Eagle Point Needs Help

Is Eldorado's Teen Center, Eagles' Point, about to join the local trend and close its doors? The school, county and city supported teen center has fallen on hard times and if the community doesn't see fit to rally around it, the center could easily close. Due to a cut off of revenue sharing funds, Eagles' Point is having a difficult time operating but the community can help the center stay afloat if it will merely get involved.

The Center will be hosting a "Community Family Night" featuring a Box Supper Auction and Barn Dance on Friday, June 28th. The community is invited to attend this night of fun and good times that will also be a shot in the arm to Eagles' Point. The supper will begin at 6:30 p.m. featuring Steve Williams auctioning off the box suppers. Everyone is urged to come out and bring a box supper with a label on the box stating how many servings are included or the public can come by and bid on a box supper.

Following the box supper a Barn Dance will be held at the Center. The dance will feature Home Grown, an Eldorado band and will play from 9:00 p.m. - 1:00 a.m. Admission will be $2.00 per person.

Remember, this Family Night will help the Eagles' Point keep its doors open which will in turn help the local youth and give them a place of their own for fun activities.

Everyone is welcome!

The Bell Tolls for the Class of 35

Friday evening, June 28th at 5:30 p.m., the 54th meeting of Mias Amigas begins with registration and visitation on the Courthouse lawn. At 7:00p.m. Mr. and Mrs. T.J. Bailey, Mrs. Bailey is the former Jewell Roach, will ring the old school bell. A sandwich supper will begin at 7:30 p.m.

All members are asked to bring picnic type food to the supper.

Saturday's activities will begin at 8:30 a.m. with an early morning coffee, registration and visitation at the High School. The General Assembly will begin at 10:00 a.m. in the High School Auditorium. A barbecue lunch on the Courthouse lawn will begin at 1:00 p.m. Visitation and class reunion will continue during the afternoon.

The honored classes this year are the Class of 1935 - the 50th Anniversary Class, and the Class of 1986 - the 20th Anniversary Class.

