RIVERCREST REBELETTES WIN THIRD PLACE AT STATE MEET

The Rivercrest Rebelettes had the misfortune of playing possibly the best Class AA team in Texas Friday afternoon, and on an off day for the Rebelettes. The result was a 56-44 victory for the Spearman Lynxettes over the Rebs in the semi-final tilt.

Rivercrest was anything but at its best. The Rebelettes missed more free throws than they normally would in five games, and even in the final period, the Rivercrest team wasn't playing as it had in the earlier playoff games.

Spearman, ranked No. 2 in the state, presented a speedy, quick and well-balanced attack. But not until midway in the third period did they widen their lead to a gap where it was out of reach of the Rebelettes.

Determined to make a better showing than they had in the semi-finals, the Rebelettes fought back for a 66-55 win over Ganado Saturday morning to capture third place in the tournament.

Rivercrest looked much more like the polished outfit it had been during the regular season and regional playoff.

Offensively, the three standout forwards for the Rebelettes outclassed Ganado's guards, hitting well from the outside, breaking for layups and working Katy Fry loose for her backboard shots.

Sophomore Glenna Grayson broke the game open early with her deadly shooting from the outside. She pumped in 11 points in the first period to individually match Ganado's team scoring.

Grayson ended with 30 points, the team's high.

Fry had 25 points before she fouled out early in the second half.

Lula Thompson and Pat Jones dominated the boards on the defensive end of the court for Rivercrest. They allowed the Maiden only one shot on most trips down the court.

Rivercrest was presented a third place plaque after the consolation tilt by Dean Norris Hiett of Texas University.

Coach Larry Tucker used his team's wide lead to get in most of his players during the contest.

While Rivercrest took the team honors, Bebe Zajack of Ganado stole the individual honors, hitting for 45 points and setting two new Class AA state records. She had 29 free throws for a new mark in that category and hit for 83 points in two games for another record.

Grayson got Rivercrest into a quick lead, 16-11 at the end of the first period. Ganado was within one at 20-19 midway in the second quarter when Rivercrest iced it up.

Paced by Fry, the Rebelettes outscored the opponent 11-0 during a three-minute span to take a comfortable 31-19 lead. It was 33-20 at halftime and never close again.

Shortly after the half, Rivercrest raced into a 42-23 lead, and at one stage in the fourth period held a 57-36 command.

This was Rivercrest's first trip to the state tournament, coming in its first campaign as a school.

The Rebelettes proved their third place in the state girl's poll with their showing in Austin.

Lana Sloan rounded out the offensive starters and Sue Wright was the other guard.

All three of Rivercrest's forwards will be back next year and Wright is only a junior at guard.

Fry, Kelsey, Yates Named All-State

State champions and runners-up divided honors almost evenly in choices for the 1966 state basketball All-Tournament teams announced Tuesday.

Katy Fry, a junior forward for Rivercrest Rebelettes, which finished third in the state meet, was named on the Class AA All-State squad.

The Rivercrest forward, who was one of the best in Northeast Texas during the regular season, was one of three girls on the forward list for all-state honors.

Fry is a 5-8 junior for the Rebelettes and will be back next year, along with most of the Rivercrest players who took third in the state meet. Fry averaged 26 points this season, and hit 42 in one of the playoff games.

Rounding out the Class AA all-state team were Nancy McCullough and Susan Hutchinson of Spearman, Phyllis Parish and Becky Evans of Little Cypress, and Bebe Zajack of Ganado.

In Class B, Connie Kelsey, forward for Deport, and Ruth Ann Yates, Deport guard, were selected. Round Top-Carmine, state champions, placed three girls on the team.

Application Blanks Available At P. O. For Medical Benefits

Postmaster Westbrook announced today that application blanks for supplemental Medical benefits are available at the main window at the Talco Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before a March 31 deadline imposed by the Medicare law.

President Johnson has proclaimed March as "National Medicare Enrollment Month." He urged all federal agencies and all citizens to cooperate in enrolling senior citizens in the program.

Initially, some two and one-half million application blanks were distributed to nearly 34,000 main post offices throughout the 50 states. Additional forms are available as needed.

Through direct mailings and other means, the Social Security Administration has had contact with 16 of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs \$3.00 a month and provides doctor bill and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare.

A copy of the application blank is displayed on the lobby bulletin board of the Post Office.

Senior citizens who reached 65 before 1966 face a two years delay if they do not sign up by March 31. The application forms are pre-addressed to the Social Security Administration in Baltimore, Md.

