Demo run-off elections are decided

One incumbent was defeated and two re-elected during Tuesday's Democratic run-off in Mitchell County.

Pct. 2 Commissioner Johnny Shackelford was narrowly defeated in his re-election bid by Carl Guelker who had 215 votes compared to 206 for Shackelford.

Pct. 3 Commissioner Buddy Hertenberger won election over challenger Larry Hale 385-293. Hertenberger, who was appointed to the position following the resignation of Hale, will still face Republican challenger Windy Inman in the November general election.

Pct. 4 Commissioner Bill Preston narrowly defeated his opponent, Herman Mitchell, 248-236.

In the district clerk race, Sharon Hammond outpolled Joan Merket 1,224-984. Hammond will replace longtime District Clerk Bill Erwin who has announced his retirement.

In the Justice of the Peace Pct. 1&4 race, Glenda Haltom defeated Becky Manning 673-434. Haltom will take over the position currently held by Joan Merket who was defeated in her election bid for district clerk.

Guelker said "I want to thank everyone who voted and supported me and a special thanks to everyone that worked for me. We knew it would be a close race. I appreciate everyone's confidence and I will work hard for everyone in the precinct."

Hammond also expressed her thanks to voters, adding that "I'm just thrilled to death. I will certainly do the best job I'm capable of."

Haltom said "I'm very grateful. Everybody helped me a lot. Now I'm ready to go to work."

Merket said "I appreciate my many friends and I thank each and everyone for their support."

Neither Hertenberger nor Preston could be reached for comment.

In the statewide Democratic races, Mitchell County voters favored Jim Mattox for governor who had 1,175 votes compared to 833 for Ann Richards.

For state treasurer, local voters cast 986 ballots for Tom Bowden and 864 for Nikki Van Hightower.

For justice, Supreme Court, Place 2, Bob Gammage received 1,231 votes compared to 582 for Ross Sears.

For judge, Court of Criminal Appeals, Place 1, Frank Maloney received 843 votes compared to 795 for Morris Overstreet.

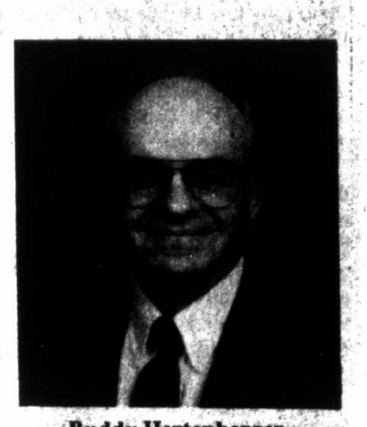

In the Mitchell Republican primary run-off election, voters cast 14 ballots for West Gilbreath for commissioner of the General Land Office compared to 6 for Grady Yarbrough. For agriculture commissioner, Rick Perry received 17 votes compared to 3 for Richard McIver.

City council OKs $2.3 million budget

The Colorado City Council Tuesday night adopted a $2,396,150 budget for the 1990-91 fiscal year which begins May 1.

The budget, which reflects an increase of $35,920 from the present one, shows capital improvements in the amount of $137,500 largely designated for water and sewer distribution line replacement. Debt retirement totals $217,500 for the year.

"Economic conditions will have a large impact on our new year," said City Manager Brenda Hammond. "A water rate increase has proven necessary for 1990-91 since operatings have been funded at the same water rate since 1985."

The minimum water bill for the first 3,000 gallons of water used will remain the same at $10. After the first 3,000 gallons, the price per 1,000 gallons will increase from $1.25 to $1.50.

"Due to more stringent state and federal regulations and inflation, the budget reflects increases in expenditures for laboratory samplings, underground storage tank compliance, legal fees and continued additional landfill regulations," said Hammond.

"The proposed budget reflects a continuation of efforts to maintain an adequate level of services while improving the quality of public facilities," she said.

Hammond describes the new budget as "very conservative, yet functional."

The primary goals during 1990-91 will be to:

1. Maintain the present level of city services now being provided.
2. Maintain near the city employment level.
3. Continue providing an adequate level of police and fire protection.
4. Capital improvements of $137,500 including water lines, meters, equipment replacement.
5. Debt retirement of $217,500 on bond issues.
6. Continued education for employees to meet state and federal guideline requirements for job certification compliance.
7. Continued Colorado City Cemetery improvements.
8. Continued park improvements.
9. Continue efforts to upgrade the utility systems, streets, alleys.
10. Continue efforts to acquire state and federal grants to upgrade the city's infrastructure.
11. Continuation of efforts to increase productivity and proficiency in daily operations.

