Schools To Open September 2ND

School bells will ring again soon, and this time on Thursday September 2nd. The session will open with an assembly for the entire school in the high school auditorium. The public is invited to attend this program, which will begin at 9:00 A. M.

Superintendent A. H. Pritchard has announced that there will be a faculty meeting Wednesday afternoon at the high school at 3:00 o'clock, at which time the teachers will learn their assignments, get textbooks in order, and prepare for the opening of school the following morning.

Textbooks for the new term arrived and quite a bit of necessary repair has been made during the summer vacation.

The lunchroom, under the supervision f Mrs. J. C. Lee, will begin serving lunch on Monday, Sept. 6th. Quite a bit of new equipment has been added to the lunchroom which should make for better lunches and more pleasant working conditions for those whose responsibility it is to prepare the meals. Meals will be served for 20c, the same as last year.

Busses have been re-routed so that Dupree Bryant will now pick up the Midway children, and on the east side, the Admiral bus will pick up the youngsters from the Jackson District. This will eliminate two busses and effect quite a saving on transportation. A new bus has been purchased by the school to transport the Admiral and Jackson children and will again be driven by George Eubanks. S. N. Dunlap, Sr., will again transport the children from the Belle Plain community.

School officials are looking forward to a successful school year and earnestly desire the whole-hearted cooperation of every person in the entire school district. After all, we are all interested, primarily, in the same thing, that is for our youngsters to have every education advantage possible, and this can be obtained only through the cooperation of parents, teachers, and all concerned. Parents are urged to keep their children in school every day possible, because when they miss a day of school, they are thrown behind the rest of the class. Parents are also urgently invited to visit the school. Through your visits to school, we are able to understand better, problems that arise, then to work them out more satisfactorily. Know your child's teacher and give the teacher a chance to know you. We appreciate your cooperation in helping us as teachers to help your child progress to the greatest extent possible. Let us all work together for the good of our children the most highly prized possession we will ever have.

A. H. Pritchard.

EDITOR'S AUNT DIES AT SAN ANGELO

Mr. and Mrs. Marvin Hunter attended the funeral services of his aunt, Mrs. R. G. Lackey, which were held at the First Baptist Church at San Angelo Saturday afternoon. Mrs. Lackey passed away at a San Angelo hospital after an illness of only a few days. Burial was in the Mertzon cemetery that afternoon. She is survived by her husband, R. G. Lackey of San Angelo, three sisters, Mrs. John Lackey of Menard, Mrs. Adolph Lange of Mason, Mrs. J. Marvin Hunter, Sr., of Bandera; two brothers, Jim Rogers of Menard and Pat Rogers of Mason.

———0———

Mr. and Mrs. A. W. Gibson of Laredo and Mr. and Mrs. Edward Summers of Lubbock visited Mr. and Mrs. E. C. Fulton Saturday and Sunday.

Dr. and Mrs. M. C. McGowen and little daughter, Carol Lynn, returned Sunday from a two-weeks vacation trip to New Mexico and California.

New Band Director Named For Baird

C. F. Briggs of Abilene has been employed to direct the High School Band for the coming school year and Mrs. Briggs will teach in the primary grades, replacing Mrs. Clinton, who will teach in Stamford this year.

Mr. Briggs will attend Hardin-Simmons each morning but will be here each afternoon and night to work with the band. He has been a member of the Cowboy Band and was a member of the Abilene High School Band when in high school. He comes to us with excellent references and recommendations. Mrs. Briggs was a member of the H-SU Cowgirl Band.

Mrs. J. J. Durham will teach Science before noon each day then Mr. Briggs will come in for the band instruction.

Mr. and Mrs. Briggs will move to Baird as soon as an apartment is secured, and it will be appreciated if you will notify Supt. A. H. Pritchard if you have an apartment to rent.

———0———

JIMMY SETTLE RESIGNS POSITION HERE

Jimmy Settle popular and efficient teacher and Band Director, has resigned his job with the Baird High School and will move to Henrietta, Texas, where he will be Band Director. The news of his resignation comes as quite a blow to the school, for he has done an excellent job of building a band here in the short time he has been here. He was also Science teacher in the high school.

Although we sincerely regret to lose Mr. Settle from the schools here, we all wish for him and his family every success in his new location. He will devote full time to band instruction at Henrietta and it is definitely a promotion over the position he held here.

School officials do not have any prospect in view at this time but all efforts will be made to secure someone to carry on the very worthwhile work that Mr. Settle began here last year.

FOOTBALL TICKETS NOW ON SALE

As a token of appreciation for our school activities, The Baird Star is printing, without charge, a quantity of season ticket books which will entitle the purchaser of the books admission to all football games played at the Bears Den during the 1948 season. The books contain six tickets each and will be sold for $3.00. Regular admission this season will be 30 cents and 60 cents, so the fans may save some money by purchasing a season book. The Star is contributing the printing of these books with the hope that all Baird folks will support the ball boys this season, as well as all other school activities.

We have never yet failed to lend a hand for the good of our school. It is a home institution close to our heart, and we feel that the improvement of our educational system and the betterment of conditions for our children now and in the future should have the support of all of us.

FARM BANK TO HOLD ANNUAL MEETING

The public is being invited to attend the annual stockholders meeting of Citizens Farm Loan Association which will be held in the district court room of the courthouse on Saturday afternoon, September 4th, beginning at 1:30 p. m. Leslie Bryant, secretary, reports that a program is being arranged which should be of interest to any resident of this county. Refreshments will be served.

———0———

Mrs. John Bryant and daughter, Nelda Beth, returned to their home in Clyde Monday on the Texas Eagle after attending the wedding of John Harold Bryant and Miss Barbara Elice Everitt at Urbana, Ill, August 14th.

Pioneer Mother Passes Away

Funeral services for Mrs. S. L. Driskill, 85, a beloved Callahan county pioneer, were held at 4:30 p. m. Sunday at Wylie Funeral Chapel, with Rev. John English, pastor of the Baird Methodist Church, officiating. Burial was in the Belle Plain cemetery immediately following the services.

Mrs. Elizabeth Bernice Driskill was born August 1, 1863 at Kyle, Texas, near Austin. She had made her home at Baird the past year with her son, Homer Driskill. She passed away August 21, 1948, at the age of 85. She was a former resident of Baird, and had lived at Fort Worth before returning here. She was the daughter of the late John W. and Elizabeth Ann Day, who came to Callahan county in 1881 and settled in the Belle Plain community. She became a member of the Methodist Church at an early age. Elizabeth Day was married to Samuel L. Driskill at Belle Plain and to this union six children were born: Ford, Homer, Nettie, Everett, John and Jeanette. Her husband and two children, Nettie and Jeanette, preceeded her in death. Mrs. Driskill is also survived by one step-daughter, Mrs. C. B. Snyder, Sr., of Moran, and one sister, Mrs. B. F. Austin of Abilene, two grandchildren, Mrs. Eddie Walters of Cresson, and Sam Driskill, and one great grandchild, Dal Frank Walters.

