Volume No. XXVIII | PORTALES, NEW MEXICO, THURSDAY SEPT. 4TH, 1930 | NUMBER 45

Sheriff Brings Prisoners Back For Re-Sentence

Tuesday afternoon, Sheriff Jernigan and deputies, Jack Howard, Murl Wallace and Henry Murphy, returned from Santa Fe, where they received Chas. Chambers, Bob Ship, Robt. Ward and Geo. Harrison from the warden of the state penitentary, to bring them back to Roosevelt County, ior re-sentence under the habitual criminal law.

In the District Court these had received sentences ranging around two years, but upon examination of the prison records the warden found that each of these had been convicted and served sentences of from three to more terms pervious to the last conviction.

Under the New Mexic Habitual Criminal Law, which was passed by the last legislature, the fourth sentence carries life time sentence.

Upon receiving notice from the warden to this effect, Judge Patton ordered them brought back to Roosevelt County for re-sentence under this law.

Boyce Confectionery Changes Its Name

A new sign in front of the old Boyce Confectionery, announces to the public that the name has been changed to that of the Howard Confectionery.

Several months ago J. T. Howard, recently of Amarillo purchased the Boyce Confectionery, and has had charge of it since that time.

It first it was run under the old name, but now it has been changed and is running under the name of the Howard Confectionery

Mr. and Mrs. Howard have made mnay improvements have been added and it is now one one of the attractive refreshments places of Portales.

Looses Arm In Auto Wreck

Mr. Edwards an employee of the Portales Motor Company had his left arm crushed in a car accident last Thursday night which made it necessary to amputate the arm Sunday.

Mr. Edwards and J. H. B. Young were riding in the two passenger car with Mr. Edwards doing the driving. He had his arm lying upon the top of the door, which had the glass rolled down, when a heavy trucy swept down the side of the car tearing of fthe fender and breaking Mr. Edward's arm in six places. He was taken to the hospital in Clovis and after a vain effort to save the arm it was amputated about noon Sunday.

Mr. Edwards, at the time this article is being written, is in a rather serious condition, but with the care the doctors feel he will recover and be able to return home within a short time.

In Interest Of Portales-Lubbock Elida Highway

Tuesday, Ge. Lanse of Morton, Texas appeared before the Portales Chamber of Commerce in the interest of the Portales-Lubbock-Elida Highway.

Mr. Lanse stated that this highway had been received by the state of Texas as a state highway to the Cochran county line, and that it would probably be declared a state highway to the New Mexico State line and set forth the importance of having it made a state highway from Portales and Elida to the Texas line.

No Surplus Labor Needed in Valley

Owing to reports going out in the daily press, telling of the good crops in the Portales Valley, many have come here in the hopes of obtaining work.

This year there is sufficient local labor to take care of the situation, and those who come without securing a job beforehand are doomed to disapointment, and unless they have money to take care of their needs, soon become a burden upon the charity of the town.

Not a day passes but the buiness men of Portales are called upon to aid one who has come seeking work, or some broke tourist, whose fliver has run dry of oil "just as it reached this point."

Portales Markets

The following prices are being paid in Portales, September, 4.

Hogs	$9.30
Cream	.33
Eggs	.18
Hens, Heavy	.16
Hens Light,	.10
Fryers	15 to 18c

FORD CARS

Wallace King called the attention of the News to item giving Ford production for 1929 as 23.7 of the production on all cars, when it should have read 43.7 per cent.

Opening of School On Monday

A well filed auditorium greeted the teachers of the Portales Senior High School Monday morning when the opening exercises were held at nine o'clock.

Superintendent Floyd D. Golden has been ill for the past week and is yet confined to his bed therefore was unable to be present. He was greatly missed by the teachers and students as well as the friends. Only one new face was found among the members of the senior faculty that being Elizabeth Greaves who is the Home Economics teacher, taking the place held by Mrs. Steiner for the past four years.

The assembly program opened by all uniting in singing "America the Beautiful" led by Mrs. Shelden, who before her marrigae on August 20th, was Miss Helen Zerzan.

In the absence of Supt. Golden Principal J. P. Steiner was in charge of the assembly meeting and as the second number of the program introduced Judge T. E. Mears, of the school board, and he gave a most interesting and helpful address on the necessity of right living.

He pointed to the fact that the girls and boys now before him would in the not distant future be the business, professional and agricultural women and men of our country. As they grew to prominence and success he felt no greater compliment could be given them, than for their friends and colleagues to express confidence in their fairness and "square shooting." He emphisized the fact that the honesty with which they played marbles and other school games so would their former associates judge the integrities of their life in after years and not only make their own decisions but pass on to the public these cerdulities.

After a number of announcements by Mr. Steiner relative to the enrolling of students the program closed with prayer by Rev. C. E. Ball. The enrollment in this building was 280, 65 of whom were entering Portales High School for the first time.

At the Junior High Building the pupils assembled on the west side of the building and there they were greeted by Principal Kenneth Livingston and given their instructions for registration, about 50 were new in this building. There are more than 250 pupils enrolled in the Junior High to date.

The grade school was crowded with children. There are about 155 children who are new in the district and in addition to these there are 125 little tots entering school for their first time. Both units and the main buliding are all crowded and Principal L. L. Brown is much preplexed as to the possibility of carrying on the work successfully with out the assistance of extra help.

All of the employed teachers were ready and reported for duty Monday morning, but were unable to care for the 740 children enrolled in the grade school, so Wednesday morning a class of 34 being one division of the 6th A was sent to the Junior High building.

Some of the teachers are having to have two classes during one period of 25 minutes. Funds have not been available for the employment of another teacher and if such were possible there is no room in the grade building for another class room.

The enrollment on the first two days of school this year has surpassed the total enrollment during the school year of 1929-30 which was 1226.

Oscar Greer Is Killed by Engine

Oscar Greer, former Clovis resident, and son of Mr. and Mrs. W. F. Greer, 116 Mitchell St., died in a Shattuck, Oklahoma, hospital at 9:00 a. m. today from injuries received when he was hit by a locomotive late yesterday in Gage, Oklahoma railroad yards.

The body will be shipped to Clovis tonight, and funeral will probably be held tomorrow afternoon, but definite arrangements have not been made as yet. Mr. and Mrs. Greer, who left here immediately after being informed of their son's accident, will return tonight from Shattuck.

The youth was run down by a fast maving locomotive yesterday on the tracks, not seeing the approaching engine. He received a crushed skull and serious cuts and bruises about head and body.

Greer had been employed by the Santa Fe here as a messenger boy, but was transferred to Gage last winter. He was employed there as an apprentice in the shops.

—Clovis News Journal.

NOTICE

Persons interested in having help in the decoration of cars or floats are privileged to call upon Carl Turner and W. B. Oldham who have offered their services in giving suggestions and instructions in this matter.

J. H. Bond.

Otto Kaptino Injured in Auto Accident

Otto Kaptino received several painful cuts and Chester F. Brown a severe shaking up last Sunday afetrnoon when the Kaptina coupe in which they were riding was crashed into by a heavy Buick .

Mr. Kaptina was driving his car and they were preparing to turn onto a by-road from the Elida highway near the stock pens when hit, by the car which was meeting them.

Mr. Brown was thrown into the bottom of the car and escaped without injury but Mr. Kaptina received some severe cuts upon his left arm and right leg. It was necessary for the doctor to take thirty stiches to close the wounds.

He was confined to his bed the first part of the week but is rapidly recovering.

The Kaptina car was pretty badly jammed but the Buick sedan only suffered a blow out. It was being driven by a woman with some women passengers.

Finance Provided For Fair Exhibit

At the Chamber of Commerce meeting of Tuesday, finances were provided for the exhibit from Roosevelt county at the Tri-State Fair at Amarillo, the South Plains Fair at Lubbock, and the Texas State Fair at Dallas.

At the Tri-State Fair it is the intention of a four county exhibit from, Curry, Roosevelt, Chavez and Lea Counties.

At the Lubbock Fair it is to be a Roosevelt county exhibit.

At the Texas State Fair it is to be a part of a state exhibit from New Mexico.

DEMOCRATIC CLUB

The Precinct President, Mrs. A. C. Woodburn has called a meeting of the Democratic Womans Club for Friday afternoon September 12 at the court house.

