Lost Boy Found After 8-Hour Search

A 7-year old boy visiting his grandfather during Easter holidays was object for a hunt 8 hours Sunday in the rough country of Double Mountains on the Sam Baugh and B. Brown Smith ranches.

Bob Schlaepfer and his parents, Mr. and Mrs. Bob Schlaepfer of Burleson, Texas, were visiting Bill Simmons when the grandson decided to climb the mountain. After the family could not find the boy after several hours they called Stonewall County Sheriff, Jack Samford. The Sheriff called out Aspermont Fire Department and a plane pilot. Fisher County Sheriff, Bus Rollans and others went on the search which totalled about 300 men.

The father used the Fisher County Sheriff's department's loud speaker, calling to the boy.

Schlaepfer told his son to "get on a high knoll, sit still, and holler," one officer said. Bob was doing just that, hollering, when he was located by J. R. Ray of Aspermont, riding on horseback.

Ray said he heard the boy yelling, left his horse and walked up and down the deep canyon to get to him.

The spot where he was found was about six feet away from a 30-40 foot dropoff, about three miles from where he disappeared.

Although tired and cold, the boy was not hurt.

The mountain is located on the Sammy Baugh and B. Brown Smith ranches.

Dyess AFB officials had been notified and word was sent to Fort Hood for a helicopter equipped with floodlights. The pilot was standing by at Fort Hood, awaiting clearance, when word came that the boy had been found.

Farm Bureau Meeting Tuesday April 27

Fisher County Farm Bureau will meet Tuesday, April 27, 7:30 p. m. in the office at Rotan. Directors will attend regular business and reports will be given by those who have attended meetings out of the county.

This year's crop hail program will be discussed and the public is invited and urged to attend the meeting.

Visiting in the home of Mr. and Mrs. Lester Hardin over the week end were Mr. and Mrs. Morris Hardin, Vickie and Todd, Mr. and Mrs. Dac Hardin and Wendi of Hobbs, N. M. Also visiting Sunday were Mr. and Mrs. W. B. Hardin, Mr. and Mrs. Kenneth Hardin, Kima and Wes, and Mr. and Mrs. M. E. Boyele of Roby.

Mr. and Mrs. Darrell Hale and Jacalyn of Idaho, visited Mr. and Mrs. W. E. Hale during the week-end. They also visited with Mr. and Mrs. W. W. Killingsworth of Roby. Darrell was recently honored at a banquet for the Idaho Jaycees, when he was awarded a plaque, naming him outstanding Young Man of the year. He was also named Vice-President of the organization.

Posse Rodeo Ready For Two Big Shows

The Big Amateur Rodeo, staged by Fisher County Sheriff Posse is ready for the opening parade at 5 o'clock Friday afternoon. The event will be held Friday afternoon and will be held Friday and Saturday nights in the new arena of the Posse, west of town.

Entries were coming in rapidly at press time, assuring fans a good performance each night.

Much work has been done at their new system just west of town including completion of 6½ new boxes for spectators. These are in desirable locations and are sold on a lifetime deal, making them very reasonable. H. B. Campbell is in charge of this phase and they may be secured thru him.

Among the events this year will be Bareback and Saddle Bronc Riding, Tie Down, Ribbon Roping, Barrel Racing, Pole Bending, Flag Races and Bull Riding.

Stock for the show is furnished by Lawrence Klein of Henrietta.

Clean Up Week Schedule Listed

"Clean Up Week" for the City of Rotan will be held May 3 thru May 7. Plans call for the city crews and trucks to canvass every alley in town during this week. Residents are asked to cooperate by having trash and junk piled and ready to be picked when trucks will be in their alley.

Schedule will be as follows:

Monday, May 3: East of Cleveland Ave. (Hw. 70) on 4th, 5th, 6th, 7th, and 8th Streets.

Tuesday, May 4: East of Cleveland Ave. (Hw. 70) on Lee, McArthur, Johnson, Burnside, Beauregard to Snyder Ave. (Hamlin Hw.).

Wednesday, May 5: East of Cleveland Ave. (Hw. 70) and south of Snyder Ave. (Hamlin Hw.) to the South City Limits.

Thursday, May 6: West of Hw. 70 (Cleveland Ave.) and South of FM 611 (Snyder Ave.) to South City Limits.