In other business, the council adopted a five-year capital improvement plan for 1991-95. The plan describes what projects will be undertaken in each fiscal year and describes when bond elections are anticipated for necessary projects. The plan was formulated by a committee composed of council members Dee Hearn, Bob Reily and Jim Baum along with

REGIONAL BOUND - Members of the Colorado High School one-act play are all smiles and display the trophy they won after the play was selected to advance to regional UIL competition at the area contest last week. First row, from left, are James Cook, Brenda Espinoza and Rachel Forehand. Second row, from left, are Todd McNeal, Chris Lynch, Jennifer Scitern, Amy Moore and George Levesque. Third row, from left, are Wesley Brown and Mandi Farris. Moore was named best actress and Levesque best actor while Farris was named to the all-star cast at area. Regional competition will be April 20 at Odessa High School.

County approves library repairs

The Mitchell County Commissioners' Court Monday afternoon awarded a $3,947 bid to Bolin Construction of Colorado City for repairs to the county library.

Work slated for the library includes repairing cracks in the walls and preventing other cracking from occurring.

The only other bidder for the project was Lee George Construction of Big Spring which bid $6,875.

In other business, the commissioners authorized their lawyers to draft a management and operators agreement with Private Prisons of America, Ltd. (PPAL) which is proposing to construct a 500-bed workcamp in Mitchell County.

After reviewing a proposed contract from PPAL, commissioners decided to have their lawyers draft a contract.

Commissioners gave approval to the Project Celebration committee to use the county ag barn on the night of May 31 for a drug-free and alcohol-free graduation party. Commissioners

CISD trustees accept resignations

The Colorado ISD board of trustees Monday night accepted the resignations of high school math teacher Bo Merket and Hutchinson Elementary gifted and talented teacher Ethelyn Lancaster, both of whom plan to retire at the end of this school year.

The board approved the recommendation of CHS principal Jerry Reynolds to hire Todd Pollard as a math teacher for next year.

In other business, the board opened bids on property and casualty insurance, but took no action until the bids can be studied and prices confirmed on professional liability insurance. Submitting bids were the Texas School Board Association and Ratliff Insurance Agency and Lovell-Carr Insurance Agency, both of Colorado City. The two Colorado City insurance agencies submitted a joint bid. The present insurance coverage expires April 20.

The board named business manager Geneva Findley custodian of records for the May 5 trustee election and approved election judges and alternates.

The board discussed the Frank Brownfield Educational Trust Scholarship and agreed to honor the scholarship this year, but to study at a later meeting other options for which the trust might be used.

Cafeteria director Christine Cooley gave an update on the cafeterias, saying that lunch participation is down.

The board approved a policy update concerning student attendance in order to comply with new state laws.

School trustees also approved the continued employed of non-contract personnel for the next school year.

Four file for hospital district board

Mitchell County Hospital District voters will choose from a field of four candidates when they fill three expiring board places in the May 5 election.

Filing deadline was 5 p.m. Tuesday.

The candidates are Margaret Baum, Connie Penland and incumbents Virgil Stone and A.K. McCarley Jr.

Not seeking re-election is Linden Solomon.

Project Celebration scheduled

The Colorado High School senior class has chosen "Blood, Sweat and Cheers" as the theme for this year's Project Celebration.

"This is probably a pretty appropriate theme since the seniors have certainly put a lot of blood and sweat into the last 12 years of school and now it's time for the cheers," said Roxie Strain, general chairman. "We are hoping to get NIKE to help sponsor Project Celebration because this is a slogan used on their commercials. We will be in contact with them now that the theme has been chosen."

Project Celebration is a drug-free, alcohol-free all-night party for all high school students held on graduation night, May 31.

"Besides a variety of games, dancing, various contests and lots of food, there are lots of nice prizes given away all during the night," said Mrs. Strain. "This is all an incentive to draw these teens in for a well-sponsored good time with no drugs or alcohol."

"Graduation night should be a joyous occasion for all graduates, their family and friends, and this party was originally started in 1987 to provide an opportunity for the students to get together one last time and have a night filled with fun and friendship," said Mrs. Strain. "Hopefully, it can prevent any tragedies that sometime occur at this time of year because of partying and driving 'under the influence'."

Much of the work for this night is done by the senior class members themselves, and they are involved in much of the decision making, too.

PROJECT CELEBRATION - These Colorado High School students display a poster revealing the theme ("Blood, Sweat and Cheers") of this year's Project Celebration, the drug-free and alcohol-free graduation party. First row, from left, are student committee members Mendy Conner, Sunnye Biggs and Mary Ann de Loera. Second row, from left, are Gabriel Ornelas and Mark Alvidrez.

A "Senior Day" at the Sonic Drive-In is planned for April 21 to kick off the donation drive. On that day, seniors will be car hops and all tips will go to Project Celebration.

Also, the seniors will be soliciting donations of time, money and prizes from merchants.

