Hand-To-Hand Fight Surges Through City

Jewish Areas Are Pounded From Air By Egypt Forces

(By The Associated Press)

TEL AVIV, May 19—Jewish army troops have regained the initiative in bitter hand-to-hand fighting against Arab legionnaires in the old walled city of Jerusalem, official Israel sources said today.

These sources scoffed at reports circulated in some Arab capitals that King Abdullah's Arab legion had received the surrender of all Jewish troops in Jerusalem, and controlled the entire city.

Carrying The Fight

Instead, military authorities have claimed, the Jews broke into the old city through the Zion gate on the southern boundary, and now are carrying the fight to the Arabs.

But there was no inclination here to overlook the fact that the plight of Jews in Jerusalem is desperate, and that unless Jewish reinforcements can get through soon they may not be able to hold out.

The fighting in the old walled section of the Holy City really is a battle within a battle, since Arab forces, mostly of the Arab legion, ring all Jerusalem and are pressing at Jewish positions in the modern quarters of the city.

City About To Fall

Jewish military sources also claimed that Ramleh, 14 miles southeast of Tel Aviv on the vital highway to Jerusalem, was about to fall to a fierce attack by Irgun Zvai Leumi forces which now are part of the Jewish army.

They said some Arabs already were feeling from Wilhelma, which with Ramleh protects the big airport at Lydda, where commercial planes formerly landed. This would indicate the Jews might soon be in possession of the airport.

Not even capture of Ramleh, however, would open the road for reinforcements for Jerusalem Jews. The Arabs have strong positions along the road nearer Jerusalem.

Air Raid Sirens Busy

Tel Aviv air-raid sirens blew a half dozen times during the day, but no planes appeared. Egyptian planes have raided the city daily since last Saturday.

Jewish sources said Israel troops in Jerusalem captured dominating points on Mount Zion last

One Is Killed In Air Crash

LEADVILLE, Colo., May 19 (U.P) Army officials today began investigating the crash of a C-47 cargo plane near Dillon, Colo., in which a civilian passenger was killed and two crew members and another passenger were injured.

Officers at Hill field, Utah, home base of the plane, identified the dead man as Owen Crockett, a civilian teletype repairman of Layton, Utah.

Injured Are Listed

Army authorities said the injured were 1st Lt. Julius Freeman, pilot, of Charleston, S. C.; 2nd Lt. Henry L. Walker, copilot, reported as the most seriously injured, of San Angelo, Texas; and Blair Wilcox, a second teletype repairman of Layton.

The fifth occupant of the plane, Tech Sgt. David Assenault, escaped unhurt, according to officials.

The cargo plane, returning to Hill field from Peterson field in Colorado Springs, crashed into a stretch of willows and beaver ponds near the ranch of H. G. Culbreath. The ship struck with "terrific force" Culbreath said. Witnesses reported that "it was a miracle anyone survived."

The rancher said Freeman told him one of the plane's engines "conked out" and that he was attempting to make an emergency landing on the mountain meadowland.

Railway Court Fight Delayed

Wallace Is Branded Champion Of Peace

Russian Newspapers Tell Readers Henry Is Very Popular Man In United States

(By The Associated Press)

MOSCOW, May 19—Henry A. Wallace was pictured for Russian readers today as a "champion of peace" and a widely popular figure in the United States.

The newspaper Moscow Bolshevik published an article on Wallace in response to a reader who asked for a definition of the different political parties in the U. S.

"An important feature of the present election campaign," Bolshevik said in its reply, "is that there is a third party on the ballot.

"This is the new independent political party standing for defense of the Democratic freedom of the American people. Wallace is the champion of the Roosevelt course of American policy. In his speeches Wallace has shown himself the champion of peace and security of the people."

"Everywhere Wallace struggles for a stable peace," Bolshevik continued, "for friendship between nations, for close cooperation of the United States with the Soviet union and countries of the new Democracy."

The newspaper said Wallace has won great popularity among the American people. It quoted the American magazine Salute as saying he received thousands of letters after each speech and that only one in 10 disagreed with his point of view.

"Wallace's nomination for the presidency has aroused alarm and apprehension in the ranks of Democrats and Republicans," Bolshevik said. "Conservatives and reactionaries are afraid Wallace will win millions of votes, especially in the industrial states,

Track Cleared As Bargaining Is Continued

Court Restraining Order Extended Until May 29

(By The Associated Press)

WASHINGTON, May 19 — A court fight scheduled today in the railroad labor dispute has been postponed until May 28 to clear the track for renewed bargaining talks between the rail companies and the engineers, firemen, and switchmen.

These talks, which started yesterday, were to continue this morning.

The government on May 10 averted a strike by the three unions. It seized the railroads and got Federal Judge T. Alan Goldsborough to issue a restraining order against the walkout.

To Expire Tonight

This order was to expire tonight, and Goldborough had set a hearing for today on a Justice department motion for an injunction that would keep the unions at work for a longer period.

But last night, at the Justice department's request, Judge Goldsborough cleared away those legalities in this way:

1. He extended the restraining order for 10 more days; until May 29, at 7:45 p. m. (6:45 Eastern Standard Time.)

2. He postponed the injunction hearing until the morning of Friday, May 28.

Justice department lawyers said they made the request because of the renewed efforts to settle the long dispute over working rules and wages.

Means Quick Return

A settlement would means a quick return of the railroads to their owners.

Neither the railroad spokesmen nor the union chiefs would tell reporters what when on at the bargaining sessions held in a hotel yesterday.

But there were indications they were exploring the recommendations a White House emergency board made on March 27. The purpose is to see if some arrangement can be worked out that would be consistent with the board's report and at the same time give the workers more benefits from changes in the working rules.

One such device that has been talked about informally would be to give a retroactive effect to some of the rules changes proposed by the board. That is, certain workers might be given sums of money equal to what they would have received had the rules changes taken effect sooner.

Pay Not Vital Issue

Some of those changes would bring added pay to crews on lightweight freight locomotives, to "extra" men in yard service, and so on.

As for wages, this was believed to be no longer a vital issue.

The board proposed—and the railroads agreed to pay—a general wage rise of 15½ cents an hour, retroactive to last Nov. 1. This would be an average raise of about 11 percent for the 150,000 men involved. The unions demanded a blanket raise of 30 percent, with more for the lower-paid men, but later agreed to take 15½ cents if rules changes were satisfactory.

THREE ARMED MEN STAGE ROBBERY

Bank Held Up And Cashier Kidnaped

(By The United Press)

HOYT, Kan., May 19 — Three men held up the bank of Hoyt, small community about 20 miles north of Topeka, about 11 a. m. today, scooped money from the cashier's cage and took the cashier for a ride as hostage.

Orion Williams, cashier, said he could not determine how much money the bandits obtained pending a complete check. He said the vault was time-locked at the time. The bandits did not ask that he attempt to open it.

Was Talking On Phone

Williams later said a preliminary check disclosed that "between $500 and $1,000 was taken."

"I was talking on the phone at the time," Williams said. "The first I knew was when one of the men walked up to me, put a gun about two feet from my face and said 'this is a stickup' hang up that phone'."

Williams complied. He was ordered to lie down on the floor. The three men held his brother, Jeff Williams, assistant cashier, at gunpoint also and scooped up the money in sight.

"When they finished in here, they told me 'we'll just take you along for protection'," Orion Williams said.

"They assured me I would not be hurt. I got in the car with them and they took me out in the country, about two miles. They were very decent about it."

He called back to town from a farmer's home.

The car was parked at the side of the bank when the three men, all armed with pistols and unmasked, walked in. Only the two brothers were in the bank at the time.

Negro Held In Crosby Affray

The district attorney's department announced this afternoon that Crosby county officials were holding Carmelia Carr, a negro woman, in connection with the serious shooting in Crobyston Tuesda night of a negro man named Craven.

L. A. Wicks, jr., Crosby county attorney, indicated he would file a charge of assault with intent to murder in the case.

The injured man had "four or five bullet wounds," Wicks said, "and may be in bad condition."

$4,000 Bond Set

At the same time, it was announced that bond of $4,000 had been set in binding Bill Barton, about 29, a Levelland man over to grand jury investigation there on a charge of murder growing out of fatal injuries suffered Sunday afternoon by George Sheppard, a negro.

District Attorney Lloyd Croslin and his assistant E. G. Pharr had been informed by Sheriff Guy Swain of Levelland that Barton and the negro had an argument and that Barton struck Sheppard with his fist. The negro's head struck a concrete floor when he was knocked down.

To File Complaint

A forgery complaint will be filed by the district attorney this afternoon against a man who, it was understood, was held in a Clovis, N. M., jail.

Police arrested three youths—

Weather Bureau Sees More Rain For State

(By The United Press)

Texas skies were partly cloudy today, holding the promise of a little more rain for parched cotton and wheat-growing sections of the state.

The U. S. Weather bureau said, however, that any rain would be only of a scattered variety and of short duration.

Temperatures remained moderate for the most part today, with the highest early morning maximum 73 at Galveston. The high for yesterday was 100 degrees at Pampa.

Rainfall during the last 24 hours included 1.04 inches at Fort Worth, .78 at Beaumont, .97 at Palestine, .31 at Austin, .24 at Brownsville and .15 at Mineral Wells.

Average To Be $1.98 To $2 Per Bushel

Wheat Support Prices To Be Given Boost Of 15-17 Cents

(By The Associated Press)

WASHINGTON, May 19.—The government soon will boost wheat support prices an average of 15 to 17 cents a bushel over present minimum levels.

Agriculture department officials indicated today that the support price for 1948-crop wheat—on the farm—will average between $1.98 and $2 a bushel. This compares with a national average of $1.83 for the 1947 crop.

The support price is required by law. It must be not less than 90 per cent of the parity price of wheat as of June 15. If the mid-June parity price is the same as that for mid-April—the last parity price that has been determined—the minimum support price for wheat would average $1.98 nationally.

(Parity is a legal standard for measuring actual market prices. Farm law declares parity prices to be equally fair to farmers and those who buy their products).

While the support price for wheat will be higher, users of the grain may not pay more for this year's crop than last year's. The 1947 crop sold for an average of $2.31 a bushel, the highest on rec-

AGGIE MEMORIAL IS DEDICATED—The auditorium in the Agriculture building at Texas Technological college was dedicated Tuesday night as the Aggie Memorial Auditorium honoring the Aggies who lost their lives in World war II. A plaque was unveiled as the highlight of the ceremonies. The picture above, taken after the unveiling, shows Edd C. McLeroy, representing the Army; Bill Reid, president of the Aggie club; and Richard Robinson, representing the Navy, in the ceremonies. (Staff Photo).

Gen. Ike May Be Nominated First At Democratic Session

Attacker Says She "Had To Get Even"

16-Year-Old Bride Bludgeoned With Gun By Vengeful Blonde

(By The United Press)

ORANGE, May 19—The mother of a five-month-old child was in jail in Lake Charles, La., today, charged with a brutal attack yesterday on Mrs. Thelma Roan, a 16-year-old bride.

Capt. L. B. Hayden of the Orange police department said Mrs. Charles Weikert, 25, had confessed that she forced her way into Mrs. Roan's bedroom and whipped her about the face and mouth with a small caliber pistol while Mrs. Weikert's maid and small child looked on.

In Serious Condition

Hospital attendants said today Mrs. Roan, wife of a wrecking company employe, was still in serious condition. She suffered severe lacerations about the face, multiple bruises, the loss of front teeth and other injuries when the pistol barrel was shoved down her throat.

Mrs. Weikert, a slender blonde, told Orange Police Chief E. L. Nance she had to "get even with her (Mrs. Roan) for an incident that happened almost a year ago."

Mrs. Roan, formerly Thelma Phillips, moved here from Oklahoma nine months ago, police said. She married last March, giving up her job as a waitress in a local cafe. She did not know the woman who attacked her, she told officers.

Husband Is Baffled

Weikert told officers in Lake Charles he had no knowledge of why his wife would attack Mrs. Roan.

Mrs. Weikert was identified by cab driver J. D. Pennington as the passenger he took to the Roan's home yesterday. Police investigation established that she waited in the taxi until Mrs. Roan's husband left for work. Then she and her negro maid and daughter, who had followed in another taxi, entered the house.

Charles of aggravated assault with a deadly weapon were filed against Mrs. Weikert here by District Attorney Graham Bruce. He said she would be returned here as soon as extradition proceedings could be concluded.

Strike Inquiry Is Protested

WASHINGTON, May 19 (AP)—A special investigation of a threatened telephone strike was set today over the protests of the American Telephone and Telegraph company.

President Truman's announcement that the inquiry was necessary because the dispute "threatens to result in a work stoppage imperiling national health and safety" brought a quick objection from the A. T. & T.'s long lines department.

Hard To Believe

Stating that the company is "wholly at a loss to understand" Mr. Truman's move, Bartlett T. Miller, vice president of the long lines department, said:

"The employes affected comprise less than five percent of the total employes in the telephone communications industry and we find it difficult to believe that any emergency exists that imperils the national health and safety."

Members of the President's fact-finding board—which will report by June 8—were not named immediately.

The dispute involves a demand by the CIO Long Lines Telephone Workers union, which claims 25,000 members, for a 30-cent an hour wage boost, a shorter work week and larger pensions. Present pay averages about $1.25 an hour.

Hungarian Minister Resigns In Protest

WASHINGTON, May 19 (U.P)—Hungarian minister Rustem Vambery resigned today in protest against attacks on the United States by his Communist-dominated home government.

Vambery said his primary reason for quitting was that the Budapest government did not prove cooperative and "a hostile attitude became manifest in vitrolic attacks in the press and radio especially in singling out the Voice of America even for telling plain truths."

He announced his resignation at a press conference.

DEATH TOLL CLIMBS

LEEDS, England, May 19 (AP)—The death toll climbed to eight today in a train wreck which spilled two engines and six coaches down a 20-foot embankment. The accident occurred yesterday near the Yorkshire village of Wath-on-Dearne.

Ex-President Clings To Narrow Victory

PANAMA, Panama, May 19. (AP)—Arnulfo Arias Madrid clung to a scant 223-vote lead today in Panama's presidential race.

With returns from 340 of the country's 576 precints counted, the former president had 44,940 votes to 44,717 for domingo Diaz Arosemena, a former vice president and candidate of the Liberal (government) party. The voting took place 10 days ago.

Convention Proper To Vote On Plan Today

Southern Baptists Approve An Enlarged Tithing Proposal At Memphis Gathering

(By The Associated Press)

MEMPHIS, Tenn., May 19.—The Southern Baptist convention opened its 91st annual session here today with an enlarged tithing proposal one of the first items on its five-day program.

The plan received unanimous adoption at a preliminary meeting of the executive committee yesterday. It is to be submitted to a vote of the convention proper during the day.

The proposal calls for the 6,000,000 members of the 26,000 Southern Baptist churches to be asked to give at least 10 per cent of their income in 1949 and future years. It was submitted by the Rev. Merrill D. Moore of Nashville, Tenn.

Indications were that the contest for president of the organization had two principals—Dr. John Buchanan of Birmingham and Dr. R. G. Lee of Memphis. Dr. Louie D. Newton of Atlanta, the incumbent, has announced he will not accept a third term.

At pre-convention meetings yesterday:

Newton announced in an interview that every Southern Baptist would be asked to sign a pledge May 30 promising abstinence from the use of liquor, to whip "our No. one social cancer."

The Woman's Missionary Union again elected Mrs. George R. Martin of Norfolk, Va., as president and chose Miss Alma Hunt of Liberty, Mo., as executive secretary to succeed Miss Kathless Mallory of Birmingham, Ala., who retired af-

Strike Threat In Bituminous Fields Raised

Union Committee Meets Thursday To Map Policies

(By The United Press)

WASHINGTON, May 19—John L. Lewis today walked out on the soft coal wage conferences.

His action raised the threat of a new bituminous strike before June 30.

Lewis quit the conference when the coal operators voted over his objections to seat Joseph E. Moody, president of the Southern Coal Producers association.

Announcement Made

The United Mine Workers chief walked out with this announcement:

"I make the observation that there is now no conference.

"The operators have voted themselves and the United Mine Workers out of this conference. There is no one to guarantee the hall rent from this moment on."

Lewis then turned to the union delegates and said:

"The wage policy committee (of the union) will meet at 10 o'clock tomorrow morning."

To Decide On Action

The union committee presumably will decide whether to charge that the operators now have violated the contract, which runs until June 30, and if it warrants a new work stoppage.

Lewis and the UMW now are under an 80-day no-strike injunction as a result of the recent pension strike. But this injunction would not apply to a strike over new contract negotiations. The government would have to seek a new injunction to prevent such a walkout.

John C. Gall, attorney for Moody, told reporters that he would immediately file charges with the National Labor Relations Board that Lewis had again refused to bargain with the Southern Coal Producers association. He said that NLRB General Counsel Robert N. Denham would be asked to seek an immediate court injunction to require Lewis to bargain, if the general counsel wishes to do so.

Conviction Set Aside

Lewis quit the wage conference scarcely 24 hours after Federal Judge T. Alan Goldsborough set aside—at government request—the civil contempt conviction of Lewis and the union growing out of the pension strike which started March 15 and ended April 12.

Goldsborough took under advisement a second government request—to dismiss the no-strike injunction obtained by the government April 21 to guarantee against another strike as a result of the pension dispute.

Ex-Cashier Is Facing Charge

DALLAS, May 19 (AP)—Verner Noble Gillham, former cashier of the Crosbyton Citizens National bank, was indicted yesterday by a federal grand jury on a charge of embezzling $1,000 of the bank's funds.

The case, it was indicated, will be transferred to the Lubbock division of the Northern Texas Federal district for trial, possibly next week.

No Arrest Reported

The May term of the Lubbock division was convened Monday by Judge Joseph B. Dooley of Amarillo. An otherwise light criminal docket will be called next week, federal officials said.

No complaint had been filed in the case, it was learned in Lubbock.

Gillham had not been reported arrested.

NO INFORMATION GIVEN AT BANK

CROSBYTON, May 19 (Special)—"We'd prefer not to make any announcements at the present time," it was said at the Citizens National bank here this morning when newsmen asked for details in connection with indictment of Verner Noble Gillham, former cashier of the Crosbyton institu-

Postman Is Charged With Delaying Mail

PITTSBURGH, May 19. (AP)—His feet tired, a veteran mailman told a U. S. commissioner in answering charges that he dalayed the mails.

The carrier, Lawrence J. Thoma, 44, of Etna, was ordered held on $1,000 bond for a hearing. Postal inspectors said he not only delayed the mail but also dumped some of it in bushes. Thoma said he intended to deliver the mail later—but his feet just got tired.

American Move Has Little Chance To Pass

UN Council Tries To Weaken U. S. Palestine Peace Plan

(By The Associated Press)

LAKE SUCCESS, May 19—A move was reported under way today in the security council to water down an American plan for ending the war in Palestine.

An official in a position to know the sentiment of the 11 council delegates said it was apparent that the United States proposal—which raises the possibility of using an international force—has no chance to pass.

It is understood that efforts will be made when the council meets to strip the resolution of everything except moral authority.

In its final form, the plan may become just another appeal to the Jews and Arabs to stop fighting. Three such United Nations pleas have been ignored.

So far only Russia and the Soviet Ukraine have supported the stop-the-war move. In the midst of yesterday's long procedural wrangles, Russia's Andrei A. Gromyko berated the council for failing to act. He said he wondered if any delegate would oppose ending the war.

The American plan, offered to the council Monday on last-minute instructions from Washington,

Strike Settlement Is Held Up By One Issue

ST. PAUL, Minn., May 19 (U.P)—Gov. Luther W. Youngdahl said today that a single issue—whether some workers should be fired for their conduct during the strike—is holding up settlement of the nationwide packinghouse dispute.

Youngdahl reported today on his flying trip to Chicago, where he sat in with company, union and federal government officials on conciliation meetings yesterday and Monday.

"The dispute could be resolved now," he said, "except for one issue. The only obstacle to a settlement still undetermined is the question of which employes, if any, should be denied employment because of conduct in the strike."

Stalin's Offer Of Peace Talks Calls For Close Examination

By DEWITT MACKENZIE
Associated Press Staff Writer

There is much virtue in the old saying that one shouldn't look a gift horse in the mouth but, like most generalities, there are exceptions to the rule.

We are faced with an important exception, or so it seems to me, in the case of remier Stalin's announcement that Moscow is willing, if America is, to accept Henry A. Wallace's recent open letter to him as the basis for peaceful settlement of Russo-American differences. There is more than a little doubt as to what sort of steed we are being offered.

Purpose Questionable

The big question we have to answer, of course, is whether this is a real peace offer or whether it is a shrewd move to bolster Russia's position and the Red revolution for the spread of Communism. It's a mighty uncomfortable thing to have to challenge what purports to be a peace gesture. However, we are forced to it by Bolshevist aggression which has been going on unceasingly, with the resulting enslavement of numerous small nations and a threat to the rest of the world.

Does Moscow suddenly halt this program of 30 years' standing and say: "We abandon our project. We are ready for peace." I think not. What then has Moscow in mind?

Well, one thing that political circles in this country were quick to note was that Premier Stalin, with his praise of Mr. Wallace, had intervened in the American presidential campaign. It remained to be seen what the effect would be.

Russia Wants Lull

Then diplomatic quarters are asking whether Moscow might be raising the peace issue in order to weaken the Marshall plan for European rehabilitation, and block support for American military aid to the nations of western Europe. Suspicions further give rise to the thought that Russia would like a lull in the cold war to give her a chance to consolidate her gains and bolster her economic position, especially heavy industries which would be needed if war overtook her.

One of the points Marshal Stalin cited as being mentioned by Mr. Wallace for discussion was "evacuation of troops from China and Korea." Well, now, such an agreement almost certainly would have the effect of giving Russia possession of all Korea which strategically is one of the most important bases in the whole Orient.

The northern half of Korea is occupied by Soviet troops, and the southern half by American forces. Russia has Sovietized the northern portion and has created a Korean army of some 200,000, while southern Korea is just setting up its own free government under protection of America. Many observers figure that withdrawal of both Russian and U. S. troops would permit the northern Korean army to take over the southern half of the country and incorporate it in the Communist regime. No wonder Moscow wants withdrawal of American and Russian troops!

