CONTESTANTS: Bringing the District Interscholastic League literary first place to McLean Elementary School for the second straight year was this group of students (left to right): Kneeling—Nancy Lowe, Martha Beasley, Tommy White, Leslie

Back, Judy Watson, Mary Hutson and Ronnie McIlroy; standing—Jeri Grogan, Dorothy Beasley, Drew Fuller, Sharon Jones, Teresa Mertel, Mike Haynes and Keith Watson. (McLean News Photo)

Bond Issue Petitions Are Being Circulated in Area

Hospital Plans Are Aired at Meeting

Scores of signatures had already been secured by late Wednesday on petitions requesting a \$150,000 bond issue election to construct a hospital in McLean.

Work on the petitions began Monday night at the close of a town meeting to discuss the proposed construction of a Highland General Branch Hospital here.

A majority of the townspeople at the meeting inked their names to the petitions before leaving the gymnasium, and a specially appointed committee began carrying copies of the election request all over the city Tuesday.

The members of the committee met Tuesday night to receive their area assignments, and most were at work Wednesday.

Cliff Day, committee chairman, said Wednesday that another meeting will be held at 7 p.m. Friday in the city hall, when results are to be reported.

He cautioned that each individual property owner must sign the petition. A man cannot sign for his wife, nor a wife for her husband.

Prevent Protests
Day said every effort will be made to keep the petitions legal, so that no protests later on can cause the petitions to be voided through a technicality.

The assignments include:
Day—The area north of Seventh Street.

S. A. Cousins and Rev. J. B. Stewart—between Sixth and Seventh Streets.

Emory Crockett—from Railroad (See HOSPITAL, Page 2)

LOCAL LIONS ARE BEST IN DISTRICT 2T-1

The McLean Lions Club won first place in the District 2T-1 contest, leading the nearest competitor by more than 100 points.

The contest winner was announced at the district convention held last weekend in Shamrock.

For winning first place, the local club will receive one expense-paid trip to the Lions International convention in Miami Beach, Fla.

The contest was based on club attendance, attendance at zone meetings and the mid-winter conference, monthly reports and the signing of new members.

Individuals Win
McLean club members and their wives also fared well in competition held during the convention.

In the golf tournament, R. D. Back won first place in his flight; E. J. Windon Jr., second in his flight, and Jack Riley, third in his flight.

Cheryl Grimsley, McLean's entry in the sweetheart contest, was ranked among the top six entries.

In the bridge tournament, Mrs. Faris Hess and Mrs. Harvey Taylor won high score, with Mrs. Johnny Haynes and Mrs. Ted Simmons placed third.

Masons Planning Father-Son Night
The annual Father and Son Night will be observed by the Masonic Lodge Friday.

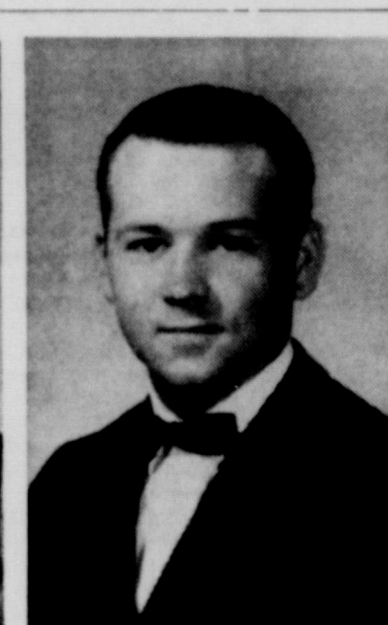

The event is scheduled for 7:30 p.m. in the lodge hall.

All Masons are invited to attend and bring their or someone else's son.

Riley at Meeting
Jack Riley, principal of McLean Grade School, left Tuesday to attend the meeting of Texas elementary school principals in Galveston. He will return this weekend.

LINDA GUILL

DON WOODS

Don Woods Is Salutatorian

Linda Guill Heads MHS Senior Class

A four-year grade average of 93.08 has earned Linda Guill, daughter of Mr. and Mrs. Herbert Guill, valedictory honors among this year's McLean High School graduating class.

Principal Robert L. Green announced this week that Miss Guill and Don Woods, son of Mr. and Mrs. June Woods, are the top students in the class.

Host Family Is Needed Here For Exchange Student

The McLean Lions Club's application for a foreign exchange student must be cancelled unless a host family can be found.

Jim Hathaway, president of the Lions Club, said this week that any McLean family interested in providing a home for the student during the next school term should contact him or any member of a special committee composed of Mrs. S. A. Cousins and Mrs. Bob Ayres.

An application to keep the student had been made by Mr. and Mrs. Miro Pagan, who have since found that they will be unable to offer their home during the coming year.

Hathaway said a new application is needed immediately, or the plans for the 1963-64 school term will have to be abandoned.

The students, placed in various cities across the United States by the American Field Service, will be between the ages of 16 and 18. All will be able to speak English.

Hathaway said the host family should have a student in high school, and be able to provide a private room for the exchange student.

Roach Title Winner In Golf Tournament

J. B. Roach's 67 was low enough to win the String Tournament Sunday afternoon at the McLean golf course.

Roach also teamed up with Charles McCurley for the partnership trophy, on a combined 18-hole total of 143.

Mrs. Dorris Windom shot a score of 40 to win first among the women, with Mrs. Betty Hess finishing second on a score of 46.

The women played nine holes. R. D. Back recorded a score of 70 to place second to Roach in the men's division.

Seven women and 28 men participated in the tournament.

Woods is completing high school with a grade average of 90.24 and is salutatorian of the senior class.

An outstanding band student in addition to her scholastic achievement, Miss Guill is eligible to enter the state band solo and ensemble contests June 11 and 12 in Austin.

Plays French Horn
Playing the French horn, she placed on the All-Regional Band for three years. She is serving as treasurer of the band this year, and is a member of the new Stage Band at McLean High.

Miss Guill has been active in Future Homemakers of America for four years, and is currently president of the local chapter.

She was a manager of the girls basketball team during the past season, and last year won second place in typing in the Interscholastic League. In addition, she placed first in piano solo in 1962. She has taken piano lessons for 8½ years.

The valedictorian was a member of the Future Business Leaders of America chapter here during the 1961-62 school term.

