Pecan Trees To Highlight Tour

New irrigation systems, pecan orchards and cotton varieties will be demonstrated today (Thursday) as area residents participate in the Annual Farm Tour.

The tour will travel by bus in the Lorraine, Buford and Custom Ag areas.

Coffee and donuts will be served at the Civic Center by the Colorado City Area Chamber of Commerce at 8:30 a.m.

Busses will leave the center around 9 a.m. and will travel to the Linden Solomon farm to see a demonstration on pecan orchards and drip irrigation systems.

The farm of R.B. Golden will be the second stop. There, producers will have a chance to examine a variety of grasses established on saline soils.

Third stop will be at the Bobby Lemons' place where a variety of cotton types have been planted.

Anastacio Alvarez used cotton burr mulching this season and a stop is planned to see this demonstration.

A new type of sprinkler irrigation system will be demonstrated on

the J.B. Mahon Estate operated by Custom Ag and then producers may enjoy a watermelon feast through the courtesy of Travis Turner.

A tour of Custom Ag will be the next stop on the tour.

A bollworm control program used by Tommy Fuller will be one of the main attractions of the tour. The demonstration is set up on irrigated cotton.

The tour will end See TOUR Page 2

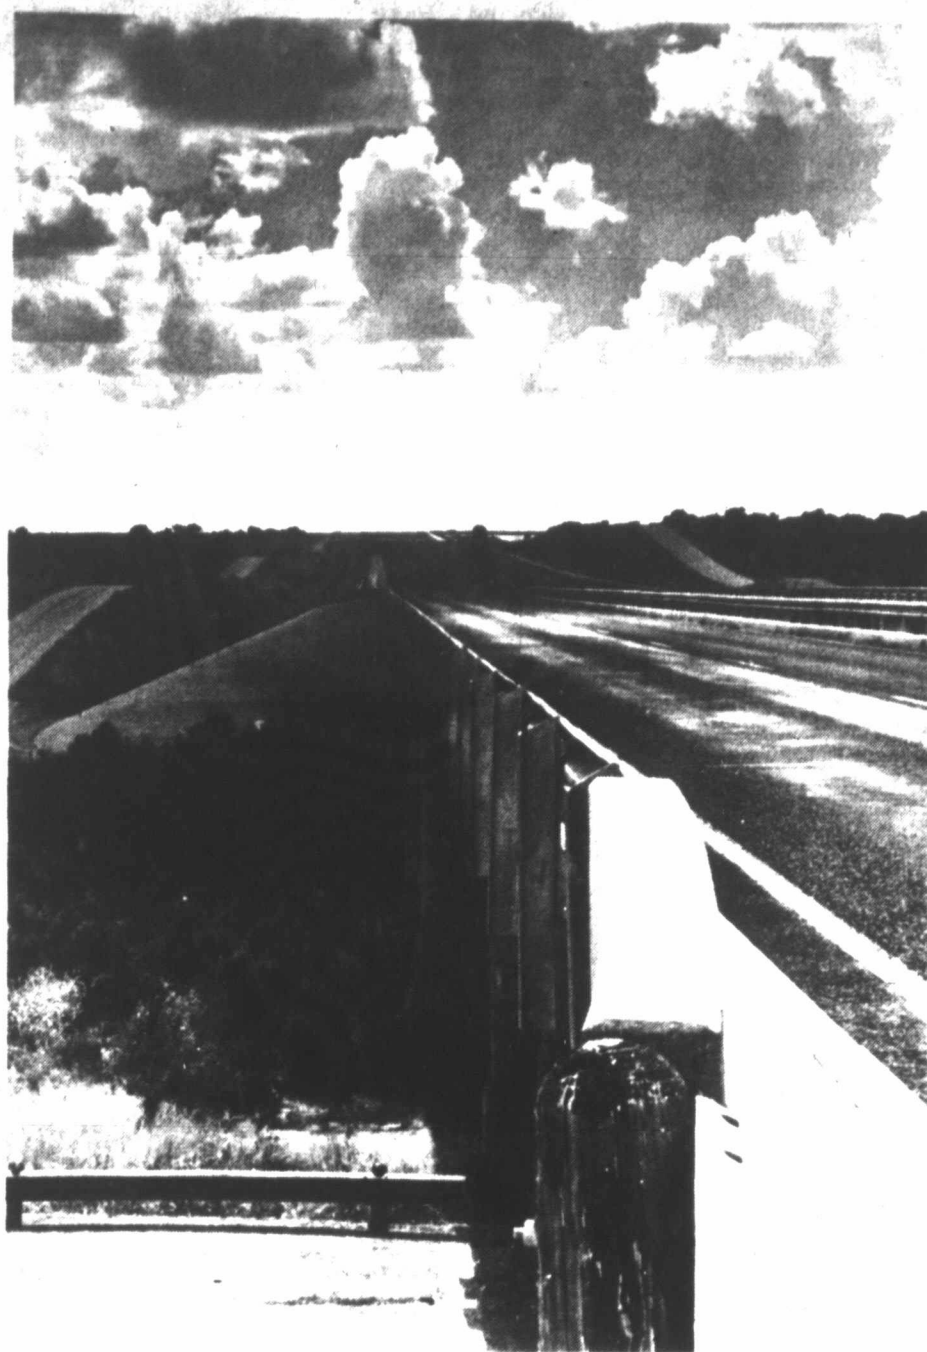

Student Numbers Increase

Summer vacation traditionally comes to an end each Labor Day when students go back to school for another year.

