Commissioners Revamp County

Three Precinct Lines Divide C-City

Commissioners Court Tuesday voted unamimous approval for redistricting of Mitchell County's commissioners precincts -- a realignmnet which severely changes the boundaires of Precincts 1, 2 and 3.

The action -- in the making approximately two years as commissioners studied and revamped proposals time again -- attempts to place between 1,050 and 1,100 voters in each of the precincts.

Court rulings have made it mandatory that all counties bring precincts in line with a one vote-one person ratio, and commissioners have sought to make the new boundaries conform to within 10 per cent of ration.
this ratio.

New precinct lines will go into effect Jan. 1 and more changes may come after the 1970 U. S. Census.

"Commissioners believe they have done the most equitable realignment possible in view of the fact that last federal census was more than nine years ago,' said County Judge Elmer Martin.

Three precincts instead of current two will come into main Colorado City residential area for the first time. These are Precincts 1, 2 and 3.

Until a previous realignment several years ago by Commissioners Court -- a voluntary move which brought commendation from all across Texas, Precincts 2 and 3 had been known basically as Westbrook and Spade precincts, respectively.

Remaining practically unchanged by the new boundaries is Precinct 4, which centers around Loraine and covers most of the counties eastern area.

Here are three major points in the new alignment:

1. Precinct 2 will gain an area in Colorado City from 6th Street north to 22nd Street and gain the west side of Lake Colorado City.

2. Precinct 3 will gain an area inside Colorado City north from sixth street to the north city limits (formerly in Precinct 1), adjust some with Precinct 2 southwest of Westbrook and gain some off Precinct 2 northwest of Colorado City.

3. Precinct 1, the big voting precinct of the whole county, will lose a big portion of its area in the middle of Colorado City east of Oak to Vine to Precinct 2 and 3, but will gain some in downtown strip.

Justice of peace precincts are not changed in the Tuesday action and are not expected to be remapped until next year.

Here is a general outline of boundaries for the new precinct setup:

Precinct 2 - Moves from the county's western west and north of a line splitting Lake Colorado City, then moving toward Colorado City on north side of Interstate 20, then along U. S. 80 Business Route to Colorado River bridge, then along the river north to Seventh St., east on Seventh St. to Oak, north on Oak to 17th St., north from 17th St. to north city limits, then west to Colorado River, then meander with river to old Precinct 2 line at Cedar Bend, then northwest along old Precinct 2 line. The boundary moves west from Colorado City Lake dam for 1.5 miles to old Precinct 2 line, then west along old line to Howard County line.

Precinct 3 -- On east side of line splitting Lake Colorado City, then south or east of a line extending from lake to Interstate 20, then following south side of Interstate 20 to U. S. 80 Business Route, then south side of U. S. 80 east to Colorado River Bridge, north along river to Seventh St., east on Seventh to Oak, north on Oak to 17th St., then north to city limits, east on north city limits line to Austin, south on Austin across Hickory to Vine, south on Vine to Fourth and Vine, west on Fourth to north side of Courthouse, south from Courthouse down alley to West 2nd (U. S. 80 Business), east on Second to Austin, south on Austin to old Precinct 3 line on Austin.

Precinct 1 -- Bounded by line starting on Austin at south city limits, extending north on Austin to West Point (East Highway 80 Business Route), west on Second St. (continuance of West Point and East Highway 80) to an alley between Pine and Oak, then north to West Fourth St. between Pine and Oak, east on Fourth to Vine, north on Vine to Austin, north on Austin to north city limits, then cutting back west along Pct. 2 and Pct. 3 lines to Colorado River, north up east side of River to Cedar Bend and old Precinct 1 boundary.

Precinct 4 -- Remains same.

The new alingment will split the Courthouse for Precinct 1 and 2. This has the traditional all-Precinct 1 voting location in previous years.

Factory Parking Line

Line of cars on the parking lot across from Colorado City Manufacturing Company, division of Jeanne Manufacturing of Dallas, becomes longer day-by-day as the number of employees inside the brand new dress plant increases. The company payroll Wednesday listed 55 employes and the first shipment of finished dresses will move out of the plant before the weekend.

Donors Aid Red Cross

Red Cross officials reported an additional $227 in contributions the last week intended to keep the Mitchell County chapter open until the end of the year.

