Farm Migratory Camp Authorized

History Contest Winners To Leave On Trip May 30

Will See Sights In Both Old And New Mexico

About Forty Students To Make 6-Day Trip In Bus: Will Camp Out

The Lamesa Chamber of Commerce announces this week that final plans are being made for the winners of the Dawson County History contest to begin their trip which has been arranged for them by virtue of the fact that they won in their respective divisions.

Unless unforeseen emergencies should arise, the group of forty children and ten adults will leave Lamesa in a bus and a car on the morning of May 30. They will arrive in Carlsbad in time to go through the cavern and the following morning will arrive in El Paso for a two day stay. During their stay in El Paso, they will visit Juarez and Old Mexico. June the second will be spent in the White Sands National Park in New Mexico and the night at Alamogordo. The next day will be spent in the Mesalero Indian Reservation and the German Camp at Fort Stanton. June 4 will find the party in Roswell, with return home by 6 P. M. June 6.

Arrangements have been made in each town for places to camp and for guides for seeing the places of most interest. While in El Paso the group will sleep on the football field of the Texas School of Mines. In Carlsbad the camp will be in the park, and in the Bottomless Lakes National Park in Roswell. One night will be spent in Alamogordo Park and one in the camp provided by the city of Roswell.

Every precaution is being taken to provide for the safety and happiness of the children.

Jack Hughes To Enter Relays In California

A communication received by the Courier this week, from Mrs. Jack Hughes, well known here, tells of a most interesting, as well as highly complimentary experience in store for her husband, Big Jack Hughes, former Lamesa High athlete, who is now in his senior year at Texas University.

Jack needs no introduction to the people of Lamesa and Dawson County, as his record as a star in the Lamesa schools and his record since entering the University, needs no further mentioning. Mrs. Hughes letter is reproduced in full below:

"Jack, along with four other boys composing the University of Texas Sprint Relay Team, has been invited, with expenses paid, to the Los Angeles Relays, May 24, at Los Angeles, California. Since this meet is during the final exams, the trip will be made by plane in order to miss as few exams as possible. They will leave Austin Friday at 7:30 a. m. and work out in Los Angeles at 3:30 p. m. the same day. The Los Angeles relays will be the nearest thing to the Olympics that will be

Lamesans Attend Big Spring Feed

The following attended a banquet given in Big Spring Monday evening at the Settles hotel by the Big Spring Chamber of Commerce in honor of the recent appointment by Governor W. Lee O'Daniel of Reuben Williams, native son of Big Spring, as a member of the State Highway Commission: Homer St. Clair, president of the Lamesa Chamber of Commerce; County Judge Vernon D. Adcock; County Commissioners C. C. Aten, J. F. O'Brien and J. E. DeBarn; Chairman of the County Planning Board Elmer Barron; W. D. Arnett, County Clerk Howard Humphrey, Sam Cates, P. L. Alexander, Don Emory and Raymond Lee Johns, Manager of the Lamesa Chamber of Commerce.

Next Saturday Designated As Official Poppy Day For This City And County

Every Person Is Asked To Buy And Wear A Poppy Honoring The Dead Americans Of World War No. 1

Memory of America's war dead in the first World War will be honored on Saturday, May 24, when Dawson County citizens and visitors will be asked to wear a memorial poppy in tribute to their sacrifice and service.

Plans for Poppy Day have been completed by the Allen Houston Post No. 330, Unit of the American Legion Auxiliary, under the leadership of Mrs. T. B. Fulkerson, Poppy Day Chairman. The flowers, made by disabled veterans, will be on

High School Girls Show Way In Cake Baking As Contest Winners Named

First And Second Places Won By Misses Barron And Randle. Both High School Students

Winners in the cake baking contest conducted by Mrs. Tucker's Shortening and held in connection with the Courier's Cooking School, were Misses Helen Barron, daughter of Mr. and Mrs. E. E. Barron and Genelle Randle, daughter of Mr. and Mrs. Webb Randle.

These young ladies are ooth High School students, which speaks highly for their Home Ec teachers, as well as the ability of the young ladies themselves.

Miss Barron was awarded the beautiful five piece Chrome Cooking Set as the first prize, and Miss Randle received the three piece set as her award.

Mrs. W. B. Hohn, Route C, won third and Mrs. E. N. Felts, Route C, fourth. Mrs. Hohn was winner of the Gladiola Flour prize, and Mrs. Felts the KC Baking Powder.

The cakes entered in the contest were given to the Home Demonstration Clubs of the county, and Ike Houston, veteran auctioneer, sold the cakes to the highest bidders, on the court house lawn, immediately after the school closed Wednesday afternoon.

The money derived from the sale of these cakes will be used to help defray the expenses of Home Demonstration delegates to the Annual Farmers' Short Course this summer.

"We want to thank every woman who entered a cake and contributed it to our Clubs," said Miss Mattie Phenix, Home Demonstration Agent. "We also want to thank Mr. Houston for his excellent work, for which he would not charge one penny."

The judges evidently had a hard time judging the winners, for from this writer's point of view, there were some real cakes entered in this contest.

These cakes were given to the Home Demonstration Clubs of the county, and Ike Houston, veteran auctioneer, sold the cakes to the highest bidders, on the court house lawn, immediately after the school closed Wednesday afternoon.

The money derived from the sale of these cakes will be used to help defray the expenses of Home Demonstration delegates to the Annual Farmers' Short Course this summer.

Please Accept Our Thanks

The publishers of this newspaper would like to publicly express our appreciation to the advertisers, boosters, those attending and everyone who had any part in making the Cooking School which closed Wednesday night the success it was.

Especially would we like to thank Mr. and Mrs. Audrey Cox for the use of the Majestic Theatre, Mr. Buck Kirksey for his valuable service rendered during the school, Springer Plumbing Company for making the necessary plumbing connections, Higginbotham-Bartlett for furnishing the lumber and stage furniture, Texas Electric Service Co. for furnishing the lights, Hatch Food Market for furnishing the groceries used by Miss Hogue, the ladies who entered the cakes in the baking contest, Ike Houston who auctioned off the cakes for the Home Demonstration Clubs, Miss Mattie Phenix, County Home Demonstration Agent, Miss Ruth Magee, Farm Security Administration Home Management Supervisor, Mrs. Bob Wade for her assistance in the school, and Mrs. Daisy Lafalite, for her assistance to Miss Hogue, as well as the special representatives of the various food manufacturers and distributors, and everyone who contributed time or material to aid us in bringing this school to the women of the community.

Without such cooperation it would have been impossible to have had the fine school this one was.

Last, but not least, we would like to express our appreciation to Miss Jessie Hogue for her excellent service. She is pleasant, efficient and agreeable.

Neighboring Cities Will Be Visited By Big Motorcade

Citizens Of Community Will Be Asked To Don Rodeo Regalia

A statement made this week by Sam Cates and E. A. Pruitt, in charge of the annual good-will tour preceding the Lamesa Rodeo, to be held this year June 10-11, follows:

"In behalf of the Lamesa Annual Rodeo, June 10-11, we are again appealing to Lamesans to give a few hours of their time and furnish a number of cars for the good-will tour Wednesday and Thursday, June 4-5. All who can take a car one or both days should call a member of the committee or the chamber of commerce office at once. If you can go but cannot furnish a car, we urge you to call and list your name, so that transportation can be provided for you. Many stores will again this year be expected to allow clerks to make one or both trips."

It is hoped that Lamesans will again this year don bright-colored cowboy regalia preceding the rodeo. The parade every phase of the two-day program of activity. Everyone is asked particularly to wear appropriate costumes during the rodeo good-will tours.

The motorcade will form each morning in front of the city hall on (Continued on Back Page)

Enrolling Of 4-H Club Boys To Close June 1st

Boys Over County Who Want To Join See County Agent

Club Activity In Dawson County Is Reaching New Highs Each Year

The time for the enrolling of Dawson County Farm Boys in the 4-H Club Work is due to close June 1. All boys that are interested in the 4-H Club Work are urged to contact the County Agent at once, and complete arrangements for their 1941 demonstrations.

4-H Club Work is part of the services offered by the Extension Service of the A. & M. College of Texas, through the County Agent, and is open to any boy between the ages of 10 and 21 years. Each boy has any demonstration he wishes to have. He may have more than one demonstration. Work is offered in the following clubs: Cotton, maize, cane, poultry, swine, beef cattle, dairy cattle, sheep, etc.

Each club member must keep a record of cash and labor expenses, cash sales and returns, and make a report when the demonstration is completed. He is required to attend the monthly club meetings. Rally days, encampments and educational tours are also a part of the year's club work. Shows and fairs have their divisions for club boys.

The main spring of 4-H Club work is the demonstration. This animal or crop, belongs to the boy. He tends to his animal or his crop. He takes the profit or the loss. It gives him something to do. It teaches him to study, to work, to keep records, to develop into a leader.

"The best 4-H Club boys I have are those boys whose parents are willing to help their sons 'have something of their own,' and are ever ready to assist their son accept some responsibility and aid him in its execution," stated B. J. Baskin, County Agent. "To see a boy raise his feed crop, then market it through livestock is fine, but to see the interest of the parents in the boys efforts is 'tops'."

Eighty-Five Seniors Get Diplomas In Program At High School On Monday

Honor Students Are Named And Awards Made As 1940-41 Term Comes To A Successful Close

Diplomas were awarded to eighty-five graduates of Lamesa High School at last Monday night's exercises. The program, outside of awards and the professional and recessional numbers, were given by pupils.

