Fire Damage Estimated $15,000; Five Homeless After Sunday Blaze

SHORT IN WIRING BLAMED FOR BLAZE AT OLTON HARDWARE CO.

Three roaring fires have done more than $15,000 worth of damage in the Olton community since Sunday.

One blaze left a family of five homeless and without funds or clothing.

Only one of the three fires was inside the city limits.

The first was Sunday Afternoon at the Guy Daugherty farm, the second was at Olton Hardware Tuesday night and the third was at the Wilbur Gallaway place.

The fire at the Daugherty place left the Lupe Rodriguez family of five homeless. Friends said the family escaped only with the clothing they wore.

Fire Chief Tom Smith said the house was a total loss. He said the roof already had fallen by the time the Olton firemen reached the scene over snow-clogged foads.

Acquaintances said Mr. Rodriguez had just cashed a check and the currency—$112.00—was in the kitchen cabinet. It, too, was lost.

Unofficial estimates set the total cost of that blaze at near $10,000. Origin of the blaze has not been announced.

Fire which caused some $3,500 damage to the Olton Hardware building broke out there shortly after 7 o'clock Tuesday night. No estimate has yet been made of damage done to the store's merchandise. It was blamed on faulty wiring.

The fire was discovered by David Truelock who was attending a basketball game at Olton High School gymnasium. David stepped outside, saw flames shooting up above the roof of the hardware building and told Bailey Hair who also was attending the game.

Bailey, a member of the volunteer fire department, turned in the alarm. It was fire department practice night and fortunately many members of the department had reported to practice early.

Fire Chief Smith and his department quelled the blaze within 20 minutes and erased the danger to neighboring buildings—notably Ideal Cafe and Whittington's Mercantile.

The fire is believed to have started about 7:10 o'clock as the store clock was stopped at that time.

Chief Smith said his department put down 400 feet of 2½-inch line, and 150 feet of one inch double line.

Again the department used their air-fed masks to enter the smoking hardware store. "Those masks proved themselves again this time," Chief Smith declared.

The third fire—the one at the Gallaway place—was a well house and pressure pump.

POLL TAXES DUE JAN. 31

Only about a dozen poll tax receipts have been obtained in Olton so far, according to City Secretary Berniece Smith.

Mrs. Smith reminds voters that January 31 is the deadline for paying the poll tax. Receipts are necessary in order to cast a vote in any elections to be held during the year.

FIRST BABY IS A GIRL!

Olton's first baby of 1958 is Miss Janet Kay Wilkinson, who was born in Olton Memorial Hospital Friday, January 3. She weighed 6 lbs. 13 oz.

Her parents are Mr. and Mrs. Charles Wilkinson. Her father is in the navy in San Diego, Calif.

Grandparents are Mr. and Mrs. C. L. Robbins, Olton, and Mr. and Mrs. C. G. Wilkinson, Phoenix, Ariz.

Olton Woman's Father Dies

Funeral rites were conducted Dec. 28, 1957, in Flagstaff, Ariz., for John Kunzelman, father of Mrs. Billy Collins of Olton.

Mr. Kunzelman, 53, died December 23 in a Fort Whipple, Ariz., hospital, following an illness of about a year and a half. He had been hospitalized about three months.

John Kunzelman was born Feb. 22, 1904, in Regina, Canada. He had lived in Flagstaff since 1910, and worked in a local grocery store as a meat cutter. He was preceded in death by his wife in March, 1950. He later married again, and is survived by his second wife and their three children, Wendy, John Jr., and Dorothy.

In addition to Mrs. Collins, other survivors include another daughter, Mrs. Ur Jetson, Mesa, Ariz.; three sisters; and three grandchildren.

Rosary was read December 27 preceding the services in the Church of Nativity, where he was a member. Interment was in the Flagstaff cemetery.

Mr. and Mrs. Collins attended the funeral services.

BANQUET TICKETS

COACH JIMMY GOSS is shown here looking at tickets for the Annual All-Sports Banquet to be staged the night of January 16 in the school cafeteria. Festivities start at 8 o'clockt. Principal speaker will be Abe Martin, TCU football coach. Tickets are available from members of the Quarterback Club. The banquet will honor all athletic participants of Olton High School.

YAWL COME——

Olton merchants this week will begin the annual January Jubilee—a town-wide clearance sale.

Advertising outlining the many values offered by participating merchants may be found elsewhere in this edition.

The Enterprise is cooperating in this effort by distributing extra copies of this edition in outlying districts.

We hope to make this an annual affair. Read our paper. We hope you enjoy it. Shop with our merchants. They'll enjoy it and so will you.

YAWL COME OVER AND TAKE ADVANTAGE OF OUR JANUARY JUBILEE.

Farm Store Opening In New Building Slated Saturday

Merrill Brigance announces the formal opening Saturday, January 11, of Merrill's Farm & Ranch Store, in new quarters located on Highway 70, just west of Gray Grocery.

Formerly known as Plains Agricultural Service, the new business is now housed in a 50 x 100 foot building with a brick and plate glass front. The display space, including a private office, is 20 x 50 foot. The remainder of the space is used for storage and equipment.

"Our feed mill and mixer will facilitate the grinding and mixing to enable us to give faster service than ever before," Mr. Brigance comments.

Merrill's will carry a full line of insecticides, livestock remedies, feeds, fertilizers, poultry equipment and remedies, planting seeds, and farm and ranch supplies.

Estes Bartlett is manager and salesman at Merrill's. Also employed are Mel Rumage and Ruben Luna. The new building was contracted by Harley Miller, assisted by Pete Kinney and J. C. Miller. Plumbing and wiring were installed by H. A. Cavett.

Free coffee and doughnuts will be served all day Saturday for the open house.

BEGIN POLIO DRIVE HERE

"Teen-agers vs. Polio"—a strictly local campaign involving Olton youngsters in the March of Dimes—will begin next week as Mrs. Mardema Ogletree, local MD chairman, launches the 1958 drive here.

Mrs. Ogletree states this is an effort to enlist more teen-agers in participating in the March of Dimes.

Further plans for Olton's share in the campaign during the month will be announced next week. In the meantime, containers for free-will contributions are being distributed among the business houses, and cards are being dispersed to the school children.

CONDITION GOOD

Rev. John Lewis, who underwent major surgery here last week, is recuperating at his home this week. Mrs. Lewis says his condition is good and he is getting around.

Band Boosters Arrange Concert; Hope To Order Uniforms In May

The Olton Band Boosters, with a balance of $1,655.55 in the Mustang uniform fund, are making plans for adding to that fund with a Pops Concert by the school bands.

The organization announces a net profit of $839.55 on the birthday calendars they sold and distributed only last week here. Earlier in the fall they cleared $1,529.00 on the Shetland pony and cart campaign.

Already paid for from the funds are a bassoon and a photostat machine for band hall use.

In a meeting Tuesday night, with about 18 members present, the Boosters set February 23, a Sunday afternoon, as the date for the concert, for which tickets will be sold. Fred Stockdale, director of the school bands, stated that the program will be largely popular tunes.

A uniform committee, composed of H. B. Maxey, Mrs. Carroll Cox and Tom Smith, is already at work with Mr. Stockdale to select the styles, and it is hoped the suits may be ordered about the first of May. Estimated total cost is about $55 for each of some 70 suits.

ATTEND RITES FOR UNCLE

Mr. and Mrs. Emmett Harper attended funeral services in Big Spring Tuesday for Mrs. Harper's uncle, Will Jackson.

Mr. Jackson, about 74, died Saturday in a Big Spring hospital following a heart attack. Mrs. Jackson died only a year or two ago.

Survivors include two sons, three daughters, two sisters, two brothers, and a number of grandchildren. Interment was in Big Spring.

