Stacey Cook selected 1986 Miss Rodeo Texas

Stacey Cook

Stacey Cook, 23, of Spearman, Saturday was named Miss Rodeo Texas at the Chisholm Trail Days celebration in Fort Worth.

Miss Cook, a 1986 graduate of Texas Tech University, claimed the title over 26 contestants throughout the state.

As Miss Rodeo Texas, Miss Cook will represent Texas at the Miss Rodeo America competition, will visit rodeos throughout the state promoting the sport, and will tour the United States as a representative of Texas, said Reba Blevens, publicity director of the pageant.

The 1985 Miss Rodeo Texas was selected by Gov. Mark White to visit Australia as part of the Sesquicentennial activities.

"So you never know what she'll be doing," said Blevens.

Miss Cook's previous title was ABC Rodeo Queen 1986. She was sponsored by the American Business Club, Lubbock Downtown chapter.

The Miss Rodeo Texas contest is judged on personality, western attire, and horsemanship.

Agco Buzzard Elevator

Harvest is 60-70% complete in the county according to our local elevator operators. Due to the recent rains some of the farmers have had to stop for a few days. However, it looks like the farmers are hard at work again.

Farmers are keeping their fingers crossed that the recent rains will subside long enough for them to get their wheat harvested.

Recent reports have stated that the wheat harvest is progressing fairly well.

Since the forecasters are predicting warm weather the farmers are very enthusiastic about this.

Dry land yields are 15-20 bushels per acre, with some irrigated yields 30-60 bushels per acre.

Obituary

Aubie D. Sparks
Aubie D. Sparks, 77, died Friday. Services were held at 2:30 p.m. in the First Christian Church with the Rev. Martin Foster, pastor, officiating. Burial was in the Hansford Cemetery by Boxwell Brothers Funeral Home.

Mr. Sparks, born in Farmersville moved to Spearman in 1916. He was married to Mozelle Beeson in 1928 in Spearman. He was a member of First Christian Church.

Survivors include his wife; two sons, Gene of Amarillo and Ted of Lubbock; a daughter, Sheila Mundy of Collbran, Colo.; three brothers, James and W. E.

Local veterinarian warns of rabies danger inherent in skunks

A cuddly, seemingly affectionate baby skunk may be a walking time bomb, said Dr. Michael Henley, a local veterinarian.

Henley, a former president of Amarillo Veterinary Medical Association, said he recently received a telephone inquiry regarding a pet skunk. The caller said the animal was found in Oklahoma and exhibited no symptoms of the deadly rabies virus.

"It might not appear to be sick," Henley said. "A skunk can carry the rabies virus in its saliva for more than two years and have no visible symptoms."

There are two varieties of the fatal virus, Henley said. The "furious variety" is the well-known mad-dog type. A second variety is called the "dumb form," he said.

"Wild animals that normally are cautious and avoid humans may become friendly if they have contracted the dumb form of rabies," he said.

Henley said he did not want to create panic in Amarillo, but he said the public should be warned. Anyone who knows the family that has the skunk should beware. He added that the public should report such instances to the Texas Parks and Wildlife Department.

"This is not a 'Hoot the Owl' situation. It is a health hazard," Henley said.

Henley said the disease is transferred to humans from contact with the saliva of a diseased animal.

"If a person was feeding the animal and got saliva in any open portion of the skin, even a cuticle, they could get rabies," he said. "An animal cleans itself with its mouth. The saliva and virus on the fur easily could come into contact with any opening of a person's body."

There have been cases in which people have survived diagnosed cases of rabies, but Henley described those instances as oddities.

"No known cure exists. Those who survived did so due to personal immunities or experimental injections directly into the brain," Henley said.

The veterinarian said anyone exposed to a rabid animal or an animal suspected of carrying the disease should receive injections. When symptoms have appeared in a human, it is too late, he said.