Friday, May 7: North of FM 611 (Snyder Ave.) and West of Cleveland Ave. (Hw. 70) to North City Limits.

The City Officials stress the importance of this "Clean Up" and report that this week mosquitos have already been found to be hatching in the holes of water around town. Property owners are urged to clear their lots of trash and junk and even large items while the equipment and crews are available to handle it.

No charge will be made for this service and it will not be necessary to call or notify the city office when trash is ready as every effort is being put forth by running the trucks in all alleys to remove the trash.

First Baptist Pastor To Speak on KRBC-TV

Brother Billy Hudnall, Pastor of First Baptist Church, will bring the message on a 30-minute religious program over KRBC-TV at 1:30 Sunday afternoon, April, April 25. Then every morning during the following week, he will bring a 5-minute devotion beginning at 8:25.

The people of this area are encouraged to watch these programs.

Young Farmers Have Interesting Program

Fisher county young farmer report

Seven more young farmers became active members of Fisher County Young Farmers at their regular meeting Monday night, April 12. This makes the total of active members now standing at 30.

Bud McMillan and George McDuff from Southwest Chemical at Lubbock, were guest speakers for the educational activity. A film on herbicides was shown and afterwards the speakers talked about herbicides and answered any question about it. The film and talk was very interesting and was enjoyed by all.

Ray Booth of Sweetwater was present to thank the Young Farmers for serving as section leaders at the Sweetwater Livestock and Fair Association Judging Contest. He gave photos of the young farmers to the ones that served as section leaders.

The Adult Farmers at the meeting seemed well pleased with the organization and enjoyed the Educational Activity.

The regular meeting night was changed from the second Monday night to the third Monday night of each month. Time was changed from 7:30 to 8:00 o'clock.

Educational activity for the next meeting will be Early Control of insects. Meeting will be May 17, at the Midwest Electric Coop., Inc., at Roby.

Capt. and Mrs. Joe D. Dominey and children of the U. S. Navy; Mr. and Mrs. Joe Dominey and children of Midland; Joe Morrow of Sam Houston College, Huntsville and Miss Sandra Sindson of Dallas visited last weekend with Mr. and Mrs. Juston Morrow.

Rev. and Mrs. Jim Weathers and Breck of Avoca visited Thursday and Friday with Mr. and Mrs. Ray Ashton.

Rev. Southerland To Speak To Brotherhood

Rev. Jack Southerland, pastor of the First Baptist Church in Stamford, will speak to the Fisher Association Baptist Brotherhood Monday night on "Stewardship in the Home," according to George McDonald Assn. Brotherhood President. The meeting will be at Cross Roads Baptist Church and will start at 7:30 P. M. with a special song service led by Bobby Smith. The theme of the meeting will be "Stewardship of Influence."

Mr. Southerland has been pastor of the Stamford church for the past seven years and is well known in Baptist circles throughout Texas for his speaking ability and his leadership qualities. He has served on numerous denominational boards and committees and is in constant demand as a speaker and evangelist. Fisher Assn. men are fortunate to have a man of his caliber as guest speaker.

Another highlight of the program will be a talk on "The Family Altar" by Tye Harrison, Assn. Brotherhood secretary. This will be followed by special music arranged by Bobby Smith, song leader and Alton Smith, pianist.

After the program, refreshments will be served by the Cross Roads Brotherhood. A cordial invitation is extended to all men who love the Lord and love their home.

Local Girls Attend Baptist Queens Court

Brownwood -- Representatives of the Fisher County Association attended the 1965 Texas Baptist Girls' Auxiliary Queens' Court April 15-17 in Brownwood Coliseum.

Anyone wishing to enter may write Mrs. Wilson Brannon, Hamlin, Texas, or call Spring 4-2148 by May 1. There will be three divisions: 9-12 years; 13-19 years, and adults. The public is invited. Admissions is 50c for adults and 25c for students. Tickets may be purchased at the door.

Mr. and Mrs. Neely Morton attended the Easter Pageant at Junction Saturday night and Sunday afternoon they met their son and family, Rev. and Mrs. Doyle Morton and Carolyn in Kerrville, for a visit. They returned home Monday afternoon.

JAYCEE MEETING TONIGHT

Meeting time for Jaycees is 7:30 and all members are urged to attend.