FBLA President
Woods is president of FBLA this year, and also heads the MHS student body as president. He served as president of his junior class and headed the Future Farmers of America Greenhands as a freshman.

A four-year letterman in both football and basketball, Woods was named to the All-District grid team two years and was All-District in basketball this year.

He also was on the local track team three years.

Woods plans to enter Texas A and M College next fall to study (See GUILL, Page 2)

McLean Riding Club May Be Organized

The formation of a McLean Riding Club will be discussed tonight at a meeting in city hall.

Carl Lee Henley, secretary of the Roping Club, said everyone interested in a riding club is invited to the meeting, scheduled for 8 p.m.

Henley said several members of the Roping Club have indicated a desire to form an organization for riders, since it is felt more people would be interested in riding than in roping.

Just Between Us

Have you signed the petition? This should become the salutation of every McLean resident during the next several days, as leg work gets underway on the petition for the \$150,000 hospital bond issue.

It was an enthusiastic group of townspeople, indeed, who turned out Monday night for the hospital discussion meeting.

If you weren't there, we wish you had been.

—JBU—
In the past year or so, we've attended numerous meetings where the proposed hospital for McLean was discussed. And each time we learned at least one thing.

Monday's meeting was no exception.

It was announced there that we could quite possibly have a new hospital here without the need for an increase in taxes.

Many present Monday night felt we'd, we're sure, when this choice bit of information was presented—why, in blazes haven't we approached this thing with such determination before?

—JBU—
People are always a little leary of any promises when a bond issue is involved. Too many times we've been misled about financial matters.

But the county auditor himself (and he certainly knows) has assured our county commissioner, Truitt Johnson, that if the county spending is held to its present level we very well could have our hospital at no added cost.

And get this, too—if an additional levy should prove necessary, it would amount to no more than five cents per \$100 valuation, even if the county commissioners wanted to pay off the \$150,000 bonds in four years.

That five-cent hike, if we heard correctly, would be needed for only two of the four years to turn the trick.

—JBU—
We love McLean, and can think of no other place in the world we had rather live and bring up our family.

But we, like perhaps every person who reads this, have thought time and time again that we all are walking sort of a tightrope.

In an extreme emergency, could we get a member of our family—or ourselves—to a hospital where adequate medical facilities are

(See JBU, Page 2)

City Grade School Students Shine At League Contests

McLean Grade School students made a clean sweep of one contest and won many other places to take first in the District 2-A Interscholastic League competition.

It was the second straight year the local school has nosed out perennial favorite Canadian in the contests, and both trophies won by McLean are now on display in the school's trophy case.

Principal Jack Riley said he felt the students represented the school well and he is proud of the contestants and their coaches.

McLean's three entries in number sense, coached by Mrs. Ruth Morris, were Dorothy Beasley, who placed first; Randy Hess, second, and Ronnie McIlroy, third.

Those students alone accounted for 30 points in the league competition, which was held in McLean.

Placings Listed
Other entries and their placings, with the coaches' names in parentheses, were:

Story telling (Mrs. Bata Boyd): Nancy Lowe, third.

Picture memory (Mrs. Irene Norman)—Leslie Back, Tommy White, Judy Watson, Becky Orrick and Martha Beasley, fourth.

Fifth and sixth grade spelling (Mrs. Lucille Gethings)—Mike Haynes and Jeri Lynn Grogan, third.

Seventh and eighth grade spelling (Mrs. Catherine Weaver)—Randy Hess and Mary Hutson, third.

Ready writing (Mrs. Vera Back)—Keith Watson, second, and Teresa Mertel, fourth.

Boys and girls declamation (Mrs. Back)—Drew Fuller, second, and Sharon Jones, no placing.

Saddle Tickets Are Distributed
Tickets for the saddle to be given away during the annual McLean 66 Roundup Rodeo and Horse Show celebration were distributed Saturday night at a planning meeting.

The tickets will be given to persons making \$1 donations to the rodeo association. The \$225 western saddle will be given away on the last day of the rodeo celebration.

It was decided at Saturday's meeting to hold the next rodeo planning session at 7:30 p.m. on May 4 at city hall.

Neville Back, chairman of the Horse Show, announced that all arrangements have been taken care of for this part of the celebration.

CANCER FUND DRIVE OPENS

The annual Cancer Crusade is now getting underway in McLean, with completion due by the end of April, according to Mrs. Frank Simpson, drive chairman.

Mrs. Simpson said this week that volunteer workers have been given their assignments for the various areas of town.

However, persons not contacted may leave their contributions at the Jane Simpson Agency.

The Gray County goal for the Cancer Crusade is \$5,600. Mrs. Adrian Foster of Pampa is president of the Gray County crusade unit.

April Crusade
April is set aside each year for the month-long Cancer Crusade, which raises funds for the American Cancer Society.

Local volunteers include: S. A. Cousins and Mmes. Cliff Day, James Barker, Earl Riley, Claude Powell, N. H. Touchstone, Jack Shelton, Joe Burroughs, Clyde Magee, Johnnie Mertel, Raymond Glass, R. D. Back, Buck Williams, Lee R. Steele, S. A. Cousins, R. L. Wright.

And G. N. Wade, H. W. Harlan Sr., J. M. Hathaway, James Elliott, Bob Black, Bob Brown, Elton Johnston, George Terry, John C. Haynes, A. R. Clawson, Truitt Stewart, Elmo Whaley, Gene Henley, Bryan Burrows and Doug Groves.

Mother, Children Unhurt in Mishap
Mrs. James Martindale and her two children, Letha Jan and Gib, were unhurt last Friday afternoon when their car turned over twice on a county road southeast of McLean.

The car was demolished in the accident, but the mother and youngsters miraculously escaped injury.

Joe Melvin Dwyer Receives Award
Joe Melvin Dwyer, son of Mrs. John W. Dwyer of McLean, has been presented a certificate of scholastic achievement for the dean's honor list at Texas Tech.

Dwyer was awarded the certificate, which is suitable for framing, for attaining a grade-point of 3.0 or better during the fall semester of the current school term in Tech's School of Agriculture.

