

A few facts you might like to know about your representatives in Washington were supplied in the January issue of ADA World, the publication which is generally regarded as the official mouthpiece of Americans for Democratic Action, which happens to be about the most socialistic organization of the country. It has a long record of advocating policies and programs that harmonize with the communist line.

As pointed out in this week's Farm Bureau Bulletin, ADA World rates senators and representatives by its "liberal quotient." That is, the legislator is rated according to his voting record as compared with the ultra liberal policies of the ADA. A good grade means that he goes along with ADA. A bad grade means that he does not.

Well, according to that score card, Congressman Graham Purcell and Senator John Tower could not possibly be worse. Both got a zero. On the other hand, Senator Ralph Yarborough got a score of 78, which was bested only by one of this state's representatives in Washington. He's one of the more faithful followers of the ADA line.

All of which also serves as a good guide for conservatives to form opinions of the legislators. All one needs to do is apply the opposite interpretation. The high ADA score indicates a lousy record in relation to the standards of traditional Americanism and good government. The low ADA score indicates a good record. The lower the better, which means perfect in the cases of Tower and Purcell.

Obviously the ratings are given to inform ADA members and others of similar socialistic convictions just who are their friends and enemies in Congress. However they also serve to tell us other people who are our enemies and friends up there. We can be grateful to ADA for identifying the legislators so clearly. Doubtless Tower and Purcell are also pleased.

As regards Yarborough, the rating points up the fact that Texas voters can't go wrong in beating him at the polls this year. Three good men are seeking his job, and any of them would be a big improvement.

In his own party primary he is opposed by Lloyd Bentsen who served three terms in Congress as a representative from the Rio Grande Valley. Bentsen is getting endorsements one after another by the state's big dailies of Houston, Dallas, Fort Worth and Wichita Falls. Even more significant is the support of the Valley papers which know him more intimately. Such as the Harlingen, McAllen and Brownsville papers. Another big factor on his side is the support of John Connally, still a potent political influence even though he's retired from office.

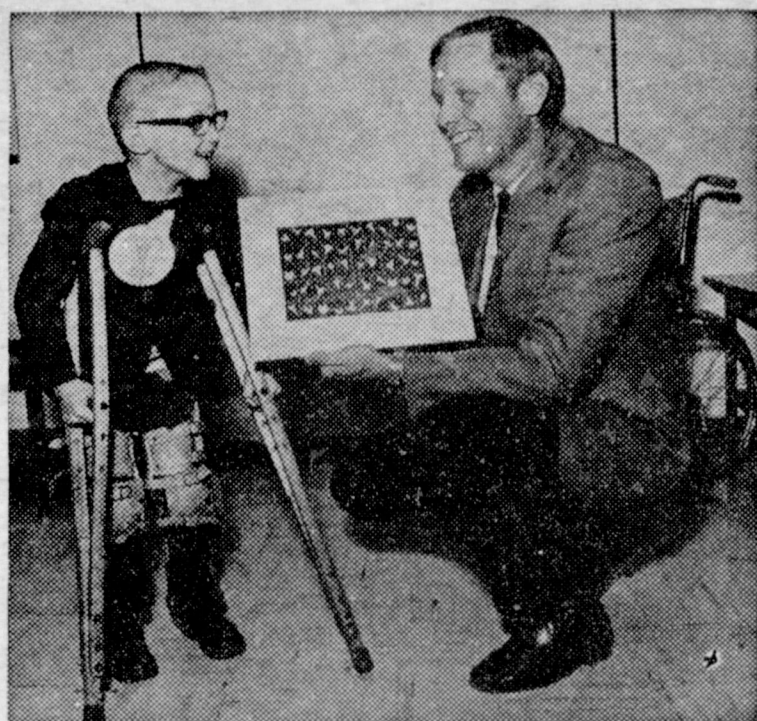

The Houston Post gave a concise reason for its choice in the endorsing editorial. It said "Bentsen offers an answer to the hundreds of thousands of Texas Democrats who have long been disgusted with the divisiveness, the bickering, the feuding and the blatant partisanship that the liberal Senator Yarborough has brought to the office."

Judging by the array of political power already lined up against the senator, and the prospects for still more power to come, this appears to be the year when he will not survive the primary. That development would be very pleasing indeed. With him eliminated the general election would become a contest of Bentsen opposing the Republican primary nominee, George Bush or Robert Morris. Any of them would be a vast improvement over what we have.

A legal shenanigan that defies understanding was the decision last weekend by a US Circuit Court of Appeals to grant freedom on bail to the seven characters who were convicted a few days before of inciting a riot at the '68 Democratic convention.

In all the history of this country there has never been a case when defendants were less deserving of leniency. One can imagine that, in keeping with the principle of assuming innocence until the final verdict is given, convicted people may be allowed freedom pending the outcome. But should that apply to characters who are also guilty of their outrageous courtroom behavior? It seems that the

(Continued on page 8)

NEIL'S SEALS --- Astronaut Neil Armstrong, right, Chairman of the 1970 Texas Easter Seal Appeal, displays the 1970 Easter Seal for John Fenley, 5, of Tioga, Tex., official state Easter Seal child. Campaign concludes Easter Sunday, March 29.

Council Okays Raise In Telephone Rates

Service rates of the Muenster Telephone Corporation will go up an even dollar on all phones on July 1 of this year, and they will go up again when the company completes planned line improvements and also begins direct distance dialing.

The second increase will be a dollar per month on 1-party business phones, 90 cents a month on 1-party residential phones and 25 cents a month on all extensions.

The raises were approved by the Muenster City Council in response to a request submitted several months ago by Alvin Fuhrman, co-owner and manager of the phone company.

His statement explained that rising costs had reduced earnings to a point considerably lower than that allowed by federal regulations. And it requested further increase of revenue to justify an application for REA loan for anticipated expansion and improvement. Accordingly the rate increases were asked in two stages, the first to become effective on July 1, 1970, the other to become effective when

Winners Named Soil Conservation Essay Contest

Students of Denison and Lindsay are this year's winners of the annual essay contest on conservation sponsored by the Upper Elm Red Soil and Water Conservation District.

Harold Skaggs, chairman of the board of directors, announced that the first place winner is John Dornstadter of Denison High, second place winner is Sheri Carlat, also of Denison High, and the third place winner is Mary Jean Schad of Lindsay High School. Their awards are checks for \$15, \$10, and \$5 respectively. The essay subject was "My Stake in the Natural Resources of Texas."

The contest was the tenth sponsored by the directors of the Elm Red District and the number of entries was second highest in the contest's history. There were 507 entries from 13 schools in all areas of the three county district. Students of all schools in the district were invited to enter.

Judges were Lee Putnam of the Soil Conservation Service, Bill King of the Gainesville Register and T. H. Dick, superintendent of Era High School.

In past years the winning essays were entered in the statewide contest sponsored by the Fort Worth Press. This time all of the local entries have been sent to Fort Worth. Skaggs expressed his appreciation to the teachers, superintendents, county agents and any others of the district who encouraged the students in the contest and he especially praised the students who participated. Whether they won or not, they have benefited. The knowledge and use of conservation is becoming increasingly important in our daily living.

improvements are finished, that date being estimated at July 1, 1971.

Increases of the first stage were all allowed by the council. All are for an increase of \$1.00 a month, setting the new phone rates as follows.

- 1 party business, \$11.50
- 2 party business, \$10.00
- 1 party residence, \$6.00
- 2 party residence, \$5.50
- 4 party residence, \$5.00

Proposed improvements include several changes. One is direct distance dialing which will enable persons on one party phones to dial toll calls directly to other exchanges. It includes paid calls, person to person calls, credit card calls and collect calls. Or, if a person prefers, the call can still be placed through an operator. The service will not be available to party line phones because of difficulty in identifying the calls.

The principal improvement is converting the system to all 1-party service and will require most of company's additional expenditure. It involves extensive installation of additional cable and line to accommodate present phones plus more for anticipated future connections.

When the lines are ready the company will begin to phase out its multiple party lines. All new installations will be 1-party phones and all who are on multiple party lines can change to 1-party lines on request. The change is optional. Anyone who prefers to remain on the multiple party line, with the benefit of its lower rate, may continue on it.

When direct dialing and 1-party lines become available, estimated at July 1, 1971, the second stage of rate increases will apply. The 1-party business phone rate will go up another dollar to \$12.50. 1-party residential phones will go up to \$6.90.

This residential rate is the only one on which the council did not approve the requested increase. The phone company had asked for \$7.50. Phones that continue on multiple party lines will not be subject to further increases. However an increase of 25 cents a month becomes effective on all extensions, the new rates being \$1.75 for business phones and \$1.25 for residential.

Another improvement of service, applying to mobile phones, has been completed. Range has been increased by moving the antenna from the city water tower to a higher elevation on the cable TV tower. And new equipment allows regular telephone conversation replacing the 2-way radio type of communication. A better method of dialing is also in use.