Tonette Class Is Organized

Fred Stockdale is organizing a Tonette Class of fourth-grade students, to begin next semester.

There are about 100 students enrolled in the class. It will be divided into two groups to meet once a week. From this group next spring, students will be selected for the Beginners' Band.

Mr. Stockdale announces that Tonettes and books are available at Yandell Jewelry for $1.50.

Iujures Hand In Cotton Stripper

Lamberto de La Rosa, Latin-American employed by George Brown, received severe cuts to his right hand when it was caught in a cotton stripper Thursday morning.

The man received emergency treatment and eight stitches were required to close the wounds.

SNOWMEN

SNOWMEN were a sign of the times over the week-end as a wet, white blanket covered the Olton area. Here in the left panel is little Bonnie Offield admiring the big snowman in a neighbor's yard. In the second panel, Mrs. W. M. Keating is being "escorted" by a monster of a snowman which was put together by her son and nephew. Measurements on snowfall ranged from a foot on the level to reports of 14 inches or more in places.

MUSTANGS OPEN CONFERENCE CAGE SCHEDULE FRIDAY NITE

Repeats School Bad Weather Arrangements

School Supt. Noel Johnson, issues the following announcement concerning the dismissal of school classes because of inclement weather:

"Please set your radio dial on 710 KC (KGNC Amarillo) under the following conditions.

1. **If extremely bad weather develops during the night an announcement will be made about 7:00 a. m. if school is to be dismissed.**
2. **Should bad weather develop after the school day has commenced, an announcement will be made if school will be dismissed early.**

No announcement means school as usual, although oftentimes busses cannot make all of their routes."

Mr. Johnson explains that KGNC Amarillo is the ONE official radio station designated to transmit emergency plans concerning Olton schools.

The baskeball king and queen will be crowned Friday night as Olton's cagers open conference play with their arch rival of the maplewood—Tulia.

Tulia has one of the toughest teams in the district. The Hornet quintet only recently won the Snider invitational tournament.

Also they comfortably defeated AAAA Abilene. The Hornets indeed appear to have all the ability on the basketball court which they so long have lacked on the football field.

Only 64 paid attendance was recorded at the Tuesday night Olton-Littlefield clash. Basketball enthusiasts have expressed hope that there will be a much better turnout for the Tulia affair.

The girl game will be staged at 5:30 o'clock Friday afternoon. The "B" game will be at 7:00 p. m. and the "A" game will be at 8:30 o'clock.

Olton lost a thriller Tuesday to Littlefield. The final score was 34 to 33. Jerry Moore was highpoint man for Olton with 12 tallies to his credit.

Plans Laid For John Deere Day Show, Barbecue Monday

Next Monday is John Deere Day in Olton and Ed Thompson, owner of Ed Thompson Implement Company, has the welcome mat out for Olton and surrounding area.

Mr. Thompson said a special invitation has been extended FFA chapters of Olton, Hart and Springlake.

A barbecue luncheon will be served at 11:30 o'clock at the implement company building. Then at 1:30 o'clock Monday afternoon Ed Thompson Implement Company will play host at the annual John Deere Day free movie at the Roxy Theatre.

A natural for this age of the adult western, the "The Ace Ranchero" spans in interest the age spread from 6 to 60 and features the antics, acrobatic and otherwise, of a typical easterner who inherits a western ranch. Indians, gunsmoke, music, and badmen are neatly tied in a delightful package of entertainment.

The feature film, however, is only part of the full program that includes colorful pictures on the unusual in farming and a parade of modern farm equipment destined to open a new era in lowered farm production costs.

Certain to excite the interest of every farmer in the area is the sequence on one-man hay making, a unique demonstration showing how one man can cut, bale, load, elevate, and store his hay in a single operation. Farmers never seem to tire of seeing this exhibit of the latest in modern farming techniques.

CLIMAXING the John Deere Day program which features the latest in modern farming equipment and unusual farming practices over the world, is the western musical comedy, "The Ace Ranchero." Shown here is a dude ranch scene taken from the full color movie.

The entire John Deere Day program this year is different from any other in that, instead of a series of individual pictures, all of the various entertaining and informative films, including the feature picture itself, are entwined in a very cleverly spun web of entertainment certain to win the audience's interest from the beginning to end.

Tom Gordon Returns

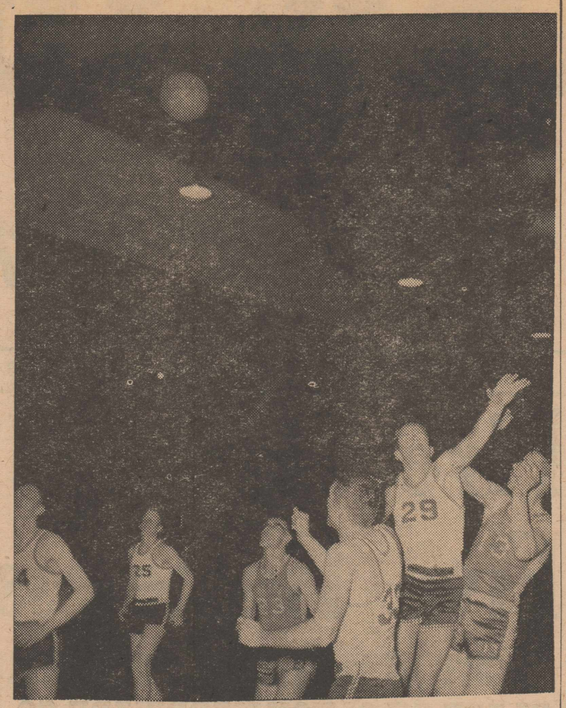

A man who probably enjoys a greater popularity than any romantic film "idol" will be back to entertain John Deere Day audiences this year. He is stubborn and unpredictable Tom Gordon, a film character in the strictest sense of the word and one who has wormed his way into the hearts of farm folks so snugly that he has become one of the highlights of the entire John Deere Day program. Again this year, Tom strains the nerves of his family and friends almost to the breaking point before he shows his tender side and surrenders to the inevitable.

A very colorful part of the program is in the department of the unusual in farming practices and this year is highlighted by the maple syrup season in Vermont. This sequence is beautiful in both tone and color and alone is worth the trip to town.

No Tickets Required

In announcing plans for his John Deere Day, Mr. Thompson emphasized that this year no tickets will be required for admission. All farmers and their families are invited—and it's all free. He urged, however, that it is important to remember the time, date, and place, because he feels confident that attendance at the program will be both entertaining and profitable to all the farmers of the area.

ANYBODY'S BALL

OLTON and Littlefield players wait tensely for the basketball to come back to the maplewood in their Tuesday night game won by the Wildcats by a one-point margin. Olton players shown here are James Ray Hyatt (23) and David Hamm (13).

WINTER FUN

FOR OLTON'S young folks the recent snow was an occasion for some rare fun. Here this group of youngsters pose proudly with their snow man. From left are Bud Henderson, Tommy Wilson, Judy Chester, Winfred Hair, Harold Featherngill, Koenia Schenck and Billy Hair.

Olton Ski-ers Organize Here

Otis Hair was elected president of the Olton Ski Club in a meeting held in the home of Mr. and Mrs. Wayne Hair Monday night. Mrs. Murray Snyder was elected secretary-treasurer.

The Olton Club, which was organized last winter, will be affiliated with the Santa Fe Ski Club, as well as the National Ski Association. Plans are in the making to have an "Olton Day" at Santa Fe withint the next two weeks.

At Monday's meeting, movies were shown of local skiers taken during the past five winters at the Santa Fe Ski Basin. Twenty-seven members were registered. Dues are $1.50 per person, or $3.00 a family. Club mmbership entitles members to discount rates on equipment and tow fees.