Capt. and Mrs. Wayne Porter Jr. and daughters of San Antonio were here for the weekend with their parents, Mr. and Mrs. Lawrence Sparks and Mr. and Mrs. Wayne Porter.

Harry Shelton of Fort Worth visited his parents, Mr. and Mrs. H. C. Shelton Saturday and Sunday.

Posse Takes First In Sweetwater Parade

Fisher County Sheriff Posse took first honors among riding clubs last Thursday at Sweetwater, when the 1965 Junior Indoor Rodeo parade opened the event.

Competition was keen as a number of clubs participated. The local group scored 185 points to second place winner, Scurry County with 173. Sheriff, Bus Rollans of Fisher County and Sheriff Ted Lambert of Nolan headed the parade.

The event held in Nolan County Coliseum drew 300 entries and a large crowd of spectators. A number of bands were in the parade along with covered wagon drawn by oxen and carrying a large family clad in pioneer day costumes.

Lions Holding Zone Social Tonight

Rotan Lions Club is hosting a Zone Social tonight at 7:30 at Clark's Corral.

A large crowd of Lions and wives from Roby, Hermleigh and Rotan are expected to attend the event.

All Lions are urged to be there.

Jr. Riding Club To Be In Parade

Junior Riding Club will ride as a body in the parade tomorrow prior to the Rodeo. All members are asked to have horses groomed for the parade.

They are also asked to meet at the arena by 4:30 and be assembled as a group.

James Dowell Named Federal Game Warden

The following article taken from Wichita Falls Daily Record is in regard to a former resident of Rotan, James Dowell, son of Mr. and Mrs. Lee Dowell of Lake Derivation. James has been a state game warden for 5½ years in the Wichita Falls area:

"I don't like to admit I'm chasing a fast buck but I guess that's what it boils down to," said James Dowell, 33-year-old state game warden for this area as he leaned back in his chair and carefully put his boots on a corner of the desk in his office here.

"I guess the hardest thing about leaving is knowing I'll be out there and my friends will be here," the normally taciturn state conservationist said. Dowell was obviously in an expansive mood as he looked back on his 5½ years as a state game warden that would come to an end April 5, when he leaves to become a U. S. game management agent (federal game warden) at Salt Lake City, Utah.

Ont assignment he's looking forward to on his new job is a six-weeks or so trip to Canada to band ducks and geese -- a chore most federal wardens can expect almost annually.

Dowell's leaving will be felt by literally hundreds of area residents and perhaps this loss was summed up best by Wichitan Frank Woods, a former chairman of the old Texas Game -- Fish Commission and a man whose recommendations are usually brief and to the point.

"I recommended that the game and fish commission hire James and he has more than fulfilled the commission's highest expectations and mine," Wood said.

Cub Scouts Make Cancer Crusade Posters

The Cancer posters that you are seeing in the windows of your local businesses were placed there by the Cub Scouts of Den 5. Mrs. James Sparks and Mrs. Archie Neeley are adult workers with this group. The following boys are members of Den 5: Johnnie Hardin, Terry McCombs, Kenneth Jones, Roy Baker, Forrest Acker, Jimmy Sparks and Derrell Neeley.

Mr. and Mrs. Elwood Freeman and children of Lubbock spent Easter holiday here with her parents, Mr. and Mrs. Morris Watson. The Freeman's young son was christened at morning service of First Methodist Church.

Cancer Crusade To Be Made Tuesday

The Fisher County American Cancer Society will be making its Annual House to House Cancer Crusade, Tuesday, April 27th at 5:00 p. m.

Give generously! These volunteers for the American Cancer Society feel they work, give and collect funds for a national need that is overriding in its importance -- the need to end the waste, anguish and despair caused by cancer. The Crusade is a key opportunity for men and women to demonstrate actively their concern for one of our nation's critical problems. "To Cure More -- Give More."

County HD Women Attend Dist. Meeting

A large delegation of Home Demonstration Club women from Fisher County attended the District III Annual meeting of the Texas Home Demonstration Association in Childress Thursday.

Mrs. Walter Byrd of Rotan, District III Director presided at the meeting of 141 women. The three voting delegates from Fisher County were Mrs. Arlon Cross, Mrs. Dick Edwards, and Mrs. James Cave, County THDA Chairman.