Henley added that Texas law requires a fur-bearing propagation permit to keep a skunk or other fur-bearing animal in captivity.

A representative from the Texas Parks and Wildlife Department said the permit costs \$50.75, but the organization does not condone skunk domestication.

Bob Pence, director of Amarillo's Animal Control Shelter said city ordinances forbid pet skunks because they are "known carriers of rabies."

"When a skunk is found and a biopsy is obtained from Austin, the results almost always are positive," he said.

CONSTRUCTION UP

NEW YORK -- The level of construction contracting surged in April, helping push 1986 activity in the first four months 2 percent ahead of the same period last year, F. W. Dodge, a division of McGraw-Hill information systems reported recently.

SLICK HIGHWAY

WEBSTER GROVES, MO -- A truck carrying 6,000 gallons of slippery cocoa butter, a main ingredient in some types of suntan lotion, leaked onto 10 miles of Interstate 44 recently causing several accidents and at least one injury. The driver was unaware of the incident until a motorist alerted him over a citizens band radio.

Fishing With The Editor

One day on a Sunday afternoon at 4:30 P.M. Billy Miller and I (Jason Tucker) went to the canyon about 4 or 5 miles out of town to go fishing, while we were in the canyon fishing we saw a dead catfish on the bank, when Billy saw the catfish he said "Hot dog, we caught a fish with good luck!" I said "There is no such thing as luck."

Then we went walking around and we saw so many grasshoppers that you couldn't believe your eyes. After we were done fishing we went home with NO FISH at all.

To God a Note of Thanks

By Alma Greever

Friends, Our Topic this week is found in one word. "Treasure." What does this word mean? Answer, Something we highly value. Now let us remember our study is from the book of all books, The Holy Bible with instructions to man God made and placed on the earth He made and may He help every one of us to be reasonable (sensible) (not extreme) in our thinking today. Is our treasure that we desire (earthly) or that is takes to please God. (Heavenly). In order to live or survive while on this earth the thing required of us is to work for the necessities of life and what does the Bible teach concerning this? 11 Thess. 3:10 If any would not work neither should he eat. Read verses 7 through 12. Man was made by God to till the ground found in Gen. chapter 2 and it also says it is not good that a man should live alone and made him a help mate. A helper making a home for him who makes the living. Let us now read and meditate upon the scripture found in Eph. 5:28; Husbands love your wives even as Christ loved the church. How much was his love?

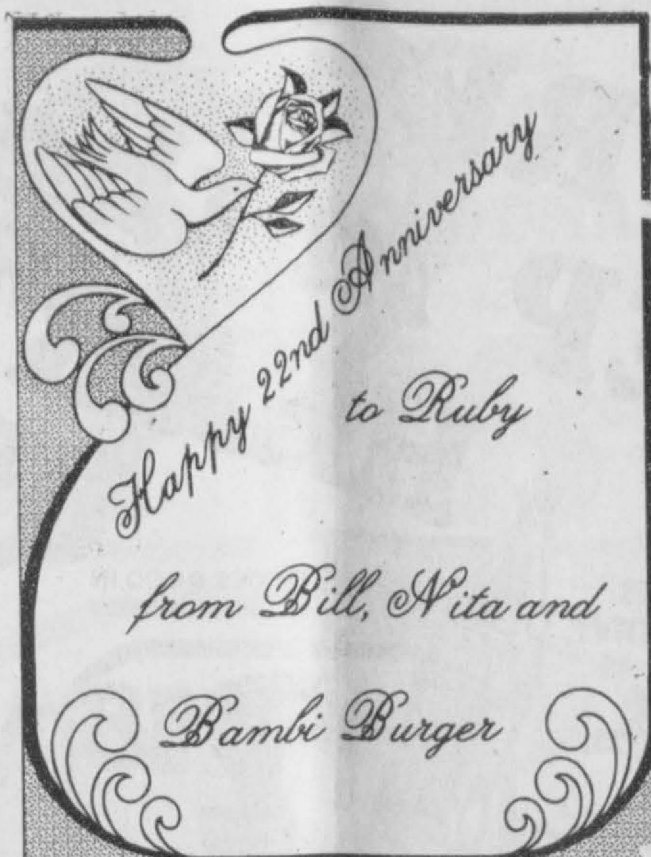

He gave himself for it. What does he do for it? Answer, Cherishes and nourishes it. To cherish means to take care of and appreciate.

