County's proposed tax rate changes

The Parmer County Commissioners on Monday held a special meeting ro change the proposed tax rate.

Last week, the commissioners adopted a proposed tax rate of .4619 cents per $100 assessed valuation, down from this year's .4782 rate.

But later in the week, it was discovered that due to a miscommunication involving the amount of debt service, the proposed rate would cause a financial problem.

So the commissioners met on Monday to resolve the problem. They did so by raising the proposed rate to the same as this year's -- .4782 cents per $100 assessed valuation.

Before doing so, there was a lengthy discussion on whether to include the proposed 3 percent pay raises being given all county employees as part of the new budget.

The commissioners voted 4-1 (with Lazbuddie area county commissioner Lloyd Bradshaw opposed) to change the proposed rate to the .4782-cent figure while keeping the 3 percent pay raises.

Hearings will still be held on the proposed tax rate as scheduled.

It should also be noted that the county's assessed valuation has increased. Thus, the change in the proposed tax rate means that the county will get about $146,000 more than if the .4619-cent rate had been adopted.

Mesman Dairy to host 'Just Say Cheese' mixer

Since almost everyone loves cheese, wouldn't it be great to taste delicious artisan cheeses made right here in our backyard?

The public is invited to BTM Dairy and Dutch Cheese Making for education and socializing at the next local Llano Mixer "Just Say Cheese", on Aug. 25 from 10 a.m. to noon at the dairy.

Those attending will learn about the process and equipment involved in making artisanal Gouda Cheese from Teresa Mesman, owner and operator of Dutch Cheese Making & Gouda Ideas (www.dutchcheese-making.com), whose facility is located at the dairy.

Lunch will be served for $5 per person, and you will need to RSVP if you want the lunch (call Darryl Birkenfeld at (806) 945-2255 or email: darrylb@amaonline.com).

Local foods author Pam Walker from Houston, will be the lunch speaker.

Local Llano t-shirts (in black, navy blue, or hunter green) will be available for $12 each. You also may want to buy some cheese.

BTM Dairy is located 5 miles east of Farwell on FM 145, then south one-half mile on County Road 7 (the address is 542 CR 7).

The Latest

All are invited to the annual community-wide cookout on Aug. 24 at 6 p.m. at the Lazbuddie School cafeteria.

The Longhorns also will host Holy Cross in a scrimmage that day at 7:30 p.m. after "Meet the Longhorns" is held.

***

Farwell Elementary School will host "Meet the Teacher" on Aug. 23 at 5 p.m.

Students and parents can find their new classroom, meet the teachers, bring their supplies, and join in a short neighborhood walk.

Also, everyone is encouraged to watch the Steers in their scrimmage against the Texico Wolverines at 6 p.m.

***

Farwell's Bill Dannheim is American Legion commander for Texas' 18th District, which includes 24 counties.

He attended three days of training last week in Austin.

One thing he will be looking into is to promote students in art contests. The Legion gives out $180,000 in scholarships to art contest winners each year.

***

The Farwell Hospital Board on Aug. 16 proposed to reduce its effective tax rate from .0293 to .0283.

Parmer County Appraiser Jill Timms said that due to the increase of property values in the hospital district, this rate reduction will yield virtually the same amount of revenue.

It will be voted on Sept. 6.

In other business, the issue of whether to charge rent for the medical facility was deferred.

The board said the new sign in front and stencilingon the doors is completed.

***

From Monti Vandiver, Parmer County extension agent - IPM:

These topics along with many others will be discussed in an open forum by Medicaid experts from Senior Planning Services.

Just Passing Through

WILL ANDERSON

I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character. I have a dream today.

Dr. Martin Luther King
Aug. 28, 1963

Parmer County takes pride in Friona for any number of reasons but its contribution to the Civil Rights movement in our nation seems to escape notice.

As we approach the anniversary this month of Dr. King's famous speech, we might remind our students of the exceptional virtue demonstrated by Friona's families in the hot-tempered summer of 1954.

The American people traveled a tough path in the 1950s and 1960s to finally sweep away the taint of the "Jim Crow" laws that had been enforced in varying degrees throughout the nation since the end of the post-Civil War Reconstruction in 1876.

"Jim Crow" was the stage character of a good-natured but constantly bumbling black buffoon popular in the traveling minstrel shows of the 19th Century. That was the name that came to be associated with various laws in every state, North and South, enforced to keep the now-freed black slaves "in their place."