"The seniors and underclassmen are very supportive of this event and put a lot of time and effort into making it a success," she said. "What makes this night a real success is community help and involvement. We want to encourage all parents and anyone else interested to get involved with Project Celebration. We need your support and your willingness to help work at this to make it a success for the kids."

Those wanting to help should contact Mrs. Strain at 728-5453, co-chairman Ann Galey at 728-5749 or parent/sponsor chairman Judy Chapman at 728-5366. Donations may be sent to Melinda Hoover, treasurer, at 1325 Walnut, Colorado City, Texas 79512.

LULAC lawyer indicted by jury

Ruben Sandoval, counsel for the League of United Latin American Citizens (LULAC) and the attorney representing the Sammy Gomez family in Colorado City, was one of four people indicted on charges of illegally promoting lawsuits and soliciting business after the state's worst school bus accident.

Sandoval is the attorney who has repeatedly called for continued state and federal investigations into the 1988 police shooting of Gomez.

Sandoval and three others were indicted on barratry charges last Friday, but their names were not revealed until Monday. The three lawyers and a secretary are accused of illegally soliciting business from survivors and relatives of victims of a school bus wreck that killed 21 junior and senior high school students in the south Texas city of Alton last Sept. 21.

Dozens of people have sued Valley Coca Cola Bottling Co. Inc., whose truck ran into the school bus at an intersection and forced the bus into a water-filled pit.

The charge against Sandoval brought an angry response from LULAC president Jose Garcia De Lara who called the charge the result of a "vendetta" by a "mean-spirited" district attorney and disgruntled lawyers.

Punishment is up to one year in jail and a $2,000 fine. Those convicted also can face sanctions from the State Bar of Texas, including disbarment.

Hidalgo County District Attorney Rene Guerra said a grand jury began an investigation after officials heard that attorneys or their agents were trying to generate business at wakes, hospitals and funeral homes. Some families received letters of condolence with attorneys' business cards attached, he said. More indictments are expected, Guerra said Monday.

When Sandoval's law firm was hired to represent two of the victims' families, officials from the McAllen LULAC office accused him of taking advantage of his position with the civil rights organization to get business for his practice.

Holy Week services continue

Annual Holy Week noon services, sponsored by the Mitchell County Ministerial Alliance, will continue Thursday and Friday at the First Baptist Church in Colorado City.

Services will take place each day at noon and last for a half-hour, with lunches being served at 11:30 a.m. and 12:30 p.m. daily.

Over 15 churches are participating in the leadership of these services which are designed as a time for community-wide Christian worship to celebrate Christ's death and resurrection.

The Holy Week services are televised locally on cable channel 6, thanks to Tele-Media.

At the noon Maundy Thursday service, Brother Tommy Taylor of Loraine United Methodist Church will preach a sermon on "The Word of the Revolutionary: 'Remember Me!'" from Luke 23:37-43. Christian vocalists will be Anita Biggers and Darlene Rankin.

The noon Good Friday service will have a homily on "The Word of the Centurion: 'Truly a Son of God'" from Mark 15:33-39 given by Keith Post, minister of the Loraine First Baptist Church. Musical soloists will be Wayne Pierce and Molly Silva.

Serving as organists are Betty Sayger and Mary Ann Wright. Pianists will be Connie Penland and Fern Culbertson.

GIANT THANK YOU - Students representing classrooms at Kelley Elementary present a giant thank-you card to Pizza Hut employees Mary Campbell, Frank Salazar and Judy Martinez in appreciation of the Book-It program sponsored by Pizza Hut. Students participating in the program received a personal pan pizza for meeting their reading goal each month and classrooms which met their goals received a pizza party at the end of the four-month period. Principal Juan Espinoza said 5,051 books were read by Kelley students participating in the program. Students presenting the thank you card are, first row, from left, Julian Macedo, Melissa Parham, Faith Cundiff, Jerret Wilbourn, Monica Franco, Payton Kemp, Alison Stepp, Shanti Ross and Jennifer Lokey. Back row, from left, are Marcy Espinoza, Melissa Rogers, Mrs. Campbell, Mr. Salazar, Mrs. Martinez, Carlos Silva, DJ Rivera and Frank Ortiz. First classes participating were Janet Mayo's and Barbara Hammond's. Second grade classes participating were those of Wilma Reynolds, Renee Marshall, Amy Moore, Cindy Bowen and Jeanne Ellis.

Chapter inducts members

The Beta Epsilon Chapter of Delta Kappa Gamma met April 3 in the home of Barbara Hammond. Other hostesses were Patty Pharis, Orphie Conner, Kitten Arthur and Fanny Fay Feaster.

Betsy Aycock gave the opening invocation.

Chapter business was conducted by Janet Mayo, president. She introduced two special guests from Brownfield; they were Mrs. Carmen Camp, Area XII coordinator, and Mrs. Adene Dixon.