Enrollment in Mitchell County has reached the 1,915 mark. This represents an increased county-wide enrollment of 27 students over the same period last year.

Colorado City's total enrollment this year is 1,445 students compared to 1,412 students last year.

This is broken down into Kelley Elementary School's enrollment this year of 348 students See SCHOOL Page 3

FARMERS HAVE BEATEN the odds for a number of years as they tiptoe across this tightwire known as the Colorado River Bridge Crossing on Interstate 20. It is only a matter of time until a real disaster occurs due to the extremely hazardous conditions which exist because the access road does not cross the river bed. Producers are forced to move heavy equipment up onto the busy highway to travel across the river. A petition, currently being circulated requesting the state to build a bridge on the access road, will be delivered to the department of transportation this week in an effort to correct the dangerous situation which exists.

Chamber Playday Sees Big Turnout

The First Annual Colorado City Area Chamber of Commerce Playday was a huge success Monday when more than \$700 in entry fees and \$100 in gate fees were reported received by Chamber President Brad Rose.

Youngsters ages 19 and under participated in numerous events in a real old-fashioned western "Labor Day" celebration.

Winners received cash prizes in roping divisions and silver trophy belt buckles in all other divisions.

In the order of their win:

-In the girls eight and under division: China Parish, Sandy Miles, Tiffany Rose and Camie Kemp won in Barrels; Sandy Miles and Camie Kemp won in Poles; Camie Kemp and Sandy Miles won in Flags and Sandy Miles and Camie Kemp won All-Around.

-In the girls nine and under division: Kody Newman, Kelly Head, Ralynn Key and Amber Stephens won in Barrels; Kody Newman, Becca Whitesides, Amber Stephens and Jennifer Beasley won in Poles; Kelly Head, Ralynn Key, Kaila Barbee

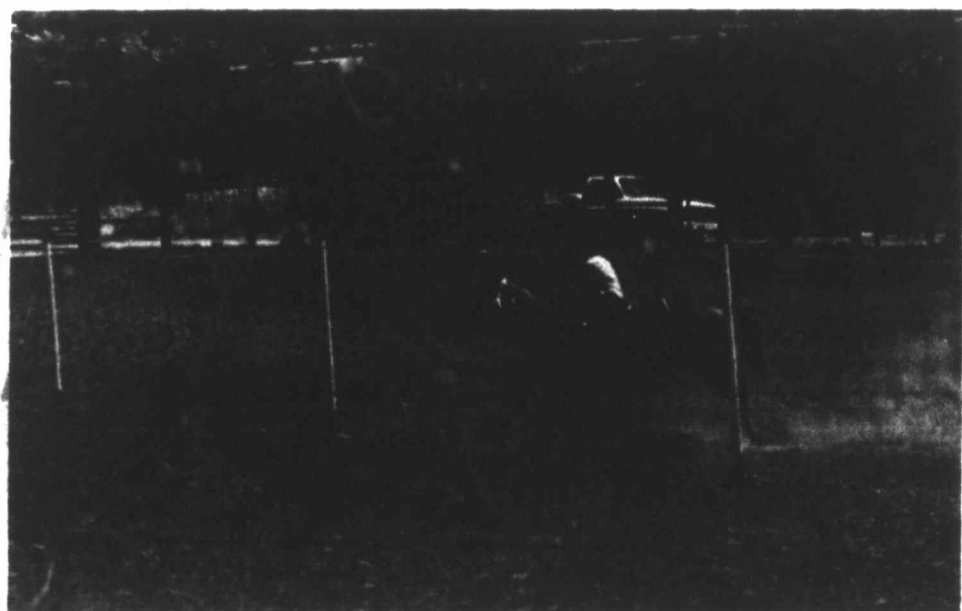

and Becca Whitesides won All-Around.

-In girls 13-15 division: Michelle Norton, Kristi Taylor, Sandra McCain and Debra Mc-

Cain won in Barrels;

Lone Wolf Co-Op Annual Meet To Feature Singers

The Lone Wolf Electric Co-Operative, Inc., is holding its annual meeting Tuesday at 7 p.m. in the Co-Opatorium.