Sinclair Station Changes Owners

A change in ownership of the Sinclair Station in Muenster became effective this week. The new owners and operators are Clarence Kittrell of Saint Jo and Bill Glidewell of Gainesville.

Former co-owners Frankie and Gerald Hess sold the station in order to give more time to their dozer business.

W. Walterscheid Heads Muenster Boy Scout Troop

Willie Walterscheid is the new scoutmaster of Muenster's Scout Troop No. 664, succeeding Ed Schneider who resigned on February 1 following eight years of service.

Walterscheid accepted the job Monday night in a special meeting of Scouts and adults with Gene Butler, District Scout Executive of the Circle Ten Council, and Kenneth Kaden, Unit Service Chairman of the Butterfield Trail District.

Other details of troop reorganization were also completed at the meeting. Clyde Fisher took on the job of committee chairman and assistant to the scoutmaster and eight other adults were listed as committee members. They are Donald Endres, R. N. Fette, Rufus Henscheid, Dan Luke, Wilfred Reiter, Gene Schmitz, Ray Voth and Henry Weinzaepfel. Butler said that the application for charter renewal will be submitted in a few days and the local troop's affiliation with the district, state and national scouting program continues without interruption.

Chairman of the meeting was Joe Sicking, institutional representative for the VFW Post and the KC Council, who are jointly sponsoring the Boy Scouts in Muenster.

That affiliation had been in effect with only one interruption since the Scout troop was organized here in 1935. Nick Miller was the first scoutmaster and held the job for 18 of the 26 years until he was succeeded by Ed Schneider in 1962. During the remaining eight years Father Pat Hannon and John Hoffman served short terms as scoutmaster and the troop was inactive for a few years during World War 2.

Boxing Tournament Sponsored by JCs

Entries are being accepted nowadays for the annual junior boxing tournament sponsored by Muenster Jaycees. The event will be held Sunday, March 15, starting at 2 p.m. in Sacred Heart gym, and boys of grades 3 through 6 will be eligible. A trophy will be awarded to the winner of each age group.

Jerry Wimmer, tournament chairman has left entry blanks at both schools and has more for kids who fail to get one. He reminds the boys that every one needs a blank with a parent's signature indicating permission to enter. The blanks can be turned in up to the time of the tournament.

Charter Meeting Called for Scouts

The re-organization of Muenster's Boy Scout troop is scheduled for completion in a special meeting next Monday night in the K of C Hall.

Scoutmaster Willie Walterscheid asks the Scout committee, the Scouts, and boys who wish to join to be there. Principal business will be signing papers for the charter renewal and discussing plans for the troop's coming activities.

Science Fair Heads School Week Event

Students of all grades at Muenster Public School are putting the finishing touches on scientific and other displays for their combined open house and science fair, which will feature the local observance of Public School Week. The dual event Friday night will start at 7:30 and end at 10 o'clock.

The science fair, which accounts for most of the occasion's exhibits, is one of the thousands of local preliminaries connected with a nation wide science contest. First and second place winners of all classifications become eligible to enter a regional fair at Dallas, and winners there advance another step in the competition.

The local fair will be held in thirteen classifications. Nine of those are for the first nine grades respectively and the other four, for the top three

Heart Fund Drive Monday Nets \$548

Muenster people gave \$548.32 for heart research in a special porch light collection conducted here Monday night by a local committee for the Cooke County Heart Association.

Mrs. Martin Kralick, chairman, was assisted by Mmes. Ted Henscheid, Herman Grewing, Roy Monday, David Bayer, Carl Walterscheid, Larry Hennigan, Gerald Hess, Rufus Henscheid, Ray Hess, Walter Grewing.

Mmes. Henry Starke, Tommy Hesse, Jerry Walterscheid, Charles Bayer, Dolphy Joe Hellman, Herbie Walterscheid, Ed Schneider, Willie Walterscheid, Dan Hamrie, John Broome and Misses Sylvia Hofbauer and Dorothy Hartman.

Last year's porch light drive for the fund netted \$403.58

16 Teams Enter Volley Tournament In SH Gym Sunday

The brackets are drawn up for Sacred Heart Alumni's second volleyball tournament of the year. Like the other, it will be a one day event, next Sunday in Sacred Heart gym starting at 9:30 a.m. and ending about 7:30 or 8 p.m.

Eight men's teams and eight ladies' teams are entered in two divisions, each playing for champ, runner up and consolation trophies.

Admission prices are \$1.00 for players and 50 cents for adults or children. Refreshments of barbecue sandwiches, coffee, cold drinks and candy will be available.

Opening games will divide each division with champ and consolation brackets after which there will be eight semi final games to determine contestants for the four finals. That makes up a total of 20 matches, each to be limited to thirty minutes.

The starting schedule:
9:30 Butterflies — Mixer Bunch.
10:00 Niftee Nokkers — Rock 'n Sock 'em.
10:30 Dan's Crew — Chiefs.
11:00 Maverick Aces — Stockmen's Feed.
11:30 Blue Roses — Crusaders.
12:00 Independents — Honey Bees.
12:30 Rievers — Has Beens.
1:00 Alumni — Psychic Six.

Babe Schilling on TISC Dream Team

In spite of their winless season the Sacred Heart Tigers placed one player on the TISC all-district team. Babe Schilling, who led the loop in total points and in the highest average per game, was selected as one of the second team members.

Coach Tom Joy said that Schilling hit 220 points in TISC district competition, an average of 18.3 points per game.

Another Sacred Heart boy, Gary Endres, was given honorable mention on the dream team on the basis of his good defensive work. He scored 70 points in the TISC season, averaging 5.8 per game.

Dallas Christian won the TISC title with a perfect record in conference play. Sacred Heart spent the entire season in the cellar.

Contest Develops In School Election

A three-man race for one position points to activity in the Muenster school board election, but there will be no contest in the city election and none is indicated to date on the hospital board ballot.

With expiration of the filing deadline at 4 o'clock Wednesday, Superintendent L. B. Bruns said that Gus Lutken-

haus, William Walterscheid and Larry Tisdale are candidates for Place 6, which is held now by David Trachta, who is not seeking re-election. Jerry Wimmer and Urban Endres, seeking re-election to Place 5 and Place 7 respectively, do not have opponents.

The city election will not have a contest. Rody Klement, Richard Grewing and Aubrey Tuggle all filed for re-election and failed to attract an opponent.

Up to now the same applies to the hospital district election. Five persons are candidates for the five open positions, but the filing deadline there is March 10 and a race can still shape up. The candidates are Albert Dangelmayr, Norbert Felderhoff, Rufus Henscheid and Ray Voth, incumbents, plus Sylvan Walterscheid asking to succeed Alphonse Felderhoff, who is not seeking re-election.

Also of concern to Muenster voters is the county school board election in which Herman Hartman of Muenster will be opposed by Norbert Mages of Lindsay for the position of Trustee at large. Hartman holds that position now.

Another name on the county trustee ticket will concern the Muenster voters living in Precinct 3. Up to Wednesday Doyle Selby of Era was unopposed for re-election to that position.

Also an apparent routine election is that for two regents on the board of Cooke County Junior College. Incumbents William Pulte of Gainesville and Sloan Fortenberry of Valley View had no opponents up to Wednesday.

Steve Rohmer Hurt In Cycle-Car Crash

A motorcycle-pickup collision at about 4:15 p.m. Wednesday put Stephen Rohmer, 17, in the hospital with a broken right leg and wrist. Fred Lippe, 18, riding with him was not injured. Gene Hoedebeck was driving the pickup.

The accident happened at Pecan and First Street as the cycle was traveling south and the pickup was traveling east.

Stephen was taken to Muenster Hospital by ambulance and was transferred to Wichita General Hospital at 6 p.m. for surgery on both fractures. Family members reported he was in good condition Thursday morning. He is the son of Mr. and Mrs. Tony Rohmer and a junior at Muenster High School. Fred, a senior at Muenster High is the son of Mr. and Mrs. Albert Lippe.

Band Primes for Spring Concert

Muenster High School and Junior High bands will join in a Spring concert on April 14. This is the bands' first concert this term.

An afternoon performance is scheduled for students and others who cannot attend a night program.

Meanwhile band students are working to perfect concert numbers and are rehearsing some of the marches they played during the football season. Mrs. Juanita Bright, music and band instructor, is in charge.

Admission to the concert will be free to the public.

Visitors with Mr. and Mrs. Lee Toothaker Monday to Wednesday were her sister and husband, Mr. and Mrs. Mark Lansford of Clifton. Every year the two couples get together to celebrate the men's birthdays. Lee's was Sunday, Mark's was Wednesday. They celebrated at a dinner party Tuesday. Long distance greetings came in a phone call from a sister Mrs. C. D. Potts of Boulder City, Nevada.

Hubert Wilde of Gainesville, formerly of Muenster, is a patient at Gainesville Hospital after suffering a heart attack.