Statement Puzzling

One of the most bewildering features of Marshal Stalin's statement is his assertion "The U. S. S. R. government considers that, despite the difference in the economic system and ideologies, the co-existence of these systems and a peaceful settlement of differences between the U. S. S. R. and the United States are not only possible but also doubtlessly necessary in the interests of a general peace."

Of course general peace would be dependent on peace between Russia and America. However, the thought that the ideologies and economic systems of the two nations could be reconciled completely 'reverses' everything that Communism stands for. The Bolshevists long ago swore that capitalism must be wiped out. They have been working toward this end steadily right up to now, and we have the right to ask whether they are making an about face.

The U. S. State department has termed the Stalin statement encouraging, but reiterated that there can be no direct Soviet-American negotiations on issues involving other nations. Specific issues may be handled through world agencies. At the same time the department charged that Russia is responsible for failures to reach agreement in the United Nations and elsewhere on the issues which Stalin names.

Most certainly we should pray for peace and work for peace, but meantime beware the silly season.

Auto Black Market Due To Continue

PHILADELPHIA, May 19. (AP)—M. E. Coyle, executive vice president of General Motors Corp., says existing steel shortages will continue "the black market on new cars and a high price on used cars for some time to come."

Addressing the Philadelphia chapter of the American Marketing association here last night, Coyle declared the automobile industry had arrived at the point where the maximum possible production is 5,000,000 vehicles a year.

The demand for new cars is greater than when the war ended, he said, because the industry had not equaled its pre-war production.

Coyle said neither the automobile factories nor the dealers, had any part in the automobile black market, asserting:

"The factories have traced, by motor and serial number, thousands of these cars that were offered in the black market and have determined that they were sold by the dealer in the ordinary course of business, but that the customer had accepted the opportunity for a resale at a price substantially above the amount he paid."

Drink Machine Loses Money, Police Told

DIXON, Ill., May 19 (AP) — A driver for a soft drink concern, Earl Webb, told the police chief he is going to remove one of his automatic vending machines because of losses.

The cash box is short some nickels and a number of slugs have been found, Webb told Chief Harry Fischer.

Webb was a little reluctant to bring up the subject. The machine is in the Dixon police station.

Communists To Air Debate Rebuttal

NEW YORK, May 19. (AP)—The Mutual Broadcasting system has granted the Communists time from 9 to 9:30 p. m. (EST) tonight to answer the statements made about their party during the Thomas E. Dewey-Harold E. Stassen debate Monday night.

Their views will be aired on the "Opinionaire" program.

Communist party Chairman William Z. Foster and general Secretary Eugene Dennis requested time, and a party spokesman said yesterday that Mutual's offer had been accepted.

It was not announced who would speak for the Communists or who would oppose them in tonight's debate on the Mundt-Nixon bill to control subversive activities.

The bill was a major subject of the debate between the Republican presidential contenders broadcast from Portland, Ore., Monday night. The proposal to outlaw the Communist party in this country also was debated by the candidates.

The Communists asked for time on the American Broadcasting company's network, which also carried the Dewey-Stassen debate, but the company said yesterday it had not made a decision yet.

Another Lady Is Free Of Stomach Gas And Headache

One lady said recently that her stomach used to be like a "gas factory!" That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloat after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID."

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores. Adv.

GOOD NEWS FOR SICK PEOPLE

RHEUMATIC PAINS, ARTHRITIS, NEURITIS STOMACH AILMENTS, WEAK KIDNEYS,

and such complaints as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells,

Drugless Health

IF YOU ARE a sufferer of these ailments, try GEO-MINERAL. You may be astounded at the results. You need not guess—you will see facts. GEO-MINERAL comes from the earth — Nature's Laboratory. Contains NO dope, NO alcohol, NO oil. ONLY Nature's minerals, the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. Lack of minerals in the blood causes anemia, headaches, nervousness. Minerals generate mental brilliancy, give sparkling eyes, rod cheeks, fight disease, build up health.

Wonder Minerals

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there regularly twice a year.

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wondrous springs at Lourdes, France, and famous Thronion in ancient Greece where, according to legend Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

Amazing Results

GEO-MINERAL contains minerals you get at the world's best springs. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it. Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, relieving you. And then realize the priceless value of GEO-MINERAL.

GEO-MINERAL is not a physic and does not interfere with the foods in the stomach. It cleans and purifies the intestines, thoroughly relieving gas, toxins, acids, and bloating. After these poisons are out of the system and the kidneys purified, we begin to feel the arthritis and rheumatism leaving, and Nature starting to complete the recovery.

We Guarantee

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Come to this drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money in full.

REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better.

GM Strike Looms On May 28 As Chrysler Walkout Is Week Old

DETROIT, May 19. (AP)—General Motors Corp. faced strike threats from two CIO unions today as the Chrysler strike passed the first week without a sign of a break.

The United Electrical Workers (UE) joined the United Auto Workers (UAW) in preparations for a walkout at GM, the car industry's biggest producer. Both have been negotiating with the company more than two months.

Strike Vote Called

UE officials yesterday called for a strike vote among their 40,000 members in five GM plants. A short time earlier the UAW filed a 10-day strike notice covering 225,000 of the corporation's employes in more than 90 plants across the country.

GM and Chrysler, together with the Ford Motor Co., make up the industry's big three and account for roughly four-fifths of all car manufacturing.

If a General Motors walkout is called while the 75,000 Chrysler strikers still are out, it would be the first strike in history to hit two of the big three companies simultaneously.

The auto workers threatened to leave their jobs at GM unless a contract dispute is settled by May 28. They are asking a 15-cent hourly wage increase, of which 10 cents could go for a pension plan, and other fringe benefits.

Conferences Held

A four-hour negotiating session was held yesterday but no progress was reported. Another conference was slated for today.

The electrical workers, whose average wage is about 12½ cents lower than the $1.150 an hour paid UAW members, have asked a "substantial" but unspecified raise. The GM contract is the UE's only major one in the auto industry but has set the industry wage pattern for the past two years.

There were no moves, meanwhile, to settle the Chrysler strike, a week old at 10 a. m. today. The UAW is holding out for a 30-cent pay boost from Chrysler. It dropped its demand to 17 cents shortly before the strike but returned to the original figure when Chrysler refused to reinstate a previous six-cent offer.

Pro-Truman Caucus Set

SAN ANTONIO, May 19. (U.P.)—A pro-Truman caucus to lay plans for the state Democratic convention the next day will be held at Brownwood on May 24, Woodville J. Rogers, leader of the faction, announced today.

The convention eve strategy meeting of delegation chairmen will determine pro-Truman floor leaders, candidates for nomination as temporary chairman and secretary, and who the group will back for national committeeman and committeewoman, Rogers said.

Call Is Issued

The San Antonio attorney issued the call for delegation chairmen to meet at 8 p. m. in the Brownwood hotel on May 24. He addressed it "to all chairmen of delegations."

Rogers said in his letter to chairmen that "a great many" had indicated a preference for George Sergeant of Dallas as temporary chairman. Sergeant, former Dallas mayor, was temporary chairman of the Dallas county convention.

Rogers said he believed that Sergeant "would give us much needed strength," since "he will draw support from many neutral and uninstructed delegations."

Would Add Strength

Mrs. Jesse Andrews of Houston and Mrs. Currie McCutcheon of Dallas, Rogers added, have been mentioned for committeewomen. "Either," said the pro-Truman chairman, "would add strength to our movement."

For national committeeman, Rogers said "two good men who would like to place" are Austin Mayor Tom Miller and Mat Davis of Gilmer. "Either one of these men would suit me," Rogers added.

He pointed out that "the Texas regulars are pushing Wright Morrow of Houston, who walked out of the 1944 Chicago convention..."

Rogers asked delegation chairmen not to overlook the matter of securing proxy delegates from adjoining and nearby counties where none of the delegates expect to attend.

Citric acid, the acid of lemons and oranges, is now made from milk. A suitable mold is fed on a solution of dried skim milk plus necessary mineral elements, and the mold secretes the acid.

WOUNDED VET GETS CONSULAR POST — Guillermo Castro, center, is congratulated by fellow patients at Birmingham General Hospital, Los Angeles, after his appointment as Costa Rican consul general in Lo Angeles. The 27-year-old veteran of Pacific fighting will run his job from his hospital cot until discharged. He came to the U. S. four years ago to enlist in the Army.

Installations Are Featured At Club's Final Sessions

Annual luncheons were given by three women's study organizations Tuesday afternoon in order to conclude their club season for a three month period.

In the home of Mrs. J. T. Langford at 2203 Twentieth, Sunshine Study club had a luncheon and candlelight installation ceremony conducted by Mrs. G. E. Dawson. Mrs. J. D. Gammill was co-hostess.

Appointments made at the meeting are as follows: Mrs. Dawson and Mrs. J. E. Hartley, City Federation representatives; Mrs. Clyde Tatum, representative to Lubbock Women's club advisory board; Mrs. E. B. McNeill, program chairman; Mrs. J. C Sanders, social chairman; Mrs. C. V. Sandlin, telephone chairman; and Mrs. A. D. Montgomery, visitation chairman.

Officers installed were: Mrs. Ben Eskridge, president; Mrs. Gammill, vice president; Mrs. E. H. Armstrong, secretary; Mrs. Montgomery, treasurer; Mrs. H. D Delaney, parliamentarian; and Mrs. Frank Bass, reporter.

Others attending were Mesdames Clay Anderson, C. W Bartlett, J. H. Brock, W. H. Chappell, Lewis Kittrell, W. M. Ryan, C. W. Tatum and O. A. Woody.

Table decorations were roses and sweetpeas.

CHIMAYO ROOM IS LUNCHEON SCENE

Mrs. Lewis Mills, retiring president of Lubbock Study club, directed an installation ceremony at a luncheon held in Chimayo room of Hilton hotel.

An arrangement of spring flowers centered the luncheon table.

Places were laid for Mesdames W. G. Alderson, K. S. Blackford, John W. Daly, John Duncan, Ira G. Dunlap, jr., Roy Furr, C. H. Hamilton, L. L. Kelso, W. Howard Logan, Ruel Martin, Mills, Charles Rose, Lindsey Thompson, Clarence Whiteside and Agnew Wyatt.

MRS. PORTER GARRETT INSTALLS OFFICERS

The social committee of Lubbock Woman's club, composed of Mesdames C. E. Fike, James Samson and J. L. Rosamond, was in charge of an installation luncheon held at Hilton hotel. Mrs. A. T. Cocanougher gave the invocation and Mrs. R. O. Bennett was leader.

Mrs. Porter Garrett installed the following: Mrs. Bennett, president, Mrs. E. V. Nickell, first vice president; Mrs. Rosamond, second vice president; Mrs. Fike, third vice president; Mrs. Edwin H. Boedeker, secretary; and Mrs. Bert Douglas, treasurer.

Yearly reports were made by committee chairmen and Mrs. A. H. Douglas, a member who is ill, was placed on the club's honorary list. Approximately 35 persons attended the luncheon.

Brownie Fly-Up Troops Honor Frank Runkles

Frank Runkles, who assisted with Indian dances at the Brownie Fly-Up program held last month, was honored at a marshmallow roast given at the Girl Scout Little House Monday night by Brownie Fly-Up Troop 40 and 43 of Roscoe Wilson school.

Other guests were Troops 51 and 56 of Chris Harwell school and Troops 12 and 19 of George R. Bean school; the troops represented Indians at the Fly-Up ceremony.

Mr. Runkles told the story of his life which he calls "The Bear Claw Necklace," built an Indian fire and presented an Indian war dance.

Mrs. Raymond Painter and Mrs. H. L. Cain, leaders of Troops 40 and 43, served refreshments to the group, assisted by Mrs. H. J. Crawford and Mrs. Jack McLaughlin Eighty-six Brownie and Intermediate Scouts and 30 adults attended.

Two Lubbock Girls Will Be Sullins Graduates

Miss Blanche Read, daughter of Mr. and Mrs. Wesley Read of 2210 Sixteenth, will graduate from Sullins Junior college in Bristol, Va., May 29 and Miss Martha Loveless, daughter of Dr. and Mrs. Roy G. Loveless of 2434 Twenty-second, will graduate from the Sullins Academy on that day.

Parents of both young women will attend the graduation ceremonies. Mr. and Mrs. Read who are leaving Sunday will be accompanied by Mrs. Read's parents, Mr. and Mrs. L. H. Walter of Hillsboro.

Dr. and Mrs. Loveless are leaving Sunday, also, and will be accompanied by another daughter, Cynthia. Before returning home they are to visit in Washington, D. C., and Atlantic City.

Arnett-Benson Club Has Party In Boyd Home

The Arnett-Benson Needle club's party held in the home of Mrs. F. L. Boyd, 2623 North Second, Tuesday afternoon was attended by:

Mesdames Ruby Bolin, C. C. Beatley, L. O. Langley, J. P. Mills, C. R Miner, L. W. Parker, W. M. Robertson, J. O. Stone and E. L. Wallace.

The club is to meet June 1 at 2:30 p. m. with Mrs. Bolin, 2718 Ruby.

Fifth Grade Pupils Are Guests At Park Picnic

Fifth grade pupils of Mrs. C. A. Gentry and Mrs. Ahnise Lindsey of George R. Bean school were entertained at a picnic given Tuesday afternoon at Burns park.

Mothers sponsoring the party were Mesdames S. A. Summers, W. M. Gregg, Jack Hopkins, Henry Brown, Dale Robbins, Clarence Loving, R. F. Lang and Fred Garrett.

The children presented two short plays and read several poems. Seventy attended.

MARY HAWORTH'S MAIL . . .

Unfaithful Wife's Philosophy Is Demoralizing To Husband; She Thinks He Should Forget It

DEAR MARY HAWORTH: A short time ago I learned that my wife had an affair with another man while I was overseas. The discovery was a devastating blow and my first reaction was disbelief.

However, she admits her guilt and is openly honest about the whole thing. It wasn't planned or anticipated, she says; just the result of playing around.

Her attitude is, "I'm sorry, but it's done. I loved you then and I always will. It was unexpected and happened more than once only because I felt that our life together was already ruined. But common sense returned and now it's all over. You will have to accept it; nothing has really changed and I'm dreadfully sorry that I have hurt you.'

WIFE SAYS NOTHING IS REALLY CHANGED

I LOVE HER so much that I would give my soul if nothing had changed; and when I am with her I can feel beyond question that our real love of many years still exists, perhaps even a little deeper on her part nowadays; but at other times, when we are apart, I am so depressed that I can hardly think.

She has no idea of my inner conflicts. If she knew, she would be frightened. Actually she feels she has done me no great injury and that it's simply unfortunate that the affair came to light. Obviously her standards differ from mine and no further good would be accomplished by talking to her.

Why do these things happen? How can I justify her conduct to myself or get over my old-fashioned ideas that are really the cause of my anguish? Would having an affair myself help any? I would be miserable if we parted, as neither of us want that; and we have a child now seven years old. Please set me straight.

Signed E. D.

THE INCREASING PURPOSE OF LIFE

DEAR E. D.: I am reading a remarkable book, Lecomte du Nouy's "Human Destiny" (Longmans, Green & Company), that illuminates the shadings of difference, in character and viewpoint, between you and your wife.

In his poem, "Locksley Hall," Tennyson writes, "Yet I doubt not through the ages one increasing purpose runs, and the thoughts of men are widened with the process of the sun." Now, in du Nouy's book, we have an internationally known scientist of the first magnitude bringing tremendous erudition to bear, to tell us what that purpose is.

Although it is almost impossible to convey in short space the essence of du Nouy's comprehensive statement, here is an attempt to brief it in my words:

His scientific conclusion is that the consistent discernible purpose of evolution, so far, has been to bring forth, and to establish in sentient, form, a growing awareness of, and responsible cooperation with, the causative Spirit which energizes the universe.

He says the "divine spark" has come to life in the human species, and therefore it is human destiny to strive toward the fuller realization and the orderly expression of this Spirit, to make tangible all its joy, beauty, sublime harmony and good.

WIFE STUMBLING IN OUTER DARKNESS

DU NOUY speaks of the sparkling trail of the evolution of spirit already blazed on the dark background of eternity by Jesus, the saints and prophets of all religions and their truth-seeing followers; yet he indicates that we as a species are just at the beginning of this growth, that hundreds of centuries of sustained effort will be required to evolve the whole human family to creative spiritual consciousness, and that in process many will fall by the wayside, eliminating themselves from the evolutionary struggle by repudiating their true destiny in favor of the sensory pleasures of "natural man."

Appraising your problem against this epic concept of the meaning of life, one sees your wife falling by the wayside, without the slightest cognition of her self-betrayal, or of the outer darkness in which she exists. And one sees you, on the other hand, rent by anguish at her insensitivity, because it suggests to you that marriage in the best sense of spiritual kinship and spiritual rapport isn't in the cards with her.

Certainly it wouldn't help to fall back to her benighted level of "having an affair," and since you love her dependently, too much to leave her, the constructive solution is to learn to love her cherishingly as well; and for guidance in this, study I Corinthians 13. But study du Nouy's book for perspective also. M. H.

Mary Haworth counsels through her column, not by mail or personal interview. Write her in care of The Evening Journal.

Dance To Be On Saturday

Because so many members are planning to attend the Guy Lombardo dance Friday night, the Lubbock Dancing club has changed its regular date to Saturday. At that time the club will end the season when members gather at Hotel Lubbock for dancing to Bailey Ireland's orchestra.

Mr. and Mrs. Bill Agee are chairman of dance hosts and others are Messrs. and Mesdames Charles Bacon, Hugh Anderson, Joe Bass, Sam Camp, Cliff Dean, Luther A. Godwin, Fred Hackel, Paul Newman, Clyde Owens, James Postlewaite, Olen Stewart, C. I. Wall, Don Wiley, Denman Morgan and two from Ralls. Mr. and Mrs. E. A. Henry and Mr. and Mrs. Edd McLaughlin.

Mrs. Webb And Mr. Self Marry In Henrietta

Announcement is being made of the marriage of Mrs. Emily Mae Webb of Vernon and James Riley Self of Lubbock which took place May 1 at Henrietta in the home of Mr. and Mrs. Hubert Crisp. The couple are spending their wedding trip at Rockaway Beach on Lake Taneycoma in Missouri.

Mr. Self, son of Mr. and Mrs. F M. Self of Buffalo, Mo., has lived in Lubbock since 1938 has been employed as bookkeeper by Pestwick Motor company.

Mr. and Mrs. D. J. Wilhelm and daughter, Miss Amy G. Wilhelm, received a novel announcement of the wedding from the bride's five year old daughter, Martha Gayle Webb.

Party Is Compliment To High School Seniors

As a compliment to Jamie Hinson and Tommy Cooper, who are to graduate from Lubbock High school this month, Mrs. J. D. Sanders, 2828 Twenty-fifth, gave a bingo party Tuesday night.

The honor guests were presented with hostess gifts.

A salad plate was served to Cecil Butler, Mary Gowen, Arbie Freeman, Dean Jackson, Sybil Lee, L. H. Stevenson, Rusty Steele, Donald Decker, Gordon Hilton, Bill Echols, Mr. and Mrs. E. Y. Gibbs.

Lubbock Chapter Of OES Has Election At Hall Tuesday

Lubbock chapter 76, Order of Eastern Star, elected officers at the Masonic hall Tuesday night who will assume duties at a public installation June 3 at the hall. They are:

Mrs. Burton S. Burks, worthy matron; Mr. Burks, worthy patron; Mrs. Morris Cranford, associate matron; Carlos Reynolds, associate patrons; Mrs. Ed Lawson, secretary; Mrs. Jack Hopkins, treasurer; Mrs. Kirby Nutt, conductress; Mrs. John Cocanougher, associate conductress.

Mrs. D. E. Sellers, retiring worty matron presided.

Visitors were in attendance from Stockton, Calif., Clovis, N. M., Slaton, McAllen, Belton and Littlefield. They included Mr. and Mrs. Pat H. Boone of Littlefield. He is Worthy Grand Patron of the Grand Chapter of Texas and she is Grand Warder of Texas.

Mrs. D. A. Peachee was initiated as a new member.

One hundred twenty-five were present.

Hostesses for the tea hour were Mesdames L. V. Risinger, B. T. Adams, W. L. Joosten and B. B. Chappell.

Plans were made for an annual School of Instruction May 26 when 20 chapters in this section will meet for instruction and examinations.

Miss Betty Ruth Hobbs Is Honored At Shower

Honoring Miss Betty Ruth Hobbs, who is to marry Ross Hester May 28, seven hostesses entertained recently in the home of Mrs. C. R. McLaurin on the Plainview highway. They were Mesdames McLaurin, F. W. Martin, D. E. Christopher, Fred Harrell, Misses Eula and Thora McCorkle and Mary Ila Barnett.

A blue and yellow color scheme was carried out in decorations.

Mrs. Ed Dawson and Mrs. Harrell sang bridal songs.

Fifty guests either called or sent gifts.

Lubbock Garden Club To Cancel May Meeting

Lubbock Garden club has cancelled a meeting scheduled for this month. The next meeting of the organization will be in June at a date and place to be decided.

State Parks Board Sets Amarillo Meet

AUSTIN, May 19 (AP)—A two-day meeting of the state parks board will be held at Amarillo May 28-29, executive secretary Gordon Shearer announced today.

The board will inspect Palo Duro canyon and state park before a business session when road repairs and other improvements to the park will be discussed.

New Motor Freight Route Authorized

Authorization for extension of the Curry Motor Freight Lines from Lubock to Midland, Odessa has been granted by the Texas Railroad commission, Wiley B. Pearce, vice president and general manager of the company said this morning. The order was signed by commission members, Col. E. O. Thompson, chairman; Wm. J. Murray and Olin Culberson, effective May 15.

Service on the extension of the line, which runs from Amarillo and Plainview to Lubbock, will be started within a few days, Pearce said.

Joe White, formerly manager of the lines' Brownfield office, will be agent at the Midland-Odessa terminus with managers in each city. Terminal offices will be maintained in Midland, Pearce said.