'Haul-Away Day'
This is "Clean-up, Paint-up and Fix-up Week" in McLean, and all residents are urged to use this time for their spring clean-up around their homes.

"Haul-Away" Day will be Saturday, when trucks are to be provided for carrying trash and other litter to the dumpgrounds.

Mayor John C. Haynes designated the special week, held annually here, in a proclamation issued last month.

4-H Club to Be Formed Monday

A community 4-H Club will be organized in McLean next Monday at a 7:30 p.m. meeting in the school cafeteria, according to Mrs. Jaunita Channell, assistant home demonstration agent of Gray County, and County Agent Foster Whaley.

Mr. and Mrs. R. T. Wood and Mr. and Mrs. George Saunders have agreed to serve as organizational leaders, and have completed plans for the club in meetings with Mrs. Channell and Whaley.

Boys and girls between the ages of 9 and 21 interested in 4-H Club work may join, Mrs. Channell explained.

There are about 50 different projects the club members may enroll in. Some of the most popular are foods, clothing, bedroom improvement, landscaping, money

management, livestock, poultry, field crops and automotive.

Four 4-H Club members may enroll in one or more projects, depending on their needs and wants.

The goals of 4-H Clubs is to build useful citizens. This can only be done with help and encouragement of the parents of each boy and girl, Mrs. Channell said in urging all parents to "come and support your 4-H Club next Monday evening."

Plans will be made at the session for adult leaders who will be working with club members as subject matter leaders.

Club officers are to be elected. Interest in the club is reported high, and several local adults have agreed to work with the various subject matter groups.

FACTORY FACTS

MARIE FOUNDATIONS REPORT

Number of Employees 270
Production—Bras 2,031½ dozen
Girdles 1,300 dozen

HOSPITAL

(Continued from Page 1)

Mrs. Peggy King and Mrs. Clara Hupp—between Fifth and Sixth Streets.

Mrs. Johnny Haynes—between Fourth and Fifth.

Mrs. Faris Hess—between Second and Third.

Chuck Cooke—between First and Street to First Street.

Truitt Johnson—northeast part of community.

Bob Glenn and Bill West—Floral Addition.

Mrs. J. L. Andrews and Day—southeast part of county.

J. D. Fish—Alamogordo community. Johnny and Sammy Haynes will take "mop-up" assignments. Day said, calling on property owners not contacted on the first call.

Day said efforts will be made to contact every property owner in this area. The petitions will not be left at various businesses, as first planned.

Copies of the petition are also being taken to Pampa and other parts of the county, and a concentrated effort to secure at least 1,000 signatures is planned.

After this number is secured, the petitions will be presented to the Gray County commissioners court for action. At least 10 per cent of the county's property owners must sign the petition to make it valid.

It was explained at Monday night's meeting that passage of a \$150,000 bond issue as proposed may not require an increase in taxes.

County Commissioner Truitt Johnson said the county auditor had informed him such a bond issue could be paid off without added revenue, provided there is no increase in county spending.

If the commissioners chose to pay off the bonds in four years, then the tax rate would need to be increased no more than five cents per \$100 valuation for only two of those four years.

Mayor John C. Haynes presided at the town meeting, and City Attorney Don Lane read an explanation of the reasons for the proposed bond issue. Copies of the explanation are attached to each of the petitions.

Haynes, in answer to a question, said that the hospital in McLean would be operated as a branch of Highland General Hospital in Pampa.

As now planned, it would contain 24 beds and have operating room facilities. The new portion would be two-story, adjoining the present McLean Clinic on the north.

It has been estimated that at least 40 employees would be required to operate the hospital.

GUILL

(Continued from Page 1)

pre-law.

Honor Students
Principal Green this week also announced the list of full-year honor students at McLean High. Included are all students who made an overall average of 92 or higher, with no grade below 85.

Green pointed out that all except three of the students carry a full load of five subjects. The remaining three have four subjects each.

The honor students are:
Freshmen — Linda Evans and Martina Giesler.

Sophomores—Ronnie Hunt, Harry Tate, Elaine Baker and Linda Tindall.

Juniors — Joyce Beasley and Janice Saunders.

Seniors—Linda Guill.

2 FBLA Members On Contest Team

Two members of the McLean Future Business Leaders of America chapter will be on the Texas parliamentary procedure team at the national FBLA convention June 9-11 in Dallas.

Mrs. Mary Tom Riley, chapter sponsor, said Don Woods and Glenn Swift will be members of the state entry in the parliamentary procedure team contest.

Youth Fellowship Attends Meeting

Members of the Methodist Youth Fellowship attended a district meeting at the First Methodist Church in Pampa Saturday evening.

Mrs. Charlie Vineyard, sponsor of the local organization, accompanied Jim McCarty, Marilyn Magee, Eddy J. Windom and Toni Mertel to the meeting.

McCarty was elected district chairman of citizenship and Miss Magee was elected district secretary during the business session.

SPEAKING OF CARDS

"HE CERTAINLY KNOWS HOW TO ATTRACT A CROWD."

Month of April Almost Rainless

It remains rainless in McLean, and unless moisture comes soon the month of April will end up unusually dry.

Only .07 inch of rain has fallen during the month, and the total for the year stands at 2.31 inches.

On this same date in 1962 the city had received 1.30. However, a late April rain shot the total to well over three inches.

Temperatures were mild for most of the past week, reaching to a high of 92 on Sunday, then dropping down to the 60s and 70s. Low reading was 41, which occurred on Tuesday.

THE WEATHER			
	High	Low	Precip.
Thursday	84	62	
Friday	78	43	
Saturday	86	50	
Sunday	92	51	
Monday	91	61	
Tuesday	69	41	
Wednesday	78	45	

McLean Students Entering Contests

This is another week of competition for McLean school students, as various contests draw the 1962-63 term nearer to a close.

Wednesday, the McLean Tiger Band, accompanied by Director Jim Boyd, went to Canyon for concert and sight-reading contests.

Today, six students are in Canyon for history competition. They were accompanied by Jerry Day.

Derrith Welch and Joyce Beasley were to enter the American history contest. Entered in the world history division were Ronnie Hunt, Rusty Simmons, Linda Tindall and Harry Tate.

The local students competed against representatives from the entire Texas Panhandle.