Thus in brief is the history of another Callahan county pioneer mother who has laid down the burdens of this life. Her many days on this earth were filled with happiness, sorrows, and pleasures that go together to make a well spent life. She was ever ready to answer the call to help those in need. She will be missed, but her influence will remain to encourage a host of friends and relatives through the years to come.

Pallbearers were Frank Austin, Harold Austin, Howard Austin, Eugene Snyder, Morris Snyder and Ralph Snyder.

Among those who attended the Driskill funeral Sunday from out of town were Mr. and Mrs. John Driskill, Mrs. Eddie Walters and son, Dal, of Cresson, Mrs. C. B. Snyder, Mr. and Mrs. Eugene Snyder, Miss Laura Snyder, Ralph Snyder, Mr. and Mrs. Samuel Diller and family of Moran; Mr. and Mrs. B. F. Austin, Mr. and Mrs. F. W. Austin, Mr. and Mrs. Harold Austin, Mr. and Mrs. J. H. Austin, Mrs. I. N. Jackson, Mr. and Mrs. I. N. Jackson, Jr., of Abilene; Mr. and Mrs. Earl Woody of Eastland; Mr. and Mrs. Frank Phillips of Strawn; Mr. and Mrs. R. B. Taylor and daughter of Putnam; Mrs. Lula Martin of Stephenville.

———0———

FORMER CLYDE WOMAN'S FUNERAL THURSDAY

Funeral services for Mrs. M. E. Graham, 95, former Clyde resident, who died Tuesday morning in Midland, were held Thursday morning at 10 o'clock in the Clyde Methodist Church. The Rev. William McReynolds, pastor of the McCauley Methodist Church, conducted the services. Burial was in the Clyde Cemetery beside the grave of her husband.

Mrs. Graham was born Martha Eugenia Meek, Dec. 27, 1852, in Fannin County, near Bonham. She was married to William Graham Nov. 2, 1872 and in 1906 they moved to Clyde. They lived there until Mr. Graham died in 1930. Since that time Mrs. Graham has been living with a daughter, Mrs. Maude Newnham in Midland.

Survivors include four daughters, Mrs. Lula Pegues, San Diego, Calif., Mrs. Ola Perrin, Los Angeles, Calif., Mrs. May Gann, Midland and Mrs. Newnham; a son Marin Graham of Strawn; 19 grandchildren; 27 great-grandchildren and four great-great- grandchildren.

Williams Chosen On Draft Board

Terrell Williams has accepted appointment on the Taylor-Callahan county draft board and will be the board's only member from this county responsible for registration.

Registration points in Callahan county will be at the county court room, 2nd floor of the court house, in Baird, Cooks' Garage in Putnam, Citizens State Bank in Cross Plains, and the mayor's office at the city hall in Clyde. All men who have attained their eighteenth birthday and not their twenty-sixth must register unless exempt under one of the provisions of President's order. Those within the age limit should go to the nearest place, Williams advises.

Registration this time will be between the dates of August 30 and September 18, both dates inclusive. Men 18 through 25 years of age will register at places designated by their local boards.

Specific days when men will register in the different age groups are as follows:

Men born in 1922 after August 30, 1922, will registed on August 30.

Men born in 1923 will register on August 31 and September 1st.

Men born in 1924 will register on September 2 and 3.

Men born in 1925 will register on September 4 or 7. This means there will be no registration on Labor Day.

Men born in 1926 will register on September 8 and 9.

Men born in 1927 will register on September 10 and 11.

Men born in 1928 will register on September 13 and 14.

Men born in 1929 will register on September 15 and 16.

Men born in 1930 before September 19 will register on September 17 an 18.

Persons who were born on or after September 19, 1930, shall be registered on the day they attain the eighteenth anniversary of their birth, or within five days thereafter. Those in this group shall present themselves to the Board Office on the third floor of the Court House in Abilene, Texas, or to any Board Member, and not to the places designated for the other groups.

Only those who fall in the following classes shall not be required to register: Commissioned Officers, Warrant Officers Pay Clerks, Enlisted Men, and Aviation Cadets of the Army, Navy, Air Corps, Marine Corps, Coast Guard and the Coast and Geodetic Survey, and the Public Health Service. Also, members of the Reserve components of the Armed Forces while on active duty.

Due to the fact that registration will require 18 days to complete it is not expected to occasion rush proportions such as was experienced during the instituting of conteripsion for World War II.

Officials have estimated that approximately eight percent of the ration's population will register during the 18 day period, hwever, loval observers believe the Callahan counnty total may be slightly lower, such was the opinion expressed by Williams in a communication to this newspaper Tuesday.

———0———

T. C. IVEY DIES AT LUBBOCK

T. C. Ivey, 71, prominent West Texas rancher, died of a heart attack at his home in Lubbock Tuesday afternoon.

Mr. Ivey was the uncle of Lee Ivey, Mrs. Mae Florence, Mrs. Samuel Diller of Baird, T. H. Ivey of Abilene, and Ed Ivey of Slaton.

Mr. and Mrs. Lee Ivey and son, Tommy, left Tuesday to attend the funeral.

———0———

Mrs. H. C. Cotton and son, Mott, of Clyde and Mrs. J. L. Ault and sons, Joe Lynn and Edwin, left Thursday noon for a ten day visit in St. Louis with Mr. and Mrs. Herman Cotton and family.

Youths Held On Kidnapping Charge

After their arrest in Cisco Tuesday, three young men, Charles A. Wilkerson, 18, of Utah, Donnen C. Lefler, 17, of Illinois, and Kendrick R. Graves, 18, of Tyler, Texas, were brought to Baird for a hearing and are now being held in jail here charged with armed robbery and kidnapping. They are awaiting action of the November Grand Jury on $5,000 bond each. Sheriff S. S. Nichols told the Star reporter that the men are being questioned in connection with the murder of Mrs. James Boyd, which occurred near Crane Monday, as well as the kidnapping of Earl Freeman of Abilene. The story of his kidnapping goes like this:

Cisco, Aug. 24 — James E. Ellis, of Fort Worth, a driver for an ice cream manufacturing company, thought there was something peculiar about the occupants of a sedan he passed on U. S. Highway, five miles west of Putnam early Tuesday.

But he drove on into Putnam and made his regular deliveries there. Leaving Putnam and sighting the same car, stopped on the road shoulder three miles east of Putnam, his suspicions returned. As he drew near the car, he saw a man on the ground. Three youths picked him up and tossed him into the rear seat of the car.

Ellis was convinced that he was witnessing a crime, but he decided the odds were against him. For a minute or two he followed the car, speeding eastward toward Cisco, 15 miles away. Then he passed and raced ahead of it. He drove into a filling station on the edge of Cisco, handed a nickel to the proprietor and told him to call the police to meet him at the stop light on Highway 80 here.

