. Tudor (Irene); Olan Farris and Mrs. Frank White (Ima) who was unable to be present.

The refreshment table for the reception was covered with

DKG Meets in Memphis

The January meeting of the Gamma Kappa chapter of Delta Kappa Gamma was held at Travis Elementary school in Memphis Saturday afternoon, Jan. 14, with Mrs. Anna May Foster, president. Mrs. Brunetta Morris read a poem to open the meeting.

Following the business session, a discussion of the status of education was given in the form of a monologue, "A Teacher's Dream" by Miss Zady Belle Walker of Memphis. This described teaching conditions in Africa, Asia and South America. As part of the monologue, Mrs. Velma Weaver of Clarendon sang "Far Away Places." Others on the program were Miss Vera Gilreath, and Miss Ethel Hillhouse of Memphis, and Mrs. Reba Stroble and Mrs. Marjorie Bain of Clarendon.

Hostesses were Miss Alma Bruce, Mrs. Carrie Belle King, Mrs. Audrey Tribble, Mrs. Brunetta Morris, Miss Esta McElrath and Mrs. Anna May Foster of Memphis.

Attending from Collingsworth county were Miss Bonnie Willis, Miss Sara Jones, Miss Maudie Coffee, Mrs. Rufus Sweat, Mrs. Charley Hill, and Mrs. Bernice Welch.

pink taffeta and net with centerpiece of white poinsettias and silver leaves. The three-tier cake was served by Mrs. H. A. Painter with Mrs. B. B. Martin presiding at the silver service.

Family members present included the honoree, Mrs. J. E. Farris, Mr. and Mrs. J. J. Farris and Mr. and Mrs. Don Farris, Odessa; Mr. and Mrs. Olan Farris, Dodson; Mr. and Mrs. E. O. Tudor and Paul of Fort Worth; Sherrye and Barry Farris, Mrs. Maggie Webb, and Mr. and Mrs. C. C. Farris of Denver, Colo.

Mrs. Lennon Heads Club

Members of the Dodson Civic Club, meeting Wednesday evening, Jan. 11, to elect officers, named Mrs. T. E. Lennon president for the forthcoming year.

Other officers elected were Mrs. Floyd Roberts Jr., vice president; Mrs. J. C. Howell, secretary; Mrs. B. B. Martin, treasurer; and Mrs. Muriel Whitfield, reporter.

Hostesses were Mrs. Peyton Smith and Mrs. J. C. Howell. A turkey dinner was served to Mmes. H. A. Painter, Roberts, Martin, Jess Bogle, Whitfield, Mary Minatrea, Lennon, B. T. Webb, and Mmes. Smith and Howell.

Dodson HD Club Studies Colors

The Dodson Home Demonstration Club met Tuesday, Jan. 10 in the home of Mrs. Billy Brewster for a study "Do Colors You Wear 'Do Something' for You?"

The group studied colors most becoming from the standpoint of skin, hair, eyes and personality, also the correct necklines for various types of figures. Mrs. T. J. Bowling led the discussion.

Mrs. Marvin Wynn, president, presented yearbooks and appointed committees for the new year.

Mrs. Della Bogle received the hostess prize. Attending were Mmes. Wynn, Iris Wadley, Fred Powers, J. A. Reynolds, Georgia Cooper, Bogle, Carl Crosnoe, Bowling, and the hostess, Mrs. Brewster.

The next meeting will be in the home of Mrs. Regie Lewis.

Dodson Game Tourney Set

The Dodson Civic Club will sponsor a game tournament on Thursday, Jan. 26 with proceeds going for school playground equipment.

Pie and coffee will be served at a small fee.

Mr. and Mrs. Grady Weaver and Sammy of Abilene visited during the week end in the home of Mr. and Mrs. Otto Russell and Leo.

Three Homemakers of Tomorrow Candidates Chosen for County

The 1961 Betty Crocker Homemakers of Tomorrow from the three departments have been announced by their respective schools.

Paula Anne Guyton is representing Samnorwood; Cordelia Harris, Quail; and Linda Wade, Wellington.

