PERRYTON, OCHILTREE COUNTY, TEXAS, THURSDAY, APRIL 17, 1952

Three Sections—18 Pages

NUMBER 16

(Herald Staff Photo Engraving)  
GASSER—This is the J. M. Huber Corp. No. 1 Pazourek well south of Farnsworth which came in Saturday with 3 to 5 ft of gas and an oil show to boost oil interest in this section. Further tests are being made on the well.

## Oil Well Near Farnsworth Good Showing of Gas, Oil

The block on which the Pazourek well is located consists of about 15 sections of land, assembled by Paul Haywood, R. C. Allen and Dewey R. Allen. They sold the lease to the J. M. Huber Corporation, retaining participating interests.

The Saturday test, gas volume of about 174 feet of gas was recovered from the well. The test reportedly had gas surface in 20 seconds and 10 minutes volume had built up to 10 feet of distillate.

The well was drilled to 8,068 feet and the Atoka formation was hit at 8,024. The test was run from 8,025 to 8,040 feet. The test reportedly had gas surface in 20 seconds and 10 minutes volume had built up to 10 feet of distillate.

The casing has been set in Wednesday. More work is scheduled later this week.

## Ferguson Named New President Of Golf Club

Frank Ferguson was elected president of the Perryton Country Club at the annual golf banquet held in the Harvester Room Wednesday night. He succeeds Bill Gray.

John Bolin was reelected secretary-treasurer and L. T. Tucker and L. R. Conner were added to the board of directors. Hold-over directors are Bob Leatherman, Keith Lane and Bill Gray.

More than 50 members attended the banquet, where they enjoyed nearly two hours of golfing motion pictures, brought by Joe Houck, golf professional at the Huber Club in Borger.

Plans are being made for a club tournament, and the details will be announced next week, Ferguson said.

## Seven Students Leave Friday for Regional Meet

Seven students will leave Friday for Lubbock to enter the regional interscholastic League literary contests. All seven are first place winners in the district contest held at Canyon two weeks ago.

Lyndol Riley will enter the girls declamation contest. She is a junior and was one of the regional winners in the "I Speak for Democracy" contest sponsored by the Jaycees this year.

Marvin Flowers and Ronnie Waide will enter boys' debate. Both are freshmen and in addition to winning first in the district meet, won several debates in the Rocky Mountain contests at Denver.

Pat Wood and Pat Stephens will represent Perryton in the girls debate. Both are members of the club.

## Suicide Verdict In Death of Hotel Clerk

Waldo T. Roush, night clerk of the Perryton Hotel, was found dead in his room at the hotel Friday night, and a verdict of suicide was rendered by justice of the peace Dewey Allen after an inquest held soon after discovery of the body.

Roush, who had worked at the hotel since last September, was found sprawled on his bed, holding a .32 cal. pistol. One cartridge was exploded, and it was apparent that he had held the pistol to the roof of his mouth, then discharged the gun.

The bullet did not emerge from Roush's head, but the examining physician said death was instant. From the condition of the body, the time of death was fixed at approximately 7:30 a. m. on Friday. The body was not discovered until about 8:45 o'clock Friday evening.

Roush went off duty at 7 a. m. Friday and was to report back at 9 o'clock that night. When he did not appear by 8:45 p. m. Mrs. Clarice Parker, the day clerk, became worried about him and sent Jerral Alred, another hotel employee, to Roush's room.

## 'My Garden' May Be Bought at Herald

"My Garden," the new book of poems published by Gladys Close Buchner of Follett, is on sale at the Herald office. Mrs. Buchner has a supply of the books and extra copies may be obtained from her or from the publishers, the Naylor Co. at San Antonio. Mrs. Buchner has 100 poems in "My Garden" and they are poems of home, of mother and all those things that contribute toward making lives worthwhile. She has spent most of her life in the Texas Panhandle and writes movingly of every day life in this area. The book is available for inspection at the Herald office and may be purchased for \$3.

## Spring Football In Full Swing; Little Scrimmage

Spring football for the Perryton Rangers is in full swing, with work thus far limited to the fundamentals of blocking and tackling. Some work on ball handling is being done on the backs, but it will be several more days before any scrimmage is done, according to coach Jim Peterson.

Several players being counted upon for duty this fall have not been able to take part in practice sessions, which will work a handicap on the team, Peterson said. Doc Carter, regular guard, is still out after being hit on the head with an iron shot ball last week. J. B. Langwell, handicapped with an injured knee, has been doing light work, but has not donned his pads and won't take part in heavy work this spring, Peterson said.

Laurel Lovett, regular center who is being moved to end, has been hampered by an injured back.

See No. 7, Page 6

## April Term Of District Court To Open Monday

The April term of district court will open at the courthouse on Monday morning, April 21, with the grand jury panel summoned to appear on Tuesday morning at 10 a. m.

Judge Jack Allen of the 84th Judicial District said Wednesday that there are approximately 50 cases to appear on the district court docket for this term and that Monday would be spent setting up the docket.

Bob Galloway of Borger, district attorney, will represent the state in any criminal matters that may come to the attention of the court this term.

Grand jurors summoned for Tuesday are Gene Akers, J. D. Andrews, Jack Atchison, George Barnett, Alton Bell, John Bolin, H. L. Brummett, Philo Butler, Oliver Carter, Ray Chase, Audie Conley, Walter Daniel, Delbert Davis, Horace Glasgow, H. P. Richardson and A. P. Spicer.

## Cancer Crusade Totals \$489.16

The total amount contributed to the county Cancer Crusade is now \$489.16, reports Mrs. Anne Saitor, president of the Business and Professional Women's Club, sponsors of the campaign.

Of this amount, \$434.16 was contributed during the "come-as-you-are" coffee held last Friday in several local homes, Mrs. Saitor said.

The quota for the county is \$764.

(Herald Staff Photo Engraving)  
UNUSUAL CHICKEN—This is a white crested Black Polish chicken which Mrs. Ralph Thompson, 2 N. Eton, is holding, and an unusual bird it is. The chickens are grown principally for show, but make good layers, Mrs. Thompson says. The chicken yard where this unusual bird resides is visited each day by people who stop to view the large white crest on its head to see if the crest is artificial or natural.

# Freezing Weather Last Week Blamed For Severe Damage to Wheat Fields

(Herald Staff Photo Engraving)  
A SAD STORY—Is what they say about the wheat fields in this area, following the freeze, dust storm and high winds of last week. Shown above examining some of the wheat which looked good a week ago and looks dead now are, left to right, county agent Delbert Timmons, county PMA secretary Elliott Lee, Fred Reece, USDA specialist; and Fred Dines, Extension Service wheat specialist.

## Rain During Next 10 Days To Tell Story

Whether it was the freezing weather, electricity in the air, or high winds, the wheat fields of the Perryton area received severe damage from the weather last Wednesday and the outlook for a 1952 harvest is considerably less than it was a week ago.

Fields that were green and growing last week now are yellow and dried out. The change in appearance, dating from the 18 degree weather and high wind of April 9, has become quite apparent in the past few days and wheat farmers of the area are gloomy.

In fact, several farmers having government crop insurance have applied at the local PMA office for release of their wheat in order that they may plow it up. Many farmers who had good looking wheat are ready to plow it up and plant the ground to grain sorghums.

Two government experts visited local fields Tuesday and declared that the wheat is not in as bad shape as it looks. If plenty of moisture is received within the next ten days, the wheat will come out and produce. If it stays dry, the wheat must be given up as dead, said Frederick T. Dines, wheat specialist of the Extension Service, who with Fred Reece, USDA farm expert, went with county agent Delbert Timmons to a number of fields.

See No. 1, Page 6

## Directors Announce Tentative Program Of North Plains Fair

The tentative program for the three day North Plains Fair has been outlined by the executive board of the fair association. The fair will be held on August 28-29-30.

The opening day of the fair will be designated official 4-H Club and FFA day. The second day is official Public Schools Day and the closing day is official Boy Scout and Girl Scout day.

Thursday, the opening day, will see the judging of sheep, canned foods, clothing and textiles, club calves, rabbits, poultry, flowers, field crops, horticulture, baked foods, fine arts, hobbies, antiques, dairy cattle. There will be a 4-H and FFA livestock judging contest and on the entertainment program are tentatively scheduled midget auto races, baseball games and a night horse show at the rodeo arena.

On the second day, there will be judging of swine and beef cattle, and all exhibits will be on display. Midget auto races, a baseball game, rodeo and the Wheathearts Revue, scheduled in the school auditorium, will be held that night.

On Saturday, closing day of the fair, there will be a parade, kid races and contests, baseball games, rodeo, Old Timers Reunion and a dance that night in the Veterans Memorial Building, headquarters for the fair exhibits.

A fair catalog will be printed in the near future. All classes and divisions of exhibits will be outlined in the catalog, together with the complete fair program.

## Jaycee Spring Carnival Set For May 23-24

Date for the Spring Carnival, sponsored by the Jaycees, has been set for Friday and Saturday May 23-24, Sidney Jines, carnival chairman, has announced. The carnival will be held at the Veterans Memorial Building, and organizations of the city and county will have entertainment booths.

Letters have been sent out to these organizations, asking them to reserve their booth space. The booths will contain penny pitching, baseball throwing, shooting gallery, bottle spinning, and many other games of skill and entertainment.

See No. 4, Page 6

## Legion and VFW Vote to Finish Vet Building

The American Legion and Veterans of Foreign Wars members have voted to start a drive to complete the Veterans Memorial Building, with an immediate goal of \$3,750 to put in the center partition at the building.

It is planned to put in the partition first, then complete the two meeting rooms and finish the kitchen.

Other interior finishing work will be done from time to time as money becomes available.

Each Legion and VFW member has been asked to contribute \$10 for the project.

Decision to resume work on the building was made at recent meetings of the two organizations upon recommendation of the building committee, composed of representatives from each post.

## Amarillo Officer Is B&PW Speaker At Annual Fete

Captain Porter L. Oakes, public information officer of the Amarillo Air Force Base, will be the guest speaker tonight at the annual banquet of the Perryton Business and Professional Women's Club. Title of his address is "Full Partnership Ahead."

The banquet will be held at the Hotel Coffee Shop and presidents of local civic clubs have been invited. Tickets are on sale and may be purchased from any B & PW Club member.

Mrs. D. C. Wilson is program chairman for the banquet. Mrs. Anne Saitor is president of the club.

Save time and money on Vet supplies from Burks.

## Cloud Seeding Picture Will Be Shown Tuesday

A free showing of the new all-color film, "The Story of Cloud Seeding," will be presented in the Ochiltree County courtroom starting at 8 p. m. Tuesday night, April 22. In addition, technical personnel from the Water Resources Development Corporation of Denver, Colo., will be on hand to answer all questions about the film and any other questions regarding the artificial nucleation of clouds.

The meeting is being arranged by L. R. Conner, Ochiltree County wheat grower, and he urges every farmer and landowner in the area to come and learn the effects of seeding on rainfall amounts and character.

The seeding process was discovered and patented by scientists in the General Electric laboratories in Schenectady, New York during the war years. Since then many laboratories have set up to do cloud seeding on a commercial basis and are now in their third year.

The commercial operators claim that cloud seeding increases the rainfall amounts by 15 to 20 percent.

See No. 5, Page 6

## Dr. E. S. James of Vernon to Hold Baptist Spring Revival

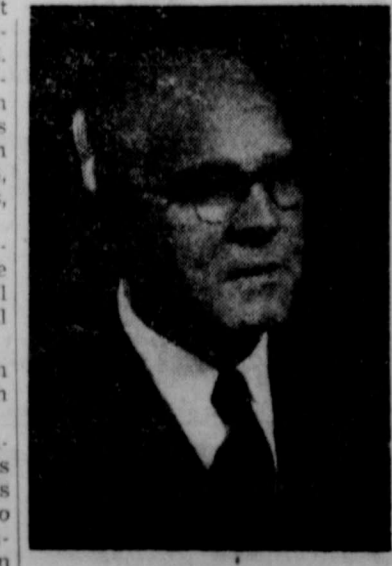

The Spring Revival of the First Baptist church will open Thursday night, April 24, with Dr. E. S. James, pastor of the First Baptist church of Vernon, Texas, in charge of the meeting. Services will be held twice daily through the closing day, Sunday, May 4, according to Rev. O. C. Curtis, pastor.

Bill Burton, educational director of the church, will direct the singing, and Joe Erickson will be in charge of instrumental music.

Services will be held each morning at 10 o'clock and each night at 8 o'clock.

Dr. James is one of the outstanding pastors and evangelists among Southern Baptist and is considered a real privilege to have him in Perryton. He conducted a revival meeting here in 1948 and made numerous friends among all denominations during his successful campaign.

He is known for his ability to put across his message in a direct, to-the-point sermon. A great thinker and accomplished speaker, he has won countless friends in his service in the ministry.

REV. E. S. JAMES  
The Baptist church extends an invitation to everyone in the Perryton community to join in this revival meeting and take advantage of the opportunity to hear one of the most outstanding Christians in Texas.

## Interest Grows Precinct Conventions

There will be at least three precinct conventions in Ochiltree County Saturday, May 3, two Democratic and one Republican. They were announced by county chairman A. J. Hergert.

Hergert, Democratic precinct chairman, said there will be a precinct convention for precinct 10 at the auditorium at 2:30 p. m. Saturday, May 3. While it is not known that enough citizens will turn out to fill the auditorium, this site was chosen as most convenient, Hergert said.

Marvin Hargrove, Democratic precinct chairman at Farnsworth, said that there will be a precinct convention in the Farnsworth community building on Saturday, May 3. The time has not yet been set.

A county convention for the Democratic and Republican parties will be held on Saturday, May 3.