Policeman Weldon A. Page answered the call, met Ellis at the stop light, heard his story and deputized him. A moment later Page stopped the suspected sedan. The three youths in it surrendered without resistance. There was a pistol in the car. One of the three had a dagger in his boot.

The man Ellis saw being tossed into the car was Earl Freeman of Abilene. He was just regaining consciousness from a blow on the head. He said he was driving to Frt Worth and picked up the youths at Baird. They were partially clad in uniforms and said they were members of the Air Force.

They were lodged in Cisco jail and Freeman was taken to a hospital where it was said he had a slight brain concussion but would recover.

Ellis and Page are ex-servicemen.

JUDGE RUSSELL UNDERGOES SURGERY

Jidge B. L. Russell is recovering nicely after undergoing surgery in an Abilene hospital Monday morning. Judge Russell was carried to the Abilene hospital Sunday afternoon after several days illness.

———0———

CARD OF THANKS

We express sincere thanks to the hospital staff, friends and neighbors for their helpfulness to us after the wreck Sunday and during out stay in the hospital. Such deeds of kindness will always be remembered and appreciated.

Mr. and Mrs. Alton Davis
Mr. and Mrs. Clint McKinley
Mr. and Mrs. Jack Cooper

———0———

Recent visitors of Mr. and Mrs. J. O. Hallmark of Eula were their children: Mr. and Mrs. J. B. Williams of Stillwater, Okla.; Mr. and Mrs. Dean Howe and children of Eula; Mr. and Mrs. Jimmie Hallmark and children of Abilene; Mrs. Hallmark's mother, Mrs. Jenia Graham, and Mr. and Mrs. Lee Keyes and son of Trent; Mrs. W. S. Dabney of Tulsa, Okla. Mrs. Keyes and Mrs. Dabney are sisters of Mrs. Hallmark.

Saturday Is Run-Off Election Day

Although there are no county offices involved in the Democratic run-off primary election to be held Saturday, every voter should cast a vote in the run-off for his favorite candidate in the race for Senator and Court of Civil Appeals. In the run-off for U. S. Senator are the names of Coke R. Stevenson and Lyndon B. Johnson. In the run-off for Judge of the Court of Civil Appeals are the names of Allen D. Dabney of Eastland and Cecil C. Collings of Big Spring. In the Cross Plains precinct there will be a write-in run-off in the office of Justice of the Peace.

———0———

WRECK VICTIMS RECOVER SERIOUS INJURIES

Little Jo Beth Cooper is recovering nicely at Callahan County Hospital from injuries received Sunday morning when the pick-up in which she and seven others were riding was struck by a car near the N. M. George place on the Putnam highway. The pick-up was driven by Jack Cooper of Rockwood when is was struck from the rear by a car driven by Ross Finley of Putnam. Riding in the pick-up were Mr. and Mrs. Cooper and two daughters, Jo Beth, 9, and LaQuin, 5, of Rockwood; Mr. and Mrs. Alton Davis and son, Tommy, 12, of Deep Creek; Ronnie McKinley, 11, of Baird. Mr. and Mrs. Davis were the only occupants of the pick-up uninjured. The others, except Jo Beth, have been dismissed from the hospital recovering from their cuts and bruises.

———0———

CEDAR BLUFF COMMUNITY HOLDS ANNUAL REUNION

On Sunday August 15th, the Cedar Bluff Community held a reunion at the school house, three miles north of Cottonwood. A barbecue and picnic lunch was served at noon to nearly 500 persons.

The little one teacher school has been built since some time in the late eighties. The late W. P. and Ellen Wilcoxen contributed the land for the building and the people of the community donated and gave their services in some way to help with the construction. Until some three or four years ago, the children of the community attended this school. Now they are consolidated with Cross Plains.

Some out of town people who attended the reunion were: Carl Halsall, Lubbock, former teacher; Mr. and Mrs. Carl Kile of Silver City, N. M.; Mrs. R. L. Wrinkle of Bronte; Vera Thompson Talley of Lubbock; Mary Buchanan of Llano; Martha Buchanan of Llano; Bill Hight of Breckenridge; Homer Brandon, Jenny Brandon, Jess and Pearl Wagoner, all of Breckenridge.

Oldest persons present: R. C. Thompsn and R. J. Yung, 84 years; Mrs. Ashbranner, Mrs. Nancy Jones, Le Roy Frazier, H. S. Varner, Mrs. H. S. Varner, Mrs. S. E. Archer, R. L. Wrinkle, Mary Elmore Frasier, all past 80 years; Mr. and Mrs. Frasier were the oldest present who had attended Cedar Bluff. Mr. and Mrs. Walter Willias, past 70 years.

Mr. H. S. Varner, who is well known to all of Callahan county, and taught at Cedar Bluff many years ago, was the main speaker for the occasion, and after delivering a most interesting speech introduced the following former teachers: Mrs. Wardna Lyons Gary, Mrs. Falls Halsell, Miss Beulah Respess, Mrs. Millie Morgan Bush. Too late for introductions was Mrs. Ruth Simons Bowlus.

This is to be made an annual affair to be held on the 3rd or 4th Sunday in August. This year much credit for a nice affair should be given to M. P. Wilcoxen and Buck Smith of Baird, and Lloyd Gary and to all the people of the small community.

Minimum Water Rate The Same

With the necessity of hauling water to supplement the present supply, the Baird city council Wednesday night set a rate that does not affect the present minimum amount. The arrangement to purchase water from Abilene and have it hauled and dumped into the city reservoir at the water field, west of town, will cost more than $2,000 per month as long as it is necessary to haul the water. It is hoped that water will not have to be hauled for more than a month, but with the continued drought, it could last longer. The new rate has been set to let the customers who use the water pay the bill.

With the understanding that the water field is supplying sufficient amount of water to provide every residential customer at least 4,000 ballons per month, that minimum will remain at 50 cents per thousand for the first 4,000, or $1.00 for less than 2,000 gallons. A rate of $2.00 per thousand will be charged for all over 4,000 gallons per month. Waer hauled from Abilene is costing $2.15 per thousand gallons, and it should be only fair for those who use the excess water to pay the cost price. Many residential customers, where there are three or more adults and two or three children in the house, use less than 4,000 gallons of water each month. Others with only two or three adults in the house use is much as 15,000 gallons per month consistently. By closely conserving water, refrain from watering lawns, and use water for domestic needs only, the $2.00 rate would not affect very many water customers in Baird, and hauling might be stopped before many days.

This information is being published in The Baird Star that every water user may know that action is being taken to provide water for the twn. Your neighbors will appreciate your efforts to save water during this emergency.