Rosemary Gartman had an appendectomy at a Mt. Pleasant hospital Tuesday.

Pallbearers were J. W. Aiken, Gerald Cooper, M. L. Barross Jr., Darrell Tubb, Bill Stribling and R. T. Frazier.

Houston Orrill Rites Mt. Vernon

Houston Orrill, 79, of Mt. Vernon, died March 7 at his residence. Funeral services were held March 8 at 2 p. m. with Rev. John E. Whit officiating. Interment was in Grayrock Cemetery.

Pallbearers were Allen Reid, Zack Henley, Clifford Orrill, Larry Orrill, Bryan Rozier and Charlie Hutson.

He is survived by his wife, Fannie, Mt. Vernon; one son, J. B. of Dallas; one daughter, Mrs. Ina Mae Henley of Talco; four sisters, Mrs. Maggie Reid of Mt. Vernon, Mrs. Willie Allen of Winfield, Mrs. Vera Jackson of Mt. Pleasant and Mrs. Ruby Spruill of Arizona; seven grandchildren and four great-grandchildren.

He was born in Franklin County, Texas, on March 18, 1886.

Area VI FHA To Meet At ETSU

"FHA Jewel for Personal Development" will be the theme of the Area VI meeting of the Future Homemakers of America. On March 19 approximately 2000 Future Homemakers will meet at East Texas State University in Commerce for the annual area meeting.

The speaker, Miss Ann Randall, fashion adviser for Neiman-Marcus, Dallas, will be emphasizing the national project, "Individuality Counts."

Officers participating from this area are Judy Frierson, Chicota; Dorothy Hatch, Paris; Linda Serevs, Bogata; Phyllis Johnson, Detroit; Annie Lois Tucker, Paris.

Area VI is composed of 17 counties and 150 schools. There are ten areas in Texas boasting over 70,000 Future Homemakers of America.

Ruth Ann Yates And Lula Thompson On All-Star Girls Team

Ruth Ann Yates of the Deport Tigerettes and Lula Thompson of the Rivercrest Rebelettes have been selected as participants in the 1966 All-Star girls basketball game next summer in Duncanville. They were chosen to the north team Saturday at a meeting of the Texas High School Girl Coaches Association in Austin.

Only seniors are chosen for the All-Star team. Yates and Thompson have been outstanding defensive players for their teams the past three years. It is the first time this area has had two players on the All-Star team. Jo Franks of Talco was a participant in 1964.

Duncanville will be hosting the All-Star game for the first time this year. It has been held previously in Waco.

Short Time Remains For Safety Stickers

Less than a month remains for Texans to secure the 1966 safety inspection sticker, according to the Director of the Texas Department of Public Safety.

"The period set by law for securing the 1966 stickers ends at midnight April 15, and there can be no extension of that deadline," he pointed out. "Any Texas motorist whose vehicle does not display the new sticker after April 15 is subject to arrest by any sheriff or his deputy, any city policeman, or by officers of the Department of Public Safety."

Mrs. Myrtle Keener entered Talco Hospital and Clinic, Thursday.

Coaches Name All-Dist. Teams

Coaches of District 15AA met in Mount Vernon Wednesday night and named the first and second All-District basketball teams for 1966. All boys on the first team were unanimous choices.

Boys named to the first team were Johnny Horton Rivercrest; Jackie Hopkins, Mount Vernon; Lanny Rainey, Cooper; Jerry Walker, Commerce; Junior Brigham, Commerce.

Named to the second team were Clifton Duncan, Rivercrest; Corneille Darden, Wimbos; Chet Pruitt, Pittsburg; Darrell Brinlee, Mount Vernon; Billy Ed Rogers, Commerce.

Rites for Eugene M. Brodie, Alhambra, Calif., who died there Feb. 6, were held there and after cremation, the ashes were sent to Blossom, his former home, for private committal Saturday, March 12.

Son of the late Mr. and Mrs. Charlie R. Brodie, he was born at Blossom Sept. 5, 1905, and lived there until moving to California in 1940.

Surviving are his wife, Lucile Nell, a son by a former marriage, Charles D. Brodie of Alhambra; several grandchildren, five brothers and sisters: Ralph Brodie of Deport, Ira Brodie of Houston, Mrs. Jim Sparks of Avoca, Mrs. L. V. Manning of Beaumont and Mrs. Claud Nichols of Texarkana, Ark.