See No. 3, Page 6

# Washington Now Says Perryton People Can Have Television

WASHINGTON — Ochiltree County can look forward to its own television on a new station which may be built under a plan of the Federal Communications Commission, in Perryton.

The FCC plan, which has just been adopted calls for 173 new stations in Texas. Most of them will operate in the Ultra-High Frequency range, which is an untapped section of the radio spectrum. Use of this UHF band and expansion of the present Very High Frequency service should eventually permit nearly 2,000 new television stations in every section of the nation. The 108 television stations now operating in the United States are in the VHF range.

"The adoption of the UHF plan

in conjunction with the expansion of VHF means the beginning of a truly nationwide television service, with visual entertainment and education brought to remote areas miles from the nearest cities," stated Dr. C. B. Jolliffe, vice president and technical director of the Radio Corporation of America, which pioneered the development of UHF television. "We are ready to build the transmitting and receiving equipment to bring about this national television service."

The FCC decision to use UHF for television is based on years of scientific research and on field tests conducted by RCA and the National Broadcasting Company at Bridgeport, Conn., where in 1949 they built the country's first UHF television station to operate on a regular basis. These field tests, Dr. Jolliffe reported, showed that UHF when properly allocated geographically and properly used, was comparable to service provided by present VHF broadcasts.

When new stations are built, home television receivers will follow quickly, judging from the experience of present television areas. Based on the national pattern, Texas can anticipate more than 1,250,000 sets a year or two after the new stations begin operation, with more than 1,000 sets in Ochiltree County alone.

Under the FCC plan, Texas cities and towns which may obtain new stations, in addition to the six stations already in operation in Dallas, Fort Worth, Houston and San Antonio, are: Abilene, Alice, Alpine, Amarillo, Athens, Austin, Ballinger, Bay City, Beaumont, Port Arthur, Beeville, Big Spring, Bonham, Borger, Brady, Breckenridge, Brenham, Brownfield, Brownsville, Brownwood, Bryan, Childress, Cleburne, Coleman, College Station, Conroe, Corpus Christi, Corsicana, Crockett, Cry-

**JOHNNIE HAD A LITTLE LAMB**—And she brought the lamb along when she visited her grandmother, Mrs. Myrtle Collingsworth. Johnnie Helen Foster lives at Liberal and has had this lamb "Frisky" since it was a day old and now, six weeks later, the lamb goes everywhere Johnnie goes—even to school. Frisky follows Johnnie around just like a pet dog and still gets its bottle of milk four or five times a day.

stal City, Cuero, Dalhart, Dallas, Del Rio, Dennison, Denton, Eagle Pass, Edinburg, El Campo, El Paso, Falfurrias, Floydada, Fort Stockton, Fort Worth, Gainesville, Galveston, Gonzales, Greenville, Harlingen, Hebbronville, Henderson, Hereford, Hillsboro, Houston, Huntsville, Jacksonville, Jasper, Kermit, Kilgore, Kingsville, Lamesa, Lampasas, Laredo, Levelland, Littlefield, Longview, Lubbock, Lufkin, McAllen, McKinney, Marfa, Marshall, Mercedes, Mexia, Midland, Mineral Wells, Mission, Monahans, Mount Pleasant, Nacogdoches, New Braunfels, Odessa, Orange, Pampa, Paris, Pearsall, Pecos, Perryton, Plainview, Quanah, Raymondville, Rosenberg, San Angelo, San Antonio, San Benito, San Marcos, Seguin, Seymour, Sherman, Snyder, Stephenville, Sulphur Springs, Sweetwater, Taylor, Temple, Terrell, Texarkana, Tyler, Uvalde, Vernon, Victoria, Waco, Waxahatchie, Weatherford and Wichita Falls.

## Japanese Girl Speaks Sunday At Waka Church

Miss Hatsuko Kanazawa, a native of Nagasaki, Japan, will speak at the Waka Church of the Brethren on Sunday evening, Rev. Alvin Klotz, pastor, has announced, and the public is cordially invited to hear her.

Miss Kanazawa was present at the time of the historic atom bomb explosion over Nagasaki and has many vivid impressions of the holocaust that occurred in 1945.

At present she is a student at McPherson College, McPherson, Kansas. She was first acquainted with the college through professor Jack Kangh who was on an educational mission in Japan after the war. Miss Kanazawa acted as his interpreter.

She has been in this country since 1950, and is spending Easter vacation with Miss LaVerne Burger at the home of Miss Burger's parents, Mr. and Mrs. G. A. Burger.

Her program will also consist of slides of her native land and city.

Laboratory tests have proven the insulation value of three inches of common brick or 20 inches of concrete.

Antimacassars derived their name from the protection they gave chairs from macassar oil, formerly used as a hair dressing.

## Seventy-Seven On Honor Roll Fifth Six Weeks

Fifteen students made the A honor roll in Perryton high school and 62 made the B honor roll for the fifth six weeks, principal Kenneth Gibson has announced.

Those on the A honor roll are Pat Stevens, senior; Bobby Jones, Shirley Thompson, Joyce Pearson, juniors; Ann Osborne, Janice Miller, Don Bell, sophomores; Barbara Hawk, Iris Martin, Jane Malone, Sue Williams, Ronald Leatherman, Marvin Flowers, Ione Martin and Pat Wood, freshmen.

Those on the B honor roll are: Seniors: Veneta Taylor, Ellen Newman, Maxine Gheen, Jim Freeman, Rozella Gurley, Dorothy Portwood, Helen Payne, Gene Clack, Alma Lou Diehl, Virginia Thrasher, Irvin Anderson, Jeanne Sutor and Dennis Taylor.

Juniors: Dean Burkhart, Patsy Cheek, Leland Drenna, Donna Girouard, Marion Hardy, Donna Helton, Merle Piersall, Joan Johnson, Wanda Kile, Dorothy Murphy, Dorla Easton, Donald Patton, Shirley Rice, Lyndol Riley, Marilyn Richardson and Donna Reitz.

Sophomores: Shirley Smith, Valda Jean Day, Patsy Carter, Don Johnson, Kay Caylor, Eva Pierce, Myrtle Pearson, Gloria Schoenhals, Larry Stephens, Robert Leatherman and Ray Williamson.

Freshmen: Joan Epp, Mareta Pittman, Rodney Symons, Bill Thrasher, Ronnie Waide, Lois Beck, Virgie Lou Wilson, Phyllis Vernon, Kathleen Jones and Barbara Flathers.

George Williams founded the Young Men's Christian Association in London in 1844.

## Conley Timmons To Weed Meet

County agent Delbert Timmons and Audie Conley will attend the 5th Annual Texas Weed Control Conference in Amarillo next Thursday and Friday. Conley is on the board of directors of the Texas Weed Control Association, sponsor of the conference.

Any other farmer interested in weed control is invited to attend the meeting, which will be held at the Amarillo Experiment Station.

The discussion will cover spraying and dusting equipment; new methods in airplane spraying; control of animal parasites; plus a report on experiments made to control johnson grass and bindweed, the number one weed problem for this section of Texas.

One of the most important tungsten deposits in the world is at Sandong, in Southern Korea.

Miss Joan Sims, a student at the University of Oklahoma, visited her parents, Mr. and Mrs. Dwight Sims, during Easter.

Miss Harolyn Malone, a student at SMU visited her parents, Mr. and Mrs. Harold Malone, during the Easter vacation.

Miss Gail Larson, a student at Texas Tech at Lubbock, visited her parents, Mr. O. G. Littleton, during Easter.

Miss Shirley Kato, a student at SMU, visited her parents, Mr. and Mrs. J. I. Kato, during the Easter vacation.

## ENGINE PERFORMANCE always AT ITS PEAK

## ... with the new Ford Tractor PROOF-METER

The Proof-Meter—available only on the new Ford Tractor—shows engine speed at a glance, in revolutions-per-minute. This information, never before available except on specially-equipped tractors, can mean more in the bank for you! It enables you to get top performance from your tractor engine always...

One good example is drawbar work. Ford Tractor delivers peak pulling performance and best fuel economy at an engine speed of 1750 R.P.M. ... so that's what you want. To get it you simply open the throttle until the indicator on your Proof-Meter shows an engine speed of 1750 R.P.M. Nothing easier, thanks to the Proof-Meter.

Proof-Meter helps you to get best results on all pulley and P.T.O. jobs too, just as easily. It has many more advantages...

3 Instruments in ONE! In addition to Engine Speed, Proof-Meter shows you Tractor Travel Speed, P.T.O. Speed, Belt Pulley Speed, and indicates Hours Worked. Nothing else like it.

Only the Ford Tractor has the Proof-Meter.

SEE FOR YOURSELF! Let us show you the dozens of ways in which the versatile Ford Tractor and Dearborn Farm Equipment can help you cut costs, get better results, and help make more money for you!

19 YEARS OF PROGRESS WITH THE GREAT SOUTHWEST

### Perryton Youth Rally Group Elects Officers

Election of officers of the Perryton Youth Rally was held at the third meeting of the group Saturday night at the First Baptist church. Wilma Pletcher was elected president; Wesley Spencer vice president; Pat Stevens secretary-treasurer; and Dorothy Portwood as reporter.

The Perryton Youth Rally was organized several weeks ago by the Women's Christian Association. The first meeting was held at The People's Chapel, the second at the First Baptist church and the next will be at the Nazarene church on Saturday night. The program Saturday night was in charge of Bill Burton, ed-

ucational director of the First Baptist church. A duet with Alene Waggoner and Roberta Kauffman was presented and also a trio composed of Dolores Clark, Valda Day and Dorothy Portwood. A violin duet from Wayland College presented several numbers and Marvin Genuchi, educational director of the First Methodist church, sang "The Holy City" with Janice Miller as his accompanist. Mrs. Merry Berry also sang a solo.

Horace Lackey, Roy Stinson, John Sammons, Cecil Dodd, Roy Orrill and Cliff Herndon returned today from a four day fishing trip to Possum Kingdom.

Mr. and Mrs. Miles Sumpter and children of Berger visited last week end with their parents Mr. and Mrs. Claude Allen and Mr. and Mrs. F. B. Sumpter.

### Nazarene Spring Revival Service Opens Sunday

REV. BUFORD BATTIN

Spring revival services will begin at the Church of the Nazarene, 5th avenue and S. Amherst on Sunday, April 20, and will continue through May 4, according to Rev. Buford Burgner, pastor.

The evening services during the week will begin at 8 p. m. and will start with congregational singing directed by J. Frank Herndon.

Rev. Buford Battin of Lubbock is the evangelist for the revival. Rev. Battin is a full time evangelist in the Church of the Nazarene, and has had wide experience as a minister, serving as pastor in San Antonio and Dallas, in Clovis and Roswell, N. M., and in Olympia, Washington.

He served as district president of the Abilene District Young People's Society for three years, and as chairman of the Church School Board of the New Mexico District for three years.

He attended Texas Tech and graduated from Eastern New Mexico University at Portales.

Special numbers in song will be rendered at each service, and the public is cordially invited to attend.

### Graveside Rites For Slough Infant

Graveside services were held Tuesday afternoon for the infant son of Mr. and Mrs. Eugene Slough. The baby boy lived only five hours after being born Monday.

Rev. Everett Cavin of the Fellowship Baptist church conducted the final rites. Interment was in the Ochiltree cemetery.

Mr. and Mrs. Harley Stump and sons of Oklahoma City were guests over the week end in the J. S. Slaughter home.

### Panhandle Co. In New Building

The Panhandle Implement Co., local Case farm machinery dealers, have moved from the location on East Brillhart avenue to the corner of S. Amherst and 3rd avenue, the former A & B Motor Co. building.

Harvey Pletcher and Bob Kile are owners of the company. The firm has the same telephone number, 8711.

### Wichita Boosters In Perryton Today

The goodwill train of the Wichita Chamber of Commerce is due in Perryton at 9:50 o'clock this morning at the Santa Fe depot and plans have been made for a large delegation to greet them.

Hat bands have been distributed by the Chamber of Commerce, and businessmen have been requested to be at the depot when the Wichita train arrives. The Ranger band will march down Main street and play for the visitors.

The Wichitans will arrive in a 15-car streamlined lightweight train drawn by a diesel engine. The group will parade through the business district and will pass out souvenirs to the youngsters.

The tour is visiting parts of southwest Kansas, southeast Colorado, northeastern New Mexico, the Texas Panhandle and northwest Oklahoma.

### Father Of Local Men Dies April 14

D. C. Carpenter of McLean, father of Clyde and Bill Carpenter of Perryton, died at Highland General Hospital in Pampa on April 14. Funeral services were held Tuesday afternoon at the McLean Methodist church on April 15.

Rev. Lloyd H. Jones, pastor of the local Methodist church, assisted with the services.

Mr. Carpenter was 67 years of age. He is survived by his wife, a daughter, Mrs. J. E. Cook of Hart, Texas, Clyde and Bill Carpenter of Perryton.