———0———

ENGAGEMENT ANNOUNCED

The engagement and approaching marriage of Miss Dorothy Jean Donaldson to Dan L. Gorman, son of Mr. and Mrs. W. F. Gorman of Baird, has been announced by the bride-elect's parents, Mr. and Mrs. J. F. Donalson of San Angelo. The formal wedding will take place in the Donalson home at 715 Koberlin St., San Angelo, on September 5th, at 3 p. m. Miss Donalson is a graduate of San Angelo High School and attended San Angelo College, where she was a member of Sigma Alpha Chi sorority. Mr. Gorman, a graduate of Baird High School, attended Hardin-Simmons University and San Angelo College. He will continue his engineering studies at San Angelo College this fall.

———0———

DAVID L. COLE FUNERAL AT CLYDE THURSDAY

Funeral for David L. Cole, 77, Clyde farmer who died early Wednesday while enroute to Hendrick Memorial Hospital, Abilene, was held at 5 p. m. Thursday at the Clyde Church of Chirst. A nephew, Lloyd Connel of Stamford, officiated, assisted by A. A. Berryman, Clyde minister.

Burial was in the Clyde Cemetery, under direction of Bailey Funeral Home.

Mr. Cole died following a heart attack.

A retired farmer, Mr. Cole had lived in Clyde for the past 24 years. He was born Dec. 3, 1871, at Honey Grove, Texas, and was married to Allie Barr Feb. 14, 1897 at Cooper. They were early settlers of Lubbock County.

Survivors are a son, Roy Cole of California; two daughters, Lena Cole of Clyde and Mrs. Irene Ladelle of Lamesa.

———0———

Mr. and Mrs. C. B. Snyder, Mrs. Haynie Gilliland and Miss Doris Foy made a trip to Fort Worth Wednesday.

REWARD!

Will pay $50.00 reward for information leading to the location of J. W. Maggart, sometimes known as Jay Wesley Maggart, or if dead, information leading to the establishment of the time and place of death and place of burial.

P. O. Box 568, Amarillo, Texas

DABNEY ANSWERS
OPPONENT'S CHARGES

Qualifications Needed:

Knowledge of the Law

Experience in Appellate Practice

Wisdom and Mature Judgment

Allen D. Dabney

Compare

	DABNEY	Opponent
1. Actual Court Civil Appeals Practice	25 Years	NONE
2. Actual law practice experience	35 Years	7 Years

Judge Dabney carried his home county of Eastland by a substantial majority, although Judge Gray, the third man in the race, also was living in Eastland and holding court, where he received a nice vote.

My opponent, living in Big Spring, is District Judge of the 70th District Court, which is composed of 5 counties, but only one of these counties is in the 11th Appellate district where he is now seeking office. In other words, 4-5ths of his judicial service is spent in the El Paso Appellate District. Why elect him to the Eastland Court when he renders only one-fifth of his service in OUR District?

My opponent is charging there will be two members from Eastland County if I am elected. The fact is that two members now LIVE at Eastland and the third stays there much of the time. In fact, since creation of this court ONLY ONE member lived in Eastland County WHEN ELECTED OR APPOINTED, but almost every one MOVED THERE after he became a member. When they joined the court one present member was of Brown County, one of Taylor County and one of Haskell County. The Brown County member is retiring, the Haskell county member lives at Eastland and votes there, but his address is listed as Haskell as late as 1945. (Southwestern Reporter 187-88-2d.) The Taylor county member lives in Eastland but votes in Abilene.

My opponent ERRONEOUSLY bases his qualifications to the Civil Appeals court on the fact that he is a district judge. Chief Justice Hickman of the Texas Supreme Court was not a district judge before being elected to the Eastland court, but was an Active practicing lawyer, (as is Judge Dabney) and as were many others.

ST TEXAS COUNTIES TO T MORE REVENUE

Abilene — Additional revenues cities and counties in West as would be made available the next session of the Texas gislature passes an enabling proposed by the Soil Conser- ion Commission of the West as Chamber of Commerce. act will be prepared on the umption that HJR 24 will be sed as a constitutional amend- nt at the general election in vember.

t provides for repeal of the sent 30 cent ad valorem state and making it possible for counties to relevy the same ount within the county for m-to-market road and flood trol purposes.

Under the program adopted the WTCC group, the enab- g act will contain provisions ich will make a part of this money available to the municipalities for flood control and water improvement projects. The remainder would be divided equally between flood control and farm-to-market road work in the county. The committee is working on the assumption that flood control means keeping excess water out of the streams and on the land, and therefore soil conservation work can be carried out with these funds.

The bill also will provide that soil conservation work can be carried on within the county in supplementation to and in cooperation with existing services, such as the Soil Conservation Service, Soil Conservation districts and the extension service. FM road work would be carried out in cooperation with the State Highway Department.

The group is headed by Charles C. Thompson, Colorado City banker and land owner; Sterling Williams, Scurry county state legislator and land owner; W. R. Cusenbary, Sutton County rancher; J. G. Nisbett, Moore county business man and farmer, and W. R. Humphrey, Fort Worth editor and active soil conservation proponent.

In a broad declaration of principles the group favored a division of funds, which would be made available by a countywide vote, to permit the municipalities of a county to receive one-third of the revenue received within the city limits, based on county valuation, for its flood control work. This would afford a new source of revenue for a municipality, which is not now available.

It was pointed out that with the passage of HJR 24 as a constitutional amendment, it will be necessary for the legislature to pass an enabling act which will permit the counties to relevy the 30 cent tax. Each county then will be required to authorize this passage by its vote, before the law can be put into effect.

This enabling act will be sponsored by the WTCC and will be offered in the legislature by Sterling Williams, according to General Manager D. A. Bandeen.

"At our referendum meeting last November, this committee was set up with this definite program and it has now been activated, Bandeen said.

$59,574.00 IN SAVING BONDS BOUGHT IN CAMPAIGN

Total sales of U. S. Savings Bonds in Callahan County during the Security Loan Campaign were $59,574.00, according to B. H. Freeland, County Savings Bonds Chairman. He received sales figures today from state savings bonds headquarters in Dallas.

The county's quota was $125,000.00. The Security Loan Campaign was launched on April 15 and continued through June 30, with sales through July 15 being credited to county quotas. Of the county's total sales, Series E Bonds accounted for $15,000.

Final sales for the state as a whole were: Series E, $41,404,000; Series F and G, $24,462,000; total, all series, $65,866,000. Total sales for the nation were $2,798,183,000.

BURLESON SPEAKER AT HOMECOMING DAY

Congressman Omar Burleson delivered the principal address at the dedication of the new American Legion hall and the observance of the Page County Veterans Homecoming Day at Luray, Virginia, August 12th, at the invitation of the Luray American Legion Post.