The opening prayer and pledge to the flag were lead by the Childress County Gold Star Girl and Boy. The welcome was given by County Judge, Leonard King and Chamber of Commerce Manager, Joe Thurmon. Response was by Mrs. Homer Martin of Knox County. Mrs. Sam Speir, State Treasurer spoke to the women on "Your THDA Speaks." Mrs. Gladys Kolander, State Home Demonstration Agent spoke to the delegation on the theme "Lighting the Way for Tomorrow."

Six counties each reported on recommendations from the 1965 program of work for THDA. Fisher County women gave information on recommendations of the Health Committee. Women on the panel for this information were Mrs. Fred Waddell, Mrs. Gerald Kent and Mrs. Dick Edwards.

Other women attending from Fisher County included Mrs. Alyne Shell, Mrs. C. A. Ragan, Mrs. J. W. Porter, Mrs. Z. H. Anderson, Mrs. Bill Lee, Mrs. Russell Brown, Mrs. Covert Hale, Mrs. Carl Schubert, and Mrs. Henry Guelker. Mrs. Alice Ballenger, County H. D. Agent, accompanied the group.

Explorer Scouts Make Fishing Trip

Explorer Post 133 which was recently organized made a fishing trip to Stamford Lake last Thursday and Friday. Explorers are Boy Scouts of high school age. Making the trip were Monte McKinney, John Witherspoon, Marshall Harrison, Don Kelley, Bob Witherspoon, and Mrs. Troy Studer, who is the Post Advisor.

The boys felt they had a very profitable outing as they learned much about fishing and were able to bring home nineteen good sized fish.

Mmes. J. R. Strayhorn and Darhulia Hale attended the Nancy Harper chapter of DAR Tuesday afternoon at the home of Mrs. Earl Thompson in Sweetwater. Mrs. Rudy Hamric, Mrs. Parker Kennedy and Miss Delila Baird were guests for the Guest-Day program.

CALENDAR CLUB TO MEET

The Calendar Club will meet Tuesday, April 27 at 3:30 p. m. in the home of Mrs. Doug Weathersbee.

Mrs. Gail Brewer of Lubbock will bring the program.

All ex-members of Calendar Club are cordially invited to attend this meeting.

Potatoes trading in beef cattle is expected to get a further boost on April 20th, the first contract delivery date.

Delivery of the futures will be the first complete test of the system, according to Ed Uvacek, livestock marketing specialist and assistant professor in the Texas A&M University Agricultural Economics and Sociology Department. Uvacek believes the system will pass the test almost perfectly.

The system, regarded by many members of the beef industry as a new marketing tool, got off to a fast start late last November with more trade volume than any other new futures commodity in history. Activity has gone beyond anticipated levels and is still increasing. Trades are currently being negotiated at an average rate of more than 100 each day, according to Uvacek.

At the end of the trading period on April 26 any delivery made on open contracts must consist of 25,000 pounds of USDA Choice, or better, live steers, certified by a USDA grader. The steers may be within two weight ranges: the first, 1,000 to 1,150 pounds with an estimated 61 percent dressing yield; the second within the range of 1,151 to 1,300 pounds with a 62 percent estimated yield. Chicago is the principal delivery point, with

Omaha an alternate at a discount.

Horses, like athletes, need to be gradually put in top condition for a strenuous season. Over exertion while either is out of condition can result in major or minor injuries. Pleasure riders should restrain their enthusiasm for a long spring gallop on their favorite mount. Be sure the horse can take it. A horse's physical condition is probably under par because of low-energy, low-protein rations and a lack of exercise during the winter. This can be further complicated by internal parasites that have had a chance to build up during the winter. In addition, better give attention to the horse's teeth and hooves.

The feet may need trimming or shoeing. If the toe or heel is too long, the proper slope of the pastern is changed. A long gallop on a horse with overlong heel or toe could produce lameness and even possible permanent injury. Inflammation from undue strain can produce splints, side bones and even ring bone and other injuries which could become permanent.

It is good insurance to have a veterinarian check the horse's teeth for uneven growth. Uneven teeth hamper the proper grinding and chewing of his food. Also ask the veterinarian to check your animal for internal and external parasites.

Good insect control means healthier and more productive home gardens. As an aid to home gardeners, entomologists of the Texas Agricultural Extension Service have prepared information which should help in the fight against insect

pests. The new publication, L-642, "Control of Insects in the Home Garden," is now available without cost.