Miss Katherine Norman, who won second highest honors in the class of '41, delivered the welcome. Wright Grant Boyd delivered the class president's address. Miss Donnalita Love gave the valedictory by virtue of her having been the recipient of highest grade honors.

Dr. McCollum, in awarding the diplomas, announced that fourteen pupils had made grades of "B" or better in each six weeks interval for four years in high school and the words "With Honors" were inscribed upon their diplomas. These

Cooking School Is Pronounced Success Here

The Happy Kitchen Cooking School, with its profitable and entertaining sessions, is over. Miss Jessie Hogue endeared herself to hundreds of Lamesa and Dawson County women during the lectures and demonstrations from the kitchen at the Majestic Theatre as she presented this model, effective means to achieve a greater success in home making.

But local women made a still greater impression on Miss Hogue. As she concluded the Happy Kitchen (Continued on Back Page)

Work Started To Secure Defense School Replacing Present Lamesa CCC Camp

School Would Train Young Men In Radio And The Care Of Military Mechanized Units

A group of sixteen business men of Lamesa were the guests of the town with the advantages offered to enrollees in CCC Camps.

The purpose of the meeting was to acquire a cross section of the town with the advantages offered to enrollees in CCC Camps.

It was pointed out that it is no longer necessary for a youth to come from a family on relief to enroll. He starts in at \$30.00 per month, with clothes, meals and room furnished, and it is possible for him to increase his earnings to \$45 per month. In addition to this, it was shown that boys who have enrolled in this project have benefited physically as well.

The discussion also brought out that the Government plans on establishing a number of Defense

schools in this section of the county. The purpose of the schools will be to train young men in caring for the mechanized units of the military forces, as well as a complete radio instruction.

In view of the fact that plans are under way to discontinue the CCC Camp in Lamesa on July 1, it has been suggested that possibly one of these schools might be located in Lamesa, using the buildings already erected at the CCC Camp.

It was pointed out that this school, is solely for the training of men in service, and would be under the supervision of military men.

As the project is strictly in the embryo stage, there is nothing definite known. It was agreed, however by those present, that every possible effort would be extended to secure the school for Lamesa.

Museum Movement For County Endorsed By Local Chamber Of Commerce

Effort Is Being Made To Secure Building To House Historical Subjects Of City And County

In a meeting of the board of directors of the Lamesa Chamber of Commerce Tuesday morning, endorsement from the organization was given a move already on foot to secure a museum for Lamesa and Dawson county. The opinion expressed by the group that much of the natural history of the county is fast being lost, misplaced and destroyed and that it should be retained as a monument to the development of the county and surrounding territory and that the way to do it is to provide a place

of safe-keeping. It is understood that numerous ones interested in such a project have already appeared before the county commissioners court and city officials asking that the possibility of such a program be considered by them jointly. It has been suggested that NYA labor may be secured if one or both of these governing bodies will provide materials for such a building.

A community spokesman has suggested that all interested parties contact the county commissioners' court or the city of Lamesa, or both about this project.

Howard Humphrey, County Clerk, this week again warns all those who are notaries public, or who desire to become one, should get in touch with him immediately.

"It is imperative that these names be listed in my office within the next few days," Humphrey stated. "The list must be filed in Austin on June 1st, so it will be seen that there are only a few days remaining."

He also again called attention of all Notaries that following a new law recently enacted by the Legislature, the name of a Notary Public must be typed or printed immediately below the signature on all documents.

Contract To Be Let June 17 For 125 Family Unit

Twenty-Five Four-Room Apartments And Twenty-Five Cottages In Project

AMARILLO, May 22 (Special) — Authorization for the construction of a farm workers community near Lamesa in Dawson County was announced today by Wilson Cowen, regional director of the Farm Security Administration.

The community will provide housing facilities for 125 families. Construction will be by contract and bids will be received by the FSA by June 17, Cowen said. Construction is expected to begin by August the first.

The community is to provide shelter, sanitation and health needs for migrant farm families in the South Plains cotton area.

Located at the gateway for migrant farm families who move East and West between Oklahoma and New Mexico, and North and South through Texas, the community will facilitate contracting and routing arrangements for the Texas State Employment Service.

"Decision to construct the farm workers community in Dawson County," Cowen said, "was made as a result of urgent requests by farmers, community leaders, ministers, merchants, school officials and women's club leaders, and because

Lutheran Church To Open Bible School Monday

Plans are about complete for the opening of the Daily Vacation Bible School to be conducted by the local St. Paul's Lutheran Church, beginning Monday, June 2.

Rev. Theo. F. Sager, pastor, will be assisted by his wife and possibly another teacher, in conducting the school.

"All boys and girls between the ages of 4 and 14 years, are invited to take part in the school," stated Rev. Sager. "We plan to make a study of the Ten Commandments, including the stories from the Bible which illustrate the lesson. Then we will also learn a number of Christian Hymns, and important Bible passages. Part of each morning will also be spent in reconstructing the lesson of the day, by pictures. The Beginners and Primary Classes will make a scrap book and do coloring of pictures from life."

The school will be in session from 8:30 to 11:30 each morning except Saturdays and Sundays for two weeks. The church is located at the corner of South Fifth and Katherine.

"Several parents have already promised to bring their children, and we look forward to having a nice group," the pastor concluded.

V. O. Key Elected Head Of Old Timers At Annual Reunion Here Last Tuesday

Dolph Wyatt Of Los Angeles Elected Co-President; Mrs. Dixie Kilgore Re-elected Sec'y-Treasurer

The Dawson County Old Timers held their annual meeting at the City Park in Lamesa Tuesday of this week.

Inclement weather cut short the crowd, but not the enthusiasm of the number who were there. It was estimated that some two hundred old timers were present.

The program was opened with a band concert by the Lamesa High School Band. This was followed by a basket picnic, along with cowboy stew, at noon.

The afternoon was devoted to a memorial service for those who have died since the last reunion, and to visiting among friends.

Among the out of town people present were Aiz Ray of San Angelo, J. C. Woodward of San Angelo, Charlie Hart and J. D. Garner, both former County Commissioners of this county, Dolph Wyatt of Los Angeles, and possibly others whose names were not available.

Officers for the next year were elected, with V. O. Key of Lamesa being elected president, and Dolph Wyatt co-president, and Mrs. Dixie Kilgore was re-elected secretary-treasurer.

Levelland Bank Robbed Of \$20,533.77 Thursday
Two-Gun Bandit Locks Ten Employees In Bank Vault
Farmers Urged To Grow Food In Home Gardens

Funeral Held For Natalie Hailey On Thursday
Carl Huse Dies At Sparenberg Last Monday
Spur To Hold Round-Up On June 20-21

Levelled Bank Robbed Of \$20,533.77 Thursday
In the bandit would ask if he knew the combination to the safe. When my turn came to enter the bank I was in two feet of the door when it flashed over me what was happening. I could have escaped, I believe, but I was afraid the bandit would get rough with the others. I knew the combination, which had been changed only a few days ago, but I wouldn't tell the bandit. When Mr. Cobb came in, however he admitted he could open the safe, and it took him about a minute to do so.
The employees were released 15 minutes after being locked into the vault, when they called out the combination to Paul H. Godwin, a tax official, and C. D. Bass, Hockley county clerk.
Barker took the following account of the robbery:
The bandit (he began) was about 5 feet 11 inches tall, weighed about 155 pounds, was slender, wore khaki clothing, gloves, had on a cap and under it a skull cap that held in place a white mask. He was young and apparently fair. He carried two .32 caliber pistols. He talked little, but was positive and wasted no time in his actions. The bandit appeared at the bank early. When the janitor came down the man already was in the bank. The negro was told to sit tight and do what he was told. These guns won't go off accidentally, the negro was told, just as the rest of us were told later. Investigation this morning showed the man had drilled holes outside the bottom of a back window of the bank and had unlatched the window and climbed in. He made the negro sit down and wait, and in order, he did the same thing with the rest of the employees when we arrived, in this order: Luna, Mrs. DeWees, Gaskins, myself, Black, Sewell, Mrs. Cobb and Cobb. He told us to sit around naturally as possible, inferring he didn't want us giving any tip of what was going on to the next employee to enter the bank. When each employee would come

Funeral services were held Thursday afternoon at 4 p. m. from the First Methodist Church in Lamesa, with Bro. Homer Hailey, cousin of the deceased, officiating. She was born April 2, 1925 and died May 21, 1941. Besides her parents, she is survived by her brother, M. L. Hailey Jr. Interment was in the Lamesa Cemetery.
Funeral services were held Wednesday at 2:30 for Carl A. Huse, at the Lutheran Church at Sparenberg, with Rev. E. E. Klunk, officiating. He was born November 7, 1879. He had lived in the Sparenberg community for a number of years. Interment was made in the Sparenberg cemetery. He is survived by five brothers: Emil, Hill County; Bill, Sparenberg; Adolph, Malone; Theodo, of Waco; Herman, Malone; four sisters: Mrs. E. L. Makowsky, Sparenberg; Mrs. A. D. Moss, Malone; Mrs. Kadditz, Sparenberg; Mrs. Fritz Montehye, Mt. Carmel; and the following children: Robert, Thekla, Edmund, Rinehardt, Ben, Louis and Ruth, all of Sparenberg, and four grandchildren.