The extension of the lines ties in the South Plains with the great Permian basin with a direct overnight motor freight service which has been much in demand by wholesale and retail firms in this area. It gives the Midland-Odessa area north and south service to wholesale and manufacturing centers whereas in the past they had had to depend on east-west service from far removed points.

The Curry Motor Freight lines, established in 1925 by A. F. Curry of Plainview, also have connecting line from Lubbock to Brownfield and another from Plainview to Lockney, Floydada, Ralls, Crosbyton and Lorenzo. The line originally operated between Amarillo and Plainview. An extension to Lubbock was granted April 21, 1946.

The Brownfield extension was acquired by lease and purchase and the Lockney-Floydada and Crosby area extension was granted this year by the railroad commission.

R. C. (Art) Jordan of Amarillo is president of the company. Headquarters are maintained here at 910 Seventh.

Even fishes sleep, according to the Encyclopedia Britannica.

Five Residences Are Included In Permits

Permits for five residences, including one to cost $35,000 accounted for $71,400 in new building reported at the city building inspections department today.

J. R. Leftwich is owner and Leonard McGowan contractor for the $35,000 house, to be built at 3319 Nineteenth. It is to be brick veneer, eight rooms, one story and with full basement.

Other residence permits were: Maisen Building corp., frame, 3104 Twenty-sixth, $14,000; E. M. Kratzer, frame, 2601 Thirty-first, $11,000; George Vaught, tile, 2604 Second, $6,400, and E. L. Evins, frame, 2909 Edna, $5,000.

They increased building permit totals for May to $595,869 and for the year to $4,814,754.

Bexar Candidate To Ask Legal Gambling

SAN ANTONIO, May 19. (AP)—Thomas Jordan, a candidate for sheriff, said the main plank in his campaign platform is legalized gambling.

"People who want to gamble and bet will do so, regardless of law enforcement," he said. "My intention is to bring it out in the open and under control of the sheriff's department."

Medical Test Proved This Great to Relieve MONTHLY
FEMALE PAINS
Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel so nervous, weak, high-strung—at such times? Then so try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! In a recent medical test this proved remarkably helpful to women troubled this way. Any druggist store.

Uncle Sam's Atomic Weapons Reported As Vastly Improved

HONOLULU, May 19 (AP)—The United States has atomic weapons vastly improved over the war-time Hiroshima and Nagasaki types.

Aside from this fleeting peek under secrecy's curtain, the details are hidden.

This was the gist of a news conference yesterday by top military and scientific directors of a joint task force upon their return from "Operations Sandstone" on isolated, well-guarded Eniwetok in the mid-Pacific.

Tests Are Held

There they conducted the latest series of atomic tests during the past 45 days. Three weapons of improved design were tested. There was no undersea test, nor any dropped from the air. Whether guided missiles were used can't for security reasons, be answered.

Leaders of task force seven evaded all questions attempting to pinpoint the latest U. S. strides in atomic weapons.

But. Lt. Gen. John E. Hull, task force commander, pointedly commented: "We got our answers We liked the answers."

"These answers," said he, "belong to the United States government and, naturally, are not for publication. It can be said, however, that the bombs worked. We have proved the weapon development work done by the Los Alamos (New Mexico) scientific laboratory during the past two years."

Designed Under Pressure

Navy Capt. James S. Russell, deputy director of the Atomic Energy Commission's division of military application, pointed out that the bombs exploded at Alamogordo, N. Mex., Hiroshima and Nagasaki and the two tested at Bikini in 1946 "were wartime weapons—designed under extreme pressure."

"During the period of wartime development of atomic energy, one goal relentlessly pursued was the creation of an atomic bomb which would work in time to be effective in Wolrd war II," he said. "It had only to work; it needed not to be too efficient."

Russell recalled that the commission told Congress in January its postwar goal "in the field of weapon development was scientific and engineering perfection of improved designs."

"America's preeminence in the field of atomic weapons is not a static thing, it depends upon achievement—day to day, year to year and test to test achievement," he said.

Ideas Are Confirmed

Dr. Karol K. Froman, scientific director of the task force, said the tests confirmed "a large body of ideas, theories and methods which have grown out of the Los Alamos scientific laboratory."

Major Gen. William E. Kepner of the Air Forces affirmed there was no airplane drop of a weapon, nor an underwater test. He said it was not necessary to remove personnel from Eniwetok for any of the three tests.

No light was shed on the speculation that such information prompted. Presumably, the new bombs were detonated from platforms, or craft in the water outside Eniwetok atoll or they were projected from the atoll by some such method as a guided missile. If the latter were used, its range of flight necessarily would have been limited for a check of results.

Dr. Froman said the explosions were "carried out under conditions as close to laboratory control as we could make them, and with very extensive instrumentation."

Military materiel, but no targets, were used, he said, adding that this was done "to fill in gaps in knowledge gained at Bikini."

The task force sailed from Honolulu March 8, for the Eniwetok testing grounds after more than 50,000 tons of material had been poured onto the atoll to rebuild the wartime base.

HE'S LOST AND FOUND—Charles Booher, 13, and his family moved to Washington, D. C., from Baltimore, Md. Two days later, they went to a movie, and Charles was separated from his folks. He didn't know where he lived, so Sgt. L. D. Morrow gave him shelter in the guard room of the Senate Office Building until he and his parents found each other again.

If there is not enough meat left over from a pot roast for a pie combine it with mushrooms or kidneys.

Aged Violinist Who Lived In Ramshackle House Leaves $80,000 To Surprised Niece

SPRINGFIELD, O., May 19 (AP)—A surprised niece had the job today of settling the estate of old Charley Corte.

Old Charley, who used to talk of playing his violin before the crowned heads of Europe, died Wednesday in the Dayton state hospital. He was about 75.

His estate included, in addition to the piles of old newspapers and trash he gathered off the streets, more than $80,000 in U. S. Treasury and municipal bonds, cashier's checks, and cash.

The only known relative is his niece, Miss Dell Reano, who was appointed administratrix by probate court. Like everyone else, she had believed her uncle's holdings matched the ramshackle house in which he lived.

He had no electricity. He always said the street light in front of the house was enough. He used to have water, but it was shut off some years back because he wouldn't pay the bill. Since then he had gotten water by the bucket from a neighbor.

The story was that old Charley had been a concert violinist in his native Italy. He also was supposed to have been a drummer for a minstrel show.

Old Charley's wife died in 1913. Lately all he seemed to do was clean the streets of his neighborhood and bring in papers.

Jury Decides Goats Don't Smell So Bad

TRAVERSE CITY, Mich., May 19 (AP) — Louie Sleder's goats were vindicated today by the noses of municipal court jury members.

F. J. Braden had complained the goats Sleder herded near his home had an offensive odor. Sleder suggested that the jury come and smell for themselves, and Judge James Fitzpatrick accepted the motion.

The jury went and sniffed; then deliberated 20 minutes before deciding in favor of Sleder and his goats.

The new organic detergents, now widely used for washing and often referred to as soapless soaps, were first used in the textile industry for wool scouring and the treatment of fabrics before dyeing.

Chicago Fair To Show Progress In 100 Years Of Railroading

BY HENRY D. RENNWALD
United Press Staff Writer

CHICAGO, May 19 — This railroad capitol of the nation will put on a giant show here this summer to commemorate the 100th anniversary of its railroad service.

Starting in mid-July, a railroad fair will continue until shortly after Labor Day. The scene will be along the lake front, site of a Century of Progress in 1933 and 1934.

Edward Hungerford, who produced at the famous railroad pageants at a Century of Progress, and the New York World's Fair in 1939, again will present a "history" of railroading on a large stage.

Almost all the railroads of the country will be represented, and the entire drive along the lake from 18th street south to 35th street will contain exhibits and scenes from the rights-of-way of the participating roads. The Santa Fe, for example, will transport a group of Navajo Indians from their territory and build an Indian village at the fair.

Canadians Invited

Invitations have been sent to the two principal carriers in Canada—the Canadian Pacific and the Canadian National. Bids also have been sent to the railroads of Mexico.

In Addition to the exhibits planned by each individual road, patrons of the fair will see "name" trains, too. Such famous trains as the Chief of the Santa Fe, the 20th Century Limited of the New York Central, the Golden State Limited of the Rock Island-Southern Pacific, the Empire Builder of the Great Northern-Burlington — to name but a few—may be on display.

Present plans call for one such train to be on exhibition and open for inspection daily. The trains will not be replicas, but the regular equipment of each train, taken out of service for the few days it will be on display so patrons may see the latest types of accommodations offered by the carriers.

In addition to the most modern equipment, the oldest locomotive in the Midwest will be shown in contrast. It is the Pioneer of the Chicago & North Western, which made the first run on the road to West Chicago, Ill., in 1849.

To Show Narrow Gauge

One of the feature attractions is expected to be a narrow gauge train to be operated by the Chicago, Burlington & Quincy. The train, tentatively scheduled to carry eight small cars, and pulled by a regular steam locomotive, will operate from the north to the south end of the grounds, hauling passengers.

Old-fashioned stations will be built at each end of the fair to act as terminals. Old style signals, switches, telegraph equipment, etc. will be used to give the patrons a taste of railroading in the old days. Crews will be dressed in uniforms in vogue back in the '90s.

The tiny train, with kerosene lamps in the coaches, open vestibules and locomotives belching smoke and cinders as it pulls along at 15 miles an hour, should present quite a contrast to the modern Illinois Central Panama Limited—standing on a siding in modern dress, with a sleek, powerful Diesel-electric locomotive at the head end.

Low Draft Standards Advised By Doctor

WASHINGTON, May 19 (AP)—Only such disabilities as total blindness, deafness, acute mental disease and mental deficiency of perhaps imbecile level should bar a man from any military mobilization, a Veterans administration psychiatrist said today.

The suggestion was made by Dr. Wilfred Bloomberg, a VA staff member at Cushing General hospital, Framingham, Mass., that in any future national mobilization should be lowered and "the induction examination be eliminated entirely."

Addressing the American Psychiatric association's 104th meeting, Bloomberg said the grossly incapacitated could be weeded out by local draft boards or recruiting stations.

Then, he said, the men inducted could be transferred directly to a training center where induction screening would "be replaced by a continuing process of screening" during the first six months of service.

Ocean waves pounding on a rocky coast, and tiny rock waves in the earth's solid crust, can be scientifically analyzed to detect storm centers hundreds, even thousands, of miles away and to tell how fast they are moving and in what direction.

LOSES A QUARTER, FINDS CACHE OF MOONSHINE—Pat New climbs from the basement of the Atlanta, Ga., service station with the last of several onion sacks full of hi-test moonshine whisky. Pat found 70 gallons of the stuff hidden in cans in the sacks when he went down to look for a quarter that dropped through a crack in the floor. Valued at $850, the illegal moonshine had probably been dumped by a fleeing bootlegger. It was confiscated by city detectives.

Mickey Rooney Not To Contest Divorce

LOS ANGELES, May 19 (AP)—Mickey Rooney won't contest his second wife's suit for divorce.

The 27-year-old film actor filed notice in superior court yesterday that the suit of the former Betty Jane Rase, 20, may be granted by default.

She alleged cruelty in an action filed last Monday. A hearing was set for May 28.

Under an already-signed property settlement, she will receive $100,000 over a 10-year period, $5,000 a year for support of their two sons and $25,000 for a home.

Rooney and Miss Rase were married Sept. 30, 1944, in Birmingham, Ala., where she had won the beauty title of Miss Birmingham of 1944.

Rooney's first wife was actress Ava Gardner.

Potatoes should always be sorted before being stored. Any that are bruised or cracked should be set aside and used first. Large size potatoes may be used for baking, small sizes for boiling.

Portable Refineries To Make "Backyard" Gasoline Promised

BY HOWARD W. BLAKESLEE
Associated Press Science Editor

TULSA, Okla., May 19 (AP) — "Back yard" gasoline, to be made by a portable refinery, is promised at the International Petroleum exposition here.

An oil refinery on wheels will let the small oil producers convert their petroleum directly into gasoline. This has been a dream of the oil industry for many years.

The first such plant is designed for men who produce from 50 to 1000 barrels of oil a day. There are thousands of them. In fact, they produce about 75 per cent of the nation's oil.

Refineries Expensive

These men never have been able to make gasoline. That requires a refinery, and these plants cost from a million to fifteen million dollars each, besides being of huge sizes. Only big industry could do the refining.

The portable, a plant to be carried on a few trucks, and to be set up in a week, is the work of George E. Failing, one of the most famous oil men of the southwest. His concern, the George E. Failing Supply company of Enid, Oklahoma, is one of the big exhibitors at this exposition.

Failing has finished the pilot plant stage with his portable refinery. He says the details are a secret, but that the small refinery is made possible by the use of high pressures. He says it has essentially the same parts as a big refinery unit. These are compressed into smaller space.

Failing says that his portable will produce auto grades of gasoline, including the common high test. It will not, he says, produce aviation gasoline.

A soil covering of asphalt roofing offers an effective means of protecting the house without a basement from dampness, suggests the Department of Agriculture. Its studies showed that houses built on wet sites became dry within three months after the roofing was rolled out on the soil.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out about 2 pints of bile juices into your bowels every day. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Then gas bloats up your stomach. You get constipated. You feel sour, sunk and the world looks punk.

It takes those mild, gentle Carter's Little Liver Pills to get those 2 pints of bile flowing freely to make you feel "up and up." Get a package today. Effective in making bile flow freely. Ask for Carter's Little Liver Pills, 25c at any druggists. ADV

Wife Wins Relief From Neuritis Pain

SENATE RAISES STORM WARNINGS

House Passage Of Anti-Red Bill Due

(By The Associated Press)

WASHINGTON, May 19.—The Mundt-Nixon anti-Communist bill headed for House passage today in the face of storm warnings raised by Chairman Taft of the Senate GOP policy committee.

House passage of the controversial measure was predicted by friends and foes alike. But a strong hint that it may suffer a different fate in the Senate was given by the Ohio senator in a radio talk last night.

Can't Make It Illegal

Taft said the bill "may be so punitive as to drive all the Communists underground" rather than risk admitting their affiliation.

While he said he favors requiring Communist organizations to register and list their membership, he added:

"I do not think we can make it illegal to be a Communist or to think Communism or to talk Communism if it does not go to the extent of advocating the seizure of the government by violence."

Ralph McGill, editor of the Atlanta Constitution, appearing on the same program, called the House bill "unwise and unsound." He said "it seeks to get at Communism through a side door."

Session Called Earlier

Today's House session was called two hours earlier than usual to get the bill out of the way by night.

Still hanging fire is a stack of amendments. The un-American activities committee, which sponsored the measure, has proposed some relatively minor changes, but other pending amendments would rewrite the bill entirely.

The temper of the House was indicated yesterday, when every attempt to alter the measure was shouted down.

Heavy Penalty Set

Product of several months of committee study, the bill would make it illegal to advocate a totalitarian, foreign-controlled government in this country. Anyone who did that could be sent to prison for ten years and fined $10,000.

It would require the Communist party to register with the Justice department and to file annual financial statements. The party also would have to list its members, and allifiated organizations would be required to register without listing membership.

Use meringue with which to frost cupcakes. Just beat an egg white with one-eighth teaspoon salt until stiff but not dry, and add one-quarter cup brown sugar very gradually. Continue beating until mixture is stiff and glossy. Spread on cup cake batter in muffin pans and bake as usual.

TO LECTURE HERE — LaDeane Murdock, 11 years old, known as the world's youngest ordained minister, will begin a series of lectures at 8 o'clock tonight at the Gospel tent at Thirty-eighth and Avenue H. She is said to have preached for five years. A divine healing service will be conducted Sunday afternoon at 2:30 o'clock. Special music will be furnished by visiting guests.

Friday Commencement Planned At Muleshoe

MULESHOE, May 19 (Special)—Commencement exercises will be held in the high school auditorium here at 8:30 p. m. Friday for 41 graduating seniors. Dr. H. C. Gossard, dean of Eastern New Mexico college at Portales, will deliver the commencement address. Salutatory will be by Betty Atchison Hoover and valedictory by Eddie Raye Glenn. Baccalaureate services for the class were held Sunday, May 16.

Man On Snowshoe Evades Charging Elk

MOSCOW, Ida, May 19 (U.P.) — You can get up a lot of speed on only one snowshoe when you're being charged by a bull elk.

A University of Idalou forestry instructor, Roger Hungerford, testified to that on his return from a four-day snowshoe expedition into the northern part of Wyoming's Yellowstone National Park.

Hungerford was photographing the elk when the animal charged. He lost one of his snowshoes but still outsped the elk to safety.

CHAMPION

The papers say he ate twenty-four
But I know it was plenty more
For Pappy Brown just can't turn down
Those LIGHT CRUST biscuits golden brown.

Deadlock Seen In Draft Issue

WASHINGTON, May 19. (U.P.)—The House rules committee, which must approve the draft before the House can vote on it, appeared today to be split 6 to 6 on the issue.

However, it was reported at least one opponent of the 19-through-25 selective service measure will switch his vote to aye at the request of Republican leaders.

To Clear Committee

This means the draft bill will clear the rules committee—but the hard way. Committee hearings went into their second day today and were certain to go on all week.

"I've got plenty of questions to ask," said Chairman Leo E. Allen, R., Ill., who opposes the draft. He has proposed instead that the armed forces put up a cash bonus for volunteers.

Meanwhile, there was talk among Republican senators of trying to write a compromise to head off a prospective fight over southern demands for racial segregation "by choice" in the armed forces.

Sen. Richard B. Russell, D., Ga., is sponsoring an amendment to the Senate draft bill to allow all draftees to serve in units with members of their own race if they wish.

Negro Given Death On Murder Charge

MARSHALL, May 19 (AP) — A jury which deliberated eight minutes last night convicted Henry Brown, 23-year-old negro farm hand, of the shotgun slaying of Mrs. Clara Moore at Harleton last Sept. 11, and assessed a penalty of death in the electric chair.

County Attorney Sam B. Hall read a statement he said Brown made admitting the shooting of Mrs. Moore. The statement said Brown thought he wasn't paid enough for a 1941 crop he raised for the woman.

The wind furnishes electricity to more than 1,000,000 farm homes in the United States and Canada.

Free Summer Music Lessons Offered

Free music instruction will be offered public school students during summer school of the Lubbock public school system.

Lewis Stoelzing, Senior High school director, and Harry Born, Junior High school director, will conduct the school.

Beginning classes for students from the fourth grade up will attend from May 31 to July 9 and intermediate and advanced band and orchestra will meet the second summer semester, from July 12 to Aug. 20.

Those interested in attending beginning classes are to meet at 1 p. m. Monday in the high school band room for organization and assignment to classes.

Classes will be scheduled from 1 to 4 p. m., Mondays through Fridays. Any one student probably would not attend more than 45 minutes to an hour within that period, it was announced.

The second semester's work of intermediate and advanced band and orchestra is not required but is recommended in order for them to prepare for fall work, said Stoelzing. Football season will open the first week of the school term next fall and the band will prepare to play during the season.

More than 100 different minerals are known to contain uranium, source of atomic power.

"Oklahoma" Hit To Close Run May 29

NEW YORK, May 19 (U.P.)—The musical "Oklahoma" will close its record-smashing New York run May 29 with the 2,202nd performance, the Theatre Guild announced today.

The Guild said the Richard Rodgers-Oscar Hammerstein production took in a gross of more than $7,000,000 since its opening, March 31, 1943.

Only "Chu-Chin-Chow," a London musical which ran 2,238 performances, exceeds the "Oklahoma" record.

Between ... The Lines

— By JOE KELLY —

Bill Henderson has returned to Levelland and Lubbock and will be visiting here for the next two weeks. The quiet, likeable young featherweight, twice state Golden Gloves champion, turned pro this spring and has been fighting in the East. This is not a permanent change of station; merely an opportunity to rest up and heal a knuckle that hurts badly.

● ● ●

For some reason unbeknownest to us, some of his friends tried to keep Bill under cover, even though the entire South Plains is interested in his career and in him personally. He returned Friday night and has not made much of a showing publicly since then. Yesterday we ferreted him out and, after the usual to-dos, we had a fine, long talk with him.

● ● ●

Bill hurt the middle knuckle on his right hand in his first fight. It was a pure case of his being too eager to make a good showing and to score a knockout, which he did. The knuckle continued to bother him, even though he went on to fight three more times. Finally, just before his fifth scheduled fight, he hurt it again in sparring.

● ● ●

It's a nasty looking swelling, but it will mend and when it does, Bill will hit the road back to fighting again. In the meantime, he's doing his regular roadwork every morning, keeping in shape without sparring or other gym work. He expects to go back to Cliffside Park, N. J., about May 29. And after that he looks forward to a lot more fighting.

● ● ●

The Levelland Larruper has learned a lot already and freely admits there is a big difference between amateur and pro fighting. He says that the pros take it a lot easier, that four three-minute rounds don't bother him as much as three two-minute cantos. He also is learning the ways of the fight game. His best experience came in his third fight, which he says was his toughest. He scored a TKO in the third round, but had his bumps first from a boy named Angelo Ayala.

● ● ●

Ayala taught Bill several tricks in those few short minutes, tricks that he is storing away for future reference against other opponents. Ayala was a more seasoned fighter, dropping down from six-rounders to fight Bill, so that the South Plains puncher could be proud of his victory. Ayala was considerably taller and did cause some bad moments, jabbing with a long left and keeping his body sideways. It bothered Bill at first, then he got inside and worked on the body. After that it was only a question of time.

● ● ●

Bill says that he was scheduled for one more four-round fight and then he was destined to enter six-rounders. There's more money in the six-canto fights; there's also more chance to go up the ladder. He doesn't know now, since he's had a long layoff, whether he will have another four-rounder or two, or will go right in six-round fights. He says that he believes he has the best people in the world managing him and that he'll do just what they think is best for him.

● ● ●

He likes his camp, his handlers and the friends he has made there. He frankly admitted he wanted to come home, that he was a little homesick, but he's also eager to go back. He said it nearly killed him to be laid off and he wants to get going again. He thinks J. D. Kirkpatrick will fight again in about ten days and he may turn heavyweight. Bill declares that J. D. was hitting one of the heavyweights so hard in his first appearance at Cliffside that everyone stopped work to watch the Petersburg boy go to town.