To nourish, to feed or sustain yes support. When a man asks a father for his daughter this is his duty. Now about the girl or woman who says as did Rebecca concerning Isaac. When asked will you go with this man? Her reply I will go. This means she intends to make a home for him and reverence him for his love care and support. Now, My dear Friends, please let me who am nearing the 100 mile stone in life tell you, we do not have the family life as in my early days. Father laboring to make the living for his family, the mother always at home about the duties there, and it certainly didn't take as much in them days for people to be happy and contented for by experience I know what I am talking about. I certainly feel all of this is in keeping with today's lesson the homes of people fill the world and by observation we who are joined together are not in them long for mortal life is short at its' longest and as husband and wife labor together what should be of greatest value? (Should it be to store away riches, for of what benefit would it be for when we depart this life we would leave it all.) or should it be for that eternal. In John 6:27 Jesus said, Labor

not for that meat (food) which perisheth but for that meat which endureth unto everlasting life which the Son of man shall give unto you for him hath God the Father sealed. (In other words don't work for that to be stored away). In 1 Tim. 6:8, We read having food and raiment (the necessities of life) let us be there with content why? Because we brought nothing into this world and it is certain we can carry nothing out verse 7. This chapter tell us the love of money is the root of all evil and because some had this, they erred from the faith verse 10. Now this doesn't say money is evil but the love of it and now listen to what God says in James chapter 5. Go to now ye rich men weep and howl for your miseries that shall come upon you. Your riches are corrupted and your garments are moth eaten your gold and silver is cankered and the rust of them shall be a witness against you and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days verses 1 through 3; verse 5 Ye have lived in pleasure on the earth and been wanton (disregardeth of that pleasing to God) ye have nourished your hearts as in the day of slaughter (the wrath of God) and now the comforting words to all who are laying up their treasure in heaven.

Be patient therefore brethren unto the coming of the Lord. Behold the husband man waiteth for precious fruit of the earth and hath long patience for it until he receives the early and latter rain. verse 7.

The early rain fell on the day of Pentecost Acts chapter 2. My Bible states the Acts of the Apostles was A.D. 33. In the beginning of the Church age and the latter rain fell at the beginning of the 19th century (The Holy Ghost filling lives) so it doesn't seem he will have to wait much longer. So please help us dear Lord who are hungry hearted people not to become weary in well doing in laying up our treasure in heaven for your word tells us you are faithful who promised for when there it means our heart is right with God Matt 6:21 and Luke 12:34; Where our treasure is there will our heart be also. In verse 33 we read; Sell that ye have and give alms (help the poor) provide your selves bags which wax not old a treasure in the heavens that faileth not where no thief approacheth neither moth corrupt it and a verse or two following says, waiting for the Lord.

About Vacations

Millions of Americans face summer with an unshaken conviction the entire family must be carted some distance to the beach, mountains or to Aunt Hattie's.

With traffic, costs and congestion what they are today, vacations sometimes leave participants more depleted at the end than in the beginning.

Travel experts tell us vacations needn't be far from home; in fact, they can be taken at home -- if the routine can be broken.

And if vacations are to include travel, it's best not to undertake too much of it, or long travel tied to strict schedules.

Even on European vacations, settle for one or two countries per trip. Go in spring or fall, if possible, when the crowds are thinned out.

In this country good advice is to avoid crowds, holiday weekends and heavy traffic. If one can decide to rest, rather than push, the end result will likely be more enjoyable and recuperative.