Spur To Hold Round-Up On June 20-21
The citizenship of Dickens County are becoming affected with rodeo fever and hundreds of them are doing horesback riding every day getting in condition. The Spur Round-Up Association will hold their show Friday and Saturday, June 20-21. The 1941 performances will be the third event and the program has grown every year. There will be two performances daily for two days - four shows in all. The first show each day will start about two o'clock each afternoon with a complete program rodeo style. Each evening another show will start about eight o'clock which will require fully three hours to complete.

Levelland Bank Robbed Of \$20,533.77 Thursday

Two-Gun Bandit Locks Ten Employees In Bank Vault
Farmers Urged To Grow Food In Home Gardens
Levelled Bank Robbed Of \$20,533.77 Thursday
In the bandit would ask if he knew the combination to the safe. When my turn came to enter the bank I was in two feet of the door when it flashed over me what was happening. I could have escaped, I believe, but I was afraid the bandit would get rough with the others. I knew the combination, which had been changed only a few days ago, but I wouldn't tell the bandit. When Mr. Cobb came in, however he admitted he could open the safe, and it took him about a minute to do so.
The employees were released 15 minutes after being locked into the vault, when they called out the combination to Paul H. Godwin, a tax official, and C. D. Bass, Hockley county clerk.
Barker took the following account of the robbery:
The bandit (he began) was about 5 feet 11 inches tall, weighed about 155 pounds, was slender, wore khaki clothing, gloves, had on a cap and under it a skull cap that held in place a white mask. He was young and apparently fair. He carried two .32 caliber pistols. He talked little, but was positive and wasted no time in his actions. The bandit appeared at the bank early. When the janitor came down the man already was in the bank. The negro was told to sit tight and do what he was told. These guns won't go off accidentally, the negro was told, just as the rest of us were told later. Investigation this morning showed the man had drilled holes outside the bottom of a back window of the bank and had unlatched the window and climbed in. He made the negro sit down and wait, and in order, he did the same thing with the rest of the employees when we arrived, in this order: Luna, Mrs. DeWees, Gaskins, myself, Black, Sewell, Mrs. Cobb and Cobb. He told us to sit around naturally as possible, inferring he didn't want us giving any tip of what was going on to the next employee to enter the bank. When each employee would come

Funeral Held For Natalie Hailey On Thursday
Carl Huse Dies At Sparenberg Last Monday
Spur To Hold Round-Up On June 20-21

Funeral services were held Thursday afternoon at 4 p. m. from the First Methodist Church in Lamesa, with Bro. Homer Hailey, cousin of the deceased, officiating. She was born April 2, 1925 and died May 21, 1941. Besides her parents, she is survived by her brother, M. L. Hailey Jr. Interment was in the Lamesa Cemetery.
Funeral services were held Wednesday at 2:30 for Carl A. Huse, at the Lutheran Church at Sparenberg, with Rev. E. E. Klunk, officiating. He was born November 7, 1879. He had lived in the Sparenberg community for a number of years. Interment was made in the Sparenberg cemetery. He is survived by five brothers: Emil, Hill County; Bill, Sparenberg; Adolph, Malone; Theodo, of Waco; Herman, Malone; four sisters: Mrs. E. L. Makowsky, Sparenberg; Mrs. A. D. Moss, Malone; Mrs. Kadditz, Sparenberg; Mrs. Fritz Montehye, Mt. Carmel; and the following children: Robert, Thekla, Edmund, Rinehardt, Ben, Louis and Ruth, all of Sparenberg, and four grandchildren.

Spur To Hold Round-Up On June 20-21
The citizenship of Dickens County are becoming affected with rodeo fever and hundreds of them are doing horesback riding every day getting in condition. The Spur Round-Up Association will hold their show Friday and Saturday, June 20-21. The 1941 performances will be the third event and the program has grown every year. There will be two performances daily for two days - four shows in all. The first show each day will start about two o'clock each afternoon with a complete program rodeo style. Each evening another show will start about eight o'clock which will require fully three hours to complete.

Assembly Of God To Hold Revival

REV. HOMER GOODWIN
You are welcome to the revival at the Assembly of God Church, beginning May 24th. Rev. Homer Goodwin, returned missionary from Africa will be the evangelist. Services will begin each evening at 8:15. Come and bring your friends and enjoy the messages our Bro. Goodwin will be bringing each evening. Special singing will be a feature of each service. Come and be with us. If you can't come, pray that God will send a mighty revival spirit in Lamesa. We are living in a troublesome time when people need to draw close to God. Pray as never before. W. M. Bozeman, Pastor.

Annual Mother And Daughter Banquet Held Tuesday Evening, May 20

The Delphian Club closed their year with the annual Mother-Daughter banquet on Tuesday evening, May 20, at the Plaza Hotel. It was by far the most outstanding meeting of the club year. The guests were greeted at the door by Mrs. Robert Wade, the retiring president. At eight o'clock the large doors to the dining room were opened and each mother accompanied her daughter to the beautifully arranged table. In the center of each table was a large bouquet of red roses. A four course dinner was served to about sixty guests. Mrs. Robert Wade was toastmistress, and in her gracious way took charge of the program.

The first number was the invocation by Mrs. Guy Orr. Patzy Jo Rountree rendered a beautiful vocal solo, "Songs My Mother Taught Me." She and her mother also played a piano duet.

Jackie Debenham read "A Little Parable for Mother." She told of a young mother teaching her children courage and strength. "Last she showed her children God," said

MRS. W. D. ARNETT HOSTESS TO CLUB THURSDAY AFTERNOON

Snagdragons and roses decorated the entertaining rooms of Mrs. W. D. Arnett's home Tuesday afternoon when she entertained for members and guests of the Tuesday Bridge Club.

In the games of the afternoon Mrs. Tom Burnside was awarded the high score prize and Mrs. Jack Phinney the slam prize.

The guest list included Mesdames J. L. Syper, Gordon B. McGuire, Gilbert Watson, W. A. Wallace, J. E. Garland, Tom Burnside, Fred A. Reese, Jack Phinney.

MRS. JAP RANDLE HOSTESS TO BRIDGE CLUB WEDNESDAY

Mrs. Jap Randle was hostess to members and guests of the Wednesday Bridge Club Wednesday afternoon at her home.

During the games of the afternoon Mrs. M. Q. Martin was awarded the high score prize and Mrs. Martin and Mrs. Louis B. Reed were awarded the slam prizes.

At the conclusion of the games strawberry ice cream and cake were served to Mesdames A. G. Barnard, Tom Burnside, W. B. Collins, M. Q. Martin, Louis B. Reed, Lou Rands, V. Strahan, A. M. Bennett.

MISS JESSIE NORRIS ENTERTAINS WITH STEAK FRY

Miss Jessie Norris was hostess to members of the Beta Sigma Phi on Wednesday evening when she entertained with a Steak Fry at the Lamesa Country Club.

After the delicious supper, which consisted of steak, red beans, potato salad, pickles, olives, angel food cake, hot rolls and coffee, Miss Norris gave an interesting talk on "Pottery."

Those attending were Misses Myrtle Henderson, Polly Dunlap, Evelyn Barron, Edna Bedwell, Betty Bratcher, Katharine Hastings, Van Clark, Ruth Merrick, Tammy McCarty, Mesdames Rupert Austin, Herbert Caudle, Louis B. Reed, and the hostess, Miss Norris.

LOIS MCBRIDE ELECTED SECRETARY OF JUNIOR CLASS AT A. C. C.

Lois McBride, daughter of Mr. and Mrs. O. C. McBride of Lamesa, was recently elected secretary of the Junior class for next year at Abilene Christian College. She was also elected vice-president of the Ko-Jo-Kla's, girls school club.

The election, held last week, completes the list of class officers named for next year with the exception of the incoming freshman class, which of necessity will be elected next year.

Mr. and Mrs. C. L. Goolsby are the parents of a baby boy born May 21.

Mr. and Mrs. R. A. Beckham are the parents of a baby girl born Thursday, May 22.

Marriage Of Miss Bobbie Cleveland To Mr. Giles C. Anderson Revealed

A secret ceremony on Washington's Birthday was revealed by Mrs. S. E. Cleveland this week, when she announced the marriage of her daughter, Bobbie Cleveland to Giles C. Anderson of Littleton, Colorado. Simplicity was the keynote of the double ring ceremony performed at the home of the Rev. R. J. Phipps in Denver at eight o'clock Saturday evening, February 22.

The bride was attractive in a dress of fuchsia velvet with which she wore accessories of British tan. Her shoulder corsage was of gardenias.

Mr. and Mrs. Robert Sobey of Deer Creek were attendants to the young couple. Mrs. Sobey was stunningly attired in a powder blue sports dress with a corsage of red roses and gardenias.

Mrs. Anderson was born and reared in Lamesa, but is well known in Littleton, Colorado, having resided there for the past four years with her sister and brother-in-law, Capt. and Mrs. W. A. Stephens. She attended the University of Denver, and for the past two years has been employed in the adjustment department of Montgomery-Ward and company.

Mr. Anderson is the son of Mr. and Mrs. C. P. Anderson of Littleton, Colorado. He attended the Littleton schools and graduated in 1934. He has been employed by the Littleton Bank for the past six years. On February 24 Mr. Anderson was called to Camp Forrest, Tennessee, where he is a trainee in the United States Army. Upon his return the couple plan to make their home in Littleton. In the meantime Mrs. Anderson will be in Littleton in the Louis Neff home and will continue her work in Denver.