The special fund got a major boost with a check for $100 from Mr. and Mrs. B. D. Bassham, local ranchers. Other donations were:

Donations of $25 from J. H. Cosper, Mr. and Mrs. J. W. Randle and Ann; $20 from R. D. Buchanan; $15 from the Lydia Bible Class of the First Methodist Church; $10 Mr. and Mrs. Henry Bilberry; $6, Mr. and Mrs. Bruce Hart; $5 each, Mrs. B. T. Daugherty, Mr. and Mrs. Roy Warren, C. D. Bozeman and Mr. and Mrs. Bo Merket; $3 each, Mrs. Mary A. Scott, and Mrs. Mayme Dozier.

★ Wildcat to Drill Deep

A new wildcat deep test for oil is scheduled in Mitchell County's far southwest area.

It will be the Ray A. Albaugh of Big Spring No. 1-23-2 McDaniels, drilling to projected depth of 8,100 feet for a test of the Mississippian.

Location will be 25 miles southwest of Colorado City at a site 467 feet from north and east lines of southeast quarter, Section 23, Block 17, SP Survey.

Faculty Sessions Keynote School Term Opening

Two days of faculty meetings highlighted by a Chamber of Commerce coffee and workshops detailed by visiting educators, will initiate Colorado City's new public school term.

A general faculty meeting and coffee in Colorado High cafeteria Tuesday will open the two days of activities for teachers and administrators.

Hosting the coffee, from 9 a.m. until 9:30 a.m., will be the Chamber's education committee with Mrs. James Kelley in charge of arrangements.

At a general session following the coffee, Supt. James G. McMath will preside and Rev. Glenn Roenfeldt, pastor of First Baptist Church, will speak the invocation.

Officials of the Chamber of Commerce will greet the 1969-70 teaching staff and welcome newcomer members of the faculty. Staff members will be introduced by the superintendent.

Professional emphasis for the faculty will be pointed out by officials of local units of Texas State Teachers Association and Classroom Teachers Association.

Supt. McMath will conclude the morning general session with a keynote talk for the new school year, "Our Challenge and Mandate -- Quality Teaching."

Dr. Tom Lawrence and Miss Mary Hood, specialists with Education Service Center in Abilene, will lead workshops sessions for the faculty in the afternoon, beginning at 1:30 p.m. and continuing until after 4 p.m.

This special orientation will divide elementary teachers (in the cafeteria) and secondary teachers (in the library).

In a 1:30 to 2:30 p.m. session secondary teachers will participate in a workshop directed by Dr. Lawrence on "Counseling and Effective Uses of Test Data," a program which is being continually expanded throughout the Colorado City system in an effort to best serve the student and apply most effective teaching techniques.

At the same time Miss Hood will direct a dual workshop for elementary teachers. One phase will be a video tape presentation for "Interpretation of the Wechsler Intelligence Scale for Children," a

Classes Wed. At Westbrook

Westbrook public schools begin classes Wednesday, Aug. 27, following two-days of preregistration for high school students.

Supt. L. M. Dawson, returning to his hometown in his first year at the helm of schools, said classes begin at 8:25 a.m. Wednesday.

Junior High and High School students will meet in the auditorium at 8:30 a.m. opening day for brief orientation before beginning regular activities.

First six grades will have an auditorium session at 1:30 p.m. for their orientation.

School buses will operate on regular schedule Wednesday morning, lunch will be served in the lunchroom at noon and students will be dismissed at 2 p.m., according to Supt. Dawson.

Pre-registration for Westbrook High students will begin Monday, Aug. 25, at 1:30 p.m. with seniors.

Freshmen will pre-register the same day, Monday, at 2:30 p.m.

Pre-registering will continue Tuesday, Aug. 26, with sophomores reporting at 1:30 p.m. and juniors at 2:30 p.m.

Dawson, the new superintendent, is a 1943 graduate of Westbrook High with bachelor of science and master of education degree from Texas Tech.

For 13 years he was superintendent of Fluvanna public schools before entering the insurance business in Snyder for a year.

Sign-Up Starts Monday

$34,910 Emergency ACP Funds

Mitchell County agricultural producers damaged by excessive rain and flooding in May can begin signing up for emergency repair funds Monday.

The sign-up will be at Agricultural Stabilization & Conservation Service Office for a total of $34,910 allocated to Mitchell County.

Designation of Mitchell as a disaster county approved for Agricultural Conservation Program emergency practices to correct the May damage was announced Aug. 1.