Quartz refers to a range of lovely gems. It may be clear and colorless or tinted in delicate shades. Colorless quartz is called rock crystal or Lake George diamonds.

Perryton

Tennis

Tourney

July

3rd

Over 250 entrants from Texas, Oklahoma, and Kansas are expected for the Perryton Club Open Tennis Tournament set for July 3rd thru the 6th. Sign up deadline is 5:00 p.m. Wednesday, July 1st. The junior events, which start on Thursday, July 2nd at 9:00 A.M., are followed by doubles at 10:15 a.m. In the junior tourney, boys and girls singles and doubles are available in 12 and under, 14 and under, 16 and under, and 18 and under age groups. Finals for the junior events will begin on Friday morning at 9:00 A.M.

The adult events begin Saturday July 5th with singles at 9:00 a.m. Doubles are slated to start at 10:15 a.m. and mixed doubles around noon. Adult divisions abound for everyone, with singles and doubles broken into A, B, C and 35 and over for both men and women. There will also be a A and B division of mixed doubles. Maximum events any one entrant can enter is three (3).

Trophies will be awarded to both 1st and 2nd place finishers in all events for the tournament. Entry fees are \$8.00 for all singles events and \$16.00 for all doubles events. All entry fees shall accompany entries.

Players should report to the Perryton Tennis Complex, across from the Perryton YMCA upon arrival. This will be but one of four sites where the tournament will be held. Others include the resurfaced Junior High and High School courts and the Perryton Club courts. All brackets will be played to the semifinals on Saturday, with semis and finals slated for Sunday.

Again entry deadline is 5:00 p.m. Wednesday July 1st.

For more information, contact Mike Coggins, tournament director at 806-435-4004 during business hours, or at home at 806-435-9263 after 5:00 p.m. Mailing address is 3222 S. Ash, Perryton, Texas 79070.

Cora Queener speaker at Rotary

Cora Queener, Manager of the Spearman Chamber of Commerce, was the guest speaker Monday, June 16, at the Spearman Rotary Club.

Last week, Les Barkley gave the program on the Palo Duro Camp Meeting held June 12-15 at the rodeo arena 1 1/2 miles east of Gruver.

Why is the Chamber of Commerce necessary?

Our Chamber of Commerce is very necessary. The Chamber of Commerce is a very helpful part of our community. Below are just a few of things your Chamber of Commerce does for your community.

1. Repair Phones
2. Ribbon Cuttings for merchants relocating or opening a new store.
3. Monthly newsletters
4. Hansford County Fair
5. Membership breakfast
6. Host Career Day
7. Circus

8. Carnival
9. July 4th fireworks
10. Appreciation Day Picnic
11. Have information on states and points of interest.
12. Downtown beautification
13. Adopt-a-tree program
14. Community Calender
15. Miss Hansford Pageant

The Chamber of Commerce also works with merchants on:

1. Moonlight Madness
2. Sidewalk Sale
3. Christmas Promotion
4. Retail Merchants Picnic
5. Community Clean-Up
6. Golf tournament
7. Agriculture Breakfast
8. Bicycle Safety Clinic

and many more.
We thank our Chamber of Commerce for being such a valuable and necessary part of our community.

Dahlia Flower Club

The Dahlia Flower Club met June 16, 1986 in the home of Nelle Evans.

Sammie Bishop, president, opened the meeting with the Pledge of Allegiance.

The minutes were read and approved. The Treasurer's report was given.

Nelle Evans gave an interesting program on quilts. Two new books on quilts were much enjoyed as well as a poem "Old Nine Patch" by Phyllis C. Michael. Nelle, also shared picture framed parts of quilts made by the mother of Mr. Evans.