Duke Jimerson, "Mr. Master of Ceremonies of West Texas" will be bringing a musical variety program from Midland for the meeting.

Jimerson said the highlight of this year's show will be the "Sonshiners."

This is a ten member ladies' ensemble which has become one of the most popular musical variety groups in West Texas, he said.

"They are much in demand for conventions, banquets, social clubs and churches."

This group originated through the music department of the First Baptist Church of Midland and now has demonstrated its talent throughout West Texas.

Jimerson said, "The 'Sonshiners' have a musical sound that is varied and unique. Their charm and personality puts the icing on the cake for their programs."

Their repertoire includes patriotic, secular, western and religious music.

Jimerson, who will serve as Master of Ceremonies, is a past district governor of Lions International, an honorary member of the Kiwanis Club and past recipient of Midland's "Most Outstanding Young Man Award."

He arranged the Lone Wolf's program two years ago when Marlon

Snider and Gordon Ray from Dallas were featured.

During the meeting, officers' reports will be given and three new board members will be elected. Candidates include from Area Three, incumbent G.C. Strange and Carl Guelker; Area Five, incumbent Martin Murphy and Arthur L. Pieper; Area Seven,

incumbent Hubert Dunn and Eddie Strain.

A door prize will be given to registered persons and drawings will be made during the meeting.

Refreshments will be served.

The public is invited to attend and all members are urged to participate.

Vacation Trip Ends In A Near Disaster

The mother and father of two young boys were hospitalized in serious condition Tuesday after the car in which they were all travelling fell headlong into an eight-foot concrete culvert.

The family was on a trip from Arkansas to Monahans. Mrs. Deborah Edwards, 24, of Monahans was driving and her husband, Jay, was asleep in the front seat. The two boys, Jeremy, one-year-old and Chaney, two-years-old, were curled up in the back seat, also asleep.

At about 12:05 a.m., five miles west of Westbrook on Interstate 20, Mrs. Edwards reportedly nodded off to sleep and the car left the highway.

An eye witness reported seeing the car leave the highway and continue down the grassy

median for a short period of time before dropping out of sight.

Texas Highway Patrolmen Tom Johnson and Frank Costabile arrived at the scene of the accident minutes after being notified by the Big Spring Police Department, who had been contacted by a passing

motorist with a two-way radio.

Units from the Colorado City Police Department and Sheriff's Department assisted in traffic control, as the Root Memorial Ambulance arrived to transport the victims to the hospital.

Jay Edwards suffered from facial lacerations and possible back injuries. Deborah Edwards suffered chest injuries when the steering column collapsed, forcing the steering wheel into her chest. She also received facial lacerations.

Chaney Edwards suffered an apparent concussion and Jeremy was uninjured.

The family was treated at Root Memorial Hospital and transferred to Odessa Medical Center where they are See END Page 3

farm land; \$200 per acre for number one grass land and \$170 per acre for number two grass land was offered.

September 1 was suggested by the letter as a deadline for owners to reply.

A total of eleven owners were contacted and of that number, eight answers had been received by Monday's deadline.

C.C. Thompson rejected, with no explanation, an offer of \$10,786.49 for 25.957 acres of property along the right-of-way.

W.R. Powell accepted an offer of \$2,853.09 for 12.568 acres of land with the stipulation that any fencing necessary would be done without cost to himself.

The Winnie Powell Cooper Estate accepted an offer of \$1,038.36 for 6.108 acres of land with the stipulation that any fencing necessary would be accomplished without cost to the estate.

James W. Green rejected an offer of \$943.79 for 5.410 acres of land. He stated in his

reply that the road would divide his property and cause a hardship because water for the property was obtained from a well located at one end of his property. Therefore, the property located on the opposite side of the highway would be without water or a new well would have to be drilled.

Commissioner Billy Preston suggested to the court that it would be less expensive to pipe the water to a storage tank on the dry side of the highway rather than drill another well.

David Hutchins rejected, with no comment, an offer of \$2,093.70 for 2.991 acres of land.

Constance Hampton accepted a bid of \$2,298.87 for 3.567 acres of land.

Buena Vista Wulfjen Harrell rejected an offer of \$466.60 for 2.003 acres of land and commented more information was needed in regard to how the road was to be constructed and the fencing accomplished.

CALVIN DAVENPORT, 20, began his duties as dog catcher Tuesday. He and his wife, Bonita, have moved here from Andrews where he was employed by West Texas Gas Company. They are Baptist.

THIS DEEP GULLY, hardly visible from the road, could constitute quite a dangerous hazard for unsuspecting motorists. The gaping canyon is located on Austin Street, one block south of the railroad tracks. The road at this point is just wide enough for two cars to pass. The bridge is actually a "fill" constructed of enormous corrugated metal cylinders and tons of dirt. Brush and trees have grown up along the edge of the paved surface completely obstructing view of the deep drop-off on both sides of the road. At some point, a chain guardrail was constructed, defining the edge of the crevice, however, that has long since been removed and only widely spaced pipe, about one foot high, remain extended from the ground.

owns, required for the right-of-way, is below the level of the high water line on Lake Champion. If the lake ever reaches the full mark, the proposed road would be under water, so the state highway personnel have designed the road to be elevated for about one-half mile in this area.