Each of these girls received the highest score in written examinations on homemaking knowledge and attitudes taken by graduating seniors of her school, and she thereby becomes a candidate for the state Homemaker of Tomorrow award to be announced in March.

Each school Homemaker of Tomorrow will receive an award pin representing the slogan, "Home Is Where the Heart Is." The examination papers of school Homemakers of Tomorrow will be entered in competition to name the state's Homemaker of Tomorrow.

The \$110,000 homemaking education program sponsored by General Mills offers a \$1,500 scholarship to the first ranking girl in each state and \$500 scholarships to the states' second ranking participants.

State Homemakers of Tomorrow and their faculty advisers receive an expense-paid educational tour to New York

City, Colonial Williamsburg, Va., and Washington, D.C., on April 8-13, the trip culminating in the announcement of the All-American Homemaker of Tomorrow, whose scholarship is increased to \$5,000. Second, third and fourth ranking Homemakers of Tomorrow in the nation will have their scholarships raised to \$4,000, \$3,000, and \$2,000 respectively.

The testing and judging is conducted by Science Research Associates of Chicago. With a record 402,786 girls in 12,633 of the nation's schools participating this year, the Betty Crocker Search has enrolled more than two million girls in its seven-year history.

Have Cars Inspected for Safety Now

The director of the Texas Department of Public Safety today urged motorists to secure their 1961 vehicle inspection stickers "before the time gets short and the lines get long."

Col. Homer Garrison, Jr. said approximately half of the inspection period has expired and only about one-third of the vehicles in the state have been inspected. Unless the number of inspections is increased appreciably soon, he added, long waiting lines will be forming at inspection stations when the April 15 deadline approaches.

After that date, vehicles not displaying the new inspection sticker will be operating in violation of the law, Garrison said.

"The 4,800 authorized inspection stations over the state are ready and capable of handling the inspection of Texas registered vehicles without delay if owners will not wait until just a few days before the deadline," he said.

Garrison called attention to the fact that since the beginning of the inspection program, vehicles having a defect that was a causative factor in fatal accidents decreased from 13% to 5%.

"The purpose of the motor vehicle inspection program is to discover any maladjustment which might become a link in a cycle of events leading to an accident and, by removing the link, prevent the accident," he said.

Junior Teams to Clarendon

The Firecrackers A and B teams and the Crackerettes will meet the Clarendon junior high teams in a triple-header here Thursday, Jan. 19, at 6:00 p.m. Coach Harvey Millsap has announced.

The Clarendon girls are undefeated so far, but both boys teams won only a game or two, Millsap said.

Faith Baptist Ordains Three

An ordination service was held at Faith Baptist Church Sunday, Jan. 15 at 7:30 p.m. for three new deacons, Lonnie Needham, Earl Parker and Loyd Parker. The men had completed the six-months trial period.

The moderator was W. F. Vanderburg, associate in development of Wayland College, Plainview.

The candidates were presented by the Rev. Clay Coursey to the ordaining council consisting of the Rev. R. L. Porter Sr., the Rev. S. T. Breenwood of Alamogordo, the Rev. O. C. Curtis of Amarillo, O. R. Spear, R. E. Blythe, J. L. Parker, John Ingram, Sam Turner and W. L. Needham.

The Rev. Mr. Greenwood gave the ordination prayer and the Rev. Mr. Curtis, District 10 Baptist Missions Secretary, preached the ordination sermon. The benediction was by the Rev. Mr. Porter.

Mr. and Mrs. Stansell Clement of Lamesa spent the week end here with his mother, Mrs. E. C. Clement and sisters Miss Inez and Miss Mabel Clement.

Junior High Teams Have Winning Streak

Wellington junior high teams took on a winning streak last week, with the Firecrackers defeating Lakeview 48 to 18 and Shamrock 19 to 9, while the Crackerettes won over the Lakeview girls 34 to 15 and the junior Lassies 25 to 21.

Little competition was offered by the Lakeview teams, Coach Millsap reported. The Crackerettes were in top hitting form and the guards did effective work not only in keeping their opponents from scoring, but in bringing the ball back so their forwards could score.