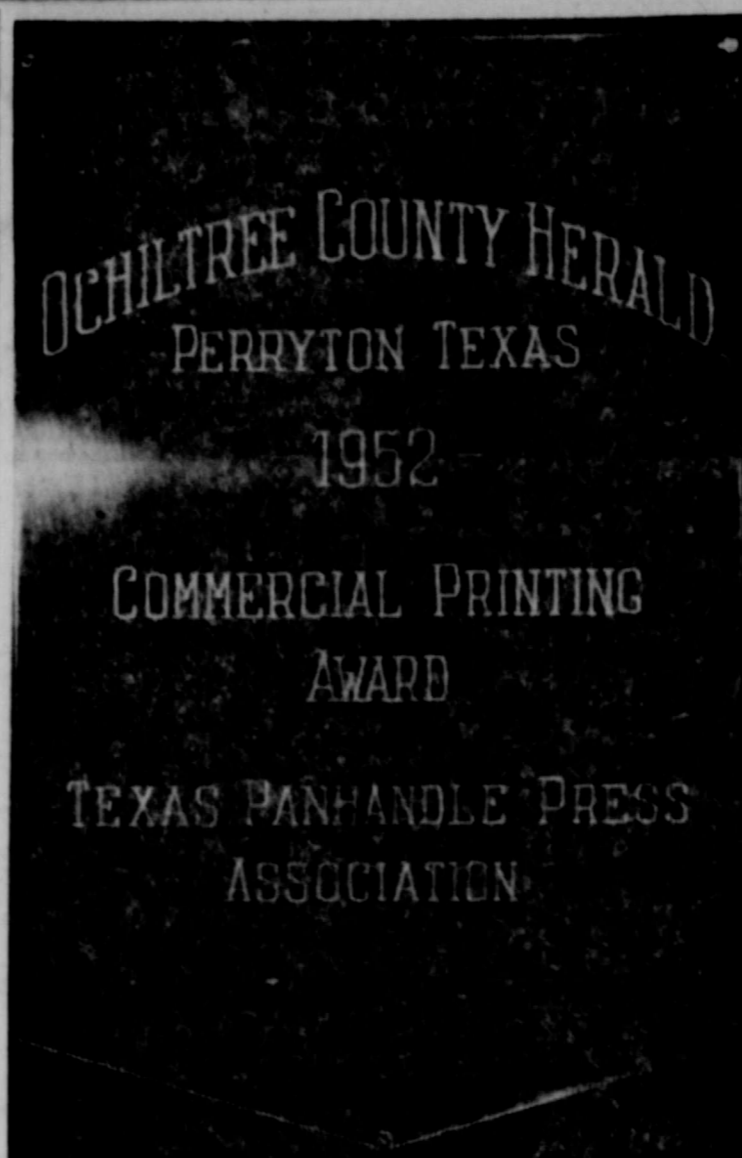

Attending the funeral services from Perryton, in addition to the family, were C. W. Foote, Otis Burk and Drew Ellis.

### Market Manager

E. H. Hoots is the new manager of the meat department of the Townsend Grocery and Market.

He has lived in Perryton for several years and has had wide experience in the meat market and cafe business.

Herald Want Ads pay well.

HERALD PLAQUE—This is a facsimile of the gold plaque won by the Herald at first place in the commercial printing contest at the annual Panhandle Press Association contest in Amarillo on April 4-5. The trophy was presented by Western Newspaper Union of Wichita, Kansas.

### County Motorists Running Behind In Car Inspections

Ochiltree county motorists are running behind, as are motorists over the rest of the state, in getting their vehicles inspected to comply with the new state inspection law, reports Alan Johnson, Department of Public Safety, who visited here last week.

There are 4,623 vehicles in the county required to be inspected Johnson said, and only 800 have been inspected which leaves nearly 4,000 vehicles to go through the line by the Sept. 7 deadline.

There are 2,700 official inspection stations licensed in Texas thus far and they inspect some 50,000 cars per week. To be through by the Sept. 7 deadline, this number will have to be doubled, Johnson said.

There will be no further extension of the deadline and operators of vehicles not inspected on September 7 will be subject to arrest. The law provides a fine of not to exceed \$200 for any person found guilty of operating a vehicle after Sept. 7.

The following garages in Perryton have been approved by the state as official inspection stations: Russell Motor Co., A & B Motor Co., Perryton Safety Lane, Holdeman Motor Co., Foote Truck and Tractor Co., Perryton Motor Co., and Putman Motor Co.

### Castle Store Nicked for \$67 On Forged Check

Castle Dry Goods Co. was nicked for \$67 on a forged check Saturday, when a customer bought some work clothes, dress trousers, then collected the remainder of the \$67 check in cash before departing for parts unknown.

The check was made out to a Leroy Cook and was drawn on the First State Bank of Booker, signed by a Harold Perry. The signature was a forgery, the second one in about a year forged on the same Booker man.

Virgil Castle became suspicious when he found that the customer had departed with the dress trousers without having them altered, and after getting his cash. Castle drove to Booker, where he found at the bank that the signature was a fake.

The forgery was reported to Sheriff Ray Phagan, who has pick-up orders out on the man who cashed the check.

More battles have been fought in and around San Antonio, Texas than any other city in the United States.

SO YOU HAVE TROUBLES?—The average home owner thinks he has troubles when his sewer line stops up, but his trouble is nothing like the city has when a main sewer line gets clogged. This line, on North Main, clogged up Monday and city employees spent most of the day getting it open. They flushed water from the city fire truck, under 120 pounds of pressure, through the line for an hour, and used other tools to clear the line. Above are Harold Bryan and J. D. Maberry standing guard at the manhole while the work is in progress.

## Employees At Virtue Store Are Saluted

"Our salespeople, from the newest part time employee, to the oldest in service, are the foundation on which our business has been built," stated Roy C. Russell, president of W. W. Virtue, Inc., in announcing a sale which is to be held this week at the local store.

"Without them, there would be no organization," Russell added. "We could advertise in every newspaper in the land and broadcast our wares over every radio station available, but without our salespeople we would be unsuccessful. All of our transactions are completed at the point of sale, when the customer is aided in his selection, and pays the salesperson for his purchase. That is why I say that the very existence of our business depends on the salesperson."

Carl Barrett, local Virtue manager, says the salesforce will have an opportunity to prove the above statement during Perryton Week at Virtue's from April 18 to April 26.

Virtue's have always had an excellent relationship with their employees. They were leaders in offering complete insurance programs, paid vacations, participating bonuses and service bonuses.

Virtue buyers have scoured the markets in an effort to bring the people of Perryton a wide assortment of top quality merchandise at real value prices. A full page advertisement in this issue of the Herald gives a partial list of these many items.

Virtue's have announced an employee contest during this event which is available to all local employees. These employees are Ruby Phelps, Mary Ann Scott, Bobbie George, Lavetta Johnson, Sarah Cook, Ida Halpain, Reba Williams, Mabel Hancock, Alfred Pittman, G. L. Patton, Ted Lewis, Clara Spradling, Mary Gooch and Gilbert Clark.

The C. J. Frantz and Son herd which gained 3.49 pounds a day. Sixth in the pen results was C. J. Frantz and Son, with four bulls gaining 2.86 pounds per day; Lawrence Elizzey had the eighth ranking pen, 2.84 pounds per day; R. H. Holland had the 11th ranking, gaining 2.67 pounds per day; C. A. Hoover had the 13th, 2.63 pounds per day; Frantz had the 15th ranking, 2.60 pounds; and Max Pearson had the 18th ranking with 2.57 pounds per day gain.

There were 36 pens, and a total of 132 bulls entered in the tests. Lawrence Elizzey had the fourth high individual gainer, with 3.25 pounds per day; R. H. Holland had the 9th, with 3.00 pounds; Holland also had the 16th ranking bull, with 2.96 pounds; and C. J. Frantz and Son had the 24th ranking bull, with an average gain of 2.88 pounds during the test.

The White House was the first public building in Washington.

## Veale Pupils To Give Recital

Pupils of Mrs. Hallie H. Veale will be presented in a piano recital Sunday afternoon at 3 p. m. in the school auditorium.

The recital will feature the playing of sister and brother, sister and sister, brother and brother, playing together.

To be on the program are Kent and Kara Bess Apple, Ray and LuNette Castle, Shirley and Deanna Smith, Connie and Anita Slaughter, Nancy and Tim Wright, Russ and Kim Thomas, Linda and Phillip Rogers.

The public is cordially invited to attend.

## Perryton Pirates Meet Wolf Creek

The Perryton Pirates, managed by Calvin Philley, meet the Wolf Creek baseball team Sunday afternoon at 2 o'clock at the Wolf Creek field. The baseball field is located just north of Lake Fryer on the Wolf Creek road.

There are plenty of benches and shade trees for the spectators and there is no admission charge.

Miss Beverly Hale, a student at Abilene Christian College, spent the Easter holidays with her parents, Mr. and Mrs. Arvie Hale.

## Political Announcements

The Ochiltree County Herald is authorized to announce the following as candidates for nomination, subject to the action of the voters in the Democratic Primary to be held July 26, 1952:

For County Treasurer: MRS. ARTHUR SLAVIN MRS. LILLIAN WARREN

For Sheriff, Tax Assessor and Collector: RAY PHAGAN G. L. PATTON

For County Clerk: MRS. SUE RAGAN

For Commissioner, Precinct No. 2: HERMAN HARGROVE O. C. WATSON J. H. SHEARER

For County Judge: HOWARD SLAUGHTER W. H. LANGE

For County Attorney: JACK M. ALLEN

For Commissioner, Precinct 3: JOHN KING

For Commissioner, Precinct 1: IVAN DAY CLYDE DEVERS

For Commissioner, Precinct 4: GEORGE YATES SAM HANDLY

## Prizefight Theme Adds Thrills to Western

The days of Gentleman Jim Corbett are relived in the Red Ryder picture "Vigilantes of Boomtown," which comes Friday on Saturday at the Pertex Theatre, starring Allan Lane as Red Ryder.

Red Ryder furnishes a training camp for Corbett in return for boxing lessons and when a trio of toughs are hired to beat him up, he reverses the tables, using his newly found skill.

There is plenty of hard fighting, gun play and even a bank robbery to keep the audience from finding things dull.

## Pearl's Drive-In Is Now Open

Pearl's Drive-In, located at 5 East Brillhart, is now open, announces Mrs. Pearl Patterson, well-known cafe cook.

The restaurant specializes in fried chicken, steaks and shrimp. Hours are from 7 a. m. to 1 a. m.

Mrs. Patterson at one time cooked for a large California restaurant.

Joe Goddard of Austin visited his sister and brother-in-law, Mr. and Mrs. William C. Herndon, Jr., during the Easter holidays. Mr. and Mrs. Herndon and Mr. Goddard left by train Wednesday night to visit her father, Dr. Walter C. Goddard of Austin and other relatives. Mr. Herndon will return to Perryton the last of the week and Mrs. Herndon will remain in Austin for a two weeks visit.

Ed and Bill Melvin, students at the University of Texas, visited in Perryton last week end.

WHERE'S THAT CHEERY VOICE—Six lonely Southwestern Bell Telephone supervisors sit at Odessa's big, near-empty switchboard while the regular "Hello Girls" remained off their jobs. The Bell operators who are union members, refused to cross picket lines put up in the Western Electric strike plaguing the state's telephone communications. These six supervisors were heading the board that is usually manned by 65 operators on each shift.

### April Induction Group to Leave Here Today

Three of the men called for induction into the armed forces will leave Perryton today for Amarillo, while the other two men have been transferred to other local boards for induction, reports Mrs. Norma G. Phelps, clerk of local board No. 99.

Those departing from Perryton are Arnold Lee Hill of Canadian; Sam Elvis Bryant of Briscoe; and Joe Cagle of Perryton.

Transfers are Johnny Revis,

Odessa; Franklin Guy, Shattuck; and Curtis Leicht, being sent for physical examination, who has transferred to McPherson, Kans.

There will be no induction call for May, Mrs. Phelps reported. No call for physical examination has been received for May, but there has been no definite announcement from state headquarters that there will be no physical examination call.

**No. 3** Continued from Front Page

Tuesday, May 6. Only elected precinct delegates can take part in the county convention for either party.

### Bank Deposits Show Decline

Combined bank deposits in Perryton revealed a downward swing on March 31, as reflected in statements of the two local banks. Deposits were over \$250,000 lower than three months ago.

Total deposits on March 31 were \$10,185,121.13, compared with \$10,469,126.66 in December.

The First National Bank had deposits of \$7,375,160.02 on March 31 and the Perryton National Bank had deposits of \$2,809,961.11.

Loans and discounts of the two banks showed a drop from \$3,097,480.79 on December 31 to \$2,714,003.32 on March 31.

### Award Medals For 4-H Boys

Award medals will be presented to members of the Ochiltree County 4-H Club at their meeting Saturday afternoon in the district court room. Officers will be elected for the coming year, the district 4-H Club camp will be discussed, and a movie will follow the meeting, according to county agent Delbert Timmons.

Those scheduled to receive 4-H Club medals are: Lyndon Flowers, meat animals; Neal Flatners, field crops; Cecil Regier, poultry; Cecil Regier, gardening. Another medal, the Achievement Award, will be presented, but the recipient has not been named.

The medals are awarded on the basis of the 4-H Club projects completed during the year.

### Dr. Meyer Will Be PHS Speaker

Dr. A. M. Meyer, president of Amarillo Junior College, has accepted an invitation to deliver the commencement address to the 1952 graduating class of Perryton high school, superintendent Gilbert Mize announced Tuesday.

The commencement exercises will be held on Friday, May 16 in the school auditorium.

The 1951-52 school term will not officially end for Perryton students, except the seniors, until Tuesday, May 20. The extra two days of school were made necessary in order to comply with state law and because two days have been lost during the year, Mize said.

### No. 1 Continued from Front Page

Tuesday.

Dines examined both the early and late wheat, and in nearly all cases was able to find the tiny head of wheat undamaged, while the tops of the leaves were yellow and dead. The smaller wheat is in better shape than the larger wheat, Dines found. Many of the heads of the larger wheat are dead and beyond the help of rainfall.

Dines and Reece found a number of red spider mites and a few greenbugs, but these insects are not present in large enough quantities to have any effect on the wheat, they say.

Both men give the 18 degree weather and the high wind as the cause for the damage to the wheat. Dines pointed out that the weather dropped from 85 degrees in a matter of a few hours, and this severe cold was what did the damage.

A number of local wheat farmers are inclined to believe that the electricity in the air last Wednesday night did a lot of damage. Reports have been heard about the severe electrical charges in the air, which caused sparks to fly between fence wires. A similar situation occurred in 1927, the old timers say, when a severe dust and electrical storm killed off a large part of the wheat crop that year.

