'Yard of the Month' Award Goes To Mr. and Mrs. Ralph Hines

The "Yard of the Month" Award has been presented to Mr. and Mrs. Ralph Hines, 2211 Cape McAnn, in Harbor Oaks, according to Mrs. Joe Hugenberg, chairman of the project sponsored by the Rockport Home and Garden Club.

The front is beautifully landscaped with a host of

shrubs and flowers. Among the yellow daisies and mountain hawthorne are the pretty copper viburnum. Also growing are Brazilian pepper trees, honeysuckle and Christmas cherries. To accent around the front door, caladiums are planted and a few tall trees among the shrubs. A grouping of palms touches off the well tended lawn.

Along the west side of the house are oleanders, fish tail palms and poinsettias. The flower beds are mulched with redwood chips giving the manicured look of a worked in yard. Mrs. Hines also has an unusual hoyia plant which seems to be thriving with all of the rain.

The "Yard of the Month" Award is sponsored by the Rockport Home and Garden Club. Anyone in Rockport and surrounding areas is eligible to win the award. Nominations may be made by anyone by writing to Mrs. Joe Hugenberg, 1902 Bay Ave., Rockport.

Lions Zone Meeting Held

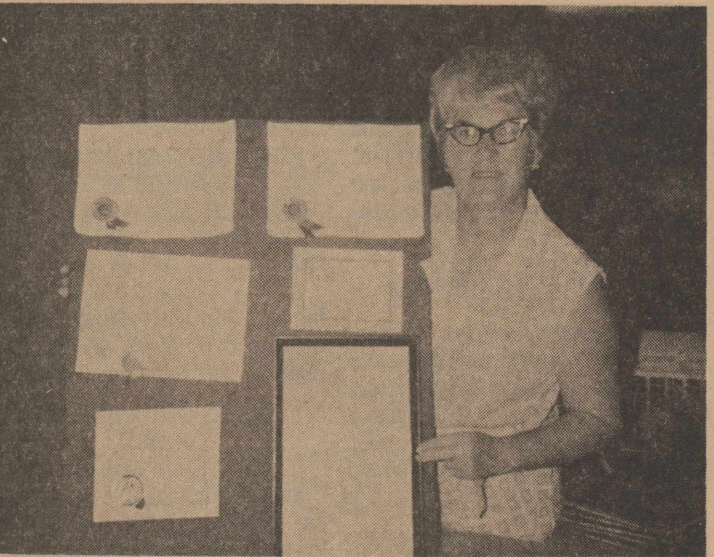

On September 11, zone chairman Earl Stephens, Jr., presided at zone meeting of Lions International at Ramada Inn. Thirteen were present, representing the Aransas Pass, Fulton, Ingleside, and Rockport clubs, with Dist. Gov. J. Henry von Pein, DDG Bill Mercer, C.A.R.E. Chairman Dan Shelton, and Z.C. Clarence Janota of Sintom.

Discussion of the general purposes of Lions International was followed by the specific appeal of C.A.R.E. Chairman Shelton for 100% cooperation of all clubs in the district to continue the District 2A-3 annual project of building a new school in one of the Central American countries in remote villages.

Consideration was given the appeal of the new international president, Johnny Balbo of Chicago, to observe Lions' Service Day on October 8 of this year. A number of club and community projects were proposed for final decision by each club in the zone.

Wins Fishing Tourney Award

Wilford Fultz of Fort Worth, fishing out of the Key Allegro Isle marina, captured the Dean Hawn Memorial fishing tournament championship by boating an eight foot four inch white marlin. He was fishing aboard his boat, the GINA K, crewed by Harley and Charlie Walters. Fultz also caught four sailfish during the weekend tournament.

HOME AND GARDEN CLUB HONORS — Mrs. Kenneth L. Thomas displays awards and letters of commendation received by Rockport Home and Garden Club for Beautification projects.

Home and Garden Club Meets

The Rockport Home and Garden Club met in the Methodist Fellowship Hall on September 12. The table was decorated with an exquisite arrangement of wild sunflowers. The hostesses were Mrs. E.N. Adams, Mrs. Drew Harrell and Mrs. E.H. Butler.

Mrs. B.F. Street, president, opened the meeting by introducing five new members. Various ways were discussed how best to maintain and improve the club's Civic Beautification Project. She announced that the Peninsula Oaks Garden Club voted to sponsor a planter box and purchase a tree, that the A.A.R.P. will work with the club on the Civic Beautification Project. She announced that the Peninsula Oaks Garden Club voted to sponsor a planter box and purchase a tree, that the A.A.R.P. will work with the club on the Civic Beautification Project and that Mayor Walter S. Falk, Jr., presented