The $34,910 for the county was allocated by the State ASCS Committee after the U. S. Department of Agriculture set up $200,900 for emergency assistance to several area counties.

Maximum federal cost-shares approved for all practices in the emergency program are 70 per cent, according to Eddie Braswell, ASCS office manager. Percentage for regular cost-sharing is 50 per cent.

Producers who already have made repairs are eligible for participation in the emergency funding as well as those yet to make repairs. However, they must sign-up at the ASCS within 30 days from Aug. 25, Braswell pointed out.

Regulations require that emergency cost-sharing be offered only for repairing or replacing a practice and must not be offered for work on problems exisiting prior to the May water damage.

Season Tickets

Now On Sale Here

Season tickets for the 1969 CHS Wolf football season went on sale at Colorado High School Wednesday, according to announcement by Wallace Price, high school principal.

Tickets will be available through Sept. 2 and holders of reserved seats for last season who want to reserve the same seats are asked to come by the CHS office or to phone 728-3071.

Price of the season tickets for the five home games to be played in Wolf Stadium here will be $7.50 said Price.

4-Day Rest Stop Due

Jaycees To Serve Holiday Travelers

Colorado City Jaycees, with assistance from Jaycee-ettes and local merchants, are planning another holiday rest stop for Labor Day weekend.

The three-day safety project aimed with Texas Jaycees toward slowing, relaxing, and influencing travelers toward safe travel -- is being set up by a Jaycee committee headed by Wendell Jarnagin and Willis Taylor.

Jarnagin, former Jaycee president, said the holiday stop will be at Jeff Taylor's Enco Station at Intersection of Interstate 20 and State 208 at the city's north limits.

It will be operated for four days--Friday, Saturday, Sunday, and Monday--from August 29 through Sept. 1.

Jaycees, in addition to offering travel information and goodwill to travelers, will serve coffee, soft drinks, and cookies. The cookies will be furnished by Jaycee-ettes and the drinks will be contributed by merchants, Jarnagin said.

Safety flares will be available for purchase at the rest stop and maps, brochures will be free.

The safety stop will begin operation at 4:30 p.m. Friday morning and afternoon, operating from 9 a.m. until midnight, said Taylor.

This will be the third consecutive year for Colorado Jaycees to operate the Labor Day rest stop in cooperation with their state organization. Sweetwater and Big Spring will be manning their stations at similar stops as will Jaycees all across the state.

"Our idea is not only to wish, but to help everyone have a happy and safe holiday weekend. . .and return home safely," Taylor emphasized.

The co-chairman urged local residents on the road for Labor Day weekend visits to stop and relax at Jaycee stations in other towns.

In addition, local residents are invited to visit Colorado City's rest stop and visit with some of the travelers.

The project across Texas last year served 2.5 million people and larger cities had as many as 15 operating within their individual vicinities.

Hours will be extended Saturday, Sunday and Monday through Aug. 29, before Labor Day. It will continue until midnight opening day.

FOR BOY SCOUTS

2-County Swim Meet

District swimming meet for Boy Scouts in Scurry and Mitchell Counties is scheduled Friday evening in Colorado City's Ruddick Park Pool.

All registered scouts within the two-county area will be eligible to participate, according to E. O. Vaughan, Boy Scout field director.

Five individual events and two team events will be included in the meet which begins at 7 p.m.

Individual events will be (1) 50 yards free style, (2) 50 yards breast stroke, (3) 50 yards side stroke, (4) 50 yards back stroke, and (5) individual medley relay consisting of back stroke, side stroke, breast stroke and free style.

Team events will be for teams of four scouts each. One will be a medley event and the other free style.

Vaughan said ribbons will be presented to scouts winning first, second and third places in each event.

Ribbons also will be participated to the three troops scoring highest number of points in the meet.

Jerry Reynolds Home Bright With Color

Blake Reynolds, son of the Jerry Reynolds family, finds the spacious den of their new home a favorite place for resting, watching television, and listening to stereo music. Panel walls are of pecan finished ash. Fireplace with raised hearth is of grey velour brick.

Mural in a seashore theme decorates one wall of the new home of Mr. and Mrs. Jerry Reynolds, 1022 East 17th St. Wilma Reynolds, seated beside the mural, chose Italian and French Provincial furnishings for the formal living room which is carpeted in celery green.

By LENA BAUMANN,
Record Women's Editor.

When Mr. and Mrs. Jerry Reynolds and eight-year-old son, Blake, came to Colorado City this summer they moved into a new home at 1022 East 17th Street.