At any rate, the wheat has suffered a lot of damage. The moisture received during the next ten days will tell the story, according to the experts.

### No. 2 Continued from Front Page

to see what was the matter.

Allred opened the door, saw the body on the bed, and hurried back down stairs. Mrs. Parker, calling for Arthur Haines, Coffee Shop employee, and H. E. Young of the Hotel Barber Shop to accompany her, went to the room. After viewing the body, they called Sheriff Ray Phagan.

Phagan and justice of peace Dewey Allen held the inquest.

Roush is survived by his mother, Mrs. Edna M. Roush of Woodward; a brother, W. E. Roush of Chicago; a son, Wallace Lee Roush of Tulsa; and his grandfather, W. G. Reger of Shattuck.

He was 39 years of age.

Funeral services were held at Enid on Monday, April 14 and burial was made in the Enid cemetery.

### No. 4 Continued from Front Page

First to reserve a booth was the Lions Club, which will operate a large bingo stand during the carnival.

Organizations interested in participating in the carnival are asked to contact Sidney Jines for further information.

MEET YOUR FIREMAN—12—Lester Norris, fire marshal, has been on the Perryton Fire Department for the past 14 years. He has served as nozzle man, pumper and assistant chief, and has been fire marshal since 1945. He has also been secretary-treasurer of the department for the past 10 years and makes all district firemen's conventions. Lester says the worst fire he ever fought was the one at the Russell Salvage Yard in north Perryton during the war when two men died from smoke. Other big fires he remembers are the Wheat Growers fire, the Perryton Hotel fire, Equity explosion and Nail Oil Co. fire.

### No. 7 Continued from Front Page

Several of the members of the squad have after school jobs which requires them to leave early and they are not getting in a full period of practice in the evenings.

However, the picture looks brighter than usual. The team is stocked with regulars and lettermen both in the line and backfield, and the only major obstacle is lack of speed among the backs. Much work is being done on single wing blocking and Peterson says if a team has the right kind of blocking, they can overcome lack of speed in the backfield.

Coach Peterson plans to have some practice workouts at night under the lights, and there will be at least one game condition scrimmage for the team before spring training ends.

## for Women In Air Force nstrated at Wiesbaden

EN, Germany—The for women in the Air Force is being clearly, if not today in Wiesbaden, Headquarters for States Air Force in

girls, all members of Squadron, are now jobs in USAFE and units, and doing not better at them male predecessors.

Myrtle M. Conley, Mr. and Mrs. Juan 401 S. Drake street, Texas, is a member of AF Squadron. She is attached to the 25th Squadron where is a cryptographic ex-

Eisenhower's NATO defense forces in Western Europe, the "2nd" has expanded, too.

During the past two months the morning report roster has been doubled . . . that means that 60 or more airmen have been released from "desk" jobs and are now available for combat effective positions.

The girls have been trained in a wide variety of fields, and each is an expert in her own.

Fifteen duty sections throughout the Wiesbaden Military Post area list WAF on their rosters. The largest percentage of the girls work in communications, but there are also weather forecasters, cryptographic experts, supply technicians, clerk typists, secretaries and numerous other jobs being filled by WAF.

As a military organization the "2nd" conforms to the same regulations as the male squadron. They have virtually the same pass privileges and the same restrictions, and they gripe and brag about their outfits as do other airmen.

But it's not all work and no

TEXAS WAFs IN GERMANY—T-Sgt. Myrtle M. Conley of Perryton is one of the members of the 2nd WAF Squadron currently stationed in Wiesbaden, Germany. Myrtle, left, is showing the Ochiltree County Herald to Pfc. Lucille P. Meze of Corpus Christi, Sgt. Lota M. Patton of Miami and Cpl. Rosemarie A. Navare of El Paso. Sgt. Conley, daughter of Mr. and Mrs. J. N. Conley of Perryton, is a former member of the Herald staff.

play for these Air Force women.

Many of the girls spend their week ends and leaves taking in European culture and scenery. Wiesbaden, centrally located in Europe, is an easy hopping off point for France, the Lowlands, Scandinavia, and the countries to the south.

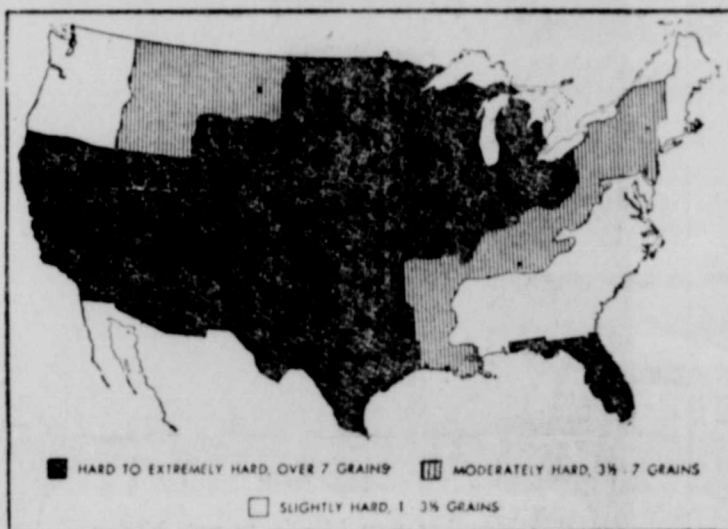

Most of the WAFs in the "2nd" admit they will return home greatly enriched through their experience out here.

But right now it's the United States Air Force which is benefiting by having the WAF in Europe.

Aside from replacing their brother airmen in office jobs, these girls also save the Air Force the added expense of hiring civilian stenographers and secretaries . . . personnel which would otherwise have to be imported from the States.

The "2nd" is certainly the most modern Air Force unit stationed in the Wiesbaden area.

The outfit recently received a

HARD WATER AREAS—This map shows the hard water areas of the United States. You can see that Perryton is in the hard water area, meaning it's no wonder there is a ring around the bathtub unless you use water softener.

unit commendation presented by Col. L. B. Kelly, commander of Wiesbaden Military Post, for not having a single delinquency report during the year 1951.

This commendation is indication enough of the good will the "2nd" is building in Germany.

### Fireman's Home Burns

DAYTON, Mont. (AP)—Glenn Nelson, who had just returned home and gone to bed after a meeting where he was chosen assistant chief of the Dayton Volunteer Fire Department, was awakened by a crackling sound.

While Nelson struggled into trousers, neighbors saved the house by pumping water from a nearby stream. But the new assistant chief is minus his garage, a new car, a tractor, a motor boat and a year's supply of gasoline.

### British Bicycles To India

NEW DELHI, India (AP)—Britain exported the biggest share of its bicycles to India in October, 1951. United Kingdom high commission officials said.

During October the U. K. sent 30,363 bicycles to India, Malaya ranking second with 25,771.

### Veterans Forum

Q. I bought a house with a GI loan, and I now find I'm to reenter military service. Do I have any protection against foreclosure, just in case I can't meet my payments while in service?

A. Yes. Under the Soldiers' and Sailors' Civil Relief Act, you and the lender may agree to reduce the loan payments during your military service and for 90 days thereafter. Provided, of course, you're unable to make the full payments because of being in uniform.

Q. I interrupted my GI Bill schooling to go back into military service. I expect to be discharged soon, and I want to know when I have to resume school again.

A. You must resume your GI Bill studies within a reasonable period after your separation from service. The length of this period will depend on the circumstances of your particular case. Factors considered are availability of training, family conditions and the like.

Q. I need an automobile to travel to and from work, since there are no public means of transportation available. May I get a GI business loan for the

car?  
A. No. GI loans for automobiles may be approved only when necessary for the veteran in conducting his own business or in fulfilling the requirements of his job. The use of a car to travel to and from work does not qualify a veteran for a GI auto loan.

Q. Are Korean veterans eligible for VA grants for wheelchair homes, if they meet all requirements?

A. Yes. Grants are available to seriously disabled veterans of all wars and peacetime service, so long as they meet requirements of the law.

The only helium producing plant in the United States is near Amarillo, Texas.

## KILL THOSE CROP-CHOKING WEEDS

## the groundwork never stops...

A growing telephone system can't take a holiday.

When a telephone man visits your home to install a telephone, the work you witness may take only twenty minutes or so. But, the work you didn't see—the unseen groundwork which made that installation possible—could easily have required many months to complete.

You can be sure, each day of the year, that plans for your community's future telephone service are in the making. The gears of telephone progress are turning. The groundwork never stops.

### Grenades Interrupt Relaxation

SAIGON, Indochina (AP)—The French, and many foreigners, too, like to indulge in the habit of sitting at sidewalk cafes and having an aperitif or so before dinner, but business sometimes shows a sharp drop.

The answer is simple. Every once in awhile, Communist-led Vietminh or other terrorists speed by cafes in automobiles and toss out hand grenades into the relaxing throngs. In the latest incident of this kind, three persons were wounded by a grenade while sitting at a table at a popular cafe in the heart of Rue Catinat—the "Broadway" of Saigon.

### Troops Get Reading Material

TOKYO (AP)—The Far East Command headquarters says five million magazines, two million paper-bound books and 18,000 cloth-bound books have been distributed to Allied soldiers in Korea since July, 1950.

PERRYTON MINISTERIAL ALLIANCE

A slave became one of the world's greatest agricultural scientists. His mother was known simply as Mary and he never knew his father. He had no name of his own, so he was called by that of the man who owned his mother, old man Carver. In order to have a middle initial he used W, which he said might as well be for Washington. Thus he became known to the world as George Washington Carver.

Before his death in 1943 he had brought incalculable benefits to the farmers of the South through his discoveries, especially new uses for peanuts, sweet potatoes, pecans. But he arrived at the pinnacle of distinction the hard way. In babyhood he had been kidnapped with his mother by slave-thieves. He was rescued but his mother was never heard of again. Emancipation had now come and the little black boy was free. Until he was ten he stayed on the old Carver place in Missouri. Then he wandered through Missouri, Kansas and Iowa, maintaining a meager existence and grasping every opportunity to acquire an education.

At twenty-six he was admitted to Simpson College and the next year transferred to Iowa State College in order to equip himself for service among his people in the South as an agricultural expert. He made a notable record as a student and upon graduation was appointed assistant in botany. Then in 1896 he went to Tuskegee Institute in Alabama, where he remained throughout his distinguished career.

Success stories are common in the United States, but few of them can equal in dramatic appeal the record of this Negro boy, born of a slave mother, frail in health, acquainted with privation, struggling for an education, until he becomes one of the great benefactors of the human race.

7th and Colgate  
Services 11 a. m. each Sunday  
Public Cordially Invited

Jesus' unparalleled contribution to the welfare of mankind by teaching the practical method of atonement through prayer and regeneration is illustrated in the Lesson-Sermon entitled "Doctrine of Atonement" to be read in all Churches of Christ, Scientist on Sunday, April 20.

The Golden Text shows his Christly purpose: "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many" (Mark 10:45).

God's requirements are simple, according to these Bible words included in the Lesson-Sermon: "What doth the Lord require of thee, but to do justly, and to

**GRAYSON COUNTY'S OLDEST**—"Mother" Mandy A. Mangrum, still active in spite of her 104 years, will celebrate her birthday in Whitewright March 31. Mrs. Mangrum is the oldest Grayson County resident and thought to be one of the oldest in the state. (U.P. Photo)

**Medical Men Honored**

LONDON (AP)—Queen Elizabeth and her elder daughter, Princess Elizabeth, paid tribute to the craft of surgeons and physician and the nurses "who build upon the new foundations with tender care and ever-watchful eyes."

The Queen, presenting awards to nurses at St. Mary's Hospital, London, said, "Of late I have seen much of their skill and care, and I speak from my heart of what I know."

Of the King, the Queen said, "I am glad to say that he continues to make most excellent progress, and I can assure you that the sympathy and good will by which we have been surrounded have been the greatest support to us both during these anxious days."

love mercy, and to walk humbly with thy God?" (Micah 6:6). Mary Baker Eddy, the Discoverer of Christian Science, says however in "Science and Health with Key to the Scriptures": "Final deliverance from error, whereby we rejoice in immortality, boundless freedom, and sunless sense is not reached through paths of flowers nor by pinning one's faith without works to another's vicarious effort." And she also says (p. 19): "Those who cannot demonstrate, at least in part, the divine Principle of the teachings and practice of our Master have no part in God."

**Local Delegates Attend Annual Lutheran Meet**

Rev. R. Martin and Alvin Engelman will represent Bethlehem Lutheran Church of Perryton at the thirty-second state convention of the Lutheran Church-Missouri Synod in Austin, April 14-18. Five hundred delegates from all parts of Texas will attend the convention. The convention will be held jointly at Concordia Lutheran College and St. Paul Lutheran Church.

One of the highlights of the

convention will be the previewing on Tuesday evening, April 15, of the first two television films that the Lutheran Church-Missouri Synod has produced. Immediate plans for the new \$750,000 television program of the church call for the filming of 26 programs of 30 minutes length.

The Rev. Dr. John W. Behnken of St. Louis, the president of the Lutheran Church-Missouri Synod will deliver the opening address on Monday, April 14, at 7:30 p. m. During the convention Dr. Behnken will present a report on the national and international activities of the Missouri Synod. The study topic of the conven-

tion will be led by the Rev. George W. Wittmer, pastor of Messiah Lutheran Church in St. Louis, Missouri. The subject of his essay will be The Office of the Keys and the Church of Today.

Along with reports of various boards and committees the convention will consider proposals to increase Bible class and Vacation Bible School attendance, to train lay Christian youth counselors and to adopt an all-purpose special offering for the various benevolences of the state. The theme for the convention is, "God's Peace to Men Through Men."