Refreshments of cake and homemade ice cream were served to Nellie Albrecht, Louise Archer, Karen Babitski, Sammie Bishop, Deta Blodgett, Ethel Byers, Marjorie Curtis, Cleo Denman, Mabel Edwards, Nelle Evans, Sada Hoskins, Hazel Lofton, Ora Sanders, Margaret Shedeck, Jewel Turner, and Ruth Mary Whelton.

The meeting June 30, 1986 will be in the home of Sada Hoskins, at 3 P.M.

WASHINGTON REPORT

House Divided-
Hardliners Prevail-
Shultz Loyal-
But Defeated-

WASHINGTON, D.C. — The administration was split by the Salt II renunciation. Hardliners prevailed, led by Defense Secretary Caspar Weinberger and civilian experts in the defense secretary's office.

Moderates were, at least temporarily, defeated. They were led by Secretary of State George Shultz, and included most of the joint chiefs of staff in the Pentagon.

Thus the interesting combination of top military professionals supporting the State Department, quietly, was a novel feature in this long-smoldering argument within the administration.

Weinberger succeeded in having the president finally announce a break with Salt II limits after years of effort. His and other hardliner arguments were that Salt II was never ratified.

If it had been ratified, it would have expired by now, they pointed out. And, they said, Russia has violated Salt II limits repeatedly.

The moderates argued that Russia has destroyed many missiles to make way for

But insiders know he was opposed to U.S. renunciation of Salt II. They believe Shultz will work hard to reach some sort of face-saving compromise for Mr. Reagan. Mr. Reagan has reversed himself on several foreign policy pronouncements in the past, without ill effects.

In Fashion

A summer outfit in black and white is always a mark of sophistication, whether it is a two-piece dress or three-piece suit.

Bright, sunshine yellow is used as a dramatic accent this season. A black and white striped dress, with big dolman sleeves, featuring yellow accessories, was seen recently.

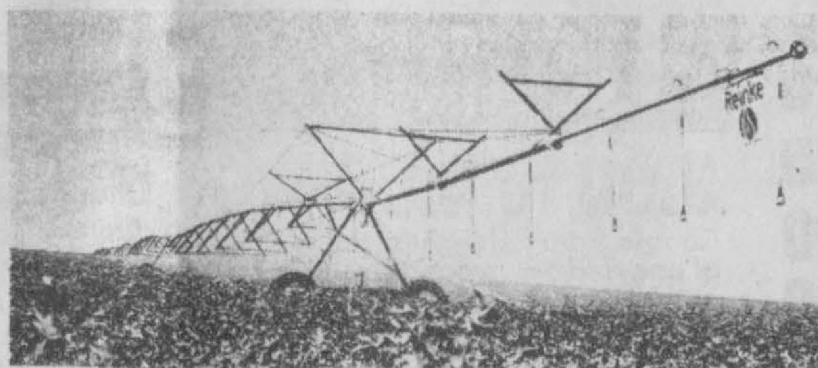

Relaxing in the Hansford Manor's new hot tub are (L to R), Carol Dunnihoo, physical therapist, Myrie Farrington, and Carol Hergert.

Expanded Markets Sought by Wheat Board

Faced with sagging prices and large carryover stocks, the Texas Wheat Producers Board is laying plans to capture and increase foreign markets which may add to greater demand and higher prices for the farmer.

Cagle Kendrick, Stratford, Chairman of the Texas Wheat Producers Board, said that during the month of June, three foreign trade teams make up of industry and government leaders worldwide have scheduled study visits to Texas, learning more about our types and quality of wheat available for marketing as well as our storage, handling, grading & exporting facilities.

The trade teams are here under the national auspices of U.S. Wheat Associates, through which the TWPB and similar Boards and Commissions in other states, conducts their foreign market development work. The international grain leaders which will be hosted in Texas by the Producers Board, include:

Peruvian Wheat Trade Mission. The group consists of 5 grain leaders from Lima, Peru will be in Texas, June 1-4.