● ● ●

He believes that Joe Vella and the trainers think J. D. is going to make a great heavyweight and, although his modesty prevented it, we got the impression that they thought the same of Bill. The only other featherweight in camp was being hailed as a sensation. Bill sparred him with 12-ounce gloves and in less than 25 seconds of fighting, they stopped the sparring. The other feather went home, leaving Bill the only one in camp now. From there he went on with his impressive record in four fights. It may be a long road, but it looks as though Bill were well on his way. We know everyone around here joins us in wishing him continued luck and success.

Dukes Nose Out Lamesa As Borger Smacks Hubs 14-11

Lee Zamorra of Albuquerque took his place alongside the better hurlers in the West Texas-New Mexico league when he pitched the Dukes to a 2-0 victory over the Lamesa Loboes.

Zamorra breezed along past the potent Loboes as though it was the World Series, allowing only three safeties and never getting into trouble. Stan Grzywacz also hurled a respectable game, allowing only seven hits, but he was shaded by the work of his opponent.

Borger Beats Lubbock

In other games last night, Pampa lost to Amarillo, 9-4, Borger topped Lubbock, 14-11, and Abilene climbed back into the race by beating Clovis 12-5.

Borger's victory over the Hubbers, their second in three games, broke the second place tie and dropped the Hub City crew back to third. It also enabled the Gassers to pick up a full game on the league-leading Oilers.

Pampa finally took it on the chin from the Gold Sox and saw the Gassers move into a more threatening place in the league. Only a game separates the two clubs now, although last week they were tied.

Fourth Place Knotted

Abilene's victory over Clovis knotted up fourth place again, with Lamesa, Abilene and Albuquerque running in a dead heat for the first division. All three are two and a half games behind the Hubbers, but all definitely remain in the chase.

The Hubber-Gasser game was one time when the Hubbers allowed the enemy too big a front lead. At that they scared Manager Eddie Carnett into taking the mound in the ninth, when seven runs came across the plate.

Two Big Innings

The Hubbers confined their scoring to two big innings, pushing over four runs in the sixth and seven in the ninth. It wasn't enough to save Kermit Altizer's debut on the mound as a starting hurler.

Tonight the Hubbers return to Rosenthal Field, where they begin the first of three three-game series, with the Clovis Pioneers furnishing the competition. Bob Clodfelter is expected to hurl for Lubbock.

Texas U. Lands Five, Rice Is Left Out

All-Conference Team For S'West Chosen By Coaches

BY WERNER RENBERG
United Press Sports Writer

DALLAS, May 19 — Southwest conference baseball coaches picking the 1948 United Press all-conference team are unanimous in choosing pitcher Bobby Layne of Texas, left fielder Stan Hollmig of Texas A. & M. and center fielder Jim Busby of Texas Christian.

The coaches were most in disagreement in their choice of the all-conference catcher and third baseman, proof of the lack of any outstanding talent at those spots.

Rice Fails To Place

The University of Texas, conference champion, was successful in landing five men on the 13-member mythical team. Texas A. & M., runnerup, and third-place Baylor each landed three. SMU and TCU took one apiece, and Rice was completely shut out.

Here is the all conference team:

First baseman—Tom Hamilton, Texas.

Second baseman—Cotton Lindloff, Texas A. & M.

Short stop — Chick Zomlefer, Texas.

Third baseman—Al Jo Hunt, Texas.

Utility infielder—Tom Chandler, Baylor.

Left fielder — Stan Hollmig, Texas A. & M.

Center fielder—Jim Busby, TCU.

Right fielder — Chuck Devereaux, Baylor.

Utility outfielder—Doak Walker, SMU.

Pitchers — Bobby Layne and Charley Gorin, Texas; Earl Beesley, Texas A. & M.

Catcher—Joe Szekely, Baylor.

Three Are No Surprise

Selection of Layne, Hollmig and Busby comes as no surprise.

Some observers have said that Bobby doesn't have much on the ball. Well, sir, perhaps his pitching wasn't the type that would win 30 games in the major league. But the Southwest conference won't find one like him every day. His record of 28 victories without a defeat in his entire conference career may stand for a long time. He didn't win all those games just by himself, true. But he got the ole apple over the dish and usually stayed ahead of the batsmen.

Hollmig packs a powerful wallop up there at the plate. He can drive the ball far and is a more than capable hand out in the garden. Major league scouts are looking for his signature on the dotted line. He makes home run hitting and fielding look like child's play and should make a good man for some professional club.

Busby Bats Above .500

Busby batted at a clip of better than .500. He, too, rates high as an outfielder and pro scouts are beating a path to his door also.

Those lacking one vote of being unanimous selections were Hamilton, Zomlefer, Devereaux and Gorin.

Hamilton held down first base with great ability and opposing pitchers trembled in their spikes when he came up to bat.

Zomlefer was the best short stop in the conference by far. He, too, is being watched by scouts. The only coach who didn't vote for him for shortstop chose Chick for third base because he wanted his own man for shortstop.

Of eighteen votes cast for outfielders, seventeen went to the three all-conference gardeners. the only ballot cast for right field that Devereaux didn't get went to Doak Walker, whose fielding was of high caliber but who left something to be desired at the plate this spring.

Next Year's Hopeful

Gorin, a promising Austin youngster, southpawed his way to four victories without being defeated. With Layne graduating, he has been tagged the number one moundsman of next year's Longhorn team. Charley is a sophomore.

Voting for catcher ended in a dead heat. This writer threw the scales over to Szekely, the Baylor captain, because of his better hitting. It was Joe, incidentally, whose single in the ninth inning gave Baylor a victory over Texas, the only conference game the Steers lost.

Hunt got two votes at third. The other four coaches each had different choices.

Chandler, a major league prospect, was named utility infielder because he was the only infielder who got more tha none vote and was not elected to a starting berth.

Rebels Nosed Out By Tulsa

By WILBUR MARTIN
Associated Press Staff Writer

Dallas was back in the second division of the Texas league, suffering a slight case of burns.

Hard-hitting Russ Burns banged out two singles and a two-run homer to put the skids under the Rebels, 5-4, last night and send his own Oiler mates into fourth place — four notches higher than this time last week.

Burns has been a pain to the Rebels for a long time—ever since he hit three home runs and a triple in the 31-1 walloping they received at Tulsa last month. His homer last night climaxed an eighth inning Oiler rally.

Two Rained Out

Two games were rained out but San Antonio climbed into a tie for second place by edging Shreveport, 5-3.

Fort Worth and Oklahoma City, and Beaumont and Houston make up their postponements tonight with twilight-doubleheaders.

Ray minor won his third game of the season in holding Shreveport to eight hits, though one of them was a two-run homer by Billy Sarni. The Missions scored two runs in the eighth to sew up the game.

Jodie Phipps appeared to have hi fourth win of the year going into the eighth inning at Dallas. He had helped his own cause with a pair of doubles. The Rebels had picked up two runs in the third and added two more in the fifth on Phipps' double, a single by Oscar Khenderian and Milan Vucelich's double.

Three Big Innings

Tulsa's first run came in fourth, one more in the seventh and three big ones in the eighth.

Tonight's schedule has Tulsa at Dallas—three doubleheaders—Oklahoma City at Fort Worth; Houston at Beaumont and Shreveport at San Antonio.

ACE ABBOTT

Rassle Royal Slated Tonight

A "Rassle Royal" featuring six of the top grapplers of the Southwest will open the regular mat card tonight at Sled Allen's arena, with the grunt-and-groad specialists battling for spots on the three-event program.

Clashing in the "Royal" will be Ray Clements of Corpus Christi, Ace Abbott of Abilene, Jack Wentworth of Toronto, Canada, Bill Sandow of Toledo, Eddie Gideon of Montgomery and Olan Boynton of Amarillo.

Last Two In Main

The first two men eliminated in the "Royal" will be out for the night, with the second pair matched in the two out of three falls semifinal bout. The last two in the ring will get places on the one-hour time limit main event.

An air conditioner has been installed at the arena and fans are assured of comfortable temperatures, officials emphasized.

Tickets went on sale at 9 o'clock this morning at Wylie's drug. Bouts start at 8:30 tonight.

Recruiting Charges Bring Quick Retort

KANSAS CITY, May 19 (AP)—A charge of football recruiting leveled by Missouri's Don Faurot against out-of-state schools brought repercussions today from the south and midwest.

Faurot, the University of Missouri athletic director and football coach, declared several out-of-state universities had sought to lure Missouri high school athletes to their teams.

Arkansas, Tulane, Kentucky, Mississippi State, Kansas, Alabama, he said, hed supplied expense-paid visits for Missouri boys.

Tulane university issued a vigorous denial and asked Faurot to "name names." Some schools, however, said Missouri boys had visited their campuses.

BOVER IN TRAINING

LOS ANGELES, May 19 (AP) — Lightweight title challenger Enrique Bolanos donned the boxing gloves again today after a six-day lapse in sparring in preparation for his match with champion Ike Williams May 25.

Kiner's Potent Bat Brings Bucs Victory

By JOE REICHLER
Associated Press Sports Writer

If Ralph Kiner continues to break up ball games, official scorers may have to add a new line in the major league baseball box scores labeled "winning hitter—Kiner."

The Pittsburgh power hitter, whose 51 four baggers tied him with Johnny Mize of the New York Giants for the National league leadership last year, won another game for the Pirates yesterday with his home run bat.

Homer Beats Braves

Kiner slammed his eighth homer of the seasdn with a mate aboard in the eighth inning last night to give the Pirates a 4-3 victory over Bill Voiselle and the Braves in Boston.

It marked the fourth time this season that a Kiner blast provided the winning runs for the Bucaneers.

A freak in the percentage table gave the Cleveland Indians the American league lead over Philadelphia despite the fact they trailed the Athletics by a half game. The mathematical oddity occurred when the Indians defeated the A's last night, 6-1, in Cleveland. It was their 14th win in 20 starts for a .700 percentage, a four point lead over the A's who have won 16 and lost seven for .696.

Enos Slaughter, the Cards' "money player," and big Red Munger collaborated to give the Redbirds a 4-3 win over the Dodgers in Ebbets Field. Slaughter's tremendous home run with one on in the sixth inning provided the winning margin for the Cards, who extended their current winning streak to four straight.

The St. Louis Browns handed the New York Yankees a surprise 6-5 trimming and inflicted the season's first defeat upon right-hander Allie Reynolds. The Yankee's Indian hurler had won his first five starts.

At Detroit, the Tigers spotted the visiting Boston Red Sox a 6-0 lead and then tallied seven runs off Dave Ferriss and two successors to win, 10-7. The defeat snapped a four-game winning streak for the Red Sox.

Senators Whip Chisox

The Washington Senators won a 5-4 twelve-inning victory over the White Sox in Chicago. It was the Sox' 11th defeat in their last 12 games.

The Giants inaugurated their home night season by defeating the Cincinnati Reds, 6-5, to remain within a game and a half of the National league lead.

The Chicago Cubs topped the Phillies, 3-2, at Philadelphia. All Cubs' runs were unearned.

Open Season On "Name" Players Seen As PGA Tourney Qualifying Rounds Start

ST. LOUIS, May 19 (AP)—Gene Sarazen, an old master of the fairways, predicts an "open" season on the name players in qualifying rounds of the Professional Golfers' association 30th tournament opening today.

"Golfing ability counts for plenty," Sarazen said "but the short 6,467 yard, par 71) course here could result in a bunch of the hotshots getting knocked off before match play begins Friday."

Three Times Champion

Sarazen, a three-time PGA champion—he last won in 1933—is one of the 135 golfers scheduled for competition in the professionals' exclusive show that winds up next Tuesday.

"On a short and treacherous course such as this layout, a comparatively unknown golfer has just about as much chance winning as the habitual champion," Sarazen said.

The shortest hole on the Norwood Hills Country club course—number 11—measures 177 yards; the longest, 555 yards.

Sixty - four players will comprise the match play field.

Some of "Name" Players

Most prominent of the "name" players who figure to give Jim Ferrier, who won the tournament last year at Detroit's Plum Hollow Country club, a battle royal for the title are Sammy Snead, the Hot Springs, Va., slammer; Claude Harmon, of Mamaroneck, N. Y., winner of the recent Masters; Bantam Ben Hogan, Hershey, Pa.; Chick Harbert, Northville, Mich.; Former national open champion Lloyd Mangrum, Chicago, and Jolly Jim Demaret, Ojai, Calif.

Eighteen holes of medal play were on tap today. An additional round of 18 is scheduled for tomorrow. The 63 low medal players, plus Ferrier, who rates the favorite's role simply because he's the defending champion, begin the fight for the $3,500 first prize Friday.

Two Time Champ Paces Texas Play

SAN ANTONIO, May 19 (AP)—A two-time champion and co-medalists paced the women's Texas Golf association championship tournament into second-round play today.

Mrs. Leonard Keating, the former Kay Pearson of Houston, came from behind a three-hole disadvantage to down Mrs. Alta Lever of San Antonio, 3 and 2.

Co-medalists Bettye Mims White of Dallas and Betsy Rawls of Austin came through first round opposition easily. Mrs. White defeated Mrs. Travis Sikes, San Antonio, 3 and 2 and Miss Rawls beat Mrs. Al Morten-Son, Houston, 6 and 5.

Mrs. Keating was three down at the end of 10 holes, then won six consecutive holes to win the match.

Other first round results included:

Betty McKinnon, Mount Pleasant, over Mrs. Helen Brunner, Dallas, 6 and 4; Mrs. Hack Williford, Sherman, over Mrs. J. R. Bradford, Dallas, 7 and 6.

Neel Pitches Another Win

Bluebonnet-Sunbeam's potent nine, leading the South Plains Softball loop with eight wins and a lone defeat, nosed out Cloverlake Dairy, 1-0, Tuesday night at Jumbo Webster field behind the three-hit hurling of Jackie Neel.

Neel scattered three Dairy hits during his seven-inning stint and struck out 18 batters. The triumph was his eighth in league play, against a single loss.

The Sunbeamers found Cecil Hale's hurling almost as baffling, but pushed across the winning tally in the first inning when James Abbott was hit by a pitch, stole second, went to third on Ralph Earhart's fly to deep short and came home on Roy Butlers fly to center field.

Baldridge Bakery scored a 3-0 triumph over the Thomas Jewelers in the opening tussle, behind the one-hit chunking of big Loy Hubbard. The bakerymen bunched a walk, a Thomas error, a triple by Overbeck and a double by Tommy Winters to chalk up three runs in the fourth stanza.

The line scores:

FIRST GAME

THOMAS	000	000	0—	0	1	3
BALDRIDGE	000	300	x—	3	7	1

Warden and Kelly; Hubbard and Griffith.

SECOND GAME

BLUEBONNET	100	000	0—	1	3	0
CLOVERLAKE	000	000	0—	0	3	2

Neel and James; Hale and Hudson.

Amarillo Protest Hearing Is Slated

Amarillo's protest of the eligibility of Bobby (Rip) Griffin, Lubbock High school baseball team member, will be the subject of a special meeting of the District 1-AA executive committee at 10:30 o'clock Saturday morning at Plainview, Chairman C. A. Cryer of Borger announced Tuesday.

Cryer revealed that he had received a letter from the Amarillo High school superintendent, C. M. Rogers, stating that:

Protest By Letter

"We hereby file official protest with the district executive committee against the eligibility of Bobby Griffin, a player on the baseball team of Lubbock High school, on the grounds of violation of the amateur rule of the Interscholastic league.

"We have information which indicates definitely to our satisfaction that he participated in a baseball game between Memphis and Post semi-professional baseball teams on March 28, 1948, and that some of the players on the Memphis team were paid wages over and above actual expenses for participation in the game."

Officials Meet Saturday

All executive committee representatives from district schools will attend the special meeting, but Amarillo and Lubbock will be barred from voting on the issue. Other members of the committee are Supt. Knox Kinard of Pampa, Supt. O. J. Laas of Plainview and Supt. S. P. Cowan of Brownfield.

Lubbock school officials have announced, following thorough investigation of the case, that they have substantial evidence that refutes the Amarillo charge.

No Player Paid

According to statements made to local authorities by the team officials, no player was paid and no payment to any player was authorized. Griffin absolutely did not receive any money—or even a meal—and definitely had no knowledge that any of the players were to receive pay.

Lubbock officials are convinced that the commitee, after a study of the actual facts in the case, will clear Griffin from the charge of "violating the amateur rule."

At least three Lubbock school officials, including Supt. R. W. Matthews, Principal Floyd Honey and Athletic Director C. R. Pattison, will attend the meeting.

Marshall Wallops Lone Star Leader

(By The Associated Press)

Marshall's Tigers may not be coming up very rapidly in the Lone Star league standings, but they are on their way.

The Tigers knocked off the league leading Longview team, 15-6, last night to move within one and one-half games of sixth place.

Tyler moved within 16 percentage points of the lead on a 7-3 win over Gladewater last night and in other games, Henderson edged Bryan, 6-5, and Kilgore blanked Lufkin, 8-0.

Marshall built up a 12-run lead in the first three innings and had an easy time winning.

Home runs by Ben Hale and Ron Harrison put Tyler ahead in the first inning and the Trojans were never headed.

Kilgore bunched its 13 hits for an easy win and three runs in the sixth gave Bryan its victory.

Waco Climbs Close To Top

(By The Associated Press)

Waco's Pirates fashioned a gang plank for Greenville last night and made the Majors walk it twice, 6-5, 12-11, to climb within half game of the top spot in the Big State league.

The double win gave the Waco nine a clean sweep of the three-game series.

Home Runs Win Others

In other games last night, two home runs spelled the difference. Pinch hitter George Sprys hit a ninth-inning homer to give Paris a 10-9 decision over Gainesville and Al McCarty banged out a four-run homer in the tenth to give Wichita Falls a 13-9 win over Texarkana. The Sherman-Denison-Austin game was called at the end of the first inning because of rain.

Ernie Nelson was tagged losing pitcher in both games at Waco. Frank Martin came to his rescue in the first game and then he played fireman for Martin in the second as Manager Buddy Hancken nursed his pitching staff for the series with Austin.

Gibbs Homers Three Times

Top man at bat for Waco in the nightcap was Frank Gibbs with a single and three home runs.

Texarkana trailed 9-6 lead going into the last of the ninth, then D. C. Miller hit a two-run homer and two singles and an error tied the score. McCarty's homer clinched it for the Spudders, though, in the tenth.

Trailing 9-5 going into the bottom of the ninth, Paris picked up two runs on Adam Bengochea's single, then added three more on Spry's homer.

North Texas Wins In Lone Star Golf

CORSICANA, May 19 (AP) — North Texas State college won its second straight Lone Star conference golf title when a four-man team posted a 599 total in medal play here yesterday.

The University of Houston came in second with 623. East Texas was third with 630 and Southwest Texas of San Marcos fourth with 637. Trinity university had 657 and Stephen F. Austin 730.

WANTS OLYMPIC GAMES

CHICAGO, May 19 (AP) — Detroit has offered to build a 12 million dollar stadium and Olympic village in its bid to land the 1956 Olympic games.

Former H-SU Star New Deming Coach

DEMING, N. M., May 19 (AP)—D. A. Parker, one-time grid star at Hardin-Simmons, will report next fall as football and basketball coach at Deming High school.

His appointment was announced today by Athletic Director Glenn Moses, who is relinquishing those duties.

Parker was an end on the Hardin-Simmons eleven which tied for the 1941 Border conference football championship and served with the navy during the war. His home is at Childress, Tex.

Chinese Bomb Red Building

NANKING, May 19 (AP) — The government today announced one of its planes bombed a building in which Communist President Mao Tze-Tung and 200 other Red leaders were conferring.

The announcement, by Lt. Gen. Teng Wen-Yi, said 80 were killed or wounded by the bomb, dropped at Fapinn in western Hopeh province on May 13.

Usually Reappear

In the past, several top Communist commanders, including Gen. Chen Yi, reported killed by national airpower usually reappeared.

Teng credited national intelligence agents in west Hopeh with the information on the bombing, but made no attempt to identify any of the casualties.

The announcement came as government forces suffered a setback in the rich Han river valley; lost Linfeng in Shansi province, and repulsed a Red raid on a Peiping suburb.

Great stores of food and gasoline fell to Communist forces when Red Gen. Liu Po-Cheng captured Laohokow, 200 miles northwest of the big government base of Hankow. The rich valley supplies much food to central China.

Long Seige

Linfeng was taken after a two months siege. Government sources said Communist soldiers tunneled into the city after battering down its walls with 50 cannon.

The capture of Laohokow freed the wily Liu to attack the Yangtze, the river lifeline of central China, or to strike westward into Szechwan province where Chungking is located.

Some 2,000 Communist raiders attempted to capture a Peiping suburb but were driven off.

LIGHTS OUT!

Motorists using the Rome-Ostia auto road at night are required to turn off their lights because the highway is illuminated by sodium lamps.

Nurserymen Elect Officers At Meet

James Walker of Midland was elected president and J. C. Davis of Lubbock vice president of the Plains Nurserymen's association at the second annual meeting of the organization held at the Hilton hotel here Tuesday afternoon and night with approximately 50 persons attending.

R. O. Kershner of Lubbock was re-elected secretary-treasurer. Ralph Holloway of Carlsbad, N. M., and G. H. Vinyard of Big Spring were elected directors. Retiring officers are Don D. King, president, and L. D. Whitely, vice president, both of Lubbock.

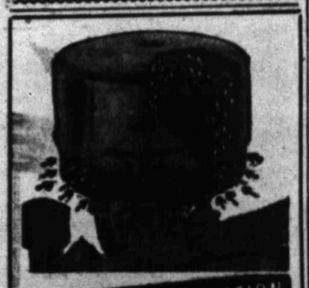

The sessions opened with a board meeting at 2:30 p. m. and closed with a banquet last night. King was master of ceremonies.

Principal speaker at the banquet was Ed Baker of Fort Worth, well-known Texas nurseryman, who discussed early history of the industry in Texas and compared early day business practices with modern methods in the nursery business. Another speaker was Raymond Mosty, president of the Texas Association of Nurserymen.

Members were present from eastern New Mexico, and a far-reaching area of West Texas, with visitors from Grapevine, Dallas, Arlington, Fort Worth, Scottsville, Wichita Falls and other points.