The district volleyball tournament for junior high and high school will be held Saturday at Clarendon.

Accompanying the McLean entries will be John Ramp, junior high school coach, and Lloyd Hunt, assistant high school coach.

Brotherhood Meet Set at Mobetie

An Associational Brotherhood meeting will be held at the First Baptist Church in Mobetie this evening, starting at 8 p.m. Theme of the meeting will be "Royal Ambassadors."

In charge of the program will be James C. Carroll of Sunray, district Royal Ambassador chairman. Appearing with him will be Royal Ambassador members of his church who will talk on "Achievements and Rank of the Royal Ambassadors."

Oscar Dieringer of Shamrock, Royal Ambassador chairman of the North Fork Association, urges all Brotherhood members to attend the meeting, bringing with them their sons or other boys who are eligible for RA membership.

Boyd Elected To Nominating Group For Canadian PCA

CANADIAN—(Special)—Wilson W. (Slick) Boyd of McLean has been elected to the 1963-64 nominating committee for the Canadian Production Credit Association.

The committee was chosen at the 29th annual stockholders meeting of the association Tuesday in Canadian.

At Tuesday's session, Wallace N. Hamker of Booker and C. B. Henderson of Wheeler were re-elected to the Canadian PCA's board of directors.

A large crowd of stockholders and guests from across the home-owned and operated association's six-county area attended the business meeting and barbecue luncheon at the city auditorium here.

Holdover directors are President H. H. Keahy of White Deer; Hugh F. Parsel and Dale Nix, Canadian, and M. Lawrence Ellzey, Perryton.

In other business activities, Henderson made a report for the board of directors. General Manager E. L. Crowell, in his financial report, said the association had a total loan volume in 1962 of more than \$7 million.

The Canadian PCA is owned and operated in its entirety by 500 farmers and ranchers in Ochiltree, Lipscomb, Roberts, Hemphill, Gray and Wheeler Counties. Offices are operated in Canadian, Wheeler, Pampa and Perryton.

Our blunders mostly come from letting our wish interpret our duty.

JBU

SOUTHWESTERN BELL

Exams Scheduled For CG Academy

WASHINGTON, D. C.—(Special)—Congressman Walter Rogers of Pampa has announced that competitive examinations for entrance to the U. S. Coast Guard Academy will be held in Amarillo, Pampa, Childress, Dalhart and Perryton on Dec. 7, 1963, and in more than 1,000 other U. S. cities.

Congressman Rogers said the four-year course leads to a commission as a career officer in America's oldest continuous seagoing Armed Service and a bachelor of science degree.

A candidate for the next examination for the Coast Guard Academy must be single, must have reached his 17th but not his 22nd birthday by July 1, 1964, and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30, 1964, are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two in algebra, and one in plane geometry by graduation.

Mrs. Roy Blackman of Clarendon was in McLean on business Wednesday and visited with her sister, Mrs. Lena Pettit.

Visiting in the George Orrick home recently were her sisters and families, Mr. and Mrs. Johnny Brown and children of Pampa and Mr. and Mrs. J. J. Reese of Navajo, Ariz.

Personals

Henry Rosson is to be dismissed April 29 from the M. D. Anderson Hospital in Houston, following surgery, it was learned here this week.

Mr. and Mrs. Harvey Hudgins spent the Easter weekend in Dallas.

Mr. and Mrs. A. G. Kesterson and children, Toni, Mary Ruth and John, moved to McLean from Enid, Okla., last Friday. Mrs. Kesterson is the daughter of Mr. and Mrs. Elmo Whaley.

Mr. and Mrs. Leo Gibson have returned home from a three-week vacation in South Texas.

Mrs. Vesta Rice of Clayton, N. M., is visiting in the home of her niece, Mrs. Archie Farren.

Jess McCallister of California spent three days last week with Mr. and Mrs. P. L. Ledgerwood.

BIRTHDAYS

April 28—Mrs. Wayne Parker.
April 29—Mrs. Willie Lamb, Jackie Lee Hill.

April 30—Mrs. Luke Graham, Mrs. James Smith, Earl Moore, James Patrick Graham, Lloyd Skipper, Floyd Skipper, Wayne Scales.
May 1—Earl Stubblefield, Sandra Baker, DeWayne Patton, J. B. Waldrop.

May 2—Emme Grigsby.
May 3—Mrs. Newt Barker, Mrs. Sammy Haynes, Dorothy Frances Dorsey.

May 4—Marilyn Magee, Bill Goldston, Vernon Kennedy.

Vick Back, who underwent surgery in Northwest Texas Hospital in Amarillo two weeks ago, is out of the hospital and doing fine. He is visiting with his brother and his wife, Mr. and Mrs. Johnnie Back, at Borger this week.

Mrs. Ruby Lewis, Nancy and George Lewis of Oklahoma City spent the weekend with Dora Sanders, Alice Short Smith and Richard Lewis. They all made a business trip to Amarillo Saturday.

Mrs. G. W. Pearson and Miss Doshia Kelly spent Thursday and Thursday night in Lubbock with Misses Betty and Mary Pearson. They all went to El Paso Friday to visit their daughter and sister, Mrs. A. G. Taylor, and family. Little Misses April, Kathy and Betty Taylor came home with them Sunday for a three-weeks' visit.

Mr. and Mrs. T. A. Langham left Tuesday for a visit with relatives at Water Valley, Miss.

BIRTHDAY DINNER

A birthday dinner was given Sunday in the home of Mr. and Mrs. D. E. Holloway honoring his father, J. O. Holloway, on his 84th birthday. Others present were Mrs. J. O. Holloway, another son and his family, Mr. and Mrs. P. O. Holloway and children, and Marie Jones and daughter, Deborah.

Mrs. Clate Peabody and Mrs. J. B. Roach visited Mrs. Guy Hester and daughter in Highland General Hospital Monday morning.

Guests during the weekend in the Raymond Glass home were Mr. and Mrs. Ronay Howard and children of Clovis, N. M., Mr. and Mrs. Joe Bob Barnhill and children of Turkey and Mrs. Joe Back and daughter, Lorne, of Carter, Okla. Mrs. Howard and children and Leslie Barnhill remained for a week's visit with the Glass family and in the Edwin Howard home.