Exterior of the total-electric home is of gray velour brick with white trim.

Inside walls are finished in ivory white except for the dining room and den where paneling is featured.

Entry hall is divided from the formal living room by gray velour brick planters topped by carved posts extending to the ceiling.

One wall of the room is accented by a mural depiciting a seashore scene. Celery green carpet makes a pleasing background for the formal Italian Provincial and French Provincial furnishings.

Antique satin drapes are the same color as the walls and have a self fabric quilted valance. Matching frinze adorns the valance's scalloped edge.

A shuttered door leads from the living room to the bedroom area, all carpeted with green and gold shag carpeting.

Master bedroom is furnished with Early American pecan furniture. Windows are covered with gold drapes which hang from brass rods and are backed by sheer white panels.

Bath just off the bedroom has a corner shower and white fixtures. White wall tile and white formica on the built-in dressing table is matched by white panel curtains. Avocado accessories highlight the white setting.

Guest bedroom has a bright yellow wicker dressing table, complimented by a yellow chair, avocado chest and a large flower designed bedspread in yellow, orange and green.

A sheer yellow pleated valance and yellow shutters with matching insets cover the single window.

Red, white and blue color scheme carried out in an American Eagle designed bedspread and a lifesize cut out picture of a toy soldier make Blake's room "just right" for an eight-year-old boy.

Parchment drapes hang from brass rods. Early American ash and maple furniture is accented by a bright red toy chest.

Large bathroom has oatmeal ceramic tile and white fixtures. The parchment window drape is complimented by a shade designed from matching fabric. Pink and yellow accessories are alternated to accent the white formica counter tops.

Kitchen, dining room and den combination is paneled in ash stained in a pecan finish.

Accent pieces of bright red contrast the harvest gold cook top, hood and dishwasher. A wallpaper border of subtle yellow, gold and green top the cabinets. Woodgrain formica cover cabinet tops and blends artfully with the brown and beige vinyl flooring.

Two shuttered closets at the end of the long den were built for stereo and television. Additional shuttered doors above the stereo and television hide bookshelves and additional storage.

Fireplace and raised hearth repeat the gray velour brick of the house exterior. Sides of the fireplace setting are complimented by several antique pieces and arrangements of pictures.

Mrs. Reynolds has a display of Early American Hummal figurines in the dining area. Her fondness for candles is evident especially in this part of the house.

Red accent pieces are found throughout the den also. Sliding doors from the den lead onto a long roofed porch and spacious back yard fences by a six-foot cedar fence.

Another door from the den opens into the double garage in front of the house.

Mrs. Reynolds is the former Wilma Anderson, daughter of Mr. and Mrs. W. W. Anderson of Route One. A former student in Colorado City schools, she will teach sixth grade at Wallace School this year.

Her husband, a former coach in Andrews schools, is new principal of Hutchinson School.

Adios To Summer

Notice that the younger generation is all geared up for a final adios to summer here the week before school starts.

About 50 Mitchell County 4-H boys and girls head out for Camp Butman at Merkel Friday morning. They'll finish off summer with a picnic, swimming, games, and recreation.

Friday night the two-county Boy Scout swimming contests for Mitchell and Scurry Scouts will be staged out at Ruddick Park.

As summer retreats and school days advance, the kids have the right idea. . .eat, swim, and be carefree. . .

Their adios to summer sounds like one final fun fling. . . And then back to books, ho-hum!

CONVERSATION CORNER

THE WORLD is full of frustrations. There are enough daily frustrations around for every man, woman, and child to have one or more, nearly every day.

What frustrates you?

Do you panic when that back zipper g... stuck halfway up and halfway down and you can't wiggle yourself in or out of the dress you want to wear to an appointment?

Are you the type who dashes madly from the bath to the phone just in time to hear the caller hang up and then feel frustrated the rest of the day?

* * *

ONE OF LIFE'S finest frustrations is the feeling you get when you see somebody you know, or should k... and then draw a complete blank when it comes to ca...'s name.

Another is the "guess who" game or the "remember me?" greeting from an old acquaintance. It's frustrating.

People who dial the wrong number and slam the receiver in disgust frustrate some of us to pieces.

Know one driver (a woman) who stays frustrated when she travels to any city from Abilene to Dallas. She is convinced that every traffic light in Texas is timed just to stop her progress.