The Crackerettes led 8 to 2 at the end of the first quarter; 12 to 4 at the half; and 24 to 13 at the third quarter. Jan Glenn with 16 points was high scorer.

First string players were Betty Courtney, Karen Childress and Vickie Allen, guards; Jan Glenn, Beverly Singley and Lavell Harper, forwards. Substitutes were Joyce Holton, Glenna Taylor and Mary Martin, forwards; and Wynona Jones, Karen Richardson and Anna Kay Kelso, guards.

Seventh grade girls met a team of sixth through eighth graders from Lakeview in an 8-minute quarter and won 8-0. Playing were Jeannie Antoon, Janis Tarver, Marsha Elbert, forwards; Virginia Patterson, Donell McKinney and Carol Simons, guards.

The Firecrackers ran up 14 points of their 48 in the first quarter, while Lakeview boys scored only 3. The score was 20 to 11 at the half, and 40 to 15 at the third. Coach Millsap ran in his second string, then a group of seventh graders. Ronnie Hurst with 14 points was high man. Starters were Hurst, Phillip Hughes, Ike Bruton, Bobby Hudson and Chester McLain. Substitutes were Roger Weems, Dan Warrick, William E. Estes, Bill Spillman, Wayne Barton, Mike Wolf, Stanley Bratten, Jackie Needham, Johnny Maxwell, Larry Henard, Danny White and Lanny Ford.

Defeating the Shamrock girls 25 to 21, the Crackerettes did a good job of stalling in the final quarter to hold a narrow lead. Scores by quarters were 7 to 4 at the first for Wellington; 13 to 12 at the half and 23 to 19 at the third. Jan Glenn was high scorer for Wellington with 15 points and Burkhalter each scored 7 for Shamrock.

The Firecrackers scored more than half of their total points, 10 of the total 19, during the first quarter, while Shamrock made only 1 point. The score at the half was 16 to 2, then in the third Wellington scored only 2 points and Shamrock 3. The second string played most of the latter part of the game. Hudson was high scorer with 8 points.

Connors Return Here to Live

Mr. and Mrs. J. J. Conner returned to Wellington Monday, Jan. 16, to make their home.

They lived at Hereford almost 7 years, but prior to that they were Wellington residents.

Mr. and Mrs. B. F. Chance Jr. and Kay went to Shamrock last week end to visit his parents, Mr. and Mrs. B. F. Chance Sr. who had both been ill. Mrs. Chance and Kay stayed with them all this week and her husband returned for them this week end.

Quail Downs Mobeetie

Eagles Topple Quails in Friday Thriller

Quail Quails, in two games played last week, defeated Mobeetie 43 to 40, then bowed to Samnorwood 68 to 60 Friday in one of the thriller games of the season.

Friendly rivals for a quarter of a century, the Quail-Norwood game always sparks some of the most sparkling play seen in the county. This game was on the Quail court and was a district contest.

Quail led in scoring 15 to 12 at the end of the first quarter. "Then the second quarter got us," Quail Coach Richard Gilbreth reported. The Eagles outscored the Quails 24 to 11 in the period, with every man of the Norwood quintet stacking up points as a matter of course.

The Quails scored 14 points in the third period, but the Eagles got 2 more, 16. Quail led in the last quarter scoring, 20 to 17, but were unable to overcome the Eagles' one big quarter.

The Don Ward-coached Eagles score in a pattern—with every man on the court something of a hoop artist. In the game with Quail, Murry was high point man with 18, but Bentley got 15, Lowry 13 and Sherwood and Marchant got 11 each.

Game high scorer was Ernest Maxwell of Quail with 26, while Boyce got 19, White 10 and Wilson 5. Saunders, less experienced than some of

the others, and a good defense player, failed to score.

Quail-Mobeetie

The 43-40 victory over Mobeetie told the story of the fairly close game played on Mobeetie's short court Tuesday, Jan. 10. Bobby Boyce, high scorer with 18 points, fouled out in the last quarter and Mobeetie tightened up its play to hold the Quails down. Lancaster was high for that team with 14 points.