Among the topics covered in the publication are discussions of the three groups of insects which normally cause trouble in the home garden. They include those with sucking mouth parts, those with chewing mouth parts and those which live in the soil.

Each group requires a different control method and often a different insecticide. Dust and sprays are discussed as are insecticides used in combinations. The entomologists have prepared tables showing the amount of each recommended in-

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

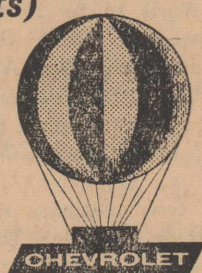

People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. Length? It grew three inches this year. Roominess? Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. Luxury? Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most

expensive cars look so expensive. How about the ride? Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. Price? That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

Students Keep Calm During Excitement

Rotan High School students' "level-headedness" was put to a test Wednesday afternoon, April 14. They came through with flying colors.

At 2:00 that afternoon, rain, hail, high winds, and the shriek of the fire whistle warned of tornado alerts. The students were told to move their desks away from the windows. A few minutes later, they were instructed to gather in the first-floor hall, which they did quietly and orderly. When the winds died down, the students went back to their classes and resumed their lessons.

All this was done without panic or undue excitement, which speaks well of our high school students.

The Yellowhammer--

The Yellowhammer is a flicker and the flicker is a woodpecker. It is one of the best known woodpeckers. It is a brown-beaked bird, 12 inches long, with a red neck and black crescent across the throat. It has many popular names. Golden-winged woodpeckers and wickyp and the two above are a few. It has a loud, tiresomely repeated call of flicka-flicka-flicka, which is the reason for one of its nicknames, flicker.

The Yellowhammer is also the state bird of Alabama, which is nicknamed "the Yellowhammer State" itself. The reason for this is, that during the Civil War, state troops stuck Yellowhammer feathers in their caps to match the yellow strips on their gray trousers.

Call Long Distance for Less ALL DAY SUNDAY and after 8 Each Evening

NOW you can make long distance calls *all day Sunday* at the low *night* rate.

The night rate is now in effect on station-to-station calls all day Sunday and every evening after 8 p.m.

Saturday calls are cheaper, too.

Now the "evening" rate applies all day Saturday and from 6 to 8 p.m., Monday through Friday.

Why not call out-of-town family or friends any time Sunday, or any night after 8 p.m., when rates are lowest? It's the next best thing to being there.

LOOK HOW LOW RATES ARE NIGHTS AND SUNDAYS

	Sunday — all day; Monday-Saturday 8 p.m.-4:30 a.m. (night rate)	Saturday 4:30 a.m.-8 p.m. Monday-Friday 6 p.m.-8 p.m. (evening rate)	Monday-Friday 4:30 a.m.-6 p.m. (day rate)

Plans Continue As Graduation Nears

With graduation only for four weeks away, seniors are making plans for their future. Some of these plans include college, marriage, and summer jobs.

The 1965 college-bound students will span Texas from Corpus Christi to Canyon, then east to Commerce.

Entering college next fall at Texas A&M will be Bruce Baugh, David Canfil, and Buddy Day. The University of Texas students from RHS are Linda Brown and Ronnie Gladson. Students planning to attend West Texas State at Canyon are Sunny Partin, Billie Jo McKinney, and Jimmy Heathington. Judy Byrd, Joe Kelley, Jesse Hudnall, and Wayne McCombs will attend Hardin-Simmons. Connie White plans to attend the University of Corpus Diane Phillips, McMurtry; Ralph McArthur, Sul Ross; Max Blanton, Texas Maritime Academy, Carolyn Hale, Tarleton; and Cheryl Hammit, Texas Tech. Barbara Eades will attend East Texas State. Byron Shelley will enter Tech this summer and Zana Thompson will enter North Texas State in June.

Jan Kincaid will remain in Rotan as a housewife. Lupe Montez will become Mrs. Benita Silvas after graduation and reside in Rotan. Diantha Tankersly will become Mrs. Warren Reynolds and live in McCaulley. Mrs. Mike Byerly, formerly known as Linda Murphree, will live in Abilene.

Carol Donham will study to be a telephone operator; and Beverly Randolph, a secretary.

Ruben Rodriguez, Tony DeLeon, Pete Garcia, and Frank Medrano are planning to enter the service.