A crowd estimated at between eight and nine thousand persons attended the ceremonies, which included a parade of the veteran units from Page and adjoining counties and units of the armed services, while units of the Air Force, including the latest jet fighters, performed overhead. With Congressman Burleson on the Speaker's platform was Scott W. Donaldson, Special Assistant to the Secretary of Air, Admiral Morton C. Muna, head of submarine activities in the Pacific in World War II, and Congressman Burr P. Harrison of Virginia.

In his dedicatory address Congressman Burleson declared the United States must make its position clear as regards Russia. He stated in part, "We must let the Russians know what our policy and course will be and not retreat from our stand. We do not want war, but we will invite it if we fail to remain strong or show hesitancy in our dealings with those who would be our enemies."

Congressman Burleson has been invited to address the Virginia House of Delegates, and veteran groups in Pennsylvania and Ohio, but has not as yet been able to accept due to the uncertainty of his future plans.

ESSAY CONTEST FOR RAILWAY WORKERS

Employes of the Texas & Pacific Railway have been invited to tell "Why I Like To Work For My Railroad" in a nation-wide essay contest sponsored by the American Railway Magazine Editor's Association.

The Association's membership, according to Chris D. Hobson, editor, Texas & Pacific Topics, the railroad's employe magazine, includes editors of almost all railway employe publications in the United States, Canada and Mexico.

In the United States, close to 30 roads, representing more than half a million workers, have entered the contest, and more are expected, it was stated.

Each road will conduct a preliminary contest to select three winners to compete in the national contest which closes November 15.

Prizes offered by the editors' association are $1,000, first; $250, second, $100, third. Prizes in the Texas & Pacific preliminary contest are $100 U. S. Saving bond, first; $75 in U. S. Saving bonds, second; $50 in U. S. Savings bonds, third.

Judges in the national contest are Frank Ritcher, editor, Modern Railroads; Henry B. Comstock, editor, Railroad Magazine; and A. C. Kalmbach, editor, Trains. All are nationally known in the railway magazine field.

Make these 4 comparisons before you buy any car

COMPARE THE VALUE

Yes, compare the features—compare the prices—compare what you *get* for what you *pay*—and you, too, will come to the conclusion that Chevrolet continues to be *first in value*, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY

You can identify the *biggest value* in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES

Only Chevrolet combines the Unitized Knee-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction *plus* Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the *lowest* in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR
QUALITY AT LOWEST PRICES . . . that's why
CHEVROLET—and Only CHEVROLET—IS FIRST!
RAY MOTOR COMPANY

Mrs. L. A. Shackelford left Sunday for Dallas after visiting her niece, Mrs. Marvin Hunter and family two weeks.

Mr. and Mrs. O. B. Pool Jr., of Alpine, are spending their vacation with his parents, Mr. and Mrs. O. B. Pool.

Please Examine The FACTS About Your Civil Appeals Court

1 Appeals have been made for the "Eastern" end of the District to have representation on the 11th Court of Civil Appeals.

JUDGE CECIL COLLINGS IS FROM HOWARD COUNTY. HE WAS BORN IN ERATH COUNTY. HE PLEDGES TO SERVE ALL THE 11TH JUDICIAL DISTRICT. HE MAKES NO APPEAL TO SECTIONALISM, BELIEVES IT HAS NO BEARING IN THE REAL TEST OF A JUDGE — THAT OF EXPERIENCE AND PROVEN ABILITY.

2 A misleading question has been put to you: "Why have all the Judges from the West?"

OF THREE JUSTICES ON THE COURT NOW, ONE IS FROM EASTLAND COUNTY, ONE FROM BROWN COUNTY, ONE FROM TAYLOR COUNTY. NONE OF THESE IS A "WESTERN" COUNTY. ELECTION OF JUDGE COLLINGS' OPPONENT WOULD MEAN TWO JUSTICES FROM EASTLAND COUNTY ALONE. LOOK AT THE FORMER JUSTICES: JUDGE PANNILL FROM STEPHENVILLE, JUDGE RIDGELL FROM BRECKENRIDGE, JUDGE HICKMAN FROM BRECKENRIDGE AND DUBLIN, JUDGE LITTLER FROM BIG SPRING, JUDGE LESLIE FROM COLORADO CITY, JUDGE FUNDERBURK FROM EASTLAND. OUT OF NINE PRESENT AND FORMER JUSTICES, ONLY TWO HAVE BEEN FROM A "WESTERN" COUNTY.

CECIL COLLINGS

Is the ONLY JUDGE in the 11th Civil Appeals Court race. He has served with distinction for 10 years as a District Judge. He asks your vote on August 28 on the basis of his ability to serve ALL the 11th Supreme Judicial District.

(Pd. Pol. Adv.)

TO THE VOTERS OF CALLAHAN COUNTY:

The office of the Court of Civil Appeals at Eastland, Texas is a very important office. It is an intermediate appellate Court, and almost all matters appealed from this district are finally determined there. Very few cases reach the Supreme Court. The Court of Civil Appeals decides and writes opinions in numerous cases, and in order for the Court to keep up with its work, it is essential that the Judges elected to said Court be qualified and capable.

CECIL C. COLLINGS of Big Spring, Texas, is an outstanding District Judge. He is a qualified lawyer and judge, and a leader in community affairs.

Judge Collings' net years experience as District Judge will enable him as Judge on the Court of Civil Appeals to review the records and correctly decide the cases which have been tried by the various District Judges. He has in the past, and will in the future interpret the law as he understands it to be, with partiality and favors to none, and complete fairness to all. He has the endorsement of every member of the Big Spring Bar Association, composed of the lawyers who have tried cases in his Court for the past ten years, and in the first primary received, 86 per cent of the votes of the people of Howard County.

J. R. BLACK, JR.
(Paid Pol. Adv.)

Mr. and Mrs. Rex Shanks and children of Del Rio and Mr. and Mrs. David Shanks of Perryton visited Mr. and Mrs. Paul Shanks in Clyde Sunday and Monday.

Mr. and Mrs. Farris Bennett, B. H. Bennett and Mrs. Ella Hooper visited in San Angelo Sunday.

Mr. and Mrs. George Crutchfield Jr., left Sunday for a weeks vacation in Houston and Galveston.

JOYCE REYNOLDS LIKES MEN ON GALLANT SIDE

Joyce Reynolds is afraid she is living about a century too late.

"The trouble is," she says, "I'm old-fashioned. I should have been one of the Bronte sisters or a character in a Dickens novel."

For this reason, the 22-year old actress view with alarm her female contemporaries, most of whom she finds "unladylike and over-civilized."

"If young men are not mannerly and polite as they used to be, it's partly our fault," she says, meaning girls in general. "We don't encourage respect when we try to put everything on an equal basis."

A young man can hardly be expected to look upon his sweetheart as an appealing bit of helplessness when she can outplay him at tennis, when she drives a faster automobile, earns a bigger paycheck, and "won't even let him open a door for her or help her with a wrap."