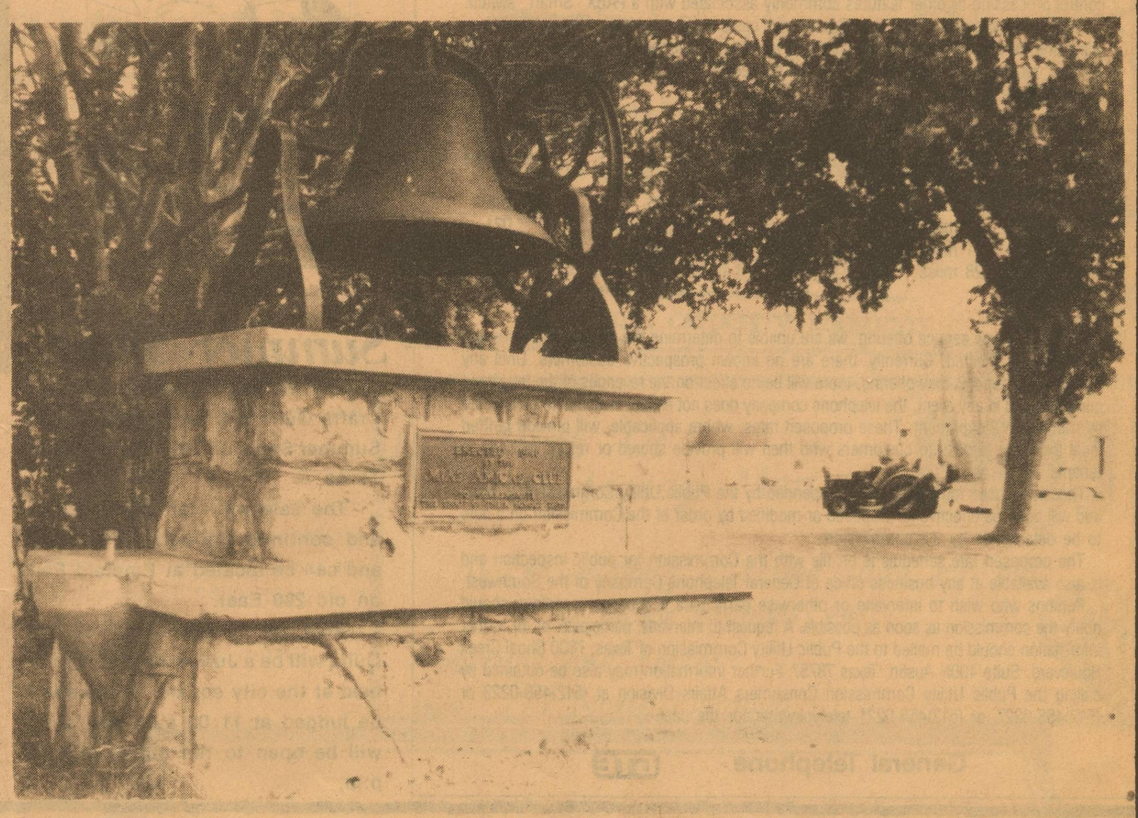

The Schleicher County Museum will be open Friday evening and all day Saturday. There are many items added since last year's Mias Amigas meeting. Be sure to look at the Mias Amigas "history pages" located at the rear of the Museum. Mrs. Corrine Robinson's marble collection was listed in a recent issue of "Texas Monthly" as the "best marble collection in Texas" in the "Best of Texas."

Members of the Class of 1934-35 are Edward Butler, Josephine Clayton Benton McBee, Inez Cable McLeod, Mary Lee Davis, Alice Doran Wills, Joe Turner Hext, Margaret Hill Whitten, Zona Clare Kay Holcomb Hunt, Thomas Richard Joner, Jesse Ella Johnson, Clarice Lee, Zella Mercer Whitten, W.C. Parks, Jack Raye, John Edward Rodgers, Rosa Sauer Faught, Clemens Sauer, Samuel Smith, Lois Whitley Moore, Cleste Tisdale Prugel, Billie Kerr and W.C. Spurgen.

Members of the Class of 1964-65 are Richard Preston, Bobby Halbert, David Whitten, Marilyn Wilson Rioden, Rita Rozean Hall, Mike McCravey, Richy Jones, "Beep" Cain, Marilyn Phelps Elliot, Eldra Gibson Stanford, Frankie Blaylock Hardy, Ray Vasquez, Mary Humphrey Baird, Mary Ann Page Blaylock, William A. Sudduth, Christy Moore Meador, Enedina Garza Zermena, Jan Porter Williams, Sharon Nyquist Dent, Mike Sudduth, Paula Mace Moeller, Betsy Bruton Thackerson, Mary Lynn McGinnes Huff, Kay Peters Heflin, Phil McCormick, Tommy Dempsey Nance, Phil Edmiston, Roy Lynn Love, Dwight McDonald, Billy Schor, J.W. Hawkins, Pearlie Mae King, Lois Mences, Monty Montgomery and Roy Swain.

An interesting fact happened when Patsy Kellog was trying to locate the address of Clarice Lee, one of the 25 graduates of 1934. For 2 months every possible clue to her where abouts was checked out until finally sleuth Kellog located a first cousin by the name of Edwin Johnson of Austin who comes to Mias Amigas. Mr. Johnson was recently visited by Clarice Lee's daughter who left her mother's address with him even though Mr. Johnson didn't know she was related until then.

Another classmate, Lois Whitley Moore, lives in San Antonio where Clarice Lee lives, so now they can get together. It is not known for sure if Clarice will be here but if she does it will be the first time the first cousins will meet.

Raymon Avila pretties the Courthouse lawn for this weekends Mias Amigas.

It all started in the year thirty one
And each year since, that old bell has rung
Remembering the year we walked away
from our school, what a difficult day.

We were ready to start out in our own little world
Hoping to find a future and the right boy or girl.
Some of us knew what we wanted to be
Some had to get out in the world to see
how things were in other places
to see the world and meet new faces.

But when it comes that time of year they start making plans to be right here
in Schleicher County to hear that bell ring
for Mias Amigas and the school song to sing.

To meet new faces and greet old friends
And dread to see this happy event end.
With promises to return again next year
If you look real close you'll see a tear.

They enjoy each moment and cherish each friend
And hope to return when it happens again.
If it's the Lord's will for us to be here
We will see all of you again next year.

"MIAS AMIGAS"
by Nadine Bell

The Memorial Building is getting its face lifted inside from the ground up. Work on the plumbing in the basement is well under way and the majority of debree has been stripped from the walls and the flooring.

Tennis Tournament to help L.E.O.N.

A Tennis Tournament, sponsored by L.E.O.N., the Youth of the Methodist and Presbyterian Churches, is to be held June 29 and 30th.