* * *

MINOR frustrations people put up with include the watching of a TV mystery only to find that it comes in two parts and will be concluded next Friday night.

Then, there is an air-conditioner failure, always in the middle of a hot night or on Sunday afternoon. Never on Monday.

No need to feel frustrated by things like weather and daylight saving time and higher taxes. You can write your Congressman about the time and taxes, of course. But even Congress can't legislate the temperature and/or precipitation in this country.

* * *

ONE WAY to feel frustrated is to put away something you want to keep. Just try to think where you put it, just try! Only things that ever get really lost in some houses are things put carefully away somewhere.

Newest frustration just now happens to be the deluge of commercials featuring detergents with enzymes and with Arthur Godfrey or Eddie Albert speaking as laundry experts.

Why is that frustrating? Well, residuals or no residuals, any woman listener knows darn well that neither of those gentlemen ever hung out a wash in his whole life!

* * *

IF NONE of those favorite frustrations appeals to you, there is still a wide choice available.

How's about plugging in the iron, waiting too long to press a blouse, then waiting some more while the iron cools?

Running the bath too warm, adding cool water until then it's too cool?

As a pushover for soft chocolate creams, do you always pick the hard centers from a box?

Are you a one-glove, or ear clip loser?

Are you the perennial parking space loser to the car in front of you?

Do you usually think up the perfect clever reply in the middle of the night?

Ah, the world is so full of frustrating things
It's fun just to see what the next crisis brings.

* * *

THE WORLD is also full of pure pleasure—particularly at this season, with company coming and going.

Had the pleasure of seeing old friend Eva Berlin, wife of Otto of Big D, sister of Willie Landau of Little C-City. Eva says her son Larry is enrolled at University of Oklahoma at Norman, Okla. for the fall term.

* * *

SAME DAY, same place, saw our Nancy Price Neal and her tall goodlooking sons Byron and Mark. Nancy, her husband Earl Neal, and the boys are here from New Orleans, La. to visit their mothers, Mrs. Oscar Price and Mrs. Frank Neal, plus Earl's sister Florence (Mrs. Newby) Pratt. They spent last weekend in Odessa visiting Nancy's sister Mary (Mrs. Jack) Womack and her family.

Byron Neal, the couple's first son is a student in LSU. Mark attends prep school in New Orleans.

EXPECTED in C-City Thursday (that's today by now) are the daughter and granddaughter of Ed and Hav (Mr. and Mrs. H. H.) Simons.

They are Sue Simons Panek, wife of Emil, and her d...ter Terry from Denver, Colorado.

Sue works in Denver Public School system. Terry is a sophomore ...t in Colorado State Univers...y at Fort Collins.

JOY reflected on the faces of Harris and Wanda Hamilton of Loraine is there because the couple await a visit from their only daughter, Charla Weinman and her husband Lucky, come Sunday.

Charla is a US Navy nurse stationed at Great Lakes, Illinois. Lucky, ex-Marine, is a student in college at Chicago.

* * *

CHARLIE SMITHS and his sister Ruth (Mrs. Joe) Barnett are happy over an event coming up Saturday night.

Charlie's daughter Mary (Betsy) Belew is to receive her master's degree in elementary education at Texas Tech and the Smith and Barnetts will be there. Betsy teaches in Lubbock.

Guild Presents Gifts At Supper Program

Weslyan Service Guild, First United Methodist Church, presented the church with a portable communion service at their meeting August 11 in Fellowship Hall.

The communion set, to serve six, is designed for use in hospitals, rest homes, and residences of persons unable to attend regular worship hours with the congregation.

Purchase of the service was by the Guild was approved after their recent study of John.

Acceptance of the gift was made by the Rev. Billy Wilkinson, First United Methodist Church pastor.

The pastor also spoke the invocation at the salad supper which preceded the program, and was speaker for the evening. His text was from Romans, the lesson on love and church work.

Other members present were Mrs. Tom Coker, Mrs. Charles Godwin, Mrs. Ethel Hardegree, Mrs. Elmer Martin, Mrs. Arnel B. Smith, Mrs. Tom Glover, Mrs. Myrtle Womack, Mrs. Winnie Quinney, Mrs. Homer Bodine, Mrs. H. H. Gainey, Misses Effie Copeland and Nelda Garrett, Mrs. Elliott and Mrs. J. C. Garrett.