GRADUATES HONORED AT RECEPTION MONDAY EVENING

A reception honoring the High School Graduates was given at the Lamesa Country Club immediately following the graduation exercises Monday evening, May 19, by a group of their parents.

The table was laid with a lace cloth and centered with a lovely bouquet of cut flowers. Frosted punch, mints and icebox cookies were served throughout the evening with Mrs. Clyde Branon presiding at the punch bowl. Mrs. A. G. Barnard had charge of the entertainment for the evening.

Host and hostesses for the occasion were Mr. and Mrs. George Norman, Mr. and Mrs. Swanson Hurt, Mr. and Mrs. A. G. Barnard, Mr. and Mrs. Clyde Branon, Mrs. E. F. Morris, Mrs. Glenn Esmond, Mr. and Mrs. Joe Greene, Mrs. S. F. Reynolds, Mr. and Mrs. Roy Hoback, Mrs. Irvin Bailey, Mrs. Webb Randle, Mrs. J. H. Hary, Mrs. J. D. Dyer and Mr. and Mrs. Wright Boyd.

Other guests attending were Mr. and Mrs. V. Z. Rogers, Mr. Charles Williams, Mr. and Mrs. W. L. Boyd and Tommie Hamlin.

Industrial Farm Crop Association Is Organized

One of the most important steps ever taken in Texas to bring new income to farmers and new industries to both small towns and urban areas of this state, the formal organization of the Industrial Farm Crop Association of Texas, has just been announced by M. D. L. Van Over, president. A non-profit organization composed of leading farmers and business men of Texas, the Association will serve to promote the expansion of industrial farming crops in Texas.

Elected to serve as temporary president, M. D. L. Van Over is the

MRS. CALVIN BELL HONORED BY GIRL SCOUTS THURSDAY

The Girl Scouts of Troop 1 honored their leader, Mrs. Calvin Bell, with a farewell party Thursday evening at 8:30 at the home of Mrs. R. L. Springer.

Various games were enjoyed during the evening after which the honoree was presented with several lovely gifts.

At the conclusion of the evening, candy, cookies, sandwiches and punch was served to the guests.

MARRIAGE OF JERLINE BROWN TO JACK FELTS ANNOUNCED THIS WEEK

Mr. and Mrs. E. N. Felts announce the marriage of their son, Jack R. Felts, to Miss Jerline Brown of Colorado City, Texas. The wedding took place in the First Methodist Church of Las Vegas, Nevada, on March 15, with Rev. Ford L. Gilbert, reading the single ring ceremony.

The bride was attractively attired in a Navy blue frock with tan accessories. Mr. and Mrs. Veltie Turner of Roscoe, Texas, were the only attendants.

Mrs. Felts is the daughter of Rev. and Mrs. Ernest R. Brown of Colorado City.

The couple will make their home at 416 Farley Courts, Burbank, California. Mr. Felts is employed with the Lockheed Air Craft Corporation of that city.

MRS. S. P. STOVALL HONORED ON EIGHTY-FIRST BIRTHDAY

Mrs. S. P. Stovall was honored with a birthday dinner last Sunday celebrating her eighty-first birthday.

Seven of her children, with their families, were present. They were Douglas of Amarillo, Marvin of Lubbock, Mrs. Frank Corder of Menard, W. P. Mrs. Olin Nix, and Mrs. Earl Esmond of Mt. Olive, and Mrs. Lester Parsons of Lamesa. Mrs. Ivan Bartlett, a granddaughter, and her children, and Mr. and Mrs. Hollis Herson, a grandson of Gail, were also present.

BARTLETT H. D. CLUB REPORT

Club met with Mrs. L. Thomas, Wednesday, May 14. After a business session with 10 members answering roll call, a study of the art of making jelly and jelly roll was enjoyed.

The demonstrations were given by Mrs. J. C. Stewart and Mrs. Charles N. Stewart.

The next meeting will be May 28 at the home of Mrs. T. E. Temple. Miss Phenix will demonstrate "Cakes for Special Occasions." All members and any visitors are invited to be present and see this demonstration.

FUTURE HOMEMAKERS ENTERTAIN F. A. BOYS OF UNION

The Union Chapter of the Future Homemakers of Texas entertained the FFA Boys of Union with a surprise party at their regular meeting night, May 16.

Various games were enjoyed during the evening such as progressive forty-two, Chinese checkers, table tennis and other games.

The boys were served lemonade and cake.

HOMEMAKERS CLASS AT UNION HELPS RED CROSS CHAPTER

The Homemaking Class of the Union Chapter of Future Homemakers has been busy making children's dresses for the Red Cross.

The girls have made twenty-five dresses, and are very proud to get to make these for they feel that they are doing their part to help the Red Cross.

"WHERE YOUR PENNIES GO FARTHER"

MADE-TO-ORDER Motor Trip Guide that even gives FREE pointers to the natives... Yours Now

YOU get it *and* free. No mere fistful of maps, but a metal-binged, color-illustrated, well-written travel book—your custom-made Conoco Touraide—FREE—for your car trip this Summer.

ONLY FROM YOUR CONOCO MILEAGE MERCHANT... NOW

Today—tell him where you're heading—give him your ideas. And soon Your Mileage Merchant delivers your Conoco Touraide—FREE. Just for fun, look up some familiar places first. Note the new things you learn! Yes, even "the natives" can get pointers from your Conoco Touraide.

OPTIONAL ROUTES AND SIDE-TRIPS ALL MARKED

Even the rates and facilities at camps and hotels are included in your one-piece Conoco Touraide book. Likewise full information on resorts and sports, as per your request.

YOU SIMPLY ASK! NOTHING TO PAY. NO OBLIGATION

Though your Conoco Touraide antiques haphazard tour "helps," it's FREE. Nor does anybody pay extra for equally advanced Conoco Bronz-z-z gasoline and Conoco Germ Processed oil. Then how is this free Touraide service possible? Only because of greater loyalty shown by greater numbers of Conoco users. They refuse to sacrifice any of their Conoco Bronz-z-z mileage. And they refuse to sacrifice their engines! No "dry starts" with their engines OIL-PLATED. And an OIL-PLATED engine can stand Summer speeds. OIL-PLATING becomes closed-bonded to inner engine surfaces... can't all quickly drain down. And speed can't whirl away all this close-joined OIL-PLATING. Hence, few stops for another quart, with the engine OIL-PLATED by Germ Processed oil... And no stops at all for roadside questions, with your Conoco Touraide—ENTIRELY FREE. Drive in today at your nearby Conoco station. Ask freely and get all the answers FREE.

KNOW BEFORE YOU GO!

WELCH
Hazel Greer - Jeane Smith

Church attendance was fair Sunday. There will be a Bible School this week, starting May 20, at 2 o'clock, every afternoon, at the Methodist church. Everyone is invited.

Mr. and Mrs. Britt, O. C. and Edna Britt, left this week for South Texas, where they will visit with relatives and friends.

Road construction from Welch to Loop is being finished.

The Junior and Senior Classes of Dawson High school left early Monday morning for Brownwood on their school trip. They will stay about a week.

Hazel Greer, Jeane Smith, and Pauline Cathey spent Sunday visiting with Elsie Gene Preston.

LOAF SHORTAGE SEEN IN GEORGIA

MILLEDGEVILLE, Ga. (AP) — Loafers of Baldwin county have been warned — in black and white — to go to work or go to jail.

Sheriff William L. Harrison is cracking down, serving advance notice in this newspaper advertisement:

"Beginning today we are going to check up on you who are loafing, and if you cannot prove you have a job, you will be given a chance to get one. If you do not go to work you are going to jail, charged with vagrancy. This applies to women as well as men. Sitting around waiting is no excuse."

Troy Lee made a business trip to Lubbock Friday.

The Senior Class, accompanied by Mr. and Mrs. Joe Patterson left Monday morning on their trip which will cover several points of interest in the state.

Mrs. Earnie Williams complimented her son Duard, with a birthday dinner Sunday at their home. The following guests enjoyed the affair: Mr. and Mrs. Joe Patterson, Doris and Jean Fry, Lum and Ritter Holder, Nona Mae and Junior Motley, Mr. and Mrs. Edd Williams and Audra Faye.

Mr. and Mrs. Lacy Jones visited Mr. and Mrs. L. E. Jones Sunday afternoon.

Mr. and Mrs. Sherman Moulton and Mr. and Mrs. J. R. Moulton visited friends in the Flower Grove community Sunday afternoon.

Mr. and Mrs. Joe Patterson entertained the Senior Class with a party last Tuesday night. All reported a nice time.

Rev. and Mrs. A. A. Watson attended the Commencement Exercises at Lamesa Monday night.

Mr. and Mrs. S. E. Fisher and daughters attended the Commencement Exercises of the Lamesa High School Monday night. Their daughter, Faye, was a member of the graduating class.

Bro. and Mrs. Watson attended the Associational Sunday School meeting at Lamesa, which met at the First Baptist Church last Thursday.

Mr. and Mrs. J. T. Pruitt spent the week end at Lubbock with their daughter, Miss Katherine.

TRY THE CAR THAT HAS THE DRIVE THAT GENERAL MOTORS BUILDS!

Only HYDRA-MATIC is Completely Automatic!

WHEN General Motors builds and backs it, you know it must be good! When 100,000 owners test and prove it in some 300 million miles of driving, you can rest assured it's "tops!" And when you consider that Hydra-Matic is the only drive in the world that eliminates the clutch pedal entirely . . . and gives fully automatic shifting through all four forward speeds . . . you quickly realize Hydra-Matic doesn't do a half-way job. It takes all the clutch-pushing out of driving—does away with all shifting of gears by hand. For "inside information" about Hydra-Matic and the other new drives, mail the coupon.