The Supreme Court in 1896 made the Jim Crow principle of "separate but equal" the law of the land in its ruling in the case of Plessy vs. Ferguson.

With the near-unanimous declaration of the Court creating "separate but equal" at the level of the national government, Americans, black and white, for the next 70 years accepted racial discrimination as just a fact of life, with blacks banished into separation from whites in schools, public facilities, restaurants, transportation, and even churches.

That edifice of injustice showed its first major crack in 1954 when the Supreme Court overruled the 1896 Court, declaring in Brown vs. Board of Education, that the Jim Crow separation was absolutely unequal beyond remedy and beyond reason, particularly in the case of schools.

School boards across the nation simply ignored the Court's ruling for another 10 years and Americans who were alive in that period can recall the evening news on TV reporting on protestors being engaged with fire hoses and tear gas in Montgomery, Birmingham, Selma, Los Angeles, Philadelphia, Chicago, and other cities, large and small, all across the nation.

In the midst of that turmoil and chaos, Friona's families and school administrators took a brave stand in defiance of a national atmosphere of animosity and unreason.

Friona, alone in the state, immediately desegregated its school, teaching children in the same classrooms, ignoring the color of their skin, concentrating only on their status as young Americans, and validating the content of their character.

Other Texas schools did the same in the years that followed, all using Friona as their example.

Americans today may overlook the importance of 1954 in our nation's history and forget the bravery of citizens that determined to "do the right thing" when antagonism was the predominant response.

On this anniversary of Dr. King's famous speech, Friona's students can take pride in their grandparents in 1954 and in their city, to this day still a community built on courage, character, composure, and Christianity.

We can all take pride in that.

4-H honors presented

The Parmer County 4-H held their annual awards luncheon in Friona on Sunday. Bronze honors went to Matthew Kube (pictured) and Victoria Gutierrez. Gold awards went to Shyann Rainey (pictured) and Ally Weaver. Also, Susie Dale and Mary Kube were elected to the Pals board. Mrs. Dale is treasurer and Mrs. Kube is vice president. It was noted that the Pals board will pay for any 4-H registrations between now and Oct. 15. If any questions, contact county extension agent Benjy Henderson.

Border Banter

--Mike Pomper

Make no mistake about it, I am a Dallas Cowboys fan.

I root for the 'boys as if I were a native Texan (unless I lived in the Houston area).

So how does it look this year?

No question that the Cowboys have the talent to go all the way, and should make the playoffs easily.

They will do it with defense this year. The defense has been upgraded remarkably and all I can say ... it's about time.

Last year's collapse was not due to Tony Romo, who had an outstanding year. It was because the 'boys could not stop other teams from scoring.

This year, as shown in their first scrimmage against the Oakland Raiders, it will be a vastly different story. Their defense is going to cause a lot of problems for opponents.

And we all know that defense is the key to victory in football.

Thus, Romo & Co. won't have to put tons of points on the board to get into the "W" column. They have the QB, the running backs, the tight ends, the receivers to do just that.

The 'boys have only one weakness: the offensive line. It has been hit hard by injuries this summer but it seems the players will be back in good physical shape later.

Thus, I look for a slow start until the "o line" comes together.

When you look at the New York Giants last season, injuries hampered them early, too. But when the team got healthy late, they went on a roll ending in the Super Bowl.

So although the 'boys offensive line looks wimpy right now, I expect it to be much stronger later.

The only unknown in what I see lies in injuries. If you lose a Romo to injuries for example, kiss all I've written goodbye.

But if the 'boys can stay healthy, it's going to be a fun year for its their fans.

Speaking of football on another level, high school seasons are starting.

Folks, our kids train hard to be part of football teams that represent their communities. Win or lose, they give their best.

Don't be a couch potato. Please support your teams by going out on Friday night and cheer them on.

It means a lot to our kids that they have your support. Don't let them down.

***

In last week's paper, Tribune publisher Rob Pomper wrote a note thanking Xcel Energy for its donation to Border Town Days and how it helps the community in more ways than one.

David Essex, of Xcel, replied:

That was a very nice letter that you put in the paper. Xcel Energy is always happy to be able to help out in our communities when we can.