Students who are still undecided about their plans are Jeanne Ferris, Bobbie Kerns, Billy Dycus, Eddie Mac Lang, Beverly Brown, Phyllis Hicks, Adelia Barrera, and Steve Edwards. However, all plan to enter some college in the fall or work.

The Rotan Advance

Thursday, April 22, 1965 No. 12

Regional Qualifiers Make Preparations

Students who have qualified for the regional contest to be held April 23-24 at Texas Tech in Lubbock are preparing in various ways.

Steve Edwards, who is going to regional in poetry interpretation, has given his selection for the Hardin-Simmons speech department for criticism. Tennis contestants, Jimmy Heathington, Bobbie Kerns, and Billie Jo McKinney has played matches with team from Abilene, Old Glory, and Aspermont. Judy Byrd, the shorthand representative, takes dictation given by her sponsor, Mr. Robert Witherspoon, every day. Debaters, David Canfil and Bruce Baugh, continue to gather information for their debate. Journalism students Linda Brown and Cheryl Hammit, copyread and proofread the copies and proofs of the high school paper, The Flicker. Cindermen, Larry Kelley, Steve Edwards, Eddie Mac Lang, James Tompkins, Joe Kelley, Frankie SoRelle, Larry Van Loon, Archie Overby, and alternate Earnest Kiker, attended the Andrew's track meet and continue to work out after school. Myra Burrow, second-place winner at district, will be responsible for speedy typing. Her preparation includes two speed-runs per day. The slide-rule entry, Rob Patton, works each afternoon on slide rule tests.

--Cheryl Hammit

Dist. School Records Fall To Cindermen

Four school records in Track and Field fell this year and one was tied. The 220 yard dash held by David Baugh at 23.4 was broken by Larry Kelley running a 23.0. The 440 yard dash record formerly held by Marlin Fields, of 52.1, was broken by Eddie Mac Lang .8 of a second with Eddie Mac running a 51.3. The high jump record was broken when Joe Kelley jumped 6' 3 3/4" bettering his old mark by 7 1/4". The Pole Vault record was broken by Eddie Edwards when he vaulted 10'6" which bettered his old record of 10'. The record in the 180 yard low hurdles was tied by James Compkins at 21.2.

Two district records fell under the blows of Eddie Mac Lang and Joe Kelley. The 440 yard dash fell full second to Eddie Mac Lang from 52.3 to 51.3. Joe Kelley raised the district high jump by 5 1/4" from 5'10" to 6'3 3/4".

Seniors 'Blast Off' On Trip To Texas 'Space'

"All systems are go" for the civics trip. "Blast off time is set for 5:00 p. m., Thursday, April 29. The first stop on the trip around Texas "Space" will be the "planet" of Austin. Then San Antonio "planet" will be toured, and the return entry will be made Sunday, May 2.

Friday morning the Capitol will be toured. That afternoon the seniors will visit the University of Texas campus. Late Friday evening, the bus will take them to San Antonio.

On the itinerary for Saturday in San Antonio is the Alamo, Brackenridge Park, and the San Antonio Amusement Center. The morning tour will consist of the Alamo and downtown San Antonio. Brackenridge Park and the San Antonio Amusement Center will be visited Saturday afternoon and Saturday night, respectively.

Early Sunday morning, the seniors will leave San Antonio to return to Rotan. They will visit the Lyndon B. Johnson Ranch and Johnson City on the return trip.

"Count down" has seven days to go — 7-6-5-4-3-2-1-0 — "Blast Off!"

Band Concerts Will Be April 27 and May 3

What? Two band concerts? You're right! This year the Rotan bands are presenting two concerts for the public. On April 27 at 7:30, the first concert will begin. It features the High School Stageband and the Seventh and Eighth Grade Junior Band. On May 3, also at 7:30, the second concert begins, featuring the fifth grade Beginner Band and the high school Band. All the bands will play a variety of music ranging from standard marches to overtures to pop tunes. The High School Band will have solos featuring all the different sections of the band. The concerts will be approximately one hour in length. They are divided into two concerts to give each band more time to play without making the concert too long.

Buried cable: \$10,000,000 in new life insurance for your telephone this year

Put telephone wires underground and you've put them in a safe place. Safe from wind, rain, hot weather, cold weather, stormy weather. All around safer from the kinds of trouble which can affect your phone service.

That's why this year Southwestern Bell is spending \$10 million burying hundreds of additional miles of telephone cable underground. In effect, buying life insurance for your telephone service.