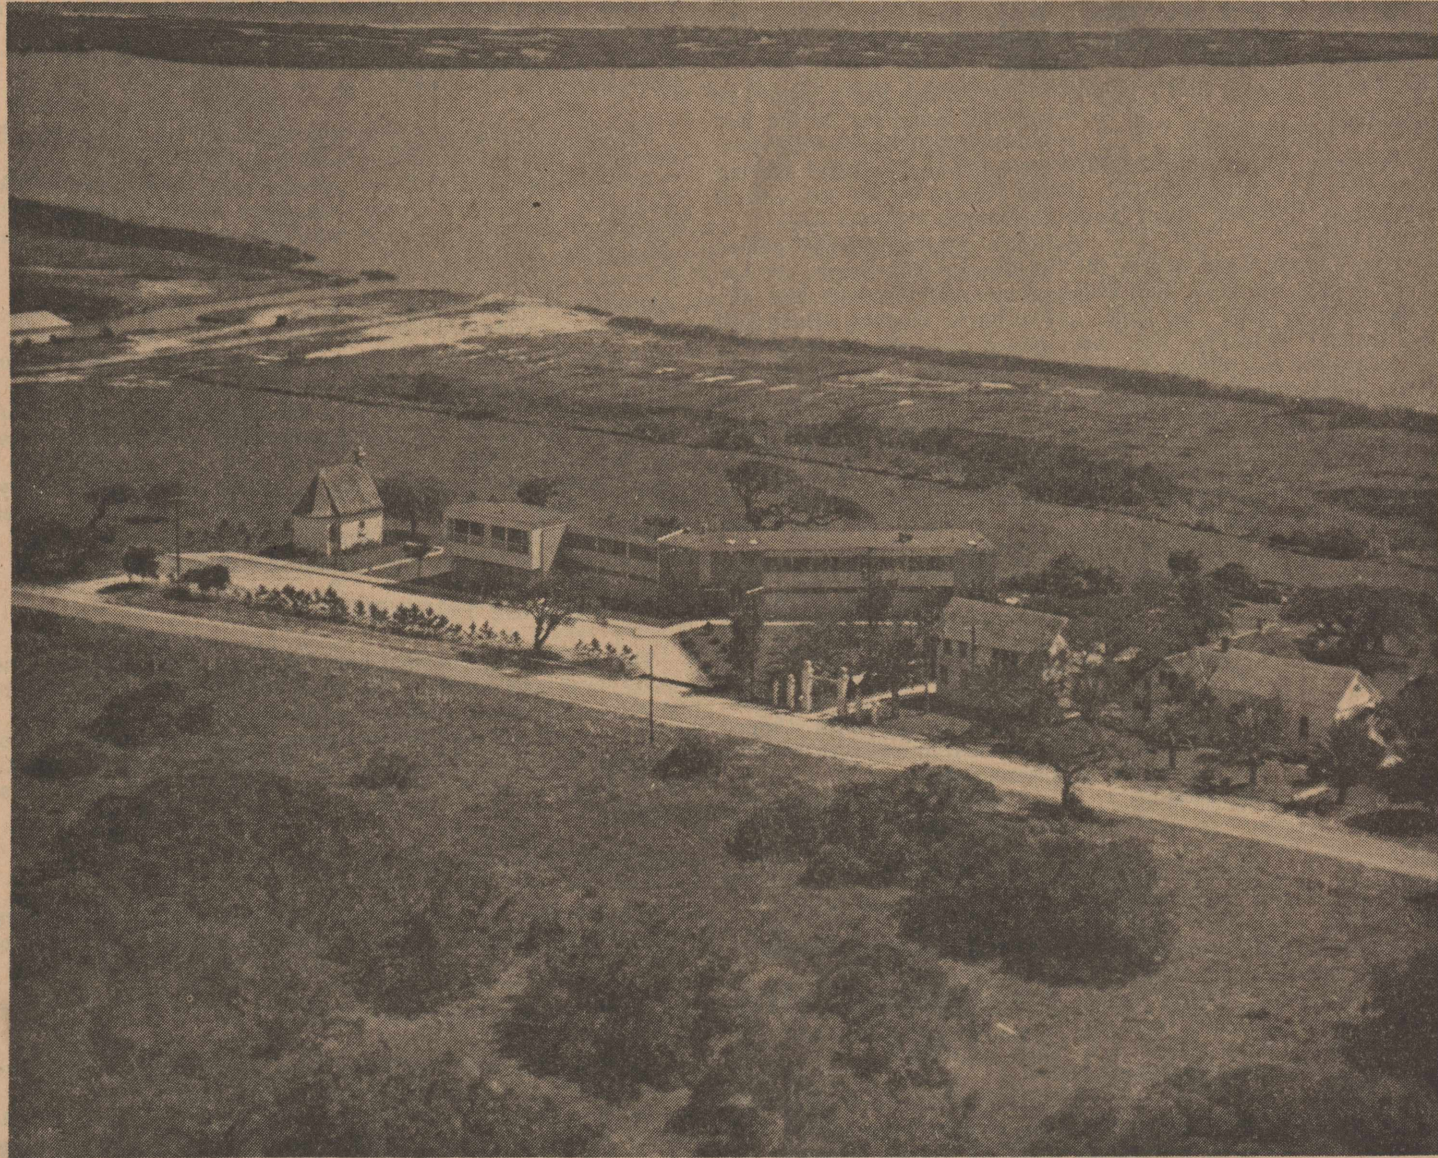

a "Plant a Tree Program" to the Chamber of Commerce and they will observe Arbor Day in conjunction with Home and Garden Club and also plant a tree.

Following the business meeting Mrs. Kenneth L. Thomas acquainted the members with a short history of the club, awards and letters of commendation received and the civic projects undertaken for the beautification of Rockport.

Mrs. T.E. McArdle, past president, now 1st vice president, presented members with their copy of the yearbook. The artist, Kit Dinger, receives a vote of thanks for the beautiful sketch on the Yearbook cover of Mrs. McArdle's patio. The machine copying of the programs was through the courtesy of Gene Garcia, attorney at law.

The Rockport Home and Garden Club will host the Fall Gardening Clinic to be held Sept. 17 & 18th at the Methodist Church. Mr. Pawlik, County Extension Agent of the Texas A & M University, will be in charge.

SCHOENSTATT SISTERS OBSERVE 25th ANNIVERSARY

It was on September 10th, 1949, when the first Schoenstatt Sisters of Mary arrived in Corpus Christi from the mission fields of South Africa. In November 1949 some more sisters arrived from Germany. They answered the call of late Bishop Ledvina, who made all possible efforts for a 'sound development of religious life in the Diocese of Corpus Christi. Bishop Garriga, his successor, sent three of the sisters to Rockport, so that the parochial school, that had been closed for several years, could be opened again. The sisters taught in this school from January 1950 to May 1966.

In 1959 the sisters purchased from the Diocese of Corpus Christi the property at Lamar and built their motherhouse, "House Schoenstatt", and the shrine of the Mother Thrice Admirable, Queen and Victress of Schoenstatt. It is an exact replica of the original shrine in Schoenstatt, Germany, and like this it has become a spiritual home for many; a pilgrims place where many people come to find help, encouragement and consolation, or to give thanks for petitions granted. -- The local motherhouse is the home of the sisters, where they spend their vacations, where girls from the country are trained for the sisterhood, and where training courses are held.

Since 1966 the sisters have a resident priest, a Schoenstatt Father. On 1967 a new wing was added to the first building so that the special apostolate of the Schoenstatt Fathers and sisters could be carried out: The formation of lay-apostles for the moral religious renewal of the world. At the present time another building is under construction so that the weekend-retreats for people of all walks of life can be carried on.

On May 19, 1974 there was a pilgrimage of more than 700 people. The celebration, a con-celebration of His Excellency the Most Reverend Bishop Drury and two Schoenstatt Fathers, took place in the new building.

A special celebration of the 25th anniversary of the sisters in Texas took place on September 8th. It was prepared and organized by the regular participants of the workshops, the "Schoenstatt-family", with an attendance of more than 500 members.

Beside their apostolate at Lamar the sisters are working in Refugio, St. James Parish, and Woodboro, St. Theresa's Parish; in San Antonio, St. Lawrence Parish, and in Mexico City.

The sisters enjoy the peaceful place at Lamar and are happy to be still part of Rockport, and grateful for all kindness they have experienced in Rockport, especially during the first years after settling in this country.

Young Homemakers Earn Honors

WIN AWARDS — Representing the Rockport chapter of the Young Homemakers at a meeting in Alice, Texas, and displaying some of the awards they received are (left to right) Pat Barker, Betty Kucera, Glenda Blankenship, Frances Mutscher, Carol Winkler and Sylvia Sanchez.

Commissioners Court Holds Meeting

On September 13 there was a regular meeting of the Commissioners Court with the following members present: John D. Wendell, County Judge; Erie Eller, Commissioner Precinct No. 1; Wanda Sparks, Commissioner Precinct No. 2; Raymond Owens, Commissioner Precinct No. 3; Charley Hale, Commissioner Precinct No. 4 and Ruby Hart, County Clerk.

The Judge informed the court that Jimmie Ankele could deliver a barge load of mud shell at Cove Harbor for \$4.00 per yard.

Wm. H. Bloch, Donald C. Meek and S.L. Canterbury, Airport Advisory Board, met with the Court in regard to the airport contract. After due consideration, matter left pending until Friday, September 20 at 1:30 o'clock p.m.

The Judge informed the court that Jimmie Ankele could deliver a barge load of mud shell at Cove Harbor for \$4.00 per yard.

Wm. H. Bloch, Donald C. Meek and S.L. Canterbury, Airport Advisory Board, met with the Court in regard to the airport contract. After due consideration, matter left pending until Friday, September 20 at 1:30 o'clock p.m.

The Judge informed the court that Jimmie Ankele could deliver a barge load of mud shell at Cove Harbor for \$4.00 per yard.

Wm. H. Bloch, Donald C. Meek and S.L. Canterbury, Airport Advisory Board, met with the Court in regard to the airport contract. After due consideration, matter left pending until Friday, September 20 at 1:30 o'clock p.m.

Archery Hunting at Wildlife Refuge

Following is detailed information about archery hunting in 1974 at Aransas National Wildlife Refuge:

Aransas National Wildlife Refuge is administered by the U. S. Department of Interior's Bureau of Sport Fisheries and Wildlife. The refuge contains 54,829 acres, of which approximately 34,000 acres are considered prime deer habitat and will be open to hunting. The remaining 20,829 acres either (1) lie within the "Wildlife Interpretive Unit" where other visitors will be traveling, (2) are composed of poor deer habitat, or (3) lie within Refugio and Calhoun Counties where State seasons are not yet open.

Hunting will be tough in many areas. Interior portions of the refuge are covered with dense brush and trees surrounding small meadows. Large, open grasslands with scattered oak mottes occur along coastal edges and at the southern tip of the refuge. If September is rainy, there will be water everywhere. "Still-hunting" from a tree or along a game trail has produced the best results in years past. Be sure to include mosquito and tick repellent in your gear. The weather is also likely to be hot, so bring your water canteen and salt tablets. Be prepared to get your game into cold storage as soon as possible after it is killed.

For your enjoyment, safety and the protection of the refuge and its wildlife resource, please read carefully the following regulations before starting to hunt. You are responsible for knowing and abiding by these rules in addition to all other applicable Texas hunting laws.

Federal and State Conservation Officers will be patrolling

the refuge continuously during the hunt. They are here to enforce the hunting regulations, provide hunting information and to render other assistance when needed.

Frequent road checks of vehicles returning from the hunting areas will be made to see that your deer is properly tagged, that the tags are completely filled out as required by law and that your vehicle does not contain other animal species which are not legal to hunt.

In past years, some poor "sports" have shot non-game animals such as alligators and armadillos. These thoughtless acts of others can jeopardize your hunting privilege on the refuge. If you see someone who has shot, or is shooting at, any animal other than a deer or wild hog, report and identify him to us. In this way you can help assure yourself of a place to hunt in the future. The hunting privileges of those who violate any of these regulations may be revoked. Citations will likely be issued and court penalties may be assessed up to \$500 plus jail time.

If you question the legality or advisability of something, don't do it first, then ask. Be courteous and respectful. Live up to the reputation how hunters have as sportsmen.

Emergency telephone calls will be accepted during daylight hours. The Aransas Refuge telephone number is (512) 286-3559. The mailing address is P. O. Box 68, Austwell, Texas 77950.

A bulletin board at the refuge check station will carry these emergency messages.

Special Note: The combination of flat terrain and heavy vegetation on the refuge creates a situation wherein hunters can easily become lost. In the event you become lost, walk until you find a road or fence line. Follow the

fence line - it will take you to a road. Stay on the road until help comes!