We get requests for donations all the time and it is nice to see it make a real difference. We value our smaller communities and I think these types of events are a great way to celebrate a special way of life that larger communities don't have.

I am thankful for people like you that take the time to get involved, and work to make everyone's life a little happier.

Stock show dinner ticket sale continues

The 2012 Parmer County Stock Show dinner is set for 7 p.m. on Sept. 8 at the Farwell Community Center.

Local volunteers will again prepare the meal including rib-eye steaks, green beans, potatoes, salad and green chile corn.

The dinner is a major fund-raiser for the Parmer County Junior Livestock Show held in January each year.

At the last show, no matter what place youths got there, they received at least $100 from the fund.

Each community in Parmer County sells tickets. However, a maximum of 225 tickets will be sold, and two persons may attend on one $100 ticket.

To purchase tickets, contact Patti Johnson, Steve Schilling, Keith Hadley or Darren Haseloff in Farwell; Ed Terry in Lazbuddie and Friona; Al Kerby Jr. in Bovina, or any Farwell 4-H or FFA member.

Head Start room still available

Farwell Elementary School Principal Mark Barnes reports that there is still room open for about four more Head Start pupils for the coming school year.

If you have a child who qualifies, call Farwell Elementary School at 481-9131 r stop by the school weekdays from 8:30 a.m. to 4 p.m.

Requirements for eligibility are:

A child must be at least 4 years old prior to Sept. 1, be unable to speak or comprehend the English language, or is from a family whose income, according to standards set by the state Board of Education, is at or below subsistence level (elgible for free or reduced lunches) and is a resident of the Farwell School District.

It also requires income verification (check stub), Medicare/TANF.

Steers scrimmage Ralls

The Farwell Steers opened their season with a scrimmage against Ralls last weekend.

There was only one score, on a big play by Ralls.

The Steers are learning a new "spread offense" from Coach Taylor Read. The offense features 3 or 4 receivers.

The Steers' offense will be led by Collin Christian, quarterback; Kolten Morris, running back; and Curt Langford, J.J. Herrera, Chase Mitchell and Dillon Kirkland, receivers.

Vandiver: Crop conditions continue to deteriorate

From Monti Vandiver, Parmer County extension agent - IPM:

Area crop conditions continue to deteriorate across the board with the exception of fields with very high irrigation capacity.

Cotton continues to shed small fruit and in some cases bolls have ceased development and have cracked prematurely.

Some of the earlier planted corn is also drying down much quicker than anticipated; fields have gone from minimal desiccation to near 50-60 in a week with a starch line around 33%.

Hopefully, desiccating corn plants will hold on long enough to finish filling grain.

Stanley returns to Texico Schools

The Texico School Board on Monday hired Terry Bryan to be elementary school special education teacher.

She comes from Portales and will start here on Sept. 17.

Also, Rick Stanley, who retired as Texico elementary school principal a couple of years ago, will be returning to the Texico School staff.

He had planned to work part-time, but with Elnabeth Grau's promotion from high school counselor to high school principal, he will work fulltime.

Stanley will teach a technology class and help with testing at the high school.

In other business, the board was given a report by Supt. Miles Mitchell on Tres Amigas plans.

Tres Amigas is looking to build in the Texico School District, but is seeking a bond issue. If Tres Amigas were to build its plant here, it may be possible to pick up some tax revenue for Texico Schools.

Mitchell will keep watch on how this progresses.

Baby Shane Alan Ensz

Our darling baby, Shane Alan, was born Dec. 15, 2011, to Philip and Lana (Koehn) Ensz at Pecos, Texas. The angels came for Baby Shane in the early morning hours of Aug. 15, 2012. Death was caused by a heart defect. Shane was 8 months old.

Shane was an identical twin but God saw fit to take his brother before he was born.

"Shaner" was always such a joy. The first two months of his life we had Shane at home and experienced the joy parents have watching their little ones. It was mentioned how life just couldn't get much better with our perfect little family. On Feb. 17, Shane was sent to the hospital with RSV. After 10 days in our hometown hospital, it became evident his problem was more serious that they could treat.

We were flown to El Paso Children's Hospital where Shane was diagnosed with a serious heart defect, Shone's Complex. The next day were were flown to San Antonio to Christus Santa Rosa Children's Hospital. Shane had numerous procedures and 2 open heart surgeries there over the next 5 1/2 months. He slipped away so peacefully and quietly in his mommy's arms as he went to be with Jesus.