The ceremonials committee, Margaret Rees, Orphie Conner, Gaye Carpenter and Sonja Hanks, conducted an initiation ceremony for two new members, Janet Moore and Brenda Martin, both teachers in the Loraine ISD.

Marian Craddock, program director, and Janet Mayo presented the program on reorientation. They told how the states and local Delta Kappa Gamma chapters were named according to the Greek alphabet and when, where and by whom the society was founded. They also told of structure of the organization, when conventions are held, what the publications are, types of memberships and many other informative facts.

Others attending were Debbie Blair, Janie Lou Greenlee, Wilma Reynolds, Jean Robinson, Edna Thompson and Kathy Wilson.

The next meeting will be May 1 in the C.C. Thompson Room of City National Bank at which time new officers will be installed.

Noah Project is explained to group

Fairview Extension Homemakers heard a program presented by Linda Scalf, director of the Noah Project, on Thursday, April 5, in the home of Rhonda Lain of Westbrook.

In explaining the name "Noah", Ms. Scalf said that it means "new life" or "new hope" and is a fitting title for the center for victims of domestic violence and trauma.

The center in Snyder serves six counties and has been operating since 1984. It is one of 65 shelters in the state. It offers 24-hour emergency shelter, a 24-hour crisis line, counseling services, medical assistance, transportation and legal counsel.

"Every person has the right to live in a protected environment," said Ms. Scalf, "but statistics show three to four million American women are battered each year; also that battering of women is the most underreported crime in America."

She said one-third of the cost of the project is funded by a federal grant, one-third by the governor's office under the Department of Human Services and the final one-third from the local community. The telephone number in Snyder for the center is 573-1822, the 24-hour hot line number is 1-800-444-3551.

Refreshments were served after the program and a short business session followed. Those present were Faye Faries, Peggy Faulkenberry, Velma Hester, Ginny Moore, D'Dee Morris, Muriel Thurman, Brenda Casey, Billie Smith, hostess Rhonda Lain and guest Linda Scalf.

The next meeting will be in the home of Ginny Moore, April 26, with Brenda Casey giving a report of the district meeting and each member bringing a favorite recipe to share.

Breast cancer detection unit to be here April 23

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's & Children's Hospital in Odessa, "the death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists."

By using modern state of the art x-ray equipment breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90%-97% survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50% survival rate in five years.

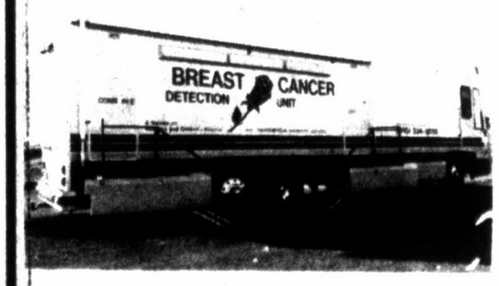

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women on Monday, April 23.

The mobile unit will be parked at Mitchell County Hospital, 1543 Chestnut, Colorado City. Appointments may be made by calling 728-3431, ext. 222.

For more information you may call the Regional Breast Care Center at Women's & Children's Hospital at (915) 334-8888/561-9999.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer.

Ninty percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. The cost is only $60.00

A mammogram can detect a cancer this small, ● even before it can be felt.

I had a nice young visitor early this morning in the person of Helen Gomez. She is one of the young parents trying to channel interest of parents and friends back to the school.

The Junior-Senior banquet will be on April 21 at 7 p.m. These young mothers are inviting parents and grandparents and friends to come about 6:15 or 6:30 and gather on the sidewalk outside the entrance door and watch these kids as they arrive in all their finery.

You are not to enter the building at all, just watch them arrive and let them know you are interested in them and their success in school and in life.

You may bring you a chair if you are not able to stand that long, just be sure you are not blocking someone's parking and leave a walk way for the people going to the prom. When it is almost 7 you may leave and go wherever you wish, but be sure you leave the school and its grounds to the juniors and seniors as it is their night. Thank you.

Last Saturday we had our fire department's farm sale and it was a huge success as far as I could tell. We had that gin yard and cotton yard covered up and the sale moved along real well all day long.

I noticed we had lots of help from people not members of the fire department. The wives of firemen operated our concession stand and did a good job. We all had certain hours to work and everyone that I know about was there to take her turn. I worked with Mary Rose Templeton Bowen and really enjoyed it and I am sure she did also as she is trying to get our citizens sorted out as to who belongs to whom. She was raised here and went through school here but after college she married old Charlie and lived in Abernathy most of her married life until they moved back here.

We had lots of cash donations, sold lots of brisket etc. I noticed Casey Merket taking orders for brisket. Thanks Casey.

