LADEN WITH GOLDEN GRAIN - Cornfields and elevators have been a-hum with harvest activities after an unwanted interruption from rains.

Adult Education Classes To Be Offered If Wanted

Adult Continuing Education will again be offered at Hart schools provided sufficient interest is shown.

Two types might be offered, English Speaking Lessons (ESL) and Adult Basic Education (basic math, English and reading). The classes would be under the sponsorship of Regional XVI Education Service Center. No charge would be made to adults for tuition or

books.

Fifteen persons must enroll in each class in order for them to be offered. An organizational meeting will be held at 8 p.m. Tuesday, Sept. 29. Persons interested in either class should contact Shirley Barnes at 938-2142 or come to the elementary school if they are unable to attend the organizational meeting.

Confusion Plagues Contest, Black Holds Onto Season Lead

Confusion reigns within the football contest. Last week's Hart Beat had gone to press when an error was discovered in the grading. The error was made when area papers reversed the scores in the Springlake-Earth and Amherst ball game. Thus, contestants who picked Springlake-Earth to win now have a point taken from their score. A few contestants predicted Amherst's win and now find themselves with one more point.

Chad Black remains the first place winner but second and third places were changed in re-grading. He and Bobby Allensworth missed four games each with the tie-breaker determining the victor. Black was off four points with 14-6; Allensworth missed by eight with 20-6.

Third place became Mark Stroebel's. Missing five games, he was off five points on the Horns' game with 20-7. Eliminated by the tie-breaker were Roy Martinez, ten points off, 18-0 and Roy Gonzales, 11 points off, 21-14.

Winners this week are Cleve McLain, Johnny Carrasco and Black. McLain was the lone contestant missing as few as three games. He claims the \$5 first place monies.

Five contestants missed four games each. Carrasco was 14 points off the

tie-breaker with a 12-18 prediction to win second place. Third place monies are earned by Black's 15 point off prediction of 14-21.

Others missing four games were Arnold Ehly, 16 points off, 10-14; James Kennedy, 22, 15-13, and David Hernandez, 34, 21-7.

All contestants were given the point for Cotton Center-Borden County, regardless of how they marked their entry blanks since that game was played the previous week.

Black maintains possession of the season lead with 24 correct predictions. Contestants with 18 or more points are listed elsewhere in this issue.

Join in the confusion and fun, enter the competition this week. You might be a winner.

The contest is open to everyone. It's easy to enter. Select a winner in each of the games appearing in ads of sponsoring merchants on the contest pages of the Hart Beat. Circle the corresponding numbers on the entry blank provided there. Predict a score in the Longhorns game - this counts as a game as well as the tie-breaker in event of ties. Fill in the entry with name and address and deposit in collection envelopes at any of the sponsoring businesses.

Board Sets Tax Rate

School board members, in their regular meeting Monday evening, appointed Larry Lee to serve on the Castro County Appraisal Unit. The board had earlier passed a resolution to appoint one board member to the CCAU in compliance with Section 16, Subchapter A, Chapter 6 of the Property Tax Code.

In addition to one member appointed by Hart ISD, one member will be appointed each by Dimmitt ISD and Nazareth ISD. One member will also be appointed from the city limits of Dimmitt, one from Precinct 2 and another from Precinct 3.

Board members gave approval for a Halloween Carnival for students in grades K through six, to be held Friday afternoon, Oct. 30.

An increase in the cost of adult meals was approved for the school cafeteria. Adult lunches will be \$1.25 with breakfasts, 75 cents. This action is in compliance with a state mandate that adult lunches be \$1.2025 and adult breakfasts should be set at \$0.6850. New prices go into effect Monday, Sept. 21.

The board accepted the high bid submitted by Dudley Aven in the amount of \$226 for the 1969 Plymouth school car.

New faculty members Kathryn Jahay, Dale Jahay, Elaine Siewert and Diane Jones were introduced to board members by Superintendent Ted Averitt.

Tax rate for 1981-82 school year was set at 71 cents per \$100 valuation. This is an increase of five cents per \$100 valuation but does not exceed the three percent calculated tax rate, set by the tax assessor.