Quail had defeated Mobeetie twice formerly, then the latter came back to beat the strong Wheeler team in tournament play just before the game with Quail.

Mr. and Mrs. Billy Joe Hite, Tim and Billy Jr. of Tucumcari, N. M., were here over the week end visiting with his parents, Mr. and Mrs. Bruce Hite. Visiting last week end in the Hite home was another son, Mr. and Mrs. Walter Bruce Hite and Sandy of Amarillo, and Mrs. Hite's mother Mrs. W. W. Perrin of Shamrock.

WHS Wins Over Shamrock but Loses to Cats

Wellington Skyrockets opened district play with a one-point loss to the tough Childress Bobcats Tuesday, Jan. 10, then came back to defeat the Shamrock Irish by a substantial 69 to 55.

The Rockettes also won their game over the Shamrock Lassies, 55 to 48. This was their initial conference game, as Childress does not have a girls team.

The Rockettes didn't get a single break in the latter part of their game in Childress gym as they outthrust a Bobcat quintet that towered well above them. One Cat towered up to 6'7"; another reached 6'5", and two measured 6'3". Shortest man on the team stood 5'11".

Coach E. W. Clement's tall man was 6'11" Jerry Rainey. Robert Weir, Butch White and Glenn Lacy are 5'10" and Jackie Daves is 5'6".

Childress jumped to an early lead 16 to 10 in the first quarter, but the Rockettes came back in the second and almost tied them, 32 to 29 at half time. Wellington outscored Childress in the third quarter and several times in the fourth the score was even.

Fans on both sides were noisily enthusiastic, and drowned out the buzzer that ended the game. The Rockettes made three tosses toward the goal before they realized play should have ended.

Glenn Lacy, playing his last year with the Rockettes, was high scorer with 21 points, and McCain was high for Childress with 19.

Rockettes-Irish

The Rockettes led the Irish throughout most of the game, with the score at 17 to 12 in their favor at the first quarter. Each team scored 20 in the second, then by the end of the third, Wellington led 53 to 46.

The Rockettes-Irish game was evenly played until the fourth quarter, with the Rockettes leading 13 to 11 at the first period and 23 to 25 at the half. Wellington squeaked by 41 to 40 at the third period, then dropped behind in the fourth, but rallied to widen the margin to 55 to 48.

Card Of Thanks

We wish to express our sincere appreciation and heartfelt thanks to all who expressed their love and sympathy in so many comforting ways during our recent sorrow. For the flowers, food, cards, and the many other acts of kindness, we are indeed grateful. Your thoughtfulness will always be remembered. May God bless each of you.

The family of Mrs. Jewel Hightower.

CJC Night Courses Listed

Dean Abel of Clarendon Junior College announces that in addition to the courses in history, government, accounting, Bible and biology, new courses in shorthand, typewriting, business law, oil painting and mathematics of finance will be offered during the second semester of the adult education program in night school.

The mathematics of finance will be offered on Thursday nights of each week for the Spring semester for three hours of credit, and should appeal to business people throughout the area, covering such topics as interest, taxes, annuities, amortizations, stocks, bonds, insurance and various types of discount, such as bank discount, straight discount, and general discounts.

The oil painting course will be under the direction of Miss Ruth Richerson; it will meet for three hours one night each week during the second semester, and an application has been forwarded to the education agency to approve college accreditation for this course.

The Rev. W. R. Lawrence will direct the Bible instruction for the next semester and any individual who has not taken the Rev. Mr. Lawrence's survey of the Old Testament course should not put it off any longer. The initial enrollment is Jan. 30. Feb. 6 will be the alternate enrollment date with Feb. 13 deadline for second semester night school enrollment.

All of the night school courses with the exception of the oil painting are presently approved for college credit, however many of the adult night adult students are pursuing courses for cultural personal improvement and promotional purposes.

Adults are not required to have a high school diploma before enrolling in this adult education program.

Senior College Status Denied Del Mar

Austin—The Commission on Higher Education does not favor making Del Mar College in Corpus Christi a senior college.