There will be four divisions - 12 and under singles and doubles; ages 13-18 singles, doubles and mixed doubles; ages 19-30 singles, doubles and mixed doubles; 31 and over singles, doubles and mixed doubles.

The entry fee will be $5.00 per person per event. Each person may enter two events. Entry blanks may be picked up at Meador-Peters or First National Bank. You may call 853-3239 for further information.

Trophies will be given for first and second places in all divisions.

Emergency Care Coarse Offered in Mertzon

An emergency care attendants course will be offered beginning July 8th through August 16th from 7 p.m. - 10 p.m. Monday, Wednesday and Friday. Instructors are Course Coordinator Ron Perry, EMT Special Skills, from San Angelo's Fire Department, Keith Butler, EMT at Christoval's Fire Department, Brenda White, Joyce Gray and Lawrence Dannheim, all EMT's from Irion County's Volunteer Fire Department.

Offered on the course are CPR techniques, bandaging and splinting, traction splinting and emergency health care. Anyone interested in helping need to contact Joyce Gray at 835-7771 or Brenda White after 5 p.m. at 835-3591.

There is no charge for the course, but persons wanting to take it, must be willing to ride in the ambulance and cover the cost of the books. The fee is $22.95 and persons will be reimbursed after they certify.

Queen Contestants Sought

It's that time of year again and contestants for the Schleicher County Days Rodeo Queen are being sought. All young ladies between the ages of 14 and 21 and can qualify by the Miss Rodeo Texas rules are requested to contact Lori Logan if they wish to vie for this title and honor.

A few of the regulations regarding the competition are that no girl will be acceptable for competition if she is married, divorced or the parent of a child. The girl who is selected as the rodeo queen will be judged on personality, appearance, horsemanship and ticket sales. Each one of these categories will represent one-fourth of her tabulated total. The winner will accompany Miss 1984 Schleicher County Rodeo Queen Wendi Dunagan to compete for the Miss Rodeo Texas title. This entails a one week competition. Miss Dunagan was unable to attend last year's competition because of conflicts in schedules. She does intent to participate this year though.

Three judges will preside over this years queen competition and she will be crowned the final night of the rodeo. For further details pertaining to the 1985 Schleicher County Rodeo Queen contest, call Lori Logan at 853-3067 or the reining queen Wendi Dunagan at 853-2864.

Get Well Evelyn!

Hendersons Hold Reunion

Sam, Karen, Amy and Houston Henderson were host and hostess to a Family Reunion on Saturday, June 22nd. Virginia Griffin was co-hostess.

Games were played and a barbecue supper served to seventy people.

Out of town guests were Mr. and Mrs. Carall (Rip) Griffin, son Jesse and family of Boerne, Texas. Mrs. Janet Brantly and sons, Cindy Griffin and Kasey of Austin; Joan and Gina Martin, and Tracy Hansen of Del Rio, Texas; Mr. and Mrs. Mutt Woodward and Grandson Willie Webb of San Angelo; Mr. and Mrs. James Burdette of Sun Valley, Arizona; Mr. and Mrs. Larry Blair and sons of Brady, Texas; Mr. Ronnie Griffin and children of Ft. Stockton, Texas; Mr. and Mrs. James A. Griffin, son Jim Bob and Family of Hobbs, N.M.; Mary Virginia Bracken, and two grandsons and daughter Beverely Neilson of Norwalk, California; Mrs. Allie Blair of San Angelo (Mother of Virginia Griffin, grandmother, great grandmother and great great grandmother of many present.)

Other guests included Derl Lynn and Dan Griffin families, Winnie and Rickey Griffin, Cybil Blair, Ola Mae McDonald and David "Burro" Griffin of Eldorado.

A great time was had by all!

NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be $28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	$ .025	$ .015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2½ percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

General Telephone GTE

Skate-A-Thon

Junction Skating will be holding a Skate-A-Thon on Saturday, June 29th. One half of each entry fee will go to the boy scouts. The entry fee is $4.00. Spectators will be charged $1.00.

Age 12 and under will skate for four hours, with 5 min. breaks every 15 minutes. Skating begins at noon, and should stop by 6 p.m. A run off is expected.

Age 13 and over will skate for 8 hours, with 5 min. breaks every 30 minutes. Skating will start at 7 p.m. and should stop by 7 a.m. on Sunday.

Cash prizes will be awarded to the winners.

Everyone is asked to dress appropriately for skating. The Dress Code will be strictly enforced for overyones personal protection.