Thanks to Royce Beights and company for allowing us to use some of his equipment, to Coca-Cola for the use of their concession, to Mike Gage for cooking brisket, to T. J. Green Jr., who also cooked and donated lots of things to us. Also to Co-Op Gin for allowing us the use of their property, to Mike Hemphill for the use of their truck.

We also had operators for the truck in the persons of Ricky Bailey and Dell Haltom. They are also members of the fire department. My, but doesn't it pay to have youth. Also to Betty Hackfeld and crew for cooking our beans.

I noticed we had a large crew of young farmers and farm related young men. We are very pleased you chose to come visit us. Many of this group gave cash donations, many bought briskets, etc. Thanks to all of you.

I must also say thanks to Frank Garcia who finished cooking Mike's brisket as Mike wanted to attend some sort of air show on Saturday.

* * *

I happened to run into Shorty Boyd in Green's yesterday. He looks good and I guess he is doing fine as Adline had him shopping.

* * *

Saw Ted and Lula Lefevre at the auction Saturday. They ate lunch, visited with lots of people, bought a brisket, Lula flashed her pretty smile at everyone. Thanks guys for still making an effort to help out when you can.

* * *

Rex McDaniel has been a sick fellow for several days but at the last report he is better. We are glad to report that to you.

* * *

Jimmie Jacks, daughter of Effie Wheeler fell recently and broke her hip. She is in a San Angelo hospital and is doing fairly well. Best of luck Jimmie.

* * *

I saw Nathan Hoyle and his wife in town one day last week eating at the Cree-Mee. Was nice seeing them.

* * *

Also saw Junior Beights and Donald Graham at lunch.

* * *

Dwight and Carla Aston were in town visiting her parents Gene and Chrystene Britton. The Brittons are expecting Jana and her family for Easter.

* * *

Chris Phillips will play in the regional 10-A golf tournament in Abilene April 23-24 having won first medalist in the district class A tournament played in Sweetwater.

* * *

Saw Dual and Opal Jo in Colorado City last week. Also saw Dual at the sale on Saturday. He stayed most of the day so I guess he feels good and I am glad.

* * *

Audie Boyd will be buried here this afternoon. Poor fellow he has been real sick for quite awhile. I am sorry about Audie and my heart goes out to his family, wife and four children and grandchildren. May God bless you all.

Loraine has had Audie and his family for lots of years and we will miss seeing him up and down

* * *

Melissa we are so happy you and the girls did not get hurt in your accident. We can fix pick-ups but not always mothers and children can be fixed if hurt very badly. Happy you all three are okay.

* * *

Saw Henry Hoyle and Terry Haggerton at the sale. Also lots of other people we had not seen for a while.

* * *

Also saw Prissy Thompson and a friend for lunch at the sale.

The UMW of the Methodist Church have just completed their study on the Phillippines which has been very interesting.

Lola Faye Bennett is the study leader and she found some very interesting people who know a lot about the Phillippines.

Dr. Aguillon's wife told us a lot about the islands and the people. It seems Luzon, the northern most island has more activity going on, the Christian and Catholic religion seem to be the dominant church groups, the southern most mindanas have severe kind of religion and most of the smaller ones are uninhabited, she said. Some might have just a grass covered building but on most of them was nothing and also Mrs. Elsie Doweden of Snyder gave us a lot of information. Her son married a Phillippine girl and she visited in the Luzon area last September which seemed to be where her daughter-in-law folks lived, said they toured by house but did not visit any churches. They did drive up in front of a large Methodist Church but did not go inside.

You are invited to an Open House Brunch Saturday, April 14 at 10:30 a.m. and come as you can until noon. We are celebrating the completion of a big remodeling project.

The menu is as follows: baked ham, eggs, angel biscuits, gravy, jam, jelly, juice and coffee or tea. There will also be a western swing band to play for your listening pleasure. Contact Harris or Blondie Hamilton for tickets. Adult charge is $3 and children under 12 is $2. Everyone is welcome.

For helping with the enormous project we would firstly like to thank Judge Mac Morris, Commissioners Court and Bill Preston. A special thank you goes to Gus Armstrong for all his work on many different jobs. Also to Harris Hamilton, Iva Armstrong and Bobby Hamrick and to Mike Gage for donating building material.

And toward the carpet fund thank you's go to Willis and Era Cornutt, Bea Looney, Roy and Mary Helen Price, Richburg Family Reunion of 1989, E. J. and Billie Schroeder, Corene Taylor, Floyd and Estha Coffee, Wayne and Lynette Dubose, Everette Stagner, Effie Wheeler, Ralph and Veida Gage, Homer and Ruth Richburg, Margaret Brame, Grady and Elnora Mitchell, Sybil Walker, Bennie and Jesse Black, Bessie Ann Vaughn, Harris and Blondie Hamilton, Mitchell County Gin, Dorothy Johnson, Woodrow and Hazel Pratt, Loraine Co-Op Gin, Homer and Gladys Hart, Kenneth and Juanice Butler, Mattie Neely and Bobby and Jackie Holman. Also a thank you goes to all the many people who daily donated their pennies and pocket change toward this fund.