A general invitation is extended by the club to all who are interested in skiing. Further information may be obtained from Mrs. Snyder or any other members.

Present at the meeting were Messrs. and Mesdames Paul Spain, Melvin Hines, David Grimsley, Willie Gene Green, Elmer McGill, Huck Nichols, Murray Snyder, Lowell McGill, Cleo Smith; and Otis Hair and Vernon Nixon. Not present were Messrs. and Mesdames Owen Norfleet, Robert Edwards, Jim Fite, Robert Meinecke and A. J. Givens.

Ladies Will Attend Scout Meet Tuesday

A group of Olton scout workers and leaders will go to Lubbock next Tuesday for the annual meeting of the Caprock Girl Scout Council in the Lubbock Hotel.

This will be the anniversary conference of the council. Several Olton women were instrumental in the organization of the Caprock group.

Mrs. Paul Burrus, a member of the board of directors; Mrs. Leo Ross Bryant, Manuka Neighborhood chairman; and delegates Mrs. Roy Roberts and Mrs. Frank Struve, will officially participate in the business session.

Also planning to attend are Mesdames Ben Souders, Tom Carlisle, Billy Langford, Bob Gullett, Morris Gene Brown, Fred Hicks, C. S. Silcott, and James Busby, alternate from Springlake. Mrs. Bryant states there may be others attending from the Manuka Neighborhood, which includes Olton, Springlake and Earth.

Mrs. D. M. Granbery, who serves on the membership committee, has been meeting with her group, but will be unable to attend the Tuesday session.

The meeting is open not only to delegates and members, but to anyone interested in girl scout work, Mrs. Bryant declares.

Enrollment Near Normal

Enrollment in Olton Public Schools, which was 1,178 at the end of the first month of classes, and reached a peak of 1,258 at the end of the third month, was back down to 1,170 at fourth month's end, as of Dec. 20, 1957.

Of this number, 93 were Negro; the remaining 1,077 white and Latin-American.

GOOD SAMARITAN

JOHNNY SCHENCK, foreground, is the fellow always ready to go in an emergency. With his Southwestern Public Service Company pickup, he ventures in all sorts of emergencies and foul weather conditions to answer the calls of neighbors or to remedy power line trouble when possible. He was ably assisted in this week's snow emergencies by his teen-age son, Johnny, and his neighbor, Sonny Low.

MEREDITH CRAWFORD doesn't seem to mind too much that his pickup is stalled in the snow. This was a typical scene of many such situations as the result of Olton's 12-inch snow last week-end.

Church Will Observe Foreign Mission Week

"Foreign Missions Advance Week" will be observed by the Cumberland Presbyterian Church next week.

Rev. Jerry Anderson, pastor, will preach on "Evangelism" for the next two Sunday morning services. This coming Sunday night, a Bible study will be held on "We Can Win Others."

Wednesday, the Missionary Auxiliary of the church will give a panel discussion on "Missions" at their circle meeting, and at prayer meeting on Wednesday night, a film on missions will be shown.

A special offering and a consecration service for the mission work will be held on the third Sunday.

Jerry Lumsden Seeks Return To Superintendency

JERRY LUMSDEN

In support of my candidacy for re-election to a second term as County School Superintendent of Lamb County, I respectfully submit the following information concerning my background and experience:

I was born in Wise County, Texas in 1908, and lived in that county the greater part of my life. I received my BS degree from North Texas State College, Denton in 1936, and my MS degree from the same college in 1949. I have been in the teaching profession 26 years; 16 years in Wise County, four years in Bailey County, two years as Superintendent of Spade School, and the past four years as County Superintendent of Lamb County Schools. I spent two years in Civil Service at Fort Story, Virginia and served from 1944 until 1946 in the US Army.

My wife has taught 17 years, and has been a great help to me in my work. We have three sons who have all served in the armed services.

In our family, in addition to myself, a brother is serving as guidance director in Muleshoe Public Schools, another brother teaches in Muleshoe Public Schools, a sister is teaching in the Littlefield schools, and another sister is enjoying teacher retirement after having taught 26 years with most of those years spent at Sudan. Also a sister living in Dallas and a brother in south Texas are former school teachers. Ross Lumsden, my youngest brother owns and operates an interest in a cotton gin west of Littlefield.

During my present term of office, all state services have been available to the schools of this county, with no additional expense to any school. These services have helped the school to receive audio visual services, testing and counseling services, and a better health program.

My familiarity with the problems now facing the Lamb County schools, my past experience working in small schools, and my friendship with certain members of the Texas Education Agency, State Board of Education, and the State Legislature enables me to help our schools meet the crises of today. Your sincere consideration of my candidacy will be deeply appreciated, and if I am re-elected to this position, I will devote all my time and efforts to the betterment of Lamb County schools.

In case you think you might be stung

Some people seem to feel that prescriptions are outrageously priced. The truth of the matter is this: Last year the average American bought about 3 prescriptions for a *total* cost of around $7.50. An average of less than $3.00 per prescription. Sure, some drugs cost a lot. So do television tubes—for the same reason. They're expensive to manufacture. New and improved production methods, however, bring prices down. Penicillin, for example, costs only a small fraction of what it did when it first came out. Your pharmacist has a professional knowledge of drugs and can tell you this. They are fairly priced. You get what you pay for. We are always pleased to serve you.

IMPRESSIVE HOME CEREMONY UNITES MARY JANE ADAMS AND EARL DALLAS

MR. AND MRS. EARL DALLAS

* * *

The Rev. John E. Lewis, pastor of the First Baptist Church, performed the marriage of Miss Mary Jane Adams, daughter of Mr. and Mrs. Buford Adams, and Earl Kevo Dallas, son of Mrs. Cora Dallas of Portales, NM, December 28.

Scene of the wedding was the home of the bride's parents. The single-ring service was performed before an arch decorated with greenery. Baskets of blue iris and white carnations flanked the arch.

Mrs. Bobby Scheller, sister of the bride from Lubbock, was matron-of-honor. She wore a brown sheath dress, styled with a bolero, and green accessories. Her corsage was of pink flowers.

Allan Stratton of Portales, NM was best man.

Bride Wears Beige

Given in marriage by her father, the bride was attired in a light beige faille sheath dress, designed with a bolero and street-length. Her only jewelry was a pearl necklace, gift of the bridegroom. She carried a bouquet of blue iris and white sweetheart roses and a white Bible.

For her daughter's wedding, Mrs. Adams selected a grey faille dress with rhinestone trim and black accessories. The bridegroom's mother wore a two-piece blue wool dress and black beige accessories. Both wore white carnation corsages.

At a reception, also in the bride's parents' home, the serving table was covered with a lace cloth over blue. The bridal bouquet and cake shaped like an open book decorated the table. Blue stock and pink roses were on one page of the "book" cake and the other page read, "Mary Jane and Earl, Dec. 28, 1957."

Miss Leah Eby of Olton served the cake. Punch was ladled by Miss Evelyn Critchfield, Olton. Miss Evelyn Burnett of Plainview registered the guests.

Trip To New Mexico

The couple are home in Portales, NM, following a wedding trip to Ruidoso, NM.

Mrs. Dallas is a 1957 graduate of Olton High School. She was attending Lippert's Business College, Plainview, prior to her wedding.

The bridegroom, a 1956 graduate of Portales High School, is a student at Eastern New Mexico University, Portales, and is employed at a drive-in there.

Out-of-town guests attending the wedding were Mrs. Dall and Mrs. Lota Martin of Portales, and Mrs. Lavern McGaha, Plainview.

Bob Ball Family Has Reunion On Christmas Day

The 22 members of the Bob Ball family were together on Christmas Day for the first time in a number of years.

