Journal announces Frost is new editor

Scot Stinnett, publisher of the Muleshoe Journal and Bailey County Journal, has announced that Martha Toles Frost is the new editor at the paper.

Joining the staff last week, Frost comes to Muleshoe from the Clovis News Journal where she was a staff writer. She also wrote a column called "The Coyote Howls" for the Quay

County Sun in Tucumcari while she lived on a ranch at San Jon, N.M.

"I enjoy writing feature stories about interesting people and exciting events," she said. "Muleshoe seems to be a place with lots of history and tradition for me to write about."

She said, "The people in Muleshoe and at the Journal have been very friendly and

songs, and Resident Ombudsman David McIntire spoke on "What Is a Volunteer?"

McIntire, who also serves as chaplain, compared volunteers with volunteer tomato plants that come up on their own without coaxing, cultivation, fertilizer or water — lightening the load of the gardener just as volunteers lessen the load of the hospital staff.

He said volunteers get up and go do things for little or no money, while a volunteer hour is actually worth \$11.50.

McIntire said that some volunteers are motivated by

Make Memorial Day a pleasant memory

Memorial Day weekend, the holiday gateway to warm weather driving. For many, it is a time to celebrate the school year's end. Many will remember those who have served to protect and defend our freedoms. Too many will violate the freedom of others, causing needless death and injury on our highways and streets this holiday weekend.

Trooper E. Baiza, Public Information Officer for the Texas Department of Public Safety advises that the Department of Public Safety Troopers and officers of area agencies will be on alert for hazardous violations, such as following too closely, cutting in too close after passing,

Game time moved to 5 p.m. to allow for doubleheader

The Muleshoe Mules will play Graham at 5 p.m. Thursday (May 25) in Snyder in the Class 3A area baseball playoffs, not 7 p.m. as reported in Sunday's Journal.

The game time was moved ahead two hours to allow Snyder officials to host a Class 3A playoff doubleheader on Thursday.

The Mules and Graham will start the action at 5 p.m., with Abilene Wylie and Kermit playing at 8 p.m.

Muleshoe, the District 2-3A champion, reached the area round by whipping Perryton 11-6 in a bi-district game last week. The victory gave the Mules a 20-6 mark for the season.

Graham, the 3-3A runner-up, advanced to the area round with a 2-1 win over 4-3A Boyd.

E. Baiza urges motorists to buckle up, drive with headlights on day or night, and drive alert. As you drive, study your changing scenery for defensive options, should you come upon an errant driver.

E. Baiza states, "If you are going to drink alcoholic beverages, be sure to have a designated driver who will not be consuming alcoholic beverages." The Texas Department

of Public Safety and area agencies ask all motorists to drive safely so this Memorial Day Weekend will be one with pleasant memories.

LHS band celebrates a successful year

Grilled hamburgers, delightful music, and recognition for Lazbuddie musicians was the theme for the Lazbuddie Longhorn band picnic last Monday, May 12. Among the awards presented was the John Phillip Sousa Award earned by Joanna Gallman.

High winds brought the outdoor concert into the auditorium, but the music played by the Longhorn band was still high quality.

The band celebrated another successful year and bid Band Director Teresa Mullen a fond farewell. Mullen has been director at Lazbuddie for the past four years and will be moving back to Canyon to raise a family. The Mullens are expecting their first child in August. As a going away present the band presented Mrs. Mullen with a baby bed.

The prestigious John Phillip Sousa award received by Gallman is an award given to a senior student who exhibits leadership, musical skills and an overall desire to achieve. Joanna Gallman has demonstrated all of these qualities and more. Joanna plays xylophone for the Longhorn band. She received a Division I for her xylophone solo at the District U.I.L. competition

which qualified her for the State U.I.L. competition to be held in Austin the last of May. Joanna was also first chair in the All Region band, first chair ATSSB Region and first chair ATSSB Area Band. She placed eighth in ATSSB State competition.

Eva Jo Alcala and Belynda Waddell were the recipients of the Outstanding Longhorn Bandsman Award.

Eva Jo Alcala was seventh chair in the All Region band and qualified for State U.I.L. Competition with her Division I at Solo and Ensemble contest. Eva Jo plays the flute in the Longhorn band.