If you become separated from your party in the field and catch a ride back to your camp with someone else, report this to personnel at the check station. Otherwise your companions will report you as lost and it will save many hours of worry and hunting for you.

Thank you and Good Hunting.

Regulations:
Season: September 26-30, October 4-7, October 11-14.

Legal Species: Deer and wild hogs.

Bag Limits: Deer - Three (3) either sex, no more than two bucks. Wild Hogs - No limit.

Hours: Hunters will be admitted to the refuge at noon on opening day and at 5:30 a.m. each day thereafter. Check-out time is 8:30 p.m. Legal shooting hours are 30 minutes before sunrise to 30 minutes after sunset.

License: A valid State of Texas hunting license is required. These will not be available at the refuge.

Other: 1. All hunting arrows, whether carried by the hunter or left in his vehicle parked in the hunting area, must bear the name and address of the user in a non-water-soluble medium.

2. No target or field arrows may be brought into the hunting area. If found in your vehicle while it is in the hunting area, you are in violation of this regulation. Leave them in your camp.

3. Hunting arrows must have a broad head hunting point that is at least 7/8 inches and not over 1 1/2 inches in width.

4. Hunting bows must be capable of shooting a hunting arrow 130 yards. Crossbows are illegal.

5. Target practice or shooting of any other wildlife, including predators, on the refuge is prohibited.

6. No person or vehicle carrying a gun of any type will be permitted to enter the refuge.

7. No bows may be taken into the Wildlife Interpretive Unit.

8. All motor vehicles must travel only on the shell surfaced roads or designated trails. Do not park them further from the road than is necessary to permit other vehicles to pass.

9. Vehicle speed limit is 35 mph unless a slower speed is posted.

10. Hunters may not remain in the refuge overnight. Camping facilities are available outside the refuge entrance gate.

11. No fires are permitted on the refuge.

12. Use of dogs or horses is prohibited.

13. Facilities for obtaining gas, oil, food, drink, and lodging may be found in nearby towns.

14. Oil and gas activities are conducted on the refuge. Stay clear of all the production apparatus and all buildings or residences while hunting. Do not hunt from windmills. They are hazardous.

15. Poisonous snakes are common on the refuge. Please use caution. In the event of snakebite or other serious accident, immediately report to the check station.

16. Littering is prohibited. Garbage cans are provided at the check station only. Bring your lunch sacks, bottles and cans back from the field with you.

17. Do not hunt from a vehicle. Hunting is not permitted from or across any shell surfaced road.

18. Hunters under 16 years old who wish to participate in the refuge hunt must be accompanied by an adult 21 years of age or older.

19. Tagging Regulations: All deer must be immediately tagged after kill is made.

1. Tear tag from hunting license and punch out month and day of kill.

2. Write in: Killed on "Aransas Refuge" Ranch, County: "Aransas".

3. Tape or tie tag securely to leg or antler of deer. No "Antler-less (Doe) Permits" will be required on the refuge this year.

Do not load a deer into a vehicle or bring it into the check station until it is properly tagged.

A metal transportation seal will be attached to each deer brought into the check station. It is illegal to remove any deer from the refuge without this seal affixed to the carcass.

Mr. and Mrs. John R. Kinsey spent last weekend in Kerrville visiting their daughter, Mrs. Ken Herbert and her two sons, Mike and Jay. Mr. Herbert was on a hunting trip in Wyoming.

Pirates Beaten By Mathis

By Bob Crawford

Friday the 13th proved not to be just an old wives' tale in last week's Rockport vs. Mathis game as the Pirates fell to Mathis 13-12 in Mathis.

Rockport-Fulton's high octane veer offense was never totally shut down, but four key fumbles, two inside the Mathis 10 yardline, made the night miserable for the local team.

The Pirates had a chance to pull the game out in the last few seconds, but a field goal attempt went astray, leaving the Pirates on the low end of the score.

The Pirates offense generated over 235 yards on the ground and through the air. Fullback Denzell Bardwell gained 63 yards in 16 carries to lead the rushers. Quarterback Scott Gillis used some fine protection by his interior line to connect on 6 of 16 passes for 72 yards. David Mundine and Gene Carter had two catches to lead the Pirate receivers.

Linebackers Joe Harrington and David Brooks were the team leaders on defense with an outstanding amount of tackles, each taking 18 or more shots at the opponents. Cornerback Bill Smith stopped a Mathis drive with a pass interception.

This coming week the Pirates travel to Tuloso-Midway to take on the Warriors in the first District 15-AAA game for each squad.

Freshmen win JV Lose

Rockport-Fulton's Freshmen Team opened the season with a 30-12 victory over the Mathis Freshmen here last week.

The Pirates used a strong running attack on a wet field to grind out four touchdowns and three 2-point conversions. Bobby Lewis led all Pirate rushers with 118 yards on 18 carries, but he had a lot of help from Leslie Jones and Darryl Green. The Pirate linemen opened big holes for the pirate running backs to run through.

On defense the Pirates were led by Bill Adams, Benno Wilke, Sammy Solis and a host of others.

The JV played a tough first half before the Calallen Wildcats were able to mark up three scores to take a 20-0 win over the Pirates. The Pirates played Calallen because the Mathis team did not have a JV team.

The game was played in rain showers and the Pirates lost the ball on eight occasions. Nevertheless, Jeff Dietz had an outstanding game running the ball.

On defense the Pirates played it tough, and John Picton and Jerry Hutson led the tacklers for the Pirates, and Mike Garcia was the leader in the secondary.

This week the Pirate Freshmen and JV teams host Tuloso-Midway in their first District 15-AAA game.

Miss Zamudio LULAC Queen

Margie Zamudio was crowned Queen of Rockport LULAC Council No. 625 at the LULAC coronation ball at American G.I. Forum Hall last Saturday night.

Named first runner-up was Frances Flores, while second runner-up was Veronica Estrada.

A spokesman for LULAC Council said the members wish to thank everyone in the local area for making the festival a success.

The organization also congratulates the LULAC youth who won first prize in the float contest, Central Power and Light Company which won second and Bloomington LULAC Council which won third place.

In the Kitchen

ARTICHOKES WITH WINE-LEMON MAYONNAISE

- 1 cup mayonnaise
- 1 tablespoon vermouth or dry white wine
- 1/2 teaspoon grated lemon peel
- 1/2 teaspoon ground mace or nutmeg
- 6 medium artichokes, prepared as directed Parsley

Blend together mayonnaise, vermouth, lemon peel and mace. Spoon into hot or cold artichokes. Garnish with sprig of parsley. Makes 6 servings.

COMPLAINTS ON DOGS

The mayor and city council were presented with a petition concerning the large number of dogs running loose in the south end of town.

The petition asked that something be done to remedy the situation and was signed by Mr. and Mrs. Shannon Bridges, Mr. and Mrs. Joe S. Palmer, Mr. and Mrs. Ramon Guerra, Frazier Cantrell, F. C. Armitrout, Mr. and Mrs. R. H. Johnson and John J. Kieffer.

ART SCHOOL CLASSES

Classes will start at Rockport School of Fine Arts Oct. 5, according to director Simon G. Michael.

Already enrolled for the course are Mrs. Jack Cook, Ardmore, Okla., Mrs. Grace Lutz, Mrs. Travis Johnson, Mrs. James A. Jarboe, Mrs. A. Dinger, Mrs. A. M. Westbrooks, all of Rockport, and Mrs. N. O. Etair, Luling.

ANNUAL STAFF SELECTED

The staff for the ACHS Pirate Annual has been selected for the 1964-65 school year.

Diane Davis is editor; Julia Thompson, assistant editor; Vickie Vermillion, business manager; Phyllis Striano, secretary-treasurer.

Other staff members are Herbert Mills, Jr., Eldon Mackey; Pam Novosad, D'Ann Huffmeyer, Jody Rouquette, Karen Kleypas, Ricky Drummond and Beth Hofmalk.

Sponsors are Phillip Baldwin and Harry Krenak.

NEW GARBAGE TRUCK BOUGHT

The City Council opened bids for a new garbage truck and packer unit and awarded the truck bid to Commercial Motors of Aransas Pass on a low bid of \$2,965.

Others who bid on the truck were Atzenhoffer Chevrolet of Victoria, \$3,001.14; Lew Williams Chevrolet of Corpus Christi, \$2,975; and George Clark Chevrolet of Aransas Pass, \$3,067.79.

RECORD NUMBER OF PUPILS

The number of pupils enrolled at Rockport Elementary School reached 677 on Sept. 14. This passed last year's high of 673.

JUNIOR HIGH CHEERLEADERS

Four eighth graders and two from the seventh grade have been elected cheerleaders at Junior High School.