Mr. and Mrs. Ball entertained their five children — Randall, Wauline, Gertie, Johnnie and Garner, their companions, and their ten grandchildren in their home for Christmas buffet dinner.

Following the meal, Rev. Randall Ball read the Bible Christmas story. Mrs. Garner Ball led in prayer and the group sang "Silent Night" preceding the exchange of gifts.

Present were Rev. and Mrs. Randall Ball and family, Cushing, Okla.; Mr. and Mrs. J. Paul Waggoner and family, Sunnyside; Mr. and Mrs. Clifford Little and Patty, Donara, Pa.; and from Olton, Mr. and Mrs. D. L. McMillen and boys, and Mr. and Mrs. Garner Ball and family.

Mrs. Brown Will Head New Century

Mrs. J. C. Brown was elected 1958-59 president of the New Century Study Club Friday at an election of club officers. Mrs. Tom Carlisle was hostess and Mrs. R. A. Burgess, co-hostess.

Mrs. Brown was also elected vice-president for the remainder of the club year in the vacancy left by Mrs. Sammy Hale.

Other new officers elected were Mesdames Frank Struve, vice-president;, Louie Mack Hardy, secretary; Don Spain, corresponding secretary; Glen Exter, treasurer; Wilton Bodkin, parliamentarian; Major James, reporter; R. A. Burgess, federation counselor; and Fred George, historian.

The program was presented by Mrs. Spain on "Fundamentals of Parliamentary Law." An interesting question and answer period followed.

Refreshments were served to Mesdames Bodkin, Brown, Burgess, Brent Burrow, Exter, Hardy, Bill Kelley, Gilbert Roberson, Spain, Murray Snyder, Struve, L. L. Thompson, Noel Johnson and Elmer McGill.

Next meeting will be January 15 in the home of Mrs. Fred George.

Baptist WMU Will Observe Special Series Next Week

Women's Missionary Union Focus Week will be observed at the First Baptist Church here next week, January 12 through 19.

The agenda includes visitation for one of each of six circles each day, a special program Wednesday evening, and the regular program on Monday.

Mrs. Robert Edwards will be in charge of the Royal Service program Monday. Mrs. Jack Estes' circle will serve as hostesses.

A special stewardship theme will be given Wednesday evening, with Mrs. R. A. Burgess in charge. Announcements are to be made in the adult Sunday School departments Sunday morning by Mesdames Roy Thurman, Clury Phillips, C. S. Silcott and Loyd Cowart, on the importance of the WMU.

Visitation for the week will be done Monday by the Ella Ruth Solesbee Circle; Tuesday, Lillie Mae Hundley Circle; Wednesday, Pauline White Circle; Thursday, Don Loper Circle; Friday, Ruth Moss Circle; Saturday, Virginia Miles Circle. Prayer time is set for 9:00 a. m.

Chairmen of various committees for the entire week include Mrs. R. W. Green, publicity; Mrs. Kenneth Ray, community missions; Mrs. Robert Edwards, prayer; Mrs. R. A. Burgess, stewardship; Mrs. Roy Thurman, mission study; Mrs. R. L. Hipp, program; Mrs. J. F. Miller, enlistment.

OSC To Meet In H. B. Carson Home

The home of Mrs. H. B. Carson will be scene of a meeting Monday night for the Olton Study Club. This week's meeting was called off due to inclement weather.

Drum Major To Be Selected Soon

Eight Olton High School students are participating in try-outs for the position of drum major for the Mustang Band.

They are Harvey Jordan, Elza Miller, Charla Granbery, Ellen Jones, Sue Witten, Joyce Gray, Sharron Dennis and Mary Roper. The students are undergoing routines and instructions with the band on how to give signals and facings, how to handle the baton, and other duties.

Drum Major Doniece Silcott is in charge of the instruction.

Try-outs for band twirlers will be held around the first of May, according to Director Fred Stockdale.

Water Skis Do Double Duty

Well, if you don't have snow skis, try water skis!

That is exactly what a group of Oltonites did Sunday when they just couldn't resist the wonderful snow.

The Gilbert Robersons, Archie Sorleys, T. J. Robersons, Alva J. Spain and George Clark, transformed their water skis into snow skis by taking the rudders off. And it worked.

They skied all afternoon in the open fields around their farms.

Herbert Dunn Here Next Week

Herbert Dunn, tax assessor-collector for Lamb County, will be at City Hall here next week on January 16 and 17 for the purpose of collecting state and county taxes.

Mr. Dunn will be at Amherst January 13; Sudan, January 14; and Earth, January 15.

He adds that poll tax receipts may be obtained from the city secretary of each town.

GIVE AND GIVE GENEROUSLY TO YOUR MARCH OF DIMES!

Williams Named To WT Chamber; Set CCA Banquet For January 30

DON WILLIAMS

The first official move taken by Olton's Chamber of Commerce and Agriculture as an active organization was the election Tuesday morning by the board of directors of President Don Williams as representative to the West Texas Chamber of Commerce.

In other business, the board discussed plans for the annual Chamber of Commerce banquet, and set the date for Thursday, January 30 at 7:30 p.m. in the School Lunchroom. Dr. J. Chess Lovern, pastor of the First Methodist Church of Lubbock, will be the speaker. Bob Duncan is banquet chairman, and Noel Johnson will be master of ceremonies.

Entertainment will be provided by Bill Brown of Lubbock, with a magic act. Brown has performed before the Olton Lions a number of times. He has also conducted revival services at the Main Street Church of Christ. He is an insurance salesman.

A kick-off luncheon is scheduled for Friday afternoon at one o'clock for the directors and ticket committee, headed by Fred Thompson. Tickets for the banquet will go on sale at $1.50 per plate. Mrs. Gerald Bizzell is in charge of decorations for the affair.

Directors report that membership decals have arrived and are in the process of being distributed. Other matters—including the proposition of the widening of Highway 70—and the securing of a full-time chamber manager, are still being worked on.

STUDENTS VIE FOR HONORS

Petitions for nomination of Most Athletic Boy and Girl of Olton High School were placed on the bulletin board of OHS this week.

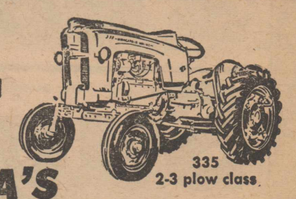

Each student petition must bear 30 names to be nominated for the honor. Secret ballots will determine the winners in the near future.

Hart Approves Bond Issuance

Hart voters recently approved a $50,000 revenue bond issue to pay for a city waterworks system. Approval came by a vote of 39 to 24.

The new system will be paid for by charging for the services it offers and will require no additional taxes.

Proposition No. 2 in the election, approved 46-17, called for the issuance of $6,000 in tax bonds for constructing and equipping a city hall and fire station building.

Issuance of $6,000 general obligation dump ground bonds was voted for 47-15. Proposition No. 4 for the issuance of $3,000 general obligation street improvement bonds was passed 44-18.

City Secretary H. E. Loman said 63 persons voted in the election.

Baptists Slate Feb. Conference

The 37th annual Panhandle-Plains pastors' and laymen's conference has been set for February 3-4 at Wayland Baptist College, Plainview, it was announced this week.

EXES CELEBRATE

C. A. CRYER, Amarillo Air Force Base mechanical instructor and veteran educator, is shown as he spoke to about 150 students, teachers, and ex-students and teachers of Olton High School at their annual banquet here December 26.

PROVIDING ENTERTAINMENT for the after-dinner portion of the affair were these actors with a skit from the western ballad, "Frankie and Johnnie." From left, they are Mrs. Wayne Hair, Clinton Billingsley, Joe Francis Miller, Delmer Givens (bartender) and Juanelle Hatley. Also in the playlet were Jack Roye Straw, Bill Austin and Torchie Cure.