**'Selfish Male Sex'**

SINGAPORE (AP)—Women of various Singapore communities are organizing the Singapore Women's Council dedicated to carry on the good fight against the "selfish male sex" and achieve the rights of women.

Mrs. Shirin Fozdar, who is the guiding light in the movement, issued the following call to the female fold: "We aim to fight for the emancipation of women in Singapore. It is high time that selfish men who treat their womenfolk as inferiors are made to change their attitude."

Here are some of the goals:

"Equal rights for women in marriage, inheritance and professions. Provisions for scholarships for higher studies for working girls. Look into any difficulties concerning conditions of work for women such as trouble with employers, accommodations."

**Easy On Firemen**

ST. CATHARINES, Ont. (AP)—City firemen didn't have to go far to extinguish the blaze in R. Reid's automobile. He drove it to the fire hall after he found the upholstery ablaze.

*As you are...*

Whether you like it or not, Kitten, this is yourself... just as you are. The mirror is true. It neither flatters, nor fails to do you justice. It is good to know the facts.

The Apostle Paul said that men are disposed to look into a mirror, and immediately forget what manner of men they are. One needs often to look at himself, to remember his condition. *The Springtime of the Soul is called Lent.* During the weeks leading up to Easter, we are asked to let our consciences reveal to us just how noble we are living. *They who accept the challenge of Lent will take time to pray and to attend the Church, so they may know where they stand.*

We have the glorious opportunity of accepting human and divine help, that we shall become better than we are. *In fact, the whole purpose of education, patriotism, and religion is to make us better.* We can improve. Tomorrow we can be better than today... it is God's gift.

You In The Church...  
The Church In You  
Form a combination for good. We should attend church regularly. Every man, woman and child needs the influence of the CHURCH. Be faithful. Be a Churchman!

Mother Neff is the oldest of ... the Texas State Parks.

HEALTH FOR ALL When Children "Run a Temperature"

Some parents, especially the ... young and inexperienced ones ... of a "first baby," become fright- ... ened of any signs of illness in ... their child. One of the things ... that may throw young parents ... into near-panic, for example, is ... a rise in the baby's temperature.

Certainly when their child ... shows signs of a fever, parents ... are right in refusing to treat the ... matter lightly. For fever can be ... the symptom of a serious illness. ... Yet children are often likely to ... run a temperature for compari- ... tively minor reasons—too warm ... clothing, teething, or a slight ... upset stomach—and panic with ... every rise in temperature is un- ... justified.

Fever is a rise in a person's ... normal body temperature. While ... it can be due to a number of ... reasons, fever frequently is a ... sign that nature is marshalling ... its forces to fight infection. Fe- ... ver is a symptom not a disease ... or illness in itself—and when ... body temperature rises for no ... explainable reason, the doctor ... is the person to find the cause of ... it and advise proper treatment.

Every family, especially one ... in which there are children, should ... have handy a reliable clinical ... thermometer, with a certificate ... of its accuracy and a guarantee ... that it complies with accepted ... standards. Members of the fami- ... ly should study the directions ... carefully and learn how to use ... and read the thermometer cor- ... rectly.

The average normal tempera- ... ture of the human body is, a- ... round 98.6 degrees Fahrenheit ... when taken by mouth with the

thermometer and approximat- ... e degree higher when taken by ... rectum. But people vary, and a ... person's usual body tempera- ... ture may be higher or lower. ... An individual has fever when ... his particular body temperature ... is higher than normal.

When children, especially ba- ... bies, run a temperature with no ... other symptoms of sickness, it ... does not always mean that a ... child is dangerously ill. How- ... ever, since fever may be an early ... warning of serious disease, fe- ... verish children should always ... be kept in bed and away from ... other children until the tempera- ... ture returns to normal or the cause ... of the fever is diagnosed.

That's why the crowds go to Ideal week after week. Do not be confused by the advertising of a few lower prices on a few items. Compare all prices and we know that you will find now as always that Ideal is the place to go for prices that are always low.

## Strictly for the Money

We have noticed a rash of "home-talent" shows being produced in various Plains towns during the past few weeks and Perryton probably will be in line for a visit from a smooth talking promoter from Kansas City or other big cities.

This kind of show is not to be confused with the kind of home talent production staged by the Parent-Teachers Association, which was a bona fide home talent show. These others are promoted strictly for the money, with a local organization used as a front for the out-of-town concern which hauls off most of the money from the show.

The American Legion had an unfortunate experience with the Kansas City outfit several years ago. A contract was signed with the company, the show was produced, and when it came time to settle up, lots of fine print in the contract revealed that the Legion was played for a sucker.

For example, the company bought a page advertisement in the Herald, selling little blocks of space at an inflated rate. Upon checking, it was discovered that the promoters cleared about \$500 on this page, while the Legion (and the Herald) got only a fraction of the local money used to buy the page.

Programs were sold, with the local merchants as usual footing the bill, plus a profit to the outsiders.

To top it all off, when the Legion finally settled up, it was discovered that while the Kansas City company cleared over \$1,200 and the Legion about \$250, according to the contract, the Legion had to pay for the hotel room, the meals and the round trip transportation of the director sent in here to produce the play. This amounted to about \$180, leaving the production somewhat less than a financial success for the Legion, although it was quite profitable for the Kansas City company.

Knowing of this experience, the Jaycees have turned down a proposition to sponsor the same kind of "home-talent" show. Perhaps other organizations will be contacted, and we would advise a thorough checking of the proposition regarding the way the money is to be divided.

The shows are usually not much good, hurriedly produced and as we said before—brought in here strictly for the money to be taken out of town.

## Food Output Inadequate

ROME (AP)—The sixth world conference of the Food and Agriculture Organization found that world food output "is steadily falling behind the increase in population, and the world has less food per person than before the war when more than half the world suffered from malnutrition."

The report said it was convinced that the progress that can be achieved in the years immed-

ately ahead will be insufficient to change this situation radically.

And it concluded that "there is little hope of achieving by 1960 the levels of production considered necessary for a minimum program of sound nutrition throughout the world."

Mr. and Mrs. Harold Sharpe and children of Amarillo were guests of his parents, Mr. and Mrs. I. H. Sharpe, Saturday and Sunday. During their stay they also visited in the Oscar Schroeder home.

## From the SIDELINE with HAROLD HUDSON

Seems like we were about the only person in town that didn't feel the earthquake here last week. We didn't even know there was an earthquake until we read about it in the papers the next day, but on the street, nearly everyone else was talking about feeling the tremor. "I felt that shaking yesterday, but didn't know what it was," seemed to be the standard remark. We wonder if these people felt the earthquake while it was quaking or after they read it in the papers that we had one.

There seems to be considerable interest in politics locally, with most county offices having contested races and plans being made for precinct and county conventions. These conventions are the only place that a voter has any say as to whom he wants to see nominated for president and vice president, and that's where the Republicans have it all over the Democrats this year.

Hottest topic regarding a president, of course, is whether it is to be Eisenhower or Taft for the Republicans. The Democrats have no such choice. The Democrats have only an assortment of rag-tag New Dealers like Adlai Stevenson, Estes Kefauver, Alben Barkley, Fred Vinson, etc., while the Republicans even have a strong second string in Stassen, Warren, et al. About the only fight developing in the Texas Democratic Party is whether or not Texas will have an unopposed delegation to the national convention.

Local Republicans are making plans for a fair turnout at the precinct and county conventions. For years, the Republicans have been rather quiet around here, but now are taking the spotlight. We understand that the long-time Republicans met the other day, and by a flip of the coin, Walter LaMaster got in charge of the Taft forces, while Charley Hobbs drew the Eisenhower group. These two factions will meet at the precinct and county conventions. As far as we can learn, there will be many independent voters at the Republican conventions, and it appears that this year, many, many Texans will vote a split ticket, casting a ballot for the Republican presidential nominee, while voting a straight Democratic ticket

for Texas offices.  
At any rate, Walter LaMaster is taking his job seriously. He came down to the Herald office last week and passed out Taft buttons, folders and pictures. So far, Charley Hobbs hasn't been around with any Eisenhower literature.

The man who never thought anything of walking ten miles a day to school now has a grandson who doesn't think so much of it either.

A British scientist with the remarkable name of Dr. E. J. Dingwall has solemnly declared, after alleged years of scientific observation and study, that American women are unsatisfactory lovers. He says American women "dominate the men." Furthermore, says Dingwall, "Nature assigned woman the role of the eager servant" but right here's where we differ. We don't know any wives that assume the role of an eager servant, although we will concede that there are some small daughters that will run errands and fetch articles for papa, if he goes about it right in asking her to help. But we doubt if any woman, whether American or British, wants to be called an "eager servant." However, you don't need to take Dr. Dingwall's remarks too seriously. He came to his conclusion that American women are unsatisfactory lovers after making his observations when he was over 70 years old. It seems that he began his study of the problem a little bit late in life.

Definition of an old timer: One who can remember when only store buildings had false fronts.

We read a little article the other day, a news release from an army special services club abroad, which we don't put much stock in. The soldiers at this overseas club are indulging in a "daffy taffy pull" in their spare time, and they fill in their recreation hours with such exhilarating pastimes as spin-the-bottle, human checkers, peanut pushing and finger painting. We strongly suspect that this news release was prepared for the comfort of mama and papa at home.

They can never make us believe that the modern soldier, just like the old timers of World War I and World War II, doesn't spend a lot of his off hours in hunting a drink of alcoholic spirits, chasing girls, shooting craps, dealing poker, or hunting out off-limits places and eluding the MPs to see what's there.

When they get home, out of uniform and away from the strangeness of being equipped with weapons with which to kill other uniform-clad strangers, then perhaps they will revert to party games for amusement. But not while in the service, if we know anything about the service.

You have been deluged with advertising of products containing chlorophyll. We know. They are putting chlorophyll, the ingredient that takes the smell out of things, into breath-sweetening tablets, chewing gum, soap, etc. We give you this solemn report from Tide, the national advertising magazine: "Sitroux, Inc., the tissue paper manufacturer, is market testing a chlorophyll toilet tissue called Chlorol in Buffalo and will soon have it in the New York market. A substantial campaign will break late this month in New York."

Noisy Air Conditioner  
KUALA LUMPUR, Malaya (AP)—Not long ago a \$13,000 air-conditioning unit was installed in the town hall here.  
Now the municipal officials don't know what to do with it. It seems they are getting complaints that the machinery makes too much noise. In fact, one complaint charged that it made so much noise that players in a stage production put on in the hall could not be heard by the audience.

Mr. and Mrs. Roy Cudd and Patty of Texhoma were guests in the M. M. Cudd home last week end.

## Wolf Creek Philosopher Wants Science to Work on Flies

(Ed note: The Wolf Creek Philosopher has a sound idea this week, whether he gets anywhere with it or not.)

I read the other day where for 4 billion dollars scientists can establish a man-made satellite a thousand miles out in space, and while I hadn't realized there was a satellite shortage, I'm willing to go along with the idea, the same as I am with plans for making a hydrogen bomb, newer type atom bombs, etc.

But it seems to me scientists are scatterin' their fire. They're movin' on to new jobs before they finish the old ones.

Take the common house fly. One of the worst afflictions man has, but there ain't a fly less today than there was 25 years ago. Or take ants or mosquitoes.

It seems to me there's a screw loose somewhere when a deep-thinkin' scientist about to unlock the secret of nuclear energy or figure out how to conquer space has to stop in the middle of a calculation that may be it to swat a fly.

If the brains of science was brought to bear on the fly problem with the same degree of white heat used on splittin' atoms the fly nuisance could be eliminated for all time.

Like it is now, science is just half-hearted about it. It perfects a sure death for flies, like DDT, and everybody buys a spray gun and cities lay down clouds of the stuff and it works for a while, until the fly catches on and develops an immunity to it.

I got confidence in scientists, they got the brains to outsmart the fly, if we could keep em on the problem long enough to finish it. As it is now, with the brainiest men, the best laboratories, and nearly all the money there is, the scientific mind today can figure out no really

On the Ball  
NEW YORK (AP)—Brooklyn has a good double play combination that hasn't muffed a chance in at least 15 years.

They're two gas meter readers who together have handled flawlessly 2,218,737 chances. Charles V. Dillon has been at it 19 years. His counterpart, George P. Woll, has been calling 'em as he sees 'em for a mere 15 years but claims to have handled 85,743 chances.

The company they work for, Gas Appliance Manufacturers Association, checks up on them all the time too. Review clerks check the gas man's reading against the average billing for the particular customer's home. They still have to chalk up that first error.

Amarillo Daily News

Mrs. Linda Manross, Agent

better way to kill a fly than to hit him with a fly swatter.  
With radar, interceptor planes, radioactive waves, etc., to throw against a human invader, all we've got against the fly is screen wire.  
The same thing applies to mosquitoes, chiggers, greenbugs, cutworms, tomato worms, etc. I would like to see Congress appoint a commission to draw up a list of common everyday pests which ought to be eliminated before we go any deeper into nuclear energy or outward into space. Just draw up the list, hand it to the scientists, and tell em they can't play with atoms any more until they clean up these loose ends. There ain't nothin more ridiculous than a man about to fire a rocket load of explorers out into space havin' to stop and scratch a chigger bite.

Yours faithfully,  
J. A.

**TALK OF TEXAS**—Was the order of the day when two young women from Perryton and two fellow Texans, all students at Stephens College in Columbus, Mo., met Senator Tom Connally in Washington, D. C. recently. They and 50 other Stephens students spent their spring vacation on a college-sponsored trip to the East, visiting Chicago, Detroit, Boston,

New York, Annapolis and points of historical interest in Washington. From left to right are: Miss Nancy Grabeel, daughter of Mr. and Mrs. W. R. Grabeel; Miss Ann Spotts of Richardson; Senator Connally; Miss Julie Hutchings of Hunt; and Miss Patsy O'dell, daughter of Mr. and Mrs. Tom O'Dell.

choice, that is between the one man who heads the Democrats and the one picked at the Republican national convention."