Shane seemed to be an angel on loan to us from God. "For I have created him in My glory, I have formed him, yea, I have made him." (Isaiah 43:7). We were told cardiac babies are often not happy because of how hard their body has to work, but Shane was always happy. He would often smile and his big beautiful blue eyes would light up and sparkle! When big brother, Micah, would come back into NICU to spend time with him, Shane would watch him and smile.

We were blessed with many doctors and nurses who lovingly took care of Shane. We will always remember their love and care.

Even though we miss him so much, we know Shane is free from all pain and struggling. Those who anxiously await seeing him playing with his twin brother in heaven are his daddy and mommy, Phil and Lana; big brother, Micah Todd, 3 years; grandparents, Karl and Dorothy Ensz, Fort Sumner, N.M.; and Lance and Beverlee Koehn, Farwell; great-grandparents, Sadie Koehn, New Plymouth, Ida.; Russell and Winona Koehn, Potlatch, Ida.; and Vernon and Ethel Jantz, Fredonia, Kan.; uncles and aunts -- Nathaniel and Rachel Ensz and 4 children, Balmorhea, Texas; Daryl and Shelly Ensz and 2 children; Jeremy and Laura Ensz and 3 children, and Carlos Ensz, all of Fort Sumner; Keith and Joni Dirks, Scott City, Kan.; Andrew and Jill Nichols, Muleshoe; Cami Koehn and Rachel Jantz, Farwell, and Jordan Jantz, Balmorhea, Balmorhea.

Funeral services were held in Pecos on Aug. 18, 2012. Burial was in Mt. Evergreen Cemetery, Pecos.

Texico residents asked to conserve water

The Texico City Council on Aug. 14 asked residents to start watering every other day to help conserve water.

They plan to contact State Rep. Dennis Roch to help get emergency help from the state if they can.

In other business, the council:

-- Praised the work done by the Texico Baptist Church youth group clean up the city.

Councilman Oran Jay Autrey said he was surprised at how much trash was cleared in a day. "I really was surprised by how many people made an effort to put items out by the street for pickup."

Autrey said the youths loaded many trailers of trash and also cleaned up several alleys in their effort.

The council was equally impressed and called this a effort a complete success.

- Discussed the current water well situation.

Street Supt. Darrell Stanton said KKR Park well is currently down for repairs. A new liner is going to be needed inside the casing.

Stanton said Brown Well is currently being used, but since the well discharges water directly into the pipes there has been a lot more air in the system than normal.

He said the other wells pump into a holding tank before going into the system which allows the air to naturally come out before pumping, but the current well situation makes using the Brown Well necessary.

- Heard that Councilwoman Audrey Kittrell hopes to get a grant written for a street sweeper for the city. Mayor Jerry Cunningham said it was a great idea, and it doesn't hurt to keep asking. Any grant money would be welcomed.

- Discussed hiring a person to use a sterilizer on plants growing in the streets. Stanton said that they've used Roundup for years, but it only has a limited time before the plants grow back. The sterilizer is often guaranteed for 5-7 years.

They will look into having it done next spring before the growing season begins.

Autrey also asked them to look into killing several trees that are pushing up the curbs in town.

From the Old Geezer
Butch Tharp

In the last column, I reminisced about changes in Texico-Farwell. That set me to remembering some other changes I've seen.

In the realm of the English language, there have been so many changes, that it is in some ways laughable, and in other ways, troubling. It appears that with the coming of casualness, the English language has taken an insurmountable hit.

Now I don't know just when teachers lost control of teaching and enforcing the proper grammar, but when my generation used the words "I seen" or the most diabolical, the most reprehensible of all, dubious, self centered, narcissistic terms -- "ME and xxx."

The teaching of this was to put the other person in the spotlight of respect. To say "ME" and someone else shows disrespect for the other person! Bill O'Reiley, a former school teacher, used the words "see ME and Miller" the other night on his TV show.

I can't help but wonder how many older former school teachers are disturbed when they hear the use of "ME and ..." or "I seen." It actually takes more effort to say "I seen" and "Me and ..."; try it and see. Those are only two of the grammar changes I have seen in the 62 years since my graduation.