*HYDRA-MATIC DRIVE OPTIONAL AT EXTRA COST (Prices and Specifications Subject to Change Without Notice.)

"CONFIDENTIALLY YOURS!" Send for this FREE! Book About New Drives

Mrs. Harold Grissom Is The Winner In Letter Writing Contest

Here is that winner of a dollar, with a chance to win either ten or twenty more, for writing, what the judges considered, was the best entry in the contest this week. The winner is Mrs. Harold L. Grissom, 905 South 4th St., Lamesa, and a check for \$1.00 has been mailed to Mrs. Grissom as her award this week.

Her letter will now be entered for the grand awards to be given at the end of the contest. Winners in this division will get Twenty Dollars in Cash for the first winner and Ten Dollars in Cash for the second best.

Again this week there will be another One Dollar winner, who will have a chance at the grand awards. If you haven't entered, do so now. If you entered this week and failed to win, don't be discouraged, try again, your name may be listed in this paper next week as the winner.

The complete rules are given below. And here is the winning letter for this week:

"I like the Twice-A-Week-Courier because I have found that it saves me time, steps, and money. The wonderful prices that are found in Lamesa can always be found listed in the Courier. Merchants know that the Courier is the most widely read local paper and waste no time in advertising."

Mrs. Harold L. Grissom, 905 South 4th St., Lamesa.

Readers of this newspaper will be \$40.00 richer as the result of this unique contest, which opens this week. Ten readers are going to be awarded \$1.00 each and two out of that ten are going to receive larger awards. One will receive, in addition to the \$1.00, a cash award of \$20.00 and another will receive an additional \$10.00 in cash, above the \$1.00 mentioned above. Complete information as to how to win is given below.

The Courier will offer a Cash Award each week of \$1.00, with a Grand Prize of \$20.00 in cash and a second prize of \$10.00 in cash for the best letters on "I Like the Twice-A-Week Courier Because" or "I Like to Shop in Lamesa Because..."

Just write a short letter of not more than fifty words on either of the above subjects and bring or mail your entry to the Courier, Lamesa. All entries for each week must be in the office by not later than noon Wednesday to compete in that week's awards. The campaign will be conducted for ten weeks, and the weekly winners will be judged for Final Grand Prize at the end of the contest. In case of ties, duplicate awards will be given.

Remember, there is no catch, no fancy writing necessary, just sound plain reasons why you like the First of the Week Courier, or why you like to shop in Lamesa, may win you \$1.00, as well as the \$20.00 or the \$10.00.

You may enter the contest every week, and remember, if at first you do not win, don't give up, yours may be the winner next week or the next.

The letters will be judged solely on the reasons given and the decisions of the judges are final. All entries become the property of the Dawson County Courier.

So get your pencil and paper out now. Enter this easy contest. It is open to every reader of the Courier and you have just as good an opportunity to win as anyone. But you can't possibly win unless you enter, so don't wait, get your entry in now.

Loboes Jump From Cellar To Third Place In Eight Game Stand On Home Field

The Lamesa Loboes completed an eightgame home stand Wednesday night against the Wichita Falls Spudders, winning six and losing only two.

Lefty Lucas, former Lobo hurler, although allowing ten hits, kept them well enough scattered to win easily over Sullivan and Trees, 5 to 2. Trees went in at the first of the eighth, Eddie Guynes poled one over the fence for one of Lamesa's scores.

Observers of the local squad agree that the team, as a whole, has shown marked improvement since the season opened and the brand of baseball they have displayed during their week at home will keep them well up in the first division.

When they opened their home stand last Thursday, against the Borger Gassers, the Loboes were resting serenely in the cellar and the Borger club was perched on top of the heap. On Thursday morning this week, the Loboes were in third place, one-half game ahead of the Spudders and a game and one-half ahead of the fifth place Lubbock Hubbers and the Gassers were in second place, trailing Jodie Tate's Big Spring Bombers.

Throughout the home stand, the Loboes looked better and played better than they have all season. Their hitting was regular and the top, bottom and middle of the batting order all raised their batting average during the period.

They will play the Clovis Pri-neers there on Thursday and Friday nights, and go to Amarillo for a game Saturday and two on Sunday, returning to Lamesa Monday night for two games with the Lubbock Hubbers and a two game series with Big Spring, opening on Wednesday night.

Kirby Jordan, who played outfield for Midland last season and who scorched the league with his hitting will join the club in either Clovis or Amarillo, for a berth with Lamesa, it is reported.

His hitting should prove a valuable asset to the Loboes. No report has been officially made as to who would be released to make room for Jordan, but the grapevine has it that it will be Revera, who has played both first base and left field.

"Sod Disease" Is Reported Among Poultry Of Area

Complaints of "Sod Disease" in poultry are beginning to come in early this year. This disease is characterized by blisters on and between the toes of chicks and poulters, or scabs located on or between the toes, the whole foot or feet swollen and very tender to the touch, followed by the blisters breaking with a resulting heavy scab forming over the entire affected area. The chick or poult is not able to move about to secure food, and a high percentage of death loss results.

The chicks and poulters sometimes live through this condition, and in

Commissioner

Joe Kunschik of Austin has been nominated for another term as state labor commissioner by Gov. W. Lee O'Daniel. The appointment is for two years.

Uniform Rates On Checking For Compliance

Since it is only a comparatively short time until performance work (farm measuring and checking) will begin in Dawson County, all farm operators special attention is called to the uniform rates established for use in all counties for (1) checking complaints and (2) checking acreages of crops destroyed to place the farm in compliance. In 1941 charges will be made for the first and all subsequent checkings.

(1) For checking complaints: A flat rate of \$2.00 per farm, except that on exceptionally large or difficult farms the rate may be increased to the actual cost in advance.

(2) For checking crop disposal: (Cotton plow up, etc.) A charge of \$1.00 for the first plot plus 50c for each additional plot. This charge is not to be limited by a maximum rate. If the plots are very irregular in shape or otherwise difficult to measure the cost may be increased accordingly.

Please remember that general soil depleting crops are depleting when seeded, therefore cannot be disposed of if in excess of the total soil depleting allotment. Also the only cotton acreage that may be disposed of is that measured in excess of the allotment for the farm.

VERNON MARTIN, Secretary, Dawson County A. C. A.

Leafworm Being Battled On North Plains

The Army Worm, or leafworm of SMALL grain has made its appearance in Foard, Hardeman, Wilbarger and Childress counties. This leaf worm, which varies from a blue-grey to light brown color, stays in the ground during the day. At night it emerges, climbs the wheat or oat stalk, feeding on the leaves and finally on the grain. It is very destructive in its nature and is often at work before the farmers know it.

Control is gained by spreading "poisoned wheat bran" at the rate of 8 to 10 pounds per acre late in the afternoon. This is the same control used on grasshoppers. Mixture recommended is 25 lbs bran, 1 lb white arsenic, 1 quart molasses 2 ounces banana oil and sufficient water to moisten.

Farmers growing wheat and oats are cautioned to check their small grains carefully.

Mr. and Mrs. M. E. Boren, Mr. and Mrs. M. E. Smart are attending a State Bankers Convention in Houston this week.

Mr. and Mrs. W. J. Smith are visiting with relatives in Ft. Stockton this week.

such cases the toes become twisted and distorted—usually turning upwards causing the birds to walk on the heel only. Sometimes the blisters show up on the heads of the birds, but this type of infection is not very common.

The only treatment recommended is to move the birds to FRESHLY plowed ground, and treat the affected birds feet with borax ointment or carbolated vaseline once per day until the condition is cleared up.