THE FLOOR SHOW for the bar-room setting was provided by these chorus "girls" above, from left, Lauis Hair, James Ray Hyatt, Cecil Gallaway, Jerry Moore and A. J. Givens. Not shown were Basil Sherman and Houston Hamby.

The Thompson Family's "Backyard Menagerie" Provides Lots Of Fascination And Fun For All

(By Korkye Martin)

NO. 1 — OLTON'S ANIMAL KINGDOM

(Editor's Note: This is the first in a series of feature stories on pets of Olton children.)

To most folks, the L. L. Thompson family encircles four members: Lester, Wanda, Deanna and Cherie. But to those who know, there are really seven in the family—Lester, Wanda, Deanna, Cherie, Sug, Elvis and Petunia.

For that matter, all the birds, lizards, doodle bugs, frogs, cats and dogs in the vicinity find refuge at the hands of ten-year-old Deanna, and seven-year-old Cherie, who at one time kept a lizard in the aquarium with their tropical fish, "Bubbles" and the snails.

The girls keep a birdhouse and shelf on the side of their carport stocked with peanut butter, cheese, bread, and whatever they can scrap from their kitchen. They decorated a Christmas tree "strictly for the birds" last month.

The newest addition to the family is Petunia, a guinea pig about six months old. She was Deanna's tenth birthday present last summer, along with another guinea pig, who has since disappeared.

Though Petunia has her own home—a bird cage—she has the run of the house, and seems to love watching TV while sprawled on the divan, or cuddled up with Elvis, the cat. She eats each morning, and her diet includes rabbit pellets, warmed milk and greens from the Thompson's own garden.

"Lester thougnt it was bad enough," Mrs. Thompson laughs, "when I warmed Elvis' milk before fixing his breakfast, but now I warm Petunia's too!"

Petunia is a cinnamon-colored rodent, with black streaks and spots. She's about the size of a ground squirrel, and may live to be four or five years old. Recently the girls took her to school, IN the cage, and each kept her half a day.

Elvis, whom Cherie firmly chirps "is mine!" is the big orange-striped cat the girls love to dress up in doll clothes and push around in their doll carriage. Cherie found him in her Easter basket last Easter Sunday morning, all perfumed and with a ribbon tied around his neck.

For Christmas, she bought Elvis 49 cents worth of catnip; she gave her father a ten cent cactus plant. (Nonetheless, both gifts pleased both receivers infinitely.)

Cherie wants a monkey or a bird for her birthday; a monkey because they "do more cuter things."

Perhaps the most beloved of the Thompson's pets is Sug—pronounced as in "sugar"—a toy manchester given to Deanna on her sixth birthday. The Thompsons never make an over-night trip without Sug, who perches behind the driver on the front seat for sometimes as far as 50 miles without changing positions.

An independent fellow, Sug doesn't just scratch on the door when she wants in the house; she either knocks, or lets herself in. She loves chocolate candy, and does her share of tricks: sitting up, playing dead dog, and looking coy when she's being talked about.

To Lester's dismay, she sleeps in her box in his closet, but so far, so good.

Sug and Elvis had about as big a Christmas as their mistresses, including their own socks hanging on the portable fireplace. These were full of presents come Christmas morning. Sug also gets dressed up in doll clothes and taken for buggy rides.

Deanna, who plans to be a veterinarian, looks forward next to getting a mouse, a Great Dane or a skunk. She longs to live where they have "libaries where you check out animals for a week, just like books." Her bible is "The Real Book About Pets" by Barbara Bates. She follows its instructions on feeding and care of her pets down to the letter.

And the other day she came home from school exclaiming:

"Mother, we read today that all you need for a baby buffalo is a back yard like ours!"

CHERIE THOMPSON, left, holds her cat, Elvis, while Deanna cuddles Petunia, the guinea pig, as Sug, the dog, masters the situation in the center.

OLTON'S SENIOR SERVICE SCOUTS RECORD FULL EVENTS CALENDAR

Thirteen senior service girl scouts, under the leadership of Mrs. Paul Burrus, filled their 1957 scout year with a busy and assorted schedule of activities.

"Americana" was the nation-wide theme for the Girl Scout 50th Anniversary celebration. In March and July the troop exhibited pioneer displays in Olton store windows. For an anniversary program, troop members interviewed old-timers in the vicinity and presented a "You Are There" skit on family life of the Texas Plains pioneers.

In February, the scouts participated in a family box supper on the 1957 theme, "Scouting, A Family Affair." Judy Ogletree was mistress of ceremonies, and D. M. Granbery was elected Scout Dad. Proceeds from the supper went to the Juliette Low Fund.

In March, the troop made a survey for a youth center and participated in a local hobby show. They made individual contributions during the month to Heart, the mental health program, Tuberculosis Drive, March of Dimes and the Cancer Fund.

Doniece Silcott was selected to attend the Senior Scout Round-Up at Pontiac, Mich., in July. Alternate of the patrol was Oneeta Yates, who spent two weeks as counselor in training at Camp Mary White.

Charla Beth Granbery, Ellen Jones, Charlotte Loveless, Judy Ogletree and Charlotte Gibson attended camp in Evergreen Valley, Callines Canyon, for two weeks in August.

Joyce Gray and Janice Campbell went to Camp Kiwanis for a week. At about the same time, Charla Granbery, Doniece Silcott and Charlotte Gibson assisted with Olton's first Brownie Play Day.

The Olton troop was represented at Senior Conference at Camp Kiwanis in September. In October, they participated in the annual Pow-Wow here with songs and costumes.

Throughout the year, various members served as program aids for the younger scout troops.

A Platter Party was staged in November, beginning with a scavenger hunt where articles pertaining to 23 song titles were assigned. Each guest brought a favorite record. There were 19 scouts and dates present.

During December, members of the troop joined the Ground Observers Corps and took the required training. They also studied action to be taken in emergencies, such as air-raids, tornadoes, etc.

Olton senior scouts packed and sent three layettes for Hungarian Relief during the month of February. On Memorial Day in May, they spent the morning working at Olton Cemetery and laid flowers on 25 graves.

Easter holidays were spent in the Turner Cabins at Ruidoso, NM. The trip was made by Charla Beth Granbery, Ellen Jones, Charlotte Gibson, Charlotte Loveless, Maenette Dennis, Judy Ogletree, Joyce Gray, Janice Campbell, Koenia Schenck, Barbara Gray and Doniece Silcott.

Following the event of the tornado in May, the troop aided in distribution of clothing for the Red Cross and assisted in various ways in the lunchroom, where homeless persons were cared for during emergency.

Chest X-rays were taken by the troop as they went to Littlefield for a swimming party in July.

All during the summer, Ellen Jones, Gayland Graham, Joyce Gray, Janice Campbell, Charlotte Gibson, Judy Ogletree, Charlotte Loveless, Linda Kemp and Barbara Gray assisted in the five-day Brownie Day Camp held here.

August activities included a movie party in Lubbock with a visit to Reese Air Force Base and the Tech museum. They sponsored a "Come As You Are" breakfast to promote re-organization of the freshman scouts later in the month.

A choral club was formed in September.

Attending a 10-day troop camp in Oklahoma during the summer were Gayland Graham, Charla Granbery, Ellen Jones, Joyce Gray and Janice Campbell.

Mrs. E. C. Jones is assistant scout leader.

Troop members are now making plans for a 1958 calendar full of activities and events.

I knew there'd been something missing around here lately!

It's Mr. Dave Tullis, who served as school supervisor here for several years. He is such a quiet, considerate gentleman—very unobtrusive, and so pleasant to be around.