The Commission has agreed to study requests for senior college status and state support for Pan American College at Edinburg and San Angelo College.

On Del Mar, the Commission will make its negative recommendation to the Legislature, which will have the final say. In the past, the Legislature has approved more such requests than the Commission.

Boys Win Over Lelia Lake

The Quail junior high Quails won over Lelia Lake junior boys 24 to 16 in a game there recently.

The Quail junior boys have not lost a game this season, but their coach, Richard Gilbreth, reported that they were almost slipped up on, scoring only 5 points in the last half.

Dale Morris, with 13 points, was high scorer for Quail, and Chesser was high for Lelia Lake with 9.

The next game the boys play will be in the Wellington tournament the last week in January.

The Quail girls, also playing Lelia Lake, lost 27 to 15. Mr. and Mrs. C. O. Wilkerson, Patsy and Billy visited in Amarillo over the week end with their daughter and son-in-law, Mr. and Mrs. Euris Phipps.

Mr. and Mrs. Jerry Phipps of Sudan visited with his brothers and sister, Mr. and Mrs. Dudley Phipps, Jack Phipps and Mr. and Mrs. Buford Chandler, Wednesday, Jan. 11.

7 Injured in December Rural Accidents Here

The chimes at midnight Dec. 31, 1960 dealt the death blow to "Old Father Time." But the echoes and visions of his destruction, grinding metal bodies, crashing glass, broken limbs and smashed lives still haunt us. His record in Collingsworth county has been an impressive one.

In December the Texas Highway Patrol investigated four rural traffic accidents in this county. These wrecks accounted for seven injured and property damage of \$1,850.

For the entire year of 1960 there were 19 accidents, accounting for two persons killed, 28 injured and a property

damage of \$12,062.

In comparison with the year 1959, there were 15 accidents with no deaths but 13 injured and a property damage of \$9,605.

"The Texas Department of Public Safety closed its Operation Deathwatch period of 10 days at midnight Jan. 1, 1961 with 83 traffic deaths as compared to 97 during the holidays the year before. With late deaths of those critically injured, the figure is expected to come close to the predicted 90 motorcides," stated Highway Patrol Sergeant D. R. Dowdy.

Mrs. Sandy Parsons Jr. and Mrs. Paul Brewer were in Weatherford, Okla., during the week end to visit their children. Mrs. Parsons was the guest of Mr. and Mrs. Lyndon Crelia and Mr. and Mrs. Bill Lockhart and Tammy, while Mrs. Brewer visited Mr. and Mrs. Athen Lowrie.

Fires Destroy 125 Acres of Grass in Week

Fire destroyed approximately 100 acres on the Temple Slay farm on the county line south of town, and A. R. Pepper lost approximately 25 acres, the Wellington Fire Department reported last week.

Fire broke out on the Slay farm first on Sunday, Jan. 8, while Mr. and Mrs. Slay were out of town, and again on Monday, they reported. These blazes were extinguished without help.

Firemen were called to the Pepper farm east of Wellington at 6:15 p.m. Tuesday, Jan. 10 and at 6:45 they were called the Slay farm, where the fire had broken out again and was out of control. Approximately an hour was required to put out this fire which was burning briskly in spite of the fact that ground which fire fighting equipment had to cross to get to it was wet enough that the truck stuck.

Vacancies in Department of Public Safety

The director of the Texas Department of Public Safety announced today 72 vacancies are available for qualified young men in the department's uniformed services.

Col. Homer Garrison Jr. said field service examinations will be given applicants at various locations over the state Feb. 14, 15 and 16. He said application forms and full information can be obtained at any Texas Department of Safety field office, or by writing to department headquarters, P.O. Box 4087, Austin.

"This is an excellent opportunity for men between the ages of 21 and 35 to begin a career of service to the people of Texas with many personal benefits including job security, retirement system, annual vacations, sick leave and advancement opportunities," Garrison said.

"Successful applicants will undergo strenuous but rewarding 16-weeks training period with pay at the department's Law Enforcement Academy in Austin which will put them in top physical and mental condition for the job ahead."