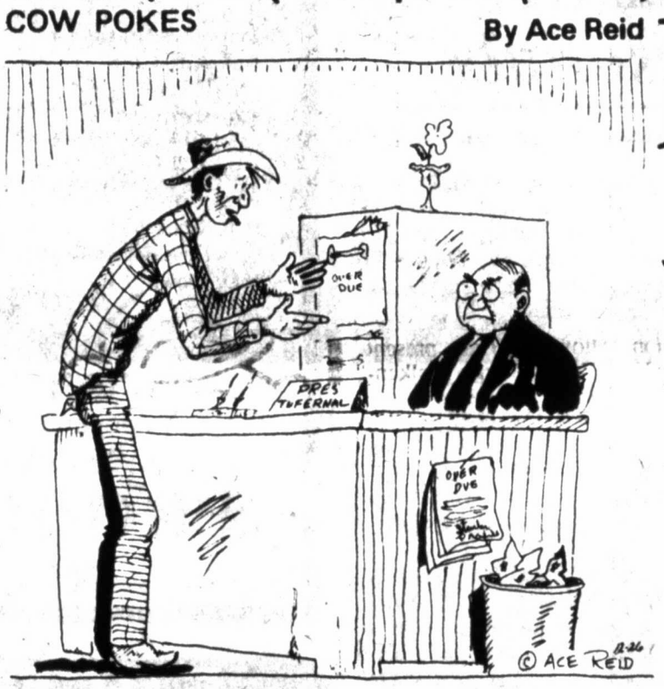

We must not forget Dorothy Haltom who wrapped 25,127 pennies.

If we have left anyone out please let us know and your name will be listed later.

Now that we have this comfortable and attractive place to meet and socialize, please come join us each Monday, Wednesday and Friday.

Have some fun and see you at the Center!

CONTEL OF TEXAS ONE CALL DON'T DIG 1-800-628-2DIG CABLE CALL BEFORE YOU DIG

At Contel, we know how important a properly functioning phone system is. Sometimes, it can literally be a matter of life or death.

Unfortunately, not everyone understands. Every month--especially in the spring--numerous phone cables are cut in Contel's local serving area due to digging.

Contel posts warnings on telephone line pedestals and along cable routes indicating where cable is buried in the area. A toll-free 24-hour telephone number (1-800-628-2DIG) is printed on those warnings so that anyone planning to dig can call Contel. We will immediately dispatch someone to mark the exact cable location, free of charge.

Please, call Contel before you dig. Because when you cut a phone line, it is more than just inconvenient. A lot more.

We go out of our way.SM

Letters to the Editor

We need to know whole picture

TO THE EDITOR: The people of Mitchell County are facing a critical time in the history of our county. Decisions are being made that may cause the county to escalate in population...or to dwindle away to a ghost county, with living conditions too poor to tolerate.

I really do not know which situations will develop with the coming of the landfill. I wish I did know more about it. I have many questions - just like the rest of the "thinking people" of our area. I would like to see more on the subject, talk to more people who have experienced these same decisions, listen to more ecologists and industrialists who have studied the problems. I want to be more informed.

One of the things that bothers me is that since Lake Colorado City has been built, I have been told that only the rain that falls on the "water shed" on the Iatan flats will help the level of the lake. Is this near where the trash will be dumped? In my ignorance, I don't understand what is going to happen to our water shed. I am sure there is an answer, but I want to hear it. On the other hand, what are the benefits the citizens of our county will receive? Will we receive enough money to help us clean up our downtown area, beautify our river, pave our streets and fix our water supply? We need these things.

I said we are facing a critical time here and now. We are. But I really do not believe the crisis is whether or not the landfill will be located in Mitchell County. I believe the crisis is whether or not the people of the county are allowed to speak and ask questions and receive answer, becoming better informed citizens and more qualified to decide on this issue. Then will they be allowed to make the decision to reject or welcome this project?

I speak to both sides when I beg you to listen! Listen to your neighbor question or answer...but listen! When I hear of people having their jobs threatened; when I discover the service clubs have not heard both sides of the issue; when I fail to hear on our local news station that an individual protested the project at the town meeting; when I hear people say they are **afraid to speak out on this issue**...then I know we are facing a critical time.