Because the road would split the pasture and cattle could not reach the lake water, a pasture passage way for the cattle would be necessary under the road.

Texas Electric Service Company accepted an offer of \$1,885.80 for 9.429 acres of land, but requested more information on the construction and fencing.

No reply was received from Willie C. Ross who was offered \$2,586.61 for 3.781 acres of land.

No reply was received from Bob G. and James R. Howard who were offered \$462.85 for 2.672 acres of land.

No reply was received from Marcella V. Turner who was offered \$3,828.30 for 5.469 acres of land.

Judge Bill Carter said the "no replies" should be considered as rejections.

Commissioner Marcus Vest said it appeared seven of the property owners would prefer not to have the road constructed.

He noted, "Only 'X' amount of dollars have been allotted for the project and the county can not go above that mark."

He suggested a more definite idea of what the fencing and relocation of pipe lines will cost is a necessity before going any further.

He said he felt the \$50,000 figure for fencing and \$17,000 for relocating pipe lines would be conservative.

Commissioners proposed to meet with the engineer again and have a more definite plan drawn up to show to land owners.

Land owners will be contacted again in regard to their desires on proposed fence lines, openings and type of posts to be used.

Funds for the proposed road have been accumulated from the Lateral Road Fund and the money must be spent in the roads and bridge department.

Preston suggested the funds could possibly be

put to better use in other areas.

He said, however, the road would help some farmers and ranchers who live in that area because they would not have to travel so far around to cross the county.

Vest pointed out that travelers coming from the western part of the state and going to Lake Spence would not have to come through town and that might result in some loss for local businessmen.

Mrs. Harrell, who attended the meeting, suggested the road as proposed is foolish.

Vest said he believes fewer persons want the road now than wanted it when the idea first began several years ago.

Commissioner Paul Hunter suggested the owners should be recontacted to find out what

they desired and the state engineer from Abilene should be consulted and asked to design fencing and the cattle underpass so that a true cost estimate could be obtained.

Vest then asked the court what they would be willing to do if property condemnation became necessary.

Carter answered he hoped the owners would be reasonable and willing to cooperate.

Commissioners agreed to meet again after contacting the state engineer and property owners.

Carter reported on the progress of the petition to the state to construct a low water crossing at Interstate 20 where it crossed the Colorado River.

He said that the letters requested from producers who met with

state engineers had not yet been received in the district office.

He noted that these letters will be one of the deciding factors in the case presented to the Highway Commission in Austin for the construction.

The hearing of the commission is slated for September 17 and petitions which have been circulated around town will be turned in this week.

reported in stable condition. Dossey Wrecker Service was contacted to remove the wreckage from the culvert.

Other accidents investigated by the Highway Patrol include one which occurred in the construction zone on Farm-To-Market 2836 Thursday.

C.B. Lightfoot of Colorado City was west-

bound on the road at about 9:05 a.m. in a 1978 Ford LTD. He came to a near stop on the pavement and a 1968 GMC truck tractor-trailer struck the Ford from behind.

Texas Highway Patrolman James Burson investigated the accident and reported there were no injuries resulting from the wreck.

On August 26, a 1969 Ford LTD travelling west on Highway 350 at 1:15 a.m. had a head-on collision with an east-bound 1973 Chevrolet pickup being towed behind a 1962 International pickup.

The Ford, driven by Edward Frazier of Snyder, clipped the left back fender of the International pickup, driven by Jose Inesnajer of Mexico.

The impact caused the Chevrolet pickup to swing into the path of the oncoming car and the two vehicles collided head-on.

The Chevrolet pickup broke loose from the tow bar and rolled into the bar ditch.

The Ford came to a stop in the center of the highway.

Passengers in the car were a woman, 28, and three children, ages one, eight and ten years-of-age.

All of the car's occupants were taken by ambulance to a Snyder Hospital.

The woman suffered apparent neck injuries and Frazier suffered a crushed leg. The children were reported to have only minor injuries.

Frazier was transferred from the Snyder Hospital to Lubbock Medical Center.

Inesnajer and a 14-year-old passenger in the International pickup were uninjured in the accident.

Mr. & Mrs. Roy Anderson

Children Honor Parents Sunday

Roy and Attie Mae Anderson will be honored at an informal open house to celebrate their fiftieth wedding anniversary on Sunday host-

ed by their children, Bobbie Nix and Stuart Henderson. Friends of the couple are invited to visit between the hours of 2 p.m. and 5 p.m. at the ranch home located on Highway 2183, 28½ miles southwest of Colorado City or 28½ miles southeast of Big Spring.