Mr. and Mrs. Nick Miller will spend five days on a trip to Fresno, Calif., to visit her sister Mrs. Anna Coursey. They will fly from Dallas Friday morning.

Society Sponsors CYC Essay Contest

Saint Anne's Society, Sacred Heart Parish, is sponsoring an essay contest for youths of the parish with the local Catholic Youth Council participating. This is the annual contest in which local winners receive awards in the summer at the state meeting of the Catholic State League of Texas.

Theme of the essay this year is "My Apostolate — How Can I Serve My Church?"

Mrs. Tony Gremminger, president, reported on the essay contest at the Sunday afternoon meeting on the organization.

Father Andrew Wewer, spiritual director, led the opening prayer and gave a talk in which he urged members to attend the district meeting of the Catholic State League at Windthorst next Sunday.

The program will be on CEF — Citizens for Educational Freedom — with Brother Jansen of San Antonio as principal speaker.

Elected as delegate from the society to attend the Windthorst meeting was Mrs. Wilfred Bindel. Mrs. Adolph Fuhrmann was welcomed as a new member. She's a transfer from Lindsay. Mrs. Fuhrmann, a district CSL officer, also will attend the Windthorst meeting and other members plan to attend.

Nineteen members were present and Mrs. Raymond Zimmerer won the door prize.

Garden Club Meets Monday

Muenster Civic League and Garden Club will meet Monday, March 9, at 8 p.m. in Muenster Public Library for the monthly business session and a program by Mrs. Joe Luke. Mrs. Ernest Jaska and Mrs. Joe Fisher are co-hostesses.

The Men In Service

Begins Basic

Muenster's newest young man in Army uniform, Terry Wimmer, has reported to his parents that he's at Fort Lewis, Wash., for basic training. His address: Pvt. Terrence S. Wimmer; Co. D, 2 Bn., 1 Bde; Fort Lewis, Wash. 98433. He's the son of Mr. and Mrs. Andy Wimmer.

Long Distance Visit

John Henry Streng, petty officer third class, serving aboard the U.S.S. Repose in Vietnam waters delighted his family with a telephone visit Saturday at noon. Everybody talked including his wife, little son, his parents the Johnny Strengs and his sister Mrs. Regie Bayer, at the Streng home. John Henry said he was between Da Nang and the DMZ line. The call came via satellite, radio and phone.

Earns Promotion

Larry Gobble, 23, son of Mr. and Mrs. Clive Gobble, has been promoted to Army specialist five in Germany where he is serving with the 4th Armored Division. Spec. 5 Gobble, a fire direction center chart operator in Headquarters Battery, 2nd Battalion of the division's 78th Artillery, entered the Army in May 1968, completed basic at Fort Bliss and was stationed at Fort Gordon, Ga., before arriving overseas in January 1969. He was graduated from Muenster High School in 1964 and was employed by Cooke County Rural Electric Co-op before entering the Army.

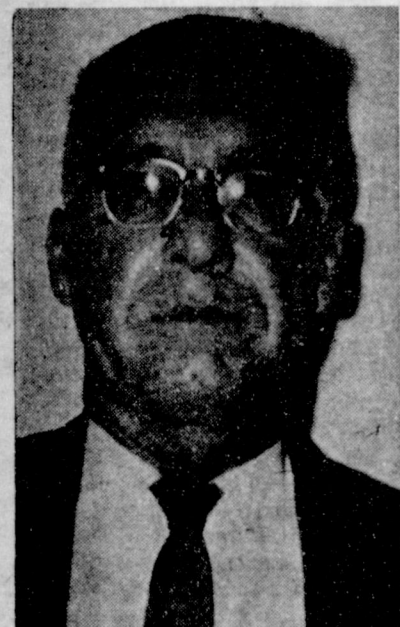

Promoted

Tim Mosman, wearing Captain's bars since Christmas, was a weekend guest of his parents, Mr. and Mrs. John Mosman. He's stationed at Fort Hood.

Welcome Switch In Foreign Policy
President Richard Nixon's "state of the world" message—described as "the most comprehensive statement ever made on American foreign policy"—contained some happy news for long-suffering taxpayers; that the burden of bailing out the rest of the world would be shifted more and more from the shoulders of American taxpayers to the foreign governments.

(pol. ad.)

Only recently, Representative Otto E. Passman (D. Louisiana) entered in the Congressional Record a staggering resume of what has happened to a great many of our hard-earned dollars.
For the period encompassing the fiscal years 1946 through 1969, the total net foreign assistance to 121 nations and seven territories of the world has amounted to \$122 billion. Total net interest paid on the money we had borrowed to give away exceeded \$60½ billion, for an overall total of \$182½ billion. Here are some other items which should interest taxpayers:
From the end of 1950 to the end of 1968, United States gold holdings dwindled by more than \$12½ billion. In the same period, gold holdings of the other countries of the world increased by more than \$17 billion. At the same time, short-term dollar claims of foreigners against the United States increased by more than \$27 billion. Meanwhile, our balance of payments was in the red in every year but two, showing a total net deficit for the period of \$36.896 billion.
The dozen nations that have received the greatest portions of our largesse, stated in bil-

INDEPENDENT COMMUNISM?
During the recent Fulbright Committee Hearings on Vietnam, Senator George McGovern, (D), South Dakota, ventured his opinion that a "strong, independent" government in South Vietnam "organized by Communists would provide a 'stronger barrier to Red Chinese expansionism than the present Saigon Government.'
Senator McGovern's statement does a lot to explain his stance on American Foreign policy. Now let's see: —to stop further Red Chinese aggression we should encourage the Communists to organize "strong, independent" dictatorships in South Korea, Formosa, Laos, Cambodia, Thailand, Burma, Malaysia, the Philippines... ???

Rules to Promote Communism
In May of 1919 at Dusseldorf, Germany, the Allied Forces obtained a copy of some of the "Communist Rules for Revolution." Nearly fifty years later, the Reds are still "following the Rule." As you read the list, stop after each item and think about the present-day situation where you live and all around our nation. We quote from the Red Rules.
A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.
B. Get control of all means of publicity, thereby:
1. Get people's minds off their government by focusing their attention on sexy books and other trivialities.
2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.
3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.
4. Always preach true democracy, but seize power as fast and ruthlessly as possible.
5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster lenient and soft attitude on the part of the government toward such disorders.
7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledged word, ruggedness.
C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.
Take time to think seriously of the above and draw your own conclusions.

LOOK WHO'S TALKING...
The "New Left" has seized the "war on pollution" issue as a base for attack against business, the government, the "middle class establishment" and just about everybody in sight. May we respectfully suggest that the "new left" start their "war on pollution" by cleaning up their own filthy speech, disease producing dirty habits, slovenly dress, uncouth behavior, squalid, malodorous living quarters (called "pads") etc. ... Dirty minds produce dirty people, and before the so-called "liberals" take on the job of telling the rest of us what is best for us, they might start first with their friends.

GI Land Program Is Victim of High Interest Rates
Texas' 20-year-old veterans land program has folded. Through it more than 41,000 Texas veterans had purchased land under low-interest, long-term-pay provisions. It was a victim of high interest rates.
Veterans land board said that since the prime interest rate has been raised to eight and a half per cent, veteran's bonds, with a constitutional four and a half per cent ceiling, simply could not continue to attract investor capital.
More than 1,000 applications on file will be processed, but no more can be accepted until the interest-rate-bind eases.

The law professor was lecturing on courtroom procedure. "When you are fighting a case and you have the facts on your side, hammer on the facts. If you have the law on your side, hammer on the law."
"But what happens if you don't have facts or the law on your side?" asked a curious student. "Then what do you do?"
"In a case like that," said the professor, "hammer on the table."

State Orders Cut In Welfare Funds
AUSTIN, Tex. — A sharp cut in welfare and medical assistance payments, to be effective April 1, was announced by the State Board of Public Welfare.
Board said the unprecedented increase in assistance rolls, the decrease in federal medical aid funds and the constitutional spending ceiling required an average \$11 a month cut in the Aid to Families with Dependent Children program and a 20 per cent slash in Medicaid.
Board member Louis R. Sarazan of Fort Worth said there is no alternative.
Sarazan and board member W. Kendall Baker of Houston warned that further cuts may be in the offing before the end of the fiscal period next year.
Board ordered the lowering of AFDC payments from 75 per cent to 66 per cent of budget needs. Average AFDC family now draws \$120.37 a month. Reduction would reduce this to \$109.54.
Earliest and loudest protest came from Texas nursing home operators who claimed Medicaid outlay shrinkage would put 95 per cent of them out of business.
Texas Nursing Home Association termed the situation of "crisis" proportions and urged Gov. Preston Smith to take immediate action to summon lawmakers into special session for emergency appropriations.
Texas Medical Association charged the federal government has "promised more than it can deliver" in the health care area and is, in effect, asking providers of services to take a loss.