The four from the eighth grade are Sue Clark, Cindy Court, Kitty Davenport and Linda Harris. The seventh graders are Sherry Sanders and Donna Setterbo.

Mrs. Carlos Mirovich, Junior High physical education teacher, is sponsor of the group.

STUDENT COUNCIL CHOOSES OFFICERS

Members of the Student Council at Aransas County High School have elected officers for the coming year.

President is Mickey Gray; vice president, Eldon Mackey; secretary, Darlene Rouquette; and treasurer, Courtney Johnson.

Other members of the Student Council include Diane David, Gary Stryker, Billy Ormand, Monroe Menke, Vicki White, Charls Roe III, Dorilyn Wright, Jerry Brundrett, Linda DeForest, Rocky Rouquette and Mark Johnson.

Sponsors are Chester Barre, High School principal, and Phillip Baldwin.

GRAND JURY CRITICIZES JAIL

The Grand Jury severely criticized jail facilities in Aransas County, stating that the facilities were sub-standard and did not comply with state and federal laws.

County Judge John D. Wendell said the charge was justified and at the next meeting of County Commissioners Court the problem would be thoroughly explored and some means sought to correct conditions in the jail.

ROCKPORT-FULTON HARBOR DEVELOPMENT APPROVED

In an election marked by an exceptionally large turn out of voters, the Rockport-Fulton Harbor Development Bond Issue carried by a vote of 433 to 205.

Stretching The Beef Dollar

Homemakers within the surrounding area gathered in Sinton at the Sinton High School Cafeteria, September 10, for a program on the selection and preparation of beef. The consumer education program was directed by the San Patricio-Aransas County Extension Service.

Miss Karen Prukop, Assistant County Extension Agent for Home Economics, discussed the nutritional value of beef and its function in the diet. Dr. Frank Orts, a meat specialist with the Texas Agricultural Extension Service at Texas A & M University, demonstrated a 45-lb. chuck; showing the most economical cuts which can be obtained; and how to evaluate each in terms of cost per serving. Dr. Orts also discussed the industry's new standardized meat cut labeling system.

Miss Jane Hager, home economist with the merchandising department of the National Livestock and Meat Board, Chicago, demonstrated meat selection and care. Miss Hager also prepared various beef main dishes, each of which was less than fifty cents per serving.

Miss Sylvia Sanchez and Miss Frances Mutscher, local homemaking teachers, attended.

Future Homemakers of America from the local high school will conduct a door-to-door campaign Saturday morning, September 28, for cystic fibrosis.

The girls will be identifiable by means of a green and white badge they will be wearing and with their name printed on the badge.

Job Placement Program to Start

Coastal Bend Rural Job Development Program funded by the Coastal Bend Manpower Consortium opens on Sept. 23 at Room 102 in the Courthouse.

The project will provide assistance in job development and job placement. Interested persons please come by and apply. Open from 9:00 a.m. to 4:00 p.m. Sam Quintana is the Project Director.

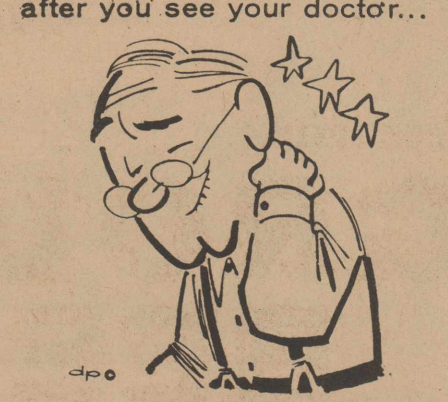

Tuloso-Midway Reserved Seats

Reserved seats are available for the Tuloso-Midway football game to be played Friday evening at the Tuloso-Midway High School on Sept. 20 at 8:00 p.m.

Purchase of the tickets may be made at the High School principal's office until 3:00 p.m. on Friday afternoon. Price of the tickets will be \$1.75 each.

OUTDOORS

'n things

by
L. D. NUCKLES

These brisk mornings that we've been having remind us that summer can't go on forever and that summertime fishing will soon be over. This means different things to different people. To some it means that fishing is over for the year and that hunting and thoughts of hunting will occupy most of their time.

To the dedicated freshwater fisherman it only means that he will have to change his fishing methods and locale. He'll still be fishing for the same fish, usually largemouth bass or catfish. The cooling of the water will just make the fish move his sphere of operations to deeper water and the fisherman will have to follow. The bass fisherman will be using more underwater baits and usually fishing them slower.

Some saltwater fishermen will change their whole fishing concept. Instead of fishing 10

to 150 miles off shore in the blue waters of the Gulf he will concentrate on the bays, especially the channels and deeper holes. Instead of kingfish, mackerel, ling, sailfish, and marlin he will turn his attention to redfish, trout, drum, and flounder. Some other salty anglers are so devoted to bay fishing that they never go to the Gulf so their sport won't change a great deal -- just get colder. Instead of wading in old jeans and tennis shoes he'll be wearing thermal underwear and chest high waders.

Boating safety assumes some new aspects too. In cold weather the water is often choppy and it's not too hot to wear life jackets at all times when the boat is moving. This should be done because cold water can sap your strength in a hurry and your chance of swimming very far is drastically reduced.

Winter weather in South Texas can change in a matter of minutes from calm and sunny to very windy and cold. What the old timers call "blue norther" can hit very suddenly and change a mill pond into a maelstrom. On the other hand, it is often cold in the early morning but by noon it's almost like summer. Several layers of light clothing can furnish all the warmth you need in the morning and, as the weather warms, can be shed layer at a time.

A small transistor radio, either AM or FM, can be an extremely handy addition to your boat's equipment. Keep it turned on and listen for weather warnings. Any lake in Texas, and all the bays, can build up waves in a hurry that are large enough to be dangerous to a small boat. If you are caught out like this and there is any doubt in your mind about making it back to your launching site, make for the nearest shore. It's much better to sit out the storm on a deserted shore, even though you may be very uncomfortable, than have your boat swamped in the middle of a large body of water.

Winter fishing is good, sometimes it's the very best, and winter boating is just as safe as you make it. Use your head and be around for next summer's fun.

Circle No. 2 Holds Meeting

The September meeting of Presbyterian Circle No. 2 was held in the home of Mrs. Harold Shirey.

Cake and refreshments were served to 12 members and one guest. Mrs. C. Cox opened the meeting with a prayer. Minutes were read and the treasurer gave her report.

The lesson "Living All of Life" and "Death Comes" was moderated by Mrs. P.M. Winkler. The Least Coin prayer was read by Mrs. T.L. Morgan. The meeting was closed by all repeating the Mizpah.

The next meeting will be in the church. Mrs. Mildred LeMaire will be the hostess.

MRS. MONROE AIDS GIRL SCOUT WORK

Cadette Girl Scouts can register with the Jr. Girl Scouts. They need a mother to be a Leader for the troop.

Mrs. Arlene Monroe is acting as Service Team Director for Rockport. She is out of the Paisano Girl Scout Council Office in Corpus Christi. Her office phone is 853-0301.

Rockport Firemen's Auxiliary Meet

The Rockport Firemen's Auxiliary met September 10 for their regular monthly business meeting. President Ivala Hinze called the meeting to order with thirteen members answering roll call. One new member, Gail Baham, was welcomed.

Minutes were read and approved. Correspondence was read and bills were approved for payment. Treasurer's report was given. Cakes for the firemen's business meeting will be furnished by Gwynne Howland and Cynthia Chiodo.

It was announced that the September social will be a fishing party at the Port Bay Hunting Club on Saturday, September 28. Members and husbands or guests are to meet at the fire station at 7 p.m.

Racing team practices are scheduled for Tuesday nights at 7:30 p.m.

The members voted to amend the by-laws. The vice-president is to automatically move up to president each year. All other officers are to be elected by secret ballot.

The Auxiliary voted to purchase a ping pong table to be donated to the Juvenile Center.

Members present: Mary Lee Frizzell, Julia Gray, Lois Gurley, Ivala Hinze, Gwynne Howland, Teresa Howland, Peggy Hunt, Evalon Redden, Sadie Smith, Cleo Truelove, Joan Truelove, Kathy Borey and Gail Baham.

Terry Roberts-Reporter

F.O.E. Auxiliary Meets

On September 23 the regularly scheduled meeting of the F.O.E. Auxiliary will be held at the Eagles Hall, Hwy. 35 North at 7:30 p.m.

ALL members are urged to attend as to nominate new officers' chairs that have been vacated. Certain activities need to be discussed and new activities brought up. Please plan to be there.