Roy Henderson and Attie Mae Beaty were married September 5, 1930 in the Methodist Parsonage in Coleman. Henderson started to work for Largent and Stevens in 1929 on a ranch south of Brownwood. In 1938, the Hendersons moved to Merkel, along with Largent and Stevens, helping with the care of show cattle and as farm manager. Later, he assumed the job of herdsman which involved the fitting and showing of Hereford cattle.

After residing in Merkel for six years, the Hendersons were assisted in achieving their goal of obtaining a ranch of their own by the Roy Largent family. A Hereford partnership was formed and they moved to the Hyman Community in 1945 where they are still living and raising Hereford cattle. Henderson is president of the Sweetwater Area Hereford Association. Both Roy and Attie Mae Henderson have been active in Texas Hereford circles.

Wallace Center Offers Volleyball For Adults

Barbara Gray, coordinator for the Wallace Center, has announced volleyball for adults will begin September 11 at

7:30 p.m. in the gym. She stated that the group sport was open to everyone, juniors and seniors in high school and adults. The cost will be 50 cents per person, which is applied to the building use fee and equipment.

In conclusion, Mrs. Gray said, "I wish everyone in the community would take advantage of this opportunity to participate and come out and join in the fun."

Hunting School Set By Game Warden

Any hunter planning on hunting out of state should check the hunting requirements in that state, Game Warden Ronnie Aston said.

In the states of New Mexico and Colorado, as well as many others, a safety hunter's course is required before a person may purchase a hunting license.

Aston will teach the required hunter's safety course September 9 and 11 from 7-10 p.m. This is a six-hour course and attendance is required on both nights to receive certification.

The course will be taught in the C.C. Thompson Room and is offered as a courtesy to area residents.

This will be the only

course of its type offered in this area.

Anyone interested in the course should contact Aston at 728-5522 or Dwain McGuire at 728-2235.

Rains Come To Help Cotton But May Aid In Disposal Of Bollworms

The longed for showers around both counties brought relief to many but, for most of the dry-land cotton, it arrived

too little too late. Most producers have already made a decision regarding managing bollworms in their cot-

ton. For most, it was a fairly easy decision. But, for some, the decision is more difficult because of a higher yield potential and a good chance that cotton prices will be high. For these producers, time is running out. Because of the high bollworm populations in cotton fields now, severe economic damage is occurring in these fields. Damage that can't be made up in future weeks. We are approaching a point in

this season when most squares that are being set will not have enough time to fully mature and open by harvest date.

Before making any pest management decision, take these facts under consideration: -Boll maturation is temperature dependant. Lower temperatures mean a longer boll maturation period.

-It takes approximately 20 days for a square to become a bloom.

-Bloom to boll opening takes a minimum of 60 days. With cooler day and night time temperatures, this period will become longer.

-Our average killing frost date in Mitchell County is November 10 and in Scurry County is November 8. That gives us around 81-83 days for late season fruit maturation if this is an average year.

Bollworm egg laying pressures are still high. In many irrigated and

subirrigated cotton, per cent egg laying on plants checked ranged from 20-100 per cent. Many plants had up to 6-7 eggs on leaves, squares and terminals.

Because of overcast skies, young larval mortality due to high temperature and high humidity are low; consequently, larval infestations in fields with low to moderate beneficial populations have increased. Fields should be scouted twice a week

during this high egg laying period.

Very little boll weevil damage has been observed this year. Earlier this season two adult boll weevils were found in fields around Rogers Community. However, most of this cotton has stopped growing and producing new squares.

Hopefully, the decline of cotton in this area will have an adverse effect on the boll weevil population in this area of

the county. The third generation of boll weevils usually begin at the end of August or early September. Boll weevil pheromone traps are again being monitored at weekly intervals so that we can follow this dispersal a little more closely.

The Texas Agricultural Extension Service serves people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

SPECIAL AWARDS were given Friday during the Friday meeting of the Colorado City Noon Lions Club. Receiving a 15-year membership pin was Tom Rees, left, while Charles Godwin, second left, and Bob Reilly, third left, each received quarter century pins as members of the club. Receiving pins for signing up for a new member during a special membership promotion by the District Governor was Murrell Blassingame, right, and Joe Kirschbaum second right. Presenting the pins was Club President Mac McKinnon.

Locals Donate \$3,000

Mitchell County residents gave some \$3,000 toward the Muscular Dystrophy Association annual fund raising event.

Dana Ross received a Jerry Lewis watch for raising \$230.93 as she and several local children went from house to house taking donations for MDA.

Other children recognized for their efforts were Sara Salazar, \$172.29; Billie Mancrief, \$115.88 and Dava Botts, \$60.79. The total amount raised by area children was \$935.