The ladies are requested to gather at 2:30 and Mrs. J. B. Priddy the chairman of the program committee will no doubt have some interesting numbers arranged for the meeting.

MOVED BUSINESS LOCATION

Mr. and Mrs. Fred Ohr moved the first of the month from their former location near the New Mexico Utilities Company office to the building just beside the Chamber of Commerce rooms.

R. G. Bryant and Mrs. Alice Cassell have offices in a portion of the building and the other half has been prepared for the electric company.

TAKES COURSE IN DRY CLEANING

L. J Wilson of the Wilson Taylor Shop has just returned from Lubbock, Texas, where he has taken a ten day special course in cleaning and dyeing silk and fine fabric dresses.

Mr. Wilson has always done very satisfactory work but now feels he is prepared to give his patrons a better service than ever before.

FIRST METHODIST CHURCH
Thomas B. Sowell, Pastor

There was never a better time in your life to go to church than now, and you cannot get the habit any younger, so next Sunday get the family up in time, and together go to church.

The Good Master has wonderfully blessed our land and we should be generous enough to show our appreciation, and this you can do in a very fine way by doing your bit to put over a great religious program in Portales.

Sunday school 9:45 A. M. Henry Taylor, Superintendent. And it is going fine. Why not you go with it?

Preaching Services 11 A. M. and 7:30 P. M. You will enjoy each service and that good old time singing that will make you feel religious.

Senior and HI League 6:45. Splendid program and bubling over with young life.

Everybody welcome and we hope to see you at the church Sunday.

Rev. C. E. Ball and S. B. Fletcher left Monday night to be with Rev. Ball's brother and family who were grief stricken over the death of their ten year old daughter Wanda Myrl who was killed when she feel from the family car in New Hobbs Monday. The funeral was held Tuesday in the old home at Lorenzo, Texas.

E. C. Murrell of Wink, Texas is here this week looking after the renting of his residence and attending to other business matters.

Rev. T. B Sowell, who has been in bad health for some time left Friday morning for the Methodist Hospital at Ft. Worth, to go before the clinic. His friend here hope for his speedy recovery.

Mrs. H. H. Wilhite and her infant son were guests in the W. L. Anderson home at Rogers several days last week.

Court House and Jail Improvements Considered By C. Commissioners

At the regular session of the County Commissioners Court, this week, the matter of the improvements of the court house and jail as recommended by the recent Grand Jury Report, was brought before the board of commissioners.

The board of commissioners in considereing this matter decided to have petitions circulated calling for a bond election for this purpose.

They had a set of plans submitted by the firm of artchitects who drew the plans for the E. N. M. Normal School Building, with an estimate of around 65,000.00, which was thought would give the needed improvements to take care of the county's business for a number of years.

To take this matter up at the coming November election, it will be necessary to have these petitions in, in time to order the election thirty days before the date of election.

A. D. Ribble stated that building material and labor were cheaper at this time than they had been in the past and than they would be in the next year. G. W. Carr concurred with Mr. Ribble in this statement.

It is not the object of the commissioners to burden the county with an unnecessary bond issue at this time, but owning to the pressing needs of a jail and better court house vault room, it was thought that some action should be submitted to the voters, if they so desired.

The columns of he News are open to the voters of the county for the discussion of this issue.

Call for Republican County Convention

To the Republicans of Roosevelt County New Mexico.

A call is hereby made for a county convention to be held at the courthouse in Portales, N. M. on Monday, Sept, 15th, 1930 at 1 o'clock p. m. for the purpose of nomninating a county ticket, electing County Central Committee and twenty three delegates to the State Convention to be held at Albuquerque, N. M. Sept 22, 23, 24 and other business that may come before the convention.

All republicans of the County are urged to attend this convention.

Ezra Watts, County Chairman,
J. H. Breshears, County Secretary.

B. Y. P. U. PARTY

More than thirty young people of the baptist Young People's Union gathereed at the H- ranch Tuesday evening for a picnic supper.

A supply of sandwiches and other foods appreciate for picnic were provided and in addition to these foods the guests were treated to a feast of water melons and lemonade.

The cars gathered at the Baptist Church and went to the ranch arriving just in time for supper. After the generous meal the crowd played a few games and returned home early.

Mr. and Mrs. Charles Starkey were the chaperones of the evening.

THE SICK

Charles Camp has been dangerously ill with a severe case of tyhoid fever for the past three weeks and is yet in an unchanged conditton. He is at the home of his parents Dr. and Mrs. J. E. Camp under the care of a trained nurse.

Mis Edith Wheeler, youngest daughter of Mr. and Mrs. E. N. Wheeler was operated upon last Saturday for removal of eppendix She improved nicely until Sunday afternoon when a poison developed in her system and for the next forty eigth hours her condition was very grave but as the News goes to press she is reported much better. She is in the Baptist Hospital at Clovis.

Supt. Floyd D Golden has been confined to his bed for more than a week with fever but he is improving and his attending physicians feels he will be able to attend to duties in a few days.

Mrs. Esther Clevenger came from Lubbock Sanitarium last Friday with her little daughter Adele, but since being in Portales the child has not continued to improve so satisfactorily and she may be taken back to the Sanitarium.

Bob Harrison and Hub Fisher have taken over the dry cleaning and dyeing department of the Portales Steam Laundry, and are now in charge. Mr. Fisher will move his family heer in a week or so.

Mr. and Mrs. Jay Slone have given up house keeping and are living in the home with Mr. and Mrs. J. W. King. They have stored their furniture and board with Mr. and Mrs. King during the winter.

Mears Named

Portales Lawyer Heads the State Bar Cimmission

Santa Fe, Sept 2—Officers of the state board of bar commissioners met in Santa Fe today to complete their organization for the coming year. The new officers are President T. E. Mears, Portales: first vice-president, Hugh B. Woodward, Albuquerque, second vice president J. O. Seth, Santa Fe; Secretary-treasurer, J. D. Sena, Santa Fe.

Cards to Advertise Crops of Valley

The Portales Chamber of Commerce has had a number of show cards printed to go on trucks hauling products out of the Portales Valley.

These cards read.

"This truck loaded with Potrales Valley Products, from the famous Portales Valle, Portales, New Mexico.

These cards are free and if the growers of the valley will see that one is placed on each side of the trucks that are loaded out with beans, tomatoes, potatoes and etc. from the Valley it will not only advertise the valley, but will help the trucker dispose of his load, as the products of the valley are widely known for their superior quality.

Locals and Personals

Good Rain on Tuesday Night

Tuesday night Roosevelt County received a good rain which covered a wide territory.

Beginning early in the night a gentle shower fell throughout the night, putting the streets in a muddy condition.

Many cars stuck on the unpaved streets Wednesday morning.

Twenty or more trucks were loaded out of the Portales valley this week, carrying beans, tomatoes, and other valley products to Ft. Worth, Dallas, Oklahoma City, and other points.

A. D. Payne, Closes Chapter of Crime, by Taking Own Life

The crime of A. D. Payne, has held the spot light for several weeks, and closed on Last Friday night at a little after 12:00 o'clock, when he blew himself into oblivion with a charge of dynamite powder.

On Friday Payne had been indicted by the grand jury for the murder of his wife last June.

Facing trial, which would have resulted in death by the electric chair, Payne took matters into his own hands and closed the last chapter to a hectic life in which crime ran rampant.

Payne, a lawyer of no mean ability, became involved in financial difficulties, insured the life of his wife and children, and murdered his wife by blowing her to pieces with three sticks of dynamite placed in the family car.

For weeks this crime baffled the police of Amarillo, and only a few weeks ago, was the charge brought against Payne.

Payne insisted on a speedy trial, making a confession which filled many columns of newspaper space He insisted on a speedy execution, but when relatives and friends insisted on an insanity plea he took matters in his own hands and on last Friday night, shortly after midnight , set off a charge which blew him to his death.

Two days before his arrest, he placed a high explosive in a bottle smaller than a lead pencil, concealed it between his legs with adhesive tape, escaping detection when searched by the officers at Amarillo and Stinnett.

Just before setting of fthe charge he had the pirsoners to leave the cell, so that none would be injured.

Touching a lighted cigarett to the fuse, he turned over on his face in his bunk just previous to the explosion, which blew a hole in his body, tearing out the vitals, causing instant death.