"It's awful" she moans. "Really awful!"

Miss Reynolds' thought on chivalry were inspired by her new role in "Always Together," a Warner Bros. romantic comedy, due Tuesday and Wednesday at the Plaza Theatre, in which she is co-starred with Bob Hutton.

"Some romantic!" she says.

Then she waved a ladylike hand in the direction of the set. "This picture is an example of what I mean. I play a modern young woman who is quite independent of the attention of her sweetheart. It's just like real life. I like it that way."

Mr. and Mrs. Joe M. Gibson and daughter of Nocona, visited relatives and friends in Baird, Clyde and Eula last Tuesday and Wednesday. They were unable to attend the family reunion held the 16th in honor of her brother, J .F. Ferguson of San Diego, Calif. Mrs. Gibson will be remembered as Lou Ella Ferguson of Eula.

PUBLIC ASKED TO INSIST ON PROPER SANITATION

Austin — The Texas State Department of Health cannot maintain a daily inspection of all eating places and the public is urged by Dr. Geo. W. Cox, State Health Officer, to insist on the proper sanitation of the establishment where they eat. If the public is careless in this respect the incentive to maintain clean food service will be lessened and operators will only maintain the level the public is willing to accept. He urged that the public patronize "eating establishments which measure up to a high standard of cleanliness."

The State Health Department is making every effort to improve sanitation of eating places, Dr. Cox said, and there is "no excuse for cafe owners not taking advantage of the food handlers schools which are being offered all over the state." He added that there are laws, rules and regulations which require the use of approved equipment and methods in such establishments.

"The public should be aware of these sanitary rules and regulations and insist that restaurants observe them. Patrons should realize that tables and counters will be many times cleaner than the kitchen and other places out of sight," he warned.

He urged milk appraisal by the patrons also. Texas law requires that a milk bottle cap state the gradeof milk, and whether it is raw or pasteurized. "Insist on having the milk served in its original container, and a covered cap and a legal label.

"Obviously," he said, "the best in sanitation can be had only by close co-operation between the public and the investigators of the State Health Department."

Dr. Jim Tom Lawrence of San Antonio and Mr. and Mrs. J. T. Lawrence visited Mr. and Mrs. Donald Melton and daughters, Yvonne and Sharon, at Seagraves Sunday and Monday morning.

Mrs. Otha Carter of Shafter, Calif., Mrs. Laura Straton, Mr. and Mrs. C. S. Rice of McLean visited Mr. and Mrs. H. W. Walker and Miss Edith Bowlus and other relatives. They attended the Old Settlers Reunion.

Jack Hunter left Friday for a few days visit with his grandparents, Mr. and Mrs. J. Marvin Hunter, Sr., at Bandera.

BIRTH ANNOUNCED

A baby boy was born to Mr. and Mrs. Alton E. Hornsby at 9 a. m. Wednesday, Aug. 18, at Callahan County Hospital. The new arrival weighed six pounds, fourteen ounces. Both mother and baby are getting along just fine.

Olaf G. South of Roscoe visited here Sunday.

G. K. Chalker of Abilene visited his nephew, J. L. Ault and family Friday and Saturday. Joe Lynn Ault, Jr., returned home with Mr. Chalker for a visit in Abilene.

Mr. and Mrs. Gaines Short and children, David and Barbara, of Abilene, and Mrs. Bessie Short visited in De Leon Tuesday of last week.

ALLEN D. DABNEY

CALLAHAN COUNTY VOTERS:

* You are in the Eastern end of this Judicial District
* You are entitled to representation on this Court
* Why have all the Judges from the West
* Elect JUDGE ALLEN D. DABNEY of Eastland, your neighbor to the Eastland Court of Civil Appeals
* Judge DABNEY is the man for the place!

GET *Big* CALF CROPS

Help build up YOUR COWS with PURINA RANGE CHECKERS ...a quality range supplement

Yes, many cattlemen get 90% calf crops—some almost 100%—by feeding Purina Range Checkers for 3 to 5 months during the winter. And their calves are usually enough bigger in size to more than pay the cost of the feed. All this is made possible because the cows are usually brought through the winter in better condition on Purina Range Checkers.

Why? Because Range Checkers contain 3 kinds of proteins—cottonseed, linseed and soybean oil meal... plus minerals, and molasses—a fine conditioner.

So, before you buy or book feed, ask us about Range Checkers. IT'S PRICED RIGHT!

Cows Need Minerals During Gestation

If your cows are not getting Purina Range Checkers, feed Purina Livestock Mineral... contains 9 essential minerals for cow condition and calf development.

Come in for PURINA LIVESTOCK MINERAL, TOO!

Contains a VARIETY of proteins, carbohydrates and minerals cows need for top results.

Eula Episodes

By MRS R. G. EDWARDS
Elevating Elucidations for the Enjoyable Enlightment of Everybody Everywhere.

Hub Warren has been doing a lot of work the past few weeks on the roads in this vicinity. He has made an all weather road one mile north of Eula, to the west, leading to Highway 36, by the Magnolia Pump Station. The mail and school bus routes have had considerable repair, too.

Eula has ginned several bales of cotton the past week. Last Monday the workmen started the annual repair, and before it was completed two customers came rolling up. Tuesday noon they were ginned. Powell Spitzer and Reese Miller each had two bales. Since then there has been three or four ginned. Aaron Mckee, Austin McClure and N. H. Stephenson will run the gin this year.

Mr. and Mrs. F. A. Smith and small daughter have moved to the teacherage that was formerly occupied by the Padens. If you have not met them, go by and get acquainted before school starts.

N. H. Odell, school superintendent, announces that school will start September 6. All the teachers for the year have been hired. They are Mrs. Marie Cox, Mrs. E. E. Huddleston, Mrs. Dorthea James, Mrs. Ernest Crawford, Mr. Popnoe, Mr. Smith and Mr. Odell. Mr. R. L. Payne will be janitor. Mrs. L. E. Allen and Mrs. Bill Ferguson will supervise the work of the lunch room.

Dr. Orion Carter is conducting a revival at the Methodist church this week. You are invited to come to the services, both morning and evening.

The next meeting of the Home Demonstration Club will be in the home of Mrs. M. L. Logan, September 1. It is the time to make out the annual report, and all members are urged to bring an itemized account of all the work done this year that will help make the report one of the most outstanding of all times.

Mr. and Mrs. Roger Smith of El Paso are visiting in the home of their parents, Mr. and Mrs. Lee Smith and Mr. and Mrs. Ross Farmer.

Mrs. Ralph Brock is visiting in the home f her daughter, Mrs. Bill Scarborough of Abilene. Mr. and Mrs. Scarborough are announcing the birth of a son, William Donald, August 17.

Mr. and Mrs. M. E. Ryals of Dallas visited this week in the home of her daughters, Mrs. A. G. Black and family.