Adoption of the preferential voting plan, says Rep. Ken Reagan of Midland, would take some of the wind out of the sails of communists and fellow travelers.

"The preferential primary system would stir up greater interest on the part of the average citizen in selection of the men who run our government," he added.

"At present too many of our good, conservative citizens, the merchant, banker and steady workman, just sit by and let that other crowd dominate politics."

San Angelo's Congressman Clark Fisher, expressing the hope that Texas would adopt preferential balloting, said:

"Although we talk about being a free nation, the average person under the present system has little to say about the selection of the president. Too few of them participate in conventions."

Others who endorsed the preferential voting system and said they thought it would be good in their state included Reps. John E. Lyle of Corpus Christi, W. R. Poage of Waco and Wright Patman of Texarkana.

**Presidential Primary System Is Approved by Tex. Congressmen**

**WASHINGTON (AP)**—The 1952 presidential race is focusing attention on the preferential primary system of voting, and Texas congressmen as a whole think their state should adopt the plan.

In fact, every one of them available for comment agrees on the subject.

Only 15 states now have preferential primaries—wherein the individual voter gets to indicate his preference in the selection of the man who will head his party's ticket.

Rep. Omar Burleson of Anson and Abilene is chairman of the House Elections committee which has been studying legislation designed to bring about establishment of such a voting system in every state through federal aid.

"I'm against the legislation," Burleson said when questioned on the subject. "I'll do everything I can to kill it in committee."

That, of course, is only a part, and a misleading part, of his answer.

"I think state preferential primary elections are a good thing,"

he continued. "But, I also think the states themselves should establish such procedure without any prodding or incentive from Washington."

He said the bill under study by his committee would provide a 20 cents per ballot federal payment to those states which hold preferential primaries.

Acceptance of this subsidy from the government, he says, would take the props out from under him and other southerners who have opposed a federal anti-poll tax law on the grounds that all such legislation should come exclusively within the province of the states.

Their own state legislature should provide for the preferential primary and fix rules as to how a man's name would get on the ticket—by petition, convention, write-in or otherwise, the Lone Star State congressman felt.

Rep. Frank Ikard of Wichita Falls, who was judge of the 13th judicial district of Texas before coming to Congress last year, thinks the preferential voting system would give the average citizen a lot of the power now held by a few politicians.

Observing that throughout Texas the delegates to the State Democratic convention generally are hand-picked, Ikard added:

"This is not in any sense, a reflection on the honesty or integrity of these leaders.

"It is just a system that has grown up over the years in all but a few counties, and largely through the neglect of the average citizen to take an active enough interest in politics."

He went on to say that teachers in public schools should stress that civic responsibility includes not only voting in state-wide elections but participation in precinct conventions, where delegates are chosen to start up the ladder toward national assemblies of the party faithful.

Rep. Walter Rogers of Pampa called attention to the primaries already held in New Hampshire and a few other states and the publicity they have received because of the wide-open race among both Democratic and Re-

publican hopefuls.

"This is certainly a most encouraging note," he added. "I have had many heated arguments on the subject because I have always felt that a true democratic form of government demanded an expression from each individual in naming the person to serve as president and vice president."

Rep. Clark Thompson of Galveston, agreeing with his colleagues from the Panhandle, said:

"There ought to be some way for people to have a say in the selection of the party nominee. They certainly do not now. For practical purposes, they get one

**MA AND PA KETTLE**—The hilarious film couple discover romance in the Tunnel of Love in their latest picture "Ma and Pa Kettle at the Fair," which comes to the Ellis Theatre on Tuesday-Thursday. Marjorie Main and Percy Kilbride have the starring roles.

## Ma and Pa Kettle Are Riot Again In New Comedy Picture

One of the funniest of the Kettle comedies is "Ma and Pa Kettle at the Fair," which comes to the Ellis Theatre on Tuesday-Thursday, April 22-24, starring Percy Kilbride and Marjorie Main in the title roles. There is more action and suspense in this home-spun comedy than has been noted in previous Kettle films and the laughs are more frequent.

## Heavy Emotion In 'Invitation'

A motion picture with heavy emotional impact is "Invitation," starring Van Johnson, Dorothy McGuire and Ruth Roman in starring roles. The picture comes to the Ellis Theatre on Sunday and Monday.

"Invitation" tells the story of Ellen Bowker (Miss McGuire), who has been semi-invalided since childhood, who has reconciled herself to a life of spinsterhood, but who is unaware that her disease is fatal and that she is not expected to live for more than a year. However, Simon Bowker (Louis Calhern), her devoted and wealthy father, is aware of it and, determined to give Ellen a final year of happiness, contrives a secret arrangement with the personable but unsuccessful young architect, Dan Pierce (Van Johnson), by which he will marry Ellen, despite the fact that this brings about an impassioned hatred on the part of Maud Redwick (Ruth Roman), a girl desperately in love with Dan. After almost a year of happiness, it seems that a new medical discovery might save Ellen's life and it is now that the jealous Maud makes her strike with an ingenious trick by which Ellen discovers that her husband has been "bought." The reaction of the shocked and horrified young wife, the steps taken by the seemingly contemptible Dan, and the manner in which this tragic situation is ultimately resolved make for a drama which holds the spectator spellbound.

### You Kiddin'?

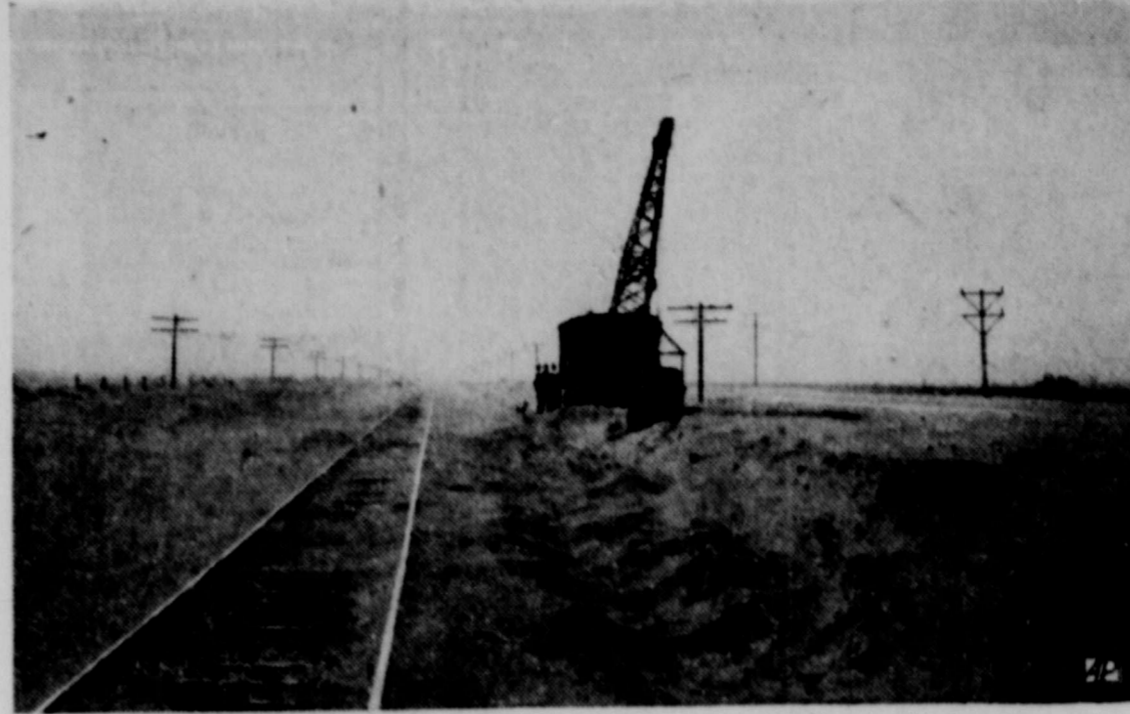

McALESTER, Okla. (AP)—When George Washington, cook at the White House cafe, reported at the draft board, he had troubles. "What's your name?" asked the selective service official filling out the questionnaire. "George Washington." The draft official was non-plussed, but continued: "How do you get your mail?" "Just send it in care of the White House," George Washington smiled.

The story makes sense enough, too, so the laughs and action blend very well throughout. Ma and Pa would like to send their oldest daughter, Rosie, to college, so Ma tries to win the bread baking and jam making contests at the county fair. But she enters the family horse in the trotting race by mistake and then the fun begins.

A fine human interest touch, directing much sympathy toward the elderly couple is provided toward the end when Ma, after being told that most of the townspeople have bet heavily on another horse and will go broke if the Kettle nag stays in the lead in the big race, makes a slingshot of a garter and hits her horse with a pebble, causing it to break from a trot to a gallop and be disqualified.

Mr. and Mrs. George Lewis, Richard and Sue Ann of Berger were guests in the L. H. Sharpe home last week end. Richard and Sue Ann visited until Monday evening.

**SCOOPING DRIFTS**—A dragline which scoops a cubic yard of sand at one dip has been put into service near Brownfield to keep drifting sand off railroad tracks. The Soil Conservation Service has appealed for a "return to safer use of Texas blow lands," saying that March winds had added 470,000 acres to the total of West Texas acreage undergoing moderate to severe wind erosion damage. This dragline works every day at the job of keeping the tracks between Lubbock and Seagrave clear. The railway hauls the sand away in its own cars. (T Photo)

## Texas Wheat Estimate Is Announced

WASHINGTON (AP)—The Agriculture department forecast this year's winter wheat crop at 946,845,000 bushels.

The 1952 Texas estimate was given at 34 million bushels. The figure announced yesterday is almost double the 17,307,000 bushels the drought-ridden state produced last year.

This national figure is 28,845,000 bushels more than 918,000,000 bushels forecast last December, after the crop had been planted. It compares also with last year's crop of 645,469,000 bushels and with the ten-year (1941-50) average of 799,977,000 bushels.

No forecast was given for spring wheat as it has not been fully planted as yet. However, a plantings prospect report last month said a spring crop of 307,000,000 bushels was indicated.

Assuming a spring crop of that size, the total 1952 wheat crop would be 1,253,845,000 bushels. Production last year was 978,474,000 bushels. The department has set a 1952 production goal of 1,165,000,000 bushels.

Audie Murphy of North Hollywood, Calif. and Everett Brandon of McKinney were guests in the Lake Patton home Sunday afternoon.

## New Slant On Hitler Portrayed In New Picture

"The Magic Face," which comes Wednesday and Thursday at the Pertex Theatre, is a new slant on the life of Adolf Hitler. In fact, the producers offer \$10,000 to anyone who can disprove the amazing impersonation depicted in the new film, which stars Luther Adler and Patricia Knight.

"The Magic Face" is the story of a man who killed Hitler in a love nest and took his place in history and love during the most sinful days of Berlin. The principal character in the film is a performer of the Viennese variety stage, billed as Janus the

Great. His gifts at impersonating famous persons were so great that he was the wonder of his time—the hectic 1930's. Then the Nazis take over Austria. Janus' wife quits her husband to live with Hitler. Janus himself winds up in a concentration camp. His skill at disguises helps him to escape. He wangles his way into Hitler's entourage as a valet, then engineers a fantastic plan to kill the dictator, regain his wife, and deliberately lead Germany to total defeat.

## Frontier Wars Highlighted In Indian Picture

An unknown phase in the life of the great Apache leader, Cochise, is revealed in "The Battle at Apache Pass," the picture which comes to the Ellis Theatre on Friday and Saturday, starring John Lund and Jeff Chandler.

Lund plays a major of the Seventh Cavalry and Cochise is played by Chandler. Beverly Tyler plays a frontier schoolteacher in love with Lund and Susan Cabot is seen as the wife of Cochise. All turn in excellent performances, as do supporting players including full blooded Indians of the Southwest who have been cast in important roles.

Bruce Cowling, as an unscrupulous commissioner of Indian affairs, contrives to have Cochise accused of kidnapping and murdering white settlers, crimes of which the vicious Geronimo, played by Jay Silverheels, is guilty, and causes Cochise to go on the warpath. The Apache leader and the entire Apache na-

tion of warriors ambushed command in the battle at Apache Pass and the soldiers' hawtizers were from annihilation.

The story of "The Battle at Apache Pass" is based on historic incidents, both of which are brought out with authenticity, adding to the realism of the picture.

Mrs. Norman Ferguson, Mark and John of Albert Minn. are guests this week her sister and family, Mrs. Mrs. Alton Boxwell and

Mrs. G. H. Law of Lubbock invited Sunday in the L. H. home.

## Merry Workers Meet April 10

Mrs. Lony Bull and Mrs. Clyde Carroll were hostesses for an all-day meeting of the Merry Workers Club of Gray, Okla. on April 10, in the Bull home near Gray. The day was spent quilting for the hostesses and a quilt was finished, which will be sent to Girl's Ranch.

A covered dish luncheon was served at noon.

Emma Fay Carroll, Bertha Bell, Maude Bull, Virgie Kerns, Nell Mounts, Bess Price and Waunita Albright received gifts from their secret pairs.

Visitors were Mrs. R. E. Griffith, Emma Bull, Lola Rorabaugh, Maxine Beck and sons, Darlene Boles and sons, Gladys Ragsdale, Vera Presnall, Ruby Ann Bull and daughter, A. E. Pittman, L. E. Rorabaugh and L. W. Bull.

Members present were Ida Apple, Waunita Albright, and son, Bertha Bell, Audrey Bohling, Osa Kerns, Virgie Kerns, Lola Gray, Ruth Lile, Pearl Sims, Nell Mounts, Bess Price and granddaughter Joyce, Lillian McDonald, Audrey McCarter, Alma Pittman and the hostesses.