We had one teacher, who, when hearing "Me and Joe" or "I seen," would tell the offender "that sort of grammar makes me look bad as a teacher, and makes you sound like an uneducated dunce."

Years ago, "casual" happened. Some businesses adopted "casual Friday", for example. Many eateries posted signs saying "Come as you are."

Not a whole lot of time passed, and the original signs were replaced with signs reading, " No shirt, no shoes, no service."

I noticed awhile back that many businesses which adopted "casual Fridays" have thrown them to the dogs because production had fallen so badly.

Not only have grammar and productivity suffered, but there seems to be a direct correlation to our society as a whole. For instance, in our locale, there was a time when people went to town dressed respectively, combed their hair, and, if their clothing had torn areas, they were as neatly as possibly patched.

As I remember, most shoes were fairly shined. I remember this because, I was the recipient of many a dressing down because I harbored the lack of interest in taking care to polish my shoes for any reason.

Even today, it has become the responsibility of my wife to remind me to polish even my work shoes!

Nowadays, people pay extra money to purchase torn, stained, shamelessly oversized ugly clothing. People now dress and talk, with no respect for others, and, like it or not, this is just another aspect of the casual approach.

Back in the 1940s, the only tattoos you saw on anyone were tattoos depicting the branch of military service that the wearer served in. Nowadays? It is reported that 42 percent of folks are tatooed!

People now tear sleeves off of clothing

The Farwell Education Foundation is continuing its efforts to raise funds to provide scholarships for our Farwell High School graduates.

One way you can assist us, for example, is when you want to make a donation to honor someone or a group, is to give a memorial donation on their behalf to the Farwell Education Foundation. To do so, just contact Cindy Patterson, Farwell Superintendent's office secretary, at 481-3371.

Or, if you would like to just make a donation, or to include the Foundation in your will … both are great ways to help build our young people's futures.

We sincerely appreciate you.

Farwell ISD announced its policy for providing free and reduced-price meals for students served under the National School Lunch and Breakfast Programs.
Each school or the central office has a copy of the policy, which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free and reduced-price benefits. Students from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of the state agency or court are eligible for free meal benefits regardless of the income of the household with whom they reside.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children. Applications also are available at the principal's office in each school. To apply for free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by the school officials at any time during the school year.

For school officials to determine eligibility for free and reduced-price benefits, households receiving Supplemental Nutrition Assistance Program (SNAP) benefits (formerly Food Stamps)/Temporary Assistance for Needy Families (TANF) only have to list their child's name and SNAP or TANF case number. An adult household member must sign the application.

Households that do not list a SNAP/TANF case number must list the names of all household members, the amount and source of the income received by each household member, and the last four digits of the Social Security number of the adult household member who signs the application. If the adult who signs the application does not have a Social Security number, the household member must indicate that a Social Security number is not available by writing the word "None," "No Number," or some indication that the person does not have a Social Security number. The application must be signed by an adult household member.

Under the provisions of the free and reduced-price meal policy the secretary will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Darren Haseloff, Farwell ISD Board of Trustees President, PO Box F, Farwell, TX 79325 or 806-481-3371.

If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the students of the household eligible for benefits if the household's income falls at or below the levels shown above.

Longhorns star in scrimmage

The Lazbuddie Longhorns took two out of the three scrimmages on Aug. 18.

The squad opened up by beating Christ the King, before falling to Happy. The team finished the scrimmage by beating McClain.

The 'Horns defense opened against Christ the King by not allowing a single first down. Alex Lopez took the reins by picking off a Christ the King pass. T.J. Beckerink forced a fumble on a sack and Gabe Beckerink would get a sack as well. Isaac Montes came up with a first down saving tackle for a loss.

Lazbuddie scored twice against Chirst the King, first on a Jared Timms to Lopez pass from 8 yards out. Then Timms found paydirt himself, as he took a pass from Gabriel Reza 30 yards into the endzone.

After dropping the Happy scrimmage, the squad bounced back against McClain. This time, Lazbuddie scored using a sustained ground attack. The drive culminated in Lopez scoring from a yard out one time, and Albert Solano scurrying in from eight yards out to seal the contest.

Defensively, Lazbuddie gave up one first down on a long score, but then held against McClain.

On defense, Keenan Youngblood netted three tackles, including a sack in the defensive set, with his high energy play.