Letter to the Editor

Dear friends,
I find it quite impossible adequately to express to you my gratitude and appreciation for the marvelous outpourings of generosity and friendship you showered upon me on the memorable Red Letter Day of my life. Your presence at my ordination and your timely gifts made it an occasion never to be forgotten. Thank you all very much.
Hank Carter

RICKY MORRISON
DOING WELL

Ricky Morrison is progressing very well and has left the hospital and will be going in 4 days a week for treatments. He and his family want to thank everyone for the cards, prayers, flowers and everything. It has all helped a lot. His home address is: 1300 Wood Hollow Apt. #5907, Houston, Texas 77027.

Official Memorandum

By
DOLPH BRISCOE
Governor of Texas

GREETINGS:

AUSTIN, TEXAS

United Way organizations are our State's largest voluntary human service effort. These campaigns are a great American invention to meet the needs of a modern complex society.

The United Way contributes significantly to the preservation and strengthening of the voluntary approach--the essential ingredient of a free society. It serves as a rallying point for citizen action to help unite and improve total community.

The local United Way is more than a combined agency fund-raising program. It has a legitimate and overriding concern for people, the problems they face and the means for resolving them.

THEREFORE, I, as Governor of Texas, do hereby designate the months of September, October and November, 1974, as

UNITED WAY CAMPAIGN MONTHS

in Texas, and urge all people of our State to work in and contribute generously to the campaigns in their local communities.

In official recognition whereof, I hereby affix my signature this 23rd day of Aug., 1974

Dolph Briscoe
Governor of Texas

Presbyterian Circle Meets

Circle No. 1, Women of Presbyterian Church, met in Memorial Room of the church September 12. Refreshments were served by the hostess, Mrs. Ned Halleck, to nine members and one guest, Mrs. L.V. Clark, WOC president. Business meeting was pre-

sided over by chairman, Mrs. Halleck. Several service projects were reported on. Mrs. W. L. Reaser moderated concluding Bible lesson from Galatians. The meeting closed with Mizpah benediction. Mrs. L.V. Clark will be hostess at the church for October meeting, with Mrs. Ted Little serving as Bible lesson leader. Circle officers for 1974-1975

year beginning in October are: Mrs. Melvin Rheinlander, chairman; Mrs. Ted Atwood, co-chairman; Mrs. J.H. Schleider, treasurer; Mrs. Volney Cavitt, secretary; Mrs. Halleck, daily devotional chairman, and Mrs. Mark Stalker, telephone chairman.

LIBRARY NEWS

The Aransas County Public Library thanks L.D. Nuckles for the new "Library" sign located at the corner of Church Street and Highway 35.

Circulation for the month of August was 2,563 books. A total of 1,761 patrons visited the library.

The Connie Hagar Memorial exhibit is still on display and can be seen during regular library hours, 12-6, Mon. - Fri.

Patrons donating books and memorials to the library recently include the following: Mr. and Mrs. Harold Shirey, Pat Greene, Mrs. A.L. Bachman, Mrs. Anna Wishert, Mr. and Mrs. Fred Brant, Sr., and Mrs. Wm. Blanton. The library gratefully acknowledges these donations.

Fall Rat Control Campaign Planned

A fall rat control campaign has been planned for Aransas and San Patricio Counties, Sept. 13 through Oct. 11.

The project will be under the direction of San Patricio and Aransas Counties Extension Program Building Committee cooperating with the Agricultural Extension Service, USDA Fish and Wildlife Service and Texas A&M Rodent Control Service.

Following is additional information:

Why kill rats -- you pay \$10.00 per year to room and board one rat on your farm! (food eaten and damaged and property damage). You expose your family to many diseases such as typhus. Rats can be controlled.

The County Program Building Committee is making Fumarin Rat Bait available at nominal cost during the drive. The rat bait is prepared from formula of U. S. Fish & Wildlife Service. This bait will be fresh and is the safest, most economical and effective bait known.

Cost: Rat bait will be packaged in five pound bags with complete directions as to use. In order to insure satisfactory control and hold down reinfestation, it is recommended that you secure more bait than you think you will need. The following suggestions are made: residence, 5 pounds; residence, garage and one barn, 10 pounds; cotton gin, grain elevator and out building, 20-25 pounds.

This bait will be available at the following bait stations: Rockport, Pearson's Garden Center; Aransas Pass, Hicks Feed, Seed & Nursery.

"Encourage your friends and neighbors to participate in order to prevent reinfestation," said D. W. Pawlik, County Extension Agent, San Patricio & Aransas Counties.

Cleared by Court

John Thomas Scopes was convicted of teaching evolution and fined \$100 after the famous "Monkey Trial" of 1925 in Dayton, Tenn., but was later cleared by the state supreme court, according to Encyclopaedia Britannica.

Texas Fiddle Championship Set

Fifth Republic of Texas Chilympiad in San Marcos naturally conjures up in the minds of Texans the best chili cooks competing for the coveted state "bowl of red" championship.

But, there's another contest a brewing in San Marcos during Chilympiad that has attracted thousands of spectators to the zany festivities. That's the Texas Fiddle Championship.

Parvin Hoffman, a prize-winning old-time fiddle player himself, will serve as one of the judges for the fiddle championship during the activities the third week in September.

Hoffman, a San Antonion, either competes in or judges old fiddler's contests in just about every state in the southwest, particularly Louisiana, Texas, Oklahoma and New Mexico.

The champion fiddler has been rounding up some of the top fiddlers around to compete in Chilympiad. He said two divisions will begin Saturday, Sept. 21 at 1 p.m. in the new chili cook-off site known as the Hays County Civic Center.

The first divisions to begin will be 0-30 and the 60 and up age group. On Sunday, at 2 p.m., the 31-60 division will compete. After this competition, the winners of all three divisions will square off for the Texas Fiddle Championship.

Hoffman started fiddling himself back about 10 years ago when his barber taught him to read music and to "play some by ear". He later studied under San Antonio Symphony violinist Domenick Saltarelli and violin teacher Louis Pupillo.

While Hoffman will be providing part of the expert judging, he has announced several championship fiddlers who have tentatively agreed to bless Chilympiad with their fiddling.

Of those coming is Dick Barrett of Pottsboro, Texas, the present World Champion Fiddler. Then, an 18-year-old, Terry Morris of Decatur, Texas will be coming. Morris is the present Texas Old Time Fiddling Champion.

Always a good competitor at Chilympiad is the reigning

champion of the 1973 contest here in San Marcos, Johnny Smith of Missouri City, Texas. Smith is a fine fiddler on waltzes and other fiddle specialty music and has a record out new, said Hoffman.

Although these are the only names released by Hoffman at this time, the old fiddler says there are many more performers scheduled to meet the test for the Texas Fiddle Championship in San Marcos.

Just these names alone in the fiddlin' profession makes that foot want to start stomping.

And, besides the fiddle championship at the chili cook-off this year in San Marcos, there are many other zany activities included.

The Confederate Air Force will be staging its static display with periodic fly overs; Chilympiad's 1974 Queen will be crowned; arts and crafts will be displayed and sold; several band concerts; a beard growing contest; antique and classic car show; and four big dances with Darrell McCall, Willie Nelson and The Velvets featured during the four-day chilybration.

In the "pot of hot" cook-offs, besides that of the old pros, chili heads in San Marcos have also scheduled a junior and collegiate bowl of red cook-off.

Gaskin TOPS 'King of Week'

At roll call at Morning TOPS this week it was announced that Charles Gaskin was "King of the Week" with a 3 pound weight loss. Runner-up was Betty McMeredit with a 2 1/4 loss. Club total loss for the week was 18 1/2 pounds. Jo Ann White won a dollar from the Ha-ha box.

Two new members were introduced. They were Vicki Cochran and Janie Jordan.

Meetings are held every Tuesday morning in the Methodist Youth Building. Weigh-in begins at 8:30 a.m. followed by the regular meeting at 9:30 a.m. New members are always welcome.

Further information on Morning TOPS may be obtained from Secretary Betty McMeredit, 729-6213.

The Mason-Dixon Line is now the boundary line between Maryland and Pennsylvania.

This photo will bring back memories to many old-timers. It shows the seventh and eighth graders at Rockport High School in 1915.

Photo of 1915 7th, 8th Graders Found

The accompanying photo shows members of the 1915 seventh and eighth grades at Rockport High School.

In the top row (left to right) are shown Ira Colley, teacher, Lloyd Smith, Ross Brittain, Victor Crowell, Eddie Picton, Welcome Chalmers, Lynnman Oglesby, Guy Paine and Jack Young.

Second row (left to right) shows Clara Glass, Mary Glass, Ethel Glass, Marie Phillips, Hazel Oglesby, Iris Sorenson, Mattie Gray and Clara Barnard.