The cell and bunk were wrecked by the explosion.

This ended the most infamous crime eve reommitted in the state of Texas.

The curtains have been rung down on Payne.

County Health Officer Will Enforce Sewer Ordinance

Owing to the spread of Typhoid fever, Dr. E. T. Hensely county health ofifcer, has sent off samples of the city water and that from the swimming pool, for analysis by the State Health department.

It is the opinion of Dr. Hensley, that all cases of typhoid are coming from the open surface toilets,, which are scattered all over town, and that all who are exposed should be vaccinated for tyhoid.

While there is no indication that it comes from the milk supply, The Doyal Dairy has agreed to boil all milk bottles for 15 minutes before filling with milk, and that no milk will be delivered execept in steralized bottles.

The County Health Officer also orders that all places of filth where flies bred, be cleaned up at once and kept in a sanitary condition He also orders that who maintain surface toilets on the sewer line connect with the sewer at once, and that prosecution will be instituted for each day in delaying the connection.

Wichita Falls Man Buys Valley Prop.

This week J. J. Cutler sold an 80 acre tract to C. E. Hanvey of Wichita Falls, Texas, the purchase paying cash.

Mr. Havney also purchased a new pump and is having a well put down for irrigation. He will move here with his family about the first of January.

Mr. and Mrs. Hubert Hatch of Odessa, Texas, came in Sunday to spend the day with their parents here.

Many Notables to Take Part in Program of the Livestock Show

A grading demonstration with Hereford cattle,, by J. K. Wallace will be one of the most important events of the program at the coming Dairy and Livestock Show. This demonstration will be given at the Show grounds, at the Young & Hatch Feed Pens, the first day of the Show, Thursday, September. 18th, at 2 p. m.

The Show committee considers itself fortunate in securing Mr. Wallace for this event, and is glad to be able to offer it to the people of Roosevelt County who are interested in Hereford cattle.

Mr. Wallace will demonstrate with actual cattle the various market grades of cattle. He will work with cows, heifers, and steers

Mr. Wallace has had many years exeperience in the stock business as a grower and feeder, and as a stock yards oficial for the United States Government. At the present time he is connected with the U. S. Bureau of Agricultural Economics.

In the past few weeks, Mr. Wallace has conducted cattle grading demonstrations among the stockmen of various counties of New Mexico and has been well received.

The Dairy and Livestock Show Committee cordially invites the entire public to attend this demonstration.

Practically all agrrangements have been completed for the Roosevelt County Dairy and Livestock Show to be held in Portales, September 18, 19, 20. Every indication points to a bigger and better show than ever. Farmers over the county are making their plans to bring in their exhibits of livestock, and to attend the Show.

Every effort has been made to make the Show worthwhile, and to make it a real contribution to the dairy and livestock development of the county.

A new department has been added for community booth exhibits, with a liberal premium list. The score card for these booths requires that the various crop and home economic products of the Co. be exhibited. Communities all over the County are responding and it is believed at the present time that there will be as many as ten communities represented with complete booth exhibits.

Many of the merchants will have exhibits representing their business.

All of the booth exhibits will be under a large tent 60 feet by 120 feet, which will be erected on the land just back of the feed pens.

The program for the three days is printed below. It includes a cattle grading demonstration, judging of the dairy cattle and other livestock, a parade of stock, floats, cars, etc, band concert, and speaking by Governor Dillon, Senator Bratton, Wilbur C. Hawk, president Amarillo Tri-State Fair, Clyde Tinsley, Mayor of Albuquerque, and Dr. Kent, a dairy production contest, and a childrens' milking contest. In addition there will be plenty of clean amusements.

It is hoped that the farmers will come out at 9 o'clock the morning of Friday, September, 19, to see the judging of the livestock. Mr. Simmons of Ft. Worth, representative of the American Jersey Cattle Club, will judge the Jerseys. Dr. Black of the New Mexico A. & M. College will judge the hogs, horses beef cattle and sheep. Judges will explain their reasons for the placings, making the judging an educational event.

Mr. Bond, town Marshall, who is in charge of the parade is making an appeal to the various communities to enter floats in the parade. He wants to make the parade an event long to be remembered. The Portales School Band and Gov. Dillon will head the parade. It will be held at 10 o'clock, Saturday the last day of the show.

PROGRAM

Thursday, September 18

All day entry placing of livestock and booth exhibits. All stock entered must be on the grounds by midnight, September 18th. Booth exhibits must be completed by the same hour.

A new Court House and Jail for Roosevelt County.
Better roads and Highways for Roosevelt County.
A greater Agricultural and Dairying development for Roosevelt County.
The Building of the Eastern New Mexico Normal School
A greater advertising of the scenic and other resources of New Mexico .

NEW COURT HOUSE ECONOMY AT THIS TIME

The building of a new court house and jail at this time would be economy on the part of the county commissioners.

Building material and labor is now cheaper than it has been in ten years and it is cheaper than it will be as times improve.

Again, the safety of the records of the county should be considered. A fire would be very costly to every property holder of the county.

To make a title, should the records be destroyed, it would be necessary to go into the district court and give a court title, which would cost several hundred dollars every time a piece of real estate changed hands.

A new court house, with the county clerks office a steel fire proof vault, would provide safety for the records, and give space to transact the business of the county.

Roosevelt county is developing rapidly, and the time is in the near future when this matter will have to be taken care of.

To remodel the old building would only be a makeshift, and would fill the needs only for the present.

The future development should be considered when making public improvements.

By the building of a court house and jail at the same time, much expense could be saved. The jail on the top o fthe court house would provide a safe means of taking care of the prisoners, and eliminate the danger of saws or explosives being passed through the windows.

This is a matter which should be of interest to every tax payer in the county, and now is the time to give it serious consideration.

SAM G. BRATTON FOR SENATOR

This year there is to be made a fight on Sam G. Bratton for re-election to the United States Senate ,by the Republican party of New Mexico.

Since Sam G. Bratton has represented the State of New Mexico in the United States Senate, he has won a reputation as being one of the outstanding members of that body.

At all times he has worked for legislation benefitting his state and the entire nation.

He is a man of strong principles, and one who is able to express his views and command the respect of his co-workers at the same time.

In this issue of the News is a political advertisement attacking Senator Bratton. The readers will consider that this is campaign year, and that the Republican party is now grasping at straws.

Their record for the past two years, both state and national is such, that the intelligent voter will demand a change.

Nationally the Republican administration has proven the worst in the history of the United States.

Over 2,000,000 are out of employment at this time.

Owing to the passage of the tariff bill, the foreign nations are retaliating against the United States, and as a result, our factories are being closed down, and tousands are being turned out of employment. To meet this condition, factories are being built in the foreign nations and employing the cheap help of these nations.

Tariff on machinery runs from 20 to 30 percent on the purchase price, eliminating the American product in Europe.

The cit. ens of the United States are paying the freight, and this condition rests at the door of the Republican administration.

A senate filled with such men as Sam G. Bratton, would mean prosperity for the entire nation.

It is obvious that New Mexico will return Sam Bratton to the Senate at the November election.

REGULAR ADVERTISING

"I have been in business 27 years and seldom miss an issue of the local paper with an ad of some kind.

"I believe that the constant spitting of a machine gun does more execution than the occasional boom of a big Bertha. Its spit-spat shots get results. So it is with advertising; the small ad run every week is better for results than the large ad hit or miss. Consecutive advertising gets the business.

"We are told that American business now has hit the bottom, and that tihngs will be better. Now is the time to advertise our wares and get the public started buying.

"There are all kinds of advertising schemes, and I have dabbled in them all, but the advertising in the local newspaper is best and gives largest returns for money spent.

"Put more time in writing your ads, and then talk it over with the printer, it pays in the long run to spend this extra time.

"Create a desire to possess, in your ad, and it will get the business.

"If you had a whole bushel of Chain links it would not pull a load. Put them together in a continuous chain and you have a strong and powerful thing with which to pull a load. So it is with advertising. Link your ads together, run them in a continuous string, week after week, and you will have power that will produce results." C. W. Johnson, Oakland, Neb., Merchant in a speech at the Northeastern Nebraska Editorial Association meeting.

ONE LIGHT CARS

Nearly every evening one will notice several cars driven over the streets of Portales with only one head light burning. This endangers every other car on the street.