Indian Trade Team of leaders from New Delhi area, June 17-19.

South American Grain Inspection Team composed of principal grain import policy decision makers and those responsible for storage, handling and quality maintenance of imported wheat, June 28-30.

Rodney Mosier, TWPB executive assistant in charge of the Texas itinerary said that in cooperation with the Port of Houston and the TX Department of Agriculture, schedules

have been developed to meet the specific objectives of the individual groups. In the case of Peru, these include: Visiting the Port of Houston Executive office to study port operations and services; dock and channel side tours of the port facilities and port elevators to study marketing, transportation and distribution of Texas and U.S. wheat; & meeting with the Federal Grain Inspection Service to study the point-of-export grain grading, quality evaluation and documentation.

"The reason for the Peruvian teams visit is the fact that the U.S. has lost 50 percent of Peru's average 1 million metric ton (36.7 million bu.) wheat market since 1982-83 to Argentina and Canada. Peru's poor economic and financial situation can largely account for this trend, as low Argentine wheat prices and attractive Canadian credit have overshadowed U.S. wheat. An aggressive U.S. effort is needed to help reverse this situation by upscaling the number and quality of activities conducted with both the wheat processing industry and appropriate Peruvian government agencies. We will emphasize not only the unique qualities of Texas and U.S. wheat export industry, but also the determination of the U.S. to maintain Peru as a valuable long-term wheat customer," Mosier said.

Wheat farmers in Texas support activities such as these foreign market development missions through a 1/2 cent per bushel state-wide self-assessment on sale of their wheat in effort to increase wheat demand and to strengthen their chance of price increases.

Backwards?

Distinguished reporter Joseph Harsch reports that President Reagan's decision to violate SALT II arms limits later this year unless progress is soon made in arms talks split his cabinet.

Harsh says that decision was a defeat for Secretary of State George Shultz and a victory for Caspar Weinberger and civilians in the Pentagon, including Richard Pearle and Fred Ikle. What is more intriguing is the report that the professional military leadership in the Pentagon didn't agree with the civilians.

The Joint Chiefs of Staff, it's said, believe it best to continue to adhere to SALT II arms limits,

because they know Moscow can more quickly expand arms production than the U.S., where

Congress must debate and pass on every arms program. At present Congress is in no mood to vote another massive increase in defense spending.

It the president is appeasing hardliners in and out of his administration with this new policy (and not just seeking to force the Soviets to give more, in arms talks), he may be making the most serious political, economic and defense policy mistake of his five and half years in the White House.

Among The Neighbors

The 15th annual Methodist camp for mentally retarded adults was held at Ceta Canyon last week. The camp this year was very successful under the leadership of Sue Woolley, who served her first time as Camp Director. Other Spearman members of the staff of 26 included Tamra Boyd, co-director; Lynda Latta, Andrea Mires, Larry Smith of Perryton, counselors; Lynda Winegarner-nurse; Julia Latta-assistant craft director. There were sports, hiking, The Worship Trail, camaraderie to be enjoyed. Both the Amarillo News and Channel 7 Television had coverage of the camp. Among the 82 campers attending were Ed Berner and Mary Elizabeth Venneman of Spearman, Guy Paul and Scott Hingertgard of Gruver.

Beginning the Spearman Summer trek to Red River and Eagle Nest is Sam and Mary Lou Wysong. They returned after a cool, refreshing, relaxing five days this week.

Lynn Hohertz arrived in time to share Father's Day with her parents, the Bob Hohertz. Lynn will spend a week here before returning to her work as Editor of the Family News Division of the Lubbock-Avalanche Journal.

Funeral Services were held last Monday at Mountain View, Oklahoma for John Cates, 84, oldest brother of Slim Cates. He had visited in Spearman many times. Attending the services from Spearman were Mr. and Mrs. Slim Cates, Mr. and Mrs. Gary Cates, Mr. and Mrs. Max Baggerly, and J.C. Cates of Sanford.