Spring Officially Begins Sunday

Spring, the vernal equinox will officially be ushered in on Sunday, March 20. That means winter is over as far as the calendar is concerned. But sometimes the weather does not observe the official spring date, and winter makes a return engagement and temperatures dip below the freezing mark.

Moisture is adequate in Northeast Texas as rain has fallen at intervals the past few weeks.

With warmer temperatures, seed planted and plants put out in gardens are beginning to grow. Japonica and jonquills are in full bloom. Grass is putting out and beginning to afford some grazing for cattle, helping to cut down on feed bills. Fruit trees are budding and will be in full bloom soon.

Mrs. Myrtle Hanks and Mrs. Mae Cabell were dismissed from the local clinic Monday.

Austin. — Texas school districts are receiving speedup orders on desegregation. Integration of faculties, as well as student bodies, is the aim of federal authorities in laying down new guidelines for compliance with the civil rights act of 1964.

Both the Texas Education Agency and the State Board of Education received the policy statements and promptly scheduled meetings over the state to post local school administrators as to the requirements.

Primarily concerned are 600 districts that submitted voluntary desegregation plans to the U. S. Office of Education for the 1965-66 school year to assure that they remained eligible for federal aid.

Districts already fully integrated, those whose assurances of compliance have been accepted and those operating under court desegregation orders are not immediately affected by the revised policies.

U. S. Commissioner of Education Harold Howe II estimates that revisions will result in doubling integration in 11 Southern states.

Guidelines provide that "race, color or national origin may not be a factor in hiring or assignment of teachers and other professional staff." State Education Agency officials said evidence of compliance with this requirement is expected to be shown by next September.

Districts which have submitted desegregation plans, including those with geographical school attendance zones, must file by April 15 a form agreeing to observe the

new guidelines. Office of Education will review spring reports and schools judged to have shown no reasonable progress will be ordered to take further steps before fall.

School systems also must eliminate segregation in such programs as transportation, athletics and extra-curricular activities.

Where faculty members are displaced as a result of desegregation, staff vacancies later occurring must be filled by these ousted teachers if they qualify.

In other action the State Board of Education directed local school districts to raise their contributions to the foundation school program by \$6,100,000 next year. Local fund assignment for 1966-67 is \$138,000,000 compared with \$132,500,000 for 1965-66. Total cost of minimum foundation education program for the state this year is estimated officially at \$649,326,890. Legislature set local school districts' contribution for 1966-67 and thereafter at 20 percent of the total cost of the preceding year's program. State puts up the other 80 per cent.

Board also approved investment of about \$7,000,000 from the State Permanent School Fund. Some \$3,000,000 will be placed in common stocks, another \$3,000,000 in corporate bonds and an estimated \$1,000,000 in short-term Treasury bills.

Investment money will come from maturing Treasury bills, bonds and the regular monthly deposit from school land, oil and gas leases, says Paul Mathews, chairman of the investment committee.

Urge Car Inspection Now To Avoid Delay

With about two months left in which to have motor vehicles inspected, Captain Marvin Blount, Motor Vehicle Inspection Service, of the Texas Department of Public Safety, advised that about half of the registered vehicles in the county have been inspected. He urged motorists to get their stickers now.

"At the present rate of inspection it looks as though the usual ten per cent who wait until the deadline for inspections will be waiting in line on April 15. With inspection stations crowded near the deadline, immediate service cannot be rendered and car owners will suffer unnecessary inconvenience. Nearly half of the vehicles already inspected have required some adjustments or repairs," Blount said.

"Car owners who obtain their 1966 inspection stickers early will avoid unnecessary delays in inspection," the Captain concluded.

Talco Business Entered Sunday

A burglary which occurred some time Sunday night at a Talco grocery store was being investigated Monday.

Sheriff L. A. Redfern said Tommy Cecil's Grocery store was broken into. Missing were approximately 30 cartons of cigarettes.

The front door of the business was pried open. With the sheriff making investigation after discovery Monday morning were Texas Ranger R. M. Arnold and Talco Marshal E. R. Grayson.

Recent guests in the L. B. Kaylor home were O. F. Yates of Tyler and his son, Steven Yates, who is in the Navy and who has just returned from a tour of duty in the Philippine Islands and Viet Nam. He will leave this week for Bremerhaven, Germany.

Mr. and Mrs. H. F. Teague visited Mr. and Mrs. David Teague in Austin and attended the basketball game.

Announcement Of Wright Patman For Congress

TO THE PEOPLE OF THE FIRST CONGRESSIONAL DISTRICT OF TEXAS:

In announcing my candidacy for United States Representative from the First Congressional District of Texas for the 90th Congress which convenes under the Constitution next January 3, I would first like to express my sincere appreciation for not being opposed in the Democratic Primary of May 7. This is an indication of your confidence for which I am truly grateful.