Bobbed hair was started by fashionable women of ancient Rome.

Lockney High Services Set

LOCKNEY, May 19. (Special)—Dr. J. W. Marshall, president of Wayland Baptist college at Plainview, will be the commencement speaker here Thursday night at 8:30 o'clock in the city auditorium when 34 seniors are scheduled to receive their diplomas from Lockney High school.

Edwin Langford has been named as valedictorian of the class with Gleynn Earle Norman as salutatorian. Other students who have a four-year average of 90 or above include Patsy Harris, Marvelle Ginn, and Dora Lee McDonald.

High Average

Langford, son of Mr. and Mrs. D. D. Langford, is graduating with a four-year average of 96.9, and Gleynn Earle, daughter of Mr. and Mrs. Earl Norman, has a four-year average of 93.9.

The commencement sermon will be heard Sunday night, May 23, in the city auditorium, with Rev. E. J. Cobb, local Baptist pastor, named to deliver the sermon.

The senior class will start its traditional senior trip Friday morning, May 28, going first from here to Austin. The group will go sightseeing in the capitol city and then drive on to San Antonio and Corpus Christi, and will return home by way of Waco on Tuesday, June 1.

Members Named

The class, which will travel by special bus, will be accompanied by Earl Cooper, as driver, Mrs. Earl Norman, Mrs. Robert McDonald, Mr. and Mrs. Sid Thomas and F. L. Montandon.

Members of the graduating class, which includes 13 boys and 21 girls, are Edwin Langford, Eldon Love, Billy Applewhite, Billy Fred Anderson, Herman Nelson, Bobby Broyles, Robert Daniels, Roy Glover, Junior Golden, Harold Hall, Robert Logan, James Quisenberry, Glenn Worsham.

Gleynn Earle Norman, Elna Sanderson, Dora Lee McDonald, Wanda Carter, Erma Hall, Mary Pearl Carthel, Patsy Harris, Betty Jean Myers, Sarah Miller, Vera Jo Rogers, Margaret Weathers, Bobbye Lu Casey, Inex Mosley, Rio Rita Webster, Mary Jo Rigby, Marvelle Ginn, Joyce Collis, Eva Dawn Childers, Janet Huffman, Martel McDonald and Penny Nelms.

Holy Land

(Continued From Page One)

night, and followed up by smashing through the Zion gate into the old city today.

Attack Is Launched

Once inside the old walled city the reinforcements linked up with 1,300 Haganah, Irgin Zvai Leumi and Stern gang fighters to launch an attack upon Arab legion forces who entered yesterday through St. Stephen's gate in the east wall.

The Jewish attack was believed designed to throw the Arabs off balance and break up Arab concentrations which, at last reports from Arab sources in Amman, were prepared ot open their own assault from the Holy City.

Reinforcements for the Jerusalem battle apparently were withdrawn from the Bab El Wad battle on the Jerusalem-Tel Aviv lifeline highway. Jewish sources said yesterday some of these troops were being withdrawn "for action elsewhere" and today the Jews admitted evacuating Hartuv, 13 miles west of Jerusalem at a point a few miles south of Bab El Wad.

Heavy fighting continued elsewhere on the Jerusalem-Tel Aviv highway, however. A Jewish army communique said the former British Sarafand army camp, on the highway 13 miles east of Tel Aviv, had been captured from the Arabs.

Other Jewish forces were reported converging on Ramleh and Wilhelma, south and north of the important Lydda airfield. It appeared an attack was forming against what was believed to be large forces of Arab regulars, or perhaps units of the Arab legion itself, holding Lydda airfield.

The Jews also claimed the capture of an Arab strongpoint at Kubeibe, halfway between Ramleh and Rehovot.

Other reports said the Egyptian air force pounded Jewish settlements in the southern desert region northeast of Gaza this morning.

The showdown battle for Jerusalem began to take shape yesterday when Abdullah's legion troops gained a foothold inside the old walled city, backed by guns trained on Jewish positions.

The British-officered legion moved into the old city yesterday and wheeled their artillery into position on the north while Arab liberation army troops hammered at the Jews with mortars.

Jews in Jerusalem were outnumbered by Arab attacking forces and the odds appeared to be against them. Dispatches from Amman said the legion wheeled its artillery into position yesterday "prior to shelling the Jewish quarters."

Will Supply Arms

London dispatches said Great Britain will continue to supply King Abdullah's troops with money, arms and materiel until ordered to halt by the United Nations.

Egyptian planes continued to hammer Tel Aviv, making a heavy attack on a bus station at the 5 p. m. rush hour yesterday. Forty-one persons were killed and 40 wounded, including a number of women and children.

The casualty toll in the raid was the highest of the 15 made against the Jewish provisional capital in the first four days of the Palestine war.

BUS FARE HIKED

FORT WORTH, May 19. (AP)—The Fort Worth city council today approved straight 10 cent bus fares for the Fort Worth Transit company. The firm formerly sold three tokens for 25 cents.

Daily Markets

Stock Market

MARKET HOLDS GROUND

NEW YORK, May 19 (AP) — The stock market held its ground today but aggressive selling blocked a try for higher price levels.

A few groups — notably oils, rails and metals — slanted to the plus side throughout the session. Most others wobbled back and forth in a fractional range.

Buying increased during mid-morning and for a time prices advanced. A relapse followed almost immediately.

Volume expanded when the market started ahead but later dwindled. Total for the day was at the rate of about 1,500,000 shares.

Even the oils were not immune to the selling. Standard Oil (NJ) and Texas Co. each slipped a trifle but gains of around a point were posted for Sinclair, Pacific Western and Mission Corp. Also improved were Western Union, Montgomery Ward, Chicago Corp., Southern Railway, Anaconda, Westinghouse, American Smelting, and Twentieth Century-Fox.

On the losing side were Youngstown Sheet, General Motors, General Electric, Eastman Kodak, Chesapeake & Ohio, Union Pacific, and Goodrich.

Livestock

FORT WORTH REPORT

FORT WORTH, May 19 (AP) — Cattle 2,700; calves 900; lower grade slaughter classes were dull and weak; stockers and feeders strong to unevenly higher; good and choice steers and yearlings 28.00-32.00; common to medium grades 20.00-28.00; cutters down to 17.00; fat cows brought 18.00-25.00; canners and cutters 13.00-17.00, and bulls 18.00-23.50; good and choice fat calves 26.00-31.00; common to medium calves 17.50-25.00; culls 15.00-17.00; stocker and feeder calves and yearlings 20.00-29.50; stocker cows 15.00-19.50.

Hogs 800; butcher hogs steady to 50c lower; sows 50c-1.00 lower; pigs steady; good and choice 180-260 lb. 23.50 top; good butcher hogs above and below that bracket sold 20.00-23.25; sows 16.00-17.00; pigs 16.00-20.00.

Sheep 21,000; slow; good fat offerings fully steady; medium and low weak to unevenly lower; a few good and choice spring lambs 27.00-28.00; medium to choice grades 21.00-26.50; culls downward to 14.00; slaughter ewes 5.00-13.50; stocker and feeder lambs 14.00-21.00.

KANSAS CITY REPORT

KANSAS CITY, May 19 (AP) — Cattle salable 4,400; calves 500; slaughter classes slow and shaving some reaction from weeks earlier sharp advances; early sales slaughter steers and she stock unevenly steady to 50 lower; bulls steady to easier; spots 50 off; vealers and killing calves steady; stockers and feeders unchanged; early sales good grade steers largely 26.50-28.00; few good and choice yearlings 28.00-30.00; few sales good to low choice heifers and mixed yearlings 30.00-32.50; common and medium cows 19.50-23.00; few good up to 25.00 and occasionally 26.00; canners and cutters 14.00-19.00; good and choice vealers 28.00-30.00; scattered sales good and choice stocker and feeder steers 26.50-30.00.

Hogs 4,300; fairly active, lights and butchers steady to 25 lower than Tuesdays average; sows steady; top 22.75 to shippers; bulk good and choice 180-240 lb. 22.50-.75; 250-270 lb. 20.50-21.75; 280-350 lb. 19.50-20.50; 225-250 lb. 17.00-18.00; sows largely 14.50-15.50.

Sheep 7,500; moderately active; spring lambs around 1.00 lower; no clipped lambs sold early; ewes steady to weak; good to choice native spring lambs to shippers 31.00; early bids around 1.00 more lower on clipped lambs; good to choice shipments held above 27.00; good and choice slaughter ewes 13.00-25.

Cotton Market

NEW YORK REPORT

NEW YORK, May 19 (AP) — Cotton futures turned steady in quiet dealings today.

In early trading liquidationg pressure developed in nearby July. Along with switching into later months, influenced by the belief that most of the export business under ECA will be based on new crop months. However, July later turned firm as short covering appeared to meet an over sold condition. Mill buying was light due to dullness in the textile market.

The spot cotton markets were quiet today.

Cotton lost a good part of the day's gain on a late flurry of commission house and local selling.

Futures closed 40 cents a bale higher to 35 cents lower than the previous close.

	Open	High	Low	Close
July	36.06	37.42	36.85	37.10
Oct.	34.08	34.26	33.95	34.05
Dec.	33.41	33.57	33.30	33.36
March	33.04	33.23	33.00	33.06
May	32.69	32.86	32.66	32.66N
July	31.43	32.02	31.73	31.78N

Middling spot 38.66N up 11.
N—Nominal.

NEW ORLEANS REPORT

NEW ORLEANS, May 19 (AP) — Cotton futures advanced early today but in the late trading reacted downward under profit-taking from the long side and from hedge selling.

Closing prices were steady, 30 cents a bale higher to five cents lower.

	Open	High	Low	Close
July	36.06	37.33	36.81	37.06-10
Oct.	34.09	34.23	33.93	34.04-05
Dec.	33.38	33.56	33.28	33.38

Sons, Daughters Are Rotary Club Guests

Lubbock Rotarians were hosts to their sons and daughters at the weekly luncheon today at the Hilton hotel in the club's annual Son and Daughter day.

Two film shorts were shown. One was a travelog "Western Air Trails," which pictured a tour of western playgrounds including the Grand Canyon, Yellowstone, and Jackson Hole. The other was a comedy "The Hare and the Tortoise."

The program was in charge of Bob Blon. Club President Rex Webster was in the chair, with invocation by Dr. H. I. Robinson. More than 20 visiting Rotarians, from as far away as Massachusetts and British Columbia, were present

JEWISH IMMIGRANTS REACH THEIR PROMISED LAND—Helping hands aid Jewish immigrants ashore at Haifa, Israel, May 15, from a barge tender as the first group to reach the newly proclaimed Jewish state arrives from Italy. The immigrants, 300 in number, were traveling under visas issued by the British. They arrived on the ship Argentina as the Jewish state came into being and received entry permits from it.

"The Saddlehorn," Senior High Magazine, Being Issued Today

The first issue of "The Saddlehorn," Lubbock Senior High school literary magazine published under the sponsorship of the Margaret Turner chapter of the Quill and Scroll society, was being distributed to high school students this afternoon.

The magazine, which is intended to provide an outlet for L. H. S. students interested in creative writing, contains 21 original contributions, including humorous and serious essays, short stories, feature articles, and three pages of poetry. The initial issue of "The Saddlehorn" is 24 pages, printed on enamel finish paper with brown ink.

Copies Distributed

Junior and sophomore students received their copies today at 1 p. m. guidance periods, and seniors were to receive their magazines immediately following the presentation of "kid day" movies at the high school this afternoon.

One of the leading feature articles is "Why I Think Literature Strengthens Hemispheric Ties," a feature by Miss Carolyn Bledsoe which was awarded honorable mention in a national contest for high school Spanish department students. "The Mocking Bird," a poem by Chloe T. Dawson, also has been published in a nationally circulated magazine.

Editors of the magazine were Jack McCabe and Lunita Hindman. Other staff members include John R. Duncan, art editor; Bob Duff and Robert Miller, photographers; Carolyn Lipshy, copyreader; Billy Jean Morris, publicity manager; Thelma Cantrell and Betty Formby, business staff.

All staff workers on the magazine are members of Quill and Scroll, international honorary society for high school journalists.

Price of "The Saddlehorn" is 15 cents for those students with activity books, 25 cents for those without. Copies will be available in the publications office for the remainder of this week, according to Mrs. Dick Cozby, director of publications.

Mrs. Cozby also announced plans of the Quill and Scroll society to continue publication of the magazine during the 1948-49 school year. Tentative plans call for one issue each semester, she said.

Episcopal Body To Hold Meeting Here

The commission on program planning for 1948-49 of the North Texas district of the Episcopal church will meet in Seaman hall, St. Paul's Episcopal church, 2407 Sixteenth, beginning Thursday morning at 10:30 o'clock. The meeting, which will last throughout the day, is expected to be attended by approximately 16 Episcopal leaders in this area, including Bishop George H. Quarterman of Amarillo.

The executive committee for the North Texas district will meet Friday at 10:30 a. m. at Seaman hall, with nine members expected to attend. Bishop Quarterman will also attend Friday's gathering.

Lubbock members of the executive committee are Rev. Claude E. Canterbury and Edgar G. Lewis. Local members of the program planning committee are Charles Carter and Walter G. Clayton.

Diplomas Presented 25 Graduate Nurses

Approximately 300 persons attended the graduating exercises of Lubbock Memorial hospital and West Texas hospital schools of nursing at the First Methodist church last night. Eleven nurses were graduated from Lubbock Memorial and 14 from West Texas.

Dr. M. Norvel Young, minister of Broadway Church of Christ delivered the address.

Diplomas were presented to those from the Lubbock Memorial hospital school by Dr. Wm. H. Gordon and to those from West Texas hospital school by Dr. O. W. English.

Dr. Gordon presented the 12th annual Dr. J. T. Krueger award to Miss Ruth Alene Bayles, of Lubbock Memorial hospital.

Dr. O. W. English of West Texas hospital presented the fourth annual Dr. Allen T. Stewart and Dr. J. R. Harris obstetrical award to Miss Colleen Maud Gillmouthe; the ninth annual Dr. English and Hunt surgical award to Miss Ruth Ilene Stallons; and the sixth annual Dr. Sam G. Dunn award, to the best all-round nurse, to Mrs. Irene Sharrock Ausburn.

Final Texas Cotton Crop Report Made

AUSTIN, May 19 (AP) — Last year's Texas cotton crop amounted to 3,431,000 bales, the United States Department of Agriculture today reported as its final 1947 cotton production estimate.

The estimate was based on ginnings for the season, as reported to the bureau of the census, with allowance for interstate movement of seed cotton to gins.

The 8,425,000 acres planted to cotton in 1947 was 34 per cent greater than the very small acreage planted in 1946, and was the largest acreage planted in cotton in Texas since 1942, the report said.

Total value of cotton and cottonseed produced was computed at $35,515,000 more than double the evaluation placed on 1946's small crop. The crop was said to be the most valuable produced in Texas since 1923.

SENTENCED TO HANG

YOKOHAMA, May 19 (AP)—Lt. Gen. Tasuku Okada, former commander of the Japanese 13th army, was sentenced to be hanged today for ordering the illegal execution of 38 American airmen at Nagoya in 1945.

Club Awards Planned At Dinner Tonight

Several awards, including the annual Block and Bridle club merit award, will be presented at the club's annual banquet at 7:15 p. m. Thursday in Lubbock hotel.

Delbert Devin, assistant professor of animal husbandry at Texas Technological college, will present the club's merit award.

D. Burns, manager of the Pitchfork ranch near Guthrie, will give the principal address at the function and George Boles, prominent purebred Hereford breeder, also of Guthrie, will be a special guest. W. L. Stangel, dean of agriculture at the college, will introduce both the speaker and Boles.

Other awards to be made include the national dairy cattle judging team award by J. H. Baumgardner, assistant professor of animal husbandry; the international and American Royal livestock judging team award by R. C. Mowery, head of the animal husbandry department; and various other awards by N. C. Fine, associate professor of animal husbandry.

Robert Cox, Lubbock, will be awarded a key as the winner of the 1948 annual junior livestock judging contest at the college.

Other highlights of the program will be a review of the activities of the chapter for the year and formal installation of officers for the coming year.

Bus Passenger Gets His Change For Once

NEWARK, N. J., May 19 (AP)—A bus driver had been plagued for some time by a passenger who regularly produced a $20 bill on the early morning run and explained that's all he had. The bus driver didn't have enough change and usually gave the man a free nickel ride.

The other morning the driver was prepared. As soon as the passenger produced the $20 bill, the driver leaned over and handed the man a sack filled with 399 nickels in change.

He hasn't seen the passenger since.

Reactivation Of Air Force Base Talked

WASHINGTON, May 19 (AP) — A Bryan, Tex., delegation has been assured by Air Force officials that plans are for the eventual reactivation of the Bryan air base.

Rep. Teague (D-Tex), Travis B. Bryan, president of the Bryan First National bank, and Harry Logan, chamber of commerce manager, conferred at Air Force headquarters yesterday.

"We were told that there are no immediate plans for Bryan field, but that they do intend eventually to reactivate it," Teague said.

40 School Annuals Still Unclaimed

Forty Lubbock Senior High school annuals have not been picked up. In making this announcement this morning, L. H. S. officials said they realized that some of the students who ordered these yearbooks have dropped school or moved out of town, but stressed that parents or friends may pick up the annuals.

Those annuals not claimed either this afternoon or Thursday morning at Principal Floyd Honey's office will go on sale on a first-come first-served basis at 12 o'clock Thursday noon for $3.50 each.

Pretzel Fold For Diapers Is Hailed

BOSTON, May 19 (AP)—The National Institute of Diaper Services today hailed a new forward step in the march of civilization, the diaper "pretzel fold."

The institute, which meets here tomorrow and Friday, characterized the pretzel fold as "the discovery of the century."

The announcement said it "gives extra thickness in the important middle of the baby, and two thicknesses at the unimportant sides." It gets its name from a unique twist.

Students' Religious Body Names Officers

Officers for next year were installed, and a picnic in Mackenzie park was enjoyed by a large group at a meeting last night of the Inter-Religious council in Lubbock High school.

Young people of the Broadway Church of Christ, where the business session was held, were picnic hosts.

George Young, council president, reported on various activities during the year, and Miss Mary Kathryn Starnes, delegate fro mthe local council to the recent meeting of the United Christian Youth Council of Texas, reported on the state-wide session held at Camp Cruces, near Granberry.

Installed as new officers, to serve until the end of the semester next year, were Norman Bantz, president; Bryan English, vice president; Mary Kathryn Starnes, corresponding secretary; Betty Caraway, recording secretary; and Colleen Baldwin, program chairman.

WAA To Sell Three Vehicles Thursday

Sale of three surplus motor vehicles to veterans at fixed prices was set for 10 a. m. Thursday at the Lubbock Army Air field garage by H. A. Schuhmann, sales' crew chief for the War Assets administration.

The vehicles, with the prices, are: ½-ton Chevrolet truck, $918; half-ton Dodge pickup, $478, and 3/4-ton Dodge ambulance, $778.

Schuhmann set inspections for 9 to 10 a. m. If more than one bidder appears, and Schuhmann is expecting many, a drawing will determine the purchaser. Payment must be by certified check or money order — no cash or personal checks accepted. The bidding veteran must present his discharge and sign a statement the vehicle is intended for personal use.

The WAA official also announced that a competitive sale of beds, mattresses, comforters and a jeep at the field netted approximately $3,600. More than 20 bidders competed for the purchases.

Truman's Family To Join Him On Trip

WASHINGTON, May 19. (AP)—President Truman's wife and daughter, Margaret, will join him at Ohama, Neb., June 5 on his cross-country pre-convention trip, it was learned at the White House today.

Mr. Truman will arrive in Omaha from Chicago that morning to speak at the reunion of the 35th division, with which he served during the first world war.

The first lady and Margaret plan to leave Washington for Independence, Mo., their family home shortly after the White House garden party for hospitalized veterans. The party will be held either May 26 or 27, depending upon the weather.

Germans Killed In Soviet Maneuvers

BERLIN, May 19 (AP) — Dispatches in American and British-licensed newspapers today said four Germans were killed and 12 to 20 injured by bombs dropped by a Russian plane during maneuvers in the Soviet zone.

The reports said Soviet bombers were aiming at Kremmen lake but hit a nearby farm house and also injured several passersby.

Judgment Of $11,171 Awarded In Accident

ALAMOGORDO, N. M., May 19 J. D. Peeler of Tolleson, Ariz., won judgments totalling $11,171 yesterday in a district court damage suit against S. H. Gilliam of Henryetta, Okla.

The suit was outgrowth of a highway accident in December, 1946 in which Mrs. Peeler was killed. Testimony was given that tire trouble stopped the Peeler car near Tularosa, N. M., while the couple was en route home from Lubbock, Tex., and that Gilliam's car struck Mrs. Peeler while she was placing a flare behind the stalled automobile.

Crosby Affray

(Continued From Page One)

one was 18 and the others 16—for Hale county officials after information the youth were wanted for investigation into theft of two tires and wheels at Petersburg.

Deputies Sheriff Bill Dunn and C. L. Dyer arrived here to question them.

A car Lubbock officers believed had been driven by the three was found in Mackenzie State park.

Suspects Are Arrested

Patrolman Jerry Hoover arrested the suspects when they were sitting on a bench at the county courthouse park, at 7:09 a. m. He said they readily admitted their identity.

Whether they had another car here had not been determined late in the morning.

A 45-year-old Lubbock man who was jailed on a drunkenness charge told police he had been hijacked of $2,240.

He said he had been gambling and had won money. Somebody, police quoted him as saying, followed him home. He said he "fired one shot into the air to frighten the man away," but that afterward he discovered he had lost six $100 bills and 82 $20 bills.

Check Is Continued

Police said they were continuing to check but that "discrepancies" were apparent.

A lively chase that started here and ended at Lorenzo produced arrest of Neal Leonard Williams, 19, of Lorenzo, police said.

They explained that two cars were observed about 3 a. m. traveling "in a hurry" on the Slaton cutoff here. They pursued, sounded their siren and turned on their red flashing lights.

One of the cars immediately stopped but, when the police stopped to leave a patrolman with occupants while the other followed the other car, Williams sped away.

In response to a call, Dep. Constable Atchison of Lorenzo arrested Williams and returned him here.