"Upon completion of training, they will become commissioned officers and will be issued uniforms and other equipment. They will then be assigned to the field under the supervision of veteran officers."

Garrison said qualifications call for a high school education or the equivalent; height not under five feet, eight inches, nor over six feet four inches; and weight not less than two pounds per inch of height nor more than three pounds per inch of height.

He urged prospective applicants to get their applications in early, noting that the deadline for receipt of completed forms is Feb. 10, 1961.

Field service examinations will be held as follows:

Feb. 14: Tyler, Beaumont, Harlingen, Midland, El Paso, Lubbock and Austin.

Feb. 15: Dallas, Lufkin, Corpus Christi, Abilene, Amarillo, and Waco.

Feb. 16: Fort Worth, Houston, San Antonio, San Angelo and Wichita Falls.

Mr. and Mrs. Billy Cornett of Groom returned her mother Mrs. J. E. Elliott home after the latter had visited them for a week. They were also guests of her brother and sister-in-law, Mr. and Mrs. A. L. Elliott.

Turman New Texas House Speaker

Austin.—Farmers and teachers have one of their own in one of the most important state offices.

Rep. James Turman of Gober was elected Speaker of the House by a vote of 83 to 66. Rep. Wade Spilman of McAllen, whose support was largely from conservative House members, was the losing candidate.

Turman and his family operate a 103-acre farm in Fannin county. He is a former grade school teacher and worked his way to a doctor of philosophy degree in education. For a time he was assistant to the president of Texas Women's University at Denton.

As Speaker, Turman's first big job is appointing House committees, due to go into action about Jan. 23. By his selections, he can influence to a considerable degree how certain legislation will be handled.

Mr. and Mrs. Z. J. Neeley Jr. and son of Amarillo were guests over the week end in the home of his parents, Mr. and Mrs. Z. J. Neeley Sr. at Quail.

Legislature Has Money Problems

Austin.—Texas 57th Legislature began on a note that is likely to continue for some time—difficulty over money.

Many House members felt their colleagues had made an awkward start in an awkward situation when they voted themselves salary raises as the first item of business. House voted 97 to 45 to put into effect the \$4,800 a year legislative salaries made possible when the people approved a constitutional amendment last

THE WELLINGTON (TEXAS) LEADER Thursday, January 19, 1961

November.

Objectors were quick to point out that (1) the state general revenue fund was at that moment \$85,249,951 in the red and (2) many lawmakers campaigned on an "economy in government" platform.

Rep. Raymond Bartram of New Braunfels said he felt the people would rather legislators take care of teacher salary raises and medical assistance for the aged before spending extra money on themselves.

HB-1, the legislative salary and expense bill, would divert some \$2,600,000 from the cigarette tax and drivers license funds. Money had to be found since the general revenue fund, as fast as it comes in, has to be used to pay the state's 'hot' checks.

Down the road are even more fireworks as the legislature searches for \$200,000,000-plus to take care of the wants of other state agencies and services.

Norwood Chalks Up Series of Victories

Samnorwood's boys and girls basketball teams emerged victorious after three games this past week and Monday night.

Samnorwood beat Dodson in a conference game 66-59. Norwood trailed at the first quarter 19-12 but had moved into the lead 34-29 at the half. Norwood maintained the lead of 52-46 at the third quarter mark and coasted in with the final 7-point margin.

High point honors went to Joe Lennon of Dodson with 23 points. However, four of Norwood's five starters scored in double figures. Dean Marchant was high with 18, followed by Bill Bentley's 16, Joe Lowry's 13 and Randall Murry's 12.

Norwood girls coasted past Dodson 67-18 with Barbara Stemberge and Joyce Alexander hitting 16 points each. Lemons was high for Dodson with 10.

Friday night Norwood traveled to Quail where both teams enjoyed good shooting nights but Norwood came out on top by winning the boys game 68 to 60 and the girls game 85 to 57.