Bottom row (left to right) shows Lena Ansley, Tiny Young, Alta Sparks, Jonnie Ricon, Ityl Chadwick, Mozelle Morrell, Lola Bracht, Louise Nunn and Lois Sparkman.

The Col. Kenneth L. Thomas Family had a reunion, the first since 1966. Jack L. Thomas came from Miami, Florida, a physicist in the experimental division of the Miami Weather Bureau.

Mike L. is in the long line division of AT&T telephone Co. in Fairfax, Virginia and Judy is a freshman at the R.F.H.S.

Letter to the Editor

The Rockport Chapter of The American Association of Retired Persons, #1536, asks that a correction please be made. The Rockport City Council report, published Thursday, September 12th, should have stated, "Concern Center", not A.A.R.P. The Rockport Chapter A.A.R.P. did not request financial aid.

Several months ago, two members, and I appeared before the City Council, on behalf of the Concern Center, to request a grant for Revenue Sharing to pay rent for the Office of the Concern Center. The owner of the building halved the normal rent, and we felt that a small share of Revenue Sharing was justified. This was granted, and the Concern Center, feeling secure in the City's commitment, moved to its present location, 206 N. Magnolia.

The point we wish to make clear is, the grant was asked for the Concern Center - not for Rockport Chapter A.A.R.P.

The Concern Center, while sponsored by this

Chapter, is a Community Project. It has its own board, its own finances, its own Treasurer. The Concern Center is not financed by A.A.R.P. The

Chapter has made donations to various Community Projects; among them, a donation to the Concern Center in January, 1974, to help it get started.

The Concern Women of Aransas County pay for the telephone, and the office supplies. Donations from the Good Neighbors, and individuals; a Rummage Sale, a small sale of Arts and Crafts, during Open House, have provided the only financial support received by the Concern Center. Furnishings were donated or loaned by Concerned People. The Rockport Chapter A.A.R.P., has not, and will not at any time, ask for Financial Aid, or Donations for Chapter use.

Our Motto is, "To Serve, not to be served."

Respectfully,
Zollie H. Glass, President
Rockport Chapter, A.A.R.P.
#1536

In ancient times it was believed that mushrooms sprang up in rings where fairies danced at night.

More than a billion people in the world depend on rice for more than half of their food diet.

It's a Girl !!
CONGRATULATIONS

Mr. and Mrs. Larry B. Harper of Houston are happy to announce the birth of a baby daughter, Jennifer Dawn born on August 22 and weighing 9 pounds, one ounce. Maternal grandparents are Mr. and Mrs. Joseph F. Novosad of Fulton. Paternal grandparents are Mrs. Betty Trimm of Humble and Charles Harper of Houston. Maternal great-grandmothers are Mrs. Ruby A. Clinkscates of Fulton and Mrs. Annie Novosad of Keeseville, N.Y. Paternal great-grandmother is Mrs. Ola Mae Boyd of Houston.

Ramon Ramirez, the kindly part-time maintenance man at Peninsula Oaks Subdivision, recently came up with an excellent idea for publicizing the Rockport area throughout the world.

He was visiting with Mr. and Mrs. Merv Sours and congratulating them on their 50th wedding anniversary. All of a sudden he reached into his pocket, drew out some money and gave it to them as a gift.

After being thanked, Ramon said, "There is only one thing I wish you would do with this money. Before you leave for Hawaii (which will be the highlight of the Sours' golden wedding anniversary celebration) I would like for you to go down town and buy some postcards with pictures of Rockport on them."

"When you get to Hawaii you will meet lots of people from everywhere and some you will get to know pretty well. When someone asks where you come from, give

them a postcard with a picture of the Rockport area showing a pretty picture of Rockport Beach or a shrimp boat or live oak trees. Then you say, 'That's where I live. Isn't it beautiful.'"

widely throughout this country, either on business or for pleasure. Some go abroad frequently. Why wouldn't it be a good idea to get some post cards illustrating the attractions of Rockport, or some

brochures from the Chamber of Commerce or Tourist Association, or both. Pass them out when the occasion is right-like when you're visiting with someone and sort of bragging about the

place where you live. Thank you, Ramon Ramirez, for an excellent idea of how to help promote the Rockport-Fulton-Lamar area.

Permit Needed To Dredge On Private Land

AUSTIN—You need a permit to dredge if you plan to remove material from a saltwater bay bottom, even if the bay is privately owned, according to Texas Parks and Wildlife Department officials.

A 1969 Attorney General's opinion states that dredgers not only must have a permit from the Parks and Wildlife Department, but they also must furnish proof that the land on which they are dredging is theirs.

If they can furnish no proof of ownership then they must pay for the bottom material which they dredge.

Department officials stress that privately owned bay bottoms are rare since by law all tidal areas belong to the state. Anyone claiming the land under tidal waters must be able to satisfy the Texas Parks and Wildlife Department of his ownership "from the sovereign."

Pattern Your Shotgun For Better Shooting

AUSTIN—Most bird hunters would have to admit that they know little if anything about what comes out of their shotgun when the trigger is pulled.

But it only takes a few minutes to learn exactly what kind of pattern a shotgun tosses and it could mean the difference in the number of clean kills scored this hunting season.

With dove season beginning Sept. 1 in the North Zone, hunters are advised by the Texas Parks and Wildlife Department that patterning can be accomplished anywhere that shooting is permissible. All that's needed is a roll of

FOR SALE: (2) 9 x 12 yellow shag carpets w/padding. Used 6 months, \$35 each set. 729-0351 or 729-8523. p27

12-gauge shell with 1 1/8 ounces of No. 7 1/2 shot contains some 395 pellets (consult a chart in a good gunning book). If the circle has 229 holes, the percentage is 58.

A couple more shots on fresh paper at 20 and 30 yards are equally eye-opening. Even improved cylinder barrels "tighten" considerably at shorter ranges where the shot string, like a stream of water

wrapping paper or several sheets of newspaper. Draw a 30-inch circle and pin the paper target to a frame or suitable stand; never shoot at a tree or anything else which could be damaged by a load of birdshot.

Since most doves are taken at a range of about 40 yards, pace off 40 steps for the first shot at the circle. Be sure to use the exact loads you will be shooting during open season. The number of pellet holes within the 30-inch circle shows the effective pattern you can expect on a well-placed shot at a flying target.

Around 50 percent of the shot will be within the circle. Surprised? Most gunners are. The percentage varies with the choke and can range from almost 75 percent on full choke to only 40 percent with cylinder bore (no choke).

To determine percentage, divide the circled holes by the shot pellets contained in the load you shoot. For example, a

from a garden hose, is beginning to disperse.

While you're at it, it's worth the time to pattern shotguns with various choke settings, tubes or barrels and the different shotshell loads to be used later for ducks, geese and quail.

Knowing your shotgun, perhaps it will be less of a mystery why some birds last season flew right on through a sure shot.

TOM JESSEE DIES

Thomas J. Jessee, 56, of 818
White Wing Drive, died
Sunday, September 15, at his
home after a long illness.

For several years Mr.
Jessee was an executive at
Rockport Yacht and Supply
Company. He was a member
of the First United Methodist
Church in Rockport and the
Rockport Lions' Club.

Funeral services were held
Tuesday in the Marshall
Funeral Home Chapel in
Rockport with Rev. Tom
McClung, officiating. Inter-
ment followed in the Rockport
Cemetery.

He is survived by his wife,
Mrs. Cepha Jessee, Rockport;
one daughter, Mrs. Barbara
Surprenant, Providence,
Rhode Island; one grand-
daughter, Alix; two sisters,
Mrs. Irma Aubert and Mrs.
Ann Crabb, both of Spencer,
Oklahoma.

Marshall Funeral Home was
in charge of funeral arrange-
ments.

CARD OF THANKS

We wish to thank our many
friends and those interested in
our recent illness, for the
phone calls, cards, prayers
and food so generously given.
It has been a source of
comfort to us both.

Sincerely,
Connie and
Francis Woessner c27

CARD OF THANKS

The kindness and sympathy
of neighbors and friends in our
recent sorrow will always
remain with us as a precious
memory. Our sincere thanks
and gratitude for all those
comforting acts.

The family of
Lillian Louise Alcorn. p27

Matagorda Military Reservation Sets Special Deer Season

AUSTIN--A special deer
season which will help thin an
excessive deer population and
at the same time protect the
rare and endangered whooping
crane has been approved for
portions of Matagorda Island
Air Force Range in Calhoun
County.

Approval came from the
Texas Parks and Wildlife
Commission during its August

College Entrance Tests Announced

High School seniors who
plan to attend college during
the 1975-76 school year will be
required to take one of two
entrance examinations-either
the American College Assess-
ment or the Scholastic
Aptitude Test, depending
upon individual college re-
quirements.