Enters Guilty Plea

He pleaded guilty of failure to stop in response to a police siren, having no operator's lisense and driving recklessly, police said.

He paid a total of $30 in fines.

Police said they, tipped by Moore's Bonded patrol, that property at 1407 Texas Ave. had been broken and entered, had determined after checking with those in charge that nothing was taken. A south window was broken, they said.

A bike was reported stolen from Daniel Artego of 112 Ave. L, police said. It was valued at $50.

Bond of $1,000 was set by D. W. Robertson, justice of peace, in binding Fonzie Johnson, jr., 21, a negro, over to grand jury investigation of a charge of assault with intent to murder. He fired a shot Sunday at another black, the complaint read.

Bond of $600 was set in county court for Sam George, 41, of Beaumont, who pleaded innocent of liquor law violation.

Warrant Is Issued

The sheriff's department obtained a bench warrant Tuesday afternoon for arrest of a negro, about 25, who was indicted for forgery under the name of Edgar S. Brown. His name, Sheriff Grady Harrist said, is Norris Pier. Pier is held in jail at Quanah, and he will be transferred here probably today.

The indictment, voted by an August term grand jury in the 72nd district court of Judge Dan Blair, charges the negro forged a $58 check June 14 and passed it to J. W. Hodges. William R. Sewell, Slaton banker, was foreman of the grand jury.

In the county court of Judge Walter Davies, Georgia Ann Wynne, about 35, pleaded guilty of liquor law violation and was fined $100 and costs.

Bond of $500 was posted by Hal Dean Lee, about 17, of Lubbock, binding him over to grand jury investigation in the 99th district court of Judge G. V. Pardue, the sheriff's department said. The charge is desertion of his wife, it was said.

Fort Worth, Dallas Tech Exes To Meet

The Fort Worth and Dallas chapters of the Alumni and Ex-Students association of Texas Technological college will hold a joint meeting beginning at 3 p. m. June 5 at the Double Y Dude ranch near Arlington, D. M. McElroy, executive secretary, has announced.

There will be activities to suit the taste of each of the 150 to 200 guests expected to attend with dancing, swimming, softball, horse shoe pitching and many other events on the program. Highlights of the gettogether will be a chuck wagon supper prepared by personnel of the ranch and a softball game between the Fort Worth and Dallas chapters.

Tickets for the event will be $2 and can be obtained by contacting Bill Bratton of 3106 Darnell, Fort Worth; Ann Buckley, 3820 West Fourth, Fort Worth; or Paul White of the Ford Motor company in Dallas. The tickets do not include such activities as horse back riding or swimming, the announcement stated.

Bankruptcy Petition Is Filed In Court

A voluntary petition in bankruptcy, involving the plant and business of the Cross-Tex Grain and Feed company at Crosbyton, was filed in Federal district court here today on behalf of Victor George Petta, manager.

The petition, filed by the law firm of Lindsey, Smith and Brock here, asked for appointment of a receiver in order to allow operation of the business which it is set out was started by Petta in April, 1946.

The petition listed total liabilities of $94,457.84, and total assets of $70,680.92. The business includes operation of a wheat elevator in which thousands of bushels of grain were stored for various growers of the vicinity.

Congratulations To

Mr. and Mrs. O. A. Bartlett of 2405 Tenth on birth of a son weighing 9 pounds 6 ounces at 8:52 a. m. today in Lubbock Memorial hospital.

Mr. and Mrs. Melvin N. Bartley of No. 11 Hub Homes on birth of a daughter weighing 6 pounds 8½ ounces at 10:22 p. m. Tuesday in Lubbock Memorial hospital. The father is a taxi driver.

Mr. and Mrs. William T. Bentley of Snyder route 1 on birth of a son weighing 7 pounds 4 ounces at 4:55 p. m. Tuesday in Lubbock Memorial hospital. The father is parts manager for Scurry County Motor company.

Mr. and Mrs. Lem Chesher of Morton on birth of a son weighing 7 pounds 5 ounces at 9:57 a. m. Tuesday in West Texas hospital. The father is employed by the highway department.

Mr. and Mrs. Jeff Baker of 909 Ave. Z on birth of a daughter weighing 6 pounds 2½ ounces at 7:15 p. m. Tuesday in West Texas hospital. The father is employed by Baker-Fleming Flash-O-Gas company.

Mr. and Mrs. Clifford Ross of Lubbock on birth of a daughter weighing 7 pounds at 6:44 p. m. Tuesday in West Texas hospital. The father is a carpenter.

Mr. and Mrs. N. B. Lassiter of 1914 Thirty-first on birth of a daughter weighing 7 pounds 7½ ounces at 1145; a. m. today in Lubbock Memorial hospital. The father is a cotton buyer.

Mr. and Mrs. W. W. Pirtle of Idalou on birth of a daughter weighing 7 pounds 2½ ounces at 10:03 a. m. today in Lubbock Memorial hospital. The father is principal at Idalou High school.

IN CAPSULE FORM

News Briefs

Capt. and Mrs. P. E. Yarbrough of Austin, formerly of Lubbock, are parents of a daughter, Linda Marie, born Tuesday in Austin, friends were advised today. Capt. Yarbrough, the son of Mrs. Myrtie Yarbrough of 2428 Twenty-fourth, attended Lubbock schools and was employed by Hemphill-Wells company. He re-entered the Air Force last July and has just returned from Arctic service. He is now stationed at Berkstrom field, Austin. Mrs. Myrtie Yarbrough left today to visit her son and daughter-in-law.

The Men's Club of St. Paul's Episcopal church will meet at 7:30 o'clock tonight in Seaman hall to witness program highlights of "The Phenomena," recently-presented Texas Tech varsity production.

A 99th district jury could not arrive at a verdict late Tuesday in the case of Billy Joe Short, 19, charged with burglary, and Judge G. V. Pardue ruled a mistrial. E. A. Wood of Idalou was jury foreman. Short is under another indictment, charging theft, and was arrested last week and charged with burglary in Hale county. No other felony trials are slated here this week.

Daleth chapter of Delphian society will meet Thursday morning at 9:30 o'clock at the home of Mrs. Joe S. McIlhaney, 2006 Seventeenth.

Lubbock Exchange club members meeting today for luncheon at Hotel Lubbock learned that the club has already secured sponsors for 245 of the 251 boys entered in Lubbock's Soap Box Derby on July 5. President Warlick Carr announced that the six additional sponsors would probably be signed during the day. The Exchange Club, co-sponsors of the race along with the Avalanche-Journal and Kuykendall Chevrolet, will also handle concessions and help with arrangements on Derby day. Joe Maricapeilli led group singing, with Mrs. Miram Collins as accompanist. Dick Ballinger and George Miller were introduced as new members. Billy Hardburger and Dr. D. W. Haynes were guests.

Add H. Gearhart was reported today to be convalescing at his home on East Broadway after undergoing surgery in St. Mary's hospital.

Wallace

(Continued From Page One)

that he may get the support of liberals who previously voted for the Republicans."

The Soviet press has made no editorial comment on Prime Minister Stalin's suggestion for talks on the basis of Wallace's "open letter." However, it gave prominent play to dispatches from abroad reporting reaction in Washington and London.

The possibility of holding talks on settling outstanding differences between the two nations still is a live subject here. It seems apparent that the Russian people have not given up hope that a meeting may take place.

Wheat Prices

(Continued From Page One)

ord and about 58 cents above the support level. Present market prices are about 15 cents above the probable support level for the 1948 crop.

The Agriculture department said today 1948 crop wheat may drop to or slightly below support levels shortly after harvest. But it added, the prices on the year's total crop are expected to average above the support level. Harvest of the winter wheat crop starts next month.

Margaret Rose Has Case Of Measles

LONDON, May 19. (AP)—Princess Margaret Rose has come down with measles, Buchingham palace reported today.

The princess, 17, became ill at Balmoral, Scotland, during the week-end.

Health authorities have had reports of more than 500 cases of measles in suburban Croydon alone in the last few weeks.

Testimony In Trial Closed

DALLAS, May 19 (AP) — Both sides rested their cases shortly before noon today in the trial of William Larry Martin, 29-year-old war veteran charged of robbing the State National bank of Big Spring last December 5.

In closing testimony this morning, federal government attorneys attempted to break down defense efforts to build up an insanity case for Martin, who in 1938 was sentenced to death for a murder in California.

"Was Mentally Competent"

Lt. Cmdr. Henry Colony, a psychiatrist in the navy medical corps who has had Martin under observation, said he believed "the defendant was of sound mind" last December when the bank was robbed of more than $2,000.

"I believe the defendant mentally competent and responsible for his actions in the past and at present," he told the jury.

On the stand in his own behalf as court opened today, Martin was neatly dressed in a blue pinstripe suit. Calmly, he told of using a .32 Colt automatic to kill a man in California in 1938. He received a death sentence for the crime, which was later changed to life imprisonment, and then was pardoned when he volunteered to enter the armed services in 1944.

Remembered Nothing

Martin, on cross-examination, said he remembered nothing of the robbery in Big Spring. The last thing he remembered between last October and the robbery, he said, was waking up on an operating table after he slashed his arm with a razor blade. He attempted to end his life after he was discharged from service.

U. S. district attorneys introduced a statement made by Martin to John B. Hubbard of Sweetwater, a special agent of the Federal Bureau of Investigation, in which he told of events preceding the Big Spring holdup.

Told Of Buying Gun

He told of buying a gun in Dallas, his home and taking a bus for Los Angeles where he planned to "attend to some business matters and then commit suicide." The statement also mentioned the admission of forging "several checks" against a construction firm where he worked in Dallas.

Martin stopped in Big Spring "to buy a drink." He took a hotel room and then robbed the bank, according to the statement made to the FBI.

In yesterday's proceedings, Martin gave a weird account from the stand of his activities overseas.

Ex-Cashier

(Continued From Page One)

tion, on a charge of embezzlement of bank funds.

"We'll have to do some checking up first," it was said.

Officials declined to explain what "checking" was required.

They had been asked for information relating to Gillham's age, term of employment, whether he is married, date of the alleged offense, and other pertinent details.

Eisenhower

(Continued From Page One)

does. A possible exception might be a declaration by Eisenhower that he favors the nomination by the Republicans of a specific candidate or that he is backing Mr. Truman.

Thus far J. Howard McGrath, Democratic chairman, and other administration aides have found on effective way of stopping the Eisenhower talk among southerners and some other members of the party.

Peace Plan

(Continued From Page One)

calls on the council to order all governments and authorities to issue cease-fire and stand-fast directives to their troops effective in 36 hours.

Chief American Delegate Warren R. Austin filed the proposal under chapter seven of the United Nations charter, which contains the most powerful articles. If adopted, the plan means that the council eventually could go on to vote economic and diplomatic sanctions against those failing to comply and, as a last resort, could order an international force into the field to enforce the directive.

Baptists

Canada Plans Minor Tax Cut

OTTAWA, May 19 (AP)—Finance Minister Douglas Abbott says Canada will enjoy only minor tax cuts despite the fact it achieved a record $670,000,000 budget surplus last year.

In his budget speech to the Canadian House of Commons last night, Abbott said he wants to hold down inflation, pay Canada's debts and build reserves against emergency defense needs, rather than cut taxes substantially.

"A substantial surplus will help keep our powder dry," he said.

Abbott said he did not consider an immediate expansion in defense activities necessary, but added:

Heavy Spending Set

"I feel we cannot afford to overlook the possibility that developing events in the international field may sooner or later make it necessary to increase our expenditures on national defense."

Abbott said the government estimates it much spend $2,175,000,000 on the country's affairs between April 1, 1948 and March 31, 1949. Its revenues will approximate only $2,644,000,000, he said, instead of the $2,724,000,000 they might have received but for the tax changes he proposed.

The surplus of $670,000,000 represented an increase of $297,000,000 over the previous year.

CARNIVAL — By Dick Turner

"The hot-foot test! We leave nothing to chance in proving that ours is the finest product on the market!"

Pastor Was Unaware He Violated Rules

LOS ANGELES, May 19 (AP)—The Rev. Stewart P. MacLennan says he "was the victim of an unwitting mistake" in officiating at the marriage of Lana Turner and Henry (Bob) Topping last April 26.

"I was unaware that I had breached any rules," the retired pastor of the Hollywood Presbyterian church said last night in announcing he would stand as his own accuser at a hearing of the case.

This procedure, an official of the Los Angeles Presbytery said, will eliminate trial by a judicial commission of ministers and laymen and require only commission deliberation on what form of censure, if any, is to be rendered.

The Rev. MacLennan was accused of violating a Presbyterian church decree which forbids a clergyman from marrying divorced persons before a year after divorce. He officiated at the Turner - Topping wedding three days after Topping was divorced by his third wife, Arline Judge. His action drew protests from the Buffalo-Niagara and Oklahoma City Presbyteries.

The grapefruit is said to be a mutation or chance hybridization between the orange and the shaddock.

Bikini Natives Want Coconuts, Not Movies, Modern Housing

KWAJALIEN, Marshall Islands, May 19 (U.P.)—Chocolate-skinned Juda rubbed his chin thoughtfully. Then he concluded that movies, ice cream and electricity may be all right for some people, but for real living, there's nothing like a coconut picked off the tree.

Juda is the chief of the 173 natives who left Bikini atoll when American atomic experiments began.

The Navy, making a tactical error, sent the natives first to the tiny but nearby island of Ronjerik. There, the natives found that coconuts were scarce and the fish poisonous. The Navy had to put them on relief.

Large quantities of food, water and medical supplies were shipped in, but still the natives complained. So now they have been transferred temporarily to Kwajalein, where they can work for a wage if they wish.

Why Electricity?

To accommodate the new arrivals, the Navy threw up a tent city, a mess-hall and a school. Sailors put electric lights in each tent and eagerly awaited the reaction.

The natives were unimpressed.

"Electricity is all right," said Juda. He did not want to go any further.

Ice cream?

"It's good, yes, but we like the movies best," Juda replied through an interpreter.

Like Roy Rogers

The interpreter added that the Marshallese already have a favorite movie hero: Cowboy Roy Rogers. They like to listen to hillbilly songs on the radio, but then they sing themselves, they go back to a tune the missionaries taught them: "Row Row, Row Your Boat."

Juda, however, was eager to cast aside this frivolous life. Most of all, he wanted to go back to Bikini. So did his followers. They do not understand the danger of radio activity and perhaps never will.

Juda liked the GI pants and shoes that he wore. But he was more annoyed than amazed when a Navy twin-engined amphibious plane thundered down the beach, 100 feet above our head, to spray disinfectant.

As the tiny globules of liquid sparkled and danced in the glaring sun, Juda looked out across the Pacific, and longed for the rustle of a cocoanut palm.

"We want to live on a big island of our own," he said. "It must have plenty of coconuts. Plenty of water and fish. And no other people.

"I think the government has an island picked out."

One island that the Navy is thinking of is Kili, south of here. It seems to answer most of Juda's requirements, but the Navy is moving carefully this time.

Commander Edward F. Ferguson, Seattle, Wash., new chief of the civil administration of Kwajalein, does not want to dump the natives on an island where they will have any excuse for asking for more food contributions or another transfer.

GET THE NEW LOOK—
SLIM DOWN YOUR WAIST LINE

When you buy Barcentrate, you buy a preparation for taking off weight. You do not pay for any printed diet nor for vitamins to fortify you against weakness while on a starvation diet. You need never know a hungry moment while taking this preparation. Barcentrate is the original grapefruit juice recipe to take off ugly fat.

Just go to your druggist and ask for four ounces of liquid Barcentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take just two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to take off ugly fat, return the empty bottle for your money back.

Lost 30 Pounds

"I wish to state that I lost 30 pounds taking Barcentrate. I didn't starve myself and I feel better than I have in years. I am sure that the easy, safe way to lose weight is by taking Barcentrate."—Mrs. Florence Chadwell, Route 1, Box 650, San Antonio, Texas.

25 Pounds Lost

"When I started taking Barcentrate, I weighed 195 pounds. I now weigh 170. I certainly praise Barcentrate."—G. W. Miller, Weatherford, Texas. Adv

Some Backaches Can Be Cured By Painting Sinus Walls Back Of Nose, Doctor Says

By ALTON L. BLAKESLEE
Associated Press Staff Writer

NEW YORK, May 19 — Some backaches can be cured just by "painting" behind the nose to put certain nerves to sleep, Dr. Lewis Amster said today.

The painting consists of applying a local anesthetic to a little cluster of nerve cells on the wall of one of the sinuses. It's done through the nose with a long swab. The anesthetic puts these nerves to sleep, and blocks their normal impulses.

The treatment has been effective in relieving some cases of low back pains, of the kind that seem to have no physical reason, Dr. Amster told the New York State Medical society.

Reason Is Mystery

The New York City physician reported some success also against a few cases of migraine headaches, painful shoulder spasms, persistent hiccoughing, stiff necks and shingles—a painful nerve disease.

But why the treatment works is a mystery. The spot anesthetized consists of sympathetic nerve cells that have no apparent connection with nerves in the low part of the back. The relief might be due to some kind of reflex action or to psychic reasons, Dr. Amster said.

The treatment has been known for some time. Dr. Amster became interested three years ago when it was used on him. For 35 years he had had a recurrent low back pain with attacks once a year. The nerve treatment abolished the pain in 20 minutes, he said, and it hasn't returned.

90 Per Cent Effective

Since then he has tried it on 103 patients, he said, "with relief of pain and spasms noted in about 90 per cent of these cases. In the remaining 10 per cent, some underlying organic condition was apparently responsible for the failures."

"It is not a universal panacea, and no assurance of relief should be made if the painful spasm has an underlying organic cause," he stressed.

In some cases, "the relief was really spectacular," Dr. Amster declared.

When the symptoms were far advanced, however, the reaction was "less dramatic," he said.

"In other words," Dr. Amster explained, "the shorter the duration of the condition, the more rapid was the response. The majority of failures occurred in advanced lumbosacral (low back) injuries with complicating pathological conditions."

COSTLIEST BATTLE

Costliest operation of the U. S. Navy in World War II was Okinawa, where 35 vessels were sunk, and 49 others seriously damaged.

A Geiger counter with a tube only one inch long and less than that in outside diameter has been designed for measuring radio-activity from single organs, or even parts of large organs, in man and the larger animals.

GRAY HAIR NEWS

No More Dyeing?

Science's startling new Vitamins which many claim have restored color to gray hair can now be had as Nix Vitamins. This may eliminate dangerous dyeing. These Vitamins, as described by National Magazine, supply harmless Calcium Pantothenate and Vitamin G to your system. When color does return it starts at hair roots. Simply take one a day. Age 22 up. Don't look old before your time. Get Nix Vitamin Tablets today. Don't wait. No mail orders filled.

Associated Press To Observe Anniversary

NEW YORK, May 19. (AP)—The 100th anniversary of the Associated Press will be observed in a special program to be broadcast on the NBC network next Sunday at 1 p. m. (EST).

An executive Editor Alan J. Gould will speak for the news cooperative on the broadcast.

The program, titled "AP—100 Years of News," will include dramatizations of the 10 biggest stories of the century, as selected by AP editors.

They are: The gold rush and America's expansion westward, the War Between the States, the Franco-Prussian war and the establishment of the German empire, the Spanish-American war, Marconi opens a century of science, World War One, abdication of Edward VIII, World War Two, Franklin D. Roosevelt and his era, and atomic energy.

Truck Driver Hurt In Freak Accident

OAKLAND, Calif., May 19 (AP)—James Zininon, 14, was thrown from his truck by a traffic collision on an overpass yesterday.

He hurtled to the top of a passing freight train — then fell from the freight car top 60 feet farther down the track.

He was hospitalized for severe injuries.

She Has Made Ample "Forever Amples"

ST. LOUIS, May 19 — A St. Louis drug store whipped up a super ice cream special and christened the king-sizer the "Forever Ample."

A group of youngsters, well-heeled with week-end allowances, ordered eight of the $1 confections.

As the tired fountain girl dug out the last scoop of ice cream and loaded it on the last dish, she announced: "This is forever ample for me, too, I quit."

One cubic foot of solid coal unmined in the ground will furnish power in a steam railway locomotive to move a passenger car 4.5 miles or an average loaded freight car 6.8 miles.

Vary cheese fondue, an economical basic dish, by adding a small amount of canned or cooked chopped shrimp before it is baked. Serve with a hot tomato sauce flavored with basil.

Final School Activities Held

Senior Picnic Is Set Friday

Seniors of Lubbock High school are enjoying extra-curricular activities following completion of scholastic work of the year and juniors and sophomores are taking final examinations.

Seniors were to meet at 1 o'clock this afternoon in the school auditorium to see a collection of Kid day movies made during the annual Kid day observance held on each April 1 for the past eight years.

On Friday they will attend their traditional all-day picnic at Buffalo Lakes. They are to meet east of the high school before 9 a. m. Students taking cars and those who do not have transportation are to meet and transportation will be provided. Students either will take picnic lunches or buy lunch at the lakes.

H. J. McCabe, head senior sponsor, and other sponsors will go as chaperones.

Bill Tatum, class president, and Jo Simmons are directing arrangements for the picnic.

Must Have Permission

School officials have announced that no student will be permitted to swim or ride in either motor boats or row boats without written permission from parents.

Seniors "checked out" Tuesday afternoon. Those required to take 18 weeks' examinations were to take them today.

All seniors must check out in the principal's office before they can attend the picnic, it was announced. After the picnic, the next activity for seniors will be that of obtaining their caps and gowns Saturday at Levine's, where they will leave $2.45. Upon returning caps and gowns before Tuesday noon, they will receive a refund of $1.

Seniors To Practice

Seniors will meet at 7:30 a. m., Sunday in the school auditorium to practice prior to the commencement sermon to be delivered at 2:30 p. m. Sunday in the auditorium. After the sermon they will meet in Texas Technological college stadium about 4 or 4:30 p. m., to practice marching and seating arrangement for commencement exercises to be conducted at 8 p. m. Monday.