Dr. Cox Says:-

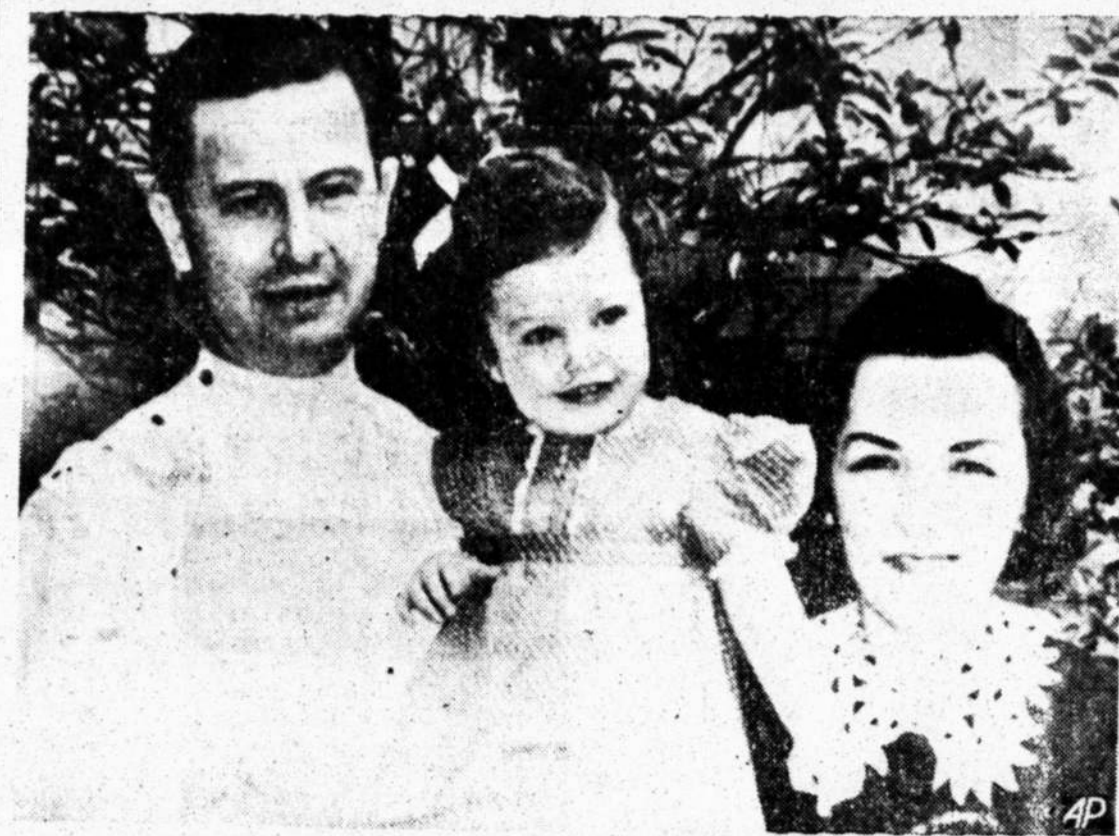

Data released by the Texas State Headquarters for Selective Service reveal that out of the first 9,506 Texas draftees, 28.79 per cent, nearly one out of every three, were temporarily or permanently rejected for active service because of health defects. These figures show a slight but lower percentage of rejections than during the draft period of World War I, when 31.2 per cent of the men examined by local draft boards were rejected.

"On the basis of these figures, we find evidence of the tremendous task that lies ahead of us if the degree of physical fitness required for an all-out national defense program is to be attained. The professions of medical science and public health are utilizing every weapon at their command to improve the state of the Nation's health, but they alone cannot win the battle. The support of each individual citizen and his cooperation are invaluable in raising the health levels of the Nation and the State." Dr. Geo. W. Cox, State Health Officer, stated.

Further examination of the medical reports on the first nine thousand Texas draftees provides statistical information on the most prevalent health defects and indicates where the greatest health hazards lie among the younger male population.

Of the 2,737 young men rejected for military service, or placed in limited service groups, 967, or 10.17 per cent of the total draftees, were placed in Draft Classification 1-B as having minor physical defects, perhaps remediable, which would make them unadaptable to the regular military service, but, if neces-

Doctor And Family Aboard Zamzam

Texas Baptist sources reported Dr. Paul O'Neal, 29, of Birmingham Ala., his wife and small daughter, Ann, (above) were aboard the steamer Zamzam reported sunk in the South Atlantic. Dr. O'Neal completed his internship at Baylor Hospital in Dallas last summer and had been appointed chief of physicians at the Baptist Hospital at Nigeria, Africa.

sary, would allow them to be placed in limited service. In Class 1-B the physical impairments most commonly found were defects of the eyes, 163 cases; hernia, 122; syphi-

lis, 132; skeleto-muscular defects, 97; teeth, 90. The 363 additional rejections for various other physical defects brought the total of Class 1-B rejections to 967.

The Volga, 2,230 miles in length, is the longest river in Europe.

RURAL CORRESPONDENCE

McCARTY
Mrs. B. B. Bullard

We had a nice crowd at Sunday School Sunday for which we are grateful. But we are a big community and know there are many little children that should be in Sunday School, and we have our first grown-up to see that was hurt by attending Sunday School and church services.

We are planning a Vacation Bible School beginning Monday, May 26 through May 30. Parents should see that their children have ways to come and perhaps bring some neighbors child who has no way to attend.

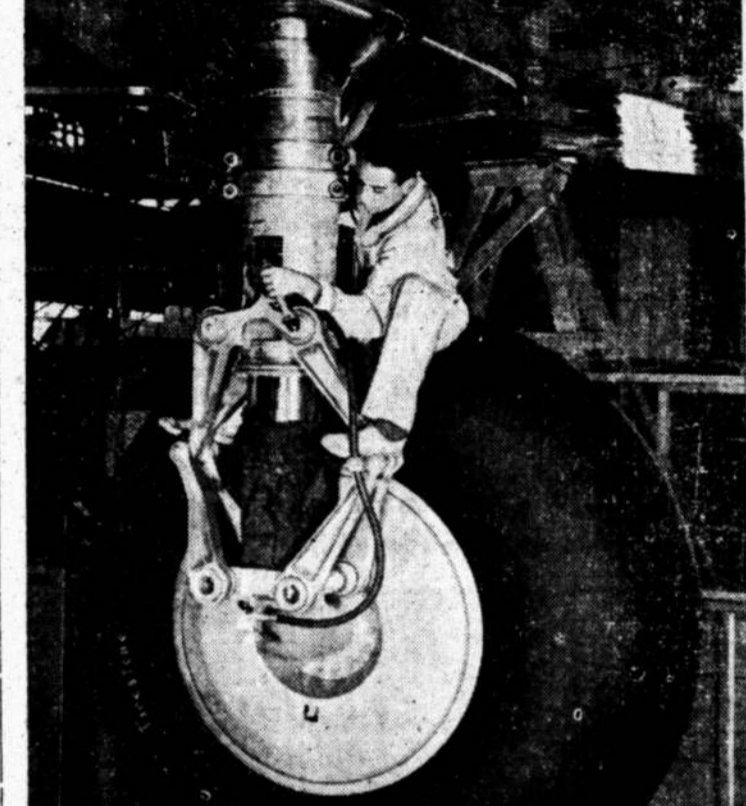

Mr. and Mrs. Welton Blair visited Fred Raney Sunday. The men attended the ball game Sunday afternoon, along with K. Whitmore, Joe M. Peterson, and H. E. Blair.

Mr. and Mrs. Joe Peterson and Allene visited R. E. Echols Sunday. Miss Jean Duff visited Miss Geneva Baze over the week end.

Mr. and Mrs. J. B. Bostick visited H. P. Baze Sunday.

Mrs. J. T. Truitt Jr., and little daughter of Sparenberg visited Mrs.

Huge Tire On 82-Ton Plane

Mounting of the huge tire and wheel assemblies marks the final step in completion of the world's largest bomber, the Douglas B-19. The tires were built by Firestone as the largest airplane tires ever built; they stand higher than the over-all height of light training planes seen on every airport. Although the plane is built with a tricycle landing gear, each of the giant tires is built to carry half of the plane's total weight of 82 tons. Standing eight feet high, the tire weighs 961 pounds, contains 148 miles of cotton cord and three miles of steel piano wire in the tire beads.

Summer Camps To Open This Week-End At Post

POST, May 21 - Cubs and their dads will inaugurate the summer camping season at Camp Post, 3 miles southwest of this town, here this week end of May 24 and 25, when 150 Dads and Cubs are expected to register here Saturday for an overnight encampment.

Dads will bring their sons, at the rate of \$1 per person including Saturday supper, Sunday breakfast and dinner. A full program is scheduled, according to Dr. C. C. Schmidt, Lubbock, Cub Commissioner.

Sunday the Executive Board of the council will meet at 5 p. m. for a barbecue at Camp Post, with Marshall Mason as host to the men and their wives. Camp Staff for the summer periods which start June 1 will meet also.

On Sunday, June 1, the first group of Troops will register for a seven-day period, ending June 7. Scouts will come from the Northwestern, Northern and Eastern districts, including towns of Dimmitt, Plainview, Silverton, Tulla, Quitaque, Petersburg, Sudan, Amherst, Mulshoe, Littlefield, Matador, Spur, Dickens and Roaring Springs.

Second Period will be June 8 to

Summer Camps To Open This Week-End At Post

14. for southern district troops. Third period is June 15 to 21, for central district and northeastern district. June 23 to 28 is the Negro camp.

Camp Staff is filling out well. Paul Eubanks, Matador, and Schmidt, will direct the camps. Harold Holmes, Abilene, will act as waterfront safety director while other are to be named. Fee is \$5 and \$6 per Scout, the first fee charged when the Troop brings its Tentage. Scouts must have a physical examination and are rechecked at camp.

Improvements this year include new wash racks, a trading post, better water system, better shelters for the troops and outdoor fireplaces.

Other camping periods this summer for the South Plains Council are July 6 to 16 at Camp New Mexico in the Sacramento Mountains,

Gigantic Denison Dam Taking Shape Speedily

The gigantic Denison Dam across the Red River, a hydro-electric flood control project, is speedily taking shape. Above is one of the latest pictures of its half-completed works. In the foreground is the intake structure which will be 149 feet high. In the far background is the stilling basin, and in front of it three flood control conduits. Veering to the right of these conduits are five power conduits, 20 feet in diameter, which will propel an enormous hydro-electric plant to be constructed just to the right of the stilling basin. The earthen part of the dam will be more than a mile long, much of it on the Oklahoma side of the stream. The project, to cost \$50,000,000 is expected to be completed within the next three years.

858 Farmers Are Aided By Water Development

AMARILLO, May 21 — The U. S. Department of Agriculture assisted 858 farmers and ranchers of the Southern Great Plains to develop their potential water resources during the past two years, according to a recent announcement of H. H. Fennell, regional director of the Soil Conservation Service at Amarillo.

The construction and improvement of wells, windmills, ponds, and springs for livestock water received most attention. The development of water for domestic use which in many cases included the piping of water into farm homes also was an important part of the program.