Last week high school
seniors were informed of the
test dates in a group meeting
with the high school counselor.
The American College Assess-
ment will be given on October
19, 1974, December 14, 1974,
February 22, 1975, April 26,
1975 and June 14, 1975.

The Scholastic Aptitude
Test will be given on October
12, 1974, November 2, 1974,
December 7, 1974, February
1, 1975, April 5, 1975 and
June 28, 1975.

Seniors were advised to
take the tests as early as
possible so college entrance
plans can be made. Each
student received a booklet
containing facts on post-gra-
duate schooling including tech-
nical as well as college
information. Emphasis was
placed on the deadline dates
pertaining to registration for
the college entrance exams.
The tests are given at
different schools in Corpus
Christi. Applications for the
tests are available from the
counselor's office.

Mrs. Noah Taylor is in room
692 at Spohn Hospital after
undergoing back surgery last
Thursday.

meeting in Austin which set a
gun season at Oct. 1 through
Oct. 15 for the "Bravo" and
"Charlie" units of the range.

The special firearms season
is prior to the arrival of
whooping cranes at the
Aransas National Wildlife
Refuge.

The commission also ap-
proved an Oct. 16 through
Oct. 31 archery season for the
two units. On the rest of the
Matagorda military reserva-
tion, the season is the same as
it is in the rest of Calhoun
County as approved under the
Statewide Hunting, Fishing
and Trapping Proclamations.

"Bravo" and "Charlie" units
are within the range of the
whooping cranes' winter
grounds, and hunting deer
with high-powered rifles posed
a possible threat to the birds,
according to Parks and
Wildlife Department officials.

The action came about
because the two units were
closed during the 1973 season
in order to protect the cranes.
This led to an overpopulation
of deer on these two ranges
which threatened depletion
and waste.

All deer killed during the
special firearm season will be
required to be checked
through a department de-
signed check station where
metal box-car-type seals will
be affixed to the carcasses,
indicating legally taken deer.

Merit Scholarship

Tests Scheduled

Students at Rockport-Fulton
High School will have the
opportunity to join over one
million other students around
the world in taking the
Preliminary Scholastic Apti-
tude Test/National Merit
Scholarship Qualifying Test
(PSAT/NMSQT) as an impor-
tant step in making college
plans.

The test, to be given here
on October 22nd, is designed
to measure verbal and
mathematical abilities that are
important in doing college
work. The PSAT/NMSQT is
cosponsored by the College
Board and the National Merit
Scholarship Corporation.

In addition to helping
students find out more about
themselves and their abilities,
the PSAT/NMSQT can lead to
other opportunities such as:

-entering the competition
for scholarships administered
by the National Merit
Scholarship Corporation

-participating in the Col-
lege Board's Student Search
Service (SSS) so they can get
information from colleges that
may be looking for students
like them.

These are described in the
PSAT/NMSQT STUDENT
BULLETIN, available in the
counseling office.

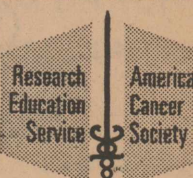

To help students get the
most out of their participation,
they will receive a booklet
called ABOUT YOUR PSAT/-

NMSQT SCORES with score
reports. It will show them
where to find and how to use
more detailed information
about colleges and financial aid
and how to plan for a college
education. It will also explain
how they can estimate their
SAT scores.

When they get their scores,
students can use the College
Board's College Handbook to
compare themselves with
enrolled students at hundreds
of colleges and universities
and find out their chances of
getting into-and succeeding at-
the colleges of their choice.

"Breadbasket"

On ancient maps Syria en-
compassed all of the fertile
land between the Mediterrane-
an Sea and the Arabian
desert, from the Gulf of Alex-
andretta to Sinai. It was the
"breadbasket" of the Roman
Empire.

HOROSCOPE

Week of September 22, 1974
VIRGO-- Practical and careful best describe those born under this sign. They generally follow through on any undertaking. Best color is blue, lucky number is 8 and lucky day is Wednesday.

VIRGO--Aug. 23 to Sept. 22--Get your financial records in order. Know where your money is going. Don't trust these matters to someone else.

LIBRA--Sept. 23 to Oct. 22--Important people are suddenly interested in your ideas. State them clearly and concisely. You have a great deal of organizational ability.

SCORPIO--Oct. 23 to Nov. 22--Complete current projects before undertaking new ones. Then take the time to improve your surroundings. Your outlook will improve if you take the time to listen to good music.

SAGITTARIUS--Nov. 23 to Dec. 21--Stop clowning around so much! A comedy role doesn't suit your personality at the present time. Some matters now require serious consideration.

CAPRICORN--Dec. 22 to Jan. 19--Above all else, be

yourself! A pretentious attitude leaves you frustrated. Read books on positive thinking. Continuing education is important.

AQUARIUS--Jan. 20 to Feb. 18--Put on your casual clothes and take a stroll. Take time to enjoy the beauty of nature. Walk the straight and narrow as far as personal behavior is concerned.

PISCES--Feb. 19 to March 20--Stop thinking there is only one way to do things--yours! You are not always right. Take the opinions of close associates into consideration.

ARIES--March 21 to April 20--You will find yourself in a position to exert a subtle, but powerful influence on others. Use this influence to benefit others.

TAURUS--April 21 to May 20--Avoid the tendency to be wishy-washy during this period. Make decisions even if they're wrong. Your thoughts become more decisive later in the week.

GEMINI--May 21 to June 20--Your personality shines through this week. Make hay while the sun shines during this persuasive period.

CANCER--June 21 to July 22--Make room for others. You don't have the monopoly in your field. Be cooperative with those who share your interests. Living in the past is a waste of time.

LEO--July 23 to Aug. 22--In the field of romance be sure and then proceed. You should now be embarking on a lifelong love or friendship.

Woman's Missionary Society Meets

Woman's Missionary Society of the First Baptist Church met for their first fall meeting Sept. 10 in the Educational Building of the Church. The members met for their Week of Prayer Program.

Mrs. Larry Stewart, the president, was in charge of the meeting. Mrs. Rada West was in charge of the program. The meeting opened with the song, "Love Is the Theme". This was followed with prayer by Mrs. T. L. Beedy.

The theme of the program was "Love", taken from 1st Corinthians. The topic was River Ministries along the Rio Grande River. This includes 889 miles along the river.

Those on the program were: Mrs. Truett Roach, Mrs. Gail Baham, Mrs. Rada West, Mrs. Ray Longino, Jr., Mrs. Tiney Gayle, Mrs. Josephine Cox, Mrs. Eva Lutz and Mrs. Larry Stewart.

There were 14 members and visitors present. The members dismissed with prayer, and then enjoyed a covered dish luncheon.

Tiney Gayle, reporter

DIET & CANCER

ST. AUGUSTINE, FLA.--Dr. Ernst L. Wynder, president of the American Health Foundation of New York, reports that a "prudent diet" would do double duty to resist cancer as well as heart attacks.

Pharmacy Topics

By SHELLEY ROATEN

Think orthodontics is new? A Roman encyclopedist, circa 50 A.D., recommended finger pressure as a corrective device.

New test enables physicians to pinpoint damage to heart muscles after a heart attack. Will be beneficial before surgery, too.

Late-season sunburn? Add 1 1/2 cups baking soda to a tepid bath for quick relief.

Wearers of the new atomic pacemakers are checked once a week--by phone. Their electrocardiograph and pacemaker signals are monitored at the hospital in Newark, N.J., where they were installed.

Can't forget to take a pill with the new reminder just patented. Pill box has a timer and buzzer; its alarm reminds you of pill-taking time, and keeps buzzing until you reset it.

If the prescription's THAT important, have it filled pronto at

Roaten's

Your health is our business. c27

Women Veterans

Women comprise 1.9 percent of the U.S. veteran population. Of the 551,000 female veterans of the Armed Forces, 103,000 are Vietnam era veterans, the Veterans Administration reported today.

About 12,000 have entered civil life during the past year. The total number includes 303,000 World War II veterans, 74,000 from the Korean Conflict, 14,000 from World War I and the Spanish-American War, and 57,000 who were in service between the end of the Korean Conflict and the beginning of the Vietnam era.

About 494,000 served during wartime periods; 426,000 are married, and 55,000 are heads of households. By age,

the largest grouping (128,000) is in the 50 to 54 years range. There are about 9,000 Army and 5,000 Navy (including Marine Corps) women veterans of World War I and the Spanish-American War.

Three times as many women as men have arthritis.

**Ways to Refinish
Furniture By Cleaning**

College Station--One easy
way to restore the finish on
some used furniture only
involves cleaning--but cleaning
with a reconditioner cleanser,
according to one expert.