A few months ago, the city marshall made about twenty arrests in one evening for violation of the traffic rules and regulations.

A few more fines in this connection would be of value to the general public.

GOOD MEN TO BE SACRIFICED

Indications are that Dick Dillon will be the nominee of the Republican party for Senator, and that Bob Kallehin will be their nominee for governor.

Both of these gentlemen are first class citizens and the News regrets that the republicans of New Mexico will sacrifice them in the coming election, as they are sure of a defeat.

Bob Kallehin is one of the best men in the Republican organization, but this is a Democratic year, and the party should not make a sacrifice of their best material.

Governor Dillon is popular, but when it comes to running against Sam Bratton, only one result is possible, and that is the defeat of Dillon.

It is hard for the Republican organization to find big men and capable men for their ticket, and these two men are among the best in the state in the Republican party.

We feel sorry for them.

THE SCHOOL BELL HAS CALLED THE CHILDREN FROM PLAY

Portales is again the scene of bustle now that school has opened and each day the streets are crowded with children going to and returning from school.

Traffic is becoming heavier each day, and every precaution should be taken to protect the lives of the school children.

Drive carefully, especially at street intersections.

The lives of these children are of more value than the time of the reckless driver.

SANITARY SITUATION

While the satitary situation as a whole is good in Portales, there are a number of surface toilets on the sewer line which are a menace to the health of the entire town.

Some may think it hard to be required to go to the expense of connecting with the sewer, but on the other hand, you are causing your neighbors considerable expense in doctor bills, not to speak of the loss of life which an epidemic of typhoid would cause.

There is a city ordinance making it mandatory to connect with the sewer, and each day provides for a separate penalty. A few enforcements o ftis ordinance would do much to improve the health conditions of the town.

Then it has been reported that hogs are being kept within the corporate limits. This is a strict violation of the city laws, and should be regulated. Hog pens are a menace to public health in any city, and Portales should be kept clean and healthy.

School has opened and there are several thousand school children in the town whose health must be protected.

It may be an unpleasant duty for the city marshall to make arrests for these violations, but he will find it in his line of duty to do so.

You will save court costs by making necessary connections at once.

EXTENSION NOTES

The East Valley View 4-H Sewing Club held its local achievement day on Wednesday, August 27th. Many splendid exhibits were on display and best of all every club member exhibited some work. Most all members exhibited 100%. The girls took keen interest in judging these exhibits, giving good reasons why they should or should not have a ribbon. All of the girls seemed happy because every one took a prize on some one or more exhibit. These girls feel rather confident that they are going to make it interesting for some of the other sewing clubs on County Achievement Day, October 4th.

The east Valley View Homemakers Club decided definitely that they are to have a booth at the Live Stock and Dairy Show. Committees were appointed last Thursday, August 28th.

The Dora Homemakers are to put on the play "Clubbing a Husband" in the not-far future. Already they have begun to practice and some have their parts memorized. Every one in the play seems to have been selected for the right part. Plenty of fun will be furnished for all who attend. Watch to see the date when the play will be put on.

BETHEL

Prayermeeting Wednesday night, Sept. 10, will be announced at the next meeting which is at the Foster home the 3rd.

Two of our most popular young people, Miss Authulla McGowan and Leslie Moorhead were united in marriage last Saturday afternoon. They have many friends who unite in wishing them a happy married life. Leslie is the son of Dr. and Mrs. Moorhead of Meadow, Texas, and Authulla, the daughter of Mr. and Mrs. Bud McGowan of Bethel.

Mr. and Mrs. J. D. Miller and daughter Anna spent Sunday with relatives near Morton, Texas.

School started at Floyd, Monday and Momoe Boteler has charge of the big bus this year.

Grandpa Swayme had a stroke of paralysis last Friday morning and is seriously ill with no hope of recovery.

All the children of Mr. and Mrs. Swayme have been called to the bedside of their father.

A cousin of Mrs. A. B. Sherman is a visitor in the Sherman home.

Mr. and Mrs Jim Dictson and Mrs. Ed Adams visited in the Harve Redburn home Monday.

Mr. and Mrs. Orel Bateler and sister of Artesia are visiting in the J. H. Boteler home.

Mr. and Mrs. Roy Tillerson, Mrs. Vera Carson and Grandmother of Wichita Falls, Texas were recent callers in the Bilderback home.

Mr. and Mrs. H. A. Minick spent several days with relatives in Texas.

Mr. and Mrs. Ed Sheers are moving to Roswell, New Mexico.

J. D. Boren returned Friday from the Jeff White Ranch to prepare for the opening of school this week. J. D. has spent the entire summer with his grandparents. He was accompanied home by Mr. and Mrs. White and also Willard White, of Arizona, who has been a guest at the ranch.

McCormick-Deering Corn Binders Save Time Cutting Corn

WHEN your corn is ready to cut, depend on the McCormick-Deering Corn Binder to do this heavy job for you, quickly. It has a long record of successful, reliable performance throughout the corn belt. It does the work of 5 to 7 men.

The McCormick - Deering gets all the corn—even the leaning and down stalks. The throat spring pushes the corn over against the elevator fingers so that cutting and carrying to the binding mechanism is positive. The reliable McCormick knotter assures binding every bundle.

Short corn is bound equally as well as tall corn, because the butt pan, which provides evenly butted bundles, has a wide range of adjustment. Clear, open sides permit easy removal of undergrowth. The shielded gear drive excludes trash and undergrowth and gives long life. A bundle loader can be furnished at additional cost.

Let us show you these features that have made the McCormick - Deering the popular binder among corn growers.

Be sure that you use the "Big Ball" McCormick-Deering Binder Twine

Electricity -

Plan Now

to attend and exhibit at ROOSEVELT COUNTY DAIRY and LIVE STOCK SHOW

Is the Helping Helping Hand To Happiness

Would you want to go back to the coal oil lamp? Would you want your wife to endanger her health with unsanitary carpet sweepers? Would you exchange your Frigidaire for an old fashioned ice box?

Think over the benefits you derive from electricity, the actual comfort and happiness it brings to you and your family, the thousands and one ways in which it adds to your enjoyment of life. You'll realize then what an important part dependable electrical service plays in your everyday life and how necessary the service that this company renders to you.

New Mexico Utilities Co.

F. E. SLEEPER, Mgr. Portales, N. M.

Locals and Personals

Orville Harris, one of the Roosevelt County boys who has been a capable and popular student at the New Mexico A. and M. college has returned to State College to continue his education this winter.

Leon Slaten and Turner Hensley motored to Hope, Sunday and spent the day visiting with friends.

Carl Yoachum left the last of August for Austin, Texas where he has accepted a position in a meat market in that city and will be in the Texas Capital this winter while his wife is a student at the state University. Mrs. Yoachum is working for her Masters degree.

NEW MEXICO EGGS CAN BE GRADED FOR MARKET

The first part of a study on the market qualities of New Mexico fresh eggs has just been completed by the New Mexico Agricultural College. Many flock owners in New Mexico are keenly interested in the developmnt of a method whereby eggs can be disposed of according to grade and at a price commensurate with their worth.

With this in mind, an experiment was planned to ascertain whether eggs produced in surplus areas during spring and summer months could be marketed to advantage by grades. Flock owners who would be representatives of the poultry industry in their respective sections were secured, seven counties in all being represntd. During June and July the entire production of these flocks was sent to El Paso, Texas where College co-operating agencies carefully candled, graded and sold the eggs according to their merits.

With splendid cooperation on the part of the flock owners, it was possible to get very accurate data on the conditions under which the eggs were produced and marketed. While the records of each cooperator have not yet been summarized some pretty definite results are evident. In order to produce the highest quality eggs during hot weather, results indicate that eggs should be gathered at least twice daily, stored in a basement or cave until marketed, and sent to market as sonn as possible. Hauling over rough roads, especially where care was not taken, greatly reduced the quality. Eggs that were kept in a warm room for several days previous to shipping were of very poor quality. If kept cool, they could be held for several days without severe deterioration.

Jots in Jest

One flurry of shorts which made no impression on Wall Street was the knee-pants attire recently adopted by Dartmouth College students.