Mr. and Mrs. John Edwards and daughter, Jonel, of Hamlin, are spending part of their vacation in the home of his parents, Mr. and Mrs. J. E. Edwards.

Mr. and Mrs. Harry Snively and children of Abilene were Sunday visitors in the homes of R. G. and Hilton Edwards.

Mr. and Mrs. O. J. Witte of the Magnolia Station are on their vacation. They are visiting in the vicinity of Houston and La Grange.

———0———

James Bostick of the Postal Department at El Paso visited in the hme of P. E. Dungan this week.

Mr. and Mrs. W. L. Paschall of Abilene were Sunday guests of their sister, Mrs. Edgar Crawford.

Mr. and Mrs. Nelson Burks and little daughters were Sunday visitors of their grandmother Mrs. Tom Arledge.

J. L. Crawford of Ft. Worth visited his mother, Mrs. Sally Crawford, and his brother, Edd Crawford the past few days.

Mr. and Mrs. Charnell Harp and children, Duane, Judy and Sally, of Pawnee, Oklahoma, are visiting his mother, Mrs. D. F. Harp, this week.

BURLESON INVITED TO SERVE ON HEARINGS

Congressman Omar Burleson has been invited by Officials of the Office of the Secretary of Defense and the Counsel for the Armed Services Committee of the Congress to participate in hearings and conferences on the revision and unification of military justice for the Army, Navy and Air Forces.

Congressman Burleson's invitation came as a result of his efforts and interest in modernizatin of court martial procedures. Congressman Burleson has been active in the promotion of such legislation since the third day he took his seat in the Congress when he introduced the first Bill for this purpose, and portions of his measure are incorporated in recent legislation revamping the military justice system of the Army. As introduced, his Bill was applicable to the three services, but was rejected in whole by the Navy.

Congressman Burlesn has long contended that the present system of military justice is outmoded and belongs to the old Prussian type of militarism. In his opinion more equal treatment of Enlisted and Officer personnel is fundamental, and legislation to bring this about is definitely needed. "There is also favoritism between the Regular Navy and Regular Army Officers and that of Reserves on active duty, because of the fraternal associations established in our Military Academies," Burleson said.

The hearings and conferences are now being held in the Office of Secretary of Defense Forrestal's Office. and the resulting draft will be presented to the 81st Congress when it convenes next January.

PTA ORGANIZED AT EULA

Last Thursday night, a Parent Teachers Association was organized at the tabernacle. Mrs. P. B. Loven was named president, Mrs. D. L. Kisner, vice-president, Mrs. L. T. Harris, recording secretary, Mrs. A. G. Black, treasurer, Mrs. N. H. Odell, historian and Mrs. Dorthea James was named parliamentarian.

This Thursday afternoon at 2 p. m. the officers will meet in the home of Mrs. A. G. Black to make plans for the year's work.

Time for the regular meetings will be the last Monday night of each month, at the school auditorium. The next meeting will be August 30. There will be no program, but an old-fashioned ice cream supper will be the main attraction of the evening. If you have a freezer, bring it full of cream. If not, just bring cake or cookies. Everybody is invited to attend. You women come and bring your husbands; the girls, their boy friends.

The first project planned by this new organization is the cleaning of the school grounds. On Tuesday, August 31, there will be a general clean-up day. The women will bring lunch for the noon meal, the men are to bring, trailers, hoes, rakes and all other things that will be used to conduct the clean-up. In the afternoon after the job has been completed, A. G. Black has arranged a ball game. Everyone is urged to be present.

County H. D. Agent's Column

Evelyn Wieland

CROP FOR TEXAS

The final plans for the state organization of Christian Rural Overseas Program, the rural sister pragram of CARE, were recently completed at College Station with the election of J. D. Prewit, acting state director of Texas A. & M. College Extension Service, as state chairman, and Dan Russell, professor of rural sociology of Texas A. & M. College, as vice-chairman.

"The organization will be set up on a county level," Mr. Prewit said, "and the actual administration of the program will be carried out there."

The organization, known as CROP, is organized to furnish a channel whereby rural people can take part in overseas relief, particularly for children. It is open to all people and is sponsored by the Church World Services.

The Friendship Trains are examples of the type of work sponsored by CROP, and the organization will be able to handle all types of farm commodities and crops, Mr. Prewit said.

The State and executive committees include representatives of Texas churches, commodity groups, and farm organizations, as well as the Texas Home Demonstration Association and the Council of Church Women.

LAMPS, IRONS AND MUSIC

With the steady increase in rural electrification, a new and very large electrical appliance market has opened. As soon as the farm or ranch house is wired for electricity the average family starts to buy electrical equipment.

The Rural Electrification Administration says that the rural housewife first invests in better lighting equipment, such as floor and table lamps. Then comes an electric iron, a radio or a radio-phonograph. Refrigerators and washing machines come next, these are items that are more expensive and usually take a little budgeting.

The installation of an electric water system in the home is usually planned next. Mrs. Bernice Claytor, extension home management specialist of Texas A & M College says the electric water system is one of the greatest time and labor savers for the rural homemaker, even though its installation usually comes after the purchase of other items. Mrs. Claytor points out that with new electrical appliances in the home, care must be taken to prevent plugging too many into one outlet. It pays to have enough outlets, as overloading cuts down on the current, means less power, dim lights and may blow a fuse.

Plenty of conveniently placed outlets will cut down on potential accidents, too, she says, as there will be no need for long extension cords, which are unsightly, inconvenient and dangerous. The best time to install the outlets is when the house is wired.

TOURIST ATTRACTIONS ON HIGHWAY 80 OUTLINED

A campaign to acquaint the motoring public of the United States with the advantages of traveling over U. S. Highway 80 and with the tourist attractions offered along the route has been outlined by Fred Brown, bank vice president of Eastland, Texas, who is the new president of U. S. Highway 80 Association. The route runs from San Diego, Calif., to Savannah, Ga., and Baird is on "80."

The objectives, to be discussed at a meeting of officials and directors of the association in September, are set forth by Brown:

"We want to work in each State for the best physical highway in the United States, working through each State Highway Department on any segment needed to be made more modern. We already have a fine higway, probably the only all-weather highway crossing the continent, and we want to make it finer.

"The association expects, over a period of years, to help make all the people along U. S. 80 fully aware of the importance of tourist business so that tourists will meet a universal attitude of courtesy and hospitality.

"We plan to raise funds through annual memberships along the entire route. on a nominal basis, especially among persons directly benefitted by highway traffic and by increase in the volume of such traffic. We desire to obtain as many members of the association as possible because through numbers, greater enthusiasm can be engendered.

"When these goals are attained, the association will be able to make known all over the United States the advantages of traveling over U. S. 80 and the many attractions of a scenic and historical nature to be found along the route."