Junction Skating is located at 127 N. 16th in Junction, Texas. For more information call 446-2956 or 446-3207.

One of the nation's oldest and largest junior golfing events is a challenge for young golfers.

Summer Show

The Crockett County Arts and Crafts Guild will be sponsering it's Summer Show on July 4th in Ozona, Texas.

The sale will start at 10:00a.m. and continue throughout the day, and can be located at Emerald Park on old 290 East.

Also being sponsored by the Guild will be a Juried Art Show to be held at the city square. Entrees will be judged at 11:00 a.m. and show will be open to the public at 1:00 p.m.

City Halls Reminder

DEAR CUSTOMER:

This letter is a STRONG reminder to follow the rules and regulations concerning the use of your trash dumpster. Specific rules are posted on the yellow sticker (if missing, please call for a replacement) on the front of your dumpster - please follow them closely. We will enforce them.

We receive numerous complaints at City Hall concerning dead animals and loose food in the dumpsters. Please be courteous to your neighbors who share your dumpster and bag all food or debris that will develop odors. Dead animals should be disposed of by the customer at the landfill. Call the City crew to pick up dead animals in alleys or streets.

Trash stacked around the dumpster is particularly a problem: 1. the truck cannot get close enough to the dumpster to empty the trash and 2. the driver is prohibited from leaving his position in the truck to manually load the trash. Trash left outside the dumpster WILL NOT be picked up.

With regard to hauling of brush, limbs under 3 feet may be placed in the dumpster; however, bulky or large items are the responsibility of the customer to haul to the landfill. There is no charge for use of the landfill, and City crews have been instructed to not pick up landfill materials without a work order.

Your dumpster has been placed in an assigned position - taking into account many factors: 1. closeness to the customer; 2. number of customers assigned to the dumpster; and 3. overhead trees or electrical lines. DO NOT at any time move your dumpster. If its location is not convenient, call the City Hall and someone will check the situation. Dumpsters moved by customers to where the City truck cannot pick them up will be left until the situation is remedied by the customer. All dumpsters in an alley must be on one side of the alley and hooks must be facing toward the alley.

The dumpster method of trash pickup has been a money saver and has helped our community...please don't take it for granted. It needs all of us to cooperate and work together.

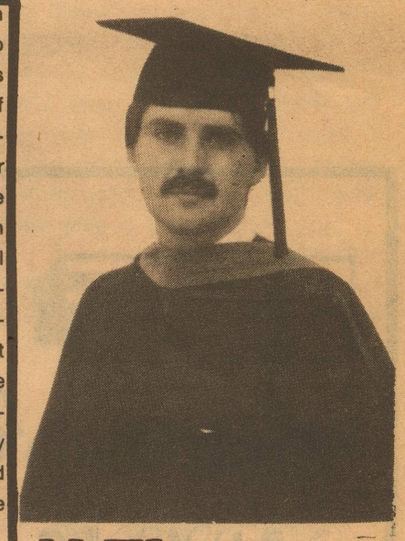

Thank you for your assistance. If you have any questions, please call us at 853-2691.

Sincerely,
CITY OF ELDORADO
City Council

Social Security

John Willis, representative for the San Angelo Social Security Office, has scheduled his July visit to Eldorado. He will be at the County Courthouse on Thursday, July 18th, between 1:30 p.m. and 2:30 p.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

McWhorter Recieves Degree

Paul Jackson McWhorter has been awarded a Master of Science Degree in Electrical Engineering from Stanford University at Palo Alto, Calif. The Commencement Ceremony was held June 16th at Stanford Stadium with Gov. Mario Cuemo of New York as guest speaker.

McWhorter is employed by Sandia National Laboratories in Albuquerque, N.M. and is the son of Mr. and Mrs. Dan McWhorter.

White Signs Bill

Governor Mark White signed into law a bill that prohibits the harassment of hunters and the disruption of legal hunts.

The "hunter harassment" lesgislation (H.B. 1656) makes it unlawful for individuals to intentionally interfere or harass hunters during the lawful taking of an animal. It also prohibits individuals from using other animals, such as dogs, to disrupt hunts.

The bill, sponsored by Rep. Bill Messer, passed the House by a voice vote and was referred to the Senate. It was then offered as a substitute for its companion bill, S.B. 999 sponsored by Sen. Bob McFarland, which was passed by the Senate 28-3.