Following the program, Mrs. Lewis B. Elliott made the presentation of a gift to Mrs. J. C. Garrett. An original poem by Mrs. Elliott praised Mrs. Garrett for her long years of service to the church and to the Guild. Mr. and Mrs. Garrett are moving to Abilene.

Hostesses for the supper hour were Mrs. Della Fox, Mrs. Nina Farmer, Mrs. Mayme Dozier, and Mrs. Jesse Bassinger.

Three To Receive Degrees From ASC

Three students from Colorado City will formally receive degrees in San Angelo this week.

They are Nell Pickens Holman, Terry Lee Redwine, and Adron L. Welch. All three will be presented bachelor of science degrees.

Degrees are to be conferred on 118 students when Angelo State University holds its summer commencement exercises at 9 a.m. Saturday, August 23.

Ceremonies are scheduled for the ASU Academic Mall. The commencement speaker will be Dr. Billy Mac Jones, president-elect of Southwest Texas State University and former head of the ASU history department.

Degrees will be conferred by Dr. Lloyd D. Vincent, ASU president, after the certification of candidates by Dr. Hugh E. Meredith, academic dean.

Candidates for degrees include 32 seeking the Bachelor of Arts degree, 28 the Bachelor of Business Administration, and 50 the Bachelor of Science. Eight other students are completing requirements for the Associate of Science in Nursing degree.

This Costs Texans $ 2 MILLION A DAY

YOU HELP PAY THE BILL

The way cars are being wrecked and the way folks are being injured and killed in traffic accidents, it looks like this year's Texas traffic toll will top $800 million. This figures out to be more than $2 million a day and that is a lot of money!

When you pay for your auto insurance you help pay this bill because most of your insurance rate is for the amount of money insurance companies pay for traffic accidents. Add to this the amount they pay for autos destroyed or damaged by collision, fire, hail, theft and pilferage. Lower these amounts and your insurance costs will go down. Raise these amounts that insurance companies must pay and your auto insurance costs will have to go up. It is as simple as that.

Here are three ways to cut your auto insurance costs.

1. Help reduce the number of Texas traffic accidents. You can do this by driving the very best you can and by insisting that traffic laws are enforced in your town, county, and state. Let your Mayor, County Officials and Governor Smith know that you want all traffic laws enforced.

2. Help cut down on car thefts and vandalism by locking your car and taking the keys whenever you park. Always try to park your car in a safe place.

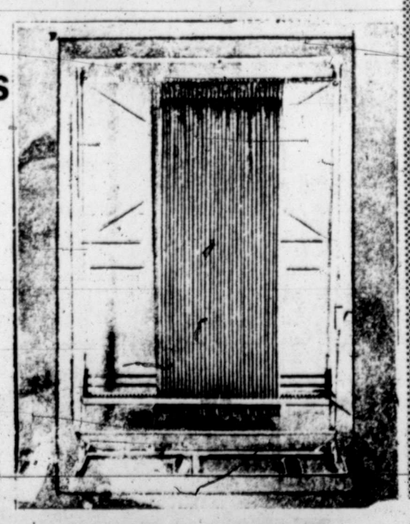

3. Ask your insurance agent to show you how you can save money on your auto insurance by taking full advantage of the Driver Education, Two Car and other discounts now offered in Texas.

Auto insurance costs will be cut in Texas after accidents and their costs go down. You and other motorists of Texas can bring this about . . . if you really want to. IT IS UP TO YOU!

FOR THE YOUNG MAN

One of the more important decisions facing the young man who has just become engaged is that of selecting the engagement diamond. This is one purchase that is really "forever", and if done wisely, will be a joy and not a disappointment. Perhaps I can help in this matter by giving a few tips about diamond values and qualities.

Whether you buy your first diamond from me or elsewhere (and we do have a fine selection), there are certain basics to consider. First of all, determine how much you have to spend on a diamond. An amount of approximately one to two months salary is usually suggested.

Second, learn something of the "four C's" which is the basis for diamond pricing. The American Gem Society Diamond Grading Standards lists them as Cutting, Color, Clarity and Carat Weight. Unless the diamond is scientifically cut and properly polished, the stone lacks brilliance and is greatly reduced in beauty. The finest color in a diamond is pure, crystal white. "Blue White" is a term that is not usually used by ethical jewelers since it is rather misleading.

Clarity is the absence of any internal inclusions which may mar the appearance or the durability of the diamond. A flawless diamond according to FTC regulations, is one that does not show obvious inclusions under ten-power magnification. Minor inclusions may reduce the value of the stone, without harming beauty or durability. All of this is fully explained in some of our free brochures. Stop by soon for further facts.