J. W. Meacham and John Haynes were in Amarillo on business Tuesday.

Mrs. Frank Mote was able to return home from Groom Hospital last Saturday. She is feeling much better.

A policeman burst into the room, gun in hand, where Billy was practicing his piano lesson. "Where are they?" shouted the officer. "Where are who?" said the startled Billy. "Those guys Liszt and Chopin. Someone telephoned headquarters and said they were being murdered in here."

Regular checkups and the proper gas and oil—the kind you get at our station—might keep your auto from "murdering" someone on the highways or streets. Why not come in today and let us take care of it.

BLOWIN' Out the CORNERS

by Uncle Zeb

Once upon a time there was a little nation that owed little or no debts. It had low taxes and rendered little or no services for the people — especially anything which they should do for themselves. This little nation was proud of its boundaries and would dare any foreign aggressive power to land thereon. It had this same respect for the lands of other peoples. The people were proud to be free and would drop any work to defend their right to stay that way. This little nation never promised its people a bed of roses, or any of the cradle-to-the-grave make-believe security. The country was strong even though small, and the people were courageous and above all else, free. The people wished to live and let live with the other people in the world. This plan worked fine for a long time.

Finally the little country became a big nation and decided that they should have a big government. They decided that the great new concept in government should do big things for its people. They agreed to higher taxes and fewer freedoms in exchange for more security and a planned economy for their life. They decided that if they were to pass this great government on to their children that it would be alright for the children to also pay for its cost. This great nation decided to help all the other nations of the world plan a better world for their people. They felt that a great nation such as this should do most of the fighting for the whole world and pay the cost of most wars. When the government became bigger it became necessary to remodel the very foundation which had made it great. Now it seems that the country won't stop teetering long enough to settle down on its foundation. It seems too top heavy to ever set solid on the foundation again. It seems such a shame for all this to happen just because this little nation got too big for its foundation.

"We believe that the Holy Scriptures in their entirety, both Old and New Testaments, are the inspired Word of God; that this divine inspiration was given in such a way as to furnish us with an absolutely infallible and authoritative Bible as a rule of faith and practice."

The above is the first plank in a 10-point doctrinal platform of Faith City Mission, and is the foundation of all the other points. Faith City Mission in Amarillo is one of three, all founded by Dick and Bee Hogan, a pastor and wife combination. Dedicated first of all to the bringing of lost souls to a closer walk with Christ, it is here also that the down and out find food, clothing and guidance just for the seeking. They believe as workers that to be down doesn't

mean that one is out, and that with help many will be made to look up. The other two missions are at Wichita Falls and Lubbock. The page one columnist of the Wichita Falls paper said recently that there were just about three organizations that he would boost in his column and that Faith City Missions were one of those. We feel about the same way. If you should desire more information, or wish a part in this work, write to Box 804, Amarillo, Texas. Just say Uncle Zeb asked you to.

Hear on the radio . . . There are two kinds of folks: those who take, and those who have "been took." We hate to agree, but in this push and shove, dog eat dog, and the devil take the hindmost world of ours it almost seems to be true.

The hill country was thinly settled, and houses were sometimes miles apart. It wasn't that neighbors couldn't get together and talk to each other, but the real problem was in finding someone to talk about.

Whether we travel far in life or not, we all have to start from our own front door.

"Civilization is where a man will pay a quarter to park his car in order to avoid a one dollar fine while he is spending a dime for a nickel cup of coffee."

We heard of the city editor who came out with this glaring headline on his paper: "Half of the City Council Are Crooks." A full and complete retraction was demanded of the editor, and he came out with this headline: "Half of the City Council Are Not Crooks."

4-H'S RESIDENCE
Today's 4-H Club members come from three areas: 51 per cent from farm homes; 29 per cent from rural but non-farm homes; and 20 per cent of the membership reside in urban and suburban homes.

Whenever you find that you are on the side of the majority, it is time to reform.—Mark Twain

New Arrivals

Amber Ruth, an 8 pound and 1 ounce daughter, was born to Mr. and Mrs. Guy Hester on Saturday, April 20, in Highland General Hospital in Pampa. Grandparents are Mr. and Mrs. G. F. Morris of Pampa, and Mrs. Mary Clark of Ralston, Okla., is the great grandmother.

Mr. and Mrs. Earston Adams of Perryton announce the birth of a daughter on April 8. She has been named Vonda Kay. Grandparents are Mrs. Hester Adams and Mr. and Mrs. Ben Jones of McLean. Great grandparents are Mr. and Mrs. J. M. Tidwell of

Hedley.

Mr. and Mrs. Keith Goodman of Lubbock are the proud parents of a baby girl born on April 12. She has been named Susan Rae. Grandparents are Mr. and Mrs. Lawrence Hauck and Mr. and Mrs. C. O. Goodman, all of McLean. Great grandparents are Mrs. Ida Whitt of Clarendon and Mrs. Edna Hauck of Corpus Christi.

Few things are harder to put up with than the annoyance of a good example.—Mark Twain

"Your Satisfaction Is Our Best Advertising"

★ ★ Retired couple enjoy modern Electric Heating in 900 sq. foot home!

"I like my electric heating because it holds the same even temperature — even at night", says Mrs. Q. L. Hames of Crosbyton. Mr. Hames, a retired contractor, converted his woodworking shop into a fine home of 900 square feet. He added storm doors and windows as well as insulation to bring his home up to modern standards installing electric heating at the same time. The Hames moved into their home in December of 1959 and the joy of electric comfort heating has been theirs every winter since then.

MRS. Q. L. HAMES

There's an electric heating dealer who can install electric comfort heating in your home. For the name of the dealer nearest you — ask your Public Service manager.

A new, low electric heating rate is available for heating your home electrically — your Public Service manager has the facts.

News From ALAN REED

By MRS. CECIL CARTER

Mr. and Mrs. G. L. Simmons are the proud parents of a 7 pound and 10 ounce son, born April 23 at 12:14 p.m. He has been named Brett George. Maternal grandmother is Mrs. Carrie Edwards of Shamrock. Paternal grandmother is Mrs. Ada Simmons and great grandmother is Mrs. Alice Newton of McLean.