A dance sponsored by Skinny's Convenience Store brought in \$122 and the pledges for the Mitchell County Area was \$1,918, bringing the total to \$3,000.

Pizza was donated by Skinny's for the workers helping with answering the telethon, stated Mary Botts, manager.

MARY BOTTIS, (right) manager of Skinny's Convenience Store, presented Dana Ross with a Jerry Lewis watch for collecting the most money for the Muscular Dystrophy Association Fund raising drive. She collected \$230.93.

Mr. and Mrs. Robert McDonald, City, are the proud parents of a 6 lb., 3 1/2 oz., baby boy, Robert Dwayne, born August 26 in Root Memorial Hospital. He was 18 inches long.

Grandparents Day Slated

A reminder for your calendar of events is Grandparents Day. It has been set for Sunday in honor of grandparents everywhere.

"Up With People" Performs Saturday

"Up With People" will be in Sweetwater Saturday at 8 p.m. They will be performing at the Sweetwater High School.

"Up With People" is a high energy group. Their show contains music for all age levels with an emphasis on family entertainment. The group is 100 strong in each tour section. There are five tour sections in all.

One of their accomplishments was performing at the Super-bowl XIV.

The group tours the world with the motto of "Building bridges of communication and understanding between people's cultures and countries and providing an education that not only matures the person but broadens the intellect."

"Up With People" began in 1965 when people were down. The main idea of the group was to get people up and into life.

New Baby!

Mr. and Mrs. Juan Garza, Hermleigh, announce the birth of a 8 lb., 1 oz., baby boy, Juan Luis, born August 28 in Root Memorial Hospital. He was 19 inches long.

Chiropractors Hold Free Clinic

Chiropractors across the State of Texas will be holding free screening for scoliosis during the week of Sept. 15-20, according to Dr. Tom Rice, President of Texas Chiropractic Association. There is no ob-

ligation for the patient to do anything other than keep the appointment which he makes with his chiropractor. Recommendations will be made, but the patient is free to do what he pleases.

The Texas Chiropractic Association is sponsoring this week of free screening across Texas. This is a public service project, and according to Dr. Ruby Perkins, Public Relations Chairperson, the examination

would not take more than five to seven minutes per person. She urges each person who feels he or she has a problem to phone a local chiropractor and ask for an appointment to be screened.

Freshmen Defeat Mustangs

Wolves freshman volleyball nipped Sweetwater Mustangs in Tuesday's game. The freshmen won over Sweetwater 15-11 in the first game, lost 10-15 in the second and won the third game 15-11.

Junior varsity team lost due to lack of concentration. The J.V. team is a very young and inexperienced team consisting of all Sophomores. High point girl was Mona Molina with five, Kerry Spivey with two, Venita Johnson with one and Michelle Franco with one. Girls with good defense were Tomika Randle, Michelle Grafton, Misty Tammam and Hollie Taplin.

Varsity volleyball trailed the Mustangs 13-15 in the first game and 8-15 in the second game. High point girl was Kim Hardegree with nine. Karla Herm had four, Diana Castillo had six and Rachael Lujan with two.

Girls with set-ups for the game were Karla Herm with six and Della Ausbie with five.

Serves for the game were Karla Herm 6-6, Diana Castillo 8-10, Kim Hardegree 8-9 with one being an Ace, Sidney Stewart 2-4 and Rachael Lujan 2-4.

Hardegree, Stewart and Lujan each had no spikes, spikes not returned.

Good saves made in the game totaled seven. There were 12 set-ups that were successful. The serving was at 72 per cent with 25 of 35 being good.

"The most important thing now is to work on our serves and our mental game. All our errors were mental errors," said Coach George Martin. "We have progressed every week and will continue to do so."

Letter To The Editor

Dear Editor:
I would like to thank everyone on the Volunteer Fire Department for a job well done and for saving items in my household.
No one ever knows when a fire will start, but I am glad we have a group of men that know what to do when it comes to fighting a fire.
Thank you all again,
Bennie Lamb

Mrs. Al Walker of Crane spent the week-end with her mother, Mrs. Harvey Leach, and she returned home with her for a visit.

XXX
Mrs. Charlie Harris returned home Saturday after spending several days in El Paso visiting her sister and

husband, Mr. and Mrs. Herbert J. Lofton.

XXX
Mr. and Mrs. E.J. Schroeder returned Sunday after spending a week vacationing at Cloudcroft and Ruidosa, N.M. They met her sister and her husband, Mr. and Mrs. P.H. McKinney there from Colorado City. Also, vacationing there last week were Mr. and Mrs. Willie Taylor and Rev. and Mrs. Fred Witta and Mrs. Taylor's sister and

her husband, Mr. and Mrs. Norman Pearson of Marshall.