"Overall we had a good scrimmage. We saw some things we did well and will work on the things we did not. That is why we scrimmage, it was a good effort overall." Coach Ken Hoskins said.

The Longhorns will host a three-way scrimmage on Friday at 7:30 p.m.. "Meet the Longhorns" will be held before the contest.

Lazbuddie School shows strong projected enrollment

The Lazbuddie School Board on Aug. 14 heard Supt. Joanna Martinez report the projected enrollment for the coming year to be about 170.

This is an outstanding figure in the resurgence of the school's enrollment.

Last year, the first day enrollment was 157, up from 137 the preceding year.

In other business the board:

-- Hired Ken Hoskins as varsity head football coach.

-- Hired Elizabeth Oliver to teach 1st through 5th grades reading and English language arts. She comes from Weatherford, Texas.

-- Approved Charles Oil Co., of Bovina, for its fuel bid.

-- Adjusted the pay schedule for some classroom instructional aides who were close to being certified teachers.

-- Contracted with Lubbock Sports Medicine for services during the football season.

-- Looked at contingency plans as water becomes more scarce.

The top priority will be having a storage tank. Also to be looked into are (1) tieing into nearby wells, and (2) drilling a 3rd well on school property and tieing them together.

-- Proposed a tax rate of $1.17, the same as last year. The public hearing will be held on Aug. 28.

-- Reaffirmed the policy of only allowing school personnel to use school housing. Periodically, other folks ask about renting school housing.

-- Noted that there are five positions on the Nov. 6 school board election ballot.

Incumbents Chris Timms, Terry Jesko, Randy Smith and Doyle Weir have their posts on the ballot, plus the seat vacated due to the resignation earlier this year of Shannon Bomer.

Due to state guidelines, the open seat must be filled at the board's October meeting.

As of last Monday, six people have signed up. Weir, Timms and Jesko had filed for re-election. Craig Smyer, Casey Russell, and Brenna Burch have filed to run as well.

The filing deadline was this week.

just to show some of the most diabolical, hideous and gross images. One thing for sure is the fact that these people do not go for tattoos in a casual manner.

Some women even wear low-cut blouses in order show tattoos on their breasts! I wonder how these tatoos are going to look when skin, due to age, starts wrinkling and sagging.

Also, in the '40s, and a few later years, women, for the most part, talked cleanly, and without the foul potty language. Back in the 1970's, someone apparently decided that women should dump their dignity, and lower themselves, to become equal with men.

Now, before someone gets angry with these observations and start yelling and screaming, allow me to recognize that people have the right to express their freedom of speech in just about any way that they choose.

But much of society sees all of this, along with many of the failed policies coming out of Washington, D.C., as contributing to weakening a once proud and self-sustaining nation.

Churches are losing membership, some schools have a dismal failure record, men and women take pride in using language on TV that must be frequently "bleeped out." When an actor can't perform well, it seems they make up for it by cursing or doing dope or smoking.

As the lead actor on the "Life Of Riley" used to say, "Oh, what a revolting development this is!"

Local 4-H'ers share their views on raising animals for show

Every year many local families participate in the Curry County Fair. Texico and Pleasant Hill FFA and 4-H clubs are well represented in the show barns.

Kids work with all types of animals, including chickens, rabbits, lambs, goats, horses, hogs, heifers and steers. All these young people put a lot of effort and care into their fair entries.

Showing an animal at the fair is not only educational but also a very family-oriented activity. It literally takes a lot of help from everyone - including family, friends and neighbors to manage an animal at the fair. Ultimately, all the kids seem to find showing and working with animals a very rewarding experience.

Here's what some kids had to say, for example:

Danika Nelson shows with the Pleasant Hill 4-H Club.

She says, "The fair is fun because you get to see the result of all of your work. I really enjoy working with the animals at home a lot. The first year I showed it was really hard because I didn't know what to do in the show ring. I was really nervous."

Danika showed goats and sheep at the fair this year. She says her favorite food at the fair is cowboy fries.

Danika's brother, Anders, also shows at the fair.

He says, "I really enjoy working with my animals – clipping them and taking care of them." His favorite thing about the fair are the rides, but showing doesn't leave him much time to go on the rides.

Rockell Horton and her brother, Ruger, also show with Pleasant Hill 4-H. This year they showed pigs and goats.