The critical time is not deciding on the landfill...that is an enterprise that may be good or bad. But the crisis is **Will the citizens of our county be allowed to express themselves?** This is a freedom Americans have fought and died for...will continue to fight and die for. Do we live in Nazi Germany or Communist Russia so that we may not question our government and make the final decisions ourselves? This is the crisis! If the people of Mitchell County can calmly sit down and work out this problem, solving it in the best interests of the citizens, publicizing both sides of the question, hiding nothing from either side, then Mitchell County will not be so desperate for industry. We will be the kind of county that pulls together and works out our solutions. That is the type of people with whom industries approach and work.

Please, Mitchell County, take your time on this project. Let us all become educated and when we do know the whole picture, then we will pull together.

Coleen Palmer,
Colorado City

He'll keep his 25 cents

TO CITY OFFICIALS: As a new customer of city services, having just moved in from the country, I feel I should explain why I am not participating in the voluntary cemetery donation drive on my first bill.

In January, 1985, MY concrete border around MY cemetery lot was damaged by city employees. I was told it would be repaired. In the ensuing five years, I have had meetings with Kiker-Seale, the City Manager, and the Director of Public Works. On one occasion I met with Brenda Hammond and Buz Rich at the site, showing them the damage. I was promised, again, that it would be repaired.

At the same time my border was damaged, a metal military marker on the grave adjacent to my lot was ripped from the earth and pushed aside - away from the grave it was marking. I reported this, also. Eventually, I put it back in place myself - however, it is still not anchored and in time will probably be lost.

Five years is a long time. Just wanted someone to know why you were not getting MY quarter. When my border is repaired, I'll be glad to donate to the cemetery fund. Until then - I'll keep my twenty-five cents.

W.B. Yancey

EDITOR'S NOTE: City officials and Kiker-Seale Funeral Home officials agreed to share in the cost of repairing the concrete curbing to Mr. Yancey's cemetery lot. Repairs were to have been made Wednesday.

Nice things still happen and there are still nice people in our world. The afternoon we had our last bad sandstorm when some folks had wind and hail and lightning, a pickup drove into our driveway and a young man happened out and ran up to our door. When Earl answered it was Ricky Bailey. He said your shingles are rolling up and he got his hammer and nails and ladder and went on top and fixed them. Thanks Ricky you are a nice fellow.

The City of Loraine has adopted complaint and grievances procedures regarding its Texas Community Development Programs. These procedures outline the steps for a citizen to follow if he wishes to file a written complaint about proposed TCDP activities or implementation of past TCDP assisted activities. The City will make every effort to respond fully to such written complaints within 15 working days. Citizens may obtain a copy of these written procedures at the City Hall between the hours of 8:00 a.m. and 5:00 p.m. on Monday through Friday. Citizens may also request the procedures be mailed to them by calling 915-737-2222, at Loraine City Hall.

Rev. George Arthur Shoff, 84, of Mansfield, formerly of Colorado City, died Thursday, March 22, 1990 in South Arlington Medical Center.

Services were Monday, March 26, in Oakdale Baptist Church in Mansfield with Dr. Donald Shoff, Rev. Claude Craven, Rev. J.D. McBrayer and Rev. Buck Hatfield officiating. Burial was in Emerald Hills Memorial Park, directed by Blessing Funeral Home.

He was born Dec. 7, 1905 in Wymore, Neb., the son of George Washington and Luella Marie Ticnor Shoff. He married Mary Deama Pickett on April 14, 1930 in Ponca City, Okla.

He was an ordained Baptist minister for 52 years, and was assistant pastor of Oakdale Baptist Church where he was a member.

He was a 1922 graduate of Wymore, Neb. High School and attended the Bible Baptist Seminary in Fort Worth. He pastored churches in Wellington, Clovis, N.M., Dalhart, Colorado City, Snyder, Grand Prairie and Mansfield. In Colorado City he was pastor of Southside Baptist Church (now Central Baptist Church) for seven years.

Before becoming a minister, he was a professional bricklayer.

Survivors include his wife, Mary Deama Shoff of Mansfield; two sons, George J. Shoff of Arlington and Dr. Donald G. Shoff of Laverne, Calif.; a daughter, Mary Ann Shurley of Mansfield; a sister, Eula Miller of North Miami, Fla.; eight grandchildren; and five great-grandchildren.

Those attending were: Bessie House, Pansy Northcutt, Christene Bell, Ione Watson, Eunice Hamilton, Irene Christian, Cleo Bratcher, Ruth Geiger, Lucy Breeden, Clydine Kimbrell, Ada Brubaker and a visitor, Ruth Copeland.

Mayfest activities scheduled

The Mayfest committee has been meeting to plan this year's activities for Saturday, May 5.

The events planned so far are:

- Boat and recreational vehicle booth displays;
- Armadillo Races, downtown, 6 p.m. - $100 to first places, $25 to second place, $15 for cutest (no painting allowed) and $10 for best named;
- Games and entertainment - all day;
- 1 mile fun run and 1 mile fun walk, 4 p.m.; 5K run, 5 p.m. (Start at courthouse. Call Mary Lou Costibile at 728-2186 for more information);
- Fish fry from 5-7 p.m.