Welcome Switch In Foreign Policy

President Richard Nixon's "state of the world" message—described as "the most comprehensive statement ever made on American foreign policy"—contained some happy news for long-suffering taxpayers; that the burden of bailing out the rest of the world would be shifted more and more from the shoulders of American taxpayers to the foreign governments.

Only recently, Representative Otto E. Passman (D. Louisiana) entered in the Congressional Record a staggering resume of what has happened to a great many of our hard-earned dollars.

For the period encompassing the fiscal years 1946 through 1969, the total net foreign assistance to 121 nations and seven territories of the world has amounted to \$122 billion. Total net interest paid on the money we had borrowed to give away exceeded \$60½ billion, for an overall total of \$182½ billion. Here are some other items which should interest taxpayers:

From the end of 1950 to the end of 1969, United States gold holdings dwindled by more than \$12½ billion. In the same period, gold holdings of the other countries of the world increased by more than \$17 billion. At the same time, short-term dollar claims of foreigners against the United States increased by more than \$27 billion. Meanwhile, our balance of payments was in the red in every year but two, showing a total net deficit for the period of \$36.896 billion.

The dozen nations that have received the greatest portions of our largesse, stated in billions were: Korea, \$7.8; Great Britain, \$7.7; India, \$7.5; France, \$7.0; Vietnam, \$5.9; Italy, \$5.4; Turkey, \$5.4; Republic of China, \$5.0; Greece, \$3.7; West Germany and Berlin, \$3.7; Japan, \$3.6; Pakistan, \$3.5.

The American foreign policy shift will not be reflected this April 15th, approaching too fast for comfort; but hopefully we will see some respite in 1971. Provided, that is that the "welfare staters" fail to find someplace else to spend our money.

—U. S. Press Assn.

INDEPENDENT COMMUNISM?

During the recent Fulbright Committee Hearings on Vietnam, Senator George McGovern, (D), South Dakota, ventured his opinion that a "strong, independent" government in South Vietnam "organized by Communists would provide a 'stronger barrier to Red Chinese expansionism than the present Saigon Government'."

Senator McGovern's statement does a lot to explain his stance on American Foreign policy. Now let's see: —to stop further Red Chinese aggression we should encourage the Communists to organize "strong, independent" dictatorships in South Korea, Formosa, Laos, Cambodia, Thailand, Burma, Malaysia, the Philippines . . . ???

Rules to Promote Communism

In May of 1919 at Dusseldorf, Germany, the Allied Forces obtained a copy of some of the "Communist Rules for Revolution." Nearly fifty years later, the Reds are still "following the Rule." As you read the list, stop after each item and think about the present-day situation where you live and all around our nation. We quote from the Red Rules.

A. Corrupt the young. Get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.

B. Get control of all means of publicity, thereby:

1. Get people's minds off their government by focusing their attention on sexy books and other trivialities.

2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.

4. Always preach true democracy, but seize power as fast and ruthlessly as possible.

5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster lenient and soft attitude on the part of the government toward such disorders.

7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledged word, ruggedness.

C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

Take time to think seriously of the above and draw your own conclusions.

LOOK WHO'S TALKING . . .

The "New Left" has seized the "war on pollution" issue as a base for attack against business, the government, the "middle class establishment" and just about everybody in sight. May we respectfully suggest that the "new left" start their "war on pollution" by cleaning up their own filthy speech, disease producing dirty habits, slovenly dress, uncouth behavior, squalid, malodorous living quarters (called "pads") etc. . . . Dirty minds produce dirty people, and before the so-called "liberals" take on the job of telling the rest of us what is best for us, they might start first with their friends.

GI Land Program Is Victim of High Interest Rates

Texas' 20-year-old veterans land program has folded. Through it more than 41,000 Texas veterans had purchased land under low-interest, long-term-pay provisions. It was a victim of high interest rates.

Veterans land board said that since the prime interest rate has been raised to eight and a half per cent, veteran's bonds, with a constitutional four and a half per cent ceiling, simply could not continue to attract investor capital.

More than 1,000 applications on file will be processed, but no more can be accepted until the interest-rate-bind eases.

The law professor was lecturing on courtroom procedure.

"When you are fighting a case and you have the facts on your side, hammer on the facts. If you have the law on your side, hammer on the law."

"But what happens if you don't have facts or the law on your side?" asked a curious student. "Then what do you do?"

"In a case like that," said the professor, "hammer on the table."

State Orders Cut In Welfare Funds

AUSTIN, Tex. — A sharp cut in welfare and medical assistance payments, to be effective April 1, was announced by the State Board of Public Welfare.

Board said the unprecedented increase in assistance rolls, the decrease in federal medical aid funds and the constitutional spending ceiling required an average \$11 a month cut in the Aid to Families with Dependent Children program and a 20 per cent slash in Medicaid.

Board member Louis R. Sarazan of Fort Worth said there is no alternative.

Sarazan and board member W. Kendall Baker of Houston warned that further cuts may be in the offing before the end of the fiscal period next year.

Board ordered the lowering of AFDC payments from 75 per cent to 66 per cent of budget needs. Average AFDC family now draws \$120.37 a month. Reduction would reduce this to \$109.54.

Earliest and loudest protest came from Texas nursing home operators who claimed Medicaid outlay shrinkage would put 95 per cent of them out of business.

Texas Nursing Home Association termed the situation of "crisis" proportions and urged Gov. Preston Smith to take immediate action to summon lawmakers into special session for emergency appropriations.

Texas Medical Association charged the federal government has "promised more than it can deliver" in the health care area and is, in effect, asking providers of services to take a loss.

Mrs. Claude Bayer Is Shower Honoree

A gift shower honored Mrs. Claude Bayer Sunday afternoon in TP&L Community Room from 2 to 4 with Mmes. Jim Gehrig, Mike Kleiss, Charlie Pagel and Jerry Sicking as co-hostesses.

They directed games and served cake squares, coffee and Cokes.

The honoree displayed a shower of layette gifts from a table centered with a stork. Twenty-three guests were present.

4-H Club Meeting

Muenster Community 4-H Club will meet next Thursday, March 12, 7:30 p.m. in TP&L Community Room. Miss Dona Brewster, assistant county home demonstration agent will give the program.

FHA Members Go To Denton for Area 5 Meeting

Fifteen girls from MHS Chapter Future Homemakers of America attended the Area V meeting in Denton during the weekend. They were accompanied by Mrs. Henry Weinzapfel, chapter adviser on Friday evening and by Mrs. Weinzapfel, Mrs. Eddie Fleitman and Mrs. Herman Stoffel on Saturday.

Theme of the meeting was "FHA — A Priceless Heritage." About 2000 girls attended from 12,745 high schools.

Sandra Sloan was the local chapter's voting delegate for area and state officer election Friday evening.

Kathy Sicking modeled her costume in the "Make It Yourself With Wool" contest.

Saturday afternoon chapters provided entertainment. Performing for Muenster were Debbie Yosten and Laurie Wimmer who presented a folklore vocal number with action. Kristi Stormer was piano accompanist.

2 Cousins Share Birthday Honors

Little cousins, Rhonda Bayer, daughter of the Tom Bayers and Connie Klement, daughter of the Robert F. Klements, were joint honorees at a party hosted by their mothers in the Bayer home. Rhonda was one and Connie was two years old.

Guests for the Sunday afternoon party were their grandmothers Mrs. Martin Bayer and Mrs. Anthony Klement and children, Miss Nelda Bayer of Dallas, Mike, Ronnie, Chris Dangelmayr and their mother Mrs. Paul Dangelmayr, Janet and Tommy Dangelmayr and mother Mrs. Billy Joe Dangelmayr, Curtis and Brad Henscheid and mother Mrs. Ted Henscheid, Sondra and Leslie Hess and mother Mrs. Frankie Hess, Mrs. Pat Hess and Christi Yosten and Connie's brother Brian.

The hostesses served birthday cake and ice cream and the youngsters also enjoyed balloons and other party favors.

Newcomers, Moves Put Families in Different Homes

New residents for Muenster are Mr. and Mrs. Tommy Lowry and small son Lloyd who moved from Houston and are occupying the Pagel house vacated recently by the Don Murch family who moved to Perryton. Lowry is the son of Charles Cook of Rosston and is working for Muenster Telephone Corp.

Also new are Mr. and Mrs. Terry Landers. They are at home in the Pagel mobile home, 615 Walnut. The Utelee family, former residents there, have moved to the former Kathman house, 409 N. Walnut. The A. T. Dickersons who had rented that place moved instead to the home of their daughter and family, the Giles Truebenbachs, following Mr. Dickerson's illness.

Mr. and Mrs. Albert Stoffels and daughters Betty, Gloria and Karen will move this week from the farm to the house on 222 N. Pecan which Stoffels bought from Jerome Pagel. The Charles Hamiltons and daughter who had been residing there have moved to the Val Fuhrmann rent house, 513 N. Cedar.