Rockell was awarded Reserve Grand Champion for one of her pigs. The Hortons agree, "The fair is really fun and we really enjoy going out to show."

Colton Lane is a first-time fair participant this year. Although his cousins, Morgan, Mitchell and Micah Pinnell, have been showing for a number of years, he just decided to get started.

He showed one sheep this year, Aphrodite, and earned a 2nd place finish in his class.

He says his favorite part about showing is spending time with the animals. His favorite thing about being at the fair are the rides.

2012 Property Tax Rates in Parmer County

This notice concerns 2012 property tax rates for Parmer County. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's *effective* tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's *rollback* tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per $100 of property value.

		County General Fund	F M Road
Last year's tax rate:			
	Last year's operating taxes	$2,252,138	$600,814
	Last year's debt taxes	$247,345	$0
	Last year's total taxes	$2,499,483	$600,814
	Last year's tax base	$650,906,926	$637,806,473
	Last year's total tax rate	0.384000/$100	0.094200/$100
This year's effective tax rate:			
	Last year's adjusted taxes (after subtracting taxes on lost property)	$2,499,875	$600,930
÷	This year's adjusted tax base (after subtracting value of new property)	$678,956,294	$672,668,006
=	This year's effective tax rate for each fund	0.368100/$100	0.089300/$100
	Total effective tax rate	0.457400/$100	
This year's rollback tax rate:			
	Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for any transferred function, tax increment financing, state criminal justice mandate and/or enhanced indigent health care expenditures)	$2,252,530	$600,930
÷	This year's adjusted tax base	$678,956,294	$672,668,006
=	This year's effective operating rate	0.331700/$100	0.089300/$100
×	1.08 = this year's maximum operating rate	0.358200/$100	0.096400/$100
+	This year's debt rate	0.030500/$100	0.000000/$100
=	This year's rollback rate for each fund	0.388700/$100	0.096400/$100
	This year's total rollback rate	0.485100/$100	

Statement of Increase/Decrease

If Parmer County adopts a 2012 tax rate equal to the effective tax rate of 0.457400 per $100 of value, taxes would increase compared to 2011 taxes by $ 10,366.

Schedule A: Unencumbered Fund Balances: County General Fund

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
Unembumbered Funds	3,097,994

Schedule B: 2012 Debt Service: County General Fund

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
Parmer County Law Enforcement Center	175,000	50,262	0	225,262

	Total required for 2012 debt service	$225,262
-	Amount (if any) paid from funds listed in Schedule A	$0
-	Amount (if any) paid from other resources	$0
-	Excess collections last year	$23,323
=	Total to be paid from taxes in 2012	$201,939
+	Amount added in anticipation that the unit will collect only 97.000000% of its taxes in 2012	$6,246
=	Total Debt Levy	$208,185

Schedule A: Unencumbered Fund Balances: F M Road

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

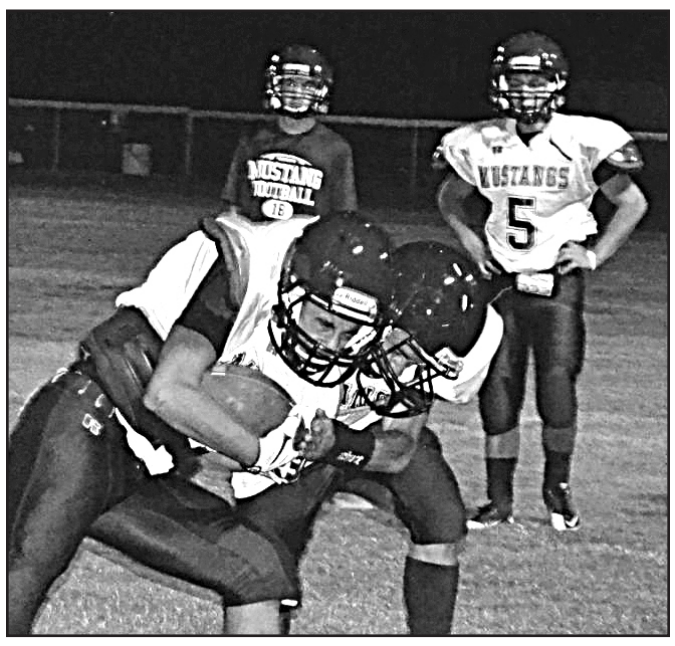

Type of Property Tax Fund	Balance
Unembumbered Funds	781,020

Interesting Fact of the Week: 4 million cats are eaten in Asia each year on average. Also cats supposedly can' t taste sweets. How do you even check something like this?