There's another benefit. New jobs will be created. Some in the telephone business and an estimated 500 new jobs among the hundreds of firms which sell supplies, services and materials to the telephone company.

This is a 1965 communications bonus. Part of a massive construction effort to make the world's best telephone service even better.

Lions Dist. T-2 Convention at Plainview

April 23rd-25th will be three days of ardent activity and excitement as the Noon and Evening Lions Clubs of Plainview, act as host for the annual Lions District 2-T-2 Convention. The Plainview clubs expect to register 1,000 Lions and Lionesses for the event.

The activities of the convention will begin Friday morning, with District Golf and Bowling Tournaments being held at the Plainview Country Club and Plainview Bowl. Trophies will be awaiting the winners of the bowling tourney while golfers will be vying for varied prizes, among them being a 2-door hard top. Indications are that both tournaments will be well attended with competition running high.

Registration will begin Saturday at 9:30 a. m., after which the convention will begin the task of election of new officers and completion of business matters that are on the agenda. District Governor Tut Taw-water of Plainview will preside over the convention.

Traditional events will be held throughout the convention with luncheons, banquet's and the Governor's Ball. Members will participate in a Necrology Ceremony to be held at the First Methodist Church on Sunday of the convention. The highlight of the convention will be the queens contest. Approximately 40 young lovelies will be striving to bring honor to their club by being crowned Queen of District 2-T-2. Sunday afternoon will be the final day with the crowning of the queen and the announcement of the new officers elected for the coming year.

There is no doubt that the most prevalent colors in Plainview during these three days will be purple and gold. All Lions are urged to attend.

Capt. Jimmy Hale of Webb AFB, Big Spring, visited his parents, Mr. and Mrs. W. E. Hale and Carolyn over the week-end.

Mr. and Mrs. Bart Strayhorn visited relatives in Mason during the holidays.

Darden Dept. Store

A weekly public service feature from the Texas State Department of Health

Accent on Health
J.E. PEAVY, M.D.
Commissioner of Health

If you're looking for something to be thankful for in these ominous times, consider this:

Almost one-half million Texas babies were born hale and alert during the two-year period between September 1962, and August 1964. That adds up to an average of some 665 new babies per day.

For the same time period 165,160 Texans died--representing a ratio of almost three births for every death, a fact clearly worth being thankful for.

The figures are revealed in an advanced look at the State Health Department's biennial report soon to be published.

The excess of births over deaths during the two years added some 320,000 people to Texas' population. That increase, together with the influx of newcomers now making their homes in Texas, swelled the population past the 10.3 million mark.

Since 1936, infant deaths during the first year of life have dropped from 71 per one thousands births, to less than 30 per thousand today. And during that same period maternal deaths have been cut from 6.9 per thousand to 0.5, a substantial decrease.

The past biennium also produced these developments:

Over 12,000 people changed their names by court order during the two-year period, and amendments to their birth certificates were duly attached.

More than a quarter of a million people asked for certified copies of their birth records. Just to process these requests required almost a half million trips to the files which now contain more than 14 million records of births and deaths.

And finally, since marriage of the parents of an illegitimate child subsequent to its birth legitimates the child, 2,391 new birth certificates based on legitimations were prepared and filed.

If being able to prove age, citizenship and parentage isn't worth being thankful for, nothing is.

Christian Science Service Sunday

The Christian's approach to final victory over death will be a central theme at all Christian Science churches this Sunday. The subject is "Probation After Death." One of the Bible selections to be read is from Galatians: "He that soweth to the Spirit shall of the Spirit reap life everlasting."

Also included in the Lesson-Sermon will be these lines from the denominational textbook: "Emerge gently from matter into Spirit. Think not to thwart the spiritual ultimate of all things, but come naturally into Spirit through better health and morals and as the result of spiritual growth. Not death, but the understanding of Life, makes man immortal" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 485).

Mr. and Mrs. Wayne Poer, Lynna and Dana of Ralls visited over the week end with Mr. and Mrs. Walter Hartsfield.

THE INSIDE OF THE WORLD

Continents, oceans and international boundaries are the
outside of our world. And the constant folly of man has
been his implicit belief that he could improve his world by
spanning the continents, hopping the oceans, and juggling
the boundaries of nations.