Local CDAs at Denison Court's 50th Anniversary

Nine members of Muenster Catholic Daughters of America Court and two candidates for reception were among CDA members attending the Golden Anniversary of Court Crowley in Denison Sunday.

Muenster's candidates were Mrs. James Mollenkopf and Mrs. Gene Gieb. Members attending were Mmes. J. M. Weinzapfel, Herbert Meurer, Steve Moster, Gene Schmitz, Henry Yosten, Tommy Felderhoff and Alvin Fuhrman and Misses Dorothy Hartman and Helen Hess. They were accompanied by Mrs. A. C. Flusche of Lindsay.

The day began at 9 a.m. with High Mass celebrated by Most Rev. Thomas Tschoepe, bishop of Dallas in St. Patrick's Church. A coffee followed. At 11 a.m., reception ceremony was held in the Knights of Columbus Hall and at 1 p.m. a luncheon and program was held in Hotel Denison.

Mrs. Joe Schnitker was program emcee and Bishop Tschoepe and Miss Madeline Schmidt, state regent of San Antonio, were speakers. Other state officers present were Miss Beatrice Schoppe of Houston, Miss Margaret Hosty of Dallas and Mrs. D. R. Chancellor of Wichita Falls.

Court Crowley was organized Feb. 29, 1920, with 56 members of St. Patrick's parish. Five charter members are still active. Two attended the festivities. The court was named in honor of Father T. K. Crowley, pastor of St. Patrick's for 17 years.

Gainesville Rite Unites Miss Allen And D. J. Lawson

Mr. and Mrs. Donald Joseph Lawson are at home in Gainesville following their wedding trip. She is the former Miss Brenda Ann Allen, daughter of Mrs. Edna Allen. The bridegroom's parents are Mr. and Mrs. Sterling Lawson of Gainesville, formerly of Muenster. Mrs. E. S. Lawson of Muenster is the paternal grandmother.

The young couple married in St. Mary's Church on Feb. 20 with the pastor, Father Robert Grant, officiating at the double ring ceremony.

Ricky Allen presented his sister at the altar. She wore a street-length dress of white peau de soie and chiffon designed on Empire lines and carried an orchid and white mums.

Miss Christi Murphy was her cousin's attendant wearing a blue crepe dress with matching headpiece. She carried a pink carnation nosegay.

Jerry Lawson was his brother's best man.

Wedding reception was held at the home of Mrs. Nita Murphy. Guests included Mrs. E. S. Lawson and the groom's sister Mrs. Larry Hennigan of Muenster.

The newlyweds are both graduates of Gainesville High School in the class of 1969 and he has attended CCJC. He's employed at Newland Furniture Co.

"I knew them danged scientists would keep afoolin' around until they did something they hadn't oughter," stormed the old man of the hills. "Now look what they've gone and did."

"What's that, Pa," asked his wife, "You mean the atom bomb?"

"Heck no," exploded the old man. "They've discovered something beside likker to cure a cold."

daughter and husband Mr. and Mrs. Bill Roe at Callisburg. Mrs. Roe was recuperating from recent surgery. One day Mr. Roe and the Davidsons visited at Hood with Mr. and Mrs. Jim Blount. The Davidsons also have cheered her brother Monroe Baker of Wilson, Okla., with bedside visits at Gainesville Hospital.

Sidney Ramsey of Arlington and his father Gordon Ramsey of Gainesville visited with the Grady McElreaths Saturday evening and returned Sunday for dinner and a visit. Brent McElreath had as his guest Sunday a friend, Leslie Hair of Saint Jo. Also visiting the group in the afternoon was Noble McElreath of Gainesville.

Don Self of Dallas was a Thursday visitor with his grandparents, the Nathan Whitts and together they went to Gainesville to spend the day with Mr. and Mrs. Charlie Winchester.

Mrs. Jack Tuggle visited Friday at Saint Jo with her daughter Mrs. Eddie Joe Reeves and family.

Mrs. Joe Wilcox and her brother Bill Smith drove to Byars, Okla., Friday for an overnight visit with their aunt, Mrs. B. F. Fanning.

Mrs. Rafe McElreath visited Saturday evening with the Jack Biffles at Myra.

Jimmy Don Robison of Texas A&M spent the weekend with his mother Mrs. Earl Robison.

Mrs. Raymond Davidson visited relatives in Sulphur, Okla., Monday.

Mr. and Mrs. Howard Houtchens spent Monday and overnight in Electra with his sister and family, the Herschell Wilsons.

Sonny Barnes of Hood visited his uncle and aunt, the John Richeys, Friday overnight through Sunday. His parents Mr. and Mrs. John Barnes and Donna, Marc and Vickie joined them Sunday and they all had dinner together, along with Mr. and Mrs. Coy Fite, guests from Ringgold.

Visiting Mr. and Mrs. Joe Doughty Saturday were a son and family, the Weldon Doughtys, Denise and Michael of Roanoke and Sunday visitors were another son Douglas and wife of Valley View. They were joined by Bro Aubrey Spiers of Gainesville after church services.

Mr. and Mrs. Tom Binford of Gainesville were Monday evening visitors and supper guests of Mr. and Mrs. John Richey. Tuesday evening the Richeys attended the donkey basketball game at Era High School.

Driver Licensing Emphasis Program Launched by DPS

AUSTIN - The Texas Department of Public Safety today announced an intensive, statewide driver licensing emphasis program to be launched immediately on the basis of a study revealing a disproportionate involvement of unlicensed drivers in traffic accidents.

Col. Wilson E. Speir, DPS Director, said the drive is in conjunction with Governor Preston Smith's coordinated traffic safety program to combat increasing deaths, injuries and economic loss in Texas traffic which cost the state an estimated 3,580 lives, hundreds of thousands of injuries, and upwards of a billion dollars last year.

"Statistical data compiled from reports of motor vehicle accidents occurring on the public streets and highways of Texas during the first six months of 1969 reveal that some 9.6 per cent of the drivers involved in fatal accidents were unlicensed; that 7.6 per cent of the drivers involved in personal injury accidents were unlicensed; and that more than 5.8 per cent of those Texas residents involved in all motor vehicle accidents were not licensed," Speir said.

"In view of the fact that one out of each 17 Texas residents involved in motor vehicle accidents during the period were not licensed, and the higher percentage of fatal and injury collisions in which the unlicensed drivers were involved, an increase in enforcements against unlicensed drivers would seem to be justified. It is estimated that there are as many as 400,000 unlicensed drivers in Texas at this time."

The Public Safety Director said the emphasis program will consist of:

1. Urging all drivers to see that they are properly licensed.
2. An intensive, stepped-up program of enforcement by means of frequent, periodic license checks to be made on the road by DPS patrolmen.
3. Development of driver training schools for persons who need more knowledge and skill to qualify for driver licenses.
4. Urging employers in large plants and business establishments to encourage their employees to obtain proper driver licenses, particularly those moving to Texas from other states.

You need to be quite a juggler if you have a reputation to live down.

Seventies.

Mrs. Hellman Is Back from Tour of 4 S.A. Countries

Mrs. Rudy Hellman returned Sunday from a month's tour of four countries in South America, making the flying trip with a group of 15. Five couples were friends from her Holy Land tour and three were members of the Africa tour last year. She joined the tour in Rio de Janeiro, Brazil, where the pre-Lenten Carnival was a featured attraction.

Buenos Aires was next where sight-seeing was almost second to the delicious steaks which were served.

Lima, Peru, with sight-seeing was followed by a flight across the Andes, beautiful as seen from the air.

At Machu Picchu, a day's train ride from Cuzco, Peru, the tourists visited the Inca Indian Ruins . . . the last stronghold of the Incas. At Quito, Ecuador, there was more sight-seeing and a tour of another Indian village at Otavalo.

Outstanding attraction at Bogota, Colombia, was the Salt Cathedral, a Catholic Church a mile underground, carved out of an old salt mine. The church's capacity is 10,000. Its altar of salt weighs 22 tons. The color is not pure white, it's gray from coal particles. Mining still goes on 200 feet below the church.

Mrs. Hellman took many slides and brought back Indian souvenirs for her grandchildren. She said money exchange was no problem except for a minor difficulty in Rio. She left the tour at Bogota and flew to Florida to visit her sister Mrs. John Pappas and family at Jacksonville, then flew to Dallas where her son and family, the Monte Hellmans met her.

PREVENT FIRES

...it's your job, too!

Demonstration of Zipper Draws 125

About 125 Cooke County homemakers gathered at the Farm Bureau meeting room last week to see a zipper sewing demonstration. It was presented by Miss Dorothy Gavenka, educational representative for Unique Zipper Service.

Though seating facilities were limited to only 50, the group stood through the hour and a half demonstration and many stayed for a question and answer period. Miss Gavenka gave additional demonstrations of points using the sewing machine for those who were unable to see during the program.