Mrs. Ernest Foshee, George Smith, Bob Richards, Warner Phillips and Jerry Tarr were hostesses Friday night to a pink and blue shower in honor of Mrs. G. L. Simmons. The affair was held in the Alan Reed gymnasium.

Lovely refreshments of cake, punch and coffee were served and the honoree was the recipient of many lovely gifts. There were about 20 present for the party.

Mr. and Mrs. Marvin Hall were in Pampa on business Monday. LeWayne Foshee was very ill this week, but is some better at this time.

Mr. and Mrs. Voyne Griffin of Pampa visited here Sunday. Guests in the E. R. Sherrod home Sunday were Howard Jones Jr. and Mr. and Mrs. S. T. Greenwood.

Mr. and Mrs. Paul Averitt spent last week in Friona with his parents.

Mr. and Mrs. Cecil Carter were in Pampa on business Thursday. Mr. and Mrs. J. D. Harrison have bought the D. L. Hall home in Alan Reed.

The Floyd Woodruff family has returned to their home here from Burnett, where they have been for several months.

Several children were out of school this past week on account of the mumps and measles. Tom McKay of Amarillo was here on business Saturday.

Mr. and Mrs. Jack Standish and Sheila were in Pampa on business Friday.

Mr. and Mrs. F. E. Rogers made a business trip to Pampa Monday. Dean Anderson was ill with the mumps this past week.

The young people of the First Baptist Church brought the attendance banner back with them from the Crusaders for Christ rally at Bethel last week.

Mr. and Mrs. J. D. Harrison and Jeanie and Linda Hill were in Pampa Saturday.

The Albert Yakes have sold their farm in the Whitefish community and plan to move into town.

Mr. and Mrs. George Smith visited in Pampa Monday evening in Highland General Hospital with Mrs. J. D. Fish and Mrs. G. L. Simmons.

Mr. and Mrs. F. B. Carter visited Sunday with the M. C. Burdette.

Barney Pool has returned home after two weeks in Perris, Calif., where he visited with relatives and friends. On his return trip he visited his sister, Mrs. Don Lancaster, and her husband at Artesia, N. M.

CARD OF THANKS

Our special thanks to all our friends and neighbors, Minister Jay Channell and choir members for all that was done for the family of Louis Dillard Morris during his illness and after his death.

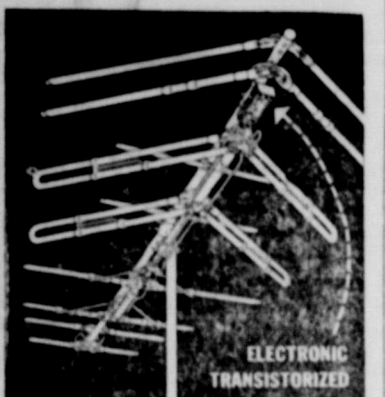

We appreciate the cards, telephone calls, visits, the food brought in and the beautiful flowers. We sincerely appreciate every act of kindness and pray that God will bless each of you.

The family of Louis Dillard Morris

Guests last week of Mrs. R. N. Ashby and Mr. and Mrs. Homer Wilson were Mrs. Ashby's sister, Mrs. Eubie Grise of Oklahoma City; her son and his wife, Mr. and Mrs. Carl Ashby of Ft. Smith, Ark.; another son and his wife, Mr. and Mrs. Paul Ashby, and a grandson and his family, Mr. and Mrs. Gene Ashby and daughter, all of Amarillo.

Good Old Days?

Remember the days when you cranked a car to start it on a cold morning? Ever stop to think that there's a whole generation of children growing up who will never have this fascinating experience?

Nowadays, all you do is push a button or turn the key... no art or skill required. But you do have to make sure that your battery is in good shape. Because at low winter temperatures, your battery may have only 40% of its normal starting power! If your battery is unreliable, let your Phillips 66 Dealer install a brand-new dependable Trop-Artic® Battery with Silver Cobalt plated grids for extra resistance to corrosion and overcharge... your best insurance against getting stuck some winter morning!

See us for complete battery service. Drive in at any station displaying the Phillips 66 Shield.

Down Memory Lane

10 Years Ago

The Men's Club of the McLean Methodist Church met Wednesday night in the church recreation hall for the regular monthly meeting.

A covered dish dinner was enjoyed, following which President Sammy Haynes presided at the business meeting. After the meeting was adjourned the men stayed for games and fellowship.

Present were J. A. Sparks, J. L. Hess, Sammy Haynes, Lester Campbell, James Clift, E. J. Lander, S. A. Cousins, J. L. Andrews, Cliff Day, C. S. Rice, J. E. Kirby, Thomas Bailey, John C. Haynes, John M. Haynes, Johnny Hutchison, Bill Day, Spencer Sitter, Faris Hess, Amos Thacker, Charles Cousins, Cicero Turpen, Homer Wilson, W. E. Bogan, E. J. Connor, Wilson Boyd, W. R. Ferguson, Rev. C. W. Parmenter, J. H. Kritzler, Jimmy Dawson and Buddy Sutton.

ing for a social and handkerchief shower honoring Mr. and Mrs. A. B. Christian, who are leaving soon.

After playing 42, ice cream and cookies were served to the following: Messrs. and Mmes. T. H. Andrews, Neg. Clark, J. L. Andrews, A. B. Christian, R. S. Watkins, Johnnie Biggers, R. N. McMahan, Bill Boyd, Homer Abbott, W. L. Hancock, Leroy Williams, Cleo Davis, Everett Watson and Frank Reeves.

Mesdames Walter Simmons, Van Huss, Neal McBroom; Misses Betty Jo Andrews, Betty Davis, Nadine Boyd, Mary Joyce McMahan, Faith Hancock, Norma Watson, Yvonne Clark, Naomi Hancock, Bernice McAdams, Opal Reeves; Messrs. Jim Corbin, Hosea Biggers, Lee VanHuss, Mabry McMahan, Donald Davis, Arthur Boyd, Dickie Everett, Duane Christian, Bobby McMahan, Joe Reeves, Petie Everett and a number of small children.