Irrigation water was provided for 24,200 acres on 270 different farms. Most of the irrigation facilities installed were small and provided only for irrigation of farm gardens and

small fields for livestock feed production.

The development of the small water resources for the Southern Great Plains region, which includes Kansas, eastern Colorado, eastern New Mexico, the High Plains of Texas and the Oklahoma Panhandle was carried out under provisions of the Pope-Jones Act passed by Congress in 1937, commonly referred to as the Water Facilities Act. The Department of Agriculture was given the responsibility of administering the program to give aid to farmers and ranchers in the semi-arid states in the development of their small water resources. Several bureaus in the Department are cooperating on the program. Fennell stated.

A total of 829 different projects have been planned and are being constructed since the program has been in active operation. They provide either domestic, livestock, or irrigation water for 858 different farm families, according to the conservator's report. The total cost for construction of the various facilities is \$451,000. Approximately \$52,000 of

the cost is borne directly by the Government from funds appropriated by Congress, while an additional \$271,000 is provided by the Farm Security Administration in the form of long-term loans to farmers and land-owners on whose places the facilities are being constructed. The remaining \$128,000 of the cost is being provided by the farmers and land owners themselves.

The various projects carried out under the program include everything from repairing windmills to the construction of relatively large reservoirs that provide irrigation water for several different farm families. Many shallow water irrigation wells have been dug and pumps installed. Numerous ponds and small lakes, providing a limited amount of irrigation water for small plots, also have been constructed. The piping of water to stock water tanks and to farm homes has been a part of many projects. The favorite type of project with farmers of this region however, is the construction of irrigation facilities for farm gardens.

KLONDIKE BAPTIST CHURCH

The Klondike Sunday school is going over in a great way under the capable leadership of our Superintendent, Mr. Berl Teague. Last Sunday our attendance was 116 of an enrollment of 130. We are enjoying the use of one hundred song books recently purchased, and also a nice Communion set. In the past two months this church has given to LOCAL mission and benevolent causes some \$150.00. In other words they believe in local missions as well as Foreign Missions.

Our prayer service attendance is averaging about forty on Thursday evenings which is very good in these busy times. We invite you to these prayer services for a spiritual Bible study with us. In these times of fear and uncertainty, when sin is unrestrained and people's hearts are failing them because of the blackness of the future, this great church is exalting the Risen Christ as a remedy for sin. The Light to guide us out of darkness. If you are troubled about conditions around you, or your own conditions, this good church invites you to be in the services.

Next Sunday is our regular preaching day at Wilson Baptist Church. We give you a warm invitation to worship with us there.

The sick of the community are all able to be up now with the exception of Mrs. Craddock who is to be operated on some time this week. We wish for her a speedy recovery that we might have her back in her home and Church.

THE CHURCHES WITH A FRIENDLY WELCOME!
ERNEST PHILLIPS, Pastor.

Mrs. Raymond Hatch, Mrs. M. Hatch and Mrs. Ed Hatch spent Tuesday in Lubbock visiting relatives and friends.

E. W. Renner spent Wednesday in Abilene attending to business.

Mr. and Mrs. Teddy Vinson of Big Spring spent last Friday here visiting in the home of Mr. and Mrs. S. P. White. Mr. and Mrs. Vinson were enroute to San Francisco, California and Cheyenne, Wyoming, where they will visit with relatives and attend to business.

Miss Delza White of Abilene spent the week end here visiting in the home of Mr. and Mrs. S. P. White.

NOW'S YOUR CHANCE FOR A

big deal

ON THIS YEAR'S BIG FORD!

ANYBODY WITH A CAR TO TRADE will find it smart to see how much his car is worth in trade on a Ford this year!

In size, the Ford is the biggest car in passenger room in its price field. In comfort, it offers a soft and quiet ride that's new this year right down to a rigid new frame and long, soft springs.

Its hydraulic brakes are bigger than any other car's near its price.

Its engine is the only Eight in its field. Its economy was proved again this year when it was first in its class for gas mileage in the official Gilmore-Grand Canyon Economy Run.

Your Ford Dealer's certainly the man to talk trade with now!

FORD GOOD DRIVERS LEAGUE. Boys and girls, here is your opportunity to win one of 98 University Scholarships for skillful driving. For details, write Ford Good Drivers League, Dearborn, Mich., or see your Ford Dealer.

Next Week To Be National Defense Bond Week

Committees Are All Set To Make Drive One Hundred Per Cent Effective

Next week has been designated as National Defense Bond Week in Dawson County, at which time an effort will be made to see that every man, woman, boy and girl participate in the National Defense program, with the purchase of a Bond or a Stamp.

While the committee in charge of the drive, realize that it is not possible for every individual to buy one of the bonds, it is possible that everyone can buy at least one stamp. These stamps sell for as little as 10c each.

These drives are being conducted in almost every city and community in the United States and it has been pointed out that Lamesa and Dawson County have never failed in an emergency yet, and the committee is counting on the patriotic citizens of this area to answer this call by making the drive one hundred per cent effective.

The bonds and stamps may be purchased at the Lamesa Post Office, as well as other offices over the section. There is no waiting or red tape, just step up to the window and state the amount you want to buy.

In the First World War, when

the country faced a crisis and the Liberty Loan drive was held, Dawson County went over the top with her quota in each call. The sale of War Savings Stamps also went over the quota.

While America is not at war at this time, it is pointed out that the present crisis is possibly as grave or even more so, than at any time during the other conflict, it is not only a privilege to buy these bonds and stamps, but it becomes the patriotic duty of every person, to lend their cooperation by making a purchase of a bond or stamp. The local committee asks that you do it during this drive.

Remember the time is from Monday morning throughout all of next week.

Buy a Bond or a Stamp during Defense Bond Week!

Defense Program Shows Increased Demand For Eggs

"The National Defense Program is creating a demand for a heavy increase in the production of eggs in the United States," states B. J. Baskin, county agent. "This increased demand is based on (a) the heavy consumption of eggs by our expanded Army, Navy and Marine Corps, and the (b) exporting of dried eggs to England thru the provisions of the Lease-Lend Act. This demand is conservatively estimated to be an increase of approximately 10 per cent."

The desire on the part of the Dawson County poultrymen to take part in this part of our National Defense is bringing forth questions regarding methods of increasing the production of eggs at home.

The practice of permitting hens to feed themselves on or about the farmstead on straight grain will not answer or solve the problem. Hens, to be producing to their maximum ability, must be properly fed. The use of either a protein feed or a laying mash in combination with homegrown grains will help solve the problem. However, it is essential that the poultrymen assure his hens that they will be free of all internal and external parasites. Too, they must have access to clean, cool, clear, fresh water at all times. At this time it is not recommended that the flock be culled to heavy. If a hen will produce a reasonable number of eggs for the next three or four months it is better to keep her in the flock. Then when the pullets come into production this fall, poor producers can be eliminated.

Suggested rations for egg production may be secured through the County Agent or the County Home Demonstration Agent.

PETRIFIED SPUD
A few days ago Leonard Bruner purchased a bag of Irish potatoes in a local store and took them home. His mother started to peel some of the spuds for lunch, and ran into one that wouldn't cut. Upon closer examination it was found that the "spud" was a rock, shaped exactly like an Irish Potato.

Mrs. Katherine W. Rose and Jim Rose, returned Thursday from Old Mexico, after spending several days visiting with friends.

Mr. and Mrs. J. A. Wyatt left Thursday for Brownwood where they will visit with relatives and friends.

Schools in Iran increased from 612 in 1921 to 5,000 in 1937.

Next Governor?

Should Gov. W. Lee O'Daniel decide to seek and in turn be elected to the United States senate seat of the late Morris Sheppard, L. G. Coke R. Stevenson would be his successor as governor. He served several terms in the legislature and was twice elected speaker of the house. He comes from Junction.

Richard Crawley To Graduate From Conservatory

Mr. and Mrs. W. K. Crawley and son, Bob, will leave Lamesa on May 30th for Throckmorton, Arkansas and Kentucky, where they will visit relatives and friends.

On June 5th, they will attend the graduation exercises of their son, Richard, from the Cincinnati Conservatory of Music. Richard is president of the Student Council there. He also holds the highest office in his music fraternity.

On June 6th he will assume his duties as First Trumpeter with one of Cincinnati's best orchestras. Richard will be remembered here as having been prominently connected with the High School Band and Orchestra in Lamesa. He is a graduate of Lamesa High School.

Time Expires On July 31 For 1938 Options

The rapid rise in prices of cotton due to the legislation regarding the proposed loan prices for various basic commodities, has resulted in much interest among farmers regarding their equities in 1938 and 1940 CCC Loan Cotton.

The Commodity Credit Corporation has mailed to each borrower a statement of the amount of the loan on each separate loan. This statement also shows how much per pound the producer must receive to pay off the loan, interest, storage and other charges each month up to July 31, 1941. Any price that the producer may receive over and above these stated prices will be his profit. At the present time the prices of cotton are advancing due to the legislation which proposes to make loans of 85 per cent of Parity on cotton. Parity at the present time is approximately 15.867c per pound. An 85 per cent loan will mean about 13 1/2c. The producer's attention is called to the fact that the producer must exercise his option on 1938 loan cotton before July 31, 1941.

The Dawson County ACA office has mailed out letters to the producers stating that where Loan cotton is sold, the producer should turn in the Form R to the local office. This Form R must be completely filled out and dated. Failure to do so is a violation of the CCC loan regulations. Producers are cautioned to see that their Form R is completely executed and then turned in to the county office.