Regular examinations for sophomores and juniors opened today. Nine weeks' examinations for classes which have met regularly at 8 a. m., and 9 a. m., were scheduled today, those for classes which met regularly at 10 and 11 a. m., are to be conducted Thursday and those for regular 1:30 and 2:40 classes are to be conducted at 1 and 2 p. m. Friday. At 3 p. m. Friday, all juniors and sophomores are to turn in books. Eighteen weeks' examinations for juniors and sophomores required

New Petroleum Discovery For Andrews County In Prospect

Dedication Is Held Tuesday

Aggie Memorial auditorium, in short but impressive ceremonies, last night was dedicated to those members of the Texas Tech Agriculture division who made the supreme sacrifice in World War II.

J. D. Strickland, former Aggie club sponsor, outlined the search for a proper memorial to honor the Tech Aggie war dead. His talk followed the playing of the national anthem, and invocation by Jim Spain.

Strickland said many ideas for a memorial were presented to the Aggie club as soon as it became known that the organization was seeking a proper way of remembering and honoring the Aggies who had lost their lives.

High Goals Were Set

"We knew it must be something useful, practical and beneficial to meet the ideals of the men who had fought and died. Many ideas were submitted, but the idea of a memorial auditorium was suggested by Dean A. H. Leidigh," Strickland said.

A committee was organized in 1944 to work upon the project, Strickland said, and during the school year more than 2,200 letters were sent out to former Aggies and alumni. Contributions began to come in soon after the letters were mailed and the Aggie club placed the money in reserve until seats and other furnishings could be obtained.

In March, 1946, Strickland said, another committee met with the Tech board and requested that it match the Aggie club funds dollar for dollar and to approve designation of the auditorium as "memorial auditorium."

240 Seats Installed

Strickland pointed out that the auditorium had been furnished with 240 upholstered theater type seats and curtains and blinds had been purchased for the auditorium through the sponsorship

See DEDICATION Page 7

A new petroleum discovery from the Devonian is in prospect for north-central Andrews county, about 12 miles north of the town of Andrews, at McAlester Fuel Company No. 1 McAlester .

This project is flowing at the estimated rate of 10 barrels to 12 barrels of 28 gravity oil per hour, through a one-half inch tubing choke, and was not showing any water.

Treated With Acid

The production was coming from perforated section at 11,020-090 feet, in the top of the Devonian. That zone had been treated with 1,000 gallons of mud acid, and then with 1,000 gallons of regular acid, and then with 4,000 gallons of regular acid.

After injection of the 1,000 gallons of regular acid the well swabbed at the rate of 15 barrels of 24 gravity oil per day.

Operator then re-treated with the 4,000 gallons of acid. After the load residue had been swabbed off the project kicked off and started flowing and was making a steady stream of oil.

This prospector, located 660 feet from south and west lines of section 4, block A-36, psl survey, drilled to a total depth of 11,297 feet in the Devonian. The section from about 11,100 feet to the bottom had shown oil.

A string of five and one-half inch casing was cemented at 11,-290 feet. The plug was drilled out to 11,184 feet and the pipe was perforated, and the acidzing and testing was started.

Taps Ellenburger

Shamrock Oil & Gas Corporation No. 1 Wendland, Southeast Coke county wildcat, seven miles southeast of Robert Lee, and in the Jose Antonio Guiterrez survey No. 22, topped the Ellenburger at 6,230 feet, which gave it a datum of minus 4,350 feet.

It cored at 6,231-41 feet. Recovery was four feet of hard, fractured dolomite, with a slight oil stain and with a fair gas show. Operator is now running a drillstem test to the total depth at 6,-241 feet.

On the top of the Ellenburger, this venture is corelated to be 82 feet low to the Seaboard Oil company of Delaware and Southern Minerals Corporation No. 1 M. G. Reed, two and three-quarter miles to the southeast.

That project, located 1,980 feet from south and west lines of section 1, HE&WT survey, had treated perforated section at 6,180-98 feet, in the top of the Ellenburger, with two shots of 500 gallons of acid.

After the second injection operators swabbed down to 5,600 feet from surface and had developed only slight shows of oil and gas. The project was being re-acidized.

Recovery Very Hard

Argo Oil Corporation No. 1 Clyde Ilkins, et al, Southeast Reeves county deep wildcat, 12 miles northeast of Balmorhea, and in southwest quarter of section 293, block 13 H&GN survey, cored at 10,727-735.5 feet.

Description of the recovery was not reported, other than the fact that it was very hard.

The section at 10,735.5-764 feet was drilled. Most of it was hard lime. A core was being cut at 10,764-773 feet. That rock is reported to be a little softer. So far no shows for production have been encountered in this prospector, which is now well down into the Wolfcamp of the Permian.

Location Is Made

Carter Drilling Company is reported to have made location for its No. 1 A. L. Camp, to be a 3,250-foot wildcat to test into the Delaware sand in west-central Reeves county, 10 miles west of Toyah.

The venture is slated to be at the center of the northeast quarter of the northeast quarter of section 14, block 70, psl survey. Drilling is due to start soon.

Stanolind Oil & Gas Company No. 1 E. C. Nix, exploratory project in central-southwest Andrews county, 12 miles southwest of the town of Andrews, and 1,994 feet from north and 1,995 feet from east lines of section 21, block A-47, psl survey, was swabbing to test on perforated section in the lower Clear Fork-Permian at 7,370-7,425 feet.

This zone yielded some free oil on a drilstem test. All sections between this horizon and the total depth at 11,530 feet, had either

See OIL NEWS Page 7

Biblical Names In News Again In Holy Land

(By The United Press)

Biblical names were back in the news today as fighting between Arabs and Jews raged across the ancient Holy Land.

From Dan to Beersheba — the Biblical limits of the Holy Land —men are fighting for the same strategic points that Assyrians, Babylonians and Roman legions once sought.

In Jerusalem, the capital city of Palestine, Arabs and Jews waged a fierce battle on the same ground conquered by Herod when he returned to claim his crown as king of the Jews under the Roman empire.

Walled City Taken

The old walled city of Jerusalem, the shrine of three world faiths, was invaded by Abdullah's Arab legions. Other legions of the Roman Emperor Hadrian once sacked and virtually destroyed this sacred city.

In the nearby suburb of Bittir an army of Jews once tried in vain to hold out against powerful Roman legions. Today the remains of the Jewish stronghold there is named Khurbet El-Yahud (the Ruin of the Jews).

Now these same suburbs of Jerusalem afford strategic points from which Abdullah's forces command approaches to the Holy City

To the south, in the arid regions of Gaza where Samson destroyed the temple, Egyptian troops were driving up into Palestine.

Arabs In Control

At Beersheba, the southernmost limit of the Biblical Holy Land, Arab troops were in control. There and at Gaza the armies of Alexander the Great passed through on their ill-fated march to conquer the Egyptian empire.

Bethlehem, the village where Christ was born, some seven miles south of Jerusalem, is in the hands of Arab troops.

Along the coast — just south of the modern Jewish city of Tel Aviv — Jaffa (known in Biblical times as Joppa) is controlled by Israel's army.

Northward along the coastal plains, Haganah troops were consolidating positions along the border of the new Jewish state southeast of Haifa. There, according to the Old Testament, the prophetic battle of Armageddon would be fought "on the great day of God."

Jews Occupy Acre

Beyond the Jewish port city of Haifa, Israel's armies occupied the Arab stronghold of Acre. Napoleon's army met defeat at Acre more than a century and a half ago and on this same Mediterranean gulf, Ptolemy, successor to Alexander the Great, once set up a Greek colony.

Jericho, along the Trans-Jordan border north of the Dead Sea was wrested from Jewish control by Arab forces. It was in this Biblical

Milwaukee's Beer Strike Is Ended

MILWAUKEE, May 19 (AP) — Milwaukee's famed brew began to flow toward the nation's spigots again today.

A strike which had closed the Schlitz, Pabst, Miller, Blatz, Independent and Gettelman breweries since April 25, ended last night as CIO brewery workers voted to accept a $6.80 weekly wage increase.

Carl Feller, international corresponding secretary of the union, ordered the 5,500 affected employes to report to their immediate superiors in the six plants.

He said the strikers voted, 4,-051 to 1,085, to accept the latest company proposal. This brings the weekly wage for brewhouse, malthouse, cellar and rackhouse employes to $65.80 a week and bottle house workers to $63.80.

The union originally had asked a $12 weekly boost and the breweries had offered $5.50.

Value Of Soft Water Is Told

Lubbock residents spend more thousands of dollars each year for soap to soften hard water than would be needed for use with soft water, Harry N. Roberts, engineer, indicated in a speech at the monthly meeting of Permian Basin Water Works and Sewage association here Tuesday.

Roberts spoke to about 65 delegates from nine West Texas towns and cities last night at Central Fire station, following a barbecue dinner at Mackenzie Park. Earlier in the day, the group made an inspection tour of the new municipal reservoir, pump station and power plant northeast of the city.

Soap Most Expensive Way

"Use of soap is the most expensive way of softening water," Roberts said. He distributed a table on loss in soap per year in illustration of his speech.

Using soap to soften water costs $6 to $27 per 1,000 gallons, depending on hardness of the water, his table showed. For the present Lubbock water, averaging 440 parts per million hardness or 25.8 grains per gallon, he said, the cost would be about $17 per 1,000 gallons.

Persons get in the habit of paying five or 10 cents a day for soap and think nothing of it, he said The cost of softening water in a municipal plant, he said, is only about seven to 10 cents a thousand gallons.

The 440 parts per million hardness average in Lubbock was reached before the northeast supply was brought in and the northeast water averages less, about 320 p. p. m. hardness, Roberts said.

His table indicates the excess cost of soap per family in Lubbock to be between $23 and $24 a year

Nine Boys Will Get Pigs Here Saturday

Annual Sears Foundation Pig Distribution Program Will Be Staged At Fair Grounds

Nine Lubbock county 4-H club boys who are to receive pigs in the annual Sears Foundation pig distribution to be held at the fair grounds here Saturday were announced yesterday by Lee Roy Colgan, assistant county farm agent and director of boys club work in the county.

Eight of the boys are to receive gilts, and one a boar pig in a presentation program that starts at 9:30 o'clock Saturday morning. The program is to include a talk by Dr. N. A. Cox, Lubbock veterinarian, on the care and handling of pigs, and vaccination of the animals against cholera.

Billy Mitchell of route 5, Lubbock, was named as winner of the boar pig. Those winning gilts were Lee Smith of route 7, Lubbock; Wendell Dennis of route 1, Lubbock; Bobby Hutson of route 1, Lubbock; Marlin Ferguson of route 2, Slaton; Robert E. Lee of route 1, Petersburg; Olen Elliott of route 1, Shallowater; Glenn Brown Blackmon of route 1, Shallowater; and J. Hardy Stanton of route 1, Shallowater.

The pig program is on a continuing basis, with each pig recipient agreeing to return one pig of a litter from each gilt for award the following year. Rules also provide for contests on each gilt or litter into the second and third year.

Five Returned Pigs

Of the eight who received pigs in the program last year, Colgan said five returned pigs this year for distribution, and each of the five is to feed out three pigs from his gilt's litter to put on exhibition at next September's show, when winners of gilts this spring show their animals on county and district basis.

The five boys who returned pigs this year were James Mitchell of route 5, Lubbock; Alton Abbe of route 3, Lubbock; Billy Joe Durham of route 1, Petersburg.

Three others who received pigs last year, but do not plan to feed out pigs for the fall show, due to bad luck and various other reasons, are Raymond Hitt of Wolfforth, Orville Selman of route 4, Lubbock; and Dewey Flynn of route 1, Abernathy.

Last year's boar pig went to Roy Middleton of route 4, Lubbock.

The distribution program at the fair grounds Saturday is open to the public.

Clinic For Deformed Children Is Planned

A clinic for orthopedic examination of deformed children will be held Saturday, beginning at 8 a. m., in Khiva Temple, Fifth and Fillmore in Amarillo, with receptionists, nurses and orthopedic surgeons conducting the work.

"Any child under 15 years of age with a deformity, regardless of race, creed or color, and where the parents are unable to pay, is eligible and welcome," C. E. Maedgen, Potentate Aide for Lubbock county, said. Applications for the clinic can be obtained from Maedgen or any member of Khiva temple.

Abernathy Has Street Signs

ABERNATHY, May 19 — With the installation of the first street marker in Abernathy at a ceremony last week, the street marker project of the 1935 Study club of Abernathy is drawing to a close.

The first marker, set up at the corner of Eighth street and Avenue D, was erected in the presence of members of the study club and other townspeople, with movies of the occasion being made by Dan Ward. Installation of other markers began on First street following the ceremony, and the project should be completed soon.

Club Sponsors Project

The town was surveyed by Jeff Williams, Hale county surveyor, to determine exact spots where the markers should be installed. Some of the signs will be placed on property now being used as streets, and motorists were warned to be on the lookout for them.

Installation work was done by Lamar McKenzie, assisted by Wayne Moore and M. T. Slough.

Members of the 1935 Study club who were present for the first marker installation were Mmes. Andy Reid, Rudolph Struve, Ray Pinson, Prul Harral, J. W. Harris, Ercell Givens, Virgil Zeman, Earlton Harp, Mrs. Dan Ward, chairman of the club's street marker committee, and Mrs. Frank B. Lovelace, president of the club.

Mrs. Ward and Mrs. Lovelace took part in the first installation ceremony.

In addition to carrying the street numbers, the new markers also include the block numbers.

LIVER OUTPUT INCREASED

McALLEN, Tex., (AP)—Cattlemen of the Lower Rio Grande Valley say the livers of steers fed on dehydrated citrus peel and pulp are bigger and redder than livers of steers on ordinary feed. The cattlemen claim the grapefruit and orange diet contains vitamins A, B, C, D and P.

* * *

John Collier, former U. S. Administration of Indian Affairs, says that prior to the discovery of North America, the Indians had a better civilization than we now have.

That's entirely possible. The Indians didn't mortgage the country; or waste its resources—and they made the women do the work while they fished and hunted!

* * *

That Man on Avenue Q says if you can't describe an accordion or a spiral staircase with your hands tied behind you, your vocabulary is inadequate.

* * *

Taft's a conservative; Stassen's a New Dealer, and Dewey is all things to all men.

No wonder the Republicans are confused—and leaning toward the nomination of Senator Vandenberg who, after all, can't be pinned down on anything!

* * *

WE'RE too lazy at the moment to look it up, but as we recall it was W. Shakespeare, by way of J. Caesar, who warned everybody to beware of the Ides of March—the Ides of March being that period of the third month beginning on the 15th day and extending through the 21st.

Maybe Shakespeare and/or J. Caesar were correct in their warning, but even so, we would contend that in this day and time the period of May 15 to June 10 is fraught with even more dire possibilities than the Ides of March ever were.

We pick out the May 15-June 10 period of, each year because it is between those dates that most graduation speeches are made in this particular section of the U. S. A.

* * *

As one who has been guilty of making commencement speeches for a good many years, we know where-of we speak when we say that they bother—if not actually irk—more people than any other sort of speeches.

In the first place, they irk the graduates, who wouldn't have a commencement speaker at all if it weren't an ironclad custom. So because of the custom, they have to sit and listen to some geezer (he's an old fuddy-duddy in their books) when they'd much rather get the diplomas and hustle off to a late date, a party or the nearest juke joint for some less inhibited activity.

In the second place, commencement speeches, irk the parents, other relatives and friends of the graduates, who attend commencement exercises only to see Johnny and Mary walk across the stage and get their diplomas.

And in the third place, they worry the speaker, himself, no end, because he knows (1) he has an impossible job to start with; (2) he's afraid to talk too long for fear of boring people and too little for fear folks'll think he didn't give any thought or prepartion to his task; and (3) the chances are 10-to-1 he, like all others concerned, would much rather be relaxing somewhere else.

* * *

BEING an old hand at commencement speaking, we approve most highly of the plan usually followed by Lubbock Senior High graduating classes in eschewing the oratory and advice of a speaker and letting the graduates, themselves, put on the show.

The kids usually are much better than adult commencement speakers. Their relatives and friends would much rather hear them and see them perform. And there's a lot less pure, unadulterated hokum in graduate - staged programs than there is in the graduation speech per se.

* * *

No matter how sincere a commencement speaker may be, if he has any imagination at all he has a sneaking feeling that he'd better not bee too practical in his speech to the graduates.

He feels it much better to deal largely in platitudes than in stark realism, for, after all, a graduation program is no place to be throwing cold water around.

So he works up something fair-to - middlin' meaningless, liberally sprinkled with quotations from the classics and from statesmen of bygone years, and then does the best he can to hold the wandering interest of the graduates and the balance of the crowd assembled!

* * *

WITH the South Plains beginning on that May 15-June 10 cycle in this not-so-good year of 1948, we wish for graduates and other attendants as such ceremonies better speeches than they're likely to get; and for the speakers more attentive audiences than they're like to get.

And looking forward to 1949, we urged this year's juniors to give a little thought to the class-participation plan between now and their graduation date.

It's a little more work for the graduates and a little more work for the teachers—but we believe the results will be worth it—to

BY DREW PEARSON: MAINE SENATORS BATTLE OVER BUCHANAN APPOINTMENT TO FPC

Gas Lobby Scores Victory By Sleight-Of-Hand

WASHINGTON.—It looks as if the nation's gas bill was going to be boosted after all. After first taking a defeat, the gas lobby, by some slick parliamentary sleight-of-hand, later scored a victory which may affect every housewife using natural gas.

The public is aware of the fact that the Senate commerce committee first slapped down the Moore-Rizley bill by a 9-to-4 vote. This bill would have taken $75,000,000 annually out of the pockets of gas consumers.

PEARSON

But what the public doesn't realize is that most features of the bill could be administered into law by the Federal Power commission, now split 50-50 on the Moore-Rizley principles. Commissioners Nelson Lee Smith and Harrington Wimberly have lined up with the natural gas lobby, but Commissioners Leland Olds and Claude Draper have vigorously opposed the big pipeline owners. This means the fifth commissioner, Thomas Buchanan, now waiting confirmation by the Senate, holds the balance of power.

As a member of the Pennsylvania public utility commission for eight years, Buchanan carried on a fearless fight against the big power and gas interests. Now they are moving heaven and earth to block him from taking a seat on the Federal Power commission.

Here is how they have been able to do it so far, inside the Senate commerce committee:

After voting down the Moore-Rizley bill, the committee took up Buchanan's nomination. Routine approval was expected, since favorable hearings already had been held.

* * *

Battle Of Maine Senators

But Sen. Owen Brewster, Maine Republican and a friend of the utility interests, started setting off parliamentary booby traps. He moved to send the nomination back to a special subcommittee for further study. This would have delayed action until after November—when a Republican President, if elected, could pick his own man.

"This," protested Pennsylvania Democratic Sen. Francis Myers, "is just subterfuge to delay this nomination so it will never reach the calendar or else come up too late."

A rollcall vote was taken, and to everyone's surprise Chairman Wallace White, Maine Republican, sided with Myers. Stunned, Brewster, also a Maine Republican, blurted out: "You gave me your word this morning!"

"When you talked to me very briefly over the telephone this morning at my house, I was not fully conversant with the facts," explained White, who has a reputation for upholding the public interest. "I assume the blame for the misunderstanding."

* * *

WHITE added that Buchanan "shouldn't be opposed on political grounds." Whereupon Brewster came back with another parliamentary trick—a motion to rule out proxies. Since the only two proxies were held by the Democrats for Sens. Tom Stewart of Tennessee and Ernest McFarland of Arizona, this would have given Brewster a majority. However, all his tricks to sidetrack the nomination were overthrown—temporarily.

At this point, Senator Ed Martin, Pennsylvania Republican, was permitted to make a statement before the committee. Under pressure from the power and gas lobby, Martin had obediently brought in two witnesses against Buchanan at the original hearings; but, under cross-examination, their testimony had backfired.

Now Martin claimed he had been "approached by several Senators from other states" who wanted him to "talk to several people" as possible witnesses. In other words, he wanted more time to go out looking for witnesses. Martin admitted that Buchanan is a "man of integrity," but opposed him nonetheless.

Backing up Martin, Indiana Republican Homer Capehart resurrected Brewster's motion for a special subcommittee to study Buchanan's nomination.

Caught in this dilemma, Myers agreed not to object to further study by a subcommittee, provided a time limit of two weeks was set for reporting out Buchanan's nomination. He wrung out this concession from Brewster, but the utility-minded Senator from Maine won the final round. He was able to load the subcommittee with two Moore-Bizley supporters—Homer Capehart of Indiana and Albert Hawkes of New Jersey.

* * *

Rootin' Tootin' Rankin

Mississippi's unreformed rebel, Cong. John Rankin, was seen over-looking a statue of General U. S. Grant the other day in the capitol's hall of fame.

A passer-by who recognized the die-hard southerner asked why he was admiring General Grant.

"I am just checking," snorted Rankin, "to see whether he has more stars than General Lee."

Note—Both Civil war generals wore three stars.

* * *

WAR veterans got another kick in the pants the other day when 23 vice presidents of steel companies vetoed the allocation of 60,000 tons of steel for prefabricated housing. This means that veteran cooperatives, formed to finance prefabricated housing developments, will have to fold up or go in for the more expensive conventional houses, which most veterans can't afford.

The 23 steel vice presidents are members of a so-called Steel Products advisory committee to Commerce Secretary Charles Sawyer which passes on volunteer steel allocations under a law passed by Congress last year. However, the committee functions more like a little "Supreme court" in determing who can buy steel.

Also, it does more dictating than advising, apparently, for the Commerce department had okayed the 60,000-ton allocation, a third of what the prefab industry requested for new low-cost homes.

The steel moguls pointed out that prefabricated houses require four times as much steel as conventiol homes built of wood, brick, etc. This explanation, however, is small comfort to war veterans and others who cannot afford conventional dwellings.

Note—The American Veterans committee has made a vigorous protest to Congress about the steel magnates' action.

The air 100 miles above the earth is more than hot enough to boil water under conditions existing on the surface of the earth.

Bob Stanton ("Angel In the Wings" canary) and Evelyn Patterson, winner of the Steeplechase beauty contest, are Uh-huhneys . . . Same things for Carole Wanderman of the thittir and Chas. Evans, the wealthy mfr . . . A noted singer has had a phenomenal winning streak at the track. He's turned down bookings "because he can make more coin this way." He'll be sorreeeee! . . . The Journal-American's Marvin Sleepers (she's a Lane Bryant ad exec) have a 5th Ave. Hospital reservation . . . A Philliy spender (making our bistros) is pertected at all times by a female bodyguard! Her unique job is keeping him from being careless with tips to ciggie and camera-gels. Hez a nesty hebit of tossing $50 bills.