Miss Jan Wilde, a nursing major at Grayson County College, spent the weekend with her parents and family, the Ray Wildes. She brought along as her guest, Miss Lari Yeargin of Dallas, also a student at the college. It was her first visit in Muenster.

Mrs. Betty Morrison of Gainesville, LPN, has joined the staff at Muenster Hospital.

Arizona Pair Are Feted by Family During Visit Here

Mrs. Mark Kuta and son Dane, visitors from Tucson, Ariz., seeing family members, especially her mother Mrs. George Spaeth of Lindsay, a patient at Golden Acres Nursing Home, were honored at a number of get-togethers during the ten-day stay.

Courtesies included a birthday celebration for Dane who was two years old Saturday, Feb. 28, at the home of his aunt and uncle, the Arthur Felderhoffs. Games, gifts, picture taking and birthday cake with other refreshments were highlights of the afternoon for the young honoree and a group of relatives.

Mr. and Mrs. Wilfred Reiter were hosts in the home Thursday at a family dinner party at which Dane was the honoree.

Friday a noon luncheon at the Felderhoff home, where the visitors headquartered, honored Mrs. Kuta. Her sisters Mmes. Alois Haverkamp, Wilfred Reiter and Andy Schoech joined by Mrs. J. P. Kneupper of Gainesville were guests.

Sunday the Arizona visitors were guests for dinner in the home of Mr. and Mrs. Alois Haverkamp. Other guests included the hosts' daughter and family, the David Forgeys of Dallas, weekend visitors.

After a final visit with her mother Monday, Mrs. Kuta and Dane returned to their home. Seeing them off in the evening from Dallas Love Field were Mrs. Felderhoff and children Ronny, Gina and Sherie.

Woman driver: A person who drives the same way a man does, only she gets blamed for it.

The last Ford pickup built in Texas was delivered to Urban Endres as it rolled off the assembly line of the Ford Motor Co. plant in Dallas about 1 p.m. last Friday. It was Unit No. 3,168,257 for the plant's 45 years of production, and the second last vehicle built there. The last was a passenger car delivered to Ed Maher of Dallas. The Dallas Ford plant was closed on Feb. 27.

Safe Seafood Is Concern of the Health Department

The State Department of Health is working hard to see that you are provided with safe seafood. To assure that shellfish consumed in Texas isn't taken from contaminated waters and is processed under sanitary conditions, the Division of Marine Resources of the State Health Department keeps a constant watch on shellfish processors.

But despite the watch by Health Department Inspectors, "bootleg" oysters do appear on the market from time to time in violation of the law.

Processors are reminded that it is unlawful to harvest oysters from areas which are not approved by the State Health Department. State regulations further specify that all oysters be processed in clean, certified shucking plants.

The Marine Resources Division has this word for consumers: Look for the certification number on the can or package of oysters you buy. If it's there, it means the oysters have been processed in accordance with state laws. If it's not there, watch out! You may be buying oysters taken from polluted waters or processed in a dirty plant. On gallon cans the number is embossed in the metal on the side of the can. On smaller containers the certification number is printed on the lid.

There is concern over the origin of the oysters and

Frank Scoggin Is a Candidate For County Clerk

I would like to take this opportunity to announce my candidacy for the office of County Clerk of Cooke County, subject to the May 2 Democratic Primary.

I am a native of Cooke County, and I have resided in the county all of my life.

My wife is the former Frankie Tooley, and she has resided most of her life in Cooke County. We are both members of the Mt. Pleasant Baptist Church.

We have one married son who teaches school in Denison.

I was an employee of the Cooke County ASC Office for a number of years, and I am now a farm equipment salesman for Schad and Pulte. I have been associated with the latter firm for about two years.

I would sincerely appreciate your vote and influence.

Frank Scoggin (Pol. Ad.)

Tips from The Hatchery

It's that time of year again, time to fertilize lawn, shade trees and orchard. We have the proper materials. If you don't have the time, call us and we can do. If those fruit blossoms don't get nipped, why not have worm-free fruit? Stop by and take advantage of our "Hose Sprayer Sale." You can easily do the job as needed. We'll furnish know-how free. A slight charge on ingredients you use.

Clive.

Then there was the fellow who bumped his head and went into a 20-year coma. Awakening refreshed and clear-headed in 1989, the first thing he did was to phone his broker. With the help of a computer set-up, it took his broker only a few minutes to report that his shares of AT&T were now worth \$8.5 million, his shares of General Motors were now worth \$5.5 million, and his holdings in Xerox had increased to an amazing \$15 million.

"Good Lord!" exclaimed the man. "I'm rich!"

At which point the telephone operator came on the line and said, "Your three minutes are up. Would you please deposit a million dollars?"

A Texan was bragging about his home state and said that he knew a rich fellow in Dallas who was so rich that he flew his own plane.

"So what," said a New Yorker, "I know plenty of guys who fly their own planes."

"Inside their own house?" asked the Texan.

their handling. Contaminated oysters have been known to transmit all the water-borne diseases - including typhoid fever, gastroenteritis and infectious hepatitis.

Processors are reminded that the Shellfish Sanitation Law of 1965 makes it unlawful for any person to take, sell, offer or hold for sale any shellfish from an area declared by the Commissioner of Health to be polluted. It also calls for proper handling of shucked oysters within specifications set down by the Commissioner.

Enforcement of these regulations is a big job since as many as 70 oyster processing firms and about 10 crab meat dealers are affected. These figures vary, since some firms may drop out and new ones enter the field. About four million pounds of oysters are processed each year in Texas waters.

About 750 plant inspections and more than 300 harvesting boat inspections are made yearly by Marine Resources Division inspectors. More than 1 1/4 million acres of bays are kept under surveillance. More than 4,000 maps were distributed in the past year showing safe harvesting areas.

The Charm Shop

Pearl Evans, Muenster

25 YEARS AGO

March 2, 1945

For the first time since the Muenster Enterprise was established in 1936 the weekly edition failed to be printed... during the week the city was cut off from the rest of the world by the worst arctic blast in the community's 56 year history. The city was without electricity service from 2:45 a.m. Tuesday Feb. 27 to Saturday when a section of Main Street received power. Current at the Enterprise was not restored until Tuesday the following week.

20 YEARS AGO

March 3, 1950

William Sicking, 70, dies suddenly while at work Feb. 25. Muenster has 603 certified voters this year. E. S. Lawson heads local Red Cross drive with \$475 goal. Day of Recollection here Sunday draws attendance of 125. Sacred Heart seniors rehearse class play, "American Passport." Holy Name Society begins discussion club series. City-wide clean-up is set for Saturday. Horse Show and REA Day is slated for May 21 & 22.

15 YEARS AGO

March 4, 1955

Local quota for Red Cross is \$555 and H. H. Homsley is campaign chairman. Peggy Hudspeth, drum major, gets No. 1 rating and gold medal for solo baton twirling at the Texoma Band Festival in Denison. Delbert and Wilmer Walterscheid, cousins, enlist in the Air Force. Lindsay organizes 4-H clubs with Mark Hermes and Alma Haverkamp as presidents of the two groups. Bucher Home Demonstration Club meets new county assistant, Miss Maurine Kavanaugh, who attends meeting with Miss Bernice Puckett. Mrs. Alvin Hartman replaces Mrs. Buddy Yosten as clerk at Variety Store.

10 YEARS AGO

March 4, 1960

Another week of rugged weather hits community... freezing rain brings another coat of ice and sub-freezing temperatures. Diocese adopts easier rules for observing Lent. Richard Grewing, candidate for re-election to city council, is only name on ballot as deadline nears. Third Order triduum draws good attendance in spite of weather. SH Alumni win two trophies in volleyball tournament. Program and display Friday night will end observance of Public School Week. Recovering from surgery are Mrs. Ed Klement, Mrs. Henry Zimmerer and Gary Hess. Mass and reunion observe Conrad Flusches' silver wedding anniversary in Decatur. All members of Lindsay city council seek re-election.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Larry Charles Sicking, Defendant.
YOU ARE HEREBY COMMANDED to appear before the Honorable 16th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 30th day of March A.D. 1970, to Plaintiff's Petition filed in said court, on the 12th day of December A.D. 1969, in this cause, numbered 69-279 on the docket of said court and styled EDITH SICKING, Plaintiff, vs. LARRY CHARLES SICKING, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Gainesville, Texas, this 13th day of February A.D. 1970.