John Patterson of Houston has been here visiting his mother, Mrs. Maudine Patterson, and other relatives. He came up to cut his wheat but has been delayed constantly by rain.

Alta Fisher is noticing the quiet after a week of good visiting by her mother and two sisters. It was the first time in several years they had been together. Mr. and Mrs. Bud King of Tucson, Arizona, Mr. and Mrs. Don Joyner of Fieldton, Texas and the mother, Mrs. Mary Sexson, Cache, Oklahoma were guests of the Pete Fishers.

Mrs. Alma Ott returned home Friday after several days in St. Anthony's Hospital in Amarillo. Mrs. Ott is relieved to report that she is well enough to go back to enjoying her retirement.

Connie Woolley is back at home after an exciting two weeks tour of the Panhandle with the United Methodist Spirit Wind Music Group.

Father's Day guests of Peggy and Carl Archer were Mr. and Mrs. Tommy Gurnford, Kathryn Garrett and Julie of Gruver, Perry and Carl Dixon, and Blanche Fuller. Garrett stayed over a few days to assist his grandmother.

It was noted with interest in the Amarillo paper that Dean Greene of Spearman qualified to enter the Texas

State High School Rodeo finals being held in Seguin this week. Dean qualified in calf and team roping.

Forestburg, Texas was the scene for the gathering of the families of William Patrick Sloan, great grandfather of Troy Sloan. It was held at the Community Center on Saturday and Sunday. Among the 100 attending were Mr. and Mrs. Pat Sloan and family of Krum, Texas, Mr. and Mrs. Troy Sloan, Sue Woolley with Jessica and Windy of Spearman.

The 60 members of the Texas-New Mexico Bi-State High School Choir were selected after auditioning many, many applicants. The week long preparation for the concert was at McMurtry College in Abilene June 8th thru the 14th. Spearman was well represented by having three members who qualified and performed in the concert. They were Ann Sheets, Shane Swenn and Michelle Graham. In spite of the strenuous rehearsal, they enjoyed the many social events, new friends and good fellowship.

Mrs. Paule Cofer of Perryton visited Mrs. Lillie Palmer and transacted business here on Tuesday.

Life might seem a little hum-drum to a group who returned Sunday from a fulfilled week at Albuquerque and Santa Fe. The Mrs. Charlotte Jackson, Barbara Collier, Mary Ann Lasater, Eva Jean Dixon, Marva Hohertz, Judy Martin and Mary Frances Dixon enjoyed sight seeing, the art galleries, and shopping. They especially enjoyed the Tram Ride and dinner atop Sandria Peak, Albuquerque.

Leave it to Paul Hazlewood to arrange for a "double dip" by having his birthday follow Father's Day. Helping to observe these red letter days were Mr. and Mrs. Billy Paul Hazlewood, Ryan and Caleb, from Amarillo who spent the week-end and Mary Sue Ragsdale, of Seagraves, who is still here visiting her parents.

Hollie and Earl returned home Sunday after Earl had spent a week, unexpectedly, in High Plains Baptist Hospital in Amarillo. They are relieved to report that no surgery is needed.

Guests of the James Sparks during the week-end were granddaughter Abbie Cranon and her son James, of Amarillo; Jerry Sparks, Odessa and Mr. and Mrs. Evan Sparks, San Antonio. They were here to attend the funeral of A.D. Sparks.

The Reverend and Mrs. Lane Boyd and Chris returned late Sunday from a most interesting two days in Dumas. It was the 20th anniversary of his high school graduation and approximately 90 members out of a class of 200 attended. They represented many states and one from New York came the greatest distance. Friday night a mixer was held for the members and their families. Saturday morning the entire class rode on a float in the parade which was shown on television, Saturday afternoon

they enjoyed a picnic and the finale was a banquet Saturday night. Lane Boyd was the M.C. for the occasion.