Violators of the new law, which takes effect August 26, 1985, are subject to a misdemeanor charge.

Dr. James T. Brown, National Rifle Association board member and legislative director for the Texas State Rifle Association, prepared the bill for introduction and lobbied for its passage.

Texas joins a growing number of states that have adopted so-called "hunter harassment" legislation.

Golf Tournament Big Success

The annual 2 man Select Shot Tournament was held June 22nd and 23rd. Thirty one teams braved the heat and wind to make the tournament a big success.

A barbecue supper was held Saturday night for the players and wives.

The tournament committee wishes to thank everyone who helped work in anyway. Special thanks to the First National Bank, Conoco Station, McCalla's Store and Eagle Dairy Mart for their contributions.

Winners were: Championship Flight - 1. Hartman & Chambers 2. Hayden & Selby 3. Warnock & Doyle
First Flight: 1. Schnuman & McKinney 2. Turner & Garcia 3. Rathbone & McGregor
Second Flight - 1. McCormack & Lux 2. White & Lamb 3. Sauer & Nikolauk
Third Flight - 1. Purser & Rathbone 2. Ray & Carrol 3. Callison & Dudley

Exam dates set for nursing class

The pre-entrance examination for persons wishing to enter the September vocational nursing class at Texas State Technical Institute in Sweetwater is set for June 27 and July 18.

Applicants may take the test on either day, according to LaVohn McGlothing, nursing program chairperson.

The vocational nursing program at TSTI is one year long and is fully sanctioned by the Texas Board of Vocational Nurse Examiners. Graduates of the program are eligible to take the licensing examination given in October and April of each year.

Admission to the program is based to a great degree on test scores and a personal interview, McGlothing said. The Differential Aptitude Test is required for all entering students, she said. This free test is given every weekday at 9 a.m. and 1 p.m. in the TSTI Student Center. Other tests may be required at the program chairperson's request.

The cost of the nursing exam is $15, payable by check or money order. No cash will be accepted. The exam begins at 9 a.m. in room 212 of the D.A. Pevehouse Technology Center and no advance registration is required.

For further information, contact the Vocational Nursing Department or the Public Information Office at TSTI-Sweetwater. The toll free number is 1-800-592-TSTI.

Children's Trust Fund signed into law

"The Children's Trust Fund will provide the opportunity to focus on Child Abuse Prevention Programs that could save thousands of children from the trauma of abuse," Texas First Lady, Linda Gale White said as Governor Mark White signed the Children's Trust Fund (C.T.F.) legislation into law on June 11, 1985.

Sponsored by Senator Chet Brooks, the Children's Trust Fund bill (SB 371) establishes the special fund to provide money for programs to prevent child abuse and neglect. Texas joins 23 other states which have established similar trust funds.

Funds for the Children's Trust Fund will come from several sources: an increase in marriage license fees; private and public grants; and individual contributions. In addition, the Federal Challenge Grant Act of 1984 will provide $1 in matching federal funds for every $3 that the state puts into the Children's Trust Fund.

The legislation received active support from Governor and Mrs. White, Texas Congress of Parents and Teachers (Texas PTA), and 38 other organizations working to combat child abuse and neglect in the C.A.R.E. Coalition (Children Abuse, Neglected, and Endangered).

Volunteers Needed

ledge of special skills such as crafts, write letters, and read to patients. The Auxiliary program is one of the most valuable assets to the Nursing Home. It's the volunteers who can give this extra time and make plans possible.

If you are interested in helping, please come to the important meeting July 11 at 9:30a.m. at the Schleicher County Medical Center. Contact Mrs. Charles Pfleuger for more information. You may also contact Mrs. Damon Wagoner or Mrs. Bob Sykes.

The purpose of a well organized volunteer program in the nursing home is multiple. It frees the time of the professional staff so that they can better identify the needs of the residents within the facility. It forms a necessary link between the facility and the community. It also provides a mechanism through which caring persons in the community can express their concern and help.

New volunteers are always welcome and plans are being made to reactivate the program. Volunteers can provide everything from know-

"Wellness is Ageless"

How can the elderly improve both the length and quality of their lives? How can they avoid the loneliness and ill health that plague many Americans over 60? How can they avoid massive health care bills that deplete hard-earned life savings?

These are all questions that will be addressed at a leadership conference on health promotion scheduled for July 9-11 in Austin. The conference, entitled "Wellness is Ageless", will be jointly sponsored by the Texas Department of Aging and the Texas Department of Health and will be held at the Wyndham Southpark Hotel at Interstate 35 and Ben White Boulevard.