Mr. Tullis came in The Enterprise to renew his subscription other day. We had talked before several years ago of having a mutual home town—Retrop, Oklahoma.

But he refreshed my memory. He grew up there, went through school there, and returned as a teacher and superintendent of schools there. His sisters also taught school there.

I was born in Retrop.

Small world, isn't it?

i-t-o

And then there're the Winfred Ritters.

They come from Stuart, Oklahoma, where my folks grew up and my sisters were born. And now we find Bro. Ritter went to Bethany Peniel College in Bethany, Okla., at the same time a cousin of mine was in school there.

Hum-hum.

i-t-o

All of which proves that Oltonites really get around.

Or something like that.

i-t-o

Back to this litterbug—or litter bAg business . . .

The Texas Highway Department says "highway business is picking up."

Get it?

They go on to say that picking up litter thrown on the highway costs more than $50,000,000 a year in tax dollars.

If you remember, a litterbAg is a paper sack for stowing away the normal debris which collects in a car or truck during a trip. I haven't found one yet, myself, but I'm looking. Don't think anyone should have to give them away, but does seem someone would obtain some for sale at least, in these parts.

Anyone who travels with children knows how fast "litter" can accumulate on a trip—kleenex, scraps of food, paper cups, napkins. And usually the only riddance is to throw them out the window.

But with a litter bag deftly attached to the inside of the car, it would be so much handier just to stuff the trash into it until it could be properly emptied at a filling station or your destination.

Frankly, seems to me that $50,000,000 could be cut down quite a bit and consequently, cut down taxes a bit—or else use that money for a much more worthwhile purpose.

Of course, for that matter, anyone could devise a facsimile of a litterbag with an ordinary paper sack. Or plastic bag.

At least we could give it a try. Couldn't we?

i-t-o

THIS IS March of Dimes time, as you know. Give it a thought.

i-t-o

In a recent bulletin from the Texas Press Association:

"New style for ending news stories is to mark '40'. This, it is reported, replaced the '30' which formerly was used, and keeps the newspapers in step with other figures which have been increasing steadily."

i-t-o

Just happen to know that the young people are already at work on the Quarterback Club Banquet next Thursday night (January 16). Surely looking forward to it, aren't you?

i-t-o

Mrs. J. T. Grant says this was the nicest snow she's seen since 1919.

"That's the year I was married, she says, "and I came here from Arkansas. I think it snowed all winter. I'd never seen anything like it."

i-t-o

If anyone ever argues with you about whether boys or girls are safer drivers, here's the proof—depending, of course, on which side of the fence you're on.

For girls under 25 years of age, the automobile insurance is the same rate as for adults over 25.

But for boys under 25, the rate is the highest of the seven general classifications.

So if you carry adequate auto insurance, that girl under 25 can drive your car with no more risk than you, yourself. But if you let a boy under 25 drive, better check up; he might not be covered by your insurance.

(This is NOT a paid advertisement!)

i-t-o

I keep remembering something Mrs. C. S. Silcott said to me once, in talking about the subject of child psychology.

She recalled that a psychologist once told her group: **The best love you can give a child is discipline.**

Hybrids Lead In Tests At Halfway Station

Hybrid Grain Sorghums led the yield test at the High Plains Station of the Texas Research Foundation at Halfway in 1957.

Twenty-seven of the 31 hybrids planted yielded more than any of the 19 standard varieties included in the test.

In this test of 50 different grain sorghums, there were 15 released hybrids; 16 experimental hybrids, and 19 standard varieties. They were planted in two-row plots, 100 feet long with four replications to eliminate differences in soil, watering and other factors.

The test was planted June 19 at the rate of eight pounds of seed per acre. Thirty-six pounds of nitrogen and 45 pounds of P_2O_5 were applied at planting with 75 pounds of nitrogen side-dressed July 18. This test was harvested before there was any appreciable lodging, so no differences as to standability is reported.

The soil was irrigated prior to planting with three subsequent irrigations applied. A total of 15 inches of water was applied through irrigation with 17.4 inches of natural rainfall during the growing period of April 1st to October 1st. This made a total of 32.4 inches of water which could be considered available for growth.

In this test a difference of less than 844 pounds per acre between any two entries could be due to chance. For example, there were only 825 pounds difference between the yield of DeKalb D50A, ranked 13, and Texas 650, ranked No. 1.

This difference might be due to chance and in another test with similar conditions, there might be a change in the ranking. Also, there were two entries of Texas 650, these ranked 1 and 3 with 163 pounds difference in yield. Obviously, there could be no difference between these two entries.

Baby Boy Is Born To Couple

Mr. and Mrs. Marvin Holland of Hale Center, formerly of Olton, are the parents of a baby boy born December 23, 1957.

The baby was named Larry Marvin and weighed 8 lb. 4 oz. He is the grandson of Mrs. Florence Spears of Olton.

VISIT FRIENDS

Mrs. Max Houk and family of Littlefield, formerly of Olton, visited in the Frank Struve and Tom Smith homes here last week. They were accompanied by a friend, Miss Ross.

NOTICIAS

La cosa llama mas atencion en estos dias, es el tiempo. El viernes dia 3 del presente era un dia bonito y el sabado en la manana empezo a lloviznar muy temprano pero para las once estaba cayendo algo de nieve. Durante el dia siguio y toda la noche tambien. El domingo al amanecer vimos una cobija de blanca sobre toda la tierra. Aqui en Olton, cayo de 10 a 12 pulgadas segun varias medidas. Desde todo el pueblo se oian los carros patinando y los motores a toda velocidad, porque la nieve habia paralizado casi todo el trafico. Mas tadre se veia unos tractores y pickups cuyos duenos habian ocupados en la tarea de ayudar sus amigos que no podian mover sus carros contra la nieve. Hasta la publicacion de esta edicion, este reportero no habia oido de ni una accidente automovilista en nuestro pueblo.

—o—

UN INCENDIO EL DIA 5: El domingo por la manana, el Sr. Lupe Rodriguez y familia que vivian en el rancho del Sr. Guy Daugherty, amanecieron todos felices, sin saber de que durante el dia estaban destinados a perder la casa con todas sus posesiones.

Esta tragedia sucedio asi: la Sra. Ana Rodriguez y dos de sus hijas Corina y Olivia estaban cocinando en la cocina como a las dos de la tarde; el Sr. Rodriguez estaba razurando en el cuarto de bano; la ninita Blanca y el ninito Rey estaban jugando en la recamara y la nuera Rosie con su ninito estaban en la sala. Los hijos Oscar y Lalo se habian salido para el pueblo. Que de repente la Sra. Rodriguez se fijo de que salia humo por debajo de la puerta de un cuarto al oeste de la cocina en que dormia Oscar, pero al salir mas temprano habia cerrado la puerta. Ella pego un grito de que la casa estaba incendida. Rosie con el nino en brazos, corrio para afuera. Lupe vino corriendo del cuarto de bano y abrio la puerta y las llamas y el humo le aventaron contra la refrigeradora.

La Sra. con Corina y Olivia salieron por la puerta de la cocina seguido por Lupe que corrio para cerrar las llaves del Butane pero estaban cuajadas con la nieve. Sabiendo que Blanca y Rey estaban adentro, corrio hasta el lado norte de la casa y quebro una ventana para poder entrar para buscarlos.

Ya, la casa estaba oscuro adentro con el humo pero oyendo la voz de Blanca y a la vez batallando para respirar, la hallo y la saco por la puerta de la sala al lado este de la casa. Regreso Lupe, ya casi desmayandose, para rescatar su ninito de 5 anos de edad. Seguia el, la pared con las manos hasta que topo con el nino con la pierna.