The Home of Dry Cleaning

Special Announcement

I wish to announce to my friends and customers of Portales and Roosevelt County that on account of my age and other business interests I have decided to retire from the Dry Goods business and in order to liquidate my stock, I have engaged the services of Mr. Bell, formerly of the Stool's Dep't Store and have given him full charge to conduct the sale and close out my stock in the shortest passible time. We closed the store to arrange stock and will reopen Friday, Sept. 12th with the greatest festival of bargains ever known.

I thank again all my friends for the past patronage and hope to see you in my store during this sale. Watch the sale announcement in the next issue of this paper.

Yours very truly

C. V. Harris

INEZ

School bells are again ringing at Rogers and have called from our community Bert Clark who will attend there in the 10th grade. The Inez school will start Monday September 8th with a larger enrollment than last year. Mis Ola Webb will be the teacher.

Mr. Willis Clark arrived from California for a few days visit with his brother Mr. S. A. Clark.

Mr. George Shepperd is drilling himself a new well on his school section.

Several of the young people attended the party at Mr. and Mrs. Cleve Grants Friday night.

Mr. Blue and Neff Banks turned their car over last Thursday. Mr. Gravely was the only other occupant. No one was hurt but the car suffered considerable damage.

Miss Ella Eea Tollett was hostess Sunday at dinner to her Sunday school class. Every member of the class was present at Sunday school and all report a delicious dinner served by Miss Tollett and mother.

W. R. Tollett and family visited in the J. L. Vance home at Rogers Sunday.

Rev. A. M. Dupree spent Tursday night in the J. E. Tollett home and Saturday night in the Frank Greathouse homes.

Mr. and Mrs. Glen Austin from near Vaughn are visiting relatives in the community this week.

Huguh Vincent and family of Rogers attended our Sunday School last Sunday and took dinner in the J. B. Graham home.

Mr. and Mrs. Tom Haislip and daughters and Grandma Haislip were visitors in our Sunday school Sunday.

Our Worship service in Sunday School last Sunday conducted by Edward Matheson, was very interesting and helpful. The special features being the talk given by Ed which was exceedingly good, and the demonstration by Rev. Dupree of El Paso. Both features were very deeply appreciated by the audince. Our attendance went over the top again. The total in attendance Sunday was 109. The same number we had in Sunday school five weeks ago. We have 90 enrolled in our school as active members and 83 of those were present besides a large number of visitors. The Beginners, Primary, Seniors, and Adult Class reported all members present. Immediately after dismissal our school assembled in front of the church and had our pictures taken. However the crowd was so large that our picture taking machine came near being too small. Next Sunday morning Marvin Tollett will conduct our worship service and has announced the subject, "Workers" Together with God." Let's put God and His work first in our hearts and lives and be present and on time next Sunday and ready to do our bit in our Sunday School and try to make our fellowship with God and man stronger and life worth living.

IN THE DISTRICT COURT, ROOSEVELT COUNTY, STATE OF NEW MEXICO

E. A. Herndon, Plaintiff,
Vs.
V. J. Campbell, Defendant,
No. 2426.

NOTICE OF SHERIFF'S SALE

Public notice is hereby given that the undersigned Sheriff of Roosevelt County, State of New Mexico, under and by virtue of the judgment and decree issued out of the above named court on the 3rd day of September, 1928, in the above entitled cause, wherein E. A. Herndon was plaintiff and V. J. SOCIETY NOTES

DINNER PARTY

Mr. and Mrs. E. N. Neer entertained with a dinner in their home last Friday evening at which time Mr. and Mrs. Maurice Cummings of Texas were the honorees. Mrs. Cummings was Miss Agnes Kemp Brown, before her marriage and is a niece of Mrs. Neer.

The guests were seated at the extended dining table and thoroughly enjoyed the delicious dinner which was served in three courses.

The guests consisted of Mr. and Mrs. Cummings, Mr. and Mrs. Ed J. Neers, Mr. and Mrs. H. H. Buchanan and Mr. and Mrs. Milton Brown of Clovis, parents of Mrs. Cummings.

ALL DAY PARTY

Mr. and Mrs. W. H. McDonald and their sons, Howard and Harold, entertained with an all day party last Friday, August 29th, in honor of the birthday of their mother and grandmother, Mrs. Joe Howard.

Ten friends were invited to spend the day with Mrs. Howard and her grandson Howard added to the pleasure of the ladies by calling at their homes and taking them to his grandmother's without any inconvenience to them in the least.

The majority of the ladies have lived in Portales for a number of years and they had a very happy time discussing the growth of their home city and the experience and trials of the pioneer days.

Mrs. J. W. McMinn assisted Mrs. McDonald in preparing the delicious and bountiful meal which was served during the noon hour. In the afternoon the pleasant porch and the large attractive yard was most inviting and here they ladies spent the happy hours together.

When the hour for departure came Howard again drove up in his car and took their guests to their respective homes.

The guest list included Mrs. Carroll of Colorado Springs, Colo., Mrs. J. C. Powell, from Kansas City, Mo., and the following Portales ladies: Mrs. C. M. Dobbs, Mrs M. A. Page, Mrs. Callie McCall, Mrs. Schumpert, Sr., Mrs Maggie Wright, Mrs. J. W. McMinn, Mrs. W. B. Anderson and Mrs. Compton, Sr.

DINNER PARTY

Mr. and Mrs. Roy Hollis entertained with a dinner in their home on Monday, honoring their two sisters, Miss Murrell and Miss Clara Stobbs who have been guests in the Hollis home. Miss Clara has entered school in Clovis for her Senior year and Miss Murrell will open her school in Benson district this month.

Mrs. Hollis had prepared a most bountiful as well as a very delicious meal which was served at the noon hour.

Seated at the table with the host an dhostess were Mr. and Mrs. Charles Stobbs, Mrs Charles Burnett and the two honorees.

FAMILY PARTY

On of the very largest family parties ever to be reported in Roosevelt County was held on Tuesday of last week at the home of Mr. and Mrs. W. H. Jasper in the Claudell community.

There were 103 relatives present from different sections of Texas and New Mexico. A dinnr was served during the mid-day hours and the general spirit of a family reunion filled the hearts of all with happiness.

The members of the party included: C. R. Jasper and family of Hobbs, New Mexico, E. D. Jasper and family and C. M. Jasper and family from Silverton, Texas, Jack Whizmont and family of Hobbs, Mrs. R. R. Thompson and family of Memphis, Texas, Mrs. C. K. Washington with her family from Flomot, Texas, Mr. and Mrs. B. W. Smith and children, R. M. Smith and family, Mrs. Effie Wharton and family, Mrs. Lorado McKnight and family all of Littlefield, Texas. Mr. and Mrs. Albert Davis and children from Causey, Charles Hileman and family of Clovis, Mrs. Minnie Johnson and daughter from Clovis, Mrs. Ross of Tulia, Texas, Mrs. C. R. Spear and family of Tulia, Texas, Lee Jasper with his family and mother from Buchanan, New Mexico, B. M. Hodges and family from Ozone, Texas and Charles Hodges with his family from Barnhart, Texas.

SHOWER FOR MRS McCALL

The ladies of the Christian Church entertained with a shower Friday afternoon between the hours of three and five at the home of Dr. and Mrs. E. T. Hensley, honoring Mrs. Kenneth McCall.

Mrs. McCall, as Miss Venter, has been a very faithful helper in the local Christian Church since coming to Portales in the high school and her friends wished to make known their appreciation by the lovely gifts they presented her.

The packages were arranged upon the dining table and at the appointed time Mrs. McCall was invited to sit at the head of the table and begin the pleasant task of untying the many parcels which contained the lovely gifts. These were admired by all the ladies present and with each were best wishes for a long and happy life for Mr. and Mrs. McCall.

After the admiration of the many gifts Mrs. Hensley assisted by Mrs. J. W. McMinn served dainty refreshments.

CLASS PICNIC

The class of boys in the Methodist Sunday School of which Wayne Stratton is teacher enjoyed a picnic last Thursday evening.

The boys with their teacher and Eldridge Mears drove to the country and purchased a supply of watermelons. They then selected a pleasant spot and spent a happy time eating the melons. Each boy had a full half of a melon and they ate until they were fully satisfied. They then spent the remainder of the evening riding. The youngsters were given a sight seeing trip through the streets of Clovis after which they returned to their homes in Portales.