---

most speakers as well as to graduates, their relatives and friends!

* * *

Incidentally, in looking up the Ides of March we found out something we didn't know before—which is not at all unusual.

Here's what we found:

March is not the only month which has an "Ides." All months have 'em.

In addition to March, the months of May, July and October have their "Ides" between the dates of the 15th and the 21st. "Ides" of all other months begin with the 13th and extend through the 19th.

(There'll be no extra charge for this information!)

* * *

NO matter how well an individual may be getting along today—no matter how "pretty" he may be sitting—he has no guarantee that everything will continue to be peaches and cream, beer and skittles, nector and ambrosia.

"Behold how the mighty hath fallen" is an old saw, but we see proof of it every day.

We are thinking, particularly, of a young woman who a few years ago was "on top of the world." A singer on the radio and with various "big name" bands, her name was on millions of lips. She took an old song and rode it to glory—as well as to large slices of cash.

Then she slowly disappeared from the scene. She was missing quite a long time. Only recently has she re-appeared on the air, this time as a singer of a commercial, not as a star on a nation-wide hookup.

It's a pretty good idea for all of us to stop and think, occasionally, that we, too, can fall upon evil days; that tomorrow's sun might not be as rosy as that of today; that a lot of good, able men and women have "hit the skids" and have gone from a pinnacle to the bottom in less time than it takes to tell about it.

It's wise to "hedge' against disaster. Also, young men "on the way up" will do well to remember the old saw:

"Be decent to the people you pass as you climb the ladder. You may meet them again on the way down!"

At Least A Little Progress

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

THE city registrar of Boston, Mass., recently had to say a regretful "NO" to a woman who wanted her birth date advanced from 1909 to 1913.

A lot of women who read that news item probably stopped to wonder just why that woman needed so desperately to be four years younger than her actual age.

MILLETT

Had she fallen in love with a man four years younger than herself and feared to marry him if he knew her age?

Or had she started already to worry about that dreaded 40th birthday and decided that she must somehow push it further into the future?

Or was she ready to venture into the business world and afraid to admit her age to prospective employers?

Or did she just feel that the years between 30 and 40 were the best years and resolved to try to stretch them out?

Just what was behind that visit to the city registrar's office?

* * *

BIG QUESTION: WHY?

A WOMAN who tries to deny her age is always interesting to other women.

"She says she is only such-and-such an age," they tell each other over a bridge table, "but"—and then comes the speculating.

So why do you suppose she did it? For the sake of a man or for a job, from fear of facing the forties, or just to help fool herself?

She certainly couldn't have hoped to fool other women.

Journal Jabs

INSTEAD of suing her husband for divorce because he blew smoke in her face while she ironed, why didn't the Des Moines woman slap the hot iron to him where it would have done the most good?

* * *

Among the oldest professions in the world, politics ranks second and it is the second rankest.

* * *

There would be plenty of parking space if cars were owned only by people who can afford to own them.

* * *

"We'll test your sanity for $200."—Classified ad. No, thanks. Do you think we're nuts?

Today's Thought

And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand.—John 10:28.

* * *

IMMORTALITY o'ersweeps all pains, all tears, all time, all fears, and peals, like the eternal thunder of the deep, into my ears this truth; Thou livest forever!—Byron.

By Bennett Cerf

"Try And Stop Me"

THE philosopher Diogenes was discovered by Alexander the Great in a graveyard diligently examining the piles of bones whitening in the sun In response to Alexander's surprised query he explained, "I am trying to find the bones of your father—but they seem indistinguishable from those of his lowest slaves!"

* * *

A reporter of the Wall Street Journal recalls a conversation concerning Senator Jim Watson that he conducted with the then President Coolidge in the course of an interview at the White House

"Don't dismiss that old fire-eater too lightly," warned the reporter. "He's hell on wheels when he gets started. I once heard him harangue some constituents back home in Indiana. He wound up with 'Now, fellow citizens, I have given you facts, and you can vote for me or go to the devil.'"

"Hmmm," commented Coolidge. "Difficult choice, wasn't it?"

Laff-A-Day

"Got a coin we can borrow a few moments?"

BY MARQUIS CHILDS

Democratic Leaders Plan To Give Truman Talks 'New Look'

WASHINGTON — These are anxious days at Democratic National headquarters as plans go forward for the grand tour that begins next month. Putting a presidential show on the road is a big job under the best of circumstances, and with what is happening — south, north, east, west — present circumstances can hardly be called best.

CHILDS

The Truman managers privately put a great deal of emphasis on the tour. They want their candidate to show the country that he has a new look and a new outlook.

At a dozen stops a day on the tour to the Pacific northwest and California, President Truman will talk to the crowds that come out to see him. And he will speak extemporaneously, in the homely, friendly fashion intended to show the man himself rather than the fretful President overburdened with affairs of state.

This, as the anxious managers envision it, is to be the keynote of the pre-convention swing. The President, in their theory, has, long been hiding his homely, friendly light under a bushel of stuffy set speeches.

* * *

Homely Vein

The new look first emerged when the President addressed the American Society of Newspaper Editors. After his set speech, he spoke off the record in homely vein.

The contrast was striking. The President has never learned to be at ease with a manuscript before him. His reading is customarily to flat and spiritless that his words seem to carry little conviction. But speaking simply and directly, he was himself—a sincere, hardworking man trying earnestly to cope with the overwhelming problems of our day. Mr. Truman received many compliments on his extemporaneous performance for the editors.

The President's advisers persuaded him to talk in the same informal way to the recent conference of health authorities. Since this was a more difficult test, it was decided not to seek network time for the speech. Afterwards the President's intimates, delighted with his talk, were regretful that he had not had a radio audience. They took this as final proof that a new approach was not only possible but highly desirable.

At the core of the new concept there is truth. Mr. Truman is a sincere American trying to meet problems that have never confronted this nation before. It is when he is measured against the imperative necessity of the hour that he is so often tagged inadequate.

* * *

BUT whether the President of the United States can become the homely philosopher and speak freely and off the cuff in a time such as the present is a large question. Because he is chief of state of the most powerful nation on earth, every word he speaks echoes around the world.

In this fact lies the very real hazard in the new approach that the White House advisers hope to develop on the coming tour. The hazard is political at home and diplomatic abroad.

It takes art as well as nature to be folksy and friendly and yet avoid one of those gaffs that now and then betray even the most experienced extemporaneous speaker. Art, which comes through long experience, may be even more important than nature.

Mr. Truman has learned a great deal in the impossible office of President. Some of the learning has been painful in the extreme, both for the President and the country.

Not long after he entered the White House, Mr. Truman made a friendly, folksy visit to his home state of Missouri. On the way back, he stopped at Reelfoot lake in Tennessee to dedicate a TVA dam. It was there that he held an impromptu press conference and tossed out the statement that we intended to keep the atomic bomb no matter what the rest of the world said. This off-hand statement caused the most profound repercussions in every foreign capital.

Those days, it may be argued, are long since gone. But the President will have to exercise the utmost skill and caution to avoid such errors. It is a restraint imposed on the man in the President's office, while those who are contending for it are free to say pretty much what they please when they please.

Most fish are darker colored above than below, but the "Synodontis batensoda" of the Nile is an exception. This fish is lighter above and darker below—presumably because it often swims upside down.

Today's Journal Editorial

AN IMPORTANT

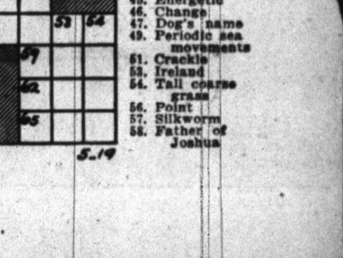

The Evening Journal takes genuine pleasure in joining in a salute to the Postoffice department during the observance this week of the 30th anniversary of the birth of the air mail service.

When the first air mail plane took off from Washington, D. C., to New York City on May 15, 1918, even the sponsors regarded the flight as something of a "stunt." Few, if any, imagined the time would come when the plane would become a major factor in mail communication.

Yet it has done more to speed the mails than probably any other one factor since the invention of the adhesive stamp. The service is so fast and so reliable that the air mail letter has become a real competition of the telegraph. It has become so commonplace that many firms and individuals use air mail almost exclusively for correspondence outside their immediate areas.

Growth of that sort has required hard work, planning and vision of the highest order. It represents an achievement to justify national pride in a Postoffice department which is conceded even by its critics to be the finest and most efficient upon earth.

IT'S HAPPENED AGAIN
We have been asked to vacate, for the owners occupancy, the house in which we have been living. We have one small girl and can give excellent references. We cannot afford to pay an excessive rental but can pay several months in advance. We have our own furniture and would prefer a two bedroom home. If you have an apartment or house that would be suitable, or know of one, please call 4343.

MBS — 9:30 a. m., Say It With Music; 12:15 p. m., Happy Gang; 1:30, Marty Block records; 6:15, News and Dinner music; 9:30, Dance Time.

Dedication

(Continued From Page One)

of the Aggie organization.

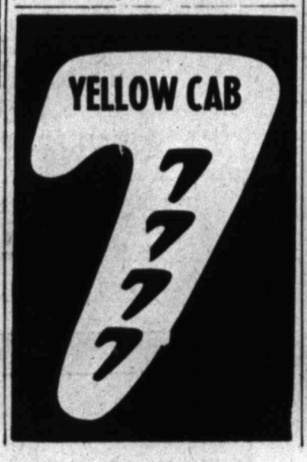

Dean Emeritus A. H. Leidigh said that a careful check of available records indicated that approximately 50 Aggie exes and graduates had died in World War 11, and that approximately 1,500 served in the armed services.

Leidigh pointed out that such a total was particularly high for the Agriculture division because many agriculture graduates were deferred so that they might serve industry, and that many were flatly refused admission to the armed services because of their vocation.

The dean said that one former Aggie was on Bataan when the Japs took over the Philippines, and that another was captured shortly after Pearl Harbor on an island in the Pacific.

Marion Baumgardner gave the dedicatory address while two members of the Aggie division who served in the armed forces, Edd C. McLeroy, representing the Army ground forces, and Richard Robinson, representing the Navy, unveiled the memorial plaque which will be placed at the entrance of the auditorium.

Silver Taps was sounded by members of the Texas Tech band. Carrol Wilson closed the rites with benediction.

Oil News

(Continued From Page One)

been dry, or had shown water.

The prospector is due to make some sort of the producer from the formation now being tested.

Making More Hole

Gulf Oil Corporation No. 1-E Bryant, central Midland county wildcat, 14 miles south of Midland, had reached 9,252 feet in an unidentified lime, and was making more hole.

Magnolia Petroleum Company No. 1 TXL, in north-central Upton county, just south of the south line of Midland county, had drilled below 6,202 feet in lime and shale, and was going ahead.

Both the above ventures are contracted to go to between 12,500 feet and 13,000 feet, to test into the Ellenburger. So far neiher of them has reported having logged any signs of possible production.

Lease Is Taken

Clarence Norsworthy, of Dallas, is reported to have taken a 10-year commercial oil and gas lease on a block of 9,000 acres in Southwest Coke county from J. R. Mims.

It is reported that he paid a cash bonus of $2.00 per acre for the lease and agreed to drill a well on the block, to test into the Ellenburger. Location for that venture has not yet been reported.

Included in the trade were sections 7, 8, 9, 25, 26, 27, 38, 39, 40, 41, 47 and 45, in block W, TP survey, section 1, block Z, D&SE survey, and sections 5 and 42, in block H, GC&SF survey.

J. W. Sorrels of Fort Worth, is reported to have contracted to start at once to deepen his No. 1 Mims, 7,003 foot dry wildcat in southwest Coke county, to about 9,000 feet, to test into the Ellenburger.

That project is 330 feet from south and east lines of section 300, block 2, H&TC survey, ad is about 12 miles north of Water Valley. It was drilled during the early part of 1946 to 7,003 feet, in dry Pennsylvanian, and was abandoned at that point.

After stopping drilling on the wildcat, Sorrels retained the hole, and the east half of the southeast quarter of section 330, block 2, H&TC survey, the tract on which the exploration is located.

It is reported that he has recently leased the remaining 571 acres in that same section from Mims for a cash bonus of $3.00 per acre, on a ten-year lease contract.

Drillstem Test Run

In Southwest Tom Green county, 13 1-2 miles southwest of San Angelo, Cities Service Oil Company No. 1 E. H. Jones, was making hole below 5,236 feet in the Pennsylvanian lime.

It ran a drillstem test at 5,158-5,204 feet, with the tool open one hour. Recovery was 35 feet of drilling mud, with no show of oil, gas or water.

The project is in the northeast corner of the Maria Josephs Fernandez survey No. 11.

Hunt Oil Company, et al, No. 1 Allison, in Southeast Edwards county, and in the southeast corner of section 1, block DA-6, GC&SF survey, 18 miles southeast of Rocksprings, took a one-hour drillstem test in the Ellenburger at 5,437-5,884 feet.

Recovery was 10 feet of drilling mud, with no shows of oil, gas or water. There was a fair blow of air during the investigation. The exploration is now making hole past 5,944 feet in the Ellenburger.

Biblical Names

(Continued From Page One)

city, according to the book of Joshua, that Gabriel's trumpet sounded and the great walls of Jericho "fell down flat."

As far north as Dan, the farthest limit of the old and the new Holy Land fighting between Arabs and Jews has taken place. Arab troops occupy Dan near the place where Jesus decided to return to the Holy Land and to his crucifixion.

Strife in the Holy Land is as old as its history. Early Biblical tradition records many invasions of Palestine when tribes from the north, east, and south sent invading armies to over-run the land.

In a footnote to the history of Palestine, Sir George Adams Smith wrote:

"The Holy Land has never belonged to one nation and probably never will."

Water Meeting

(Continued From Page One)

The excess cost per family in use of water with hardness of 450 parts per million was listed as $24.25 and for that of 400 parts per million, $21.50.

In 1940, there were 3.68 persons per family in Lubbock, said Roberts. Using that figure and assuming that each person uses one gallon of hot water per day with soap, that would be 365 gallons per person per year, or 1,340 gallons per family per year, he said. With the cost of soap figured at 25 cents a pound, the table was compiled to show excess cost per family per year when using water of the hardness shown in the table, as against using water of 80 parts per million (4.7 grains per gallon) hardness.

Extremes Are Shown

Two extremes shown in the table on loss per year were those for water with 625 hardness in p. p. m., for which 39.8 was listed as per capita pounds, 146 as pounds per family of 3.68 persons, and $36.50 as cost of soap per family per year, and the figures for water of 200 p. p. m. hardness, for which per capita pounds was listed as 8.75, pounds per family as 32 and cost of soap per family as $8.

The figures for water nearest hardness of the 440 average listed for Lubbock were: hardness of water in p. p. m., 450; per capita pounds, $26.30; pounds per family, 97, and cost per family, $24.75.

Using soap to soften water costs from $6 to $27 per 1,000 gallons, as shown by the table, and for the present Lubbock water cost would be about $17 per 1,000 gallons, he said.

City Near Bond Limit

One of the projects provided for in a city bond issue voted in Lubbock Dec. 11, 1945, was for water softening equipment, $650,000. However, no more tax bonds can be outstanding than 10 per cent of assessed evaluations, and the city is within $200,000 of that limit now.

Roberts estimated that each person uses about 10 gallons of water per day, but only one gallon of that amount requires the use of soap.

Considerable discussion was carried on during the meeting concerning the holding of water works operators' short schools in this area for the benefit of personnel working in water departments.

Delegates from Lubbock and Lamesa asked the association secretary, E. L. Killingsworth, to apply to the Texas A & M Extension service for such schools to be held in the two cities.

Delegates were present from Brownfield, Slaton, Lamesa, Big Spring, Colorado City, Midland, Monahans, Seagraves and Dallas.

School Activities

(Continued From Page One)

to take them will be conducted Saturday.

Juniors and sophomores will return for report cards Tuesday, with students living in the city reporting at 9 a. m. and bus students at p. m.

All seniors except those taking 18 weeks' examinations received grades this morning.

HELP KIDNEYS If Back ACHES

Do you suffer from Getting Up Nights, Backache, Nervousness, Leg Pains, Dizziness, Swollen Ankles, Rheumatic Pains, Bladder Weakness, Painful Passages, or feel old and rundown, due to non-organic and non-systemic Kidney and Bladder troubles? If so, try Cystex.

This great medicine, a doctor's formula, has helped thousands of sufferers for over 30 years. Usually the very first dose of Cystex starts to work immediately to help you in these three ways: 1. Helps nature remove irritating excess acids, poisonous wastes and certain germs. 2. This cleansing action helps nature alleviate many pains, aches, soreness and stiffness. 3. Helps reduce frequent night and day calls, thus promoting better sleep. Get Cystex from druggist today. Money back guaranteed unless Cystex satisfies you.

Confessed Slayer Collapses As He Tells Of Murdering Couple

LOS ANGELES, May 19. (AP)—Investigators delved further today into 24-year-old Robert Hansen's story of arguments over money matters as the motive in the slayings of a radio repair shop operator and his wife.

The mutilated bodies of Ralph Dirksen, 40, and his wife, Olga, 35, were found at an isolated desert spot near Mojave Monday by a party of officers led to the scene, 110 miles from here, by Hansen.

Arrested On Sunday

Hansen was arrested Sunday night and booked on suspicion of murder after the partially-burned heads and hands of the couple were found in a small open-pit incinerator behind the radio shop in East Los Angeles.

Sheriff's Inspector Gordon Bowers said Hansen, in an oral statement, confessed that he shot Dirksen and Mrs. Dirksen in the apartment where the three lived shortly before dawn last Friday.

Bowers said Hansen, an employe of Dirksen, told of arguments with the shop operator over money matters. Hansen has denied repeatedly any romantic interest in Mrs. Dirksen, Bowers said.

Some 200 neighbors and spectators cvrowded around the Dirksen home yesterday when the suspect was taken inside under heavy police guard. While there, he sobbed and collapsed.

The Dirksens' three-year-old son, Ralph (Sparky) Dirksen, was taken by Hansen to a nursery after the slayings, police said. The child was found later and made a ward of the juvenile court.

Women Have Trouble With Higher Math

SALT LAKE CITY, May 19 (U.P.)—Carl Swenson, cab driver, sat patiently, while his three feminine passengers "divvied" up the 35-cent fare for the short ride they just had had.

Much computing went into the negotiations. The fare couldn't be split three ways exactly.

But the women nearly made it. Swenson accepted 33 cents — three dimes and three pennies — and two cents worth of Utah state one-mill tax tokens, seven from each of two women and six from the third.

* * *

KILLS TWO AND BURNS BODIES—Robert H. Hansen, left, 24-year-old Los Angeles radio repairman, has admitted to Los Angeles police that he killed his employer, Ralph Dirksen and his wife, Olga, dissected their bodies and burned their heads in an East Los Angeles incinerator. Here a detective works over Hansen after he passed out following the signing of a confession.

TRIPLET CALVES—These triplet calves, all heifers, are faring well despite the loss of their mother, a brown Swiss Jersey and Whiteface, a few days after their birth. The calves are being fed from a bottle by their owner, C. F. Grubbs, who lives between Kaufman and Terrell, Tex.

Widow Of Noted Jockey Receives More Than $8,000 When Fate Smiles On Her

MIAMI, Fla., May 19 (U.P.)—Fate, which brought tragedy into the life of Mrs. Albert Snider last March, smiled on her today.

The widow of one of America's leading jockeys hit a daily double of good fortune yesterday through the loyalty of two pals and the honesty of her negro maid.

First, Mrs. Snider received a $4,170 check from Eddie Arcaro and Warren Wright, jockey and owner respectively of Citation, the horse her husband would have ridden in the Kentucky derby.

Snider was the top jockey for Wright's Calumet farm until last March, when he was lost and presumably drowned while fishing in the Florida keys.

Then last night, the Snider household had its second blessing. A maid who was packing some of Al's clothing found $4,000 in an envelope in one of his shirt pockets. There was also a check for $295.

Mrs. Snider gave the maid $200 for her honesty and banked $8,265 for a very special purpose. The money will be saved to send her six-year-old daughter, Nancy, through college.

Pessimistic Publishers Hear Sour Note

Tin Pan Alley Sings The Blues As Sales Of New Hit Tunes Hit Bottom Of Scale

BY ROBERT MUSEL
United Press Staff Writer

NEW YORK, May 19—Tin Pan alley is not only publishing blues this year—it's singing them, too.

Business is at the bottom of the scale, so to speak. Publishers are pessimistic. They say the chorus of prosperity coming from Washington has a few off-key notes in it.

"People buy music when they are happy," Mark Schreck, whose firm is plugging a yodel-polka called "Toolie Oolie," said.

Money Tighter

"When they stop buying music, they stop only because they are cutting down on luxuries. That's what's happening in this country. Money is getting tighter and songs are selling less. I estimate an almost 50 per cent cut in sales over a year and two years ago."

Arnold Shaw, whose organization is helping spread "Now Is the Hour"—the nation's number 1 hit—said he figured business was off about 30 per cent.

"You hear lots of reasons in the places where music executives gather to commiserate with each other," he said. "Some say the songs aren't as good as the old timers. Some claim Petrillo's recording ban is responsible. Some feel the public can't absorb all the songs being hammered at it.

"But I believe it's definitely economic. People buy songs when they have enough for the necessitites and a little left over. Right now, I guess, the necessities are getting all of it.

Shaw said the top hit song a year or two ago would sell from 75,000 to 1,000,000 copies. This year it is lucky to hit 300,000 copies. "Now Is the Hour" is an exception and has passed 700,000.

"Maybe because it is slightly sad and fits in with the general mood," Shaw ventured.

The proponents of the old-songs-were-better-songs school point to the recent success of such nostalgic standbys as "Heartaches," "I'm Looking Over a Four-Leaf Clover," "I May Be Wrong But I Think You're Wonderful" and others.

"But even these sold much less than they should have," Shaw said. "I guess the wartime money is running out."