XXX
Rev. Harold Davis, pastor of the Oak Street Baptist Church in Colorado City, underwent major surgery at the Methodist Hospital in Lubbock Thursday. Mrs. Davis and her father, Calvin Forbus of Loraine, were there with him and Mrs. Forbus stayed with the Davis children, Dondra

and Dodie. Rev. Davis is reported to be recovering satisfactorily.

XXX
Mrs. Alma Horton returned home Wednesday after spending a week in Corpus Christi with friends. Price Hall accompanied her to Matthis and visited his daughter and her family, Mr. and Mrs. Mike Mearse. Returning home, they visited Mr. and Mrs. Edward F. Brown in Pettus. Mr. Brown was the Agriculture teacher in Loraine Schools several years ago.

XXX
Mrs. Harris Hamilton

returned home Sunday after visiting the past ten days with her daughter and her family, Mr. and Mrs. Tom Lane in Harrodsburg, Ken. Mrs. Lane underwent surgery while she was there for injuries sustained in a fall in July. She has been undergoing therapy treatments since, in preparation for the surgery.

Couple Weds

Miss Elisa Jeanine Opheim and Richard Charles Adams were married in a 4 p.m. ceremony at the First United Methodist Church in Lubbock August 16.

The Rev. Ron Lowry, minister of music at First Baptist Church in Lubbock, officiated at the nuptials.

Parents of the couple are Mr. and Mrs. Don Opheim of Lubbock and Mr. and Mrs. C.P. Adams, also of Lubbock.

Given in marriage by her father, the bride wore a gown of luster sheer organza fashioned with a mandarin collar of chantilly lace. A sheer Brussels lace yoke, edged with a ruffle of lace, formed the short cap sleeves. Flowing from the bodice was a full skirt that cascaded into a chapel length train. The skirt and train were trimmed with scallops of chantilly lace and small pink bows accented the bodice and skirt.

She wore a picture hat of matching Brussels lace with a pink silk rose attached to a veil of tulle. Her bouquet was a silk cascade of white and pink feathered carnations, pink rose buds and lily of the valley's with streamers of white ribbon.

Attending the bride as matron of honor was Gil Smith of Morton. Bridesmaids were Brenda Garner of Lubbock, Vicki Sears of Dallas, Sharon Leopard of Brownfield and Lynn White of Lubbock.

Lanny Opheim of Lubbock was best man with Tim Taylor of Arlington, Mark Reynolds of Lubbock, John Beakley of Lubbock and Scott Mann of

Plainview, Ind., as groomsmen. Ushers were Lynn Opheim and Jimmy Matler, both of Lubbock.

Lighting candles for the wedding ceremony were Dorothy Portnoy of Lubbock and Maribeth Dillman of Olton. Dana Martin was flower girl and Daniel Martin was ring bearer, both of Lubbock.

The bride's attendants wore formal length gowns of silk organza fashioned with deep off-the-shoulder ruffles detailing the empire bodices. Their full A-line skirts were fashioned with a wide ruffle at the hemline, which caught up to form a bustle in the back.

They carried fans of white chantilly lace with pink silk rosebuds trimmed with pink and white ribbon streamers.

Organist for the ceremony was Mrs. Omega Hayhurst of Lubbock. Vocalists were Stan Martin, Larry Sanders and Donna Swearingen, all of Lubbock.

The reception followed in the church parlor.

The bride is a graduate of Texas Tech University. The groom is attending Texas Tech and is engaged in farming.

After a wedding trip to Hilton Head Island, the couple will reside in Lubbock.

The bride is the granddaughter of Mr. and Mrs. C.H. Martin of Loraine. Mrs. Martin attended the bridal luncheon at the Lubbock Club on Friday and Mr. Martin attended the groom's breakfast at Hilton Inn. Both attended the rehearsal dinner at the Lubbock Club Friday evening.

Walker Presides At Club Meeting

The Willing Workers Class of the Loraine Methodist Church met in their monthly meeting at 3 p.m. Aug. 28th with Mrs. Mable Givens as hostess.

The president, Mrs. Wylie Walker, presided over the meeting and Mrs. J.D. Norman brought a devotional, using as her subject the 23rd Psalm. Her resource material was taken from Dr. Charles Allen's book, "God's Psychiatry." She stressed a number of good points. One was the fact that it is much more important to know the Shepherd than the Psalm, stated Mrs. Givens.

She closed her talk with a prayer.

Mrs. Walker conducted a brief business session. She read a thank you card from the Albert Givens Family for a memorial from the class. Cemetery care was discussed and the class voted to make a monthly contribution to the fund.

The closing prayer was led by Mrs. Nola Benne.

Refreshments of homemade ice cream and cake were served by the hostess to eight members.

Mrs. Wylie Walker will host the September meeting.

Stahl Family Has Reunion August 10

A reunion of the Stahl family was held at the Inadale Community Center Aug. 10. Mrs. Herman (Elsie) Stahl was hostess.