Lo levanto en brazos y volvio a la puerta de la sala y le avento para afuera entre la nieve. Casi desmayado, hizo la lucha por sacar algunos muebles, pero no pudo y tuvo que salir.

El Sr. "Chico" Polanco que vive a cruzar el camino de la familia Rodriguez, viendo las llamas, llego dentro 5 minutos y pudo sacar un velis con papeles importantes y retratos de la familia. Otros vecinos llegaron y les ayudaron mover el carro, una pickup, un tractor y la maquina de combine, del lado de la casa y del tanque de butane.

Tambien alguien logro cerrar las llaves del butane. La Bomba de Incendio del Departamento de Incendios aqui de Olton llego a la escena como una hora despues, porque los caminos tapados de nieve los impedian llegar mas temprano.

Si algunos de los lectores desean ayudar con ofrendas voluntarias, dirijase al Rdo. Glen Godsey o al Sr. Lupe Rodriguez. El dia antes del incendio Lupe cambio su cheque y saco la provision y volviendo para la casa, la Sra. alzo los $112 para los demas gastos. Estos tambien fueron destruidos.

El lunes por la tarde, los Rodriguez estaban haciendo planes para cambiar al pueblo.

Se cree, que un corto de las alambres de electricidad, fue la causa del incendio.

—o—

FALLECIMIENTO: El Sr. Martin De Leon y su esposa Sra. Anita De Leon, recibieron una noticia el dia 7 del presente, de que su nieto Jose Villareal Jr. habia fallecido en el hospital a las 2:00 de la manana. La. Sra. Maria Villareal es la hija mayor del Sr. y Sra. De Leon.

—o—

Noticia a los padres de familias: El Sr. Noel Johnson el superintendent de las Escuelas Publicas de Olton, nos informa de que hay muchos que se estan ausentandose de las clases de los primeros grados. Toma en cuenta el Sr. Johnson de que habido muchas enfermedades durante las ultimas semanas, pero piensa el de que todos no estan enfermos.

Es urgente que los ninos esten en sus clases para poder lograr y ser promovido a la siguiente clase a medio semestre. Tambien, el promedio de asistencia anual a las clases tiene mucho que ver con la cantidad de maestros que puedan conseguir para el ano escolar proximo. Se espera que todos los padres tomen en serio este asunto.

—o—

El Sr. Rudy Gutierrez, su esposa, la Sra. Isidra Puentes y Hortensia Puentes, salieron para Bronte la semana pasada y volveran para los trabajos de la primavera.

—o—

El Sr. Lupe Ruiz de Hale Center, ha estado visitando con su hijo Lupe Jr. aqui en Olton. El Sr. Ruiz y familia vivian aqui hace tres anos pasados.

—o—

El Sr. Sixto Hernandez y familia han cambiado al rancho del Sr. Daugherty a ocho millas al este de Olton.

—o—

El Sr. Lorenzo Mendez y familia cambiaron al rancho del Sr. Norman Smith el dia 2 del presente.

—o—

El Sr. Jesus Gutierrez y su esposa, recibieron una noticia telefonica de Bronte el lunes en la noche, de un nieto estaba en el hospital, y muy grave de pulmonia.

* * *

NOTICIAS DE LA MISION BAUTISTA

Debido a la mucha nieve, la asistencia de la Escuela Dominical el domingo dia 5 fue de 6 personas y en la Union de Preparacion fue de 4.

—o—

La Union Varonil se reunio el lunes dia 6 del presente a las 7:30 p. m. con 9 varones asistiendo. El tema para la programa fue, "Comprendiendo la Palabra de Dios."

BY GAYLE McANALLY

Hey, James Carson, who was the girl from Clovis that you went with week-end before last?

* * *

Sandie Bell of Clovis, NM visited with Joyce Gray this past week-end. Sandie is 14 and is a majorette in the junior band. Sandie dated Charlie Giles Saturday night.

* * *

Joyce Gray had a slumber party at her home last Friday night, and after doing a little bit of everything all night, the following girls slept all day Saturday: Janice Campbell, Sharron Dennis, Jane Thurman, Judy Lacewell, Judith Chester, Lenora Woods, Peggy Sluder, Deeda Kemp, Prissy Bostick, Pat LaFrance, Gayle Machen, Sue Witten, Koenia Schenck, Sandie Bell of Clovis, and Joyce.

* * *

Randee Buchenau, Roy Neal and John Paul Jones, Don Hardy, John Lynn Burrow, and Ronnie and Darryl Dennis spent several hours running around here in Olton Friday night. (What all did you boys find to do for that long?)

* * *

Elmer Houston and Maenette Dennis were together recently.

* * *

In Plainview Friday were Sharron Dennis and Houston Hamby; Sue Witten and Harlan Carson; and Don Kidd and Juanelle Hatley.

* * *

Gayle Machen's car is blue and white!! I have gotten the colors wrong for two weeks. Apologies to Gayle and "Gidget" (her car).

Onions and Orchids Department

Orchids to the basketball teams who are starting district play.

Onions to the flu "bug" that keeps on a'bugging.

Orchids to the snow that almost got us out of school for a day. (Better luck next time, maybe!)

Onions to the small crows at the basketball games.

Orchids to those who attend OHS basketball games.

Onions and ONIONS and more onions to the semester tests! (Look at it this way: semester tests mean two things—studying and school is halfway over.)

* * *

James Ray Hyatt and **Linda Gail Thompson** are the surprise couple of the week. (Surprise to me, anyway!) They double-dated with Judy Moore and Kent Wozencraft Saturday night.

* * *

"SNOOPING"

What did you do during the snow?

Gayle Machen: Got snowbound with Ellen Jones and Judy Ogletree at Sydney Hair's house Saturday night. We spent the night there and rode around in "gidget" Sunday afternoon. Jerry Meyer and Houston Hamby rode with us and threw snowballs.

Arno Hall: Stayed at home.

Jackie Pinson: Got snowbound Saturday night and was in town Sunday.

Sandie Loveless: Just got out in the snow and had fun.

Mary Roper: Stayed at home and played cards with my family. I built a snowman, also.

Judy Price: I stayed in bed with the flu and read.

* * *

Daters Saturday night included Joyce Curtis, Harvey Garrison; Sharron Dennis, Houston Hamby; Sue Witten, Harlan Carson, Deeda Kemp, Lennon Young; Joyce Gray, T. J. Smith; Linda Clark, Jack Roye Straw; Gayle McAnally and Freddie Davidson.

Glenn Released From Hospital

J. D. Glenn, who suffered a mild stroke last week, was released from the Littlefield Hospital Monday.

Mr. Glenn, who is recuperating at his home, is reported in good condition.

NOTE OF THANKS

I would like to take this opportunity to thank all my friends and neighbors for their kindness with cards and letters and the prayers for me while I was laid up from my accident.

Thanks, folks. I love you all.

Water District Elects Tuesday

Annual election of directors and county committeemen for the High Plains Underground Water Conservation District No. 1 will be held Tuesday, January 14, at the City Hall.

Two committeemen will be elected from Lamb County, from a list of four nominees: Elmer McGill and Willie Gene Green, Olton; Melton Wiseman and Henry Gilbert, Sudan.

In addition, a director for Precinct No. 2, to succeed Gus Parish of Springlake, will be named from among three candidates: Roy Hickman, Morton; J. J. Hobgood, Anton; Roy McQuatters, Sr., Littlefield.

The committeemen elected will assume the positions now occupied by Elmer McGill and Bill Nix, Sudan. They will serve three-year terms of office. The district director will serve a two-year term.

Elections will also be held in Cochran and Hockley Counties, for the naming of two committeemen each, and the director.