She's Patricia Bradshaw,
housing and home furnishings
specialist, Texas Agricultural
Extension Service, The Texas
A&M University System.

"Before stripping and refin-
ishing, try a cleanser condi-
tioner to restore natural
grain and color of wood,
conceal scratches and retard
crazing or checking.

"It will also remove cloudi-
ness caused by smoke, grease
and dust, and will recondition
wood dried from overheated
rooms," she advised.

Turning to specific direc-
tions for making the cleanser
conditioner, the specialist said
to mix in a bottle one part
gum turpentine with three
parts of boiled linseed oil.

"Cover the mixture tightly
and shake well-it will keep
indefinitely."

To apply, pour enough
cleanser conditioner into a
dish of hot water to cover the
surface. Do not stir.

Dip a cloth into the floating
oil mixture--the hot water
makes the oil easier to use.
Apply to a small area at a
time and avoid getting too
much moisture in joints or
glued areas.

Rub the surface with the oil
mixture. If there is a build up
of dirt, dip grade 3/0 steel
wool into the mixture and rub
lightly.

Wring out a clean cloth with
clear warm water and wipe
the furniture surface.

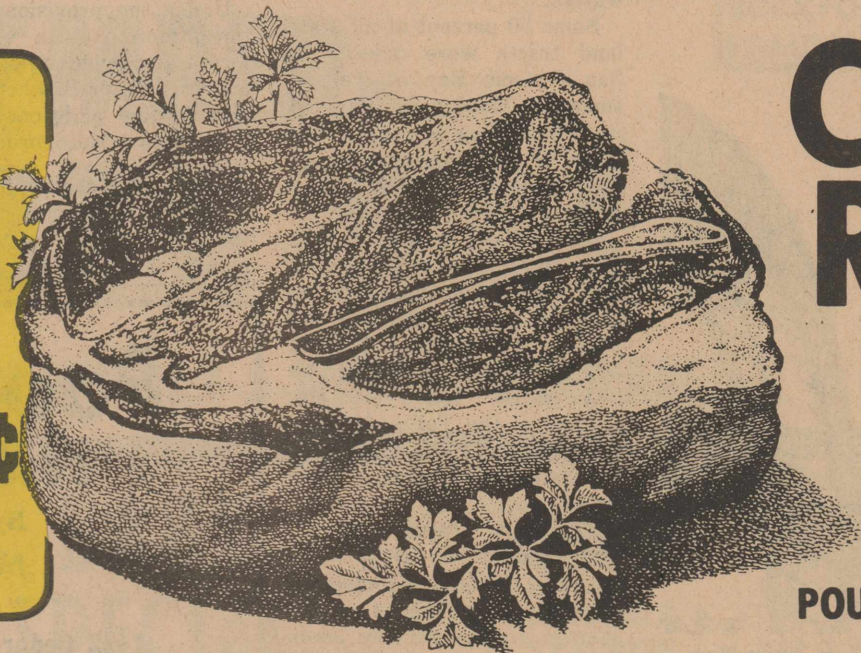

Discard the mixture when
the water cools. Do not
reheat because the mixture is
flammable and becomes gum-
my.

"If you use the cleanser
conditioner on shellac finishes,
use it sparingly and wring the
rinse cloth dry," the specialist
said.

Texas Organized Crime Prevention Council

(RELEASED THROUGH PUBLIC INFORMATION OFFICE TEXAS DEPARTMENT OF PUBLIC SAFETY, AUSTIN)

(EDITOR'S NOTE: This sixth story on organized crime developed by the Texas Department of Public Safety

exposes the official cooperation and public tolerance that must exist for organized crime to take root in Texas. Houston District Attorney Carol Vance views the current scene saying victimless crime is usually the first sign of the mob's financial interest in a community. The 12-story series is based on interviews with state law enforcement officials and representatives from the ten Texas Organized Crime Task Forces.)

HOUSTON--Harris County District Attorney Carol Vance believes it's time to put to rest

the idea that organized crime can function without some degree of cooperation from public officials.

"It may be comforting to think all of the good people are lined up on this side of the street and all of the bad people are lined up on the other, but it isn't the realistic view at all," Vance said in an interview.

The Houston district attorney, who serves on the Texas Organized Crime Prevention Council co-chaired by Attorney General John Hill and Texas Department of Public Safety Director Wilson E. Speir, credits Texas with generally good law enforcement against organized crime.

"But there's plenty of evidence of corruption in other states and we in Texas have had our own problems from time to time," he added.

"Most people responsible for law enforcement do a good and conscientious job, but we have to recognize that some are vulnerable to corruption and there must be constant vigilance. Organized crime is quite willing and able to buy protection whenever and wherever it can."

The district attorney said his Special Crimes Bureau has also been investigating the influence of organized crime in local business venture and has uncovered considerable evidence.

The same bureau now has charge of investigations of election law violations. Vance pointed out that the new Texas election laws prescribe severe penalties for violations of financial reports, contributions and expenditures.

"It should come as no surprise to anyone that syndicated criminal operations are active in Texas," Vance said.

"What we casually define as victimless crime -- gambling, prostitution and so forth -- usually is the first sign of the mob's financial interest in a community. The rackets start small, growing only as the public supplies them with

WHAT APPEARS to be a young lass falling from Harbour Bridge in Sydney, Australia is actually 17-year old Sharon Gilligan jumping for joy after being named to Australia's gymnastic squad. The team travels to Munich in October for world competition.

dollars and tacit approval."

Vance urged citizens to remember that victimless crime supplies the money for other more onerous activities.

"There isn't any doubt that bookmaking is one of the sources of capital for the narcotics traffic," he said. "The so-called innocent bet placed on a football game includes an automatic rakeoff for organized criminals who are engaged in some of the most vicious rackets in our society."

Until more people realize the gravity of the problem, he added, "the state of Texas is sending out a gilt-edge, engraved invitation to the mob -- and I assure you the invitation is being accepted."

On Wonder Cures

From time to time the average citizen is confronted with reports that an herb doctor or a wizard of the arts and roots has cured cancer or some serious disease. It is surprising how many Americans fall for these reports and seek out the individual and pay large sums of money for miracle treatments.

The worst part of this susceptibility is that it sometimes prevents those taken in from getting the proper cure. Hope for some mysterious, simple cure has often led to postponement in seeking a specialist.

Those seriously sick should seek an accredited doctor or a specialist in the field concerned. There are no miracle-makers.

TPW Commission Takes Shell Dredging Action

AUSTIN--During their August meeting Texas Parks and Wildlife Commissioners revised all valid shell dredging permits for operating in state waters.

Some 50 percent of all state land tracts were deleted in San Antonio Bay as well as some in Matagorda Bay. A state land tract is usually 640 acres or one square mile; 45 such tracts were closed in San Antonio Bay.

Many of the tracts closed in San Antonio were shut down because of their proximity to existing oyster reefs, and two tracts in Southeast Lavaca Bay and Northeast Matagorda Bay were closed at the request of the Texas Antiquities Committee because of the proximity of historical ship wrecks.

Two other tracts in Northeast Matagorda Bay were closed to dredging because silt from the operations would damage marine nursery areas in Carancahua Bay.

All tracts in Nueces, Galveston and Trinity Bays were removed from the permits.

The revision of shell dredging permits was one of six items pertaining to shell dredging which was on the commission agenda for August.

Commissioners postponed until September action on a new set of definitions to terms pertaining to violations of shell dredging permits which were challenged by the dredging industry as "unclear."

Commissioners also voted to grant shell dredging permits for a period of two years beginning the date of permit issuance. Under the new policy, all permits now outstanding will be terminated Sept. 30, 1974, and reissued with an effective date of Oct. 1, 1974.

The new permits will be valid in the specified state land tracts in San Antonio, Southwest Lavaca, Northwest Matagorda and Northeast Matagorda Bays and Sabine Lake.

A special shell dredging permit and an amendment to

an existing permit requested by Parker Brothers and Company, a shell dredging firm in Houston, were approved by the commissioners. The company applied for a permit to remove a reef next to a ship channel in Lavaca Bay with the provision that they would construct another reef in another part of the bay equal in size to the one they dredged.

Under the provisions of an amendment to an existing permit approved by commissioners, Parker Brothers were granted five additional tracts in Northeast Matagorda Bay.

Commission members voted to amend a permit held by Lone Star Industries to include seven additional state

tracts in the same area. TP&WD executive director Clayton Garrison also was authorized by the commission to add or delete future tracts and grant special dredging permits.

To Receive Degree

Patricia Sue Henderson will receive a bachelor of science degree in elementary education from the College of Education at the University of Texas at the close of the summer semester.

Western Nevada Community College at Reno offers a course in slot machine repairing.