Mrs. T. W. Gray will be hostess for the next meeting on May 8, in her home at Gray, Okla.

Rev. and Mrs. Buford Burgner of the local Church of the Nazarene spent from Monday to Wednesday attending a preacher-layman meeting at Lubbock for the Abilene district of the Church of the Nazarene. Gen. Supt. G. B. Williamson of Kansas City was the principal speaker at the meeting.

Mr. and Mrs. Robert Bruce of Balke visited Mrs. Bruce's parents, Mr. and Mrs. Potter, in Tulsa, Okla., over the week end.

## C. Y. F. Group Has Sunrise Services

The Christian Youth Fellowship group of the Christian Church met at Lake Fryer for a sunrise service, Easter morning. The group sang "He Arose" accompanied by Virgie Lou Wilson, pianist.

Mrs. Neal Thompson offered a prayer.

Spencer Whippo addressed the group on "The Early American and Christ," comparing their beliefs and ours today.

Dickie Haar sang "In The Garden" and Gene Clark offered the benediction.

The group returned to Fellowship Hall at the Church for an Easter breakfast prepared by Mrs. Glen Smith and Mrs. Ida Belle Halpain.

Those attending were Misses Janice Miller, Shirley Smith, Laura George, Patsy Halpain, Helen Halpain, Patsy Carter, Jackie Carter, Mareta Pittman, Virgie Lou Wilson, Berwyn Copeland, Gloria Schoenhals.

Also Ogden Wilson, Wiley Clark, Rollin Thurman, Lloyd Tucker, Dickie Haar, Oras Busch Jr., Gene Clark, Don Dietrich, Louis Flowers, Jerry Chisum, James Dodson and sponsors, Mrs. Neal Thompson, Mrs. C. E. Haar and Spencer Whippo.

## Mrs. Eudy Is Bridge Hostess

Mrs. Don Eudy was hostess to the U-Deal-Em bridge club, Tuesday afternoon.

Mrs. Miles Sumpter of Borger and Mrs. Max Clark were club guests.

Others attending were Mrs. Skippy Redenius, Mrs. Elton Symons, Mrs. Roy Leatherman, Mrs. Clyde Ragsdale, Mrs. Archie Correll and the hostess.

Mrs. Leatherman held high score for the afternoon and Mrs. Sumpter second high. Mrs. Symons held low score.

At the close of the afternoon a dessert course was served.

## Dorcas Class Has Meeting In Gaither Home

The regular monthly meeting of the Dorcas Sunday school class of the Baptist Church was held April 15 in the D. R. Gaither home at 622 S. Amherst. Mrs. Gaither, Mrs. L. C. Case and Mrs. Nellie Day were hostesses for the occasion.

Mrs. Luther Wade presided for the meeting.

The opening prayer was given by Mrs. Gaither and Mrs. Rupert Allen gave the devotional from the 23rd Psalms.

Elaine Graves and Dolores Clark played three accordin duets. The selections played were "Each Step of the Way," "Just a Closer Walk with Thee" and "It is No Secret."

Valda Jean Day played two piano selections, "Fifth Nocturne" and "Clair de Lune."

Refreshments were served to Miss Day, Miss Clark and Miss Graves and to Meses. F. M. McGee, J. D. Copeland, Audie Conley, Clyde Cofer, Ivan Day, Rupert Allen, J. R. Thomas, Luther Wade, Beulah Stark and hostesses.

## Balzers Entertain At Dinner Sunday

Mr. and Mrs. Lyndon Balzer entertained Sunday with an Easter dinner honoring relatives and friends.

Those present were Mr. and Mrs. J. W. Bobbitt and Bonnie of Clayton, N. M., Mr. and Mrs. S. A. Carpenter and children of Borger, Mr. and Mrs. Dean Burgess of Hendersonville, N. Carolina, Mrs. W. W. Burgess of Mill Springs, N. Carolina, Mr. and Mrs. Johnny Ekest and children, Mr. and Mrs. Roy Boiin and children, Mr. and Mrs. C. E. E. Carpenter and the host and hostess and their family.

## Business Womens Circle Meets Tuesday Evening

Colleen Mitchell was hostess to the Business Women's Circle of the Baptist Women's Missionary Society, Tuesday evening in the home of Mrs. T. R. Shirley, 818 S. Drake.

Mrs. Shirley presided at the business meeting.

Mrs. Dewey Allen discussed "Hawaiians are Americans Too." Mrs. Leo Shuler accompanied by Miss Elaine Graves, pianist, sang "He Lives on High."

Mrs. I. R. Buchanan taught the Bible lesson from the book of Ruth.

Refreshments were served to Meses. Paul Bowen, R. E. Waller, Mae Belle Lawrence, I. R. Buchanan, Pauline Foster, H. C. Brown, Jr., Leo Shuler, T. R. Shirley, Miss Sara Riggs, Miss Elaine Graves and the hostess.

Mrs. Buford Burgner and son, Dennis Lee, spent the week end in Big Spring visiting her parents, Mr. and Mrs. J. H. Turner.

MODERN MINNEHAHA... This fabric pattern was borrowed from the Navajos, uses their tribal swim-suit, by Fred Cole of California has shirred fitting cotton designed by Dan River. ### BALKO News

Carolyn McGlamery

The Junior Class of the Balko High School entertained the Seniors at a Junior-Senior banquet Tuesday night, April 15.

A Hawaiian scene was carried out in decoratious and entertainment.

The faculty and board members and their wives were guests of the classes.

The P.T.A. will meet Monday night, April 21, for their program.

The program will consist of an operetta given by the grade school. Beautiful costumes will be an added feature of the operetta. Everyone is invited to attend.

Approximately five hundred guests attended the Wahl-Gibson wedding which took place at the Balko Baptist Church, Monday night, with Rev. Denny Sullivan officiating.

The first commercial ice plant in the United States was operated in Jefferson, Texas about 1874.

Condensed milk was invented by Gail Borden, a Texan.

### Tuberculosis Is Easy to Transmit To Youngsters

AUSTIN, Texas—Speaking of the susceptibility of children to tuberculosis, Dr. Geo. W. Cox, State Health Officer, said today that few people realize that babies and young children are very likely to become infected with tuberculosis if they are kept in rooms with persons who have the disease, use the same dishes, sleep in the same beds, or are handled and kissed by persons who have tuberculosis.

"Babies and young children pick up the germs of tuberculosis just as readily as they pick up the germs of measles or whooping cough, or of any other of the so-called children's diseases," Dr. Cox said. "But tuberculosis unlike most diseases, has more than one form. Babies who get tuberculosis may not show the symptoms we associate with the disease in older persons. But the disease in most cases develops rapidly and is likely to end fatally. Tuberculosis in babies and young children is a very serious matter, although recent studies have shown that if young children are removed

promptly from contact with the disease and given the necessary care, many lives can be saved." Dr. Cox said that if the presence of tuberculosis is recognized in its early stages and if medical attention is secured promptly, a great deal can be accomplished whenever the disease develops, whether in young or old.

"Tuberculosis doesn't just simply happen. Nobody is born with the disease. Everybody who develops tuberculosis gets it from some other source, and children and young people who have been in contact with persons having tuberculosis are especially likely to contract it."

### New Bed Companion

LONDON (AP)—You smokers can take your pipe to bed if you want—and without any danger of setting the place on fire.

This is the claim of a London pipe manufacturer whose new "Hurricane" pipe is equipped with a plastic cap. The cap pivots for tobacco lighting and prevents ashes being blown about by the wind or clothing being burned by lighted tobacco. The cap has six holes which allow air to penetrate into the pipe bowl.

### Services Held For Mrs. James

Funeral services were held Monday afternoon in the First Baptist church of Lefors for Mrs. Grace James of Lefors, who was killed April 11 in a highway accident near Clinton, Okla. She was a sister of the late R. H. Francis of Perryton.

Mrs. C. D. Russell and children of Perryton attended the funeral services.

Mrs. James, 52 years old, was killed instantly when the car in which she was traveling with her husband, Wilson E. James, 54, crashed into the abutment of a bridge on highway 66 early Friday morning.

Mr. James was hurled from the car and suffered serious injuries. He remains in a Clinton hospital, where attendants described his condition as "satisfactory."

Besides the husband, survivors of Mrs. James include a daughter, Mrs. Kenneth Tubbs, Dumas; two sons, Ernest of Plainview and W. E. James of Troy, Tenn.; a sister, Mrs. Luther Petty of McLean; and a brother, R. M. Francis of Plainview.

### Blood Will Tell

LAUSANNE, Switzerland (AP)—The Swiss Supreme Court has ruled that a taxi driver must not drink any alcohol while at work—even outside the country.

A Zurich taxi driver recently took some customers on an all-day trip to Bregenz in Austria, where he had a good lunch and a good bottle of wine. He knew that in Switzerland taxi drivers were not allowed to drink while working. But this was Austria, he argued, so Swiss laws don't apply.

On his way back to Zurich, he scratched the fender of another car and a blood-test routine procedure in Switzerland, showed that his blood contained 0.1 per cent of alcohol.

The Supreme Court turned down his appeal against a five-day jail sentence on the grounds that he broke the law, not by drinking wine in Austria, but by bringing it back to Switzerland in his blood.

"Enchanted Rock," between Fredericksburg, Texas and Llano, Texas is a piece of granite covering about a square mile and is 500 feet high.

Bobby Stone, who has been stationed in the U. S. Navy in San Diego, Calif., has been transferred to Corpus Christi. His present address is: Bobby Stone, 460 83-04, U. S. Naval Hospital, Corpus Christi, Texas.

### Accent on French

SAIGON, Indochina (AP)—A group of bright young men and women of the American legation in Indochina are going to school every day so they can learn to say much more than "yes," "no," and "thanks" in French.

Vice-Consul William B. Dunn, cultural affairs officer, hit upon the idea to make it easier for American personnel to catch on to the French language, which is No. 1 in usage in this county.

He lined up expert French teachers and fixed classes for 7 o'clock in the morning. They meet for one hour. The early "school" hour hasn't hurt enrollment. The class is off to a flying start with about 20 enrolled.

About half of them are U. S. Marines assigned to duty at the legation.

## No Whipping at State Training School for Boys at Gatesville

GATESVILLE, Texas (AP)—The kid said he was 15 years old and had been in the state training school for boys for four months.

In for selling whiskey. Learn anything here? "Yes, Ma'm. I'm not gonna get in trouble no more."

How's they teach that to you? "I ain't gonna do no more trouble."

Take another kid—he's 14 and has been in for six months for breaking into a service station.

"I ain't gonna do no more," he volunteered.

The boy loafing nearby interrupted: "You'll pay for your own gasoline next time, won't you, bub?"

"You betcha."

The superintendent of the school, S. L. Bellamy, says that the primary purpose of the school is to change the attitude of the boys sent here and lead them to a better way of thinking.

Administration officials would like more workers and a better physical plant to help them do that. And the legislature has helped by appropriating money for a new gymnasium, now nearing completion, and repair of buildings.

Right now the boys are living in bleak, unadorned dormitories—no frills, no curtains, no rugs on the concrete floors. Nothing but iron cots and board tables. A few have couches and game tables in the recreation room.

The cots are upstairs in one huge room, lined up in three rows. In the middle of the room is the floor to ceiling steel mesh enclosing the iron stairway. Against one way are showers and bathroom facilities. In a box attached to the stairway mesh are numbered toothbrushes and toothpaste.

The boys have no closets, no place to put any personal belongings. Underneath their mattresses is the place for comic books, pictures, whatever a boy wants to keep.

Downstairs is the clothes room—wooden shelves on a wall. The school furnishes the khaki shirts and trousers for the boys. And a matron on duty only stays in the clothes room to keep things mended.

There are about 430 boys at the school. They are divided into "companies," of an average of 40 boys each. Each company is assigned a dormitory.

The guards and supervisors at the dormitories and in the kitchen

on dining room, dairy barns, carpentry shop, mechanics shop and fields where the boys work are men. Most of them look like former cowboys.

Just one day's visit at the school left an impression of an atmosphere of "we'll play fair with you—but you gotta play fair with us, too."

Superintendent Bellamy, who has been here less than a year, started a student council in February. A lot of taxpayers commented that's a bunch of mullarky for thieves, forgers, rapists and murderers.

To that criticism, Bellamy replied: "We're going to do everything we can to help the individual kid."

The school has had no whippings in years. Punishment means confinement in what everybody here calls the "bull pen." It's just one of those big barnlike rooms with iron cots, where the boys must stay constantly under guard. They lose privileges such as having visitors on visiting days or going to the movies shown three nights a week on the campus.

Confinement may be anywhere from three to 30 days.

The punishment is decided by a committee of ten members who are administrative officials at the school. The committee meets on each Monday and Friday and calls the boy before it.

"One" we'll call Tommy had been reported for cursing his supervisor in the kitchen detail where he had been assigned.

"Tell us about it, Tommy," said assistant superintendent M. B. Kindrick.

"Well he had that pan of hot biscuits, and I had my hand in the way and I burned my hand and cursed. I was mad at myself for being so stupid."

"You didn't curse the supervisor?"

"No, sir, I was mad at myself."

"Don't you know a better way of expressing yourself?"

"Yes, sir."

Tommy went outside while the committee talked it over. He was called back to be notified that he'd get three days in the bull pen.

Other boys were up for various offenses—fighting with other boys, cursing, running away.

Last year the school had an average of some 27 runaways a month. Most of the boys are caught right on the campus.

Kindrick is chairman of the discipline committee.