Other polling places in Lamb County will be Littlefield Courthouse, Springlake Elevator office, Sudan City Hall and Spade schoolhouse.

Mr. Parish states that voters may use their 1957 poll tax receipts, and urges qualified voters within the water district to vote next Tuesday.

TO CHILDRESS

Mr. and Mrs. W. C. Smith and family went to Childress to visit Mr. and Mrs. Carl Miller recently.

School Nurse Makes Report

Colds and related symptoms held the spotlight in patients examined by Miss Leta Bell, Olton school nurse, during December.

Miss Bell saw 126 pupils in the school health office; 75 of these had colds, sore throats, earaches, fever. The minor accidents department—cuts, splinters, toothaches, abrasions, burns, sprains — accounted for 38 patients.

Free Salk vaccine was administered to 52 students. Miss Bell is continuing with her program of vision screening, dental inspection, weighing and measuring.

FAMILY TOGETHER

Visiting with the Raiford Daniels over the Christmas holidays were their children, Mr. and Mrs. Richard Snell and Samuel of Albuquerque, NM; Mr. and Mrs. Raiford Daniel, Jr. and family of Clovis, NM; and Bettie Lois Daniel of WTSC, Canyon.

FAMILY DINNER

The Frank Struve family celebrated Christmas with the Tom Smiths, Mrs. Mamie McCraw of Olton, Mrs. Olga Struve, Walter Struve and family, and Gene Struve and family, all of Hale Center.

Books on Parade

by mardema ogletree

THE OPEN DOOR by Helen Keller, published by Doubleday & Co., Inc., $2.75.

In the foreword to this just-published book, Katherine Cornell gives a very brief resume of Helen Keller's life. She says that the reason that the name of Helen Keller is known to millions all over the world is not because she was deaf and blind and learned to read and write and speak. But it is because that "although she is deaf and blind, she learned to think with a philosophical depth of understanding that reaches the mind and hearts of all, and because she learned to express those thoughts with a clarity all writers must envy."

The book could be called a collection of nuggets of wisdom. None of the selections are long, but it is the kind of reading you will long remember and want to read time and time again.

Especially meaningful to me are the following quotations:

"Impatient with frustration, we ask ourselves why terrible obstacles should be placed in our path! We cannot but wonder at times why we cannot have smooth sailing instead of being compelled always to fight against adverse winds and rough seas. No doubt the reason is that character cannot be developed in ease and quiet. Only through experiences of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved. Most of the men and women honored in history for their service to mankind were acquainted with 'the uses of adversity.' They triumphed because they refused to be turned aside by difficulties or opposition. These obstructions called forth their latent energies and the determination that carried them far beyond any goal to which they would otherwise have aspired."

And

"When one door of happiness closes, another opens; but often we look so long at the closed door that we do not see the one which has been opened for us."

(Available at Ogletree's Book Tree.)

Saunter With Sue

BY SUE MAY

No driver's license should ever be issued to the one who causes accidents—that "other fellow."

s-w-s

Just must "brag" about Son Scott! He's saying "Hi" now, and he isn't quite eight months old yet. So Husband and I go around saying "Hi" all the time! We got him a "burr-cut" Monday.

Gee, what would life be like without wonderful little babies?

s-w-s

She spreads cheer while doing routine shopping——

The other day I pushed a grocery cart behind a woman who effortlessly and graciously brought a smile of pleasure to half a dozen persons during the routine chore of buying groceries.

To the man in the fruit and vegetable section, more used to complaints about price and quality than to compliments, she said: "I don't know how you do it, but you always seem to have the freshest vegetables in town."

The man smiled and his shoulders straightened as the woman pushed her cart around the corner and into the next aisle.

There she called to an acquaintance, "We saw Jim make that touchdown Friday night." Jim's mother beamed with pride as she answered: "Yes, he came home that night feeling nine feet tall."

At the meat counter she said to the pale, tired-looking butcher, "It's good to see you back; I asked what had happened to you when you weren't behind the counter and the lady at the check-out counter said you had been in the hospital. I was so sorry to hear it."

Right away the butcher's face brightened.

She was a happy-faced woman spreading a little friendliness as she went about doing a routine chore.

In the hurry and rush of getting through each day, how often we neglect the little acts of courtesy and kindness that come so naturally when we slow down enough to treat everyone we meet like a human being.

s-w-s

Weddings, weddings, everywhere! About as thick as the snow Sunday.

We hear that 'bout ten OHS students got engaged over the holidays.

(PS: Wasn't the snow lovely. Such beautiful, huge flakes.)

s-w-s

Background: That toothpaste jingle, "You'll wonder where the yellow went," was **written by a** 19-year-old girl in an advertising agency who had never written a piece of copy before.

s-w-s

Gee, I made so many GOOD new year's resolutions . . . and I've already broken most of them. Makes me so aggravated at myself.

s-w-s

Even thought most young men pick out an engagement ring by themselves, the girl is sure to have a finger in it.

s-w-s

Sometimes slipping an old nylon sock over a hair brush will keep it clean longer. But the brush still needs its regular bath. Warm soap suds usually will do the trick. Occasionally, a water solution with aromatic spirits of ammonia is needed. After washing, air and dry the brush before using it again.

s-w-s

We close with the silly about the fuedal lord who ordered his serfs to build a moat around his castle.

The serfs didn't snap into it the way they should have, so the boss loosed a couple of arrows to the right spots.

"Okay," shouted the serfs, "we dig you the moats."

Our New Year's Thought——

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;
If you think—and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it in one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

Student Poems Are Published In Anthology

Eleven sophomore students in OHS have received certificates of acceptance on poems submitted to the National High School Poetry Association.

These poems will be published in the annual Anthology of High School Poetry in the early spring, and a copy of the anthology will be placed in the school library.

Mrs. Harry Ford assigned the poetry-writing project to the sophomore English class after studying a unit on poetry consisting of ballads and lyrics and how to write poetry. Twenty poems were selected from the class to be submitted to the poetry association for publication.

Students whose poems will appear in the publication are Jerry Mathis, "When I Was A Child"; Judy Hendrick, "A Tornado"; Sharron Dennis, "The Outlook On Life"; James Hukill, "The Sun"; Gayle Machen, "Life";

Roy Neal Jones, "Spring"; Joe Pendleton, "Defeat"; Kenneth Prestridge, "Wind"; Barbara White, "Snow"; Bruce Woods, "Sputnik"; Shirley Venable, "November Snowstorm".

Mr. and Mrs. Fred Stockdale, Stevie and Freddie visited his parents, the Fred Stockdales, Sr. in Morton Friday.

Jesse Osborn Announces For Re-Election

Jesse M. Osborn of Muleshoe announces for re-election as State Representative for the 96th Legislative District, subject to the action of the Democratic Party Primary in July 1958.

Mr. Osborn has lived in the district for 33 years. Has been engaged in farming and banking for over 20 years, gave up his banking interest in 1956 and is presently serving as your representative and feels that with the experience he has had in last three sessions of the legislature and with the additional time that he now has to devote to the duties of the office, that he can render the district better service in the future.

Mr. Osborn has always supported legislation for the improvement of our public schools and colleges, highways and roads, conservation of natural resources and of all our state institutions, and feels that we should make higher education available to all our young people who desire a college education.

Mr. Osborn is currently serving and has served on appropriations committee last two sessions and has served on conservation committee, that handles all water legislation in the house, since he has been in the legislature.

Mr. Osborn has worked and will continue to work for conservation of our water and natural resources and will work for maintaining our present farm-to-market road set up. It seems now that certain interests wish to curtail this program. I want it continued.

Mr. Osborn will appreciate your help and support in the coming elections and expects to make an active campaign and hopes to see each and every one of you before the election.