FARWELL PARTY

Mr. and Johnnie McDonald were at home Thursday evening with a pleasant party complimenting Phillip Smith who left for Waxachachia Texas where he will enter Trinity College this term.

The young people spent the evening dancing and enjoying other pleasant activities. At the close of the evening bountiful refreshments were served.

The young men of the party presented Phillip with a lovely Gladstone bag and the young ladies gave toilet equipment for the bag.

Those enjoying the evening together were Misses Lois Bankston, Pauline Baker, Mildred Disney, McKewn Waltom, Flora and Florence Bentley, Messrs. Phillip Smith, Bobbie Keer, Reed Hill, Melvin Schumpert, Truman Green and Vincent Cox.

PORTALES, NEW MEXICO

Bratton Against State's Interest By Tariff Vote

By

The Republican State Central Committee

Mr., Mrs. and Miss Voter.

You are interested in New Mexico; you want the State to prosper. In America we have government by political parties. Time has shown government by political parties to be the best government humanity has ever known.

The only way to judge a party is by the record it has made. We judge men not so much by what they profess as how they perform. "By their fruits ye shall know them," said Jesus.

Both National and State issues are involved in the elections next November. New Mexico will elect a United States Senator and a Congressman. The Democratic candidates for Senator and Congressman will be pledged by their party to down revision of the tariff, "on the principles of the Underwood Bill."

What Is the Tariff?

The tariff is a tax levied by the United States on goods shipped into this country to compete in American markets with American goods and American labor. The foreigner pays no taxes in America. He does not employ American labor. He cannot be drafted into the Army to fight for this country in time of war. All he wants is to be allowed to sell his goods in our markets.

Good Business

Abraham Lincoln said of the tariff: "If we buy from abroad we have the goods and they have the money, but if we buy at home we have both the goods and the money." The Republican party has given us the best tariff bill that was ever written. Especially is it the best for the people of New Mexico.

Senator Bratton's Testimony

Democratic Senator, Sam G. Bratton, speaking at a Democratic banquet at Albuquerque, Monday night, April 14th, 1930, said of the tariff bill as it passed the Senate, that it provided for protection of New Mexico to a greater degree than ever before. "You may call it localism or provincialism," he said, "but I called it my duty to protect and vote for the interests of New Mexico." He led the fight for retention of a high tariff on manganese, saying that New Mexico has enough to supply the country for twenty-five years. This means that with a tariff that will protect it, New Mexico can produce and sell many millions of dollars worth of manganese each year for twenty-five years. But Arthur Brisbans said, July 28th, that cheap Russian manganese has taken the American markets forcing 3,000 laborers out of employment. A little higher tariff is needed there, but the Democrats would take away the protection that product now has.

But when the bill came up on final passage Senator Bratton voted against the whole measure. His party leaders had decided to make tariff revision an issue in the campaign this year and in 1932. Senator Bratton "rose above principle for the sake of party." He stood by John J. Raskob, Chairman of the Democratic National Committee, and the Du Pont interests against the best interests of his State. He will be a candidate for re-election to the Senate. If he wins he will help frame and vote for a tariff "on the principles of the Underwood Bill."

The Democrats Say

The tariff is so high that other nations will punish the United States by levying higher tariff duties against our exports. Nearly every country of Europe charges for more for us to sell goods in those countries than we charge them to sell in this country. The average duty levied by England on American goods is 55 percent; the average American duty on imports from England is 40 per cent. Spain charges us 70 percent; we charge Spain 58 per cent. France charges us 80 per cent; we charge France an average of 28 per cent. Austria 53 per cent, against 33. Belgium 74, against 62. Germany 71, against 24. Italy 81 against 52 per cent. All of these countries, except England, have lodged protests against the new tariff law, without taking into consideration the fact that the average of the duties quoted are far lower than the taxes levied by them against goods from America.

The Same Old Cry

Eight years ago the Democrats were vehemently predicting that the rates in the Republican tariff bill of 1922 would ruin the commerce of the United States. The same people are making exactly the same forecasts regarding the Hawley-Smoot Bill. Josephus Daniels said editorially in his Raleigh News and Observer, the day after the signing of the 1922 bill:

> "There never was any hesitation on the part of the President in signing the bill of abominations. Three billion dollars a year is the tax the new tariff imposes upon the consumer. It is the most indefensible tax measure that ever received an executive signature. International trade is barter. This bill says we cannot buy from others. By the very necessity of the case it shuts out our foreign markets.

Following the passage of that bill, which was to rob us at home and ruin us abroad, both our export and our import trade grew by leaps and bounds. Figures on international trade for 1929, just issued by the Department of Commerce, show that the Uinted States last year exported more than five billion dollars worth of commodities, the highest total ever known except in war times and the two years immediately after peace when we were grubstaking Europe that was flattened out by four years of war. And the total imports for 1929 were greater than for any year, with a single exception, in the history of our country. The eight years of the 1922 tariff, which the Democrats said would ruin us, was the most prosperous period in American history.

For New Mexico

Senator Bratton was right when he said the bill just passed provided for protection of New Mexico products to a greater extent than ever before. The cattle and sheep industries in New Mexico, without figuring the value of wool, is estimated by the Department of Agriculture at 62,417,000. For leases and interest on sales contracts of grazing lands, the State of New Mexico receives annually $530,729.64.

Let the Democrats win control of Congress and frame a tariff law on the principles of the Underwood Bill, and the cattle and sheep industry will be destroyed, as it was under the tariff act of the second Cleveland administration and as it was under the Underwood Bill, displaced by the emergency tariff act of 1921 and the regular act of 1922. Grazing lands, valued for taxing purposes at $34,366,906 and that are now producing more than $500,000 annually, would cease to be valuable without the livestock industry.

The tariff on cattle was increased from 1½ to 2¼ cents a pound, if weighing less than 1050 lbs., and from 2 cents to 3 cents if they weigh more. Sheep were raised from $2.00 to $3.00 a head. Beef and veal from 2 cents to 3 cents a pound; mutton from 2½cents to 5 cents a pound. Wool, scoured, from 31 cents to 34 cents. Beans from $1.05 a bushel to $1.68 a bushel. The Estancia Valley and Union County produce annually approximately $4,400,000 worth of beans. Because of the competition with Japanese raised beans they could not be raised profitably without high protection.

Senator Bratton is responsible for the statement that New Mexico may become the chief producer of manganese for the United States. Bear in mind that he voted against every one of these duties. He voted to get them into the bill, then voted against the bill.

Also, bear in mind that every Democratic tariff law has placed the principal products of New Mexico on the free list, except the totally inadequate duty of 25 cents a bushel on beans by the Underwood Bill, as against $1.68 by the new tariff act.

Dear Mr., Mrs. and Miss Voter, please bear in mind that if the Democrats come into power and carry out their previous habit of placing New Mexico products on the free list, the vast areas of grazing lands, which now produce so much of our taxes and from which so many thousands of people make their living, will become worthless.

These statements are not guessed. They are facts barne out by history.

ORDINANCE NO 108

An ordinance prohibiting the building, constructing, erecting, establishing and maintaining any Garage, Filling Station, Canning factory, Soap Factory, Laundry, Tanning factory, oil houses and Dance Halls or any obnoxious business in the residential district of the city of Portales, New Mexico, or within one hunderd feet of any church property. School property, or hospital property in the city of Portales, New Mexico, providing for permits and fixing the penalty for the violation thereof:

Be it ordained by the City Council of the City of Portales, New Mexico:

SECTION 1 that it shall hereafter be unlawful for any person, persons, firm, partnership or corporation to build, erect, construct, establish and maintain any garage, filling station, canning factory, soap factory, laundry, tanning factory, oil houses and dance halls or any obnoxious business in the residential district of the City of Portales, without securing the written consent of all the property owners within a radius of one hunderd feet of the site of such proposed business to be established and to secure a permit from the City of Portales to so build, construct, erect, establish and maintain such business.

SECTION 2 It shall hereafter be unlawful for any person or persons, firm , partnership or corporation to build, erect, construct, establish and maintain any garage, filling station, canning factory, soap factory, laundry, tanning factory, oil houses, dance halls or any obnoxious business within one hundred feet of the property line of any church, school or hospital within the City of Portales.