Belynda Waddell, an accomplished percussionist, received a Division I at District U.I.L. Solo and Ensemble contest and has also qualified for the State U.I.L. competition. She was third chair in All Region band, second chair in ATSSB Region and second alternate in ATSSB Area. She plays snare drum.

Presented with the Director's Award were two outstanding junior high students, Jason Jesko and Michael Carson. Their names were added to a plaque that remains on display in the band hall.

Juan Reyes, Blanca Pacheco and Dawn Mouser also received recognition for earning a Division I in Solo and Ensemble contest.

Property Tax Protest and Appeal Procedures

50-195 (1-94/2)
(41.70)

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- the value placed on your property
- any exemptions that may apply to you
- the cancellation of an agricultural appraisal
- the taxable status of your property
- the local governments which should be taxing your property
- any action taken by the appraisal district that adversely affected you.

Review by the Appraisal Review Board

If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board (ARB).

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date and place of the hearing. Hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of a protest form from the appraisal district office at 104 E. Ave. C, Muleshoe, TX.

Note: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court

After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision, you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order. If the appraisal district has appraised your property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

More information

You can get more information by contacting your by contacting your appraisal district at Bailey Central Appraisal District, 104 E. Ave. C, Muleshoe, TX 79347, 806-272-5501. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at P.O. Box 13528, Austin, Texas 78711-3528.

Deadline for Filing Protests with the ARB*

Usual Deadline

On or before May 31 (or 30 days after a notice of appraises value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.

Late protests are due the day before the appraisal review board approves records for the year. Contact your appraisal district for more information.

Special Deadlines

For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is before the 30th day after the notice of the determination was mailed to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change didn't result from a protest you filed), the deadline is before the 30th day after the notice of the determination was mailed to you.

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

* The deadline is postponed to the next business day if it falls on a weekend or holiday.

Hospital election declared official

The Board of Directors of Muleshoe Area Hospital District met in regular session Thursday night May 18, at the hospital. The members of the Board canvassed the results of the May 6 general election and special election, and declared the results of the election as official with Joe King assuming Place 1, Tim (Buck) Campbell assuming Place 2, and Bob Finney assuming Place 4

Places 1, 3, and 5 will run for election in May of 1996. Place 1 required a special election this year due to the realignment of voting districts based on the 1990 census as recently approved by the Department of Justice.

Following the election results Richard Murphy, administrator, opened the floor for nominations for election of officers, beginning with chairman. Following nominations from the floor, Buck Campbell was unanimously elected chairman. He assumed that position again, and accepted nominations for secretary and vice-chairman, which were filled by Bob Finney and Derrell Jennings, respectively.

In other business the Board voted to adopt a resolution authorizing the appropriate appraisal districts to tax automobiles within the district for the 1995 taxable year. In addition, the Board appointed to the Medical Staff two certified reg-

istered nurse anesthetists, based on the recommendation of the Medical Staff

Murphy presented a description of recent problems with the computer system in the hospital, and requested permission to advertise for proposals to upgrade the central computer to a larger and faster system because of the growth and expansion that the system has gone through since its purchase in 1989.

Following the Board's discussion of long-range plans for the computer system, the Board authorized Murphy to advertise for bids to enlarge and upgrade the computer system.

Department of Public Safety cautions motorists to watch for children

With the final bell announcing the end of another long school year, comes a special air of excitement. Kids will be going to the parks, swimming pools, movies, and a lot may be playing in or near the streets.

Trooper E. Baiza of the Texas Department of Public Safety wants to remind Texas motorists to help take care of our kids this summer. Be especially watchful for the ones who may be playing on or near streets. Remember, in the excitement of play, kids may do things they shouldn't, such as darting or running into the roadways into the path of your vehicle. Most of our kids have been taught not to do these

things, but it only takes one lapse of memory on a child's part and we may be looking over the hood of our vehicles into their now frightened eyes.

Trooper E. Baiza also states, "There will be a lot of kids on bicycles this summer. Kids should remember the rules of the roadway and should also remember to abide by them. Above all, they should remember that vehicles are a lot larger than they are and when competing for a space in the roadway, a three thousand pound vehicle will always win."

The Department of Public Safety not only wants you to help take care of our children

on the streets and highways, but to help them get involved in constructive things this summer. There are a lot of good things for young people to do if we, as parents, will only look for them.