Air Medal Awarded In Vietnam

U. S. Air Force Staff Sergeant Freddie A. Green, son-in-law of Mr. and Mrs. W. M. Vest of Colorado City has been decorated with the air medal at Tan Son Nhut AB, Vietnam.

Sergeant Green, a flight engineer, received the medal for outstanding airmanship and courage on successful and important missions completed under hazardous conditions. He has flown more than 310 sorties in the C-123 Provider since arriving in Vietnam in January.

The sergeant, a 1959 graduate of Weddsport Central High School, is assigned to a unit of the Pacific Air Forces at Tan Son Nhut. He is the son of Mrs. Charlotte M. Green, Weedsport, New York.

His wife, the former Mary Vest, has been in Colorado City while her husband is overseas.

Rites For E. I. Moore

Final rites for Ernest I. Moore, a former resident here and brother of H. A. (Shorty) Moore and Therman Moore, were conducted Saturday afternoon in Dallas.

Fred Green

Mr. Moore, 73, who had been ill for about two months, died Thursday afternoon in a Masonic home in Grapevine.

He moved from Colorado City about 20 years ago.

Survivors are two sons, Glen Moore and Wendell Moore of Dallas; three daughters - Mrs. Hank Sparr of Big Spring, Mrs. Ernestine Creek and Mrs. Olene Davis of Dallas.

Four brothers - Hatton Moore of Fort Worth, Pete Moore of Odessa, H. A. Moore and Therman Moore of Colorado City; four sisters - Mrs. Faye Koon of Hobbs, N. M., Mrs. Nora Bieregge of Big Spring, Mrs. Martha Oden of Sweetwater and Mrs. Fanny Graham of Sweetwater.

Diverted Acres Need Right Care

Farmers participating in the cotton, feed grain, and wheat programs of the U. S. Department of Agriculture are reminded by Chairman Curtis E. Latimer of the Mitchell County Agricultural Stabilization and Conservation Committee that diverted acreage should be properly maintained throughout the remainder of the year.

Proper care and use of the land diverted is a requirement for earning diversion and price-support payments and for establishing eligibility for price-support loans, the ASC chairman said.

Diverted acres must be land of average or better productivity that would normally be devoted to such crops this year if there were no programs, the chairman pointed out. The diverted land must be kept in a good state of cultivation or have a cover crop.

Noxious weeds should not be allowed to mature on diverted acreage. In addition, no crop may be harvested and the land may not be grazed between May 1 and Oct. 1, Latimer said.

Purpose of diverting acreage, according to Latimer, is to help prevent excess production of these crops. At the same time, the Department of Agriculture is concerned that use of diverted acreage not add to excess production of other crops and also that the land be properly conserved to prevent soil erosion and water siltation.

Latimer emphasized that failure to maintain diverted acres can result in loss of all or part of any payments otherwise earned.

Gillilan Rites In Sweetwater

Funeral services for Elmer P. Gillilan of Sweetwater, father of Mrs. Charley G. Hunt of 1537 Waco Street, was conducted Saturday afternoon in Patterson-McCoy Chapel of Memories in Sweetwater.

Gillilan was found dead in his car Thursday morning from apparent gunshot wounds.

Rev. James Whitfield, pastor of Temple Baptist Church, will officiate in final rites. Burial will be in Sweetwater Cemetery.

He is survived by his wife; two sons, Doyce Gillilan of the US Army and Kenneth Gillilan of Sweetwater; three daughters-Mrs. Hunt, Mrs. Betty Fadon of Marysville, Wash., and Mrs. Joyce Jones of Junction.

Three brothers-Odell Gillilan of Sweetwater, James Gillilan of San Angelo, Earl Gillilan of Seguin.

Also, two sisters, Mrs. Millilee Free of Dallas and Mrs. Pauline Holloway of Colorado City, and seven grandchildren.

Burial Here For Former Resident

Graveside rites for William James Lasseter, a former resident of Colorado City, were conducted Sunday at 3 p.m. in Colorado City Cemetery.

Lasseter, 38, died Tuesday in a Yuma, Ariz., hospital.

Born Jan. 31, 1931, in Ben Wheeler, he lived in Colorado City until 1945 when he moved to Lindsay, Cal. He had lived in Yuma a year.