The board called for a special meeting to be held Tuesday, Sept. 29 at 8 a.m. in the superintendent's office to approve the budget for the 1981-82 school year.

Powder Puff Football Set

Powder Puff football will take the spotlight Tuesday, Sept. 22 in Longhorn Stadium. Senior girls will challenge the junior feds in a 7:30 p.m. game.

Admission is \$1 for adults; 75 cents for students. Proceeds will go to the junior-senior banquet fund. The event is sponsored by the Junior Class.

All persons are invited to come out for the fun event.

Shallowater Proves Too Big For Horns, Takes 20-0 Win

Hart Longhorns entertained always-tough-Shallowater Mustangs Friday night. The Mustangs proved to have too many "big guns" as they ran and passed their way to a 20-0 victory, leaving both teams with identical 1-1 records.

Shallowater opened the scoring with a 25 yard screen pass from Rod Burgett to Roy Silvas. Truitt Garland booted the PAT to give the Mustangs a 7-0 lead with 8:31 still remaining in the first period.

As would be the case all evening, Hart was unable to generate much offense, thus the Longhorn defense was forced to play much more than they normally should. This one factor was directly related to the number of points the Mustangs put on the board.

Midway through the second quarter, Shallowater moved to the Hart one yard line via the airways. However, the much smaller Longhorns dug in for three downs. But on the fourth down from the four yard line, QB Rod Burgett found wingback Joe Maldonado in the back of the end zone for the touchdown. The PAT was unsuccessful, leaving the score 13-0 in favor of Shallowater at halftime.

Hart defense, led by Robert Martinez, Clay Barnes, Robert Gonzales, Derek Rich and the rest of the "Hustlin' Horns", stiffened in the third quarter. Yet the lack of offense spelled eventual doom for the scrappy Hart Longhorns.

Shallowater finished out the scoring with 2:58 remaining in the game, as QB

Rob Burgett threw his third touchdown pass of the evening; this time he found Tommy Garland for a 15 yard touchdown pass. Truitt Garland added his second PAT to run the score to 20-0 and a Shallowater victory.

"Our young men gave a good effort. Shallowater just flat man-handled us. It is pretty difficult to defeat someone when they are bigger and faster than you are. I certainly do not like to lose,

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on an unproductive, underdeveloped or blighted area in order to encourage its development. The amendment would also allow the legislature to authorize a city or town to issue bonds or notes to finance this development and to pledge future increases in ad valorem tax revenues from the property in such areas to repay these bonds or notes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize cities, towns, and other taxing units to encourage the improvement, development, or redevelopment of certain areas through property tax relief and the issuance of bonds and notes."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 117 proposes a constitutional amendment that would authorize a person to receive a patent to land from the Commissioner of the General Land Office under certain conditions. Application for the patent must be made within five years from approval of the amendment. The land must be surveyed, public free school land not previously patentable. The person must have a properly recorded deed to the land, which he acquired without knowledge of the patent defect and which title he and his predecessors in interest have held for at least 50 years. The person and his predecessors in interest must have continuously claimed the land and paid the taxes for at least 50 years.

This amendment does not apply to beach land, submerged land, or islands. An applicant may not use this provision to

resolve a boundary dispute. This amendment will not apply to land which has been determined to be state-owned by a court of competent jurisdiction or that has a productive state mineral lease on the effective date of the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of November 15, 1981."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 38 proposes a constitutional amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds. Funds constitutionally dedicated to specific purposes would not be subject to committee management. The committee would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee, Chairman of the House Appropriations Committee, Chairman of the Senate State Affairs Committee, and the Chairman of the House of Representatives Ways and Means Committee.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to grant to a state finance management committee the power to manage the expenditure of certain appropriated funds."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 6 proposes a constitutional amendment that would provide that one-half of the surplus tax revenues

above the spending limit provided by Article VIII, Section 22, of the Texas Constitution would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, water quality enhancement, and flood control purposes or any combination of these purposes.