Norwood started slowly and trailed 15-12 at the first quarter mark but spurred to a 36 to 26 lead at the half. The game was a typical Norwood-Quail game, hard fought every step of the way. Maxwell of Quail took scoring honors with 26 points, followed by Bobby Boyce with 19. All five Norwood starters scored in double figures, with Randall Murry leading the way with 20 points. Joe Lowry and Bill Bentley contributed 13 each, followed by Dean Marchant and Gene Sherwood with 11 each.

The girls game was a real shooting match. Norwood jumped into a quick lead but could never outdistance the Quail girls until the last part of the third quarter. Norwood led 22-16 at the first quarter mark and 44-33 at half time. Norwood upped the score to 65-45 at the three quarter mark, with reserves playing most of the last quarter. Carleen Myers turned in her top performance of the season as she hit 34 points, 16 of them coming on 16 straight free throws. Barbara Stemberge hit 22 and Darlene Rainey 21. Rita Patterson and Amelia Morgan led Quail with 23 and 21 points. Norwood traveled to Mangum, Okla., Monday night and beat Mangum in a double header—winning the boys game 61-53 and the girls game 39-31. This was only Mangum's second loss of the year for both its club.

Outside of the first few minutes, Norwood boys led all the way. They led 11-10 at the end of the first quarter,

26-22 at the half and 42-37 at the third quarter. Joel Lowry led Norwood with 20 points, followed by Randall Murry with 16 and Bill Bentley with 15. Benny Crawford was high for Mangum with 20, followed by Bobby Duggins 14.

Norwood girls pulled away in the last quarter to win a hard-fought contest 39-31. Barbara Stemberge was high for both teams with 21 points. Sue McCoy and Kay Wright led Mangum scoring with 12 points each.

Norwood's next home game is Friday night when they host Granite, Okla. Granite boys beat Norwood earlier in the year 49-47. Norwood boys have a 19-6 won-loss record, while the girls have won 23 and lost 3.

Ben Donnell's Visit Here

Visiting with Mr. and Mrs. Clyde Drake for a week were their daughter and son-in-law, Mr. and Mrs. Ben Donnell, who were en route from Petersburg, Va., to Austin.

Donnell recently received his discharge after serving six months in the Army and at the beginning of the second semester he will re-enter the University of Texas law school of his last term's work.

Prior to that, he worked six months in the office of Senator Lyndon Johnson.

Mr. and Mrs. Donnell also visited in Amarillo during the time they were here. Mrs. Donnell is the former Elinor Drake.

PTA Attracts Record Crowd

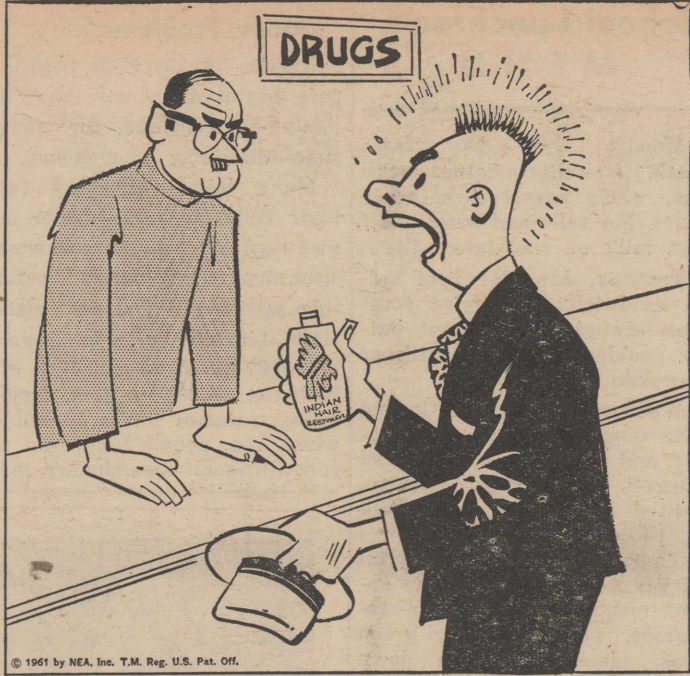

One of the largest groups to attend the Elementary school Parent-Teacher Association was present Monday evening, Jan. 16 to see the film "Tenderfoot in Europe," and hear Mrs. Billy Mac Sims discuss "Why Every Child Needs Music in the School."