## Farmers Leave East Texas

WINNSBORO, Texas (AP)—The farmers are moving out of this part of East Texas. O. J. Gipe says the number of active farmers in the Winnsboro area has dropped from 3,800 in 1940 to between 1,100 and 1,200. Gipe is head of the Hopkins-Rains-Wood and Sulphur-Cypress Soil Conservation Districts.

He blames economic pressure and the temptations of the big cities for the exodus.

"The day is gone," Gipe says, "when just anybody can make a living on a farm. Hit and miss farming today won't provide enough to feed and clothe a family, and keep them warm throughout the winter."

Hallie Veale and Mildred Hogland spent last week end in Amarillo with their sister Tommie Lea Hogland.

## Floating Department Store

VANCOUVER (AP)—Mrs. Bill Graham is flourishing a floating department store along the British Columbia coast.

Three years ago she had a rotting schooner built for her, on the beach. With her father he repaired the vessel, built a plywood superstructure, and she is now a floating store.

Beginning his second float, he set out with his wife and three children with a two-month crew ward with a \$10,000 goods.

## News From ANTHONY

By Mrs. Carl Carter

The Anthony Home Demonstration Club met at the center for their April meeting.

The lesson was "Yard Plants, New and Old."

Roll call was answered with "My Favorite Annual."

Mrs. LaVern Davis discussed forcing bulbs for bloom inside.

Mrs. J. L. Bobbitt discussed bulbs and how to plant outside and Mrs. Leon Morris told of new, and tried, perennials and annuals suitable for this climate.

Mrs. Carl Carter, lesson leader, discussed good perennial plants and Evergreen shrubs for this country. Her demonstration was on forcing flowering shrub branches to bloom early.

Mrs. Vernon Ratzlaff served refreshments to members. Mrs. Ralph Bobbitt, Mrs. Lloyd Brown, Mrs. R. C. Pyle, Mrs. Glen Myers, Mrs. J. L. Bobbitt, Mrs. LaVern Davis, Mrs. Fred Whittet, Mrs. Lewis Whittet, Mrs. Leon Morris, Mrs. Carl Carter and Mrs. Ratzlaff.

Several men of the community helped Leon Morris move his cattle Monday. They had lunch in the Morris home. Those helping Leon were Glen Myers, Carl Carter and Jim Wallace.

Tuesday was a big day for Anthony again as they had been notified that the judges had read the yearly report for the Rural Progress groups and were coming to check projects on Tuesday morning.

Judges this year were Mrs. Lea Moore, Family Life Specialist of Stillwater, Okla.; Myri Gray of Okemah, representing the Extension Service; Mrs. Clarence Roberts of Oklahoma City, Okla. and T. C. Richardson of Dallas, representing the Farmer-Stockman.

Anthony won ninth place, which was a big drop from the last year's second place, but only means that much more work will have to be done before March of 1953 to enable the Anthony community to get the score they desire.

The ladies of the community served a lunch to the visitors. Other visitors attending were Miss Grace Reynolds and Bud Nelson, agents of Beaver, as well as many of the Anthony group.

Rev. Ralph Renfrow was in charge of church services at Anthony Tuesday evening.

Due to the bad weather the crowd was limited, but those present enjoyed having Rev. and Mrs. Renfrow back home. The Renfrows are from the Mountain View Baptist Church. They had supper with the Carl Carters.

The Anthony Rural Progress group met Wednesday evening for their April meeting. They were entertained with several educational films shown by Olan Corley, county school superintendent of Beaver.

During the progress meeting all the chairmen of the projects were appointed for the coming

year and a goal set up for their work. One goal is to help the Bob Wilson family as Mrs. Wilson begins her fight to health, the other major goal will be to improve the Recreation Hall, when it is completed.

Mrs. Jim Wallace and Mrs. Carl Carter served refreshments to twelve families. All members are urged to come, as each meeting will boast some enjoyable recreation.

We are happy that the Floyd Myers have improved since their treatments at the McCleary Clinic in Kansas City. We are glad to have them home again.

The Carl Carters attended church services at the Mission Baptist Church at Perryton Sunday afternoon after having Easter dinner with Mr. and Mrs. O. E. Carter.

As Anthony dismissed their Sunday morning attendance to enable members to attend church elsewhere, many attended different churches.

The Janzens were fortunate enough to get to attend the Sunrise service at Lawton, Okla. Mr. and Mrs. Ralph Bobbitt and family, Mr. and Mrs. Glen Myers and family, M. and Mrs. Jim Wallace, Mr. and Mrs. Leon Morris, Mr. and Mrs. Floyd Myers and Mr. and Mrs. Carl Carter and family attended services at Beaver. Mr. and Mrs. J. L. Bobbitt attended church services at Liberal, Kansas and Mr. and Mrs. Johnnie Davis attended services in Turpin.

The men of the community are working on the foundation at the community center, so as to get the building moved sooner.

Mrs. Jim Wallace received word Monday to meet the bus at Forgan as her sister, who lives at Crescent, Okla., was coming to visit for a few days.

Mr. and Mrs. Joel Fogleman are out at their farm now doing some field work. Mr. Fogleman works in Liberal and they live at the farm only when doing their farming.

## Racketeers Sell Horsemeat for 'Filet Mignon'

NEW YORK (AP)—The sale of about six tons of horsemeat in Bronx and Harlem restaurants and butcher shops as filet mignon and round steak was discovered with the arrest of two men.

One prisoner, describe a member of a ring operating in New York, Buffalo, Jersey City and Baltimore, was caught with two hindquarters of horsemeat in the trunk of his sedan. He was trying to sell the 300 pounds to a butcher who called the police. The other was accused of operating for six months.

The horsemeat was bought out of the state for 25 cents a pound and sold in New York for 50 cents a pound wholesale. The wholesale price for genuine filet mignon and round steak has been around 90 cents a pound.

Mr. and Mrs. Bob Gibson and Mark were guests of his parents, Mr. and Mrs. Virgil Gibson of Pottsville, during the Easter holidays.

**PHOTO QUEEN**—A Carolina "peach" Lu Long Ogburn, is, at 19, and at carrying off honors in beauty contests. She has been recently chosen Miss Carolinas Photo Queen and will delight thousands of visitors to Splash Day activities in Galveston competes for the title of Miss National Press Photographer. Ogburn, of Smithfield N. C., is a piano major at Salem College. She has brown hair, hazel eyes, is 5' 9" and weighs 138 pounds. The beauty activities are to be held on May 3 and 4. As Miss Carolina Photo Queen, she was second runner-up to Miss America. (AP)

**Cancer Sufferers Aided**

SYDNEY, Australia (AP)—Use of antibiotics and the hormone, ACTH, to make cancer patients more comfortable is reported in the Medical Journal of Australia.

The antibiotics are aureomycin or chloromycetin. Added to these drugs the patients received diets low in salt and with added vitamins.

The result, says the Journal, was that patients who had been weak, bed-ridden, in pain, and in several cases expecting to live only a few days or weeks, recovered their appetites. Some returned to work, and pain was less.

The report is by Doctors F. A. Maguire and Mabel McElhorne. No cures are expected.

Mr. and Mrs. Donald Ellis were guests in the Bill Thomas home in Denver, Colo., during the Easter vacation. Mrs. Thomas and Mrs. Ellis are sisters.

Use the Herald Want-Ads!

\$15 million a year to that state's fur trappers.

Although primarily trapped for their fur, nutrias can be eaten. Properly prepared, the pink meat has a pleasing flavor. It is served in restaurants in South America.

Relatively little is known about their living habits. But it has been discovered that the nutria occupies a habitat niche not used by other animals. It prefers deeper and fresher water than the muskrat, and eats the coarser marsh vegetation passed up by other marsh dwellers. Even in well-stocked waters, the nutria has never been seen to eat fish, nor has it shown any inclination to eat the eggs of waterfowl nesting in the same area.

**Company Officials Present For Division Meeting**

Several high officials of the Community Public Service Co., including president R. L. Bowen, were in Perryton Wednesday for a quarterly meeting of the Panhandle Division of the company. C. E. Whippo is manager of the division, which includes Perryton, Higgins, Follett and Spearman.

With president Bowen were B. L. Smith, secretary of the company; John Schell, purchasing agent; George Kent, electrical engineer; and A. M. Feather, district superintendent. All of these officials are from the main office in Fort Worth.

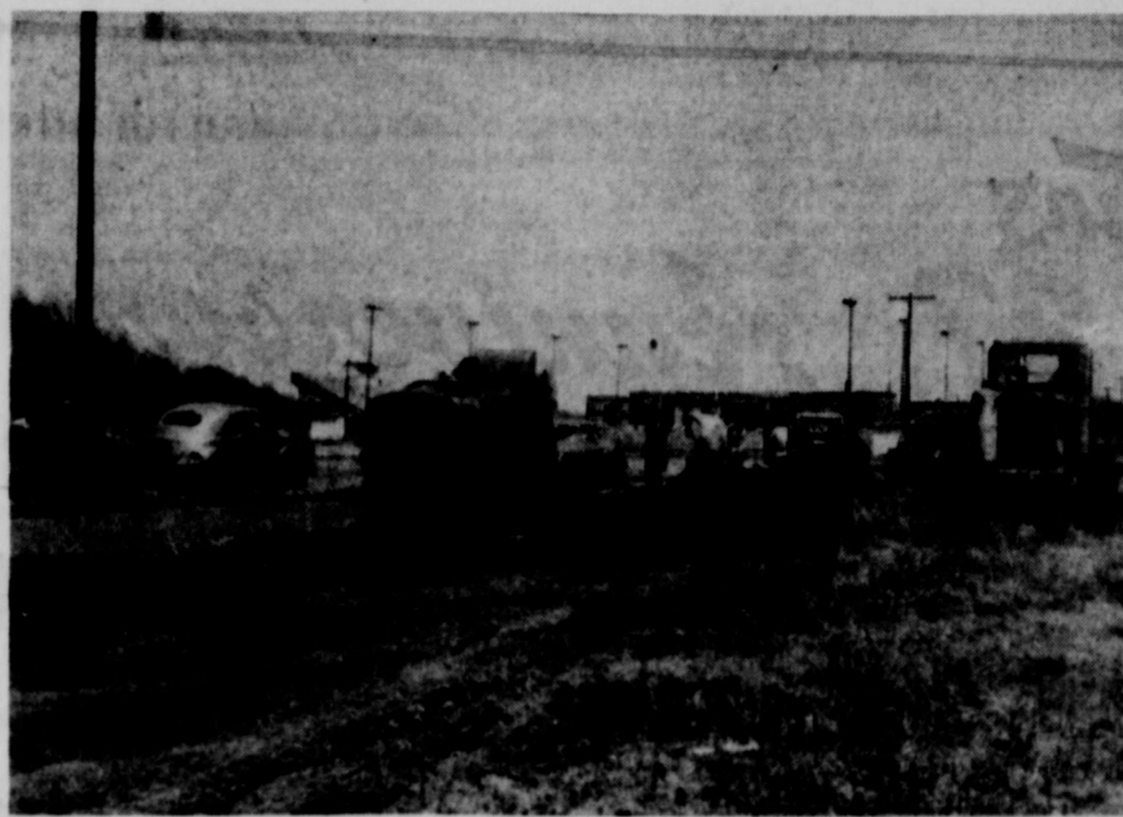

The meeting was held in the Norris Recreation Hall and the program consisted of employee relations, company earnings and future plans.

A noon meal was enjoyed at the Hotel Coffee Shop and the group went to Lake Fryer for the evening meal and entertainment.

Approximately 40 persons attended. In addition to the Fort Worth office officials, out-of-town personnel included Mr. and Mrs. Ray Carmichael and Mrs. Elsie McAdoo of Higgins; E. N. Jennings and Florence Fiskin of Follett; Mr. and Mrs. W. E. Branton, Mrs. Mildred Chamberlain and Jack Voorhees of Perryton. The remainder of the group was from the Perryton office.

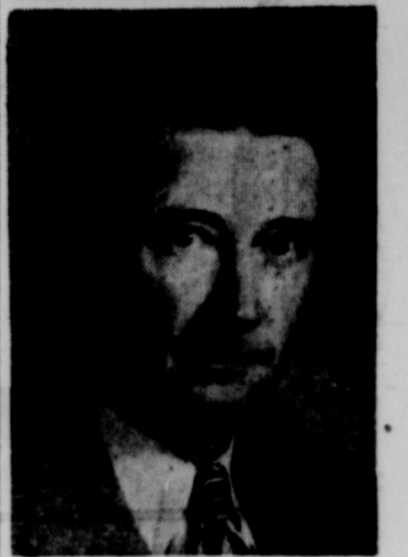

Mr. and Mrs. Jerry Barton and daughter Carolyn Ann of Wichita Falls were guests of her parents, Mr. and Mrs. M. M. Cudd, last week end.

Stanley found Livingston in Ujiji, Africa.

**NEW SEWER LINE**—The city completed a new sewer line to the building site of the Texas Highway Department warehouse this week. The operation took only a few hours with the machinery and equipment of the Bill Wilson Earth Moving Co., plus city workmen and equipment. The ditch digging machine is shown above.

Guests in the R. H. Holland home during the Easter holiday were four students from Wayland College at Plainview, Misses Sue Arashiro, Callie Roby, Nancy Hawison and Koko Maeda and Mr. and Mrs. Dwight Holland of Dodge City, Kansas and Mr. and Mrs. Willbur Holland of Eton town, N. J.

Ginger Rogers won a Charleston contest in Fort Worth, Texas and thereby entered upon the career that led to movie stardom.

**No Handicap Too Great**

POCATELLA, Idaho (AP)—Laverl Johnson bagged his deer on his first shot this year.

Spotting a deer, he dismounted from his horse, sighted with one hand and dropped the deer with a shot through the head. The animal was a running target, 75 yards away.

This isn't too unusual—except that Johnson is a triple amputee and gets around mostly by wheel chair.