The amendment also provides \$500,000,000 of the general credit of the state to guarantee bonds issued in commercial markets by local political subdivisions, including cities, counties, and special districts. The amendment allows amounts to be established to decrease or retire state debt, which is defined as that debt secured by the full faith and credit of the state. The amendment would raise the interest that could be paid on authorized, but unissued, bonds guaranteed by the full faith and credit of the state from 6% to 12%.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes; authorizing the use of the state's credit, not to exceed five hundred million dollars, to guarantee the bonds of cities, counties, towns, and other units of local government in the financing of projects for such purposes; increasing the interest rate that may be paid on previously approved, but unissued, state bonds; and authorizing a program to retire state bonds."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the inclusion of livestock and poultry with farm products as exempt from taxation."

PROPOSITION NO. 6 ON THE BALLOT

The portion exempted may be as much as 40% for 1982-1984; 30% for 1985-1987; and 20% for 1988 and after. The amount of an exemption may not be less than \$5,000 unless the legislature by general law prescribes other monetary restrictions on the amount of the exemption. An eligible adult is allowed to receive other applicable exemptions provided by law. An exception is made where ad valorem tax has previously been pledged for the payment of debt.

The amendment further directs the legislature to require that notice be given to property owners of a reasonable estimate of tax on their property in certain situations.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing a political subdivision to provide property tax relief for owners of residence homesteads and changing certain property tax administrative procedures."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that would authorize the Veterans' Land Board to issue and sell an additional \$250,000,000 in bonds increasing the Veterans' Land Board's total bond issuance authorization from \$700,000,000 to \$950,000,000. The amendment would increase the maximum interest payable by the state on these bonds from 6% to 10%, and permit an even higher rate, if specified by the legislature.

La enmienda también provee \$500,000,000 del crédito general del estado para garantizar bonos emitidos en mercados comerciales por subdivisiones políticas locales, incluso ciudades, condados y distritos especiales. La enmienda permite que se establezcan cantidades para disminuir o para retirar deudas del estado, las cuales se definen como deudas garantizadas por la plena fe y el crédito del estado. Actualmente los productos agrícolas en manos del productor y las provisiones familiares para el uso de la casa y de la granja están libres de impuestos.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que permite incluir el ganado y las aves con los productos agrícolas libres de impuestos."

PROPOSICION NO. 6 EN LA BOLETA

Resolución Conjunta No. 81 de la Cámara de Representantes autoriza al cuerpo gobernante de un condado, una ciudad, un distrito escolar u otras subdivisiones políticas declarar libre de impuestos una porción del valor de mercado de un hogar de residencia. La porción libre de impuestos puede ser hasta 40% para el periodo 1982-1984; 30% para 1985-1987; y 20% para 1988 y los años siguientes. La cantidad de la exención no puede ser menos de \$5,000 a menos que la legislatura por ley general prescriba otras restricciones monetarias de la cantidad de exención. A un adulto elegible se le permite recibir otras exenciones aplicables provistas por la ley. Se hace excepción en caso de que los impuestos por avalúo hayan sido comprometidos previamente para el pago de deudas.

La enmienda además dirige a la legislatura que requiera que se les dé a los propietarios una estimación razonable de impuesto sobre su propiedad en ciertas situaciones.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza a una subdivisión política proveer auxilio en los impuestos sobre la propiedad para los dueños de hogares de residencia y que cambia ciertos procedimientos administrativos en los impuestos sobre la propiedad."

PROPOSICION NO. 7 EN LA BOLETA

Resolución Conjunta No. 4 de la Cámara de Representantes propone una enmienda que autorice a la Junta de Terrenos para Veteranos poner en circulación y vender bonos adicionales en la cantidad de \$250,000,000 lo cual aumentaría de \$700,000,000 a \$950,000,000 la autorización total de circulación de bonos del Fondo de Terrenos para Veteranos. La enmienda aumentaría el interés máximo pagable por el estado por estos bonos de 6% a 10% y permitiría una tarifa aun más alta si fuera especificada por la legislatura.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza la emisión de bonos adicionales para financiar el programa de terrenos para veteranos y que aumenta la tarifa máxima de interés que se permite en los bonos del fondo de terrenos para veteranos."