Sidewalks will be marked for arts, crafts, food, novelties, games booths. Drink concessions will be by the chamber only. Sidewalk space will be $5 for individuals, businesses and for the organizations needing a fund-raising project. Booths will be rented on a first come basis, with electricity and shade limited (early reservations urged).

A bass tournament also is being sponsored by the chamber for Mayfest. Entry fee is $40 with $4,000 guaranteed for cash prizes. For information and entry forms, call 728-5396 nights and 728-2662 days.

For more information or to make booth reservations, go by or call the chamber office at 157 West Second, 728-3403.

Friday the 13th fosters fear

Forget walking under ladders or crossing the path of a black cat. That double whammy of bad luck, Friday the 13th, is right around the corner. Even people who think themselves entirely unsuperstitious may show slight symptoms of unease when the 13th falls on a Friday, as it will in April 1990. Fear of Friday the 13th evolves from "triskaidekaphobia," fear of the number 13, and the long-held notion that Fridays are unlucky.

The uneasiness about 13 may be related to the fact that 13 sat down to the Last Supper, that the Romans associated 13 with death and misfortune or that 13 is one more than 12, a number of completeness. The additional number, 13, has the connotation of dangerously exceeding proper limits, of going beyond a natural cycle, or starting on a new and uncertain course.

Every year has at least one Friday the 13th, but never more than three. Two Fridays in 1990 fall on the 13th day, the one in April and another in July.

Public Notice

Southwestern Bell Telephone Company intends to file an application with the Texas Public Utility Commission to introduce new optional services - Call Control Options. The initial service areas will be Laredo, McAllen and Austin. Expansion into other service areas will be based on availability. Customers in other areas will be notified when these services become available.

Call Control Options include six new services - Call Blocker, Call Cue, Call Return, Priority Call, Call Trace and Selective Call Forwarding. The features will be available to single-line residence and business customers.

Call Blocker - enables the customer to block incoming calls from a maximum of three specified telephone numbers and/or to block the last incoming call.

Call Cue - enables the customer to automatically redial the last outgoing telephone number dialed. If the recalled number is busy, equipment will monitor the line for a maximum of 30 minutes and will let the customer know when the call can go through.

Call Return - enables the customer to automatically redial the telephone number of the most recent incoming call. If the number is busy, Call Return will continue to dial the number for up to 30 minutes, or until it completes the call.

Priority Call - provides the customer with a distinctive alerting signal, ring or Call Waiting Tone (if the customer has subscribed to Call Waiting), when the customer is called from a maximum of three preselected telephone numbers.*

Call Trace - enables the customer to initiate a trace of the last incoming call received. The number, date and time will be recorded by Southwestern Bell Telephone so that the call's origin can be identified.

Selective Call Forwarding - enables the customer to forward incoming calls from specified telephone numbers (maximum of three) to another telephone number.

Proposed Rates (monthly)

	Residence		Business	
	Individual	Packaged	Individual	Packaged
Call Blocker	$3.00	3.00	$3.00	2.00
Call Return	3.00	3.00	4.00	3.50
Priority Call	2.50	1.00	3.00	2.00
Call Cue	2.00	2.00	4.00	3.50
Selective Call Forwarding	2.00	1.00	2.65	1.00
Call Trace**	1.00	1.00	1.00	1.00

Installation charges for residence customers will be $2.70 per feature,with a maximum installation charge of $5.40 per request per line. Installation charges for business customers will be $5.40 per feature, with a maximum installation charge of $10.75 per request per line.

The proposed date for Call Control Options to be offered is May 1, 1990. These services, however, will not immediately be available to all customers in all areas of the state. Customers in other areas will be notified when these services become available.

Call Control Options are projected to generate first-year annual revenues of $1,761,000.

Persons who wish to comment on this application should notify the commission by April 20, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

Southwestern Bell Telephone

*Some telephone equipment may not be compatible with Priority Call Service.
**In addition to the $1.00 monthly rate, Call Trace will cost $8.00 per use.

To the people of Mitchell County...

Hanks Oilfield Service, Inc. has been tied to Mitchell County for many years. Our tax money is here and most of our workforce lives here. So when issues concerning the future of the county and its citizens arise, we are concerned.

Several people want to know how we stand on the issue of the landfill proposal. Our position is simple; we want the best for this county and its citizens. We are neither for nor against the proposal. We are for educating the public on the positive and negative aspects. We encourage each person to ask questions and become informed. We hope each side is given equal opportunity to present its side, and that the public listens with an open mind.

When the safety of the people is in question, and the economic future of the county is at issue, let us all take the time and make a decision that is based on fact.