40 Years Ago

The final elimination contest in declamation was held last Friday evening at the high school auditorium. There were 20 speakers in the contest. After the votes were counted, the following winners were announced:

Junior boys—Lloyd Hunt, first; Roland Windo, second. Junior girls, Beatrice Cash, first; Lorene Sparks, second; senior boys, Vernon Rice, first; Emory Crockett, second. Senior girls, Gladys Holloway, first; Fern Upham second. H. B. Hill, J. B. Clark and Rev. J. E. McCurkin, all of Shamrock, acted as judges.

After the decisions were announced, Supt. Cain asked the patrons of the school to remain for a few minutes to discuss matters pertaining to the Interscholastic Meet.

A message reached E. R. Ayres, construction engineer, Thursday at noon that the big Diesel engines for the McLean water and light plant were out of El Reno, en route to McLean.

With the arrival of the engines, the work will be rushed to completion and it will only be a matter of a few weeks until our plant will be in full operation.

Married, Tuesday evening, April 17, at the residence of Rev. S. R. Jones, Nazarene pastor, Mr. W. T. Bledsoe and Miss Ethel Roe.

The bride is a daughter of Mr. and Mrs. S. J. Roe of McLean, and Mr. Bledsoe came from Tennessee, where the young couple will make their future home.

20 Years Ago

Miss Odessa Kunkel of Pampa and Mr. C. T. Chapman of Fort Worth were married April 5 at the home of Rev. J. M. Dickey, pastor of the First Baptist Church of Grand Prairie. Attendants were Mr. and Mrs. Thomas H. Knight, sister and brother-in-law of the groom. The single-ring ceremony was used.

The bride wore a navy blue suit with pink accessories and a corsage of pink roses. She is a daughter of Mrs. H. M. Kunkel of McLean and a graduate of McLean High School. She has been employed at Cretney Drug Store at Pampa for some time.

The groom is a son of Mr. and Mrs. A. Chapman of Grand Prairie. He was formerly employed in the office of the Magnolia Petroleum Co. in Pampa, but is now with the Commercial Standard Insurance Co. of Fort Worth.

Forty-three members of the McLean Community Chamber of Commerce met Tuesday night at the Odd Fellows Hall to discuss the proposition of an ice plant for McLean. The ice plant committee reported that a plant could be built by the city if the council would issue warrants to pay for it. Such warrants would not mean any greater taxes on the people, but could be paid out of the earnings of the plant. It was decided that a five ton plant for the present would take care of the needs of our people, and another unit could be added at any time it was needed.

It is understood that the city council is at work on the matter, and a plant will probably be in operation within the next 60 days.

A group of friends and neighbors gathered at the home of Mr. and Mrs. Boyd Reeves Tuesday evening.

Firetruck Donations Reaching \$1,245 Total

More contributions for the new McLean firetruck were reported this week by Fire Chief Boyd Meador.

The latest donations to the department, totaling \$295, bring to \$1,245 the amount contributed to date toward the purchase of the truck, which is used to fight fires in McLean and in rural areas.

At the time the truck was purchased last year, fire department funds lacked some \$2,000 paying the full amount. A loan was secured to pay the \$2,000, and contributions since then have helped to retire the note.

Latest contributors include: Leroy Williams, \$25; J. O. Coleman, \$25; K. S. Rippey, \$10; E. T. Eustace, \$15; A. E. Carpenter, \$15; John M. Archer and Wallace Fields, \$45; Leslie Darsey, \$15; Mrs. Edna H. Darsey, \$25; Mrs. C. C. Griffin, \$50; Shelton Nash, \$20; Mr. and Mrs. L. H. Earthman, \$50.

Firemen answered one alarm the past week, that coming Sunday night.

A passing train set eight to 10 small grass fires on the railroad right-of-way from the city to some three miles east, and it took firemen about two hours to extinguish all of them.

Christie Will Mail Screwworm Suspects

McLean area farmers and ranchers who find suspected screwworms among their livestock are being asked to contact Nelson Christie, high school vocational agriculture teacher.

Christie says he has containers used for mailing the specimens to the testing laboratory.

WASHINGTON AND "SMALL BUSINESS"

It is most interesting that disclosure has been made that West Germany has backed \$400,000 to a shush fund to sell West Germany to the American people, and primarily to the U.S. government. This fund is subscribed to by German industrialists and the German government. A New York public relations firm is handling the campaign.

Perhaps Khrushchev is one of the smartest "con" men ever born. In America he takes off a shice and pounce the table, setting up an image as something of a bluff. Yet, he obviously knows the score.

He knows, for example, that Hitler had an easy time of controlling all Germany when he commandeered Krupp.

Now Krushchev has not ordered the Berlin Wall torn down and turned his back on the German problem. His blueprint calls for the eventual communizing of all Germany. Thus, he has no compunction against letting the communist nations under his control add to Krupp's economic power.

Because he knows, no matter how many demonstrations people make at the Berlin Wall against his regime, human flesh and spirit cannot prevail against monopolized power.

Thus, the Krupp monopoly is his ace in the hole. He knows, then whenever the time is right seizure of Krupp will deliver him Germany lock, stock and barrel, plus all the improvements made through millions of dollars of American foreign give away.

For 150 years, through German triumphs and defeats, the Krupp monopoly has grown greater and greater while slaughter has also grown greater. Krushchev knows, also, that once lax enforcement of the U.S. anti trust laws permits further concentration of U.S. economic power into monopoly complexes, time will then be ripe to "bury American capitalism."

Now Krupp is doing a \$50 million a year business with countries behind the Iron Curtain, despite the Berlin Wall. It is being done with the encouragement of the West German government. It is also a matter of record that Alfred Krupp and Nikita Khrushchev have in the recent past met and exchanged cordial amenities, even though at one time the National Federation of Independent Business.

Last Rites Held

Funeral services for James Otha Hays were conducted April 18 at 2 p.m. at the Methodist Church in Allison with Rev. Robert Ely, pastor of the Wheeler Methodist Church, officiating.

Mr. Hays was born at Sedalia, Mo., March 29, 1880, and died at Shamrock on April 16, after a lingering illness.

In active life, Mr. Hays had been a railroad employee and a merchant. He was a member of the Methodist Church.

In January, 1901, he was married to Minnie Bell McKay at Rogers, Ark. They moved to Allison from Hunt County, Texas, and had resided in the Allison community for the past 35 years.