Attest: Anna Mae Shorter, Clerk, District Court Cooke County, Texas.
By Linda Morgan, Deputy.
(13-14-15-16)

5 YEARS AGO

March 5, 1965

Muenster Hospital is approved for listing in the official journal of the American Hospital Association. Measles prove fatal to Lindsay child, Pamela Neu, 6. Fear of measles ups demand for immunization... about 250 children get vaccine this week. TP&L assigns Ernest (Bobo) Jaska to Muenster office. Mrs. Paul Endres is selected to attend National Adult 4-H Forum in Washington, D. C. Ash Wednesday services usher in Lenten season. Forty Hours Devotion starts Sunday. PT Club members enjoy open house at Lindsay School. Brother Louis Fuhrmann writes about mission work in Nigeria. Danny Wilde and Janie Arendt sustain fractures in falls on ice. Fisher cow is tops in BF production in DHIA for month. Jim Krahl is home from Korea. Local Third Order group attends area meeting at St. Francis Village.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Topography Maps
The Soil Conservation Service is presently making a topography map on a 60 acre cropland field on the Klement brothers farm at Hood. The field work will be recorded on graph paper, contour lines will be drawn in, and from this we know the highs, lows, and slopes of the entire field. This information is then used to plan a complete system of parallel terraces for that field.

The process of planning a system of parallel terraces is complex and takes time, but results in an accurate and well planned system of parallel terraces. The time saved by farming parallel terraces will easily pay for their construction cost in one to three years.

Those who do row-crop farming will benefit most from a system of parallel terraces. Each terrace is built "so-many" rows apart so that the farmer can start laying off his rows at a given point and never be bothered by his terraces. It would pay to replace conventional terraces with parallels.

If you are interested in parallel terraces in any way the Soil Conservation Service would like to show you what can be done by designing a system of parallels on your farm. We will have a topog crew in the Muenster area this week. If you are interested, call or come by the SCS office.

Don't put it off, we have a crew ready to work. A little later they will be gone.

There's a new French perfume created in honor of the peace Conference. It's called "Eternity in Paris."

NOTES FROM THE LIBRARY

By Bettie Luke

Among new books on the shelves of Muenster Public Library are several entertaining ones on loan from Texas State Library including "The Art of Making Bead Flowers and Bouquets," by Virginia Nathanson.

Back in fashion again, but with many new facets, is the old craft of beadwork popular in France, Italy and mid Victorian England.

Beginning with basic techniques the books tell how to make simple flowers and progresses to potted plants, orange trees, etc. The complete general instructions contain 60 photographs, 14 color plates and 100 detailed drawings.

"Green Medicine" by Krieg, the search for plants that heal, is interesting and informative, telling of the modern, worldwide resurgence of scientific interest in medicinal plants. The investigation of medicinal plants has formed a very small part of the modern research effort up to now, but it is increasing and is expected to be a very active field for many years to come.

"Abyss" by C. P. Idyll is about the deep sea and the creatures that live in it. Sea creatures swim and crawl and drift through the whole enormous mass of ocean water — the most extensive environment on our planet.

Come and read with us.

Auxiliary to VFW Joins in Bicycle Safety Project

Muenster VFW Auxiliary has joined other auxiliaries of the state and nation in getting involved in a safety project "Lite a Bike." They will furnish, free, illuminated tape to all bicycle riders.

The project was discussed at the organization's meeting Monday night and the safety kits were ordered.

Activity previously listed as honor roll requirements, this year is called the "Participation Program." This month's participation was a donation to the National VFW Home's Health and Happiness fund. Another participation is a donation to both local churches, Sacred Heart and First Baptist, for Easter flowers.

Mrs. Dink Hudspeth, president, presided and reported on the District I convention held at Tawakoni.

Two new members were accepted, Mrs. Martin Bayer and Mrs. Tommy Felderhoff.

After adjournment Mrs. Leo Sicking and Mrs. Lawrence Martin, refreshment hostesses, served a fried chicken buffet to 16 members and Mrs. Ray Voth won the door prize.

Myra Club Meeting Features Election

Myra Improvement Club's regular meeting Thursday evening featured election of officers.

The nominating committee, Mmes. Roy Townsley, Myrtle Biffle and Jake Biffle presented the slate of officers and members approved.

Elected are Mrs. Hester Payne, chairman; Mrs. Parker Fears, vice chairman and reporter, Mrs. Roy Townsley, food and entertainment; Mrs. Ike Fulton, telephone committee.

Members voted to donate \$25 to both the Heart Fund and the March of Dimes.

Refreshments were served to 15 members by hostesses Mrs. Ike Fulton and Mrs. Ray Hudson.

Birthday Honoree Twice

Mrs. John H. Bayer was honored twice in observance of her Feb. 25 birthday. The first celebration was at the home of her son and daughter-in-law, the Claude Bayers who were hosts for supper that day. Afterward other children and grandchildren were there for visiting and refreshments. Mrs. Charles Bayer baked and decorated the birthday cake. Sunday afternoon Mrs. Bayer's sisters joined at her home for visiting and refreshments.

Urban-Rural Fuss Seen on Division Of School Funds

A feud between big city and rural school districts over the cost of education is expected to go to federal court soon in a major lawsuit.

Dallas, Fort Worth and Houston school boards questioned the "financial fairness" of collection and distribution of the state's minimum foundation funds.

They claim that the distribution formula favors rural districts. A bill to correct this brought a storm of protest from rural districts during last year's legislative session. Best the legislature could come up with under the circumstances was a bill creating an 18-member committee to recommend "a fair and equitable basis for a division of financial responsibilities between the state and the various local districts of Texas."

Suit will seek statewide uniform property tax valuations. Action is due to be directed against the State Board of Education.

Meanwhile, the Texas Research League pointed out that aid to local school districts is the most expensive obligation of state government and most important determinant of future tax requirements.

Expansion of the foundation school program and teacher pay raises voted last year will increase state expenditures for public elementary and secondary education by \$345 million in the current biennium and will produce an additional 50 per cent increase in total state costs during the next six years.

Cumulative total increase in state aid for a six-year period is calculated at \$1.6 billion in new state funds. Higher salaries account for 65 per cent of this.

Research League predicts that the legislature will have to raise \$298 million in new funds for public schools next year, \$270 million more in 1973 and \$186 million more in 1975.

Seeing ourselves as others see us wouldn't do any good. We wouldn't believe it.

Local News BRIEFS

Visitors with Angela Laake and Rosa Driever Sunday were nieces and cousins, Misses Marie and Gena Niehues of Temple. They rode the Santa Fe to Gainesville, spent the afternoon and evening with their aunt and cousin at Golden Acres Nursing Home and were overnight guests here with their cousin at her home. They returned to Temple Monday noon by train after another visit with their aunt, Mrs. Tony Gremminger took them to Gainesville.

Mr. and Mrs. Johnnie French have returned from a week's visit with her son and family, the Bill Richters at Enid, Okla., getting acquainted with the newest member of the family, infant Tracy Lynn, second daughter of the Richters. She's a sister for Genna Marie.

Muenster visitors Sunday afternoon saying goodbye to relatives were Mr. and Mrs. Mike Luke and children Beth and Michael of Dallas. They're headed for Washington, D. C., where he will be with Texas Instruments for the next three years. Also visitors were Mike's sister Ann and her husband, the Jack Fiedlers of Dallas. They visited their uncle and aunt, Alphonse and Miss Theresa Luke and were joined by them on a visit with an aunt, Mrs. Werner Endres at Muenster Hospital, then visited an uncle and aunt, Mr. and Mrs. Ben Luke and all had supper there before returning to Dallas.

Miss Clara Streng of Fort Worth spent the weekend with her parents, the John Stengs.

Mr. and Mrs. Jim Gehrig of Dallas divided a weekend visit with their families, the George Gehrigs and Herman Stoffels.

Cattle rustling is still going on according to Bill Streng who had two Black Angus calves stolen from his farm Friday night. Last year on March 5 he also lost two calves.

Mrs. George Hammer of Vernon, former local resident, was back on Tuesday on business and pop calls with friends. She was enroute to Gainesville to visit her son and family, the James Hammers. Mrs. Hammer had been a patient at Medical Arts Hospital in Dallas a few days.

Mr. and Mrs. Clarence Albers of Lewisville were here Sunday for a visit with her brother Albert Herr at Muenster Hospital and with her sister Catherine Herr and the Harry Scoggins family. Enroute back home they stopped to see John Albers at Lindsay and the Herbie Herrs at Gainesville.

Mr. and Mrs. Ray Evans are frequent visitors with his sister Mrs. Irene Meadows of Madill, Okla., who is a hospital patient there.

Mr. and Mrs. Dan Hamric and children Bobby and Dana spent the weekend in Houston with his brother and family, the Burt Hamrics. Their father Ervin Hamric accompanied them and remained to spend a week.

To really know a man, observe his behavior with a woman, a child and a flat tire.

Mrs. B. C. Rosson Hosts Myra Club

Mrs. B. C. Rosson was hostess in her home in Myra Wednesday afternoon for the Sunshine Club. Mrs. Roy Townsley presided for business.

Members exchanged gifts and played games of Wahoo. And they signed a get-well card to send to Mrs. Neil Matthews, a surgical patient at Muenster Hospital.

Dinner was served to Mmes. Al Trubenbach, Ike Fulton, Dollie Hott, Lee Livingston, Ray Hudson, Parker Fears, Townsley, Rosson and a guest Mrs. C. L. Livingston.