Bovina Banter

Deanna Curtis • 251-1405

Bovina's Mustangs will have Homecoming on Oct. 5 this year.

***

The Mustangs scrimmaged Clarendon last week.

Coach Hector Guevara said all went pretty well, but Clarendon scored once and Bovina didn't.

On offense, the top running backs this year will be Marco Terrones and Alejandro Guevara.

***

Here's the first week's lunch menus for Bovina Schools:

Monday - chicken fajitas, pinto beans, corn, orange, fruit, fruit juice.

Tuesday - chicken fried steak, cream potatoes, green beans, strawberries, fruit, fruit juice, rolls.

Wednesday - chalupas, tossed salad, applesauce, fruit, sherbet, fruit juice.

Thursday - chicken spaghetti, tossed salad, horns, apple, fruit, bread sticks, fruit juice.

Friday - fish tacos, sweet potato fries, cole slaw, peach, fruit, fruit juice.

**

From Jan. 2, 1947:

Durwood Bell hosted a group of friends with a waffle supper.

The Sew and Chatter Club met at the home of Mrs. Robert Calaway.

Mr. and Mrs. Bill Venable and son Rocky spent Christmas with their daughters in Midland.

Lonita Thompson visited her brother and his wife in Portales.

Roy Hawkins was called to Chicago due to the sudden death of his mother.

Peggy Sue Starr is visiting her aunts.

***

The First Baptist Church's VBS was a success with 104 youths participating, with 41 workers.

The church also held its annual teacher appreciation lunch this week. School opens on Monday.

***

Bovina Mustangs will be scrimmaging against Plains Aug. 23 at 5 p.m. at home. The game will be followed by "Meet the Mustangs" and the infamous Lion's Club free watermelon feed.

Booster Club will be serving up $5 hamburger, chip and drink plates during the game and if any are left, afterward, too.

***

All grades are hosting an Open House on Aug. 23 from 1 to 4:30 pm. You can go to whatever campus your child will be attending and go by the office they will get you started.

This is a great opportunity to get to know your children's teachers and what to expect for the upcoming year. You will also receive your child's schedule at this time.

***

People are still abuzz about the High School reunion in Amarillo. Seems like it was a huge success with a great attendance.

We are working with Twyla Hutto-Lusk on getting some pictures of the reunion. Be on the lookout.

***

Richard Steelman is on the road to recovery. He is doing better every day, we are told.

God is amazing ... we see his works every day and all the time. We are all so glad to hear how he is coming along.

***

Bovina ISD's first day of school will be Monday.

***

Booster Club will be meeting on Wednesday at 6 p.m. if you are interested in helping. The club meets regularly at the Home Ec. Building.

Awards banquet set for Saturday

It's time for that special Bovina event honoring our citizens.

The Bovina Chamber of Commerce awards banquet will be held at 7 p.m. on Aug. 25 at the Recreation Center.

Tickets cost $15 for one or $25 for a couple. Tickets are available at City Hall and some Chamber members, or can be purchased at the door.

The banquet will honor Man of the Year, Woman of the Year, Male and Female Students of the Year, and Heritage Award.

The theme is "Denim and Diamonds." A steak dinner with all the trimmings will be featured.

Come on out and support your Mustangs!!

Farwell Meal Site

BOVINA

Proud Home of the Mustangs & Fillies

Bovina holds grand opening for Recreation Center

The upstairs room features a great overlook of the main room. There is also a large TV and the controls for the sound equipment.

Old pictures of Bovina adorn the walls of the upstairs room around the mini-kitchen area.

The workout room has a stationary bike and a treadmill, along with two TVs and a great view of 3rd Street.

City employees remind you that Bovina is still accepting memberships at City Hall.

The stairs will feature an electric ramp that will help folks with the climb.

A pool table will be well used by local kids.

A fooseball table will probably be well used by local kids of all ages, as well.

The second floor has a nice reading area with couches, lamps and a small library to choose from. There is also a big screen TV and a coffee bar.

The play room features a jumpy house for the kids. Parents will appreciate that they can look in through windows from the front door, the main room, or above from the second floor, as in this picture.