It has been my privilege and great honor to have served the people of the First Congressional District for the past 38 years. The recent Redistricting Act of the Texas Legislature has established a new and enlarged First District with the counties of Camp (Pittsburg), Cherokee (Rusk), Panola (Cartilage), Rusk (Henderson), Shelby (Center), and Wood (Quitman) joined with the counties of Bowie (Boston, Texarkana), Cass (Linden), Delta (Cooper), Franklin (Mount Vernon), Harrison (Marshall), Hopkins (Sulphur Springs), Lamar (Paris), Marion (Jefferson), Morris (Daingerfield), Red River (Clarksville), and Titus (Mount Pleasant), making 17 in all, and thereby adding greatly to the power and prestige that the First Congressional District of Texas will now have in national affairs.

It is my ambition and determination to properly represent our district in a way that will merit your approval and support. It will be difficult to satisfy everyone, but I shall try.

My record discloses, I believe, that I have worked constantly for the betterment of the people. Among the achievements of which I am most proud is the World War I Adjusted Compensation (Bonus) Act of 1936 for which I fought almost singlehandedly, forcing the Bill through the House four different times by petition and finally overriding the Presidential veto. My work was amply rewarded by the knowledge that 3½ million World War I veterans used this money—an average of \$1,015 per veteran—to such good advantage.

to build homes, to go into business, and to educate their children, at a time of life when this help was most needed. I might also mention the Robinson-Patman Act, known as the Golden Rule of business which prevented the big manufacturers and chain outlets from ruining small business by unfair and destructive trade practices; also the GI Bill of Rights which did much to prevent a depression after World War II and helped the veterans of this conflict return to a normal and productive life.

I am proud too of the fact that I was the first Member of Congress from the South or West to advocate pensions for the elderly. Other Members then joined with me, and we were thereafter successful with this movement which has been so beneficial to the elderly, and to the country at large. Most recently I advocated a new GI Bill, just now signed into law which follows the pattern of benefits to veterans and their dependents similar to the help given to veterans of the Korean conflict.

It has been my constant and deep concern to guard against high and excessive interest rates, particularly on the national debt. We are paying a billion dollars a month interest now. It would be one-half that amount if the Federal Reserve had not arbitrarily raised these rates against the public interest. The government is now paying \$30 for the use of money in 1966 compared with \$1.00 for the same amount of money for the same time during World War II. One of our greatest problems is protection of the people against high, excessive and extortionate interest rates on the national debt, keeping in mind the great and ever present need for economy in government.

Sometimes the simplest things get turned around and become unnecessarily complex, particularly in Washington, but I keep in mind the three greatest institutions of our nation: Home, Church, and School—and the four great besetting evils: Poverty, Ignorance, Disease, and Crime. To strengthen our assets and institutions, and to vanquish these evils is a pretty good guide for anyone. Here in the Gulf Southwest we are blessed with a pioneering heritage and the most promising future of any area in the United States. The enterprise and self-reliance of our people have already resulted in the good use of our great natural resources, our scenic beauties, and our abundance of mineral-free water, so that Northeast Texas is fast becoming a recreation and tourist attraction for all America—but we have not begun to realize our full potential. Better education, full utilization of our water, more local industry, a clearer recognition that the family-size farm and ranch is the source of our national strength and character—these continue to be among my principal legislative objectives—and as your Representative in Congress, I will speak on these matters with the authority and responsibility that comes with 38 years of Congressional seniority, and as the Chairman of powerful Congressional Committees.

As a Member of Congress at this

period in our history, I am deeply conscious that problems affecting our national security and our domestic affairs are the immediate and vital concern of all of us; these problems must receive thorough, forthright consideration. We must make sure that the necessary programs in our domestic economy are carried forward in the best interest of all the people. It will also be my duty to give effect to your will regarding America's place and future in a world where few nations today are free. We are a peace-loving people, and we do want to end the war with the least possible loss of life or injury to our servicemen—if there is an easy or simple solution to this conflict, with God's help we will find it. Nevertheless as we strive mightily for peace, we must and will defend our liberties and our national sovereignty today as we have in the past, whenever and wherever necessary. As your Congressman I will, in the future as I have in the past, welcome and deeply value your support, your requests for assistance, your counsel, and your prayers.

Gratefully yours,
 WRIGHT PATMAN