Tourists: People who travel thousands of miles to get a picture of themselves standing by the car.

MAVERICK GRABBER

MAVERICK

The new Maverick Grabber. It's nothing you'd take out to a track to run against the big ones. It's more of a jazzy firecracker you'd take to the beach, or a basketball game. Because with all its sporty Grabber features, with all its extra flair, the Grabber is still a Ford Maverick at heart. Still the Simple Machine that doesn't take a pit crew to keep it running.

The new Maverick Grabber is at your Ford Dealer's now.

Here's what you get:

• 200-cubic-inch Six engine • Bodyside tape stripes, black-painted hood and grille • Whitewalls, 14" wheels and trim rings • Deck lid spoiler, dual racing mirrors • 3-spoke wood-tone steering wheel, black all-vinyl seat trim • Choice of five hot Grabber colors

Plus all this:

• No big price tag • No high insurance rates • No hard-to-tune engine • No hard, stiff ride • No high maintenance costs

For more information about Maverick, see your Ford Dealer or write: Maverick Catalog, Dept. N-20, P.O. Box 1503, Dearborn, Michigan 48121.

Lindsay News

Mr. and Mrs. Henry Hess had as visitors Sunday their daughter and son-in-law, the Gus Berends and children Sue Ann and Rodney and Mr. Berend's mother Mrs. A. J. Berend, all of Windthorst.

Lindsay School's All Sports Banquet is set for March 14 at 7 p.m. in the school cafeteria. Tickets being sold should be turned in by March 9.

Mrs. A. C. Flusche was among CDA members attending the golden anniversary of the Denison court Sunday.

Delegates from St. Anne's Society to attend the district meeting of the Catholic State League in Windthorst Sunday are Mmes. Joe Paul Fuhrmann, Aloys Fuhrmann, Erwin Fuhrmann and Raymond Fuhrmann.

Heart Talk Given Lindsay P-T Club

A Heart Association-sponsored program was given for Lindsay Parent-Teacher Club at the monthly meeting Wednesday night. Johnny Arendt presided.

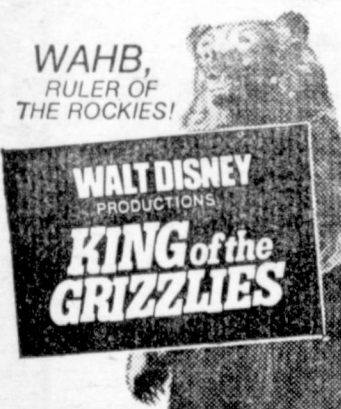

Joe Singer of Iowa Park, featured speaker, urged his audience to become concerned in the annual Heart Fund drive because "everyone is involved" and he presented growing statistics.

Singer is a Shering Laboratories Sales representative, a past president of the Jaycees, on the board and also a speaker for Wichita County Medical Representative Association; North Texas Mental Health center; Wichita County Heart Association Board and the board for the American Heart Association, Texas Affiliate.

Others at the meeting included Mrs. Joyce Cargill, regional director; Mr. and Mrs. Pat Parker of Gainesville, this year's Heart Fund chairmen and Mrs. Paul Shobe, board member, who introduced Singer. Also Mrs. Joe Nichols and Mrs. Margaret Thomas of Gainesville, both board members.

FHA Chapter Girls Hear Dr. Kralicke As Guest Speaker

Future Homemakers of America, Muenster High Chapter, had Dr. Martin Kralicke as guest speaker for their March meeting Monday night. He discussed the dangers of smoking and illustrated with a film.

During the business session principal discussion concerned FHA Week and the annual Mother-Daughter banquet, highlight of the week during which the girls have a project each day. The banquet date was calendared for April 9. Debbie Sicking volunteered as chairman for other activities that week. All members are involved in the banquet which they prepare.

Sandra Sloan—reported on the Area V meeting held in Denton during the weekend. Before adjournment Laurie Wimmer and Debbie Yosten entertained the group by presenting the song with action they presented at the area meeting. Kristi Stormer accompanied on the piano. Forty-five members were present.

BIRTHS

Mr. and Mrs. Arnold Rohmer proudly announce a daughter, weight seven pounds four and a half ounces on arrival at Muenster Hospital Tuesday, March 3, 10:13 a.m. The little girl has four sisters and one brother and is a grandchild for Mrs. Mary E. Felderhoff.

Here's that girl! Proudly announcing a daughter are Mr. and Mrs. James Wolf of Fort Worth, formerly of Muenster. Now their four boys Robert, Brian, Jeffrey and Stephen have a baby sister. She weighed eight pounds one and half ounces at birth Feb. 22 at Harris Hospital. Welcoming their first granddaughter—after 12 grandsons—are Mr. and Mrs. Bernard Wolf. The other grandparents are Mr. and Mrs. R. P. Cain of Farmers Branch. Mrs. H. A. Lueb of Oklahoma City and Mr. and Mrs. C. W. Martin of Gainesville are great-grandparents again. Mrs. Wolf returned Friday night after spending four days with her son and family getting acquainted with the newcomer.

Mrs. John Felderhoff is rejoicing over the arrival of her first great-grandchild, a little girl, daughter of proud parents, Mr. and Mrs. Dale Bennington of Dallas. Also jubilant is Mrs. Rita Jennings of Wichita Falls, grandmother for the first time. The baby weighed seven pounds four ounces at birth Sunday, March 1, 10:55 a.m. at St. Paul's Hospital. She has been named Shelley Lea. Her mother is the former Helen Jennings.

County FB Men at District Meeting

Two members of the Cooke County Farm Bureau, E. V. Fox and Martin Krah, were in Dallas recently for a briefing on changes in the state organization resulting from changes of by laws adopted in the 1969 FB state convention.

W. T. Woodson, a state officer, said that the changes have made the organization stronger and its efforts more effective.

He said that the state FB has purchased a site in Waco for construction of its new office building. The building permit will probably be obtained in August.

Date for the District 4 queen's contest was tentatively set for August 14, in Denton.

Flattery is the art of describing others as they see themselves.

Wednesday: Dismiss — Hubert Shipley, Nocona, Wm. A. Edwards, Nocona, A. J. Endres.

Long Cage Season Ends for Tigers

The long basketball season for Sacred Heart's Tigers came to an end last Friday night in a 77-42 loss to Fort Worth Day School.

As usual the Sacred Heart boys were definitely outclassed and the Cowtowners gained in all but the second period. Scores ending the quarters were 21-9, 33-21, 58-33 and 77-42.

Babe Schilling led the Tiger scoring with 24, Jim Schmitz got 10, Gary Endres 4, Paul Bayer 2, Ross Felderhoff 2.

Curtain raiser of the evening was an elementary game, also won by the Fort Worth kids. The Cubs lost it in the third quarter when they never got a single point compared to Fort Worth's 17. They led in total scores of the rest of the game. Ending the first they were behind 8-6 and at half time they led 18-15. But then came a cold period after which Fort Worth led 2-19 and held out for the 43-36 win.

SH scorers were Kenny Hess 17, Phil Endres 6, David Krah 6, Allen Rohmer 4, Kevin Pels 2, Jeff Fette 1.

Two gentlemen were sitting in a bar and one nudged the other and said: "Tell me Sam, after you drink a lot, does your tongue burn?" "I really don't know. I've never been drunk enough to light it."

Track Teams in Meet at Coppell

Both of Muenster's track teams will be at Coppell Saturday attending the Cowboy Relays.

For Coach Tom Joy and his Sacred Heart Tigers it will be the first experience of the season, following a few weeks during which the boys divided time between basketball and track. They finished their cage season last Friday.

Joy expects to have about twelve boys entered in nine events. They'll try for the relays, 100 and 220 yard dashes, 880 and mile runs, the broad jump, shot and discus.

Coach Glenn Richardson intends to have entries in all events. His team has had more time for practice plus a bit of competitive experience in a triangular meet with Saint Jo and Callisburg. Bad weather deprived them of an 8-team meet at Gainesville last Saturday.

Both teams will be definitely out of their class. A large number of entries is expected, including schools of B, A and 2-A classification.

In answer to the age-old sentence: "What reading matter would you take along if you were marooned on a deserted island," a brilliant young co-ed answered: "A tattooed sailor."

A magician traveling on a troopship, had his pet parrot with him. Whenever the magician performed his sleight-of-hand stunts the parrot began a running fire of observation and kept them up throughout the act. Finally, their ship was torpedoed and sunk.

Magician and parrot found themselves together on a life raft. After they had been floating around for hours, the parrot said in disgust: "All right, all right. I give up. What did you do with the ship?"

Confetti - - - contempt convictions were more than enough to keep them in jail. It seems moreover, that the convictions for rioting were sufficient reason not to take chances on their freedom. One can only wonder what more trouble they will start while they are free on the order of the five judges.

Can anyone say this is consistent with the country's effort to restore law and order? If leniency is granted to the likes of them, what's the point in asking officers to risk their lives in trying to stop crime?