The keynote speakers for the event will be Texas governor Mark White and Alice Faye, a popular movie actress of the 1930's and 1940's who is now a fulltime advocate for health promotion for the elderly. During her portion of the program, which will begin at 10 a.m., Wednedsay July 10, Faye will describe how she has been able to stay mentally and physically at 69 by maintaining a healthy lifestyle.

Appearing with Faye will be Dr. Joseph Novello, also an expert in the field of health promotion. Health promotion is a concept aimed at reducing health care costs by keeping people fit and out of expensive institutional care settings.

O.P. (Bob) Bobbitt, the Executive Director of the Texas Department on Aging, and Dr. Robert Bernstein, Commissioner of the Texas Department of Health, will also appear on the program. Humorist and folklorist John Henry Faulk will deliver the welcoming remarks.

In addition to the keynote speaker and general session, conference participants and media will have the opportunity to learn about: nutrition; physical fitness; mental well-being; injury control; health promotion program planning; proper use of medicines and community networking.

If you plan to stay at the Wyndham while you attend the program, please make reservations by Tuesday, June 18. Contact the hotel directly at 1-800-252-4545 if you are calling from out of town or 448-2222 if you are calling from Austin.

Games Planned For Sesquicentennial

Texas will be the place to be in 1986 for active athletes as well as the "armchair" variety, when the state plays host to several major sports events planned especially for the Sesquicentennial. The latest of these, a convocation of amateur athletic events called the Texas Games, will soon be "signed up" with the Sesquicentennial Commission as an official event.

The Sesquicentennial will provide the ideal vehicle to launch the first Texas Games, based on an idea for a state amateur athletic event that was first proposed to the Texas Legislature in 1983, said Association Executive Director Joe Wilson. The inaugural Texas Games will be hosted by the city of San Antonio July 25-27 and August 1-3, 1986, and will become a yearly event thereafter.

The Games will consist of the following events: adult baseball, youth and adult boxing, youth and adult golf, men's fast pitch and men's and women's slow pitch softball, youth swimming, youth and adult tennis, youth and adult track and field, and a 10,000 meter run for all ages. A number of other non-competition "demonstration" events, such as polo and soccer, will also be featured and will be considered as competitive events for future Games, said Wilson.

Events will be held at various city and private locations throughout San Antonio, and will be hosted by the San Antonio Parks and Recreation Department. "The Texas Games are also part of the San Antonio Sesquicentennial Commission's overall sports program," said Wilson.

The Games are expected to draw some 15,000 athletes, and many more officials and other events coordinators. Participants will be those persons who qualified earlier in district events held in each of the Association's state regions.

The Texas Games will open with a gala celebration similar to that of the Olympic games, said Wilson. "We hope to have some kind of torch carrying event, perhaps from the Capitol in Austin to San Antonio, and there will be bands, fireworks, hot air balloons, and other festivities."

For more information about the Texas Games, contact Wilson at 512-835-1434.

Letter To The Editor

We left Dallas June 10 in a van with eight other people and arrived on June 11 at 11:00p.m. in Lee Burg, Va. The next day we went lobbying three Senators, two to receive awards for voting for the Strategic Defense Initiative. But Phil Graham would not receive his award because his Secretary said he did not like La Rouche people running candidates telling the American people what's wrong with the Senators and Congress. Nickleson's aid received his award with pride and glad to see us there.

Fellow Texan voters traveling 1500 miles, Senator Phil Graham would not be honored to send one of his aids to hear our views on the recovery of U.S. Economics.

I as a voter ask the people why Senator Graham could at least get information from some voters that were there to see him. I believe we the people need to take La Rouche policies before Congress, Senate and President Reagan and say this is the only way we can prevent World War III. Time is running out and about 1988, Russia will hit the U.S.A. Do you want to be free or under Russia?

Why Should I Buy an E.S.P. Home?

Lower Energy Bills
An E.S.P. Home will save you up to twenty-six percent in home energy bills a year. An average 1800 square foot home will cost approximately $775 a year to heat and cool. An 1800 square foot E.S.P. Home will cost you approximately $570 a year to heat and cool. That is an annual savings of over $200! (Energy savings may vary according to the type of home, family size and individual energy usage habits.)