SECTION 3 Any person, persons, firm, partnership or corporation, desiring to build, construct, erect, establish and maintain within the residential district in the City of Portales, any such business as set forth in this ordinance, if not within one hunderd feet of the property line of any church, school or hospital, shall first obtain the written consent of all the properhunderd feet of such propsed site ty owners within a radius of one of said proposed business and file such written consent of said property owners with the City of Portales at the time of making application for a permit to build, erect, construct, establish and maintain such proposed business in the residential district of the City of Portales.

SECTION 4. That the residential district as used in this ordinance shall mean all districts in the City of Portales where there is a residence within one hunderd feet of any site of any such proposed business as set forth above, such as is restricted by this ordinance to be established.

SECTION 5 Any person, persons, firm, partnership, or corporation, violating this ordinance shall be guilty of a misdemeanor and punishable by fine of not less than $100.00 nor more than $200.00 or confined in the common jail for not less than 30 days and not more than 90 days or both at the discretion of the Court.

SECTION 6. This ordinance is hereby declared to be an emergency measure on the ground of urgent public need, and therfore immediately upon its final passage, shall be recorded in the book of ordinances of said City kept for that purpose, authenticated by the the signature of the Mayor and City Clerk, and shall be in full force and effcet from and after five days after its publication.

Passed and approved this 27th day of August, A. D. 1930.

(SEAL)

J. N. McCall, Mayor.

Attest:

A. W. Freeman, City Clerk.

IN THE DISTRICT COURT, ROOSEVELT COUNTY, STATE OF NEW MEXICO

August 28--Sept, 18-H

NOTICE

Notice is hereby given that the undersigned was, on the 11th day of August, 1930, appointed Administrator of the estate of William C. Terrill, deceased, by the Probate Court of Roosevelt County, New Mexico.

THEREFORE, any and all persons having claims against said estate are hereby notified to present the same in the manner and form and within the time required by law or the same will be forever barred.

J. C. Compton of Portales, New Mexico, is attorney for Administrator.

Portales, New Mexico, this the 11th day of August, 1930.

Roy Terrill, Administrator,
Aug. 14-Sept 3 JCC.

NOTICE TO CONTRACTORS

Sealed bids will be received by the Secretary at the office of C. M. Compton, Jr., Portales, New Mexico, up until 2:00 p. m., September 9th, 1930, for the erection and completion of a unit of the Administration Building for the Eastern New Mexico State Normal School, Portales, New Mexico.

All proposals will be filed in strict accordance with the plans, specifications and proposal forms as prepared by The Butler Company, Architects, 415 Myrick Building, Lubbock, Texas. Contractors desiring to submit bids will be furnished with a set of plans and specifications upon application to the Architects, accompanied by a cashier's check in the amount of $50.00, made payable to the architects, said deposit to be for the return of the plans and specifications in good condition at the time of the letting.

Board of Regents reserve the right to reject any and all bids.

Signed:

C. M. Compton, Jr, President.

ATTEST: Mrs. Clyn Smith, Secretary.

ELIDA

Mr. A. Grimshaw returned Friday night from DeLeon, Texas, where he had been to the bedside of his son, Robert. Mr. Grimshaw received a telegram Saturday that his son died Friday night. So Mr. Grimshaw and the children all left immediately for De Leon.

Mr. and Mrs. R. W. O'neal and little daughter, Wanda Marie, of Lubbock, Texas, are visiting in the home of Mr. O'Neal's parents, Mr. and Mrs. N. B. O'Neal.
children and Mr.. Preston Berry-

Mr. and Mrs. Cecil Berryhill and hill of Oklahoma, visited in the home of their cousin, J. F. Berryhill of Elida.

A large number of the B. Y. P. U. members attended the Fifth Sunday Meeting at Clovis, Sunday. Among those were: Mr. and Mrs. O. C. Herbert and children, Mrs. H. F. Deering, Misses Naomi and Elva Tumlinson, Hazel Berryhill, Edith Herbert, Bonnie Mae Latta, and Mr. Paul Reigel, Albert Berryhill, and S. G. Bridges.

The Slack brothers John and Sam were Portales visitors Monday of this week.

Oscar Peed was seen shopping in Portales, Monday.

Mr. Raymond O'Neal was a Clovis visitor Tuesday.

Y. W. A.

Te members of the Young Womens Association held their regular meeting last Thursday evening in the Baptist Church at which time Mrs. T. E. Mears and Miss Lucy Stinnett were both present.

Miss Lucy resigned as Counselor, since she was leaving within a few day for her school work at Fort Sumner, and Mrs. Mears is assuming the direction of the program for the organization.

The evening Thursday was devoted to a lesson in the manual upon which the young women will later have a nexamination for the rewarding of [illegible]s.

Miss Kate McManaway and Miss Ruby Cooley were guests of the evening and with their interest in the lesson was a keen inspiration to the members.

PRESBYTERIAN SERVICES

Special Services conducted at the new Presbyterian Church by Rev. W. K. Johnson of Lubbock closed with the service of Sunday night.

These six days services were specially planned for the gathering up and reconsecration of our people, preparatory to our fall and winter work as well as for the salvation of our unsaved who may be won at this time.

The members of this young church are to be greatly encouraged and commended for their loyalty and faithfulness in the meeting and the work of the church at this time. Thanks for every manner of helpfulness and co-operation had from others durthese days.

The Presbyterian have a growing Sunday School, a fine Women's Auxiliary, a Christion Endeavor work and preaching services twice a month.

If you are a Presbyterian moving into Portales, why not line up at once with your church and its work. We shall be glad to have you and others make you church home with us.

W. K. JOHNSON,
minister.

Miss Claudia May Moody, daughter of Mr. and Mrs. Joe Moody of Amarillo, is spending this week in Portales visiting in the home of her uncle, J. B. Priddy.

Mr. and Mrs. H. O. Minick are enjoying a visit from Mr. and Mrs. J. D. Cooper, Mrs. L. J. Huffines and daughter Oleta all of Wichita Falls, Texas.

HOW TO COOK BEANS USING SOFT WATER

The simplest method to use when cooking beans in soft water, is to put them on in plenty of water and cook them until they are tender says Mary L. Greenwood of the New Mexico Agricultural College. The cooking time may be somewhat shortened and a plumper bean produced if the beans are first soaked. Howeveer, neither of these methods will produce a bean of which the skin is tender. In order to soften the skin, soda must be used. It may be added to either the soaking or the cooking water. If added to the soaking water, a fairly strong solution, approximately one heaping tablespoon of soda to one gallon of water should be used. After soaking, the soda water in drained off and fresh water is added for the cooking process.

A very weak solution, approximately one-half teaspoon of soda to one gallon of water may be used for soaking the beans and no water drained, so that they are cooked in the soda water. The beans may also be cooked without soaking, using the same amount of soda, but it takes longer to cook them and the quality is somewhat inferior.

Beans may also be soaked in clear water, parboiled for one half hour in soda water, one level teaspoon soda to one gallon of water, the parboiling water drained and the cooking process completed in clear water.

When cold water is used in soaking beans, they do not soak plump, a number of them remain ard, even after 15 or 16 hours of soaking. If hot water is used they will all become plump if soaked for 10 to 12 hours. The soaking period should be at least 10 hours long and 12 or 14 hours will produce no undesirable results. The water should be 120° F., which feels fairly hot to the hand.

MAIN POINTS TO REMEMBER

Use hot water in soaking.

Use soda if a tender skin is desired.

Use soda if a short cooking time is desired.

Keep the beans well covered with water until the latter part of cooking period.

Add salt the last half-hour of the cooking period.

Measure soda carefully when soda water is not drained.

ODD FELLOWS AND REBEKAH MEETING

The members of the Odd Fellows and Rebekah lodges in Portales are making arrangements for their annual social which will be held at the I. O. O. F. on Friday evening, September 12th.

This is one of the happiest events each year in the life of the organiation as the evening takes the nature of a family party and a jolly time with members of both lodges is always fully enjoyed.

The Noble Grands are urging that each man and woman cancell other appointments on that evening and assist in making this social the record party of the orders.

NIECE IS KILLED

Rev. C. E. Ball received notice Monday of the death of his ten year old niece, Wanda Myrl Ball at New Hobbs, New Mexico.