Mrs. Sims, a member of the Wellington Federated Music Club, is president of the District Federation of Music Clubs, covering the Panhandle and South Plains.

The Rev. Virrell Leeper gave the invocation and thought for the day. Piano numbers were presented by Mrs. Sam Thompson and Mrs. Tubal Cain sang the official PTA song. Mrs. J. B. King, president, directed the meeting.

Miss Carol Puryear of Denver has been visiting here with her grandparents, Mr. and Mrs. John Puryear.

Wellington EX-STUDENTS NEWS

11th Annual Reunion, Oct. 27 and 28

In our December meeting your board of directors re-elected Lola Lee Longino Rorark, Ineva Cudd Bowen and Bessie Rainer for another 3-year term. To serve with them new board members elected were Dora Fern Duffey Warwick, C. A. Crawford and Horace Small for 3-year terms and Louise Cox Maberry to fill the unexpired term of Patsy Bawcom Dodge who resigned. She will have one year to serve.

All officers were re-elected for another year: Donald Curry, president; Ineva Bowen, vice president, and Bessie Rainer, secretary-treasurer.

It was decided to have our 1961 reunion on Oct. 27 and 28. This decision did not come on the spur of the moment. We have been working on the idea since early last spring.

We realized that some of the year made all or most of the summer meetings might not get to come. Still there are probably some who could not get here in August who could be here in the fall. Some said we needed a football game to make a reunion real good, that it was too hot in August and that we needed to try something different.

We talked to everyone who showed enough interest to discuss it and finally decided that the 1961 reunion would be Oct. 27 and 28 and the 1962 meeting back to the August dates. If both are equally successful we will then alternate between the two dates.

The highlight of this year's meeting will be the annual football game between our Skyrockets and the Shamrock Irishmen here on Powell Field at 2:30 Saturday, Oct. 28. We have several other ideas brewing including a pep rally and bonfire, parade queen contest, dinner and dance. We will let you know as we complete the plans through our letters and the Ex-Students News in The Wellington Leader.

CJC Enrollment Set for Jan. 23

Dean Abel announces Jan. 23 as enrollment date for the second semester at Clarendon Junior College. There has been quite a number of applications from students transferring from other schools to CJC for the second semester because of their being able to stay at home and obtain transportation to and from the college for only \$5.50 per month. This saving for dormitory accommodations and meals away from home will amount to a sizeable sum.

Clarendon Junior College will be offering 50 or more classes during the second semester and it will be possible to get a good required schedule, Dean Abel says.

New Legislation Proposed

Austin. — Texas legislative Council, an influential joint House-Senate study group, will offer a mass of proposals for new legislation at this session of the 57th Legislature.

Among the recommendations: 1. Some streamlining, but not a wholesale re-writing of the state's constitution. This will be a disappointment to groups working for steps toward a new constitutional convention.

2. Limitations on the annexing powers of cities and towns. 3. Increased facilities for juvenile guidance and care, including a home for dependent Negro children, facilities for mentally ill juveniles and regional training centers for delinquent youths.

4. Higher minimum coverage requirements for automobile insurance. Present minimum is \$5,000. A raise to \$10,000 or \$20,000 is suggested.

Another study group, a special Senate committee, recommends removal of some of the restrictions on investment of the permanent school fund. It suggests investments in corporate securities and real estate mortgages, guaranteed by the federal government.

\$2,076,102 for New State Building

Austin.—Contracts have been awarded for construction of a second new State Office building just north of the Capitol.

It will be a four-story granite building with 147,205 square feet. Cost is to be \$2,076,102. It will be known as State Office Building No. 2 and will house the Game and Fish Commission, State Board of Plumbing Examiners and some other agencies now scattered over Austin.

This is one of six buildings in the current program to create a unified government center, clustered around the state capitol. Already in use are State Office Building No. 1, the State Courts building, and the Texas Employment Commission building. Archives Building is to be finished soon and a new Insurance Building is due to start this year.