To improve our world we must change the *inside* of that
world. For the globe is full of people--imperfect people.
And all of the evil that threatens to engulf our world has
its roots deep in the lives of individuals.

The one great hope of the world is to find a way to change
the lives of individuals. Did we say *find*? We're forgetting
that we found the way centuries ago in the truth which
Jesus Christ revealed. The one great hope of the world
is to *follow* the way our Saviour gave us.

With bombs that can change the outside of the world,
and churches that can change the inside--which shall we
use?

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for
the building of character and good citizenship.
It is a storehouse of spiritual values. Without a
strong Church, neither democracy nor civilization
can survive. There are four sound reasons why
every person should attend services regularly
and support the Church. They are: (1) For his
own sake. (2) For his children's sake. (3) For the
sake of his community and nation. (4) For the
sake of the Church itself, which needs his moral
and material support. Plan to go to church regu-
larly and read your Bible daily.

Immunology Stamps Out Some Diseases

The paradox that a "little hurt" can prevent a lot of sickness was discovered by scientists about a hundred years ago.

An English country doctor named Edward Jenner took a little serum from a cowpox pustule on the arm of a milkmaid and scratched it with a lancet into the arm of a neighbor boy. A smallpox-like sore appeared on his arm, and he had other mild smallpox-like symptoms.

Today, thanks to Dr. Jenner, we can have a similar immunization and avoid the disfiguring and killing smallpox epidemics which once swept Europe.

Several years later in France, Louis Pasteur made a startling discovery one morning. The discovery - a re-inoculation of some chickens with chicken cholera - set the wheels turning in Pasteur's creative mind. "I've found a way to make a beast a little sick . . . inject some aged microbes into a chicken so that it gets the disease, but only a little of it . . . and when it gets better . . . it can resist the disease! We can apply this to other diseases in man; we can save lives." These may have been some of the thoughts running through Pasteur's mind.

Pasteur also explored and experimented until he found a way to protect man from the dread rabies through a series of inoculations. Today we use about the same method to keep a man bitten by a rabid animal from developing the disease.

Another advance in immunology was made in 1923 when a toxin was developed to save hundreds of babies each year from a gasping death of diphtheria.

In the last 10 or 15 years we have read and watched the drama of polio vaccine unfold. Principal players in that drama were Dr. Jonas Salk of the University of Pittsburgh, and Dr. Albert Sabin, of the University of Cincinnati.

Mize On Cruise With U. S. Navy

USS Oriskany (CVA-34) (FHT-NC) April 6 -- Fireman Apprentice Steve D. Mize, USN, son of Mr. and Mrs. Clarence E. Mize of 409 Lincoln St., Rotan, has departed San Diego, Calif., for a cruise with the U. S. Seventh Fleet in the Far East while serving as a crewmember of the attack aircraft carrier USS Oriskany.

During the seven to eight month cruise, the 911-foot, 40,000-ton carrier will visit ports in the Philippines, Japan and Hong Kong.

Dr. John Enders of the Children's Hospital in Boston, just recently developed a measles vaccine to save lives and impairment in hundreds of children.

These dedicated scientists did not conquer these diseases - smallpox, rabies, diphtheria, polio and measles - in the literal sense. They simply gave us a means of preventing them.

To take advantage of the paradox - a little hurt to prevent sickness or death - see your physician about an immunization schedule for your family.

PATTERNS FOR PROGRESS IN COMMUNITY DEVELOPMENT

Where can our town see an example of Community Development?

WTU says Childress is a good example . . . many projects are underway.

Water is a problem with many West Texas communities, but Childress is solving it with an ambitious program. In connection with neighboring towns, there is a \$6 million dam and reservoir starting soon . . . under construction a \$4 million pipeline from the water supply to the city . . . and a pipeline system in the city. Add such things as a remodeled City Auditorium with convention facilities . . . vapor lamp street lighting downtown and on highways through town . . . remodeled Chamber of Commerce offices . . . over \$400,000 in Church construction . . . new lounge at the Airport . . . and modernizing of many business buildings. Scheduled for the immediate future are a school bond election . . . expansion of State buildings . . . and a new hospital. The Childress record is a PATTERN FOR PROGRESS in "community development," improving chances for continued economic growth and attraction of new industry plus making it a better place to live, work and play. Growth conscious towns are invited to contact their local WTU manager for assistance from our area development representatives.