Family members attending said they enjoyed a bounteous dinner at noon.

Those present were Mr. and Mrs. Clarence Stahl, Sherrie and Tommy of Odessa; Mr. and Mrs. Terry Stahl, Glenda, Celesta, Shane and Scotty of Levelland; Mr. and Mrs. Cotton Stahl of Hermleigh; Mr. and

Mrs. Leeman Vandiver of Snyder; Mr. and Mrs. Henry Wenetschleager of Snyder; Mr. and Mrs. James Bryan and Stephanie of Snyder; Mr. and Mrs. Ed Stahl of Odessa; Mr. and Mrs. Royce Beights of Loraine; Mr. and Mrs. Larry Schwarz, Melody, Deana and Debbie of Snyder; Mr. and Mrs. Ralph Cox, Tamara and Andrew of Lubbock; Mr. and Mrs. Walter Stirl of Loraine and Wilma Stirl and Pam Parker of Crane.

Also, present were Mrs. John Byrns, Jan and Chris of Garland; Mr. and Mrs. Gus Stahl of Lubbock; Elsie Stahl of Denver, Colo.; Mr. and Mrs. Bert Stahl, Tim and Ricky of Hermleigh; Mr. and Mrs. Raymond Schwarz, Mr. and Mrs. Leonard Coldey and Mrs. Henry Coldey, all of Loraine.

Lewis Martinez, Jr., son of Mr. and Mrs. Lewis Martinez, Sr., Sweetwater, was born August 28 in Root Memorial Hospital weighing 8 lbs., 2 ozs. He was 20 inches long.

Loraine To Meet Abilene Christian

Loraine football team will travel to Abilene Christian this Friday for the first game of the regular season.

Kick-off time for the game will be at 7:30 p.m. at the Abilene Christian University football stadium.

Abilene Christian played Fort Worth Academy last week for a score of 6-6.

Loraine scrimmaged Mertzon last week for a victory of 2-1.

Coach Ted Wiley said the most important thing in the game is to stop their passing game. "They have a really

good passing game, but with determination we can stop them," he said.

Don Hood was noted to be one of the most successful passers, according to Coach Wiley. Don Hood is the Abilene Christian University track coach's son.

Loraine suffered one injury last week. Charlie Martinez is out with a foot injury. It is still unknown how long he will be out.

Coach Wiley said he believed that if the boys would get after it and give it a good effort, it would be a really good game.

Wolves To Play First Game Of Season Against Slaton

Colorado City Wolves will open the 1980 season Friday night when they meet the Slaton Tigers in their traditional opening game rivalry.

The game is set to begin at 8 p.m. Friday in Wolf Stadium here.

Harris Rating System has Slaton picked as a seven point favorite in the contest.

Colorado City Athletic Director Tom Ramsey says that Slaton is about as good as Breckenridge, a team that the Wolves will face to wind up the season and a team that is picked to win state.

Slaton's size and speed is about the same as Breckenridge, Ramsey said. The only difference is that Breckenridge throws the ball more, the Coach noted. Slaton's Coach Cook regards his team as the best he has had, even better than the team that beat the Wolves in bi-district with Ricky Davis at quarterback.

The reason this Slaton team is considered better is that in addition to a good quarterback and a big fullback, they have a speedy halfback of the caliber they have not had in the past, Ramsey said.

On the offensive line, the Tigers average more than 200 pounds and they have a fullback at 215 pounds.

In addition, Ramsey

Ticket Sales End Friday

Season ticket sales for the Colorado City Wolves home games will end Friday at noon. They may still be picked up at the high school office for \$12.50.

Season tickets sales have been very good from reports of Jerry Reynolds, principal of Colorado High.

All tickets need to be picked up from the high school office by noon Friday.

Reserved seats at the gate will be \$3 and \$2.50 for general admission. Students may pick up tickets at school for \$1 each.

SISTER LOPE

A touch of her hand will heal you. Sister Lope has the God given power to heal by prayer. Everyone welcome at Sister Lope's home. What you see with your eyes, your heart will believe. Are you suffering? Do you need help? Do you have bad luck? Bring your problems to Sister Lope today and be rid of them tomorrow. She advises on all affairs of life. There is no problem so great she can't solve. (How to hold your job when you have failed, and how to succeed; calls your friends and enemies by name without asking you a single word and reunites the separated). Upon reaching womanhood, she realized she had the God given power to help humanity. Sister Lope has devoted a life time to this work. From the four corners of the world they come to her, men and women of all races and walks of life. Guaranteed to remove evil influence and bad luck. There is no pity for those knowing they are in hard luck and need help and do not come for it. One visit will convince you. She gives lucky days and hands you out of sorrow and darkness and starts you on the way to success and happiness. Don't fail to see this gifted woman who invites you to her home.