The child was in the car with her parents and in an unexpected start of the car she was thrown to the ground and killed instantly.

Rev. Ball accompanied by S. B. Fletcher, drove to New Hobbs Monday night to be with his grief stricken brother.

The child was taken to the old home at Lorenzo, Texas, Tuesday for burial.

Pale and Weak

"I THINK Cardui is a wonderful medicine, for I improved greatly after taking it," says Mrs. A. W. English, of R.F.D. 4, Roanoke, Va. "When I was just a girl of 13, my mother gave this medicine to me, and it did me a great deal of good. I was weak and run-down. After I had taken Cardui awhile, I felt much better.

"In 1924, my health was poor. I felt miserable, and hadn't enough strength to do my housework. It took all my willpower to keep up. I was pale and weak.

"I got Cardui again and took it. My improvement was wonderful. I can recommend Cardui to others, for my health was so much better after I had taken a course of the Cardui Home Treatment."

SOUTH TATUM

YOUR OPPORTUNITY

TO PURCHASE CHOICE
BUSINESS AND RESIDENCE LOTS
IN A GROWING TOWN IN LEA COUNTY,
THE BOOMING OIL COUNTRY
OF THE SOUTHWEST

LOCATION

Tatum is on U. S. Highway 13, an important all-year east and west highway, on State Road No. 18, which has been completed into Tatum from the north, and which is completed south of Tatum.

The Carlsbad Cavern Highway, Oklahoma City to El Paso, via Lubbock, Tex., Tatum, Carlsbad, and the Carlsbad Caverns, is the west boundary of South Tatum. Over 100,000 people are expected to visit the cavern this year and a large number of them will use the Carlsbad Cavern highway.

Tatum is the center of one of the greatest undeveloped agricultural regions of the entire southwest. The railroad is now building thru Hobbs, and Lovington and the survey has been run to Tatum. The coming of the railroad will make it possible to market the produce of this section at a profit, and will make Tatum a stragetic location for distributing houses.

Tttum is in the famous shallow water belt of Lea county and now that an outlet for farm products is assured, the cheap good lands of this section will soon be under irrigattion and this will be the business center of a happy, prosperous agricultural community.

ROYALTY SPREAD

With each lot the purchaser is receiving an interest in the oil and gas royalty on a spread of ten tracts comprising more than 1900 acres of land in Lea county. While there are no wells drilling on this land at present, it is in the trend of development and new locations are being made closer and closer to these tracts all the time.

The Sunshine Development Company has secured the services of U. S. Land Commissioner E. J. Fox of Tatum, N. M., who will act as trustee, handling the royalty rights of the purchasers of South Tatum.

BIG RETURNS

Have been made on real estate investments in almost every town in Lea County. Development has pushed steadily to the north, from Wink, Texas, to Jal, N. M.; then to Hobbs; Lovington; NOW SOUTH TATUM, the Gateway to the oil fields, offers the best possibilities for steady growth and rapid development of any town in Lea County.

LOTS IN SOUTH TATUM ARE A SOUND INVESTMENT AT $100.00. WITH THE ROYALTY SPREAD AS AN ADDED OPPORTUNITY FOR LARGE PROFITS

Sunshine Development Co.

We have sold over 200 lots already in Portales.

FLOYD

Floyd school opened Monday, Sept. 1. Most of the patrons of the district came in for the opening exercises. More interest was shown than ever before. Transportation in the best of condition, two new teachers have been added to the faculty this year. All the faculty very eager to begin their work. A fine new economic Cottage has been completed. With all this Floyd is looking forward to the best school year of Floyd's history.

Miss Onitia Cranford began working for City Drug Store in Portales on Sept. 1.

E. C. Parson, wife and son, Ed Dean, of Amorillo, visited his brother, J. H. Parson from Tuesday until Friday.

Mr. B. F. Thompson and family of Portales have moved to Floyd until they can get them a new house erected on their new tract of land 3 miles southwest of Floyd. They are having a well drilled naw. We are very glad to welcome them back to Floyd.

Laura Hall came home Sunday from Yeso to resume her work as a senior in the Floyd school.

Grandpa Swain is very critically ill at this writing.

Quite a few from here have gone to Portales to work. Among those gone are Miss Eula Price, Mrs. Hollis Price, Miss Estelle Parson and Mr. Holden.

Mrs. Walker has come back from Hot Springs, N. M. and is much improved.

Little James Neil McCleskey was sick on Monday.

C. M. Brewton will preach at Floyd Saturday night and Sunday morning.

Carl and Yale Rice will return to their home in Amarillo, Tuesday after spending the summer with their Grandma Mrs. D. A. Gordon.

Grandpa Heckathorne is still visiting his son here and his health is seemingly good.

Mrs Divine Cook was called to the Clovis Hospital Sunday night because of serious illness of her niece.

After a faculty meeting Saturday afternoon. Quite a few enjoyed a watermelon feast at Prof. Don Foster's residence.

The Club ladies met at the school house last Friday and discussed plans to fill the booth at Portales on the 18th. Now this is not only club work but it is community. Every one in the Floyd school district is asked to help to exhibit something to make Floyd booth the best so it you have something please see someone of the committee, namely Mrs. Welch, Mrs. Watkins, Mrs. Sweat, Mrs. Thompson, Mrs. Jones, Mrs. Womack and Mrs. McCleskey. Your co-operation will be appreciated.

This Friday is achievement Day for the Floyd girls who have worked so hard all the year. Everybody come out and see their work which will be on display at the school house.

Don't forget our prayer meeting on Thursday night. Let us make this a great study and help.

There were two suprise birthday dinners last week, one for Grandma Beck on Tuesday and 1 on Sunday for Mr. Paul Haragan. More about these dinners will be found in other parts of this paper.

The Latter part of last week Miss Mayme Davis visited Miss Wynema Kingsolving. On Saturday Miss Davis accompanied Miss Kingsolving to Clovis, where the latter will remain for this term of school. Miss Kingsolving will be a Senior in the Clovis High School.

SOCIETY

On Tuesday, Aug. 26, was Grandma Beck's 78th birthday and quite a few families showed their appreciation of her good life and a neighbor to all. Grandma came to Roosevelt County 27 years ago, she has seen many hardships and many pleasures, her healrh is extremely good for a lady of 78 years. Grandma was very much surprised as the cars filled with old friends began to drive up. She received many nice gifts and at noon a long table of good things to eat was filled. The day was spent in games and social talks.

Those who gathered to show their remembrance of the day were: Mr. and Mrs. George Blue, Mr. and Mrs. G. A. Olsen and family, Mr. and Mrs. Lorne Johnston and family, Mr. and Mrs. L. H. Heckathorne and family, Mr. and Mrs. W. C. Border and family, Mr. and Mrs. J. D. Brown and family Mr. and Mrs. M. O. McClesky and family, Mr. and Mrs. Ross Ford and family, Mrs. Wharton and children, Mrs. Meadow and son, Grandpa and Grandma Swain, Grandma Johnston, Grandpa Heckathorne, Walker, Grandma Walker, Grandma McCleskey, Mr. Bradford and Tom Swain, Mr. Oliver Johnston, Mr. R. L. Barden, Miss Myrtle Walker, and Mr. and Mrs. William Beck and son, Gordon Beck.

"No Medicine Ever Helped As did Konjola"

Stubborn And Painful Stomach Ailment Readily Yields To Power of Famed Compound

MRS. EDNA BARNETT

--"Each day for a year I was in misery", Said Mrs. Edna Barnett, 713 North Pearl Street, Dallas. "My stem had become weak and run down from indigestion, Food failed of digestion and I had a constant buring sensation in my throat and stomach. Gas formed and I often belched violently. My nerves were upset and little things upset me terribly. I did not sleep well at night.

"The number of local people getting reults attracted my attention to Konjola. I noticed a change for the better in my condition after I had taken the first bottle. I have taken four bottles to date and my health is again normal. I eat what I wish without a trace of indisgestion or bloating. My nervous condition is much relieved and I sleep well at night. No medicine ever helped as did Konjola."

The files of Konjola contain thousands of such statements. It is recommended, however, that this medicine be given a thorough trial in the average case over a six or eight week period.

Konjola is sold in Portales, New Mexico, at the New Mexico Drug Stor, and by all the best druggists in all towns throughout this entire section.