Increased Resale Value
When you decide to sell your E.S.P. Home, you'll have the Energy Savings Plan working for you again. Because energy bills are an important consideration for most families, your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-E.S.P. Home. Just like you are doing now, many home buyers will be looking for a home that will give them the best value for their energy dollar — your E.S.P. Home!

Girl Scout Camp

There's no time to loose! Registration for Girl Scout Camp at Jo Jan Van is underway! All girls between the ages of six and eighteen are eligible to attend summer camp in the beautiful Texas Hill Country. From water fun to horseback riding, camping is for everyone.

Sessions run until July 20. One week sessions only $85.00. Contact the El Camino Girl Scout Council office at 655-8961.

Probably the smallest of our presidents, James Madison, at five feet four inches, never weighed more than 100 pounds.

Grupo Amistad Holds Meeting

Grupo Amistad held a meeting on June 25th in the home of Helen Fay. The minutes from the previous meeting were read by secretary Hector Romero. A treasurer's report was given by Helen Fay. Both the minutes and the treasurer's report were accepted as read.

A discussion was held on the Barbecue and dance to be held on July 6, 1985.

A motion was made and passed to accept Maria Tobias as a new member.

The organization voted to donate $100.00 to Maria Huichapa for her daughter's operation.

Members present were Roho Rodriguez, Dora Cruz, Martha Rodriguez, Helen Fay, Albert Buitron, Hector Romero, Mary Romero, Richard Mendez, Juan Romero, Maria Tobias and Gloria Rodriguez.

Call SAM, he's waiting

Computer buffs, memorized this number: 512/475-8384. SAM is waiting for your call!

Now, anyone with a home computer can have access to the most up-to-date news about Sesquicentennial events through SAM, the Sesquicentennial Alert Machine. SAM, a computerized bulletin board system (BBS), was conceived by the Sesquicentennial Commission's date processing staff and has been on line for several weeks.

Any home or business computer equipped with a modem and a communications software program can call SAM. A modem is a device that allows one computer to place a telephone call to another, and actually access the called computer's information.

SAM is on line Monday through Friday evenings from 5 p.m. to 8 a.m. and 24 hours on weekend.

Callers will be allowed to read information from a number of categories, including historical tidbits, Sesquicentennial news from each of the four state regions, news of statewide Sesquicentennial events, excerpts from the Sesquicentennial Commission's monthly newsletters, and items that will appear in the Official Sesquicentennial Guide to Events later in 1985. A message base will also be available for callers to leave messages to the Sesquicentennial staff.

"Out of some fifty electronic bulletin board systems here in Austin, SAM is one of only four or five that serve a specialized purpose. In a way, we're really breaking new ground here," said Ann Thornton, designer of SAM and date processing assistant at the Sesquicentennial Commission.

"SAM will undoubtedly prove to be a vital resource in the spreading of the Sesquicentennial word across the country," said Lynn Lumpkin, ADP Systems Coordinator. "The information is instantly available, with no mail delays."

For more information about SAM, contact Ms. Lumpkin at P.O. Box 1986, Austin, Texas 78767, Phone 512/475-1986.

Stress On Families

The bitter economic realities of low prices, high debt loads and increased bankruptcies translate into stress for farmers, ranchers and their families.

"Even a strong family can be temporarily disorganized under stress," says Texas A&M University Agricultural Extension Service family life specialist Dorthy Taylor. "When pressures become greater than the strength of the family, or stress uses up all the family's resources, devastating effects like alcohol and drug abuse accidents or suicides result."

The specialist says that early signs or symptoms of too much stress are dreading to go to work feeling tired all the time without cause, a change in sleeping habits and problems with digestion.

Becoming extremely critical, developing negative attitudes about everything and everybody, withdrawing from people, becoming self-centered, being unusually worried about your health and losing faith in other people and yourself are also signs of stress, she says.

"Farmers and ranchers who are going through stressful times and realize they are struggling unsuccessfully with their difficulties may fear they cannot regain control over their situation and become depressed confused or fear a nervous breakdown," Taylor observes.

Stress in farm or ranch families is not unusual, considering their close working relationships and the overlap of their personal, family and work lives, she notes.

But those famillies with open communication, shared decision-making and long-range planning seem to handle it better than those with little communication, authoritarian decision-making and day-to-day planning.

Developing communication, decision-making and planning skills may help families better cope with stressful situations Taylor says. But if farmers or ranchers notice the signs of severe stress in themselves or other family members, they should seek professional help.