Mrs. Joan McClellan is back on duty as District Nurse, returning on Sunday from Campbell, Texas where she had been since June 5th. Her father, Fred Dewees, passed away suddenly and his funeral was held June 7th. Wilson McClellan and sons, Ken of Amarillo and Chris of Midland attended the services also.

The Eldon Ferrells had guests over the week-end from Fort Worth. Her sister, Mrs. Eunice Jones and sons, Joe and Ronnie, spent the weekend here. On Monday Mr. and Mrs. Howard Parks of near San Francisco, and Mr. and Mrs. Howard Kessler of Lubbock and Mrs. Lennie Click of Stinnett spent several hours visiting, coming because of their concern for Mrs. Ferrell's health. Mrs. Click is the mother of Mrs. Parks and Mrs. Kessler and all are former residents of Spearman.

The wedding of her granddaughter, Terry Jean Sharp, was the reason for Mrs. Rose Isenhower and her daughter, Mrs. Betty Sharp, to make a trip back to their former homes in Ashland and Springfield, Illinois. They caught the Amtrak train at Garden City, Kansas and thoroughly enjoyed the trip. Later Mrs. Isenhower's other daughter and husband, Dave and Jeanie Lofland, drove up for the wedding and Mrs. Isenhower returned with them. Mrs. Sharp returned by Amtrak later.

Members of the family of A.D. Sparks who were here for the week-end to attend the funeral services were: Mr. and Mrs. Lester Munday, Colbran, Colorado, Mr. and Mrs. Rick Jannelle and children, Portland, Texas, Chris Munday, Tucson, Ariz.

Mr. and Mrs. Gene Sparks, Amarillo, Mr. and Mrs. Mike Ward and children, Colby, Kansas, Mr. and Mrs. Ron Gasser and children, Bridgeport, Texas, Denise Milligan and children, Longmont, Colorado, Ted Sparks, Lubbock, Texas.

From Oklahoma City-Mr. and Mrs. Jimmie Linn, Rex Linn, James Linn, Jr., Rhonda Simmons, Darline Linn, Paula Gene and Jimmie Venable and Scott, Dumas. Donnie Mackie, Amarillo. Friends attending from Walters, Oklahoma were Mr. and Mrs. Jackie Vardell

and Mr. and Mrs. Rick Vardell and families.

Leaving thru the week for their homes after attending the funeral of Mrs. Ella Hull were Bill Hull of Beuna Park, California and Tommie Boyd of Anaheim, Mr. and Mrs. Darwin Price of Livingston, Texas and Mr. and Mrs. Clay Dawson of Canyon.

Pastor of the First Baptist Church and Mrs. Russ gibbs have returned after a five day absence. They flew to Atlanta, Georgia for the Southern Baptist Convention, and prior to the Sessions they enjoyed a Gray Line Tour and going to Stone Mountain. In spite of the immense crowd of 41,000 messengers, they were able to contact some old friends. After the high temperatures and the high humidity of Atlanta, they appreciated the wind of the prairies.

Protect Children

Almost daily one reads of the accidental death of little children. Many could have been saved by more careful parental supervision.

Too often parents' irresponsibility is to blame for fatal consequences. Few have the heart to say anything at a time of grief following the tragedy.

Children burn themselves up, fall from windows, drown, are hit by cars when playing by the road or in it, etc. How often does one see tiny tots playing beside a highway? What can parents who allow them to do so expect?

Deviled Eggs Creole

- 4 hard cooked eggs
- 2 T. anchovy paste
- 1/4 c. mayonnaise
- 2 T. chopped nuts
- 8 ripe olives chopped
- Salt and pepper
- 1 can condensed mushroom soup

Cut eggs in halves. Mash yolks and add next 7 ingredients and blend thoroughly. Refill whites of eggs. Place in casserole, cover with mushroom soup. Bake in an oven 350 degrees until heated through. Serve on toast.