Survivors include one son, Leon of Allison; three daughters, Mrs. Newassa Evans, Allison, Miss Edith Hays, McLean, and Mrs. Lillian Stewart, Tulsa, Okla.; one sister, Mrs. Audra Cameron, Lubbock; one

For James Hays

brother, Arthur Hays, Gilmer; six grandchildren and eight great grandchildren.

He was preceded in death by his wife, one brother and three sisters.

Interment was in the Zybach Cemetery.

GRASS IS IMPORTANT MANUFACTURING PLANT

What Does It Produce?

A grass plant produces proteins, carbohydrates and fats. These three products are used for livestock production and for maintaining the grass plant. Grass is considered the rancher's crop and his livestock are a means of harvesting this crop. A grass plant, like any

GAS LEAKS

By GRANPA TUTTLE

I got a friend who is a Deakon, and he thinks that no joke aint funnie, unless he tells it himself. Last week I saw a piece nailed up on a wall of a mans office, and I thot it was real funnie. I tuk it to Miz Mamie to tipe up reel nice, and here it is.

Notice to Employees

Nobody objects to a man taking a breacer in the morning, and you can't criticize a man for taking a good eye opener about ten o'clock. This helps get off dead center. About noon a man ought to have a glass of wine or two with his lunch and a little liquor after lunch. During the afternoon, no one will be blamed for having a few bottles of beer, to keep him healthy or at least happy.

In the evenings a fellow is entitled to drink a reasonable amount with a friend, and have one good one to go home on. At night it is OK to have a good one for a night cap. But this darn thing of SIP SIP SIP SIP, all day long HAS GOT TO STOP.

Well th Deakon read it, and he didnt smile a bit, just said tsd tsd tsd, how sinful. Now I have heard that Deakon laugh about a joke, about a man gettin hung.

The Deak then tried to start a left handed talk on a nobbel subject. He said, Brother Tut, we should talk about big things, like what do you think of Red China? Well I says, Deak, I think Red China would be ok, if you used it on yeller table cloth.

He got huffy, and said he had to go home, I hope he dont git so mad he wont come back, I shore would miss hecklin him.

CARD OF THANKS

I want to thank everyone who remembered me with the pretty flowers and the many nice cards during my recent stay in the hospital.

Vick Baer

Mr. and Mrs. Harlon Pool Jr. and David, Mr. and Mrs. Don Lancaster of Artesia, N. M., visited with Mr. Pool's mother and sister, Mrs. Barney Pool and Mr. and Mrs. Kenneth Roscoe, in Shamrock on Easter Sunday.

other manufacturing plant, will produce according to the way it is managed.

How Does a Grass Plant Function?

The picture above shows blue gramma plants from three different pastures under different management. Grass roots carry water and minerals to the leaves and stems where proteins, carbohydrates and fats are manufactured. The blue gramma plant on the right has only a short root system and three or four live shoots left. It is operating far below its potential capacity. Since roots live off the food that is manufactured in the leaves, the more leaf growth we have the more roots we have for supplying water and minerals to the leaves. The blue gramma plants on the left are operating at full capacity. The following is a way to remember how grass plants function: "As the leaves go, so go the roots, and as the leaves grow, so grow the roots."

How to Maintain Grass Plant —

Blue gramma plant in the middle has been properly grazed. Approximately half of the top growth has been left to assure an adequate root system, and enough top growth left to protect the soil and help store water in the soil. The grass plant on the left has been continuously close grazed. Deferred grazing will allow this grass plant to produce a longer and heavier root system, and increase the crown width. The grass plant on the left has not been grazed in three years and it has a heavy root system and top growth. A grass plant can be maintained in productive state by leaving approximately half of the current year's growth. It takes grass to produce grass.

The days come and go like muffled and veiled figures sent from a distant friendly party; but if they say nothing, and if we do not use the gifts they bring, they carry them as silently away.—Ralph Waldo Emerson

COME IN PLEASE DRIVE OUT PLEASED

6 Persons Injured

The Highway Patrol investigated nine rural accidents in Gray County during the month of March, according to Sgt. J. W. Wilson, patrol supervisor of this area.

These wrecks accounted for six persons injured and an estimated property damage of \$6,910.

The rural traffic accident summary for Gray County from January through March of 1963 shows a total of 32 crashes resulting in three persons killed, 18 persons injured and an estimated property damage of \$42,285.

Each year, with the coming of April, it seems natural for motorists to want to get back out on the highway and enjoy the invigorating atmosphere and colorful countryside.

Many of these motorists are apt to forget that increased violations of traffic laws play a vital role in the annual traffic accident toll.

Mrs. Edna Roberts of Mt. Pleasant, Ark., spent last week with her brother and his wife, Mr. and Mrs. Ross Collier. This was the first time Collier and his sister had seen each other in six years.

Cheerfulness, like spring, opens all the blossoms of the inward man.

ARE PAYMENTS FOR LAND CONSERVATION SUBSIDIES?

Many times farmers and ranchers are criticized for accepting cost-share payments for carrying out conservation practices and many think that the farmers and ranchers are getting rich out of these cost-share payments.

Actually, the farmers and ranchers have to stand their part of the cost in carrying out the various conservation practices.

Who benefits from the conservation practices that are cost-shared on? Many of the conservation practices are not carried out to increase yields, but are carried out to prevent further damage to our remaining soil.

Everyone benefits from conservation practices carried out by our farmers and ranchers and cost-shared by the federal government.

ADVERTISING Benefits YOU!

This generation and generations to come will benefit from money invested in permanent conservation by farmers, ranchers and the government.

In 1950 our population was 151,000,000 and 180,000,000 in 1960. At this rate it has been estimated that the population will be 260,000,000 in 1980 and 385,000,000 in 2000.

It is highly important that our remaining land be protected from further erosion.

If money invested in conservation by the government is a subsidy, then everyone benefits from this subsidy. If countries like India, Spain, Greece and China had practiced good conservation hundreds of years ago, they would not have millions of people on a starvation diet today.

There are millions of acres of land that have been completely destroyed by erosion. Had you rather live in a country of plenty, or a country of want?

It is high time we started congratulating our farmers and ranchers for doing an outstanding job of conserving our most precious heritage, the soil.