Survivors are a son, David, and four daughters, Judy, Vickie, Leona, and Chris, all of Checotah, Okla.; a brother, J. W. Lasseter of Scio, Ore.

Three sisters - Mrs. Rose Gamble, Mrs. Pat Gamble of Big Spring and Mrs. Peggy Thompson of Salinas, Cal.

Wood's Son On Warship Off Vietnam

Seaman Ronnie D. Wood USN, son of Mr. and Mrs. Odis Wood of 1210 College Ave., is serving aboard the U. S. Seventh Fleet Destroyer USS Rupertus off the coast of South Vietnam.

The ship is homeported at Yokosuka, Japan and currently operates in the Western Pacific. As a member of Destroyer Squadron Three, the Rupertus patrols Korean, Japanese and waters off Taiwan in addition to numerous assignments in the Gulf of Tonkin.

The ship has recently been involved in heavy shelling of known enemy supply areas.

Nephew Succumbs

Mr. and Mrs. J. C. Wilkerson and family, 141 West 11th St., attended funeral services Sunday for Mrs. Wilkerson's nephew Barnett Sykes Leathers, 17, of Winters.

Son of Mrs. Mary Margaret Leathers and the late Dr. Robert B. Leathers, he died at 3 a.m. Saturday in a San Angelo hospital after an illness of three months.

Survivors are his mother, a sister Margaret Jo of Winters, his grandmother Mrs. Albert Sykes, also of Winters, several aunts and uncles.

Raking In The Bargains With Value. . .

Sure, rake in all the savings you can get. Read the advertisements and make your dollars last longer, buy more.

This is the day of free coupons, saving stamps, extra bargains and discount prices.

These are all important, at least, in relationship to your job or home or family. Even to your future.

There is more, though. Something that is lasting . . . that keeps on going even when coupons and price tags become yellowed and out of date.

This is the thing called religion -- that one special relationship a person has just himself with God.

It outlasts everything, through good times and bad, through happy times and sad. It is that lasting ingredient for true strength and peace.

See if you can't latch on to it for the sake of your and your family. You can find it in church, if you seek.

'70 Wheat Allotment To Be Cut

Allotments for the 1970 wheat program are expected to about 12 per cent less than the previous year, according to Mitchell County's Agricultural Stabilization & Conservation Service.

Domestic marketing certificates will be paid on 48 per cent of allotments of complying farms.

Exact level of the '70 allotments is expected to be announced soon by U. S. Department of Agriculture, Eddie R. Braswell, ASCS office manager said.

Required minimum diversion will be 30.3 per cent of the 1970 farm allotment, he said. Additional land may be diverted up to 50 per cent of the farm allotment.

Small farms with allotments of 19.2 acres or less may divert the entire allotment for payment the office manager explained. And the per acre payment rate will be $1.25 per bushel.

Substitution between wheat and feed grain will be continued for 1970 on those farms enrolled and complying with both programs.

testing program proving successful here in local schools as well as across the nation.

In the other portion of the session, Miss Hood will direct a workshop on "Information on Interpreting Pupil Profiles," also part of the school testing program.

Teachers will pause for a coffee break at 2:30 p.m. and resume their workshops at 3 p.m.

Final workshop sessions will reverse the program, with elementary teachers working under Dr. Lawrence in "Counseling Need of Elementary Children," and secondary teachers working with Miss Hood for "Interpretation of the Weschler Intelligence Scale" and toward interpretation of pupil profiles.

The following day, Wednesday one day before classes begin in all Colorado City schools, teachers will continue orientation and preparation for school's opening with staff meetings directed by principals in their respective buildings.

Traveler Dies Here

Glen Eldon Tullous, 50, was pronounced dead on arrival at Root Memorial Hospital about 2 a.m. Wednesday.

Resident of Arlington, Mr. Tullous and his wife were enroute home from a visit with relatives in Odessa. He had been seriously ill for several months and was resting on the auto's back seat when he succumbed. His Arlington physician reported that Mr. Tullous had been suffering from lung cancer.

Born in Westville, Okla., Oct. 13, 1918, Mr. Tullous was a veteran of Air Force service during World War II and was a carpenter, painter by trade.

Survivors are his wife, one son, Glen Elton Tullous II, one daughter, Debra Ann, all of the home; two brothers Randall of Marlow, Okla., and Wayne of Odessa; one sister, Mrs. Helen Lass of Marlow, Okla.

Funeral service will be in Arlington.