MARKETING with *Marjorie*

With the temperature and the cost of living both so high, energy and money are two things everybody wants to save these days. So I'm sure you'll be interested in the suggestions I'm going to give you now. I've found them a great help in cutting cooking time and food bills.

SERVE A WORK-SAVER!

When meal time rolls around and you don't feel like fixing a dessert, you'll be ever so thankful for JANE PARKER JELLY ROLL. So will your family! Because this light, jelly-rich sponge cake roll is ideal to top off a summer meal. Try it! And try A&P's other luscious JANE PARKER bakery treats... fresh from A&P's own ovens and marked with A&P's modest prices.

COOL OFF AT LOW COST!

Want another wonderful warm-weather dessert? Beat 1 cup A&P GRAPE JUICE; add to 1 pkg. lemon-flavored gelatin; and stir till dissolved. Add 1 cup water; pour into 4 individual molds; and chill till firm. Of course, tangy A&P GRAPE JUICE is mighty refreshing to drink, too... and priced to save you cold cash. Buy it at your A&P and enjoy it often.

QUENCH THIRST THRIFTILY!

Speaking of A&P GRAPE JUICE reminds me to remind you that your A&P is a perfect place to stock up on all your favorite soft drinks. I don't know where you'll find a bigger variety of thirst-quenching beverages at smaller prices. Make it your thirst-aid headquarters!

SAVE MONEY ON MEAT!

You don't have to spend money on meat to give your family the protein they need. One good source is a salad made like this: Combine diced celery, dill pickles and cubed Cheddar cheese with plump, tasty SULTANA RED BEANS from the A&P, and moisten with mayonnaise. Prepared with brown sugar, SULTANA RED BEANS are excellent for making chili con carne, too. Keep a few cans on your pantry shelf. They're budget-priced at your A&P.

Super-Cushion YOUR CAR..

flow over the bumps on only 24 lbs. of air!

Super-Cushion
THE AMAZING NEW KIND OF TIRE BY
GOODYEAR

Mr. and Mrs. Robert Grele and three children, and Mrs. B. F. Palmer of Lampasas visited Mr. and Mrs. E. C. Fulton a few days last week.

Little Bobbie Ray Spence of Wink is visiting his grandparents, Mr. and Mrs. Robert Spence.

WEST TEXAS WILL OPPOSE NEW WATER LAWS

Abilene — West Texas will vigorously ppose the writing of new water laws, recently proposed at a meeting in Austin, which stand as a threat against municipal and domestic need for water, it has been announced following a meeting of the Water Resurce Commission of the West Texas Chamber of Commerce.

In a declaration of principles the commission went on record in strenuous opposition to that section of the proposed code which provides that all previous appropriations of water shall now be regarded as "vested right of priority."

This, it was pointed out by D. A. Bandeen, general manager of WTCC, is wholly in conflict with present laws, which allow a city, town or municipality to recover from other inferior users all water necessary for domestic purposes.

"The new proposal makes worthless our municipalities' present superior rights, and such West Texas waters as are now being used for big industries and rice growers on the Gulf Coast can never be recovered for our own use," it was pointed out in the committee's declaration.

The entire WTCC water commission came here for the meeting. It is composed of Winfield Holbrook, Plainview, chairman; James N. Allison, Midland; W. O. Fortenberry, Lubbock; C. E. Coombes, Stamford; and Charles South of Coleman. Homer Hunter, WTCC consulting engineer, also was present.

The group is making its report to President C. P. Dodson and the executive board, following the proposals recently offered for a revision of the Texas water code, by the Texas Water Conservation Association.

"That part of the proposed surface water code, which gives the present big dams the right 'to appropriate theordinary flow, underflow, storm, flood, or rain waters in amounts and quantities equal to the holding capacity of such dams, over and above the right to impound water for domestic purposes," is opposed by the group as "in confliet with Article 7472 which gives our municipalities the unquestioned right to recover the unappropriated for inferior uses.

"On our Brazos and Colorado watersheds where appropriations are now nine times as large for hydro-electric power purposes as for domestic and industrial purposes combined, it means that hydro-electric activities must first be carried on before our West Texas communities and cities can have their drinking water."

Opposition also was expressed against rewriting the entire water laws of Texas, which would void the WTCC-Wagstaff-Woodward measure which now gives full protection to domestic users. It was pointed out that such revision would mean unnecessary litigation because these provisions already have been construed.

While opposing these several actions, the group went on record as favoring a reorganization of the State Board of Water engineers, but pointed out that any newly created board should represent the public interest "and be wholly divorced from water use authorities."

RAINBOW ASSEMBLY

There will be a call meeting Monday, Aug. 30th, for Rainbow Girls Assembly at 8 p. m. All members are urged to come for iniation. Eastern Star members and Masons are welcome.

Home-made ice cream and cake will be served.

Mrs. J. T. Loper's mother, Mrs. Artie Reynolds, of Snyder, is ill in an Abilene hospital. Visiting Mrs. Loper and her mother is Mrs. Loper's sister, Mrs. Fred Gurnsey of Camden, Arkansas, and a brother, D. W. Reynolds of Carlsbad.

Mr. and Mrs. W. A. Pool of Tuscola were Baird visitors Sunday evening.

Mr. and Mrs. Nathan A. Waldrop and son, Alton, left during the weekend on a vacation trip to New Mexico.

Mr. and Mrs. Charles L. Smith and daughters, Marilyn and Jeanie, of Dallas, spent Tuesday with Mr. and Mrs. W. H. Boatwright. Relatives who reside here were called on short notice and enjoyed a pleasant time together.

MORGAN-CARSON TEAM

Warner Bros.' celebrated 'two guys' Dennis Morgan and Jack Carson, disport down in the Lone Star state in a festive Technicolor musical round-up, "Two Guys From Texas," Sunday and Monday at the Plaza Theatre.

The fun is presented against a lavish dude-ranch setting, replete with beautiful girls, swimming pools, bridle paths, heavenly vistas and yippee cowhands.

Two lovelies, Dorothy Malone and Penny Edwards fill the feminine roles, with the latter presenting some nifty footwork while Morgan sings "I Don't Care If It Rains All Night." The Technicolor tints are easy on the eye, with the vivid outdoor colorings of the southwest captured to striking effect.

Particularly arresting is the rodeo which LeRoy Prinz has staged spectacularly. Fifty girls astride horses parade in snappy western garb and carrying flying banners.

David Butler is responsible for this latest saga of the 'two guys,' and he delivers the comedy with a deft hand. Carson's top moments are when he displays a marked fear of animals, which ushers in the laughs. Morgan sings most of the songs and mostly to the luscious Miss Malone.

The Jule Styne-Sammy Cahn score ripples with hits, including "Every Day I Love You," and "I Never Met A Texan" registering strongest. For rip-snortin' farce, accented with girls and tunes, this sparkling round-up wins the prize. The 'two guys' are again champs when it comes to laughs.