A good dairy cow will produce about 20 per cent of the food needed by one person each year. This food may be in the form of milk, butter, cheese and other dairy products.

SLACK SUITS

Beautiful two and three-piece Slack Suits in solids and two-tone combinations. Dressy and cool for the hot days ahead!

Stuart's
Sporty new two-toned Moccasins for the young miss—cool, colorful, smart. Practical, too, for she can tub it at will.
North Side

TCU President

Dr. M. E. Sadler, pastor of the Central Christian Church of Austin, has been elected president of Texas Christian University in Fort Worth to succeed Dr. E. M. Waits, retired. Dr. Sadler will take over his new duties about September 1. Before coming to Texas in 1936, he was dean of Lynchburg College, Lynchburg, Va. Gov. W. Lee O'Daniel is a member of his congregation in Austin.

Hospital News

Leroy Gaultney was admitted May 15 for medical treatment.

Richard Bennett Crutcher of Brownfield is a medical patient this week.

Mrs. E. L. Craddock underwent major surgery this week.

Lawrence Harjok of Tahoka underwent a major operation this week.

Miss Pauline Owens of Tahoka received minor surgery this week.

Mrs. Lydia Lightfoot underwent minor surgery May 21.

H. L. Ryan is receiving medical treatment this week.

Mrs. S. M. Mitchell left Thursday morning for Cross Plains where she will spend this week visiting with friends.

Mrs. Douglas Hill returned Tuesday from Dallas after spending several days there visiting with relatives and friends.

Mr. and Mrs. Audrey Cox returned Wednesday from a month's vacation spent in Kentucky and Arkansas.

Cotton Equities Show Varied Price Levels

Cotton growers, with cotton in the CCC Loan, have been receiving the average prices for their equities in such cotton at the following points:

Lubbock, 1938 Loan, 4.00 to \$6.50; 1940 Loan, \$10.00 to \$11.00.
Altus, Okla., 1938 Loan, \$6.00 to \$8.00; 1940 loan, \$12.00 to \$15.00.
North Texas, 1938 Loan, \$6.00; 1940 Loan, \$12.00.
These prices were based on last week's market when the average price for middling 15-16 cotton was as follows:

Dallas 12.38; Houston, 12.54; Galveston, 12.54; Corpus, 12.43; Altus, Okla., 12.11; Lubbock, 12.08.
As the average price for middling 15-16 advances on these markets, the spread between the loan values and the spot value will increase, and as the market prices decline, the equities will decrease.
Where the producer sells his equity in Loan Cotton he is urged to be sure that the Form R is filled out completely, and to be sure that the form is dated the exact date is sold.
Domestic consumption of cotton for April 1941 was 920,000 bales. This is the highest monthly consumption of cotton on record. The present rate of domestic consumption will lead to an annual consumption of over 9,500,000 bales. The highest yearly consumption prior to this was 7,950,000 bales. The ten year average consumption is only 6,034,000 bales. Over 1,880,000 bales have been sold out of the Loan prior to May 10.

The average hen will eat approximately 80 pounds of feed per year, of which 50 per cent should be a good laying mash.

Miss Lillian Cameron, who has been here visiting with her parents, Mr. and Mrs. C. E. Cameron, for the past several weeks, will leave Friday for her home in Levelland.

Miss Cameron underwent an appendectomy about 3 weeks ago.

Mr. and Mrs. O. C. Speck and Miss Wanda V. Speck will leave Saturday for Belton where they will attend the graduation exercises of Miss Maxine Speck.

Memorial Service To Be Held In Lamesa May 30

The Allen Houston Post of the American Legion met in a special called session Wednesday to discuss plans for an appropriate program for Memorial Day in Lamesa.

It was decided to hold a thirty to forty minute program on the Federal Lawn at the Post Office, on Memorial Day, Friday May 30, beginning at 8 a. m.

From there, the ex-service men will go to the various cemeteries over the county to decorate the graves of deceased comrades.

The program is in charge of a committee composed of Melvin Roberts, Charnel Jobe and Conway E. King.

The general public is invited to attend this program.

Migratory-

(Continued from Front Page)
of the need to serve some of the half million migrant agricultural laborers in Texas." Cowen said the community will

help producers in the South Plains area to secure adequate seasonal laborers when they are most needed, and also promote more satisfactory standards of health and sanitation of migrant farm workers.

The 125 families will be housed in 50 structures. Twenty-five of the structures will be four-unit apartments. The remainder will be constructed in small cottage style. All will be on frame construction. They will be simple, though comfortable and durable.

The community will have a central water supply. Sanitary toilet facilities, showers and facilities for laundry services and provisions for child welfare will be provided for the families.

A 325 acre plot, one-half mile Southeast of Lamesa, near the convergence of Highways 87 and 15, has been obtained for the community site.

Location of the farm workers

community in Dawson County is a part of the Farm Security Administration's plan begun in 1936 to help the states meet some of the most urgent health and housing problems which had been created by a great wave of migration.

Today a large number of community camps are in operation or under construction in most of the states affected by migrant farm labor. The Lamesa camp fits into a pattern of camps in Texas, Arizona and California.

"The community camps," Cowen said, "do not pretend to provide a high standard of rural housing nor can they be considered a permanent solution for the migrant problem. They merely offer the barest minimum of decent living facilities."

"The communities," he continued, "provide for better shelter and sanitary arrangements than most of the migrants had before, however, and they have done much to relieve suffering and check the spread of disease."

Cowen explained that the main effort of the FSA, United States Department of Agriculture, is devoted to stopping unnecessary migration at its source by helping more than a million needy farm families to get a new start in their own communities.

Jack Hughes-

(Continued from Page One)
held anywhere this year.

"Jack was defeated in the Kansas and Duke Relays this season, although he broke both records. He has thrown consistently over 160 feet in every meet this year except the first two, and set records in most of the meets. On June 20th and 21st Jack will again be in California for the National Intercollegiate Meet at Palo Alto. This meet will be his last collegiate competition. Coach Clyde Littlefield will also make the plane trip." Signed, Mrs. Jack Hughes.

Jack's many friends in Lamesa are glad to congratulate him upon this latest honor and to wish him every success in the Relays.

Cooking School-

(Continued from Page One)
chen Cooking School sessions, she

turned to a Courier representative and said, "I've never had more attentive and intelligent audiences in my experience of holding these home making events." She remarked, "It is no wonder that you have so many beautiful and well functioning homes here. The women go so full heartedly into making this possible."

Miss Hogue was thanked for the tribute, but it was realized after the tremendous popularity of the Happy Kitchen Cooking School, that the women enjoyed to the fullest extent the efficiency of this outstanding home maker's event. Miss Hogue asked the Courier to bid every woman a cordial goodbye and thank you. And, incidentally, she said on the sly, "I'm hoping my next Happy Kitchen Cooking School will receive the same response as the Lamesa and Dawson County women accorded me."

The final session of the school was held Wednesday afternoon to an overflow crowd.

Incendiary bombs usually weigh less than 100 pounds.

Thursday, June 5: Lamesa to Gall 7:30 to 8:15; Gall to Snyder, 8:25 to 9:25; Snyder to Colorado City, 9:40 to 10:25; Colorado City to Westbrook, 10:40 to 10:55; Westbrook to Coahoma, 11:05 to 11:30; Coahoma to Big Spring, 11:40 to

12:00. Thursday afternoon, Big Spring to Stanton, 1:00 to 1:30; Stanton to Midland, 1:40 to 2:10; Midland to Odessa, 2:30 to 3:00; Odessa to Andrews, 3:20 to 4:05; Andrews via Seminole to Lamesa.

Post City Rodeo Boosters Coming Next Tuesday

Two large 35-passenger chartered buses carrying Post Stampede and Rodeo advertisers are scheduled to arrive in Lamesa at 2:15 Tuesday afternoon, May 27, to advertise the big two-day non-professional rodeo to be staged Friday and Saturday, June 6 and 7, at Post. The trippers will spend 30 minutes here.

In the party will be Giles Connel, Post ranch-banker and president of the Post Stampede, Inc., Phis S. Bouchier, manager of this year's show, and several other officials of the rodeo association. The Postites will be in rodeo regalia and will distribute advertising in each of the twenty-four towns included in the 650-mile trip.

A short, spicy musical program will be given by Post entertainers and an invitation to attend the

two-day rodeo will be presented, while other trippers will spend their time looking up acquaintances and personally inviting them to Post for the big event.

Purses for the two-day rodeo total more than \$1,300 in cash, two \$115 saddles and other merchandise prizes.

There will be five major events, cowgirl sponsor's contest with already a dozen or more contestants entered, calf roping, wild cow milking, bronc and steer riding, big street parades will be staged each day at 12:30 p. m. The double-daily performances begin at 2 and 8 p. m.

If you have acquaintances in Post be sure to watch for the visitors when they come to Lamesa. Your friends will be in the party.

In attacks on European cities the majority of bombs dropped have not exceeded 550 pounds in weight.

CONFIDENTIALLY

• "Confidentially, Fido, I'm going to College when I grow up to be a lady, because Daddy and Mother have told me they've got it all fixed up with the Southwestern Life Insurance man..." So might the little girl speak...

• And, confidentially, Daddy couldn't have made a wiser, or more sound investment, either, nor at a lower cost of insurance because Southwestern Life has the record of having the lowest lapse ratio of any old line company doing business in Texas, and low lapse ratios reduce the cost of life insurance.
